

A Study Of The Book of Joel

Pt.4

3rd March, 2010

Vin A. Dayal

A Study Of The Book of Joel Pt.4

3rd March, 2010
TRINIDAD

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

*² A day of darkness and of gloominess, a day
of clouds and of thick darkness.*

Darkness always describes demon power in the Bible. It's a day of clouds. There are two kinds of clouds here. There are clouds of darkness, and there are clouds of light. Amen. Remember, the two main themes of Joel: the first one, The Locust Invasion – Revelation 9, the fallen star, Lucifer and a whole army of locusts. Revelation 10:1 – the outpouring of the Spirit, the great Seal, the Easter Seal. He, coming unto us as the rain because He comes clothed in a cloud. He comes with a rainbow. He comes with Thunders. Hallelujah! He's coming unto us as the rain, because that's the promise of Joel. Amen, [Page 15]

A Study Of The Book Of Joel Pt. 4

3rd March, 2010

A STUDY OF THE BOOK OF JOEL

PT.4

TRINIDAD
WEDNESDAY 3RD MARCH 2010

Bro. VIN A. DAYAL

*I'm casting my reasoning down
Listening for that certain sound
still, small Voice deep in my soul
To lead me where I should go
Perfect will to daily know
That unto You my works will be fulfilled*

CHORUS

*I want to go where You want me to
Send me Lord
To do the things You do
My Lord, I want to go
I want to feel Your Presence near
Perfect love casting out all fear
My Lord, I want to feel*

Oh, let Your anointing flow

Why don't we lift our hands? That's what we desire in our lives.

*Keeping my light aglow
Midst this world of darkness sin
and shame
Oh, keep pouring Your latter rain
Keep pouring Your latter rain*

*Faith to use Your power again
That I may return to You from
whence I came*

CHORUS

I want to go

Oh, that place prepared for me

Oh that mansion

My Theophany, My Lord

I want to go

I want to feel greater realities

Perfect love throughout eternity

My Lord, I want to feel

Oh, My Lord

I want to feel

Oh, My Lord, I want to feel

I want to feel

Hallelujah! Praise His mighty Name. Hallelujah! Glory be to God in the highest. Thank You, Jesus. Amen. God bless you. You may have your seat. I trust that everyone is feeling fine tonight. I certainly appreciate the turnout, because...we want to be sensitive to know when the Holy Spirit is close, when He is doing something for us, something that will help us, give us victory in our lives, put us in step with what He is doing. Amen.

You know, it's been a little while I wanted to keep you up to date with our brothers in the prison. Some of the people have been asking me saying, "What about the brothers in prison?" I guess they didn't hear about them for a little while because we have been in and out. But they just wrote a couple of days ago, the first of this month, and we want to share with you how they are doing. Because these are brothers that we came to know in a very supernatural way, and I believe God wanted this to happen because it reveals to us what God is doing even in another way, where

the Word is finding Its way. And these are brother in Los Angeles, in the prison there, and to see where the Word found them.

And then in times past, speaking a little bit about what God was doing for them, we could see how closely they were able to follow what is happening inside of here, though they are in Los Angeles.

And when you hear the confession of the faith, you know, they are in prison (amen), and you know, sometimes we are here in church, we have to prop up a brother, prop up a sister, and these are believers in prison. And in California, in Arizona, in Phoenix, many places close out there, they could have brothers come in the prison and see them, but they have an identification with us that they believe is very special. And when you would think of that, it makes you realize, look how people way back there could have such a close identification, and the confession of such a clear revelation.

And these are the last couple e-mails we received from them in February and March, and it says,

“Precious brother and Pastor Vin, and all the saints of God in Trinidad and the region.”

You hear how they express themselves? Because every time they hear the Service, they know we pray for the brothers in the region because there are people in the islands with us. When we had made that DVD and sent it for them that time, saints from different places were speaking to them and encouraging them.

It says, *“God bless you richly and hello to you. Thank you so much for taking the time to write us. We are very encouraged to hear from you, and we know that a great responsibility is yours in this late hour, and that the ones who have eaten the Book must be very busy as they must prophesy to many.”*

Said, *“We never feel that you have forgotten us. We know that you are about the Father’s business. Even when you*

are resting it is to hide yourself so that you may show yourself.”

You know, it's amazing how they talk back to you in your own language. But that is their way of saying, “I'm following every word.” Amen.

“So, all is well, indeed. Our identification with this Word runs deep and sometimes it's so strange. We find ourselves amazed at how the Lord has brought us, and how He has desired to reveal Himself to us, and to show us that it's always according to His ways, and we should only look for Him there, in His characteristics. We know that how He has led us to you all is to show this, and to keep us understanding this. [Amen.] We are not a denomination at all, but we are under leadership and recognize how He appears in this hour. I can say that because it's my testimony.”

He says, “Recently I've gone back through *The Grace of God That Bringeth Salvation.*” [2005-0410 -Ed.].

That was one of the Messages that was preached here. And the subject, he quotes it too – *The Day, The Revelation And The Grace.*

“And this is a Message I always go back to. It's like a compass to keep me pointed towards the North Star. My testimony is put into words in that Message. This has taught us how to see how He appears, and to stay with the God who hides Himself in simplicity and reveals Himself in the same.

We know the plan for the age by these things and can rest and have confidence like Peter, who emphasized that ‘we do not follow cunningly devised fables, but a more sure Word of prophecy.’ When we let go and let God, and stay in line, this is easy to see.

We are tailor-made to fit into that part of the mystery in that very way, so when we ever get out of tune with that or drift off that we quickly remember to get back behind the duck who is led by heavenly bodies...”

He is talking about the duck, when they begin to migrate, how they navigate by the sun, the moon, and the stars.

And that teaches us to do the same. We understand Bro Paul in the Bible, because we see that his experience and our experience is the same.

We have seen the same appearing in the measure given to us in this hour, and we see the evidence from you all that it's exactly the same. So, we press towards the mark of the high calling with this in our hearts.

It's a great thing when God leads you to the Word. We have many friends in this Message. Many good brothers and sisters, who we communicate with, but we have one wave sheaf on a local level that we watch and expect to see more like that one in our own lives. We expect to see in all the body of Christ, but each camp has their sheaf.

We have all but one for the age, but to know that the grace of God keeps providing that to us, even on a local level, brings faith and great love in our hearts for Him who has planned every step of our lives to perfect us, and cap us, and make us a portion of the Stone Kingdom cut out without hands to manifest the smiting of Satan's kingdom, and all his deception, lies and perversions.

I heard you say one time that the third pull is being yourself, and I'm catching a glimpse of what that means and could mean in the future.

To us, we are identified with the Cross, the resurrection, the Holy Ghost, and all it contained for every age, all the way to 1909 and 1963, and even 1973 and 1976 as well as 1981."

They are in the prison in California, but they are following because they know what happened in 1976. "Why do thoughts arise in your hearts? It's I Myself." And then opened He their understanding that they might understand the Scriptures. And even 1973 - coming back from Santa Cruz; as well as 1981 - June 3rd. Amen.

He says we are identified with the cross, the resurrection, the Holy Ghost, all the way to 1909, the birth of the prophet, all the way to 1963 – the opening of the Seven Seals and then we also identify with 1973, 1976 and 1981.

“Also, if God brought out The Burnt Offering and the King’s Sword in 1986...”

They even remember the year that was preached. Remember, nobody there is talking that to them, you know. As they are hearing message after message, they are putting that together. They are understanding that it is not just sermons, it's the unfolding of something. And that's why they are saying, "We have many friends that we could... we write in the Message," they say...but they're speaking about their identification.

...and if this was a junction for a people, then we cannot help but identify with 2009 – The Broken Vessel Before The Communion [2009-0506 Things That Are To Be Pt.17 -Ed.], otherwise we cannot sincerely be identified with all the rest.

God has given personal signs to show that the very things you all have walked through, though we were not there, we were part of it, only to come into our part at this time.

He said, "Isn't that what the prophet preached in Identification? This isn't someone trying to fit in. But someone realizing that their life was planned, and that Jesus keeps all of His appointments. Even the language of it is not to sound knowledgeable, but it's the only way to define an experience. This is so true, that when you had a talk with the Church on Our Vision and Our Responsibility [2009-0824 Things That Are To Be Pt.13 -Ed.], the Lord had used you to use our experience with you as an example of what you were trying to say."

They are even conscious, just like when I was speaking on this message, just like I am doing tonight, reading their e-mail, showing what God is doing for them. And many of us here, sometimes, yet to grasp it in this way. And they

are in prison. And they said...He is referring to us using their experience.

"You were trying to show the junction for the assembly. When our experience matches the place God is leading you, this brings great confidence."

He said, "This is how our hearts are knitted together with you. And this is how we love Him and you; all of you. We appreciate this great appearing of Him in this hour. And we know that if He is appearing, it is in the unveiling of Himself by the Word, and in the lives of the Bride."

That doesn't take a Ph.D. to understand it. It just takes a bit of phaneroo and some epiphaneia and some apokalupsis. For when He does these things, we know it's not to make us say, 'Ooh!' and 'aah!', and jump up and down, but to produce a revelation and show His great love wherewith He has loved us all."

He said, "I have some pictures that I've been meaning to send, and I will do my best to send them off next week.

We, of course, are very excited that you feel to send us another package, and you can be assured it will not be a waste in any way. We know that you know that, and we can never tell you how much we honor and respect the things you do for us.

We have no other motive to fellowship with you than that we may all be caught up together; in part now, but someday soon, in the fullness.

Praise the Lord. With special love for all of you, Bro David, Brian and all the other saints here."

Amen. And the next one:

"I want to greet you in the Name of the Lord, and tell you that we are still being led and trained up by your ministry." [This was Monday].

"And we consider the words that you are speaking and the lives that you are living, to be the Word to us, to reveal to us the great truth of God in these final hours.

It's the very witness to us that lets us know that God never changes. And the way the Word is opening, really is the Way, the Truth, and the Life. The voice that comes from you there really is the Voice of God to us.

No matter what we go through, or how many ups and downs and no matter what we have, this or that, constantly reminds us of the unfailing realities of the Living God.

A couple days ago we had an earthquake a couple of hundred miles from us here.

A 6.5 on the coast, just west of where we are, and it really caused me to call to remembrance certain things about life and the Word and what we have. How we must stay in the place that we have been led into by all of this.

Then to see the devastation there in the Caribbean, where you all, who are our family, live... [He's speaking of Haiti.] is so eye-opening and has brought so much concern. I mean, we have no idea how it may have personally affected any of you, but I can only assume that there are friends, family, loved ones, even brothers and sisters who are affected, and it reminded us how much we care and we are concerned for you. And how strange it was that in such close proximity to where there is a true witness on the earth. There is such a shaking and such a sign of the nearness of the Lord's purpose being fulfilled.

I see the news and I must admit with all my heart, I wish I wasn't here, but wish I could go and help someone, somehow, in some way. That's the thing about being here, is that when you see something like that, you want to go to people and do something.

We shall be in sincere prayer concerning these things, and for all of you.

Our heart swells up with godly pride every time someone new comes..."

That is in their service, in the chapel, in prison.

"...and see you all on one of the DVD's, and we always feel so honored to say, "That's our church, that's our pastor.

That's the Word we believe. Those are our friends and we love them. It's easy to say that without pretense, and it's easy to feel that because of how we have been trained up.

I don't say we haven't been grieved by various trials and we've been led to a place to see that man is altogether vanity. We do not drawback, however. We are being kept in Scriptural war, and we are putting off the garments of our captivity and putting on the garments of the free woman."

Those were the things preached on the Message, *From A Bondwoman To A Free Woman.* [1999-0131 From a Bondmaid To A Free Woman -Ed.]

"We knew by experience that this is not all done at once, but that the intention is to be the married wife. And that, if we hold on to our virtue in this hour, that we will be elevated in due season.

This Message, in the way it has been presented through you and the people, has become the thing that we seek to be in union with. And you are our mate in the Spirit, and we trust you, pastor, and we believe you, pastor. And we look forward to seeing what has been going on lately.

We hope that you still see us the same way, and we are believing that you do.

May the love of God prevail in all things. And know that you are our people, and your God is our God, and wherever you go, we will go. May God help our friends in Haiti, whether they be friend or foe, may His grace step in and move on all hearts to bring assistance in the measure and manner that He sees fit. Until next time.

May the Lord be your portion.

In his Love,

Bro. David and Brian and Joel and the others here who respect you greatly.

So that's a little word from the brothers in prison, still strong in the faith.

These are some of the things that the Lord has done apart from going out to different places. Whether the Word

goes through streaming, whether the Word is taken and spoken in a certain region or locality, or whether the Word is posted by DVD and book, and find its way into the prisons, but God is not letting it fall to the ground.

When Paul was in prison, he said, many had been encouraged to take a stand and to be strong, because they saw how he was standing in bonds and afflictions, being in prison. Men who thought they couldn't stand, many who were afraid to be identified with Christ, and when they saw him in prison, standing with such conviction (amen), it gave those on the outside courage. Amen.

Some of us, if we are in prison, we might be so frantic, but they have made a little cell their home. And it's a jungle inside there, but they have received a Word that has given them an immunity and it has lifted them up beyond the prison environment and caused them to walk with a purpose that there is a work that they have to do and called to do inside those walls. And so, they are testifying, they are witnessing the Word to people, they are inviting them, they are sharing the books, they are dealing with people outside.

In past emails we see the experience his mother was led to, the experience his brother who was going to Russia was led to – one of his close friends, and he wanted to share what had come his way in this season and it had the same kind of effect on his friend and the friend gave the book to somebody else also, witnessing. God certainly performs a paradox. He just knows how to do these things. When we see these things, it encourages us to press on, to speak the Word, to be true to the Word, knowing that God knows how to direct the Word.

And the same God, in the days of the prophet, knowing he had the Word in his mouth, he said, "This will find the predestinated where they are because God knows how to guide the Word." And we are seeing that, not only with them in prison, but through the streaming, hundreds of

people around the world, people constantly writing, people constantly asking for messages (amen), places where they don't have fast internet and they cannot download the Services, because there is something that is awakening them. People in the Message for years but there is a reality about the Word. Amen. There is a Light as it connects twelve hundred tapes and makes it one revelation. And people begin to understand better what has taken place and is taking place from 1965 to 2010, amen, and that's a marvelous thing.

And then, places the Lord let us travel recently, to see how God is letting the Word be increased. No promotion, no campaign to establish personality, but knowing the harvest is ripe and the laborers are few, and the time is running out and to capitalize on every opportunity and make every opportunity count for the advancement of the kingdom.

And when love projects and cannot go anymore and is beyond your ability, sovereign grace, sovereign grace comes down and takes over and produces the object (amen), that that love is working to achieve. And we thank God because He is faithful. Amen.

God is in His Word. God is in His people. Hallelujah! It's a great thing to see these things happening. It's a great warfare. Hallelujah! But you see how the Holy Spirit can release an anointing because a Seal is opened, a mystery unfolds. Just like the third Seal, it was a three-fold Mystery – justification, sanctification, and the baptism of the Holy Ghost.

Luther only caught justification, but a man named Wesley realized there was a second fold (hallelujah!) and he caught sanctification, and he went forth and he moved the church from a horse and buggy, into the realm of a motor car; more power (amen), and people begin to be sanctified. And a crossed-eyed, negro man, the prophet said, in California, began to see it was time for the gifts, and he

caught a fold and he began to preach that in a little warehouse. And the people began to see it was time for that, they began to believe it. They got in the atmosphere of it. Preaching from a little shoebox, in a dirt floor in Azusa Street, and down came the Holy Ghost. Hallelujah! Glory!

And we know the Seventh Seal has been opened, and it's a three-fold mystery, and the Prophet caught a fold and began to speak it. And under that fold, he opened up Things that was and is and is to come because the Shout opens the Bible. Even the Voice and the Trump is revealed under the Shout. But he knows he was only going to fulfill a fold of It. But God was going to raise up people to sweep that Message to the coming of the Lord, to bring it to the Voice of the Archangel.

Wait until those sons of God rise in the last days who could take the Word and hand It there – Those eagles, the Gentile eagle, and the Jewish eagles. And between that time, from 1965 until Moses and Elijah come, watch God's eagles fly. They go past the clapping of the hands, they go past the rhythm of the music, they go past the joy of the saints, and they begin to bring down things, and the Book continues to open until It's fully opened. And the Seals continue to unfold – the present-tense unfolding; even to 2001, *The Day The Towers Fell* [2001-0930 The Day When The Towers Fell -Ed.], when the teachers will rise, and the light of the moon will be sevenfold. Oh, thank You, Lord!

And then the war in Iraq and the laws being passed, and the taking away of the rights of the people, and the internet, all these things that are uniting the world (amen) so Satan's Eden could come to its climax. When the Prophet was preaching, he could only see it in vision, but here today, we are walking in the reality of these things! Glory!

He knows it had to be about a web, but to visualize a World Wide Web. He said, "They are trapped in that web of the devil." But years after he is gone, we know about a World Wide Web. That's what they call it. They had no

name for it, but the Prophet could see what it will be named, what they will call it. And watch the Holy Spirit, in his time, it was black and white TV, but 1989, when the communication networks began to evolve and came to a place where they fought an information war.

The first information war was in 1990 in Iraq. Amen! Glory! That's right. Because they saw the power of how they could use the media. Because in 1989, they didn't have to go into Russia and the Soviet Union, they just beamed in the images, and it stirred up such unrest, and it broke up the Soviet Union, and so many nations de-communized. And when that was happening, the Holy Spirit dropped that inspiration (amen), *The Return Of The Global Village* [1989-0910 -Ed.], *The Opening Up Of The Fourth Dimension For The Mind Age* [1989-0604 -Ed.], and began to put language and define and bring those things down when it had no language to define it. Hallelujah!

And our brother, a German engineer, read it from the book right here. Hallelujah! He said, "But this was twenty years ago when these things were being spoken." Amen.

It would be nice if sometimes people inside of here could see it. But it's the people in the prison, it's people outside of here, hearing, listening, reading, realizing, those are not words of a man. That's right. They watch where those things hit. That's right, friends.

Oh my! When we could see how late it is. This is to show us how late it is. When you miss those things, it's because you don't know what is happening around you. Look how from the day the towers fell, the Holy Spirit come right behind that: *The Results of America's Apostasy* [2001-0916 -Ed.], *The Day The Towers Fell*, amen! Begin to bring that Word, *Evil Counsellors in the White House* [2001-1209 The Evil Counsellors Behind The White House Throne -Ed.], *Weighed in the Balances and Found Wanting* [2001-1007 -Ed.]. God began to bring the Word out.

Then, when they went to Iraq, *Predators And Their Preys* [2003-0309, 2003-0316 (Pt.1 & Pt.2) -Ed.], following those things. That's right. When the recession was breaking, the economic earthquake that caused all those big Jews on Wall Street, who were on the economic fault line, and the rich men began to howl. Amen! Glory!

When those things begin to take place, the Holy Spirit didn't fail one moment. *Power Shift* [2008-0430 -Ed.], *Economic Recession* [2008-0404 The Adopted Son And The Economic Recession -Ed.], *Genocide By Famine* [2008-0511 -Ed.], *Increasing Economic Woes* [2008-0316, 2008-0330 (Pt.1 & Pt.2) -Ed.], *I'll Keep Thee From The Hour Of Temptation* [2007-1202M -Ed.], *Because Thou Hath Kept The Word Of My Patience* [2007-1130 -Ed.], showing us God's eye is on everything that they are doing and God's Light reflects through the Bible and the Message to His Elect in the earth. Amen?

Let's stand to our feet. Take a little read quickly out of Joel. We'll try to be a little short tonight; just to lay a little background. We only read one verse out of Chapter two on Sunday, we'll continue on in Chapter two.

I hope that you are taking some time to read and, you know, regurgitate. You have to water these seeds with your prayer and your study so you can retain it in your knowledge. You can come into a deeper fellowship because the reason and purpose we drop over into the Book of Joel are to simplify the Stars' Wars, and now we in the fourth part of Joel. Amen.

And we were speaking there, Sunday, in part 3, how the trumpet is being blown, and an alarm is sounding in Mt Zion. Amen. And so, tonight we want to continue because those locusts are loosed for destruction on the earth, that's why it is necessary for the trumpet to be blown and an alarm sounded in Mt Zion. This is the enemy coming like a flood; we have to have a standard. Amen.

Joel 2, verse 1.

1 Blow ye the trumpet in Zion, and sound an alarm in my holy mountain. Let all the inhabitants of the land tremble; for the day of the Lord cometh, for it is nigh at hand;

Amen. In verse 15 in Chapter 1, he had made that pronouncement when he was calling on the people to sanctify a fast, call a solemn assembly. We went through that. And here, in Chapter 2, He opens and He's emphasizing the Day of the Lord cometh, for it is nigh at hand.

2 A day of darkness and of gloominess, a day of clouds and of thick darkness.

Darkness always describes demon power in the Bible. It's a day of clouds. There are two kinds of clouds here. There are clouds of darkness, and there are clouds of light. Amen. Remember, the two main themes of Joel: the first one, The Locust Invasion – Revelation 9, the fallen star, Lucifer and a whole army of locusts. Revelation 10:1 – the outpouring of the Spirit, the great Seal, the Easter Seal. He, coming unto us as the rain because He comes clothed in a cloud. He comes with a rainbow. He comes with Thunders. Hallelujah! He's coming unto us as the rain, because that's the promise of Joel. Amen,

...and of thick darkness, as the morning spread upon the mountains;

Catch the reading there. The Day of the Lord cometh, but it's a time of great darkness, of gloominess; a Day of clouds and of thick darkness. When is that? As the morning spread upon the mountains. What morning is that? That's the Day that is breaking, the Day of the Lord, when it's coming from Son of God to Son of Man. When the Church Ages blackout into gross darkness, but arise and shine thy Light is come. The coming sun - It is the rising of the sun, that morning breaking, spreading upon the mountain.

...a great people and strong [In that hour is on the move].

There hath not been ever the like, neither shall there be any more after it, even to the years of many generations.

³ A fire devoureth before them, and behind them a flame burneth; the land is as the Garden of Eden before them, and behind them a desolate wilderness.

That is the destructiveness of these locusts. The land was like a Garden of Eden. The second Adam and the second Eve in union, in a sin-free Church, where no man could dare join themselves to them. But in the dark Ages, it was the depths of Satan. Four insects—four stages of the insect ate it down. Amen. That's the picture. That's the picture.

³ A fire devoureth before them, and behind them a flame burneth;

It's like a devouring fire. And all that vegetation become the fuel that makes that flame burn even more.

The land is as the garden of Eden before them, and behind them a desolate wilderness; yea and nothing shall escape them.

Let us pray. Keep your Bibles open. Gracious Father, overshadow us with Your Divine anointing that can teach us all Things, that You will give sense to these Things and give us a clear application where it can be grasped and understood even on a personal level, knowing this is what is happening in this very hour. This is the reason that the world is in the condition that it is in. This is the reason that the church world is in the condition that it is in. This is the reason that many individuals in the framework of the Message are in the condition that they are in. So make these Things clear, we pray, and bless us all with Your Spirit. We ask it in Jesus' Name, amen.

We continue to read, I'll let you have your seat. Now, from verse 4, he is going into a description of these locusts. Amen. Now, remember, this is all pictorial language. The land was struck by this plague of locusts, and locusts in the Bible, the root of that in the Bible is the plague of locusts in the Book of Exodus. It was the ninth plague, I believe it was...the eighth plague rather, that struck the nation before the Exodus prophet took the people out.

It was an hour when the hearts of the Egyptians were being hardened and the people became unrepentant, and the land was being filled up with plagues because of the rejection of the Message of the Prophet.

God had sent a prophet to bring deliverance because the hour had come when God's people were to go back to their inheritance. And so, that is the root of this Truth. Is the first time we find something about locusts in the Bible.

And the last time you will find locusts in the Bible is in Revelation 9. And down through the Bible, like we were taking some Scriptures Friday night, out of Deuteronomy, and Psalms, and Chronicles, and here we are reading in Joel, and every time we are seeing locusts come up, we realize locust is something that there is a lot of truth surrounding the locusts in the Bible. It's not just a passing thing, it was judgments of God.

The first time we saw it, God, by a prophet in the land, who had come with two signs to confirm his commission; (amen) then we are seeing in the Book of Revelation, it's under the woe that this army is moving. It's under the trumpets, in the time when another prophet like Moses was in the land.

And we are seeing how, by the sounding of the trumpet in the Book of Joel, it's connected with a plague of locusts, and the Book of Revelation, it was with the sounding of the trumpet when the plague of locusts was loose. Amen.

So, as the Truths keep coming up, until it comes to its last reference (as I teach you so many times), the first time a

Truth appears in the Bible, that's the root of the Truth. And every time it appears again, it is with the intention to further unfold that original Truth. It will have to do with something connected to an exodus prophet, connected to the deliverance of God's people, connected to the wrath of God to those who rejected the Message of the Prophet. Is there it's going to be.

When we come to the Book of Joel it is connected with the outpouring of rain; rain that will bring restoration. Hallelujah! And so, here we are seeing, when we look at Revelation 9, with the plague of locusts being loosed, Revelation 10 is the message of restoration. It's the Elijah who will come before the great and dreadful Day of the Lord to bring the restoration. It's the Son of Man being revealed after denominational Ages are run out, then those Seven Thunders will utter their Voices, and open the Seventh-Seal Book because Seven Thunders are not revealed in the Church Ages.

When Christ was in the Church Ages, He was Son of God. In the Millennium, He will be Son of David. The last Church Age is the Laodicean Age. Amen. So, between the ending of the Church Age and the beginning of the Millennium, Son of Man is promised to be revealed between Son of God and Son of David, and Revelation 3:20 is the rejection of Christ. Hallelujah!

And here is the Son of Man being revealed. The shuck pulled back to let the grain out, and God opened the Seventh Seal Book and separated the light from the darkness – “Come out of her, my people!” God’s Word calls for a total separation from all unbelief. And the Prophet comes on *Shalom* [1964-1201 -Ed.] and says, “We are in the conjunction, in the dawning of a new day.” Amen.

The morning begins to spread upon the mountains. The Morning Star is here saying, “Shalom!” (1964, January). March 27th a 9.2 earthquake almost sunk Alaska. Another Good Friday; lightnings, thunders, voices and an

earthquake. The Holy Spirit, He said, "Like Moses, they reject your first and second Pulls. Now, take the rock and throw it up in the air. Mercy has been spurned. Judgment will start in the earth."

When they rejected Moses' first two signs, God said, "Take water out of the Nile, pour it on dry land." It's a judgment sign. Amen. And the Prophet was going back to the Bible to even teach us Scripturally. That Voice said, "Pick up the rock," to teach us what that means. He said, "And I heard the Words, they heard the blast. I didn't know whether to tell them. I went and prayed and said, 'Lord could I tell them?'"

He said, "You could tell them."

He said, "It spoke three words in those three blasts." It was a whirlwind of Fire. It was the same Angel Who came down with the opened Book to the Message angel, to blow the Trumpet in Zion.

Over here, again on Sunset Mountain, "Go back up there." Hallelujah! And this time it was to the Vial angel. "Judgment will start in the earth!" Amen. Because he is that Vial angel. And he threw it up in the air, and that started the whirlwind coming down. He didn't decide to do that, he was instructed. It said, "Take this rock, throw it up. This will start the judgment." And the God Himself came down and made the blasts, three blasts, and it went westward, and Alaska almost sunk. And God chose Good Friday to do it. He said, "He's been crucified again, the second time." Amen!

It was a prophet in the office of a prophet, the Elijah who is to come before the great and dreadful Day of the Lord. The Day of the Lord is a great and dreadful Day. It's a day of clouds, darkness, gloominess, the wrath of God, and Elijah was to come before that Day.

Did Elijah come before that Day? Hallelujah! That's right! Did Elijah draw the Seven Church Ages on the wall? And that same One Who opened the seven seals was the

One who told him, "This is historical; the first Catholic president. Go to the Book of Revelation." He drew that by vision, then God came down and drew it over; over four hundred eyewitnesses. Then, the same God who gave the vision to draw it in the tabernacle, Who came and wrote it over in the tabernacle, went and drew it exactly in the heavens with the eclipse, when the pope went to Jerusalem.

First pope ever, to go to Jerusalem; the ancient enemy of the Church, going to the ancient seat of the Church. And when that happened in 1963, December 29th, he comes January, "My New Year's Message" and preached *Shalom* – the darkest time is just before dawn. Because a few days before, when the pope did that, and the seventh eclipse of the moon was in total blackout, he said, "That's Revelation 3: 20."

In other words, He took the sign from the first Bible and tied it to the third Bible. Even 1962 December, when he came out of the vision with those Seven Angels, he was reading. He said, "I came out and I was reading Romans 9, where the Jews stumbled and rejected the Headstone because they were prophesied to be blind. And he was the Messenger of the Laodicean Age, and the rebuke had to come out of his mouth and tell them that they are blind, because he was the eyes, he was the seer and the Light came to him and he identified them, and he preached *The Church and Its Condition* [1956-0805 -Ed.], and he showed those Pentecostals that Delilah was upon them and they became blind. They lost the eyes.

That 'Delilah influence' made them reject the eyes. It was because of the Catholics, they made the Pentecostals—David duPlessis, Demos Shakarian, they were carrying the Church into Babylon. It made them reject the eyes – that Delilah. You understanding?

And that what took place there, it was Lucifer, leading this Age in rebellion against Christ, just like he did in Heaven. And the same way Michael cast Lucifer out of

Heaven, Lucifer and his angels cast Christ out of the Church! And that was the blacking out of the sunlight, to throw the moon into darkness. But it was the locusts that came out of the pit that darken the sun, that darken the sun.

And that's what I have been trying to bring to you before I came to Joel, because I am preaching but I know something is missing. Like you're not getting what I am saying. You will realize how long Satan has control of the whole world and the Church.

You see, when you are only quoting Scripture without revelation, you will be looking for things in the world, and you will be living under a delusion. Because the world and the *church of the world*, which is the *World Council of Churches*, they have rejected Christ. And the world is already being filled up with judgments because this is the time of amateur tribulation; not great tribulation, amateur tribulation! Because your fifth and sixth Trumpets are amateur tribulation. And the climax of those demons is to shut down here and bring you to a place, you *have* to decide!

God is trying to get you to decide by showing you the Word. They will hold your job, they will hold your bread and butter, they will hold your lights and water. They will hold your house and your land, and except you don't take the mark of the beast you can't do a thing. And that is the decision they are going to bring you to. Otherwise, we will be outlaws, and to try to gather people and have Service, and do these things, it will be imprisonment. Because they will identify these Message churches as cults in society, because it is demon power, it's not people.

The people have given themselves to the demon. The same way the Elect has given themselves to the Holy Ghost, and the same way the Holy Ghost wants to come in and incarnate in the Bride, not just hang above them, it's the same way those demons are pressing their way into flesh.

And right now is the deceiving time, and that's about finished. Because they have the world deceived and they have the foolish virgin confused, but the Elect, She has his scheme uncovered. Whether he moves in politics, or religion, or finance, the Word uncovers him every time. That's right!

Why? The Thunders were to wake up the Bride, to sensitize a people. Why? Because the Devil had them so asleep that the Presence of God was unrecognized. God was misunderstood. The church-world said, "Who is this?" They thought it was William Branham but it was *the Son of Man* being revealed in human flesh, like Genesis 18.

And when you see the kind of laws being passed, and when you see what's happening in the realm of education and science and politics and religion, when you see what the white horse is doing, and the red horse is doing, and the black horse is doing, and the pale horse is doing, and when you understand the information Age and the virtual world, then you understand how a world is under a strong delusion, believing the lie. If they were believing the Truth they would have all been in the Message.

But after you heard the Gospel of your salvation, after you heard the Word of Truth, you were sealed with the Holy Spirit of promise, which is the earnest of your inheritance, until the redemption of the purchased possession. Amen!

There is a people who heard the Word of Truth when Seven Seals opened, and out of the mouth of the true Prophet came Seven Thunders, because Matthew 24:24 is a lying spirit and Revelation 16:13 is three unclean spirits like frogs coming out of the mouth of the false prophet! That's right! And Micaiah, with a Seven-Seal vision, the fivefold ministry in this hour, is saying what Elijah said. Because the Bride, under her Messenger, is that final Voice! Oh, Hallelujah!

That's why you need discernment. That's why, if you're not affected by the Holy Spirit, your mind is still in

darkness. So you're still trying to walk in five senses and figure out with human reasoning. That's why Ephesians 1:15-23, what does it say? Pray, that the Spirit of wisdom and revelation in the knowledge of Jesus Christ, that the eyes of your understanding being enlightened... What does Ephesians 5:17-22 says? Amen. That you walk circumspectly, not as fools, but as wise, redeeming the time, knowing the days are evil. That's right! Because the sign of the end – "Sirs is this blast and seven Angels in the form of a pyramid, is that that Seventh Seal?" The Rapture is a revelation *only* for the Father's spiritual genes.

The Holy Ghost has come down, the Quickening Power to quicken and make alive *these* who are foreordained of God to go in the Rapture in this hour; moving across the earth, quickening the seeds in His path! And that Light, in 1973, moved through the Caribbean and began to quicken, and when that quickening took place, then opened He their understanding, that they might understand the Scriptures.

I say that is so because that has never stopped! And many things that came, before and after, I see where they are today, I see where they went! Yes! That's nothing but the truth! And you tell me if all hell didn't come against this? All kinds of lying spirits start to fight It. You tell me if it has cooperation in this country! And you inside of here know I don't preach against these people. I don't say anything against them.

I preach the Bible for you, to teach you, to raise you up in the Faith! And it's 'line upon line, precept upon precept, here a little and there a little', making Jesus Christ the same yesterday, and today, and forever. Keeping you in remembrance what was said by a Prophet! Hallelujah! Glory! Oh, thank You, Lord! Yes! Blow the Trumpet in Zion, sound an alarm in My holy Mountain!

This Trumpet in Zion is Gospel Trumpet because, under the political disturbance, we saw when the locusts were loosed. Because why? Down came the Angel with the

opened Book. Is that right? And He revealed everything, up to that Seventh Seal. Is that right? He said, "This will not be spoken in public but don't try to interpret anything.

You know why? Every Elect is built with a receiving set. Every Elect has a theophany beyond the curtain, and the Holy Ghost, the sealing Angel, will move through Heavenly Jerusalem, the City of the Living God, foursquare on the earth. They know every delegate, every member of the Body, because that City was built by the Maker, Whose Builder and Maker is God Himself. And He knows the ones He built the City with – lively stones. And you are a lively stone. That's why He found you, that's why He bought you, that's why He cut you, cement you into the Body and you grow up into a holy temple, a habitation for the Spirit of God. You're built upon the apostles and prophets' doctrine, Jesus Christ Himself is the Chief Cornerstone. He is your Foundation Stone, He is your Headstone. It is He Himself! Oh, thank You, Lord!

My, the place looks smokey from here. Hallelujah! Glory be to God! No wonder the devils fought you the way he fought you. No wonder he comes against you so hard! No wonder he offers you all kinds of things. No wonder he bombards your mind so much! No wonder he tried to kill you physically, but God didn't give him the chance! God was your shield! Hallelujah! Not one hair of your head shall be hurt because no man is able to pluck you out of His hand! Oh, thank You, Lord! You are His! The Seal of God standeth sure; the Lord knoweth them that are His! The Lord knoweth them that are His! The Lord knoweth them that are His! Yes! My!

Oh, thank You, Lord. Glory be to God! Oh, hallelujah! I'm watching the clock here. It's already a quarter past nine. My time is up. Let's stand. Let the musicians come, because we're going to have Friday, Saturday and Sunday. Amen. And don't be afraid, Sunday we're coming back in the afternoon, so you get time to relax. You could eat a nice

lunch home and come out in the evening, strengthened and fresh. Hallelujah! Do you love Him, tonight? Isn't He wonderful? Oh, my!

It was a Garden of Eden just like in the Garden of Eden, the first Adam and the first Eve in Divine Love, in union with God. Nothing could dare join themselves to them. But after a while, Eve became relaxed. She was aimed at perfection. She was aimed at the promise, that the Spoken Word will bring the super race, but she got relaxed in the testing time. And the white horse rider, the Serpent, as the Serpent beguiled Eve, so do these come... Satan transformed his angels as ministers of light; that's what Paul said, showing what was happening in the second Eden, in the Church with Christ and His Bride.

That's what he said. He said, Christ and the Bride were like it was with Adam and Eve in Eden. And for a time, it was in perfection, nothing could get close to them. But, just like in Eden, one day, the king of the locusts, the fallen star, who was cast down to the earth, began to make a move. He had come up from the sides of the pit and he began to walk in the Eden of God, and he went to Adam's Bride. That's right. And after—before him, it was a Garden of Eden. After the locusts went through there, it was a wilderness.

And for six thousand years, look what it is. Could you call this a Garden of Eden, the way God made it? No, this is Satan's Eden. What is that? Hell on the earth. This world is a wilderness, but we are ready for deliverance. Lord, I've never been this homesick before. Hallelujah!

I see a Door open in Heaven. I hear a Voice saying, "Come up hither," at the end of the Church Age, as John was caught up, a type of the Rapture. Hallelujah! Oh, thank You, Lord.

He ate down Eve's leaves. He got at her bark. He began to take down her fruit one by one. When he was finished with her, she was a deceived church, sown with Serpent

seed: a murderer, a liar, a false worshipper, a child of the Devil, one who is to be marked and separated was being formed in her womb.

What is the church today? Everyone in denomination has the name in their forehead, the name of the beast, and they have the mark in their hand. They are born through the womb of a deceived church who rejected the Truth because she had a love for the lie, because she wanted a sensation, because she got that spirit of adultery upon her and she received the wrong pregnation. She got pregnated with the lie – “You shall not surely die.” And then she came to Adam as that woman, Jezebel, not in subjection but trying to teach, and usurping authority, and want to bring a super race by sex.

That's the condition of the church today. It's a wilderness. But there's an Eden. There's a people under the baptism of the Holy Ghost and Fire in the eight Day, putting on their Eden beauty. That Alpha and Omega is the same. Oh my! A portion of the harvest that couldn't be destroyed, because that Messenger, the

head-planter said, “I planted for a super race. I didn't hybrid the white horse with the black mare. I kept my seeds original.

But those other men went out, and for money, women and popularity,” he said, “I turned back a million and a half dollars. Even when I went in the Vatican, they said, ‘We have to cut the cuff of your pants. You can't turn you back on him when you go in there.’”

He says, “Okay, fine, all that is okay. I don't mind that. Every religion has their own statues. I sat with Jains and Buddhists and Hindus. I could do this.”

“Yes, but that isn't the real thing, yet. Then you're going to kneel before him and kiss the ring.”

He said, “Forget that. I worship God, alone.” He walked out.

Then them Pentecostal men say, “Don’t mention the water baptism. Don’t preach against bob hair and paint face and tight dress. We’ll win the nations.”

He said, “Right there I saw the devil talking.” He said, “I would only preach what the Angel says. I’m not servants of you all, I am servant to Him!” Hallelujah! Glory!

What a thing, friends. Let that Spirit come upon us. Let that Spirit come upon us. Let God take the Spirit of Elijah and put it on Elisha – the anointing and have the robe. That’s Christ and the Church. That’s a Mystery of Christ and the Church – Elijah and Elisha. Hallelujah! Glory be to God! What a time.

I’m looking for a great time over this weekend. Let’s pray and look for it. Amen. Let’s believe with all our hearts. We get what we expect! Amen. Glory be to God in the Highest!

Can’t you see why I’m so happy? Let’s worship Him a little bit before we leave. You enjoying this Book of Joel? Notice, we haven’t gotten anywhere, yet. We get through Chapter 1, but the real fireworks would start when we get to Chapters two and three. And let me tell you, don’t expect us to finish that over this weekend. We might just get part of Chapter two, this weekend, because we have to go to Exodus, we have to go back to Revelation. Then we have to go down through the types in the Bible, so you can see what these things are.

And remember, this is Stars’ Wars. This is ministry of angels and demonology. This is faith and wisdom. This is the greatest battle ever fought. This is life and death in the final struggle. This is Michael and Lucifer on the battlegrounds, again. Hallelujah!

Can’t you see...?

I can tell you have Oil and Wine tonight. A paradox is taking place in your life. Some Rain is coming down.

...the Word of the Lord

The revealed Word that was spoken

Oh, by the Prophet

...of Malachi 4

Oh, lift your hand, lift your voices all over the building,
wherever you are.

Can't you see...

That is our testimony.

...I'm so happy [Hallelujah!]

For I have accepted

...the Word of the Lord

Oh, the revealed Word

...Word that was spoken

By the prophet...

He said I will pour out My Spirit upon My sons and upon
My daughters. Let me hear those daughters of Zion sing.
Amen. Rejoice, you daughters of Zion! Hallelujah!

Let Him fill you up tonight, amen. Open your heart. Oh,
just worship the Lamb. Amen. No locusts are going to
come on your tree; no palmerworm, no cankerworm, no
caterpillar. God has preserved a harvest for Himself. You
press into that promise. You hang in there. Lay aside
everything, and watch it make manifest. Hallelujah!

Oh, come on brothers.

Can't you see...

Hallelujah! Hallelujah! Oh, praise our God. Amen.

...of the Lord

...revealed Word that was spoken

These divinely revealed Mystery Truths are what will
literally turn the hearts of the children back to the faith of
the fathers. Oh, altogether with one voice. Amen.
Hallelujah! Let it go up to the King. Amen. Let Him know
we have joy. It's not cut off from Him. He said, "Hurt not
the Oil and the Wine."

...so happy

Hallelujah!

I've accepted the Word of the Lord

...of the Lord

Thank You, Lord. Hallelujah!

...Word that was spoken

Oh, by the Prophet

Oh, that sounds so wonderful tonight.

One more time. Can't you see?

Hallelujah! Praise our God! We Love You, Lord. We worship You, tonight, Lamb of God. We lift up Your mighty Name, tonight. What a mighty God You are! Hallelujah! The world has rejected You, but Lord, we are taking our stand with You tonight. You are our rejected King. We love You, tonight.

By the Prophet of Malachi 4

Oh my, every head bowed. We want to ask Bro Vishnu to come. Amen. Hallelujah! Glory be to God! Hallelujah! Hallelujah! Let's just unite. We have a request for prayer for one that is sick, also. So, let's just pull that faith together as our brother would pray, and stand behind him. Together let our prayer and our faith go up. This deliverance could come, also.

[Bro Vishnu Bedassie prays. -Ed.]

Amen. Could we say, "Praise the Lord", amen? Hallelujah! Hallelujah! Thank you, Lord. Praise His mighty Name. Glory be to God! Amen.

Greet each other and have your seat. I want to ask the saints who sing *My faith in Him will take us out of here*, amen. Hallelujah! Glory be to God in the highest!

Certainly, been enjoying God's Presence in the Meetings. His wonderful, marvelous grace. The labors of our Bro. Atri in the back. Amen. Hallelujah! Amen. When you learn to fly in these kinds of conditions, it's really something, amen. And you don't have to worry, because there is a Spanish version and there is an English version. So, all those in the Latin-American countries, they will be hearing the Spanish louder than the English. That is great, by God's grace. Hallelujah! Praise His mighty Name. Glory!

[Sis Elizabeth Bishop and sisters sing: #1043 My Faith In Him - Songs That Live -Ed.]

Oh, let's give Him a hand of praise. Amen. Hallelujah! What a promise! Amen. Hallelujah! Glory be to God! Oh, thank You, Lord. And into His Presence angels will carry me.

I just wanted to give you a little announcement before we leave, because at present we already have things in the pipeline. We are trying to have the Convention in Tobago, this year. And we are close at this present time to obtaining a venue, so it's going to be a wonderful change. So, you pray that the Lord will provide that little place for us, so you won't have to be burdened down this year, trying to make a lot of arrangements for people to come by you.

We all can make our way to Tobago. Carry your cars on the boat. You all can stay in one area nearby and all the saints throughout the region, and the extended region, and to different parts of the world is in anticipation of coming.

We have such a better advantage. We saw the achievement of the convention last year when we were able to have the ministers stay in one place, travel together, eat together, fellowship together. Since that, that has sort of sent waves throughout the region because all these ministers who didn't know one another before, in a close way, became connected. It's very beautiful to see when they come together.

Since that time different ones have traveled to different places and preached, because we so desire to see if we can do something to help bring the body of Jesus Christ closer together. And you know, one of the handicaps we had, knowing we had morning Services and evening Services, each day, and we had sometimes, we had to leave here to get back to where they were staying in South, and they had to journey back in the evening for the evening Service and then some late hours after we had our program here, on the land.

Sometimes we were leaving here 2:30 in the morning to get back down there and then get up early in the morning

get back up here. But when we consider having it in Tobago, no matter which side you go, you are no more than ten minutes drive, either side.

And then everybody could be housed and kept together; you don't have some of the saints down in Diego Martin, and some in Rio Claro and some down in deep south. Everybody will just be all around. And it will be...You know, Tobago is a little slower place, a little more relaxed, and then its vacation time, so we get the opportunity to have good fellowship, because we know it's going to take this to even strengthen the bonds of friendship and fellowship and bring greater unity.

So, we are believing the Lord to have the venue, because it is vacation time and it will be available, and it will be suitable for the Meetings we would have and then we all will be just staying in the nearby vicinity. So, it gives us many options. All that we have to carry we could carry. Then we have to load up a truck with the equipment and everything and just move it over there. Amen. And I am sure it's going to be a great time for you all. Amen.

So, pray about it, that the Lord will give us this opportunity, because in an event like the Convention, it gives us more options in an environment like that, than being here. Things could start on time; nobody will be too late. After a couple days nobody will be too tired. No long set of traveling back and forth so many times for the day. And then after the Convention, especially for the visitors to have a little relaxed time, and so, if the Lord allows us to do that, it will be great. Amen?

So, the church of itself, that has been hosting all these things, all the big cooks, day and night, they won't have to go through all that, because we won't have the big, massive catering. Instead of putting all the money towards food, it will help us bring some more of the ministers who are not able to come on their own. Because of the lateness of the

hour, we know what the fellowship and the unity can do. Amen.

So, we have tried in the past to help some of the brothers from Panama and Peru and different places, so that means, you know, you going home with your car, you just put your own foodstuff in your car, and where you stay you can eat how you want to eat. If you want ham, lamb, and jam, you can have ham, lamb, and jam. If you want to eat light, you know, you have your options. If you feel you want to eat a certain thing, a certain time, you could provide that for yourself. Amen.

So, we are going to give a greater layout as to what we want to do as things begin to materialize, and we will be able to tell you, okay, this is now the definite way we are going, because there are so many people looking forward to come to the Convention.

Some are already calling. They want to know the dates, and the dates for the Convention is August 5th – 8th. That is like the days, but you know, we normally get in on the Wednesday, which is the day before the Meetings begin, which would be the 4th. So, you know the days from early, so you can begin, some of you, who can get things more suited to you, having this knowledge in advance.

And you who have connections could begin to seek out your accommodations that could be convenient to you, and just have things that you could just move into it very quickly.

But let's come over this weekend, and Friday we start at 7:00 pm. We want to be on time. You know how the Meetings go. We are going to have quite a lot of people, not just locally here, but even on the internet that would be there, some in different time zones. So, that's why it is always beneficial when we, where the live part is taking place, can be on time. Amen.

And, you know, the Meeting is advertised on the website, and so, do your best by God's grace. Be here on time

Friday. Saturday will be 6:30 pm and Sunday would be 2:30 in the evening. Amen. So, we have three services over the weekend. So, I give you the chance to not be too tired, that you have to get up early to come back Sunday morning, and so, you could have that in the afternoon. So, we can be fresh and put our best into it, by God's grace.

So, God bless you. The Lord take you home safely, as our Bro. Greene comes.
