We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

ENTERTAINING ANGELS UNAWARES

*Our Unawareness Of The Unseen Realm Is The Great
Hindrance To Our Faith In This Hour*

BRO. VIN A. DAYAL

Praise the Lord. We are certainly happy to be here with you tonight. I want to greet you in the precious and wonderful Name of our Lord Jesus Christ. I am really happy to be with our beloved Bro. Valdir. [Bro. Valdir Moura da Silva -Ed.]

After ten years, the Lord made a way to bring me back here. The Bible says, "The footsteps of a good man are ordered of the Lord," and God saw it fit to bring me back to this place. I was doing the same thing in 2005. From here I went to Porto Alegre and so it seems that we've come right back through this same way and we are certainly looking forward for another wonderful time.

We certainly appreciate God's servant very much. We know of his labours, his great sacrifice, his great conviction for the Truth, the Message of the Hour, and the willingness to walk in the fullness of It.

And our beloved Bro. Samuel who was the host of such a great convention; about twenty-seven of us came to be with him. We love Bro. Samuel very much. We have great confidence in him that he is certainly a man that God raised up in this country to carry this Message, and these brothers have befriended us.

Our Pastor, Bro. Mauricio, I've known him for many years, since the first time I came. And we were at his place last night. It's such a fine church in Pato Branco. This country certainly has some stalwarts and noble believers, special men to carry the Message.

And our beloved brother and friend Bro. Marcello; we love him dearly. He's been one that has blessed our hearts tremendously. My son... I claim him as my son,

Bro. Lucas; I'm glad to see him here and some of my precious brothers, I was able to see them.

Back a few years I had come to Bro. Samuel. I think it was in 2012, somewhere there, when I was in Criciúma in the amphitheatre. Those were the days (amen) and I am certainly glad for all of you that have come to give your support. It's a great encouragement for me and I am glad that we could come with maybe... it was about six or seven of us in 2005, so we came with close to about four times that amount of people to give support and encouragement to a precious servant of God.

And to all of you, the believers, I pray that God will make me a blessing for you tonight. I love the Message. This is my forty-third year walking in It. I came to It as a young man; came off the streets and had an experience. The Lord Jesus came to me, the Angel of God, and from there, He stopped me on my way to Tibet, turned me around, and we have a wonderful church today and about seven to eight other churches we have in the Caribbean region. And it certainly has been a great thing that God has done beyond my comprehension. And so tonight I encourage you to pray for me while we are preaching because I am believing the Lord to do something special for you. You are a wonderful people.

When God was sending Elijah in that hour, the land... there was a great drought; many were dying. Catholicism, paganism gripped the land; Jezebel was in control but with the coming of Elijah, that drought was going to be removed. The rain was going to be restored and the great power of God that was not seen was going to be manifested.

In the time in Egypt, God's children were in bondage – four hundred years of bondage, but with the coming of Moses, they were going to be delivered. The powers that held them captive were going to be broken.

The Church in this day was in great darkness: Denominationalism. From the time Luther came out of Catholicism, which had killed over sixty-eight million Christians – caged up the people, burnt their Bibles, gave them the prayer book, and when Luther came and started the reformation, God began to do a work. It produced thousands of daughters, and then today, all of them have gone back to Rome.

But at evening time with the coming of a Prophet, (hallelujah!) a Bride was separated; the power of God was manifested. God came down with mighty signs and wonders. Hallelujah! And God doesn't decrease, God increases because the Prophet told us, what was manifested temporarily will be seen in the fullness.

It was one man from Jeffersonville preaching, going to Africa, going to India, up into Finland, down into Mexico; shook the world, but this time, God has a Bride from all nations, all around the world – sons and daughters, (Hallelujah! Glory!) And you are a part of that Bride here in Brazil that God has raised up, and these men are servants of God that God has raised up, (hallelujah!) and the Angel of God Himself is among His people. Believe that!

I pray tonight that with the preaching of the Word, It could help raise your level of awareness that His Presence will not be unrecognized but you will recognize His Presence. He will do something for you (hallelujah!) and prove He is the same yesterday, and today, and forever. Amen. Let's believe Him tonight.

Our Pastor led us into song, *Only Believe*. The Prophet said, "That Angel loves that song. And if you can believe... if you get the people to believe you, nothing shall stand before that prayer. That Angel will bring these things to pass." Hallelujah! So, God bless you! Let's have a word of prayer.

Father, we are grateful for Your Divine Presence, the inspiration of Your Holy Spirit. Lord, as we have come tonight, coming in humility, with sincerity, dependent

upon You, remembering Your promise, “I will never leave you nor forsake you. Lo, I am with you always.”

And so we have come walking under the influence of the commission that You gave to the fathers and it has been revived in the children. Elijah came and turned our hearts back and tonight we are walking in these footsteps, Father. You said, “The Spirit and the Bride will say the same thing that the Spirit said through the Prophet,” the same kind of people with the same kind of faith in the same kind of conditions, in the same kind of hour.

Lord Jesus, may You just take full and complete control. We are confident You know every need in this building and those that would hear these things. And we pray Father, You will direct everything and it would be according to Your will and according to Your purpose and at the end, may all honor and glory be Yours. We ask it in the Name of Jesus Christ. May You bless Your people; touch them in a special way for Your glory and Your Name, we ask it, in the Name of Jesus Christ, amen.

Praise His wonderful Name. I would like to invite your attention to the Book of Hebrews, chapter 13, verses 1 and 2! Hebrews chapter 13, verse 1:

¹ Let brotherly love continue.

Let brotherly love not stop but continue.

*² Be not forgetful to entertain strangers:
for thereby some have entertained angels
unawares.*

They have been visited by angels. They’ve entertained them but they were unaware of that Supernatural because they needed to have that discernment, because we want to be reminded that God hides Himself in simplicity. He makes Himself simple to be understood by the simple, and God reveals Himself in humility. Hallelujah! This is His nature. This is how He is. He was that way yesterday, He is that way today; that’s why this Age missed Him.

He said, “God being misunderstood, a true Sign overlooked, Presence of God unrecognized.” It was so simple, they stumbled over It. If their level of awareness was a little higher, they would have had that perception to recognize Him and then they could have asked, they could have reached out and touched and we desire that this would be that way in the meeting tonight.

2...some have entertained angels unawares.

I want to take it for a title and call it, **“ENTERTAINING ANGELS UNAWARES.”** And we want to speak a little bit on the subject, **“Our Unawareness Of The Unseen Realm Is The Great Hindrance To Our Faith In This Hour,”** our unawareness of the unseen realm.

Right now there are angels all around us. There are demon spirits here too. It’s a great war. Satan would want to rob people from receiving that Word because that Word exposes. That Word is Light. That Word can lift your faith. That Word can drive away your fear. That Word can show you your position. That Word can convince you, take away all uncertainty and show you that you are a son and daughter of God and tie your soul to the Absolute of His Word that you can live with confidence. If Satan could stop that, he’ll certainly try. Amen. Glory! We want to be conscious.

When I was here ten years ago, I preached *Ministry Of Angels* [2005-1216 -Ed.]. Elisha and Gehazi, walking together, two men, in the days after Elijah the prophet had manifested his ministry and went off the scene. Elijah had gone but the robe of Elijah and the Spirit of Elijah were still here, and these two men believed in Elijah’s Message. One was walking in the realm of faith because he was taught by Elijah about the ministry of angels, about dimensions, about demonology, about faith and prayer, and the right attitude of approach; and the other man, he loved the stories of the prophet, what he did.

And they were in a great time of conflict, and the soldiers were all around them. And one man, Gehazi, he was really nervous, and he began to get very temperamental, and he said, “Master, let’s run! Let’s move quickly! They would arrest us! We might be put in prison and be tortured!”

And he [Elijah – Ed.] said, “Come, son. Relax.”

He [Gehazi– Ed.] said, “Relax? Don’t you see what is happening?”

He [Elijah – Ed.] said, “Lord, open this boy’s eyes.”

And when the boy’s eyes were opened, he saw Angels in chariots of fire. Hallelujah! He [Elijah – Ed.] said, “You see, there are more with us than with them.” Hallelujah!

One man was conscious of the unseen world. Both believed the Prophet, both were not in the Jezebel system, both knew what God had done in their generation but in the days after the Prophet, one was walking in the footsteps of the Prophet. One believed the Prophet but when the challenge... when the circumstances came, one began to fall apart with fear, and the other one knew that the never-failing Presence of God was with them. One was aware and one was unaware; that was the difference.

Faith looks to the unseen: One was walking by sight, the other one was walking around by faith. One was in the humanistic realm, the other one was in the realm of revelation and vision, (amen!) because if you are quickened, you are raised up into heavenly places, the believer’s position in Christ.

May the Lord bless the reading of His Word. You may have your seat.

In this final hour, this final quickening unto the Rapture, as we look across the face of the earth and we see the modern events, we see the conditions becoming worse on the earth. We look at the churches, denominations; they are completely under the control of

the Roman power. We look within the framework of the Message, it's being infiltrated.

There are two spirits in the framework of the church. Amen. You see many political. You see others; they are growing up in the Word, coming to the full stature of Jesus Christ. They've laid in the Presence of the Son and their faith is becoming ripened. They've begun to recognize and understand their position and there is a true revival (amen, glory!), a true revival that comes by a true revelation. Hallelujah! One has emotion and no revelation. It takes revelation to bring stimulation. So true worship is connected to revelation. That's right! And that revelation is this Christ, the mighty God, Who was sealed up with Seven Seals. This mighty God broke those Seals, exposed Himself, and the mighty God has been unveiled before us; this Christ Who was a mystery for Seven Church Ages. Amen.

Is He the Hoffman Head? Is He a tall man? Is He a black man? Is He a white man? Is He the same today? How would we know Him? Would we know Him by nail scars? Would we know Him by His nature? Would we know Him by the revelation of His Word?

Then, in this day he said, "Christ is the Mystery of God revealed." Revealed! He is no longer a mystery. The mystery has been revealed. Hallelujah! He is now the identified Christ of all ages, identified in the Bride Age. In that day, he says, "Which day?" In this day you will know, I in you and you in Me. Hallelujah! He's identified in Bride form. Hallelujah!

There was one time, in the first coming, He was 'God with us', Immanuel, 'God with us', God and man united. Jesus said, "Do you believe that the Father is in Me and I in the Father?" They were in the Message but they thought there were two. They said, "Well, show us the Father. You are the Son, show us the Father. You said the Son doesn't do anything... We want to see the Father."

You see, the language had them confused. The terminology in which He spake had them confused. He said, "You don't understand my speech. So long I have been with you. You don't know when you see Me, you see the Father? The Father dwelleth in Me!" Hallelujah! Glory! Christ, revealed in His Own Word.

When He was here, the priest handed Him the Book (Isaiah 61, Luke, chapter 4), He turned and found the place, and the Word manifested, the Super Sign, God with us; it was written of Him in the Bible, the Words, the promises, written in the Bible that somebody can read. But now, the Word was manifested outside of the Bible and the Word Himself on the outside of the Bible, took the Bible, the Word Itself, the written Word – The Word Himself took the Word Itself and identified Himself in Itself, and said, "This day this Scripture is fulfilled right before you!" Hallelujah!

This is a great thing because He is the Bridegroom. Is Jesus the Bridegroom? The Bridegroom is the Word. The Word was made flesh. Is that right? And the Bride, is she something else or is she a part of the Bridegroom? When God made Adam, did God take more material to make Eve or He took a part of the bridegroom to make the bride? And if the Bridegroom is the Word, then the Bride will have to be a part of the Word and the Bridegroom couldn't come and say, "I am the Bridegroom." No, He took the Scripture. He said, "Search the Scriptures; in them you think you have eternal life. They testify of Me." He said, "If I don't do the works, don't believe Me. But if I do the works, search the Scriptures, see if it is promised that the Messiah will do this when He comes. And if I am doing this and My life and the Scripture dovetail together, then that is evidence that I am the Word manifested on the outside of the Bible, and I know where it is written of Me." Hallelujah!

Now if Jesus is here tonight, that would be His characteristics. He will take the Book, He will find a

place in the Book and show to us what is happening now, because He is, I AM THAT I AM. He is not 'I was'. He is not 'I will be'. He is, I AM THAT I AM. He is Ever-present. Amen. There is no yesterday or tomorrow with Him. He is the eternal One. Hallelujah! He is not a time creature. Glory be to God! So we could have confidence in a God like that, and we can expect of Him, knowing that He promised to be here and we are believers.

And how did we get in the Message? Did somebody talk us into it? If somebody talked you into it, somebody else could talk you out of it. But the Scripture says, "No man could come except the Father first draws him," (hallelujah!) and "My sheep will hear My voice. He that has an ear to hear what the Spirit is saying (for the Age that you are living in)." Seven times in the Book of Revelation, in every Age, "He that has an ear to hear." And then do you know what came before that? To him that overcometh! To him that overcometh! Why? Faith comes by hearing, and hearing by the Word. If you have an ear to hear, faith comes by hearing. That's understanding. And faith is the victory that overcometh the world. And 1st John 2, verses 15-17, tells you the world and its lust: the lust of the flesh, the lust of the eyes, the pride of life; that is the world. Everything on earth is broken down into these three categories: the lust of the eyes, the lust of the flesh and the pride of life.

These are what brought the fall in the Garden of Eden. The woman looked at the tree. Firstly, she said, "No, if we eat we are going to die."

He said, "No, you wouldn't die. You will be wise as God." It affected her. She became influenced by perversion of the Truth and now the tree was pleasant to her eyes. Amen. The tree was pleasant to her eyes. Then she saw it was good for food (the lust of the flesh), and she desired to be wise (the pride of life). Look at everybody today: They get an education, they get a degree, they could be perverted as perverted can be but

they have achieved success, and they feel that this education qualifies them for respect. See? Those are the three things: the lust of the eyes, the lust of the flesh, the pride of life.

When Jesus came, Satan said, “Turn these stones to bread.” (The lust of the flesh). He tempted Him. He said, “I’ll show You all the kingdoms,” and he showed Him all. “I’ll give all of this to You.” (The lust of the eyes). See? Jesus had to go through those tests.

The Prophet said, “Every church, every minister, every individual is faced with these three temptations and in this Age, the world is filled with these things as never before in any other Age. Laodicea: Rich, increased with goods, that the people are so trapped in this that they are in a lukewarm condition because of their zeal. We are in the Age of global television, the Internet, five hundred channels, pornography left and right, big billboards, advertisements, naked women advertised everywhere; trapped the world in that realm until they’ve forgotten there is an unseen realm. Did you catch that? They’ve forgotten there is an unseen realm. They’ve forgotten that the Angels of God are around them. They live unconsciously because they didn’t know all those things were designed to manipulate the senses of the man and the woman and hold them and bring them down and shut them up in Satan’s Eden, Mystery Babylon, the cage, where they are caged up until this hour comes: You can’t buy or sell except you have the mark of the beast. And because of the lust of the flesh and the lust of the eyes and the pride of life, they will reject Truth to keep having those things.

That’s right. This is the Age. This is the most deceiving Age, but the Word has come to uncover this world to us. What kind of Age it is, how the bottomless pit is opened and two hundred million demon powers have come forth.

You see ministers today, they are struggling – oppression. They are constantly being attacked and

they are not even perceptive it's Satan trying to wear them down, shift their focus, take them out of the atmosphere, until the church is being fed with entertainment, some little sermon or something, when we have a Message that no Age had in the fullness like us.

Seven Angels from Eternity didn't come to Luther, didn't come to Wesley. No, no, no, no! They came in this Day and opened the Seven Seals and this Word that has come to us, has revealed and proven Jesus Christ, Who is the Message. We've got it in word form, on books and tapes.

None of us was there when the Prophet was there preaching live. We've got a recording printed of what he spoke. That is to know what he spoke. That is to tell you that He wants to come in you to fulfil certain things He left for this hour but people have missed this; so they take this now and they start little schools and everybody comes with a teaching, with an idea, with an interpretation, and it becomes 'sleeping tablets'. They put the people to sleep in the pews, when the Word came to wake them up to recognize their day and their Message, but Satan has shifted their focus and so they are unconscious that this is the hour.

God Versus Satan, The Contest, The Greatest Battle Ever Fought, Putting On The Whole Armour Of God. What was the Prophet preaching? He knew the pit was opened under the first woe, under the Fifth Trumpet. Satan got the key to open up the fourth dimension. That's right! Before that, you had telegraph and you were sending telegrams.

You know, long ago they had the Indians, the Native American Indians. I guess in many other civilizations, like in Africa, they had the drum and they would beat their drum. They were sending messages with sound waves. Certain beats in the drum were communicating certain ideas.

The Native American Indians had the smoke signals. So they lit a fire and you would say, “What? Are they going to cook something?” And they got a blanket, [Bro. Vin illustrates how the blanket is used –Ed.] and you see the smoke going up in certain patterns, and they are saying, “Troops are coming; arm for war. At present, they are at this location.”

They had a little piece of mirror and they kind of reflect to somebody on the other side, three or four reflections. These were warning signals raising their level of awareness, making them alert, making them conscious of the approaching enemy, their intent, their motive, that we are under invasion; little flashes off a piece of a mirror, some smoke signals.

They had arrows and they would shoot. Well, what do you think that arrow was? That was a missile moving through the air. What do you think the bow was? That was a launching system to launch the missile to a specific target. Later on, one of their weaponizers tied a piece of cloth to it, dipped it in oil, lit it with fire. What do you think that was? A warhead. Before that, he shot one arrow, it dropped on the roof; it didn't do anything but this one [with the fire –Ed.] when it was shot on the roof, burns the house down.

Today, that has developed into what we call Intercontinental Ballistic Missiles that they could stay in Russia and give an order from the Kremlin and send that straight to Washington DC and burn the White House down. That is controlled by GPS systems. They have smart bombs stored with certain information and that bomb is moving along a certain route.

Well, God does the same. Sometimes there are devils that have your life bound, but God has men in this hour on another level because we are in the Age of the Intelligence, and the mind of Christ is in the Bride. We had the feet age with Paul and them. We had the calves, and the thighs: Irenaeus and Martin. We had the abdomen with Columba and then we had Luther, the

chest; Wesley, the neck, then the Pentecostals speaking in tongues with the mouth. We had the seer with the eyes, the Prophet. And now we are in the Intelligence. The great Secret in the back part of God's mind has been put in the heart of the Bride; and the Bride has the mind of Christ, and she knows what God wants done with the Word. Hallelujah!

Watch them in the natural realm; they didn't stay there. Watch the telephone; read how it was invented. Alexander Graham Bell, a man who decided to move from the telegraph to the telephone, he went into research. He saw the need for communication with more speed, more personalized, straight to somebody's ear, (hallelujah!) keep the communication secret, so the enemy doesn't get a hold of it. He began to work; a man wanted to take his people forward. Where are those kinds of men today? That's what ministers are – taking their churches forward.

Luther took the Church out of Catholicism, a horse and buggy age. Wesley took the Church forward; a type of the motor car. The Pentecostals took the Church forward; they moved up into the air, the aeroplane age and then came the great Einstein, the spiritual Einstein, (hallelujah!) who could rightly divide the Word, (amen!) who could split the atom and unleash the power locked up in the Word. Hallelujah! And when he went into any city, we see scientist Branham, (oh my!) with some formulas denomination had never broken into. This man was in communication with Extra-terrestrial Intelligence (hallelujah!), angels coming down to this man, ministering through this man. He said, "He just came on my right and He brushed my coat." People looked; they can't see It; but all of a sudden, there is an intelligence coming out. There is an inspiration. Hallelujah! And though the devil tried to hide, and was successful in hiding from doctors who tried to operate on people, but they were still sick. Amen. They went from doctor to doctor. They went from church to

church. Hallelujah! They were looking for deliverance. They were looking for advancement, (hallelujah!) but when they came, this man had access to a database. He had a communication link. Hallelujah!

He said, “Lady, I am watching you. You are becoming younger before me. You had an accident twenty-five years ago. You have something in your neck since then. It’s a growth (amen) and you are here tonight and you are a believer. You have a welcome spirit.” Hallelujah! Oh my!

He said, “Father, I pray You deliver my sister.” Then he said, “Go ahead; you are better now.”

She said, “Whooo!” and she started to praise God. Glory be to God!

Was that only a temporary visitation and it has gone? Or was this scientist sent that there would be God-called, God-trained scientists? Wait until those scientists, those sons in the last days, move past the clapping of the hands, move past the rhythm of the music, move past the joy of the saints, and get up into Celestial realms and begin to bring down the Word, reflecting Light from the Throne into their congregation, and a church sitting under supernatural Words of Light shining upon them.

A dry dead rod that was in the root of the Almond Tree: Jesus, the Great Almond Tree. Aaron had a rod. Aaron was a branch from that Tree but that rod lay in the Presence of the Shekinah and in one night, what was dry and dead for years, it began to get energized. It began to blossom. It began to come forth. It began to bear almonds. Hallelujah! And men who were criticizing, when they went in to bring their rods out, there were eleven dry rods. Amen.

And that’s the thing, friends, you find those true ministers. Look at these men, [Bro. Vin points to ministers sitting in the congregation. –Ed.] (Amen) they are scientists, sons of the Great Scientist. The Message for them is not just some quotation. No! It’s scientific formulas inside

the Message that have power to give faith to be changed. Hallelujah! It has a channel to bring sons and daughters under the leadership of the Angel of God (hallelujah!) where they know: "It's not by might or by power; it's not him that willeth or him that runneth, but by My Spirit, saith the Lord," (hallelujah!) by the Angel of God moving before you, taking care of every obstacle, everything in your path. He is that same One tonight! Where is this coming from? That's Him! That's Him, friends! That's not my mind, that's His inspiration.

Before I could even go further, He already moved me into a place trying to describe to you what the Message is, what the Message contains. We don't have the Message and are still moving around with the horse and buggy. We don't have the Message and we haven't gotten out of the motor car yet, that is breaking down all time. No! We are in the Astronaut Age. Hallelujah! *Civilização De Fé, Civilização De Fé* [Civilization Of Faith - Ed.] Hallelujah! Astronauts in orbit, in the countdown hour - in the zero hour! Hallelujah! Glory be to God!

That is what the devil hates. He will try to break up things like that when he sees it. He will get in amongst the people. He will stir up people and make them critical, make them political, because he wants to stop that, but you children be wise, be wise! Wisdom is justified in her children - the spirit of wisdom and revelation! The Prophet said, "As Gabriel came to Daniel, so the Angel of God, the Holy Ghost, will come to the Church in the last days and open the Secret Things!" If we were not meant to be Bride, we wouldn't hear these Secret Things. Glory! Hallelujah! Oh thank You, Lord. Thank You, Jesus!

In *Christ Is The Mystery Of God Revealed* [1963-0728 - Ed.] he said: It's not to those flirts; it's to the girl, His Bride. He pulls her close to Him and He is whispering the Secrets, and she has the mind. Hallelujah! He trains her to the still, small Voice. He is the Head over the body. She is in submission to her Head. Like

Rebekah, she took her veil and covered her head, showing she has no thoughts of her own; she is coming in submission to her Head. Pastor and congregation are a mystery of Christ and the Church. Husband and wife are a mystery of Christ and the Church. Hallelujah! God, this God, wonderful God.

Look at Alexander Graham Bell. He got a breakthrough and he came up with the first telephone. Poor fellow; it wasn't the time yet, so he had a big book like this called a directory. If you wanted phone numbers, you had to have this big book to go with this big phone. And if you wanted to hear some music, you had to get another big appliance called a radio and then you had to get a big camera to take some pictures. But scientists, who wanted to move this civilization forward, brought it up into a higher level, in the same way that ministers are bringing the Church up into a spiritual evolution. Hallelujah!

The same God Who brooded upon a dark, chaotic earth, that same God Who did that, (He brooded upon a dark, chaotic earth) He made it into an Eden, a beautiful Eden. He didn't stop until He had a man in His image and likeness and a woman who is bone of His bone and flesh of His flesh and life of His life. And in this dark Laodicean Age – gross darkness on the earth, on the churches and on the people; this One has come down again.

You heard tonight, *Spirit of God move, write Your Word in my heart*; [Bro. Vin sings -Ed.] and the Spirit of God moved and began to speak, "Let there be light." He began to divide the darkness from the light. He called one part of the division, night, He called the other part, day. Paul said, "We are children of the day; we are not of the night." They that are of the night are drunken with politics, drunken with ambition, drunken with all kinds of things. They that are of the night are drunken, but we who are of the day, we walk in the Son-light.

Hallelujah! *We'll walk in the light.* Hallelujah! We work while it's day. Glory!

He separated the water from the dry land – God, doing a work. It may look strange; just like the man on the threshing floor: He reaps the grain from the field, he brings it to the threshing floor. Where were we? In the field. The world is the field but reapers came with the sickle; God sent men down in this area, like your Pastor, coming with the sickle of the Word, reaping. You see the big caravan he has; he parks it up in different places. He is reaping, reaping; it's harvest time. He brings you to the floor; he brings you to the church. Amen. He couldn't put you in the Rapture right away. At the floor is where he separates the chaff from the grain. A Prophet went forth sowing the apostles' doctrine: A former rain, teaching, washing the people from denominationalism, planting the Word in their hearts! That's why we are here – from the mouth of the Prophet, the Spoken Word, the Original Seed; It didn't fall on rocks and thorns. [Bro Vin points to his heart. –Ed.]

God prepared you before the foundation of the world to hear the Message, to hear the eagle scream. You might have been an eagle thinking you were an ugly chicken. You might have been thinking that you were a deformed chicken in the barnyard. You were trying to eat trinitarianism. You were trying to accept women preachers. That eagle tried to eat the cockroach, he tried to eat the worms, but he couldn't digest it, and those chickens were having a jubilee. He said, "Something is wrong with me." Then they started to criticize him. "Look at us and look at you. Look how ugly you are. Look at that big, long beak. Look at those big, long talons. You were born of defective genes or something. We don't even think you belong to this race. You embarrass us. No, we are chickens and we have pastor rooster." He gets up there and, "Cock-a-doodle-doo!" and crows out his theology, and they get excited. Amen.

But this little fellow, he was oppressed; he was confused but let me tell you, God had an appointed time for him because he was an eagle in an eagle Age (hallelujah!), and he was foreordained to hear an Eagle Message to get him moving. Hallelujah! He used to lie down and dream that he was flying. He used to watch the rooster; he was trying to get up on the barnyard post. A few times he tried to go up higher than he was supposed to, he broke a wing; he broke a foot. The poor, old fellow was trying to crow from his little haystack.

But one day, at evening time, at the setting of the sun, coming off the mountain, there came an eagle flying, sweeping down, moving, sweeping over that place. Brother, he flew and made a turn and came back around and he let out seven screams. And when those chickens saw that, they got so scared that they went running. And they all went in the barnyard and they were peeping through the little cracks and they said, "What is this? Where did this come from? What is going on here?" Oh my! They were so embarrassed. And to the old rooster they said, "Papa, pastor rooster, pastor rooster, we used to say you could fly! We just saw something; maybe that was an alien from outer space! Remember when you were hospitalized with your broken wing and your broken foot when you tried to get up on your barnyard post?" He said, "This fellow, he soared way higher than the barnyard post." Amen. Oh my!

And when the little eagle saw this fellow, he said, "Oh my God! I have heard but now I see; now I understand." Oh my! And Papa eagle came back around; he said, "Who do you say This is? It's Evening Time, son! Look up and lift up your head, your redemption draweth nigh!" Hallelujah! Glory! He said, "Son, I have come to give you skill and understanding. I have come to make you understand your Age, your time and your season. I have come to give you understanding. They tried to confuse you and tell you that unless you do the things

chickens do, you are not a real believer.” He said, “I have come to tell you, you are not an ugly chicken. You belong to a species that is not at the bottom of the food chain. You are of the highest calibre. You are the king of the birds. You are from a royal family.” He said, “I am your papa. My papa, my great grandpapa, my great, great, great grandpapa, all of them were eagles.” Amen! He said, “And you are one of the living descendants on the earth.”

He said, “But how am I going to get up there? Do I have to go to school? Are you going and start a school?”

He said, “No, son.” He said, “This is different to chickens. We don’t operate like that. We teach you that you are built to possess a law to fly; the One who is the Divine Architect of your being. You are a specially constructed bird and you have power to fly. I’m going to teach you about the winds. I’m going to teach you about the currents. Now watch me.” Amen. He said, “Now, I know this might be strange to you, son,” he said, “but this is your day of deliverance.” He said, “You heard about Moses, you heard about Elijah; well, they were our family.” He said, “We are that kind of family. We are a family of prophets. We are an eagle family. Our business is flying.” Hallelujah! “There is nobody that can fly like us.” Glory! He said, “Gifts and callings are without repentance, son. The day your mama eagle and I got together and you came forth,” he said, “you came forth with all the potentials I have. I have come to lead you to discover what is locked up inside of you. You have hidden resources.”

Let me explain that to you. When this Mighty Angel came down in the cave, May 7th 1946 at 11’o clock in the night, he saw a little light flicker. He heard the steps of a man. He was trying to put this together in the dark. He said, “I heard the footsteps; it was coming towards me. Then I saw the Light and It was coming down, and all of a sudden, a Man stepped out.” Hallelujah! He said, “I was afraid; I was terrified!”

He said, “Fear not. I have come to make you understand your strange and misunderstood life.” He said, “You were born to pray for the sick. You were designed with your sub-conscience and your conscience close. That’s why you see visions.” He said, “These chickens, they just speak in tongues and think they have something big, and they make you feel—because they out number you, they try to give you an inferiority complex. I am not coming to put your sub-conscience close.

“Have you been seeing visions as a young boy?”

“Yes, sir.”

“I believe you saw your first vision at eighteen months. Is that right, son?”

“Yes, sir.”

“And you were told a Light was over your crib when you were born April 6th, 1909 at five in the morning. Are those things true?”

“Yes, sir.”

“Well these potentials that you have are to operate certain Scriptures and I’ve come to connect you to the part of the Word where your life and your ministry are in the Bible.” He said, “Let’s go to Genesis 24: Eliezer, at evening time, going to get a bride – that’s you. That servant had rule over all his master’s goods.” He said, “Israel is back in the homeland after the war. Is that right?”

“Yes, sir.”

“That’s in the Book of Ruth, son. Naomi is going back, but what else?”

“Ruth?”

He said, “Yes.” He said, “There is a reaper in Boaz’s field who had authority over all the reapers – That’s you, son.”

He began to point out to him his past, his present and his future. He began to open something to him. He didn’t give him something he didn’t have. He began to teach him by the Word, to discover that he was born for

a purpose, that he has equipment to fulfill certain Scriptures, because that was promised in the Bible.

The Bible foretold his coming just like the Bible foretold Mary. Isaiah said, “The virgin shall conceive.” But what happened? What happened? When she was born, Gabriel came down. Gabriel wouldn’t come down until she was on the earth, until her cousin Elisabeth was on the earth, because they are part of the Word. One to bring Elijah: Elisabeth brought John the Baptist; Elijah, the forerunner but Mary brought the Son of Man, (hallelujah!) and Gabriel announced the two. The Angel of God announced the two and He knew when the two sons would be born because He had control over the conceptions.

He said, “Zechariah, how many times have you come here to burn incense?”

He said, “Well it’s my lot for the last twenty years. I come three times a year to burn the incense and go home.”

He said, “That’s right.” He said, “But your prayers have been heard. When you’re finished this time, go home; your wife will conceive.”

Mary said, “How shall this thing be? I don’t know a man!”

He said, “You are about to be overshadowed and that Holy Thing that shall be formed in you will be called the Son of God.”

He was waking them up to their purpose. They used to go to church. They used to go to the synagogue. They used to go up three times a year to the feast in Jerusalem, but one day, they came into a Supernatural Presence, and in that Supernatural Presence, Something came down and started to show them in the Scripture. Because Gabriel said, “This son you are going to have will go in the spirit and power of Elijah. He will turn the hearts of the fathers to the children.” He quoted the Scripture. The Angel was not inventing. The Angel had the knowledge. He didn’t just know the Scripture;

He knew the people who were foreordained. He didn't go trying it out on other people. He came to the direct people and said that it will happen now, and that Word laid in the Bible over seven hundred and twelve years.

Do you realize Elijah in this day: Behold, I send you Elijah the prophet; he will turn the hearts of the fathers to the children. John fulfilled that part – “As John was sent to fore-run the First Coming, you will fore-run the Second Coming.” And that same One says, “And Elijah will come and turn the hearts of the children back to the fathers.” Who are those children? Are you one of them? Did you see Elijah? What Elijah brought, did it turn your heart back? What did it turn your heart back to? What is in the Book of Acts? It has to be something there because that was the fathers. They had the truth.

The Angel was with Peter. The Angel was with Phillip. The Angel was with Paul. They used to go to church too, but when Jesus came down and began to show them the Word, He said, “Paul, he will be a light to the Gentiles.” Peter and they were the children that the fathers, the old patriarch fathers, all those Jewish fathers with their long beards and their scrolls and their phylacteries, Jairus and all of them, had to be turned to their children. That's right.

And so in this Hour, what you have come into, you have come into something real. It is not just church attendance; it's a revelation. When a man catches a revelation, it's because a Seal has been opened (I'm closing); a mystery has unfolded and that man catches a revelation. When he begins to sound that revelation, if the trumpet gives an uncertain sound, who shall prepare? But if it gives a certain sound (hallelujah!), people are going to wake up; people are going to recognize. And what does it do, when he begins to sound that revelation? It causes a religious disturbance. Hallelujah!

Esau and Jacob, twins, in the womb of Rebekah – who was Rebekah? The bride Eliezer called out. She

had twins, two manner of people in the womb. Esau liked wild meat. He was hunting, hunting, shooting; he was a man full of hate. He was a man full of anger. Jacob was a quiet man. Esau never got a New Name. Esau never dreamed angels. Esau never desired the birthright. Esau never wrestled with an Angel, get a new walk and a New Name, and could confess that he saw God face to face. But Jacob, he had a desire for the promises. They were struggling in the womb. They were struggling in the womb. One loved the morsel of meat more than the birthright.

Watch, friends. The time we are in, there must be understanding. There must be clear understanding in the hour that we are living in. Do these things sound like fanaticism? We're talking about the Word. People entertain Angels unawares. An Angel came to Sarah with the purpose and the objective to move her out of barrenness into fruitfulness, and when the Angel began to speak, "I will return according to the time of life and Sarah shall have the son," she laughed. She laughed.

The greatest blessing, the thing she struggled for and couldn't do; trying everything. Maybe she even tried yoga also. [Bro. Vin laughs. -Ed.] Maybe she tried stretching. Maybe she tried different potions. Maybe she tried the diet plan. Maybe she took things for hormonal troubles, but in the end, after she tried with her might and her power, she came to her own conclusion: "I can't do this."

What kind of church are you? Are you a church that knows you are bringing forth the Man-child, that you will deliver this Child? Are you a church that knows you have been pregnated by the Spoken Word, the original Seed? Do you understand that that Seed will reproduce Christ, that Christ in you is the mystery; Christ will be formed in you?

Sarah was about to receive the greatest blessing. God was getting ready to change her and bring her back young again and she was laughing with unbelief. She

had no perception. She said, “What kind of crazy man came here? This is the man Abraham is getting these things from.”

You know, God has a strange way. When He came, He positioned Himself. There were four seats there. He walked and He sat right there with His back to the tent because He knew she was there eavesdropping. He was about to bring her out; He was about to manifest her. So, He asked a trick question, “Where is your wife, Sarah? He didn’t ask for Sarai, you know, because He had changed that name some months before. He told Abraham, “Do not call her Sarai anymore. When you go, you start to preach My vision of her.” Hallelujah! “Don’t let her see what she is in her own ability. Let her see what I ordained her to be. Preach that revelation to her.”

So Abraham was a prophet. He understood spiritual things. “Honey, don’t call me Abram anymore. Something happened to me. This is the hour I waited for.”

She said, “Abraham, thirteen years ago, when you were eighty-six, you still had something to produce an Ishmael but your body is dead. So what are you going to produce? Do you think God will change you back young again?”

He said, “He didn’t tell me He’s going to do it, but knowing Him, that very well might be His plan. So call me Abraham.” Hallelujah! He said, “And you honey, don’t get upset if I don’t call you Sarai. I’m going to call you Sarah.” He said, “You know ‘H’ represents God in our Hebrew language, right? And you know ‘H’ can’t be uttered in the Hebrew without an out-breathing like, “Hhhh!” [Bro. Vin demonstrates an out-breathing. -Ed.] because ‘H’ represents the breath of God.” So he said, “I’m going to call you Sarah.” [Bro. Vin laughs. -Ed.]

She said, “You could stay with your fanaticism. We will see what becomes of this.”

So when the Man said, “Where is Sarah?”

She said, “That has to be the man who is bringing the doctrine in our church.” [Bro. Vin laughs. –Ed.] She said, “That must be the man who is bringing this doctrine in our church, that we’re going to come back young, that we’re going to produce the Man Child, that I will have the promised Son, you will have seed like the stars, and I will be a mother of nations and kings. So all this kind of supernatural talk you talk...”

So He [The Angel –Ed.] said, “Where is Sarah?”

He [Abraham –Ed.] said, “She is in the tent behind You.”

She said, “I thought Abraham used to say that is God. That can’t be God because He did not know. He is getting that information from Abraham.” She said, “I will do for them.” So she snickered.

So He said, “Why did Sarah laugh?” And in a tone, also, “Why did Sarah laugh?” That pulled her out.

She said, “I didn’t laugh.”

“It’s true you didn’t laugh out loud, but you laughed within when I said that.”

He pulled her out in the open. He is a Master Strategist. The kind of strategy He has, He makes people walk around a city thirteen times and shout, and the walls fall down. He has all kinds of strategies. So He pulled her out. When she realized what it was, and she entered into that supernatural atmosphere, and those heavenly words, this Melchisedec, El Shaddai, Elohim, Jehovah-Jireh, this One, this Logos in human flesh, sat down there and talked with dust on His clothes.

Isn’t that what we saw in this day? Have we not been told the same kind of promise about coming back young in a second ride: “I will return according to the time of life”?

And the Bible said that she judged Him faithful, and He started to pour in dunamis, and the wrinkles started to come out. All that frowning, all that tension, all that nervous strain, all the pressure, all the old age, it began to be pushed back, and the dawning of a new day, she

entered into, and she began to catch a vision of herself young again, Abraham young again, and they were with the promised son in a new world, and Sodom and Gomorrah no longer existed. That world passed away, but she and Abraham with the promised son were restored to their youth in another civilization! Do you have that vision?

The same One who came and turned His back in this day, showed the sign, opened the mystery, came back around a second time! Hallelujah! I preached *Ministry Of Angels*. I'm talking about people who are unaware of Angelic visitation, who are not perceptive of the unseen world. Why? They take the Eagle Message but they do not walk in it. They take out the picture with the Light like that and the Cloud ... Don't you want to be caught up in that Cloud? Do you want that Light to remain on the picture or you want It to come into you? [Bro. Vin points to the pictures of the Cloud and the supernatural Light. - Ed.]

What is His plan? Do you think that if you go into the Houston Coliseum in Houston, Texas, that you will see the Light moving around inside of there? Do you think that if you go forty miles east of Flagstaff in Arizona and look up in the sky, walking around there, do you think you're going to see the Cloud up there? No, no, no, no. He came down.

It's that same Pillar of Fire that found you and drew you into the Word. It's those same seven Voices, those angels thundering out, opening up Seven Seals to a Prophet at the end of the seventh age, to introduce to you the seven Rainbows, the seven angels (amen), that became one God, a Theophany, Melchisedec, without beginning of days or ending of life, Who veiled Himself in a man – William Branham.

When you look, what do you see? I see two Angels. I see an earthly angel, Revelation 10:7 called William Branham, a man born by sex. Charles' sperm and Ella's egg produced that body that was photographed, but in

that body, in the earthly house of that tabernacle, there was an attribute of God, a Prophet that came from God, that came out of that Light, came out of that Logos; he is Revelation 10:7. That One on top, [Bro. Vin refers to the supernatural Light –Ed.] was Revelation 10:1; that was the Angel. That was Moses in the third Exodus. [Bro. Vin refers to Bro Branham as Moses –Ed.] “I have sent Mine Angel to bring you, keep you in the way, bring you into the place He has prepared for you.”

It was not a picture about something in Houston, Texas; that was where they shot the photograph. That’s right. But that’s the One, the seven Rainbows, when He was Elohim, He came down into the Pillar of Fire, the Logos. In that Light, is a Man. You can call Him Melchisedec if you want; you could be right. You could call Him Jehovah-Jireh, you would be right. You could call Him Jehovah-Nissi, you are going to be right. You could call Him Jehovah-Tsidkenu, you will be right. You could call Him Gabriel; you will be right because that’s the one Actor; that’s the Actor in the Fire. The same Actor in the Cloud – the same Actor bringing out His Word tonight to you (hallelujah!) because this is the hour. This is the hour we have been waiting for. This is the hour. This is the hour! Hallelujah! Glory be to God!

He is visiting us this evening. Do you know why? He is putting some honour on His servant and the friends of His servant; three men that came to his tent. Angelic beings associate together.

I want to read to you a quotation and close. I would like the sisters and the brothers to come out for me to sing a little song here, “*Into A Supernatural Place*,” and if I am permitted to sing another one, then they will sing, “*This Is The Hour*,” and we will close up here tonight and give the service back to the pastor.

But I want to say to you in Passo Fundo and all around, Bro. Tacio knows, I just read two verses in my introductory Scripture and my time is up [Bro. Vin laughs.

-Ed.], but I trust what you feel in your heart, if you have been plugged in and booted up, the same God, the same Pillar of Fire, is continuing on.

That's God above us, first and second pull [Bro Vin points to the supernatural Light in the picture behind him -Ed.]. In the Third Pull, that God went behind that skin [Bro. Branham -Ed.] and He opened the Seven Seals, and He showed God in a man like a Prophet who could turn his back and discern the hearts; a man who could speak into existence. He preached *Super Sign*, Immanuel, God with us; from God above us to God with us.

December the 24th, 1965, He took the mask off. It is in the hall of memory in Jeffersonville, Indiana, next to the Tabernacle [Branham Tabernacle -Ed.]. It's there in a tomb. It has turned back to dust.

But that Pillar of Fire doesn't stop at God above us and God with us. In the first Exodus, God was above them with Moses. In the second Exodus, the Pillar of Fire came down and veiled in Jesus – God with us. He called a people out of Judaism, a type of denominationalism today. He showed them who Elijah was. He revealed the Son of Man to them. He sent them to the upper room, and that God who was veiled in that flesh came back and divided up Himself and dealt every man a portion, a measure, for their ministry, for their work, for their assignment.

These sayings are faithful and true. This is a certain sound. It is this that our beloved brother, God's servant, your pastor; you know his labours, you know his sacrifice, you know his humility, you know day and night he wears himself down for people. That's why it's a joy for us to be here tonight, in this church, to witness that he has not followed cunningly devised fables, but the Word of prophecy made more sure that you might be established in the present truth!

And these gifted men who saw the Star for the Age, and the Star led them to the Word made flesh, they testified to him (that's right) these things and it inspired

his heart, and Satan became mad. You rally around the gift God gave you, because you sit here tonight and you know this is not some makeup business. This is the Presence of the Almighty God. This is the Holy Spirit quickening and inspiring and opening His Word, because faith comes by hearing and hearing by the Word! This is the hour that God is in us.

So just let me read this quote and they'll sing this little song, "*Into A Supernatural Place.*" In the message *Influence* [1963-0803 -Ed.] in Chicago, Bro. Branham said, "...we've got to be, we've got to be conscious of God's Presence.

This little five senses that we live in, that's just a little world of our own. ...we was only given these (see, taste, hear, smell, touch – five senses) [to] contact our earthly home. But there's senses beyond that, another dimension.

And God is always present. If we could only remember that. (God is always present.) "The Angels of the Lord are encamped about those who fear Him." In this building, tonight,... he said, stands Jesus Christ."

I believe that. I believe that was his influence because He said, "I'll never leave you nor forsake you." He said, "Don't take any thought; It will be the Holy Ghost speaking through you."

... hosts of Angels, thousands of Them gathered around. You don't see Them, but you can feel the influence of Them, telling you that They are here. If that isn't so, then the Scripture isn't so. And if the Scripture isn't right, then God isn't right, the Prophet said, because the Bible is God in a printed form. Heaven and earth will pass away but those words can't pass away. The Bible said, that, "The Angels of God are encamped," They don't leave, (They don't leave!) "They stay near those that fear Him."

Do you fear Him? Do you fear the Lord? They stay near. Put that in your heart tonight. The Angels of God stay near to those who fear Him. Do you see how close

He was to the Prophet? He feared the Lord. But Dr. Best, all those people – contention, strife, run him out of town, criticize him. That is what religion does because they are unconscious that God is watching them. They are unconscious that God knows the politics in their heart.

“Jesus said, “Wherever two or three are gathered in My Name, I’ll be in their midst.” That’s why He’s here. “Then that makes Him in a world that we cannot see, that our five senses doesn’t contact. Jesus Christ is here, present. If we could be conscious of that...”

And, remember, not only here...” (This is important) “not only here, but when you’re walking down the street, wherever you are, you that profess to be believers and fear the Lord, remember, the Angels of God” (the ministering spirits) “are moving with you wherever you are.”

You need healing? Jehovah-Rapha steps out. You are in battles – Jehovah-Nissi comes down. You have a need – Jehovah-Jireh comes out. He said, “You are hunting and you have need of game. Stand up and speak for the squirrels.” In Hattie Wright’s house, he said, “The only thing I know, the same God, (and Abraham called that God Jehovah-Jireh) who created the ram, that One was in the woods with me.” That One, that One was in the woods with him. That One is with us: the Spirit and the Bride.

“They watch...” catch this now, “They watch everything you do...” (They watch everything you do) “...every thought that goes through your mind.”

You say, “Is that so?” How many times have you heard it on the tape? “You lady, there, with that bow clip in your hair,” he said, “you were thinking such and such and such. You were praying for your husband,” or something. He said, “You sir, over there, you too have a boy in the hospital. Are those things true? You were praying, ‘Lord have that man call me.’” He knows the very thoughts. He knows the thoughts.

“...They know all about you. Therefore, we must be conscious of that.

If we are not conscious of it, then you act any way.” You get disrespectful; you get resentful; you run down other people. Because when the Angel came to the prophet, He said, “Your thoughts on earth speak louder than your words in heaven. Your thoughts speak louder in heaven than your words on earth.”

“If we are not conscious of it, then we act any way. So people mostly, today, too many people, are not conscious of the Presence of the Lord Jesus,”

They come in the building. They look at him on the platform. “He’s preaching. I don’t want to hear him preach. I’ll find something to do. I don’t like what he’s saying. I think I am going home early tonight. If I had known this was going on, I might not have come to service.” No. He knows our thoughts.

“...that’s the reason we have these things that we have going on now, that’s not right.

If we could only do like David said, “I put the Lord always before me.” He said, “Oh, I like that. *“The Lord’s always before me. Where He goes, I’ll follow. And I’m conscious that everywhere I’m going,”* other words, David said, *“that the Lord is going before me.”*

“I will not leave thee nor forsake Thee,” said Jesus. *“Lo, I’m with you always, even to the end of the world.”* He cannot leave us. He promised not to.

That’s the very objective of these meetings. That’s the objective, my brethren, of holding my ministry out from the denominations, is to try to let the people see that Jesus Christ is still alive, that He’s here, to every believer, to every denomination that will believe Him...” What a thing.

Remember when the Angel came to Gideon? He thought that he was talking to a man. “If the Lord be with us, where are all the miracles?” He was bringing out his point and his argument and his conception, not

conscious he had been visited. The Bible says, “Gideon did not perceive it was the Angel of God.”

Remember Manoah’s wife and her husband? He said, “But wait okay, You are the Man who talked to my wife the other day. Well, we prayed for You to come back and the Lord sent You back. So tell us now, how to raise this child?” He said, “By the way, you bring a blessing to our home. You touch the soft spot in our life. We were longing for a son and you came and said the wife is going to have a son.” He said, “Let us bring a gift. We want to kill a kid and bring it.”

He said, “Don’t offer it to Me. Offer it to the Lord. I am just one of seven, but the worship is Him.”

Because all worship belongs to Jesus. Hebrews 1 – He even makes the Angels to worship Him. They came and sang at His birth. It was the first time on earth Angels came to sing – the Word becoming flesh through a virgin bride.

Take these things in your heart like Mary and ponder it. You have been called, not for more religion, to bring forth the Word. Lift up the hands of the ministry. Rally around the gift God gave you. He could raise this church up. There is something special.

I never knew that I was going to come back to this place. Bro. Samuel is responsible for me being here. I saw Bro. Valdir a couple of times, in a couple of the big meetings. I don’t know if I even got to shake his hand; but when they said, “Passo Fundo,” I said, “Yes.”

I was preaching about *Ministry Of Angels* [2005-1216 – Ed.] and I have come back in this season preaching the same things right where I left off, ten years after. I know there is something about that.

God bless you! “*Into A Supernatural Place*”

[Congregation gives God a hand of praise.]

[Sis. Grace Ellis and saints sing, “*Into A Supernatural Place.*” –Ed.]

My brothers and sisters, the Bible says, “It is high time we are awake out of sleep. It is nearer than when

we first believed. Put on the armour of Light. Be not unwise, but understanding what the will of the Lord is, redeeming the time because the days are evil.” Let us walk in love. Let us stay united. Let us rally around the gift and the Word. Let us become more involved because the hour is upon us.

The Bride must be in readiness. They that were ready went in. Ten of them heard the voice, “Behold, the Bridegroom cometh! Go ye out!” They left the organization, came out under the midnight cry – two classes: wise and foolish. One class wasn’t ready and couldn’t go in, but they that were ready went in with the Bridegroom. It is very late.

This is the hour...

[Sis. Grace and saints sing, “This Is The Hour.” –Ed.]

Thank You, Lord. Thank You, Lord. [Bro. Vin worships the Lord. –Ed.]

If you believe He has touched your heart tonight, lay aside every weight; remove every hindrance and move up a little closer and take your position and stand true. We love you and we appreciate you with the love of Jesus Christ. We love God’s servant. We love God’s servant’s friends. God bless you all as we ask him to come.
