
Third Exodus Assembly

The Grafting In Of Israel

Pt. 5

23rd June, 2010

Vin A. Dayal

The Grafting In Of Israel Pt 5

23rd JUNE, 2010
TRINIDAD

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

Oh brother! God is shooing all kinds of powers from around your life that wants to take you in bondage. Glory! Like when Abimelech tried to take Sarah, God dropped down there: "Are you crazy? You are a dead man; you and your kingdom. Move from here! Restore the man his wife."

Oh brother! Let me tell you, you are being restored to all that is yours. All that you lost in the Garden of Eden; not just at Nicaea Rome; not just at Pentecost. You're going all the way back to the Garden of Eden: Eternal Life, fellowship with God and Power over the earth, standing there with dominion, in a world where there is no sickness, there is no sin; there is no death! Hallelujah! Praise His wonderful Name. [Page 34]

The Grafting In Of Israel Pt. 5

THE GRAFTING IN OF ISRAEL PT. 5

The Vatican's Plot For The Possession Of Jerusalem

TRINIDAD

WEDNESDAY 23rd JUNE, 2010

BRO. VIN A. DAYAL

[#669 - Songs That Live -Ed.]

*I want to go where You want me to,
Send me Lord, to do the things You do,
My Lord, I want to go.
I want to feel Your Presence near,
Perfect Love
Casting out all fears,
My Lord, I want to feel.*

*You've taken away my shame,
Given me a part of Your Name,
Set Your Holy Seal upon me.
I'm thankful for Your grace, tonight.
I'm thankful for Your grace,
You've made me a winner in life's race;
Now I give myself to You unreservedly.*

*I want to go where You want me to,
Send me Lord to do the things You do,
My Lord, I want to go.
I want to feel Your Presence near,
Perfect Love
Casting out all fears,
My Lord, I want to feel.*

*Oh, I'm casting my reasoning down.
Listening for that certain sound,
That Still Small Voice deep in my soul;
Oh, to lead me where I should go.*

*To lead me where I should go,
Perfect will to daily know
That unto You my works will be fulfilled.*

*I want to go where You want me to,
Send me Lord to do the things You do,
My Lord, I want to go.*

*I want to feel Your Presence near,
Perfect Love*

*Casting out all fears,
My Lord, I want to feel.*

*Oh my! Let Your Anointing flow. Let it flow in our
hearts tonight.*

*Let Your anointing flow,
Keeping my light aglow
Amidst this world of darkness,
sin and shame;*

Oh, keep pouring Your Latter Rain tonight.

*Keep pouring Your Latter Rain,
Faith to use Your Power again
That I may return to You from
whence I came.*

*Oh, I want to go to that place prepared
for me,*

*Oh, that mansion, my theophany,
My Lord, I want to go.*

*I want to feel greater realities,
Perfect Love throughout Eternity,*

My Lord, I want to feel.

Oh, my Lord, I want to feel.

Oh, my Lord, I want to feel.

*Hallelujah! Glory be to God. Thank You, Jesus! Oh
praise Your mighty Name tonight. How great is our
God. Amen.*

*Let's bow our hearts throughout the region in His
Divine Presence. Let our faith be so centered upon Him,
this evening. Let Him be the center of our attention,*

tonight. There is so much that God can do and do it so quickly, when His people can be in one mind and one accord; when we remind ourselves, of the time that we are living in, of the things that He, by His grace has pointed out to us to sensitize us, to put us in step with this great symphony, to bring us all under the Divine leadership and the Divine influence of His Holy Spirit, with desires to work in and through us to the fulfilment of His Word. It's such a precious thing, it is so much God can do. Praise His mighty Name.

Whatsoever you have need of, just believe Him. We know that He knows what we have need of, but He says, "You don't receive because you don't ask." Ask! Our asking is an expression that we believe. If you ask for a bread, you will not get a stone. If you ask for a fish, you will not get a serpent.

In other words, what you ask for, and especially when you can ask according to His Divine will, the Bible says, "You have the petition." This is the confidence – you have the petition that you desire from Him. Because we ask according to His will, His already expressed desire, it shows that our souls are lined up with His Word. And we are asking, not to consume in the lust of our flesh but we are asking that we might be profitable servants unto Him, because we are interested in the things that He has made known to us: showing us the time that we are living in, what He has promised; what He desires to do in and through us.

Father, we are so grateful tonight, to have a great God like You; One that will come when we will gather, even to show us the faithfulness of Your promises. Just like You came down hundreds of years after Abraham to Moses and You said, "I am come down because I remember My promise. I heard the cries of My children." And to think that hundreds of years had passed, dear God, but it was like just maybe a few hours ago. It is written in the Bible, "A day with the Lord is as a thousand years."

So, when we stand here tonight in Your Presence, God, we in our feeble minds might think You said those things in ancient times and maybe it's just something that we repeat and it has no real meaning and value, but when faith could strike our hearts and let us see who You are and what Your Word is, and how You have preserved that Word, and how You are a covenant-keeping God Who remembers Your promises. Even as we stand here tonight, You know every hair on our head, dear God. It is numbered! Not one could fall on the ground that You wouldn't know about.

So, when we stand in Your Presence like this, and know that for six thousand years You have worked everything right up to this very moment, to us, the living descendants standing here to whom You have given the Title Deed to the inheritances of God. To know that even as we stand here in Your Presence, it is not us who came by ourselves, it is You Who made the way for us to be here. It is You Who desire us to be here, that we will not forsake the assembling of ourselves, but much more as we see the day approaching and to be reminded, if two shall agree as upon touching anything, it shall be done; that what we can bind on earth will be bound in Heaven and what we loose on earth, is loosed in Heaven.

How we ought to see the value, Lord God, of a time like this when You will gather Your children together and bring us in one mind and one accord and bring us under the remembrance of the things that You have been speaking to us, to place us in the channel; to place us positionally in this Hour where we ought to be, that the Head and the Body could be in such harmony, and Lord God, You can fulfill Your promises and Your Name can be glorified in us and You could fulfill this great work of faith with power just like You said: "In that day when Jesus would appear with His mighty angels in flaming fire; when we can look up and lift up our heads and know our Redemption draweth nigh!"

Oh God, may this kind of faith move in the hearts of

Your children. May this kind of sensitivity grip their hearts and minds, grip their souls. As we stand in Your Presence to know, dear God, that when we can align ourselves with You, and when we can examine ourselves in the Light of Your Word, and when we can see the places in our lives where we are needy, and when our objective and our purpose, is that we might meet Your requirement, that the things that You have spoken might be made manifest in us, oh God, what a responsibility that is, Father; that we will not come trying to grab through the senses, and just trying to say things because we read of it, dear God.

But Lord, when we can come by this new and living way and knowing that we stand before the Throne of grace and mercy, and to know that, dear God, You, the very High Priest that can be touched with the feeling of our infirmities, and Lord whatsoever we ask, Father to know that we can receive these things, because we shall find grace to help us in time of need. And that's just what we have need of at this very hour, even the things, oh God, that will help us unto the fulfilling of the other things that You have promised, Father.

And we pray tonight that You will blot out all our sins, all our transgressions, all mistakes and failures, that none of us would be standing here with condemnation, with doubt, with fear, with uncertainty; that these things will be put aside, Father. Oh God, we could resist the devil with confidence and say, "Move back, Satan!" Oh God, and such a faith can be created in this place, oh God, by we reminding ourselves what we have come here for, tonight.

And that dear God, Your Holy Spirit can condescend and begin to move from heart to heart, from believer to believer all throughout this region. And Your church throughout this region gathered in Your Divine Presence, oh God, Lord God to know that You can send down such a mighty surge of the Holy Spirit into every heart, tonight. You can break the powers of darkness.

You can circumcise Lord, every heart that is yet to be circumcised and bring us up into that place, Father. You can open up the Word and the things, dear God, that we have need of tonight, that will help us, dear God, to take our place; to take our place, our position in Christ. May You grant it, dear God.

Father, whatsoever needs that Your children have in their hearts, that might need urgent attention, even tonight as they stand here, oh God, things that they have come Lord, and it's upon their hearts, and they are under anticipation, Lord, we pray that You will take it under Your Divine consideration and that You will release this faith into every heart, that dear God, they will have no need to worry.

You said, "Be ye not anxious for anything." Oh God, that the birds neither sow nor gather in barns but yet You feed them. The lilies neither toil nor spin but You take care of them. And You said how much more are we than they! And when we stand praying, whatsoever we ask in Your Name believing that we have received it, we shall have it. And so dear God, let it be settled in every heart.

We pray that the great Spirit of Truth, that is in attendance, that has come to lead us and guide us in all Truth; bring back things to our remembrance: what You have spoken to us through Your Prophet, what You have spoken through the Ministers, Lord down through these years, that we can sit in the house of God with such a clarity of mind and so concentrated and focused, that we can walk in the continuity of the unfolding of the prophecies, prophesied for this Hour, Father. We could be on our toes, as Your Prophet said, looking for these things to come to pass.

Bless each and everyone. Bless all Your children gathered throughout the region. Bless all the Ministers and the elders, the officers, dear God, Lord that stand having the oversight over Your people. Bless them, dear God. May Your Holy Spirit just keep us Lord, under

Your Divine influence! Keep us in step. Lord, those who couldn't be here tonight, that You'll remember them, wherever they are. Lord God, those who are streaming across the face of the earth also, Lord.

May in the Name of Jesus Christ, may Your Holy Spirit speak a word in season to every heart. We give You praise and thanks. We commit the service into Your mighty hands. Lord, lead us and direct us according to Your perfect will. May it be for Your honor and for Your glory and for the edification of Your people. We ask it in Jesus' precious Name, amen.

Praise His mighty Name. God bless you tonight. I'd like to invite your attention over to the Book of Obadiah chapter 1. Let's pick a couple of places to read. Obadiah chapter 1, verse 11:

¹¹ In the day that thou stoodest on the other side, in the day that the strangers carried away captive his forces, and foreigners entered into his gates, and cast lots upon Jerusalem, even thou wast as one of them.

God's looking back at that time when Nebuchadnezzar came. You could read that in the Book of Psalms, how when he had burnt the city and taken the people captive, the children of Esau stood there and they took sides with those who were coming against God's people. And it's such a thing because that spirit of Esau is on the earth in the last days, these two great powers: the natural church and the spiritual Church, and how Esau was the one who rejected the birthright for the morsel of meat. And here the prophet was condemning them for their behavior. He said:

¹¹ In the day that thou stoodest on the other side, in the day that the strangers carried away captive His forces, and foreigners entered into his gates, and cast lots upon Jerusalem, even thou wast as one of them.

These things are to repeat, because Obadiah... All Scriptures are for the End Time. You know that. It was being fulfilled in part; it was being fulfilled in shadow. But the Book is not historical, the Book is a prophetic Book, in the last days when the Seals are broken and all Scriptures are being fulfilled in the last days. And also verse 15:

*¹⁵ For the day of the LORD is near [unto]
all the heathen...*

Again, watch prophecy of the Day of the Lord because that repeats in the last days. The king of Babylon comes again to Jerusalem. The king of Babylon again will enter the gates. The king of Babylon again is casting lots right now for Jerusalem, through their crooked politics and these things.

*¹⁵ For the day of the LORD is near upon all
the heathen...*

Remember, the Day of the Lord is when He appeared with a white wig between His Priesthood and Kingship. And that is what we have seen. That speaks of our Redemption, so we can be taken out that God can go to the Jews.

And one of the things we are finding what the Day of the Lord really is, is when His judgment is to come down upon Gentile nations. And that's why it came at the end of the Prophet's ministry, when Gentile denominations and nations had rejected a Gentile Prophet that God sent to them. Amen. They cast Christ out of the church and they took their sides with Lucifer. That's the end of the Gentile nations and the Gentile denominations. That's why the earth is to be burnt after this Elijah.

*¹⁵ For the day of the LORD is near upon all
the heathen...*

See? Upon all the heathen.

*...as thou hast done, it shall be done unto
thee...*

...as thou hast done...

Because He said, "Behold I come quickly, and My

reward is with Me to give to every man according to his works.” Amen.

...thy reward shall return upon thine own head.

Revelation 22:12, he speaks of Him coming quickly, to give every man their reward. And that doesn't just mean reward for blessings, friends. 'Reward' in the Bible is '*wages*'. In other words, what you sow, you're going to reap. Be not deceived; God is not mocked. [Galatians 6:7 -Ed.]

This was the day when God has brought every man before His Judgment seat; when that sign went around the world and showed that God knows the secret thoughts of every man's heart; revealed everything that is not under the Blood. It bought man to a place to know, nothing is hidden from God.

Even in the meeting when he came, he said, "You've conspired to come and deceive the Holy Spirit." How much more when it was political in the nations also, when they had planned for God's people, deceiving God's people; when they had planned a World Council of Churches to come, to pass laws, working with the Roman power, whose desire is to control the whole world; taking it by deceit. All those things that God saw.

¹⁶ For as ye have drunk upon my holy mountain, so shall all the heathen drink continually, yea, they shall drink, and they shall swallow down, and they shall be as though they had not been.

Why? Jerusalem will be a cup of trembling, a staggering cup. He will fill that cup, mix it double and give them to drink – the wine of the fierceness of His wrath. They will drink. And that's where He's going to come down on that day.

¹⁷ But upon mount Zion shall be deliverance...

Because there was 144,000 with the Lamb on Mount Zion, having the Father's Name on their forehead –

Revelation 14. They were Sealed; their names were found in the Book. In that day Michael shall stand and deliver those names. And 144,000 were Sealed under the Seventh Trumpet in the calling and the Sealing.

We are having our calling and Sealing now. Names are found in the Book. That's why we can speak about 'seeing your name in the Book'. That's why we can talk about 'wave and see your reflection wave back'. This is not illustrative talk; that is reality in the last days. Because He said, "You shall know as you were known. In that day you will know, I in you and you in Me." That knowing was to come in a day when He will come to break the Seals and show whose name was in the Book before the foundation of the world. You have the experience to identify your life in the Bible; to show, you are one of them.

17 But upon mount Zion shall be deliverance...

Because you have come to Mount Zion. There is a physical Mount Zion for them, there is a spiritual Mount Zion here. Amen! Hallelujah!

17 But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions.

Because right now, they are trying to rob them of their possessions. The whole world is trying to rob them of their possessions and tell them they are occupying the land illegally and Jerusalem is not their capital. But upon mount Zion shall be deliverance. Hallelujah! Glory be to God in the highest!

Obadiah saw it from way back there. He saw under the Seventh Trumpet. He saw in the last half of the seventieth week. He saw at the End Time. He saw what Daniel and they saw. He saw what Joel saw. They saw these things. Glory! It's the same way with us.

Joel chapter 3:

1 For, behold, in those days, and in that

*time, when I shall bring again the captivity
of Judah and Jerusalem,*

We've gone through that over and over, when we had the Book of Joel series, but I'm still taking it tonight because we are bringing it here before because we want to speak out of 1st Kings 21.

*² I will also gather all nations, and will
bring them down into the valley of
Jehoshaphat...*

'The Lord judges' – that's what 'Jehoshaphat' means; where the Lord is going to set up His court. The supreme Judge in the Day of the Lord will set up His court and all Gentile nations will be brought there. There will be a representation from all Gentile nations there who comes against His people, who comes against Israel; who comes against Jerusalem. Because remember, all nations who are part and have representation in the United Nations and all denominations who have representation in the united denominations, which is the World Council of churches, remember all of them, United Nations – politics; united denomination – World Council of Churches, all of them have their headship in the man of sin in the Roman hierarchy, which is coming to be Lucifer incarnate in the last days because they refuse to walk in the Evening Light.

Understand these things! Because this Age was the deciding Age and at the end of the Age, they pushed Christ outside of the Church. But there is an elected people in the Third Exodus called out: "Come out of her My people." These people have come into union with Christ: uniting time and sign, invisible union; oneness. The Marriage of the Lamb is come and His Wife hath made Herself ready. At harvest time Ruth married Boaz; at evening time Rebekah married Isaac. This is a mystery between the Sixth and the Seventh Trumpet – the Second Woe and the Third Woe; Esther married Ahasuerus.

This is happening. This is not like ‘type and shadow’ business, this is real. There is a reality happening on the earth. This gathering here tonight is not some people in Trinidad; this is part of the called-out people in Revelation 18:4. This is part of those people in Revelation 19. Hallelujah! It has been granted unto you that you might be arrayed in fine linen, clean and white.

Eliezer brought the garment. Eliezer called you out. Do you know who Eliezer is? Hallelujah! Did he unveil Isaac to you? Did he show you the mystery of your Husband? Did he preach to you your *Future Home* [1964-0802 -Ed.], and *Things That Are To Be* [1965-1205 -Ed.], and *Shalom* and tell you, it’s a dawning of a new day for you? No more hospitals, no more graveyards; no more pesthouse. Hallelujah!

Then that is what we are talking about. That is real. We are walking in that, like Enoch and them walked with God before the Translation. That’s where we are – walking in that. May the Lord bless the reading of His Word! You may have your seats. Hallelujah! Let’s finish that second verse.

² I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there...

They want to—they had a scheme to take this land, and they set up false tribunals, false counsels, because they wanted to give justification for what they were doing in the eyes of the world. They wanted to make it look like it is peace they were trying to bring on the earth. They wanted to make it look like it is a good cause to better humanity. But this is how she is deceiving the nations. When the Bible says, “And he deceive the nations,” that doesn’t just mean to drink and smoke. That means he has a plan to become God over the nations and he wants to be worshipped as God, because back in Heaven he said, “I will be like God.”

This is what the stars’ wars is all about. This is what

the stars' wars... That's why when he fights a man and overcomes him, that man becomes his slave. He takes slaves in war because they lose the battle – the mind wars in the mind Age. And he binds them with the chains of the lie and they begin to live the lie.

But God takes prisoners too. Hallelujah! These who He capture (amen!) in war (hallelujah!), they become prisoners of love. They become prisoners of the Word and they are bound in the chains of Word. And they know their life is not theirs; they belong to Him and they live to His honor and His glory. Hallelujah!

That's a great thing. **“THE GRAFTING IN OF ISRAEL”, PART 5.** We are speaking here tonight, of what we started on Sunday. [2010-0620 -Ed.] For a little subject—I used a little subject, *The Vatican's Plot For The Possession Of Jerusalem*. That's the plot.

² I will also gather all nations, and will bring them down into the valley of Jehoshaphat, and will plead with them there for my people and for my heritage Israel, whom they have scattered among the nations, and parted my land.

³ And they have cast lots for my people...

They cast lots for His people, they cast lots for Jerusalem. It's a thing, men today think that they can sit and defy the Word of God. Now remember, all of this is a defiance of the Word of God. This is not just the nations doing something, you know. This is not just America's policies and Rome's policies, you know. This is the Hour in the last Age when the last Prophet came, when time for the Gentiles is going to be no more; when He is gathering the Wheat and the tares at Harvest Time and the Wheat will go to the garner, and He will burn the chaff that the evil sower sowed. And God allowed it to grow for six thousand years, from the time the Serpent's seed started with Cain, all the way to the End Time, when He will burn the thing, and we'll enter into the seventh day for the Millennium.

So, it comes to the place here where God now, has come down for these things. People are going to wake up in this Day and find out, life was more than just living and drinking and travelling and eating and buying things, and that all these years God had a plan, since in Eden, when He said, "And the woman shall receive a Seed," and that unfolded itself right down.

And in every Age, God had a messenger coming with a Message, and in every Age God's Elect will hear that Message and be Sealed away unto Eternal Life or judged. And in the general Resurrection, there are going to be all those who rejected the Word in the Age that they lived in, come up and go into everlasting fire. That's right! And in the first Resurrection, the Bride will come up; those who are asleep in Christ and are to be part of that Millennium. And the foolish virgins and the others, they will come in and will enter into Eternal Life in the second Resurrection.

So, it is not like people came through an Age and didn't know. Just like how we in our Age and you are hearing preaching, you are hearing the Word, and you are hearing a voice speaking and identifying what is right, what is wrong, what is Light, what is darkness, what is Life, what is death, what is of God and what is of the devil, that is either moving you into a relationship with God or it is moving you away from God. But in the end, your life is going to be lived under an influence, whether it is God or Satan.

Every man, since the Garden of Eden, the first couple had those two trees before them: the Tree of Life and the 'Tree' of death, which is the 'Tree' of the knowledge of good and evil. They had the privileged to eat from the Tree of Life; they turned It down and they chose from the 'Tree' of death. And every generation has that same choice because man is a free moral agent and He brings every man there. It wasn't like for Adam and Eve alone. Every man in life when you're born, somewhere in life's journey, the Truth comes to you.

That's why sometimes the Prophet said, "Somebody died and you say, 'Oh gosh, that person didn't get to hear the Word.'" He said, "Don't say that." He said, "You never know how God had dealt with those people because God has many ways to bring the Word to people." That's right.

And so it's something that we must know how to value the opportunities that God has given unto us and to make the most of it and to recognize... And one of the first things with these things, we have to know the Word of God is true; not just, "The Bible is a good Book." You have to know that is the infallible Word of Almighty God and God will judge every generation by His Word; not by the church – by His Word because the true Church was known by His Word.

There was no true Church that didn't bring the Word for an Age. No, no, no. The true Church always caught the Word and brought It. That's right. God had Seven Church Ages, and in every Age God had a man that the Word would come to. That's what the Book of Revelation teaches us: "And to the angel of Ephesus, and to the angel of Smyrna, and to the angel..." God always brings that Word directly.

Go in the Old Testament: "And the Word of the Lord came to Elijah, and the Word of the Lord came to Jeremiah, and the Word of the Lord came to Amos, and the Word of the Lord came to Obadiah." Constantly, God sends His Word. God is never without a witness on the earth. That's right.

Even back there you see in the Book of Isaiah: "The burden of Dumah, the burden of Tyre, the burden of Egypt." He was speaking to all these Gentiles cities, though he was a Jewish prophet. He was putting the Word in them. That's right. You go in the Book of Amos and then you see him speaking out there to Damascus, to different nations. He's speaking to them.

Why? Because God is gracious to send His Light to people in every Age, that they would not just be in

darkness. This is the condemnation, that Light is come. And we were promised, "It shall be Light at the Evening Time." Zechariah 14 says, "It shall be Light." This is the condemnation, that Light has come because men choose darkness rather than Light. [St. John 3:19 -Ed.] "And Satan transforms his angels as ministers of light," the Bible says, (see?) so they could come preaching another Jesus. And the Church always had to go back to the Word. Try every spirit because there are many spirits gone out in the world. [1st John 4:1 -Ed.] "Search the Scriptures," Jesus says, "whether these things be so." [Acts 17:11 -Ed.] "Prove all things, and hold fast which is good," Paul said. [1st Thessalonians 5:21 -Ed.]

You don't just go along just like that. When you hear the Word, you go to the Bible, you see It's the Truth, you tie your soul to It. You don't care if the man is black, white, red, yellow, brown, green. You don't care if he is short and fat, ugly or good-looking, it means nothing. When you are hearing the Word of God coming forth, you search It in the Bible, you'll be judged by It. It's your attitude towards that Word, always. It's either you get blessed or you get cursed. That's the way because there is some...

Life is very important and God didn't just call us to try to walk scared. No, no, no, no, no. You are part of God's representatives. God chose His representatives and He has you on the earth. When you start to find out He chose you, then you want to serve Him, you want to serve His cause; you want to advance His Kingdom. Why? Because you realize you're called to be part of something that is Eternal. God's Kingdom will not fall to the ground. When everything is standing, the kingdoms of this world will pass away and God's Kingdom will be standing.

The Book of Daniel shows you that. The Book of Daniel tells us, "There is going to be a Babylonian kingdom." History proved it was there. The Book of Daniel says, "It will be succeeded by the Medes and the

Persians.” History proves that is there. The Book of Daniel tells us, “After the Medes and Persians, Greece will come.” The Bible proved that. The Book of Daniel tells us that that kingdom, when Alexander the Great died, it will be divided up into four, by four generals and out of one of them, the Roman kingdom will come, and it proved that very thing. And the Book of Daniel tells us, after the kingdom of the legs of iron, it will come down into a kingdom of iron and clay in the ten toes, and it proved that.

That even when the men came, in that day when God gave a sign to prove it’s here, a Prophet standing there and said, “Watch Eisenhower – ten letters; Khrushchev – ten letters. ‘Eisenhower’ means ‘*iron*’; ‘Khrushchev’ means ‘*clay*’. Watch, the man didn’t take off his hat, the man didn’t pound the desk; the man took his shoe off and beat the desk in the United Nations, when five Western nations were representing one foot and five Eastern nations were representing the other foot standing there, and they couldn’t mix; they couldn’t agree – the iron and clay.”

And It said, “In those days, the Rock cut without hands...” And in those days we saw the Rock Himself, the Rock of all Ages appear, the Headstone (glory!) coming to a Bride with shoutings of grace, the Supreme Judge, the very One Who is going to smite the world; justify a people: “You are the sinless, spotless...” It took the Judge to do that, because ‘justification’ means ‘*the legal and formal acquittal from guilt by a judge*’. It’s what the Bible word means. It takes the Judge Himself of all the earth.

Abraham saw Him. Abraham saw a Man and said, “Shall not the Judge of all the earth do right?” It was the coming of the angels to open the mystery to the called-out church in a day like Sodom. Glory! And then a man stood there and said, “Watch, in all—for two thousand years to the church, never a man out in the forefront of God’s plan, had a name ending in H-A-M.

We have Graham, but that's six letters in the world." Oh thank You, Lord! He said, "But God is seven. Abraham was seven letters." And right there while the man who is saying that, is seven letters, and he had the sign to turn the back. Amen. He had the very ministry – God in human flesh; not the corporal body. Is that right?

Oh my! Friends, when you look in the Bible and you see those kinds of realities, you take the whole world, but give me Jesus. And that's the Message of the Hour that has come to us, friends. Oh, that's your ticket Home, friends. Put It in your heart, let It become Spirit and Life. That's the Token.

That Message is Christ – the Mystery of God revealed. That is Christ Who is revealed in His Own Word. Because the Word of God is Christ, and Christ is the anointed Messiah, and what shall you do with this Jesus called the Christ in this Hour. He is those Seals. He is the One Who was revealing those Seals. He is those Seals Himself. Oh, thank You, Lord!

You know I'm quoting that. Amen. I'm quoting that! He said, "Who do you say this is?" He didn't leave us to guess. He said, "A Greater than Solomon is here. It is Christ, the Mystery of God revealed. It is the Mighty God unveiled before us." Oh my!

So we know, we understand what has come to us. That's a great thing. That's a Mighty, mighty thing! And here we are witnessing in this late Hour, as we have been trying to bring to the church and sensitize you that these modern events are making clear the vindicated prophecy in this Hour. And the vindicated prophecy has told us these things.

Remember how we went back there in Psalms 83? And It says, "And they are gathered and they want to cut off..." Let's just read that quickly again, so you'll get an idea. I have something also I want to show you; maybe coming to the end of the service, I will. God help me to get through.

You wouldn't believe when these things started to open to me here, I want to write the Prime Minister of Israel. Could you imagine that? I want to send this to some of these Temple Mount people because in all that they are saying, they don't go to 1st Kings 21, because they don't really know that mystery of this woman; who she is. And in this, what I'm preaching here, is to show how this woman worked behind the scenes through the elders and the nobles in Naboth's city.

The enemy within is working with the enemy in the Vatican and in Washington because that Esau spirit wants to give up land for peace. They want peace that the pope could bring and they don't understand that the God of Peace will bruise Satan under our feet. The real God of Peace is the One Who was the Peace Offering; Who slew the enmity, tore down the middle wall of partition and made us one in Christ by the baptism of the Holy Spirit, which 144,000 are going to receive in the End Time. Oh my!

Psalms 83:

¹ Keep not thou silence, O God: hold not thy peace, and be not still, O God.

² For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head.

Oh my! They have lifted up the head now. They hated God all the time and God's people, you know, but they were kind of going quietly. But when they see the opportunity and like it has presented itself, they lifted up the head. They exposed their evil intentions sitting there looking so innocent.

³ They have taken crafty counsel against thy people...

And right now it's going on in all those high places. That's right. It's going on in the Vatican; going on in Washington. See? It's going on.

...and consulted against thy hidden ones.

He has them hidden right now. He has us hidden

because all those denominations are saying they are the Bride and He has the real Bride who will have the Wedding Band, have the Marriage Certificate, but they are not looking like the ones to the world to be the Bride, because the world thinks the Bride is the Vatican. They think the Bride is the World Council of Churches. It's hidden. 'Zephaniah' means, '*the hidden one*', you know that. And God has 144,000 hidden too. All Israel is not Israel.

Even Elijah thought he was the only one. God said, "No. I have them hidden there – a remnant according to the election of grace. You're not the only one. I have them hidden away. I'll hide you in the secret of My pavilion. I'll set you upon a Rock. I'll hide you in the secret of My tabernacle. You'll abide under the shadow of the Almighty. I'll take you into a secret place," like He took Elijah in the time of the famine. "I have a place prepared to nourish thee for times and time and half a time." Hidden ones, hidden from the world.

⁴ They have said, Come, and let us cut them off from being a nation...

They lifted their head. Do you see what they have? That's the plan. Do you see the counsel they're taking? The counsel is about that – that they can't be a nation; they can't occupy that place. Rome needs that place. Jezebel wants that place. And that is the Beast that carries that Jezebel, is who wants that place. He wants to sit in Mount Zion, perfection of beauty and the joy of the whole earth. He wants to sit in the sides of the north. He wants to sit in the City of the great King. He wants to sit there and be worshiped as God.

You see, the thing is a spiritual way; it has to come physically first too. Same way, like we who are living in Trinidad right now and around the world, when the Marriage Supper comes, you're going to Jerusalem, you know. Do you think you're coming back to live in San Fernando? Do you think you're going back to Princes Town? [Places in Trinidad -Ed.] The islands will flee. What

you think the map is now, isn't going to be the map there. What you think will have sea, it isn't going to have anymore sea when that time comes, too. Do you understand?

And right there He's going—that Pyramid City is going to come down where Abraham met Melchisedec. So if you are part of that Pyramid City, know where you are going to be, by the grace of God. Because remember, you are married into the house of David. You have to go where your Husband is. Your Husband better be living in the right place. Do you understand? Sometimes your husband has to die, when you have the wrong husband.

...that the name of Israel may be no more in remembrance.

That's the plan the man has – he's going to blow this thing off the map. "We are going to move it from the face of the earth." I asked the brothers to get that map for me. I want to show you the map. I have it in a book that I printed here but I can't show it to you from here. I couldn't get—I didn't know how to copy off the picture of that map, where they show you all the Arab nations and Israel is like a little red thing *here*, and they show you that green all around. And when you see that, it wakes you up to understand how they could win a war or seven wars against all these nations. It wakes you up to realize. And maybe while I preach, they might find it tonight, and might be able to show it to you. So notice.

⁵ For they have consulted together with one consent...

See? Remember, *Tower Of Babel*, the message *Oneness Of Unity* [1958-0128 -Ed.]: united under one Headship and by one language; the unity of the one God and the one Church. Bro. Branham was teaching us, in the last days Satan is uniting man under his plan and God is uniting man under His plan. He said, "You can see nations uniting, you can see churches uniting,

you can see businesses uniting, you can see armies uniting; you can see all these things uniting.”

He said, “But that is in the natural realm, what man can see with the eye. But while all that uniting is going on, there is a spiritual uniting taking place: Christ is uniting with His Bride also. God and man is becoming one. God’s great mystery of love expressed: God and man was one in the beginning; God and man are one in the End Time.”

And we saw the oneness displayed through a man who had the Title Deed back in the last days. And what we see temporarily will be manifested in the fullness in the Bride who has eaten the Book since, and are the living descendants on the earth. Amen! She is God’s Masterpiece. She is the final voice to the final Age; a glorious Church without spot, without wrinkle. When God is finished with Her, there is not going to be a wrinkle. When God is finished with Her, there would not be a spot.

Jude said, “Some of these are spots in your feast. They are there in your midst only to sin.” He said, “God will take them out. Trees twice dead, plucked up by the roots; wandering stars; clouds without water.” You don’t want to be that, friends; that is not your part. Your part is a star set in your course, reflecting the Son-light!

⁵ For they have consulted together with one consent: they are confederate against thee:

⁶ The tabernacles of Edom...

Do you see it here? That is what Obadiah was preaching against. Do you see where they find themselves again when they’re coming to fight God’s people? That’s right. Go in the message *Birth Pains* [1965-0124 -Ed.] – two systems in the last days, Esau and Jacob, and the world is rotting. The systems of this world: its religion, its politics, everything is rotten. But Esau rejected the Message of the Hour, the Birthright,

which is the right Birth, for the morsel of meat to become part of a system that the atomic bomb will cremate, and end up losing.

Esau was the one who married into the Canaanites and the Ishmaelites. How many know that is the Bible? And that's why they sent—Isaac said to Jacob, "Move from here quickly and go down by your family because look what Esau went and did; he married Judith, the Hittite." And then when the mother and father nearly died with a heart attack, he went and he got a second wife out of the Ishmaelites. Do you see what he married into?

They who rejected the Message marry now with the Arabs against Israel. Are you understanding the Bible? Remember the Message is no more in the paper, you know. The Bride is a literal Bride on earth walking around with God's Voice. She doesn't become the Bride on the day when the Spoken Word and the ministry of the testimony to the lost takes place, you know. No, no, no. That's the witness to the world. That is She giving that kind of witness to the world one more time, but all along, coming along being ridiculed; bearing the reproach for the cause of the Word. Is that what the Scripture say?

Mary was pregnant but all of them were saying, "That is fornication; that is some Roman soldier; that's she and Joseph living an unclean life." They had all kinds of things to say. But they knew that was not Joseph's baby. They didn't know whose baby that was. Amen! Glory! Joseph knew it was not his own and Mary knew it was not his own, and the Angel knew none of them didn't manufacture anything or none of them were lying. The Angel knew that they had the Truth. They knew Who it was because God gave them a revelation Who it was.

Mary said, "How shall this thing be, seeing I know no man?"

He said, "No, this One is coming without man. This

is the Promise. This is Isaiah 7:14.”

So, they knew what they were carrying; that’s why they guarded It with their lives.

Do you know what you are carrying tonight? Do you know what you are carrying tonight? That’s why I know where this Word came from. This Word that is formed inside of me, I know where this pregnation came from. And that is why I say, “It can’t leave the Bible,” because I know who the Father is. That’s why I don’t have to have fear because no man taught me this, not even the Prophet.

You say, “What are you saying?” Flesh and blood can’t reveal it. I never walked with him, I never sat in any of the meetings, (that’s right!) but the Quickening Power moving across the face of the earth found the Seeds. Mama Eagle came flying over the barnyard and found the Seeds, and quickened us to what God said through the Prophet, and we tied our soul to it. That is the right understanding.

Because if you’re going to qualify it with who knew the Prophet, there were plenty who sat and hunted and fished and slept and ate and were in all the meetings, and their names are in the book too, but they are in the wrong book. You could read their name in the Spoken Word book but they themselves can’t read it in the Bible because the amnesia is still on them. Oh... That’s why I say it’s not children that came out of his flesh, it’s children that came out of his faith. Oh thank You, Lord!

There is no disrespect there, that’s the confession; that’s the true confession of the Word. Because when he came, he knew it wasn’t any Baptist baby inside of there. He knew it was no Pentecostal influence inside of there. He knew it was when the Angel met him in the cave, when He spoke to him on the river, when He met him in the woodshed, when He met him as a little boy; he knew Who that came from. He knew that was no Dr. Davis anything.

Glory! And the real ones in here are the same thing.

I could only preach but He still has to reveal to you that this is true. And when He reveals It to you, It's yours. It's not mine, It's yours too. Glory! And when you get It, you aren't following my flesh; all of us are following the same God; same Holy Spirit. All of us are in step with the Word.

That is why we know who get it. That is why we know who get it. Because many people could hold on to your flesh and always want to be around you, and they're not seeing what you're saying. They're not living what you are saying. Hallelujah! But when the Holy Ghost writes it in your heart, He said, "This is the New Covenant. I will write My Laws in your hearts and your mind. I will write the Name of My God, the Name of the City of My God and My New Name, I will write it in your heart." And that could only be written by the New Birth. It can only be written... And I can't give you the New Birth. He gives you the New Birth. There is One standing Who baptizes with the Holy Ghost and with Fire.

Jacob's father was a prophet but he made a 'Jacob' – a *deceiver*. His mother was the bride but she was a deceiver. But one day he met the Mighty Angel; not his father. Under his father he was a deceiver still, but when he met the Angel, he became Israel. Isaac couldn't make an Israel; Isaac could only make a Jacob. Yes! Glory be to God in the highest! Oh thank You, Lord. Hallelujah!

You know you have been with the Male Bird. You know you have been with the Male Bird. Oh, give Him a hand of praise throughout this region. What a mighty God we serve! Amen. Hallelujah! Glory be to God in the highest! My, my, my, my, my, my, my! Hallelujah! Yes. Yes! That's nothing but the Truth. Amen. Like Hattie Wright, that's... If I listen closely, I could hear Hattie saying, "That's nothing but the Truth!" Hallelujah! Oh praise His Mighty Name. Glory! Glory be to God.

This is the time for the Bride, friends. This is the

Quickening, the final Quickening unto the Rapture! She knows without any uncertainty because that was the move of God to do that in the lives of the believers, because that's the only way you could come into perfect faith to go in the Rapture. And Seven Thunders came to give that kind of faith. When these Divinely revealed Mystery Truths contained in the Seven Seals are being made known, it literally turns the heart and brings it into that kind of perfect faith. Glory! Oh, praise His mighty Name.

So, let's drop over quickly before the time goes to 1st Kings 21. Praise His mighty Name. Do you love Him? Isn't He wonderful?

In case I forget, from next week, next weekend, not this one, next weekend, we have the meetings on Friday, Saturday and Sunday. So no service would be in the week after Sunday, then you'd have Monday to Thursday to fix your business, get yourself organized, whatever you have to do, so we can just be in channel.

We have a great bunch of delegates coming and we are the host and when they come, they can't think they are in the wrong city. It has to be the City foursquare. It has to be a City where they are seeing the Lamb is the Light and they have to see the City on a hill where can't be hid, whose glory is seen by the nations around about.

When they come through that gate, there has to be elders in the gate standing there. Oh my! Glory! They have to say, "Truly, we have come to Mount Zion. This is the City of the Living God. This is the Bride, the Lamb's Wife." Hallelujah! Don't you think it should be like that? That's what we are preaching. That's what the Bible promised. That's the Israel of God.

Because remember, these things are very easy to relate to because all denominations are against the Bride. All denominations, they have—when they examine us, they are seeing that we are teaching things we ought not to be teaching. They are seeing that that can't be the true Christian Church, and we are

teaching: “Eve had sex with the Serpent and a woman can’t cut her hair? You want to put all the barber salons and beauty parlors out of business? And she can’t wear a pair of pants in this Age of women’s liberation?”

When they think that they have done so much, that today a woman could be President of a country, and Prime Minister and these things. That is their achievement. That is their liberating of the woman. We will be radical. We will be outdated. We will be like some ancient—that will be considered like, “You have some ancient thing. You’re not up with the times. You all are dinosaurs. You’re listening to a prehistoric thing.” Do you understand?

But our sisters know the Truth. Isn’t that right? Does all our young sisters know that is the Truth too; everybody inside of here? Praise His mighty Name. It’s good to preach to daughters of God. Isn’t that something? You could preach to ladies. I salute you Ms. Grace. Amen! The Elect Lady. My, my, my! Daughters of God in the last days; daughters of Sarah. Praise His mighty Name.

1st Kings 21. You know, I have been saying, this is a mystery of prophecy sealed up in shadows and types for the last days, when Ahab and Jezebel is in a union and when Israel’s history is repeating itself under the Seven Seals and the Seven Trumpets in the Eagle Age.

Are we in the Eagle Age? Luther, Wesley and Pentecost, that was the reformers Age. By the end of the Pentecostal Age, came the Eagle. Is that right? We are in the Eagle Age. The Eagle Age is between World War II and World War III. Is that right? We have a Gentile Prophet, they are going to have Jewish prophets over there; also the Eagle Age is coming back to them.

Right now they—for hundreds of years, two thousand years, they have rabbis, they have synagogues, but under the prophets, they are coming to Mount Zion. Under the prophets, their names will be delivered because it will be found in the Book. Under the

prophets, they are coming to the baptism of the Holy Ghost. Is that right? [Congregation says, "Amen." -Ed.] That's right. They are coming right back from having a rabbi for all these years, to Moses and Elijah standing there, (oh brother!) Eagles!

How many know when Elijah came, Israel was under Gentile dominion? How many know when Moses was raised up, Israel was under Gentile dominion? Is that right? Pharaoh was dealing subtly with the people: depopulating, killing them out; different programs, (is that right?) killing out their children, bringing strict labor conditions to work in the work environment to frustrate them; to send the woman out to work too, because they could hardly make a means to live.

A plan to destroy the home, break up the families; create the kind of employment they want for women. Put her in a hotel there, passing around by all those naked men sitting there and all those naked women sitting there. Put those boys there, walking with rum punch and walking with different things, when they come for sun in the Caribbean. Put them in those hotels where all the sin takes place. See!

Pharaoh dealing subtly with them: Ministry of Labor, Ministry of Health. They don't know... "Carry that child for a vaccine!" You don't know what they put in that child. When she turns thirteen, her womb is full of fibroids. They say, "We have to take it out," because they know how to control the population. That's right.

So watch. This is happening in the Eagle Age between World War II and World War III, when Israel was bought back in their homeland. Israel was bought back in their homeland after World War II. Is that right? In World War I, Jerusalem was recaptured. That's right. General Allenby [An English soldier -Ed.] went in there. The war was stopped the eleventh hour, the eleventh day, the eleventh month in 1918. You know that. Hold the winds, that you might Seal this Elect.

And so, they came back in their homeland after World

War II; driven back there, and in 1948 they became a nation. And when you see the fig tree put forth its bud, you know summer is nigh; it's even at the doors. Jesus was saying that it's even at the doors in 1948. It's even at the doors!

Do you know why? The End Time Messenger is out. God said, "Go out now," and the world began to see things they didn't see for two thousand years, from that time. Angels started to appear. Angels started to be photographed. Pillar of Fire started to appear. The Messiahic sign came back in the Church; all these things – End Time signs.

The spirit of Sodom was let loose when those locusts were loosed under the Fifth Trumpet. Tattoo started to come back on people's body. All kinds of stud on their tongue and their eyelids and everything, started to come back. Children started to—atheism and all these things began to rise; New Age thinking began to rise. Toys began to change for little children. From little dolly and these things to 'Miss Barbie' and 'Barbie's special kit'. And then those boys started to get all those toys: prehistoric creatures; four-headed monsters and things they started to play with; started to come on. A new Age. Something was happening in the world, something hideous.

All those television programs; some started to strip those women. Nobody was understanding what was happening to the world. 'Flower power' – drugs started to come. People started to push all kinds of things in their arms, in their foot, to get a high. An insanity started to move in the world. Nobody was understanding that the pit is opened.

That's why God had to take the Messenger in hell and then take him in Heaven and began to bring Truth to an Age, so an Age could understand what time it is and how to get out of here. And God had a plan to take a people out too. Hallelujah! That Mighty Angel was going to come with an open Book, and the Bible, in the

midst of all that darkness, was going to take on... And a man started to talk about the Serpent's seed – things you didn't hear for two thousand years.

Oh brother! Did you see what happened? When Israel was brought back in their homeland, that Jezebel system after World War II, when Israel was a nation, also begin to unite the churches. The ecumenical move was started by Pope John the XXIII saying, "That we all may be one," and a spirit was let loose and Satan began to unite man under his plan because the Eagle was on the earth.

And when the Eagle is going, the pale horse rider is moving. And the pale horse rider at the end of the Age of man – the reformation Age and the Pentecostal Age, was the last of the reformer Ages. Luther, Wesley and Pentecost: stalk, tassel and shuck, that was the Age of man. And then that... Here came the Eagle.

And here came the pale horse now; began to unite the powers together and the world begin to unite. And they even had come into that unity, started it in World War II to stop Hitler because no nation by itself could do it. Then the allied nations in a confederacy, came together and went into Europe to fight the Second World War and free the Jews, where six million had died in the Holocaust – a systematic destruction of a people.

That's history. That's the reality. And that nation was born out of this kind of persecution. And Jesus had promised that. And Jesus had foreshown that with Joseph's brothers in a time of economic recession, gathering back. Jesus had shown that in a time of Naomi, after the family died and she was left alone out of all the family, and was going back to the homeland.

Ezekiel showed that they were going to come from all the nations of the earth. Those dry bones were going to come back and were going to be reborn. And God deals with Israel as a nation and so, the nation was coming back because Paul had taught that God would return to the Jews in the last days; that her blindness was in

part. Jesus had taught that the fig tree shall put forth its bud again.

It had to do it because only sixty-nine and a half weeks, as I showed you last Wednesday [2010-0616 -Ed.], had been fulfilled. The first half of the seventieth week was fulfilled when Jesus was on the earth. And I proved that to you from the Bible and was showing you that it stopped with the Jews right there when Paul and they dusted their feet in Acts 13 and Acts 18 and he said, "Lo, we turn to the Gentiles."

And in AD 53 when Paul started his first missionary journey, (is that right?) he went out there and God began to call a people out of the Gentiles for His Name's sake. The few Jews had come in but now there was a church in Antioch, and there was a shift from Jerusalem to Antioch before Titus came. And they knew in Antioch, the Spirit was there.

I wonder if you could understand some of these things? I say these things on the basis of this Word, this revelation, because I'm not sitting here under a bushel; I've gone around every continent for the last thirty-one years. I know what I'm talking about. And if you are in the Message for thirty years, you know some of these things smoke your mind, because that is the grace of Almighty God. That's that Eagle Spirit still here among the Gentiles.

Where the Carcass is, there will those Eagles be gathered together. There are eagles who fly into the Word. Glory! They go pass the clapping of the hands and pass the rhythm of the music, pass the joy of the saints and they go way up and come down with Unknown Language, and come down with the mystery of the Bride from Eve in Genesis 1 to Revelation 22 – a Pyramid City having the Glory of God! Oh thank You, Lord. That's right.

That always cause religious disturbance. There's persecution that always follows that. You don't have that revelation and not get persecuted because it

challenges the faith of people. Because a lot of people want to sit and claim they're in the Message. Sitting there playing church, not realizing, the Bride must become everything the Bridegroom is. She must be Life of His Life, Spirit of His Spirit, faith of His faith, virtue of His virtue.

Because Eve was bone of Adam's bone and flesh of Adam's flesh. It is not good that the Second Adam should be alone. This is My flesh and this is My bones – the Ephesians; Ephesians chapter 5, that says, "It's a mystery concerning Christ and the Church." And there is to be another Ephesians at the End Time when we come back there, this Eagle Age. This is when the Jews have come back in their homeland because they came back to meet Eagles.

They came back and they were among rabbis for these years, while the Bride is having Eagle anointing. While the Bride is flying under Eagle anointing, they came back and are sitting under rabbis. But something started to come upon them. Their anointing is changing. Their anointing is changing. They are getting ready to fly.

They hatched out in the barnyard but they start to realize, "We are not like those chickens. We're not like them." They're seeing a lot of Jewish chickens around there who want to paint their hair, because a lot of them came back from the Gentile nations and they come with the Gentile influence, and they don't want to die out completely and become real, true-born Hebrew; they want to be Jew outwardly. But there are some that wants to be Jew inwardly too.

The same way we have plenty who've come out of denomination and they aren't ready to die fully to live this Word and become real Bride, but they come and they sit here and they have a first court life and a second court life. But when you tell them about Inner Veil – shut away from the world, total separation; circumcise to come under the union with the Captain, it shakes

their faith; they don't want to walk inside of there.

And the same way we can tell the difference between those kinds and us in here, they're seeing people who want to give up the land for peace and something in them is telling them, "No! Every inch belongs to us, what God says in the Bible." And when we look in the Bible, we say, "Every promise, everything we read about belong to us in the Bible. We're not compromising."

Because God brought them back to the land where He deals with them, and God is bringing us back to the Word where He deals with the Bride. Oh, thank You, Lord! He brought us back to the Word. God doesn't deal with you outside of the Word, friends. You get licks. [Chastisement -Ed.] The dealing is licks; not revelation, licks, to get back in the Word. For Israel it's licks; that's the dealing – licks to get back in the land. Glory. Oh my! Yes.

And after World War II when they started the ecumenical move, Rome, Satan began to make his move too. Because God was moving to unite man under His plan to bring back a oneness in the Church. And that Ministry, and that Message was going to come through this Eagle Prophet – the Seventh Angel. And so, the same way, Satan decided he wants to unite man under his plan also because he only impersonates what God does.

Because when the spirit of restoration drops, everybody wants to go back. Some people wanted to go back to Ethiopia, some people wanted to go back to Africa, some people wanted to go back to India, and some people wanted to go back—they wanted to go back to China; all kinds of different things they want to go back to. Why? Because the spirit of restoration is on the world. But the real Bride is restoring to the Word. She's going back to God. Do you know why? She came from God; She's going back to God.

Jacob was going back to the homeland and the Angel intercepted him. This is what is happening. If you

haven't had an encounter and you are part of the elected Bride, you are moving into an encounter. Because Jacob wasn't just walking; angels were all around him. Go back in the Bible. He called the place Mahanaim; he had seen the angels. [Genesis 32:2 -Ed.] He said, "Wait a minute! These angels are with me." Yet that dream that night, Laban got the dream and God came down and told Laban, "You touch him and you're in trouble with Me. Leave him alone. It is I Who brought him back here. Move back from here."

Oh brother! God is shooing all kinds of powers from around your life that wants to take you in bondage. Glory! Like when Abimelech tried to take Sarah, God dropped down there: "Are you crazy? You are a dead man; you and your kingdom. Move from here! Restore the man his wife."

Oh brother! Let me tell you, you are being restored to all that is yours. All that you lost in the Garden of Eden; not just at Nicaea Rome; not just at Pentecost. You're going all the way back to the Garden of Eden: Eternal Life, fellowship with God and Power over the earth, standing there with dominion, in a world where there is no sickness, there is no sin; there is no death! Hallelujah! Praise His wonderful Name.

And in this hour when they came back, they know they came back for all that land. But here is a power now, trying to rob them from that land because Satan's plan is tied to that land: "I will be like God." His plan... Because you see Satan, he knows that the economy of God is to be set up there on the earth, where Christ, as the Son of David will rule the world; where His Throne will be established on the earth. And so, Satan is trying to make a move for that, the same way he tried to make a move for Eve and made a move for the church (see?) and is moving for that very thing.

So, Satan came up with his own Adam, his own Eve and his own Eden – Satan's Adam, Satan's Eve and Satan's Eden. He has his Adam in the man of sin, he

has his false bride in the World Council of Churches and he has his Eden, where the whole kingdom—the man of sin is being worshipped as God. The god of this evil Age, over his Satan's Eden that he built for six thousand years because he got the same time that God took to build the first Eden. Is that the Bible? That's the Message. We were taught these things by the Prophet.

And so, this Scripture here, the Holy Spirit is foreshowing by Scripture, the evil schemes of Ahab and Jezebel in this Hour. Because Elijah came after World War II. Is that right? That's the Eagle Age. Is that right? And we see it under our Seventh Seal. Elijah was bringing us back to all what belongs to us, in the Age of restoration; every promise. Elijah carried us back and showed us what man was in Eden. Is that right? Elijah showed us what the church was. Elijah came and manifested all these things to us. Is that right? Elijah proved to us how you see your name in the Book; how you have perfect faith and Perfect Love. Elijah proved these things.

It wasn't just preaching and testimonies; it was to a people who are going back to this. He was proving to us it is here. Because that was God's objective and intention – that a people understands that this was not a powerful man, like a magician that God pulled out of a hat to try to mesmerise a crowd. No. God was sending this man to the Elect. He will turn the hearts of the children – that is the elected Genes of God. He was going to open the way for them to become the Word again, in the time of the restitution of all things.

And so, they have gone back. And this 1st Kings 21, is a mystery in the time when Ahab and Jezebel are on the earth in a union. I'm just rehearsing back some of these things I had with you the other night, on Sunday night. See? And in here tonight, we want to look and see, because this will open to you how Jezebel, who is that evil church, who has drunken the kings and the

nations of the earth and bewitched them with her sorceries, how she works in the realm of politics and is able to keep herself invisible and it seems that she is not involved in what is happening. This is what this teaches us.

This teaches us the methods, Babylon's methods of destruction: how she destroys wonderfully, how she rules there and how she seduces, and how she works her will and her evil plan, and scheme through nobles and elders and kings and how cruel she is in her heart; how she has no pity. Because in 1st Kings 19, Elijah said, "Oh God, this Jezebel wants to take my head – she who has killed all Your prophets; she who is already drunken with the blood of the prophets."

This Jezebel here is drunken with the blood of the prophets under your Second Seal. She killed sixty-eight million and then all through the Inquisition, she killed so many more. Because Revelation 18 [and 19 –Ed.] says, "And in her was found the blood of the saints and the martyrs of Jesus Christ, and all Heaven rejoiced when she was burned with fire and cast down and said, 'Thou hast avenged us of our blood, oh God!'"

You see, I'm speaking here a little bit to sensitize you to the Scriptures, so when we read it, it can strike home. See. So this is put in the Bible, and I showed you how the Book of Kings has three main wars. 1st King 20 had two wars, and 1st Kings 22 had the last war where Ahab was destroyed. In the first two wars, Ahab came out victorious.

Go back and see if they weren't victorious in World War I and World War II – the United States. Germany was defeated in World War I, then Germany came again, rose up through Hitler to start war again and was defeated again in World War II. See.

And during that time in 1st Kings 21, we are seeing this evil woman has a plan. I say, one chapter, 29 verses, fits right there because this is the most extensive record of her. In 1st Kings 16, it gives her a verse maybe

or two. It says she was the daughter of Ethbaal, king of Zidon, who came and was married to Ahab. And 2nd Kings 9 tells of her destruction. And outside of that, this is the main verse. This is what shows why she was judged; why the dogs were going to eat her. This shows her collaboration with Ahab, what the two of them conspired to do.

Because Revelation 13, which is a next whole chapter, shows you a Beast out of the sea and a beast out of the earth who are conspiring too. Because the one that came out of the earth, speaking with the voice of the dragon, and the one that came out of the sea, it's showing you that these two powers are going to control the whole world, that you can't buy or sell and the whole world will worship the Beast. Because the second one that came out the earth will force the world to worship the Beast or be killed.

And right now you're not seeing that, if you don't have spiritual eyes. He said, "It's supernatural devils unseen to the eye." But he said he opened the Seven Seals to us and uncovered the enemy's scheme and that's the reason they're howling, and now you can see what they're doing. Because He said, "Come and buy eyesalve that your eyes will be anointed and you will see." It's to see something in the Word when the Book is opened.

And that's why I like to bring this down because it's not just walking around with things in your mind and saying you believe that. I'm not talking about the reading of the Book now. He was seeing it in the Book and wasn't seeing it happening, but he saw it in vision. Because he was seeing America being burnt with fire, he was seeing the Vatican being burned with fire. He was seeing he is *the* Elijah, so he had to speak it.

He was seeing a beautiful woman rise in America. You can't read that in the Bible, but America is in the Bible. But he saw this woman coming to a place where that Catholic Church will lead the nation to its

destruction. He saw the Purple Curtain was going to rise up in America and deceive the world. He said, "Look how she wormed her way into the cabinet." He was watching it right there when they voted that thing in. He told the church and the colored people, he said, "You made your biggest mistake here." He said, "You Ministers, if you had known the Bible, you would have seen these things coming in." And he preached, *The Voice Of God In This Last Days* [1963-0120m -Ed.], showing that all those denominational voices, Satan was using them to kill his voice.

They loved him in the healing revival, but after the healing revival when he began to bring the Word and the churches started to open, they started to disfellowship him and his Doctrine, and they deadened the voice. But that was the voice that was warning them, "Watch what you're doing in this election." Because he had been warned of God by vision in these things since a young boy in 1933.

When you believe that Messenger, you know America is finished friends, because in 1965 he said, "I don't pray for it anymore." He said, "It is finished." He told you when it died too. He said, "In 1956, that was their last chance." He said, "God called me off the field, called Oral Roberts off the field, called Billy Graham off the field." He said, "Something is happening in America." He said, "This is her last chance."

When he came to *Souls That Are In Prison Now* [1963-1110m -Ed.], he said, "Remember in Lane Tech High School, when I stood up there and said, this year will determine what is going to happen to America, whether she will repent and come back to God, or she will cross the line?" And he said, "She crossed the line; she's finished." That's right.

See sometimes, you don't realize the reality of these things if you are not really walking in the Word. Because there is a power in the influence of the world and the media, it wants to make you watch the world

through the eyes that the media is showing you the world. But that's the virtual world blinding you from the real world that is hidden; the hidden world. But when you are walking through the Word, you can see the virtual world, which is the smokescreen, and you can see the world they are trying to hide from the people, and you're seeing the Scripture coming to pass. That's what this reality is.

That's the Eagles in the last days because the Book of Revelation is for people with prophetic insight. That's for God's Eagles. That's for an Eagle Church in the End Time, because Eagle doesn't mean hawk. Pentecostal means hawk. Eagle means you don't have to wait for a motorcar to mash a rabbit to eat it, 'Eagle' means you could fly into the Word and hunt the Food; find the Food. Fly into the Word and find It; look in the Word and see It, is what 'Eagle' means.

Now watch. So after World War II, these two nations began to unite. America and the Vatican became married. They became married. And the Prophet said, "The history of Ahab and Jezebel..." Maybe I should just quote some of those things for the tape, for some of you.

Pergamos Age [Pergamean Church Age - Church Age Book Cpt.5, para. 174 -Ed.], he said: *Now I want you to be very careful here and see this. God has promise that at the end time Malachi 4 is going to be fulfilled. It has to be for it is the Spirit-quicken Word of God spoken by the prophet Malachi.*

Did you hear how he qualified it? "*It has to be!*" Because Malachi had... The Word on the lips of a Spirit-filled man is Deity speaking. [Pergamean Church Age - Church Age Book Cpt.5, para. 170 -Ed.] And he had THUS SAITH THE LORD, and when that went forth, that Word cannot return unto God void; It shall accomplish the purpose whereunto It was sent. [Isaiah 55:11 -Ed.] Because it was put in the Bible and became the Bible.

And he knew that it was Malachi who prophesied Elijah was coming, and he knew he is Elijah. So in other

words, what was he saying: “I am the very confirmation that Malachi didn’t speak error.” And he started to tell you how you will know Elijah when he came: “He’ll be a woodsman. He wouldn’t speak in theological terms; he’ll speak in woodsman terminology. He’ll be against the immoral women of the Day. He’ll come against religious leaders like he did in the Bible. He’ll turn the hearts of the children at the time of the Evening Sacrifice. He’ll blast that Jezebel who is the power behind the throne; Ahab was only a figurehead.” Did he do all these things? Did he do all those things?

Then he turned around and said, “Malachi, you had the Word. It is me you were talking about.” But do you know something? It didn’t end there. He was to turn a children’s heart. Was there a seven thousand who didn’t bow their knees down? Wasn’t there a Micaiah, an Elisha; a widow who could mix the meal and the oil? Wasn’t there some kind of thoroughbred, pedigree people inside of there?

Where are you seeing yourself this evening? We could say, “Yes Malachi, you spoke of him and you spoke of us. You had the Word. You had the Word.” Here we are standing here. Here we are standing here! *In perfect step they are God’s best, invincible through the great Word test.* [#469 - Songs That Live -Ed.]

This is what Joel talked about when Elijah comes at Evening Time, when the branch comes forth from the Root. Amen. He planted the Former Rain, and then the Latter Rain could come, the Harvest Rain, which is the Rapturing faith. And watch Her go into the Final Quickening unto the Rapture. That’s when you see these things, that’s what this is.

That’s why when you’re sitting there, you’re saying, “My goodness! Hear the sound of the Spirit. Hear the tone of the Spirit. Watch how these Scriptures come together. Watch that light flash through the Bible and the Message. Watch the authority of the Word.”

When you hear that you’re saying, “Oh God, Your

Prophet said this Day was coming. Your Prophet said the Message will mature into this, and Lord, look I'm sitting here. This Light is ripening me. This Light is maturing me. If I was sitting under some halfway thing, I couldn't have what I have baked into reality. But how could I sit under this and don't have faith? How could I sit under this and don't live an overcoming life? How could I sit under this and walk out and say, 'What is that man talking about? I don't understand.'" No, no, no, no, no. Something in your heart says, "I hear the Spirit calling my name. He is talking about me."

Now I want you to observe in this, as we go into it quickly, how Jezebel was able to steal Naboth's inheritance. A great robbery will take place in this Hour. Elijah came after World War II. Naboth was outside his inheritance for years, but when he came back and he had the deed in the earthen vessels and they set up... Because remember, its shadow, right? I'm just drawing a picture for you. I'm drawing a picture for you.

Because, they came out of the Exodus to come back in the land, but in Abraham's time God had specified what the land was. And when they came back into the land, in Joshua's time, the main areas of the land were conquered so their enemy's power was broken and the leverage had changed. The balance of power had shifted and Israel held the power in the land because they had the main cities. Because when Joshua fought those wars, he took specific places so that they could not control—the Canaanites could not control the land anymore, and then it was divided up, because Joshua was going off the scene. And so, all of that here in the time here now, we see Naboth is in his land.

Well since we were called out in the Exodus and we came over in the Land too, we are living and walking in our business. Are you just in the Message? Are you just in Third Exodus Assembly? Moses brought you out, Joshua brought you in; you're in the Ephesians,

but there are powers in here that wants you to live below your God-given privilege.

In other words, He brought you into a place where you have Divine healing but you are still going to the doctor because you don't have enough faith. He brought you to a place of perfect joy but you came in here and you can't have the victory, and you can't even dance, some of you. That's right! He brought you here and when the enemy makes an assault upon you, like Shamgar, when they came after Shamgar and Gideon and them to take their land, though they came over in the land and was in the land, that enemy was coming still. And Gideon was hiding but God told him, "No, Joshua did not bring you all here to hide." And God showed them how to go forth in a ministry of the Sword of the Lord. Isn't that right? You are getting what I'm saying now! You are getting what I'm saying now.

So, after World War II when they come back in that land, Jezebel saw the opportunity and Satan began to unite man under his plan. Remember, the World Council of Churches, that's Harvest Time. Harvest time is the uniting time. Remember, in the sowing time, Jesus, the Sower, went forth to sow. He said, "Let them grow until Harvest Time" when the enemy sowed the seed. The World Council of Churches came forth here in the last days; all these nations. See? Church and politics mixed together, is written under the Fourth Seal, and in the days when the towers fell. Do you understand?

That is what we are talking about. That is what we are talking about. See here, if you don't have Eagle anointing, you would be staggering to make some of these turns and moves in the Word, you know. Then you have to go and explain and explain and break down, and it's like, "Oh my God! I'm doing that for the last thirty years." Let's fly. Amen! See the picture. It's a clear picture. [Bro. Vin takes off his glasses and cleans it -Ed.] I find the place is looking kind of cloudy. See.

What I'm trying to lay out for you, I'm trying to lay out the natural that is happening, so when we get to the Word here, you could understand, 1st Kings 21 is no longer a Scripture in the Bible or it was a story. That's why I'm telling you, it is between the Second Woe and the Third Woe. I'm telling you, it is in the Eagle Age. I'm telling you, the Eagle Age started when He went out in 1946; a prophetic ministry hit the earth again. You see? The Mighty Angel had descended and sent him out.

"Do you believe me to be God's Prophet?" He said, "Sorry, some of you can't understand that." There were people who taught they were prophets and things too. He said, "No, no, no." He said, "A gift of prophecy is different to a prophet." He said, "Prophets are foreordained of God. They come with **THUS SAITH THE LORD.**"

He said, "You don't judge them; that is the Word in them judging you because a prophet is sent to call the Church back to the Word. The priest represented the people to God but the prophet represented God to the people." That's why when he came he said, "**THUS SAITH THE LORD.**" When the priest went in, he went with the onyx stones and the breastplate with the names of the people. Do you understand? See, these are the things he taught us in this Age, so we could understand the kind of Age we're in. See!

And when they came back, then they formed the United Nations after World War II, and they formed the World Council of Churches after World War II. So the nations and the denominations, the spirits are united. And then the Prophet started to come and say, "Watch, we are under the Fourth Seal." Because the Fourth Seal... The Eagle, when the Eagle is here, the uniting time has started because Satan is uniting white, red and black to make it a pale horse.

Because the world after World War II, it was international. By the time they opened up the

Information Superhighway and the laptops came out and the cellphones came out and the Internet, then we've come into an Age of globalization. Do you understand? Then man can begin to conceptualize now, a new world.

Because that was a revival from the 'Tree' of the knowledge of good and evil when Satan's prophet was opening mysteries from the 'Tree' of knowledge, because the main 'Tree' in this garden is Lucifer. In the Garden of Eden, God's Eden, the main Tree was the Tree of Life, but when it fell, the Tree of Life was sealed up and the 'Tree' that grew and prospered in this world, was the 'Tree' of knowledge. And in the last days, watch, knowledge shall increase and they will get wiser. And the key was given to unlock dimensions and television and all these things came out. And when that began to come out, it began to change the people. The bottomless pit was being opened up. See?

But God, not to be outdone, was going to open Heaven too. He was going to bring the Word down opened for a generation. There'll be a little group who will read the Book opened. Aren't you glad you are one of them who ate the Book? This is the Secret – the Word, the opened Book, in other words, is in the Bride. She knows it is He in Her. She has the Mind! She has the Mind because the Headship has come down. The Secret in the back-part of God's Mind is put in the heart of the Bride, and is still being put tonight.

Because the shepherds found It first. He said, "To those, He gave them the Hidden Manna, (see?) so they could teach the others." It means He gave them a little more revelation because they're called to teach it. In the days when the towers fell and God sent those kinds of teachers, the glory of the moon will become sevenfold. [Isaiah 30:25-26 -Ed.] Is that what the Bible says?

Did you see the towers fall? Oh brother! What kind of church is this? What kind of people is this? Oh my! When you think of these realities friends, you're just so

thankful; you're just so thankful.

... The Gentile dispensation will be in its last church age when that messenger of Malachi comes. He will be right with the Word. He will take the whole Bible from Genesis to Revelation. He will start at the serpent's seed and carry on to the messenger in the latter rain. But he will be rejected by the denominations.

He has to be for that is history repeating itself from the time of Ahab. Israel's history under Ahab is happening right here in America where the prophet of Malachi appears. As Israel left Egypt to worship in freedom, pushed out the natives, raised up a nation with great leaders like David ... and then put an Ahab on the throne with a Jezebel behind him to direct, so have we done the very same [thing] in America. Our forefathers left for this land to worship and live in freedom. They pushed back the natives and took over the land. Mighty men like Washington and Lincoln were raised up but after awhile other men of such poor caliber succeeded these worthy men that soon Ahab was set in the presidential chair with a Jezebel behind him to direct him. It is at such a time as this that the messenger of Malachi must come. Then in the latter rain will [be] a Mount [Zion] showdown.

Oh brother! Because that Word will be the Voice of the Blood. It will make those spirits of just men perfect. It will gather this innumerable company of angels together in Christ, in the dispensation of all things, when He is gathering that which is in Heaven and that which is on earth in Christ in that Ephesians at the end of the Age, in the great gathering time; when the feast of the ingathering comes, the last feast, the third part of the three-fold feast in the seventh month, the Feast of Tabernacles, where there is joy, a gladness, amen, because of the bountiful harvest.

Because that which the locust and the palmerworm had eaten, God sent down Former Rain and Latter Rain in the same month, and now the floor is filled with corn and the vats overflow. Hallelujah! And a people will

come to the third feast, a people will come to keep the last feast – the great and final feast. Glory! My! How great that is.

Whoo! I'm watching the time. Are those brothers ready for me? If you all are ready for me, tell me, give me a note; tell me something because I want to know how to utilise this time here best. I want to show that little clip there, a couple of clips, and then if you have that, then I'll just leave this back. If you don't have that, then I will have to go into this. Are you all ready?

Somebody needs to help me with my screen here. I see it's marked 'lining'. I don't know what it is. I haven't seen anything here since I came in the desk, because it's the only way I could really follow closely what is happening.

[Video clip begins –Ed.]

You can't start... Just now. Wait please. I gave Pablo the two there. The first one I want is the one with the Jewish Rabbi. [Bro. Vin addresses the technicians –Ed.] Now I can't read signs from quite here. You have to be a really good sign person.

[Video clips are shown –Ed.]

[Video clips end –Ed.]

I wanted you to hear that because many times the Word is being preached and people sit there and they have a concept that they wonder if what the Word is saying can be so. Now this speech [Made by Barack Obama - Former U.S. President –Ed.] was just after he came into power. He went straight into Cairo to address the Muslim world from Cairo because Cairo is one of the main cities in all of Islam. And standing there, the world and the vision of the world that he has come in campaigning on 'change'. And I told you about this New World Order. If you sit there and you are hearing and you don't have discernment in what you're hearing...

That world he is projecting is not in here and not in this time. [Bro. Vin raises the Bible –Ed.] And that world he is projecting, it's to woo. Just like they used John Paul to

woo the communist world and they used Benedict XVI to make peace with the Jews because in the Holocaust six million were killed in Germany, they used a Muslim. You always hear me saying, they put a Muslim in the White House and he is being used to pull all the Muslims together and to give support.

Because that vision he is speaking about with Jerusalem, they are relating that Jewish history, when the Jews—in other words, when the Jews came out of the Holocaust, they kind of came in and the British gave them a homeland and so, the Jews should be contented to share that with the Palestinians and Jerusalem should be divided.

Now, the religion that is pushing that is the Roman Catholic Church, and Rome needs Islam because Rome is over a billion and Islam is over a billion. And to fulfill the Scripture, this speech was made just after all Islam had risen up against Benedict XVI when he had spoken things against Islam. And so, when he came in and he goes out there now, being a Muslim... Now he used the statement that he is a Christian, but I'll play one for you one of these—maybe the next service, where he said he is a Muslim.

Now when you see, this looked like a picture of virtue, like somebody stood up there, you know, so sincere to give a picture of the world, but this is what is like, seducing the nations to bring them into the Catholic fold. Because Rome and Islam—because that is why they wanted to put up a Mosque right on 'ground zero'. [Bro. Vin refers to the site where the Twin Towers fell in New York -Ed.] They were alleging to put up a Mosque there, until the very American people, many of them, began to resent and resist that; that, "How could you put up a Mosque here?"

Now many times, people are not realizing what is happening. This is Revelation 13. This is the voice of Revelation 13 that you're seeing. And the world that they are pushing there, is that when the Jews came

back to Palestine from 1946, they were allowed to come back and given a homeland, and today they are so hostile to the Palestinians, and as he said, what the Palestinians are suffering in the occupied territories. Now, if you don't understand that statement, the occupied territories is when the Jews recaptured Jerusalem and made Jerusalem their capital. So, they are saying the Jews are occupying those territories and building.

Now, you hear me preach on the Book of Nehemiah. Well this—when you read the Book of Nehemiah, the Arabians don't sound like this in your mind. You are hearing how they talk: "Stop the settlements." They are saying, "You are building settlements in land that is not yours. You are illegally occupying Jerusalem."

Now that was what the... What do you think that was? That was playing to the Muslim world. Because in Cairo, it's only Muslims who gather there, you know. He was speaking to the Muslim world. And all the big Muslims from Saudi Arabia, different parts of Iran, Iraq, all those Muslims countries; Sudan, all of them, were who were gathered there. Because it was an address directly to confront the problem with the Jews in there, because the whole obstacle to the peace plan at present...

You see in preaching this, what we are preaching here, you can't visualize this until you see their view. But my point is to show you, look how their view is not a scriptural view. That's another world. That's a world they are projecting that is totally against this. And their authority, in other words: "We, the United States," which is really controlled by the Vatican, "we will decide who will have a homeland, how much land they will have, we will part the land and we will bring peace."

I read to you in Joel tonight, God said, "You part My land. You cast lots on My people." Now, if you heard the speech, you heard how that is sounding. You heard how the speech is designed to please the Muslim world,

to pull the support of the Muslim world. And the Jews are in the midst of all of this, and that is to put pressure on them to accept this, what they call the roadmap to peace, because the obstacle on the roadmap to peace is Jerusalem. All the United Nations say, "You cannot occupy that land; it is illegal." That's the mandate of the United Nations.

The world we are in... Now this view as I say, what these people are doing, this spirit is actually defying God's plan how the Millennium and the peace that is to come in the Millennium is taking place. Because remember, this is the foundation for 'the man of peace', the man of sin; when they say 'peace and security'. This is the foundation for what Daniel prophesied and the Book of Revelation prophesied: the man called the Beast, Satan's superman; the little horn. This is the foundation that is being laid because this is coming there in the Middle East.

And this is the whole mystery behind Jerusalem. And that's why Jerusalem, (you heard the Rabbi quoting it there,) is not mentioned once in the Koran. The Palestinian people never had any homeland and was never a nation, and they have all of these Arab countries and none doesn't want to absorb them because the plan is to stay there.

And this where Yasser Arafat, the P.L.O, had this covenant with Rome. And that's why the whole plan there that is going on right now, (this is happening right now,) where it has come down to Jerusalem, the plan is to internationalize it, so they'll take it away from the Jews. And this is where the Bible says it is to become a burdensome stone and a cup of trembling, and this is where God said He is going to set up the judgment in the valley of Jehoshaphat outside of Jerusalem there, where He is gathering the nations.

So what you actually looked at, it is the move that Rome made for him to go and make that speech in Cairo to get the Muslim world together. Because they have to

get the Muslim world to accept Israel as a Jewish state, so they could fly the United Nations flag over Jerusalem. If the Muslims doesn't accept Israel as a Jewish state, then you are going to have problems there.

But the pressure upon the Jews is, "No, we have to give the Palestinians a homeland." And the Palestinians, they were occupying the east part of Jerusalem. That is where the Temple Mount is, where the original temple stood. That is where they built the Mosque of Omar. That is where king David's tomb and all the main properties of the Catholic Church, that the Catholic Church is claiming as their own and wants control over Jerusalem there, because the End Time plan of Rome and Satan, is to sit in Jerusalem. Because Jerusalem is the seat of the Church. That is where the Christian church had its origin.

I don't know how many of you read it today, Rome brought out—today it was in the newspaper, I think it was *The Express* [Local newspaper -Ed.], and they are uncovering to the public now, this great thing in the catacombs in Rome where Peter and Paul and all of them were gathered there and they had this special painting and, you know, they have some bones that they put some DNA test on and they are saying that these are the bones of Saint Paul. And they have the picture with Peter and they showed how the early church in the catacombs used to make devotion to these holy saints.

Now you are going to see more and more in this Hour here because as we say, she has a plan that the man of sin will be in the temple and be worshiped as God. And all the Christian world who has rejected the Message and is going behind...

Because remember, it's coming to a one world economy, (okay?) one world religion and one world government. This is the result of the king of Babylon and Nimrod in the beginning of the Bible and Nebuchadnezzar in the middle of the Bible, that when

they conquered the world economically, politically, religiously, then they brought a one world religion. Nimrod brought it, Nebuchadnezzar brought it and it is going to come in the End Time.

And so, these are the things that we have been warned of and you see how these things are moving on the earth. Because it is going to come to the place where people who don't want this kind of religion where Jews and Muslims and Christians... Go in your *Church Ages* book and see what the Prophet said. They are writing one bible for Jews, Muslims and Christians.

They have the plan for the New World Order and the people who are going to live in this world, is everybody... Let me tell you, everybody, according to the Bible, who are going to live in this world, will have the mark of the Beast, okay? Everybody who are going to live in this world that they are talking about, will have the mark of the Beast.

That's why the Bible showed you, "And the dragon spurt water out of his mouth to make war with the remnant of the woman's Seed. And God said, "And these your brethren," after the souls under the altar were crying out 'How long Lord,' he said "Until the rest of your fellow servants have to be killed." Because It says in Revelation 15, "They overcame the Beast and the image and the number, and sing the song of Moses, and was with the Lamb on Mount Zion."

So, to some of you who maybe think Mr. Obama is this special man, you heard me preach and say, that's a media made man. But you are seeing the false anointed ones in the End Time. You are seeing the lying spirit in their mouth and you are seeing the world. And that's a world—that's something that is taking you away from the plan of God revealed in the Bible.

Now to accept that, you have to tear up this, you know. [Bro. Vin raises the Bible -Ed.] This doesn't have that kind of religion they are talking about, you know. This has the original Christianity that came back in the last

days.

In the next couple of services, we are going to go into this in a way to bring out some of the things to show you the struggle for this land, and how this land is actually becoming a burdensome stone for the nations. And all the nations of the world right now, are crossing the line one by one, by coming against the Jews. Who bless Israel is blessed and who curse Israel is cursed, friends.

There is nothing about Muslims in the plan of God; that's antichrist. Did you see how he put Moses, Jesus and Muhammad together? Did you see that? Did you see how when he put the three bibles, he put the Koran first? Did you see that? Do you think that was a slip of the tongue? No. That was being set like that. He was speaking that to the Arab world because it is coming to a place.

Even recently here, they tried to fly the United Nations flag over Jerusalem. And I'm going to go back and show you in Isaiah 21 and on the message *Feast Of The Trumpets* [1964-0719m -Ed.], Bro. Branham went to the prophecy and he goes... All through the Message, you watch all those messages in the 1960's after he was commissioned: "The oldest ensign on the earth is the Six-point Star of David." Jerusalem is the city of the King. David found the place where Solomon was to build the temple on Mount Moriah. You see, this is trying to bring Ishmael in, and the lineage of God was not through Ishmael. Ishmael was half Egyptian; Hagar from Egypt.

You see, all of this is so seducing in this Hour; deceiving the nations. And America—because remember, America, Revelation 13, out of America the persecution is going to come. This is the beast who is going to force the world to worship the first Beast that came out of the sea.

Read it. Read it. Study some of these things because you see, this is where sometimes when you hear things

like that, if you don't have the Holy Ghost you can't discern; you can't discern. It sounds so good, it sounds so nice, you see, but it is smiting the people blind. People can't see what is in the White House but that is what is raised up in the White House because this is the time when they are uniting all these powers together.

May God in this great prophetic Hour when the Word that has come to us in these last days to turn our hearts back to the faith of the fathers, to bring back one Lord, one faith, one baptism, one God; one Body. There isn't a bunch of these things, friends. All this World Council of Churches and all these different religions and all these things, that is not the Bible. Because one believes Eve ate an apple, one believes it's good works, one believes something else, you know, but the original Word has come back to us in the last days.

That's why Paul could say, "If an angel comes from Heaven and preach anything different, let him be accursed." In that kind of view, there is no right and wrong. It is a new world. And this is the America who was founded on freedom of religion in the beginning, was established as a Christian nation; as a Christian nation! But since it has been taken over by Rome, look how she who's coming to rule the world... To rule the world, you have to have these powers in support of you. But look how Jezebel is seducing the nations and bringing them.

Because remember, their real interest in the Arabs is oil. They can say what they want, it's oil. Look how he tried to say, "We believe Iraq is better of today because the tyranny was removed." You see? Do you see how they said that? They have never showed you up to this day, over a million and more people were murdered in that place and they talk about the three or four hundred Americans soldiers that died.

But this, this is the world. This is the world today, to see. That's why sometimes you see the Holy Spirit speak out against those things, unless you... This is

where you see you need to know the Word. You need to know the Word. You need to know what you are standing on. You need to know, God sent Malachi 4:5, Elijah, the Prophet. You need to know, that was Scripture coming to pass spoken of in the Bible.

This plan here is a Roman plan for Rome to conquer the world and America is the vehicle. Go in your *Church Ages* book, he said, "The beast that came out of the earth was designed for the Beast that came out of the sea to work his will; to accomplish his ends." And that's why all the evil in the Beast that came out of the sea, is now in this nation. And the Prophet said, "I don't even pray for it because it has crossed the line; it's gone." When Kennedy was voted in, he said, "It's no longer a Christian nation, it's a Catholic nation." Now it's a Muslim nation. It has changed.

What a great thing! Let's stand to our feet tonight. Thank you for your patience. But you see as a church here, I don't want you in a dream world, I want you in a real world because I want you to understand that what we are talking about here is the Word, and you have to see the accuracy of the Word; you have to see the revelation of the Word because some of those kinds of things...

You know, I let the tape play for the mere fact, I wanted you to see... You see, you have to know what level you are at, to face this world. Because mind you, the hour is going to come, you are going to have to face it, and you have to know really down in your heart what you really believe.

You can't be saying, "Maybe Bro. Vin doesn't know what is going on." I know what is going on and I'm trying to preach from the Word to you what is going on. But then, you have to see and understand these things by the Scriptures because you in the workplace have to meet some of this; you out in the streets have to meet this. And when you meet it, you better know what you believe about the Word of God, so you can stand. And

the only way you can stand against these things, if you don't know this by revelation...

Because a big, big part of this Message—if you go in your *Church Ages* book and see how a big part of the Message is Revelation 13. Because it is that nation that God raised a Prophet out of in the last days, it is in that nation God opened the Seven Seals; it is in that nation Seven Angels came from Eternity. Seven Angels didn't appear over Trinidad. All those things happened in that nation and that was turned down.

And so, what you are hearing here is the nation that... This comes like you are hearing a man who has crossed the line talking, that is totally blind – Laodicea: blind, wretched, naked, miserable and don't know it – spouting out a vision there; that the Roman Catholic system who has drunken the nations and the kings of the earth and the inhabitants of the earth.

And the word 'globalization' and the 'new world' and the 'globalization' they are talking about, that is what we call the Fourth Seal, okay? Remember that! That's the uniting of the powers in the world to make a one world now. The whole thing is coming together. It's a new kind of world. It's a new economy, a new type of... The civilization has come to its climax which Satan has built for six thousand years, as he is getting ready now to be enthroned.

That's why, outside the Bride of Jesus Christ, these things will sweep the world. That will move the world because it seems like a great ideal to bring a great world, to bring humanity together; to do these things. But that's what Nimrod said: "That we all may be one." And God said, "Behold the people. Behold they are one." He said, "Let us go down, lest no telling what they will do."

Now, do you see what they are coming to do? They are coming now to move God's people and root them up. Now they are telling them, "You are illegally occupying this land. It is the United Nations who gave you all a homeland and you don't want to allow this other

people.” And they are equating the Palestinians together with the Jews, like two little nations.

There is no equation. [Bro. Vin raises the Bible –Ed.] The whole Bible is Jewish, friends. No Gentile wrote anything inside of Here. This is a Jewish Book. Every prophet who wrote inside of Here, starting from Moses all the way to John, who was the scribe for the last Book, are Jews. That is traced down through the Bible that God has...

And we as Paul told us in Romans 9, we Gentiles from all nations, God took a Gentile bouquet, a wild branch and grafted us in. And if their fall bought our salvation, what will their restoration be? But all these Gentile nations are trying to stop this restoration because the key is the Palestinians. Rome can't go and claim the land like that, but they made a covenant with the Palestinians, that they will be the ones who are going to help to bring about the Jewish state in the eastern part of Jerusalem where the Temple Mount is.

And that is what she wants to get under her control, to build that third temple and the man of sin can sit and prove he is the Messiah that has come back; he is the one that is going to bring peace on the whole world; he is going to unite all nations together – the God of this evil Age. He said, “Look at what great success he has had carrying out his threats. He said, ‘I will be like God.’” He said, “Paul saw him coming into it and John saw him coming into it,” and you are seeing the architects. He said, “Can't you see what Lucifer is doing? He is building his kingdom.” With what? “Fallen angels.”

When you are hearing it... You see, you have things in your mind to say it, but I let you see it to see how it is being done. That is what I've been talking about. Do you see that world there? That is the virtual world. That is what I've been talking about that blinds you from this world. [Bro. Vin raises the Bible –Ed.] Recognize. Have discernment in this Hour.

Oh, praise His wonderful Name. Hallelujah! Oh friends, I'm so happy. I'm so thankful in this Hour. Seven Thunders have uttereth their voices and the Seven Sealed Book is open (amen?) and the Secret in the back-part of God's Mind has been made real to us once more. We see the plan in plain view.

I want to sing this little song we sing... How does that song go, *many builders have built on sinking sand? The hour of shaking is now at hand.* Amen. Look up friends. Lift up your heads. Keep your eyes on the eastern skies. There is supposed to be a next name for that song because... What? 554. Amen.

[#554 - Songs That Live -Ed.]

Oh, the hour of shaking...

The hour of shaking is now at hand

When many builders, oh, would realize...

That Rock, He's going to smite them all.

They have built on sinking sand.

For the Stone that the builders refused

They have rejected, the revelation of the Son of Man.

Oh, but unto you He's been a treasure,

And an anchor to your soul,

All the evils of this world

We'll overcome.

For more than conquerors we are

Through the power of Jesus' Name

Oh, *Priests and Kings He has made us*

And forever we shall reign.

For more than conquerors we are

Amen!

Through the power...

There is only one Name friends, hallelujah; not Muhammad, not Allah.

...we shall reign...

Oh, *many pressures came...*

And temptations did rise to take a look

*Unto the other side;
But by the grace of God we resisted sin
And the devils were surprised,
We knew by the Word of the Lord
Oh, we were tested and tried;
Oh, but unto you who look above
You saw that Cloud in the sky.
God has sent to us His sign
On the wings of a Dove.*

*For more than conquerors we are
Through the power of Jesus' Name
Oh, Priests and Kings He has made us
And forever we shall reign.
For more than conquerors we are
Oh, through the power of Jesus' Name
Priests and Kings He has made us
And forever we shall reign.*

*Oh, as the new ministry becomes reality,
Now men will see with the eye
The works of God expressed through...*
Oh my! Are you ready for it? Are you preparing for it?

*Every knee must bow, every tongue confess
Men's folly be made manifest,
Oh, the foolish man, he won't be able to stand
But unto the wise who understands
Great exploits are now at hand
For Michael's feet are on the sea and on the land.
Oh, where those two beasts are coming from – the sea
and the land.*

*Now more than conquerors we are
Amen! You don't have to fear them; Michael's feet is
upon them.*

*And forever we shall reign.
More than conquerors we are
Amen!*

*Through the power of Jesus' Name
Priests and Kings He has made us
And forever we shall reign.*

*Oh, as the new ministry becomes reality
That is what the second cycle is all about.
The works of God expressed through His little Bride.
All the Power of God in a little people in the last days.
Every knee must bow, every tongue confess,
Men's folly be made manifest,
The foolish man won't be able to stand;
Oh, but unto the wise...
Whose lamps are trimmed and filled with Oil.
Great exploits are now at hand
For Michael's feet are on the sea and on the land.*

*Now more than conquerors we are
Through the power of Jesus' Name
Oh, Priests and Kings He has made us
And forever we shall reign.*

*For more than conquerors we are
Through the power of Jesus' Name
Priests and Kings He has made us
And forever we shall reign.*

*Oh, let us try the first verse again.
The hour of shaking is now at hand*

Everything that could be shaken will be shaken off, friends. Only those things that cannot be shaken may remain. That's those who receive a Kingdom that cannot be removed; not the kingdom they are talking about.

*For the Stone that the builders refused
Oh, they cast it out in Revelation chapter 3:20.
...revelation*

They cast Him out of the Church in the last days, to exalt the man of sin.

*Oh, but unto you He's been a treasure
And an anchor to your soul,*

All the evils of this world...

This cosmos, the evils of this evil Age. Hallelujah!

For more than conquerors we are

Amen!

Priests and Kings He has made us

And forever we shall reign.

Oh one more time, more than conquerors as we call
Bro. Sammy to come.

We are...

Hallelujah!

Priests and Kings He has made us

And forever we shall reign.

Oh, lift your hands and praise Him, if you believe you have receive a Kingdom that cannot be removed in this hour of shaking when He shall shake all nations. This kingdom that they are trying to build, God will shake it down. The Stone came and smote it and it became like chaff on a summer's threshing floor, but that Rock grew into a great mountain that filled the earth. Hallelujah! Glory be to God in the highest. Let's be part of that Kingdom, friends. Let's recognize our Day; let's recognize our Message. Hallelujah! Glory be to God in the highest. Thank You, Lord.

[Bro. Samuel Johnson prays -Ed.]

Glory be to God. Oh, lift your hands and give Him thanks. Hallelujah! It's a late Hour. It's a treacherous Hour. Amen. Praise His mighty Name. Why don't you greet your brother and sister before you go. Is Sis. Georgia here? Georgia Noel, is she here in the building? I wonder if Georgia and the saints could come and sing, *This Is The Hour*. We'll go home with that: *This Is The Hour*.

All the world is going to come against the two sets of people friends, who will have the Seal of God in this Hour – that's the Bride and the 144,000. All the world is coming against them – the two Israels.

You may have your seat. God bless you. *This is the hour*. These things that God inspired to be written

among us so we can have it and we could sing it and confess it in this late time, that when the time gets dark and the battles come, (amen,) our faith can be anointed, (glory,) to stand. Hallelujah! Praise His mighty Name. Here. [Bro. Vin gives a sister the mike -Ed.]

[Sis. Georgia and saints sing, #911 - Songs That Live -Ed.]
