Excerpt:

Right now the ozone hole is becoming greater and greater, the heaven, the firmament, being departed as a scroll. It is to be torn apart and solar radiation is going to start to burn up the people on the earth. We'll get in that tomorrow... we could get in it tonight when we strike that Fourth Vial; poured a Vial on the sun too and scorched men with fire. Because that ozone layer is what was keeping out all those harmful ultraviolet rays and those things. But it's being destroyed by what? All man's scientific inventions are destroying it.

And then those meteorites are going to strike the earth (amen) – meteorite showers. And we said that back in Eden, Adam never had to worry about those things. They're saying right now millions and millions of meteorites strike earth's atmosphere and they're reduced to dust by friction every day. But they don't come in because we are shielded; we are protected by the atmosphere. But here now we're seeing that atmosphere is being destroyed, and the Bible shows the hour is going to come when it will depart like a scroll. (Page 39)

BRO. VIN A. DAYAL

*There's never been a light that shines so bright
As this day, this glorious day*

Oh, let's lift our hands and praise Him for that Light, this marvelous Light that He has called us out of darkness to walk in. What a fellowship we have with Him as we walk in the Light, knowing that His Blood cleanses us from all sin in this hour bringing us to a perfect, rapturing faith. Hallelujah!

Glory and praise be unto Your Name tonight, Father. We give You thanks; we give You praise tonight. Lord there has never been a day like this day. This is the day that all the prophets, all the wise men desired to see Lord, Oh God, but You by Divine grace have foreordained us that we should be living in this day, that this great Light, this great Divine revelation, Oh God would come unto us Oh Lord, Lord God to take us back to Eden. We thank You Oh Lord, to know that we are walking in that Light tonight, Oh Lord our hearts Lord, striving Lord, Lord God to stay in the Bloody footprints, Lord looking unto You, the Author and Finisher of our faith, that You would lead us all the way home.

Oh God, may You bless our gathering tonight as we have come into Your gates with thanksgiving, as we have entered into Your Courts with praise, as we lift up holy hands unto You. Oh God, we confess our sins and our shortcomings, yielding ourselves to the Holy Spirit that You could have Your own way amongst us tonight, that Lord You could speak from Your excellent Glory, Oh God You could make Your will so plain unto each and every one of us, that You could bring Your Church

into readiness Lord, Oh God that You could bring us into such a total deliverance Oh God, in this hour.

Oh Lord we have come believing these things, knowing that this is what You desire for us, and this is what has been our heart's desire Oh God, in this hour. So Lord we pray that Your Holy Spirit would just have His way amongst us tonight, and Lord God You would just speak to each and every one in such a way Father, that it would just bring us right up into your Divine Presence, Thy will could be done on earth as it is in Heaven. We pray and we ask these things tonight, in Jesus' precious Name and for Your sake, amen. Can we all say, "Amen." Blessed be His wonderful Name.

I would like to invite your attention tonight to the Book of Genesis and also Revelation. Genesis 1. I want to tell you something a little different tonight. Time just goes and we have a couple more services and we haven't really begun to get into this the way we would like to, so we have to kind of 'snowball' everything together now.

Genesis 1 (I'll just read a little part from yesterday, what we had there), verse 20. Amen. This was back in the beginning in the faith civilization when God created and set everything in order by His Divine Word.

20 And God said, Let the waters bring forth abundantly the moving creature that hath life, and the fowl that may fly above the earth in the open firmament of heaven.

21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after its kind: and God saw that it was good.

22 And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let the fowl multiply on the earth.

23 And the evening and the morning were the fifth day.

And also Genesis 2, verse 9:

⁹ And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil.

¹⁰ And a river went out of Eden to water the garden; and from thence it was parted, and became four heads.

And Revelation 16, verse 4:

⁴ And the third angel poured out his vial upon the rivers and the fountains of waters; and they became blood.

⁵ And I heard the angel of the waters say, Thou art righteous, O Lord, who art, and wast, and shalt be, because thou hast judged thus.

⁶ For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for they are worthy.

(or in other words, 'they deserve it')

⁷ And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments.

Let us pray. Our gracious Heavenly Father, as we endeavour one more time to approach Your sacred Word, Lord looking forward that Your Holy Spirit would open up the Scriptures and inspire them to our hearts, that it would cause us Lord to see the lateness of the hour that we are living in, even to recognize the grace You have given unto us in this hour, to save us from the wrath of this wicked and untoward generation.

And Lord, seeing dear God, Your Holy Spirit being amongst us, Lord how we want to be ready, how we want to put aside and lay aside all sin Lord, all uncleanness, all worldliness, Lord to see a Bride, a Church without spot or wrinkle, Lord in a rapturing condition.

It could only come by Divine revelation of Your Word. It could only come Lord by the people being convinced that this is the hour that Your Coming is being revealed; the Bride is being taken up. Oh God, I pray that it will break forth upon our souls with such reality that Lord it will bring a total separation from all unbelief.

And if there be strangers and visitors amongst us, may the Word of God strike their hearts with such conviction that Lord they would see the lateness of the hour and they would recognize the provided way for this day, and would move into it Lord with sincere hearts that Lord You could manifest Your Word unto them Lord and bring deliverance unto them that seek Thee.

Grant it, Father. We commit the service into Your hands now, asking Your Divine leadership and direction in all that we would say and undertake to do for Thy Glory. For we ask it in Jesus' Name, amen.

God bless you; you may have your seat.

You know, in our little title that we have been having here, **“THE REVELATION OF THE SEVEN VIALS PT. 3,”** and this is a little series that we have been taking here in the church on these last Seven Vials of the Bible, which are really dealing with the judgment of Almighty God, and it's nothing new to us to know that we are living in an hour of judgment but, you know, many people they fail to realize...

We were just speaking to a man just last week and he was telling us about how the Holy Spirit was working in his life and he has been...since he has been saved and have the Holy Spirit, a fine man, seemed very sincere but just not having a Divine revelation. And, you know, he was telling us that he doesn't believe that Jesus is going to come, that he was going to live his life and... He did not believe the Lord was going to come but he was sincere enough to say that he hadn't really looked at the prophetic part of the Word to see what the Bible really says and he was so...

What I should say, the things that he was looking at, to try to speak some of the deeper things to him, it would be so strange, it would be like speaking Greek to him really. But for some people, you know, they fail to realize that all these things that we have been looking for and maybe expecting to happen, we have in our minds that they are somewhere way down the road, it is just because we have failed to recognize these things all around us in amateur form.

And that is what the Holy Spirit through the ministry of the Prophet brought so real to us that when he was here upon the face of the earth and was showing us that the Gentile Age was coming to a close; mercy for the Gentiles was going to be taken away and judgment was breaking forth into the earth; the Gospel is fixing to go back to the Jews, all these things...

Even the religious world, they couldn't recognize these things, they couldn't relate to these things, and that is why the Message was turned down. If they had seen in reality the lateness of the hour, they would have repented. But they couldn't see it, they...all they could have seen were the signs and the wonders and from the time the Prophet laid aside the gifts to go to the Word, they thought his ministry was washed up. But they failed to realize that it was only to attract their attention to get them ready for the Word.

But Bro. Branham speaking there was beginning to identify to us that we were living in an hour of investigation judgment. And the very things that were happening in his ministry was God judging the quick and the dead. His appearing was being revealed. Many people didn't even know that He had appeared in these last days, but this is what he was trying to identify to them. He said, "I have come back not so much to lay hands upon the people but to get them to recognize that Jesus Christ is present."

And he would try to bring those messages, *There's A Man Here Who Can Turn On The Light, Then Jesus*

Came, and begun to show all these things, that *A Greater Than Solomon Is Here, Recognizing Your Day And Its Message*. He was bringing something to the people to get them to recognize that the Presence of the Lord was there. He said that He was right there in another dimension, just like television, trying to get them to see that Angel of the Lord, that Pillar of Fire, was the same One that came to Paul, was the same One that appeared to Moses, and that was none other than Jesus Christ, that Moses bore the reproach of Christ. Amen.

But people, they were so veiled with the traditions of organizations; they were taught the Scripture a certain way. And he said that was going to be the problem that the last day messenger was going to encounter because the people had been taught the Scripture a certain way.

We realize that that has been the problem in the Message. Many people come over in the Message with a denominational hangover of teaching the Word and they teach the Word in the denominational way.

So people sat down right there and they kept looking back into history – “God sent a prophet” and all these different things, way back into the historical part, and then they failed to recognize and it was hard for them to accept and they had to wrestle with their conscience when the Word would be identified in the present tense, that many people because of a lack of spiritual discernment could even understand that it had to be like that, that truth could not be presented...there can be no real identification of the truth if it is not being spoken in the present tense. As a matter of fact, it even separated those who had the Holy Spirit from those who thought they had the Holy Spirit.

And it being such a thing, you find that here we are at the end of the Age and everything is closing in and that investigation judgment, the Pentecostals and them never identified it, Luther never identified it, Wesley never identified it, because there was no investigation

judgment there. But when it came back like Revelation 10, when it came back like Genesis 18 – as it was in the days of Sodom, when God came down to investigate before he destroyed the world.

And that is why He showed the sign; He identified the sign that it was the scriptural sign of the time. It wasn't just a sign, it wasn't just a gift; it was a sign identifying that the world was fixing to be burnt with fire. It was the sign identifying that the Bride Body was fixing to be changed (exactly right!), that the people could be placed right there knowing what to expect.

But when those things were being placed in the Scriptures, people before they recognized their position, before they recognized where they were, they began to try and manifest the gifts. They were looking at the Pentecostals and saying, "Remember they have this, they have that," and they missed the whole thing. But what he was identifying was that we were in an hour of investigation judgment. And because even the scientific world never even recognized a vindicated Prophet, they couldn't even accept that those UFO's were investigating Angels of judgment.

They sent it to people in the Kremlin; they sent it to people up there, astronauts and everything; people came around to find out what it was. They tried to send out messages into outer space to reach another planet, to see if another civilization would respond, that maybe coming from another world or something, because they have failed to recognize God speaking through an ordained office by a vindicated promise for this hour that He had promised thousands of years ago, and He had come in this generation and was fulfilling and keeping His promise exactly the way He said it.

And that Prophet went to the Bible and took pains, took hours trying to lay it out to the people, staying faithful to the Word and God would confirm it before the eyes of the people. When you think...like us today, who were not there but heard it on the tape, saw it on the

film and believed it, what do you think is going to be left for the people who sat there and turned it down? By the very fact that you have people who stepped forth and believed it and recognized it to condemn those people who sat there and turned it down. All it takes is a sincere looking back to see what happened in the time of Jesus after He was turned down, after He came to that time. Remember what happened to the people in the days of Sodom after they turned it down...what happened.

But here we see a prophet in the Bible is always a sign of coming judgment. And the judgment of God, the wrath of God, the righteous judgment of God in the Bible, is filled up in Seven Vials, and the Vials just speaks about the plagues that God used to bring judgment upon the people. And God has never sends judgment without first warning the people. And a prophet is a sign of oncoming judgment bringing a warning to the people so that they could escape the wrath of God that is fixing to be poured out.

When you watch in the Bible in the days of Noah, Noah was a sign of oncoming judgment. Abraham was a sign of oncoming judgment. Amen? Moses was a sign of oncoming judgment for Egypt. John and Jesus were signs of oncoming judgment for Israel. A prophet was always a sign of oncoming judgment.

And God showed that it is not a pastor, it is not an evangelist, God showed and identified that this was a major Prophet with "Thus saith the Lord," with the Word because he receives it from God and when he speaks it, God vindicates it to prove that it is not the man or idea.

And if the man is a prophet, he cannot get tied up in the church world. He will not get tied up with the church world because Noah was outside of the church world; he didn't get mixed up with it. Abraham was a prophet outside of Sodom and the world there. Is that right? Sure. It was always a one-man move.

And then, while those things were going on and being identified to the people over and over ... it was identified all through the Bible, to show them that it was something scriptural, and like Jesus said, "Heaven and earth will pass away but the Word cannot pass away."

Then we find out that finally the time came for the Message, after all those signs identifying the Presence of the Holy Spirit so that no man could do those things. God was doing things in a realm that a human being could not do. How could a human being tell somebody, "Hey, you are from Sweden," and tell them what their name is, what their telephone number is, what their past life was – "25 years ago you did such and such," no man could know those things. It showed that this man was linked up with omniscience. This man was receiving this from God.

And then he showed in the Bible where God promised to do that because the hour had arrived when these things would come to identify to the people that we are in the last generation. Amen. And these things were clearly being revealed and vindicated so that the Church was not going to be left without understanding. Amen.

Then God, giving the Prophet so many signs and different things, we find out that God who showed signs in the heavens when the moon went into eclipse, but here it was, it came two years after. He had sat there and preached those things and taught those things to the people, and taken it from the scriptures, and the Pillar of Fire came and wrote it right before over 400 people sitting there, the Angel of the Lord, the Pillar of fire drawing those things exactly the way it was drawn; they sat there with the physical eyes and didn't see it. There it was. You are talking about almost 2000 people didn't see the Pillar of Fire.

Then the Pillar of fire was photographed, and someone said, after they had been told for years, "There is a Light here; that is why he knows those things. There is a Light hanging over that person; there is a Light

there.” But nobody could see It so they never believed It. The God had it to be photographed, and they thought it was maybe someone retouched the negative, touched the photograph or something. So they took it to the FBI, and the examiner of questioned documents took it and went in and proved it was authentic – the Light struck the lens.

And God made it so phenomenal that the other six shots that were taken before that seventh one were all blank. Yet they had to sign It and declare It to be authentic and then It hangs in Washington D.C. today as the only Supernatural Being ever photographed and proven.

Then after those things, you see God coming and letting the people see. Then after this photograph began to appear publicly, other people could see, pause and stop right there and see the Pillar of Fire with their eyes! Some of them knew that this was not something that was just springing up. And the Prophet was going back to the Bible. He said, “Look in the first exodus. Look in the second exodus when He appeared to Paul; he saw a Light brighter than the noon day sun. Look at Moses; he saw a bush being burnt and not being consumed.” He said, “That Light leading them was none other than the Angel of the Covenant.”

What was it? It was God giving a sign of judgment coming in. Then God showed the thing in the skies, how the blackout and all these things, the moon being blacked out. Afterwards, it was being taught in the pulpit in the message called *Shalom*. And so gross darkness is upon the world; Isaiah’s prophecy is coming to pass.

He said, “What is forcing the churches to come together? You see that ecumenical move going on there; they are all being pushed together. They are all being formed into the image of the Beast.” He said, “What is causing the darkness to conglomerate together? It is the coming of the Son!” Then he declared, “It is the breaking

of a new day.” Now that is whether you want to believe it or not, but a vindicated Prophet took the Bible, the Pillar of Fire, a Supernatural Sign, and stood there and said, “It is the breaking of a new day!” He said, “We are in the go-between.” And he said, “I say unto you – Shalom! Good morning little Bride.”

He said in the message, *The Coming Of The Great Light* “Paul and all of them looked for it looked for that promise of a new body, for it is given in the Word. They were preaching about a promise,” he said, “but this is the thing, it is breaking out between mortal and immortality, between a dying world of corruption and a bright new, shining day. We are in that hour and the rapture has begun. The little bride is being lifted off the earth.”

The Holy Spirit (amen) is searching... is picking up those elected ones, finding them where they are. Amen. Brother, the whole world is in darkness, being taken up in the system, yet that little Bride is walking with a revelation in her heart that nothing could take it away, brother a faith to overcome this wicked world. Hell is coming on the world; it is a nightmare to live here. The fifth dimension is coming here but there is a Bride with faith (Amen!) with a testimony that He is the same yesterday, today and forever. Amen! Believers... look ordinary.

Brother, there is God in Trinidad dirt, there is God in American dirt, there is God in Canadian dirt, there is God in German dirt; it is God in His people (Amen!), God’s attributes being expressed in flesh because God ordained them for this hour(Amen, my!), a light in every Age.

Every time God speaks something for a certain generation, God put people there to quicken that Word and make it alive. God inspires the Word for the hour to them and something in their hearts, brother no matter where they go, no matter where they walk, no matter what they see, something in their heart zeroes them back to that Word because they are the Word

predestinated to the Word written for the hour. There is a faith in them to take that Word and anoint It, and pray about it and expect It and exercise in It. Amen! And whether the Word says I see it or not, they know the Word is coming to pass in their own lives, like it was in every generation. Amen.

Now let me tell you, if you are a real believer with real revelation, you have power. Amen! 200 million supernatural devils cannot shake you from that Word. There is something in your soul tying you to "Thus saith the Lord." Amen! All the intellectual voices in this Age cannot shake you from a revelation God put in your heart. You know what part of the Word you are. He said, "You have heard from your theophany." No man educated you into that. You heard from your theophany. Amen! Nobody held your hand and led you in the Message. God, the Holy Ghost, came and quickened that seed to life.

That is why God's children are free-born. That's why God's children cannot stay in confusion and locked up in darkness. There is something pushing that lily (Amen!), pushing out of the mud, pushing out of the muck because she is not ordained to live there. No, sir! She is ordained to live victorious in this hour. Amen! This is the hour that He is showing forth His victory and the reason of His death. Amen. It's that hour. Amen.

And while they stay back there wondering if the seven ... if the six Seals is the moon went dark or if it meant investigation judgment or if it meant when he was discerning the hearts and turning his back, that the Gentile world was fixing to be burnt with fire, while they were debating that, God came and took the very Word, had the priest to hand the Prophet the Book. Do you understand what I am saying? While man was trying to figure out - "That means that? I am not too sure. I didn't see the lesson when he said that. I don't understand it that way."

Let me tell you. Here is a man walking into a service normal as ever. It showed God was moving on whether the world believed it or not, whether the church world believed it, whether the ministers agreed or not, God was moving on. Sometimes we care too much what this one thinks and what that one...who are they? Amen! If it is not of God, God has nothing to do with it. Amen. You don't have to worry what this one said and what that one said; it is what God said about it. Amen! Hallelujah! This one does not believe and that one doesn't see it like that. Brother, if your faith is in contact with it, it will push you up over that unbelief and you'll move on by the grace of God. Amen! Yes, sir! My!

That is why this Bride is going to overcome. She is ordained to do it. These things are not going to keep Her back. No, sir! She sees the revelation; She sees it breaking forth there. Brother, faith, virtue, knowledge, all these things inside of that Bride, the very literal life of Jesus Christ, the life that was in the Prophet revealing those things inside the Bride, understanding those things, walking in those things, seeing those things. Amen! Brother, it is taking Her on to a new body (My!)...taking Her on to a new body. She sees these things coming. Like Enoch brother, walking with God (Amen!), She sees all these judgments fixing to break forth on the earth; She sees it coming.

Some people, they are still here in 1989 and wondering if judgment is really coming: "You know, we are in the Message." You don't believe the Message. When the rock was thrown up in the air, he said, "It has started on the earth." God said it, the Prophet said it, God vindicated it, forget the unbelievers. Let them debate. Amen! Paul said, "Don't get yourself mixed up with debaters; you go with the Word!" God said it, you believe it. Amen! Yes, sir!

Brother when that rock was thrown up, you see right there, the fire came down from heaven. Why did God do it that way? Because it is written that way in the Bible.

There on the mountain there...he stood there and those brothers went to hunt and so on, but right there that whirlwind came over the mountain. He told them the day before, he said, "Within 24 hours you will see the Glory of God. Something is going to happen." God told him to pick up that rock and throw it in the air; he threw it in the air by instruction...obeying instructions.

God was going to give him the Scripture afterwards, how Moses turned water into blood. Is that right? Sure. It was laying in the Bible for him. But he obeyed instructions, and that's the thing with a believer. God talks to you and you get moving right away. Yes, sir! You don't wait around and wonder and reason. No, sir! God speaks to you, you get moving (Amen!). You watch that Word begin to open up and unfold Itself to you.

Brother, he went there. The next day that whirlwind came, whirling up the mountain, a whirlwind of fire. He told those brothers, he said, "Bro. Roberson." He said, "Get down there. You run quickly." He said, "I don't know what's going to happen." He said, "I know what is going to happen to me but I don't know what is going to happen to them." Amen. Brother, men went diving under different things. All of them were sons of God (Sure!) but brother, God has some strange ways that we can't even understand. Amen. My! See?

And then we find when that whirlwind came there, it cut down the mountain, cut down the trees, made three blasts. Oh in his heart, when he heard what it was, he didn't want to tell them. They asked, "Bro. Branham, what does that mean?"

He said, "Oh, God appeared in the wind." He said, "I did not know whether to tell them or not." He said, "I went to pray and ask God, 'God, should I tell them?'" The Holy Spirit said, "Tell them!" He said, "Brothers, those three blasts..." He said, "You heard the thunders; I heard the Words." Amen. It was saying, "Judgment striking West Coast. And it went westward." Alaska almost sunk.

Right there under that Seventh Seal, under that Seventh Vial, under that Seventh Trumpet, it said, "And lightning, thunders, voices and an earthquake..." That is exactly what went forth under the last Messenger. Mercy had been spurned on a Good Friday. Is that right? He said, "Another Good Friday, when Jesus Christ was crucified again." Look what is happening; look what is moving here in the earth.

1965...a few months later, and the Holy Spirit walked into the meetings in Phoenix; brother, right in the platform, going there with his Bible, something made him pick up the new Bible that morning. The Bible was bought and laying there; he never had used it. But that morning, when he was preaching *Birth Pains*, when he was showing that 'woe, woe, woe,' (amen) to do what? To bring forth a new world, a new civilization. Amen.

Those three woes were in those Seven Trumpets. And he wanted to bring that message way back there in 1964, and the Holy Spirit said, "No." But he was seeing things moving afterwards and he thought that maybe, "I am feeling so led to preach these Vials." He said, "I am going to bring these Vials because I see the Trumpets in the Vials too so when I preach it, it will all come together." He said, "It is a great cluster; it is all lying inside of there." And we went through those things; we showed those things already. Amen.

But here he was there in Phoenix that January (1965) and still out there preaching the meeting. And then after he left and was going home, it burdened him. Why did the man hand him the Book? Why did the page stick? He could not understand what was going on. He said, "As clear as you hear my voice, it came thundering out of heaven." It showed that it was not coincidence. It showed that it was prearranged by God. It showed that there was a Scriptural meaning to it. Is that right?

The next day he came back and preached, *This Day Is This Scripture Fulfilled*. He went right back now to the Scripture and showed that that third Woe, the day of

vengeance was coming, and God sent Elijah before the great and terrible Day of the Lord. Is that right? Sure. He said that the day of vengeance, that is this part here, this Second Coming. My.

And Brother, not even knowing that those things were not going to stop there, within a few months again, here he was in California now. And that Voice thundered out of there with the message, *Choosing A Bride*, and put judgment on the West Coast exactly where it was going when it came in the whirlwind, exactly according to the Scripture, exactly according to two weeks before when he preached, *It is the Rising Of The Sun*. And He turned that picture and said, "We were looking at this the wrong way all the time." He said, "Look what it is saying. Look what is being revealed there."

Let me tell you, we could go on and on and on and show how he went to the Bible and proved that mercy had been spurned and the next thing to come was judgment. He showed it all the time. He said. "I never had the Message all the time. What was spoken at the river, I went forth with healing the sick." He said, "I went to win the people's affection, getting them to love me, so that I could come and bring the Word and they would obey me afterwards." Sure; God always works that way. Amen! "I caught their attention, let them see the move of God, let them recognize that that was the Presence of the Holy Spirit." They got blessed by it. They got assisted by it. Then God began to tell them the harder things also: "Do that, do this, do that..." Amen. They could line up and do it now because they knew it was God. "If you get the people to believe you..." Amen. My.

And then you watch and see how those things went forth. And Brother, he knew then it wasn't going to be long and all kinds of things were going to be coming out. And he began to bring those messages, not maybe realizing at the time, but when he came back from Africa, God was fixing to take him off the scene. He came

back in July 1965 and he came back there and he started out those messages, *Ashamed...*, how he was feeling so led to come and preach those Seven Vials.

And he kept speaking about it and said, "I want to get those things and show you those hideous things that are coming on the face of the earth." Right down to *Leadership*, you hear him cry out in his prayer. He said, "Oh God, we see the world moving to insanity. Those hideous sights are coming." He said, "Bring them back to the sane mind of Christ." Amen, "Bring the people, Lord, to a realization of eternal life and of this insane age that we are living in." Is that right? Do you see it?

He said, "I want to get my tent together somewhere and have the meetings there and get those Trumpets and those Vials and show you what is coming." Because when we see what is coming, we see what God is doing now. We see why the Seven Seals opened up. It was to get us out of here. We see why those Seven Thunders pulled the Bride out quickly –'Come out of her my people,' because her plagues and her sins have reached up into Heaven. "It is time for her judgment. You get out of there quickly. I am going to destroy that thing, when I wipe it off the earth." My.

And that is why I say in preaching these things...my inspiration in preaching these things is that we are going to put away all foolishness. We are going to...all the delaying, we hang back and we reason and we come along slothful and all these things, we are going to lay these things aside (amen) completely. Amen. And where we have failed to show our appreciation for the grace of God, not realizing what was already starting in the earth and coming on and swallowing up the earth...that darkness was taking away everything.

I remember in 1984 we took the darkness and I showed you what that darkness was. Because the Scripture says, 'When the enemy comes in like a flood...' There was a flood of demon powers – chains of darkness. Amen. He said, "You are not children of the

darkness of the night. You are of the day!” He said that in the New Testament, there are only two sets of children: children of obedience and children of disobedience. And the wrath of God cometh upon the children of disobedience. He said, “Disobedient to what?” The revealed Word of the Hour; that revealed Word coming forth to you, night after night, night after night. He is bringing that Word to you, speaking it to you, showing to you what it requires of you, showing to you what pleases Him, showing us how we ought to line up in this hour, showing us what is coming, showing us to make haste. Amen. We must apply the Token in desperation. Amen.

When the Seven Seals revealed the love of God to us, that ought to get us desperate. He said, “Don’t wait until a state of emergency comes.” Amen. But the thing is, if they don’t have the Token to examine it, it will go right through them, because they don’t know what they are looking for to begin with. They have to wait and see something with the natural eye. But the Spirit of Divine revelation sets you on the move.

Noah being warned of God of things not seen and yet by faith (Is that right?) prepared the ark. Before he saw anything, it was already built and his family was shut in (exactly right!), by faith, by revelation. And when we see those things moving in like that, how that ought to put us into desperation. Amen.

Now, as I said, he came back and he wanted to bring those messages. And I just wanted to read one or two things here for you. He said in *Ashamed* [1965-0711, paragraph 103 -Ed.], page 15: “*So we will set up those Vials and those Trumpets, and I want to place them in. I told you I would. They come under another thing. So does the Vials come over, the sounding of the Trumpets; but we want to take the entire course right straight through, and bring it, tie it in together.*”

Amen. Because, you see, he knew redemption and judgment go together. We took it last night all down

through the Bible. They always go together. And if people are being sealed in now, rejection of the Seal of God is the mark of the beast. The punishment is going to come later on (amen) because there is a time coming when 'he that is filthy will be filthy still; he that is holy will be holy still.' And when that door swings shut and the Bride will give a testimony to them that are lost. The foolish virgins, they are saved now. They are already saved and being saved. Amen. He said that in the tribulation they will be purified; not saved – purified. Let's get the Message right. Amen.

So I believe many people here are saved. Being in the Bride is God's business. That is why a person with a revelation will never be fighting people – you can't see this, you cannot see the other...because there are all classes of people. Being the Bride – a man chooses his wife. You can't choose God's Wife for God; God already chose His Wife. Amen! Yes, sir! My. People are going to get eternal life for good works – "What is done unto the least of My brethren, it is done unto Me." No man shall lose his reward." All those things are in the Bible.

Long ago, you had a revelation and you wanted to fight down somebody and call them the serpent's seed; they can't live the Bride's life. But now you know differently. Amen. Now you know differently. We are all part and...go on. Amen. Do your part and go on by the Grace of God. When that time comes, brother that door would swing shut. The Holy Spirit is going to give the witness to those (amen) who have spurned mercy, who have rejected. And we took that how rejection could be a very, very, subtle thing. Sometimes a man is rejecting the Word and doesn't know that he is rejecting the Word.

In *What Shall I Do With Jesus Called Christ* [1963-1124M -Ed.], he said that Pilate did three things. Pilate, you know, he kind of got rid of the Word, throwing it off onto somebody else. He said, "I don't want to get involved," so he sent Him over to Herod; "Let Herod

make the decision. They are trying to involve me in something. I'd rather keep my reputation, keep my job, keep my this, keep my image." Is that right? But he said it backfired; it came right back into his hands. Then he had to wash his hands now. And he said, "Well, I am going to wash my hands and whatever happens, I am not going to be blamed. These priests and this Man have this quarrel." But yet he still turned around and passed the sentence. He went insane and then he committed suicide.

And the Prophet shows in this insane age –rejection of the Word; the world is going to go into insanity. Is that right? Sure. And those things...you are already seeing it. And we are taking those things...the kind of insanity, it makes you wonder. You think that maybe somebody is just talking out of one's mind but you just listen to some people talk; really, they are talking out of their minds. Because the only way you know that they have a sane mind is by His Word. You know, sane is somebody by the Word. Exactly right.

As I say, you know, they put "Smoking is going to give you cancer. It has been proven so and so...the Surgeon General." They put in on the box. And it is selling more now. And they are still selling it. So! And the person who put it there is smoking too.

The Prophet said that if long ago a woman walked around in her underwear, they would have locked her up for indecent exposure. Today, it is fashionable. He said, "What happened? They grow into insanity. Their minds became so darkened and alienated from the Life of God through the deceitfulness of sin that they think it is a fashion now, and it is accepted now. If it was insanity then, it is insanity now. But the darkness has taken them over." Amen. He said, "It will be counted fodder for this atomic age."

He said, "I could prove to them. I could prove to a woman by the Word of God that either she is totally insane or she must have a prostitute [spirit] upon her."

And he went back and said, “The only man that was naked in the Bible was Legion, and he was insane.” Is that right? Sure. The only man who grew his nails long and was outside there eating grass was Nebuchadnezzar, when he was insane. Is that right? Sure. And long nails and nakedness is a fashion today, but it is insanity. The only person who painted her face was Jezebel. And you have long nails, painted faces (Is that right?) and naked. It is totally insane unless you make God a liar. I think God knows what He is talking about. Amen! Yes, sir!

So when we look at these things, we see how he was looking for it to happen. He saw it coming on and he wanted to preach these things because that Book of Revelation had opened up to him. And he even told us, saying, “Satan is keeping people away from it.” He had to read all kinds of different things. He said, “The Book of Genesis and Revelation, Satan keeps them away from there.”

And then you find that a shallowness comes upon the people; they don't want to hear anything deep. Sure. They think that going to church and going back home and doing a few good works will put them into Heaven. And they have no rapturing faith; they cannot face the challenge of the hour. They have no spiritual discernment of the things that are happening around them. All right.

Then, *Trying To Do God A Service...*[1965-0718M, paragraph 5 –Ed.] he came back the next week and said, “*I was coming back, rather, to here, to try to have about a ten-day meeting, to speak on the subject of The Seven last Vials. For, in between those Vials is the Trumpets. And I was telling you... when I was going to preach on the Seven Trumpets, that I would bring them in with the Vials and the Plagues.*”

And that is why it is so necessary to pick up these Seven Trumpets here because we went through it already and I think we have to bring it back because

there are three Woes in the Seven Trumpets: Woe, woe, woe. Two have already happened 'and, behold, the third Woe cometh quickly.' And that third Woe that is coming quickly is Armageddon. It is the battle that started in Heaven and ends up in Armageddon, with Michael and Lucifer again. Do you see what it is?

So that Armageddon is to clean off the earth to bring back the new civilization. That is the third Woe, the *third* birth pain to bring forth that new world. There is no more birth pain after that. That is it right there. So, look what is happening. Right there under that third Woe is where those Seven Vials come in. Because those Seven Vials, the wrath of God, is what He is purging the earth with.

There are three things happening under the Sixth Seal. One: Israel is purged. Two: the foolish virgin is purged. Three: the earth is purged. That Sixth Seal has two parts. One is the first half of the Seventieth Week, and the first half...last half of the Seventieth Week rather – Moses and Elijah, one thousand two hundred and threescore days. When that finishes, the foolish virgin is purged and Israel is purged, but the earth is not purged yet. Exactly right. Because Christ is now coming back and the Mount of Olives is going to cleave and the earth is going to start to change and the whole land is going to change, its contours and everything there, and the environment...a new environment will be created to bring back that restored Eden.

Now watch something. So right there we see then, under that second part of the Sixth Seal, is the purging of the earth and the destroying of them that destroy the earth. Because remember, they killed Moses and Elijah, and then they rose up and they went into Heaven. But the people who had killed them were still there on the earth, because they beheld them going up. Is that right? Sure.

..?.. Angels who had one of those Seven Vials was the One who was revealing the Book of Revelation to John.

Is that right? And that man was a prophet and John bowed down to worship that prophet. Is that right? And he revealed the great harlot. He revealed the future home. Is that right? Sure. Exactly right. So it can't be Moses and Elijah, because one of them is a prophet and there are seven of them. He is only one of the seven. But we find out that mercy came to these Gentiles (because it is Gentiles he is talking about) through Seven Church Ages. And they rejected it. And now God is bringing judgment upon them. Amen.

So all these things, as we say, are happening right now; it is breaking forth. The Word...when that prophet stood there, he saw those things moving; he saw the Gentiles already had passed redemption. Is America [USA] passed redemption? Hell is being created on the earth. He said the church world has crucified Him a second time. He said that they are going to be stoned with hail stones. They are going to be fed to the fowls of the air. He spoke it. Why?

He said God is going to deal with individuals, those whose names are in the Lamb's Book of Life. Those are the ones the Angels have come to deliver. [unclear portion of recording -Ed.] Those who are foreordained of God to go in the rapture - Abraham's Royal Seed. [unclear portion - Ed.] There is going to be a calling-out time. The one shall be taken and the other shall remain. I know we have looked a lot on the mercy side, and it has become common to us until we preach it anyhow. But then I need for us to see... Watch how God is going to take care of us.

Let me tell you, God loves you for believing His Word. Without faith it is impossible to please God. The thing that really moves God is when a believer stands: "We will not bow down." Amen. Like Daniel, when he opened the window and prayed three times a day. Like Noah, when he stood there with patience for 120 years in the midst of scoffers and mockers but never deviated one

bit from his message. God loves you for believing His Word.

And sometimes He gives you a test. And the devil tells God, "Oh, You have him nice, and You are doing this for him, and that." And God says, "Okay." God says, "They have a revelation. That's a waste of time, Satan. But just to please you, just to show you that they are no hybrid church member...."

You see some people, they are afraid to accept God's Word. They are afraid to really believe It the way they ought to believe It. It makes you wonder sometimes. Amen.

But watch something here quickly. Just to get through these quotes quickly because the time slips away. Okay. So he came back, *The God Of This Evil Age*, page 4. We went through this so many times but I want to have to say it because we have many strangers, new people came in the Assembly, and they are not acquainted with many of these things.

He said, "*I have come here for the purpose of teaching these last Seven Vials and the last Seven Trumpets and the Last Seven Thunders of the Book of Revelation, tying them together in this hour that we are now living in; to follow the opening of the Seven Seals and the Seven Church Ages.*"

Now he knew what he was talking about. He saw it in the Word. And the thing is, I said, the devil has succeeded in keeping us away from these things and while the world has crept up, the darkness has become so dense and gross, the pressure is coming upon the people because they failed to look close enough to see the hour that we are living in.

That even when these things come out, before they recognize that they have not looked at it closely, they kind of wonder about it and sort of question it and they have nothing to discern whether it is true or honoured by it. Because they have limited the Word to begin with,

and in their minds many times they put it 'down the road.'

But remember, as we were showing, punishment comes for rejection of the truth. The warning has already been given. This Message has already been turned down. The world is not going to turn it down; the world has turned it down already..

That is why sometimes you see people, a believer now coming in, new, and they say that they want to go back into the denomination and tell everybody about it and bring them out. Okay; you have to give them a chance. You start to tell them and sometimes the salvation is so sweet that they want to save the world, not realizing that it is like the man on the train: "Alright. This is the last one coming now. Alright. Take off."

But they are thinking that this is the first one coming and we have another 30 years to go...because they don't know where we are at. That Prophet said, "I cannot go any further in my ministry; I must go back into evangelism." Because we had to wait right here; because if we go any further than this, we will be going into judgment. No more mercy. He said, "But I have to go back into evangelism and look for character." And he said, "You wait here until that catches up with this, and when it catches up, then watch the third pull; it will be to the lost.

And that was instruction from God because that was 1963, December 29th, *Look Away To Jesus*. And he began to rat on the job after that. And in 1965, the Holy Spirit gave the dream. Here he was working for the Public Company; he left and went out to the swimming hole, swam a little bit in the day, walked around. And something said, "You are ratting on the job." And he began to realize that something was wrong. It came a second time and he said, "Oh God, You are talking to me." He opened the Bible and said, "Lord, show me what it is." And it came to Genesis 24:7 -"Eliezer, go and get the Bride." He said, "Oh God, that is my commission. I

have been ratting on the job. I am going back outside there.” Exactly.

And that is why I say, since that time...all these things, “I must continue in evangelism until that time comes.” That is the Word, right there. Until that time comes. Just like he went down in the field and the time came where the money could not pay for the meetings anymore. He began to go into debt. He said, “That’s my promise to God; I’m going to get back off the field.” Right there the vision came –third pull.

The first pull, healing revival, was over; it was going to go down now. He said, “America [US] has turned down its last opportunity - next year.” Exactly right. He was watching this all around. He never put back that Word. Because the Word in 1963, he said, “Remember when I told you that year, how either this year they are going to pass this and the next thing was, they voted in a Catholic president?” Exactly right.

You watch that message. You watch the line that this message came down through these years. That is why many of you sometimes you stand up and you share things, people don’t know what you are talking about, and they are getting into a certain atmosphere. But you watch that Word and you follow that Word and see where It is coming to. Then you know what caused God to be thinking this way now. You don’t try to get God to behave in a past way and that time is done. You will know your position to know how God is relating with you now. Amen. See?

That is where Micaiah would have been. He said, “You are already judged.” He said, “Do you want me to tell you the full Word? Do you want me to go and get what the prophet said?” He said, “Well I am telling you that when Elijah said you are finished, then you are finished. And this is going to be the battle that is going to bring it to pass too. When you go out there you will be like scattered sheep.” Exactly right, because he knew where he was at, right there in that hour.

Hell was being created; those demon spirits came into flesh. Right there he was seeing it with his own eyes. Men with spirits, demon possessed men, devils incarnate. Exactly. And why did it happen? Because they had rejected Elijah back there.

He saw Ahab (America) moving right into destruction. Oh, you might have had on the best suit that day; you might have looked more prosperous. "My life is getting better." But as far as he was concerned, America was past redemption. Brother, the seventh vision – a bomb is going to annihilate that place. Is that right? Sure.

Yet you don't see anything different. God already saw it his past about the thing and God doesn't change His mind about His Word. What you have to do is try to get your thinking in line with God's already expressed thought. Amen.

And that is why when you look into the Word here, you realize that the time of decision is now for people. You put the Word in the hands of the people. That's it. Either they accept it or they reject it; turn it down or not. You play around with it, you are already finished. Because look where...God is moving on brother, not waiting back for people. That's why it says 'swift judgment being executed.' Amen.

God is moving on. You reject it, you dry up and fall apart. You can't even come back in the Message there; deader than the denomination in this Message. You go in there, 8 o'clock they come in and fall asleep on the chairs of that prayer meeting. Three or four come out and they lie down there and they can't even pray for five minutes, and then they sit down there and then they walk around and they have a little program and it's over; but they shall proceed no further. You tell me that is the Bride? That? No sir.

The Bride is ripening. The Bride is becoming the living Word. The Bride is fixing to be changed. People are confused because there is Message clothing. They are confused. But I showed you, judgment is not in the

world or in the Bride; judgment is an evil heart of unbelief. Exactly right.

Because there were plagues in Egypt, and God hardened Pharaoh's heart. And Paul said that these hearts have the hardness of the Egyptians in the journey. So there are hardened hearts in the journey too. Exactly. And God poured plagues onto them in the journey too. Exactly.

But when you look at the Word and you see the Word there, you have no other thought coming. You mean the Word is revealed to you and you have a thought coming? You have no thought coming. The Word is to filter your thinking; It is putting the mind of Christ in. When the mind of Christ comes into you, which is the revelation of His Word, then you know how to relate to God, because God is His Word. You watch the Word say something and then you go to God with something else? That is idolatry. It is not God whom you are worshipping. You are ignorantly thinking that you are worshipping God but you are worshipping the devil. Exactly.

Now those things, they seem coarse and crude and rough but it is the honest truth, because it is not an hour to 'play church.' God does not bless 'playing church.' If God blesses 'playing church,' then Cain was as good as Abel. God doesn't bless that. But people are not sincere enough. Sometimes people see the truth right there and despise the truth, despise God, despise the Word. And then tell a polished-up creed, some half dead rotten something without life in it. See? No, sir. Brother, when you see the Word, you line up with the Word. You receive the Word and give God thanks for the Word, when you see the Word, because that is Jesus Christ being revealed. That is salvation. Amen.

So he wanted to come back and bring those things...and why did he want to bring it? When the Seals were opened, the entire Book was revealed. He said that every mystery was revealed under the

sounding of that Elijah. These things are not new revelations they are bringing; this is our understanding being opened to the Word that is already opened. See? Because he said that when he spoke the Word, he laid things out there in seed form...many things. Many things God gave him verbal inspiration to say it in a certain way that sealed it up. I showed you that he sealed up all those Seven Vials and Trumpets in just three words: education, civilization and science.

..?.. *God's Power To Transform*, two reasons and all those things, and leave it right there. They don't even know what it is. They get little thoughts out of it, a little different inspiration, but it is all those things laying right there. When you go back into the Word, you see what he was saying and putting there knowing that the time is going to come when it is going to be manifested before us. Because the Prophet, he said that when he gets in the Spirit, he goes up in a certain realm and sees the thing finished – Ichabod is written over the world, comes back down almost like a fanatic because he is behaving as if it is in the present tense. See?

But then those things begin to accumulate and accumulate and accumulate. And it is beginning to come out now, visible amongst us. And what happened to us? “Oh, my! Look what the Prophet said; it's coming to pass.” Oh, it shakes us into desperation. See? We don't waste time; we don't play around anymore because you see how rapidly that Word is accumulating. Amen?

And then, *A Thinking Man's Filter* [1965-0822E, paragraph 12 -Ed.], he said,

So we—we are just trusting (page 3) for the Lord Jesus now that He would bless our efforts together tonight, as across the nation we try to join this part of the Body of Christ, that I have been given the right to feed His sheep. And I would only do the very best of my knowledge, in giving out the right Food that I know for the sheep.

And I'm anxiously waiting for the hour to where we can all congregate in one place and preach on those Seven Plagues, and Seven Vials, and the Trumpets, and so forth. They all happen right in a cluster. That's the reason it'll take us about a week, ten days or more, to get through it in one single meeting, if we can. Think it's very sufficient.

So I put that back in there tonight because some of you may wonder... maybe you probing, maybe this. No, no; it's not probing; the Book is opened. All these things are just different points just being polished up here, but these things have been brought forth. As I said in that last series there on Nimrod and Babylon and those things, that finished those things right there. But here, just to...to polish up the Scriptures, to polish up some of these nuggets that you could see.

Like we took it last night, with that sea being turned into blood (See?); it became like the blood of a dead man. And it says when God made the sea in the beginning in the faith civilization, it wasn't like the blood of a dead man, it was like the blood of a living man. But at the end of the science civilization, it's like the blood of a dead man. Is that right? And it says when God made Adam back there with blood inside, created blood, today man has age in his blood on the earth. And the sea, God likened the sea like the blood of a man.

As we said last night how the ecologists, they understand the ecosystem, how it works, how it's all linked together and it's so intricate. You just can't break down one part of it because you'll disrupt a whole programme. And Bro. Branham said that when man tampers with nature, it will always backfire. They don't stay in God's provided way of doing things. He said that you have to stay in God's provided way of doing things otherwise if you tamper with nature, you'll breed a monstrosity.

If you try to rearrange the molecules, it backfires upon you. Because God set those things in order; it's a great chain of life. And it's a great evolution that starts from botany life, marine life, plant life, all the way up to animal life, coming the way up to human life, God's own life. Amen. It was a great chain of life. And we find under the Trumpets how it's being broken down and dissected in the next couple minutes, but just... just take this here quickly again.

So notice, He created those seas and He commanded to bring forth abundantly. When we took those first two Trumpets...those two Vials rather, and if you notice, in those first two Vials, judgment is coming – the wrath of God is being poured out upon man who had the mark of the Beast. When the first one came on the earth, plagues hit the people.

And notice in the Trumpets, there's a third part of the sea, third part of the rivers, third part of the fountains, third part of the sun and these things. But under the Vials you don't see anything about any third part, because you're in the third Woe. See? Because the sea, air, all these things...earth, is what God created in Genesis. There was no new sea afterwards. There was no new earth afterwards. God created it in Genesis in the faith civilization. Man began to work in science and began to destroy it. And that was our inheritance when squatters came upon it.

You know, I was just looking back through the little book, *Two Edens* today, and I realised...I said, "My! What am I trying to preach? It is all inside of there already." Amen. That's our inheritance. And there's going to be a time when we're going to come back because God held the deed. From the time man fell, God held the deed. But from the time man fell, Satan has been squatting upon it.

But God gave types through the Old Testament of redemption for the man and redemption for the earth (Is that right?), and how the squatters get upon a man's

land, cut down the man's trees, dam up the man's rivers, pollute the man's air...do different things. But in the jubilee, the man comes back and cleans off the whole earth.

So if those Trumpets and Thunders and Vials are in a cluster, don't get confused about terminology, just go in the type and it'll get very clear. Because in the type, it's really Boaz and Ruth under the Thunders; it's Naomi under the Trumpets. Is that right? Under the Vials, it's the earth being cleaned off – Elimelech's inheritance being cleaned off for Boaz...Naomi and Ruth, in Elimelech's inheritance. Right now it's all in a cluster; it's all happening in the harvest time. Amen.

Like in the days of Noah, how they destroyed the earth, corrupted the earth (Is that right?), and then violence filled the whole earth. And then what happened? Right there the elect and the prophet get in the ark. And then the wrath of God comes, cleans off the earth and brings them back in the new world. Of course; that's all there. It's a cluster. Okay? Trumpets, Thunders and Vials, they're all there in a cluster. So I just say, I would've told you that there so we'd see then that the... I don't get time to hit some of these things the way I should but I take for granted that you know it, because we've gone through it before. But watch something.

It's not being mentioned 'a third...a third...' because it's global now; it's the whole earth – "And I'll smite the earth with a curse." And we found out how those things started in Genesis, the first Age right there, when Eve came out of Adam, the first Age – Ephesians, mother of all living. Is that right? Winds began to come forth. See? Then we found that the Seal opened there, the mystery came forth – redemption. Then we found right there, Trumpets, war, bloodshed in the earth. Is that right? Sure! Then the Vials; God struck the earth; it would not bring forth yield. Cain said, "My punishment is more than I could bear." Amen. And it just keeps

moving like that right down through the Book in symbols.

But here, we were taking last night the sea, and showing how God commanded the sea to bring forth abundantly. It was bringing forth abundant life. But now what is it going to bring forth at the end? Death! Every living creature in the sea will die, just come up like that, and it'll become like the blood of a dead man. And we took how the blood of a dead man doesn't circulate. And we find out to understand what God is meaning; you have to know what the blood of a living man does to know what the blood of a dead man will do. Amen. Because the sea, as I was saying, in the beginning before the plague hit it, it was like the blood of a living man. It was part of the ecosystem; it was necessary. God made that sea there.

Now you don't worry about the sea becoming like the blood of a dead man because Lazarus was a dead man and his blood was corrupted. Is that right? But the Lord called him back up, and his blood came back as good as ever. And the body was renewed that was in corruption. Amen.

But after the millennium, there's no more sea in the New Heaven and New Earth. Because you find Jesus, Who was in the glorified body – New Heaven and New Earth (Is that right?), He had no blood. Amen. Sure! Because this (flesh) is the earth, the sea is the blood, and the soul is the heaven. The theophany is the city. It's all in the Word. Amen. You open your heart and you look in the Bible. Amen. Brother, there's everything in the Word there. Amen.

Now watch. I know you love the Word. Those things just excite you. It has a right to. If you're part of the Word, it has a right to. Amen. It's revelation. Amen. God commanded by His Spoken Word – “Let the waters bring forth abundantly,” whales and everything else.

And the greatest thing we took, how Solomon said...he said, “All the rivers flow out to the sea, and

then all the water goes back to where it came from in the beginning.” And then we saw Amos; Amos spoke and said, “God speaks to the sea and then the water comes and waters the land.” And they were revealing about evaporation and condensation and precipitation and all these things, because God established the boundary of the sea; God gave the sea its function. It is working together to take life and nourishment to the whole planet. Exactly right.

Then we find the blood also...apart from taking nourishment, it carries away the waste. And we find that’s exactly what the river does; it takes waste back to the sea and the sea washes and purges itself and comes right back again, bringing back more life again. Amen. And we see then in the Scriptures how even the sea always obeys Jesus.

God created the sea in the beginning; when He came, He caused it to bring forth abundantly, He came and told them, “Cast the net on the right side,” and the nets broke with fish. He spoke to the sea in Exodus; it opened up and He took His children to safety. Is that right? He spoke to the sea back there and the winds and the sea obeyed Him. And the disciples were amazed and said, “Even the winds and the sea obey Him.” He came walking on the water and assisted them. He opened up a way for them to escape. Amen! In Exodus (My!), He commanded the sea to bring forth and provide to supply all their needs.

Then we find how man polluted the sea. And I took the article on the world’s polluted oceans and showed you how right now everything is being polluted. All the dumping...they’re letting go all the radioactive waste in the sea, all the dumping of the filth, all the toxic waste and these things, until it’s changing the environment beneath the sea and killing everything.

And they have a phenomenon that’s called ‘red tide.’ They can’t understand it. But the Word says that the waters will become red like blood – kills everything

(amen); poisonous– the whole thing is going to come to poison. No wonder the scientists can even find it any more. Until here we see... Now we know the sea is connected with the rivers and the fountains, because that's where the water comes from and comes back as rain and fills the rivers and brings the rivers right down. Sure.

So here too we see with the rivers and the fountains here now, where it is being said, "Give them to drink because they deserve it. They're worthy of it because they've slain the blood of Your people." And we find that in two places in the Bible. There are two places we have to go in the Bible to reveal that: one is in Exodus where God gave them blood to drink, and the next place is in the book of Kings where the blood was found in Jezebel. And both of those times is a type of today. In the exodus where He brought them out of Egyptian hands, here under the Sixth Seal, He's bringing them out of Roman hands and then judging them afterwards. Is that right?

And here in the time of Elijah, Ahab and Jezebel were in union for money– the money proposition. Sure. We'll get to it in a little while. But I just say that to show you where it is laying in the Bible.

And both were typing this day because they're all types of this last day since we have the Spirit of Moses, Elijah and Christ here, and the spirit of Moses, Elijah and Christ will come to the Jews there also. Exactly.

So we see how those things are going to come because it's 68 million they killed–that woman Jezebel. Is that right? Sure. 'Pergamos' means married. What married? Church and state– Ahab and Jezebel. And that woman Jezebel, she killed 68 million in martyrdom. And she was called Jezebel in the New Testament because she was a type of Jezebel in the Old Testament. Exactly.

Now we find that Jezebel system is here and Elijah put judgment on her; Elijah was the one. Is that right?

Elijah was the one to put judgment upon her. And do you know what the judgment was? The fowls of the air and the beasts of the field were going to destroy her and Ahab. Is that right? Even her own people, those who had given their power and support to her, were the ones who threw her down. Is that right? Then the dogs ate her flesh. Exactly. And that was fulfilled because the blood of God's prophets was found in her.

We see exactly those things coming right back in the last days, because that very same system that killed those 68 million Christians is here with us today. And Elijah has come in the last days and then here they come in a union because of money again. Is that right? Sure. It's all here.

So then watch, when those things are breaking forth and we see it moving in the earth, and here we see nature being disturbed too. Do you understand what I'm saying? So here are the conditions and here are the judgments coming, and here's the Bride being taken out. My! A blind, deaf, dumb man could see that, because it's here before us in this hour, breaking right here that if we are seeing these things, we ought not to be playing around. If we see right now the groundwork is being laid for the destruction of the present-day money system, if we see all these things moving, then let me tell you, this Bride ought to be looking up and lifting up her head, her lamp trimmed and filled with Oil. Oh it's a tremendous, tremendous thing (amen), that sea, how it's going to turn into blood.

Turn with me quickly in your Bible here to Revelation 8. Let me just try to do some things here and move on quickly so I could finish in time tonight. But I say, you know, my real emphasis on the Vials here is to try to convince you by the Holy Spirit in the Word that the time is at hand. Because since I came back from this last trip, I kept in my heart...you could see something is crying out there. Let us get everything

in order; let us just move right up in the Presence of God. Let us lay aside all foolishness.

Then bringing these Messages here, so when we bring these things to your attention, hold it before you, then we can see what God has been saying to us all along because look how far these things have come up upon us now. It's time to go. Amen. And that's why I want to be ready. Revelation 8. I'm taking the Seven Trumpets here. Maybe I should take Revelation 6 first; let me take Revelation 6 first. Just go with me to Revelation 6 first – 6:12. This is the Seals here.

12 And I beheld when he had opened the sixth seal,...

(because this is the judgment Seal; it's the wrath of God being poured out)

...and, lo, there was a great earthquake;...

And that's where we are, waiting for that right now. And we took that back there and showed there's always an earthquake at the end of the ministry of the Son of Man. When we took those Seals over in Matthew 24, remember how we found between the Fifth Seal and the Sixth Seal was injected with the coming of the Son of Man? Alright, we took those things.

...and the sun became black as sackcloth of hair, and the moon became as blood;('blood' just means 'red')

13 And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.

14 And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

15 And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every

slave, and every free man, hid themselves in the dens and in the rocks of the mountains;

¹⁶ And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:

¹⁷ For the great day of his wrath is come; and who shall be able to stand?

Now let's just pause there a little bit. Now this Sixth Seal is the judgment Seal. And that Sixth Seal covers from the opening of the last half of the seventieth week all the way to Armageddon. This Sixth Seal goes beyond three and a half years because in three and a half years, all that takes place is that Moses and Elijah plague them and bring out the 144,000. But under the Sixth Seal, Moses and Elijah are killed, the 144,000 are killed, and the foolish virgins are killed. Is that right? Sure. Then Christ comes back to fight for Israel.

Because if you take the Old Testament type, Jezebel was still around after Elijah was taken up into Heaven. Elijah was there. He had called out 7000, a type of the 144,000, because Paul said that there was a remnant left for Israel's sake according to the election of grace. We took that and explained that many times. And he thought that he was the only one left, and God said, "No, there's 7000" – Romans 11. And Paul takes that and types that (1st Kings 17); he types that with Israel in the last half of the seventieth week. And you take page 42 of the Sixth Seal, you'll see Bro. Branham types it back exactly the same way, because it's a parallel for us and a parallel for them also.

Because when Moses and Elijah come, Israel and Rome will be in a marriage – Daniel 9:27. The covenant will be for one week (Is that right?), for the money, the Jews' money and Rome's money, will be tied up together. And Ahab and Jezebel came together for political reasons because Ahab's kingdom was falling

apart, and he needed Jezebel's money. Is that right? Exactly right. And in that time when they were in union, Elijah came and shut the heavens for three and a half years, and Elijah is going to come back to shut it for three and a half years. Elijah called fire and burned the military troops; Elijah is going to do the same thing over here. Exactly right. It was a type for them also. Romans 11 proves that; Paul shows it.

So then...we see then that...that Sixth Seal, it goes beyond because here it says now, [Revelation 6 -Ed.]

¹⁴ And the heaven departed like a scroll...

Watch Isaiah 34, you'll see that it's in the time of Armageddon when all those nations come to Jerusalem. I don't have time to read it, but you read it when you go back home; you read the Scripture - Isaiah 34. We saw it there; we took that when I preached the message about the destruction of the earth's atmosphere - the ozone hole. And we took that right there.

Right now the ozone hole is becoming greater and greater, the heaven, the firmament, being departed as a scroll. It is to be torn apart and solar radiation is going to start to burn up the people on the earth. We'll get in that tomorrow... we could get in it tonight when we strike that Fourth Vial; poured a Vial on the sun too and scorched men with fire. Because that ozone layer is what was keeping out all those harmful ultraviolet rays and those things. But it's being destroyed by what? All man's scientific inventions are destroying it.

And then those meteorites are going to strike the earth (amen) - meteorite showers. And we said that back in Eden, Adam never had to worry about those things. They're saying right now millions and millions of meteorites strike earth's atmosphere and they're reduced to dust by friction every day. But they don't come in because we are shielded; we are protected by the atmosphere. But here now we're seeing that

atmosphere is being destroyed, and the Bible shows the hour is going to come when it will depart like a scroll.

And scientists have already come and discovered that in more than one place: up in the North Pole, down in the South Pole; they're seeing these holes growing larger and larger and they're realising what has been causing it now. All these chlorofluorocarbons and all these things they're saying is what has been tearing up the atmosphere and they can't stop it. They're saying the most they can do is try to slow it down, hoping that we don't have some great catastrophe like volcanic eruptions, major volcanic eruptions, or a major earthquake.

Well, who is going to stop Los Angeles in California from going down? Who is going to stop all those volcanoes from coming to renew the earth? Who is going to stop the seventh vision from coming to pass with the atomic bombs to hit America [US]? Politicians can't get together and decide that. It's already spoken! So we see these things, how the heavens would be on fire – all those chemicals being spewed out by the industries into the atmosphere. Every day thousands and thousands of pounds of all kinds of toxic waste and harmful chemicals are being spewed into the atmosphere, being mixed and laying all there. It's going to be blanketed across the earth, just waiting for that hour where the Bible says, 'the heavens will be on fire.' My! What a time.

And then in that hour all the kings of the earth, all the great men, all the chief captains, all the mighty men, all these things. We see that when that time comes, what is going to happen. They'd talk about, "Who is going to hide us from the wrath, those Seven Vials of the Lamb?"

17 For the great day of his wrath is come...

And we see that being poured out after Moses and Elijah go up. Moses and Elijah go up in Revelation 11;

then Revelation 16: Seven Angels coming out of the temple having the Seven Vials of the wrath of God, girded with golden girdles. Amen. The same ones who brought mercy for Seven Ages are now coming back with judgment, because the same mercy seat is the same judgment throne. The sea of glass is mingled with fire (amen) because the Bride would already be taken off the face of the earth. Amen. There's no more Blood. Is that right? There are lightnings, thunders and voices coming out of the throne now. Exactly right! Up in Heaven, there was singing, the tribulation saints – Revelation 15; they were singing; they overcame the Beast and the mark of the Beast.

Because in that last half of the Seventieth Week, the money proposition, everything was set down; the mark was set down and it was a world state. The man of sin was in the temple being worshipped as God – the Beast and his kingdom. He was right there on the earth. Satan was being enthroned over his Eden that he had built. Under that Fourth Seal it was being foretold us what is coming because we're getting ready to leave and when the Bride goes up, Satan comes down and incarnates. Is that right?

And when Christ comes back, He meets him on the earth in the temple with a triple crown being worshipped as God, exalting himself above all that is called God, like Adonijah was, when Solomon was coming back. Is that right? Sure. Adonijah said, "I will be king". Took the priest, Abiathar, and took Joab, the state (see?), religion and politics. And then he made himself king and said, "I will be king," and had a great, big feast and these things. We took that. And how when Solomon was coming back there, he began to smite them with the edge of the sword (amen), in that changing time.

And so all these things we see are moving in...moving in. It's already happening. Nathan has already stood in the presence of Bathsheba. Is that

right? David has already...King Theophany has already spoken and revealed who is the blessed and only potentate. We have no question about that. Amen. We know for sure it's not the pope; we know it's not the pope at all. He wouldn't even rule for one hour, amen. He'll be thrown alive into the lake of fire. My!

So we know it because it has been revealed; the Lion hath roared; He spoke it! He said, "Solomon, the son of David..." Is that right? That's the kingdom that's coming back—son of David. 'You'll sit with Me on My throne.' When was that promised? Now! If you overcome – now! "You'll sit with Me on My throne because I've gathered My subjects before I burn this earth with fire, and set up My kingdom."

And you see where all the nations are breaking; you see where it's happening in the world with the money system, how the Beast is trying to come in. You see Him gathering His subjects here; you see them overcoming, stepping to the forefront. It's all happening now! It's not anything down the road. Amen.

And that's why we sit here night after night and that Word comes across to people, and it catches them sleeping there. Sometimes It catches them confused sometimes; It catches them mixed up with the world sometimes. But if you could sit tonight and hear it, if it could strike your heart by the grace of Almighty God with such a reality (amen), if it could bring the kind of conviction upon you, if it could convince you that this is the hour (amen), then rise and shine. Amen. The light is come and the glory of the Lord is risen upon thee. Brother, we're going to leave this world singing hallelujah. Amen. What a thing it's going to be. Amen.

So notice, that Sixth Seal goes all the way. From verses 14 to 17, it's dealing with Armageddon. Verses 12 and 13 are dealing with the last half of the seventieth week – Revelation 6. Under the first part, what is happening? 144,000 – Moses and Elijah are

calling them out. Foolish virgins: the remnant of the woman's seed. Some have the commandments of God; some have the testimony of Jesus. Is that right? Tribulation saints; sang the song of Moses, some have the Lamb, but they overcame. They gave their lives; they sealed their testimony with their blood.

But then the earth now was to be purified too because after Naomi and Ruth were redeemed, Elimelech's inheritance had to be redeemed too for them to come back upon it. After God wiped off the earth with wrath, Noah had to come back in the new world. The Prophet asked, "Who came back in the new earth?" Those who went in with the prophet. Amen. All those things, you watch it in the Bible.

Now I want you to see under that Seal, under that Sixth Seal, is where those Seven Trumpets sounded. And those Seven Trumpets are dealing with nature, because under the Sixth Seal nature is taking a tumble. Alright? Nature is taking a tumble. So let's turn to Revelation 8 now and see those Seven Trumpets that's going to take a tumble in that time. I'm trying to catch all first four Vials right here for you. But it comes out of the Trumpets, so I have to get the Trumpets, and the Trumpets come out of the Seals so that's why I went to the Seals. Because out of the Seals come the Trumpets; and out of the Trumpets come the Vials. Do you understand that? And the Sixth Seal is the wrath of God. Okay. That's why I'm taking it like that. Revelation 8, verse 7:

⁷ And the first angel sounded, and there followed hail and fire mingled with blood, and they were cast upon the earth: (the first one was upon the earth) and the third part of trees was burnt up, and all green grass was burnt up.

⁸ And the second angel sounded, and as it were a great mountain burning with fire was cast into the sea: (the second one was

in the sea) and the third part of the sea became blood;

⁹ And the third part of the creatures which were in the sea, and had life, died; and the third part of the ships were destroyed. (there were a lot of third parts, from the earth to the sea)

¹⁰ And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of waters; (now this is fresh water, because sea is salt water)

¹¹ And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter. (the water is being contaminated – drinking water. All freshwater is becoming contaminated, polluted)

¹² And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so that the third part of them was darkened, and the day shone not for the third part of it, and the night likewise.

So here we have the earth, the sea, the rivers and the fountains, and the sun, the moon, and the stars, which are the environment, which is nature. That is what God created in Genesis; that was the faith civilisation; that was the ecosystem. It's all one great chain of life. God created that environment and put man to have dominion over it. Amen. And here we see it's all being disturbed.

Revelation 7:1. Now the Trumpets give you it in chronological order here Trumpet by Trumpet, but I want you to notice that all Seven Trumpets are sounding together; all Seven Vials are sounding

together. Whereas the Ages, one Age was for hundreds of years and each Seal was tied to certain Ages. Is that right? The First Age was from AD 53 to 170. The Second Age was from AD 170 to 606. And then the Third was from 606 to 1520. So it was. Is that right? Alright. Then what's happening now? Then those Ages there...That's the First Seal covering the first three Ages.

Then what is happening now, those Ages. You had the First Seal coming in the first three Ages... okay. But then those Seven Trumpets are sounding at one time because those Seals and Trumpets follow the long Feast of Pentecost. We read it there – Revelation 7; I'm going to prove it to you. It is proven right here.

¹ And after these things I saw four angels standing on the four corners of the earth, holding the four winds of the earth, that the wind should not blow on the earth, nor on the sea, nor on any tree.

² And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea,

³ Saying, Hurt not the earth, nor the sea, nor the trees, till we have sealed the servants of our God...

He said God... that was World War I, and if God didn't stop that war there, the Battle of Armageddon would have taken place right there. But Armageddon doesn't take place until the Vials, the Third Woe, where the whole earth is being destroyed. Do you understand what I am saying? But God stopped it there (World War I) and Jerusalem was recaptured; World War II, the Jews were rushed back to their homeland. Is that right? And the two prophets Moses and Elijah will pull out 144,000. And the Bride is being pulled out now because

of Moses and Elijah (alright)...because we are between World War II and World War III.

So I want you to see right here how that judgment was coming in that War because that War was being fought right here in this environment. War was fought on the earth, war was fought in the air, war was fought on the sea, and war was fought under the sea. Okay.

Turn with me to Revelation 11. Verses 3 to 5 speaks about Moses' and Elijah's ministries, how they are going to prophesy for 1,260 days and how the Word is going to be in their mouths and any man try to hurt them, fire will proceed out of their mouth and kill them...it's the Word really, spoken Word. And verse 6 says:

⁶ These have power to shut the heaven, that it rain not in the days of their prophecy: and have power over waters (fresh water, salt water, seas and fountains and lakes and rivers and these things) to turn them to blood, and to smite the earth with all plagues as often as they will.

So here the judgment, when they are coming to call out the 144,000 out of Roman hands, like they called them out of Egyptian hands back in the Old Testament, the same types of judgment are coming upon nature. Because Revelation 11:6 here is speaking about what is going to happen under the Sixth Seal. Is that right? Brother, the Sixth Seal is when Moses and Elijah appear under the tribulation period. Okay.

So we see then that judgment that is coming is coming there upon the same earth, sea, rivers, and all these things that were being smitten under the First Woe. Because Revelation 8:13 says, "Woe, woe, woe by reason of the last three angels who are yet to sound!" But those three woes are right here in the same environment. World War I, and what was it? Birth pains. World War II, what was it? Birth pains. Upon what? The earth -man's inheritance from the beginning.

That's why Revelation 10... Notice, Revelation 10, verse 6, where that Angel came down, raised His hand and lifted His hand to Heaven and swore by Him that liveth forever and ever, Who created Heaven and the Things that are in it, and the earth and the things that are in it, and the sea and the things that are in it, that there should be time no longer.

What was it again? The environment again. Because that Book in His hand pertains to a title deed to an inheritance. And it is coming in Revelation 10 after we see two woes have gone forth and we see the earth smitten...

I walked with this just to display it again to you, where the scientists are speaking about the earth being destroyed. See? DISCOVER magazine; it is talking about the earth being destroyed. Then TIME magazine had it to- "Endangered Earth," the planet being destroyed, how the earth is being smitten with all kinds of things. And then we saw this last night on the Second Vial, "Don't go near the water," the world's polluted oceans (see?), our polluted oceans showing the sea is being destroyed.

"Then after the rain, the silent plague - rivers and lakes being destroyed, and polluted and poisoned and contaminated." See? Toxic wind. They say, "Air, water, fish and fowl and you and me, all being destroyed. And then the atmosphere, the earth's climate, the Greenhouse Effect, all these things, the ozone hole growing, is being destroyed," the same things that are under these first four Trumpets, the same things that are under the Sixth Seal that are being purged to bring back a new civilization, the same thing that God blessed in the beginning when He created it and gave man to have dominion over it.

Now turn with me to the first four Vials now.
[Revelation 16 -Ed.]

¹ And I heard a great voice out of the midst of the temple saying to the seven angels, Go

your way, and pour out the vials of the wrath of God...(notice under the Sixth Seal, it said ‘the great day of His wrath had come’)

² *And the first went, and poured out his vial upon the earth, and there fell a foul and painful sore...* (now, we took that on Sunday) *upon the men who had the mark of the beast, and upon them who worshiped his image.* (Now we took everything there, the earth, the foul and painful sore where the mark of the beast was, where the image was, and then what false worship was, and how God is always bringing judgment upon us.)

³ *And the second angel poured* (from the earth, where does it go now?) *...the second angel poured out his vial upon the sea,...*

Exactly! But it doesn’t say, ‘a third part,’ because ‘woe, woe, woe,’ three birth pains the earth goes through and it has gone through two already and this is the last birth pain.

After the Vials is the millennium; it is back to Genesis 1 and 2; it is back to the lion laying down with the lamb; it is back to no more winters; it is back to no more Greenhouse Effect; (amen) it is back to a perfect climate, a perfect atmosphere – no more air pollution, no more acidified lakes and rivers.

It is all coming back because under the Sixth Seal, he said we found out how the earth is purified for the millennium which has never been taught before. And we took that message, “A New Life Under The Volcano” and all those things already, and showed you how it is going to come back.

So the Second Vial, it goes upon the sea.

³*...and it became like the blood of a dead man; and every living soul died in the sea.*

What is happening? God is destroying them who destroy the earth. It is the earth and the inhabitants; that is what it is – man in his environment.

⁴ And the third angel poured out his vial upon the rivers and the fountains of waters,...

Exactly where the first two birth pains struck... In the first war, they were holding it so that it wouldn't blow on the earth, on the sea, on the rivers and these things...on the trees. Then we see right there, a third part –World War I, a third part –World war II, World War III, a third part again.

⁵ And I heard the angel of the waters say, Thou art righteous, O Lord, who art, wast, and shalt be,(the Prophet, Priest and King – Eagle, Lamb and Lion, Son of Man, Son of God and Son of David) ...because thou hast judged thus.

⁶ For they have shed the blood of saints...

68 million they had killed under that Second Seal when a sword was given unto them and they rode on a Red Horse. But that was only a type of Jezebel in who was found the blood of the saints and the martyrs. And that same system is right here with the blood right now inside of them, drunken with it (Is that right?), controlling the things of the earth.

And there was a Prophet Elijah who rose up and saw that beautiful and wicked woman who had killed all God's prophets and they even tried to kill him too, and he said, "Lord, I'm the only one remaining" – *Present Stage Of My Ministry*, is that right? And He said, "No. There are 7,000 laying there." Hallelujah! And it is to repair the altar at the evening sacrifice (Amen!) and turn the hearts of the children back to the faith of the fathers.

And He put judgment upon Ahab and He put judgment upon Jezebel. Is that right? Remember my message on "*The Oncoming Judgment Of Ahab And*

Jezebel,” the Vatican – Washington alliance; Ahab was Washington and Jezebel was the Vatican. Amen! And a bomb is to go upon them and a bomb is to go on Jezebel also. Elijah put down judgment on both of them. Exactly right!

⁶ For they have shed the blood of saints and prophets, and thou hast given them blood to drink; for (they deserve it) they are worthy.

⁷ And I heard another out of the altar say, Even so... (saying, “Yes Lord. Amen! That’s it.)

We know the hour is going to come of Divine retribution; they sowed and now they are going to reap. Amen. They get the wrath of the wine of their fornication; now they are going to get their cup full – double (amen), full strength without mixture, the wine of indignation. Sure! All her plagues will come in one day – death, famine, mourning, everything. She sits as a queen and says, “I’m no widow.”

⁷ And I heard another out of the altar say, Even so, Lord God Almighty, true and righteous are thy judgments.

⁸ And the fourth angel poured out his vial upon the sun; and power was given unto him to scorch men with fire.

⁹ And men were scorched with great heat,...

He said that in the days of Noah, there was an atomic explosion and what happened? It pushed the earth away from the sun and it tsunamied? He said, “But God put a rainbow in the sky and said ‘I will not destroy the earth by water anymore.’ This time there is going to be an atomic explosion and it is going to push it back into the sun and it will burn this time.” That is from the message, *Abraham’s Covenant Confirmed*. Amen.

⁹ ...and blasphemed the name of God, who hath power over these plagues: and they repented not to give him glory.

So watch those first four plagues there; what do they fall on? The earth, the sea, the rivers, the fountains and the sun, exactly where those Trumpets fell. Angels...those first four Angels were holding those winds – strife and war and these things, that they wouldn't blow upon the earth and the Battle of Armageddon would not take place in 1914. So here is at the end of the Seventy Weeks. Is that right? Okay. Let me just share that with you.

Those Seven thunders that we are under now are gathering the Bride together, when that mighty Angel came down in Revelation 10, this between the Sixth and Seventh Trumpets. Six Trumpets rushed Israel back in their homeland, waiting for the Seventh Trumpet – Moses and Elijah. Between the Sixth and Seventh Trumpet is a Gentile Prophet. What is he doing? Calling the Bride out by the Seven Thunders, turning the hearts of the children back to the faith of the fathers. Is that right?

So those Seven Thunders are uttering their Voices between the Sixth and Seventh Trumpet, between the Feast of the Trumpets and the Feast of the Atonement. Is that the time that we are living in, between Israel gathered and Israel recognizing the Messiah? Then under the Feast of the Atonement, what happens? Moses and Elijah also smite the heavens. Is that right? Then they also smite the sea, smite the rivers and lakes, and they smite the heavens. Is that right? We just read it – Revelation 11:6.

Then also, the earth – woe, woe...woes and woes – Feast of the Trumpets, political disturbance; national disturbance rushed Israel back into their homeland. Amen! What a world! So under those Trumpets we see the earth, the sea, the rivers, the lakes and the heavens, all being smitten under the Feast of the Trumpets.

Then between the Feast of the Trumpets and the Feast of the Atonement, where the Bride is being pulled out, and Science is seeing all nature is falling apart. Then under the Feast of the Atonement, Moses and Elijah smite it again.

Then after the Feast of the Atonement is what? Feast of Tabernacles. What is that? The millennium. But when did the Vials come? Between the Feast of the Atonement and the Feast of Tabernacles, there was a space of time. Go back to Leviticus 23. After the 144,000 is called, then God purges the earth to bring back Feast of Tabernacles, restored Eden again. So watch!

So right there, those Trumpets, those Thunders and those Vials are not clustered. Do you see it? No. It happened right there. And when was it from? World War I to Armageddon...to World War III. And during that time, we see under the Trumpets it's being smitten, under the Feast of Atonement it's being smitten, under the...between the Feast of Atonement and the Feast of Tabernacles, it's being smitten again – in the Third Woe. It is being smitten constantly; it is being destroyed. But here, it is global. I am afraid to go on a little further but let us try to round it off.

Here, notice...now the judgment is coming. Tomorrow I am going to pick up that same Vial. Maybe we could just read it and when you go home...Fifth and Sixth; you will find it under the Fifth Vial. There is the Beast and the kingdom and it talks about his throne. Go under the Fifth Trumpet, what are you going to have? A king and his army – supernatural devils. But under the Vials, they are not in spirit form anymore; they are in flesh form because the devil is incarnate and has become the Beast. Why? Because they rejected Elijah's Message. Those Gentiles rejected the Message. Rejection of the Word, the Blood, makes a way for the devil to become incarnate in this generation, to become atomic fodder.

Go under the Sixth Trumpet and you are going to find what? The great river, Euphrates. You are going to find

here that the great river Euphrates is dried up. And go back in the Old Testament in the Book of Daniel – ‘How art Babylon fallen?’ years ago, what Nimrod built on the Euphrates River. And here is Mystery Babylon, the Beast and his kingdom, his worldly estate. How is it fallen? How did Cyrus and the kings of the east overcome Babylon? They diverted the river bed and came right through the river bed. See? Then between there...it is right in between there, the Sixth and Seventh Vial, that you get the Trumpets, the Thunders and the Vials in a cluster again.

You ask, “How come?” Because here He said, “Behold I come as a thief.” That’s Revelation 10, His Second Coming, as a Thief. He would do three things – steal, kill and destroy. Steal His Bride as Romeo stole Juliet, kill Jezebel’s children with death, the last plague, and destroy them that destroy the earth. Is that right?

So Bro. Branham, when he saw under those Vials there, he saw that it was the same nature. The same inheritance of man was being destroyed and right in there brings in the Coming of the Lord. He said that when God stopped him from bringing those Seven Trumpets, he said that He could bring those Seven Vials because in those Vials is the sounding of those Trumpets. Amen.

You see, when you go back in the Church Ages, it is there; when you go back in the Seals, it is there; when you go back in the Trumpets, it is there; when you go back in the Vials, it is there. It is just two spirits all the way through. Amen.

Then under that Seventh Trumpet...that Seventh Vial, earthquakes and hail and all these things; you go back under that Seventh Trumpet, you see it is open – there are lightnings, thunders, voices, earthquakes and great hail. And when you come back under the Seventh Vial, it is exactly the same thing, to show how those things are happening, how they are coming in upon the face of the earth. They have rejected the Message and

they are going to go on for a while – alive in the body but dead in the soul: souls that are in prison now. Oh my!

So He is giving them blood to drink because it was back in Egypt that God began to smite the trees, began to smite the grass. Go back in Exodus 9 and you will find where, as time went on, where God told Moses to take the water out of the river and throw it on the earth and it became blood. You remember the message I preached on, “*Judgment Follows Grace?*” It meant the land was now going to be drenched in blood. The first two signs had voices but the last sign was not connected to his occupation or his person; it was the direct sign of death. Is that right? Sure. It meant that the land was going to be drenched in blood.

And Bro. Branham took that and he said, “When I threw that rock up on the mountain that day, it meant that judgment was going to start because mercy was spurned.” And judgment has started on the earth. I have all the quotes here but the time is up; it’s 9 o’clock.

But to show you those things, how it’s coming in. Under that Third Vial, they had poisoned all the rivers, all the lakes. Under the Trumpets he was speaking about how 23 million fish were found in a polluted river. But the very same God whirled up that mountain where that Prophet was in that boat, a little stream up in the hills of Kentucky with a little half-inch fish there, He said, “Speak to it and give it back its life.” And when he came back, he said, “I want to help people in the hospital.” It showed God cared for His creation. Amen. God is thinking even about the little things; small things like that, God is thinking about it.

What an hour it is that we have come to. And I pray by the grace of God, that when we see these things happening, it is going to cause us to draw so much closer into His Divine Presence because the end of all things is at hand. And we see these things happening; we hope we see that these things are being revealed.

We have gone through so many Scriptures tonight; I know half of it we shouldn't even have gone into because it is just too much. You just can't appreciate it when it is scattered out in such a wide cross-section. But I feel that because we have been taught in these things for a great deal in times past, now the emphasis is...what we are trying to establish in your heart is that we could see that the hour is come that we need to be so much closer to Him, to make sure that we have the Token on display. Amen.

In Revelation 19 He said that those who live by the sword are going to die by the sword. And He has come back to begin to smite them with the sword of His mouth because they had killed His people with the sword – 68 million.

With Jezebel, in the time of Elijah in the Old Testament, he said we can take the type and find there how Elijah and Ahab was in a union but God was bringing out His bride and Elijah put judgment upon Jezebel who had killed all the prophets and the blood...the martyrs and them, and then God fed her to the dogs. Amen.

And exactly, we took the vicinity that she died in; Elijah pronounced the judgment. He specified the location; he said, "In Jezreel, exactly where Naboth had died, shall the dogs eat Jezebel." And we find out that exactly in the vicinity of Megiddo, he specified the way she was going to die, the dogs and they will eat her flesh. Sure; he specified everything. He specified the way she was going to die, the location that she was going to die in, the death that she was going to die, all those things.

And when you come back to the New Testament, exactly... It says how He is going to put in the heart of the Beast and the kings of the earth and them...he is going to put in the hearts of the kings of the earth to burn her flesh...to burn her with fire and eat her flesh. All those things are so clear in the Word.

Then in Egypt when He was bringing them out, we find out that those who had held God's people in bondage, how He had come and He began to plague them. Moses broke the power of Egypt. Egypt was a superpower. Egypt represented the world. See? Pharaoh thought that he was God. The God of the Nile held God's people in bondage without any regard or respect for God. We find out exactly that when they come back to Babylon what is going to happen. It's the same things that are going to take place. And what is God going to do? God is going to break them.

The whole world is going to come together through economics. Rome is going to rule the world because she holds the wealth and the power of the world. And God is going to break the economy in the same way He broke it in Egypt.

As I said last night, when they disrupted the water system, it's going to put this whole scientific civilization to a standstill. When he disrupts the sea, it is going to bring everything to nought. When the heavens depart like a scroll and meteorites begin to hit them and these things, they would have no place to escape. They are going to call for the rocks on the mountains to fall on them and kill them. Everybody will get suicidal; they want to die. Exactly right! And when we see these things that are prophesied to come...

And here we look and we see how He says that He will put in the hearts of the kings to agree (Is that right?) and give the strength and the power to her. And we see right now the whole communist world, they are agreeing, and they are giving the kingdom. And sincere people, they can't understand why it is happening, but it is right before us. We see a united Europe. He said that they are going to call in the paper and destroy the present-day money system. They are going to make it one market, one state, one currency. What is going to happen to all the other currencies? They will cease to

exist. Call in the paper – it is going to break the US dollar. See?

But the Bride is not supposed to be around for those things. Then here, look at the Holy Spirit revealing those things, identifying those things and presenting the Word to us, showing what is happening to nature, showing us the judgment, how far advanced it has come upon us, and where we ought to be tonight, how the Church ought to be filled with the Spirit, their garments not spotted by the flesh, without spot and without wrinkle. You know, in the Bible It talks about...Jude said, 'these are spots in your love feasts.' Is that right? God is...the days of Ananias and Sapphira are going to come; God is going to take the spots out. When that Bride is getting ready to go in the Rapture, she will be without any spots. Jude said, 'filthy dreamers.' See?

Brother, it is a time for us to check ourselves and see if we are in the faith. Mercy has been presented unto us. The Love of God has been revealed to us. As we sing this song tonight, "*God So Rich In Mercy*," what would we have done if God didn't come and reveal this Word to us. Where would we have been tonight? Think of it. If we were in a denomination just trusting that system, we would have been so trapped and marked away because we would have been blinded by the god of this world thinking the Beast was some computer and thinking something else and all kinds of different things, not even knowing what is going on; taking that Trinity doctrine, don't even know what is happening.

But look how God has come down, searched out to find you, like that Mama Eagle, flying to...flying and looking for that one, knowing that He had them and they were supposed to be here at this time. And He said, "No man ever sought God. It's God Who was seeking man." If God was seeking you, the Shepherd left the ninety and nine looking for the last one, to call you out. Amen.

“The one shall be taken and the other shall remain.” Mark in your forehead – “Mark them who sigh and cry...”: Ezekiel 9. When was that happening? After the Son of Man was revealed and before Titus came. Is it not the very hour again? Exactly right! He said that the Holy Spirit was going to follow the ministry of the Son of Man for It came to loose the Holy Spirit. That Holy Spirit begins to go and pick up every Elected One and then they ‘dust their feet.’ Is that right? They shook their garment; it meant, “Let he that is filthy be filthy still.”

And then the wrath of God moving in, the economy being broken, Titus the slaughtering angel moved in, but the elect had already seen it coming because they were warned and they were taken out before one bit of judgment could strike there.

I told you, this Bride, She is not going to be caught unawares. She is not going to be left without understanding because the Holy Spirit is watching over us, watching everything that is happening. Brother, they are romping and playing there; they have Mama Eagle on the mountain there and she is watching them. That Northerner coming...(See?) she’s watching those gathering storms coming, and while they...then she sweeps down and begins to pick them up.

Oh, I believe it is something like that tonight. And He looks with those great, eagle eyes and He sees all those uniting times, all those things happening on the earth, all those things taking place in the distance, moving in, coming in; He wants to take us up. Wouldn’t you stop one tonight and get a hold of a feather, let Him lift you up? He said, “She begins to fly 50 mph piercing that Northerner. Where was she taking them?” He said, “Up into the cleft of the rock where they will be safe forever.” Oh my!

I hope...that is the kind of ride I want to go on. I want to ride on the wings of faith, amen. That’s why I am looking to go. I am looking to see Jesus. That’s why I

want to go; I don't want to be hanging around here. Amen. I am convinced; I am persuaded.

I trust that there is a place in your heart to take the Word and hide It. If you have any doubts in your mind, go home and pray about it. Read over the Scriptures again. Take your time and study It. Maybe It was too much tonight, scattered too much...sometimes when It is scattered too much, It confuses the people. But I'm trying to condense it because we only have two more services for this.

But I just felt that when I came back, "Let the people see." Now is not the time to be playing around. When God showed those things that are happening there, then they went out there to Canada, went to Poland. And look every day for months, every day...in Poland, what is happening in the News there. See? It is all moving in and who have eyes to see – modern events being made clear by vindicated prophecy.

I said, you see the money system coming, you see what is happening in the nations, you see what is happening to the churches, you see what is happening with nature, you see what is happening to the Bride, you see everything that is all accumulating and put together, just to push us up. Don't you want to go? [Congregation says, "Yes!" –Ed.] Amen. Lay aside every weight and the sin that so easily besets you.

Let us all stand to our feet tonight. I looked over Jordan and what do I see? Oh my, it's horrible when we see what is coming, but isn't it beautiful when it's turned to the other side and you see He is coming for to carry you home?

Your Theophany is coming after you? He said, those mystic lights: that celestial body is going to drop down one day and pick you up. There'll be no hide, no bones and no hair left. Amen. He said to look at those UFOs and these things. The Rapture will be something like that – one going down to the pastor's house and then they disappear; one going about this way and then they

disappear. Why? Because you'll be seeing them and the world wouldn't be seeing them. They will come to you.

That's why it's an hour here where you hold these things in your heart as a believer. You walk with God like Enoch; you strive daily to please Him because you want to have that testimony that you please Him. And in this hour, without Rapturing faith, it's impossible to please God.

But we don't want to just look at the horrifying situation that's coming there, you want to look for a table that's spread, look at Melchizedek with Bread and Wine, waiting for those who have fought the battles of life. Battle-scarred! They went to restore their fallen brethren and they were coming back home marching the victor's march. Amen.

He said, "What was it? Abraham coming to get bread and wine," a type of the wedding supper after the battles of life are won. He had finished his course and he was coming back as an overcomer. He lifted his hands to the Possessor of Heaven and earth. Amen. May we have that kind of testimony: we've fought a good fight, we've kept the faith and we've finished our course.

Let me tell you, it's going to be worth it all. It is going to be worth it all! There's no future in this world, we see it in the Word. That's what these things show us. We see the wrath of God coming to burn up this civilization.

Abraham with his eagle eyes could've seen the fire of God that was going to fall on Sodom. He wasn't even willing to go down there. Lot, brother, he went headlong into it because he was a penny. He was in the same pocket but he was only a penny. But Abraham was a silver dollar. "God uses a penny sometimes, for a penny's worth," he said. "You don't want to be a penny tonight. You want to be a silver dollar." Amen.

Then what makes you a silver dollar is that eagle eye that God gives you. Like Moses, he chose rather to suffer affliction with the people of God than to enjoy the pleasures of sin for a season. He knew Egypt was finished. He had seen Him who was invisible.

Have you seen Him, that same Pillar of Fire that's come down, that's amongst us, brooding upon us, opening His Word to us, inspiring it to our hearts, ordering us by the Holy Spirit, getting us ready to go out, rubbing all the make-belief out of your life, breaking the places the enemy has a stronghold, strengthening up the home, giving you that extra help of faith, that strength to get in there and take what's rightfully yours? Amen.

If you don't feel that way tonight, He's right here; just ask Him and say, "Lord, I don't want to be left behind; I want to be ready, Lord. Give me a little more Oil in my lamp tonight. Oh God, I'm convinced. I see it. Not only does the Word say it but science documents these things. The world is scared to see these things coming. We see what's going to happen to them. They look high and mighty; they have laughed and scoffed at God's children all these years. But then, the Bible says, 'All Heaven rejoiced when Babylon fell.' And the verse says,

...the Lord God omnipotent reigneth.

They said, "Yes, Lord. They shed the blood of Your children; they deserve that. Give them blood to drink." Egypt crumbled under the might and power of God with the Word coming out of the mouth of God, standing there, smiting them with plagues. But yet, out of that same mouth came the Word. It sealed a people away. No death, no plague, no anything could touch them, taking them to another land, another civilisation. Oh my! It's so real...so real in His Word when we see these things.

Coming for to carry me home

Oh sing it like you never sang it before. Swing low, tonight.

*Swing low, sweet chariot,
Coming for to carry me home;
Swing low, sweet chariot,
Coming for to carry me home*

Oh, I looked over Jordan tonight. That where the Word is making you look to.

*I looked over Jordan and what did I see
Do you see that tonight?
Coming for to carry me home;
All those theophanies, a band of them tonight...
A band of angels coming after me
One of them is my angel, my theophany...
Coming for to carry me home*

Oh Lord let it come down tonight. Let it give us a charge tonight, lift us up into a greater faith.

*...sweet chariot,
Coming for to carry me home;
Swing low, swing low, sweet chariot,
Coming for to carry me home*

Oh if you get there before I do...

*...Oh before I do
Coming for to carry me home;
Tell all my friends I'm a-coming too,
Oh that's where we're heading tonight...
Coming for to carry me home*

That's that third exodus; it takes us to that Heavenly place.

*Swing low, sweet chariot,
Coming for to carry me home
Swing low, swing low, sweet chariot
Coming for to carry me home*

Oh, if you get there... Sing it. Oh, I feel Him tonight; He's coming down (amen!) to give you a charge of faith tonight, to break all those chains!

*Coming for to carry me home;
Tell all my friends I'm a-coming too,
Coming for to carry me home*

Oh, lift your hands and sing that song now. Swing low! You got a theophany; your angel is coming after you tonight, lifting you up a little higher in the arms of faith tonight. Oh my, just trust Him and believe Him.

Coming for to carry me home;
Don't be worried; He'll take care of it. You just believe His Word!

*Swing low, sweet chariot,
Coming for to carry me home.*

Hallelujah! Oh my God, we praise You tonight Father. Hallelujah! Lord, when we look and we see Your Word breaking forth, the Light breaking forth over that horizontal realm, we feel that travail in our souls. Oh God, we feel that perfection calling us to that perfect place. Lord, we're feeling those birth pains to be born into that perfect body. Hallelujah!

Oh little children, don't you feel that travail tonight? Hallelujah! Don't you see that Light? Oh, don't you feel that Holy Ghost coming upon you telling you there's a bright, new, shining day, a thousand years - a 'shalom,' breaking forth? Hallelujah! Your Theophany is coming to take you there. Oh my! Hallelujah! We're going out of this world. That is what this third exodus is all about.

The Pillar of Fire is here, the Angel of the covenant. Hallelujah. Oh, thank You Jesus! He's the One you feel; He's the One being personalized among you. He's the One drawing closer and closer to take you over that wall between natural and supernatural, to make you leap over that troop. Hallelujah. Oh, thank You Jesus. Thank You, Lord!

I pray dear God that there'll be none who miss that Father, but that the Holy Ghost would get deep down into the hearts of Your children, that this anointing, this revelation, will stay with them Oh God, it'll keep unfolding within their souls. It'll cause them to lift their voices and sing. It'll cause them to lift their hands and praise You. It'll cause them to get down at their bedsides and pray. It'll cause them to run with their brothers and sisters and rejoice around Your Word and fellowship. It'll create an atmosphere of Divine love, bringing such a harmony among the believers.

Oh God, it'll spread out Lord! It'll grow greater and greater and greater in the hearts of Your children! It'll bring such a Rapturing grace that'll sweep over Your people Lord, to spread out amongst them Lord, to join the hearts together, to bring us, Oh God, like it was when the Prophet went beyond the curtain of time and saw those things. He said there was such an atmosphere of love and power. Oh God, he said we must be like that before the Rapture takes place. The Bride must get in that condition.

Oh God, Heaven's sounding sweeter all the time Lord, and as hell comes on in this world, Lord we want to leave this place. Oh God, we're homesick and blue tonight Lord. Oh God, we hear Your voice calling us up, 'Come up hither'. Hallelujah! Lord, God, we feel Oh God, that thrill in our souls, that surge of the Holy Ghost pushing us up upward as real spiritual astronauts. May they break the sound barrier tonight, Father.

I pray Oh God, that Your Holy Spirit Lord, even the strangers, even the visitors Lord, those that don't understand these things fully Lord, may the Spirit of the living God burn such a Divine revelation, make it such a reality in their hearts Lord, Oh God that they will know that they are in Presence of God, they will have a confirmation and a witness of Your Spirit that this is the truth of Your Word and that the hour is here

when You're taking Your Bride off the face of the earth. Lord I pray, it will cause them to separate from all unbelief Father, it will cause them to draw closer into Your Presence and lay aside every weight and the sin that so easily beset them.

Those that aren't baptised will rise up and call upon the Name of the Lord; they will not tarry; they will have their sins washed away. Oh my God, may You grant it tonight Lord, in the Name of Jesus Christ. I commit this congregation into Your hands, asking You'd take us safely to our homes. May this great Divine Presence go with us Lord, and Oh God may You bring us back tomorrow night should You tarry and allow us life, as we continue Lord, steadfastly in the apostles' doctrine, in these Divine truths, this Message You've sent in this hour to make us ready for Your coming.

I pray dear God, Your Spirit will lead us and guide us and keep us under Your Divine protection, sheltered under Your wings. Grant it, Oh God. In the Name of Jesus Christ we pray and we ask these mercies and blessings for Thy glory, amen and amen. Amen and amen and amen. Hallelujah.

Do you love Him tonight? [Congregation replies, "Amen" – Ed.] Do you really, really appreciate Him? [Congregation replies, "Amen" –Ed.] Is His Word becoming more real to you? [Congregation replies, "Amen." –Ed.] Are these things becoming a reality to you? [Congregation replies, "Amen" – Ed.] You're seeing the hour we're living in? We thank God for a vindicated Prophet and a vindicated Message (amen), an Ark for the saving of His people in this hour.

Elijah went into the secret place before judgment struck. Noah went into the secret place before judgement struck. Moses and the children of Israel went into the secret place before judgment struck! God in this hour is taking His Bride to that secret place, the only provided place where death cannot touch them! Amen. And inside of there He's feeding them on the hidden Food. Amen! Hallelujah!

Just think about these realities. Oh my! Thank God that the scales are being taken off our eyes. Blessed are your eyes that they see, and blessed are your ears that they hear. Amen. What a time it is. Amen.

Sis. Carla I believe is leaving tomorrow, and she's [blank spot on tape -Ed.] going to take all her ..?.. should the Lord tarry and if she has to come back for another spell, or if not, we're going to meet in the air by the grace of God. Amen. But may God bless her. We want to be praying for her continually. She's out there alone and really struggling and pressing, but ever so often she saves up her money tries to come down and spend some time with the saints here because she believes right here is where God made Himself so real to her and the love of His people has really touched her heart and life.

You know, I got a letter today from our sister in Grenada. She's out there by herself just over a year now hasn't really gone over to fellowship, and she was telling me it's so hard to live without the Food of the Word. And she's been trying...we were told of Brother Redhead's place there and she's been trying to get in contact with the place but up to now I can't understand how she hasn't contacted the place yet. And she just came through some hard trials and everything else. So just pray for her.

One of the sisters from McBean who've gone back to live there; her husband is from there - Grenada, and we try to send tapes for her from the services to keep her soul fed. But, you know, when you don't have brothers and sisters around and you come in the House of God and really sit in the Presence of God like this and worship God, many instances like that...many times in situations like that, it's hard sometimes for them. But, you know, one of these days that'll all be over. And how much we ought to be remembering one another, praying for one another.

It's such a time; it's a late hour. And these times are going to get greater and greater. Bro. Branham said that the Bride is going to come to that place; she will come to that place. He saw them beyond the curtain of time because the Angel told him that without perfect love, they cannot get there. But His love is being shed abroad in our hearts by the Holy Spirit, that while He's here, He's going to cap off the pyramids of our lives, brooding, brooding, brooding; bringing it right up into such of Divine love. Amen. We'll overflow with that love of God, real true love that unites every heart, every Bride together (amen), lifted up in such a Rapturing grace, taking us away from this world.

But while we're here, we have a responsibility. Let's stand true to His Word; let's be faithful to It. To whom much is given, much is required. Amen. And may God find us faithful that we'll hear His voice saying, "Well done my good and faithful servant. Enter into the joys that have been prepared for you." We'll all have to give account in one way or the other, all responsibilities.

God has come and made all these things so plain to us, shown us our place, our responsibilities, how we ought to be, each individually: father and mother, brother and sister, every individual, every family knowing their place, every person. Everyone has their ministry. We've gone through all those things. Let us really stand as real members of His Body. We see His Word being fulfilled. It becometh us that we should fulfil all righteousness. Amen.

God richly bless you tonight. Heaven's sounding sweeter all the time. I just can't seem to get it off my mind. Someday we're going to leave this old, sin-cursed world behind. When everything is rocking and reeling, and the destruction—the fire of God's wrath is burning it up, Oh what a time it'll be for us in the Wedding Supper and then to come back for the great glorious millennium for a thousand years of peace. But until

then, just set your affections on things above and just keep pressing on the upward way.

...this world behind

Heaven's sounding sweeter all the time,

Oh it's really, really sounding sweeter. Sing it tonight.

Heaven's sounding sweeter all the time,

Remember, service tomorrow night right here. Come early – 6:30; let us be here, prayed up and ready. God bless you.
