[#1009 - Songs That Live -Ed.]

*Sprinkle me speckled Dove
Flying Holy, Holy, Holy
With Your precious holy Blood
And while You're flying on the
eighth day
With the blood of Your mate
It's the only hope for the leper
For his cleansing in that day.*

Let's sing it one more time. "Sprinkle me..."

*...me speckled Dove
Flying Holy, Holy, Holy
Sprinkle me speckled Dove
With Your precious holy Blood
And while You're flying on the
eighth day
With the blood of Your mate.
It's the only hope for the leper
For his cleansing in that day.*

Praise His wonderful Name. We are certainly happy to be in His great Presence today. We greet each and everyone in the lovely and precious Name of our Lord Jesus, all throughout the region where we are gathered in anticipation for what He will do for us. I just feel that

there is a great expectation in the hearts of God's children. We know Jesus never fails. Amen?

We have a little dedication for the Walker's family, again. Amen. We are seeing them a kind of regular up here these days. Amen. The Bible says: [Psalms 127 -Ed.]

¹ Except the LORD build the house, they labour in vain that build it: except the LORD keep the city, the watchman waketh but in vain.

² It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep.

³ Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.

⁴ As arrows are in the hand of a mighty man; so are children of the youth.

⁵ Happy is the man who hath his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate.

[Psalms 128 -Ed.]

¹ Blessed is everyone that feareth the LORD; and walketh in His ways.

² For thou shalt eat the labour of thine hands: happy shall thou be, and it shall be well with thee.

³ Thy wife shall be as a fruitful vine by the sides of thine house: thy children like olive plants round about thy table.

⁴ Behold, that thus shall a man be blessed that feareth the LORD.

⁵ The LORD shall bless thee out of Zion: and thou shall see the good of Jerusalem all the days of thy life.

Amen. We have a very astronomical baby here: Maia Alcyone Esther. The song was singing about the sweet

influences of the Pleiades. And so we are very thankful that the Lord has come down in this season for us and lifted us up, caused our eyes to look up, lift up our heads, look into the heavens and see the glory of God; hear the Voice uttering speech revealing His great knowledge. And what an influence that has become to us.

We certainly want to thank God for Bro. Oba and Sis. Adelle, who have been so faithful in the Lord's service. Young ones grown up right here in the assembly, and fell in love right here, and got married and are raising their family, even as they minister in their respective callings to the Body of Christ. We certainly feel that we have been enriched in the assembly by God depositing these virtuous lives in our midst by God's grace.

Beloved Jesus, we are thankful, dear God, to You Who have given us life, and health, and strength, Who have quickened us, this great God Who is rich in mercy, Who has come down in this dark Age of gross darkness on the earth and upon the peoples, that even while we walk according to the course of this world, but You quickened us, and You raised us up, Lord, into Heavenly Places. And, Lord, You have brought us to this great realization of Your plan and Your purpose for our lives. How we should live, Lord, and how we should serve You. Lord, the great things that You have given unto us, that, Lord, You might make Yourself known, that You might be glorified in our lives, and that we might have a testimony that Light could shine from us, that, Lord, that would make the path bright and clear for those coming behind us and even to be a godly influence to those with whom we associate.

We thank You, dear God, Lord, because it is so we have seen the lives of this young couple, Father, as they have grown from strength to strength, Lord, as tender plants growing up in the great garden of God. Today, they are raising a family, dear God, and how You have blessed them, Father, and how it has truly served to

inspire them and encourage them to be more faithful in Your service. They didn't get domesticated, Lord; they just became better established in the present Truth. And, Lord, we are thankful for them and their lives as ambassadors of Christ, that others, dear God, in this Age when there are, Lord, so few examples, Father, Lord, could see the brightness of which their testimony shines. And for this we are grateful, Lord.

Lord Jesus, You have blessed them with this beautiful little girl, Father. From the Dove now comes, Lord, Maia Alcyone Esther. And, Lord, what great inspiration this has been to us, Lord, Lord in this season, Father, as it brings to us, dear God, marking the time and the season, Lord, when You have come down with the Seven Seals Book opened, and You are releasing a Rapturing Faith, faith to be changed in this Hour, to bring this great plan of redemption to its completeness, to its fullness in our lives.

May, dear God, this little girl, Lord, that You have blessed them with, that they have named under this inspiration, seeing that You appointed her coming at this time, Father, as she would grow in grace and glory, Father, as she would grow under the Divine tutorship, Lord, of the Holy Spirit, Lord, coming through the lives of the parents, dear God, Father, as the instruction would come down to her as dew upon a tender plant, Father, Lord, You said, our children are like olive plants round about our table, oh God, that her life would grow, Lord, under this holy influence, Father, and that she would be such a blessing in their home, and her very life would continue to unfold this inspiration that You have put in the hearts of the parents in this Hour.

Lord Jesus, we commit little Maia Alcyone Esther into Your mighty hands, dedicating her unto You today for a life of service, and praying, oh God, that this Holy Spirit, Father, that leads us and guides us from day to day would ever watch over this child, Father, Lord, she would be so saturated with Your Presence. And, dear

God, as You said that out of the mouth of babes and suckling You will perfect praise, oh God, she would grow in this manner, Father, for the glory of God.

Bless the parents, dear God, Father, to whom You have committed this sacred trust, this responsibility into their hands, that, dear God, even in this vocation, it would cause them, Lord, to mature and to be perfected, being made ready for Your Coming. Oh God, You know how to plan our lives and ordain our experiences. And so, dear God, this family, let them live for the glory of God. And with this little addition, this newborn blessing, oh God, that has come into their home, Father, may, dear God Father, she brighten that home, dear God. And God, may the blessings continue to increase in that home and the lives of this family.

In the Name of Jesus Christ, we dedicate her this day, Lord, for Your honor and for Your glory and to Your service. In Jesus' wonderful and precious Name, we pray, and we ask all these mercies and blessings for the glory of God. Amen.

Praise Him. Praise His wonderful Name. God bless, Sis. Charlene from Dominica. We are certainly happy to have her in our midst today (amen), a beloved and faithful sister (amen), Sis. Charlene Charles. We just love her very much. When we think of her, we think of Phoebe and they in the Bible; workers called out, who gave their lives unreservedly to the Gospel.

We are very happy that God, you know, has put us in such a great cloud of witnesses, innumerable company of angels. Amen. We are thankful for His great grace, you know, coming this morning and seeing the believers gathered together, and to think of what a great thing it is. You know, sometimes, it might become common to us, but we are a called-out people that God has called out in these last days, separated from sin, separated from unbelief. And He is still working on us by God's grace, but when He is finished with us, we will be a

glorious Church without spot and without wrinkle. Amen.

We have our sufferings, we have our trials, but the sufferings of this present time are not worthy to be compared with the glory that shall be revealed in us. Do you feel strengthened in your hearts to press the battle this morning? Amen. And may He bless you and bless all the saints throughout the region.

And to all the young ones here, may God inspire your faith. You are young. You are strong. You heard the Word that came to you there in the convention, the young ones (amen), that you are strong, you have overcome. Amen. God spoke that over you as a prophecy. Now walk into it, possess the faith that comes by hearing and hearing by the Word. And that faith is the victory itself that overcometh the world. Amen. This Message is designed to give you faith, to perfect that faith in you. And that faith will not stop short of a Rapturing Faith. It is designed to bring you into full Rapturing Faith.

I just saw Bro. Richard Brown here. God bless you, Brother. Bro. Richard, God bless you (amen); from Iowa. Glad for him to be here. May God be gracious and give you something special, my brother. Amen.

We've all come to the house of God... How many come expecting something from God that could really help them? Amen. Praise God. You know, you just believe in your heart. Faith does it, friends. With humility, with faith in God's Presence (amen), He knows how to give us every good and perfect gift.

Let's pray one more time. If you have a special request in your heart, all around the region, let's just believe Him and look to Him. He is faithful. We see so many things happening in the world today. The world is shaking. It is again falling apart, but we have received a Kingdom that cannot be removed. What a blessing, friends. He said, "I will fill this House with glory. I will shake all nations. Everything that can be shaken will

be shaken off. (Amen.) The Desire of all nations shall come. This great Headstone will settle down in your life, cap the pyramid of your life.” What a great thing, friends. What a great thing in this Hour.

Beloved Jesus, Father, we bow our hearts once again in Your Presence, this morning, thankful for the riches of Your grace, Father. God, realizing that You have supplied our every need in Christ Jesus, for it is written that we are blessed with all spiritual blessing in Heavenly Places. You, Who planned our lives moment by moment, second by second, minute by minute, hour by hour, day by day, month by month, year by year, You taught us to pray: ‘Teach us to apply our hearts to wisdom,’ Lord, and ‘to measure our days,’ Lord, knowing our days are as a hand-breadth, Father. And, dear God, how even in this time that we are living, the life of man is shortened, dear God. We see, Father, the lifespan, oh God, being brought down lower and lower.

Lord Jesus, but we are grateful for this great gift of eternal life, this deposit of God. “And as many as are ordained to eternal life,” You said, “they believed,” Father. They recognized the Voice of the Seventh Angel. They understood the call, “Come out of her, My people.” Oh God, they know that was the call, Lord, to bring us to the Bridegroom, oh God, that Voice that announced, “Behold the Bridegroom cometh,” that we could go out to meet Him. And in this Hour, this great uniting time when the Bridegroom and the Bride is to become one, heavenly Father, and this great Message, oh God, that You gave to clothe the Bride, Lord God, to birth Her that that Name could be written in Her forehead, dear God, Father, that She might be perfected and made ready, oh God, Lord, for Your glorious Coming, and when the power of this church rises, it will pull its brethren, Lord, we pray, sitting in Your Presence today, that, dear God, we would experience, Lord, these realities, Lord, even, oh God, as we see the time clock striking the hour. We see the signs in the heavens, on earth, in the nations,

Lord God, in the church, oh God, Father, among the Bride of Jesus Christ, the signs pointing everywhere, Father, to the soon translation of the Bride.

And so today, let us sit and hear with understanding. Let us be enlightened and inspired. Let the Holy Spirit fall, oh God, and fill hearts and lives that are hungering and thirsting for more of You. May Your great Power be let loose. May You break the powers of darkness around the lives of Your children, Father. May this great quickening Influence, Father, move through this congregation and across, Lord, the islands and Guyana, and Lord God, even across the face of the earth, oh God, that Your people, Father, could receive such a surge of the current of the Holy Spirit, as You fall and move through that channel of the Scripture, oh God, where our souls are so lined up in this Hour. May You grant it, Lord.

Even the strangers and the visitors in our gates, give witness, Father. Let it not just be a human gathering, but the Heavenly host, the family in Heaven, gathered with the family on earth, this great angelic host (hallelujah!), and You Yourself, the very Center of all of this, Father, the Wheel in the middle of the wheel, oh God, You Whom around all things revolve, the great Center, the North Star, the Absolute that we can tie our souls to; let it be special, Father.

May You get honor and glory at the end, and may we leave strengthened, more established, rooted, and grounded in this great faith that has been revealed unto us in this Hour. Grant it, Lord. We pray, and we ask these blessings. Bless the few thoughts, Father; inspire them. Break the Bread in a way only You could break It; make Yourself known. We ask it in Jesus' Name. Amen.

Praise His wonderful Name. I would like to invite your attention this morning to 2nd Chronicles. 1st Kings 22, first, and 2nd Chronicles 21. 1st Kings 22. I would like to attempt to speak on something. I don't want to

be long. I am not feeling in a way that I should be long, but I will like to just maybe talk to you a little bit, speak and see how the Holy Spirit will lead. And I will like to speak on a little message called **“THE THREE CURTAINS”**.

1st Kings 22, verse 51, in the light of the things that we see happening and confirming more and more the things that God started to reveal to us that lifted us up in the assembly here into such a place where we have like a front-row seat to all that is happening.

You know, Bro. Bart was calling me from Holland, I think, the day before yesterday, and he was saying, he said, “Bro. Vin, all these things that are happening, what is happening? What do these things mean?” He said, “We’re up here in Europe; we are hardly hearing anything, brother.” He said, you know, “Could you tell me something?” And I started to testify to him, from November last year to the present time, and all the things that are happening, and what is taking place here and in the region, and what we are doing, and where these things are in the Bible. And you know, he was so moved and affected. And then we arranged to send some of the services up there into Europe, that, you know, believers could really be blessed and be edified.

1st Kings 22, verse 51:

⁵¹ Ahaziah the son of Ahab began to reign over Israel in Samaria...

This is after the death of Ahab. 1st Kings 22 tells you how Ahab was killed; you know that. And this is the beginning of the reign of Ahaziah, the son of Ahab. And he became king over the northern kingdom, the ten tribes that Ahab was king over, which Jezebel had rule of that kingdom. Though they all lived in the land that was divided by Joshua, Jezebel had control of a great portion of that country because she became...was behind the throne of the ten tribes. And Jehoshaphat, for a season, saw that Jezebel influence and tried to

keep it out and fortified himself, but he was no match for Jezebel. You know that.

51 And Ahaziah the son of Ahab began to reign over Israel in Samaria the seventeenth year of Jehoshaphat king of Judah, and reigned two years over Israel.

52 And he did evil in the sight of the LORD, and walked in the way of his father,

There was no change of policy here. He just continued on in the same policy because his father had weakened the nation when he got married into that paganism and brought that pagan power into Israel even to the very throne, by the grace of God.

...and in the way of his mother, [Jezebel]

And she had strengthened herself because now it was no longer her husband in the throne; it was her son in the throne. The very one she conceived, the very one that she raised, and the very one who was heir to the father when the father died. And so, he was fully under her influence.

...and in the way of Jeroboam the son of Nebat, who made Israel to sin:

And this is where the seed of idolatry started that brought the division. The seed started with Jeroboam. That's when the kingdom split because, under Solomon and Rehoboam, it was one kingdom. And then Solomon, you know, began to be led away. And the spirit of idolatry began to be let loose in the land, and then that prophet told Jeroboam how he was going to have ten tribes of the kingdom. And so after the death of Solomon, it came into place here, and that seed was sowed. And you get from *The Depths Of Satan From Jeroboam To Jezebel* [1988-0117 -Ed.]; from Nicolaitanism, Baalism, the Jezebel doctrine. And then that's where it's at because that Jezebel system just established herself so strong.

53 For he served Baal, and worshipped him, and provoked to anger the LORD God of

Israel, according to all that his father had done.

May the Lord bless the reading of His Word. You may have your seats. We continue in 2nd Chronicles, Chapter 21; we continue to read. Speaking on: **“THE THREE CURTAINS”**, and for a subject, **“The Full Control Of The Catholic Church In The United States Of America.”** And that’s not politics; that’s prophecy. That’s not politics; that’s prophecy. Revelation 17 and 18, that Roman power will rule the whole world. Revelation 13, America, the beast that comes out of the Earth, is going to come and become the vehicle through which that Roman power will take control of the earth. So that’s what’s happening. That’s what’s taking place.

If there are so many pieces of that broken up in the news, and in the modern events that that’s the prophecy—that’s why Elijah came. Elijah came to call the people out of the Jezebel system, and to turn their hearts back to the faith of their fathers, and brought the rain back when the Cloud appeared. That’s why Elijah came. He came to restore. He came to turn the hearts of the children back to the faith of the fathers, to bring them back to the original foundation. That’s the Message. That’s the whole Message. That’s the whole Age in a nutshell. And Elijah, a type of the translated ones, was translated into Heaven without seeing death. That’s the whole Message right there. That’s the whole Age. That’s the whole thing that’s happening.

Inside of there, you have all these things being done, that which was spoken by the Prophet might be fulfilled. Because all these things are bringing to a place where Rome will control the military, she will control the economy; she will control the politics; she will control all religions. “You can’t buy or sell,” showing that she will control all religions—all economics rather. All those names that are not written in the Lamb’s Book of Life, slain from the foundation of the world, will worship the

Beast. And they who do not worship the Beast will be killed, showing that she will control all religion. She will control all governments because It says that those ten kings gave their strength and their power to the Beast.
[Revelation 17:13 -Ed.]

So this system is known as ‘mystery Babylon’ in the Bible. And this great woman, mystery Babylon, the great whore, is also called ‘that woman Jezebel’. So this is what we’ve been taught. And when Elijah came—which we are going to get into—when Elijah came... I’m just laying the scene for you so as you read, you will read with understanding.

When Elijah came, as he was coming into his ministry, that Catholic power rose in America to the seat of the White House. 1960, God began to open the Book of Revelation with the Seven Church Ages at an election time. And the Prophet, understanding that the healing revival was finished, the written Mysteries were finished, and then he was coming down now to the end of the ministry, that which was taking place in the nation for the first time since they fled for persecution, you had a Catholic president, and the nation was swept under the power of the Roman system. And then when that happened, all these Things in the Book of Revelation, “I, Jesus, have sent My angel to testify these Things in the churches.” He sent His angel and signified these Things to His servant, to John, on the isles of Patmos where John was transported into the Lord’s Day, and he began to see all these great Things that are to come upon the face of the earth.

And here was that angel standing there in the form of a Prophet, because Revelation 22 and Revelation 19 tell you that he is a prophet. John goes to bow down to worship him; he said, “See thou doest it not. I am one of thy fellow servants and of thy brethren the prophets.” And John... And this was the Prophet who revealed the Book of Revelation; you know that. And the Book of

Revelation starts with Seven Church Ages. And when he started the Seven Church Ages, it came by vision.

He couldn't interpret Revelation 1:14, and he said, "Lord, what does this mean? How could Jesus, a young Man, be with hair white like wool?" And he went to pray. He had asked the theologians. They had no answer; they just had some little presumptions. And he went to pray, and God gave a vision. And a vision is the sovereignty of God. God gave a vision. And God gave a vision pertaining to Revelation 1:14, the Scripture. Not just a vision; a vision to interpret this Scripture, which God was going to later show in the heavens. When the Seven Angels appeared, He said, "Turn it to the right." That was Christ wiggled.

When the Church Ages were preached, God, the same God Who gave the vision, came down in a Pillar of Fire, wrote it on the wall, exactly what was drawn by vision before. Over four hundred people, they saw the Light moving in the circles, drawing back what was drawn by vision. And then three years after, God showed it in the moon in the sky when the pope was going to Jerusalem.

If that doesn't take God to do it, then that is the most powerful thing we've ever come across as coincidence. But that was Intelligence because a man was asking the Creator, "What does that Scripture mean?" That, my friends, is what started this Seven Church Ages. That is how the Book of Revelation opened in this Day. That is what started it.

And what sent him to the Book was the election, the presidential election. The Holy Spirit said, "Look what is happening in the country. That was history being made since 1776 when they fled Europe to come to the United States." And that's the beast coming out of the earth. When it started, it started with thirteen colonies, and they had thirteen stripes and thirteen stars on their flag. On the money, they have the two seals: you see the United States, an eagle there with thirteen arrows, and a pyramid with thirteen steps. And so it is even in

the Book of Revelation, in Chapter 13, where her destiny is found.

And here, this which took place in this Day because this nation was the one in the Book of Revelation that came out victorious in those two woes: “Woe, Woe, Woe, by reason of the last three trumpets which are yet to sound.” By these Woes, the Jews came back into their homeland. “When you see Israel, the fig tree, put forth its bud, that generation shall not pass away until all these things be fulfilled.” Then the Gospel that came from East to West, that started in Jerusalem when the Holy Spirit came in Paul and they, then came over into Irenaeus and Martin and them, in France; and Columba in the British Isles, and Luther in Germany, and Wesley in England, and then came over into the United States of America, is where the Seventh Angel appeared.

And when it came to the United States, the history...America is a type of Israel. And the history of Israel in the time of Ahab and Jezebel will repeat in America. So America ties the Woes, ties the last generation with Israel, ties the Seventh Angel Messenger, the spirit of Elijah; ties the Vatican, that beast that was in the sea. It ties all these things together.

And the Holy Spirit in the Book of Revelation calls the Roman Catholic system ‘that woman Jezebel’, linking her to the Books of Kings and Chronicles where her history is. So when that repeat begins, we can see exactly from the time, 1st Kings 16 when Jezebel married Ahab, until 2nd Kings 9 where Jehu, who is anointed for the destruction of Jezebel, destroys her. And so from 1960 until the Vatican is blown off the map, that history is between 1st Kings 16 and 2nd Kings 9 in the Old Testament. And that has been unfolding from 1960 to 2008.

Quite a lot has been said there, more than we could even preach. But this, what is happening here, it baffles the economists. It baffles the historians. They can’t

imagine why it seems that America and these politicians are destroying their own country, why are they breaking up their country; why are they draining the economy of their country. They tried to put solutions to it. They relate to it as bad investments, and bad plans and these things. But I want to show you this morning, because they don't know the Bible and because they don't know the things I just spoke there in those last couple of minutes, which we know out of the Message, which is why Elijah came.

When Elijah came, he put that nation in prophecy. He identified where she is; he went back into the Old Testament and got her history. And when the elections came and the Catholic president was voted in, he tied her and showed where the history started with the marriage. And then in his Seventh Vision when that nation is to be bombed, and in Revelation 18 when the Vatican is to be bombed by that communist power, he went and he pointed out to us, and he showed to us by the Scripture, how this thing will end up.

And the Holy Spirit, God Who gave him the vision to open the Church Ages, God Who gave him the vision to reveal the messengers, God Who gave him the vision to show the history of the Church...because these are Things God gave him to point out these seven men. This was a secret. This was a secret. We just came through the Pleiades and Orion. These Pleiades, this was a secret because the Pleiades is the center of the universe. And Alcyone is the center of the Pleiades. It is the seat of immortality. Way back in Job...when God in Genesis 1:1 was writing the Zodiac, God put the Mystery there because He knew the written Word would not come until Moses' time [when] they will start to write, and that's thirty-four hundred years from Adam.

So God put it there, and God gave wisdom to the sons of God that it passed them, to unfold the Mysteries. Because from Adam to Methuselah are the two men from creation to the flood that span those two thousand

years; they overlapped. And when Methuselah died, the flood came. And when Adam died, Methuselah, I think, was about two hundred and forty-three years [old]. So you get to realize, look how this great thing was, that those Mysteries came down. God made sure it didn't go into extinction.

The same God in the Seven Church Ages when the children of Cain... When the second Eve... I'm going a little deep here for some of you. As Eve was deceived by the Serpent, the Church was deceived by the Nicolaitans. As Eve brought forth Cain with false religion, so they brought forth natural religion. As it came from Cain to Nimrod and built a Babylon, so it came from the Nicolaitans, to Balaamism, to Jezebel with a mystery Babylon. The same thing is coming down through the church that came down through history. And the same way that Nimrod and they tried to change up the history and pervert the Word, and make himself the woman's seed and all these things, yet we find Abraham having the secret. When those three Angels came, he said, "Lord!"; not "Lords." Even his very nephew, Lot, mixed up, said, "Lords!" showing that God had preserved that revelation.

That's why people are so important. That's why God put men who would only say what Elijah said. That's why Elijah...when Micaiah and they held to that Word, and they compared that vision to what Elijah said, they stood flat-footed in the face of four hundred denominational prophets; they stood with the Word. And these Things come right down to this present Hour.

And God showed the Prophet these seven men. And that is one of the greatest revelations that has been made known in the last two thousand years, that at the end of the Age, for us to go into the Rapture, we know who is the lifeline, we know who had the Mystery of God, we know who had the Secret of God.

Look at the world today, they tie themselves to all kinds of denominational men on the radio, the

television, everywhere, and the most hated, and the most persecuted man, we've tied ourselves to. The one that all denominations come to reject, we've tied ourselves to! The one that they've perverted his history and blocked out his name, we've tied ourselves to it, and we find a power that no denomination could produce! Oh my! What a reality, friends, to walk in such a place!

Only one man in this generation had the Thunders (hallelujah!), had the Secrets, the Thing that Light never shone on! One man interpreted the entire Bible, started from the Serpent Seed in Genesis, all the written Mysteries, and then supernaturally opened up that White Rock by a vision, Revelation 10, "If the vision is scriptural." And that man went and met Seven Angels, "And I came into the constellation. From the position I came counting them, That One to my right (hallelujah!), He would be the Seventh, the One with the Seventh Seal, the One that could bring immortality (hallelujah!), the One with the Secret to bring us back to Word again!" Oh, thank You, Lord! The Angel with the swept-back wings, the One that meant the most, the mighty God (as the sister says) unveiled, whose Word can never fail, the Absolute! He wasn't a created angel; that was the Creator Himself! Hallelujah! How great! Huh, we should be the richest people in the world when you see what kind of riches we have. Oh my!

You mean to say that all kinds of university people, all kinds of scientists spend their lives, find some bone under ice and come with some theory and get all the universities to teach that this is some Neanderthal man, this is some kind of thing from fifty billion years ago; all this kind of nonsense. And we know a man who stood there in the woods and said, "Let there be a squirrel." Not digging up a dead bone; bringing living species! Not spending his life, no, no, no, looking for some dead bone, some man's foot two feet long, this big snowman that they talk about; all these kinds of strange stories

they invent! No, sir! The Light has shone in the Bible! That is what makes It great!

All of us have the Bible, and we could now read the stories. We now know It is a family album! We now know what It is! We now see the family lineage! We now see the DNA! Hallelujah! And the beautiful thing is, our pictures were put there even before we came! What we are going to live out was put there, and now we are the matching piece to the very Word! We are the matching piece to the very promises! Hallelujah! My! Then that is supernatural. That's phenomenal. My!

That's one of the greatest wonders you could speak of. Our lives already foretold? That's not strange. How many know that Jesus' life was foretold all through the Bible? When He was going to be born, what He was going to do, what His ministry was going to be, what kinds of work He was going to do, when He was going to die; how He was going to rise! Amen! Glory! That's right. So wonderful. So wonderful.

I was just talking, and the Spirit just took me somewhere. Oh my! I was going to read a Scripture, and Something said, "No, leave it a little bit; just talk a little bit." And I started to say something, and It started to break. And when It starts to break in those dimensions, you know what is happening. You just have to kind of come back and get yourself quiet again; get still a little bit. Because you see, now you are not preaching from your notes; now there is Someone here in the desk operating. Hallelujah! But that's what they were promised, "And the Lord was with them wherever they went." Glory be the God! Spirit and the Bride saying, "Come." Amen.

Let's pause a little bit and go back to our Scripture: 2nd Chronicles 21, verses 1 to 6. We were reading there in 1st Kings 22 just now, how after the death of Ahab, who had married, there when his term came to an end. Do you understand? He died being shot in his chariot. That is how his political career ended. How many know

that? Trying to mess with the communists? [Bro. Vin laughs -Ed.] You don't play with this Bible, you know, even the pages will cut you. My!

Now, he got killed in office. He didn't just retire. You know a few of them got killed in office. Do you know that? Sometimes, a man retires and goes back out. You know, like George Bush's father, and he went around making little speeches; like Clinton and they go around making little speeches. They didn't die in office. They just retired and went out. They served their term. But this man died there in office, so they had to get another fellow right in. Amen.

2nd Chronicles 21 and verse 1:

*¹ Now Jehoshaphat slept with his fathers,
and was buried with his fathers in the city
of David.*

Now you have to follow closely what I'm reading. That's why I keep referring back and making statements because the first one was Ahab died. Now this is Jehoshaphat died. This means... This is the nation, these are Israelites. But as Israelites, they were divided. They were under two administrations. You could call one Republicans; you could call one Democrats. And since Jezebel came to the throne and married Kennedy, that would be Democrat because he was a Democrat.

I'm saying something here. I'm getting to a deep place. I'm not making this up, you know; this is the Message now. I'm bringing it out of the Message for you. I'm going to read where the Prophet said those things. You see, sometimes those quotes...you don't live in America so those quotes mean nothing to you. But you see, America is part of the Mystery. Because this Squeeze and all that we are talking about are coming out of Revelation 13. This Prophet, the Message we believe, came out of America. He didn't come from Trinidad; he came out of America.

This earthquake that we are looking for is not Cedros that's going to fall into the sea. No, no; California.

America (amen) types Israel. And you say, “Well, I’m in Trinidad.” You are in Trinidad, you are in America. You’re in the OAS. [Organization of American States –Ed.] When you have any problems here, it is their army coming. You are wearing their clothes. You are watching their shows. You are listening to their news, and your newspapers are full of what they have because they are the power that controls here. You are just not maybe in any of the fifty-two or fifty-three states there. You might be in Caricom [Caribbean Community and Common Market –Ed.], but Caricom is under the auspices of there.

2nd Chronicles 21, verse 1 to 6.

1 Now Jehoshaphat slept with his fathers, and was buried with his fathers in the city of David. And Jehoram his son reigned in his stead.

2 And he had brethren the sons of Jehoshaphat, Azariah, and Jehiel, and Zechariah, and Azariah, and Michael, and Shephatiah: all these were the sons of Jehoshaphat king of Israel.

It named them because these were mighty men in the land too. They were princes. And catch this now.

3 And their father gave them great gifts of silver, and of gold, and of precious things,

They were wealthy, and they were powerful, and they were princes. And they were from the ruling family.

...with fenced cities in Judah:

Fortified cities. They had armies. They had ports, maybe where the ships came in. They had cities where trade routes were. In other words, they were like big powerful governors and senators in the land that was controlled by that kingdom.

Now, remember I’m trying to tell you that people are seeing, and they are trying to figure out why are these people destroying their own country? Why are they sabotaging it? So everybody writes their stories about the Illuminati. They write their stories about the Carlyle

Group. They write their stories about foreign relations, the Committee of Foreign Relations, and all these different things. They write their stories about all the big bankers and all these different things.

Well, we have a name for them too. It's Jezebel. Do you understand? We have a name for them. It's the Vatican. We deal with their headquarters how the Bible defines them. But I'm showing you something here in the Scripture that you could read with understanding. Because, you see, the Scripture condenses its Truths. And many times when you read the Scripture like a newspaper, you read over it. See? First, it tells you that Jehoram is reigning. But then it tells you that he has many brothers that are powerful. So even though he is in the throne, they are controlling fenced cities, fortified cities.

Now if you know the Bible, Abner controlled the army, that even when Saul died, Israel couldn't go to David even though David was the leader to reign. I'm trying to show you how a military power could control.

Joab, in David's army, was controlling a big portion of the army! In any country, if you are a military...the people are not really loyal to the president, you know; they are loyal to that military man there because that is like a brotherhood. That leader now is loyal to the president and his policy.

That's why when you have, like in Africa and those places, you always have the military leader bringing a coup and throwing the government out of power, like in Haiti and those places. They do that. Because why? You have the weapons, and the weapons are the power. And once you have the weapons, you could force the nation to be subject.

That is why you, in Trinidad, you control...If you can't control the police, and you can't control the army, you don't have too much power, you know. What power do you have? If the police, and the army, and the coast guard get together, they could take the country when

they want. Do you understand? That is why some of these dictators now become the Commander in Chief and wear their battle fatigues all the time, so they are in charge of the army. They are the voice in the army.

So this here, I'm trying to open it for you because you'll just read just like that. But all Scripture is given by inspiration because it is written like that for a purpose.

*...but the kingdom gave he to Jehoram;
because he was the firstborn.*

*⁴ Now when Jehoram was risen up to the
kingdom of his father, he strengthened
himself, and slew all his brethren...*

He didn't wage a war for the small man in the street and try to oppress them; he went for his brothers. He went for the princes who had power over key cities, because Jehoshaphat was not a fool. The kingdom wasn't just handed over. If you read the story of Jehoshaphat, when he saw Ahab and Jezebel together, he fortified his people. Then Ahab couldn't attack his army, so Ahab attacked his heart.

I preached on that to you before. And Ahab seduced him, and he went down there and nearly got killed in the battle: 1st Kings 22; 2nd Chronicles 18. And when he went down there in the battle, after he escaped when he cried out to God for help, the prophet walked out of the woods and said, "You love what God hates," and rebuked him. Then Jehoshaphat, who had gone down there saying, "Your people are my people; my people are your people," because those lying spirits coming out of the mouth of those prophets were deceiving the kings to take them to the battle. But he was a good man. He was a good man, but his weakness was love. He just loved people. He just loved fellowship. He was suppressing truth at times for the sake of love.

You must never suppress truth for love. That's why when the prophet came, he said, "You love what God hates." Truth makes you know how to deal with that

and how to deal with this, and your mind doesn't get messed up like you don't have love. You have leadership. You have leadership because when something crosses the line, you don't go wasting your time to get it back.

Jesus was full of love when He said, "Father, I pray not for the world." He didn't lose any love. Do you understand?

Bro. Branham, he said, "Father, I can't pray for the stalk. It is dead. I pray for the grain." He didn't lose any love, but he knew the season, and he knew they had sinned away their day of grace.

Samuel didn't lose any love. Samuel was weeping, weeping for Saul. God said, "Get up. I already have another king to anoint. Go on; don't cry for this man anymore." Do you understand?

You see, that is not for babies. That is like putting a loaded gun in a child's hand, you know. Because the first person that you are vexed with, you will say that they crossed the line. That is why, you see, the Word has to be preached to people who have the Holy Ghost. And that is why the church needs the Holy Ghost because when you don't have the Holy Ghost, you put a carnal interpretation to the Word and go into sin. Because when you have the Holy Ghost, It is God in you going forth with the Word. It is not you because the Life you live now, you live by the faith of the Son of God. It is not you that lives, but Christ that lives in you.

You see, the Holy Ghost is not a thing in you, you know. The Holy Ghost is not a little feeling you got a night when you prayed, and you got goosebumps, you know. The Holy Ghost: when He, personal pronoun, singular, the Spirit of Truth, is come, the Comforter, the Advocate, He will lead you and guide you. He will teach you, the inside Teacher. "And greater is He inside of you," personal pronoun, "than he that is in the world. Not I that live, but Christ!" It is Jesus: God above us, and God with us, and now the same God in us, walking

with your feet, thinking with your mind, speaking with your lips!

You see, Holy Ghost men can't do what they want because you are living by...you got married to a new Husband, and this One is more strict than the first one. The one who died and was buried in the pool of baptism, he is not too strict, you know. He was a permissive husband. He let you drink and smoke and tell yourself that you are a Christian. From the time you get a bad thought, this One condemns you in your heart and says, "As a man thinketh in his heart so is he," and starts to clean you up from the inside! Oh my!

Now watch this man now, Jehoram. You don't just get up and kill all your brothers. And the father, knowing that evil power there that he defended himself from, not against the Syrians or the Egyptians; he fortified himself against Israel. He strengthened himself against Israel, 2nd Chronicles 17:1 says. So he dies now. Before he died, he set the estate in order. He said, "Michael, you have been trained in knowing the sea and all these things. And you were earmarked for that job from the time you were a young boy, and we put you in charge of there." He said, "Shephatiah, all the weapons in this country..."

You know you can't have weapons loosely and running about the place. You know that. How many know that? How many know there is arms control? How many know that on the nuclear market they have to know who is buying what, who is buying enriched uranium? In today's world, you don't just go to a place and buy guns.

When those Muslim men were buying those guns and coming down here, all of them ended up in jail up there because they traced that thing right back to here – who made the sale and everything for the coup here. And that is a small thing on a little island. That is play business. We are not talking about the big wars in the world. Do you understand?

He said, "Where's the weapons industry? I want you over there because, you know, you have certain military understanding. And you understand the balance of power and containment and our military policy for this region." That is how he gave them.

You see, when you read, "*The father gave them great gifts, silver and gold and precious things, and fenced cities in Judah,*" when he gave them fenced cities, what does it mean? To just take a city, take a city, take a city, like you shuffle a pack, take a city? Would you distribute your inheritance that way?

You have a little son; he is the little renegade in the family, likes to drink and smoke and curse and gamble, would you leave the biggest portion of your inheritance to him? You have another one who likes to womanize and do something here and is weak, and his wife is controlling him, and she is from another family who loves money, would you pour all that thing in his hand for his wife to take it? No, you wouldn't do that.

Well, this is a king who is living in a volatile place and all those nations... Remember that this nation had come in and drove out the nations and took that land, you know! Remember that for years people said, "You all took this land wrongfully! You all said, "God..." We didn't see God sign any paper! We never heard this God talk! You all say God gave you this place; you have claim to this place! My great, great, great, great, grandfather, when you were slaves in Egypt, when your great, great, great grandfather Abraham didn't have a son as yet, we were on this land when he was down in Babylon!" Do you understand?

Now watch the move. He comes into power, and all of them from their father's loins grew up together, but now he is going to take this one out, who is controlling the military; take this one who is controlling the sea, and trade and commerce that comes by the sea; move this one out, who is controlling this main highway with

all the trade and commerce on this route. This is a change of policy.

You say, "You are destroying the nation! There isn't a better man than that man! That man is loyal; he is a patriot to the country!" Patriot to the country? He was, but they couldn't understand why they killed him, why they moved this one, why they blackmailed this one and publicized his sin. Maybe he had a little scandal. Maybe he had a little extramarital tryst, or whatever they call it, and they made it so big to move him and say, "You are not worthy to hold office!" But they put Jezebel's brother-in-law. And for the next position, they put Omri's nephew in that place, saying, "This man comes with a lot of intellectual capital to the table because way back there among the Sidonians, this man, you know, had great experience." And they had the best track record and so, "This is the man we want for the job." In other words, when they started to kill the men who had the key cities, they were changing around the country. They were changing around the country.

I'm sorry; I have not really started as yet, you know. But the thing is, I'm very scriptural on this, with the message. And that is what I want to get to for you to start to see the picture. But I have to bring the thoughts out to show you that I'm basing it on the Bible, because this here, Ahab...this is the same nation. On the other side, Azariah is walking in the way of his father. Jezebel has control there over the ten tribes. Over here now, we see the strange behavior among the Republicans. It's a Republican, you know, in the last eight years, who destroyed the country, you know. This man was a son of the party that Abraham Lincoln and they were sons of, you know, of that Republican family, you know.

How many have ever read a part or the whole of *Fifty Years In The Church Of Rome*? The Prophet talked about the book. That is how... It was Charles Chiniquy, right? A Roman Catholic priest, but he became a believer when

he saw the evils of Rome, and became a close friend of Abraham Lincoln. And Abraham Lincoln... During that time with the civil war, the Catholic Church was behind the civil war, dividing the country with their "Divide and Conquer". And Abraham Lincoln saw what was happening, but she was growing so powerful in the country already. And they saw the plan and design that she had. And then they got this Catholic man, [John Wilkes] Booth, who shot Abraham Lincoln and killed him. Is that right? You know the history.

The Prophet, when the time came for this election that I told you about there in 1960, when that Jezebel was coming to the throne, all along, that power was trying to get a hold of this country because this country was the richest country in the world. And the people in this country stood for something so great that the whole world looked up to them. They stood for freedom of religion. And they fought the British for their independence. And [from] a little band starting with thirteen colonies, they grew into the super power, the greatest nation in the world outside of Israel. Yet, the great thing about the Book of Revelation is that that nation was going to eventually become the vehicle for the very thing that they ran from, that the beast that came out of the earth will speak with the voice of the dragon that came out of the sea; that beast that came out of the earth will force the whole earth to worship the Beast.

And with the destroying of this nation with the manipulation of the constitution, with the bringing of new laws upon an unsuspecting public anointed with fear and anointed with lies, here it came to the place where you see how before this one went out of power, he actually got the nation now to sell out; sold out the whole nation, signed over lock, stock, and barrel to the Roman Catholic system.

Friends, you've not seen it manifested as yet, but I'm saying it before it happens. Let me say this: it is

“church and state” that has come back. This has brought in “church and state”. The spirit was there and couldn’t let loose because the church didn’t really, let us say, own the Republicans fully. But in these last two votes that it seemed that people withstood, they came, and they took over completely. The woman was in birth pains, but the baby is born now. The foot was coming out, hand was coming out, she was groaning and was already in pain from September 2001, pushing, and the water was coming out, and the blood was coming out, and everything was coming out now. The baby is out now, friends, the baby is out. And you watch here what we have been saying.

And like when I was talking to the ex-Prime Minister of St. Lucia this last time when he wanted to see me again. He was calling, and we went to see him. And he said...I asked him a question. I said, “Sir, let me ask you a question.” I said, “Here you see what is happening in America.” I said, “Here you see where the Russians have gone to Venezuela and are talking about putting up installations in Cuba.” I said, “And then look at what is going on in the market there, and then look at the region here.” I said, “And you, most likely, more likely than not, being the most popular person, because since Compton died in office and the nation is going down and, you know, they realize now that you are the man to help them,” I said, “so in a couple of years, you may be in power.” I said, “What do you foresee,” I said, “in your political career?” I said, “To me, it is like a man embarking on a voyage in a very stormy time, with a life-threatening storm, and the place is so dark.” I said, “Which man would like to come into office to start on a journey with the *ship of state* going like that?”

You could imagine little me from the hog plum tree...under the hog plum tree talking to this man in his lawyer’s office, and we were talking about these things. And he told me, he said, “When I look, I see it is going to be very, very dark.” He said, “And even in your

country,” he said, “and all the others in the region,” he said, “nobody is preparing, and there’s no preparation for what is coming because nobody, hardly, could even read or fully believe or understand the signs.”

And then you sit down inside of here, which is not the University of the West Indies, physically, but you’re sitting down inside of here, and for the last... Next month will be a year, do you realize that, already? Next month will be a year that I am preaching on this, and I have not come off. And look at the kind of things that the Holy Spirit preached on. And look at you sitting down here this morning under this atmosphere. See?

So, Mr. Jehoram here... Let’s read. Verse 4.

4 Now when Jehoram was risen up to the kingdom of his father, he strengthened himself,

Do you see? He strengthened himself. He got certain men around him because he had a plan to execute. And the plan to execute was to kill his brothers and them. But he was not the deviser of this plan. Watch the deviser of this plan. Just now, you are going to see.

...and slew all his brethren with the sword, and divers also of the princes of Israel.

Not only his brothers that he made princes, you know; other princes too, he killed them too. The princes will be those who are after the king. These are the men in the court. These are the men over different areas of the country’s economy, its military, its foreign affairs, all these different things.

5 Jehoram was thirty and two years old when he began to reign, and he reigned eight years in Jerusalem.

6 And he walked in the way of the kings of Israel, like as did the house of Ahab: for he had the daughter of Ahab to wife: and he wrought that which was evil in the eyes of the LORD.

So if you understand my Scripture reading here, the thing here is not so much about Israel. You see, because it is called the Kings and Chronicles, the Book of Chronicles deals with the kings of Judah and the temple. So if you start from Chapter 1, all the way to 36, reading Chronicles, you are going to come across—2nd Chronicles that is—you are going to come across from the time Solomon started to build the temple until [Chapter] 36 when the temple was burnt. That is like the Church Ages. The temple was filled with the Glory of God, the Church started, and then we ended up in Laodicea, and the Church went into captivity; it was finished. Christianity is gone. Do you understand?

The thing here is written in Kings and Chronicles because it has to do with how the king of Judah, his kingdom, and the king of Israel and his kingdom, both kingdoms got infiltrated by Jezebel and her daughter, a pagan power seeing a nation prosper.

Listen closely. I'm saying something. This pagan power watched this group of people coming out of Europe, looking for freedom of religion. Just like this pagan woman was looking at the history of Israel, seeing them where Pharaoh was persecuting them and didn't give them any time to go and worship their God, and made them slaves in a system. But then they had a revival. A great move started, and they left the system because God heard their cries, came down with signs and wonders, and they embarked on freedom of religion, and they went into a new land to establish themselves.

And when they went, they drove the nations out, so inspired under the power of God. Godly men stood there, like Moses. Godly men on Mt. Sinai with the Law, brought in constitutions and different things in the country, how to govern the society: moral laws, civil laws, spiritual laws, ceremonial laws, agricultural laws, laws of brotherhood, laws of redemption and kinsman, and all these things; set the nation in order. Godly men like Joshua who prayed and tried to walk in the

continuity of what the leader before him did so that the thing could just advance and get greater now that the people had been delivered and were in the land.

Then great men like David, inspired by the vision that Moses had about this kingdom of priests, bringing them out on eagles' wings. David looked back, and seeing the time, "We must have our temple." And he started to save and fight wars, and God was giving him victory, so he was acquiring wealth to build the temple. And then God gave him a wise son, Solomon. And Solomon came and began to put the temple up. The Republicans were doing good, you know. All of that is the Republicans; that is the Republicans!

But then you come and you got an Ahab after a while, came on the throne. And then when this Ahab came on the throne, that pagan power said, "Now is our time. We were trying to get in for a long time, but this marriage has to take place here now. This marriage has to take place here now because this man is not of the caliber of David and them. This man is not of the caliber of Joshua and Samuel and them. We could break down this man's defenses. We could water down this man's conviction. We could bring this man down to a place where he could be manipulated."

You see, God has to have strong men, you know. You see, sometimes people fear strong men, but strong men are a security for people. They are like a wall. Men that the devil can't manipulate; men that money...wouldn't sell out for money; men that are not going after popularity; men that are not womanizers, but men whose hearts and convictions are anchored in the Word, in the principles of the Doctrine; men who love the nation; men who love the cause; men who will shed their blood.

Like the Prophet talked about Stonewall Jackson. He said, "How could you stand like that?"

He said, "I don't take a drink of water except I gave God thanks for it."

He said, "Look at George Washington at Valley Forge, praying." Amen! Brother, look at this one who rode at the midnight hour, Paul Revere, and said, "The British are coming! The British are coming!" and warned them; rang the liberty bell! Men like Abraham Lincoln who watched that slavery and said, "I will strike that thing. Man ought to be free. Man ought not to be in chains and be slaves." Look at the conviction of these men. What happened there? It was a nation being built, you know. It was the people who wanted freedom of religion. And that was Israel.

How many know Israel types...and America are parallel? I'm going to read it for you. You see, I'm just giving you some of it without reading right now, but I've gone through these things over the years. This is one of my favorite subjects in preaching. You know that.

Watch. They say, "Now is the time to come in there and make this marriage." And Ahab, at that time, a backslidden Israelite, got away from the Word of the prophet Moses and went into false union and mixed marriage. He was opening the door, but it was a political maneuver to secure his kingdom. But he was making friends, and he was not studying closely the history of that woman whom he was going to get married to, because her father was a murderer. She was the daughter of a murderer. It was a midnight hour for Israel. It was bringing a Pergamos, the church and the world marrying.

Go in Pergamos and see when the church and the world married what God said. He revealed Himself as, "He Who has the sharp sword with two edges." That's how He revealed Himself. He said, "I will come and fight the thing with the Spirit, the Sword of My mouth." from the time He saw that Balaam doctrine, because Balaam was the one who united the people the wrong way. And here, Ahab now, under that Balaam doctrine, was going into false union.

That's the same thing that happens on an individual level with people. They go, and they see some nice boy or a nice girl in the world. They start to feel that they are falling in love, but they're getting under that Jezebel spirit. The same thing the church went through and lost their lifeblood and came into hybrid religion and got weakened and hybridized and got away from God, and God had to fight it with the Spirit of His mouth. He has to deal with the individual the same way He dealt with the church! The same way Moses...

Did Moses take the sword and kill every man and woman that lay with women there when Balaam united the people there at Baal-peor. I preached that for you, *The Javelin and the Sword*. They cut that thing out! God gave a man an everlasting priesthood for slaying Cozbi with that child, coming into the camp pregnant, out of wedlock and everything else; had no regard for what Israel stood for.

You see the thing with people, they look at this church, "Yes, Vin was under the hog plum tree," and kind of figure that all of us could be hogs inside of here. But let me tell you, if they understand this church, it is still the thin red line from what started on the day of Pentecost then they will understand. Then they will understand! But when they look, they think it is a thing that started the other day: "Oh, we came up Abel in 1990." They think that. Remember that this is the living descendants. Remember that this is Revelation 10:8 to 11! Remember that you are still confronted with the same Life moving on! This is the unchanging God in the unchanging continuity of the Word! Watch the fruit it bears, and you will understand what it is!

Every Pergamos is followed by a Thyatira. You go and get into a false union; you are in trouble. You will have a dominant female who has you under her thumb. You will compromise the Word of God to please her. That's what happened in the Church Age. That's what is happening here today.

When Ahab and Jezebel married, do you know what happened there? That was Pergamos, the church marrying the world. Do you know what followed that? A Dark Age. She used the power of the state to kill. When it comes back here now, do you know what is going to happen now? To fulfill Revelation 13: the killing part is going to come in now. The killing part is coming in now. It has to follow. I'll read it for you just now.

They couldn't kill Jesus. The church had to unite with the state to kill Jesus. The ministry of the Son of Man in the first Coming; the ministry of the Son of Man here. Pergamos Age back in the Church Age; Pergamos Age back here, to bring a Thyatirian again – dominant female, the Catholic Church in charge of everything.

Over in the Book of Kings, Pergamos back then. Even in Genesis, when the sons of God saw the daughters of men and took unto them wives, they failed to make it through the ark's door. They were all hybridized! Only Noah was perfect in his generation. One man maintained the originality of the Word to start a new world. You watch the Bible, friends. You watch the continuity of the Word; you see how these things go.

Oh, God, help us. I'm still reading the Scripture and trying to explain the thought here. See? He walked in the ways of the kings of Israel, like did the house of Ahab. He had the daughter of Ahab to wife, and he wrought much evil. Let's drop down to 2nd Chronicles 22: 1 to 7 here now.

Some years ago, back in 2001, I had a little inspiration. I think I talked about it at the desk a couple of times, with some brothers too, about the kings and chronicles of this time. And I found those things in the Message. And it is amazing how when your microscope begins to work, and if you have a good microscope you'll find Things in the Message, and then you'll realize that everything is said. Because, you see, the Message is like the Bible; it is scattered all over, and no human

mind could put it together. But when God comes down and starts to put the Word together, it shows you, “Look part of It is said here, part of It is said here, part of It is said here.” But, you see, God had to do it like that to prove that the Spirit that was in the Prophet is the Spirit in the Bride. It has to be the same Spirit because when It comes in the Bride, She must say back what has already been said.

2nd Chronicles 22: 1 to 7.

¹ And the inhabitants of Jerusalem...

This is after now, Jehoram died. Jehoram died. So he reigned for eight years, and he died. So this is Judah. So I’m showing you how that Jezebel power came into Israel, the ten...the Democrats, how it came and took over in the kingdom of Judah, the Republicans, because that is the American nation – Democrats and Republicans.

Now watch. One is controlled by Catholic, and the other one had a lot of good men, princes over a lot of things, who stood for things. But in the end, look at the end when the endgame is played out: the plan of that pagan power, that woman Jezebel was to get control of both kingdoms and take the nation in total. So here we find Jezebel in control of the ten tribes that had their headquarters in Samaria, and here we find also in the kingdom of Judah, that had their headquarters in Jerusalem, we find that they are taken over by the daughter of Jezebel; which is the whore and her daughters. Understand that.

Understand that because remember that America is Israel. I went through that. I explained that sufficiently already today. That is why we had a man with the spirit of Elijah, and when he came, the people were in a Jezebel system. And he was called out of the Jezebel system to turn the people’s hearts back to the original Word. Remember that Paul brought the original Word. This Elijah came to restore. Remember that in the Old Testament, Moses brought the original Word and that

Elijah came to restore because Moses brought all the Doctrine about the atonement, all the feasts, and different Things. Paul brought the Mystery of all those Things and laid the Doctrine of the Bible as the foundation. He was the wise masterbuilder.

I'm trying not to go too deep into some places because what is going to happen, it will just get confusing because then you are going to go on five different channels, and some people could just go on one.

[2nd Chronicles 22 -Ed.]

1 ...the inhabitants of Jerusalem made Ahaziah his youngest son king in his stead:

This is Jehoram's son, because Jehoram's other sons had gotten killed. If you finish reading the whole of 2nd Chronicles 21, it will tell you that. And his youngest son alone had remained. And now the inhabitants of Jerusalem were making him king because his father died: his intestines rotted and fell out. Elijah sent up...had a prophecy concerning that for him.

...for the band of men that came with the Arabians to the camp had slain all the eldest. So Ahaziah the son of Jehoram king of Judah...

Now this is a different Ahaziah to the one we read about first that was in 1st Kings 27. That was the son of Ahab. This one is the son of Jehoram, king of Judah. So don't let the names confuse you; watch the continuity here. This is in continuity to what we just read about Jehoram killing his brothers.

2 Forty and two years old was Ahaziah when he began to reign, and he reigned one year in Jerusalem. His mother's name also was Athaliah the daughter of Omri.

3 He also walked in the ways of the house of Ahab:

So this is in the kingdom of Judah. We are reading now what kind of power is being wielded in this Republican administration.

...for his mother was his counsellor to do wickedly.

In 2001, when this thing struck, I preached a message called *Evil Counsellors Behind The White House Throne*. Walking in the counsel of the ungodly and rejecting the counsel of Elijah. See? Elijah came and gave them counsel, but look at him, his mother now was his counsellor, and she was a pagan.

⁴ Wherefore he did evil in the sight of the Lord like the house of Ahab: for they were his counsellors after the death of his father to his destruction.

This pagan power was the counsellor that was going to bring this other nation to its destruction!

I'm going to read to you [where] the Prophet used the exact same words. He said, "I see in that sixth vision, a beautiful woman risen up. She is wicked in her heart; very beautiful. She will lead or guide this nation to its ruination, to its destruction," he said, "because the next thing I saw after that was the bomb and the place exploding." That vision of the rise of that church until the seventh vision, that is why *Soon Cometh The Earthquake*, you know. That is why soon cometh the earthquake; the Bride goes.

Now watch. Watch, before one bomb falls, the Bride will be in Glory, and He will burn the earth after this Elijah. "Now one hitting the States, one hitting over on this side," he said. "All of that to bring up the lava. And all of those volcanoes are getting active already. The earth will be renewed for the Millennium." This science civilization will pass away.

Friends, can you see all this Scripture that we are talking about here? And we are in the Old Testament there. We are in the Old Testament here.

⁵ He walked also after their counsel,

Three times we are told that the counsel is coming from this pagan power behind the throne; three times. The Scripture doesn't play with words. She had control

of the ten tribes. Now she has control here on this side, and she is bringing it now to its destruction.

...and went with Jehoram the son of Ahab king of Israel to war...

Did you read that?

⁵ He walked also after (verse 5) he walked also after their counsel, and went with Jehoram the son of Ahab king of Israel to war...

Now both Republicans and Democrats are uniting to go to war under the counsel of this pagan power who has taken control of the nation entirely.

...against Hazael king of Syria at Ramoth-gilead: and the Syrians smote Joram.

⁶ [So] he returned to be healed in Jezreel because of the wounds which were given him at Ramah, when he fought with Hazael king of Syria.

In that battle, he suffered some wounds, economic wounds. He lost a lot of financial blood in that war, that war on terrorism. If you break down that war of terrorism, it's the war in Afghanistan and Iraq. They've gone into debt in trillions. And then we see the wounds; they are trying to get healed. All this bailout is hoping to heal the wounds.

But watch something. While they were trying to heal these wounds, watch something. Russia moves into Georgia on August 1st, before the Olympics, and then the solar eclipse. And China, on August 8th, eight past eight on the 8th day, the 8th month 2008, they put on the greatest spectacle the world had ever seen, in the 29th Olympics. And then after all of that, the Olympics thing died down, they moved into space. They moved into space, and I told you, I preached the message for you, *The Rise Of The Kings Of The East*.

I realize that I've read the Scripture, and I haven't come to my "**Three Curtains**" as yet. But he said, "There are three curtains: the Iron Curtain, the Bamboo

Curtain, and the Purple Curtain.” And I’m showing you right now, look at what the Iron Curtain is doing. Look at her movements. And then she moves straight here.

When they started to give big talks there, they said, “Okay, you think...you want to mess around with us? You want to put up a missile shield there? You want to weaken us? You want to take down our sovereignty and our security and these things and target us?” They told their former allies, Czech-Republic and Poland, they said, “We are going to point these nukes at you.” They flew from there straight to Venezuela.

Years ago...I was reminding Bro. Collin of it, and he remembered it. One day, I stood up on the hill there; I said, “People just talk.” I said, “One of these days, you will see fighter planes in the sky.” I said, “These little islands, they don’t realize, sometimes, they think it is way over there somewhere.” Those fighter bombers came and dropped down there in Venezuela, followed by the battleships, for naval exercise. And that followed over two billion dollars worth of missiles and planes, and all kinds of military equipment to fortify themselves against the United States. Think. This is your Iron Curtain happening.

You see the solar eclipse, watch the things that are happening. Watch the king of the East, the Bamboo Curtain. Watch what is happening in America: the wounds, the financial wounds. Watch what followed from April when he sat down in the oval office, Benedict 16th. He left inside the Vatican, the place of divination (that is what it means; it means divination), and went into the oval office and sat there to celebrate his birthday, and then went to them on Wall Street and talked with the Jews and all of them. Watch the thing that followed, the Purple Curtain.

And the Prophet said, he said, “Watch...” He said, “Remember years ago I told you, ‘Watch the king of the North, watch that Iron Curtain?’” He said, “But don’t fear it.” He said, “Watch that Bamboo Curtain, but you

don't have to fear that either." Did you notice when they went up in that walk, that spacewalk, the first astronaut? Well, they have a [name], 'Taikonaut', I think they call them, or something like that. It's Chinese; it's Mandarin for space. He had on the Chinese suit and the Chinese flag. The next one was wearing a Russian spacesuit. Because the purpose that they did that was to show their alliance and their support with Russia.

Remember China, India, and Russia: these three are on one landmass. Remember China and India are almost close to half of the world's population. A little less than half of the world's population is right there. Remember that these three people are nuclear powers. Remember, under your Sixth Vial, it says, "And the River Euphrates was dried up to make a way for the kings of the East." And they say China, their thing has been put one month before India was getting ready to send unmanned vehicles on the moon.

When nuclear powers do these things, that's a sign to the world. The reason they did that, they said that the whole world was watching because the thing was televised live. And we are in a global communication network, and everybody was seeing, "Oh my God, look where the Chinese have gone. Look after the Olympics; we thought they blew us away with the Olympics." Five thousand years of history they put there; planned it at eight minutes past eight o'clock, the 8th day, the 8th month, the 8th year of the 21st Century.

And I said, "Well, eight is a new beginning." I said, "And you watch this thing that is coming up here and then watch the king of the North. And watch in that time that America is wounded and broken, and their economy is falling apart."

Friends, we are living to see things that the Prophet, by prophetic insight into the Bible, was seeing in infancy, and here we are seeing these things manifested. Do you know what the thing was? When

that was in infancy, he was the full Word who could speak into existence.

When this is happening here, and you look around at Message churches, they're asleep; they are desensitized. As I say, "They have the Cloud in a picture." That Cloud better get off of that picture, that Head better come off of that picture and come over a life and an assembly. That Intelligence better drop down among some people. They have the Pillar of Fire over the Prophet's head, but that Pillar of Fire better divide Itself and come into people to wake them up because these are the Mysteries under the Seals. But the Mysteries under those Seals are being manifested.

What are the Mysteries under the Seventh Seal? Are they being manifested too? The economics of the world: to bring famine that you can't buy or sell, and the wounding of Wall Street, and the Jews being trapped and their money being tied up with the Vatican and these things, are those Mysteries under the Seals? The Age of globalization and the uniting time and these things, where Rome is going to control the whole world, isn't that the Fourth Seal?

The law is being passed to bring in a persecution upon the Elect that She would be hunted down like dogs, and She will be pressed out. And when She is pressed out, then watch the Third Pull then, the Spoken Word part of it. Because right now, we are seeing the opening of the Word part of it because you have to see this part first so you know what you are looking at, you know what time it is, you know what part of the music sheet is being played out; you could hear the drums of the finish; you could understand the unfolding Mystery of the symphony of this great drama of God's Word taking place in this Hour!

Oh, this morning, that the church should get in the rhythm of the Gospel, that you as a believer, this should get you desperate and say, "Oh God, I need the Holy Ghost! Lord Jesus, I didn't plan to be seeing these

Things without the Holy Ghost and look these Things are being manifested, and I don't have the Holy Ghost yet! Hear my cry, oh Lord (amen!); attend unto my prayer!" Because, remember, in that Hour, they that were ready went in, and the other virgins who were with them could not go in. They had no Robe! When He came and started to check the robes, they had no robe! People, hear me today; hear this voice!

Isn't it strange? Watch this now. Watch this. Verse 6:

6 And he returned to be healed in Jezreel because of the wounds which were given him at Ramah, when he fought with Hazael king of Syria. And Azariah the son of Jehoram king of Judah went down to see Jehoram the son of Ahab at Jezreel, because he was sick.

Look at how Jezebel united them together. Look at how the nation was one under Jezebel, both kingdoms. It couldn't be done back in the earlier times because Jehoshaphat had pulled back. But when Jehoshaphat died, that Jezebel got their hand in again, and they then sent them to war together.

Remember in 2001, all congress, Democrats and Republicans, said, "We are Americans!" And they gave a state of the union speech, and everybody said, "Let's go after them! Let's bomb them back to the Stone Age!" Look at them at present, wounded, wounded. All that big show, watch them. Because both sides were deceived by that Jezebel. She manipulated and deceived both sides.

7 And the destruction of Ahaziah was of God...

(Azariah? Yeah.)

And the destruction of Ahaziah was of God by coming to Joram: for when he was come, he went out with Jehoram against

Jehu the son of Nimshi, whom the Lord had anointed to cut off the house of Ahab.

Do you understand? In that Hour, when they were trying to get over their wounds, in that Hour, there was an anointing on that bear. It seems like the Cold War revived all over again.

Oh God, my breath is gone. I'm now finished reading my Scripture, I should get ready to preach, but I have to stop; my breath is gone. If you say go ahead, you want a dead man in the pulpit. I wonder if some of you could take, could understand and grasp the part that is gone already. To put more on top of that, you have to have real capacity, friends. Do you know the kind of capacity you'll need to have? The kind of capacity that you have to have to hold that, to understand what is said already through the reading, much more to start to preach. No, it is no joke. You'll be throwing water in the sea.

Let the musicians come for me.

So, watch something here. Now the Prophet told us in the Pergamean Church Age. He said:

Now I want you to be very careful here and see this. God has promised that at the end time Malachi 4 is going to be fulfilled. It has to be for it is the Spirit-quickened Word of God spoken by the prophet Malachi. Jesus referred to it. It is just before Christ comes the second time.

“Just before Christ comes the second time.” Because when Elijah comes, he is going to take them out of that Jezebel system. And then what is going to happen? Afterward, when Jezebel starts the persecution, Elijah is going to go into Heaven without seeing death. That is the Rapture. That is the Rapture. This is the translated saints. And before he goes there, the famine starts and he enters into a supernatural economy.

We went through those things. He had learned under that revelation that man does not live by bread alone. He had learned to live by the Word. He had become the

Word. Did Elijah become the Word in this Day? Did he speak things into existence? Did he tell us that is what we're going to use when the Squeeze comes? He had learned to live by the Word. God was teaching him.

Jesus referred to it. ...just before Jesus comes the second time. By the time Jesus comes all Scripture must be fulfilled. The Gentile dispensation will be in its last church age when that messenger of Malachi comes. He will be right with the Word. He will take the whole Bible from Genesis to Revelation. He will start at the serpent's seed and carry on to the messenger in the latter rain. But he will be rejected by the denominations.

While he was on earth, he was giving this as prophecy. We are looking back, and that is history. He has been rejected by denominations. He did sow the seed of the entire Bible; he brought the former rain. Is that right? The Evening Message loosed the Holy Spirit; the latter rain showers began to come. That's right. Now watch.

Some people are looking for a VOOM-out-of-the-sky latter rain. No, friends, rain comes in showers. When the rainy season comes, sometimes, you leave... I'll leave my home; you talk about rain: a bucket a drop. The other day I was coming up to Chaguanas; I had to turn back when I swung off the exit to come onto the highway from Cross Crossing. The water was up to the bonnet, almost. I turned back. By the time I got out by Tarouba, the place was as dry as dry could be. With those kinds of showers there in one part of the country and a little way up the road, the place is as dry as dry could be.

Don't you see that? You go to one Message church, they are all down here. They don't know what they believe; no seed is put in the field. They preach against that church, they preach against this minister, they preach hate, they preach division, they preach strife, they preach contention. And then you go to another place, and the people have love, and they are united,

and they are focused, and they're rejoicing, and they are being blessed, and they're growing. What is it? In the same field, but one is as dry and as dead as it can be, and the other one, the seeds of the Message of the Hour are being quickened and being raised up, and the Word is living in people.

And you go from country to country, do you think you'll see the same church in every country you go in? I guarantee you that you don't see that. In some places, the Message has now started to come in there, the last ones and twos. In some places you go, the Message is there for twenty-five years. Like we went into the islands, twenty-five years, and they could hardly come to church and take five minutes of preaching. No burden, no vision, no expectations, no Spirit-filled life. They sit down there; sin, adulteries, fornications, false doctrine, in Message churches. That's right.

And then you go in some places, and you begin to plant some seed, and in no time you see people rising up. And before three, four years pass, brother, you think they're twenty years in the Message, the Things they are speaking, their expectation, the faith they get a hold of. And that's what we are seeing, little churches rising up. You get among them, they know their promise, they know the continuity of the Message, they know their time and their season; they know what part of the Word they are. And then you have people in the Message for twenty-five, thirty years, and you tell them what God is doing right now, to hear a Message like this of the things that are happening, they don't even have a clue. When you talk about Jezebel-Rome, it is something way back in the Vatican, in the Dark Ages. But to see Rome today, what she is doing now, how this scheme of hers...

Bro. Branham...I'll just put this in for you because this is where I was taking this inspiration from: *The Third Exodus* [1963-0630m -Ed.]

He said, "I talked..." I'm just going to read a little piece of it to save time.

I talked to a man the other day,

He went down to see this man.

He works for the Public Service Company, a fine man.

And he said, "I want to ask you something." [He] said, "You're Irish."

I said, "Yes, sir."

He said, "I'm kind of ashamed of it, but..."

I said, "I'm kind of ashamed of it, but, yet, I am."

And he said, "Well," he said, "don't you know that you really, really should be Catholic?"

Now, if you know American history, after they had established those colonies and so on, there was a time that they had a severe famine, and they imported a lot of the people from the Irish to come into America. They brought them in. Do you know how they carry people to pick apples and all kinds of things in the States? They brought in a lot of them to plant potatoes and different things.

He said, "My family, all the way back, Branham; that's Irish. My wife's family, all the way back, Harvey; that's Irish. They were part..." His ancestors were part of those who came from Ireland, and they came to the United States during that time. And those people were Catholic people, you see.

Now, knowing this Jezebel, they said from the first group of people who fled for freedom of religion, there were Jesuits in those boats, and here more Catholics were coming in. The same way they made Miami the capital of all Latin America. The same way they brought the immigration laws and rushed them from Cuba over there, and Puerto Rico, and Santo Domingo and filled up the place so they could build up Catholic votes in certain strategic cities. The same way on that landmass with Mexico, with all those laws, you have so many immigrants come over because that goes from Houston all the way to California, the longest land border in the

whole world. And all below is Roman Catholic: from Chile, all the way to Mexico is Catholic, and that is the border to come to the United States. And that's why in the key cities, all of this is strategy.

Like I was preaching just now: you get a hold of certain cities, and you get those states, and you get state laws passed, and you open up for foreign labor and imported labor, and so they come in as labor. After a while, they settle down; they bring their families, they bring their aunty, they bring their uncle, they bring different ones. You see the Chinese and everybody doing it too. This is a way. But while that is happening, you are building up a population; you are controlling business. And when election time comes, you have a lot of influence. People even run for office.

She works slowly, but she works surely. And it is prophesied in the Bible, Revelation 13, the Beast coming out of the earth, she is going to move there, and that Beast coming out of the earth is that Beast you see there wounded today. But I'm giving you some insights and what a vision. I trust you really see it, some of what I tried to get you to look in.

So he was talking to this man, and the man said, "You should really be Catholic."

I said, "*I am, ...the original Catholic.*" And they started to talk.

He said, "*Don't you believe that when a group of ecumenical minds,*" there you are, "*sets together and reasons something, and the entire group can agree, don't you think they'd be just a little... [He said] I come to hear you preach,*"... "*but I disagree with you.*"

The Prophet said that he was preaching on the *Church Ages*, and this man came down. So when the Prophet started to go down in some of the Things, the next day he met the man, and the man told him, he said, "You should be Catholic, you are Irish. You are preaching against Catholics." He said, "Look at you, do

you think you know better than all these ecumenical minds?” So this is the conversation they were having.

He said, “Don’t you think that a bunch of ecumenical minds setting together, could be more right, and being sure of being right, than just one little, uneducated fellow like yourself?”... [He] said, “what business you got to say anything against ... our church? When, there’s been, down through the age, when they had the first church council, as you spoke of, there one night...” when he heard..., the church ages, of the ecumenical council gathering at Nicaea, Rome, and formed the Roman Catholic church. [He] said, “Don’t you know there were thousands of men, spirit, God-sent men set in that council? And don’t you think that their mind would be more subject to know the will of God, than yours down here...”

And that is what people get...the way people think today. They say, “Bro. Vin, how are you sure? Could you be right? Bro. Vin, those people who are writing those articles, and those people on the news media, they are university people. You dropped out of school, could you be right?” People think the same, and so they take what you are saying with a pinch of salt. But if you get that in my Scripture reading this morning, you could imagine how it would get if I get a chance to preach? Think.

And don’t you think that their mind would be more subject to know the will of God, than yours down here, after God has proved through two thousand years that that church is right?”

I said, “He’s never proved it.” I said, “If that church is the Church of God, let us see it bring forth like the first Church did then. Let us see it produce the things they did at the first place. When, even in the Bible says, that, ‘Even not one tittle or one jot shall fail from It.’ And He said, ‘Whosoever shall take one word away from This, or add one word to It, his part will be taken out,’ whether

it's ecumenical council or whatever it is, 'from the Book of Life.' He's finished."

Said, "Billy, you're just erratic."

"And I said, "Then, I guess, one time in the great dignity of Israel, when they had separated like the Protestant and Catholic has today, Israel wanted to remain Israel." But I said, "We find out that they had a king named Jehoshaphat, a righteous man who tried to keep the laws of God. But they had another one over here named Ahab, who married a woman, politics, trying to get friends with another nation, and married one of their daughters, Jezebel, and brought her in, too, among the people of God." Same thing that we're doing..."

He was typing that with what was happening in the nation. And showing America, like Israel, is divided into two kingdoms like Israel was divided into two kingdoms though they were one people. And they had two different heads. And the one at this head started to get friendly with a pagan, the Roman system, and got into marriage, union, political union, with the Vatican who has the wealth because they want to secure their kingdom.

...and bringing in. "And she become a ruler; make Ahab say this, and make Ahab say that." Same thing [you're] doing now." And I said, "The showdown come."

They wanted to unite both churches together, as they're trying to do now.

When she came into the nation, she started an ecumenical move. And in that ecumenical move, she was taking Democrat Christians, and she was taking Republican Christians, and they were uniting them together. Because they are really her daughters. They had left home, and they fled for freedom of religion, but she came, and she began to gather them back very subtly.

And to Ahab...And even the Jehoshaphat, the organization man, said, 'Yes. That'll be fine. Your people

are my people. We're all Christians. We're all believers. Let's get together."

And he went into Micaiah. How Micaiah stood up there, and the man was watching the Word of the prophet before him. Because the prophet before him was a man named Elijah, who had come and took the people out of that Jezebel system, but the nation rejected his message. But he only got seven thousand. And his message didn't look successful because Zedekiah had four hundred prophets in the land, who were prophesying, and great big schools and big movements. And Elijah only had a little group.

Bro. Branham's ministry doesn't look successful in America when you go today. If you watch the congregations in the Message churches, and you watch T.D. Jakes' congregation, you watch Hagee's congregation, you watch Joel Olsen's congregation, you watch all these people who are preaching nothing, congregation, and you watch the people who are preaching these Things, you realize... If you watch Ron Parsley's and their congregation (do you understand?), you watch Benny Hinn's congregation... Bro. Branham's Message, his congregation, you walk in a little church there on a Wednesday night, you see twenty. They can't raise their hands; they go out in the restaurant, and they're eating. Yet, that was in America. But you go into the Congo, you go into Latin America, you start to realize that there are people who haven't bowed their knees. There are people who haven't bowed their knees.

Jezebel Religion [1961-0319 -Ed.] He said:

It's a striking thing to see the parallel between Israel of the Old Testament and America now. Both of them are great nations. Both of them were founded, and their people had come there, because of religious persecutions.

Israel had been persecuted by Pharaoh and had been in bondage for hundreds of years, where they were

deprived of worshipping the true and living God, and had been deprived of that privilege; and they become slaves.

He said:

And so is this nation of ours. We come here, and on Plymouth Rock this nation was founded on freedom of religion because our forefathers had fled Roman persecution of the modern Jezebel system, ... and stood many great persecutions and martyrdom under that false system of Jezebel. And according to the Bible, of Revelation, the 13th chapter, God had promised them an oasis, ...a place, for the woman was carried into the wilderness where she was fed for a time, time and a dividing of time.

Typing the woman America like the woman Israel (that's right), how she came over.

He said:

And then, we find, that this country came up as a freed country, and was...had a lamb, which means the Lamb of God. But, after a while, this same system that we have, spoke like the dragon and exercised all the power the dragon had before him.

They parallel, one to the other, perfectly. ... Israel came up and took her homeland and Palestine, drove back all the occupants of that land and possessed the land. We came in and took it from the Indians, drove them back and possessed the land. God had a reason for that. God was going to show the world what He could do with a little band of people that wanted freedom, and freedom of religion, to serve God.

Just like Israel drove the seven nations out, they came and drove those American tribes out. The same way, established themselves the same way.

... He made Israel the most mightiest nation in the world, and she stayed that way until she got out of the will of God. What did He do with America? He made her the mightiest nation in the world until she's getting out of the will of God. Parallel, one to the other, exactly.

When Israel came over in the land, they were a great people because they had great leadership. They had God-fearing men over them, such as David, King Solomon. All the world feared them, and they enjoyed that privilege of no wars, no troubles, and living under the power of God, until people from all over the known world come to see them. God gave them a gift of discernment, it was upon Solomon. And the queen of the South, ...queen of Sheba came all the way up across the Sahara Desert (taken her three months) just to hear the wisdom of Solomon. And when she saw that Solomon could discern spirits, and made known to her the secrets in her heart, she said, "All I heard about you was right, and more besides." She was convinced that that was God.

And America, upon the basis of our forefathers who came here for religious freedom...We had godly men in them days, as leaders: George Washington, Abraham Lincoln, men of renowned character, men of God. America was America, in those days.

He talked of George Washington and Valley Forge.

[And] there, we find what taken place, what did. Finally, the great hour come: Ahab was elected...

When Ahab came in, he came in through John Kennedy, who was a Democrat. The biggest rascal before him was F. D. Roosevelt, Franklin Delano Roosevelt. He changed the constitution, a dictator, one of the four angels that were bound in the River Euphrates under the Sixth Trumpet. My! Fascism, Nazism, Communism, Capitalism will all be taken in by Romanism.

That vision showed these five powers: four political, and one spiritual—religious, I should say. And that religious power was going to deceive the whole world. We see the mother of all abominations. We went through the message many times with F.D.R., how he was a tool for the Vatican. He took them into World War

II. The Prophet said, “We had no right getting into that war. He took us to the England Tea Party.”

You see, sometimes, a prophet says a word like that, it means nothing to you if you don't go back in history. You find the truths. He is laying the seeds for you to go back and see where that power is working. Because she financed Mussolini, she financed Hitler by Catholic wealth; got into power by Catholic vote. They became a military arm of the Vatican. They gave their strength and power to the Beast.

She was bound by Christian principles and couldn't let loose, so she let loose through the dictators until Hitler killed six million Jews by smoke, by fire, and by brimstone. And the smoke was the gas that they gassed them, the fire was the oven that they cremated them, and the brimstone was the bullets that they killed them with: one-third part of the men killed by these four; both angels bound in the River Euphrates.

And what was under that Sixth Trumpet after that? “And another mighty angel descended.” And the seventh angel, Elijah, was on the earth, and the Mysteries of God were coming to him! And what is after that? “And John, go and take the book and eat.” A Mystery between the Gentile Prophet and the Jewish prophets.

My, if I had some time this morning, I wanted to take you into something. I don't want to say it would blow your mind, but to show you when the Prophet came in, in 1933, when that Voice came down, F.D.R. was the President of the United States. He went all the way until 1945, a Democrat. Then after him, Harry Truman. And he went from '45 to '53. And they went to the Korean War. But in '53, Bro. Branham was going out into South Africa for a campaign. I'm showing you the Kings and the Chronicles continue in the Message, because when Israel's history is repeating, and the spirit of Elijah is in the land, it tells you who the king is over

here. It told you who the king was, and the religious power in the land.

Doesn't It say it in the New Testament, too? It says, "In the days when Annas and Caiaphas were high priests in Jerusalem," It says, "the Word...and Herod the Tetrarch was over Abilene and Galilee, and Phillip his brother, the Word of God came to John in the wilderness." It gives you the political power and the religious realm. It gives you the spiritual realm where a man, a Seal is opened, a Mystery unfolds, and a man with camel skin, like a wild man with a leather belt, eating locust and wild honey, is catching the Mystery of God, is seeing his ministry confirmed by the Dove! And the Word is coming to the prophet in the water! Hallelujah!

And when Hitler was rising in Germany, when he was getting ready – this anointed one to take power in Germany, and Mussolini was rising in Italy (amen), and Roosevelt was coming with the plan, the real deal to get America after the great depression shook them, seven prophetic visions: one, two, three, four, five, six, seven, dropped to a Prophet standing there (amen) after the Voice had said, "As John was sent to forerun the first Coming, you shall see..." And he saw all the way until the death of the United States of America when it was killed by the bomb! Hallelujah! And he showed to us how that is going to progress.

And here we are, right here in this Hour, and she takes over! And I'm showing you that after Harry Truman in 1953, Bro. Branham, '54, he went to Bombay. But America has Dwight Eisenhower as the President, and Stalin is gone, Hitler is gone, Mussolini is gone, but the power continues to unfold. The original Pentecostals: Smith Wigglesworth, died one night; Aimee Semple McPherson, died one night; Charles Price died. All three of them died within one year. He said, "And I was one man who was in the field." Here was one man, a servant at Supper Time!

But now you had Khrushchev – “clay”, in Russia. You had Eisenhower raised up there (glory be to God, amen!) – “iron”—which means “iron”. And both of them were going to come to the United Nations in 1959, and Khrushchev would take his shoe off and began to beat it on the desk. And the Prophet standing there in Jeffersonville, looking there and reading and hearing the news (amen!), and the Holy Spirit revealed to him what those names meant. Amen! He said, “Look at the iron and the clay. Five: Khrushchev leading four; it was five of them, and Eisenhower the head of another four, which was five on that side.” The two big toes, Russia and America, and the iron and clay came right down. And here, 1963, four years after, here was the Headstone cut out without hands, getting ready to come, and the world was falling apart again! Amen! But here was a Super Sign: God and man being united together! Glory be to God!

I’m just giving you some of the back parts of that history. But I’m coming down because I started to preach when Nixon, and Carter, and Ford, and Reagan... And I could remember what I was preaching because, in 1984, America and Israel had diplomatic relations with the Vatican. And Reagan took his office and made his sworn oath pointing to the obelisk on the west side. And then in his term, all the witches and wizards filled the White House because Nancy, she...they were occultists. Think.

1973, we came in the Message; Nixon—Watergate Scandal. He was going to be broken and removed from office with shame. Then Ford continued after Nixon. (I have a whole list of the pictures of all these presidents here, and the years, and I am showing you something.) And from 1974 to 1977 were crucial times in the Message. Everybody was looking for things to finish by 1977. Everybody was checking seventy-three and a half to 1977, and Gerald Ford had come into power. Nixon

and Ford were Republicans. And then Jimmy Carter came in, and you know the great Camp David stories.

And it was there that I started to preach those messages of how Prime Minister Begin went into the Oval Office and took up his Bible. He said, "Mr. President, you say you are a born-again Christian?" He said, "You say that you believe this Bible?" He said, "Here, God gave us this land." He shook them, but then they had to break Menachem Begin. And then Shamir would come, very feisty too; short, little man. But then they all got them out. They were too militant. And Ariel Sharon, who had the sword and caused them all this trouble in Beirut, and the Golan Heights and these places.

And then in 1981, showers of revelation. They started to fall in 1980, and in 1981, Seven Voices thundered out in Barataria. Because from 1981 to 1989 were the two terms of an actor from Hollywood, a fallen star. He came into the White House and acted as one of the greatest roles and began to talk about star wars. And [those] who were in Barataria could remember me preaching *Star Wars*. And I went back to Revelation 12, and I said that Michael and Lucifer, it was star wars. Because Lucifer pulled down one-third of the stars, and Michael had two-thirds of the stars, and they went to war. One king had ten thousand, and one king had (Jesus told the parable) twenty thousand. And I said twenty and ten are thirty thousand. And he said that they better count the cost before they go to war.

And preaching back there in that time, 1981, we had gone back out for the second time in the Sabino Canyon. And in 1981, the Dove came down in Tabernaculo Emmanuel. And there the songs began to be written: *God in Simplicity, Dove Leading Eagle*. And those meetings... Then in 1984, '85, and '86, some of the greatest things: *Principal Theme Of The New Testament*, the feminish spirit being taken out and

being revealed; *The Bride Coming Of Christ; This Is My Beloved Son, Hear Ye Him*, in Whom I'm pleased to dwell in; *Burnt Offering, Meal Offering*, and all of these things, coming up '84, '85, '86 until '89, *Traps Of The Mighty Hunter*, when the Age of globalization was coming in, and people could hardly even envision that Age.

And out in Canada, with about twenty-five countries present at the dedication of the Cloverdale Bibleway church, I preached on that Sunday morning with Bro. Billy Paul and them there. And I preached *The Return Of The Global Village* [1989-0910 -Ed.] and showed smoke signals all the way to satellite signals. The day before, I preached *The Traps of the Mighty Hunter*, showing how that woman, that mystery Nimrod, is on that hunt: how he is caging up the American eagle, going after the Russian bear, getting the two big toes, because you must have the two toes to have the balance of world power.

Those weren't little revelations, friends. Check back and see. Those Things came by...those revelations came by visitation, by visitation. Look in '84, *The Seven Vials*; '88, *The Seven Trumpets* and things. These Things came by visitation. God... It was from '81 to '89 that the ministry became worldwide. It came from a little thing in Cocoyea in the Scriptures but went to the West; 1983, "She has turned at the West." Everybody was looking for a geographical West; I said, "It's a scriptural West."

From the link on the West, the Word went into all of Latin America because those brothers were Mexicans, Bro. Isaac and them. Then It went up to Canada in '83. And from there, It went into Africa, all over because with these...preaching in these two places, these were people who were in contact with people across the world. And these two places sent the messages, the tapes, across, and people began to call and then we began to travel during that time.

This is not make-up, friends. I'm going back to history. I'm going back to history because even right here in the island, from Dr. Eric Williams, we came to Mr. Chambers, George Chambers. Then we came to Mr. A.N.R. Robinson and them; then we came to Mr. Manning; then we came into Mr. Panday and back to Mr. Manning. And while this nation started to get filled with crime, and while they were starting to go and try to bring back a Caricom unity when they had the World Cup, the Holy Spirit said, "Look at how they are using sport, and they are going to pass these laws."

And while they were trying to link that up, right here in the church, the Message went from cassette to CD, to Mp3, to VCD, to DVD, to streaming, and linked the whole region, that more people can hear the Gospel. Just like when Luther and they were fighting that war, Turks and Constantinople, a man, Gutenberg [Johannes Gutenberg -Ed.], was making the breakthrough to invent the printing press. And they tore down the wall between the East and the West, and the Jews from the East could travel West and help Luther to translate the Bible. And the printing press, the breakthrough in science, caused them to print millions of Bibles. And then Wesley and they disseminated them across all Europe. God was working with science.

And then the Prophet came and started to preach from the big spool. Then at the end of his ministry, he got the telephone hook-up in the last two years. And '64 and '65, he was preaching there in the tabernacle to the people in California, to the people in New York, to the people in Mexico, and to the people in Canada, standing there in the tabernacle, and they were all linked up. And many people who were coming, they didn't have to try to travel to come; they could have stayed in their churches and sit there and hear the Word.

Do you know what is nice about this? It is not just a website; it is churches that we raised up, that we are

preaching to, that believe this. It's not somebody looking in and streaming a service now and again. No, we are preaching to our people in our region because God has linked the region. The perception as to the things that have happened over the years.

And here, you all know when that first Gulf War, I preached *The Other Invasion, The Hidden Agenda* – the First Gulf War, and showed how they invaded over there, how they used Saddam Hussein; how they showed the satellite photographs. It was the same year that they had the coup over here. Then after President Clinton came in, and the Democrats came back in, and he opened the door: the homosexualization of the United States and the world.

Did you see recently, right there in the newspaper? Over seventy-five countries, over one hundred and twenty-one arrests, all kinds of big ministers, media people, doctors, all kinds of different...lawyers, different people. And that is just a little tip of the iceberg that gets there from time to time: how they're abducting street children, how they are making them sex slaves, how they are using the pornographic images to put on sites, how they are bombing out the minds of young people everywhere, how it is a billion-dollar industry of sin and sex and filth, of kidnapping, of child abuse. And then people want to support that and get involved in that, and become an accomplice to that, and get fascinated by that, and get that into their system when the Holy Spirit, here this morning, can give you a real washing and a real filling, and raise up your life out of the sewer and bring you up into a place, a heavenly place, where you can walk close with Him there, friends. Think of what is available. Think about that.

Don't let him blind you. Don't let him desensitize you. Don't let him put you to sleep. The devil has desensitized the people, dulled their senses into a drunken stupor; "She has drunken the kings of the earth, the inhabitants of the earth."

And then these last...well, don't talk about these last eight years, from 2001, September 11th, *The Results of America's Apostasy* [2001-0916 -Ed.], *The Day The Towers Fell* [The Day when The Towers Fell, 2001-0930 -Ed.], all the way this morning to **"Three Curtains"**. *Predators and Prey, To Kill And Take Possession, Extermination for Expansion, Depopulation By De-weaponizing And Disease, Destruction Of The Present Day Money System, Dividing The Land For Gain*; all these things while that king has destroyed the country.

And people are wondering: this bailout plan, why they refused to bail out. You see, a lot of people are not seeing. Lehman Brothers, a one hundred and fifty-eight years old business, they refused to bail that out; let it go down, because behind the scenes, are some ruthless wars. This one, Wachovia, weakened; they are going to gobble up... It's a game of monopoly, and the spirit is on everybody, and it's just taking control. They're like vultures moving to devour the wounded and dying, but it is all put out there so nicely. It all looks so patriotic. It's all for a "great cause". But as I told you at the beginning of this year, "The Lord is my Light and my Salvation. The Lord is the strength of my life." And I told you, I said, "This whole election is a distraction." This is a distraction!

If I had time, I was going to show you that the Prophet said, he said, "What is the use to vote when they already know who is going to go in?" And one of the things...the reason that I took this approach in preaching this is to show you that she's got the Democrats. She came in through F.D.R. then came to the seat of power in Kennedy. Then she bewitched the whole nation and brought all her filth and flooded the world with Clinton. And through George Bush, she destroyed the economy of the world, the economy of the nation, so that the Roman power could take full control—a Republican. She is controlling both sides. She has the nation, the entire nation, lock, stock, and barrel. Corporate

America... Do you think Bro. Branham didn't preach about all these things?

I don't want to take my time further. But, you know, just like when I was preaching on the *Seven Trumpets*, I couldn't get it at first. He said that nature will take a tumble. He was talking about conservation. Then one day, it quickened to me because the world is talking about ecology (and the Word is talking about something else) and the environment. And then I caught it. And from the time I realized his terminology and the world's terminology are the same but different words, so you can't recognize it and identify it because he was not an educated man. It is the same way he talked about these...

I caught something last night. I'll just tell you. I'm finished. I'm not going to go into it. I saw it all the years, but it never meant what it meant to me last night. It was on the First Seal. He opened up the whole thing about the money situation in the United States. And he said:

...I'll make it...as quick as I can. But I want to make it positive, 'cause...the Holy Spirit gave me that, just as certain as I am standing here.

He said,

I believe I preached on it here, not long back, what will happen to this United States, on [the] money situation.

He said,

Now watch this. ...just listen...how the Holy Spirit brought this out for me.

And he began to go in. And I tried to tell you all, "Why did he open that in the First Seal?" And then I saw it. Because the First Seal is religious deception. And this spirit that started as the antichrist spirit in the First Age, that came in as the Nicolaitans and started to conquer the laity, then went into Balaamism and lead you to a corrupt form of worship, then brings you to the Jezebel doctrine, and she united church and state

together, and then she reigned for almost nine hundred years.

That same spirit is the spirit that had come into America. The Protestants who had fled from her, from the inquisition and these places, for freedom of religion, she was going to come back, and by the money, she was going to do the same thing with the Americans. Because America is a type of Israel, and she is going to tie up the Jews with the money. It's the same way she tied up America with the money, the same way. And the same spirit, both sides, she broke them with the finance, both sides. And when that...because what is happening to Israel under the Seventh Trumpet, where their money and so on, the covenant would be made for the money—Daniel's people—is the same thing happening on this side, friends, because the Jews in America are tied to the same Jews back over there. The Wall Street here is tied to the same Jews over there.

And that's how she comes. When Jezebel came in, it was a political maneuver. And the Prophet said, "I would like to get a place where I could set down for about six weeks and just take those things and go through them back and forth through the Scripture."

[Testimony, 1963-1128m -Ed.]

It's astounding to see the hour...we are living in! It frightens me. It frightens me... In my heart, the joy bells are ringing, knowing that the Coming of the Lord is so close at hand. But, what frightens me, is to know so many is unprepared for the hour that we are facing. That's the bad part.

He talked about the trap, how it's a trap set to swing this nation into something. When Jezebel came into Israel, she could not get the two, Israel and Judah, at the same time. She worked with Israel. She got strong in Israel. Finally, she got a way and made a marriage, her daughter with Jehoshaphat when they went down in that ecumenical move. And she made an inroad and infiltrated the other side. And then the same idolatry

that was here in the ten tribes was also in Jerusalem until God had to send the Assyrians and the Babylonians, and destroyed the thing completely.

He said, [Lean Not Unto Thy Own Understanding, 1965-0120 -Ed.]

You know, the rich people of this nation, [these] big factories, and whiskey men and tobacco men, and so forth... is not going to stand to change the currency, so the only thing we'll have to do is borrow it. And there is only one place we could borrow it. And when we do, we sell our birthrights out to it. That's right. Then what are you going to do? You are owned by it, that system.

Do you remember how I took *The Adopted Son and The Economic Recession* [2008-0404 -Ed.], *Power Shift* [2008-0408 -Ed.]? Joseph owned the people, everybody, lock, stock, and barrel. When they were finished, he said, "Give me your land. Give me your houses." When he took that, he said, "Give me your bodies." He took everything. They became property.

It is a time to reflect. It is a time to be sober. It is a time to study the Scriptures. Look into the Scriptures; see these things that are happening. The world has changed rapidly around us. And you all know in this church, as a watchman in this tower, from the day the Towers went down in New York, the Holy Spirit has not failed to go through the Word back and forth.

From the time this thing struck in November there, the Holy Spirit came up with Word after Word after Word on these things. We went out into Peru—we're getting ready to go down into Chile this month, three cities down inside of there—while I was there...we came back. We went into St. Lucia for Easter; came back. We went back in May, went back in June; started to see people coming out and being baptized. Then we went back recently, then this last weekend again we were there and saw people being baptized, on both occasions. And the Word even got into the very ex-Prime Minister's office, just sitting down and talking with him about the things that are happening, as a leader in the Caricom

region. Seeing our very own nation, the kind of scandals, the kind of things coming out; seeing the blindness of organization, seeing so much of the Message world desensitized.

As I said when Bro. Bart called, he said, “What is happening?” He said, “These things have to mean something.”

We stood there; on the phone, I began to preach to him. I said, “I’m going to send you a few messages. You’ll be able to see and hear what the Holy Spirit has been speaking to the church.”

And this last thing, friends, here, the trap. I’ll have to take the next service to get it. The trap is a way she wants to come in and control the state to unite church and state because she is still bound by Christian principles. But she is finding a way through her war on terrorism to deceive the nations. And she has deceived the nations, and now she has destroyed the economy of the United States that she, herself, has to come to bail them out. Wall Street needs her. And all that time, the little church is not unconscious. The Holy Spirit, in dreams, revelations, supernatural visitations, appearances, is showing Himself. Not just here; out in Central America, out in the region, because God wants you sensitized.

We will find ourselves just now having to make very difficult decisions as a church, as a people: what we are going to do, how we are going to operate, how we are going to function. We are going to find people here under the pressure. If they don’t have the Holy Ghost, they’ll not be able to stand. Some, maybe to save their own skin, will have to back away from the Truth.

Peter did it in Judgment Hall. He said, “I don’t know that Man. I’m not one of them.”

Jesus said, “You will deny Me.” Because they were coming along and then they hit that Hour when a deep sleep came, and they couldn’t shake themselves out of that sleep. And He said, “Couldn’t you all watch one

hour?” The Hour that had arrived when they were supposed to be prepared and fortified and understood that this is what He was saying from the time He started: “Destroy this Temple; unto this end was I born and for this cause came I into the world,” preaching His messages. All man began to forsake Him.

And that forsaking time will come, friends. And that’s where you will have to have the Word inside of you. You will have to be tied to the Absolute. You will have to have a Spirit-filled life because in that Hour...and the Hour has come. You see, as I preached to you in the meetings, forty-two years, the devil has had to deceive the Bride, and he couldn’t deceive Her. He deceived the foolish virgins in the Message because they didn’t have the Holy Ghost. Because they know the Word by reading, but the Bride who is the interpretation of the Word, he couldn’t deceive Her because She has the experience to identify what God is doing. Then after that, he has to come with political power to destroy.

That’s the two-prong attack of the enemy the Prophet said: deception and the attempted destruction of God’s people. That’s what Cain did. When he couldn’t move Abel, then he had to turn around and kill him. That is what they did back there, the same way in the Church Age, with the white horse rider and deception. Then they united church and state, and they brought persecution and started to kill the Christians under the red horse.

We have come back to another Pergamos, the marrying of religion and politics, church and state, where the church comes to be the power behind the state. And the church can use the power of the state to accomplish her will and force her religion now on the whole world, because in the end, after Babylon conquered the world, he put up the image and forced them to worship that image or die. We only read about three Israelites and Daniel though there were hundreds and thousands of them down in Babylon. We only read

about three standing at the beginning of the Gentile dispensation who had the faith because they were aware of the Supernatural; *End-time Daniels*.

Jezebel was behind the throne in Israel. Athaliah was behind the throne in Judah. Herodias was behind the throne with Herod. Zeresh was behind Haman when he was moving forth as Prime Minister to bring a slaughter on the people; all these women. The Vatican is the woman today behind the United States. All these women are a type of this evil woman in the last days, who is thirsty for blood. She wants more blood.

Elijah got seven thousand out. Elijah got people who didn't bow to that system. You say, "Well, I don't bow to that system." Maybe not with a chaplet, and maybe not with a host in your mouth, but all the abominations in the world come out of her.

Do you like the pornography? That came out of her. Do you like the fashions? That came out of her. Do you like the sports, the games? That came out of her. So maybe you are not worshipping the St. Anthony idol, and the St. Christopher idol, but you are worshipping the sports idol, and the movie idol, and the music idol, and the fashion idol. And you are beating your chest and saying, "We'll stand against Rome when the Squeeze comes." And you are already drunk from the cup of Rome and don't know it, because Rome for you means a Catholic priest. But who she can't conquer by religion, she conquers by sport. And who she can't conquer by sports, she conquers by money; who she can't conquer by money, she conquers by politics. And she will break you one way or the other, even through extortion and blackmail.

Did you notice recently how many US senators...? They brought them out in the open: pornography with little boys, call girls. Do you think that is just like that? No, that is what I'm reading here. They are killing them. They are killing them, and they are taking them down. And they are putting people into their office, and they

are restructuring. And it looks like they are sabotaging themselves, but it's a way to restructure. But they already have a plan to rebuild. It's a new order. It's a new society where Satan is enthroned as god. "And the man of sin will sit in the temple as god." [2nd Thessalonians 2:4 -Ed.] And all those who are asleep, who the Thunders didn't awaken, will worship him. But those who the Thunders awoke from that sleep, they'll move into a Rapturing Faith.

Oh, praise His wonderful Name.

May God help us, church. It's a time, in your heart you want to find a place to walk a little closer. You want to find a place where you can, you can really enter in.

Let's just sing this little old hymn of the church:

Turn your eyes upon Jesus,
Look full in His wonderful face;
And the things of this earth will grow
strangely dim.

#188 [Songs That Live -Ed.] Let's start with the chorus.

Turn your eyes upon Jesus,

Do you see those three curtains today? He said, "Fear that purple one." She is the one that the Bible prophesies will control the world. But watch the other two how they are rising, also.

And the things of earth...

That's the only thing that will make the things of earth grow strangely dim, friends; it's when you turn your eyes on Jesus.

In the light of His glory and grace.

Why don't you lift your hands and sing it one more time.

Turn your eyes...

Turn...

Look away to Jesus. Look away from Satan's Eden. Look at His majesty unveiled and coming, coming down to pick us up. Do you hear that buckboard coming, of

the ranch boss' son? Did you believe Him? Are you ready and waiting? Can't you tell what's that rumbling?

*And the things of this earth will grow
strangely dim*

In the light...

...of His glory and grace.

Let's all look inward as we sing this now:

Oh soul, are you weary and troubled?

*O soul, are you weary and
troubled?*

No light in the darkness you see?

No light in the darkness you see?

[Oh, there is Light from His Word today.]

There is Light for a look...

*There is light for a look at the
Savior,*

And Life...

[His Word is Spirit and Life.]

...more abundant and free.

["Thy Word have I hid in my heart."]

Oh, turn your eyes, turn your eyes upon Jesus.

Turn your eyes upon Jesus,

[Hallelujah!]

Look full...

Take another look at Him. Maybe years ago, some of you looked at Him, and you gave your life, you went down in the watery grave, but what about today? What about now, this morning, sitting in His Presence here? Take another look, friends, because you, beholding the glory, are changed from glory unto glory.

In the light of His glory and grace.

Through death into life everlasting.

Through death into life everlasting

He passed, and we followed Him there;

Would you follow Him today? Like Elisha following Elijah, it brought him into a double portion.

Over us sin no more hath dominion.

That's where it leads you until you have so conquered your own self; Satan doesn't have one place in you.

...for more than conquerors we are!

Oh, all around the building, everywhere, lift your hands and worship Him. Turn your eyes upon Jesus. Just enter into the Spirit and worship Him today if you believe we have come to this Hour. He's been warning us. He's been speaking to us. This is a time to know, friends, to be certain of God, to know your account is settled; to know you have laid aside every weight and every sin; to know you have trimmed your lamps, and they are filled with Oil. Purpose in your heart as you see the darkness.

Rehab knew judgment was at hand. She looked at that little scarlet thread, but it gave her peace. It might be a little message this morning, to some of you, but it sure gives you peace when you understand what it is, to you hear that Word in your midst.

His Word shall not fail you,

He says, "Not one jot or one tittle shall in any wise fail." *His Unfailing Words Of Promise* [1964-0120 -Ed.] He is the God of the Amen.

Believe Him, and all will be well;

No matter what circumstance, what condition you might be confronted with, faith in God can move a mighty mountain.

[Oh,] then go to a world that is dying,

A witness: one who sees, one who could testify, "He is risen! He is not dead!" One who could introduce a living Christ, a God Who could quench your thirsty soul.

...perfect salvation to tell.

[Oh,] turn your eyes...

Oh, blessed be Your wonderful Name, Father. We look away to Jesus. We look to You, Lord, believing in Your great grace and mercy, thanking You, dear God, for Your simplicity, things that great economists, great historians, baffled [with] in their minds. It doesn't seem reasonable, but, oh God, this evil pagan power, this

religious power coming in by deceit with the avowed intentions to turn the people away from God, set up that pagan religion...

Through death into life everlasting

Cross that Jordan today, friends; cross that Jordan.
It is going to take you out into Canaan Land, the Holy Spirit.

He passed...

[That ark went before them.]

...and we followed Him there.

Over us...

[That should be our testimony.]

...sin has no more dominion.

Sin no more has dominion,

Oh, what a confession, what a confession!

For more than conquerors...

You conquered yourself: the lust of the eyes, the lust of the flesh, the pride of life. You've become a prisoner bound in the chains of the Word that God could have the preeminences.

Oh, turn your eyes upon Him.

This same harmony that existed between the Father and the Son must now exist between the Bridegroom and the Bride. He did nothing except the Father first showed Him. He had **THUS SAITH THE LORD** or He kept still. That same harmony is to be here. His meat was to do the will of Him that sent Him and to finish His work. "I do nothing except the Father first shows Me," He said. Oh, how we are called to be that in this Hour; how we are called to be that in this Hour.

...of His glory and grace

[#190 - Songs That Live -Ed.]

I'm pressing on the upward way,

New heights I'm gaining...

New heights I'm gaining every day;

[Oh,] still praying as I'm onward bound.

Don't stop. You keep praying and keep pressing, you will come to the top of that mountain. That Dove will meet you there, friends.

“Lord, plant my feet...”

He climbed way up high. How many have that desire today?

Lord, lift me up and let me stand.

How many want to climb up? Hallelujah! He was climbing into a perfect healing. He was climbing into a new ministry. He was climbing into a place where he knew his enemy was dead, done away. He was delivered completely. What a realization! You climb today. You climb up. This is a place where you can meet with Him today, friends. Just in sincerity; not any great big, emotional business. In your heart, “I need an extra touch. I need some new strength. I'm at the filling station, fill up my tank for me (amen) with premium.” This is premium Word, friends. Hallelujah! “Clean up my windshield a little bit (amen); I want to see clearly. I want a clear vision.”

My heart has no desire to stay...

Don't you feel like that today when you see all these things happening in this cold, dark, evil, polluted world?

Where doubts arise and fears dismay;

He will meet with you, my friend. Stranger, visitor, take this opportunity, take this opportunity! This is a late Hour. Believer, do you feel your fire has gone down? Let Him relight your life again. Don't let that fire go out of your life; let God, with a mighty, rushing wind, fan that flame back into your life. These are godly men here; come and let them pray with you.

Make that your prayer; make that your aim: higher ground, higher ground! You will see better when you go up higher. Your vision will get greater when you go up higher. Hallelujah! Oh my!

Lord, lift me up...

You come expecting Him to lift you up. “Lord, lift me up; put me on higher ground, put me on higher ground where the eagles fly.” Hallelujah! Let Him do it for you. Hallelujah! He is faithful, friend. Come, trusting Him. Come, believing Him. Come, knowing He will do it for you. Come, knowing He will not disappoint you. Come, asking, believing. Hallelujah!

Where is Bro. Junior, Bro. Ellis; some of these brothers?

[Oh,] than I have found;

And let me say this: some of you, don't just come and wait for people to pray for you. Some of you, come to the altar, you kneel down and pray, God will hear you. God will hear you, church. You are a son of God, a daughter of God, you can ask for yourself. Don't look for the Catholic priest; you come and pray!

[Oh,] I want to scale the utmost height,

Don't you believe that God will hear your prayer, some of you? Don't stand there and let that Anointing leave you. While that Anointing is close to you, get on your knees and call on God. He will do it for you. Prayer meeting is not for Friday; prayer meeting is whenever the Holy Spirit moves upon your heart. He will do it for you.

Hallelujah!

And some of you brothers, don't spend all day praying with some of the people. Just have faith; pray quickly. Amen. Pray quickly. Ask God in faith, that many of these people, the Spirit can get to them. Before they get back dry, while the Holy Spirit is upon their heart, moving (amen!), just pronounce the blessing. Hallelujah!

...and let me stand,

Hallelujah!
