[#788 - Songs That Live -Ed.]

The Rock that is higher than I.

Oh, for You have been...

*For You have been my strength in
times of trouble,*

A Tower above my enemies,

And Lord, I will abide with You,

Forever in the shelter of Your wings.

Hallelujah. Let us bow our hearts all around the building for prayer.

Thank You, Jesus. Hear our cry, oh God; attend unto our prayer, tonight. From the ends of the earth, dear God, we cried unto You, as we see this great Hour that we are living in, Lord, and troubles filling up the earth, and the Holy Spirit moving Your people under the Token, knowing the last plague is going through the land; the wrath of God.

Oh God, how we draw near to You tonight, Father, so grateful, dear God, for the great grace that has come to us in these last days, knowing that this is the Hour of deliverance. You fulfilled Your promise by sending Your Prophet on the scene. You vindicated him, dear God, as he delivered the Message of the Hour, oh God, that we might see and understand the Day and the time that we are living in.

Lord, here we are tonight, looking at the modern events and seeing the Word spoken by the Prophet coming to pass, the Holy Spirit coming back around to

give witness, Lord, to us that these were the things that were being spoken. This is the prophecy becoming history, oh God, that we might begin to lift our eyes to another horizon.

Lord, knowing that this is the Hour, as Your Holy Spirit is coming down closer and closer to us, witnessing these things, day after day, service after service, shining light in the Word, bringing us, dear God, to this great realization, Lord, it behooves us tonight, oh God, to surrender everything in our hearts unto You.

Dear God, You have thoroughly convinced us: the Holy Spirit speaking expressly, the Pillar of Fire being seen visibly among the people, You coming down and giving witness to Your Word, Lord, that this is the Message that was sent for preparation, the Pillar of Fire coming for vindication, and the very Token, the Life of the Lamb, to be on display in every house, to show the covenant is in effect, Lord; that the Word of the Prophet has been carried out in obedience.

Oh God, may tonight, as we gather in this house, offering our praises unto You, the fruits of our lips, giving thanks, Lord God, for this hope, steadfast and sure, this strong consolation that You have given unto us, dear God, that we who have fled for refuge, can lay ahold on the hope that is set before us, which hope we have as an anchor of our souls: to hear the Voice of the Blood speaking better things to us.

Have Your way tonight in our midst, and may the Holy Spirit, dear God, just have free course in the service. Lord Jesus, You could lead us and direct us, move our souls into such a position where, dear God, we can be so filled with Your Divine Presence, tonight.

We thank You, dear God, for what You have done for us through this week, Lord God, the great blessing that You blessed, Lord, on Tuesday night, and then Wednesday night, and then last night. And coming back tonight, Father, seeing, oh God, there is something in

the hearts of Your children, oh God, something, oh God, crying out, and the Holy Spirit coming down to meet the needs, oh God, setting everyone in order, dear God, uniting our hearts to fear Your Name. Lord Jesus, we thank You, Father, for Your kind consideration concerning us, dear God.

Lord, we pray, while we have the privilege still to come and assemble like this, and Lord Jesus, to seize ahold upon the opportunity, we pray, dear God, our hearts, Lord, be moved up into a spot tonight, where the Holy Spirit can fill us with Your good things, Father.

Bless all that are gathered in Your Presence, tonight. Your children out in the region, dear God, that are gathered, oh God, we pray that You will bless them. We pray that You will supply their every need. We pray You will continue to witness and confirm Your Word in their hearts, Father. We pray You will continue to pour out Your Holy Spirit in their midst.

We pray dear God, all the prayers, Lord, that have been offered up, dear God, in this time when the Evening Sacrifice has been offered, and the Holy Spirit is in attendance to answer these prayers, oh God, that they will see, Father, Lord God, their loved ones, Lord Jesus, being brought in to the Place of Safety. They will see, Lord God, Your Holy Spirit witnessing and confirming their faith, Father.

Take the few thoughts You put upon my heart tonight, dear God, feeling so moved to come in and speak tonight, dear God. How we pray that the Holy Spirit will lead and direct us. How we pray, dear God, Your Word will be quick, oh God, and sharp and powerful, so quickened by the Holy Spirit, dear God, to give us understanding, to enlighten us, oh God; to move us up that much closer, that we can live under this great power of the Spirit of the Living God in this Hour. May You grant it, Father. We commit all things into Your mighty hands.

Remember those that will be on their way, bring them in safely. And dear God, may You bless us all together, tonight. We love You and we appreciate You, Father. We commit all things into Your hands, in the Name of Jesus Christ, we pray, amen. Amen.

God bless you, tonight. We want to welcome you in His house and give God thanks for the privilege to be here. I was just studying a little bit today and something just, you know, was so nice in my heart; I thought I would like to come in and speak. I wished that maybe, it had dropped into my heart a few days earlier, that I could have announced the meetings over the weekend here.

But I thought this is an Hour, you know, you need to be spontaneous. So, I just considered it like we're having some 'little' special meetings this weekend. And I'm speaking the first one tonight (amen) just by God's grace. We've come to worship Him, and to praise Him and give Him thanks. He is so good to us.

We have Sis. Faye Hunte, present in the service tonight. God bless her; the wife of our Bro. Aubrey Hunte. She so desired to be here with the saints and (amen) we want to make her feel welcome, tonight. Amen? [Congregation applauds. -Ed.]

You know living up in the United States, how it is. Up in that 'jungle' up there, is not the place you want to be; sometimes circumstances just have you there. But when the heart is moved and blessed and you want to be with the saints of God, old friends, to come in and be in the house of God, I guess she just wanted a clean, fresh drink, and she came here, by God's grace. You know, over the couple of days she will be here, it will be a time of renewing and refreshing for her, by God's grace.

I would like to read over in Revelation Chapter 3 verse 7, a Scripture we had kind of labored with, and is laboring with, and I'm just reading that for a little background. There is so much that is happening and

you are trying to keep abreast of the things that the Holy Spirit is doing for us.

I really enjoyed myself with the sisters there on Tuesday night, and the brothers last night. And the brothers really didn't intend to be outdone; they didn't want to go home either. They left here at quarter past one; I think it was the same time we were over with the sisters. So when you see something like that, you know... The brother said...

I said, "What happened? You all want to go for 'overkill' tonight or what?"

They said, "Yes, overkill. We want to..." you know, until we had to cut it off a little bit.

I trust the parents, you know, are encouraged to see how God is doing something for them. You know, it is such a great thing when the Holy Spirit can have us sensitized to see the right thing, to enter into their infirmity; to feel it and to move on the nudge of the Spirit. And then to see God come back and drop right down into their hearts where it is important (amen) in a time like this. And I just pray that we just keep working with them, and to see the promise: even unto your children and as many as the Lord our God shall call, [Acts 2:39 -Ed.] that all of them will be so filled with the Holy Spirit in this Hour.

Revelation Chapter 3, verse 7:

⁷ And to the angel of the church in Philadelphia write...

And since we started in November, I had things I wanted to preach on it and couldn't even get to... I preached every Sunday; every service day almost, I came with the notes on the pulpit. And even tonight I wouldn't speak on it, but hopefully, maybe by Sunday, some of the things there, pertaining to this great Scripture.

... These things saith he that is holy, he that is true, he that hath the key of David,

*he that openeth, and no man shutteth; and
shutteth, and no man openeth;*

And this Key of David, that's a great revelation, we know. Once you see the Key of David, that's the Marriage. That's the Marriage where the Bride transfers Her rights on to the shoulder of the Bridegroom. And that could only take place by the uniting of the Head and the Body through the revealing of the Son of Man in the last days. And these things are happening. It is taking place and how we desire to be sensitized and stay sensitized to these things.

Verse 10:

*¹⁰ Because thou hast kept the word of my
patience, I also will keep thee from the hour
of temptation...*

And this is a Spoken Word promise: "Heaven and earth will pass away but It cannot pass away." Because this 'hour of temptation' is something that is taking place in this very Hour also. The Marriage and the hour of temptation, all these things are coming together. And these are not just some things being said here; these are things in the Book, as Mysteries that were sealed up in the Book.

... which shall come upon all the world...

This thing is going to come upon all the world. This is not going to be in one country. This is not going to be in a little region somewhere. This is going to be across the face of the earth.

... to try them that dwell upon the earth.

It is going to come upon all the world, to try them who dwell upon all the earth. So no matter where you live; in this great trying time when this is happening, no one will be able to escape it. And that's why God has sent a Message. "And this Message shall be preached into all nations and then shall the end come." [St. Matthew 24:14 -Ed.] So wherever this is going to rise up, the Message is to be there in these nations too. And that's why in an

island, seventy miles by forty miles in the Caribbean Sea here, the Message is here, so powerful! Amen.

And around us, we are seeing the very hour of temptation escalating right in our midst. Yet we have the Word that is posting us and has us sensitized to these things. How much more the bigger countries! How much more the continents!

¹¹ Behold, I come quickly...

‘The Key of David’, ‘the hour of temptation’, ‘keeping the Word of His patience’, ‘the quickness of His Coming’ – all of this is happening right now.

¹¹ Behold, I come quickly...

You see, it’s a progression.

... hold that fast which thou hast, that no man take thy crown.

¹² Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out; and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God; and I will write upon him my new name.

And through that Marriage, the Key of David, comes that Name also being revealed to that elected Bride. Who is that City? The Lamb’s Wife. That’s the Marriage; it’s right there together. And that’s the Coming. That’s the Headstone coming to cap the Pyramid of the... Because it’s a Pyramid City; all these things.

That’s why the Prophet said, “This Sixth Age, the Seventh Age is only the carrying over of this same Age.” Because these things that are being spoken in the Sixth Age are not really being fulfilled in the Sixth Age. But because the last Age is a short Age, a quick, short work, these things were being spoken, because the God Who was speaking it, knew it is very imminent right there. It is very imminent right there.

¹³ He that hath an ear, let him hear what the Spirit saith unto the churches.

How grateful we are tonight, that we know what the Key of David is. We know what ‘the Word of patience’ is. We know what the hour of temptation is. We know what the Coming is. We know what this New Name is. Why? Because God is faithful, “I will do these things. I will write this in you.”

If you know that by revelation, He has written *that* inside of you. Amen. Glory! If you know you have kept that Word in your heart shut up, and you live by that Word; that It governs and influences your life, (the Word of His patience), then when you see the hour of temptation rising here, you have a strong consolation that God will keep His Word, and God will keep you.

Amen. Praise His wonderful Name. May the Lord bless the reading of His Word! You may have your seats.

You know, the last two services, in preaching, I’ve been preaching on *The Increasing Economic Woes*. [[2008-0316 Pt.1](#) and [2008-0330 Pt.2 -Ed.](#)] And on Sunday, we were speaking a little bit about: Eating your bread by weight and drinking your water by measure; how God will break the staff of bread upon the land. And we were looking over in the Book of Ezekiel.

And when I just started to think on some of this, this evening, you know, it was like, “My! It will take me a little while to get through Ezekiel and then this will be here, and, you know, to come back here.” So that’s why I thought it would be so nice to have service over this weekend. Because it is so difficult when you have something like this, to preach one service here and then you go out, then you do something else, then you come back, then try to pick it back up, then you try to refresh the people’s minds and these things, and especially where you are seeing it from and what is happening.

And you know this thing is now one of the main focuses even in the media, in the news today, of what is happening. But when it was not even, let us say, in the forefront of the news, you had to be following the trends of these things, and knowing the Hour that we are living

in and what is prophesied, to really see what God began to give to us there back in November.

And in November when we preached those three messages: *Because Thou Hast Kept The Word Of My Patience* [2007-1130 -Ed.] then, *I Will Keep Thee From The Hour Of Temptation* [2007-1202A.M. -Ed.] and then, *Being Kept In The Midst Of The Economic Siege* [2007-1202P.M. -Ed.], and we began to bring these things to show to you that this, what laid in the Bible here...

And one of the key things, if you remember, I was bringing to your attention, that you will not find, even on the Seals, these things were explained the way they were explained. You will not find it even when he preached, *The Seven Church Ages* [1954-0512 -Ed.] The Prophet didn't explain those things, he just skipped it: the hour of temptation.

But then in *The Church Ages* book [An Exposition Of The Seven Church Ages -Ed.], in 1965, before he went off the scene he began to put this together. And he had a whole portion of it: how the money system will be destroyed; how they will come back on the gold standard; how Christ will come and take the Bride out; how the Jews will be trapped and come into the alliance and all these things. And it was put there. And in discovering some of those things, preaching about these things down through the years, you know, and knowing, we were going to come to this time.

But it is something when you can see God showing you something; you hold it in your heart; you walk in it for years, and then the time and season comes when it is being revealed.

And I want to go over now in... That was in Revelation, I was reading there, of this great thing that is to come: this hour of temptation that shall come upon all the world, to try them. And we know the law of Genesis and Revelation: that what is in Revelation is in Genesis. There are Seven Church Ages in Genesis; there

are Seven Church Ages in Revelation. There are Seven Seals in Genesis; there are Seven Seals in Revelation.

The Holy Spirit has brought these things out to us over the years with such clarity. In such completeness, the Holy Spirit has opened up these things that these things are not strange or confusing to us, because God has shone such great Light upon these things to us.

And when we would go to Genesis here... Because this is in the Church Ages. I'm reading in the Church Ages in Revelation. If I go over in the Church Ages in Genesis, we can pick these things up. Amen.

And so, if you go over into the Seals in Revelation, you'll see where, 'a measure of wheat for a penny, a measure of barley...' [Revelation 6:6 -Ed.] And you'll see where He said, "Hurt not the oil and the wine." And you'll see He was speaking there also, of this same economic recession that is going to come upon the earth in the last days. If you go to Revelation 13, He said, "You can't buy or sell, except you take the mark." [Revelation 13:17 -Ed.] It is all speaking of the same thing.

So when you go to Revelation, over there in Revelation—Genesis, rather, we find all these things are in Genesis. I'm using the law of: what is in Genesis, is in Revelation. We have gone through that many times to show you there was an Adam, Eve and Eden in Genesis; there is a Christ and the Bride and the Kingdom in Revelation. There was an Enoch translated in Genesis; there is an Enoch being translated in Revelation. There was an Eliezer going to get the bride at evening time in Genesis, and there is an Eliezer in the Evening Time in Revelation, going to get the Bride. And back and forth we took all those things.

There's a people, you know, taken above the judgment and came back to live in the new world, in Genesis; there is a people who are going to have the same thing in Revelation. And we proved these things in so many ways. There was a science civilization that was destroyed in Genesis when that prophet came; after

his message, there is the same. “Behold I send Elijah before the great and dreadful day of the Lord”; in Revelation, the same is to happen.

So, you know that principle. Once you know these principles in the Word, it makes it easy because this is the Word being unlocked. This is the Word that was encrypted being decrypted to you. This is the communication that was hidden. It was sealed up in symbols; it was sealed up in shadows and types; opened in the last days. And God had promised, “*In the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished.*” [Revelation 10:7 -Ed.] And he came and preached messages to unlock the Bible; not to explain the Bible; to unlock the Bible. Amen.

That is why even when Jesus had opened the Seals in Matthew 24, Jesus left, telling them, “There are many things I cannot tell you because you cannot bear them, but when the Spirit of Truth is come, He will lead you and guide you.” And even though God opened the Seven Seals through the Prophet and the Prophet went off the scene, it was going to take the Spirit of Truth to come back to the Church (amen), to open our understanding to what has been opened in the Bible. Do you believe that? You understand these things! Amen.

This is the Hour for you to be a real established, settled, rooted, grounded church, especially in the kind of time that we are living in.

So, I want to save a little time and I’m going to drop down to Genesis 41. You know in Genesis 37 (while you are finding Genesis 41), how Joseph had his two dreams. And you remember, we went through the ‘Joseph’ series. We went through over 17 or 18 messages on the ‘Joseph’ series.

And it is amazing, how God, you know, in the church... And this is the thing for me, that is awesome. Maybe the only way it could be awesome (I think, for somebody else), you have to be following it as the way it

was given. And it takes God's grace to help you hold it. But because God passed you in the opening of certain things in the Bible, you see how over and over God comes back around, in time and season always, and shows further truth on what He already gave.

And so, years ago I preached a message called, *When Money Fails* [[1993-1010 -Ed.](#)], and *The Destruction Of The Present Day Money System* [[1989-0629 Pt.1](#) & [1989-0702 Pt.2 -Ed.](#)], and *The Woman That Sitteth In the Midst Of The Ephah* [[1993-1017 -Ed.](#)] and *The Four Angels Bound In The River Euphrates* [[1993-1003 Pt.1](#) and [1993-1006 Pt.2 - Loosing Of The Four Angels Who Are Bound In The River Euphrates -Ed.](#)], and a lot of those messages back in that time, showing how the financial system had to collapse in the days of Zephaniah, because Zephaniah was in the same time with Ezekiel and they. Zephaniah saw the invasion of the Babylonian power coming, but Zephaniah didn't talk so much about the going into captivity, Zephaniah talked about the crash of the money system: *Maktesh*; the great depression. And the Holy Spirit has opened these things.

And it is sad if you had not... When the Holy Spirit will open something in the church, if you will not take time to go, to get under the teaching of what the Spirit has taught, that is the sad thing in the church. Because sometimes you don't realize the greatness of what God has opened and the insight that God has given. And if you are lazy, you will sit down and say, "Well, I don't understand that, so I will take the part I understand." But when you wait before God, you'll recognize, the Spirit is opening the Word in the days after the Prophet to teach us further on what has been given, as the Hour comes more and more from negative to positive.

And we stand in the midst of these things, not as looking down the road for it to happen, but it is happening. And when it is happening, the kind of church he said would be here, you have to see if you are in that condition. Amen. He said, "When the Squeeze

comes, watch the Third Pull then.” That means, it will have manifested sons, adopted and placed. That means it will have the Stature of a Perfect Man standing there that God could strike, a Masterpiece that could speak when that time comes.

So if, from way back there, the Seal was being opened, and He told us, “The Hour is going to come, you can’t buy or sell. And you, under this Message will see, and the Bride will have to stop preaching.” Not denomination, the Bride will have to stop preaching because she will not go into the system. She will just give up all those things. If she can’t function, like how we are functioning here tonight, we are not going to join any system to function. That’s why in this Hour here, when the Word is being planted, you hold It in your heart, (amen,) and you pray that God makes that Word, Spirit and Life inside of you. My!

So notice, Joseph had these two dreams. You know that. He was seventeen years old in his father’s house and God began to... His father loved him and the father gave him a coat of many colors, and how the boy began to get revelations after he got that coat. Amen. He got a rainbow coat and he started to get revelations.

Because the rainbow is seven colors and those seven colors come out of white. When white goes through a prism... The original color is white but locked up in white, is red, orange, yellow, green, blue, indigo and violet. Do you understand?

And in Christ is a Seven-fold Secret. Because in Joseph was the Mystery of Seven Feasts in the life of Joseph, which is the Bible. Amen. And so, that was the whole Bible because that was from the Passover to the Tabernacles. That is the whole Mystery of the Book of Revelation. That was the whole Mystery of the Book of Christ that was sealed up in Joseph’s life. Oh my!

And he had these dreams, and these dreams were of his placing. And it is strange how God would give you revelation. The first revelation is the revelation of your

placing. And I've been back and forth through the Bible with that.

When Samuel anointed David, he told him, he said, "You will be king." He had a revelation of his placing. When Elijah anointed Elisha, he said, "You will be prophet in my stead." He had a revelation of his placing. But they walked step by step until they came into that, knowing that's why they were anointed. When God called Abraham, He said, "I'll make of you, a great nation." Amen. "I'll give you all of this land." And he was now coming out and God showed him the end already. Because that's God's plan – He shows you the end when He calls you.

Elijah will come and do what? Turn the hearts of the fathers to the children, and turn the hearts of the children back to the faith of the fathers. From the time the Prophet got the Scripture, he knew... He looked all of his life for a Message. Though the healing was fine but he knew, "I'm looking for a Message, because before I even went out on the field, He told me, 'Your Message will forerun the Second Coming.'"

So, that's the Bible. And that's why I have faith in these things. Because, when God deals with you according to the Bible, and God shows you these things, and then thirty-something years afterwards, you are still preaching what you preached. And it's laying on the tape there, and all these years you knew these things were going to come, and the Holy Spirit opened it in the Bible where it was. And when it's happening, you stand there now, seeing your boyhood visions and revelations coming to pass, and you are standing mature in the midst of the things. Amen! Hallelujah! Where it is tried, and tested and has gone around the world, you are standing there now knowing, the Word has come forth from the Prophet's mouth and the Word has been reiterated by the Spirit and the Bride, saying back the same thing.

And when you say, “The Ride is on,” it is not some kind of, you know, little quote you are quoting because you are trying to sound spiritual; it is something that you have done. “I rode over here, and I rode down in South America, I rode up in Russia and rode over in China, and I rode in the Scandinavian countries, and I rode through the Caribbean.” Amen! The Holy Spirit is riding the Bride into the Resurrection. That’s right.

It’s a real Word. It’s a real Word. That’s why I believe in a real Church. We are here in a real church. We don’t ‘play church’ here. We have, ‘real church’ here!

I saw young brothers and sisters here, went out in St. Lucia, just last weekend; walked through those streets. Staying all hours of the night; one o’clock, they were walking the streets talking to people; all day; came back, just took a sandwich and went back out again. Why were they doing that? Because they are anointed by Something. A vision opened up in their midst and was brought down and preached, and it went into their hearts. And they don’t sit still: come to church and go home. Ten of them said, “I’m ready to go,” (amen) and they stepped out there. Glory be to God! Left wife, left children, left job, left business and went out there, to go on the streets. Why? Faith came by hearing. Something was preached and they heard It, and they believed It, and they acted upon It because they recognized It was the Truth. Amen? My!

So after Joseph had these dreams, which showed him his position. Because what is faith? Faith is a revelation.

Sometimes I’m sorry I don’t have a place... I need to get some way to illustrate this for some of the young ones. But I say it, hoping that in the church here, you could see the vision. You look like maybe you could fly a little higher. See? Because Faith at the bottom of the Pyramid, that’s a revelation of the Headstone. Because you have to behold Christ, that’s Faith, and then you walk step by step by step until you become Him. Because you are changed into what you behold. We

beholding the Glory of God as in a mirror, are changed from glory unto glory until we are changed into the same image. [2nd Corinthians 3:18 -Ed.]

And when the Quickening Power, the Son-Light (it's the rising of the Son) came, Mama Eagle came flying under that Easter Seal, and you heard that scream, and that Quickening Power quickened you and said, "Junior, you are not a chicken; you are an eagle!" Amen! And something struck you in that Son-day. What began to happen? You started to go through a metamorphosis. You started to go through a transformation; God's Power to transform; Power of transformation.

It started to operate after Quickening Power came in there and struck the life, and your potentials, (amen,) the crave you used to have, (glory!) the thing that you knew you were different... Did you know you were different? Do you crave certain things? Do you desire to see God in your life? Do you desire to have the experience like Ruth, in the Bible; like Esther in the Bible? Amen! Do you desire to have the experience like Joseph in the Bible, and David in the Bible? Hallelujah!

The Holy Spirit speaking to the young sisters: "How do you know you have not come to the Kingdom for such a time as this?" And to the young men: "A tree planted by the river. A bough planted by the well." Hallelujah! Glory! People who caught a vision of themselves and walked into it! Joseph came into his position. David came into his position, and David perceived God had made him king; anointed by a prophet. Glory! They walked in that reality. Oh my!

It's not a Bible story; the Book has been opened. Seven Thunders uttered their voices. That's what the Thunders mean, my brethren. There were Divinely revealed Mystery Truths that were sealed up in the Book with Seven Seals. But when those Thunders uttered their voices, the Bible became a new Book, and you see Jesus being revealed from Genesis 1 to Revelation 22.

And then you begin to see your part of the Word; not somebody else's part; your part of the Word! My!

And when that happens... Let me tell you: anybody who has that experience, they will be like me. That's right! That's the experience I have. That's the experience the Prophet had. That's right! That's the experience every real, Born Again person in this Hour has. It gives you prevailing Power to overcome. It gives you joy unspeakable and full of glory. Peter said, "We, having not seen, only heard, and we are filled with joy unspeakable and full of glory." [1st Peter 1:8 -Ed.]

And they were looking for the Apocalypse. They were looking for the Day when the grace that should come at the appearing of Jesus Christ. And we are in this Day and we saw a Cloud, twenty-seven miles high; thirty miles wide. And we don't have to wonder; there was a voice on the earth who had seen it by vision and went to Revelation 10 and said, "This day this Scripture is being fulfilled. That's the Coming of the Lord; the Lord descending from Heaven with a Shout." Oh my! And there's a Mystery from the Shout to the Last Trump, the call to the Wedding Supper. From the time you hear the Midnight Cry until you are at the supper table, something is unfolding from the Shout, the Voice and the Trump.

That's why to me, oh my God, even tonight here, there is Something real, amen; there is Something quickening. You don't have to try to work that up; you only have to keep reading the Love Letter and start to see more of yourself, and that brings a charge; (hallelujah!) you only have to sit under the Holy Spirit, the Spirit of Truth – the Logos. You don't need any information from a man; it comes from the Logos. You don't need to call the Prophet's family and find out what they are saying; you know who the Prophet's Family is – they who are beyond the curtain of time, amen; they who were taught and became Word, and are in

theophanies, because they are Eternal attributes of God. Hallelujah!

That's where believers walk. That's where quickened... *I'm quickened, changed, and translated, by the power of the Holy Ghost.* [#578 - Songs That Live -Ed.] Yes, sir! The Holy Spirit... I remember going to Barataria one morning, going up to preach on, "The Quickening Power." And right there in the car, under the effects of the Prophet preaching *It Is The Rising Of The Sun* [[1965-0418m -Ed.](#)], the Holy Spirit started to sing that in my heart. I went right there, sang it for Bro. Bishop [Bro. Wrenrick Bishop - Songleader & Elder -Ed.], and they started to sing it in church: *Oh, I'm quickened, oh, I'm changed, oh, I'm translated.*

Ephesians 2: I'm quickened. Amen! Hallelujah! 2nd Corinthians 3:18: I'm being changed. And Colossians 1: I'm translated. Paul was speaking about his experience under the Holy Spirit, seeing Elijah and the Son of Man being revealed, and the loosing of the Holy Spirit in his day. My!

The Holy Spirit, this Quickening Power, this God Who wants to come down into your heart; this God, to Whom you say, "I believe You, I believe You"; this Breast of the El Shaddai that is exposed to you, that can't run out. It doesn't run out. It's an inexhaustible Fountain. Think of it. You have been nursing on that Breast for the last thirty-something years and It has not run out yet, and the Milk is still fresh and flowing, and pumping tonight. He Himself said, "In the Bible long ago, (hallelujah,) there's a story (hallelujah) of Sarah and Hagar," and how Sarah, brother, nursed from the Breast of the El Shaddai and received strength to conceive seed.

Let's read Genesis 41. Joseph was in prison. Joseph was in prison. He revealed the butler's dream and the baker's dream. He opened the Mystery of restoration and judgment. Amen. And then now, he had learnt to become a prisoner; he was bound in chains of the Word. He had fulfilled his measure of suffering. He took all the

darts, the arrows that the archers shot at him. Hallelujah! Glory! And now he was coming to his position. Now he was coming into his position that he saw and preached and caused a religious disturbance, and got him to be hated and rejected, testifying of the Heavenly visions. Amen.

You see, the reason I could say it like this, is because it is happening to me. When it is not happening to you, you cannot preach it like this; you will go in a concordance, and you will go in a Bible dictionary, and you will try to explain something about a story, four thousand years ago or three thousand years ago. But when it is a Mystery of prophecy and it is born to be fulfilled, and especially if your Father gave you a 'rainbow coat' too, and if your Father gave you heavenly visions, and if your visions really caused a religious disturbance, and if they hate you and start to persecute you and shoot their arrows against you and yet you didn't fight back, then all of that means that's important. Do you understand? Then it is more than a story to you. Then it is more than a story to you. Then you realize what kind of Book the Bible is.

But just as he is coming to his position, God is giving a vision of economic depression to hit the land. God is giving a vision of a famine that will strike the whole earth, until it brings a destruction of the financial—a collapse of the financial system, just when he is coming into his position. God timed it. He was coming into adoption: to be placed with all authority, standing in his vision; becoming one with his vision, while the economic troubles were getting ready to come on the land.

I'm speaking tonight of "**THE ADOPTED SON AND THE ECONOMIC RECESSION**".

¹ And it came to pass at the end of two full years...

Those are the two years he remained in prison with his feet in fetters while the Word of the Lord tried him.

... that Pharaoh dreamed...

It was an Hour when God was communicating through a Divine channel of communication: dreams and visions, and dimensions and prophecy. It was an Hour of hidden communication when God was encrypting His Mysteries, because if the Devil got a hold of it, he would have done great damage. Do you understand?

... that Pharaoh dreamed: and, behold, he stood by the river.

² And, behold, there came up out of the river seven well favoured kine [which are cows] and fatfleshed; and they fed in a meadow.

³ And, behold, seven other kine came up after them out of the river, ill favoured and leanfleshed...

In contrast to well-favored and fat-fleshed.

... and stood by the other kine upon the brink of the river.

⁴ And the ill favored and leanfleshed kine did eat up the seven well favoured and fat kine. So Pharaoh awoke.

⁵ And he slept and dreamed the second time: and, behold, seven ears of corn came up upon one stalk, rank and good.

Seven ears of corn on one stalk – a sign of prosperity.

⁶ And, behold, seven thin ears and blasted with the east wind sprung up after them.

⁷ And the seven thin ears devoured the seven rank and full ears. And Pharaoh awoke, and, behold, it was a dream.

Two dreams! You don't dream a dream. He couldn't say, "I'm going to dream about seven fat kine. I'm going to dream about that." No, no, no. He laid down to sleep, something dropped into the mailbox; he didn't know who the Sender was. But look at the wisdom of God. It was something that was going to affect the whole world,

so the dream was coming to a man who could do something about it; a man who had such a great kingdom, that if something was to be done, it could be done on that level.

Then he went and dreamed again a second time, and again, different symbols this time. Instead of cows, he was seeing corn. These are the two things that are causing—that have to do with the recession today. You know that. A lot of people are eating beef, they say, who never used to eat a lot of meat before. And then the price of corn – the wheat.

But watch, this is Genesis. We are in the seed Book here.

⁸ And it came to pass in the morning that his spirit was troubled; and he sent and called for all the magicians of Egypt, and all the wise men thereof...

He knew the wise men. He knew the men who were most likely able to interpret that. He knew the kind of men who could break into certain realms and decrypt that mystery, so he sent for them. But, you see, this one couldn't be interpreted by men without the Spirit. What was coming was so sealed up that it had to be the Sender Himself, His Spirit giving the interpretation.

... but there was none that could interpret them unto Pharaoh.

Something was revealed. Something was communicated. I want you to catch this thought. God is communicating something. Nobody knows what is going to hit the world; God knows what is going to hit the world. The Lamb spoke from the midst of the Throne, "A measure of wheat for a penny and a measure of barley, and see thou hurt not the oil and the wine." That was the Lamb speaking because something that was decreed was about to take place. Are you understanding me?

I used that to show you, which we've gone through, it is God Who fixes prices; it is God Who has control over

these things. God knew what was coming. God transmitted it in symbol form. God didn't give it in Word form, God gave it in symbol form because God knew He was going to have somebody standing there to say what that meant.

And all the great men in Egypt: great Baptist men, great Methodist men, great Jehovah's Witnesses men... I wonder if they could interpret these things? I wonder if they could interpret the things you are hearing in the Book of Ezekiel, and you are hearing in the Book of Kings in the Old Testament? I wonder if they know that history is repeating itself in the last days?

To interpret these things today, your 'father' had to be a prophet. Ezekiel had listened to Jeremiah and Jeremiah told them what time they were living in. And Ezekiel, when he ate the Book, he ate the open Book that Jeremiah spoke from. Do you understand what I'm saying? Joseph grew up under a father who wrestled with an Angel.

⁹ Then spake the chief butler unto Pharaoh, saying, I do remember my faults this day:

¹⁰ Pharaoh was wroth with his servants, and put me in the ward in the captain of the guard's house, both me and the chief baker:

¹¹ And we dreamed a dream in one night, I and he; we dreamed each man according to the interpretation of his dream.

¹⁰ And there was there with us a young man, an Hebrew, servant to the captain of the guard; and we told him, and he interpreted to us our dreams; to each man according to his dream he did interpret.

¹¹ And it came to pass, as he interpreted to us, so it was; me he restored unto mine office, and him he hanged.

This butler said, "Oh my goodness! I remember my faults this day!" Because he had told Joseph: "I will

speak a good word for you in Pharaoh's presence." And God had him to forget it. But now, when Pharaoh had this dream, he also had an experience. Because in that hour, God was dealing with people through dreams and all those dreams were coming in symbols, because he dreamt about the grapes in the wine cup, and the other man dreamt about the bread in the open basket, (it wasn't sealed), and the fowls of the air were eating it. You know that!

Is this the Hour God promised to deal with dreams and visions and prophecy? Were those dreams prophecy? Did it happen exactly how it was interpreted? And then these other dreams, were these dreams, prophecies? Was there really a famine coming? When you read the Book of Revelation, is that somebody's dreams and visions? When you read the Book of Daniel, is that somebody's dreams and visions? When you read about the head of gold and the chest of silver, is that somebody's dream? That's right! That's part of the Bible. Sometimes you think you are preaching the Word but you are really revealing somebody's vision by the Word. It takes the Spirit of God to do that.

¹⁴ Then Pharaoh sent and called Joseph, and they brought him hastily out of the dungeon: and he shaved himself, and changed his raiment, and came in unto Pharaoh.

The Prophet said the last few 'I wills' had to be shaved off. And now he was coming into the presence of Pharaoh, out of the prison. The butler lived and the baker died, like with Christ on the Cross, and now he was coming to the right hand of authority and power. His days of being a prisoner were over because he lost all self-will in that prison, and the last few things were shaved off. He was coming now, into his placing. He was coming into his placing.

And his gift, his gift, was going to start to reveal things about the economic recession that was to hit the

land. When he stood in that vision, he was going to open up the mystery of what was going to bring such a recession, until there was a collapse of the financial system. These were the things he would speak in that Hour. He would open this 'hour of temptation' that would come upon all the world. Is that what he did when he came out? Was that Pharaoh's dream? By the gift of wisdom, he opened the prophecy that was in symbol form, and placed it and showed what was going to happen in that land.

I'm not preaching that; I'm preaching this after, you know. I'm preaching this after.

15 And Pharaoh said unto Joseph, I have dreamed a dream, and there is none that can interpret it...

He said, "This is an Unknown Language; this thing is sealed up here." He said, "The best magicians and wise men and theologians in this kingdom can't reveal those things. They are saying that the mark of the Beast is a computer and they are giving you a tattoo on your hand, and a tattoo in your head, and they are talking all kinds of different things," he said, "and it just can't dove-tail with this Bible."

He said:

... and I have heard say of thee, that thou canst understand a dream to interpret it.

Because that dream was really a mystery in symbol form. It was a mystery of prophecy, is what it really was.

16 And Joseph answered Pharaoh, saying, It is not in me: God shall give Pharaoh an answer of peace.

17 And Pharaoh said unto Joseph, In my dream, behold, I stood upon the bank of the river:

18 And, behold, there came up out of the river seven kine, fatfleshed and well favoured; and they fed in a meadow:

19 And, behold, seven other kine came up after them, poor and very ill favoured and leanfleshed, such as I never saw in all the land of Egypt for badness:

He said, "I never saw anything like that in all the land of Egypt, for badness."

20 And the lean and the ill favoured kine did eat up the first seven fat kine:

21 And when they had eaten them up, it could not be known that they had eaten them...

Because they still looked thin and lean, and there was no sign of where all those fat cows went.

... it could not be known that they had eaten them; but they were still ill favoured, as at the beginning. So I awoke.

22 And I saw in my dream, and, behold, seven ears came up in one stalk, full and good:

23 And, behold, seven ears, withered, thin, and blasted with the east wind, sprung up after them:

24 And the thin ears devoured the seven good ears: and I told this unto the magicians; but there was none that could declare it to me.

25 And Joseph said unto Pharaoh, The dream of Pharaoh is one: God hath shewed Pharaoh what he is about to do.

As I told you I am speaking on THE ADOPTED SON AND THE ECONOMIC RECESSION. And my subject is, "**God Is Still Showing What He Is About To Do**". *God Is Still Showing What He Is About To Do.*

25 And Joseph said, unto Pharaoh, The dream of Pharaoh is one: God hath shewed Pharaoh what he is about to do.

*26 The seven good kine are seven years;
and the seven good ears are seven years:
the dream is one.*

He watched the numerology in the dream. And, the numerology in the dream was a key to unlock the Mystery of the dream.

*27 And the seven thin and ill favoured kine
that came up after them are seven years;
and the seven empty ears blasted with the
east wind shall be seven years of famine.*

Do you see how he was interpreting that?

... shall be seven years of famine.

*28 This is the thing which I have spoken
unto Pharaoh: What God is about to do he
sheweth unto Pharaoh.*

*29 Behold, there come seven years of great
plenty throughout all the land of Egypt:*

*30 And there shall arise after them seven
years of famine...*

They said that these last seven years, from 2001 to 2007, these seven years, have been years of some of the greatest prosperity they ever had before they struck this time of recession here, and that is going to go into all the world.

Now, watch the inspiration of this. Watch how this is. Remember, we are in Genesis. Joseph was a type of, what? The Spirit-filled Church. Joseph was a type, the Prophet said, of the Spirit... Joseph was the fourth foundation upon which the Masterpiece was built: Luther, Wesley, Pentecost and this Age, and Christ comes down. Joseph speaks of perfection. Jacob was 'grace.' Joseph was 'perfection.' This is the perfect Church. This is the Spirit-filled Church. This is the Church that has the Rainbow Coat.

Watch.

*29 Behold, there come seven years of great
plenty throughout all the land of Egypt:*

30 And there shall arise after them seven years of famine; and all the plenty shall be forgotten in the land of Egypt...

All the plenty shall be forgotten in the land of Egypt, when those seven years of famine come.

... and the famine shall consume the land;

31 And the plenty shall not be known in the land by reason of that famine following; for it shall be very grievous.

These prophecies that were sealed up, were prophecies that were mysteries under the Third Seal, if you understand me. The black horse with the balances speaks of economics. The Voice saying, "A measure of wheat for a penny, a measure of barley," speaks of famine. First one: religion; deception – "See that no man deceives you." Second one: red horse – "There shall be wars and rumors of wars." Third one: "There shall be famine." Fourth one: "There shall be pestilence."

Matthew 24, Revelation 6: Jesus spoke of the Seals here, He spoke of the Seals over here, and these were the things that were to be here in the last days. And watch how, what God communicated, it was not so much about pestilence, though with famine there is pestilence always following. Because with hunger, that immune system gets broken down under malnourishment; you can't get the right things to eat, and then there is no resistance for diseases and sickness. It's a chain.

31 And the plenty shall not be known in the land by reason of that famine following; for it shall be very grievous.

He was opening the mystery of a famine that was going to be so grievous. These were the things that God communicated, and these were the things that God was opening when he came out of prison. And now he was standing there before Pharaoh, opening what was going to happen in the realm of economics; what was going to happen in the earth in that Hour.

32 And for that the dream was doubled unto Pharaoh twice; it is because the thing is established by God, and God will shortly bring it to pass.

He said, "God revealed to Pharaoh what He is about to do. What God is about to do, He showed it to Pharaoh."

... [and] the thing is established by God, and God will shortly bring it to pass.

But now the thing was being revealed. Now this boy who had his boyhood visions of himself coming into a ministry, that ministry began when he began to open those things.

Now watch this. When will the Spirit-filled Church show Her glory and power? When the Squeeze comes. When the Squeeze comes, watch the Third Pull then. "You will see a Church," Bro. Branham said, "a Church in perfection; a Church that has come to maturity, unto the Stature of a Perfect Man. That will be the thing to start the Rapturing Faith, because that's the man that's going in the Rapture." Is that right? Then, does that type Joseph? Was *that* Joseph, *that* perfection? Was Joseph that Stature of a Perfect Man? Was he *that* Church without spot and without wrinkle?

33 Now therefore let Pharaoh look out a man discreet and wise, and set him over the land of Egypt.

34 Let Pharaoh do this, and let him appoint officers over the land, and take up the fifth part of the land of Egypt in the seven plenteous years.

35 And let them gather all the food of those good years that come, and lay up corn under the hand of Pharaoh, and let them keep food in the cities.

What was he doing? Because he understood the prophecy... Are you getting that? Because he understood the prophecy and he saw the condition that

the prophecy was describing... Didn't he say the seven years of plenty will be forgotten when the famine starts because wealth will be decreased so fast? The account that looked so high under the years of plenty will diminish, and devalue and become so little when that recession starts, that you wouldn't even remember those days when you brought in so much.

He was describing what he was seeing in the vision; in the symbol. That was the Word being revealed in symbol form. Do you believe that? That was the Word being revealed. We know that.

Now watch.

³⁵ And let them gather all the food of those good years that come, and lay up corn under the hand of Pharaoh, and let them keep food in the cities.

He was giving them an economic plan for the time of economic recession. He was giving a plan to save people who this thing would destroy, if they didn't have such an understanding of what was coming.

Do you have an understanding of what is coming under the Sixth Seal? Do you have an understanding of what is coming in the Squeeze for the Church? Do you have an understanding of when he said, "This persecuted, hunted group"? Do you have an understanding of when he said, "They will put pressure on you to get you into that system, and except you have the mark, you can't buy or sell"? Do you have an understanding when he said, "Their rights will be taken away and you wouldn't be able to pray for the sick and preach, unless you belong to the system, and recognized by the system; you will be an outlaw in the society"?

In this vision that has come to us, we have to know these things before we could even prepare. And the Message came for what? Preparation. The Message came for preparation. When God reveals disaster and

impending disaster, and crisis and chaos about to strike the land, God reveals a way to take care of His own.

Did God reveal to Moses how to keep those people safe when that land was filling up with trouble, and death was coming? Did that sealing Angel go forth and got a people ready, so that when Titus was coming to destroy everything, they would not be caught inside of there? When the world was going to fall apart in the days of Noah, did God reveal to Noah how to take a people out? That's the unchanging God in every time.

Watch Joseph, a type of the Pyramid City having the Glory of God, adopted and placed, and walking with the Mind of Christ, and knowing what God wants done with the Word, in the Hour when that economic recession was spreading into all the earth and food prices began to soar. He had the Mind of Christ. He knew what was happening in the land. He knew what was happening in the land!

Remember years ago He said, "Go up and 'show your face.'" I have to 'show my face' in some of these things sometimes. Do you know why? You think it is just a man trying to read the Bible and only saying something presumably. But when you read the Word, He said, "The Bride has the Mind of Christ." He said, "The Secret in the back-part of God's Mind is put in the heart of the Bride, and She knows what He wants done with the Word"; that the Word Herself will take the Word Itself and reveal Herself in Itself to show She is the Matching-piece.

You see, it is far beyond 'church', you know. It is far, far, far beyond 'church'. You sit there tonight and you see that Word before you.

Watch it.

Verse 36:

³⁶ And that food shall be for store to the land against the seven years of famine, which shall be in the land of Egypt; that the land perish not through the famine.

37 *And the thing was good in the eyes of Pharaoh, and in the eyes of all his servants.*

What was the thing that brought him into his position; to be placed positionally? He opened up the mystery of the recession that was to hit the whole world that none of the wise men and the magicians could open.

Didn't I tell you when the Holy Spirit discovered that thing, He pointed it out and said, "Go back and read *The Revelation Of Jesus Christ* series; it isn't even mentioned." He said, "Go over in *The Third Seal* [[1963-0320 -Ed.](#)]; it is not mentioned there." And I told you this is the place; He put it inside there. And I took Jeremiah, how he wrote it and put it in a book and gave Baruch to go with that book. Is that right? If only I could tell you half the things. And right there, *The Lord's Vengeance Of His Temple*.

And the brothers, God inspired them to put such a beautiful board up. And if you are in this church and you hear these messages, it will do you well to read what is on that board, because it is put up there to help you; to sensitize you to the things that are preached right here and opened among you. And that board is proof and evidence that these things being said here, it is the Divine inspiration of the Word.

These are the things that Bro. Malcolm [Bro. Malcolm Wano - Pastor of Shekinah Glory Tabernacle, New Zealand -Ed.], when he sat, he said, "I'll start to take my church into these Things because I could see how accurately and so precisely the Holy Spirit revealed these things through you."

And if you are following the news, you will see this last summit right here, this week gone, is about that missile shield, and all the big problems there are with Putin [Vladimir Putin: President of Russia -Ed.] and Bush [George W. Bush: 43rd President of U.S.A -Ed.] and NATO [North Atlantic Treaty Organization -Ed.], and all these things that are going on right now.

And the Holy Spirit is here among ordinary people who could hardly even understand what is being said; yet He is speaking it. But though they don't understand it here, it gets on a tape and goes into the farthest part of the world and Ministers see it, and it changes them, and the Light starts to reflect into their congregation. That's right.

And when you see God doing it and how it is being done, it makes you marvel to see God keeping His Word, and cannot be accused of being guilty of a breach of promise. Because, when we got the Word from the Prophet, we got It in books and tapes; we didn't get It from a man standing there talking. We got the words of the man coming to us, printed and recorded. Do you understand?

It is amazing what God does. But Truth is Truth anyhow because once it opens that Bible and gives sense to that Word; then it is relevant and applicable, and then you see the evidence of what I'm talking about around you, and being pointed out, and cannot be disputed, then, two and two makes four. Then you know it is man to speak a Word but it's God to interpret It. And when that Word is interpreted, then that wasn't man speaking, that was God speaking, because God is His Own interpreter of His Word. You see?

³⁷ And the thing was good in the eyes of Pharaoh, and in the eyes of all his servants.

³⁸ And Pharaoh said unto his servants, Can we find such a one as this is, a man in whom the Spirit of God is?

That man who walked out of the prison, was a man in whom the Spirit of God was. And a man in whom the Spirit of God was, began to speak and open up the hidden communication: God's Divine cryptography and steganography, that God hid the economic recession, sealed it up in symbols, and nobody... It was approaching them, and nobody could even realize what

was coming on the earth. And the man began to speak, and unlocked that and made it clear.

39 And Pharaoh said unto Joseph, Forasmuch as God hath shewed thee all this...

This is the rebuke to the church right here. Here is a political man, a carnal man, an Egyptian, he said, "God showed you all of this." Church people who claim to have the Holy Ghost will sit down and watch you and stare at you, and try to figure you out, and want to know if what you are saying is really so. But a carnal man looked at him and said, "As much as God had shown you all this."

Because Pharaoh realized, "These wise theologians in this kingdom couldn't unlock that. And you came off the streets, you came out of jail; they accused you for a rape case? You're a Hebrew. You are not even an Egyptian. When we checked your school, all your life basically, you were a shepherd. You were around sheep, your father's sheep. And your father was the same." Do you understand?

... there is none so discreet and wise as thou art:

40 Thou shalt be over my house, and according unto thy word shall all my people be ruled: only in the throne will I be greater than thou.

41 And Pharaoh said unto Joseph, See, I have set thee over all the land of Egypt.

Placing! This is the place that was revealed in the vision when the brothers said, "Shall thou have dominion over us?" And the father said, "Do you mean the sun, the moon and the stars, we will bow down to you?" And they couldn't understand how this little shepherd boy could stand one day with the Word of God to reveal all these things that were going to take place in the land.

He said:

... See, I have set thee over all the land of Egypt.

⁴² And Pharaoh took off his ring from his hand, and put it upon Joseph's hand, and arrayed him in vestures of fine linen, and put a gold chain about his neck;

Adoption; placing – setting him positionally with authority.

⁴³ And he made him to ride in the second chariot...

There is a Second Ride coming here. Did the Spirit in the Bride say, "Come"? Is that to be the Church in perfection? Is that to be the manifestation of the sons of God, adopted and placed sons of God in the last days, who will have that Ride? Will that be Jesus doing all three things? Is this the time of the Key of David when the Bridegroom and the Bride are one, and the same harmony between the Father and the Son is now in the Bride and the Groom, and She has the Mind of Christ and knows what He wants done with the Word, and by and through the members of that Bride, all of these things will be fulfilled? She will finish the Ministry of the Son of Man.

I am not inventing that. Does that sound like an invention? That must be an opening. That must be an opening. I'm only excited with this. Go back in, *When Money Fails* [[1993-1010-Ed.](#)]; I'm only repeating myself. But you see, the Word is always twenty years ahead of you. I switched my title. I didn't call it, *When Money Fails*; I said, THE ADOPTED SON AND THE ECONOMIC RECESSION. But it is the same Word, when it is more in season. You see, you see the vision, and then the vision comes to pass. It is for an appointed time.

Like I was explaining to the brothers, God carries you high on the mountain and you are seeing the car coming around the corner. And the man on the ground can't see any car coming around the corner; he is watching the traffic light saying red. Nothing is supposed to come

around the corner but he knows he is seeing a car out of control. But the man up here, way high on the mountain is watching that car. The man is trying to control that car coming down all the way here and can't control that car.

Because, when he goes up high, he can see everything. He goes past the clapping of the hands. He goes past the joy of the saints. He goes past the rhythm of the music. He goes up into the realm of the thoughts of God sealed up in the Bible, and comes back down with the understanding and the revelation to place the people to move in step so they wouldn't be caught in what is coming. They will know how to get ready.

Isn't that what the weather people do every day? Have you ever seen the *News* and seen a weatherman standing up here and he has a whole map of the world and he is telling you the temperature in every place? And he tells you what is going to happen? Do you think it is that man's knowledge that's speaking that there? It's a satellite in the sky he is getting that information from. And that satellite is an eye and that eye is tracking the world's weather around the world.

This man did not even go out of the city; he moved from his home and he drove down to the television station. But they have all of that downloaded. Do you understand? Because that station is a receiving set to receive from that satellite above there, in heavenly places up there. That is a super vision up there; an all-seeing eye tracking that thing around the world.

But that man standing there speaking, he is speaking now, not with his intelligence, but with the intelligence of the satellite that is designed to track that thing. And he is showing those people, he says, "Watch, that thing is coming. It is going to build up speed here. By the time it reaches this place, it is going to be one hundred and eighty miles per hour. By that speed and the distance you are from that, it will take a day and a half." He says, "You better get all your valuables secured. You better

know where the nearest shelter is, from where you are living, because when that thing comes in, it is going to pound your place for about two hours. And by the time you are finished, with those kinds of winds and the water that's going to drop there, you will suffer anything within one hundred to two hundred million dollars in losses in that place." And because of that warning, lives are saved.

What do you think the Word has been in every Age? A Seal opened, a Mystery unfolded and a man on the earth was catching the Intelligence of God coming down. And that's a sending station. It is not the man catching it so much; it is God sending it to the station, who He built to receive it.

That's why when those visions of the angels and these things were coming, they couldn't end up in Oral Roberts' mailbox, they couldn't end up in Billy Graham's mailbox; it had to be the person who was built to catch that. It was going to come directly inside of there, and the faith and the training was inside of there to say what God said regardless of how it sounded. "A virgin shall conceive." He could have said it and walked away; it will come to pass in its season because it was not his thoughts.

That's how God works. And that is still the same God. When the Spirit speaks through the Bride, what does the Bride say? Because that same Spirit is here in the Bride. How did that Spirit in Agabus stand up there and say, "There shall be famine in all the world"? [Acts 11:28 - Ed.] My! And it started to happen. Where was Agabus getting that from? Read; that is part of the Book of Acts.

You see, it is in Revelation, it's in Genesis, it's in the Book of Acts; it's in the Third Seal. Do you understand? We are not going over in Kings tonight with Elijah and the woman and the recession and all these things. No. But I'm showing you here in Genesis, the seed Book. And this is the real thing, you know. I want to show you the hidden things in Here.

In the last two services, some things have been revealed. If you are spiritual, you would have caught it because the Holy Spirit spent time and emphasized it. I explained to you how it was during the time of the economic siege, when they started to have the—when the bread prices started to rise and God said, “I’ll break the staff of bread,” and that siege started, the sealing of the Elect came to an end, and the intercession came to an end, and the Mercy Seat became Judgment Seat.

I will show you in the time of this recession, the Bride is dismissed to the Palace. I’ll show you, this recession begins before the Bride is dismissed to the Palace. And I’ll show you this recession continues on after when He starts to make Himself known to His brethren. Hallelujah!

So, we are talking about intercession coming to an end, sealing being over, Mercy Seat becoming Judgment Seat; Bride being translated. It is tied to famine in the land. It’s tied to economic recession. Because when the Bride goes up, Satan comes down, becomes incarnate in the man of sin, and does, what? Set down the mark! He becomes the Beast and sets down the mark. So when you watch this, you will see something breaking.

Something is breaking... A man caught a vision. When crisis arises and the world gets in birth pains... He who has been ordained to lift us up into a higher plane; then the Anointing falls upon the vessel. [#878 - Songs That Live -Ed.]

I’m preaching here but that is what the songwriter said. She was inspired and I’m inspired. Both inspirations come from the same Source, and both are correct and cannot be broken. Because if this is not the Anointing on the vessel opening the Word, you tell me what it is. And if it is not talking about some past thing and what is happening right now... Isn’t this, knowing the Word by when It is happening? Explain to me how you know the Word by what is happening, if it isn’t Eternal Life; unless you are part of the Word? Find another way to explain when it is happening. There is

no other way. It is impossible to know it by what is happening unless you are part of it. Do you understand?

That should be such a consolation for this church, to know, "Oh my God, we are hearing from Heaven; we are not hearing from a man. We are not feeding on a man; it's the unfailing body Word!" And that's why I always say It will never leave the Bible! Do you know what gives people trouble? It is too much. It doesn't stop and it's continually so.

But there is a River, there is a River, whereof the streams make the City of God glad. It was sent to water the Garden. Every tree drinks from that River. And every man is like a tree planted by the Rivers of Water. And that Water is the Holy Spirit. "And out of your innermost being shall flow Rivers of Living Water. He that believeth on me," as the Scripture saith.

Oh my, it is such a great thing to believe God. Without faith, it is impossible to please Him. This is not your little 'church feeling' now. This is not your little, "Well, I'm not getting any goosebumps." This is not about goosebumps now; this is, "He has opened my eyes. My eyes are anointed with Eyesalve. I see the prophecies coming to pass." I can see the prophecies fulfilling everywhere, and I hear the Voice saying, "Son, go and get My children." Hallelujah! Because it's a Midnight Cry and we'll be going Home.

People, get ready, for the train is coming! My! Hallelujah! Oh brother, you better get ready to get on board. Throw away your peanuts and everything else. See the flashing red light of the sign of His Coming, and look up and lift up your heads because your Redemption draweth nigh! My! Your Redemption draweth nigh!

Look, after the placing now, look, after the placing, after he said he made him ruler over all the land of Egypt, put the new vesture... A change of vesture is, what? A change of ministry. He said, "Bro. Branham,

you were dressed in vestures of chief authority and you were at the head of the table.” Whenever major things in the earth are about to open, you watch the Holy Spirit move in that way. That’s right.

When those dreams came, they said, “We saw you at the head of the table.” What was it? He was going to meet Angels to open things in the Bible, to change the understanding of people who were looking through theological eyes, and man’s understanding of the Bible, to wake up to see the Bible become a new Book; to recognize their Day and their Message.

When these things are happening, friends, you find the Spirit has to do the same things like it was with Jesus. He realized the Presence of God was being unrecognized. He realized the true Sign was being overlooked. He realized God was being misunderstood and He started to ask them, “What went you out to see?” You go to see according to your concept. He said, “What went you to see; a man in fine raiment? And you didn’t see that, so you feel that I am not it.” He said, “Well, you should go in a king’s palace; you don’t go in the wilderness to see a man in fine raiment.” And He was showing them something was wrong with their seeing.

Then He said, “Whom do men say, I, the Son of Man am?” Because the Son of Man was standing there and they couldn’t realize it was the Son of Man, and they were saying He was Joseph and Mary’s son, and Moses, and John, the Baptist, raised from the dead. They were looking and they couldn’t understand what they were looking at because they had no Eyesalve in the Bible to see their Day and what they were supposed to be hearing in that Hour, and what they were supposed to be seeing coming to pass in that Hour.

Then He asked them, “What think you of Christ?” ‘What went you out to see? What think you of Christ? Whom do men say I, the Son of Man, am?’ And then the Prophet came back in this Day and said, “Who do you say This is?”

What does God do? He strikes into the hearts and consciences of men and says, “Don’t just come to church like a little dopey, you know, and you don’t know what is going on. When you look, watch what you are looking at. Watch in the Bible: know what Day it is, know what you are supposed to expect in this Hour, know what was to come in continuity to the Message; know what the Holy Spirit will do when He comes back around a second time for Sarah. You are supposed to know. Know what is happening with Ruth after the Chief Reaper leaves, and know what is happening with Rebekah after Eliezer leaves. See if they are getting things from Isaac and Boaz. But when you don’t know, you are coming to church and you are looking and you don’t know what you are looking for. Do you understand? You have to know.

That’s why when you hear these things, it carries your faith up into a place: “Oh my God, the Hour is here!” You look at yourself; you want to walk a little closer. When you are getting caught into foolishness and the Devil wants to seduce you and entice you, you throw away those things quickly. You shake those things away from you. You say, “Oh God, look where the Devil wants to take my mind, and look at the time we are in here.” You say, “Oh God, keep me. Put your chains tight on me, Lord.”

Why? Because you are seeing; you are hearing the symphony of the Music Sheet. You are hearing the Music Sheet being played out and you are hearing the junctions. And you are seeing how the director is directing the Music from the Music Sheet to get the symphony in the right swing. And you say, “Oh God, I’m part of the symphony. And the Music Sheet is in front of me tonight – Genesis 41. This is the Music Sheet, Lord: Revelation 3:10 – the hour of temptation. Lord, this is what the Prophet said, what is coming.” You look and see what is to happen.

Verse 45:

45 And Pharaoh called Joseph's...

Verse 44, rather:

44 And Pharaoh said unto Joseph, I am Pharaoh, and without thee shall no man lift up his hand or foot in all the land of Egypt.

In other words, “Your authority is so complete, if you say, ‘Nobody moves,’ I will back that up.” It’s like, “Whatever you say, I will back that up.” Like the king told Esther, “Speak, Queen Esther.” This is pictorial language. This is to express the completeness of the authority invested in this man.

The Bride will have, ‘THUS SAITH THE LORD’. It will be Him speaking. She will be an invincible Army; not even death could harm Her. Is that what he says? She will be a Super Race, a Super Church as She nears the Headstone. She will be in His very own image for the Key of David to take place, in order to be united with Him. She will be a Pyramid City, Heavenly Jerusalem, the Lamb’s Wife, City of the Living God. “I’ll write that Name in Her forehead. I’ll show it in the sky in a Nebula before the Famine comes and show what kind of church; a Pyramid Church standing here in an Hour of economic recession.” And I’m showing you in the Bible too.

When the Holy Spirit can come ahead of time and lay these Things out and prove It piece by piece, and then tie It all together before your eyes—he said, “It will open wide before your wondering eyes.” It really does make you wonder, “Oh, my God, could this be so? Look at this!” It makes you wonder. You don’t become ‘wondering stars’ but it does make you wonder.

45 And Pharaoh called Joseph's name Zaphnath-paaneah;

In that hour of economic recession; a man walking with a new name. Is that in the Bible here? He got that new name from revealing the secrets; from decrypting the encrypted mystery, the hidden communication, and that proved he had the Spirit of God inside of him. You

might not understand what people are saying, but when God is talking, you know what God is saying.

...and he gave him to wife Asenath the daughter of Poti-pherah priest of On. And Joseph went out over all the land of Egypt.

In other words, he was going out with the authority invested in him over all the land. He didn't sit down in a corner. He went over the whole world with this authority invested inside of him, over all the land. And wherever he goes, he is telling them, "Watch the food prices. It will get worse than that." He said, "Watch what is going to come here. The time is going to come when this whole financial system will collapse." He was telling them.

I'm going to show you that here. I'm going to show you that here because this is the seed of that, which is going to come upon all the world. This is the famine coming upon all the world (when?) before the Bride is dismissed to the Palace, and will continue after too. And money will fail and you will all have to get under the administration of Pharaoh in order to survive. The only people who weren't sold were Joseph's family. They could be nourished for a time, times, and half a time. He prepared a place for them to nourish them in the Bible. Yes, sir! My!

⁴⁶ And Joseph was thirty years old when he stood before Pharaoh king of Egypt.

Thirteen years, speaking, speaking, believing, being tried by the Word, suffering, and then he stands there. His vision was about to come to pass. He was being put in place to fulfill the vision.

... And Joseph went out from the presence of Pharaoh, and went throughout all the land of Egypt.

⁴⁷ And in the seven plenteous years the earth brought forth by handfuls.

⁴⁸ And he gathered up all the food of the seven years, which were in the land of

Egypt, and laid up the food in the cities: the food of the field, which was round about every city, laid he up in the same.

Brother, all those cities round about had food being stored up. That's right. My!

...the food of the field, which was round about every city, laid he up in the same.

49 And Joseph gathered corn as the sand of the sea, very much, until he left numbering; for it was without number.

50 And unto Joseph were born two sons before the years of famine came, which Asenath the daughter of Poti-pherah priest of On bare unto him.

51 And Joseph called the name of the firstborn Manasseh: For God, said he, hath made me forget all my toil, and all my father's house.

52 And the name of the second called he Ephraim: For God hath caused me to be fruitful in the land of my affliction.

And you know how we had that message: *Joseph's Manasseh and Ephraim.* [2004-0711 -Ed.]

53 And the seven years of plenteousness, that was in the land of Egypt, were ended.

And that's the time we are in. That's the time we are in.

54 And the seven years of dearth began to come,

That's what we are seeing. That's what we are seeing.

...according as Joseph had said: and the dearth was in all lands; but in all the land of Egypt there was bread.

55 And when all the land of Egypt was famished, ...

Watch the progression. There is a progression here. Keep your eyes on the famine. So far, when he opened the Mystery of Pharaoh's dreams, which was God's

Word sealed up in symbols, that God was showing what He was about to do. And when that began to be interpreted, he said, “The thing is established by God. God will shortly bring it to pass.” In other words, you can’t pray this away. God showed it ahead of time, God gave foreknowledge (prophecy); it was Things that are to come. The Holy Spirit will bring back Things to your remembrance, teach you all Things and (do what?) show you Things to come. That is prophecy.

And now the Hour came:

54 And the seven years of dearth began to come, according as Joseph had said: and the dearth was in all lands; ...

It started to spread from one land to the next land. And they began to find food prices going up in Venezuela, food prices going up in Peru, food prices going up in Africa; food prices going up here. Some countries that had food were not exporting their food; they were keeping their food because they didn’t want any national disturbance. They wanted to make sure their people’s bellies and their cupboards had food, and their tables had food.

And then other places that imported food, they found themselves now, hungry and in need of food because they were not getting as much as they used to get. They were not getting that full quota, and it was a higher price they had to pay for it. Do you understand?

55 And when all the land of Egypt was famished, ...

Now, from all the lands where it went, it ended up now in Egypt. So that means it was taking the whole world. Because It tells you, in Egypt there was plenty, but the famine began and then it went into all lands.

54 ...but in the land of Egypt there was bread.

And then It says:

55 And when all the land of Egypt was famished, ...

Now, their prices began to go up now.

*...the people cried to Pharaoh for bread:
and Pharaoh said unto all the Egyptians, Go
unto Joseph; what he saith to you, do.*

Remember, in this Age, it's not just for natural bread. It is natural bread and while they are having famine for that natural bread, there's famine because there are people who don't know how to understand what they are seeing happening, where it is in the Book, and how to prepare, and how to come into what God promised, to provide and multiply the bread and fish when the time comes.

But while that famine is going on, there is a people who know, *"For this saying..."* There is a people who know how you come in, to become—get under the Token. There are people who know what it is to grow up into Christ and come into speaking conditions and how, by and through the members, He is finishing the work.

When you don't know that, you have the two famines hitting you at the same time: natural, and you have no revelation of the Word, no opening on what these Things mean. And you are seeing the modern events but they are not being made clear by the vindicated prophecy to you. So you are listening to the Minister of Agriculture saying, "Don't be frightened." The Prime Minister is saying, "We will beat the food prices." He might fly away in that jet somewhere before he could beat those food prices. But (brother) that jet can't take you anywhere, where there is no famine. Everywhere that jet lands, there will be famine.

You better have Astronaut Power to go (you better be an Astronaut); not in that little private jet. And you better have a new House that is not that house. If you have that kind of house, you are staying right here, and those cupboards would be empty the same way. But brother, with Astronaut Power, we will get a New House here because we already saw the last Sign. And when He comes back around at the time of life, Sarah is going

to receive strength; something is going to happen to bring the metamorphosis. Amen.

Quickly. I'm reading with you because you see, I need to get the Scripture in. When I could get the Scripture into your heart with a certain understanding and then you get a chance to go back home and read It over, then when the preaching starts in This, as we go along from time to time in this season, it is going to crystallize and connect. But I'm using tonight to get the Scripture in to show you where it is in the Book.

55 And when all the land of Egypt was famished, the people cried to Pharaoh for bread: and Pharaoh said unto all the Egyptians, Go unto Joseph; what he saith to you, do.

Do you see how Pharaoh isn't doing anything anymore? It is going to come by and through the members of the Bride. God is going to work by and through the members of the Bride. That is how it is going to come. Go back and read *Manifestation Of The Sons Of God* [[1960-0518 Manifested Sons Of God -Ed.](#)]. See what he says those sons would do in the last days.

56 And the famine was over all the face of the earth:

It became something; it went into all the earth.

... and Joseph opened all the storehouses, and sold unto the Egyptians; ...

Oh my! He had stored-up food. He was storing up for years and years and years and years – and Things that God was opening and blessing and filling up that storehouse with.

... and the famine waxed sore in the land of Egypt.

Now the famine was over all the face of the earth, and the famine waxed sore in the land of Egypt.

57 And all countries came into Egypt to Joseph for to buy corn; because that the famine was so sore in all lands.

[Chapter 42, verse 1 -Ed.]

¹ Now when Jacob saw that there was corn in Egypt, Jacob said unto his sons, Why do ye look one upon another?

² And he said, Behold, I have heard that there is corn in Egypt: ...

The Bible tells you there was famine in other lands. And you're seeing Jacob in Canaan now, not in Egypt (in Canaan) and in Canaan, they had nothing to eat. And he heard that down in Egypt had; "Get down in Egypt, there is corn down there. Go south, there is corn."

...Jacob said unto his sons, why do ye look one upon another?

² And he said, Behold, I have heard that there is corn in Egypt: get you down thither, and buy for us from thence; that we may live, and not die.

The famine was threatening them also. The famine was threatening them. Here are the believers in Canaan land, just like they were in Jerusalem. And the famine was so severe in Jerusalem, they had to get money from the Gentiles, and food, and carry it to a Holy Ghost-filled Church over there too.

Watch.

³ And Joseph's ten brethren went down to buy corn in Egypt.

⁴ But Benjamin, Joseph's brother, Jacob sent not with his brethren; for he said, lest peradventure mischief befall him.

⁵ And the sons of Israel came to buy corn among those that came: for the famine was in the land of Canaan.

⁶ And Joseph was the governor over all the land, ...

And his brethren didn't know that God had opened up to him a Mystery of what they were experiencing. None of them could identify what happened to them in

their lives. But God had opened to him a Mystery of these Things that were coming, and where it fits, and how long it was going to be, and how it was going to affect, and what was going to take place under it, and the severity of what was coming that they would not even remember the days of plenty because this would be such a depression in the land (speaking about this End Time...speaking about this End Time).

What am I doing? I'm opening this Mystery of the Third Seal here for you from another place in Genesis, so you can see when it is happening; while the Elect of God is still here. Joseph's bride is not dismissed yet to the palace and all of this is going on. Joseph is in union: the Key of David. Joseph has a new name; walking with a new name. Joseph is proving to be a man of God with the Spirit of God inside there; a man who had become a prisoner, a man who had gone through a time of suffering, a measure of suffering to be filled up, to form the character to bring him into a position for a ministry in the Second Ride.

Watch.

⁵ And the sons of Israel came to buy corn among those that came: for the famine was in the land of Canaan.

⁶ And Joseph was the governor over the land, and he it was that sold to all the people of the land: and Joseph's brethren came, and bowed down themselves before him with their faces to the earth.

⁷ And Joseph saw his brethren, and he knew them, but made himself strange unto them, and spake roughly unto them; and he said unto them, Whence come ye? And they said, From the land of Canaan to buy food.

⁸ And Joseph knew his brethren, but they knew not him.

⁹ And Joseph remembered the dreams which he dreamed of them, ...

In other words, in the midst of the famine, Joseph is remembering what he preached years ago and that caused a religious disturbance, and what they didn't believe and couldn't understand, but now is coming to pass. And now, he is not a little boy, he has already gone through the whole land. And he is placed positionally, and he has the Word of God. And when God sends the communication hidden, he can read God's steganography and God's cryptography, and he could decode God's Mystery.

He remembered the dreams. The dream is coming to pass. The prophecy is becoming history in his life in the midst of the famine and the economic recession. This is to help some of you – your faith. This is to help some of you – your faith because some of you can't have faith to know the Word, present tense. But this is to bring peace because we are in a time when there are all kinds of voices. Everybody is trying to get an understanding. And sometimes you sit right here and you wonder, "Is this of God? Is this really real?"

Sometimes you're sitting there and you're getting no revelation. You read these same Scriptures and It never opened to you this way. You know that Story but that Story is not so in your mind. Because it's different when you're reading and when somebody who is walking in the Symphony is reading. It's different when you could see what is in seed form in the seed Book of the Bible, and know it is not a Story, it's a Mystery of prophecy. It's different. It's different with the Spirit of God in you interpreting the Word and revealing the Word and tying the Word together than if you're reading because you are literate.

Watch. He remembered the dreams. Did you notice this? Those dreams were prophecies of his placing. Those dreams were the revelation of God's will for his life. Those dreams were the Word of the Lord that tried him while he was in prison. Those dreams were what he

believed. He spoke those things by inspiration and It would come to pass one day.

In the appointed time the vision would speak, and the time appointed had arrived. And he saw the brothers. The last time they saw him, he was in chains going with the Ishmaelites; going into Egypt as a slave. And now they had come and met the governor in the land. He was not the little boy they could conspire and throw in a pit, now. His word was law because Pharaoh backed that word. Do you understand?

[Genesis 42 -Ed.]

9...and said unto them, Ye are spies; to see the nakedness of the land ye are come.

Drop down to Chapter 43 now; I'm following the famine. Verse 1:

1 And the famine was sore in the land.

Did you notice that? When you go back and read It, every time you see 'famine' just circle it 'famine'. It's a progression of the famine, and then you will understand what the experiences mean that are written about Joseph, and Pharaoh, and the land. Because the famine is the thing that all of this is happening around. It's because of the famine the brothers are coming; it's because of the famine Joseph came into that position because he interpreted that Mystery. And that is a Mystery in the Book of Revelation as I read.

Revelation 3:10, only a prophet could reveal that, and the Prophet revealed that to us (what that is). And that's the Mystery that is tied to Revelation 13: you can't buy or sell except you have the mark. That is tied to the Third Seal, the economics; how Rome will capture the wealth of the world and rule—control all trade and economics. And the Bride when the Squeeze comes (this economic Squeeze), She will be all pressed out, but She will be a perfect Church in that Hour. She will near the Headstone. She will come to the very image and that is what Joseph was. Joseph was that image. Remember, Joseph is Christ.

...the famine was sore in the land.

² And it came to pass, when they had eaten up the corn which they had brought out of Egypt, their father said unto them, Go again, buy us a little food.

So Jacob sent them again.

Genesis 45, now. Now watch Joseph in the time of increasing economic woes. The economic woes are increasing. The price of food is higher because it's in all the land; it's even in Egypt now. There was no place without the famine. It had become severe; the increasing economic woes, the soaring food prices. And food was the greatest commodity because they couldn't drink oil, but they had to eat food to live. And so, nations were being broken.

¹ Then Joseph could not refrain himself before all them that stood by him; and he cried, [and he said] Cause every man to go out from me. And there stood no man with him, while Joseph made himself known unto his brethren.

Right there, "Cause every man to go out from me." and "...there stood no man with him," that's where Bro. Branham said, "And Joseph dismisses his wife to the palace." He dismissed everything from around him because now it is going to be him and his brethren, and he is going to make himself known to his brethren.

That's your Mystery of your Seventh Trumpet. This is your Rapture before your Seventh Trumpet; the dismissal of the Bride. But notice, the Bride is in the midst of increasing economic woes. It started off very small but then it affected all the earth. Then it was even in Egypt and the dearth got very severe in the land.

² And he wept aloud: and the Egyptians and the house of Pharaoh heard.

³ And Joseph said unto his brethren, I am Joseph; doth my father yet live? And his

brethren could not answer him; for they were troubled at his presence.

⁴ And Joseph said unto his brethren, Come near to me, I pray you. And they came near. And he said, I am Joseph your brother, whom ye sold into Egypt.

⁵ Now therefore be not grieved, nor angry with yourselves, that ye sold me hither: for God did send me before you to preserve life.

⁶ For these two years hath the famine been in the land...

Are you catching something here? The famine got... from the time it started, within two years, she was gone. In Ezekiel when the famine started, the intercession went out after he ate the Book. And then God said, "After you eat the book, do you know what follows after eating the Book? "You will eat bread by weight and drink water by measure." [Ezekiel 4:16 -Ed.] I preached that for you on Sunday. Ezekiel 9, He sealed them up; Ezekiel 10, intercession was over, "He that is filthy is filthy still." He threw the fire on the city.

Is this the Hour when the Mercy Seat will become Judgment Seat? Is this the Hour when intercession will be over? Is this the Hour when the sealing—the last one will be sealed and the doors closed? When the Squeeze comes down fully, the Bride will preach to the total lost. God will anoint a Church after the doors are closed. And all of that ran out when the economic woes began to increase in the land. And Joseph's wife was dismissed to the palace when that economic woe was increasing in the land.

When that earthquake struck Fort-de-France in Martinique, a store and a bank were the only two places that suffered damage. And when it reached down to Trinidad where the revelation would be spoken and made known—because God spoke in Dominica and said, "Call back here and arrange the meetings and speak on this." And preparing to come to speak, the

earthquake struck at 3:00 p.m. (in the evening). When was the Voice of the Archangel? When He was smitten on the Cross, 3:00 p.m. (in the evening), the Second Ride, the Mystery between the Shout and the Trump.

I know Trinidad is too small for these Things to be revealed. And I know 'you' are too uneducated and too illiterate to be speaking these Things, but don't let that fight you tonight. As I say, forget me; hear the Word I'm saying. What you can't understand, believe. And what I say about me, put it aside if it's giving you trouble and believe the rest. But to do the works you have to believe on him, whom God has sent.

And God doesn't send somebody with no message – "Go tell." You have to be a witness with a testimony of, "I know." And if I'm preaching to the Bride and Eagles that are going in the Rapture, then they have the same kind of faith. Then they have something in them for this kind of faith to fall into. Because anybody could pick up the newspapers, and read the newspapers and see what I'm saying is correct.

Watch.

⁵ Now therefore be not grieved, nor angry with yourselves, that ye sold me hither: for God did send me before you to preserve life.

⁶ For these two years hath the famine been in the land...

Two years hath the famine been in the land. Now the bride is in the palace, right? Now the bride is in the palace. Is Joseph dismissing his bride to the palace a type of the Rapture? Did that take place between the Feast of Trumpets and the Day of Atonement? Is the Feast of Trumpets Israel gathered back in their homeland? Is the Day of Atonement, Joseph making himself known to his brothers?

Is Revelation 10 between the Sixth and Seventh Trumpet? Are the Thunders to gather the Bride into the Rapture? Is Revelation 10: 8 - 11, the second part, the Bride is to have a ministry: ("Thou must prophesy again,

the Spirit and the Bride saying, Come”) the Second Ride that the Bride must have before She goes in the Rapture? Is that the lap over between the Gentile Prophet and the Jewish prophets? How readest thou?

Is Genesis 45, Joseph making himself known to his brothers? Is that the Day of Atonement? Joseph’s brothers coming back, and he remembering his visions, is that the regathering of Israel? Genesis 45:1, he dismissed everybody from around him; is that the Rapture between the gathering of Israel and making himself known to his brethren? All these things are here in Genesis, and these same things are over here in Revelation.

7 And God sent me before you to preserve you a posterity in the earth, and to save your lives by a great deliverance.

8 So now it was not you that sent me hither, but God: and he hath made me a father to Pharaoh, and lord of all his house, and a ruler throughout all the land of Egypt.

9 Haste ye, and go up to my father, and say unto him, Thus saith thy son Joseph, God hath made me lord of all Egypt: come down unto me, tarry not:

10 And thou shalt dwell in the land of Goshen, and thou shalt be near unto me, thou, and thy children, and thy children’s children, and thy flocks, and thy herds, and all that thou hast:

11 And there will I nourish thee; for yet there are five years of famine; lest thou, and thy household, and all that thou hast, come to poverty.

Did you notice that? “There are two years gone and there are five more years to come!” This was a man who – a Mystery opened to him and he understood what was going on in the earth, and he knew how much of it happened already and how many more years were to

run out because God opened a Mystery when he came out of the prison; he had overcome. He had overcome and now he was inheriting the blessings. He stood there and they put the ring on his finger and the chain on his neck. He was a vindicated and placed son, placed positionally in the economy to stand there, and his word was supreme. It was Christ; the unchanging Christ, the same yesterday, today, and forever.

Watch this part here.

⁹ Haste ye, and go up to my father, and say unto him, Thus saith thy son Joseph, God hath made me lord of all Egypt: come down unto me, tarry not:

¹⁰ And thou shalt dwell in the land of Goshen, and thou shalt be near unto me, thou, and thy children, and thy children's children, and thy flocks, and thy herds, [and all thy cattle] and all that thou hast:

¹¹ And there will I nourish thee; for yet there are five years of famine; lest thou, and thy household, and all that thou hast, come to poverty.

That recession in the land was going to bring the richest of people to poverty. The Bible says, and Jacob was rich in cattle, flocks, and everything. And he was carrying so many flocks going back, when he met Esau. Is that right? God had multiplied. He said, "I went out empty and I have come back with so many children, and I have come back with so many flocks and everything else." And yet, Joseph was telling him, he said, "With this famine here, all that will be reduced to poverty if you stay there."

Because that recession that is in the making here will escalate, friends. There are already people and big institutions that lost over sixty billion [dollars -Ed.], just last year. Do you know what it is to lose sixty billion dollars? Could you imagine what it is to lose sixty billion dollars overnight (*whoosh!*) – disappeared? What does James 5

say? And the rich men howl and the cries come from Maktesh. [James 5:1& Zephaniah 1:11 -Ed.] Do you know how many years it takes to build up that amount of money, and then to lose it in one day?

You see these are things that are happening. These are things that are bringing on this, what is happening on the earth. And these are things that are prophesied in the Word. And these are things I'm trying to teach you and place it out for you and show you, the plan for the Age, where this fits in the Age, where the Bride goes off the scene, where Joseph reveals himself to his brothers. Just in that time, this recession is going to get worse and worse. Watch what is going to happen through the rest of this year and go into next year.

And then in about... it could all be over. Who knows? But when God would come down in Costa Rica like that, speaking about getting under the Token [God Still Gives A True Token In The Hour Of Judgment 2008-0224 -Ed.] Think!

12 And, behold, your eyes see, and the eyes of my brother Benjamin, that it is my mouth that speaketh unto you.

13 And ye shall tell my father of all my glory in Egypt, and of all that ye have seen;

He said, "You go and tell my father; my father will remember. Maybe, you all will 'get trouble' [not remember - Ed.], but my father will remember. My father will understand these kinds... He used to dream too and he saw his dreams coming to pass." He said, "Tell my father you have seen all my glory in Egypt." This glory is now being revealed after suffering, and the suffering wasn't worthy to be compared with the glory that shall be revealed in you. And it was under that suffering, he got the character and became a prisoner. And then he was shaved, then he was placed positionally, and then he opened up the Mystery of the recession that was coming in the land: the hour of temptation.

See how many years you are in the Message, and then see how many years you are in the Message and it's in

the Book. And then God opened It and you started to see It, and you'll understand God opened something. And go way back to *Watch The Third Pull*, way back in '81 and '82, and see. It is there in the library. See if He is still speaking, watching those things coming, how it is coming – *When Money Fails* [1993-1010 -Ed.].

...and ye shall haste and bring down my father hither.

¹⁴ *And he fell upon his brother Benjamin's neck, and wept; and Benjamin wept on his neck.*

¹⁵ *Moreover he kissed all his brethren, and wept upon them: and after that his brethren talked with him.*

Now catch this. I don't have time to go over to Revelation to read so I'm reading here, but I'm referring. Revelation 11: 3 to 7 under Moses and Elijah, this 144,000 under Revelation 7, verses 2 to 4 where twelve thousands of twelve tribes were sealed: a calling and a sealing when Michael stands to deliver the Book... in a time of great trouble, and delivers the names found written in the Book.

Inside of there, Revelation 12 tells you, "And he gave the woman two wings of a great Eagle to fly into a place prepared for her, where she will be nourished for a time, and times, and half a time." [Revelation 12:14 -Ed.] And Joseph here, after he makes himself known to them, is fixing to nourish them during those days because you can't eat except you buy or sell; because the Beast has set down the mark because the Bride has gone on to Glory and they are called out of Roman hands. Is that right? You know the Message.

Genesis 47, this is the last thing, and I'm going to close with this. I'll read from about verse 12. Joseph, we know he is going to reveal himself to his brothers under that Seventh Trumpet, and he is going to nourish them for three and a half years; time, times and half a time (Revelation 12:14) after his Gentile bride is dismissed to

the Palace. The Gentile Bride is here, the famine is increasing, and something is going to happen.

This economic depression started before Joseph had dismissed his wife to the palace. We read that. Did you see that in reading? That's right. His bride was there, and it increased and got severe, and we are seeing it. And before he had made himself known to his brethren, this economic recession had started. (So, the Bride is here, He has not made Himself known to His brethren yet, but we are seeing economic recession moving in the land.) Then Joseph dismissed his wife to the palace during the time when the economic depression was spreading to all the earth, but before he revealed himself to his brothers. We see that also in the Bible.

So here in Genesis, the seed Book of the Bible, we see the Mystery of this great economic depression that is to take place in the last days. We see how it would become so severe in all the earth until it's going to bring a collapse of the financial system. This is what this portion is going to show you: how the collapse of the financial system came as the recession became so severe. And I keep telling you, they don't want to use the word 'recession' right now, but the thing is already getting more and more severe. Because it is during the time of economic recession, Joseph dismisses his wife to the palace and reveals himself to his brothers as the famine keeps getting severe.

These great things are going to happen in the famine that has started here because you know when Moses and Elijah come, they are going to shut the heavens for three and a half years. If you think they have bad weather now, nature will take a tumble then. It's already tumbling, but it will have the really big tumble because they are going to perform these kinds of miracles. You know that. "Turn the water into blood," the Prophet said, "That is Moses' ministry coming back." Is that right? Elijah shut the heavens for three and a half years when Ahab and Jezebel were in a union. And seven

thousand didn't bow down their knees, that little remnant according to the election of grace. Amen?

Is it clear to you? Are you seeing it, what I'm talking about? Good. And then, you know, you take the tape afterwards and you would have your Bible and go back; you get a little chance to go back over it. I'm just dropping in the things that I think will help crystallize it to you. Okay.

But, one of the things I want you to catch there is, here is this adopted and placed son in the days when the economic recession is going on. And he has the mind of God revealed through the decrypted Mystery of how this recession will continue to go and go, and get severe until you can't buy or sell, except you have the mark. And on both sides (for them and here), God will have to provide by a Supernatural means. That's right.

Elijah, and Elisha, with the Shunammite woman with the famine in 2nd Kings 6 and 7, and with the widow of Zarephath when that Spirit of Elijah was in the land, wasn't there a provision for people (the believers) in the time of famine? That's right. Because remember, these are called out. The 144,000, Joseph's brothers (which is little Benjamin) will be called out from Roman hands where Rome and the Jews are in a covenant.

And this shaking in Wall Street—and the Pope, this month, next couple of weeks on his birthday, the 16th of April, will be in the White House, where he will celebrate his birthday in the White House. Then he goes to Wall Street with the Jews and they in a synagogue there, and then has a special meeting with them too. And I keep telling you over and over, they used a German Pope here now because the six million Jews were killed in Germany. And the same way they used a Polish Pope to bring down the Soviet Union, this is a German Pope to woo the Jews and to say he is so sorry for what happened to them and these things.

And in this election year (historic election year in America), here the Pope goes to the U.S.A. again. And

you know over the years of *Micaiah's Seventh Seal Vision* [[1989-0722e -Ed.](#)] and *The Vatican Washington Alliance* [[1989-0722m The Coming Judgment Of Ahab And Jezebel -Ed.](#)] and all these things. And you know that's Revelation 13; that's the beast from the sea, going to the Beast of the earth (you know that also) at a time of the recession, at a time when the Mystery is decrypted, at a time when we know intercession is going to run out; at a time when all prayer is to be offered now because the Evening Sacrifice has been offered, and there is no more prayer in vials.

I know it is a lot for you, but I'm putting it in there because I don't just preach to you, it goes through the tape afterwards.

¹² And Joseph nourished his father [47:12], and his brethren, and all his father's household, with bread, according to their families.

Revelation 12:14, he nourished them for a time, and times, and half a time.

¹³ And there was no bread in all the land; for the famine was very sore, so that the land of Egypt and all the land of Canaan fainted by reason of the famine.

¹⁴ And Joseph gathered up all the money...

And Joseph gathered up all the money...

What's that? His economic policy.

...that was found in the land of Egypt, and in the land of Canaan...

When It says 'gathered up', what do you picture in your mind – 'gathered it up'? The land of Egypt and the land of Canaan represented the whole earth here because Canaan was seven different nations of people. Egypt was like the superpower in the world. And here Joseph gathered up the money because, in other words, he used food to empower the kingdom because it was the greatest commodity. Because, the kind of famine

they had, the whole world was starving and so, by an economic policy, he was able to capture all the wealth.

That is exactly what the Beast is going to do. Because this here, you are reading what Joseph did back there, but today Joseph is Christ. And Christ is... by His permissive will, power is given (I had it on Sunday), power is given for the Beast to do this, and Satan only impersonates what God does. He has nothing original. You know he has a white horse. You know he built a city on the river; Babylon is built on the Euphrates river, all these things. You know that. You know he said, "I will be like God." You know he built an Eden for six thousand years, and he is going to be enthroned as God over his Eden the same way. And he has his own Adam: the false prophet, the Pope, and he has his own Eve: the World Council of Churches. So everything God does, he impersonates.

So, watch how Joseph now,

14...gathered up all the money that was found in the land Egypt, and in the land of Canaan, for the corn which they bought: ...

By these countries having to buy this corn, Joseph was able to control all finance.

...and Joseph brought the money into Pharaoh's house.

15 And when money failed...

This is the collapse of the financial system in the great depression. They had money, Jacob said, "Go and buy." He said, "Go and buy again, lest we die." Then Joseph told them, "You all come down here. You can't be sending and buying like that, lest you come into poverty. Come down here. I will nourish you all. Because this is a policy with everything here. This is going to go on for seven years. This is already witnessed by God, and God is bringing to pass what He has spoken because God showed ahead what is going to take place."

So watch here.

14 And Joseph gathered up all the money...

And then he says in verse 15:

15 And when money failed in the land of Egypt, and in the land of Canaan, all the Egyptians came unto Joseph, and said, Give us bread: for why should we die in thy presence? for the money faileth.

The six hundred pounds couldn't buy a cookie. Remember that quote? The six hundred pounds couldn't buy a cookie – inflation. [1948-0305 At Thy Word, Lord – Ed.] Remember the ass's head was sold for so many things – and dove's dung? Yes. Remember, it reached to a place where they started to eat one another's children?

As Sarah [Nunez –Ed.] said, she doesn't want anybody to eat her, but she will be translated before they eat her. Praise God. That is why she is determined to get Rapturing Faith.

16 And Joseph said, Give your cattle; and I will give you for your cattle, if money fail.

Watch the economic policy Joseph had, how he captured the wealth, which is what Satan is impersonating here. Because bread was the most valuable commodity; the bread prices were so high now. And Joseph said, "Well since you have no money to buy this, I will take possessions. Give me those twelve yokes of oxen you have. Give me that house on mortgage." And what people built up and had for years, watch how they will lose these things in this recession. This is where it is going, friends.

There are over three million out there without...the homeless people who have lost houses. We are talking about people in tent cities, Americans; tens of thousands on the Canadian border, going in as refugees for the economic depression that is in the land already. I read these things for you. Watch. You are seeing the prices everywhere.

So he said:

16...and I will give you for your cattle, if money fail.

17 And they brought their cattle unto Joseph: and Joseph gave them bread in exchange for horses, and for the flocks, and for the cattle of the herds, and for the asses:

...

Some of them, it was their transportation. Some of them, it was their bulldozers to plough their fields. Some of them, it was their flocks that they had for meat, and for food and clothing, and Joseph started to take all of that. The State started to own it and food was being rationed out, and everybody could only get so much because the price was fixed like they always do when there is a recession.

And the Market was shaking, and now the financial system had collapsed so the people now had no money to buy and sell, and these things. They had gone into bankruptcy. People who had owned all these things: flocks and cattle and herds and asses and horses; all that started to be lost for what? Bread; for food. For food because they realized, "I have that but I can't eat it. I can't function. My life is being threatened by famine. It is best I give it up. I might live a little longer. Maybe the economy might change. Maybe this famine might run out."

But Joseph knew how many years; he knew the time. He knew it's fixed because God's Word already decreed these things just like we know what opened under the Seals.

17...and he fed them with bread for all their cattle for that year.

He had told them it was for five years again, all right? But that year after he brought his brothers down, that year... Now watch. It was no longer a famine where they could buy and sell; money had gone. Money had disappeared.

Is that coming back? Does Zephaniah 1 prophesy a crash? Does James 5 prophesy a howling of the rich men whose money becomes cankered, who heaped up treasure for the last days and it has become nothing? [James 5:1-3 -Ed.] Did God tell this Laodicean Age, “You are rich and increased with goods and have need of nothing, but you are poor?” He said, “If you want to be rich in this Age, get gold tried in the fire.” [Revelation 3:17-18 -Ed.] Is that right? And that the fiery trials are more precious than gold that perisheth, which is the character of God to come to the Throne, which comes by suffering like Joseph had. Is that right?

¹⁸ When that year was ended, they came unto him the second year, and said unto him, We will not hide it from my lord, how that our money is spent; ...

What is that? What is that saying? These are big businesses declaring bankruptcy. “We will not hide it from my lord how our money has failed. We cannot hide it anymore. We are bankrupt. We cannot function. We can’t operate. The staff has to go back home. We can’t even send them home with a little pay.” Some of them got wiped out clean.

You see how I told you the other day how they have Republic Bank... That is the world today, friends. That is the world today. That shows you the kind of security people think they have. Because you see, when you’re putting your money in *this* bank, you don’t know that *this* bank borrows from *that* bank, and *that* bank borrows from *that* bank because they don’t deal... That is their private business. You are just somebody who has an account in that bank.

But the same way they have to send you your statement, those other big banks send that bank their statement. And then that bank now tries to invest that money somewhere outside. And the men at the top who lose the sixty-something billion, and the next one loses how many billions afterwards, they are the men who

through greed brought this. And all of these little banks here are hoping that they would not fall. But you can't tell the people, who bank with you, these things. So how are you planning to go through this phase of your life?

My advice is, go through with Gold tried in the Fire. Try to move into the Channel for the Spoken Word and Perfect Faith, rather than try to depend on money from the financial system that's printed in the printery – in the government's printery or printed in England somewhere where they print the money. Because that could look like plenty today and then one stroke of the stock market, you are in the red. And especially if you have debt and you have things mortgaged, and you are living with credit cards, and you're thinking prestigious with credit cards, this is the—watch the real world here.

So, when that year ended, they came to him the second year. Do you notice how the Bible is breaking down the seven years of the famine? Two years passed, the bride's gone. Then Joseph now with his brothers and they know who he is now – Day of Atonement. And he provided a place where they could be nourished during that time. They are not going through what the rest of the people are going through. You understand? And we see from people being able to buy and sell, they came to a place where their money failed. And

¹⁸ ...they came unto him ... and said...

You see the shadow shows you how the prophecy in symbol form is happening. In other words, the Bible says, "Elijah will turn the hearts of the children back to the faith of the fathers." That is a prophecy, but that didn't tell you how. But when you go into the Book of Kings and you read the story about Elijah, how he came and how he turned the hearts, you see how the thing happened.

He said, "And in the days of the Voice of the Seventh Angel when he shall begin to sound, the Mystery should be finished." But when you go back and you see how Moses went up in the Cloud and came back out with

the Word, and how Elijah – God came to him and revealed the Word after he repaired the altar and these things, then you see how that is happening.

So when you see It says ‘The hour of temptation’, I’m showing you how it is coming upon all the world.

18...there is not ought left in the sight of my lord, but our bodies, and our lands:

From their possessions—from their money being spent to their possessions being gone, the people reached this stage now.

...there is not ought left in the sight of my lord, ...

In other words, “You already took our flocks, you took our horses, you took our asses; you took our cattle. The last time we got bread, that is what we gave up. Now we don’t have any more cattle and we don’t have any more houses to mortgage. We have no more pieces of land to sell; we have nothing else. All we have is our bodies. We are bankrupt. We don’t want to die. We want to eat.” See? “We will become slaves to the system. We are property of the state now. We are actually selling ourselves into bondage.”

19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land will be servants unto Pharaoh: ...

Go back and read, if you study the Message. Go back and read *Testimony* [1963-1128m -Ed.], *The World Is Again Falling Apart* [1963-1127 -Ed.]; hear what the Prophet said. He said, “When Rome has to come and pay off that debt for the U.S., they will own them.” The Government will sell land and people. Do you understand what I’m saying? You will become State property and you don’t even know it.

Did you ever see them sell a Company, and the workers in the Company keep their jobs but it moves to a new management? And they come and they change the uniform and they change the name and everything

else, and then they restructure your pay? Because when they made the deal, they took everybody: lock, stock, and barrel, and assets, and people and staff, and everything. Well, when you do that on an institutional level, you do it on a national level too because this is where the slave trade was. And that didn't go out of existence; that is still here today.

19 Wherefore shall we die before thine eyes, both we and our land? buy us and our land for bread, and we and our land ...

Let the musicians come for me.

...will be servants unto Pharaoh: and give us seed, that we may live, and not die, that the land be not desolate.

20 And Joseph bought all the land of Egypt for Pharaoh; for the Egyptians sold every man his field, because the famine prevailed over them: so the land became Pharaoh's.

When the financial system failed, only Egypt, which is the church, (the priests and they) and the state itself had wealth. The people were destroyed wonderfully. The people in that famine who started off with flocks, who started off with all these things, by the time it got more severe, they had no property, no money, no land, nothing. And they were slaves to the system so they could survive and not die – just enough for food.

Look how many chapters God used. Do you think God wrote that as a story; all those chapters, and in-between those chapters is the Mystery of the Bride going, is the last half of the seventieth week? Is the Mystery of the Seventh Seal and the Seventh Trumpet inside of there? Is the Mystery of Adoption and placing? Is the Mystery of the perfect Church in the last days? Is the Mystery of suffering and glory? Do you see those things in what we have gone through there? The collapse of the financial system, when? Between the Day of Atonement, between Joseph making himself known

to his brothers and the Feast of Tabernacles, the whole system will come to naught.

But the economic depression was affecting all countries before the system completely collapsed. Did you read it that way? It was in all the land; it was very severe before money failed. The prices soared. Under the Seventh Trumpet, the financial system collapses.

What did Moses do? What did Moses do in Egypt? Pharaoh's heart got hard and said, "I'm not letting any of them go!"?

Moses said, "What? You are not letting them go?"

He took water and threw it on the land. Locusts broke the agriculture industry. The water turned to blood and destroyed the fishing industry. Weevils and flies and everything; pestilence started to move; boils on everybody. Diseases started to get rampant, and plague after plague after plague filled up the land. And then God said, "I'm going to kill every firstborn in Egypt. You are not letting them go?" And right there in Egypt, Egypt's economy came down to nothing.

When Moses comes back, what is going to happen with the Beast's economy, the big system where you can't buy or sell, when Elijah shuts the heavens? Ahab didn't have food and the widow was eating three square meals every day with Elijah right there. Is that the Bible? Why? Because Elijah shut the heavens. And that is coming back, and all those plagues under Moses, and under Elijah.

Jezebel was a Gentile power that deceived Israel. She deceived Ahab and set up idolatry in the land. Pharaoh was a Gentile who deceived Israel saying, "We will deal subtly with them," and through his economic policy he made those taskmasters break them. Through the health policy he killed out all their children: once it was a male child, kill it. They started to depopulate cities. And in both places under both ministries, God ruined the economy.

And watch. By having control of the food, Egypt was able to control the world, and the people and all their possessions. Do you see how in this shadow, God showed all of this is being done by food; control of the food by the food prices; by the economic policy? Do you understand what is happening? How many remember when I told you it was organized? You hear me keep saying that.

When you remember those messages on depopulation, when you understand the hidden society—the evil society and the hidden agenda, the rulers of the darkness of this world, the principalities and the powers, the spiritual wickedness in high places. Paul was describing the kosmos, the levels of power that run this world that we live in. And the head of this world is the god of this Evil Age who is to be enthroned over this Eden.

And that's why God sent Elijah to open the Mysteries of the Book because the Mysteries of the Book were going to turn our hearts back. It was the Mysteries of the Book which were going to cause us to recognize our Day and see the evil plan, how he is going to enslave the whole world, and it's our way of escape to come out of this. Do you understand? Oh my! Isn't that the grace of God, friends?

Notice; the Book, as we read the Story, did you notice the progression? First, he pulled in all the money. He gathered all the money; is that what It said? He gathered all the money that was found in the land of Egypt; in the land of Canaan. Then after that, he started to take their possessions. After he pulled in the money, then all the property, all the stocks, all the lands and then eventually, all the people.

And look what verse 26 says:

26 And Joseph made it a law over the land of Egypt unto this day, that Pharaoh should have the fifth part; except the land of the priests only, which became not Pharaoh's.

The church and the state were the only ones who had wealth. But notice only Joseph's family were not bought and owned by Pharaoh, by the system. All the other people were owned by the system. The 144,000 will not take the Mark of the Beast. The Bible said they overcame the Beast (Revelation 15). They sang the song of Moses. They overcame the Beast and the image and the Mark and all these things.

Just like we over here are overcoming it here because the same Sealing Angel that sealed them in their foreheads, the same Angel, Michael, Who delivered the names in the Book, is delivering the names here: a calling and a sealing here for us. The same way that 144,000 under their messenger, the same way the little Bride here under Her Messenger with the Word...with the Word.

Oh, my. We have to close. The time is up but I will pick it up Sunday again and show you – information. What brought all the power in that Age? Information. That information to save the world, to capture the wealth of the world, all those different things, was locked up in what God communicated. God had shown what He was fixing to do but in Mystery. And because a 'gift' was able to unlock that and open that, it empowered Egypt to capture the wealth of the whole world, as Rome will do in this Hour. And the same way that this Mystery that is opened to the Bride has empowered the Bride so that She would be translated; would be taken out of here. It is such a great thing.

It was so outstanding to me to see intercession coming to an end, to see the sealing coming to an end, to see Mercy Seat becoming Judgment Seat, and then to find also the Bride being dismissed; all of these things happening in the economic recession. It even showed it was the second year; there were still five years to go after they came.

Think, friends. We will pick it up on Sunday. It was so... It boggles your mind how the Bible could be such

a Book that these things, when we look at It and we see these things happening everywhere, and yet in a little Story in the Bible, It is so clearly and meticulously described with such details: the progression, the way it is going to come, the effect it is going to have upon the people, the great things that are to happen in this Hour, the great prophecies of the redemption for the Bride and the redemption for Israel under the Seventh Seal and Seventh Trumpet, and where that is going to be happening in the midst of these things taking place. It just leaves you to worship Him with a grateful heart tonight.

Signs of the time are everywhere, the Holy Spirit pointing it out: *a measure of wheat for a penny and three measures of barley for a penny.* [Revelation 6:6 -Ed.] God told Jeremiah—Ezekiel rather, after he ate that Book, He said, “Now I’ll break the staff of bread in this land.” [Ezekiel 4:16 -Ed.] And what caused it? The invading powers of the Babylonian forces. And when they were taking Jerusalem, capturing them, what happened? That’s the time Zephaniah said, ‘The howl...’ [Zephaniah 1:10,11 -Ed.] And Zephaniah means ‘hidden one’. God had some hidden away.

Ezekiel was ministering to the little group called the little sanctuary. And in that hour there were all kinds of false prophets saying, “No, no! Things are going to change. We are God’s people. This is not going to happen.”

And God said, “No. I have given all of this to the king of Babylon.”

Let’s just sing this little song consciously, sing it as people hearing the Word, having the things pointed out, seeing it and knowing that these are the End-time signs, the flashing red lights of the sign of His Coming, of our Going Away. We see how it heaped up and he dismissed his bride to the palace. There was no man around him when he made himself known to his brethren, under that Seventh Trumpet.

If these things are being so clearly revealed, friends, how we ought to be searching our hearts, how we ought to be taking inventory of our lives. God is not failing to declare plainly to us His will; the Spirit speaking expressly, clearly, the Word with such clarity, with such definition; placing out the prophecy in such a way that we can see the grace of God unto us. May it bring a brand new feeling into the church.

The Holy Spirit had us there on Tuesday night with the sisters. They purposed in their hearts; no more barriers. They stood there as daughters of God. I was so blessed to see the things in their hearts.

We saw the sons of God last night, young men with conviction, desiring to walk with these Things. I would be a hypocrite to stand here and try to say something and force them into something that wasn't right. But when I could see this in the Bible so clearly, friends; I realized the love that God has for these here. I told them last night, He had them to be born and sitting under a Word like this so that they could clearly see the will of God; the plan of God. They could hear the call of God.

In that time of famine, Elijah went into a secret place by the call of God, the foreknowledge of God, and the plan of God, and he was eating hidden food. And the famine was all through the land. The Prophet preached, *Spiritual Food In Due Season*, [[1965-0718e-Ed.](#)] a type of the Church that is to be translated, feeding on Hidden Food not brought by ravens but brought by Angels in this Hour.

While the world is in famine, friends, we have something hidden, that which was hidden in the Book. He said, "I always thought those Thunders were going to be something outside the Bible." He said, "I found out It cannot be that. It was hidden in the Book."

And here, the Holy Spirit pulling the Seventh Seal, pulling the Seventh Trumpet, pulling the Third Seal, pulling the Hour of Temptation, placing It out for you, showing you these Things out of the Book of Genesis,

after we have already come through those messages from Revelation, from Kings, showing you the types. *The Hour Of Temptation Is Come...* [[1987-1231 -Ed.](#)], *The Final Hour Approaches* [[2008-0130 -Ed.](#)], *I Will Keep You From The Hour of Temptation* [[2007-1202 -Ed.](#)], *The Place That We Shall Call Jehovah Jireh* [[1984-0414 -Ed.](#)], *For This Saying* [[1981-0730 & 2008-0203 -Ed.](#)], bringing those things down. *Being Kept In The Midst Of The Economic Siege*, [[2007-1202 -Ed.](#)], *Because Thou Hast Kept The Word Of My Patience* [[2007-1130 -Ed.](#)], the Holy Spirit speaking expressly in our midst.

Do not let the Word get away from you. Hold It in your hearts tonight. And may God make It Spirit and Life; as we bow our hearts and call Bro. Bowen to pray, before we sing the song as we get ready to leave. Amen.

In this solemn moment, in this moment when you ought to be sincere, in this moment when you are praying in your heart, not just hearing him pray but as he prays, may God cause the burdens of our hearts to be gathered all around him, that he could pray as one being touched, and feeling and experiencing where we desire to be: how we desire to carry out the Word of God, what condition we desire to be in that God could just, through this Word, move us up into a higher realm, where we can see a Bride, coming to Rapturing Faith that can be dismissed from this dimension to that other Dimension, friends.

Let's unite right now, as our brother would pray. All around this building, all in the rooms everywhere, be reverent; be focused right now.

[Bro. Darren Bowen prays. -Ed.]

Oh, just praise Him all around the building; give Him thanks.

[Bro. Vin praises the Lord. -Ed.]

We thank You, oh God, for Your Light, Father. You said, "It shall be Light at evening time." We thank You, Lord. You said, "Arise and shine, thy Light is come, and the Glory of the Lord is risen upon you, and It shall be seen upon you." Oh, God, let this Light shine deep down

into our hearts tonight, Father. Truly, there's never been a day like this Day. There's never been a Light that shines so bright, oh God, to see the modern events being made so clear, to see this vindicated prophecy. Lord, It is of such great value to us: a Lamp unto our feet in this dark Hour. Oh God, it's gross darkness covering the earth and its peoples.

[Bro. Vin praises the Lord. -Ed.]

Do you know what the Prophet said? He said Gabriel came to Daniel and revealed those deep, secret Things, that's how the Holy Spirit will come to the Church in the last days. Just before the Church goes out, the Spirit of wisdom will come down among the Elect and open the deep, secret Things of God to get them ready to go out.

When you can sit and have times like these, you know this is what he was talking about. You know, 'for such a time as this, thou hast come to the kingdom'. And this is where we want to be planted, by the Rivers of Water like Joseph, a fruitful bough by the sides of the well whose branches went over the wall; who became fruitful that though the archers shot at him, God made his bough to be strong by the mighty God of Jacob. Amen. Praise His wonderful Name.

My brothers and my sisters, you who have been here this week, Tuesday and Thursday, hold these Things in your heart. I told you my faith is in you. God has put you here. Receive these Things. Your mind is alert. Your mind is not tired down through these years; no. You are young. It said, "Young men, you are strong." You like to read. You read the newspaper. You go to school. You hear what is going on. You do your little projects; they tell you, "Write on what is happening." You see what is happening in the world today. And that's why you can stand.

You are not ashamed of the Gospel. You are not going to some little 'dotish' [stupid -Ed.] church, some little old religious business; join-a-church thing. No, no. You are walking in the Light. You know more about what is

happening here than the Prime Minister and the Minister of Economics [Finance –Ed.] and these things in the country. They are talking about how they will beat the food prices when the world is heading for the Mark of the Beast.

The land is being filled with trouble because they rejected a Prophet, friends. They rejected the vindicated Word, the real Lamb of God that was introduced, and they took denomination, which is the Mark of the Beast. That's right. You know what is happening. They sit down in Parliament and carry on. Look at the kind of confusion in Parliament.

You could come in the House of God and sit down and hear the reality of the Word, in the Hour when He is getting the Bride, setting Her in order, opening the Mystery, releasing the Holy Spirit; Quickening Power to raise them up to see in reality. And your news is more up-to-date than CNN and BBC. That's right.

Don't think you are in some little thing in Trinidad in the back in some corner. Don't think that at all. You are walking in the revealed plan of the Almighty God. You have the Message of the Hour, the Title Deed, the most powerful thing there is upon the face of the Planet Earth, more powerful than the atomic bomb the Russians have, and the Americans have.

They are talking about weapons of mass destruction. This Word here, friends, is the Power to destroy every devil, to cast them into hell (that's right!) where they will be annihilated. This very Word where saints will judge Angels – "Know ye not, the saints shall judge the earth?" That's right. That's right, friends. This is what we have.

Because the Son of Man has already come in the Cloud, and He has come to the Ancient of Days with the White Wig, and He has convened His court, and He has opened His Book, and He is raising them out of dark denominationalism. And they are appearing, and they know that all of this is bringing them into a Body like

His own glorious Body in this Hour. It is not normal, friends. Don't ever think it is normal.

These are the Things in the back part of God's Mind He whispered in the heart of the Bride, the One He held close up to Him and whispered the Secrets, not the flirts. All the wise men of Egypt, all the magicians, they cannot interpret this. No, no, no. You have to see the Prophet, and the Spirit that spoke in him is promised to come back in the Bride and say what He said. And what He said and what the Bride says was already written in the Bible, and She under Her Messenger is the final Voice to the final Age. And when you hear the Word like that, you know that's not to be; you know that's happening.

When you are in the Famine, you know within two years you should go. Be ready, friends. He gave us all those messages of *The Ark, The Rain And The Dove*. [[2000-1231 -Ed.](#)] He revealed to Noah and them how they were going out. He revealed to Abraham, "In the next twenty-eight days, I'm coming for Sarah."

Watch in the Bible. You watch in the Bible in the Book of Genesis where time is revealed and see if you know your Day. And then watch and see—I didn't get to read It for you tonight. Yes, I could take two minutes and read It, but I wouldn't read It.

But he said, "When this pressure comes down and laws begin to be brought in, as they enact principle into law to increase the pressure," he said, "during that time, the Lamb will come for the Bride. The Jews will be trapped. The Bride will not see the man of sin come in. She will go before that time. But She will see the forces of Babylon, how they're taking the world, how the Fourth Beast is destroying wonderfully; how he caused craft to prosper, how he took the kingdom by flatteries, and how he is destroying today by peace."

They will see these things because Daniel heard the Thunders and John heard the Thunders, and the Book of Daniel and the Book of Revelation are being revealed.

Oh, praise His wonderful Name. Hallelujah. Just worship Him tonight; just give Him thanks. You can't be hearing the Word and sitting like this, and you are lost like *Alice in Wonderland*. Worship God, (amen, hallelujah!) because, for two thousand years, they wanted to see these things, and it's right in your midst passing through you, friends. Glory be to God in the Highest. Thank You, Lord. Thank You, Lord.

I want to change that song, *Oh, Lamb of God, oh Lamb of God* (let us sing this song); *I love this Holy Lamb of God*.

[#904 Songs That Live -Ed.]

CHORUS

Oh Lamb of God, sweet Lamb of God
I love the Holy Lamb of God
Oh wash me in Your precious Blood
My Jesus Christ the Lamb of God

Oh, sing it again: Oh Lamb of God...
...*sweet Lamb of God*
I love the Holy Lamb...
...*Holy Lamb of God*

Oh, wash me, tonight. Take away all defilement as I see the hour so late. I want to be clothed in a White Robe, dear God.

My Jesus Christ the Lamb of God.

Your only Son, no sin to hide...
...*no sin to hide*,
But You have sent Him
from Your side.
Oh, to walk upon this guilty sod
And to become...

The Lamb is still breaking the Seals, friends, still breaking It. Hallelujah! Oh, worship the Lamb tonight. Death cannot strike us because of this Lamb. No sin is imputed to us because of this Lamb. God sees us perfect

because of this Lamb. This is what Elijah introduced to us: the Lamb of God that takest away our sins.

...Jesus Christ, the Lamb of God

I was so lost, I should have died

...I should have died

But you have drawn me to your side.

To be led by [oh] Your staff and rod

[the Word in the hand of the Prophet, amen.]

...to become a Lamb of God

Oh, lift your hands and sing. Worship the Lamb. In Heaven, they were worshipping the Lamb. Hallelujah! On earth, they were worshipping the Beast because their names were blotted out of the Book. But those whose names were in the Lamb's Book of Life were worshipping the Lamb. Hallelujah!

... thy precious Blood

... Jesus Christ the Lamb of God.

Your gift of love, they crucified.

They laughed and scorned Him... [Hallelujah!]

The humble King...

[Oh, they put a crown of thorns on Him.]

...they named a fraud

And sacrificed...

But to us, He is precious tonight. To us, He is truly, King of kings. To us, He is worthy, worthy, worthy, worthy, worthy.

CHORUS

Oh Lamb of God [tonight], sweet Lamb of God.

Oh, I love this Holy Lamb.

Worship Him all around this building, wherever you are. Break through, tonight. The Holy Spirit, friends, could do things for you tonight. The bleeding Word, this Bloody Lamb tonight could break every molecule of sin,

can drive away everything that is hindering you, tonight.

Oh, Your only Son, no sin to hide.

But You have sent Him...

And we have received Him. Hallelujah! We embrace Him tonight. We take Him into our hearts,

To walk upon [oh] this guilty sod

And to become... [A Sacrifice, friends]

...the Lamb – the Lamb of God!

You needed a Lamb and I needed a Lamb. We got the real Lamb, not an animal lamb, the real Lamb with seven horns and seven eyes. He can break the seals around the book of your life (amen!) and open your mystery about your life to you, as He did to the Prophet, and you could walk out of your cave (hallelujah!) a new creation; old things passed away to face the world as an overcomer in this hour.

...the Lamb of God.

I was so lost. Oh my! He took me from the rubbish heap of the world. He reached down His Hand for me. That's why I love Him, so. That's why I stand for Him. That's why I want to live with every breath for Him, tonight. Hallelujah! Hallelujah!

And to become a Lamb of God

CHORUS

Oh, lift your hands and sing:

Oh, Lamb of God, sweet Lamb of God.

I love the Holy Lamb, [tonight]

...the Holy Lamb of God,

Oh, wash me...

Wash me, Jesus, with Your bleeding Word tonight. Make us a glorious Church without spot and without wrinkle, Lord.

...a child of God.

Oh, Lamb of God, sweet Lamb of God. [Hallelujah!]

I love [I love!] the Holy – the Holy Lamb of God!

Oh, wash me... [tonight. Wash us tonight, Lord, in this precious, bleeding Word tonight.]

My Jesus Christ the Lamb of God.

Your gift of love...

That was His love. God so loved that He gave.

...they laughed and scorned...

They still do it today, crucifying Him a second time.

Oh, but the humble King, they named a fraud.

But we know He is the Way, the Truth, and the Life tonight.

...and sacrificed the Lamb of God.

Worship Him tonight. Sing to Him. Give Him your glory. Surround Him in your praise. Lift His Name up. Rededicate your life to Him. Make yourself available to Him. Let Him become your, All in all tonight. Turn your back on the world. Plant your stake down tonight. You determine...

Let Him give you Power to overcome in your trials. Let Him slay every Amalekite in your life. Let Him take the sharp knife and circumcise tonight. Just ask Him tonight. Just worship Him. Just believe it. Just believe it, children. Little ones, believe it tonight, as you will just sing to Him. Praise Him. Lift your voice and praise Him. He will bless you. Amen. He *will* bless you! Hallelujah!

Oh, wash me, wash me... [Lord]

My Jesus, my Jesus...

CHORUS

Oh, let the sisters sing:

Oh, Lamb of God, sweet Lamb of God. [Hallelujah!]

I love...I love this Holy...Holy Lamb of God.

Oh, wash me...wash me in His precious Blood.

My Jesus Christ...

Oh, brothers, let us sing it, too: Oh, Lamb of God.
Hallelujah! Hallelujah!

I love the Holy Lamb of God

Oh, wash me in Your precious Blood

My Jesus Christ, the Lamb of God.

And all together, one more time: Oh, Lamb of God...

Oh, Lamb of God [hallelujah], as my brother comes.

...sweet Lamb of God

I love the Holy Lamb of God

God bless you; fill your heart tonight. Amen! Let it
burn down deep. Empty out; yield to Him. Ask and it
shall be given. Seek and you shall find. Blessed are they
that hunger and thirst, they shall be filled!
