*... Then the anointing
Falls upon the vessel
Who has been ordained
To lift us up on a higher plane*

CHORUS

*Something is breaking
Between mortal and immortal
The Son's coming up
Removing the darkness of night
The key's being given
Opening dimensions
Life and immortality
Is coming...*

Oh, through each unfolding, the way is opening.

... the way is opening

Spiritual scientists.

... to achieve this rapturing faith.

Oh, through secret passages, seven steps up the pyramid.

Where we'll run through death

Leap over into supernatural

realms

CHORUS

Something is breaking

... mortal and immortal

The Son's coming up

Removing the darkness of night...

Oh, and after this mountain.

... this mountain,

eternity steps in...

That's the real World. Oh, lift us up there tonight,
Father.

... gonna to live in

Hallelujah. Glory be to God. Thank You, Jesus.

Let us look to Him in prayer.

Father, we are grateful tonight to have this blessed opportunity once again to come into Your great august Presence. To come by this new and living way through Your precious Blood. A way that had been made. A way that, Lord God, has taken care of every obstacle that hindered us from coming before.

Now we can come with boldness. Now we can come with expectations. Now we can come before the great Throne of grace and obtain mercy with the promise that we shall find help in time of need. Oh, God, if we are a needy people, and this is a needy time, and we can come by this new and living way, and it will lead us straight to the Throne of grace, and there is the Blood that speaketh better things, and we have a High Priest that can be touched with the feeling of our infirmities, how shall He not freely give us all things, if He Who spared not His Son but offered Him up freely for us all?

Oh, God, Father, when we think on these things... if God be for us who shall be against us? Who is he that can accuse us of sin? It is God Who justifieth. And we thank You, Lord, Your Prophet has declared us to be justified – we never did it in the first place. Oh, God, because You looked beyond the flesh and You saw the Gene of God, Eternal Life that never did sin—cannot sin, because it is part of God. Oh, God, sin dwelleth in this flesh but not in that soul. Hallelujah.

Because we have passed from death unto Life. Glory be to God. How the Devil deceives us so many times; holding us in condemnation, holding us in fear, holding us in uncertainty. Like the leopard trying to lick the spots and he cannot lick them away, he was only shining them. But Lord, now we know that we can cease from our own labors and enter into Your Rest. Hallelujah! Cease from our own works, Father, of trying to be righteous, of trying to do all these things and have faith, and work ourselves up, now we realize it is You, Father, Who is the Author, Who is the Finisher. It is not by might nor by power, but by Your Spirit, saith the Lord.

It is You. As Paul said: "It is not I that live but Christ Who lives in me. And the life that I live in this flesh I live by the faith of the Son of God." Lead our souls through these secret passages. Bring us up those Seven Steps of the Pyramid where we could stand, Father, Lord God, in this revelation that light never shone on. Where we could eat this hidden Manna, oh, God. Where, dear God, in this Shekinah Glory we can be transformed into Your very Own Image.

May You grant it tonight, Father, we pray in the Name of Jesus Christ. We pray that Your all sufficiency, this mighty grace and power, this mighty faith that You desire to give to us, would be released into our hearts through the ministry of Your Word, the Opening of the Word. The Opening of the Words that were shut up, that were closed up until the End-time. Oh, God, until the Thunders would come and utter their voices.

And when the Thunders come and utter their voices, it will open a Mystery that, Lord God, these vile, old, marred bodies would be changed. We'll leap over a wall, jump over into a supernatural realm. Hallelujah. We will move into Rapturing Grace. An Eagle Anointing would be released in the last Days to get us airborne, to start us flying, dear God. And, Father, we believe that this is that Hour, dear God.

We heard the Voice of those Seven Thunders thundering from the mouth of Your Prophet, who, dear God, was only the veil that You veiled Yourself with when You cried with a loud Voice, as when a lion roareth. Oh, God, that Word, Father, we hold dear in our hearts tonight as we stand in Your Presence.

Praying, oh God, that Your Holy Spirit, Lord, would remove every hindering thing, and lift us up into the place, dear God, where we could receive what You have already given, Father, and walk in it, oh, God. Father, may You grant it this night.

Bless Your children throughout this region and across the face of the earth, and may You do the exceedingly abundantly. We know it is not by might nor by power. We depend on You for Your Divine leadership, Father. There is a Message coming forth, we pray You would let the Dove lead. Keep us in the Bloody footprints, oh, God. Minister an entrance abundantly into the Everlasting Kingdom we pray. For the glory of God, in the Name of Jesus Christ we ask it. Amen, and amen. Thank You, Jesus. Thank You, Lord. Hallelujah. Thank You, Lord. We thank You tonight from the depths of our heart, amen.

My heart says amen. Hallelujah! And God says amen. Amen. Amen. Amen. Thank You, Lord. Thank You, Jesus. Thank You, Lord. Praise our God. What a mighty God we serve, amen? Always great to be in His Presence.

Greet you tonight in the wonderful Name of the Lord Jesus Christ. We are all doing better I'm sure, amen. Every day with Jesus grows sweeter as the days go by, amen? Are you finding that so? Amen. Wine only gets better with age. Amen. I'm sure you're feeling the stimulation in your hearts if you love the Lord, because this is an Hour He has one objective: it is to work His way down until He has the preeminence in a people.

He didn't just call out a people to have a congregation. He called out a people to show forth His victory; to prove He was faithful to His promise; to prove

that the House of God has been rebuilt in Seven Ages by Seven Messengers, and the great Zerubbabel was here in the last Days who introduced to us the Headstone with shouting of grace.

The world missed it, but there was one whose ministry was to introduce the Headstone. And what was he to introduce Him for? For Him, that Headstone to take His rightful place over you, to cap the pyramid of your life. That brings the Marriage. That brings the Oneness. That brings God and man united together again as one. That's what this does, friends. And this is the great thing that we are in.

What we lack is like the men on the road to Emmaus: we are hearing all the great, glorious things as He opens the Scriptures, but our understanding needs to be opened to what He is saying. Amen. When it is done, He just shows you: I was doing it in your life here; when I called you that time, when I brought you to the water. When you went through here you could have died here, I stood between you and death. I had this purpose for you. When you came in here and got married, it was Me giving you the best thing after salvation. I was working you into this place because I was the One Who planned your life. I'm the Author, I'm the Finisher.

You fell here and you made a mistake here, the Devil held you in condemnation and discouragement, but I came and showed you that was to teach you of My grace. Just like I planned the fall in the Garden of Eden, I planned things in your life to bring it real to you that I am your Savior. I am your Redeemer. I am your Healer. I am your Deliverer. I am your Provider. Hallelujah! Because every man and every woman is put on the same basis like Adam and Eve. Amen? My heart says amen. Hallelujah! I feel the Holy Spirit saying that. Amen. Glory be to God.

Oh, I'm having a great time here in the Book of Daniel, I tell you. I just feel it is a place where the Spirit is bringing back to my remembrance many things I've...

over the past years I've studied so much. I was even... You know, you get up and try to go and find back your old notes you preached down in... And I can't even find it, you know. And I said, oh, what is the use you look for it, there is no use looking for it. God is God now. Amen. He could bring it back. It is inside of me.

It is I who wrote it when He inspired me. It is lying down inside of here, amen. Now I look around the world I see so many things are happening, I see the great need for this Message. Amen. I see the great need for this Message to wake people up. I've been in the Message thirty-eight years, and I could check on this hand alone how much people I've heard tried to preach the Book of Daniel.

Most people who took up the Daniel Seventy Weeks book and tried to preach that... and before they could finish preaching that one thing in Chapter nine, they brought division among themselves. Some say seven years, some say three and a half years, some say no, the Prophet mixed it up, some say... all kinds of different things. But yet we could look and see these things, the Holy Spirit can make this so clear. And that is why I'm using the title: **“THE UNSEALED VISION AND PROPHECY.”**

“Shut up the words Daniel, close it up until the end. It is not for now.” [Daniel 12:4 -Ed.] That was way back there in the first year of Darius; when the Medes and Persians came in, and Belshazzar was killed and the kingdom was given over, way back there. And now we are in the time of the end. The time of the end, Daniel knew that was when that Stone cut out without hands would appear.

And when that Stone cut without hands appeared, there was a man on the earth called the Seventh Angel. And in the day of his sounding, the Mystery will be finished. He will open what Daniel sealed and what John sealed. His Message will bring out the unwritten things and the unrevealed things of the Bible. And then

we have it in tape and book form because that man finished his sounding in 1965, on earth here.

But the way it is, the Holy Spirit, Who even told us under that Seventh Seal, “When you have reason to see these things I’ll make it known. Don’t even try to understand it now. Learn your ABC’s first.” And down through these years how God gave grace and opened and opened in part, gradually, until the Book is open. And now we can see these things. Not just thinking what the Scripture means, but looking at the world right there. Like the man in Chile, he looked there and he said, “Is that a Supernova?” He moved the telescope and he could have seen it with the naked eye. Then he went straight to the astronomical charts, it was not there in the most ancient charts, and then they knew that was a discovery. We don’t have to just try to read and believe that was back there or here, you could look in the world there.

Do you see a Beast out there devouring the earth? If you can’t, you know you need eye salve. Do you see him breaking it up in pieces? That’s right. You look there, did you see an Elijah come? You listen to his sounding, did he finish everything, or he has to come back and put up a tent and preach it? You have to know these things. When you don’t know these things, there are black holes in your mind that Light has to come in there, those places that’s dark. But this... Like I told you down through the years, “To say back what he said.” You see, he spoke in a language, that’s why they rejected the Message: they couldn’t understand the teaching. He spoke in a language. When that Word comes back around and God opens it... Because remember, it flew pass in an Unknown Language.

You don’t hear theologians talk like how the Prophet talked. He talked about Headstone, and the Pyramid, and the Zodiac, and... From the time he mentioned Zodiac, there are Christians that think—denominational Christians who think you’re going into

astrology. See? The same people who think that, called him a soothsayer, and called Jesus a soothsayer. But the people who studied that came to the church who had the Bible and said, "Where is He born King of the Jews?" [Matthew 2:2 -Ed.] And they couldn't say. Do you understand? This is where we need the Word so much.

Let's read tonight in the Book of Daniel. I want to read a little portion, because where I am going tonight in Chapter 11, I want to read something in Chapter 8 so it will help you understand better. Because I'm quoting it, we read it... We read part of it, I'm quoting it, and I just want to make sure that in all of this I am bringing it to you where you can certainly see these things, because my desire is to help you see these things.

Sometimes I listen back to myself and I'm getting too excited in the desk because I know what I'm saying. I say, "I wonder if somebody would understand what I just said there. It sounds like you eat it up while you were saying it." And you know, you want to say it clearly because there are people on the Internet, there are people who are not from Trinidad so they don't understand Trinidad language and emphasis too much sometimes, you know. And then, sometimes I have to draw my thing back. See, people wake up late in the night to stream, people [are] there and then you start to talk Trinidadian and they can't understand Trinidadian. So I have to preach like how I preach outside, you know; which is, I preach through an interpreter most times so I preach a sentence and pause. Here I have no... the interpreter is in the room, you know. God is helping them. They are getting very quick, and they are able to do a good job too. Amen.

So I'm going to read a little part of Daniel. Now I'm just going to pick up from about the eighth verse. Because if you take a glance, you know that that is the vision of the ram and the he-goat, right? And then you know what happened, how the ram...Gabriel explained how the he-goat was Greece and the ram was Persia. So

I'm just going to pick up from verse 8. This is after the he-goat had killed the ram. So after the he-goat killed the ram it says,

*⁸ Therefore the he goat waxed very great:
and when he was strong, the great horn
was broken;*

The horn that the he-goat had when it conquered and destroyed the ram. The he-goat was Greece. And Greece had a great king which was Alexander the Great, he was the great horn. Now don't let that bother you too much. We know about a Lamb Who has seven horns too, and seven eyes. Isn't that right? If you are so certain that the Lamb with seven horns and seven eyes is the Lord Jesus, well then here is a ram and here is a he-goat with a great horn. So it is all prophetic language.

And that's why these Books are for a prophetic class of people. So if you're in this Age, the Elect in this Age is a prophetic class of people. So you should be glad that God called you a prophetic class, and you should kind of let your prophetic ability come out of you, amen? And if you sit down under these Showers and the Seed is inside, it will come up. Because prophetic is eagle.

You're not a chicken, are you? You're not some turkey or something. You believe that you're an eagle, right? Yes, you're an eagle from the egg. You might have been hatched out in a barnyard, but you're an eagle from the egg. Mama Eagle found you. So watch.

*⁸ Therefore the he goat waxed very great:
and when he was strong, the great horn
was broken;*

See? After he had conquered the Persians, later on he came and he was broken, the horn was broken. He died at thirty-three years, Alexander the Great.

... and for it came up four notable ones...

From that one horn, four horns came up.

... toward the four winds of heaven.

*⁹ And out of one of them came forth a little
horn,*

This is the thing he had seen in Chapter 7: out of the fourth beast that had ten horns, a little one came up and magnified himself against the Prince of Princes, and cast down stars and so on, right? So this is very important in the Book, because all Scriptures are given by inspiration, and this is part of the revelation.

So here we are seeing... In Chapter 7 it shows you the beast—the horn came out of the fourth beast. But here we are seeing that this little horn is coming out of one of the four horns that replaced the great horn that was broken, which was Alexander. After he died his kingdom was divided into four. One of the Generals took the east, one of the Generals took the west, one of the Generals took the north, and the south. And each one had a portion of the kingdom. So that is why later on the Bible tells you about the king of the South and the king of the North, because it is speaking of a particular one who was over a particular portion of the kingdom that was divided.

When Alexander was alive the kingdom was one. When Alexander died it broke up into four. Amen? And remember, I showed you how Babylon was one kingdom, then it fell as one kingdom. The Medes and the Persians took it in the night when the handwriting was on the wall. Then the Medes and Persians here, we see was one, and then they were immediately succeeded by Greece. But then we are seeing that Rome didn't immediately succeed Greece, and this is important.

This is important because this fourth great kingdom is the main part of the revelation. What God is showing is something in the last Days. We are in the Days here. Look at Greece, Greece is in total bankruptcy. Is that right? Look at the Medes and Persians, Iran is rising as a power in the earth. The spirit of Haman is there in Persia. How many know Haman was an Agagite? How many know that he ended up as Prime Minister in the kingdom of Persia? That is right. How many know this man wanted to annihilate all Jews? How many know

that this man here right now in Persia, he says Israel shouldn't exist as a nation, and the whole thing of the world is that they are building this bomb? Well, this is the Scripture.

When Haman is doing that, Esther is queen, you know. She is married, you know, after Vashti got rejected. Now watch. She is between Nehemiah and Job. The Jews came back in their homeland waiting to build the temple. The third temple, they are crying out to build it right now. They have everything already, as I was showing you on Sunday.

So this is what makes this Book interesting. I hope you know... Is it helping you? You're seeing, you know... it is something to make you look and see. This is what we are speaking about, modern events made clear. It is becoming clear to you. And then the vision and prophecy is unsealed.

But what are we seeing? How all this is being done that it might be fulfilled which was spoken by the Lord through the Prophet. We are seeing what it takes to bring it to pass. Just like us too, and our prophecies.

Okay, verse 9:

⁹ And out of one of them came forth a little horn, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land.

He is waxing great towards what? The pleasant land, this horn. He is waxing great towards the south. Do you remember the message on the Fall of Egypt? [[2011-0227 Cyber Warfare And The Fall Of Egypt -Ed.](#)] Egypt is the south. Egypt is the south. That is the southern border of Israel. That message shows how God said what? "I will give Egypt to the king of Babylon," because Israel is trusting in Egypt for help and security. Like God told Abraham, the father of that nation, "I am your Shield. I am your exceeding great reward." [Genesis 15:1 -Ed.] But Israel was depending on Mubarak. [Muhammed Hosni El Sayed Mubarak, the fourth President of Egypt -Ed.] You see? Now watch.

Watch the prophecies concerning this horn always, okay? Every time you see this horn doing something, the Scripture is showing you that this is not a today's desire. This desire was way back in Satan. How many know when he built Babylon, he built it on the river Euphrates? Why did he build it on the river Euphrates? Because he knows that the River of God flows through the Throne of God. He is trying to impersonate what he saw in Heaven.

How many know that when Mohammed [Islam Prophet Mohammed -Ed] died they have the white horse by the grave waiting for him to rise and conquer the world? Because they know Christ is coming on a White Horse. The Prophet taught us these things.

So when we look here, remember, Satan knew the Mysteries in Heaven, and he is trying to bring this about continually. Why did they make the image and forced everybody to worship the image in Babylon, in the time of Daniel, when Nebuchadnezzar became the head of gold? Because he is trying to bring in his kingdom. But God is going to allow him... he has to take six thousand years. He can't do it in one day. God took six days to build His and He gave him six days to build his. This is what the Prophet taught us. I'm just quoting.

It is in this Day he becomes the god of this evil Age. It is in this Day the whole world goes into gross darkness and is blinded. It is in this Day Israel's blindness is going to be removed, and they are going to come in for the last half of the Seventieth week. They have to receive that when Joseph dismisses His Wife to the Palace. That is why we are a very important part of prophecy in this Age.

Rome is an important part of prophecy. Israel is an important part of prophecy. Russia is an important part of prophecy. The United States of America is an important part of prophecy. And if you are a believer in this Message, your eyes must look to the places pointed out by the Spirit in the Book. You can't say you know

what is going on, and then [you're] not watching these places. Because these are the places that make up the prophecy in this Day.

Mary had to move quickly with the child because Herod wanted to take it. Where are you running with the child and you are not seeing Herod, and you don't know that Herod is planning to kill the child? Do you understand what I'm saying? You must know the Word.

⁹ [So] out of ... them came ... a little horn, which waxed exceeding great, toward the south, and toward the east, and toward the pleasant land.

¹⁰ And it waxed great, even to the host of heaven; and it cast down some of the host ... of the stars to the ground, and stamped upon them.

Watch the things connected to this person, okay?

¹¹ Yea, he magnified himself even to the prince of the host, [which is Christ, okay?] and by him the daily sacrifice [this horn that grew out] was taken away, and the place of [his] sanctuary was cast down.

¹² And an host was given him against the daily sacrifice by reason of transgression, and it cast down the truth to the ground; and it practised, and prospered.

¹³ Then I heard one saint speaking, and another saint said unto that certain saint which spake, How long shall be the vision concerning the daily sacrifice, and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot?

Daniel is hearing this in the vision.

¹⁴ And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed.

Let us drop down to verse 21.

21 And the rough [he] goat is the king of [Greece]: and the great horn that is between his eyes is the first king.

22 Now that being broken, whereas four stood up for it, four kingdoms shall stand up out of the nation, but not in his power.

They are going to be divided into four kingdoms, but none will have the power like when it was the first united kingdom.

23 And in the latter time of their kingdom,

Now, this is the Angel giving him understanding because he is asking. He wants to know what it meant.

23 And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up.

That is that little horn who is going to rise up: a king of fierce countenance is going to come. But the other vision shows he is coming out in the fourth beast. The seventy weeks show this is the prince that shall come, who will make the covenant. This is the one that Paul talks of will sit in the temple as he is God. [2nd Thessalonians 2:4 -Ed.] Are you understanding?

Well if you don't understand, just while you are hearing me reading and explaining, just say, "Lord, write it in my heart." That works. That is how I came to know these Things myself. Because I used to say that too: "Lord, write it in my heart." And then when you go to pray, you say, "Lord, those Things, I don't understand." Because Daniel saw and didn't understand, and then the Angel began to explain to him what he didn't understand.

Just watch the Bible, Jesus Christ the same yesterday, today, and forever. If God is telling you something and you don't understand, just like He told Daniel and he didn't understand—He even showed him and he didn't understand—he did the right thing: "What

does this mean?" That is all you have to do. God is showing that He is willing.

Now why didn't He make you understand it first? You don't receive because you don't what? [Congregation responds, "Ask." -Ed.] Ask that your joys may be full. [John 16:24 -Ed.] You don't get because you don't ask. Because God wants to see if you are interested in what He is showing you. And if God is showing you something, you better know that that is important for you, that is why He is showing it to you, because God doesn't waste time. And recognize that you are privileged when God wants to show you secret Things.

24 And his power shall be mighty, but not by his own power:

Because we get to find out now that that will be Satan's superman. The Devil wants to incarnate. He always wanted to live in flesh like God. The Beast in the beginning and the Beast at the end through the trail of the? Serpent. In the beginning of the Bible, he was in the Serpent; in the middle of the Bible, he incarnated in Judas; and at the end of the Bible, in this man here.

... and he shall destroy wonderfully,

This one who comes back up in the last Days... Now, all that it is saying there is 'Last Days' okay? 'Last Days.' What is 'Last Days'? All Daniel knew... for him 'Last Days' was what he was seeing in the vision. But we know better what 'Last Days' are.

We know better what 'Last Days'... When the world comes back like the days of Noah. Daniel and they didn't see that. When the world comes back like Sodom. When the Son of Man comes in flesh and turns his back and shows the last sign just before the earth burns. We know 'Last Days.' When the rock was thrown up, 'Judgment will start'. We know 'Last Days'. When that Cloud appears in the Day of the Lord. We know 'Last Days'.

So that is why we don't read Scripture and say, "Well, Daniel said he didn't understand, so nobody could

understand.” No, no, no, no. He said, “It will be revealed Daniel, in the last Days.” We know in the last Days, when the Seventh Angel sounds the Mystery is finished. ‘Last Days.’ That is great. That is great.

... and he shall destroy wonderfully,

That is... to me it is wonderfully. Now look what man did. Man did so and they brought down the Twin Towers before the people's eyes. And people stood up and said, “Oh gosh, look how that plane hit there and that thing fell.” And what was the astounding thing is that the other building that the plane didn't touch came down the same way too. And they stood up wondering, and they said, “Well that's the heat.” And they confused them.

Then we saw Tunisia fell, Egypt fell, Libya fell, and they said, “No, that is just people on the street. That is Facebook and young people, you know, dissatisfied.” And the world watched it. Well, drunk people watching something, they don't know what they are seeing. They are so drunk. Do you understand?

The wicked will not understand. But the wise, the wise shall understand. [Daniel 12:10 -Ed.] Because to understand it, it takes the Spirit of wisdom, it takes the Angel of God. And the Angel of God is with the Church, with the Bride. Not the organization, they put Him out. They called His works ‘Beelzebub. Mental telepathy.’

... and shall prosper, and practise, and shall destroy the mighty and the holy people.

²⁵ And through his policy also he shall cause craft to prosper in his hand;

Now if you could see this, you can see... it is like how the Angel is doing the things. This would have helped you better if it was in Chapter 11 or in Chapter 9.

May the Lord bless the reading of His Word you may have your seats. Have your seats, and just keep your Bibles open.

This would have helped you better if it was in Chapter 9. You say, “What do you mean, Bro. Vin?” In Chapter

9, all it said was: And he shall make a covenant for one week. It didn't explain all this. Now the normal reader who reads their Bible, they read this, then they'll read Chapter 9: Daniel Seventy Weeks. They are on a subject. But Daniel starts from [Chapter] 1 and ends in [Chapter] 12. God has a reason for putting 12 books in the Bible, [12 Chapters in the Book of Daniel -Ed.] and God has a reason for putting this vision here, this vision here, this vision here, this vision here. And it is not a bunch of visions, it is one revelation.

Now you see... this, it takes you years sometimes, but when you catch the key and you understand, it is one revelation that God is giving Daniel about his people in the last Days. It shows you how it unfolds. It shows you part unfolded down to Jesus (which I'll show you tonight). But then when it got there... But look how God is doing it. This part here God is explaining to Daniel, because this same king, this little horn, first... that is how we saw him and that is what he is called: a little horn, had eyes and a mouth. [Daniel 7:8 -Ed.] Then later on he is called: a king of fierce countenance. [Daniel 8:23 -Ed.] Later on he is called: the prince that shall come. [Daniel 9:26 -Ed.]

Now to show you how the Word is, if I call you 'Ruth' you'll say, "That's me." If I call you 'Rebecca' you'll say, "That's me." If I call you 'Esther' you'll say, "That's me." If I call you 'Rahab' you'll say, "That's me." Well it is the same way God is calling this man by all these names, this one man in the Book. This one king in the last Days. One time He called the kingdom: ten toes in the last Days—it is going to unfold into ten toes. Next time it's a beast, a dreadful beast. Next time we see this kingdom again, a Rock cut without hands is going to destroy this kingdom. And that Rock is going to take over and become the main Kingdom in the world, the chief Kingdom in the world, which is a Heavenly Kingdom coming down.

Well, since from the very beginning of the Bible that is what Adam had on earth. What God had in Heaven, He brought It on earth, that God and man were united in the beginning. God was a God of Heaven over everything, Adam was a god over everything on earth.

That was why when God came down in Exodus and brought Israel out of Egypt, He brought Moses up in the mountain and said, “What you see in Heaven, put it on the earth.” Because God wanted to come down—like how He used to come down in Eden. He wanted to come down and dwell with them.

When we see Revelation 22 at the end of the Bible, what do we see? The Tabernacle of God is with man. God living with His people on earth. So when you look in the Bible, you realize, look, God had that desire quite back there. But look how it unfolds, unfolds, unfolds, until God finally achieves His desire. When Moses built Him a tabernacle, when Solomon built Him a temple, what did God say afterwards? He said, “Where is the temple of My rest?” [Isaiah 66:1 –Ed.] Then Paul said, “Know you not you are the temple?” [1st Corinthians 3:16 –Ed.]

So we realize that God is unfolding gradually down through the years His mystery. Well here in the Book it is the same. Once you see those principles you don’t get your mind locked up. And in this, you have to have a mind that is opened and that is anointed with the Spirit. Because remember, the mystery of God is not comparing Scripture with Scripture, though that is good. But a mystery of God requires the teaching of the Spirit, otherwise it does not become clear.

And that’s why when we begin to look at it, it is not clear when we explain it in the Bible alone. It really becomes clear when we could see it in the world. Because it is not talking about an imaginary thing, it is talking about something that’s happening right now in the world.

But then why are we only being shown Lindsay Lohan and Farrah Fawcett, or something with Michael

Jackson who is already dead and gone, and something with all the football and all the cricket? Why are we just being shown these things? We don't want to see that. We want to see what is happening in the earth. Why the Media doesn't focus on these things? Because the Media is not the Bride, they have no revelation. That is a tool of Satan to keep the people blinded from the reality of the Word of God. That is why people in the world are being deceived. Hear this. Satan is blinding them to possess them. He is deceiving them to get them under his control.

Why does a man leave his wife and go after another man's wife? Satan starts to make him feel: 'You're not satisfied with your wife, you want another man's wife. You find she's pretty and nice. You find when you start to talk to her, she starts to go through a problem: her husband doesn't carry her out anywhere. Because in the office, everybody's talking about how their husband carried them here and their husband carried them there.' And this man now, sees something to exploit and starts to exploit that. Next thing, something starts over here and breaks up a home. Well that is being done by deception.

That is the same way Satan in the Garden of Eden... How did Satan build his kingdom? How did Satan come into the human race to possess the first human being? By deception. How did God come in and fill the first person? By revelation. One using the lie; One bringing the Truth. When God comes with the Truth, God says, "Lay down your life. Deny yourself. Pick up your cross, follow Me. You're born in sin, you're shaped in iniquity, you came into the world speaking lies, you must be born again."

Satan says, "No, join the church. This is the way."

This is what it is. One builds his kingdom by deception; One builds His Kingdom on the Word. Every life has a foundation. Some build on sand. The foolish man built his house on sand, the popular things of the

day: ecclesiastical wisdom of man, education of this world. That life falls apart when the storms of life come. But the wise man who dug deep and found the Rock... And the Rock is Who, Satan? No, Christ. Stand the trials. The gates of Hell shall not prevail against it.

So you have to look into your life and see, what am I being built on? And if you're trying to build on wood, stubble and hay, the day is going to come when every man's work will be tried by fire. But if it is built with gold, silver and precious stones... Gold is deity, silver is redemption, precious stones are Mystery Truths. The same fire that destroys the wood, stubble and hay, it only purifies the gold and silver, and the precious stones. So when you look there, you want to know what you are being built on.

These last Days, this one is going to deceive the world. The world is controlled by an evil power because they are caught up in the lie. When a person is dying, and they finish their earthly journey and a church tells them that they are going to Heaven because they were a good member in the church; they gave their goods to feed the poor, they did this, they did the other, when they leave this life they realize... The rich man lifted up his eyes in? Hell. The rich young ruler. He said, "I have done these things since I was small."

Jesus said, "Don't commit adultery, don't smoke, don't do this... Keep the Sabbath, do this."

He said, "I have done all these things since I was a little child."

Yet he knew that was not Eternal Life. And then the Lord said, "Now, follow Me if you want Eternal Life." Because this is where Eternal Life is, in following Him.

That is why you don't want your time to be lost in this way. That is why you as a believer, you want to know that in this Hour, here are the words that were shut up since 538 BC when Babylon fell, and the kingdom was given over to the Medes. And in the first year of Darius the Mede, Daniel began to see things here about this

vision; showing him from the kingdom of Persia all the way to the last days when the Kingdom of the God of Heaven will be established on the earth, and all the kingdoms of this world will be like chaff on the summer threshing floor: grounded to power and carried away with the wind – the winds of judgment, in this Hour. All this great, big, nice Port-of-Spain, and all this great Los Angeles, forty miles deep under the earth it is going. Millions will die when that goes down.

Look at the Tsunami in Japan [11th March, 2011 -Ed.]. We showed some of the images; people running from the house that they labored and labored and labored to build and got a sense of pride inside of it and they went running. Why? They don't believe in God, they believe in Buddha. Buddha isn't showing them what Daniel promised in the last Days. Buddha, Confucius and they aren't telling them what the Book of Revelation says for the last Days, and what the Seventh Angel came and sounded.

The only legal Christian church in China is the Catholic Church. All the others—Message churches are underground. Think. To whom much is given much is required. We can sit down here tonight (even in a curfew) and look in the Word and say, “Is that what Daniel said?” When we find these things now in this Age, it tells us this is authentic. Then when we think now, ‘But that was quite back there he saw that.’ In 606 BC he saw Nebuchadnezzar's dream, and saw world history all the way until Jesus comes and sets up His Kingdom. And we are standing here.

Until a Prophet came in 1960, he stood up there on the earth and said, “Did you see what happened in that last conference? When Khrushchev took that shoe and beat it.” And he said, “Now we are in the time of the toes of iron and clay. ‘Eisenhower’ means *iron* and ‘Khrushchev’ means *clay*.” And all that came exact.

And when he opened the First Seal (which I hope to get to), he started to open it and said, “Look what will

happen to America on this money situation, and look how these things will come in the last Days where you can't buy or sell. And I predict according to Revelation 13:16, churches like these will have to be closed down or go into the World Council of Churches." Think.

But a promise: if you stand true I will keep you in the hour of temptation, because you have kept the Word of My patience. [Revelation 3:10 -Ed.] Well then you want to know while you're patiently waiting for the prophesied promises... he said, "It is revealed to you by faith, and you with patience wait for it." Abraham had a revelation: faith, but with patience, twenty-five years he waited for the promise; sitting at the tent door looking for the coming of the Angels. Then He said, "I will return according to the time of life," and he checked it, next twenty-eight days. Hallelujah.

Oh, my, and Sarah's attitude was already changed. She received strength to conceive seed. She received it. First she was laughing, the next twenty-eight days, she judged Him faithful and received strength. That even when the king came and grabbed her, God came down in a dream and said, "You're a dead man, you and all your kingdom. Restore the man his wife." [Genesis 20:3, 7 - Ed.] It shows the kind of protection we have right now in this Hour before the Coming of the promised Son.

Between the last sign being shown and before the Coming of the promised Son, look at how God is seeing us. This is the Hour for the restoration of the Bride tree; every power, every grip on your life has to be loosed because you have to be restored. Because you are not Abraham's wife; you are Jesus' Wife. Hallelujah! Abraham was just a little shadow, but you are this real Bride in this Hour. Oh, my!

So let us follow this one a little bit again before we go over to [Chapter] 11. Verse 25:

²⁵ And through his policy...

Now, he is teaching about this king who is going to rise up, this little horn; understanding dark sentences.

The first part of the vision was the symbols; the vision he saw. This second part of the Chapter is explaining what the symbols meant. This is the explanation of what it means. But then Daniel wanted to know, “So when is this going to happen?”

He said, “No, this is for many days. This is for many days.”

But this is the time, because ‘the many days’ are running out, here. Gentile days are numbered. Eternity will soon unfold. The Angels already appeared and the Book is already opened, and judgment is already pronounced on the world. He had had *A Trial*. He had *Souls That Are In Prison Now* [1963-1110M-Ed.]: Hell is being created on the earth; the pit is opened. This is the going of the Bride.

Israel is waiting sixty-three years (like I told you last night); a nation standing there. And now we see the whole world burdened with Jerusalem. They want to divide Jerusalem, and that’s the prophecy. God says, “You part my land.” [Joel 3:2 -Ed.] And we are finding out that this man is doing what? He is reaching forth to the pleasant land. He is pressing towards the pleasant land. When we go over in Chapter 11 you will see. He is reaching forth... And that is what I want to show you: this is a desire since in Heaven Lucifer has.

This is a desire since in Heaven Lucifer has. He tried to come up in this king, just like God. In the first Age, God was in the Church; sin couldn’t stand among them. But then what happened? People like Ananias and Sapphira all of them came and joined the church. The Lord didn’t add them; such as should be saved. Like Achan crossed over. What is He showing us? There is still some hanging on.

That is why you want to know you aren’t some excess baggage here. You are not something that’s hanging on—like a cocklebur stick on somebody—and next thing you have to throw that thing aside. Like the shuck hanging on to the grain after it’s been reaped and comes

to the floor, all that husk around every piece of grain. Every grain has husk around them. That is what the threshing is for, because that can't go in. They can't go in. That's the reality of the Word, friends.

24 And his power shall be mighty,

Verse 24. I'm going to just read it again.

... but not by his own power: ... he shall destroy wonderfully, and shall prosper,

He is prospering right now, because the world is confused. 'Could that really be that? Is that Rome doing that? Is that Jezebel doing that, how am I not seeing her? I haven't seen the Pope leaving the Vatican for a long time, that can't be him.' What, you think in your mind that the Pope, as a man, goes and fights somebody? You're in a dream world. You think Obama [Barack Obama, the 44th President of the United States of America -Ed.] goes and fights somebody? You think it is Kamla [Kamla Persad-Bissessar, the then Prime Minister of Trinidad and Tobago -Ed.] locking up people all over Trinidad? Then realize. In other words, grow up. Grow up. Expand your thinking. Understand the world.

Do you think I stand out there trying to usher people in their seats? And park your cars out there? No. It is like a body has members. It is an administration. That's right.

25 And through his policy...

[Verse 24 -Ed.]

... and shall destroy the mighty and ... holy people.

He is going to do it. Because later on it tells us he takes the kingdom by flatteries. [Daniel 11:21 -Ed.] How is he destroying them? He is coming in by deception. How could he do it? Because they have no revelation. How did he come into Eve's life? By deception. She got destroyed. Eden got destroyed. Adam ended up tilling the soil with pickaxe and shovel.

When you're going good, do you think he stands up and just watches you? You have to have revelation the

same way. Same way for you, same way for the whole world.

25 And through his policy [His economic policy] ... he shall cause craft to prosper in his hand; and he shall magnify himself in his heart, and by peace shall destroy many:

That is one of the great things in the world today, peace. Skillful diplomacy – sitting down and talking, taking pictures, shaking hands, sitting in the oval office, sitting in the Vatican receiving guests and visitors. That’s what the papers take up and show you. You don’t get anything to see what they are talking about. The Press gets one or two things, they say: “Well, we had bilateral talks.” What is bilateral talk? [Bro. Vin chuckles –Ed.] “We were talking about peace in the Middle East.” The Press gets that and they put it in the paper. But you don’t know what goes on in the backroom, the contention.

And then they say, “Okay, we are putting sanctions on you. You don’t want to give in? Your Southern border is gone.” When terrorists start to come, when missiles start to come again, they say, “Come back for more talks. Have you learnt? You see what is going to happen if you don’t corporate?” The Press is not showing that.

They say, “How are you going to get past this? We control the Media.” You see how they put a no-fly zone over... In other words, a ‘no-fly zone’ means *a blackout of flying anything trying to get airborne*. Well when you have a Media blackout it is the same.

It has Cable TV in Trinidad, who gives you the package? Do you make up your own packages? No, you are offered a package. You could get this for young children, you could get this, you could get this at 7:30, you could get this at 8:00, otherwise you pay for it. That’s the big people who have the satellites to cover the whole of the Caribbean and South America. They say, “You are in the Mercosur, [Common Market of the South (a trade bloc) –Ed.] so anything you’re getting here is beaming in from

here.” When you read your Newsweek, [American weekly news magazine –Ed.] it is not coming from Europe. Your Newsweek is coming from Latin America. Printed somewhere in Latin America.

They have the world zoned. They have the world under markets. They have the world hearing certain kinds of things. They have the world shopping and buying certain types of goods. They say, “Panama is your free trade zone.” When you go there, it’s a bunch of... 80% [of it] are old things. Those people don’t want... People aren’t getting all the Tommy Hilfiger, [Bro. Vin laughs –Ed.] all the Ralph Lauren down there, so they go up in the States [U.S.A. –Ed.] to get it. Do you understand? So this is the thing. This is the thing.

So when you watch the world you have to understand. You see it is not what you’re seeing, you know. It is what you discern from what you’re seeing. It’s what you discern from what you’re seeing.

25 And through his policy also he shall cause craft to prosper ... and he shall magnify himself in his heart, and by peace shall destroy many:

The verse before says that he shall destroy the mighty and holy people. Here it tells you: by peace shall destroy many.

You mean to say that you could destroy a lot of people without planes flying over your head and dropping bombs like in Baghdad? Sure. The creditor who looks nice, “Oh, yeah, I see that you all have so many people below the poverty line. Okay, the IMF [International Monetary Fund –Ed.] has a new package to help the poor Third World countries, and to help the developing ones.” So they give you a little package and you say, “Well, praise the Lord.” You see the Chinese come.

I don’t know if you read it recently. You saw the man from China is here, the Vice President of China? He came and so on. Well I’m just reading he came here, but I was reading in a US paper that they offered over a

billion in aid and so on. Well China has close to about 1.3 billion people already, so what do you think is going on? How do you feed all those mouths? How much resources do you have that could take care of all those people? Well you realize that you have to find markets, you have to find places with resources. So when you go all through this Caribbean here, you are seeing China building this for this, China building that for them, China... You go into all those African countries, China built this... and China has already gone.

Why do you think all these countries that start to fall recently are North African countries? In a row; Tunisia, Libya, Egypt, Ethiopia, Sudan, Somalia, see? Then they cross over into the part of the Middle East: Saudi Arabia, this one shaking, Qatar, and all these places. When you watch you're seeing that they are now trying to control... because these ones are bordering the Mediteranian Sea and Europe. All the North ones are the ones closer to Europe. This is more strategically placed.

When you're making war, you don't fight somebody who is going to take some piece of territory that is useless because they are still in the old mentality. Saying, "We will control here. This is about five thousand acres." Five thousand acres of what, sand? Who are you going to sell it to? Or you're fighting for some landlocked place. You can't get out here, because you can't get to the port to carry your goods. You're fenced in. You have unfriendly neighbors, how are you passing? No.

That is how he prospers. Who is able to make war with the Beast? So they are sending money. They are sending money here. When you have leaders in today's world who don't read the Bible, and they say, "Well the next hundred years, think of what your children are going to be. And the next two hundred years... We have an ancient civilization about five thousand years old, so

draw from our wisdom. In the next thousand years you could be so-and-so.”

And some leader says, “Oh, my!”

He said, “And think about your legacy; before you go out of power, you would have made this great decision that would help generations, and history will mark it here.”

They are talking in a fictitious world. They don't realize that the world is already judged, and the world is again falling apart, and the Stone that is destroying this kingdom has already appeared. They don't understand. You telling me I would follow a politician? I would follow a man and a woman who is not Born Again? Who doesn't hear from God? Deal with those stupid persons? No Holy Ghost filled person could follow that.

That is why that Birth takes you out of this world. We are not of this world. That is why the Prophet told his wife, “Honey, we are not Americans, we are Christians.” Do you know why? He had an Angel coming to him that wasn't from America. Everything he was getting is not from America, it was from that Angel. And that Angel is putting judgment on America, until that Angel showed him America in ashes. Until he said, “I don't pray for that no more. That Angel told me it has passed redemption, 1957.”

You see sometimes you don't realize the Prophet was only a mouthpiece of the God of creation Who was there, promised in the Bible. Lack of that becoming so real, you take the Prophet's word light. And you don't understand in time and season, all through the Bible, from Genesis, worked up to that hour when Angels would appear and the Book would be opened, and man, humanity would be brought before God. And God will start to identify when He was not even God what His plan was, all the way to the present time, all the way to the Future Home. And no-one in the Bride will have to wonder about what is Truth, because they would know

from Eternity to Eternity, while the wicked, the world, would be in darkness.

That is what has come, friends. All the historians, when the Prophet spoke and all those visions came and the Books were opened, the Words were no longer shut up, you know you see this man write all that history, it's nonsense. And the Universities are teaching that like God, you realize that that is nonsense. You realize that this man spent his life on some bone that they say is sixty billion years old, and they make this man a celebrity and people start to pour money in this man for more research. You realize how foolish the world is. You want to follow that?

When you start to understand God in a Prophet Who gave the vision to Daniel, that same God is so faithful to come back and put Khrushchev and Eisenhower to live in his day, because he has to be the one to say, "We are here now in the vision," and update all the theologians books. He said, "We are now here." You could catch that? Baptists theology, Methodists theology, Pentecostals theology, Adventists theology, Catholics theology, everybody is trying to explain Daniel.

When that Prophet stood there, the revealing Prophet of the Bible, the one who was going to reveal what Daniel sealed up, God had to have Eisenhower and Khrushchev, two men with those two names, ended up to be two leaders, because the world power, the balance of world power is the two big toes. Anybody that doesn't have two big toes can't stand up on their feet. And that was the two superpowers there with four each—nations each. And they stood there, and each man's name had ten letters.

And here was a Prophet now identifying: "Look, the iron and clay can't mix." And then Khrushchev had to do that significant thing. Just like the Prophet threw the rock up in the air, he had to take off his shoe and beat it on the desk. It just shows you sometimes the greatest of things are revealed right before your eyes and if you

don't have spiritual discernment you can't recognize what is happening in front of you. Do you see? Is that coming out clear to you? [Congregation responds, "Yes." -Ed.]

Because I get worried, in the sense of... I was saying when I started, I don't want to get too excited and talk. I don't want it to come out muffled. But you see, you might say, "Yeah," because you understand Trinidadian real good. But these are things... You could imagine... I'm thinking with this, why I'm concerned too...we are going up in the Ukraine for these meetings with the Russians and they. They are in the country with the king of the North. They are in the place with the Bear; to preach some of this if the Lord keeps me in it. Because you see, while you're getting an inspiration and something is opening in the Word and God is directing our minds and our thoughts... because it is necessary most times for that when the things are happening in the earth.

What is the use when those things go back and get invisible again and you're looking around and you can't relate to what He's talking [about]? But while it is happening you can say, "There it goes. Here it goes. Here it is happening, look the Scripture here." Then the Word comes alive to you. Then after that, all the diversions come and then you go back again. That's why you want to be seeing. See? This is taking up a lot of my time here but I'm just trying to obey a little bit too. I hope I'm doing it right.

*25 And through his policy ... he shall
cause craft to prosper in his hand;*

I'll leave that for when I start to read some of the quotes.

*... and he shall magnify himself in his heart,
and by peace shall destroy many:*

All that Ecumenical Move to bring world peace and all these things, you know how many people are getting destroyed in that? Because when you get pulled into that you're going to take the mark of the Beast. You are

going to worship the Devil not having revelation; thinking and being influenced you're working for a real cause to help humanity on earth, because you don't understand it is Harvest Time and God is bundling the tares. The Ecumenical Move is bundling the tares to be burnt, but the Shout is gathering the Wheat, the Bride, quickly. It is Harvest Time.

... [And] *he shall ... stand up against the Prince of princes;*

Now when It says: he shall stand up against the Prince of Princes, one man... Like Luther, he brought justification; one man brought sanctification; one man brought restoration of the gifts; one man brought the full Word. So you see, four men. But four men are really the four stages of growth of one life. Because Luther was the stalk; Wesley was the tassel; Pentecostal was the shuck; and the Prophet was the Grain. It is one life. It is the Word growing up. But one man is not living long enough, because God is doing it in stages.

He said, "If Luther [Martin Luther, the 5th Church Age Messenger –Ed.] had lived long enough he would have preached sanctification. If Wesley [John Wesley, the 6th Church Age Messenger –Ed.] had lived long enough he would have brought the Pentecostal message. If the Pentecostals had gone on they would have become the Bride. If you could catch that, you understand this.

Because the point I'm bringing here is, it's through a succession of Popes. John Paul [Pope John Paul II, reigned from 1978-2005 –Ed.] rallied the whole world together, and was loved by the whole world. And through his time he united with Mr. Reagan [Mr. Ronald Reagan, the 40th U.S. President –Ed.] and brought down the Berlin Wall to reshape the world. Then the time came they had Mr. Bush [Mr. George W. Bush, the 43rd U.S. President –Ed.]. I explained to you that he is the demolition man. They destroyed the economy and threw the nation into debt that they would never come out of, and then control resources in the earth.

Then they had need now to unite the Muslim world, and Mr. Obama became a political necessity. And people who don't understand the Bible and don't understand the power of the prince of the air, people who have been cultured and trained to think by the influence that is projected from the Media, they don't know that that's the mouth of lies, of the father of lies.

He said, "Oh, we are going there into Libya; the people are dying in the streets. They are being killed by this mad man." Hear the story. Hear the picture that they are painting: This man like he locked up all his children in a house. And he is a mad man and he is throwing gas in every room, and he will burn up all the children who are not obedient to him. And he is going to starve some who wouldn't submit to him. And the Media is painting this picture.

And then they say, "We are getting messages that the house is on fire now and the children are screaming and they're coming through the window." And the world is getting incensed. And when they build up the world to that now, it's like, "What are we going to do? Are we going to stand by and let all those innocent children die in that house? No. We are the fire brigade. We are going to their rescue. Fire men, bring out the fire engines! Bring out the hose with water! Put on your uniform!" Tut, tut, tut, [Bro. Vin makes the sound of a cavalry trumpet -Ed.] and the cavalry is coming. The apaches and they are bad. We are coming to the rescue. That is the picture they paint all the years.

"Saddam Hussein [The 5th President of Iraq -Ed.] has them locked up there, he is killing them left and right."

More people die in New York City everyday than all what he has killed in years across there. Do you understand? Every half hour in New York City you have a rape. Every fifteen minutes you have a robbery. Every hour you have a murder. See how many people are on crack that are left there.

Right now so many people in America (they say about forty-something percent) are on the poverty line; living under poverty, losing their homes and everything. They are not showing that in the Media. They have the President going out there: “Four hundred and fifty dollar bailout plan that they are coming with now. Let Congress do something.” These are the pied pipers [One that offers strong but delusive enticement –Ed.]. This is a diversion while this man is destroying wonderfully.

It is hard to explain... How has Rome drunken the whole world? The world has seven billion people. You say, “Rome could drunken the earth and the inhabitants of it and all the kings of the earth? They’re drunk? It says, and he deceived the nations. The nations are deceived? You could tell the nations are deceived? No, no, no. When you read that, that is just something in the Bible that is not important. No, it is God saying that. It is God saying that.

But how is the Media saying that they are free and that they are happy and they’re excited? You realize how crazy Bro. Branham could sound quite back in 1957 to say, “America is past redemption”? A man standing up and saying, “THUS SAITH THE LORD”? And saying that he doesn’t pray for that anymore, a Prophet? He isn’t a politician, you know. That is God’s mouthpiece.

If he is a proven Prophet, if he is God’s proven Prophet, which he is... Not these kinds of jokers they have here, masquerading as some men of God, thieves. If he is God’s chosen Prophet, promised in the Bible, with a vindication of the Pillar of Fire and the Angel of God, then when he speaks and says, “That is so,” you better see it so. Otherwise you are staying in the deception with your own thought, leaning on your own understanding, while he is telling you, “That is done.” And you are trying now to explain that that can’t be done because you have a desire for it still.

That is exactly the story of Lot’s wife when they were pulling them out of... dragging them, but she was

looking back in a world with desire because she was not ready to go yet though the place was about to be rained down with fire and brimstone and become ashes in the morning.

And Jesus, out of all the women in the Bible, picked up that one woman and said, “Remember Lot’s Wife,” in the last Days. [Luke 17:32 –Ed.] To show it will have people like that when God has pronounced things on the world. This is the reality. This is why teaching is so necessary, because something makes us realize: Where am I thinking, am I leaning ten degrees off? Am I still walking and my files are not updated? I’m still going along as if everything is nice because I’m being influenced by the Media that things are getting better?

No, we have to know in our souls. Let me tell you, from the time that life gets unhitched with God and the leadership of the Spirit of God, you can’t help but lean on your own understanding. You can’t help but walk in your own human reasoning. You are shut up in the humanistic realm because you’ve dropped out of the realm of revelation and vision.

What did he say the Bride is? She has what? The mind of Christ, and she knows what He wants done with the Express? [Congregation responds, “No.” –Ed.] What He wants done with the Word. Yeah, praise the Lord. You know what to do with the Express and the Guardian too. [Local daily newspapers –Ed.] You know where that belongs. That’s toilet paper. Old time people toilet paper. Someone says, “Oou, guude [a local expression of surprise –Ed.], they used to use that long ago?” Yeah, sure. You see some of you are born in a nice Age, a civilization that has made life a little softer in the Laodicean Age.

Okay, let’s turn to Chapter 11 quickly. I have my eyes on the clock, don't be afraid.

Verse 1:

¹ Also ... in the first year of Darius the Mede, even I, stood to confirm and to strengthen him.

*² And now will I shew thee the truth.
Behold, there shall stand up yet three kings
in Persia;*

Verse 1 is what?

*¹ Also ... in the first year of Darius the
Mede,*

When is this happening? In the first year of Darius the Mede. Who is Darius the Mede? The one who became king when Belshazzar died that night when the handwriting came on the wall, and Babylon fell. And the message was: You are weighed in the balances and found wanting, and your kingdom is given over to the Medes and the Persians. [Daniel 5:27-28 -Ed.] And Darius the Mede was the first king, 538 BC. That's where Daniel got this vision in Chapter 11.

*² And now will I shew thee the truth.
Behold,*

Because remember it was in Nebuchadnezzar's time (which was 606 [BC]) when Jerusalem was captured. And then Daniel, in Nebuchadnezzar's time, had seen that the Medes and Persians was the chest of silver. Is that correct? So this is years after, because Nebuchadnezzar reigned; his son reigned; his grandson reigned, Belshazzar, and so the kingdom went, and passed over to the Medes and Persians.

And in this time now, Daniel is saying: It's when I got this revelation. He had already seen (in the third year of Belshazzar) that that Bear was the Medes and Persians. He had already seen Greece had four heads. Do you understand me? He had seen these things. In the third year of Belshazzar, he said he saw the vision with the ram and the he-goat (which we just read in Chapter 8); the third year of Belshazzar.

So here Belshazzar was still reigning when he understood that the Medes and Persians will be destroyed by Greece. Here now in the time of Darius the Mede, he is understanding... This is like a few months after that vision we just read in Chapter 8. He is getting

more insight. And when the Angel came here now, He was reviewing to Daniel what He had already shown him.

That's why I read Chapter 8 first for you, because it was dealing with—out of the Persian kingdom being destroyed, and how the he-goat was going to come, Alexander the great. And then Alexander the great is going to die and four kings are going to come up. And out of one of those four, that little horn is going to come up. Well Chapter 11 here is the same. All that the Angel is doing is reviewing. He is referring him back to what was previously given, teaching him further on the revelations he had already received.

Does God do that? Well if you could read that quite back there in 538 [BC] that God does that, and then you are experiencing that in your life, you are saying that twenty-five hundred years after you are experiencing that God in the Bible in your life. That is what you are telling me. Do you realize it is that you are telling me when you're making that statement? Well that is a thing that should give confidence. It does give confidence. Because you know what it tells you? They were God's Elect back there, Daniel; and you are God's Elect here. And God comes to His Elect and reveal, and God comes to His Elect and reveal. And God gives you things and teaches you further on what He showed you.

If you know your knowledge is growing in the ways of God and in the revelation of God since you're walking with God, then you are conscious that God is teaching you further. He keeps on teaching you and you're progressing.

Doesn't a mother feeding a baby... first, she's nursing him; then he gets teeth; then she is giving him little food and so on; then he's walking; then he's coming along? Isn't that baby growing, and the mother knows the baby is growing too? And doesn't she know that the baby is growing by what she is feeding the baby?

Didn't Paul say, "You have need of milk and then I'll give you meat, because meat belongeth to them that are of full age. I have to change your diet"? Didn't God give them Manna in the wilderness, and when they crossed Jordan He gave them the Old Corn to eat, the mature grain? That's right. Didn't God teach you first water baptism; that you needed Christ in your life? Didn't God teach you first that He sent a Prophet in this Age? But now He is telling you that you have to have faith for Rapturing Grace? And you realize that your faith is coming into that place too. Well, it is the same. It is the same.

*² [But] now will I shew thee the truth.
Behold, there shall stand up yet three kings
in Persia;*

He did not know that before. He knew Darius and he knew Cyrus, but he didn't know when this kingdom would be finished. But the Angel is telling him, "They are going to keep on ruling because there are a couple more kings to still come.

*... and the fourth shall be far richer than
they all: and by his strength through his
riches he shall stir up all against the realm
of Grecia.*

Daniel is telling him... He is telling Daniel rather, that when the fourth king comes—who would be richer than the previous king, which was Ahasuerus—he will stir up all against the realm of Greece.

*³ And a mighty king shall stand up, that
shall rule with great dominion, and do
according to his will.*

A mighty king in Greece is coming to stand up. Well Daniel already had a revelation a few months ago, in the third year of Belshazzar (Chapter 8), that this ram (which is Persia) is going to be destroyed by this big horn in the goat. And then he already knows that four horns are going to grow up, but the kingdom will not be as

strong as when it was united when that first king was. Well the Angel is saying back the same thing here.

Now to Daniel it is okay, but to us, what does it do to us when we have the Book here? We see God showed him that in Nebuchadnezzar's time, God showed him that in Belshazzar's time, God showed him that here. Then we have the Scripture: Let everything be established to be the Truth in the mouth of two or three witnesses. [2nd Corinthians 13:1 -Ed.] We see God re-emphasizing and re-emphasizing. And God is showing: this is fact. This is coming. This is the course of the world's history.

When you have that revelation of what the future is going to be, what does that do to you? Teach you how to prepare. How to plan your life in accordance with the will of God.

What did Jesus tell them? "The time is going to come that Jerusalem shall be compassed with armies." [Luke 21:20 -Ed.] When you see that, what to do? Buy up food, stock up your things, dig a basement. Is that what He told them? "Let not your flight be in winter, neither on the Sabbath day. If you're in the field don't come back, flee into the mountains." [Matthew 24:16, 18, 20 -Ed.] Is that right? "Because not one stone on this building will remain standing. And this nation shall be scattered into all nations in the world." Did it happen? Who are the ones that escaped? The ones who had the Holy Ghost. The ones who listened to the prophecy. That's right. That's right.

Are we warned that the same way Titus came and destroyed them because they rejected the message... The churches gave their support to the Roman power to crucify the Word... And in the message on *What Shall I Do With Jesus Called Christ?* [1963-1124M -Ed.] He said, "Look, the churches, these denominations are giving their support to the Roman power to crucify the Word again. Christ is on trial." He meant Christ in Him. Because God, the Son of Man was being revealed in a

Son of man. God was in human flesh. He was promised to come in human flesh to the Gentiles. He promised to come to the Jews in the corporal body, but the mystery of the appearing in the Second Coming began to unfold: it's God in human flesh.

And when He came, the same Jesus came, what did the Gentiles do? They were prophesied to be blind just like the Jews. And what the Jews did being blind, and they were destroyed for rejecting the Word, then the Gentiles were prophesied to do the same thing. When the Jews rejected it, the Light came to Gentiles. Now the Gentiles are blind, and the Gentiles reject It, what is happening? It is going back to Israel. Israel's blindness that was in part would be taken away. Do you understand?

What has God been doing over these years? We are not preaching to the Baptist. They are blind, stone blind. We are not preaching to the Roman Catholics. They are stone blind. God has individuals whose names are in the Book, and they are scattered out in the Islands, and Guyana, and all those different places. How did the Holy Ghost find them? Why did He gather them? Why didn't the whole organization come? Why those who have Life could recognize the Message just like you recognized it? Why when you left the system and the world, why didn't the whole world follow you?

Because the one shall be taken, the other shall remain. The one shall be taken, the other shall remain. My sheep will hear My Voice. [John 10:27 -Ed.] When that Mama Eagle came down in the barnyard, why didn't all those chickens go up? She didn't come for chickens. She came for Her own, eagles from the egg. Do you understand? This is what it is. This is what it is.

³ ... a mighty king shall stand up, [and] that shall rule with great dominion, and [to] do according to his will.

4 And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven;

We read that over here, just now. So what is Angel doing here? Keeping Daniel in remembrance of what He told him the last time He was with him.

Is it wrong for me to come back tonight and recap what I've been telling you? The Angel is doing that. Because why? He is teaching him something. He is teaching him something about the End-time. Daniel was never going to see any of the things in the vision that was intended for the last Days. Only by vision he could see it, just like John. Only by vision they could see it.

But there are End-time Daniels and End-time Johns. There are End-time Daniels and End-time Johns. Hallelujah! They will be living in the reality. They will be living in the reality. Because that's when the revelation is coming, in the last Days; and that is what we call the Message. And that is what we understand we have come into. And that is what, when these things are coming and opening, we are experiencing: 'Look how God is giving these things to us that was spoken by a Prophet, laying there, that we could get ready. And He is even pointing out these things in the earth, where these things are happening.'

Pointing out our progression: Ruth deciding, Ruth serving, Ruth resting. While the Harvest is coming from the reaping, to the threshing, to the garnering, Ruth is moving. Boaz is not in the field, He's at the floor, He's at the gate. It is all a progression.

Then we are seeing: And he is stretching forth his hand to the pleasant land. [Daniel 8:9 -Ed.] And he is entering into the glorious land. [Daniel 11:41 -Ed.] And he is planting his tabernacles in the holy mountain. [Daniel 11:45 -Ed.] Progression. Progression. And he is sitting in the temple, to be worshipped as God. [2nd Thessalonians 2:4 -Ed.] Progression.

Look at the move. Look how he is making his strides. Look how he comes in by flatteries. Look how he is causing craft to prosper. Look how he is manipulating the market. Look how he is blinding the people – the god of this evil Age. The rulers of the darkness of this world; the principalities and powers; the spiritual wickedness in high places keeping the world drugged and drunken. Locked up in organization, bring them to the cage; fenced in. The house of hell: [they are] beating their heads crying for deliverance, some of them. Do you understand?

My time is up. I'll close it off quickly.

⁴ And when he shall stand up, his kingdom shall be broken, and shall be divided toward the four winds of heaven; and not to his posterity, [He is getting more revelation.] nor according to his dominion which he ruled: for his kingdom shall be plucked up, even for others beside those.

Verse 5:

⁵ And the king of the south shall be strong,

Do you understand the language now? 'To the four winds' is always east, west, north and south. Greece was a world empire. There were only four world empires: Babylon, Medes and Persia, Greece, and Rome. The fifth kingdom is the God of Heaven.

That's why Hitler tried to take the world, he couldn't, because there is no prophecy of another kingdom. Napoleon tried to conquer the world, he had to fail at Waterloo, because there is no prophecy that he is going to conquer the world. France is not a world power. Germany is not a world power. God already identified in the Book of Daniel what is happening.

America, a great nation, wants to be an empire; imperialistic in everything that they do. "We are the only superpower controlling the whole world." Bases everywhere. But watch, their economy is broken. Ahab got united with Jezebel because his kingdom was

broken. He needed Jezebel's wealth. It was a political maneuver to secure his kingdom. And Jezebel became the power behind the throne.

And the Prophet had the vision: watch that woman rising in America. He said, "The Catholic Church," in parenthesis. Beautiful but wicked in her heart. And then God told him, "The history of Ahab and Jezebel, in the time of the Book of Kings, is repeating itself in this country."

Elijah came at the time of the evening sacrifice to call the people out of what? Jezebel religion. To turn their hearts back to the faith of the fathers. Look at the perfection, friends, of the Word, of the Hour, of where we are standing. Look at these things in the Scriptures to see why we could have faith in the inspired Word of God. Jesus said, "You do err, the Scriptures cannot be broken." Jesus said, "Heaven and earth will pass away, but the Word will never pass away." Paul said, "All Scripture is given by inspiration." [2nd Timothy 3:16 -Ed.] John said, "You can't add one Word or take away one Word." Why? It is perfect. It is complete, what we have as the Word of God.

Prove all things, try every spirit, by what? This Word. Hold fast to that which is good. [1st Thessalonians 5:21 -Ed.] Line upon line; precept upon precept; here a little and there a little. It must be the Word. That's why he said, "Rightly dividing the Word of Truth." [2nd Timothy 2:15 -Ed.] Not misplacing, mislocating or misinterpreting, but watch the picture. Watch the prophecy. Because when we see it and we understand it, then the Light is turned on. There is a Man that can turn on the Light. That has turned on the Light. The Light is turned on. Now we can look and see. We are not in the dark, the children...

While gross darkness was on Egypt and its peoples, the children of Israel had light in their dwellings. Where was this light coming from? It was a Supernatural light. God had shut them away under the blood of the lamb by a prophet He had sent for their deliverance with two

signs to confirm his commission. And at evening time, his message came out: The Token, apply the blood. Everything outside the Token would perish. Did we have such a Prophet? Did the impersonators rise in the land where he was born? Where was Moses born? Egypt. Where was his ministry? Egypt.

Did Jannes and Jambres rise up to impersonate what he did? Did that same thing happen with the Prophet in this Day? Then the Prophet separated them from that system, the Elect? Went up in the mountain, into the Cloud? Did the Cloud come on the mountain? Did Moses become God with the—coming out with the Word there to bring a revelation that God wants to come and dwell among the people? This is the reality.

See, it is not a makeup thing, it is not a persuasion. This is seeing and understanding these things.

*⁵ And the king of the south shall be strong,
and one of his princes;*

Look how the Angel continues with the emphasis on two. He is not dealing with the king of the West and the king of the East. He is dealing with the king of the South and the king of the North, because these are the two powers that are going to end up strong. And it is going to continue on for a while until it is absorbed into the fourth kingdom.

Because remember the Book of Daniel (from the very beginning) is dealing with this fourth beast and this horn that is going to rise up; who is going to deceive Daniel's people and destroy them in the last Days. But Moses and Elijah are coming to get an Elect out of that deception.

What has happened to organization among the Gentiles? The whole Gentile world has gone into darkness and deception; but a Prophet like Moses, a Prophet like Elijah, a Prophet like the Son of Man, came and took an Elected people out from the deception.

What is happening to us here is the same thing that is going to happen to them there. That mighty Angel

came down with the Book. Because it is not any and anybody, it is names in that Book. And those names that shall be found written shall be delivered. In that Day shall Michael stand for those people too, the same way.

Look at it happening here, friends. How could we preach this mystery so clear by seeing our names in the Book if that Angel didn't come, and that Prophet didn't open those Scriptures? Then if this gives us a faith like this what we have, what do you think it is going to do for them?

Because we have a prophecy saying there'll be a Bride in the last Days. We have a prophecy saying: 'When Elijah comes, the hearts of the children will be turned back to the faith of the fathers.' [Malachi 4:5-6 -Ed.] We have a prophecy saying, "Come out of her, My people. Come out of Babylon." [Revelation 18:4 -Ed.]

When they come, Daniel 10 and 12 is a prophecy. They would see the man sitting there trying to take Jerusalem, trying to take the holy mountain, trying to divide Jerusalem. They will see the nations and the politicians. Naboth's nobles and elders in Naboth's city working with Jezebel to kill Naboth to give them the land. Because they don't understand what their inheritance is. Do you understand?

Because when Elijah comes, he is coming back to shut the heaven for three and a half years like he did in the Bible. When Elijah comes, he is coming to call them out of Jezebel's religion just like he did back there. When Moses comes, he is coming to call them out of the deception of Pharaoh who is enslaving them with subtlety and reducing their status and bringing them down to slaves to build up Egypt. Pharaoh was a gentile, and Jezebel was a gentile. And these Jews got carried away with Jezebel and started to worship Baal when their God is Jehovah.

Watch the Bible. That's why it points us back there for the last Days. Let the musicians come for me.

⁶ *And in the end of [the] years they shall join themselves together; for the king's daughter of the south shall come to the king of the north to make an agreement:*

The Angel is continuing to unfold to Daniel, teaching him further on the revelation. Expanding and opening the revelation, and giving him further details. Of what? What is the Angel unfolding all of that to bring? To bring this little horn who is going into the land. He is bringing it there because why? That is the subject of the prophecy. That is the subject of the prophecy.

When you see, in the last Days... What was the first kingdom? Babylon. What is the last kingdom? Mystery Babylon. What did the first Babylon have in it? An image forcing the whole world to worship. What is Mystery Babylon going to have in it? An image forcing the whole world to worship. A false worship. Revelation 13. And those who don't worship the Beast will be killed just like back there.

What was in the first Babylon? A mighty Angel descended at the end of the seventh decade. What is in the last Babylon, the Mystery Babylon? A mighty Angel descends at the end of the Seventh Decade. "Come out of her, My people." What did the Prophet preach? Tower Of Babel, *Handwriting* [Glitch in audio -Ed.] *Why I'm Against Organized Religion* [[1962-1111E -Ed.](#)], *Why Are We Not A Denomination?* [[1958-0927 -Ed.](#)], *Jezebel Religion* [[1961-0319 -Ed.](#)], Hybrid Religion, *Impersonation Of Christianity*. What was he dealing with? Mystery Babylon. Mystery Babylon.

Who is the angel that said, "Come, I'll show you the judgment of the great whore"? [Revelation 17:1 -Ed.] One of the angels who had one of the Seven Vials. The one who revealed the Book of Revelation to John. Who is that angel? The Prophet.

I showed you last night, from Revelation 1 to Revelation 22, he is all through the Book. Why? Because he is caught up in the Spirit in the Lord's Day.

What is the Lords' Day? Between His Priesthood and His Kingship, when He has a white wig. Tell me another generation that saw Jesus with a white wig. None.

We are the first generation that saw Jesus with a white wig. Tell me another generation that had the Seven-Sealed Book open? None. We have the Seven-Sealed Book open. Tell me another generation that saw where the priest handed him the Book for the second part: and the Day of vengeance; and when the rock is thrown up. None. We are the generation that saw these things. So do you see? Look where it has come to, friends. This is the thing.

Take a little time to pray when you're home. Take a little time to meditate. I'm not telling you to try to be a theologian and go on your knees all day. If God has you to do that, and He put the Spirit in you to do that, it is okay. But if you're fighting up trying to do that in the flesh, you would be keeping yourself back. It's best you do what you're doing. He will come to you and walk with you and talk with you like on the road to Emmaus. Because when He was opening the Word to them, they were walking and talking. They were on their journey going and He was revealing to them while they were going. They didn't have to be in one place.

I'm not giving you religion, or pushing you to works. I'm trying to say, if you hunger for it in your heart, blessed are they that hunger and thirst, they shall be filled [Matthew 5:6 -Ed.]. I'm trying to say, what you desire, God will give you the desire of your heart. He gave Baalam the desire of his heart, didn't He? He gave Judas the desire of his heart, didn't He? He gave Saul the desire of his heart, didn't He? He'll give you the desires of your heart too.

You aren't desiring His permissive will, are you? You are not desiring something in the world contrary to God's Word, are you? You are desiring His will. You are desiring His Word. He'll give that to you. When a man's

ways please the Lord, He grants him what? The desires of his heart. Daniel wanted to know.

He was a Prime Minister. He didn't want to be in the cocktail party. [Glitch in audio -Ed.] ...twenty-one days, no pleasant food. He waited. Because he began to grow in an understanding of the responsibility in the Age, as one God was communicating things for thousands of years [to], and he had to put it down there for the generations to come. We could know these things today because Daniel was faithful.

This Book of Daniel is criticized—is one of the most criticized Books in the Bible. That they say Daniel is not the author and Daniel couldn't be the author. They can't understand how this history could be made known. They say that it was written by some man a few hundred years after Daniel, it is not really authentic.

Do you realize that when Jesus came He made a statement? Because that was already existing in the earth. Jesus said, "And as Daniel the prophet..." And He quoted Daniel: "When the abomination of desolation... standeth in the holy place as saith the prophet Daniel." Jesus quoted from the prophecy, and then Jesus said Daniel was a prophet. Because nowhere in the Book of Daniel says Daniel is a prophet. The Book tells you that he was the Prime Minister. It tells you he was the third in the kingdom. But when Jesus came, the God of the prophets, He referred to him as Daniel the prophet.

Nowhere in the New Testament it said Paul is a prophet, but when God came in human flesh in this Day, He said, "Here is the prophet of the New Testament." Oh, my! Do you think Daniel didn't know he was a prophet? Paul knew he was a prophet. Because why? The Word was coming to them. The Word was coming to them.

When you watch in the Word, friend, you realize... As I told you, your greatest possession is to have the Word inside of you. The only thing that could give you hope

to leave this world is the Message of the Hour. Because the Message of the Hour is what reveals to us how flesh becomes Word again, and how to know if you were in God's thinking before the foundation of the world. And how you know it and identify it, only the Message of the Hour teaches you that, because these were Things not known before. Where you were before birth; where you will be after death; that there is another part of you. You are in the negative here, and you bypassed a theophany stage to come here to be tested. Earth is a testing ground. And there is a secret of your pre-existence, your earthly journey, and your Eternal destination. That's right. What a great thing, friends.

Just like Daniel... Can you imagine a man in Babylon standing there, and he was coming out to his little group of friends and Jews that were there who he was passing his writings to? He was teaching them. Because he didn't have it locked up in a book somewhere, you know. All those Jews in the kingdom; some didn't want the Word, but some: a little Ezra, a little Zerubbabel, all of them, they knew... Because that Word wasn't coming to Daniel personally for Daniel, that Word was coming for Daniel's people, to tell them what will befall them in the last Days.

That's why the Prophet had to put this on books and tapes. That's why God had them invent the tape-recorder at the time of the Prophet, to tape the voice. That's why the Prophet, a man with a seventh grade education, knew that it couldn't stay there alone. He began to get people to interpret that. He started to go into foreign lands. He said, "That is going all in the jungles." They started to put that into print, and they started to send truck loads. And God provided for that and support for that so that could go across the face of the earth. He said, "These books will fall in the hands of the predestinated one of these days."

That is how we have it and it started to come to life after he has gone, because God was watching over these

things. We didn't just come so [meaning haphazardly or anyhow – Ed.], friends. God watched over all this and guided this right to you. You were in the world searching for something. You didn't even know that the Scripture was saying a Prophet had come and gone, but you were hungry. And while you were thinking that, you didn't know that there was an unseen Hand leading you straight to somebody you will cross paths with that will have that Word. And they will start to testify that to you and say, "Come and see."

And then you come to service; you sit down and you start to hear that Word, and then something begins to change around you. And the misunderstood life and all the misunderstood pieces begins to connect together, and you begin to see God's predestination, God's leadership and guidance in your life. And you start to see how God knew you, and He watched over you. That's a great thing.

I'll have to stop. I'll pick it up Sunday. Sunday we are going to start right there. This is a long Chapter, it goes to forty-five verses. But it is divided into three portions. I'll just tell you so you would see where I'm going.

The first part he comes, he reviews. The first four Chapters [verses –Ed.] he reviews. In the first year of Darius the Mede, from the coming to the... The Persian kingdom is going to have three more kings; the fourth king is going to be the richest. Then, a great king in Greece is going to stand up [and] break the Persian kingdom. Then four kings are going to rise up out of the Grecian kingdom. Then it goes to the two kings: The one from the North and the one from the South. Then when it goes up to [verse] 20, He is foretelling the history.

From [verse] 21, I'm going to show you when the End-time Prophet comes... Because catch this. The Medes and Persians... 606 [BC], Babylon took Jerusalem. 538 [BC], Medes and Persians came and took the kingdom. Daniel, during that time, came and got...just before the fall of Babylon (Daniel 9) when the Angel came down, he

got the Seventy Weeks revelation. “Seventy weeks are determined.” [Daniel 9:24 -Ed.]

When Cyrus came in, he was the one who gave the decree. Cyrus gave the decree. And when Cyrus gave that decree, He [the Angel] said, “From the commandment of the going forth to build the temple and restore Jerusalem unto Messiah shall be seven and threescore and two weeks.” [Daniel 9:25 -Ed.] Sixty nine weeks. Four hundred and eighty-three years.

This history that we are reading here, Jesus hasn't come yet. Because when Jesus was introduced by John, that was sixty-nine weeks. When Jesus preached for three and a half years and Messiah was cut off, but not for Himself, that was the first half of the Seventieth week. That is sixty nine and a half weeks. Then, the Jews are blinded for two thousand years, scattered into all the world. And Seven Church Ages: Paul, Ireneaus, Martin, Columba, Luther, Wesley, Bro. Branham, the Bride, the final Voice. And Israel is in the homeland.

But when the Prophet stood there and said, “Eisenhower and Khrushchev, the iron and clay can't mix. And the Headstone, the Stone cut out without hands is about to appear,” and then Christ appears. And he said, “We have received a Kingdom that cannot be removed. Nations are breaking; the world is again falling apart.”

When we get that there, the Jews have already come back into their homeland. When that is happening there, all that history has already gone out. Seven Church Ages is gone. Because [in] 1960, he drew it and showed Seven Church Ages. The Seventh Messenger was here standing preaching. America turned it down. Pagan Rome already got destroyed as a political empire, revived to Papal Rome, an ecclesiastical empire, and already conquered the world. And the Prophet was standing there, and said, “Watch that thing rising here in America.”

Then he started to point out to us, he said: I'll show you what is going to happen in this country, we are bankrupt. I'll show you how Rome will come in and pay that. I'll show you where that Man of Sin is going to come in the last Days. *The God Of This Evil Age* [1965-0801M-Ed.], *Satan's Eden* [1965-0829-Ed.]; where he started to bring this man, Satan's superman.

I'm going to show you he is taking the kingdom by flatteries, and gathering up all the church kingdom and all the nations, and bringing them into the Ecumenical Move. He says, "That's the bundling of the tares."

What is he doing? Daniel. Daniel. I am just bringing you down through some of the history to hit [show -Ed.] you. Because when he comes, he goes straight to [Daniel] Chapter 11:21 and says, "Watch, 'And in his estate a prince shall rise who will take the kingdom by flatteries.'" And he says there he is coming in.

I am standing in 2011, the Prophet left forty-five years, and by God's grace I understand Daniel and Revelation. I used to cry. You know me, a little boy preacher. You all did know me in Barataria days [When the church was located in Barataria -Ed.]. When I came out 1979 and God showed me why the Trumpets were preached supernaturally under the Seals, and I drew the chart and put it up in Barataria. Bro. La Borde [Bro. Elford La Borde -Ed.] and they blew it up and they put it on the board.

1981, preaching in Mc Allister Street, *Leviticus 23: The Key To The Book Of Revelation*, they laughed at me. They laughed at me. They said, "He came here preaching dates." God was so far advanced to them. Men who thought they knew the Word were babies. While they were trying to preach God sent a Prophet and water baptism in the Name of the Lord Jesus Christ, God was opening the Trumpets and the Vials, and they couldn't see. They started to say, "Well, he is preparing people for the tribulation period, because that is for the tribulation," Holy men of God.

They failed to see the grace that was given and the Word that was going out in simplicity. And while they tried to fight it and kill it, God sent it around the world.

You could imagine when God took it up to carry it quite [Far away -Ed.] into Africa, quite up in the Scandinavian countries, across the face of the world, from Mexico all the way down into Chile, every country, you could imagine? When people right there could have sat down and had it? But they didn't want it.

And God still brings it back around a second time for everyone. There are no restrictions, you could download what you want. You could hear it in Timbuktu, and you could hear it right here in Freeport. You could get it anywhere you want it. Do you understand what I'm saying? And it still isn't promoting any man, and it still isn't fighting anybody, and it still isn't doing all those things. It is trying to help God's people, saying, "Wake up church. Wake up. See the Hour. Recognize your Day, recognize your Message. See what we have come to. See how late the Hour is. Put on your running shoes and run for your life."

I just wish I could come and preach for the rest of the week; little pieces, short services like these. Because I see you're getting interested. I see (you know), you wanted something like that. Because it makes you understand better. It makes you understand better. When you start to see this, you start to realize you're walking in the Word now.

See, this is good for when you go out of church. When you go out of church and you are dealing with the world, and the powers, and this, and the influence of the world, and the politics, and the religion, and the entertainment, and these things, here now, this, you understand what this is clearly. See? What a great time, friends.

May He continue to open your understanding, make it clear, make it real, make it personalized to you; that it could be something that truly would put you on a

rock, strengthen you, draw you closer to Him. That is my prayer.

Let's join our hearts. We want to call Bro. Bowen [Darren Bowen -Ed.] to pray and ask God's blessing in dismissal tonight, amen. I took a little extra time but we are still doing good. You get out early enough. [Bro. Bowen prays -Ed.]

Amen. Let us just sing: There were times, oh yes, God has spoken here. My faith in Him will take us out from here. As our brother comes.
