FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

When Nebuchadnezzar became the head of gold, it was a new world government, a new world system where one power controlled all politics, all economics and all religions. That was a new world order. It is even marked historically and it is even marked biblically because it is called in the Bible—there is a definite line that comes down dispensationally that Jesus calls ‘the times of the Gentiles’; the beginning of the Gentile dispensation.

If you want to know when God is going to set up His Kingdom on the earth, you have to follow out the Gentile dispensation, to four kingdoms and then the days of the ten toes, the Kingdom of God, when Christ is going to reign; how the Davidic Throne is going to come back. When the Angel came to Mary and said, “And He shall have the Throne of His father David, and of His Kingdom there shall be no end,” and when the disciples asked Jesus, “When will Thou restore the Kingdom unto Israel,” and Jesus, the Lion of Judah had prevailed to take the Book and gather His subjects, and “You will sit with Me in My Throne,” to understand those prophecies, you have to see, it is coming at a particular time at the end of the Gentile dispensation. ...oh Lord,

I will walk in Thy Truth

Unite my heart to fear Thy Name.

Teach me Thy way, oh Lord,

I will walk in Thy Truth

Unite my heart to fear Thy Name.

Oh yes, I will praise Thee, oh Lord,

My God, with all my heart

Oh yes, I will glorify Thy Name

Forevermore, forevermore.

Amen. Let's just bow our heads for prayer, as we look to our Lord Jesus, tonight. I pray that in your heart, you already have moved into that place; the Holy Spirit has ushered you in, where your faith has taken a grip upon His Word and you're standing there knowing that you are at your post of duty tonight; knowing that you've come into the house of God by the commandment that He has given unto us, not to forsake the assembling of ourselves much more as we see the day approaching, and the expectations that we can have, for He said, "Where two or three are gathered together in My Name, there I am in the midst."

How much more as we see the day approaching, and this great Day that the Scripture spoke of, when the Son of Man was going to be revealed, and will appear in a Cloud with Power and great Glory; when we see the fig tree begin to put forth its bud, when we know that the Kingdom of God is at hand; this great Day that we've

been studying and looking at, all those things prophesied, where if it were possible, even the Elect would have been deceived. But He will cut those days short, otherwise no flesh would have been saved.

How grateful we are tonight to be counted in that great number that is called out and being gathered together by this Message, to be made ready for the Coming of the Lord. We can never overemphasize the grace that, *that is*. That's the elective Love of Almighty God. Because the only ones who are really called and taken up in the Mystery of that Seventh Seal, given this great revelation of the Rapture, are those names that were found written in the Book. At that day shall Michael stand and deliver those names that are found written in the Book.

Almighty God, with bowed hearts, we stand in Your great August Presence tonight, thankful dear God, for the grace that has been given unto us in Jesus Christ; the great calling with which You have called us, the great purpose that You've called us unto, dear God, the great realization that You've brought our hearts into, with the enlightening that has come through the revealed Word; the Word that You have opened up in these last days according to Your promise: "In the days of the voice of the Seventh Angel, when he shall begin to sound, the Book that was sealed up will be opened; the Mysteries of God will be finished." Those things that the Thunders, oh God, Father, uttered, dear God, was going to be made known to the End Time Bride, to gather Her together; to show Her how to prepare for great Translation Faith.

Dear God, to think that we are part of this great number. To think, dear God, that when we look and see how You have dealt with us, Lord, in this Day, this Day that You have marked out so clearly, identified it by signs and caused us, dear God, to see the signs of the time, identifying to us that this is that Day.

Dear God, then the Message of the Hour, the Voice behind the sign, Father, oh God, uncovering Your great lovely Person that we might see You Who has come down in this Day, that we might see You, dear God, Who hath gathered Your Bride together; that we might see You and understand Your Divine purpose, dear God, that we might be brought to walk in this great marvelous Light, that we might enter into this great fellowship with You, Lord, that our hearts might beat high with joy; oh God, that this great Message can minister such a Rapturing Faith towards perfecting our faith in this Hour. We thank You for that, Father.

We rejoice tonight because when we see these things, we see so many prophecies coming to pass in our very lives, dear God, to know that our lives is not just some ordinary life: eat and drink and work and sleep and wear, oh God, but there's a Mystery unfolding, Father. Hallelujah! There's a work taking place. There's a leadership of the Holy Spirit. There's a channel of communication that You have given to us by inspiration, that we can understand, that we can follow, that we can fellowship, dear God; that we can walk with faith, dear God. We thank You for that tonight, Father. Oh, blessed be Your wonderful Name. All glory and honor be unto You. Hallelujah!

How we ask, dear God, tonight, that You will continue to enlighten us, dear God, You will continue, Lord, to build up our faith; You will continue to take away every bit of amnesia, oh God, that truly, Lord, we can know, Father, Lord God, how to carry out Your Word. Lord, we don't just want to come to church; we want to see the portion of the Scriptures that You left back for us to fulfil that we can be led by the Holy Spirit to quicken and anoint that Word and to bring It to life, to walk in the line of that Word; to have the Mind of Christ and to know what You want done with that Word.

Like the Father was in the Son and led the Son to quicken the Word and bring It to life, that the Son could

open the Book and identify Himself in the Scriptures and say, "This day is this Scripture fulfilled." He could say, "I must be about My Father's business. It becometh Me to fulfil all righteousness. I do those things that please My Father always." So, dear God, we want to walk in that realization because it is written that the Bride is part of the Bridegroom. She is made with the same material. All that He is, She is. And it is You in Your Own Bride fulfilling Your Word that You left for this time.

Father, help us tonight. We come with hungry hearts. We come yielding unto You, Lord. Teach us Thy way, oh Lord; we will walk in Thy Word. Unite our hearts to fear Thy Name. Instruct us in Truth, Lord. Enlighten us according to Your promise. Hallelujah!

Dear God, remember the sick; remember the needy. Remember the weak, oh God. Remember those that are falling down. Remember those that are following afar off tonight. Remember those who don't have the victory. Remember them, oh God, Father, that are standing in the need of prayer. Remember them Almighty One.

Almighty One, we come to You; we ask, dear God, You remember our brothers, our sisters, Father, in the need of prayer, dear God; all those, who prayer has been offered for. And the Holy Spirit, dear God, the One we are depending on to take those prayers and turn them into blessings, oh God, and minister the need to their needs, (hallelujah), and lift them up out of their conditions that Your Name will be glorified. In the Name of Jesus Christ, may You grant it, Father.

You're a God Who remembers Your promise. You're a God Who said, "Not one hair of our head will be hurt." Lord, we are more than sparrows, and if two are sold for a farthing and one cannot fall to the ground but that which You know of, how much more are we? We are depending on those things that You have spoken, in showing to us how reliable You are, how interested You are; how able You are. We are depending on those

things. We believe those things. We confess those things tonight, (hallelujah) because, Lord, we know You love us, Father, and we love You too, Jesus!

Have Your blessed way. Lead us and direct us in this service and get honor and glory to Your Name. We thank You for all things in the Name of Jesus Christ. Blessed be Your wonderful Name, amen.

Amen. God richly bless you. We're certainly happy to be in His great Presence tonight. I did not come with my glasses tonight. It seems like I was hustling so much. I would like to open up to Revelation 6. Maybe, I can recite that by heart. [Bro. Vin chuckles -Ed.] Amen. [Bro. Vin asks a brother to read the Scripture -Ed.] Keith, would you stand and read that for me, Revelation 6:7 and 8? Stand up by this microphone here and read that for me. Amen. Abraham, will you? Amen, by the grace of God. Blessed is he that readeth. Revelation 6, verses 7 and 8. Amen. I can preach because I know what is in my heart. Amen.

[Bro. Abraham Young reads -Ed.]

7 And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.

8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.

We will just continue to read over in Revelation 13, verses 15-17.

15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

16 And he causeth all, both small and great, rich and poor, free and bond, to

receive a mark in their right hand, or in their foreheads:

¹⁷ And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Amen. May the Lord bless the reading of His Word! You may have your seats.

Maybe I could have read that if my Bible was not so marked up, especially when you get to the Book of Revelation. Even with my glasses, I can hardly read it sometimes.

I have a little thought in my heart that I would like to take for the tape tonight, **“THE MAKINGS OF A NEW WORLD ORDER”**. “THE MAKINGS OF A NEW WORLD ORDER”. Because that’s a great thing, that the nations, especially the big industrialized nations have focused upon and they are looking at a new world. Even science and technology are ushering us into a new type of world.

The world as we used to know it and the way that we used to live in that world and function in that world and operate in that world, it seems that gradually, day by day, we’re changing the way that we do everything because of the place where technology, science and civilization are taking us. Now, it’s a new type of education. And all of that is so that we can move into this new world. It is what they really call ‘progress’. In one word they say ‘progress’, but progress makes us do things a little differently.

So, you know, we have been using these Wednesday nights to teach a little bit. And I started with the *Power Given Unto The Beast And Unto The Image* [2000-1025, Pt.1; 2000-1101, Pt.2 -Ed.], and then I went from there to *The Siege And The Conquest* [2000-1029, Pt.1; 2000-1105, Pt.2 -Ed.], and then from there to, *Babylon’s Methods Of Destruction* [2000-1108 -Ed.], and then on Sunday I was speaking on, *Behold He Wrought A Work On The Wheels*. [2000-1112 -Ed.] And I’m trying just to find the places where I believe I can minister to help the Assembly at this time.

That's why, when it's more relaxed and cooler on Wednesday nights and it seems that there's not too much tension in the place, to sort of relax and teach a little bit on some of these things that we have been studying, comparing the beginning of the Gentile dispensation, how it came in, and the end of the Gentile dispensation, how it's going out. And I've been proving these things to you and trying to take the Scriptures and compare Them, and I have been asking you also to read a little bit in some of these Scriptures in the Old Testament.

Sometimes, not being an Old Testament reader, you get down in there and, you know, if you have a lazy mind and you start to read all kinds of strange names, and big names and names of places and funny names of people that you cannot even pronounce sometimes, it gets you discouraged and your mind cannot seem to absorb some of these things. But you see, when you have an understanding that the Old Testament foreshadows the New and the secret of the things in the Book of Revelation are in the Old Testament, then you take pains to read It. If you want to understand the Book of Revelation, you have to read the Old Testament, because those things are in the Old Testament.

So, when you read about Mystery Babylon the great... When you read about the Jews, you know, how they are going to come back in the last days, they are going to have two prophets, they are going to bring signs; they are going to bring them out of the Romans hands. Well, to understand how they're bringing them out of the Romans hands, you have to find how God brought them out of the Egyptians hands. To understand what Moses and Elijah are going to do in the last days, you have to go back into the Old Testament and see what Moses did and what Elijah did.

To understand Jezebel over here, you have to go back and understand Jezebel there. To understand Babylon over here, you have to go back and understand Babylon

over there. So, if you try to understand Revelation and don't go to Daniel, well, in Revelation, the same things that God showed John, is what God showed Daniel and Ezekiel, because those are the things that are over there.

That's why it's so important that you know the Old Testament. And I'll have to take that in the Old Testament, and when I take that in the Old Testament, then I can bring to you and show you what was sealed up in those Seals. And that's why, when you can see it, then you don't get a superficial idea of the Seals.

You know, today people say, "Yes, I believe the Seals," and they don't know two things about the Seals, because the Seals are what sealed the Book. The Book had a Message and the Seals sealed the Message up. What is a seal for? There's a message under it. Something is sealed up; you have to break the seal to get what was sealed up. And what was sealed up were Mysteries. And the reason it's Mysteries, is because though it talked about Nebuchadnezzar, it's not talking about him because when the Book is opened, there is no man on the earth named Nebuchadnezzar. He was king of Babylon, but there isn't a king of Babylon here. Do you get that? [Congregation says, "Amen." -Ed.] And so, it's a Mystery. So then, when the Seals are opened and it takes to places like that, it is to uncover to you what is here.

You see, "And hell and death were given power over the earth." Well, when is that? How can we know what time they will have power over the fourth part of the earth to kill? Well, those living creatures, you had one that was a Lion. That Lion, you can find that Lion back in the Old Testament of the tribe of Judah. You can find Judah camping in the East. You can find the promise of the Messiah who is going to be that Lion of Judah, and so on. You can find Judah tied to the kingdom with David, who was the shadow and type of this great One that was going to come: this great Captain, this great

Deliverer, this great Shepherd; this great King. David unfolded all of that Mystery; he was from Judah; he was from Bethlehem. He was a type of Christ.

The Lion also tells us something in time. Paul, Irenaeus and Martin were the Lion. The Lion covered a period of time. There was a time when it changed to the Ox and sixty-eight million died and the church went into martyrdom. So if it's in the time of the Eagle and the Eagle comes in the days after the Man, then the Man was not just wisdom, but the Man covered a period of time of reformation, when men operated with the wisdom of God; not yet prophetic, but wisdom.

That's why wisdom, even though it was not prophetic vision yet, and you operated when the Book was sealed, it was the greatest Age of teaching and learning, when most of the great Christian books and charts and teachings in the Bible came forth. Do you get that? [Congregation says, "Amen." -Ed.] So you had that Age. Luther, Wesley and Pentecost were not Ox, was not Lion; it was Man.

So then, when you get the Eagle now, revealing this Mystery, that's when power will be given to this system that can kill. And sometimes you look at the system, and you don't see anything powerful about it. Like one of the brothers was telling me on Sunday, he was talking to some Pentecostal lady and telling her about Rome, how the Roman Catholic Church will control the world and so on. She looked kind of shocked, like, "Rome? What kind of weird idea is that?" Then he had to say, "Look lady, you don't have any understanding of what the Roman Catholic Church is according to the Bible."

Well, poor girl, all she knows is they are trying to speak in tongues; they are trying to prophesy. If they get under teaching, she will know what Age she is living in, she will know what was prophesied for her Age. But she's caught in a time warp so she doesn't know where she is at, and with all her little jumping around and

dancing and rolling on the floor, whatever she can do, she's still ignorant and blind as to the plan of God. So she can't even know if she is being led by God, because she has to come over in this Age to get Eyesalve, to get White Raiment; to get gold tried in the Fire.

So, under your Fourth Seal, that Eagle covers a period of time. It goes all the way until time runs out for both Jews and Gentiles. On the Jewish side, it's two prophets again. Not Rabbis who are going to come up there, and reformers; prophets. Not Jewish historians, not the Mossad [the national intelligence agency of Israel -Ed.], not political Israel. No! Prophets are coming to catch the Elect; a mighty Angel coming down to deliver the names found written in the Book – a calling out of Judaism and denominationalism and Romanism, and a sealing in the foreheads with the baptism of the Holy Spirit. It's going to come to them.

Look at those people right there. If you go to Palestine, do you know what you are going to see? You are going to see Jews there and among all those Jews, there are 144,000. And the only way you are going to know them is when Moses and Elijah begin to speak. And when they come, they are going to shake up the Jewish system. Because right now, though you have that nation there and those twelve tribes and so on are back there, yet you have so many interpretations.

I remember when I was in Israel, there was this man, this leader, religious leader from New York. He had a Sect there, and he goes to Israel certain times of the year. And he has the exact house, built the exact size, exact furniture, everything exactly like he has over there. And I looked at that. And whilst I was there, (you know, I had told you about it when we had come back from that trip some years ago, how it was,) we talked to different people and, you know, their minds are locked back there under the Old Testament of what they used to do in shadow.

Even in Paul's time, when he taught the Book of Hebrews, it was to get them to see that the things in the Old Testament and all the rituals, all the ordinances were really shadows speaking of Jesus. That's what Hebrews was for. That's why it's called 'Hebrews' – because Paul wrote it to the Jews, his own people, to try to get them to see it was only shadows, and under the shadows, it made nothing perfect.

A man had to carry a sacrifice every year because he still had the old conscience. Paul was trying to show, God was talking about a Jew inwardly, not a Jew outwardly; that Abraham is the father of faith children, whether they have the circumcision or uncircumcision, because he's the father of all nations, and they had no franchise on Abraham to exempt Gentiles because the blessing of the baptism of the Holy Ghost came upon all nations by Jesus Christ. That's why on the Day of Pentecost, all nations were gathered there and every man heard them speak in their own language. Is that right?

It's wonderful, you know, when you see the accuracy, the perfection that the Word is laid out with because it tells you... It's not like long ago, people used to say, "How will you know or who can be sure?" That was when the Book was closed. But you see, there was an Age, the very fact that it was going to be made known, is why a Prophet was put in the Age; why it was promised the Seals were going to be taken off and there will be a sounding, and there will be a calling out of for the Elect.

It will be the Elect they're calling out, marking them and sealing them away that they will not be deceived and they shall know as they were known. All of that was prophesied. That was prophesied that this chosen generation, this royal priesthood, this peculiar people, this holy nation was going to be taken out; God's people in the last days. God was going to identify them and

make Himself known to them, until He Himself will dwell in them and walk in them.

So, there was a day we were going to be certain. That is why Peter said, "We have a Word of prophecy made more sure," because God was going to come down in this Age to vindicate the Word. And then He was going to prove that Word in the life of believers – that's how He proves His Word; that there will be people who will know that they have the Holy Ghost and the Holy Ghost in them is giving them the revelation and making it actual in their experience, and they will overcome in their Age because that Holy Spirit in them is manifesting that Word; quickening that Word.

You will always find those people looking to the promise, quickening the promise; bringing it to life. They will not just be coming to church. When they talk, they will talk as an oracle of God. They will know their season. They will know their prophecy. They will know the continuity of the Bible! They will know where that thing fits. They will know, that's them It's speaking of. They will know, that is what it is for; that is what it is for.

That's why it is so foolish when people see people catching that and then they say, "What are they trying to play?" That is the Devil blinding them because they don't know, that is what the Holy Ghost was given for. That is what It was given for.

That's why when people have the Holy Ghost, they just can't come to church and sit down. They can't go along and see people falling apart, see people need salvation, see people need healing, see people in ignorance, need to know the Truth and be enlightened, and they just don't care. Uh, uh! [Meaning, "No, no." -Ed.] Bride knows, they are called to fulfill that Word. Bride knows, He's the Vine and they are the branches. Bride knows, by and through them, He's doing these things. The Holy Ghost in them constrains them and stirs them towards those things. The Holy Spirit quickens them

and says, "Give virtue out of your faith. That is why I gave you faith – to give this man virtue, to give this one knowledge here, to help this one here, come to their promise. That's why I gave it to you, that it can flow through you and make you sensitive."

That's why you find people who have the Holy Ghost, they're always looking to do something outside their walls. They are not going to sit down in the Gospel and eat and get fat and say, "Well, we have the Truth, and nobody else," and get caught in their personality cults and clans and these things. No. They're going to be looking to see the things that are to be done. The Holy Ghost is God, and God watches over His Word and God has to bring It to pass in a certain time!

There was an hour when Jesus had to say, "I thirst." First, they tried to give Him vinegar to drink, right? Is that right? But then the time came when the Spirit said, "I thirst." It's even down to the minutest of things. When that year came to go into the Passover, the Bible said, "He steadfastly set His face towards Jerusalem." Why? The Holy Ghost in Him was letting Him know, "Now, this year, all those Scriptures will be fulfilled in a few days." There were more visions in His ministry in that last year, than His previous years.

When you read the messages, you hear Bro. Branham in 1962 saying, "This year I've had more visions." He said "It just seems, the Holy Spirit..." From the very beginning of that year, 1962. Why? That was the great year. It was going to come with a blast to break the vision to get him ready for the commission: what the Angel spoke on the river thirty years ago; what the Angel spoke, brother, almost fifty-four years ago when he was born there and the Light came; when he was seven years and the Angel said, "There's a work for you to do when you get older." Now, that year was coming to the great climax year. And He said, "When you see they break this wall, get in your wagon and go west."

Here was a man not going to meet Ministers now, not going to have meetings now; this meeting was going to be with Angels. This meeting was not going to meet some men and meet some churches to preach and display the gift now; this was going to meet Angels. So, the most sublime act written in the entire Bible that all creation for six thousand years depended on, where a man will take the Book, the Lamb will step forth to take the Book. Hallelujah!

Those things passed like, what? Everyday experiences. There was no announcement made in the White House. The Pentecostals did not close down their churches to come and see what was going on. It went so normal, that now when you look back, knowing what it was that took place there, you realize, when this man was saying that, how stupid he must have looked to educated people. And what a place he had to stand up to say those things because nobody was interpreting those Scriptures that way. Nobody was interpreting those Scriptures that way.

This man was saying, "No, no. I had a vision. When they break this wall of mine here, I'm supposed to drive out in my wagon and go west." West could be anywhere. West. How far will you call West? Right down to California? Up to Arizona? Where will you call West?

Brother, he knew exactly where to go West. Because in that vision, brother, under that inspiration and then that dream where he was going towards the setting of the sun... And he said, "Just the other day I was looking at the map; I was on Sunset Peak; I was going towards the setting of the sun in the dream. It was in the 'Coronado' Forest, which means '*crowned*.'" Because he said, "Lord, crown my ministry; I will take the Clothes of the Word and dress this Bride." Because after his rejection, he had preached, there was going to come the Crowning.

Can you imagine, friends? And today we have this Book here and we are looking back and understanding,

there were things that started there that began to bring a change in the way God will deal with human beings on the earth. I don't know if your mind can get up there or how deep your religion goes, but listen to me.

Under that Third Seal, God had a work to do in the Church. He had to bring it through those three stages: justification, sanctification and the restoration – water, Blood and Spirit to birth a Church. Under this Message, God was going to train a Church up and bring it to maturity to be one with Him, to go back to Eden, under this Message, to bring it to Adoption. It will be a different kind of Message for a different kind of people.

In each Age, you just have so many Elect. And when the Elect is gathered in that Age, the rest is fodder. Do you get that? A Seal opened, a Mystery unfolds; a man on the earth catches revelation that other people don't get. Are you getting me? He was going to make the teachers before him look like he was trying to contradict them and tell them they were wrong. But he was coming on with greater Light because that was the plan of God!

Even when the Prophet found it, he said, "Look in the wheat plant, it comes up as a stalk. Jesus had taught it in Mark 4 and Matthew 13. Then it grows into a more mature stage – to a tassel. Then it grows to a more mature stage – to a husk. Then it comes back to the original condition in the grain." He found it in science. He said, "Look over here, it was a horse and buggy Age. Then it got more power; it became a motorcar. It got more power; it became an airplane and went off the earth. It has come beyond that and went into an astronaut Age and left the planet and has gone into outer space."

Man was going to come on in the Age and as the Spirit gave Light from the Throne, man was going to break into things and find things in the Bible, because all those things were in the Bible. The man who made the horse cart, he found the material in the earth. The man who

made the motorcar, he found the material in the same earth that the man made the horse cart from and could not see the material to make the motorcar. The man who made the aeroplane found the same material in the very earth that they could not see to build an aeroplane in that time! Amen!

You don't get trouble when the Holy Spirit starts to bring revelation. You rejoice. You recognize God. You move with the Spirit. You fly with God! Amen. [Congregation rejoices -Ed.] Because if you know God, how He has been revealed by the Message of the Hour, in the unveiling of His purpose, how He works... That's why the Prophet took it in nature, took it in science, took it with the church, took it everywhere, to prove these things! It was not a made-up thing!

When he preached messages like *Masterpiece* [1964-0705 -Ed.] and said, "Look, those four foundations: Abraham, Isaac, Jacob and Joseph." Then the Law and the prophets (amen) from Moses to John and then the very Word, the Second Adam Himself, standing there: "Lo, I come in the Volume of the Book," the entirety of the Word. He said, "All those prophets were part of the Word, but then the Word Himself, He gathered up all into Himself. He was the Fullness, to show to us that we can expect that there was going to be churches, churches, brides, brides, but there is going to come a real Bride who will be part of the very Bridegroom. She will have the very characteristics (amen!) to be one with Him for the Marriage."

When your little heart begins to get stirred and that Seed that God put inside of you and your eyes begin to pop open and you say, "My God, I was invited by a friend." Yes. Sure. But when I came, God spoke to me. God revealed those things to me. God proved those things to me. Even when I went back home, it never stopped. It didn't stop that week. And now it's about twenty-something years and it isn't stopping at all! It's growing stronger everyday!

You realize, you realize that, no, these things are not ordinary. These things are not ordinary. I am somehow—God has a design on my life. Somehow, God thought of me a certain way. At first my mind couldn't grasp that kind of concept because living in condemnation, I see so many people better than me. I see so many people deserve the break and it seems like it just happened my way. Amen!

I, with my low self-esteem, and not understanding the sovereignty of the Potter to make one vessel to honor and one to dishonor and nobody could tell Him what to do, I used to battle in my mind. I used to say, "No, no, no." And then, that old Devil, before I even understood his devices, well, everything that God gave me, he used to want to take away too. He said, "Ah, you're puffed up in your mind. You're trying to make yourself Bride. You can't make yourself Bride. You're born a loser and you're going to die a loser. You are trying your best; you are going to backslide one day for sure." Amen.

But then it just seems my Father would not let that happen at all. He gave a repellent! He gave an inoculation! He gave an immunity and I grew to a place, that when I watch the same Devil, I see, "Uh huh! He's getting frustrated" and I go into overdrive. I say, "Eat that!" Amen. "Eat that." Hallelujah! And I realized I don't have to be running around saying, "The Devil, the Devil, the Devil." The Devil will be running saying, "Keep Vin away from me. Keep Vin away from me! You all are not backing me up as you all are supposed to. You all are not garrisoning me," and quarrelling with his devils.

He said, "I tell you all to harass that man. What's the matter with you all?"

They say, "He's an Eagle. We are buzzards. If we try to get up where he's flying, we'll disintegrate." Oh my! They say, "When he takes off in the Word like that, we get lost. All we know is Catholicism, Hinduism and Buddhism, but this man is talking an Unknown

Language. This man is talking things, Lucifer, you don't even understand." [Congregation claps and rejoices -Ed.]

Oh brother, I tell you, (amen!) you are an eagle! Amen! You aren't a hawk. You aren't a buzzard! I was born to fly! Amen! Glory be to God in the highest! Amen! My! I can overhear those devils, they said, "You all had the man going to Tibet. You all want to play so hard and in control so much. You should have carried the man to Tibet. The man would have been some reincarnationist today. You all let the man reach Santa Cruz. Don't you all know what Santa Cruz means? That's the Cross, the Holy Cross!" Oh my!

That's their quarrel. Let them fuss over that. Amen. I'm on my way to Glory Land. Amen. I'm Heaven bound! Leave the Devil to sort his house in order. Amen. Didn't God say he was going to get bruised? You get battered before you get bruised. You know that? Sure. It takes a good battering first. Amen.

Brother, wait! Do you feel that's in the Millennium? Do you think Jesus overcame the Devil in the Millennium? Oh brother! When do you think the Prophet bound the mamba in a knot? In the Sixth Dimension? [Congregation says, "No." -Ed.] No, sir. When God lifted him up to see his place, to put the Mind, the Intelligence in him, where he was linked up with God in a Union, then he preached to us in *Uniting Time* [1963-0818 -Ed.], in *Oeness* [1962-0211 -Ed.], in *Invisible Union* [1965-1125 -Ed.], in *Super Sign*, preached to us the Mystery of that Union, how you come into It because you have representation to be quickened, (amen!) and unite with the New Husband when the old husband is dead!

That was the real *you*, you were supposed to be, had there not been a Fall. You would have come from thought to that very Word! Because that Word was inside of you, that's why Mama Eagle came to you saying, "You are an Eagle from the egg, Junior. I've come to get you." Amen. "You belong to Me. I did not

come for your flesh; I came for that soul. I came for that soul there.”

Then you know you were magnetized because after that: There is something about Jesus. Amen. There is just something about Jesus. He just seems to get sweeter as the days go by. *My Jesus, sweet Jesus, what a wonder You are.* [#330 - Songs That Live -Ed.] He just seems to get so much more glorious. Amen. You just want to please Him in every way. You just want to do everything for Him. He knows how to fix you up really good. Amen. Yes, sir! He'll fix you in such a way, that only Jesus can do it to you like that. Amen. My! Glory!

You don't want any dope. You don't want things of the world that the Devil can offer. You don't want all his things that he comes out with there to entangle you because you have got something (amen) from Jesus. You say, “Satan, move back with all your impersonation thing.” Amen. “Move back with all those temporal things.” Amen. “I've got something Eternal. I've got something (amen) that is so glorious.” Why? You've found the real Treasures. You've found the real Treasures. You've found the unsearchable riches.

When He opened those Seals, in every Age He was saying, “And to them that overcometh, I will give you to eat of the Tree of Life.” You know what ‘eating of the Tree of Life’ is. You know that Fruit! Amen! Every time you bite and you eat, you talk about juice, you talk about stimulation, you talk about joy; you talk about nourishment and strength! There is nothing to throw away. You don't pass out any waste of that, you know. All of that is used to take you higher; lift you in a higher bracket of faith.

He said, “You will not be hurt of the second death.” Who! Brother, the Holy Ghost comes and quickens you and you pass from death to Life. And when Satan comes and scares you and shows you the lake of fire, you say, “I'll outlive Hell; move from here.” Amen. “When I would be existing, you would not even be

around. You will not even be existing, Satan, because I was before you and I will be after you.” Amen! Hallelujah! Because you know what it is not to be hurt of the second death.

He said, “I’ll give you a White Stone with a New Name.” Amen. We had all kinds of godfathers and godmothers and all kinds of different people who wanted to give us names and aliases, and all kinds of different things we used to walk with. Amen. But one day when He opened the Mystery of what part of the Word you are, (hallelujah) something that nobody can see and tell you that’s your name. It’s revealed to you first.

When you preach it, when you unveil it, somebody might be convinced, (amen) but it comes to you first. It cannot come to them because you have to live it out, see it in your life and know that’s you, amen, and it takes your Father to give you a name that nobody else knows; it is yours. You have that already. You’re not going to get it; you have that already. If you’ve got the Holy Ghost, you got a New Birth, you’re in the family of God, you have that. Glory! My, my, my, my, my!

In this dark world when Paganism, brother, gross darkness is on the earth and upon the people, he says, “I will give you the Morning Star.” Hallelujah! And, brother, we had a Prophet who said, “Here He is.” He promised to give Him to you. Here He is in the go-between. The Bright and Morning Star, He has come down in the conjunction. He’s come to get you! Amen! That’s your promise. He will lighten you all the way. The path of the just shineth unto a perfect day as the day dawns and the Daystar rises in your heart, and you are walking knowing, “It is the Morning Star holding me, it’s the Morning Star lightening me, it’s the Morning Star guiding me; it’s the ministry of the Morning Star.” Glory!

“I will give you White Raiment.” Amen. He said, “I will not blot your name out of the Book.” Brother, we

could not understand that until this Day. It's until this Day he told you, "Under no circumstances. There's a Book there, a section there that the name cannot ever go off. If it goes off, then God becomes incomplete. It cannot happen. You are Eternal as God is Eternal; the Eternal thoughts of God." Oh, hallelujah!

Then He said, "They, of the synagogue of Satan, will try to come against you. They will try to claim originality." He said, "I will make them come and bow to you before your feet." Amen! "Because they come against you, they come against Me." Amen. "I will write upon you the Name of My God, the Name of the City of My God, the New Jerusalem, the Lamb's Wife who came down from Heaven and My New Name. I will write It in you." You will know what it is to be on Mount Zion where the spirits of just men are made perfect; that you are a part of the City of the Living God. You will know. You will sit with Him in His Throne. Amen. He who has the Key of David, you will take your veil off and rest it on His shoulder. Glory!

Do you mean you are eating this Fruit from the Tree of Life and you feel you are poor? Do you mean you've discovered these riches? Don't you know for two thousand years they wanted to know what those things meant? Don't you know it could not be unveiled to them? Don't you know the End Time Messenger, the End Time Seed Sign, when the Son of Man Himself comes back and He takes the Book and starts to unveil it to you and say, "Children, I will tell you what I'm doing for you in this Hour"?

When a Prophet could stand there and say, "Those cherubims are rushing you back to the Tree of Life right now," It doesn't want you eating off of any denominational tree. It only wants you eating from this Tree that is bringing forth Its Fruit in due season, Whose leaves shall not wither, (amen) because it's planted by the 'rivers', plural, of 'Water', singular. Amen! Not stuck in; planted.

You get away from that picture and say, “Boy, to go up to church this evening; to go quite Longdenville.” You miserable wretch. Amen. Oh my! No. You are part of an economy, a faith economy. You are gathered in your white robes. You are being taken up in the First Resurrection. I will see you in the Rapture right now. “Hey brother, you made it. Sister, you made it.” Why? There’s an atmosphere of Love and power. There’s a faith that knows their positions. There’s a testimony, a rock confession that the gates of Hell shall not prevail. They are cemented. They are lively stones that build up the spiritual house.

I must leave my glasses at home a few times. Hallelujah! I cannot see a thing inside here. But God is telling me you’ve got something here, son. I wrote it here. You can read it there. From there you can read it. Amen. Glory be to God in the highest. Oh yes! I believe it. Amen. My, my, my!

They are talking about a New World Order and all these great things that are happening in the world: all the great cataclysmic changes, upheavals in the political realms, in the religious realms, in the financial realms, in nature, shaking, reshaping; systems keep coming down. Brother, people’s religion and their traditions are all being blown to bits.

If you go into Malaysia, they are wearing Nike sneakers and Levi jeans and everything else. Brother, if you go way into Russia, they take off those big Siberian things and they are wearing the same thing. If you go into India, they take off all those things. If you go to China, they take off all those traditional things. Why? This is an Age where the world was going to go through such shaking, friends. Every kingdom was going to be so shaken; every man, woman, every system; every institution.

Bro. Branham said, “Science has had their shaking.” When they said, brother, evolution and all those things, here was a God coming and saying, “Let there be a

squirrel. Take that back, you scientists; go in your laboratories. I cooked them and I ate them.” Amen. Hallelujah! Man talking about their... Medical science, all of them said, “This man is dead, clinically dead,” and he said, “Bring him to Me.” Bam! God raised the man back up. Amen. Fifty-pound cancer. They said, “Not a chance to live. You have about two days; get your will in order.” Fifty-pound cancer fell off. Amen. God said, “Science had their shaking.”

A man was talking about Angels in an Age where people are wondering and they have women angels, men angels, boy angels, girl angels; little Cupids with their bows and everything else; all kinds of angels. And a man said, “The Angel of the Lord is here tonight.” He said, “Whatever you felt there, sister... He said, “Did you feel something strange there just now? It moved right through you.” He said, “Lift your hand if that’s the truth. That will not hurt you. That’s just His Presence. He’s here.” Amen. He said, “You are close to God as you ever will be, lady.” Amen. “And to show you that’s Him, He will make me say something that you know I don’t know about you.”

Oh my. Brother! You’ve seen God do things like that in this generation. He began to say, “I see you coming. I see you are not from this country. You are travelling from a place where there are mountains and lakes.” Amen. He says, “I also see mining; a lot of coal mines.” He said, “That’s right. You’re from Pennsylvania. Is that the truth?”

“Yes.”

He said, “And you came here for a good cause.” He said, “That handkerchief you are holding there, you came with that. That’s a man’s handkerchief.” That’s something I read. I could read it for you but I just don’t have my glasses, but I could tell it to you. He said, “That’s a man’s handkerchief you’ve got there. And you brought that because it is your husband that’s sick and you want me to pray for him. You want to put it under

his pillow that he will be healed. Is that right? He said, "You want to put it under his pillow."

Could you imagine that God even knows those kinds of thoughts? He saw where the woman came from, saw the country she travelled from, described the land she was from; told her what it was; told her it was her husband, told her it was a man's handkerchief she had folded up in her hand there, told her what she came there believing for; what she wanted, and what she was going to ask for. He said, "Go ahead and do it; he shall be well. When you go home, take it and put it under his pillow just as you desire to do." Oh, hallelujah!

Then that same God dropped over here, He said, "Now I will do something more powerful than that." Amen. He said, "I want to go—this is beyond miracles now. He said, "The same Spirit that is performing miracles, is now going to reveal Truth." He said, "That doesn't save you; that only shows you He is present. That doesn't heal you. That only lets you know that that's God because It's saying something that you know I can't know. But this Word, it's a bedding ground in your heart. When I reveal your place here, and that drops inside there, then you've got it for the rest of your life. And once you have it, then you can impart It to others also afterwards. The same faith that saved you will save others also. It will put you in that realm."

People want to underestimate the revealing of the Truth, especially when it is dealing with things that were sealed in the Book and had to be unsealed. It was sealed by the Spirit. Because no man for thousands of years could have gotten it, even though they probed, proving that revelation is sovereign. It has to be given by God.

That's why God could have safely said, "Nobody will understand 'Serpent's seed' until the last days. They can talk about all the 'apple' they want. They can build the biggest Bible school, have the best theories, write

the most books; let one man come out with it and prove it by the Bible.”

They could not do it. Do you know why? It had to be given by God. Yet the Scripture is written in the Bible. But God had got it so hidden from the wisest theologian. Amen! He scattered it out in parables and shadows and types, and symbols. Which human mind could get there? Because the natural sense of learning that originated in Satan cannot know it. It takes Eternal Life. It takes Eternal Life, a Life that Satan doesn't have. It takes God's Own Life.

That's why for a person who can play a guitar, he says, "Bring that thing here," and he begins to play and you hear the sweetest melodies. And you say, "My goodness, I sat down here sad so many nights. I tried to beat this old pan. I tried to beat this drum. I tried to make a melody for myself, and this was in front of me all the time. Do you mean this man just took this and all these things were locked up there?" See?

That is what happened in this Day when a man came and took that Bible. When they were going to prayer books, when they were arguing whether It was inspired, he said, "Well, if the uninspired part can heal, how much more the inspired part is going to heal." Amen!

Doesn't it do you good to sit sometimes and just think? Do you see why you cannot have a lazy mind? Sit sometimes in God's Presence and just talk and think and you'll realize how awesome God is, you'll realize how powerful God is; you'll realize how bright His Light is. So what are circumstances? Flusteration only comes in people's lives, brother, when they have a different thought to God's thoughts about something. Do you know that? They are going against the Spirit; against the Spirit. When you get in the flow of the Spirit, brother, whatever is God's will for you, you are happy for that, by the grace of God. That's why faith is a revelation of God's will.

See, that's why on Sunday morning, it was such a powerful message that God gave us there [2000-1112 - Behold He Wrought A Work On The Wheels -Ed.], cast in places, to see the things that God could teach a man. Do you mean God carried a man, not in a Bible school, but by the potter's shop, to teach him sovereignty, to teach him election, to teach him restoration, to teach him (brother) all those great Truths by just watching a potter on the wheel?

Man sends them to Bible school. God said, "You go and watch that man making that thing with mud. That's Me in the Garden of Eden, when I made the first man. I took clay." Amen. He said, "That clay in my hand there, that is a vessel I'm making because in my mind, I know exactly what it is going to be used for. I know the lifespan of this thing. I know the service it's going to render. I know the pressure it needs to be built up with, to fulfil this type of service." Could you imagine that? Don't you think that same God teaches you the same way today? He says, "Pick up that cigarette pack. Watch that picture on the wall." That's it, friends.

You have something built in to see God everywhere. It's the religious man who gets trouble because he doesn't know God that way, because God has to first be on the inside to see Him on the outside. See? He builds you up to see Him, and when you see Him, you are so happy. You are seeing God everyday. Man says, "I'm not seeing God. I'm not sure I..." You are seeing Him everyday. He is there all the time; all the time.

Okay, let me just try to talk to you a little bit. I've cheered you up enough. Amen. These things we have been studying... And I trust you've been catching the picture. Because even myself, things that, I guess, I know and preach and have seen over the years but sometimes I'm in the pulpit here and I hear myself saying things, and I say it a certain way. And when I say it like that, I say, "My goodness." And that carries me for the next four, five months walking down certain trails. And it never ceases to amaze me.

I don't always say and explain things but when you listen to me preach, I'm coming from somewhere. I'm coming from a certain angle, you know. I'm searching in a certain field and when I find something, it takes me a little while to cut it and polish it and bring it out and show it to you. I will sit down there for months with it.

You know, it's amazing to think that when I came to the first service to preach, I thought I was going to preach all of this in one service. Could you imagine that? But then it's like God was transporting me in a part of the Word to rest me down. He said, "Rest down here." And I began to find things on Friday night for people who sit in the church, and then on Sunday morning for the strangers and the young people, and then on Wednesday night, trying to get some who are a little more established; a little deeper in the Word. And as we have been looking at some of these things, the subject I have been trying to hold your attention to is 'power given', that many people can't see and visualize a system that powerful.

Many people could not see Hitler [Adolf Hitler - former chancellor of Germany -Ed.] as one man rising up there, trying to, you know, to get his thing going. He was a dropout from school and everything else; went in the army and came out almost like a failure. The man was born for something; to catch something. And the man caught the spirit that he was designed to catch. And he was going to be the engineer that was going to kill six million; the mastermind of a system, the Third Reich that came up with the Final Solution to the Jewish question. And he was trying to bring forth a super race of people, which everything he was catching was in the perverted realm, because God *was* coming with a Super Race of people.

While in 1933 Hitler was catching Nazism, there was a Prophet standing on the Ohio River and a Voice was saying, "As John was sent to forerun the First Coming,

so shall your Message forerun the Second Coming. Those Thunders are going to come to you one day.”

Think of it. Hitler was coming up with this Nazism doctrine. Mussolini, on the other side, was catching Fascism doctrine. Stalin, on the other side of the world, was catching Communism doctrine from Lenin. Think of it! Here was a Prophet coming there; a man who was going to come forth with Seeds one day to plant, to bring forth a Super Race of people, a Super Church that will rule the earth. Brother, not a Third Reich but with the Third Pull he was going to come. He was going to come and bring forth a Super Church.

To think how those things began to fade off the earth, and that man went on to fulfil his prophecies; identify these things that when the time came and he opened that Seal, that Fourth Seal... And that Fourth Seal, look at it – just two verses. One verse is saying, “Behold...” He said, “Come and see.” The 8th verse; one verse is saying: “And I saw him that sat on a pale horse and his name was Death, and Hell followed with him. And to them was given power to kill a fourth part of the earth.”

As I showed you in the beginning when we started, I said you can trace that in time. That comes at the end of the Pentecostal Age. The Pentecostal Age: 1906 to 1946. Then they became the Laodiceans because they became rich and increased with goods under the healing revival. Then the Messenger came at the end of the Age, when they were rich and increased with goods, with a rebuke.

Back in 1906 to 1946, he talked about when the women had no stockings, when they had the box guitar when they were on the corner; when they put the corn on the train line. If you go back and read, those were days of the Depression. But the healing revival is what brought millions into the Pentecostal fold. And in one year, the Pentecostals had more converts than all other Protestants and Catholics put together; in one year. It was the fastest growing church. Why? Because of the

healing revival coming into the Pentecostal realm. And yet the Pentecostals, when they became rich and the Prophet began to come with the Word, the Voice of the sign, they rejected him and put him down. That was to be the last generation because Israel was back in their homeland.

I'm just laying out the time for you to show you that there was to be a power. He could not unite three powers in the first Age under the white horse in the time of... How many know the Church Ages blend with the Seals? Ephesus, Smyrna and Pergamos are the Lion. Thyatira is the Ox. Sardis, Philadelphia and Laodicea – Luther, Wesley and Pentecost is the Man. Then the Eagle came at the end of the Age. When the Eagle came forth, now that Rider has three powers. He did not have, (get it) the control of those three powers to unite them in the first going out there. No. How could he even have economics when he had not captured the wealth of the world yet? Are you getting me? When did he begin to capture the wealth of the world?

You know, I was studying something. And sometimes I travel and I pick up some books. Sometimes I go into these second-hand bookstores where people just get modern and they want new things and they put away all their old things. And over the years, God helped me, I walked into things. I always say when they put up the Prophet's library, I had ninety-nine percent of the books that he had on his shelf. I don't even know how I got them. When he began to teach, I know exactly where he's getting that from, where he's going; what he's tying with what. I know.

I picked up this book here... And I don't buy books after 1946, I buy books before 1946, because in 1946, the voice of God in the last days came. The Eagle came forth. I don't want anything after that. After that, we have the Message. See? But looking back into history...

See, like one of the brothers from Grenada, Bro. Andy, they put him... The job began to demand that he

go back to school and learn History. And you know, he helps with the work over there so he was really under pressure because he felt, “No, no. That is going to take me away from church now” and so on. So he called me up. I said, “What!” I said, “Boy, what is it that you are going to learn, History?” I said, “Go and learn History.” I said, “History repeats itself.” I said, “It is prophecy that becomes history and you have no identity without history.” See?

Another religious person would have told him, “Brother, the hour is late and...” They would have gotten some other thought. I said, “No, no. In this Age here, there are many ways you can learn.” I said, “You don’t just have to go and sit in a classroom to learn History; a thing like History. History is always going to help you because anything that happened and was documented, it took place in a certain era of time, and you’ll know that time because you have the Old Testament and the New Testament, so that will fall somewhere in some Age, and that will bring to light that Age to you.”

Do you think that if you want to understand the things that are happening in the world today, you can understand it just... The Bible puts everything there but the Bible condenses Its Truths. And sometimes, look at what God does. And God said, “And Jehoiakim was taken to Egypt and he died there,” no history of Jehoiakim other than that. [2nd Kings 23 –Ed.] You would not find anything else in the Bible. It said he served for eight months or how many years, three months, and then he was taken by the king of Babylon. The archaeologists with their spades, dug up some tablets of recorded history in Babylon and they had Jehoiakim’s name there, and they had things that Jehoiakim had done when Nebuchadnezzar had invaded Jerusalem and took him down there. And it’s recorded.

Just like the nations of the world... We read today about the Jews. Do you know it's a history Book that tells you Jesus said, "The fig tree put forth its bud"? Then the next thing the Scripture tells you: "Two prophets are going to come." The Bible doesn't tell you what was going to happen there with Israel from 'put forth the bud', scattered into all nations, come back into their homeland until Moses and Elijah come. But every day we're hearing about Israel. Every day we are seeing all kinds of things going on in Israel. And when you begin to see those things, then it begins to enlighten us, how things that are written in the Word are coming to pass.

So I'm saying that to show you, God has ways. When you are studying the Word, if you are a student in the Word and you love the Scripture, remember, the greatest source of knowledge you can find is the Bible. There's no certain book you can read in comparison with This [Bro. Vin indicates his Bible -Ed.] because This is God's thoughts. And the Bible is not just a religious Book; the Bible is a history Book, the Bible is a science Book, the Bible is an astronomy Book. See? The Bible is a Book of war. The Bible is a Book of religion. Everything that you can think of is inside the Bible. There's nothing that is happening in the world that is not in the Bible.

That's why with the opening of the Seven Seals, we have come into the Book to look in and see what the Book is. And that's why when I'm teaching some of these things, it's to let you see that I'm not just preaching a message, you know, I'm opening something; I'm opening something. My focus is—I'm trying to show you, I believe I am finding in the Scriptures, the events that are happening today that are changing the world to bring in a 'New World Order'. I'm finding that in the Bible.

When Nebuchadnezzar became the head of gold, it was a new world government, a new world system where one power controlled all politics, all economics and all

religions. That was a new world order. It is even marked historically and it is even marked biblically because it is called in the Bible—there is a definite line that comes down dispensationally that Jesus calls ‘the times of the Gentiles’; the beginning of the Gentile dispensation.

If you want to know when God is going to set up His Kingdom on the earth, you have to follow out the Gentile dispensation, to four kingdoms and then the days of the ten toes, the Kingdom of God, when Christ is going to reign; how the Davidic Throne is going to come back. When the Angel came to Mary and said, “And He shall have the Throne of His father David, and of His Kingdom there shall be no end,” and when the disciples asked Jesus, “When will Thou restore the Kingdom unto Israel,” and Jesus, the Lion of Judah had prevailed to take the Book and gather His subjects, and “You will sit with Me in My Throne,” to understand those prophecies, you have to see, it is coming at a particular time at the end of the Gentile dispensation.

If we have this Seventh Seal Book [Bro. Vin raises the Bible – Ed.], He left the Father’s Throne to take His Throne. He has opened the Seals; He’s gathering His subjects. Son of Man is being revealed between Son of God and Son of David. When you see the Son of Man in a Cloud, the Kingdom of God is at hand. That Angel lifted His hand and said, “Time shall be no longer.” Do you see where we’re at? The Prophet said, “Sirs, is this the sign of the end?” He threw up the rock – judgment started on the earth. He turned the Cloud – the Supreme Judge with a white wig, the Ancient of Days. You see? The Gentile dispensation is coming to its end.

If that was so, if there is nothing new under the sun, I believe I am finding that in the Word. I read this here where It says, “He is given power to kill one-fourth part of the earth with the sword because it’s not... For him to kill with the sword, he has to have control of military power; he has to have influence with the world’s armies.

Didn't the Bible say the kings gave their strength and power to the Beast?

You see how when you read one Scripture, which is the Seal... If I asked you what the Fourth Seal is, do you know what a lot of people will tell me? That's the Prophet of this Age. Boom! Full stop! Because they cannot go any further. But to come in into the Word there: "To kill with pestilence? Do you mean he can kill with pestilence?" And I showed you pestilence, a lot of the world's pestilences today originated in laboratories, you know. When man came into the chemical Age...

Do you know what World War I was fought with? Poisoned gas. That was the big weapon – poisoned gas. Man had bayonets before and musket guns, but when they got poisoned gas, something... Do you know what Hitler killed those Jews with? Gas! Do you know what that was? Inventions of science! Do you know what destroyed the Ozone Layer? Gas! Do you know what are the greatest causes of respiratory diseases today? Carbon monoxide and all the industrial waste from those different things. Do you know water and all these things go back to gases? Do you know you go back to gases too? Do you know that part of you is chemical? Sure. Sure.

You see, that's why I'm saying, with the Word, you can't have a shallow mind with the Word. That's why it's called the Book of Revelation. That's why the thing is in symbols; God hid it. But when it opened, it opened before your wondering eyes, in the Age where you think that all those things that you hear about are not in the Bible. It is in the Bible, but the name It calls it too, you need revelation to bring it to that.

I remember those Seven Trumpets. For years and years and years, I could not grasp, I could not conceptualize, you know, when the Prophet said, "Nature took a tumble. Nature took a tumble." One day the Spirit revealed to me, "He is saying nature, what they call 'ecology' today." He was not a school man, so

when they use ‘ecology’ and ‘conservation’, that’s what he was talking about. And when I started to go back into the same thing, he’s saying that. Then everything came alive.

Then he said, “Satan built his Eden.” He said, “Civilization.” One word – ‘civilization’. But it was a Prophet talking, not a theologian; not a Bible school student. He put six thousand years as one word – civilization. Man’s ability, man’s genius, man’s science – civilization. Then it started to open.

That’s how you realize you sit down there... And that’s what I’m trying to bring in these messages, is that the things we are looking at, it is opening something. It’s not like just preaching a message, you know. I’m doing it in a juvenile way because I told you in the beginning, this kind of thing would have needed consecutive days, so when I come, I’m catching things, and trying to refer back and get you and draw your mind, and then say things and polish things for you, so you can see what I’m dealing with.

The mystery of this man of sin coming in to take the world’s economics, it is not at the day down there it’s going to happen, you know; it’s happening here all the time. Under the Fourth Seal, he is gathering his powers. In other words, under the Fourth Seal the man has a white, a red and a black horse that he could unite to control the world.

The world has changed, you know. There was a time, what was considered the world, was the Commonwealth. The British said, “The sun never goes down.” They had their influence everywhere. You children, who do Social Studies and those things, you read about those things in school, what the Commonwealth was. Then you read about the old world, before they had the new world. Before America was populated, Europe was the world.

That’s why the Bible talks about the Beast that sits on the waters – the seas, and calls America the earth

because there were no peoples. There were a few North American Indian tribes but they were not a people with global impact.

Well, think of it. I was thinking of this recently, as I close here. I was reading something about the printing press. The Reformation spread because of the printing press. Luther could have printed the Bibles. The Catholics had burnt the Bibles, enslaved the people with their prayer books, and Luther, because of the invention of the printing press at that time... God timed it! He got these scholars because politically, the Turks had captured Constantinople. Just as how they had the Berlin Wall, nobody could have traveled to Eastern Europe before if you were of the Western world, and they would not let anybody from the Eastern world come over there. The world was at a loggerhead. [In conflict -Ed.] The wall divided the world in two.

Then when the Turks captured Constantinople, the Jews could travel to the West to help him translate the Scriptures. This is from *The Church Ages* book, I'm taking this, you know. I'm quoting this from *The Church Ages* book, what I'm saying. They invented the printing press at the same time. One is politics; one is science in the same time. And Luther was in the spiritual realm, a man who was born as a messenger on the earth, predestinated to catch the Mystery.

The Age that was going to follow him would be the Missionary Age. And if they were going to spread the Gospel, they had to have a form in which they could spread It. So paper was invented, the printing press was invented, they had ink, and now they could print the Bibles and disseminate the Seed; scatter It throughout the world. And Christianity, that went down in the Dark Ages, a blade was coming up and it began to spread.

You'll go over and you'll find then, an Age of the Renaissance and all those different things coming on one side. Then just before that, Columbus [Christopher

Columbus - An Italian-born Spanish explorer -Ed.] and they, looking for trade and a new way, they began to travel. That's why I said, if you take history and the Church Ages and put them together, you will learn a lot of things. They had a money system in coins, gold and silver. They had gotten away from shells and things long ago.

Luther and they were in an industrial Age, because the Industrial Age was from 1675. Luther's Age was from 1520 to 1750. When Columbus and they came here, they met in this part of the world, especially in South America, these people who had gold plates, gold cups, gold around their necks, gold bangles; gold artifacts. That to them was not a money system, you know. They were in an agricultural world. They did not even know Europe existed. They had their own civilization down there.

These people came and saw gold all over, what men were hiding up in big strong boxes and had guards standing around. Do you understand what I'm saying? And they knew, "This is the basis for the money system we have back over there." And so, they came and wiped out this whole civilization. First they introduced diseases; pestilences; then they had the sword, then they killed them out with famine, then they waged war on them, that today when we go in a museum, we see old things that remain. They carried away everything. You meet some old fishhook or some old tomahawk from that civilization; nothing of real worth and value because they took everything. They loaded their ships.

Do you know why? Because having the powers of navigation and the knowledge of the sea, it caused them to extend the boundaries of their country and find new worlds. And when they came across a world that had things that could generate their world and advance their world, they destroyed those worlds there. They enslaved those people because when they looked at them, those things were interpreted as wealth. And

they took all back to the king of Spain, which was Catholic at that time.

Sammy [Bro. Samuel Johnson -Ed.] is more versed than I am in these things. He was the historian long ago when we used to be on the corner. And when you had Bartolomé de las Casas [Former Spanish colonist and historian -Ed.] and all these different people coming here now, it was all things to really enslave; it was not to introduce Christianity really. They were using that to pacify the people to control them, but their real interest was to take these little states and turn them to be under the power of the Roman authority that had empowered them and sent them out. And so, they were taking the booty and the spoils back.

These regions that we are in, the islands, they came out of that kind of world. So when you see today you walk around Port-of-Spain and see all these big, big Trinity cathedrals, big, big Catholic churches, the Holy Rosary and all these different things, this is the foundation of where these things came from, you know.

Friends, let me tell you, today it has become more sophisticated. Because remember, back there they operated in a barbaric way in the world, but with technology and science, and culture and civilization, the thing has gotten more refined. That's why people look at these things like slavery, and it exists everywhere because now they have the thing that can deceive in a mass way, but "It's the same Roman power" he said, "that changed its outward texture, but the nature was still the same barbaric Devil. It was a monster that devoured the whole earth and broke it into pieces."

Then when it came to 1963... Get it now, as I close with this. When it came to 1963 and God was going to lift the Seal off, do you know who that power is that is doing all the mischief in the earth? The great harlot. Now we have to re-interpret our reading books, our history books, because now we realize all these things were carefully written to enslave us and to keep us with

an inferior mentality that we are a lesser people. And outside of the New Birth and the genuine Holy Spirit, that doesn't come out of you because it takes God in you to give you conviction. It takes revelation to give you power to stand for something.

Friends, let me tell you, these things that I'm saying... When that Eagle came, he was revealing something that the man who even fought that dragon, did not know about that dragon. Luther, Wesley and Pentecost did not know about that dragon the way we know about that dragon, you know, because all of them only had the Word in part. But under this Message, his scheme is uncovered. He is named. He's identified. His history, he's mapped out. From Genesis to Revelation, he is uncovered.

That is why there's a Bride who's going to escape these things and will not be deceived because you are coming to know these powers and these spirits and the methods and the ways of that woman Jezebel. Everything God will have you to know about this Beast and this system, He gave it to us back there in the Old Testament in pictures, in scenes, that uncover her make-up.

You, the Bride, is also another Woman. That's why in the Book of Revelation, there are only two women: Babylon and Jerusalem. Two women: one is a harlot; one is a Virgin Bride. There's going to be a people out of this world, washed from the filth of Babylon, brother, raised up to come into union with Christ to become the Lamb's Wife. That the way a man thinks about his wife, who is a part of himself, a man who has the mystery, I'm talking about, who knows that his wife is his own flesh, and no man hateth his own flesh but nourisheth and cherisheth it, a man who will lay down his life for his wife, that people will become like that to Christ – like a wife.

He is the Man Who has the perfect knowledge of the Mystery of the Marriage. He is the perfect Husband. He

has a people that He feels for, that He knows, like Adam told Eve, “You came from me, girl. You were in me.” When Jesus looks at us, He knows, “You all are My attributes that came out of Me. You all are Bride.” See? Every one of us carries that strain inside of us. And that’s why to relate to us, He relates to us with such a...

You see a man, let us say, he doesn’t know how to treat his wife: bawls at her, he slaps her; he threatens her. He makes it tense for her. She’s unhappy. Everything he has, “It’s mine”; hardly, “It’s ours,” you know. You see, it is like she’s staying with him because she doesn’t want a divorce. She’s trying to bear through and hopes he changes. And she’s going through pressure because, you know, she’s longing for love and she’s kept down in every way.

Then you see another man, he begins to get a revelation: “She’s a daughter of God. God gave me a princess. She’s a virtuous woman. Look at the thoughts that God was thinking about me to make me happy. Look at the Mystery it is in the Bible. Look how God gave me an opportunity to let out things in me that could not be let out without a real wife so I could reflect Him. And then through that I can understand what I am to Him and how He sees me, and when the Word talks about ‘the Marriage of the Lamb’ and ‘the Lamb’s Wife’ and these things, I can think those thoughts beyond religion; I can think of it as in a relationship. I can think of it in association, in oneness, in feeling, in the care; in the consideration. I can think of it in the way, what I would expect from Him and what He would expect of me, and the joys and the way He carries the responsibilities.”

Then you see another man who, as they say, may have grown into that and when he sees his wife, he sees himself. He sees they are one, and he could never think of his life without his wife. He could never think about, “If my wife dies, and I have to get another wife,” and “When something happens and we’ll go through

pressure.” Because he has come to a place of realization. He has come to a place of understanding. He has matured into a place where he sees, not just this world; he sees the Mystery of God in his life, the predestinated Mystery; the God Who knew, Who lives in Eternity, Who, there is no past or present or future; everything is present with Him. He’s washed in the Blood. All those things are gone from him. He stands there.

Here is a people coming out in the last days. The revelation filtering our thinking that in His Presence we have no fear. We have confidence. We know the thoughts He thinks towards us. We know the desires in our hearts to want to please Him. We know the relationship we enjoy. We know what He will say to us and we know what we will say to Him. We know how He’ll respond to certain things, just like how a husband and a wife have a bond and thinking one another thoughts sometimes.

He says, “Girl, I’ve brought this for you.”

She says, “Oh my, I tried to call you today and tell you this and look how you brought this.”

He says, “Girl, I’m coming home and something was telling me you have that there for me.”

When God lets us in our natural life, get little glimpses and little shadows of these experiences, it’s only to tell us what that reality is, friends, with Jesus Christ. Because when this Bible ends, He’s a married Man with a Wife, who He’s going to spend Eternity with; that He built a home for. Because when It started, it was a man that God gave a wife to. Think of it!

That system of the world that tried to take us and tried to enslave us, God kept us from that. You can never be thankful enough when you see, brother, the perversion and how she perverts; how it destroys. My, it’s such a thing.

Let’s stand to our feet.

You know, last night... We had a sister who recently began to come to the Assembly. And at first her daughter came and got baptized. Bro. Atri [Rampersad -Ed.] used to give her lessons, and through going there and giving her lessons when she used to go to school, she came out. Liane French is her name. Then her sister came and the mom came and they also were baptized. Their father is separated from them, I guess for some time. I just learnt that today, as well.

The mother, she just went into a coma last night and died. And it was so sudden. I mean, she had hypertension, and just went into a coma and died suddenly like that. So the young girl, I think, is eighteen years old. And she has a little sister, a younger sister and her brother that lives with them. They have an elder sister who is married and gone on.

So you know, it's very sudden but in speaking with her today, it seems that the Lord is just giving her the grace and the strength because she is there trying to move around. And then there are a couple of the saints that are there with them trying to help them get through their arrangements and so on. I don't know much more after that, but I guess by Friday you should know.

These people are from Marabella, so I guess some of you would know them; some of you may not know them because they have been new in the Assembly; not too long, but some fine people. Something like this was very sudden because she was not ailing, in a bed, or anything like that. It was like God just took her so suddenly that it has left a void in the home. But you know how those things are when you have young children. And you have an eighteen-year-old trying to take care of the other two, so we certainly want God's grace and favor for them.

Let's just bow our heads and talk to our Father a little bit. Just think now in your hearts that the grace of God, as a believer, think what a believer, how great it is when times like these come and you are a believer, you can

make a difference. You have something you can give out to bring comfort, and assurance, and peace, and hope; give strength. As a believer you can stand in God's stead there, and God can work in and through you.

Almighty God, in these last few closing hours of time when this whole world is dying, Father, Your Prophet said that he could stand and preach the funeral service of the world, a world that has already crossed the line of mercy and has entered into Judgment, a world that is doomed to destruction, to be cremated; souls that are in prison now, impossible to be saved.

Dear God, to know that just by a young brother looking for a way to earn a little income, You sent him that way one day, where he entered that home to give a little lessons. The mother was trying to help her child prepare for exams, but dear God, You had a greater purpose. You had three souls in that home. You had in mind and You had a designated way, that You had to pass that way to let the Light shine on their path, Lord, because You knew that time was running out even for the mother. She was going to come to the end of her earthly journey, Lord, and You wanted to intercept her, that Your Light could have gone and shone into her heart to give her the light of the knowledge of the glory of God, in the face of Jesus Christ.

We thank You, dear God, that our brother did not just stay, trying to teach academic lessons, but he used the opportunity to give witness and testimony to the great God of Heaven. He too, dear God, had been called out from a University, Lord, where he was studying, Lord, for a degree and his family had great plans for him. Dear God, to see how You work in Your mysterious ways, Your wonders to perform. You took him all the way from Canada, dear God, and brought him back. Then You sent him that way, trying to use the knowledge that he had learnt and gained in a way, dear God, that it could help him not have to depend upon his

parents and he could be independent, especially knowing, oh God, they, not being Christians, and he took a stand for You, Father, a stand that caused him to be reproached, and even to be rejected and persecuted.

Lord God, with our sister having to be called Home and called Home so suddenly, it seems that she went without warning, to the family. It looks like that sometimes but Your Prophet told us that you never bring a man or a woman to judgment without first warning them. There are always signs, sometimes so simple that we stumble over the simplicity of it. And, dear God, to know that this dear lady had recognized something, Father, in that young man, recognized something in her children who came under the influence, dear God, that she herself walked in it; was baptized and had her sins remitted. Truly oh God, You said, "He that believeth and is baptized, the same shall be saved."

We want to give You thanks, Father, to know, dear God, if You in Your great Mind, Your great Intelligence could have worked that way with Your foreknowledge, then how much more You have already made provision even for those that are left behind, Father. In the natural realm it's going to be sad, because a mother is the backbone of a home. How she must have sacrificed to try to give her children a good education, after dear God, having a husband that forsook her and went his way and she stayed trying to raise those children, Father.

Lord, we pray for those children. We pray, dear God, that You will help them, Father. May You undergird them. May You surround them with Your great, mighty Presence. May You strengthen them. May You give them assurance and comfort as only You can. We know You surely can, Father. You, the Great Shepherd of the sheep, take these little lambs, oh God. Comfort them. Hold them close to Your bosom. Put them on Your

shoulder, dear God. Take them through these times, Father. Let them grow great in strength. May You reveal Yourself and draw them closer to You and shed abroad Your Love in their hearts, Lord. Give them hope, steadfast and sure, a strong consolation; an anchor to their souls, dear God. Let them find that Refuge, Father – a Place where they can have peace and security.

Almighty God, we give You thanks for their dear mother, Lord God, who You saw had done her part, Father, and You called her Home to her reward. We did not come to know her too well but, dear God, we are grateful that she could come to this place and hear the Truth and believe that Truth, and to walk in it, Lord, and to make here her home church and become part of the family of the local saints here that assemble together for fellowship. What we know of her, Father, has been honorable, and so we pray, dear God, that her works will follow her and You will cause her children to prosper, Lord, as they continue to walk in Your Truth.

We thank You for Your Word tonight, Father, this great Evening Light that has come to us in this dark Hour that we are living in, brightening our path and making the Hope such a reality, that which You have given unto us to look forward to. Tonight, dear God, we take it into deep consideration. Tonight, dear God, it means more to us, Father, especially in this late Hour when we see it's not many more days, Father. We see the Word being fulfilled with such rapidity.

We thank You for Your Presence, that we are failing in an unusual way and we see You working in such an inspiring way in these last few services. Just to open the Scriptures and begin to speak of Your Word, seems like it just let loose the Holy Spirit among us, bringing such a refreshing. I pray You are causing many to benefit from it, Lord. I pray, dear God, You are leading men to a deeper grasp upon the Truth to study and to catch it with greater clarity; to find a place, oh God, where they can be convinced, dear God.

Father, in our time of preparation for the meetings coming up, dear God, seeing we are on the verge of just a few more days before we embark. After having that call yesterday from the dear friend that You have given to us to help us in our preparations, dear God, to see, dear God, everything falling in place, Father. The things that You are showing us, the discussions that we have been having, that we can go forth, Lord, to wage a real, effective campaign.

We are praying, dear God, that You will deal with each one individually in the Assembly: those that will remain and those that will go, but together as a team, Father. You will cause us to be so focused on the objective. Lord God, as we stand shoulder to shoulder, knowing that this responsibility is part of what You entrusted the Bride with, a sacred responsibility, Lord, a commitment to carry out the Word, Father, because this Gospel must be preached into all nations then shall the end come.

Oh God, continue to deal with us. Continue, dear God, to shine the light in the places where we need to be enlightened. We think of Israel, You went forth to Jericho and You showed them how to take that place; went to Ai and You showed them what they must do for that place. To each place they went, the Captain of the Lord's Host, the Intelligence, gave the instructions, gave the directions; unfolded the approach.

So we are believing just like, Lord, we went into Tobago, and went into Grenada and now going to St. Vincent, that which is needed to carry out and wage an effective campaign, Lord, to get the Elect out, get them established in the present Truth, Lord, You will give us the leadership, You will give us the insight; You will minister to us the things we depend upon You for, Lord. You have made us co-workers to go and hunt out our lost, fallen brothers and sisters in this Evening Time: "Adam, Adam, where art thou, where art thou," to finish this great plan of Redemption. We don't want to work

for You, we want to work with You and see You work in and through us.

Let Your Holy Spirit, Lord, minister to each and every one in the capacity, in the measure that such an effective witness can be displayed, Father, that You will deal with them on that side and even draw them. Create the hunger and the thirst within them. Put them under anticipations and expectations of what is fixing to happen, Lord, and move them that our paths will cross in the meetings, in the time we will spend in the country, that the Seeds of promise can find that bedding ground of faith and bring a birth, dear God; bring an awakening and a realization.

We see those things in the Bible, Father, so we pray according to Your revealed Truth and by faith, recognizing that in this Hour, at this junction of time, we have been privileged to be called by You, to be enlisted in the great army of God. And so, we respond to the call of duty, Father, reporting for duty and service. Have Your Own blessed way.

Bless each and every one that is gathered here tonight. Bless every family represented. Continue to lead them and guide them, dear God. Continue to supply their every need. Oh God, brood upon Your Church in this Hour. Perfect Your Church, Lord. Bring us to such a state of ripeness to be ready to leave this world. May You grant it, Lord.

As we get ready to leave this building tonight, we commit each and every one into Your mighty hands. We pray, dear God, You will take us in peace and safety as we travel along the road. Watch over us and protect us. Keep us in Your Presence. Keep us in fellowship with Your Holy Spirit. Keep us under Your Divine, holy Influence, Father. Let such a love, Father, radiate in our hearts one for the other. Let that love be expressive one towards the other.

We see how suddenly one can be called away. How dear God, we want to put value on each other and not

think that we are too busy, oh God, to reach out to one another, Father, and to make ourselves available and to think on the things of others and to bear one another's burdens, and the strong bearing the infirmities of the weak, and so fulfilling the work of Jesus Christ. "For by this Love," You said, "shall all men know that You are My disciples when you love one another," that You will look down among us and see that same Love that was there, as it was beyond the curtain of time, as it was in the Alpha, when they had all things in common, Lord, that that will continue to rise and rise, until we are so filled and overflowing with that Divine Love. That's what You desire to see more than any other gift, Father. Oh God, may You grant it, tonight.

We love You, Jesus. We commit everyone into Your hands. We thank You for being here. Fill Your children with Your Holy Spirit, Father, is what we ask tonight. Pour out more and more of Your Spirit. May It get us to hunger and to thirst, dear God. Jesus, may we find You close in this Hour. May You find our hearts yielded and surrendered. Oh God, may You grant it, Father. In the Name of Jesus Christ, we pray, amen.

God bless you. You may have your seats.

[#625 - Songs That Live -Ed.]

*As I strive daily Lord to see Your Word perfected,
Help me be so deeply sincere from within;
...me be so deeply sincere from within;
...my time for consecration,
And I must lay aside...*

*So I can rise up on the wings of faith
And soar the heavens wide.
So I can live...*

*So I can see like the eagles,
The things God sees from up Above,
Seeing Lord, You've given me a path to follow,*

What a straight and narrow path marked out by His Bloody footprints.

And You showed me...

You opened up the Word to us and You made It clear,
Father. Oh, now my only desire is:

*Lord, prepare me to be always in Your service,
A true service...*

To do the service according to Your will. To be a
prepared servant in this Hour.

Oh, so I can rise up...

And soar the heavens wide.

...in heavenly places

Far beyond...

So I can see like the eagles...

That's how we want to see – with Eagle vision in this
Hour.

Just to follow...

As they continue to play softly, there has been some
notices put on the board concerning the trip to St.
Vincent. Please look and read those notices tonight
because we had the office call some of you who are on
the trip because that downpayment has to be wired
tomorrow for the accommodation to St. Vincent. So
don't miss that tonight. It's very important, and you see
the office tonight. You get up there and get everything
sorted out, by the grace of God.

As I strive daily...

...daily, Lord...

God richly bless you. Let's come out for a real old-
fashioned prayer meeting. We have so much to pray for,
so many things that we need to see cultivated and rise
up. May God help you; keep you in His Presence. May
you mix the Word with faith, obey It, act upon It that It
can profit you much in this Hour. Try to be obedient.
You see what's happening. The Holy Spirit is just
looking for obedient hearts that can take Him at His
Word. God bless you.
