# SPIRIT BEINGS, DIMENSIONS AND BODIES

TRINIDAD

WEDNESDAY 30<sup>TH</sup> NOVEMBER 2005

**Bro. Vin A. Dayal**

[# 927 - Songs That Live -Ed.]

*That's a mansion He's built for you and me.*

Oh, let's try the first verse: If this earthly house...

*If our earthly house of this tabernacle be dissolved*

*We have another waiting eternal in the heavens.*

Oh, He said I go...

*He said I go to prepare a place for you,*

*That where I am there you may be also.*

CHORUS:

*From the earthly to the heavenly*

*From this body to my theophany.*

*From this old pest house to my Father's house*

*That's a mansion He's built for you and me.*

*That's a mansion He's built for you and me.*

Oh, in this body we groan...

*In this body we groan, desiring to be clothed upon*

*With our bodies celestial in the Heaven,*

*When this corruption shall put on incorruption*

*Then mortality shall be swallowed up of life*

Oh, from the earthly...

*From the earthly to the heavenly*

*From this body to my theophany*

*From this old pest house to my Father's house*

*That's a mansion He's built for you and me.*

*That's a mansion He's built for you and me.*

1 Hallelujah! What a great Truth the Holy Spirit has made real to us under this Message of the Hour and is putting us under great anticipation. We who know the time is about run-out for the Rapture, the great

Translation, one of these days between six and nine, He'll come and take us away from here. Do you believe that? How many are looking for that? Amen. Praise His mighty Name.

2 The world wasn't looking for the Angels when they came but the Prophet knew they were coming. He was under expectation for it. Do you think when they come back again the world will know? But there's a Bride that will be ready just the same. She'll be under anticipation because when you see that Cloud coming, look up and lift up your head, you know your Redemption draweth nigh. Amen. I trust that you feel good tonight.

3 We are one less. Our precious Bro. Marlon Williams, I don't know how many of you would have known him. He was new in the Assembly in the sense that he wasn't here that long a time. But he died on Friday the 25<sup>th</sup>, and the funeral service is yet to be announced. I believe that most of you who would have known him, would have heard this news already. But this brother, I believe that his coming here was not just like a casual visit. I believe he truly identified himself with the Word and what we believe here, by the grace of God.

4 So, I doubt that there is not one of us here today who knew him, that wouldn't have that blessed assurance in our hearts that he left in a condition (I believe) where he was ready to go. He wasn't the kind of person who was just coming along. He believed the Word. You would always see him there in the service, sitting down, rejoicing in the Word and always making himself available to help and do whatever he could. But death for him was very sudden. I don't think he was expecting to die; he wasn't looking for it to happen. It has also maybe shaken up the family members, because he was in good health.

5 I remember one of the new couples that came and identified themselves, were also testifying to me of how this brother was speaking so highly of the work and the ministry and the Word here, that it had such an influence on them. And that is just a couple that is now coming in and I think are to be baptized on Friday. I was speaking to them last week and they were sharing that. And then to come and hear that our Bro. Marlon Williams passed away suddenly.

6 We would really like to bow our hearts tonight and give God thanks. Because though his stay with us was short, God knew where to bring him, and under what circumstances God brought him. But he came and he made not just an identification with us, but with the Message of the Hour. And he stood among us as one that was faithful at his post of duty, coming in and going out. We have nothing to say that is of a discredit to him, but all that we see and know, we certainly can give a compliment for the way in which he lived and walked among us.

7 Our gracious Heavenly Father, even as we sing this little song tonight, *From The Earthly to the Heavenly*, for that is what is written in the Bible, that's the promise for the believers: "If this earthly house of this tabernacle be dissolved, we have another one waiting for us, eternal in the heavens."

8 And what great joy and gladness, Lord, we have in our hearts, when Your Prophet came back from 'beyond the curtain of time' and testified of that Place, and testified of the great provisions that You have made. Even as the Apostle Paul has said, "Eyes have not seen, ears have not heard, neither has it entered into the hearts of man, what You have prepared for them that love You. But You have revealed them unto us by the Holy Spirit."

9 That's why, dear God, even with death, Lord, we don't sorrow as those who have no hope. But God, we rejoice and especially when we know it's a believer. Even thinking, oh God, not only of him, but of the passing away that was so sudden also of Bro. Harold Beckett's daughter. Lord, a young mother, a girl just recently married and had to go, Lord, even when the parents were of the opinion, Lord, that she had begun to recover. Surely their hearts are heavy tonight, way down in Cape Town. Also our Bro. Harold, Lord, we know had been among us here, ministering for us, even as we had been there, Father.

10 Two of these saints, one from here and one from there, our Bro. Marlon and our Sis. Phoebe, Lord, who have completed their earthly journey. Had we known of Your plans and could have seen Lord, a vision that this would have been their time, it may have helped to prepare us. But even dear God, with the sudden passing away, yet we are grateful to know that these, who we have come to know and to be associated with in this earthly journey, that Lord they walked as believers. They had a real Christian confession.

11 How it pays, dear God, to live true. How it pays to walk Lord, before You circumspectly, not as fools but as wise, redeeming the time, knowing that the days are evil, and knowing oh God that our calling home could be as sudden, even as the Rapture would be sudden one of these days.

12 Lord, we give You thanks, Lord, for the lives of these believers. Especially our Bro. Marlon, who served right here in our midst, dear God. We pray, Lord, that You would bring comfort to the hearts of his family, his loved ones. Hearing his mother, who traveled from the United States to be here and even had to be hospitalized when she arrived, perhaps of the sudden passing away and the shock it had been for her, and then the lengthy trip which she had made had taken its toll.

**13** We ask tonight that You would stretch forth Your nail-scarred hands, Jesus, and, Lord, You would touch her and give her strength and health and raise her up, oh God. His brother and sister, may You comfort them Lord, and encourage them. May Your Holy Spirit be around them at this time. And dear God, may the influence of his testimony, Lord, have such a profound effect upon them, that dear God, out of this You would be able to work something for good, that the footprints that he has left behind could serve as an incentive, for them if they are not serving You, to take a stand and walk in Your Word, Lord.

**14** We thank You for his life and his association with us, Lord. We thank You, Lord, for the wonderful smile that he would have coming in, and the respect he gave to Your servants and the officers at the door, and Lord, his willingness to make himself available. Lord, even in these things, You said, not even a cup of cold water... How much more that is, dear God, to know that he was identified with You in water baptism Lord, and Lord, as best as we know, he walked a God-fearing life. May dear God, You let the influence be remembered, oh God. Even Lord, as one to go in this season when the Holy Spirit is speaking to us of this blessed hope and what awaits us at the end of the road, and for the faithful oh God, who will endure to the end, that it'll serve to be an inspiration, that when our time will come, we too will be ready, Father. May You grant it, dear God.

**15** Even Bro. Harold and Sis. Ernestine Beckett, Lord, friends of ours. Lord, hearing the news yesterday and then even today dear God, we pray that You would comfort them and strengthen them and be with them at this time. Lord, You are able, oh God, to give strength to carry these burdens. And You are able to make these trials a blessing. Lord, You will get honor and glory out of it. And knowing him to be a witness of the Resurrection in this Evening Time, that our Lord Jesus

Christ showing Himself alive, and coming and raising us up out of dark denominationalism, even to go forth and tell this Good News, as Ministers of this Message.

16 Lord, we know that he knows where she has gone, and we pray that that would serve in this hour, even to be stabilizers upon the family, even her husband, Lord, her young child, Lord, the members in the assembly; her friends. All who were close to them and would have loved them and would feel the pain of the sudden going, may You bless them and comfort them, Father.

17 Even as we are gathered here tonight, speak to us and continue to build up our faith. Take these few thoughts dear God, that You've put upon my heart and these things that You have touched my life so deeply within these last few days, Father. I pray, Lord, that You would give me grace to be able to know how to even express it, that it can be expressed in a way to shed abroad Your love in our hearts by Your Holy Spirit. Make the Scriptures real and give us faith, oh God, in Your great promise in this Hour.

18 Undertake for all Your children that are gathered here. Remember every need. Lord, our little Sis. Destiny Allert, warded in the San Fernando Hospital, broken out with this allergy, Lord. Lord, we ask that You would watch over her, Father. Whatever medication the doctors may give her, God may You sensitize them. So many people, oh God, even Bro. Harold's daughter, Lord, through misjudgment and maybe somebody's carelessness, Lord... Lord, we pray that You watch over her; most of all that You would touch her and heal and make her well, that she would be restored to her normal condition, come out of the hospital well, to be back among her family. Grant it tonight we pray. We ask this mercy, this blessing upon our sister.

19 May Your children out in the islands that are gathered also, comfort them, Lord, and strengthen

them. Meet their every need, oh God. Show Yourself alive in their midst. Continue to open up the revelation, build them up in the faith. Strengthen oh God, the brothers. Remember Bro. Delroy, Lord, going through a rough time. We ask that You will remember him, dear God. That Your Holy Spirit, Lord Jesus, You, the great Shepherd of the sheepfold, may You reach down Your hands for him, Lord. May You strengthen him. May You dear God, encourage him and build him up, Lord, and quicken Your Word to him.

**20** Lord Jesus, may Your love, oh God, so move even among the brothers and sisters out there in Dominica, Lord, that they Lord, would continue to strengthen those, oh God, in their midst and those that are connected with them, Father. Even remembering the weak ones, out in St. Kitts and the young ones now coming up in St. Lucia. Lord Jesus, remember them, dear God. Remember them we pray.

**21** We thank You Lord for Your great grace, to know that You are reliable and dependable, knowing that we can cast our cares upon You, knowing that You careth for us. Have Your blessed way amongst us now. Lead us and direct us in all that we should say. May it edify the church and bring honor and glory to You. We pray and we ask it, in the Name of the Lord Jesus Christ. Amen.

**22** God bless you. I would like to invite your attention to the Book of Revelation tonight. Thought I would preach tonight because I'm hoping to have a different kind of service Sunday, and maybe more for the church and not too much of the rigid preaching. So the Lord seemed to deal with me after Sunday there, and really Monday and yesterday, and even all day today. And so I would like to speak. I feel good to come in His house and speak a little bit tonight.

**23** I would like to read over in Revelation Chapter 9 and Revelation Chapter 20; take these two places first. Revelation 9, verse 1, this is the Fifth Trumpet.

*<sup>1</sup> And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and [unto] him was given the key of the bottomless pit.*

**24** Notice, this fallen star which fell from heaven unto the earth is spoken of as ‘him.’ And he is given the key of the bottomless pit, and that’s a place in the spiritual realm.

*<sup>2</sup> And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.*

*<sup>3</sup> And there came out of the smoke locusts upon the earth...*

**25** With the opening of this pit there’s a releasing of these locusts, as John was speaking here in the vision, when he saw the vision. These things have already happened. We know that.

*...and unto them was given power, as the scorpions of the earth have power.*

*<sup>4</sup> And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.*

**26** That is very, very instructive, when you see here the bottomless pit being opened. God by permission... The Bible says the key was given to the fallen star, which we know is Lucifer. “How art thou fallen from heaven, O Lucifer, son of the morning!” [Isaiah 14:12 -Ed.]

27 And here came out locusts upon the earth and it was commanded them that they should not hurt the grass or any green thing, (which is normally what a natural locust would do, but this is not a natural locust), but only those men which have not the Seal of God in their foreheads. And verse 11:

*11 And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.*

28 Which means 'destruction'. That's the same angel. The fallen star is that angel who hath the key, who opened that pit and brought these out. And he is a king over them. And verse 16:

*16 And the number of the army of the horsemen were two hundred thousand thousand: and I heard the number of them.*

29 And let's just turn to Revelation 20, verse 1:

*1 And I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand.*

30 And this One is not the fallen star now, because that one 'fell' from Heaven, this One 'comes down' from Heaven. Revelation 9:1 is a fallen star from Heaven; Revelation 10:1 is another mighty Angel come down from Heaven. One is Lucifer; the other is Michael, Christ – the two heads. One is the tree of knowledge of good and evil, the Tree of Death; the other one is the Tree of Life. Life and Death.

*2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan...*

31 See, this is the fallen star here:

*...and bound him a thousand years,*

*<sup>3</sup> And cast him into the bottomless pit, and shut him up, and set a seal upon him, that he should not deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little season.*

**32** First, he is bound, but the time that he is going to be bound is a designated time: a thousand years. And when that time is expired, the Bible says, when the thousand years are expired, 'is run out', Satan shall be loosed out of his prison.

**33** Notice it's a prison, and he is put there to serve a sentence for a thousand years. And then he is given parole I should say, to come out and behave himself. Do you understand what I am saying? Because God is a Judge and God has a judicial system, and God is putting him in prison. He is bound with a chain by this Angel Who had 'the chain and the key'.

**34** Now, all of this is the Word. If you go through the Book of Revelation, it starts with Jesus with seven stars in His right hand. Then it turns, and He has a Book in His right hand. Then it turns, and He has a sickle in His hand. Then it turns, and He has a key in His hand. And every time you see Him, in His hand, what He has there is the Word. Because the right hand speaks of His power and authority. And verse 8:

*<sup>7</sup> And when the thousand years are expired, Satan shall be loosed out of his prison,*

*<sup>8</sup> And shall go out to deceive the nations which are in the four quarters of the earth, Gog and Magog, to gather them together to battle: the number of whom is as the sand of the sea.*

35 May the Lord bless the reading of His Word. You may have your seat. I would like to take for a little title tonight, and call it “**SPIRIT BEINGS, DIMENSIONS AND BODIES**”. Because the Scriptures we have read so far are showing us ‘dimensions’. These locusts and this fallen star are intelligent spirit beings. They are angels that were once in the Presence of God, that are in a fallen condition today.

36 Now you find everything that is happening in the spiritual realm, is reflected here in the natural realm. I trust that you are learning to appreciate that, because in the last few services I’ve been kind of laboring with that a little bit, holding that before you: that all the things in the natural realm were specifically designed with the intent to help you to understand the things that are not seen. “The things that are made were not made by the things which do appear.” [Hebrews 11:3 -Ed.] And the invisible things are understood by the things which are seen. And we don’t walk by sight, looking just to the visible things; we walk by faith looking to the unseen things, looking to the unseen realm.

37 In other words, when we do look at this realm, it is only a reflection, or the expression of the influence that is coming from the invisible realm. That is why we could look at the Prophet and see God, see Jesus Christ. Why? Because though we are seeing a man before us, there was an Influence in this man being projected out. He was just a reflector reflecting the invisible God. And that reflection was coming through him because he was predestinated in this Age to reveal this invisible God: “The Son of Man shall be revealed.” But we saw the invisible Son of Man being revealed in a visible son of man. Do you understand that? And that’s why today people stumble over the simplicity of God because when you look, the Prophet said, “What do you see?” He said, “You have to discern what you see and what you hear.”

**38** That is why he said, “So many are sick and weak among you because they can’t discern the Body.” They are seeing the visible, but they are unconscious of the invisible that this visible is really reflecting. Because the Body of Christ, the reason it is called the Body of Christ, and it cannot be called the Body of Christ otherwise than having the Spirit of Christ in the Body. As long as we talk about the Body of Christ on earth, we are saying the Spirit of Christ is tabernacled people. Otherwise there is no Body of Christ. Because that’s the Life of the Body. It is He in the Body. Because it’s by one Spirit you are all baptized into the Body. And without that Spirit of Christ in a person, you cannot say that that person is in the Body. When you say that person is in the Body or is a member of the Body, you are actually acknowledging that God, the Spirit of Christ, the Person of Christ, lives in that person.

**39** That’s why a Christian doesn’t just make a statement like a religious person. You understand what you are saying. You understand what you are talking about. And the Body of Christ, we know by revelation, is made up through Seven Church Ages. And the last members of that Body are on the earth today. This is the Age where the Body is completed. That’s why the Rapture can take place. He is raising up His Body. He has come to glorify Himself in His Body. Amen. So it’s a great thing when you look and see, that you can understand how visible things reveal the invisible.

**40** Now in this, there are some things that may be hard for you to grasp. I trust God gives me grace that it would not be hard for you to grasp. But it’s so marvelous. I want to take my time. The Word. To preach some of these things, I tell you, it amazes you to see the Book that is opened to us, and doesn’t stop from continuing to be opened.

**41** I don’t know how much you could catch out of what I have read so far. But that Fifth Trumpet, it shows

us the fifth dimension. That Fifth Trumpet opens to you that fifth dimension. Why? Because you see Satan, the king of those locusts, those fallen angels, the angel of the bottomless pit, is doing what? Bringing out his army out of Hell. Disembodied spirits – they have no body. They were chained with chains of darkness. They were imprisoned in that pit, just like Satan himself is shut up in that dimension.

42 But then a key was given them and with that key being given them... Now as I say, you have to be a Message reader because every time I come, and some of you look like your mind is somewhere else, I have to go and explain this and explain this and explain this, and sometimes I just want to bypass those things. In *Key To The Door* [1962-1007 - paras. 41- 44 -Ed.] there's a key of knowledge, there's a key of science, there's a key of mathematics. These are keys. Jesus gave Peter the keys to the kingdom: that's Truths, that's revelations that can open a door. When a door is opened or a way is opened by a key, when somebody has a hold of that key, it gives you access to things.

43 Who discovered the fourth dimension? Martin Luther? John Wesley? No, no, no. The scientist. The scientist discovered the fourth dimension. Who knew it was there all the time? Nobody. The Prophet said, "If you go to tell them that television was here when Adam was here, they'll think you are crazy." He said, "Years ago, if you told them, live images and voices are passing through here right now, they'd think you are crazy; could be seen around the world instantly." He said, "Science only discovered that dimension. It was there all the time."

44 That's why the prophets and they could break into that realm and see visions: past, present and future. That's where Isaiah looked down the road and said, "A virgin shall conceive. I see a man, one, the voice of one crying in the wilderness; he'll make a highway in

the desert for our God. I see a virgin conceiving.” He died; went off the scene. Seven hundred and twelve years after, the prophecy was still waiting to come to pass. But it came to pass exactly, precisely with the opening of the New Testament. The Holy Spirit Who gave the prophecy through Isaiah, came back and said, “And the angel Gabriel went to Zechariah in the temple. And the angel Gabriel went to Mary.” She was going by the well, the history says. Amen. And both of them, He spoke Isaiah’s prophecy to them. It was fixing to come to pass. He saw it.

**45** Just like John saw: “And when that mighty Angel descends, the seventh angel Messenger will be on the earth at that time. In his sounding, it will finish the Mystery of the Book.” And John said, “I see Christ, this One like the Son of Man with a White Wig, standing there in the Lord’s Day.” He saw Him being Judge between His Priesthood and Kingship; transported into the future. Just like the Prophet could go into the future. Even like when he said, “And I was out in Arizona and I was taking the cockleburs off my pants and a great explosion took place.” But he was in the room. He was not in Arizona, he was in Jeffersonville, and it was now December 23<sup>rd</sup>. But he was going to journey, and on February 28<sup>th</sup> [1963 -Ed.] it was going to happen and he would be in the place, and he would be doing exactly what he saw in the vision.

**46** Look, friends. Dimensions; they discovered that fourth dimension, and through that fourth dimension it has changed the world. It has given the military power beyond what the human being, the normal civilian, could imagine. They could sit right in the White House there and be on the battlefield. They have a satellite; they say, “Move that satellite so many degrees.” They have a map, they have a compass and they use latitude and longitude, and they put that satellite exactly where the thing is. They get a certain feed and they sit down

in the Oval Office [Office of the President of the United States of America, at the White House -Ed.] and then they watch that smart bomb being deployed and going down that street, and going down that chimney to blow up certain people.

47 Why? The same way you sit down home and watch cricket in Australia. You get what I am saying? The same way. It depends on who wants to show what, and who has a private channel and who doesn't have a private channel. Well, they are transmitting their own exploits. You get what I am saying?

48 People who are in the stock market, they could go there, and because communication unites the whole world, brother, there is a market that doesn't sleep. So they could go from Tokyo Japan, to London, to New York and around the world like that, and be in every market without the sun setting. Why? Because it's a dimension that is opened up – the fourth dimension.

49 Well, the Fifth Trumpet opens to us the dimensional prison, a dimensional prison where people, 'beings' I should say, because I'm talking about spirit beings. If I say 'people', you may just think of human beings. I'm talking about: SPIRIT BEINGS, DIMENSIONS AND BODIES. God created bodies, dimensions, and God created certain bodies for certain dimensions.

50 Right now there are souls 'beyond the curtain of time' in theophanies. They didn't have those bodies when they were here on earth. They lived on earth in a body that they left here and it is buried in some cemetery. Like the brother, you could go in the morgue right now and you will find his body in a casket – Bro. Marlon. But I guarantee you, he is in a next body. He is not floating around somewhere. You get what I am saying? [Congregation says, "Amen." -Ed.] All right now. Now, watch something.

**51** So there are bodies There. Then, when they come back to the earth, well, God doesn't want them floating around the earth like a spirit that can't eat, because this is the dimension that you eat in. This is the dimension where God planted the whole earth with all kinds of fruit trees and God sends rainfall, and God has the sun to ripen grain. This is the place where we eat and we enjoy, and we stroll and we have nice sunrises and sunsets, and the moon comes out and these things, in this system here.

**52** As long as you come into this dimension, you contact these dimensions by a physical body. And God had a way to provide it for us through our father and mother. But it went all the way back to when God created the first man from the dust of the earth. Because there was a time when Adam didn't have that body. He stood there, and then God said, "There was no man to till the soil" and so, "God formed man from the dust of the earth." [Genesis 2:5-7 -Ed.] What was He doing now? He was putting him into a body of flesh to contact this physical world. Not a body of 'flesh and bone', but a body of 'flesh and blood'. Because if he had a body of 'flesh and bone', he sure couldn't have sex with Eve to bring a baby. He had to have blood because the male blood is in the male sperm. You understand what I am saying?

**53** So it wasn't just like a glorified body, but he was in a body there with a glory. The fullness of the glory that that terrestrial could have, he was there in that body. And that body wasn't even bound by time. You get what I am saying? You say, "Could that be?" I explained to you about Philip. I explained to you about Peter walking on water and these things. I explained to you about Elijah being translated back and forth. All of them were fallen sex-born men. We are talking about Adam, the perfect son of God.

**54** Even Jesus when He came, He had a body of ‘flesh and blood’. Because He couldn’t come to die with a body of ‘flesh and bone’. Because blood caused the fall, there must be blood to be shed. If He had come with a body of ‘flesh and bone’, none of us could have gotten our sins remitted because, “Without the shedding of blood there is no remission of sins.” [Hebrews 9:22 -Ed.] It makes you think a little bit more about bodies, doesn’t it? You know, it is amazing that when we need to put on a new body, God can open things to lift our faith and expand our thinking.

**55** But when we look at that Fifth Trumpet: it is disembodied spirits, demons, fallen angels. Some of them were bound there since the days of Noah. Some of them were bound there since the days of Sodom. Some of them were bound there since in the days of Elijah. You say, “How could you be certain of that? Where are you getting that? Which part did the Prophet say that?” I am saying that based on: that history had to come back. And we couldn’t have any scientific Age until scientists and such things came back. We couldn’t have any Sodomitic Age (I’m talking about an Age of Sodom), until those same spirits that were there come back. We couldn’t have all these body piercings and tattooing and all kinds of different things until those spirits came back.

**56** You see, God sends different spirits in the Church too. God couldn’t send that apostolic spirit in the Church in a Reformer Age. So when it was time for that Age to come, it’s a different kind of spirit: God had the prophetic Spirit to come back. Elijah comes five times: that kind of Spirit. When it was to call people back to the Word (like John did, to cry out against the immoral women,) God had to bring that anointing back. It’s wonderful when you can look and see Spirit things, to grow in the knowledge of the Spirit, to see the reality of God’s Word.

**57** ‘Dimensions’ are ‘*places in the universe where boundaries have been fixed.*’ God said, “A great gulf is fixed, so that those demons in that fifth dimension, those departed spirits of the unsaved can’t come out to get to where the Region of the blessed is.” [Luke 16:26 -Ed.] Jesus said, “They can’t go there because God has fixed it.” That’s construction. God can create dimensions. You talk about science. When you think of constructing and building, you could only think maybe physical things. But God could create physical and spiritual. God could create spirit beings, angels. Think of it.

**58** God created theophanies. The Prophet said, “I don’t know what kind of body that was but I could feel. I know this body [terrestrial body -Ed.]. I could break down this one. I could tell you this one has cosmic light and petroleum, potassium and calcium. But I don’t know... All I could say is Word. Like I can’t say anything more than Word.” Because those are Mysteries in that creation, their composition. He said, “And yet it’s not of flesh, but yet I could feel.” [1961-0112 - para. 331 -Ed.] So your flesh could feel certain things by a sense of touch, but yet, this touching is far more sophisticated than what you will touch with your hands.

**59** I was eating some fish home a couple of days ago. And you know, fish have bones and sometimes you get a little bone, and all the fish is in your mouth with the bread and everything, and you are eating it, but your tongue feels that bone. And you can do either of two things: you spit out everything in your hand or you try to find the bone. And while I was eating there, I was on my computer and watching, and I was studying and everything else, and then I had the bone out. And I told my wife, “Isn’t it remarkable?” I said, “The tongue is such a sensitive thing.” I said, “I am eating that and it already caught that and I didn’t even have to put my finger in my mouth yet. And somehow with the mastication [chewing -Ed.] or whatever you call it, that

tongue didn't just feel it, that tongue started to shift it out at the same time and bring it out. And at the same time while that was doing that, I'm doing what I am doing here." And my attention was drawn to it, because I'm so much on the 'body' and these things these days. I said, "But this is amazing. This is ability. This is like a discernment the tongue has."

**60** The same way, you could go into smelling and explore the sense of smell. It is such a powerful thing. You could smell food, you could smell perfume, you could smell gas, you could smell dead things, you could smell... Brother, just walk in a room, you haven't even seen, tasted, heard or touched anything; just that nose. Man has such confidence in the sense of smell, they get a dog to sniff cocaine. They pass that luggage all through the place there, and if that dog only does a certain thing, they stop, take that bag out, put it here. They even have dogs sniffing bombs. That dog could smell what was put in that bomb to make it explosive. Think of it. And these are just senses. This is a Creator Who is creating bodies and putting this kind of equipment in the body.

**61** Well, what about when God created the soul of a man? Like He told Jeremiah, "Before you were formed in your mother's womb, I knew thee." [Jeremiah 1:5 -Ed.] In other words, "I designed you. I made you. I chose the time when you had to come in your designated season. I chose the family for you to come through." He said, "And today I'm setting you over the nations as a prophet." In other words, He called him 'prophet' because when He designed him, He put 'prophet equipment' to identify, this is subconscious and conscious close together.

**62** Like when they put the Prophet under that machine, they said, "But you could see a dream while you are awake." God could design a man's soul, and that is not coming from the body now, that was the

man's soul, moving him up into those realms like an eagle; given that kind of perception. Oh my! What a great thing, friends.

63 Oh, sometimes we are here on earth and we think we know something about God. And then God just lifts us up one day a little bit and then we realize we don't know a thing about God. Then you say, "Oh God, teach me about Yourself, Jesus. I want to know You." My!

64 So 'dimensions' are '*places in the universe where boundaries are fixed.*' In other words, God fixed that fourth dimension that until man was given the key, they could open up that way, and they found that, and then they began to manipulate that. Because God didn't put it there for television and to show pornography and all kinds of movies that Hollywood is making. God didn't put it there for that. But they took it now and manipulated it to send things to kill one another, to deceive one another. Do you understand what I am saying? They used it for their own purpose.

65 God, all the time, had every man's sin, all his thoughts, all his life, everything being recorded, which He still is doing it too. Because God knows that when the Day of Judgment comes and He calls every man, to be a righteous Judge, He has to sentence a man based on evidence. And some men lived six thousand years ago. If God put that on paper, that might have rotted by now. If God fixed that in some earthly place, the weather might have destroyed it, or an earthquake or some kind of fire or something.

66 But God fixed that record, brother, in another dimension, that every time He wants to, He can access it. And we saw in this day how God had a man built up, he had a key to access that dimension without scientific equipment, and how that ministering Spirit was coming up with those files. And he said, "Yes, yes, I don't know what I am saying here, because it's not really me saying

it, it's that Angel Who is there. I'll have to play back the tape to hear what is being said but whatever That is saying is right, because right now, it is He Who is really doing this." And he said, "Yes, you have a husband and he is living at So-and-So, and he is sick, and he is in the insane asylum."

**67** Like Jesus told the woman, "Yes, you had one; yes two. This was somebody else's husband. Oh yes, you had three: this was a sweet man who passed through the place and confused your mind, used you and left. Oh yeah, you had four. My goodness, this one caused you real heartache and pain, took your money, too. The fifth one here..." And Jesus was going through and He was reading that from somewhere. It is recorded somewhere. That was the woman's past, but it was not under the Blood, so He could see it. Because if it was under the Blood... If the blood of bulls and goats could have removed that... Because when God's Blood moves it, not even God could find it you know. It is in the sea of God's forgetfulness. God Himself can't remember it. God obliterates it. You get what I am saying? Oh, brother!

**68** God, in designing His creation, this great universe that God built... "The worlds were framed by the Word of God." [Hebrews 11:3 -Ed.] Worlds: visible and invisible. A visible part of the world where you can see people because they are in bodies the eye could catch, where all the activity that goes on here, you could see it. But then there is an invisible part where you have to be *gifted* to see it.

**69** He said, "Right now there is a demon on this man and a demon on that person. I see a black streak and this demon is calling on that demon for help, because it doesn't want to be cast out, and they are trying to build up a wall of unbelief. And that's why that baby is crying and these people are moving now, and this one wants to run in the toilet, because they are trying to create

confusion, amen, so that this person would not get delivered. So remain calm, be reverent, stay in your place.” He was seeing activity in the same building that others couldn’t see.

**70** He was sitting down there in his own house after his first wife died, going through a crisis, wanting to shoot his brains out. And then he felt that hand on his shoulder and heard a voice saying, “Bill, don’t worry about me and Sharon. Bill, don’t worry about me and Sharon. We are all right.” He turned on the light. He said, “I know you were here. Hope, you are here in the room.” Think of it: 1937. Twenty-three years after, seven o’clock one morning, he was caught up and he was right there, and here was Hope. She didn’t have to come to him now, he went to her now. And what she told him, “Bill, if you only know how beautiful Here is. You preach about it, but you can’t understand it.” Then in 1960 [May 1960 -Ed.] he went and he saw. He saw her and he saw what she was telling him about. Do you understand me?

**71** Activities are designated in certain dimensions. The activity that is going on in the Sixth Dimension is a different kind of activity to what is going on in the fifth dimension. Yet in both realms, you have these in angelic bodies that never fell, and then you have these in angelic bodies that fell. Both of them are thinking about earth. They say, “We don’t eat here. We want to eat. We are going to go back to earth. We are going to pick up our bodies.” From the time they think of coming back to earth, these three dimensions now, they are thinking about bodies. From the time they are leaving here to go there, they are thinking about bodies. Both sides.

**72** Demons hunt a body. Jesus was going to cast the demons out in Legion, they said, “Please, please, let us go in the swine.” When an unclean spirit leaves somebody, it walks in dry places. Is that right? It comes back to the house, it’s swept and garnished, after it

cannot find any place to rest. It gets seven others worse than himself, they beat against that house, and they come back in that house, and the last state of that man is worse than the first state. [Matthew 12:43-45 -Ed.] Why? They are walking around looking for a body because they are almost useless. They have a nature that they want to give vent to. And they know that this world can afford the desires and the satisfaction that that nature is calling for. Are you understanding something?

**73** Man was created to be a tabernacle for spirit. Satan wanted to live in man just like God. There is something about God tabernacling. There is something about God in a man. There is something about coming into a human body. Angels want it. Redeemed saints in theophanies want it. God Himself wants it.

**74** There is no place in the universe like planet Earth. It is one of the smallest: with the most crime, with the most murders and everything; but this is the one, the only one out of all the billions of planets that is going through water, Blood and Spirit; (hallelujah!) that's going through water, Blood and Spirit to be redeemed. There are all kinds of creatures: seraphim, cherubims, angels. Think of it. Yet, only the sons and daughters of God are going through Redemption. Is that right? There is something about it!

**75** Activities... God wanted to make the earth to establish the headquarters of the universe, because in the end, He comes to live on earth. Though the sun is so big, though the galaxy is so great, in the end He comes to live on earth. "And the tabernacle of God is with them." [Revelation 21:3 -Ed.] And God will now rule the universe from here. That even though He has the Heaven, even though He has the Sixth Dimension, it's not home for us. It's a temporary station. Amen! But God is going to tabernacle here.

76 Dimensions. God's purposes are fulfilled in dimensions. God could do the mediatorial work in Heaven, but He had to do the sacrificial work on earth. That when God set up the camp and set up the tabernacle, the Sacrifice had to be killed in the outer court where all men could see with the eye, where Blood can be shed. But when God went into the Holy of Holies, He went 'beyond the curtain' where no man could see Him, (hallelujah!) where He is there, the High Priest alone in a next dimension, shut out, that not even those in the Second Court under the candlesticks, seven candlesticks, can even see Him: seven messengers and their people.

77 But Jesus is still a little higher up. But Jesus is still a little higher up. They can't see Him yet. But one day He'll come out of there. Glory be to God! One day He'll come out of there. But they are waiting on Him in anticipation. They said, "We are waiting. He'll come and we'll go back to earth after He has judged you for what you've preached." Oh my. It's a great thing!

78 'Dimensions' are '*places where boundaries are fixed.*' Science is flying around. They are studying the universe. But they are still studying the physical universe. Things that they can't explain are making them believe. Just like they discovered the fourth dimension, there are invisible dimensions, because they found one already. And they know what they can do through that dimension that they discovered.

79 They hear testimonies of people who had near-death experiences, who started to see this Light in this beautiful Place, right here. They put them under the lie detector test and everything, and they say, "The man is telling the truth." They are trained to believe what their equipment validates to them. They say, "This equipment won't lie. It has everything to prove whether this man is telling the truth or not. The man speaks that; he really had that experience.

**80** They say, “Even though our science can’t understand it, and it’s different to our theory, we take it with a ‘spoon of salt’ [a lot of skepticism -Ed.]. At least we know our machine didn’t malfunction, so we just can’t dismiss it completely. If we find more scientific proof to lead us in that direction, we are going to work a little closer. But until then, we’ll hold to our theory and take what this man says with a ‘pinch of salt’ [a little skepticism -Ed.], because this is all our years of experience and test and proving and technology. And our whole scientific world is built on our theories. And in our universities this is what we teach.”

**81** But then they started to see UFOs [Unidentified Flying Objects -Ed.]. And when they start to see these UFOs now, their cameras now start to photograph them. And their movements talk of intelligence, and their power and their speed and their knowledge of space, it proved that they are far advanced, that the scientists and they can’t even apprehend them or get close to them. And it seems that all the equipment they rely on, just their very presence seems to dismantle and throw all that equipment into chaos, and all their gauges and everything don’t function at all until they go, and then it comes back.

**82** Just like they smote the Sodomites and they blind [Genesis 19:11 -Ed.], it’s the same way. They don’t want to be disturbed when they are doing their investigation. They are very forensic. They don’t want any disturbance from the outside. They come down on a mission. Amen! They are not just flying around idly. They are from a Civilization. They are from an advanced Civilization.

**83** In that Civilization there is humility; they have such knowledge and power. They come down and see man in an insane Age: a bunch of idiots, full of pride, destroying God’s earth to make a plastic flower and the real flower that was a Bible, they are destroying it. And they glorify themselves because they made the plastic

flower. And they destroy a man's eye and they make a glass eye. And they glorify themselves that the glass eye looks just as real as the real eye, but the glass eye can't see. But it is so cosmetic and they find it's great. And they give the man a big reward and he gets recognition for doing that. They make some little thing to fly around in space and work out some little mathematical equation, and when they started to glorify themselves, they came on the next mission and blew up seven people. [Space Shuttle Columbia disaster 2003 -Ed.] And they realize they can't rely on their own theories.

**84** And One Who had power to forgive sins, One Who had power to speak into existence, One Who had power to walk on water, One Who had power that the unseen world and the visible world were both under His Divine control, yet that same One humbled Himself and took the form of a servant and became obedient even unto death. And that is the character of that Civilization where they come from. And the people who are going to go into that Civilization can't go unless they have the same character. And He said, "Come and buy of Me gold tried in the fire and white raiment and eyesalve. If you want to reign with Me on the throne and be part of that Kingdom, come and go through water, Blood and Spirit and be transformed and be regenerated till everything from the old creation is gone completely." Oh my! This God; this God and His Universe. Oh my. I'm taking my time with you. I'm enjoying it though.

**85** Let us read another Scripture. I got up this morning—I studied all day yesterday and then went to bed, got a couple of hours, and I got up, and a Voice was talking inside of me, showing me the Fifth Church Age and the Fifth Seal and the Fifth Trumpet and the Fifth Vial. And It started talking about dimensions. I got up quickly, went on my knees to pray a little bit and It was still moving in me. I ran to my office, locked my door. I stayed there all day until I came out this evening.

**86** And when God started to show me these things, I felt so unworthy in my own self, but yet I feel so happy because my soul's caught up into a place, I believe I don't just enjoy what the Prophet said, I believe It. I don't just see him as a great hero we have out there. I want to walk where he walked. I can't be him but I want my portion of the same thing. I want my portion.

**87** Let's go through some Scriptures. Let's take Revelation 3 first – take the Fifth Church Age. I'll take the Fifth Seal with you (I took the Fifth Trumpet already) and I'll take the Fifth Vial with you and show you something here; bring this out for you.

**88** You know, you can speak on things and you can talk on things, and you know it the way you read it in the book. But the way you read it in the book, it was only given to take you where you really need to see it from. Because after, there's a place where the mind can learn what is in the book. And when the revelation starts to come, the same thing you are seeing, something is saying, "No, you have to stand up here to watch that. And this next part you have to go around here. And then you take this part with this part first, and then it leads you to here." So you realize, all the parts are really there but God has to show it from a certain place. This was beautiful for me today.

**89** Revelation 3, verse 4. I'm just breaking right into the Sardisean Age because that is the Fifth Church Age. Out of the Ages come the Seals, out of the Seals come the Trumpets; out of the Trumpets come the Vials. It's two spirits coming from the invisible realm to the visible realm. It's two worlds: invisible and visible. God is in the invisible realm. The devil is in the invisible realm. We are in the stream of humans. We are being influenced from the unseen. Amen? That's right.

**90** We are in an Age, we know where in the Trumpets we are: between the Sixth and Seventh Trumpets. Is

that right? That's right. We know the Seal that is open to us. So watch. Watch how this Word is, you will see. I am breaking right into verse 4:

*4 Thou hast a few names even in Sardis which have not defiled their garments; and they shall walk with me in white: for they are worthy.*

**91** “They shall walk with Me in white.” That is not white drill [a type of fabric -Ed.] you know. That is White Robe. Remember, the only ones that have White Robes right now—not the foolish virgins, not souls under the altar, not those that do good works. The only ones who have White Robes now are those in the Body of Christ. Those ‘beyond the curtain of time’ are already in two White Robes: they have the Holy Ghost that robes the soul, and then they went to their theophany. It takes three to make it complete.

**92** We, here on the earth, are being influenced by the theophany and we are robed with the Holy Spirit in the soul. And we would sing, *Can't You Hear Your Theophany Calling You* [#713 - Songs That Live -Ed.]. We would sing, *From The Earthly To The Heavenly* [#927 - Songs That Live -Ed.]. Do you understand what I am saying? Why? We are pressing, we are pressing. *Keep Pressing On* [#938 - Songs That Live -Ed.], looking ahead into that beautiful City. God gives us songs to sing as God opens the Word – “In my Father's House are many mansions.” See? We are singing about something that belongs to us.

**93** As I said on Sunday, that's the positive, this [terrestrial body -Ed.] is the negative. I said, “All the years I'm standing here, and I'm looking like if this is the positive: I, me, here, this; do this.” But then, if this is the negative, then that theophany which was before this body of flesh, was supposed to come into flesh that came by the Spoken Word. And that theophany can't come into a sex-born body. Do you get that? Because

that theophany when it comes into flesh, it's not coming to be bound in these three dimensions.

94 That's why Jesus was not bound in these three dimensions. That's why He said, "The Son of Man Who is in Heaven right now." That's why there was no veil. He prayed, "Father, these whom You have given Me before the foundation of the world." And He told them, "And you will be in the regeneration with Me." He knew something about them before birth and after death that they didn't know about themselves. Did you get that? And He knew they had a sex-born birth and they had amnesia. And He knew His mission in life on earth was to redeem them to take them out of that realm, raise them up out of the old birth, out of Adam, bring them into Christ and make them part of the New Creation.

95 Then what happened? Peter started to follow an Angel. Paul started to follow an Angel. Philip started to follow an Angel. Rhoda was talking about an angel. Do you understand? Women were saying, "Send for Peter. Dorcas is dead but we are not burying her. Send for Peter, he is in the next city." Deacon Stephen stood there with signs, wonders and miracles. Watch the kind of Church.

96 When you see them, they were people who were walking where He walked; living where He lived, in their measure, in their place in the Body. Why? Because the Ark opened up Jordan. To do what? To bring a people who were born in bondage into an inheritance that they were predestinated to obtain. The Ark in the Jordan was Christ on the cross. And His death opened up a way to bring a man born in bondage to be placed positionally with all things under his feet: a man who had come through water, Blood and Spirit; came through three stages into that land.

*4 Thou hast a few names even in Sardis which have not defiled their garments...*

97 He is not talking about physical garments here. This is language for 'body'. He is not talking about physical defilement.

*...they shall walk with me in white: for they are worthy.*

*<sup>5</sup> He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels.*

98 What is He talking about here? He is talking about a people: names that will not be blotted out of the Book of Life. Are you following? Names that have enough power to hold this body in subjection and turn it Heavenly, so it wasn't spotted by the flesh in their walk. Because what they had, raised them up a little higher. They understood their purpose in life. They were part of the Body of Christ. Is that right?

99 Then He is saying, "That's a resurrection promise. That's a resurrection promise: You will walk with Me in white." He said, "What was that white? Like Jesus on Mount Transfiguration, His garment glistened whiter than any fuller's soap could wash it." What was that? He passed into glorification. He passed into immortality right there on the mountain when He was transfigured before them. He went through a metamorphosis.

100 He said, "And notice, they will walk with Him in white." He said, "What is that? Here, they will have the same color He has." He said, "What is that? That's where John said, 'When He appears, you shall see Him as He is, for you shall be like Him. We'll have a glorious body like His Own body.'" [1<sup>st</sup> John 3:2 -Ed.] The ones whose names are not blotted out will get that. But the ones who defiled their garments, those names will be blotted out; they will not walk in white. Why? "They identified with Me, they will bear My name. They confessed My

name on earth. I now will confess their names before My Father and His angels. When I confess them, the angel of the Age will say, ‘Yes, that is what I preached. That is a written epistle. That is the interpretation of what I preached.’” Yes, sir!

**101** The Lamb says, “I am the One Who died for them. I am the One Who shed the Blood. My Spirit...” Because there were seven horns in the Lamb, there were seven eyes in the Lamb, seven Ages, seven seers; seven spirits! And in every Age, “To him that hath an ear to hear what the Spirit is saying.” Is that right? Not seven spirits, individual spirits, but seven *manifestations* of the same Holy Spirit. All seven lampstands were in one bowl of oil. Is that right?

**102** There is a section of the Book where the name can be blotted out; there is a section where it can’t be blotted out. And the ones where it is not blotted out, they will have part in the First Resurrection. They will have a resurrection out from among the dead. Go in your Church Ages book. [An Exposition Of The Seven Church Ages, The Sardisean Age, Chapter 7 -Ed.] It is this Scripture he used to preach on the Book of Life in your Church Ages book. When he reached here, this is where he opened up the whole two sections of the Book – under your Fifth Age. Why? That was the whole Seed. That was the whole Seed coming back out in the form of a blade. That is the Life in the form of a blade. It is not more Life; it is the same Life maturing with Light. As the sunlight gets stronger, the plant becomes more mature: first a blade, then a stalk, then a husk, and then the full ear.

**103** But Martin Luther had the foundational Truth, “The just shall live by faith!” [Romans 1:17 -Ed.] Glory! That’s Romans, the first book in the New Testament. Acts was the action of the Holy Spirit in the apostles. Romans starts with the doctrine, “By one man sin came into the world.” [Romans 5:12 -Ed.] Romans 1: “The just shall live by faith. The Gospel is the power of God unto salvation.”

That is what Paul was teaching: justifying the ungodly and even the Jew by faith, not by works. He brought the whole world guilty; that God justifieth the one who believed by faith, like Abraham: “Blessed is the man that God would not impute sin to. He believed God and it was imputed unto him for righteousness.” [Romans 4:8 – Ed.]

**104** That was Martin Luther’s message. Oh my! Look how it started there in the blade. When it comes in the grain, here stands the Prophet and opens what the Book is. But here under that Age, with the blade coming out, the grain that went down, it came up in the form of a blade, that Truth is right there. That promise of glorification is right there. I know it is a little too much for you already, but stay set in your course a little bit.

**105** The Fifth Seal. That was the Age; let’s go to the Seal now. In the Age, what we are seeing is: you are in this dimension. Do you get that? From AD 53 to 170, that is here on earth; 170 to 312, that is here on earth; 312 to 606, that is here on earth; 606 to 1520, that is here on earth; 1520 to 1750, that is here on earth; 1750 to 1906, that is here on earth; 1906 to 1946, that is here on earth; 1946 to 1965, that is here on earth; 1965 to 2005, that is here on earth. That’s the Church Ages, counting time; three dimensions here.

**106** But the Fifth Seal is taking us to a next dimension. The Fifth Trumpet took us to another dimension. You see? Do you get what I am talking about? There are seven dimensions. We live in three in this physical world, this material world. Then there is the fourth: radio and television, the Internet; information superhighway. Then the fifth, that’s the bottomless pit: regions of the lost, the departed, demons, and Lucifer in hell. Go back on my chart that I drew back in 1993 there: *Worlds Seen And Unseen*. [[1993-0324, Chart is attached to the back cover. –Ed.](#)]

**107** Watch the Fifth Seal here now. Verse 9, Revelation 6:

*<sup>9</sup> And when he had opened the fifth seal...*

**108** Because the first four were showing us all the time on earth, Seven Church Ages too; three dimensions. But the fifth one opened a next dimension. If you could catch what I am saying, you'll see how powerful the Message is and how true the Prophet was speaking. He started to define seven dimensions and told us... He said, "I live here, I was born and grew up here. I was born in 1909. In 1923 I went in that one [fifth dimension -Ed.], then I came back out. And from 1923 to 1963, I saw that one come here. In 1960, I went in the Region of the blessed." He said, "By the grace of God, I've been in those two places, and I live in three here." That is five. And radio and television are the fourth, which are six dimensions now. And where Jesus was, a little higher up, that's the seventh.

**109** But watch how under the Seals this truth of the dimensions is opened. Now we have many Scriptures in the Old Testament, like with Elisha, "Lord, open the boy's eyes" and he saw there are angels here. [2<sup>nd</sup> Kings 6:17 -Ed.] You understand what I am saying? Like God and Satan talking about Job. Like Daniel talking about how the Angel said, "The prince of Persia withstood me", and so on, giving us glimpses into the unseen realm. Like what Jesus taught in St. Luke 16 about destinations after the earthly journey is over. One man went in the bosom of Abraham; one went in the regions of the lost, in hell. "The rich man lifted up his eyes in hell."

**110** But here under the Seals (and out of the Ages come the Seals, out of the Seals come the Trumpets, and out of the Trumpets come the Vials,) I want to show you how those realms are to be emptied out. They want earth. The battle is for earth. They want earth.

*9 And when he had opened the fifth seal,  
I saw under the altar...*

**111** He didn't say, "I see souls under the altar," you know. It says, "I saw under the altar." And then he started to say what he saw under the altar. Under the altar, that's a next place. That's a dimension. That's a dimension: "I saw under the altar."

*...the souls of them that were slain for the  
word of God and for the testimony which  
they held:*

*10 And they cried with a loud voice,  
saying, How long, O Lord, holy and true,  
dost thou not judge and avenge our blood on  
them that dwell on the earth?*

**112** John was seeing a people who were slain, who were murdered, who were killed, and who died under such persecution, that they are crying out for vengeance, that vengeance, retribution will come upon their persecutors who systematically planned their destruction, who had a planned genocide to eliminate them off the face of the earth. A people who were hunted down like dogs, who were persecuted, who were hiding all over the place, who were humiliated to the lowest and ridiculed; who were put in concentration camps; who were deceived and shut up there in vans and killed with carbon monoxide. And then they had factories and industries producing gas to kill these people, and they built ovens and they built concentration camps.

**113** I have been to Auschwitz. [concentration and extermination camps operated by the Nazis in occupied Poland during World War 2 -Ed.] When you see the place, the kind of inhumane conditions – there was a place where they showed so many people were in a little place. If it was a room big like this [Bro. Vin demonstrates the size -Ed.], they were sleeping standing up. There was no place to lie down in there. There was no place to go to a toilet in there. You stood up there, you

were packed so tight, you couldn't move. There was no place to get a drink of water or anything, just because you were a Jew.

**114** The same pagan spirit that had killed sixty-eight million [estimated number of Christians killed by the Catholic Church during the middle ages -Ed.] was turned loose on the Jews by the dictators. Think. And John saw them under the altar.

*<sup>10</sup> And they cried with a loud voice, saying, How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?*

**115** We are over here in this Sixth Dimension here, but what about those on the earth? Now remember, there are compartments. I'm talking about 'places fixed'. That is why I went through that and explained to you, 'dimensions' are '*places in the universe where boundaries are fixed.*' I had Scriptures to take you into: Job, where God said, "When I stretched out My lines, when I laid the foundation of the earth, when I pulled My compass..." [Job 38:4-5 -Ed.] And God started to use language to show how He built the universe.

**116** It's a seven-dimension house He built. Are you getting me? God built a seven-dimension universe when He was creating. He said, "I will dwell up Here in the presidential suite. This is exclusively for Me." He said, "When men die on earth, they will come Here if they receive My Word." He said, "I will put a place across there for those." When God was creating He did all that. Hell was created for the Devil and his angels. God told Noah to construct the ark for eight people, and all the animals and plants that had to get saved.

**117** If God is constructing hell, He'd have to know how much room He would need for those demons. He had to know how tormenting those conditions are for people who reject His Word here. He said, "You can't picture hell that bad." He said, "A burning hell can't even

compare with that place.” You get what I am saying? God fixed that that they could only come out by the key being given. The key was given for a period of time. God gave them a key to unite the whole world in the days of Nimrod: “And behold, the people were one language and one speech.” And then He said, “Okay, I’m taking back the key right here.” And He stopped the program.

**118** In Revelation 9, the fallen star has the key. In Revelation 20, the Angel Who binds him and shuts him up, is the One Who has the key. Power is ‘given them’ to kill one-fourth part of the earth too. God gave that land of those American Indian tribes to the Europeans. They went in, they slaughtered them and they killed them and took their land. God gave it to them. But then, God will come back and judge them for the inhumane treatment they gave them. Didn’t the Prophet say so? But God gave them that land because that land was part of prophecy in the Bible.

**119** It is too much for you. I see some of you, you want to unplug. Some people don’t like their thinking to be changed. Some people don’t like the Word to challenge their world a little bit and readjust their world. Because even them, they are fixed in their ways, they are set in their ways and everything, and they have God in the little box on Sundays and Wednesdays and Fridays. And then they have the things they do, what they call ‘being in the Bride’, and they keep doing that. And then they have their self-estimation by which they evaluate themselves and what the Rapture is and how they are going to go. And when God wants to lift you a little above there, and says, “Fly a little bit. Come out of here. Spread your wings a little bit here. Look from this perspective a little bit. See how great God is, see what God is doing.”

*<sup>11</sup> And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little season, until*

*their fellowservants also and their brethren,  
that should be killed as they were, should  
be fulfilled.*

**120** Isn't that wonderful? God is already telling you the future here. That is the future of their brethren being foretold: "After a little season you stay here, then they will be killed; then these will come and then the time will come for you to get White Robes in the second resurrection." It's already foretold right here.

**121** He said, "Okay, I know you are crying. I know you are impatient. Relax a little bit, there are more things." So by revelation it helps them to have a better attitude to know, "Okay, this can't be done right now, but there is a time and season for this." Do you mean God gives revelation to people in a next dimension? Look where we are going now. Look where we are going now. Here was elementary school and college. Then you get university in the Sixth Dimension.

**122** There are certain things, you have to go in different bodies to learn. There are certain things this body can't contain. Do you see how your body is getting weary here already? In that next World they are in a body there, brother, where they could receive Things, and they have the capacity to understand Things; Things of God. The Prophet said, "Here we only know about yards and inches."

**123** Watch. So watch the Fifth Age; watch the Fifth Seal. We had the Fifth Trumpet. Let's pick up the Fifth Vial here now: Revelation 16:10 and 11.

**124** The time is drawing up on me and I'm now winding up the sling a little bit. As I said, Sunday will be a different type of service, so don't bring any lunch. We are providing lunch for everybody, the whole church. On Sunday we are coming to just relax, spend a nice time. I spend that day with you before I leave on Tuesday. That's why I'm preaching tonight. I'm kind of

putting some big chunks of things here Wednesday night. Maybe Friday night I'll give you a little bit more, who knows. You watch and see. I'm just trying to keep prepped a little bit, so that when I land in Brazil I could hit the ground running.

**125** Revelation 16:10 and 11. Now we are going to tie up all these here.

*<sup>10</sup> And the fifth angel poured out his vial upon the seat of the beast...*

**126** So we came to the Fifth Church Age, what did we see there? Names were going to be blotted out of the Book: garments that were defiled, spotted by the flesh, they who didn't make their robes white in the Blood of the Lamb, they who didn't have a love for the Truth, but got a strong delusion to believe the lie and be damned by it, and their names were blotted out.

**127** Then we found here under your Fifth Seal... 'Beyond the curtain of time', notice, that is also under the Fifth Seal. This is the martyr altar recorded here, where they get the robe in the second resurrection. But 'beyond the curtain of time', the Bride... He said, "John saw his people under the martyr altar; mine were not under the martyr altar." Yet the Angel said, "These are what the Bible called 'souls under the altar.'" You will find it in *Things That Are To Be*. [1965-1205 - para. 128 -Ed.] He said, "The Voice told me, 'these are what the Bible calls 'souls under the altar.'" He said, "But when I saw mine, they were all restored to their youth and they were everyone robed in a White Robe. They already had it." He said, "Even me, when I looked at myself I wasn't old. I too had come back young." He said, "We were in Eternity."

**128** Now the fifth dimension is not Eternity. Hell was created. Hell had a beginning. These three dimensions here, they are going to remain. The fourth dimension is going to remain. The fifth dimension has to come to an

end because that was created for the Devil who didn't have Eternal Life also. Because if the Devil had Eternal Life, he would have outlived hell.

**129** Look at the Architect! I want you to see the Architect, how He designed a seven-dimension house. 'Dimensions' are '*fixed boundaries.*' He drew out His line, He fastened His pillars; He laid His foundation. Read how God talks as a builder in the Bible. When they came over to build the temple... How many know the temple was a type of the universe? The outer court was these three dimensions. In the second court were souls under the altar. And then beyond that, into the Holy of Holies, was where God is. Is that right?

**130** Like I explained to you, I think in one of the past services, why Jesus couldn't come down yet. Revelation 8, all those Scriptures show you the work. Revelation 5 and 8 shows you the work that is being done there. Because Jesus wasn't just sitting in Heaven, He is doing a work. Isn't that right? [Congregation says, "Amen." -Ed.] Go back to Leviticus 16 and see what work the high priest does when he goes into the Holy of Holies after the sacrifice is killed. "Our great High Priest," Hebrews tells you, "passed into the Heavens, but He will appear again a second time." [Hebrews 4:14, Hebrews 9:28 -Ed.]

**131** Notice, on the Day of Atonement the high priest does not wear his garments of glory. He is in a normal linen coat. Did you ever study that? Read it. He does not be in the garments of glory. If that was so, He would have had to be in the glorified body when He appeared here. But He appeared in Theophany. At the last Trump, at the last Trump, when that work is over, He will be. Because remember, when He comes at that last Trump, the work is finished. The doors are closed and the lost are preached to before the Resurrection. He preached to the lost first and then raised the sleeping saints.

132 Do you see how the same things you know and quote, when the Word now starts to put it in a place, you realize now, it was more repetition? Because it's the same thing you are looking at. But why? You are accustomed to seeing 'one and one is two, and two and two is four.' That is learning. Now we are going beyond learning now; we are going into revelation. Come up a little higher.

133 Watch this. He poured out the vial upon the what?

*...the seat of the beast; and his kingdom was full of darkness...*

134 When is this? First you had the antichrist spirit; then they crowned the spirit in Pergamos. Is that correct? Then you had a false prophet with a false doctrine. And then, when the Bride goes up, the antichrist spirit, the false prophet becomes what? Beast. Beast. What's that? Satan incarnate. Satan incarnate becomes the beast. And now his kingdom, his Eden that he built for six thousand years, when he is incarnate, he sits down there as god on the earth, enthroned over his Eden. Oh my! My! Think of this. Hear what I am getting to.

135 When I saw this, I saw how God trapped him. They are so obsessed to come into bodies: they fight, they fight, they deceive; they deceive. For six thousand years they built their Eden, and by the time all of them become incarnate... How did they get incarnate in this Age? I have to close. Let me wind up quickly. I can't stop to explain anymore. By rejecting the Word. They rejected the Blood; they rejected the Message. Rejection of the Word makes a way for the devil to become incarnate. Why? When you reject the Blood, you reject the Word, there is no way you could be covered by the Blood that you rejected. Their names are blotted out of the Book; then the Devil has access to them.

**136** That is the man you don't pray for. That is why God told Jeremiah: "You can't pray for them. I'm not going to hear that prayer." [Jeremiah 7:16 -Ed.] Why? They turned down the vindicated Word. "This is the condemnation, Light is come, but men choose darkness rather than light because their deeds were evil." [St. John 3:19 -Ed.] They didn't have the love for the Truth.

**137** What did they do in this Age? What happened in the Laodicean Age? They put Christ on the outside of the Church. And by rejecting Christ and putting Him out, the great falling away, they went into the apostasy. And what happened? They took the mark of the beast. When Cain rejected the vindicated message, he was marked and separated out of the Presence of God. He crossed the line of mercy; there was no more redemption. He couldn't be redeemed. That's this generation. God gave them a strong delusion to believe the lie and be what? To be damned by it. Why? Because they didn't have the love for the Truth. Gross darkness is now upon the earth and upon the peoples.

**138** But He is separating the Elect from that now. "Rise and shine, your Light is come, and the glory of the Lord is risen upon you, and it shall be seen upon you." [Isaiah 60:1 -Ed.] Why? "Shalom, the breaking of the day." What day? The Seventh Day, going back to the Seventh Morning. Hallelujah! "Shalom," he said, "the Light breaking between a dying world of corruption and a bright, new shining day, between a pesthouse and the glorified body!"

**139** It's a World where there are no graveyards, where there is no hospital; there are none of these things. Where there is not even these kinds of clothes, where all this is gone. That's what's breaking upon us right now. That's why we are being raised up in the Spirit of the revelation. Why? Because a door is opened in Heaven, a dimensional change we are getting ready for, to go through that door in the Rapture!

140 The Mystery: the Lord Himself descending, opening up the Seven Sealed Book. What for? To gather His Own Elected. And started to do what? Confessing their names before the Father and His angels; interceding, interceding for them. All the prayers of the saints, *The Four Horns Of The Golden Altar* [2002 -Ed.], when the Lord would avenge them speedily – St. Luke 18. Do you remember my message?

141 Watch. Spirit beings. Adam was a spirit being. Lucifer was a spirit being. Adam was brought into these three dimensions and given a body. Lucifer was cast down and became deformed, and he had no body, so he found a way to come into the human race. He exploited the Serpent. He knew the Serpent's seed and he knew when Eve was going to be fertile. He knew he had one chance. He had to get the seed in. Because in that body, he knew the season and he made the move. And he took advantage of the Serpent's physical characteristics because it was the link between the animal kingdom and the human race.

142 He got into 'the sides of the north'. He got into the city of the great King. He got into Jerusalem. He broke down her gates, he broke down her walls, he entered her gates and he defiled her temple. And he took them into captivity, into Babylon. You catch something there? I said a whole lot there, the Mysteries of the Kingdom.

*...and they gnawed their tongues for pain,*

143 What is that? That's what happens when radiation starts to move. That is what happens when the bombs are bursting. I'll read it for you just now.

*<sup>11</sup> And blasphemed the God of heaven...*

144 Did you catch something there? Did you catch something there? The tongue is full of poison. [Bro. Vin points to his tongue -Ed.] Lying spirits in their mouth deceived

the Age. Out of the beast was false, lying spirits like frogs. Out of the mouth of Zedekiah and the four hundred false prophets in the days after Elijah, between the Second Woe and the Third Woe, when Elijah's prophecy was coming to pass at the going down of the sun, when Micaiah had a Seventh Seal vision, they had lying spirits in their mouth that was deceiving the whole world.

145 They blasphemed the God of Heaven by making Him three. They blasphemed the Mystery of the Church, the Lamb's Wife, by making it a man-made organization. They blasphemed the redemptive work on the cross by Him shedding His Blood, and they replaced it with church joining and putting your name on the church book, instead of a New Birth and a partaker of a Divine Nature. And her gates are the gates of hell.

146 So when the judgment comes, a lot of the pain is where? Same tongue that blasphemed God. How many know the punishment fits the crime?

*...because of their pains and their sores,  
and repented not of their deeds.*

147 On a message called *Abraham And His Seed After Him*, Chicago, 1961, 23<sup>rd</sup> April, paragraph 85, the Prophet said: *And one of these mornings, there'll be a disappearing, [one of these mornings, there'll be a disappearing] and one of these nights, there'll be a disappearing; and the church will be changed and caught up to meet Jesus in the air. And woe unto this bunch then. They'll gnaw their tongues for pain, when the atomic sweeps into the nation, burns eyes out, and runs like water down, and tongues are gnawed for pain, and screaming, just one bomb bursting after another. You'll remember how much it was mental telepathy...*

148 Ooooooh! They were calling the sign... And what did Jesus say? "You speak one evil word, and your name shall be blotted out." It'll be the unpardonable sin.

**149** What is your Fifth Age? Remember, that is not just in the Fifth Age; that is for every Age, you know. In every Age names are being blotted out. The last Age inherits all the promises. We are the ones coming to the glorified body while we are alive in this Hour. They are going to come back with their theophanies and pick up theirs. Luther and his group will come and pick up theirs, but we will move into ours here!

**150** He said: *You'll remember how much it was mental telepathy, how much it was a bunch of holy-rollers or fanatics. Remember, God knows what He's doing. Yes, sir.*

**151** Okay. So watch now. Under your Fifth Age, it tells you names that are going to be what? [Congregation says, "Blotted out." -Ed.] Blotted out. And when they are blotted out, it means to say they are still alive in their body but dead in their soul. "The soul that sinneth shall surely die." [Ezekiel 18:4, 20 -Ed.] The rich young ruler, like this Age, rich and increased with goods, religious to the core, came to the right Person, asked the right question, got the right answer, but rejected the leadership of Eternal Life. And he went on and began to prosper, alive in the body, but the soul was already dead!

**152** Seventy ministers said, "That is a hard saying." And after coming out, being justified and sanctified, before they came to Pentecost, they trampled the very Word of God. They said, "We can't take that. Are we vampires?" And they went back. They never got to Pentecost.

**153** Ten spies came out of Egypt under the prophet's message, came through the Red Sea, came through the wilderness, came to Kadesh Barnea and tasted the good Word of God (Hebrew 6), and then saw the land and said, "We can't take it." What happened? They fell away. "They can't renew themselves unto repentance, are nigh

unto rejection, to be burned,” Paul said. God swore in His wrath they will not enter in.

**154** On *Indictment* [1963-0707m para. 244 -Ed.], Bro. Branham said, “Three hundred ministers in Chicago said they were coming to be baptized.” They said, “Bro. Branham, send us a bunch of tapes, we believe these things. We see it, we realize our error.” He said, “Did they come?” The Light came but they loved the darkness rather than Light. He said, “They have every one crossed the line and their names were blotted out of the Book.” Some are still alive today. Some are still alive today and have big, multi-million dollar programs. But look what it has rotted into.

**155** Those children of Cain who scoffed at prophet Noah’s message didn’t believe he had the Mystery of the threefold secret of the ark, the rain and the dove, to take them out of the old world and bring them into the new world. As it was in that day, so shall it be.

**156** Lucifer is to be incarnate: “I will be like God.” And so under the Fifth Trumpet all these demons, disembodied spirits that are loosed, they were loosed where? In the ecclesiastical realm. Do you know that? We went through that many times, but I still want to pick up the quote for you where he said, “And those spirits... Look at what Lucifer is doing. He is building that kingdom more beautiful than Michael’s own. And those fallen angels are the spirits in those men in that ecumenical move.” [1963-0731 paras. 57-58 -Ed.] How did those demons get in them? Those demons were in the bottomless pit. Two hundred million are loosed, are they moving around without bodies?

**157** He said, “The Pentecostal Age rejected the Bible under the Sixth Trumpet.” They rejected a Prophet; they put the Son of Man on the outside. He preached *Going Beyond The Camp* [1964-0719e -Ed.]. To come in the Message, you have to leave the camp of Laodicea and go

beyond that camp to be identified with the Word, bearing a reproach to come in this Message.

**158** “There, in Laodicea, they, the Pentecostals, the most holy people, crucified, the most shameful death, Him, the most precious Person, the Son of Man that was revealed. There they crucified Him. I indict them for the second crucifixion of Jesus Christ in this Age.” [1963-0707m -Ed.]

**159** Think. Then, what happens now? Then we see now with the opening of the Internet... From the stream it came to the river with the television and DirecTV [American direct broadcast satellite service -Ed.] and mass media and communications network. And then with the Internet, it came to the ocean. From the little trickle when they started off in the little black and white television that they had back there with *I Love Lucy* and the little harmless thing that God cried out against, because it was already deceiving those Pentecostals, to what they have today, the whole floodgate is open. And people are being possessed in a rage, and that hell is being created around the world.

**160** We in Trinidad here have seen in this last year how... For the first few years they hit a hundred and they got one hundred and fifteen or that kind of thing. Now they’ve hit three hundred murders already; two hundred kidnappings. Now they have it announced now: “Watch that place when you are going out to that place because you are not safe”; warning the travelers from Europe, Canada, North America that that’s a dangerous place to go into. There are so many murders and kidnappings every day, so much unsolved crime.

**161** What is it? And they don’t know, and they are looking for all the great U.W.I. [University of the West Indies -Ed.] people and the thinkers, and the great sponsors and all the money they have: “Let’s get behind the Soca Warriors [Trinidad and Tobago National Football Team -Ed.] Let’s use

the footballers to change the nation and solve crime.” See? Where did their degree go? Where did their degree go? That is their intelligence. When they pool all the intelligence together: all the great thinkers, all the social scientists, all the people who write big, big four-page articles, part one and part two in the papers [newspapers – Ed.], all those who are like the deep thinkers and who can shape the society and bring out all the great philosophies... And daily we are seeing hell being created. And now they are going to Scotland Yard [headquarters of the Metropolitan Police of London, England –Ed.], they are going to the F.B.I. [Federal Bureau of Investigation –Ed.], they are going for the D.E.A. [Drug Enforcement Administration of the United States –Ed.]. Then the Prime Minister went to Israel trying to get the Israeli government and the Mossad [Israel’s National Intelligence Agency –Ed.] and they to come and solve our crime in Trinidad.

**162** But our criminals are eighteen-year-olds who didn’t go to any criminal school. But yet we can’t have enough budgets to train all our police in special examinations. We get air patrols, we get this, that and the other, and we have to send men for refresher courses and new techniques, and learn this and learn that, and bring in people to train them, and they still can’t find them. Who has the big school in Trinidad training all these little boys and girls? If you want to sit down and believe that world, that is up to you. The Seven Seals are opened to me.

**163** When I look around here, I’m seeing a hell that wasn’t here in this degree; look at what it is becoming. When I see young people who will do things, look at the condition they are being deformed into. What has taken them over? When I see the social scientists and they, and all the people with their social programs and all the different things that they have to come up with a solution to this, and who could write a new paper and get the thinkers in U.W.I. to sit down and discuss this

thing and watch it from all different angles to solve it, and they can't come up with anything.

**164** Now we find out that the Soca Warriors beat Bahrain, and brother, the whole country going to Germany on this now. I tell you. They have overcome and they have gone to their great promised land, their great heaven, their Hebrews 11 of footballers, where they have all the great Ronaldo and Ronaldinho and all the great ones, Zidane and everybody. And they are going to walk among them in their national colors.

**165** It's telling me something. It's telling me something because we too have overcomers. We too have overcomers. And on our board outside [T.E.A. Bulletin Board - Ed.], we have overcomers too. And we are talking about going to a next Land too among all the great heroes ourselves in our national dress. Hallelujah! Oh, glory be to God! And some of the old-timers like me who thought I would never get to get on the stage, I realize I'm getting on the stage now. [Bro. Vin laughs -Ed.]

**166** Brother, while this is happening, they are breaking all kinds of records. Trinidad, all of a sudden, started to come out with some kinds of things. They say, "What happened to this little place?" This little place, this little dot seventy miles by forty miles on the planet, it doesn't cease to amaze people. I only smile because I know what is going on. When it strikes in the natural realm it is perverted. Amen. But it is only a representation of something in the unseen realm, and that is why I understand the Word. Yes sir! [Congregation rejoices -Ed.] Glory be to God! Let the musicians come for me.

**167** So they fought and they fought and they fought, six thousand years to build this Eden. And when they get this Eden and they get the key and they open up the pit, and all of them come in here into flesh now and they get a whole generation of youths... Brother, they have

more tools in this Day. You watch every little girl outside there, some of them are fourteen years, fifteen years, they are pretty. It's an Age like that.

**168** The Prophet said, "What was one of the end time signs in the days of Noah? And the women were *fair*. And the sons of God started to see the daughters of men and took unto them wives, and became fallen; and the immorality and the population explosion and these things," *The Flashing Red Light Of The Sign Of His Coming* [1963-0623e -Ed.] "before the atomic bomb comes to explode and cremate the thing." Watch.

**169** A hell is being created. Why? Because those demons have come here. And those demons, He cast seven out of Mary Magdalene. He said, "It was lust, it was pride, it was vulgarity; all these." Seven of them He cast out of Mary Magdalene. They were fallen angels. He said, "Today they call them cancer and tumor and cataract." He said, "That is the name medical science gave them, but they are fallen angels, they are demons, locusts, supernatural devils."

**170** Locusts destroy the tree, because man is like a tree. But natural locusts go after the natural tree; supernatural locusts go after the supernatural tree. But the ones who are planted by the River, their leaves shall not wither; they will bring their fruit in its season. They will bring their fruit in its season. Why? They have the original bark again. They have the original Life. They are bearing the original fruit, ripened fruit when the Son is in the full strength. Do you understand? And where those corrupt trees are bringing their corrupt fruit—and a corrupt tree cannot bear good fruit, neither can a good tree bear corrupt fruit: wheat and tares.

**171** The Prophet preached: *The God Of This Evil Age* [1965-0801m -Ed.], *And Knoweth It Not* [1965-0815 -Ed.], *Satan's Eden* [1965-0829 -Ed.]. And you know, down through these years I've always shown you, that is the Vials. Because

it is a type of Satan's Adam and Satan's Eve in Satan's Eden. He has built his Eden. But do you know something? They are loaded with their weapons of mass destruction. They have all the satellites in the sky, 'Star Wars' [nickname for the United States Strategic Defense Initiative -Ed.] in space and they have all their security systems. And they have a sense of security because their scientists from the tree of knowledge, brother, it gives them all kinds of gifts from that technological tree. They are performing technological marvels and wonders. He said, "It is signs and wonders; lying signs and lying wonders, bringing fire down from heaven. He said, "That is the atomic bomb." Think.

172 John, it marveled him. Man stays on earth; has a little control here, a little screen, "pop, pop, pop, pop, pop," brother, he keys in something; next thing you see he has a weapon deployed in space. Next thing, you see a city being obliterated. John said, "What on earth is this? That's like when Elijah called down fire from heaven." Remember, they could call down fire from heaven, you know. Elijah did that. But Elijah was doing that by a Divine source; they are doing it through scientific means.

173 Elisha looked into the king's bedchamber and took their secrets. And they thought they had a double agent spying on them, and they were trying to understand: "Like this is some sophisticated listening device which could eavesdrop and hear our conversation, we can't even talk it; who knows all our battle plans. Do they have some microscopic lens that could read this even in the dark where we have a candle under a big thing, and they are seeing through what we have to read that?"

174 Because he was seeing visions in a next realm, no scientific camera or anything. He was in another channel and he was bringing these things by Divine means. They are bringing it by science from the other

tree, so they could bring their fire out of the sky. He brought his fire out of the sky by the Spoken Word. He shut the heaven by the Spoken Word. He brought rain by the Spoken Word.

175 When John saw it, he saw this man calling down fire.

176 One word the man said: “Deploy the bomb!”

177 He said, “Which city?”

178 He said, “Drop it on that city. I will teach them a lesson.”

179 You think that is a joke, right? Does that sound far-fetched to you?

180 It has what you call biological warfare. Do you want to get a country in debt? “Destroy their crops, the source of their revenue. They are planting wheat or they have plenty of tobacco, whatever they have, where they are getting their revenue from, loose some fungus, loose some different things and destroy that. Then, let them come to the World Bank, and lend them. Then restructure their policy because you are lending them what they can’t pay for.” “And the borrower becomes slave to the lender.” [Proverbs 22:7 -Ed.]

181 I went through these things with you. And they are controlling nations; they could bring them to their knees. One man just has to speak a word. Do you know why? They have arsenals full of WMDs – Weapons of Mass Destruction: nuclear, biological and chemical.

182 I have a message; I can’t get to preach it to you. I will have to preach it when I come back, on the pandemic; the coming global pandemic. Pestilence, the Fourth Seal – God’s four severe judgments. We went through these things already.

183 Here I’m showing you, they get into this dimension and they are not going back into the fifth to

live. That is a place, a refuge. That is a hide-out: “If we are getting trouble here we’ll scamper to our bomb shelter and we’ll go back in the fifth.” And when they come here now to glory, they are in the sex-born bodies, and they have all their weapons of mass destruction.

**184** But the people they are fighting are in glorified bodies. In Armageddon, we’ll be in glorified bodies but they’ll still be in sex-born bodies. And we have a body and we have a Seal that no sickness can touch us, death can’t touch us, no bomb can destroy us; we are indestructible. The elements which they used to make their bombs, we have power over those elements. So do you know what happens? They are in a vulnerable state because that sex-born body they are in, and the weapons they build to destroy, they are not even safe in that body.

**185** So they want to loose the virus and keep the antidote for themselves, and kill those who don’t have the antidote. And that is their protection; that is their intelligence. And that antidote that they make, brother, that is God’s chemical, because Satan can’t create. And one Word, and God withdraws everything that that it is. Didn’t God say, “No rain or dew for three and a half years. You all are too bad.” That is God’s Own; God withdrew it. What did God do for Adam in the beginning? “Cursed be the earth.” What did He do with Cain? “Cursed be the earth.” By one Word the whole world collapses.

**186** The war wouldn’t last any time. The war would only last as long as God chooses to let it last. Because they don’t know such a race. That is why Satan wishes he could stop the Rapture tonight. He wishes he could stop the ‘change’ tonight. He wishes he could stop the revelation tonight. He might be able to withhold your natural bread. He might be able to starve you of your natural water. He might be able to shut you out and

your children can't go to school. He might be able to take your building so that you can't go to church.

**187** But he can't stop the revelation. He can't stop somebody getting the Holy Ghost because it is God doing that. God is the only Divine Revealer and God is the Baptizer with the Holy Ghost. And Satan would have to stop God. And that is God's plan: to bring in every Elect before He closes the door, because He is the Author and the Finisher.

**188** The Fifth Seal opens what? Where we go after we die, a dimension when the earthly journey is over, what condition we are in there, what robe we receive, whether we are naked or we are clothed, what resurrection we come up in; what section of the Book we are in. Because you have to be in a certain section of the Book to come up in a certain resurrection. Depending on what resurrection you come up in, will determine what body you have and what your condition is after death. You get that? I'm just putting it because of the tape. You listen to it again, you will get it after.

**189** The bottomless pit, Fifth Trumpet, a next dimension. The Fifth Seal – the Sixth Dimension. The Fifth Trumpet – the fifth dimension: regions of the lost, hell, Lucifer and his fallen angels. "How art thou fallen from Heaven, O Lucifer!" [Isaiah 14:12 -Ed.] His five 'I wills'. What was it? Disembodied spirits; the departed dead outside of Christ. But all of them there have a nature. Every one of those demons that were loosed, they want a body. When they leave that dimension, they come here to inhabit the bodies of the people whose names are blotted out. Catch it! There are bodies waiting here for them when the key is given to them to open that dimension and loose them from that dimensional prison. I'm in my best thoughts here. Listen to it. Listen to it. I'm in my best thoughts here. They couldn't come out of that prison because they were fixed within a boundary.

**190** Do you remember Solomon? Before Solomon came into his kingdom, he set a boundary for Shimei. He set him within that boundary, and he held him there, and he was not supposed to leave that. [1<sup>st</sup> Kings 2:36-46 -Ed.] Is that right? And then Solomon entered into his glory, the son of David. At the end of the Seventh Age, at the end of the seventh thousandth year, it's a type of at the end of the Seventh Day, what is happening? Lucifer is being loosed from a prison. To do what? Deceive the nations. What happens at the end of the seventh Age? The bottomless pit opened. He is loosed from there to do what? Deceive the nations; denominations.

**191** A key is given to them to do what? Free themselves from where they are bound in a dimensional prison, bound by chains. And when they are loosed from those chains, they can leave that dimension and come into a next dimension where there is a body waiting for them. What are they coming into this dimension and coming into a body for? To reign with their king on his throne over his kingdom.

**192** Is Lucifer going to be enthroned? Is Rome going to rule the whole world? Is Satan going to be incarnate in flesh on his coronation day? Is that what Satan's Eden and god of this evil Age is? Are the subjects going to reign with him, his Eve in his Eden, his World Council of Churches?

**193** Then what about us? Revelation 10:1, another Mighty Angel came down, descended. What did I tell you? What did the Holy Spirit break Easter Sunday morning? Do you know what the Holy Spirit broke Easter Sunday morning in that Sunrise service? He came with the keys of hell and death to bring us out into glorification. I said, "I declare to you that that Book was those keys. That open Book was those keys." Why? Seven Thunders opened up a Mystery to be changed and put on immortality, (is that right?) that there will

be a people in this Age, at the end of the Seventh Age who will defy death, who will go into a new Civilization! Is that right?

194 Is there a body waiting for us? Are we trapped in time in a dimension here; bound by chains of gravity in a dimensional prison? But has God opened a Mystery? Has a key been given to us to open the Word to come into faith for Rapturing Grace, to be loosed from the chains of gravitation to go into a next dimension? Are there bodies waiting for us there? That's right. Hallelujah! There are bodies waiting for us there.

195 Do you have a body waiting for you? Can you get to that body without you being loosed from this prison? Can you be loosed from this prison without a key being opened to put back on immortality? Without the Seals being opened on the Book, could there be a living people who can leave this earth without the Seals being opened? Is that possible? Can't be.

196 You say, "Elijah did." I'll prove to you... Go back and listen to: *The Depths of Satan From Jeroboam to Jezebel* [1988-0117 -Ed.]. Elijah back there represents Elijah here. Elijah repairing the altar at the evening sacrifice represents that here. Elijah opening up the heaven and bringing the rain with the cloud represents that here! Enoch built the pyramid: seven steps to the king's chamber, represents this here.

197 Something is opened. Do you know why this is happening? To loose us from this dimensional prison. Satan has nothing original. Satan has nothing original. Satan is only copying what God is doing.

198 When we leave this dimension and go to our glorified bodies, is that so we can reign with our King over His Eden? Is our King coming to take a Throne in this Hour? "You will sit with Me in My throne, as I overcame and sat in My Father's throne." [Revelation 3:21 - Ed.]

**199** Is Lucifer coming to sit on a throne too? But a key was given to him to do what? Loose his, who were bound in a dimension. And he emptied out the regions... And here, He is going to empty out Paradise. Our King is going to empty out Paradise. And we are going to pick up bodies to do what? Reign with our King on the earth! Because he said, "I will be like God."

**200** Oh my! Do you love Him? How great is our God. Isn't the Bible a precious Book? Are not these Truths? Like I told you on Sunday, when we think, friends, to sit and realize what the opening of the Word is, how the Message is becoming so glorious, but that is what is changing us.

**201** That Fifth Age, (out of the Ages come the Seals,) the ones who were going to walk in white, under that Fifth Seal, under the altar, they were in White Robes. Is that right? He saw them restored to their youth in white, not under the martyr altar, under another altar, where the Bride is. Then they can't leave that dimension to come here to pick up their bodies, but they have bodies waiting here for them. It is in the dust of the earth, and they have to come and pick up those bodies. Why? They are going to reign with Him in His Kingdom on this earth.

**202** And Lucifer, Revelation 9:1, and Revelation 10:1, the two Trees: One lifted His hands and swore by time, times and half a time. One standing by the Hiddekel River and the other one by the Euphrates River. Revelation 9:1, he is by the Euphrates River. Revelation 10:1, (which is Daniel 12), He is by the Hiddekel River. Hiddekel and Euphrates went through Eden, where the two Trees were, these two Angels – Life and Death.

**203** This angel is only a perversion of the Word. The tree of knowledge is what? Only a perversion. What is the lie? The Truth perverted. What is he doing? Impersonating what God is doing. He has nothing

original. Can you also see how this proves this is the Hour for the Rapture? Because for Satan to loose them and to take on bodies, is for him to be enthroned. So Rome holds the wealth of the world and rules the world, but that could only happen after the Bride goes. And when you see him doing that, then is the Holy Ghost coming down into bodies too? Is God becoming incarnate in His Church?

**204** They are coming through the antichrist, the false prophet and the Beast, becoming incarnate. Think of it. Nicolaitanism, Balaamism and the doctrine of Jezebel – three stages of organization. Christ is becoming incarnate through justification, sanctification and the baptism of the Holy Spirit. It is happening. God is becoming flesh, Satan is becoming flesh; children of Light, children of darkness. Wheat matured, tares matured; side by side.

**205** Oh my! I want to go. There is a burning desire within me to be more like Him. It's growing stronger everyday. Perfection is my goal, friends. When I see this Light breaking... Something is breaking. Do you know that?

**206** I haven't got the time to start to get where I wanted to go. I asked Sis. Carol [Sis. Carol Alexander –Ed.] to print out this for me, for Friday, from December 31<sup>st</sup> [2004 –Ed.], *The Conspirators And Their Conspiracy*, till this message tonight. Because I wanted to walk you back down through and show you what God did in the church this year, and to show you how this inspiration goes right back to Easter there, where the Holy Spirit sovereignly dropped in there. And it was out of there, I went to Norway and Germany. I came back and this thing was moving; from in the church here, I went to Panama and Honduras. We were supposed to go to Mexico, but we didn't go.

**207** It started to move, and this whole experience with Brazil came about. And I went out there (I played one of the services for you Friday night,) and saw the impact of the Word and how God moved. I gave you the testimony about that, and now it is about five or six different cities that they have there, lined up. We will be traveling from about the 10<sup>th</sup> all the way to the 26<sup>th</sup>, 27<sup>th</sup> there, preaching.

**208** There you don't have time to maybe hardly even pick up your book. You are on the road, you are in fellowship, people want to talk, people want to know about the work in Trinidad, people want to know what is going on, people have questions; you are preaching back and forth. You have to have the Word in you. That is why these last few days, I just tried to go beyond the veil, stay in the Father's Presence. And when something starts to move and you start to catch it...

**209** A couple weeks ago, Bro. Mervyn [Bro. Mervyn Weston, Minister -Ed.], Bro. Rojas [Bro. Renwick Rojas, Minister -Ed.] and myself were out there talking. After the service, Bro. Mervyn came and we started to talk and I was sharing some of these things, and before you know it, we looked, and it was minutes after two, about half past two in the morning.

**210** I went out to Grenada there, preached and watched the Holy Spirit move a certain way. And it is happening fast, you can't stop. From last week, (which is after the Grenada trip,) to this Sunday (three days ago), to tonight, you still want to stop and think and go over 2<sup>nd</sup> Kings 2. Then where the Spirit started to go with the Word on Sunday, and the last couple days here, you just want to be sensitive, "Lord, I want to get in a place where I could get quiet." Because you see something moving, friends. And I trust that He gives all of us that, our portion.

211 I trust that when the Word is coming, you try to lock in to It; lock in, get focused with It and then start to ride on It because the Word has an inspiration. It is Something carrying you, wave after wave of the Spirit moving you in the Word; lifting your soul up into a place to give you the strength that you need for this Hour.

212 Have a hungry heart: “Blessed are they that hunger and thirst, they shall be filled.” [Matthew 5:6 -Ed.] He said, “We are going to come from a partial realization to a perfect realization.” When you watch the Scriptures...

213 Do you remember with that message, *The Judgment Is Set And The Books Are Opened* [2005-0605 - Ed.]? The Scripture looks like It is speaking of the second resurrection, just like this one here too (Revelation 20), but it was there Bro. Branham preached, *Key To The Door*.

214 You know, it is amazing when you see the Spirit start to get back to places, you know, “Lord, just write It in my heart.” That is what He said, “I will write My laws in your heart and your mind; not on tables of stone, but in the fleshy tables of your heart that you become a written epistle read of all men. This is the covenant I will establish, and no man will have to say, ‘Know the Lord’, for you all shall know the Lord, you shall be taught of the Lord.”

215 This is what it is, friends. Let the Holy Spirit break the Bread; it becomes clear right before our wondering eyes, and we being edified and purified by His Spirit, are made ready for His Coming.

216 We realize... When you start to see things like this and certain Scriptures start to take on a different meaning, you start to realize how much of the Word is being fulfilled and how far advanced we are. And little messages the Prophet preached: *Satan’s Eden*, Satan getting ready to be enthroned as god over this evil Age

and these things, you start to look and see, look how far these things go.

**217** He knew the time was going to come. He didn't have to try to explain everything. As we start to grow and mature in the Presence of the Son by laying in the Presence of the Son, and we start to become the Word, then the same Spirit will have us in condition to move up in the Word and see things. Amen.

**218** I'm so thankful for that, because these days I'm so hungry to leave. I think back of the song God gave Sis. Kim [Sis. Kim Allert -Ed.] where she wrote that song, *Even So, Come Lord Jesus*. [#963 - Songs That Live -Ed.] And in that song there is such a groan. And out of the many songs that she wrote, sometimes I'm going home in the car and I hear that song being played, and it is the groan, it is the cry in the soul, "Oh, I want to see Jesus. I want to see Him. I want to look upon His face. I want to sing of His saving grace." Amen. And may He give to each and everyone tonight.

**219** Let us just bow our hearts. I want to call Bro. Neville [Bro. Neville Roderick -Ed.] to pray and then we will just sing and we will be able to leave. But while you are there in His Presence, let there be that real desire in your heart, friends. Let Gabriel come and give you skill and understanding, so you could consider the matter and understand the vision. Because the Holy Spirit was supposed to come in the last days to reveal these deep, secret Things, to get the Church ready to go out. I believe it is happening among us.

[Bro. Neville Roderick prays -Ed.]

Amen. *I want to go*, let's sing.

[#669 - Songs That Live -Ed.]

*I want to go  
where You want me to,  
Send me Lord*

*to do the things You do,  
My Lord, I want to go.  
I want to feel Your Presence near,  
Perfect Love casting out all fears  
My Lord, I want to feel.*

*Oh, a burning desire  
A burning desire in me  
To be more like Thee  
Is growing stronger every day;  
Oh, I'm burdened in my soul.  
I'm burdened in my soul,  
Perfection is my goal,  
To walk with You in perfect harmony.*

*I want to go  
where You want me to,  
Send me Lord  
to do the things You do  
My Lord, I want to go.  
I want to feel Your Presence near,  
Perfect Love casting out all fears,  
My Lord, I want to feel.*

*Amen. You've taken away my shame  
You've taken away my shame,  
Oh, given me a part...  
Set Your Holy Seal upon me.*

I'm thankful. Are you thankful tonight for this great capstone of grace?

*...a winner in life's race;  
Now I give myself to You unreservedly.*

[Bro. Vin leaves the pulpit and the song leader continues to lead the congregation in song -Ed.]
