HAL ROACH'S FAMOUS KIDS

in a series of twelve 16mm. sound

TWO REEL COMEDIES

These Famous Kids Comedies are the 2-reelers which were so well-known as "Our Gang" Comedies when originally released to the theatres by M-G-M. All of the famous "Our Gang" characters of the period in which this group of subjects was produced appear in these 2-reelers — Spanky McFarland, Farina, Jean Darling, Alfalfa, Stymie are all there. These 2-reelers are not only collector's items today — they're just as satisfactory entertainment as ever!

And, typical of Blackhawk's ability to bring you BIG bargains, is our acquisition of some hundreds of prints of these twelve titles. These sell regularly at $42.50. Blackhawk's selling price is not only a bargain — it is far below regular wholesale. Of course, prints are brand new and first quality in every way.

SPRUCIN' UP — What a pretty young girl can do to the kids! She can make them go so far as to shine their shoes . . . comb their hair . . . or even wash their ears. But even such self-sacrifice cannot always win a new neighbor's affections.

WASHEE IRONEE — Spanky stops traffic in an "ambulance" as he racer for his Chinese friend to help wash little Fauntleroy's outfit, ruined in football scrimmage. But everybody gets into the act, including a pet monkey.

BEAR SHOOTERS — The kids go hunting, but aren't quite equal to the game they meet. Only these kids could rig up a hunting "safari" such as this one.

WHEN THE WIND BLOWS — Howling winds, spooky haunted houses, comical policeman, and the kids all in one side-splitting film.

MOANS AND GROANS — The kids are trapped in a haunted house and confronted by it's occupant, and have to solve this problem in their own unique way.

CHOO CHOO — Pity the poor man who has to escort Spanky and his pals on a long train trip! It's a never to be forgotten event for everyone.

FLY MY KITE — Grandma does anything the kids can do, from boxing to flying a kite. When a heartless nephew forecloses a mortgage on grandma's home, you can bet the gang starts acting.

HONKEY DONKEY — Spanky and the kids have trouble with an obstreperous donkey, who really packs a kick.

TEACHER'S PET — Why didn't we have teachers like this? The kids as usual expect the worse when their [illegible] they're in for another of [illegible]

TIME EATS — Billy Gilbert adds to the fun in this [illegible] the kids have an [illegible]

FISH HOOKY — Going fishing is a much better way to spend a day than going to school — except when the Truant Officer becomes wise. The kids use every trick they know to get away from the old kill-joy.

THE POOCH — Petey, the famous bulls-eye dog, adds to Spanky's troubles as he has a run-in with the dog catcher. It takes all the kids' ingenuity to save the pooch.

THE GREAT MIKE WINS

with Stuart Erwin, Carl "Alfalfa" Switzer and Robert Henry

Here's a heart-warming yarn concerning an unbeatable trio — a boy, a dog and a horse. The boy is Jimmy Dolan, a typical twelve-year-old who has a paper route in Santa Anita, Calif. He also has a mongrel dog, Corky, and an interest in Mike, a delivery horse which looks like a thoroughbred and undoubtedly has a great future in racing — in Jimmy's opinion.

This opinion seems to be shared by Spencer, trainer for the famous Whitley stables. He and Jimmy train Mike and enter him in a big race. Members of a gambling ring bribe a stable hand to dope Mike, but Corky sacrifices his life to upset the plot. Mike, grieving over his canine pal, refuses to eat or exercise. Something drastic has to be done. Jimmy knows what to do — and Mike responds like the thoroughbred he really is.

Here's a whiz of a featurette — three reels in length — running just under 30-minutes. Prints regularly sell at $62.50. Yet, here at Blackhawk you can obtain a brand new, first quality print at LESS THAN WHOLESALE. Only **$29.95**

films for christmas

Add a special thrill to Christmas this year by showing your own films especially produced for the Yuletide. Young and old alike will get much pleasure from these subjects — and, as usual, you can buy them at savings through Blackhawk.

The following brand new, first quality, one-reel films are available in these versions:

16mm. sound — Regularly $19.75; Blackhawk's Bargain Price . . $15.89
16mm. silent — Regularly $9.75; Blackhawk's Bargain Price . . $ 8.59
8mm. silent — Regularly $5.95; Blackhawk's Bargain Price . . $ 4.98

A PRESENT FOR SANTA CLAUS — This delightful holiday film is packed with pathos, namely, and all the wonderful spirit of Christmas. Two little kiddies are tucked into bed, and while the tree is being trimmed plan as a special secret to give Santa a present. Santa is very surprised to receive a gift and as a result makes a last minute change in his own gift list for the children.

WOODY PLAYS SANTA CLAUS — Woody Woodpecker at his best! After a rip-roaring train ride and an utterly fantastic ski chase, Woody arrives at Swiss Chard Lodge where he plans a vacation of uninterrupted eating. He gains admittance disguised as Santa Claus and eats a deep hole in Proprietor Wally Walrus' food supply. Woody finally leaves with a full sack of "chow", but when he pauses in his escape to sample the loot he finds that he has not made off with a bag full of food, but with a bag full of Wally Walrus. It's gay entertainment in animated cartoon form for any Christmas crowd.

MERRY CHRISTMAS — Children can see Santa Claus at the North Pole preparing toys for Christmas Eve! Excitement mounts as carols are sung. Reindeer race through the frosty skies and down the chimney comes Santa — to leave behind him in every heart a Merry Christmas.

HOWDY DOODY'S CHRISTMAS — Howdy Doody, Uncle Bob, and Clarabelle have their stockings hung and the Christmas tree all ready — but Santa is overdue! Howdy insists that they all go to the North Pole in his rocket ship and look into the matter. Off they roar and in the wink of an eye arrive at Santa's workshop. Howdy is delighted for a moment with the animated toys, but — where is Santa? They find him tied up — a prisoner. Ugly Sam has done it! It all ends happily, with a big celebration at Howdy's house, and Santa arrives with the assurance that he will not disappoint a single child.

THE NIGHT BEFORE CHRISTMAS — "*'Twas the night before Christmas, and all through the house, not a creature was stirring, not even a mouse.*" Clement C. Moore's beloved poem now springs to life in a film which cleverly combines real actors and cartoon characters, telling the familiar story of St. Nick's dramatic visit. The reindeer dash through the wintry sky and jolly old Santa scrambles down the chimney, bringing Christmas thrills to the kiddies and recalling precious memories to the grown-ups.

A CHRISTMAS DREAM — A little girl, laden with new toys on Christmas Day, discards an old rag doll, "Stuffy," but when night comes and she is fast asleep she dreams that "Stuffy" is alive . . . and he is bursting with mischief. She watches with wide-eyed delight as he romps all over the room, plays the piano, calls other stuffed toys into life, and turns the room into a bedlam of frolic and fun. When the little girl awakens, she realizes that "Stuffy" is still worthy of her love.

The following brand new, first quality, one-reel films available only in 16mm. sound:

16mm. sound — Regularly $19.75; Blackhawk's Bargain Price . . $15.89

CHRISTMAS CAROLS — Three well-loved carols, *The First Noel, Hark! The Herald Angels Sing,* and *Adeste Fideles* are sung, reverently and beautifully, by a mixed choir of fifteen voices with organ accompaniment. The robed singers and organist are depicted in an appropriate church-like setting, and the words of the songs are superimposed on the pictures, making it easy for the audience to join in the singing.

CHRISTMAS RHAPSODY — This is the tale of a little fir tree which grew in the high mountains and brought Yuletide joy to a forester and his children. The heart-warming story is reminiscent of the Hans Christian Andersen fairy tales which have long delighted children and grown-ups alike. Photographically, the film abounds in exquisite winter views and homey Christmas scenes. Musically, it offers an exceptional original score, beautifully performed by a chorus and full symphony orchestra.

HOLIDAY CAROLS — A choir of twelve boys sing six old Christmas favorites: *O Come All Ye Faithful; Noel; It Came Upon a Midnight Clear; Joy to the World; Hark! The Herald Angels Sing;* and *Silent Night, Holy Night.* For some of the numbers, the singers are handsomely robed; for others, they are in outdoor clothing ready to go caroling. This is a film which you can use for any holiday gathering.

The following brand new, first quality, 100' films are available only in 16mm. sound.

16mm. sound — Regularly $7.50; Blackhawk's Bargain Price . . $ 5.98

FROSTY THE SNOWMAN—Here's a delightfully cartooned version of the "Hit Parade" number that was being sung by everyone this past Christmas season . . . especially suitable for children.

PETER COTTONTAIL — This film will surely appeal to children, with its charming cartoon version of the popular song that was introduced last year.

AVE MARIA — A lovely star — a lovely voice — a lovely and solemn anthem with a spiritual beauty beloved by millions. This special Christmas sound film will enrich anyone's Yuletide, as sung by Deanna Durbin and a men's vested choir.

SILENT NIGHT, HOLY NIGHT — The beloved Christmas hymn is beautifully sung by a mixed choir with organ accompaniment. The singers and organist are robed and appear in an impressive church-like setting. The words of the song are superimposed on the lower part of the picture, making it easy for the audience to join in the singing.

Glass-Beaded Tripod Screens at Unbelievable Prices

For the very best in brilliance and clarity of reproduction for your movies and slides, you want a glass-beaded screen — and Blackhawk makes it possible for you to own one. You never expected to find a glass-beaded screen selling for such a low figure as we are able to give you — especially one as well-built as this!

Many features found in more expensive models are offered here, in the Amota "Economy" portable metal tripod screen: simple adjustment, easy convertibility from square to oblong screen shape, jar proof screen hanger, sturdily designed tripod equipped with rubber tipped legs, and fine glass beaded screen fabric.

You can own one of these high-quality glass-beaded screens — at only $14.95 for the 37" x 50" size. Just wait 'til you see the difference it makes in your movies and slides, and you'll agree it's well worth the price.

Low Prices on Projection Lamps

There's never been a projection lamp bargain like this one! 750 watt, 110 volt, T-12, medium prefocus projection lamps at a saving of 1/3 from the prices you usually pay. These lamps are manufactured in occupied Japan and an American testing laboratory in Japan reports their performance compares quite favorably with standard brands made in this country — they are not the cheap, inferior type of merchandise that was turned out before the War. We hope to be able to offer these lamps on a regular basis. However, our immediate stock is limited, and we may periodically run out. Therefore, to try this bargain for yourself, get in your initial order now.

USED 16mm. SOUND FEATURES

All prints listed on pages 11 through 17 are good used 16mm. sound prints except for any small groups specifically identified as used 16mm. silent subjects.

We usually have only a few used prints of a title — sometimes only one. This means that within two or three weeks after the mailing of this catalog, more and more of these used titles will be sold out. Keep this in mind when you order. Order early, and, in justice to yourself, give us an alternate list of titles. We'll never send an alternate unless your top choices are already out of stock. But remember — we can't sell what we don't have — and the used prints we offer are in great demand.

All but the last page of this section printed on yellow paper is devoted to used prints. This section was the last part of the catalog to be printed. It was off the press only 1 or 2 days before the general mailing of the catalog was made. At the time it went to press, used prints of all the subjects listed were in stock ready for shipment. Normally, within two or three weeks after mailing, 50% or more of the titles will be gone.

As to the length of these films — cartoons average about 250 feet to a reel; other one-reelers run 300 to 350 feet. Two-reelers usually contain about 650 feet and longer subjects normally average not less than 300 feet to a reel. All films of one reel length and over are supplied on reels.

WEEKLY SPORTS HEADLINERS

Just look at that low, low price on these long one-reelers. We have only a few prints left on each of the titles in this series and want to clear them out, so you get the advantage of quite a cut in price. At this price, these nearly new prints won't last long — they are all in excellent condition, for few have been projected more than eight times, and some are brand new.

These films feature the top events of the week each covers, and were prepared for the television program TOP VIEWS IN SPORTS seen regularly over many of the country's TV stations.

Made to provide a quarter-hour show, the films are ve 1-reel subjects. In actual footage, they are almost 50% longe the average one-reeler.

We've shown the date of release of these subjects after ea (for example, Vol. 2, No. 59 was released August 25, 19 you can more fully identify each of the top sporting pictured.

Get out your order blank and list the titles in this group th want, because you probably won't find them in the catalog next month.

ABOUT IRON HORSES?

Maybe you are a little — and maybe you are a lot! But in either event, here is a group of three 16mm. sound films in FULL COLOR KODACHROME of which you'll want at least one in your collection.

All of the prints of these three subjects are used, but complete in every way, and in excellent general condition.

MAINLINE U. S. A.

Here is a 2-reel Kodachrome film in 16mm. sound that traces the impact of railroad c tion over the last century as the prime means of the general development of our co how the railroads today have a very direct affect on all our lives. Shown are a gre spectacular shots of streamliners and freights at speed, across prairies, over bridges, backgrounds of snow-capped peaks. Railroad fans can easily identify the trains of their railroad. And those of you who aren't particularly fans will find this an informative, al entertaining and very beautiful film to have in your collection. (Prints of this new ar at $150.00.) While our stock of fine used prints remains available, our price is only $24

BIG TRAINS ROLLING

Another tremendously absorbing film about trains — this one 3-reels, in Kodachro 16mm. sound. While pictorially overlapping very slightly with MAINLINE U.S.A. (d above), BIG TRAINS ROLLING tells more the operational story of today's railroads, larly an overnight train trip of some 1000 miles taken by two youngsters — brother a It tells about the various types of cars that make up a passenger train — it shows the of a railroad post office car — how a dining car operates — the many types of accomm available for overnight travel on a modern streamlined train. It also shows how a t operates, tells something about freight trains, shows how refrigerator cars are pack many, many other things of interest in connection with railroading. Even more shots o top trains are in evidence — all magnificently photographed in full color. (Prints TRAIN ROLLING are valued new at $225.00.) While our stock of fine used prints remains available, our price is only $34

LIFE LINE OF THE NATION

A 3-reel 16mm. sound film in full color Kodachrome showing the magnificent perform our railroads during World War II. The emphasis in this film is more on the move freight than of passenger travel. As a result the film is somewhat in contrast to either LINE U.S.A. or BIG TRAINS ROLLING. The viewer, too, will note another big d — the emphasis of the majestic steam locomotive which was still — during the wa number one source of motive power for freight as well as passenger transportation. a marked contrast with today when diesel power is close to taking over most princi So, for those of you who have a particularly soft spot in your hearts for the steam loc here's your chance to see some of the big boys of the Santa Fe, Union Pacific, Nor Western, Rio Grande, Southern Pacific and Pennsylvania in action. You'll see lots o too. (Prints of these films are valued at $225.00 new). While our stock lasts, you may buy a good used print for only $39

100' R-I SOUND MUSICAL FILMS

These films, identified as 100' R-I Sound Musical Films, are used prints of selections made originally by recognized producers of 16mm. films, for exhibition in Panoram coin-operated machines. The pictorial image is reversed on the screen when compared to normal 16mm. prints. However, with most of these subjects the only point where this is noticeable is in the main title which, when projected as a normal 16mm. print, appears reversed on the screen. These 100' 16mm. R-I Sound Musical Films are not supplied on reels, but in individual rolls.

These films are listed here by individual title, so you may order any units you want. For special savings, see our De Luxe Packages of R-I Sound Musical Films elsewhere in this catalog. If you order from the lists which follow, though, you can save money by buying in quantity. If you buy twelve or more at one time, deduct 10% from the listed prices. In buying twenty-five or more at one time, deduct 15%; fifty or more, 20%; and one hundred or more, 25%. So, go over the list carefully and order all you want at the same time to get the biggest discount. These musical films may be used for any theatrical, non-theatrical, or commercial purpose, except that they may not be televised.

DE LUXE PACKAGES of USED 100' 16mm. R-I SOUND MUSICAL FI

These films were originally produced by some of the leading 16mm production companies in the country for projection in coin-operated Panoram machines. When projected on ordinary 16mm projectors, the image is reversed on the screen. Usually, the only place you will notice any difference is in the titles—the lettering will appear backwards on your screen. For many uses, the titles may be removed.

Blackhawk offers you a saving in these packages of related films of 40% to 50% from the price you pay when buying them individually.

There may be, without notice, occasional substitutions of one or more titles in any package because we are temporarily out of stock on a particular film. However, we assure you that any substitutions will be of similar type and of the same or greater value.

In these DeLuxe Packages, you may replace not mor units in one package with units of your selection, if t consists of twelve or thirteen units. In packages of t units, one unit may be replaced. The charge for each re is $1.00. For example, you may substitute two units i package and your total cost will be $15.95; or one unit package to make your total cost $10.95. In this way, yo advantage of the special package prices without dupli you already own. Replacements must be made at the place your original order.

We offer these packages at special bargain prices and ca force, give pro rata cred.. for the return of part of a pac

These films may be used for any theatrical, non-theatric mercial purpose, except that they may not be televised.

A COMPLETE SERIES OF OFFICIAL

Civilian Defense Films

NEW 1951 PRODUCTIONS—NEW PRINTS

LENGTH OF EACH SUBJECT: ONE REEL

THE CITIES MUST FIGHT — This film details reasons for maintaining a well organized Civil Defense in every area, of the United States. Basic reasons are the saving of lives and maintenance of war production which will enable our armed forces to fight back.

WHAT YOU SHOULD KNOW ABOUT POISON GASES — Defenses everyone can learn to use are shown and explained in this film dealing with poison gases. Most gases of previously known types are dealt with as well as new nerve gases yet to be used in warfare.

CIVIL DEFENSE FOR INDUSTRY — One of the objectives of enemy attack will be America's great productive capacity — the factories, water power, transportation, etc. This film details defensive measures against probable forms of sabotage and attacks on defense workers.

SURVIVAL UNDER ATOMIC ATTACK — This film explains the dangers of the atom bomb and what the individual should do to protect himself, in the open or in his home. All precautions that should be taken are shown and described. It is estimated that casualties will be cut 50% if the instructions contained in this film are followed.

PREPARING YOUR HOME AGAINST ATOMIC ATTACK — This film is devoted to the shelter possibilities in average homes and how construction, materials and location decide shelter needs. The film also deals with the supplies and equipment the householder should have on hand in case of an atomic attack.

FIRE FIGHTING FOR HOUSEHOLDERS — Since fire is the greatest destroyer and killer following any form of air attack, this important film describes ways and means of preventing fire in homes, or fighting home fires once they have started.

EMERGENCY ACTION TO SAVE LIVES — Many first-aid actions which can be employed to save lives of civilian casualties in wartime are outlined in this film. The latest approved treatments for burns, shock, wounds, fractures and asphyxiation are explained as well as what not to do without trained help.

CIVIL DEFENSE FOR SCHOOLS — This film shows and explains the steps to be taken for the protection of school children in class rooms in the event of an enemy attack by atomic or other weapons.

WHAT YOU SHOULD KNOW ABOUT BIOLOGICAL WARFARE — This film deals with defensive and offensive measures against possible enemy attack with germs or other biological weapons. It shows that such attacks may be directed against civilians in cities and rural areas and may also affect animal and food crops.

This guarantee provides that if for any reason you do not wish to retain any films or merchandise you order from Blackhawk, you may ship them back to us, transportation paid, within five days after you receive them, together with a copy of your invoice, and we'll give you full credit. Of course, returned merchandise must be in substantially the same condition when returned as when you received it. If films are returned or sent for trade-in, it will usually be ten days to two weeks before exchange merchandise or refund check will reach you.

Read This Before You Order!

Blackhawk can continually offer you these exceptional buys only by eliminating all possibility of credit losses, and by operating our organization at the utmost efficiency. Therefore, irrespective of your credit rating, our terms are CASH WITH ORDER, or (inside continental United States) C.O.D. However, even inside continental United States, a 10% deposit must accompany all C.O.D. orders of $50.00 or more. Outside continental United States—and this includes Alaska, Canada, Hawaii, Mexico, Porto Rico and the Panama Canal Zone—we can handle orders only when remittances in full are included. In all cases, we urge you to remit by postal or express money orders, or by bank drafts. Foreign orders must be in U. S. funds. Do not send currency or coins—even by registered mail—for you do so at your own risk.

We have found that we cannot economically handle orders totaling less than $2.50 (or less than $10.00 from outside the Continental United States), so henceforth we cannot accept any order that does not total at least these minimums. You will see footnotes reminding you of this throughout the catalog. Just remember, if you live in the United States, your order must be for a minimum of $2.50. If you live outside the Continental United States, your order must be for a minimum of $10.00 and must be paid in U. S. funds. (This includes orders from Canada and Mexico.)

Purchasers in Iowa must pay the 2% Iowa State Retail Sales Tax except in the case of retailers who are purchasing materials for resale, in which case this fact must be clearly stated on the order.

Blackhawk prices do not include postage and insurance except in the few instances where items are shown as "postpaid" at the prices listed. On C.O.D. shipments, postage will be collected along with the cost of the films. However, if you wish to remit in full with your order, you may include the appropriate amount to cover packing, postage and insurance, based on your address, as covered by the following three territorial groupings:

Three 100' prints count as one 400' reel in figuring postage and insurance. Each feature picture counts as eight 400' reels in figuring postage and insurance. For empty reels, cans, cases, etc., allow 20% of purchase price for postage and insurance.

On many classes of films listed here, additional savings can be made by ordering six, twelve or more prints at a time. These discounts, however, apply only to quantities purchased within that class, and not to assortments of several classes of films. Discounts do not apply to any new or used films unless specifically offered in the listing.

There are no dealer discounts of any kind offered by Blackhawk — the prices quoted in this Bulletin, and the quantity discounts available on certain types of films, apply to all classes of purchasers.

How Long Will You Get Blackhawk's Bargain Bulletin?

Effective immediately, three consecutive issues will be mailed to all persons who indicate interest in the line of 16mm. films we have available. Of this group, those who become customers will continue to receive the Bulletin monthly until approximately six months after the date of their last order. Thus, an order as infrequently as once in each six month's period will assure your continuing to get this Bulletin regularly. Persons making inquiry who do not become customers within the first three months will be dropped from its mailing list at approximately the end of that three month's period.
