Third Exodus Assembly

# The Conspiracy Grows Stronger

13<sup>th</sup> August 2006

Vin A. Dayal

The background is a surreal, golden-hued landscape. In the center, an open book with glowing orange and red pages lies on a surface. A white dove is flying in the upper right, and a dark eagle is flying in the lower left. The scene is bathed in a warm, golden light, with rolling hills and a bright sky in the background. The overall mood is one of mystery and spiritual significance.

[#927 - Songs That Live -Ed.]

*... From this body to my theophany;  
From this old pesthouse  
to my Father's House,  
That's a mansion He's built for you and me,  
That's a mansion He's built for you and me.  
Oh, sing it once again.*

*From the earthly to the Heavenly;  
From this body to my theophany;  
From this old pesthouse  
to my Father's House,  
That's a mansion He's built for you and me,  
That's a mansion He's built for you and me.*

Amen. One more time: From the earthly to the Heavenly. That's our promise. That's what we are pressing into, in this Hour. That's what we feel all around us today.

*... my theophany  
From this old pesthouse  
to my Father's House  
That's a mansion He has built for you and me,  
That's a mansion He has built for you and me.*

The Prophet said, "When you feel this way: you feel to scream, you feel to shout," he said, "it is the angels of the Lord; they are all around you and you are bumping into them." He said, "You can't see them with your eyes but they are there, because the Bible declares that they are there."

What a great thing, friends, that God has quickened us to this realization – that you have an angel, and that angel is your theophany, and that theophany never did fall in the beginning. It was not pulled down by Lucifer’s tale. That’s why there is an influence upon your life in this Hour, giving you spiritual discernment, that when you look at the modern events, you see the Scripture being fulfilled; that when you sing and you praise God, you sing about the hope and the promise.

As we see this darkness gathering all around, enveloping the earth and taking the people on the earth under its power and influence, but breaking through that darkness, there are angels of light. What are they here for? They will pick you up one of these days. Hallelujah! And you – are hearing from them. Glory be to God.

All those people in the world, they have no angels. Their representations were in one of those fallen angels: that’s why they are being inhabited from the underworld; that’s why they are part of the great apostasy, running after the lie. But there is something when we hear that lie: we look and we know, “That’s the lie. That’s from the pit of Hell.” Amen.

Why? Because Michael is here to deliver those names found written in the Book. Amen. Glory be to God. And those seven angels that fought with Michael, (amen,) part of his great army, under each of those angels, there was a group, (hallelujah,) fighting under the message of their angel. Because that same battle that was in Heaven came down into the human realm.

Did Paul fight? Did it have a group that fought with him against the Dragon? Did Irenaeus fight? Did he fight against organization? Were there a people that stood with Irenaeus? Did Malachi 4 declare war on this Age? Were there a people (amen) who came out of organization when they heard that call, and they rode with him and are still riding? Glory be to God. And the Voice of that Seventh Angel that was reflecting the Voice

of Michael Himself, is still being reflected by and through the members of the Bride. She says what the Prophet had said. Is that right? Glory be to God in the highest.

Can you think of these realities? That is what church is for us. When we gather, that is what it means for us. Oh my! Because this veil has been torn away. Why do we look for the Rapture? We are going back to where we came from. We are going back to the Word that we bypassed. That's why we look for the Rapture.

The Rapture is not some little Pentecostal idea, you know, one man flying out of a plane and one man flying out of a train somewhere; this is, the Book is opened, and the Redeemed whose names were There when He was El, Elah, Elohim and He had them in His thoughts and put their names in the Book, manifested them down through the Ages, and in this last Day, He broke the Seals and showed you, "You were there in My thinking. Before you were formed in your mother's womb, I knew you."

That's why the Quickening Power got you in this Hour. Under the rising of the Son, Something quickened you to a realization that you are part of the Word. And now that partial realization is now being made perfect under the Thunders. You are knowing as you were known. Glory be to God in the highest.

That's why you find yourself in the Book of Daniel, you find yourself in the Book of Esther, you find yourself in the Book of Ruth. Why? Because it was put there to reflect you in this Hour. And that's why we can sing: This Is The Hour. That's why we have blessed assurance. It's real friends. That's real, by the grace of the almighty God. That's not playing church; that's walking in the Word being interrupted in this Hour. And faith catches that. The faith of the Son of God. The Quickening Power quickens that to you. That's where we walk.

Oh, I'm thankful this morning to be identified with a group, (amen,) that is called out, washed in the Blood, robed, and has received the Seven-sealed Mysteries; being set in order for the Rapture. Oh my! Glory be to God in the highest.

Let's give Him a hand clap this morning, this great mighty God that we serve. [Bro. Vin and congregation clap and rejoice -Ed.] Glory be to God in the highest. Oh, thank You, Jesus. Glory and praise. Praise to the King. Amen. Worthy is the Lamb that was slain. My! This Book is open friends. The Thunders have uttered their Voices and the Mysteries have been made plain. It is being written in our hearts.

And we are the written epistles being read of all men in this Hour. Revelation 23, not to be sacrilegious, (glory be to God in the highest,) but She is Him revealed at the end of the New Testament. Glory be to God. The tremendous victory in the Love Divine, when Love unites with Love, when Boaz and Ruth meet to go back to Eternity, when Esther and the King come into union, friends, this is that time. Glory be to God. Thank You, Jesus. Oh, hallelujah! Glory be to God in the highest. Oh, we love You, Lord. We praise Your mighty Name. Blessed be the Rock of our salvation. Thank You, Lord.

What an atmosphere to dedicate our children in, (amen,) where the Holy Spirit has enveloped the place! Thank God for faith in the hearts of the singers, when their praise can go up before God, consciously, (amen,) and the Spirit of God can come down, (glory be to God in the highest); when the people can come expecting, knowing that they are the people of God. Thank You, Jesus.

[Psalm 127:3 -Ed.]

*<sup>3</sup> Lo, children are an heritage of the LORD:  
and the fruit of the womb is his reward.*

My, what a great thing!

[Psalms 128:1-5 -Ed.]

<sup>1</sup> *Blessed is every one that feareth the LORD; that walketh in his ways.*

<sup>2</sup> *For thou shalt eat the labour of thine hands: and happy shalt thou be, and it shall be well with thee.*

<sup>3</sup> *Thy wife shall be as a fruitful vine by the sides of thine house: [and] thy children...*

Your heritage from the Lord; your reward from the womb.

*... [shall be] like olive plants round about thy table.*

<sup>4</sup> *Behold, that thus shall the man be blessed that feareth the LORD.*

<sup>5</sup> *The LORD shall bless thee [even now] out of Zion...*

Amen. That's the City of the Living God, the Lamb's Wife. Glory be to God in the highest.

*... and thou shalt see the good of Jerusalem all the days of thy life.*

If you want Eternal Life, you will have to be in a Heavenly Jerusalem. Amen. And it is only good that you can see in that beautiful City.

*Bro. Hayden Stewart would like to dedicate their baby girl, Ruth Secret, unto the service of the Lord.*

*And Bro. Gregory Williams would like to dedicate their baby girl, Precious Ruth, unto the service of the Lord.*

Two girls! Amen. Praise His mighty Name. Praise His wonderful Name. Oh, thank You, Jesus.

Gracious Father, how we thank You for Bro. Gregory and his beloved wife. We rejoiced when You sent him among us. We still remember, fresh in our hearts, the great work that You have done in his life, and the blessing that You have made him and how he has grown in the faith and, dear God, still standing today pressing the battle; pressing on the upward way; new heights they are gaining every day.

Bless them. Bless their home. Supply their every need. And may Your great, mighty Presence and Power

so work in and through them that You, Lord, will give to them, Father, all that is connected with them. Like little Rahab, she could have believed for all the family. She applied the Token with unwavering faith. So let it be for them, Father.

We thank You for giving our sister a safe delivery. We thank You for Precious Ruth, that has come forth through this union at this time, something precious in the home; something so beautiful, Lord. 'Ruth' – *'friendship'*. What a Friend we have in Jesus. All our sins and griefs to bear. May You bless this little darling girl, and may You give her health and strength. And may Your Divine Presence preserve her and keep her, Lord, healthy and strong until You come, Father. And dear God, we pray that she will be raised for the honor and glory of God, under the tutorship, Lord, of her virtuous parents.

May, dear God, You instruct them that they can instruct her. May You lead them so that they can lead her, Father. And I pray, oh God, that she will grow and live to Your honor and to Your glory, fulfilling the purpose for which You have sent her, Father. In the Name of Jesus Christ, we dedicate Precious Ruth Williams unto You for a life of service today, in the Name of Jesus Christ, amen.

Such a little sweetheart. Amen. My time for bearing these is over, but my time for holding them is still here as long as I have arms to hold them and ask God's blessings. Like Simeon of old, he could recognize the Word in infancy. And these are also the Word in infancy; they are part of the Word, in Bride form, too. Amen.

Father, we thank You for our precious Bro. Hayden Stewart and his beloved wife, God, a servant that has served so unselfishly and sacrificially in the service of God. Remembering how You called them from humble beginnings. They had nothing; lived under such depression that, God, that day, You had Your son to meet him, and the Word could be witnessed to him and,

God, he took the invitation to come. When he came, he saw, and heard, and believed. Since then he has never looked back, and You have blessed him and he has grown from strength to strength. And dear God, standing as a stalwart, a soldier in the battlefront in the Assembly here with his beloved wife, standing in support behind him, dear God.

Today they stand here at the altar for dedication, bringing little Ruth Secret, oh God, this great Secret that has been decrypted to us that was sealed up in Ruth, dear God, the Mystery of our lives. What a fellowship it has brought us into. What a Love Divine You've shed abroad within us. Dear God, I know that is what You have done for them and will continue to do, as Lord, this Word prepares and makes us ready, clothing us in raiment, fine linen, clean and white, to meet You when You come, Father.

Take little Ruth Secret, Lord, we offer her up unto You for a life of service. We thank You, dear God, for her little, precious life. Lord, at such a tender stage but yet they are such a blessing that they don't even know the blessing they are. They bless their parents, they bless their brothers and sisters, they bless the home, they bless other families, Lord, just to see them in tenderness in this little way, yet we can see Your handiwork. We can look at the mystery behind the lives of the couple through which You have sent them forth, and we can even see that it is Your Divine working, Lord, of Your will, as it unfolds, choosing the time and the season to bring them into manifestation. We thank You, Lord.

How grateful we are to understand the secret of life. Lord, we offer her up unto You, Father. Receive her into Your great, mighty hands. May Your Divine Presence ever be with this child. Preserve her. Keep her blameless. Keep her, oh God, healthy and strong. Keep her full of joy. Keep her a blessing until You will come,

Father. Lord Jesus, watch over her and protect her, Father.

Bless the parents, Lord, as they will raise her for You. God, give them all that it takes and may You, the extreme Parent, be revealed in them, raising this little one, for the glory of God. We thank You, Father. And we commit her into Your mighty hands, dedicating her unto a life of service, in the Name of the Lord Jesus Christ, for Your honor and for Your glory, amen.

Praise His mighty Name. Oh, it is already beginning to get warm inside of here. Let us just have a word of prayer. If you have a special need in your heart, this morning, this is the hour you want deliverance, friends. This is the hour when the Spirit of God comes close and you feel His Presence among you, this is the time you reach out, you break through everything and you say, "Lord, remember me. Remember me, Almighty One." Oh, God.

Let us just sing that little chorus: *Remember Me Almighty One. Remember me.*

[#21 - Songs That Live -Ed.]

*Remember me, Almighty One.*

Oh, my. We are in the Book of His remembrance.

*Remember me.*

Only our sins He put in the sea of forgetfulness, but we are in His remembrance.

*... Almighty...*

*We come to thee...*

We come believing. We come expecting. We come expecting to receive what we are going to ask for.

*...Almighty...*

Who else can we go to? He alone is the Giver and the Supplier of our every need.

*We come to Thee, Almighty One.*

Have faith in God now and believe with all your heart.

Lord Jesus, what a blessed privilege to gather on this hot day. We don't mind the heat because we are taken up with gathering together, knowing that You promised

to be in our midst. And we, as a needy people, oh God, we know that if our needs are not met, when the place is cooled off and we are under the air-condition, we will still have the needs. But while we are in the heat, oh God, we want to be focused upon You, Father God, Who is not only able to meet our needs but Who promised that You shall supply all our needs according to Your riches in Glory.

And we don't look to the world and we do not look to man but we look to You, Lord, Who has promised and is faithful concerning Your promises. And we stand here believing in our hearts and confessing with our mouths that You are able to perform that which You have spoken. Bless Your children today, Father. No doubt the needs are diverse, but whatsoever they have need of, and You Who said, "When you stand praying, whatsoever you ask the Father in My Name, I will do it unto you."

Lord God, we believe that, and we know if we believe with our hearts and confess with our mouths, we shall never be ashamed. For where could I go but to my Lord. Neighbors are kind; we love them every one. We get along in sweet accord. But when my soul needs Manna from Above, when we have things in our hearts, in our lives, in our homes that we have need of, things that man cannot supply, we come to You, Jesus.

And we are so thankful that we can come with boldness before Your Throne of grace with the promise that we shall obtain mercy and find grace to help us in time of need. And truly, this is a time of need. As we examine ourselves in the Light of the Word, how we do see so many needs and places that, Lord, we pray that even today, oh God, while we sit in Your Presence, we can sit in such an attitude, we can be in such a channel, where, as the Word will be ministered, the Holy Spirit can just supply and supply to each and every one, Lord. God, may You grant it.

When we leave this place, we can leave so settled and the blessed assurance we heard about, so conscious how to walk in this Hour that we have arrived to, and oh God, looking up and lifting up our heads, knowing that our Redemption draweth nigh.

This is the end of the Harvest, Father. This is the time of threshing. This is a time of judgment. But oh God, Redemption is being revealed and a way of escape has been made clear, that those that You have come down to take out, to escape the wrath that is quickly being poured out upon the face earth, may oh God, the Spirit of wisdom and revelation in the knowledge of Jesus Christ, apart from supplying our physical and material needs, oh God, meet our spiritual needs that we will be ready, Father; making ready for the Rapture especially as we see the conspiracy becoming stronger. Grant it, Lord.

Lead and direct us. Remember Your beloved children, the flock of God, scattered throughout the region and across the face of the earth. We know the great Shepherd and Bishop of our souls have appeared in these last days, and God, this great Mystery of Your Coming that You have revealed to shepherds on earth, earthly shepherds that can reveal the Mystery of the Lamb of God that was slain, the great Heavenly Shepherd, Who through the Blood of the everlasting Covenant, laid down His life for the sheep.

But now in this gathering time, You have opened the Lamb's Book of Life and are calling every one of Your sheep and Your lambs by name, that there will be one Shepherd and one fold. Let it be revealed with such clarity. Give such faith. Bring such separation from the world and bring us into union with You, we who are being made ready for Your Coming. Grant it, Father.

Even the strangers and visitors, You said, "My sheep will hear My Voice," that under the sounding of the Word, the Spirit will quicken and make real in their hearts, these things. Grant it, Lord, we ask, as we look

to You this morning, committing all things into Your Eternal hands, knowing that You are omnipotent; You are omniscient. We are satisfied that that is the safest place we can present these needs; we know they shall be met, in the Name of Jesus Christ.

Now lead and direct us in the paths of service, and let this blessing flow out to Your children throughout the ends of the earth. Even as the other Ministers, standing in their places, will minister, may it be the Voice of the great Shepherd of the sheep, oh God, getting us ready in this Hour. In the Name of Jesus Christ, we ask it, amen.

Quickly, the Book of Revelation, we would like to focus our attention on Scriptures there. I'd like to speak this morning, **“THE CONSPIRACY GROWS STRONGER”**. I'm just taking a little inspiration, as it further unfolds, out of a message I preached some time aback, *The Conspirators And The Conspiracy* [2004-1231 - Ed.], and bringing it right into what we are in, in the Book of Ruth and the Book of Joel – the Harvest Time and the great gathering time and what is happening.

And you know, I believe that there are many, many things, that as we see them taking place upon the face of the earth, we so desire the Spirit of wisdom and revelation that these things certainly will be revealed to us in a way that it can inspire us, and we will know how to prepare. Amen. It's a dark Hour. Gross darkness is upon the earth and upon the people. The enemy is coming like a flood, but there is a standard being raised.

When Revelation 9, the locust king and two hundred million locusts comes when that pit is open, then Revelation 10, the Word, is open also. When the pit is open, the Word is open. And when that angel came out of the pit with those locusts, another mighty Angel drops down when the Word is open. Amen. When Lucifer comes, Michael comes.

It's a time of battle – the End Time battle. Wisdom versus faith: the greatest battle ever fought is being

fought in the minds, for the minds. Which mind is taken under control, that's the one that he will influence. Because man is only an agent that the two spirits can work and fulfill their will through. There were two sowers: one sowed Wheat and one sowed tares. Now in the Harvest Time, they are being separated: the natural church from the spiritual Church – the tares from the Wheat. Amen. Glory be to God in the highest.

In the Book of Revelation, we would like to read Revelation Chapter 8. I am just going to pick places and try to tie it all together, if we can, by God's grace. Revelation 8, verse 13. This is a Scripture that links the first four Trumpets and the last three Trumpets which are the three Woes. And It says here, verse 13, Revelation 8:

*<sup>13</sup> And I beheld, and heard an angel flying through the midst of heaven, saying with a loud voice, Woe, woe, woe, to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!*

Four angels sounded, three angels are yet to sound and that makes seven angels sounding – Seven Trumpets. The last three has to do with three Woes, and between the Fourth and the Fifth Trumpet, which begins the First Woe, is Revelation 8:13.

And that word 'angel' there, if you look it up, it means, 'eagle'. "*I beheld and heard an 'eagle' fly through the midst of heaven.*" This is happening in the time of the Eagle Age. When were the Woes taking place? Under that Fourth Seal. First Woe: World War I – 1914. Second Woe: 1939-1945. All those... Two wars have already happened in this Age. The Prophet was born on the earth and then came forth to reveal what was, is, and is to come, to finish the Mystery.

Revelation 9:12. After the end of the Fifth Trumpet that tells us about the opening of the pit, the king of the locusts, who was a fallen star, who was given a key to

open the bottomless pit, which was Lucifer himself, It says:

*12 One woe is past [verse 12]; and, behold, there come two woes more hereafter.*

And Revelation 11:14, that brings us to the last Woe.

*14 The second woe is past...*

Because that was Revelation 9:13-21, the Sixth Trumpet.

*14 The second woe is passed; and, behold, the third woe cometh quickly.*

So, we know two wars have already gone and they are gathering together for Armageddon – the Third Woe. Verse 15, if you look at it, that is the kingdoms of this world becoming the Kingdom of our Lord and His Christ. That's another Kingdom, a Heavenly Kingdom coming like in the Book of Daniel.

Revelation 6, verses 7 and 8. That was the Trumpets; this is the Seals. This Seal shows us the uniting time. Between the Second Woe and the Third Woe, there is a uniting time. They are uniting together for Armageddon, and the Bride is uniting for the Rapture. Ruth goes into Boaz's House and the tares are burnt with fire. The Wheat is gathered in the Garner, and the tares are burnt with fire. The Message is gathering the Bride now, to show Her how to prepare for Rapturing Faith. Seven Thunders, coming out of the mouth of the true Prophet, gathers the Bride. Three unclean spirits, out of the mouth of the false prophet, gather the nations. It's gathering time; uniting time. This is the time we are living in.

Verse 7! This comes after... The First Seal was the white horse rider; the Second Seal – red horse rider. The First Seal was religious power, the Second Seal was military power, Third Seal was economic power, the black horse; the Fourth Seal – the uniting of these three powers.

So, it will be a time of religious deception, military warfare, and to control the economics of the world; you can't buy or sell. That is what is happening in this time when these three powers are united. Religion, politics and demon power are being united together.

*<sup>7</sup> And when he had opened the fourth seal, I heard the voice of the fourth beast say, Come and see.*

*<sup>8</sup> And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him.*

And here we see Death is personified, and Hell is personified. These are following Death. As long as you are following Death, you are Hell—you are from Hell. Because in this Age, we have heard a Message spoken to the Bride called *Leadership*. He said, "I take for my title, *Leadership* and for my subject, *Follow Me*."

Jesus told the rich, young ruler, "Separate from all that you have." A man who was religious to the core. A nice man, rich and increased with goods, but when the Ministry of the Son of Man was revealed to him, he rejected the Ministry of the revealed Son of Man, the vindicated Word for the hour, and he chose the way of the organization and he ended up in Hell. You know the story! He came seeking Eternal Life. That's this Age: rich and increased with goods, religious to the core; rejected the Ministry of the Son of Man. And did, what? Ended up in Hell.

So, they are following Death. When they put Christ on the outside of the church, Who is Life, you could only have Death. There are only two powers: wisdom and faith; Life and Death. There are only two trees in the Garden, in the midst of the Garden: the Tree of Life and the 'Tree' of Death, which was the knowledge of good and evil – that denominational tree. You say, "Denominational tree? Was it?" It perverted the Word: "Yea, hath God said." It misinterpreted the original

Word. The false anointed one coming behind the original Word.

Did Balaam come behind Moses? Did Korah come behind Moses? Did Zedekiah come behind Elijah? Did Hananiah come behind Jeremiah? Is Matthew 24:24 to come after the true End Time Prophet? Did grievous wolves come behind Paul? That's right. You can't get away from the Bible. Did the Serpent in the Garden come behind when God gave the Word? The Beast in the beginning and the Beast at the end, through the trail of the Serpent.

*... And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger, and with death, and with the beasts of the earth.*

And we see that happening right now. Is there famine on the earth? Are the people dying by famine? There are many famines by design. They are putting billions of dollars to find nothing on the moon, to find nothing on Mars, and they will not attend to the famine there, and talk about their love for humanity. Do you understand what I'm saying? The wisdom of man, friends!

Sword – military power, taking peace from the earth. They are stockpiling more and more and more weapons. So much money is being spent to build more weapons, for more killing. The war is not for peace, the war is to enslave the world. That is what the Book of Revelation tells us. That's why when He comes to make war, then peace will come. Peace can't come until His Kingdom comes. This one is only saying, "Peace, peace," but that is deceiving the people and destroying wonderfully by peace.

*... and with death...*

Pestilence! We are being killed with the soft weapons of mass destruction that the pharmaceutical companies produce every day, and make you dependent on medicine. And the Devil tells you, "There is no Divine healing," and is keeping you sick with all kinds of

medicine that don't heal. It's the same people who sell cigarettes and say it doesn't give you cancer, and the same doctors who used to endorse it, and who have to turn around now. It's the same people who are giving us food that is deforming us and killing us. That's right!

*... and with the beasts of the earth.*

Mad Cow [a disease in cattle -Ed.] beef you are hearing about; Avian flu, bird flu, you are hearing about – beasts of the field and fowls of the air. Because you can use mosquitoes to spread plagues. You can use mealy bugs to destroy forests and crops. You can make it in a laboratory. So we know that. That's your Fourth Seal.

One more Scripture and you will have your seats. Revelation 16. So that's the uniting time. When is that Fourth Seal taking place? Now – between the Second Woe and the Third Woe, because the Eagle Prophet came out there. The fourth beast was the Eagle, (you know that,) who said, "Come and see."

Why did he say, "Come and see"? He was uncovering a Mystery. He was uncovering something in the earth that people think is of God and they are following after it. But he was coming to say, "His name is Death, and those people are Hell. Come out from among them, My people. I'm going to burn that thing with fire. You don't be among them." That's why he said, "Come and see." He was uncovering.

Because he rode without being uncovered until the Eagle's time, and the Eagle Message reveals him. The Eagle uncovered the scheme of the enemy – why he is uniting them; what time it is. Between the Second Woe and the Third Woe – a uniting time.

And Revelation 16, between the Sixth and Seventh Vial here, verse 13:

*13 And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.*

A prophet prophesies. A Beast is laying down the political administration and these things for his kingdom. A Dragon is making war on the earth. But what is coming out of their mouths? Spirits like frogs. They are saying, “No! This is for a just cause. This is to achieve so and so. This is to bring the world safer.” But what is coming out of their mouths? When you go to 1<sup>st</sup> Kings 22 with that, it’s a lying spirit.

How can the Word be so plain and people wonder? It’s in the Book of Revelation; it’s in the Book of Daniel, friends.

*14 For they are spirits of devils, working miracles, which go forth unto...*

“The poor people in Embacadere, ‘South’ Moorings”? [Place in Trinidad –Ed.] Is that what it said there?

*... unto the kings of the earth...*

Can you name some of them? Like Mr. Bush [George W. Bush - President –Ed.] in America; like Mr. Blair [Tony Blair - Prime Minister –Ed.] in England. You know the rest. Just get your encyclopedia and go through the map and... Learn to educate yourself. Learn to educate yourself; you’ll understand the Bible. Because some of these things are to...

When It says, “Kings of the earth,” and you don’t even know the kings of the earth, and you don’t even know what they are doing and what their policies are... Sometimes it’s good to read a little bit. Broaden your scope, so when you read that, it is not a word marked ‘kings of the earth’ in the Bible and you can’t get a face to it, and you can’t understand what they are doing, and what they are saying.

And then when you see the kings of the earth, know, these are deceived men by the false prophet. Then when you know who the false prophet is, then when they make a visit to the Vatican, you know they are visiting the false prophet. And when the false prophet is saying, “Peace,” you know it is three spirits like frogs – a lying

spirit saying, "Peace," if you believe the Bible, that is; if you are a Bible believer, that is!

It comes out of a mouth. Because in the Book of Revelation, the Sixth and Seventh Trumpets, it was coming out of a mouth too. Seven Thunders came out of a mouth. Light and darkness: one deceiving; one waking up. The Thunders wake up the Bride and the other one is putting the world to sleep. But we are not of the night; the night is for them who sleep. We are of the day, who are awake and walk in the Light. That one is drunkening them, but we are sober. It filters our thinking.

*... they are spirits of devils...*

He is telling you what those spirits are in the mouth.

*... working miracles, which go forth unto the kings of the earth and of the whole world, to gather them to the battle of that great day of God Almighty.*

It is gathering them. Anytime you see they talk about G8, and they talk about the industrialized nations, and they talk about the bigger nations of the world, and they are gathering together in summits, know who is gathering them; know what is gathering them. Even though it is unseen, the Bible makes it seen. That's why it is supernatural devils unseen to the eye but we see what they are doing because we see the Word says, the influence that is gathering them is this influence. It is coming out of a mouth. And we know who the antichrist, false prophet and Beast is.

*... to gather them to the battle of that great day of God Almighty.*

War! War! It's a battle. War! That's why I read Revelation 8:13: Woe, Woe, Woe. Since from 1914 until the Kingdom comes, the whole Age is war. War, war, war, war! We are in a time of trouble; all kinds of war: hot war, Cold War; business war. It is characterized by war. Time of trouble.

“But in the time of trouble, I will hide you in My Pavilion” – Psalms 27. The Prophet used it to preach *The Rapture*. [1965-1204 -Ed.] Christ came down, to do what? Take you into the Secret Place; set you upon a Rock; hide you away. Like I preached to you about ‘Zephaniah’ – ‘*Hidden Ones*’. [1996-1124am - Hidden Ones In The Time Of Trouble – Ed.] Before Maktesh fell, a prophecy went out when the invading powers of the Babylonian army, the king and his army, were coming. My! What a time, friends.

*<sup>15</sup> Behold, I come as a thief.*

While all of that is happening, while this uniting is happening, the Thief comes; the Thief comes.

*... Blessed is he that watcheth, and keepeth his garments...*

Watching for that coming and making sure, the robe that he sent Eliezer with to clothe you, you remain clothed. Why? Because a false anointed one disrobed Adam and Eve. And they didn’t keep their garments before the first spoken Word son came. And false anointed ones are going to take off the robes of many. The first bride fell. The second bride fell. The third Bride will not fall. The first two brides were seduced. She got in the bed and her clothes were off, and she received seed from the wrong person. But this Bride will not fall. She’ll prove She is not like Eve.

*... lest he walk naked, and they see his shame.*

*<sup>16</sup> And he gathered them...*

Look at verse 14. It said, “Those spirits are devils.” To do what? “To gather them to the battle.” But verse 16 says, “He gathered them.” The spirit left the mouth to begin to gather them, but in verse 16, they were gathered.

Seven Thunders left a mouth to gather a Bride, called them out of blasphemous names to the Place where He placed His Own Name. And they will be gathered also, because, “At Harvest Time, I’ll gather the Wheat; I’ll gather the tares.” That’s right. How are they being

gathered? By teaching; what comes out of the people's mouths. By a word that comes out of the people's mouths. One will get the strong delusion to believe the lie; the other one will get the Truth. They will be able to tell the difference between the Truth and the lie. Because if it is so close, even the Elect could be deceived.

*16 And he gathered them together into a place called in the Hebrew tongue Armageddon.*

May the Lord add His blessings to the reading of His Word! You may have your seats.

The best as I can go, Lord, help me to go quickly and clearly and just in the places where I need to go. There are so many places you can go sometimes but we certainly will like to try to keep a focus here.

I read these Scriptures to you because I wanted to show you, first of all, under those Woes... The First Woe, 1914-1918. The Third Woe – Armageddon. The Second Woe, World War II, 1939-1945. So 'Woe, Woe, Woe' covers from 1914 all the way to the End Time battle under the Sixth Seal. Can you see that? So, we are in the midst of the Woes. We are in the midst of the Woes.

Sixth Trumpet – Second Woe; Seventh Trumpet – Third Woe. Between the Sixth and Seventh Trumpets, the Lord comes as a thief. Revelation 10, "Behold, I come as a thief." And the Thief comes to steal, and to kill, and to destroy. And He steals Juliet, like Romeo stole Juliet. He takes His Bride away.

"Come out of her, My people. Come out of here quickly. Run for your life. Run."

"Where shall we go, Lord?"

"The Name of the Lord is a mighty Tower; run in There and be safe. The Place I placed My Name, I'll bring you in There."

"How, Lord?"

“By the call of God, the foreknowledge of God, and the Word of God.” Amen. “By Water, Blood and Spirit, I will bring you inside of there.”

Oh my! That’s what He is telling us in a time like this. And I’m speaking this in the light of what we have seen taking place, and I feel I should hit that right now (because the place is getting hot) without beating around the bush. If you understand the Scriptures I read and the comments I made on the Scriptures, I feel I could hit that right now.

Turn to 2<sup>nd</sup> Samuel 15. I feel you are anointed to receive that right now. I don’t want to speak it when you get tired and the anointing leaves you; I want to speak it while your mind is fresh, right here, quickly. Because I want to show you how these things tie right in after, to show you how—even a little deeper insight, why the Book of Ruth has been given to us.

Because when He says, “Fear not; I will do all that thou requirest,” we don’t just require marriage, friends, there are a lot of other things we require too. But marriage brings all what we require available to us, because marriage makes us joint-heirs. But as we look through the Word, we begin to see what we require.

That’s why he said, “Because that is His Wife, He will not let Her go through that time.” He said, “Which man will marry his wife and then put her through that?” He said, “Not in this Hour. He will take her out.” What? “I’ll come like a thief.” To do, what? *The* one shall be taken. Before one atomic bomb can fall, the Bride will be in Glory. Amen.

He said, “When that false church comes with State backing, the Wheat will be gathered and taken to the Garner. Before he could carry out his cowardly plot, the Wheat will be gathered and taken to the Garner. Amen? Because that’s the tares coming with political power and demon power; religious power united.

And look how they’ve brought this thing down on the world, exercising their power, and their power now, it is

clear to show it has become global. One announcement; no proof; no evidence! Do you know what it shows? The constant bombing of the mind through the fourth dimension. The prince of the power of the air demonstrates how drunk they are; the state of the drunkenness of the world, that they could just say, "Great terrorist plot foiled," the whole world shuts down; changes immediately. Why? They have no revelation. They have no revelation. And the Elect—when the Elect has been warned and forewarned of what is coming; how it is coming.

Look! 2<sup>nd</sup> Samuel 15. And if you remember my message I preached on, *The Conspirators And The Conspiracy*, because I'm taking for a title, THE CONSPIRACY GROWS STRONGER. And I'm saying, what I've seen, shows how it has strengthened and tightened its control in a greater way, and how the world, under the bombing of the mind through the fourth dimension, then it shows, the same way God brings things amongst us to test our level of awareness...

How many know Jesus was testing the level of the awareness of His Church while He was teaching them? One time, after he taught all these things, He came to a place where He had a meeting, and they came and said, "Lord, the people are hungry and we have nothing to feed them. We only have two hundred pence in the treasury." And the Bible said, He had told them before, "Go and buy bread," to see what they would do. He was testing them. And they came talking, "Well, we don't have any money," so and so and so, and they had forgotten what He was doing.

On the message, *God Being Misunderstood* [1961-0721E - Ed.] the Prophet said, "That is how they misunderstand God. God keeps doing things among people but they glory sometimes in what is being done and they don't study the reason and the purpose God had for doing that there at that time, and how that is relevant to their

preparation to the things He has spoken to them concerning the time that they are living in.” If God tells us, we are going to be raptured, then we have to watch how He is preparing us. If God comes down...

That’s why the Prophet, he stopped two-thirds of the journey, he looked back to see how he came. He watched the meetings in the First Pull; he watched what happened in the Second Pull. He was getting inspiration. He had to make decisions. He had to take certain courses of action. Why? He was watching these things continually.

It wasn’t like you sat down there and God just told you to do this and do this and do this. God was doing things. Even when the priest handed him the Book, he didn’t understand. But something was bothering him because he was so sensitive. He knew, “I need to watch that too, but I can’t seem to get any inspiration why this has happened.” Then the Voice came from Heaven.

Look, early in the Ministry, God showed him the vision with the two sowers; he couldn’t understand it. The page kept blowing to Hebrews 6; he couldn’t read it. Then the vision broke, he saw the two sowers, then he understood what was happening in the Pentecostal meeting. Is that right? Showing, God doesn’t do things ‘for so’. [Haphazardly -Ed.] If God called you and God is going to work through you and you become a channel through which Life is going to come, and you are the fulfillment of the Word of God spoken for the Age, you are born for this, then your life, every breath... God can tell you how many breaths you will take, the same way He can tell you how many hairs are on your head, the same way He can tell you your height and your stature, that you can’t even add one cubit. He could tell you where you will be in life and at what stage.

Didn’t He tell the Prophet, “You will live in a place called New Albany, when you get older, and they will be building a bridge on the Ohio River and sixteen men will fall into the water”? Did he see it happen? God was

telling him what would happen. Why? God was teaching him to, "Observe where you live, what happened in certain places; how you are growing. All of this is part..." Because this is the God of the Bible.

Didn't the Bible say, "And Isaac grew, and then he was weaned"? And the Bible said, "And the child Samuel grew, and he was growing up." And It said, "And he grew again and he grew and then the Word of the Lord was revealed to him in Shiloh." And it was showing you his growth and development. Why? It was a ministry coming. It was a work of God. It's places in the Bible where God is teaching us: "Be observant. Look at things with spiritual understanding. Examine it closely." A real believer is a close observer.

We have had a Message that tells us about the weather in this Day: "Nature will take a tumble. Men will be scorched. The seas will roar; tidal waves; earthquakes." We have had a Message that tells us about the churches: "The World Council of Churches will gather. They will put pressure on governments; bring a Squeeze. We have had a Message on armies. They have the atomic bomb that will incinerate the earth and burn it with fire.

We have had a Message that tells us about the Church, the Bride: "And She will come into Rapturing Faith." We have had a Message about the businesses of the world and the time will come, you can't buy or sell. Rome will destroy the present-day money system by calling in the paper and demanding gold, and with no gold, the system falls and the Jews will be trapped. Do you get what I'm saying? We have had a Message that covered all of these things.

This is what the Seals are all about. It has been pointed out to us. Then how is it you could have a Message that pointed out all these things and you are not watching these places? Then you don't understand the Message. You didn't understand what was said. You thought it was about short dresses, and painted faces,

and, "Come out of denomination" alone, and then after you dress right, you think you are ready to go. No, no, no, no, no. The Word has shown to us the Age, where this world came from.

It went out... When Cain went out of the Presence of God, he began to work in science. The Word told you about science. The Word told us that medicines don't heal; showed us the falsehood. They said Penicillin was something to heal you. He said, "It only creates a bedding ground for more diseases." Afterwards they had to come and realize that Penicillin didn't do anything for anybody which was supposed to be the best medicine; the wonder drug.

We have had a Message that told us about smoking, and we see the tobacco companies today have to put out billions of dollars; being sued. In an Age when a Prophet was saying it, nobody would believe. And the industry was strong but now they have to admit, through their own research, that they were exalting their knowledge above God's Word. They have to come and turn around and say God's Word was right. Amen?

We have had another who told us about clothes and how to dress. This Word taught us everything. Even at a certain time he told them, "You who live in the valley, don't eat those eggs." He said, "When they are spraying their DDT, the fowls and they pick up that cockroach, they do these things, it comes up the food chain because you eat the fowl after." They started to find out that all the toxic waste they dump in the ocean, when they catch the fish, the fish have radiation and different things in it that is breeding cancer in people. They started to realize, the air that they are breathing, with all this fuel, this lead fuel, more people are dying of respiratory diseases than anything else. The Word told us... He said, "Science is killing us."

This isn't ninety-eight percent, "Gimme, gimme, gimme," what denomination is preaching and bleeding people of their money. The Word has opened in the last

days to call a people out and raise them up. Why? It is the Coming of the Lord. It's a dark world. And the Light is pressing and the Light is getting greater, and the Light is coming with greater intensity as the Bride keeps growing and maturing, and the vision is becoming plainer and She and Christ is becoming one. You watch the Word start to come out in such a way among the people that, brother, the sick will be healed by a Word, sitting there with such faith, recognizing that's the Word of God. Amen.

Like I was preaching in the wedding yesterday, it is like taking salt and putting it in your pot; your whole pot gets salty because the salt is the salting agent that will salt up the whole pot. Well, this Word has Its own healing. Like the handful of meal, if you put it in the pot, it heals the pot. If you take the Word into your life, It heals your body from sickness, It heals your soul from frustration and depression, amen; gives you a healthy mind and a healthy body; quickens you, reinvigorates you to press the battle. Amen. The Word has that inside of It. They took a dry, dead rod and they put it into the Holy of Holies, brother, it got young and blossomed and bore fruit.

Then if Ruth is under Boaz's garment, what do you expect, that she was frustrated? No! That was rest. That was rest. All weary, laboring, depressed, fatigued, all of that was gone. Like the old man, eighty years old, you click your heels and you jump and run; you feel young again. He said, "They don't have enough room up there for me to preach. Glory to God." Oh my. Glory!

That's why we are thankful for a church rising up in this Hour. We are thankful for people who are catching the vision. We are thankful for men and women who are getting under the effects of the vision, like Isaiah in the temple. The vision was breaking in the temple. In the temple, the vision of the Lord, high and lifted up, was being broken, and Isaiah, a man with defilement, was going to get cleansed right in the temple. Because there

was living Fire in the temple and there were seraphims in the temple, and God pushed him into the temple because it was going to happen in the temple.

God knows how to get you under the effects of the vision. It was a heavenly vision. John saw it in the Bible, but now it is a vision revealed; it's a vision being fulfilled; it's a vision of the Word of prophecy for this Hour coming to pass. It's a great thing.

2<sup>nd</sup> Samuel 15:1:

*<sup>1</sup> And it came to pass after this...*

When Joab brought Absalom back!

*... that Absalom prepared him chariots  
and horses, and fifty men to run before him.*

Now in earlier Scriptures, if you remember the message and you are a Bible reader, you know Absalom was so beautiful. He was a type of Lucifer: perfect in beauty, full of wisdom, but he was full of guile.

Absalom's life in the Bible was revealed in three plots. When he was expressed, his life, when the account of him was written, it was divided into three plots. The first time he was introduced to us, he was planning the murder of his brother. The second time we saw him, it unfolded to where he plotted to get Joab to bring him back into the presence of the king. Then the third time we see him, was the way he plotted to take the throne and make himself God. Three times in the Bible, three plots. He was presented as a deceiver, a murderer; a planner to kill. And the one he was killing was the one who was firstborn and heir to the throne. Did you get that?

What is it? It is a Mystery of the Kingdom. Because who was David? Christ! 'Beloved' - 'David', Christ: shepherd, psalmist, warrior, captain, king; priest. Amen. He took the ark, set it up in the tabernacle; took it out from where Solomon had it in Gibeon, and brought it into Jerusalem. And then here he was, with the ephod, dancing; ate shewbread that was only for the priests.

Why? He was representing as though there wasn't anything written, "Out of Judah there will come a priest." That was David. He was typing the One Who is the Root and Offspring of David, Who will come out of Judah; of Whom no mention was made concerning the priesthood, but Who is going to have that united in him, all offices of Prophet, Priest and King. Because David also was a prophet. Peter called him David, the prophet. And he had the kingdom. And what happened? Absalom, one perfect in beauty, had a plan to take the kingdom.

God put that in the Bible. Why? It's a mystery. This is a shadow. I read the symbols for you in the Book of Revelation. All the Scriptures I read in Revelation: Revelation 8:13, Revelation 9:12, Revelation 11:14, Revelation 6, 7 and 8, Revelation 16:13-16 – symbols of prophecies in the Book of Revelation. What were those prophecies? A false prophet; lying spirits came out of his mouth, deceiving the kings of the earth to bring them into war against Christ, the true King, so he will become king on the earth. Is that right?

I showed you when it is happening; showed you how it is happening in the symbol. Now I'm in the shadow, in the Old Testament. When you find a subject in the New Testament, and you find a shadow in the Old Testament, your subject and your shadow must line up; it makes the picture plain.

If it is between the Second Woe and the Third Woe that this uniting time is taking place, we are supposed to look around in the earth between the Second Woe and the Third Woe and see it happening. And you know what the Second Woe was – from 1939-1945. And an End Time Prophet came, the Chief Reaper, who was commissioned after the Sixth Trumpet when Naomi went back in the homeland. Is that right?

And Boaz, the Lord of the Harvest, came down to the Chief Reaper between the Sixth and Seventh Trumpets, (is that right?) and they were speaking about Ruth.

Revelation 10:1 came to Revelation 10:7, and was speaking about Revelation 10:8-11 – Ruth, (is that right?) before Naomi gets the baby, the last half of the seventieth week. And after the last half of the seventieth week is Armageddon, where it is going to burn all the chaff and all the tares with fire and bring the Harvest to a close that He and Ruth and Naomi could go back now, and live in the redeemed inheritance.

Is that the story in the New Testament? Do we have a Kinsman – Revelation 5? Did He come down with the Book in Revelation 10? Is He claiming an inheritance that He redeemed? Is Revelation 19, He getting married to a Gentile Wife? Is He the Root and the Offspring of David? Is He the Lion of Judah, the mighty Man of wealth?

So, if that is in the New Testament, it is Harvest Time also. But when He opened those Seven Seals to the Chief Reaper, it was doing what? Showing the tares must be bundled; showing the conspiracy in the earth that is taking place; showing the great gathering of the tares and how they are being gathered.

Look!

*<sup>2</sup> And Absalom rose up early, [verse 2] and stood beside the way of the gate: and it was so, that when any man that had a controversy came to the king for judgment, then Absalom called unto him, and said, Of what city art thou? And he said, Thy servant is of one of the tribes of Israel.*

*<sup>3</sup> And Absalom said to him, See, thy matters are good and right, but there is no man deputed of the king to hear thee.*

*<sup>4</sup> Absalom said moreover, Oh that I were made judge in the land, [and] every man [that will have] any suit or cause might come unto me, and I would do him justice!*

‘I’ and ‘me’ and ‘myself’. He was not contented with his place. He was trying to get into another place. What

was Korah's problem? What was Korah's problem? He wasn't contented with his place. He sought the priesthood. This is a Mystery of the Kingdom in the Old Testament, and in the New Testament, it is showing you what is going to happen in the Kingdom.

Verse 5:

*<sup>5</sup> And it was so, that when any man came nigh to him to do him obeisance, he put forth his hand, and took him, and kissed him.*

Oh, Mr. Humility, Mr. Love and Concern, Mr. Interested, Mr. Willing to help, Mr. Willing to improve your circumstance, is not always of God. That's the enemy who knows how to penetrate people's defences. Young sisters, be careful! Do you want attention? Do you want flattery? Do you want somebody to put their hands around you and say, "Oh, you poor, little thing, I'm so sorry for what you are going through; I wish I could have carried that for you"?

If you have any wisdom you would say, "Just take your hands off of me. God is able to... God doesn't give me more than what I can bear. And I can do all things through Christ that strengtheneth me."

Do you understand? You see them come on the television, all these Absaloms, oh, like they love the Church of Christ so much. "God doesn't mind that shorts; just don't wear it to church. But after all, if you go on the beach, I mean, a dress will be really out of place there. And anyhow, we found a secluded place on the beach that only we Christians will be there." Do you get what I'm saying? No, no, no, no, no.

Is that Sis. Alleyne in the back there? God bless you. I looked twice and I saw this person I am trying to figure out. God bless you. Amen.

So, look at what is happening. Now watch. He was stealing the hearts, okay.

*<sup>5</sup> And it was so, that when any man came nigh to him to do him obeisance, he put forth his hand, and took him, and kissed him.*

*<sup>6</sup> And on this manner did Absalom to all Israel...*

All twelve tribes. The tribes. In other words, watch, Absalom was going to break the unity in the kingdom. Absalom was going to gather the tribes under his control. In other words, this one in the kingdom who is trying to steal the kingdom today, this false prophet, the man of sin who will sit in the temple and be worshipped as God; this Beast who is going to gather the kings of the earth. He is going to gather all the nations. Do you understand?

*<sup>6</sup> And on this manner did Absalom to all Israel that came to the king for judgment [on this manner did Absalom to all Israel that came to the king for judgment]: so Absalom stole the hearts of the men of Israel.*

It was a stealing of the hearts. God had sent Samuel to anoint David. Christ is the anointed. The One you see the Spirit of God come down upon in the form of a Dove, this is My Beloved Son.

But watch. That white horse rider went forth to do what? Begin to steal the hearts of the people. And in the first Age, went forth conquering and to conquer and a crown was given to him. And he became a false prophet sitting there with a triple crown. And they sacrificed the Name for titles. Is that what happened? In the church, in Heaven, in the earth; in the Old Testament. It's a Mystery.

But what we are dealing with is something that is going to happen now. Why? The falling away must come first. That Day will not come, you will not see the man of sin in the temple, until the falling away comes first. The falling away is the first part of the war. The first part of Armageddon is the falling away. Get this. Get this. This is one of the points I want to drive down, because this brings Armageddon as already starting, and this is bringing the Word of the Prophet to be true.

He said, “They are all gathering right now. I told you the other night, I said, “How many years has the Shout gone forth?” 1963, the Lord descended from Heaven with a Shout. What was the Shout for? To gather the Bride. And we are still doing evangelism, and in these last couple of years, we are still finding people in the islands, all these years after, gathering the Bride. Then if that Spirit went forth to gather and took forty years and more and the Bride isn’t fully gathered yet, the doors haven’t closed yet, then they are being gathered for Armageddon also. One is being gathered for the Rapture, to go into the Garner; one is being gathered to be burnt.

But I want you to see the deception. The lie is what gathers them; the Truth is what gathers us. Two prophets: one false and one true – Revelation 9:1 and Revelation 10:1. Both of them have earthly representatives. He had a false prophet – Revelation 16. Revelation 9:1 has his false prophet, his ‘Adam’. Is that right? Revelation 10:1 had his Adam on the earth too, in the image with dominion that could name. Glory be to God in the highest.

Are you seeing that so far? Satan’s Adam, Satan’s Eve and Satan’s Eden. God’s Adam that could speak squirrels into existence, that could name and tell them where they were and where they came from, and whatsoever he called their name, that was their name thereof – one in the image and likeness of God with dominion in the last Day. Is that right?

I don’t want to break up too much; keep your focus and your attention. So Absalom had stolen the hearts of men in Israel. The whole plan; all this nice, sweet thing. “What the world needs now is love; what the world needs is peace,” they started to sing after the bombs went forth in Hiroshima and Nagasaki in World War II under the Second Woe, the Second Trumpet. Is that right?

And now on the war on terrorism: “Let us all unite and stamp this evil out. These heathens are taking our Christians and converting them to that radical religion; taking our young boys and young girls, sixteen, eighteen years old, and making them suicide bombers. Let’s unite quickly against this evil. Look at how fast they are growing, faster than our Christian churches. Let’s stamp this thing out, these radicals.” Do you understand what I’m saying? And they see a cause, and they see an enemy, and they see a reason why they could come together to fight in that cause against that enemy.

Think now. 1<sup>st</sup> Kings 22, did Ahab see an enemy? The Syrians. Did Ahab have a cause? Did Ahab unite with Jehoshaphat? What united Ahab and Jehoshaphat? A lying spirit in the mouth of the chief false prophet and his other prophets. And that was to do what? Take them to the battle. To do what? Fulfill Elijah’s word. Do you get what I’m saying?

Kings on the earth – political power. Zedekiah and the false prophets – religious power. Lying spirits from the bottomless pit – demon power. Dragon, false prophet and Beast – religious power. Three spirits like frogs – devils; demon power. Deceiving who? Kings of the earth – political power. What is your Fourth Seal? Religion, politics, and demon power united; white horse, black horse, red horse.

What was Absalom doing here? Stealing the hearts of the people: the counsellors, (is that right?) the military men, Abiathar, the priest; Joab, the general. Is that right? Not Joab; Adonijah took Joab. But Absalom, look at how he gathered the military powers to wage war. He gathered all the counsellors – Ahithophel and them. Is that right? Why? He was thinking about setting up his kingdom. And showing himself that he is the true God-anointed king. But to do that, he had to reject David and throw David out of the kingdom.

What is Revelation 3:20? Christ is put where? Outside the Church. And 2<sup>nd</sup> Thessalonians 2 tells you who is in the temple now? The man of sin. And does it tell you why he is there? The mystery of iniquity already works. And then what happened? They had no love for the Truth; they wanted the lie. They were willfully ignorant because there were men there telling them, “David is the anointed king.” God sent Samuel; Samuel anointed David to be king.

After ten generations, the prophecy for Judah had to come. It couldn't come, so God had to give them Saul because of Pharez, the bastard that came through Tamar. For ten generations they couldn't come into the congregation. But when the ten generations ran out, God rejected Saul, the substitute king, and God sent Samuel to the house of Jesse. Is that right?

We went through that in the Book of Ruth: *From A Bastard To A King*. And what was Absalom trying to do? Remove the anointed king, the one God chose, to set himself up as king. And how did he do it? He didn't fight at first. Something was coming out of his mouth, deceiving, deceiving. He took the kingdom by flatteries. What did Daniel say? He will take the kingdom by flatteries in the last days.

Now, here's my point. Then where is all of that happening in the world today? If they are trying to establish democracy, if they are trying to get the people to have peace, to fight this radical Islamism, then that is not—in what we are being told, that doesn't exist. Is *CNN* God's mouthpiece? Is *Fox News* God's mouthpiece? Is the *BBC* God's mouthpiece? That's the mouthpiece of the tale-bearer. That's the mouthpiece of the god of this evil Age who is smiting the world blind.

That's why He said, “Come and buy Eyesalve.” Because when the Mystery is opened to you, you'll see through the lie, you'll see through the hypocrisy, you'll see through the pretense, because you know the plan.

You see Jesus and His program. You see Jesus and His program.

In the Harvest Time, the Book of Ruth opens up God's program for the Elect. In the Book of Joel, God showed you the program for the tares. And the Holy Spirit comes down in the Church and unites the two together.

Ruth 1 to 4 is what? The Mystery of the Seventh Seal between the Trumpets. Joel 1, 2 and 3 are, what? Fifth, Sixth and Seventh Trumpets; the Mystery of the Seventh Seal between the Trumpets. Esther is, what? The Mystery of the Seventh Seal between the Trumpets – the Jews going back to their homeland to rebuild the temple and wait for Messiah. Between Nehemiah and Job, the Book of Esther comes in.

And the Seventh Seal was kept secret; that's why the Trumpets were preached Supernaturally. But what does it reveal? The King choosing Esther. Esther coming into favor with the King, Esther understanding Her position, why She came into the kingdom, Esther having the Word reiterated by Hatach saying back what Mordecai had said; Esther getting faith to go into the Presence of the King to manifest the King's authority under the planned genocide.

What is the Book of Ruth? The stages She came through: justification, sanctification – Ruth deciding, Ruth serving. Ruth resting – the baptism of the Holy Ghost. Ruth rewarded – full, complete Redemption, where She leaves Her house to go to Boaz's house. Are you understanding?

Oh, Jesus! What a place to be in! What a place to be in, friends! These things have not been known for six thousand years. It was opened by a Prophet, and he spoke it and it remained sealed until you have need to see it. And then you hear it, in the time and season when the whole world is being put to sleep by the communists posing as democrats.

The Prophet said that the nation was honeycombed with Communism. He said, "I'll tell you, they will not

drop the bomb yet; they will put them to sleep first.” The Prophet said, “They will not drop the bomb yet; they will put them to sleep first.” They put the world to sleep. They drunken them. Because the same thing they condemned in Communism and Nazism, is what is coming up here now today: a military state; a police state. You have no rights. Everything is gone. It’s taken away subtly when they say, “Peace and safety.” And they got everybody afraid. And the greatest plague is fear. Only them who are made perfect in Love, have no fear. Because he that feareth, is not made perfect in Love. Perfect Love casteth out ‘some’ fear? *All* fear! *All* fear. *All* fear. Do you know why? It gives us Perfect Faith, Faith to be changed.

And that’s why when we see what He is doing for Ruth before He burns the tares and them, He is saying... And that’s why God came down, even though He gave the messages on Joel first, and I was waiting to come and preach Joel, I came that morning and said I will preach on the Book of Ruth, and the service went a certain way and the Spirit stayed right there.

Then just before this happened, during the time of the World Cup, the Spirit dropped in, *And A World Made Drunk*. [2006-0705 - A World Made Drunk From The Harlot’s Golden Cup -Ed.] and said, “Something is happening in the world. Watchman, what of the night.” I dropped the message in, then came on Sunday morning before [after -Ed.] the trip to Serbia, and dropped inside of there *The Ending Of The Harvest* [2006-0709 -Ed.] and showed the other harvest: Joel 3. All the human trafficking, all the different things that are taking place, all the armament, the arms race, and then came right back last week, *And The Threshing* [2006-0806 - The Threshing Of The Bride And The Harlot - Ed.], and I said, “Watch the terrorism.”

During that time the war rose, Hezbollah and Israel, rose there, I said, “They are highlighting terrorism,” (do you remember?) bombing the people in their minds. I said, “People talk about weapons of mass destruction

but that fourth dimension is the greatest weapon of mass destruction than all the bombs they have in the arsenals: chemical bombs, biological bombs; nuclear bombs.” Why? Because that is controlling the minds of the nations. That is destroying the way they think. That is destroying their values. That is destroying their morals. That is destroying everything about them. That is sowing them with suspicion and fear and doubt and uncertainty, and messing up their minds. That is making them children of Hell. Brother, you think about it.

And then two days after, a terrorist scare, and they clamped down the whole world. And in one day... I looked on a site there... I looked at two hundred and ninety-eight pictures when the announcement was made, (they had a site with about two hundred and ninety-eight pictures,) and they showed maybe about twenty, thirty or so airports around the world, and in every one, you were seeing the soldiers coming out. And in my mind I’m saying, “How in one day all of this could happen and be shown to the world?” And it went instantly to everybody in every airport around the world. And it shows, look at the kind of Age we have come into, even in Trinidad right here.

We have our little sister working with Continental, the name of one of the airlines they called, that they were planning to bomb. And she was telling us even of the chaos that it had in the airport because people didn’t know what to do because that pressure came down right away. Because behind the scenes, many times when it is not even reported, you have people coming... Right now, we have two Scotland Yard men, high up in our police force. Do you think they are coming to catch a drug addict on Nelson Street?

It is time to wake up, friends. Then you have the U.S. coming down there with the army and everything else. This is the Age, it’s a global world. It’s an Age of globalization. This is the Message: uniting time and

sign. You see, it is how you understand the Message, you know. Many people say, “I am in the Message, I’m in the Message, I’m in the Message.” But what they mean is, a certain kind of church that has ‘Message’ pictures of a Prophet with a Pillar of Fire, an eagle, and that is what they call ‘the Message’.

But what he said, why he was sent, what he opened, what was sealed up in the Book of Daniel and Revelation, what is happening on the earth now... Remember, when that man comes, John will know who that woman is. John will know how she drunken the nations and the kings. John will know how her destruction is going to come. John will know how she controls the world’s wealth and business and everything else in Chapter 18. John will know all of that because that Angel is the one who reveals her and calls out from her. Is that right? That is the same one who pronounced her judgment: “And the dogs shall eat Jezebel.” It’s like that we need to understand the Message.

Look at Absalom again. Verse 7:

*7 And it came to past after forty years...*

Brother, it blows the minds. You check any concordance—not concordance, commentary, they can’t explain—they are trying to explain that ‘forty years’.

Some are saying, “It is forty years in the time that David was anointed.”

“No, no, it can’t be, because he wasn’t on the throne for forty years. David ruled for forty years so it can’t be, you know, because he still had to come back on the throne and finish off long after Adonijah tried the same thing afterwards.”

They are trying to work out that forty years and they don’t know what to do. But you see, the Book is not a thing to explain everything, because these are shadows of something.

*... after forty years, that Absalom said unto the king, I pray thee, let me go and pay*

*my vow, which I have vowed unto the LORD,  
in Hebron.*

Watch him: it's a spirit of pretense. First, he flattered the people, inflating their egos, making false impressions upon them, now he was hiding his diabolical scheme behind the cloak of religion: "Let me go and pay my vow to the Lord."

"Oh, I think the Pope now will be going to Germany and Auschwitz and he is going to pray a prayer in Hebrew on the day when they are honoring the dead of the Holocaust."

And he left the Vatican and he went to his homeland in Germany and he went to the death camp, under the Sixth Trumpet where one-third part of the men were killed, one of those death camps, and he was going to pray in Hebrew. Why? The plan was to bring a German Pope, whom the Hebrews have been so inflicted with such persecution upon, that now a German Pope is going to come and show the sorrow and the sympathy and acknowledge all their wrongs. Like a Polish Pope, who was Russia's biggest ally, came and was used to break the Russian stranglehold on the Soviet Union. Do you understand?

It is strange how you can go into the Old Testament to find things. What does it do? It reveals to you that the Book is not how people read It. And that's why Seven Seals had to be opened.

Now watch this man's beauty and wisdom, whose name means, what? What does 'Absalom' mean? '*Father of peace*'. 'Absalom' means... He was the '*father of peace*'. He will destroy wonderfully by peace. He's interested in their economic welfare. He was interested in their spiritual welfare. He was interested in the things they suffer; in their persecutions. He was interested in their economic welfare. He would sympathize with every cause that the people in the kingdom had. He was trying to befriend them. He was trying to put a hand around their shoulders. It was all pretense. It was all disguised.

Jezebel's painted face; Ahab in his... It's all disguised. He is rising up in this Hour.

What did Daniel say about the little horn? Daniel talked about 'the little horn', Paul talked about 'the man of sin', and John talked about 'the Beast'. And Daniel's little horn was a little horn that rose up and was given a mouth that spoke great things and took the kingdom by flatteries. John's 'Beast' was given a mouth that even blasphemed the Most High in the tabernacle in Heaven. Paul's 'man of sin' sat there and led everybody into apostasy; put Christ on the outside and let them enthrone him as God. A mouth was given.

Did Absalom have a mouth? Were lying spirits coming out of that mouth? Was it lies to steal the kingdom to break the unity? Then what are you seeing there? They were gathering onto Absalom. That's your Fourth Seal. I'm going to give you quotes for that just now. What is the uniting for? What is 'Hell following Death'? Gathering for Armageddon – Catholics and Protestants. When Absalom came on the throne, what was that? Your Sixth Seal.

Can you see so far? Can you recognize what I'm saying? Remember, it doesn't say Enoch was the Seventh Seal, but he was. It doesn't say that Abraham and Sarah coming back young was the Seventh Seal, the Son of Man being revealed, but it was. It doesn't say that Sodom burning was the Sixth Seal, but it was. It didn't say that Joseph making himself known to his brothers was the Seventh Trumpet, but it was.

Watch now, okay.

*... I pray thee, let me go and pay my vow,  
which I have vowed unto the LORD [verse 7],  
in Hebron.*

Do you know what 'Hebron' means? 'Fellowship', 'communion', 'love', you know that.

*<sup>8</sup> For thy servant vowed a vow while I  
abode at Geshur in Syria, saying, If the*

*LORD shall bring me again indeed to Jerusalem, then I will serve the LORD.*

He was telling David that but he had a scheme behind it. The time had come to take the kingdom, to go for war, so he was making a big statement, a public statement. The press was taking the picture. *TIME* magazine and *Newsweek* and everybody was carrying it. It looked good. Like Ahab and Jezebel set up a thing and do [act - Ed.] like they weren't involved when they stoned Naboth. Watch the picture here.

*<sup>9</sup> And the king said unto him, Go in peace.*

“Father of peace, go in peace.”

*... So he arose, and went into Hebron.*

*<sup>10</sup> But Absalom sent spies throughout all the tribes of Israel...*

So while he was going up, *CNN* was going with the camera behind him, and *FOX News* was right there, and they were having an interview with the ‘holy father’ on this pilgrimage to make this vow. They didn’t know he sent spies, you know. It was not being reported that he sent spies, because this man was going to pay a vow to the Lord. This man’s public relations, was only showing him taking care of the people, taking care of the people, trying to help them set up things, but he sent spies. The Holy Spirit was revealing Lucifer in the last days: a repeat performance of all diabolical, cunning and cruelty. Except you have the Token to examine it, you will be deceived.

Watch. He sent spies. That’s military, right? That’s military! In other words, that is CIA, and MI5 and MI6, and the Mossad and, you know. That’s that. Spies, espionage, intelligence. But what does the ‘father of peace’ have to do with intelligence and espionage, when he was going on a pilgrimage, in the time when he’s about to take the kingdom and be enthroned as God to bring in the Sixth Seal? But under ‘uniting time’, it’s the deceiving time. He is deceiving everybody in the uniting time. Under the Fourth Seal, is the time of deception.

That's why the mighty Angel descended with the open Book. To do what? Uncover the enemy's scheme. Because we are in the time here when the falling away is taking place; when the false anointed one is herding them by the thousands. You see it on the television – all those bunches of people sit down there being herded into organization. Oh my!

*<sup>10</sup> But Absalom sent spies throughout all the tribes of Israel, saying, As soon as ye hear the sound of the trumpet, then ye shall say, Absalom reigneth in Hebron.*

So, he didn't really go to pay a vow, but that is what was broadcasted. And they quoted him as, "The 'holy father', 'father of peace' says that he is going to pay this vow. This is a pilgrimage." But these were really smokescreens. In war they call it 'smokescreens'. Its methods of diversion and to camouflage and to hide the real intent behind what is going on. It is normal. It's ancient.

If you just take Absalom alone, look at how ancient that is. And he didn't even have all the technology like they have today. Think of how easy, what he did there, is to do today with the whole world. Do you get what I'm saying? When you see that nice, handsome face on the television, when you see those nice words, soft and interested, and then you hear the nice hymn come up at the time and then they pause, and they flash the bank account where you can make the deposit, and then you see some scenes of different ones crying and people coming up and the crusade is like it is so blessed, and now he is going to come into another city, and you can be a covenant partner, oh, you are crying there and you are looking for your pen, and you are trying to find your glasses; you want to sign a check. [Bro. Vin laughs -Ed.] Oh, brother!

And he is now saying, "And engrave my name on my jet here, this new jet I bought. And I'm going down to Rochas [fashion company -Ed.] to get a new diamond. I found

that when they took out the picture the last time, I noticed another Minister had a bigger diamond than mine, and I'm the 'man of God' for the hour. His was eighteen carrots, I want one twenty-four. I saw a man preach in a Rolex and his ministry came off of mine. I want Rolexes."

Brother, seducing the Age. Seducing spirits... In the last days, enticing spirits shall come. In the last days seducing spirits will make men depart from the faith and turn unto fables having itching ears, heaping themselves unto teaching of old wives' fables. They will depart. They will not endure sound doctrine. That's right. Sound doctrine, they can't endure it. But It came back to us to unmask the thing.

*11 And with Absalom went two hundred men out of Jerusalem...*

Handpicked men, okay?

*... that were called...*

Two hundred men that were called!

*... and they went in their simplicity, and they knew not any thing.*

Oh, they have this man here, he is invited... The Pope is going to... The 'father of peace', I should say. It is Absalom I'm talking about, not the Pope. The 'father of peace', you know, he said, "Invite the cardinal over there so that he can go with me. And invite this Secretary of State in foreign affairs. Tell them, he'll get a special blessing. It will be a nice... The interview that he so long wanted, he will have it." And they were going up there, but these men didn't know what he was about. They were going simple-minded thinking, oh, they were around the 'holy father', the most—you know, 'father Absalom', 'father of peace'; interested in all humanity.

*... they went in their simplicity, and they knew not any thing.*

Because they were on a 'need to know' basis. Did you hear that? "You just need to know that we are going on a pilgrimage; you don't need to know anything more

than that. We have your cabin for you; we are going to give you an access card to certain places in the camp. When we have the photo session or an interview for you, we will call you and notify you because we have the whole schedule here. So everybody, you just keep your cell phone on, so when we need to contact you, we will contact you.” They were glad they were getting publicity, they were getting to air their cause, with the whole world watching ‘father Absalom’.

*12 And Absalom sent for Ahithophel the Gilonite, David’s counsellor, from his city, even from Giloh, while he offered sacrifices.*

He was having mass. He sent spies, you know, and he sent for the counsellor and he was having mass. And all the faithful people, followers, oh, they were crying, he is having the mass. But it was more than that here. This was a mystery of the kingdom.

I went through this already and I traced Absalom’s life for you: perfect in beauty, full of wisdom; how he ended up in the pit after he was killed. But I’m just taking back a little part here to show you ‘the gathering’. The lying spirits out of the mouth were gathering them for the battle. The war against David had not started yet, you know. The war against David... In other words, the war with Michael and Lucifer hasn’t started yet, but a lot of stars got pulled down already.

I’m saying, the deceiving part comes before the war. You have to fall away and join with him, to go into battle with him. The battle is Armageddon where He destroys them, but the falling away part is now going on. Why? Because that one is speaking, and he is speaking to do what? Contradict the Word that the End Time Prophet spoke.

The End Time Prophet said, “America will be burnt.” They say, “America is the most blessed land of God. How we thank God for its Presidents and we thank God for so and so and so.” You see? Contradicting... What was

Zedekiah doing? Blessing what God had cursed.  
Understand the Message!

*12 And Absalom sent for Ahithophel the Gilonite, David's counsellor, from his city, even from Giloh, while he offered sacrifices. And the conspiracy...*

What was it? What? [Congregation says, "Conspiracy." -Ed.] The Bible calls it that.

*... was strong; for the people increased continually with Absalom.*

Do you mean they were leaving David? Do you mean the anointed one? Do you mean the one ordained by the prophet in place? Do you mean the one God waited ten generations for? Do you mean after God rejected man's king? Do you mean the one who was there according to the Word of God? Think of it.

*... the conspiracy was strong; for the people increased continually with Absalom.*

*13 And there came a messenger to David, saying, The hearts of the men of Israel are after Absalom.*

David got the news: "David, you are finished. You are going to get cast out of your church. David, the whole thing has swung into Babylon."

"I stand in a hard place," he said. "Who will draw their sword?" He said, "To meet me out here, you have to go beyond the camp. There in Jerusalem, there they crucified Him." Are you understanding? It's the Age.

*... The hearts of the men of Israel are after Absalom.*

The whole world is after the system that is coming. They want peace and safety. They are not looking at the Bible. They are not looking at the atomic bomb that is going to burn the earth. They are not looking at 'after the Son of Man is revealed, the last sign is already given'. They are not looking at Israel back in the homeland. These things mean nothing to them.

Do you know why? You have religious men explaining away the value of the promised Word that was given by God. Why was Eve deceived? The Serpent came and explained It away after. Why was the second Eve deceived? Men came and preached another Jesus and explained away what Paul and they were saying. What is going to happen in the last days? False anointed ones are going to come and do the same.

*14 And David said unto all his servants that were with him at Jerusalem, Arise, and let us flee; for we shall not else escape from Absalom: make speed to depart, lest he overtake us suddenly, and bring evil upon us, and smite the city with the edge of the sword.*

That was not cowardice, you know. That was the wisdom of an experienced military strategist. He knew where and when and what time to wage his warfare. Even Jesus, the Bible said, walked no more in Judea when they began to plan something to come and kill Him. Is that right?

*15 And the king's servants said unto the king, Behold, thy servants are ready to do whatsoever my lord the king shall appoint.*

Oh my! That church was anointed. That church was anointed. They understood the hour. They understood what was happening. Amen.

Drop down to verse 30:

*30 And David went up by the ascent of mount Olivet, and wept as he went up...*

What was that a picture of? What was that a picture of? Christ over Jerusalem: "Oh Jerusalem, Jerusalem, how often have I gathered thee, as a hen that gathered her brood." Go back on your message, *A Thinking Man's Filter* [1965-0822E-Ed.], hear the same Spirit: "Oh, Laodicea, Laodicea! Oh, United States, United States!" It's exactly the same words. "How often have I hovered over you and gathered you, as a hen that gathers her brood. But one

of these days when Los Angeles slides forty miles into the ocean, a fifteen hundred mile long, three hundred mile wide chunk, falls into the Pacific Ocean, then you'll know God spoke to you. It will send waves plumb into the State of Kentucky," he said. Christ, rejected; on the outside of the church. Do you understand, friends?

I wonder if you are still caught up this morning and saying, "But Bro. Vin could preach, and he knows the Word, right?" Or I wonder if you are seeing that that same Spirit, as the conspiracy strengthens, is telling His Church, "Look at this! Understand what is happening! Don't be caught in the lies and don't have your minds messed up." We are being warned. Have your thinking filtered; have a holy man's taste. Be desperate or perish.

Don't just sit down there in the spirit of being studious alone. Because if you can see the same Spirit revealing the Word or tearing It open. I'm saying I'm preaching it in the light of to show how strong that control was. And I'm preaching this to say, you check it now and tell me where these things are happening in the earth. Because the media says it is not happening. "This is just conspiracy theorists who see a conspiracy in everything. They are really trying to save the world and make it a better place."

Why was a Prophet sent? What is the Book... When he came, the things in the Book of Revelation and the Book of Daniel that nobody could explain, and had to wait until a prophet came because a prophet sealed it up, and it couldn't be unsealed until the days of the Voice of the Seventh Angel according to Revelation 10:7. He had to be on earth where all those powers in the Book of Daniel are there.

And the Holy Spirit showed him even Eisenhower and Khrushchev in the ten toes; the two big toes. 'Khrushchev' meant '*clay*' and 'Eisenhower' meant '*iron*'. And they did a very remarkable, significant thing. In 1959, in the United Nations meeting, Khrushchev took his shoe off to get attention and beat it on the desk, and

the Prophet caught it. He said, “Did you see what happened the other day in that meeting?” And look how many times—go through the Message and look how many times he took it.

And while he was revealing that, here was the Pentecostal church saying, (they were just preaching, preaching, preaching, influenced from the Vatican,) “Fear Communism. Watch Communism. Watch Communism.” But that Angel was in the earth who told John, “Don’t you wonder after her; I’ll show you who she is.” He said, “Don’t you fear the Iron Curtain; it is the Purple Curtain the Bible tells us about.”

Did the Bible tell us to fear a war on terrorism? The Bible didn’t tell us to fear war on terrorism, neither did the Bible tell us, “Fear Communism.” The Bible tells us, “Watch Ahab and Jezebel.” When the judgment came out of the mouth of the prophet, it came on Ahab and it came on Jezebel. Is that not clear to you? When that mighty Angel came down, did He put one foot on land and one on the sea? Did Revelation 13 have two beasts: one came out of the earth and one came out of the sea? Is the first Beast out of the sea, the Roman power, and the next beast out of the earth, the American power – a Vatican/Washington alliance? Is that not the two beasts in the Book of Revelation and Daniel that will control the whole world?

To control the world, you have to control the communication networks. Then you can inform, misinform and dis-inform people. Then you can bomb their minds twenty-four hours of the day. Then you can give them twenty-four-hour sports on ESPN and keep them drunk. And then, while all the atrocities are going on in the world, nobody can see. And then you can show them what images you want in the war because the tale-bearer could breed strife; the tale-bearer knows how to tell tales.

What was the conspiracy in Heaven? Did it start with somebody telling a tale? When it started in Eden, did it

start with somebody telling a tale? When it started in the kingdom with David, did it start with somebody telling a tale? Did it promise in the last days, there will be something coming out of the mouth telling a tale again; lying spirits?

Okay, let me ask you the next question. What are some of the lies that's deceiving the whole world? "Mary is the mother of God" – is that deceiving the whole world? They have things that could deceive even Muslims. They have things that could deceive even Hindus. They could bring Hindu nations and Muslim nations under their control and get their support. They have things they could put on the people economically; they have things they could help build up their economy. How readest thou?

Was Christ rejected in the First Coming over Jerusalem, the headquarters of the church, when Sadducees and Pharisees united to give their strength and power to the Roman power and say, "We have no king but Caesar"? And Jesus wept. He was rejected; the Stone that the builders rejected. Is that right? Why did Titus come to destroy them? They rejected the Messianic Message; they united with the Roman power.

Then tell me now, is that a repeat of the last days with Christ being put out of Laodicea, and here the same Spirit was crying again, "Oh, Laodicea, Laodicea, how often have I gathered thee"? What was from 1946 to 1962? And then, "All men have forsaken me." The shuck pulled back, and then when the mighty Angel descended, it was now only to the Elect: "The world will see Me no more."

And God revealed the Mystery of Ruth: "Tell no man the secret. This is your secret. Ruth, it is your secret. Ruth, it is your secret! Look at how I'll deal with you while that is going on." And the Book of Joel shows you what is happening in the other fields. But look at what is happening in Bethlehem, with Boaz's Bride. Do you get what I'm saying? He is moving right now to get you

out to deal with that thing afterwards, because He is gathering them to that place.

The gathering was taking place already, they followeth hard after Absalom, the conspiracy became strong, all Israel went after Absalom, and David now, was weeping. Why? Rejected. He wept. Go and play the tape, *Present Stage Of My Ministry* [1962-0908 -Ed.], the Prophet cried. He wept on the tape because they had turned down the Message. He said, “You loved me when I came out with the healing; everybody wanted me. When I started to preach the Word, which was the Bible,” he said, “all men forsook me.”

Oh, friends, may God make it real in your hearts. I can't make it more real than how it is.

*<sup>30</sup> And David went up by the ascent of mount Olivet, and wept as he went up, and had his head covered, and he went barefoot: and all the people that was with him covered every man his head, and they went up, weeping as they went up.*

*<sup>31</sup> And one told David, saying, Ahithophel is among the conspirators with Absalom. And David said, O LORD, I pray thee, turn the counsel of Ahithophel into foolishness.*

“Let some nonsense drop in there. Let them mix up themselves and so on.” Why? “If not, we are dead. He will know our moves. He will know our moves. He will get us before we can even get out of here. But let it become foolishness, so we could have the escape. Because we know what he is planning. His scheme is already uncovered to us. And we know all the guile. He is taking the world into deception. We know he is coming.” If you go back to the Book of Esther, wasn't Haman coming? Sure right!

And look at verse 32:

*<sup>32</sup> And it came to pass, that when David was come to the top of the mount, where he worshipped God...*

Isn't that a beautiful thing? Weeping and being rejected, kicked out of your own kingdom – Christ; His Own Church and He is on the outside; He is going with a little remnant following Him, going beyond the camp with Him, rejected, in the city of David, itself. Remember how Jerusalem came? Remember Joab climbed the waterway [gutter –Ed.] of Millo and they captured it [2<sup>nd</sup> Samuel 5:1-9 & 1<sup>st</sup> Chronicles 11:1-8 –Ed.], and then David put the crown on and the robe and they rode in and took Jerusalem and made it the headquarters? Now look at him outside of Jerusalem on the Mount of Olives coming. Isn't Christ going to come back on the Mount of Olives?

Friends, watch something here. And while this was happening, David could still find grace to worship God. He could still find grace to worship God. Oh my! Can you have that peace in your heart? Amen. Can you have that confidence in the God you serve? Even though things look difficult for you, even though you are going through a hard, dark time, even though we have to pass through some deep, dark waters, but it will not drown us; the fire will not burn us. He will be with us. Amen. Fear not! There will be a Man here that can turn on the Light. He has already come down and is opening these things. To do what? Give you faith for Rapturing Grace; getting the Church in order to go up.

I have it right here to read. I'm finishing. I am finishing up. I know it is hot; I am trying to close. That was just the wisdom of God; I tried to jump straight into it.

... [and] *behold, Hushai the Archite came to meet him with his coat rent, and earth upon his head:*

And look at verse 37. Is that right? [Bro. Vin checks to make sure –Ed.] Verse 31 says... Look at verse 31; that was what I was trying to find.

<sup>31</sup> *And one told David, saying, Ahithophel is among the conspirators with Absalom.*

Mr. Counsel was with the conspirators with Absalom. Now watch something, friends. The conspiracy grew strong and there were conspirators with Absalom in the conspiracy to make Absalom king. Like the tribes of Israel, the nations of the earth are conspiring with their Absalom to make him king, that he could sit in the temple and they will have this great leader.

And when Nebuchadnezzar became the head of gold and ruled the whole world, and all the nations of the world were under their control, what was the next thing they did? What was the next thing they did? Set up an image that those who don't worship that image were going to be killed. Is that the Bible? The beginning of the Gentile dispensation!

Is the end of the Gentile dispensation to come the same way, when mystery Babylon conquers the world? And how did Babylon become the head of gold? What was the last nation they conquered? Israel. Israel! And they already have all Gentile nations. And why do they have Gentile nations? Because Gentile nations turned down the Gentile Prophet and went into blindness. And Israel, the last one, is going to come into a covenant for the money, and then he will set down his mark. But the Bride will go before that. Did you get that?

Verse 37:

*<sup>37</sup> So Hushai David's friend came into the city, and Absalom came into Jerusalem.*

He came to the throne; came to the headquarters. Absalom came into Jerusalem. What a picture, friends! What a picture! Oh my! We've barely got started. But watch the scene, this Old Testament shadow of the enemy's schemes under the Fourth Seal, how he comes into power under the Sixth Seal. That is what Lucifer is doing – bringing his kingdom into power under the Sixth Seal. God opened this Mystery to us.

What were the first four Seals? To show us how Lucifer was going to work to achieve his goal; how he was going to fulfill his ambitions. Because the First Seal

shows how he is going to conquer religion; First Seal. The Second Seal shows how he will conquer the resources and the nations. It's military warfare, the sword – taking peace from the earth. The Third Seal shows us, he is going to conquer the trade and the commerce and he's going to hold the world's wealth in a pact where you can't buy or sell. Because that's religion, politics; economics. And your Fourth Seal – how he unites it. Because it is conquered in an Age of globalization. All the parts of the kingdom become one kingdom under one king. One-world religion, one-world leader; one-world economy.

That's what the Bible shows you in the Book of Revelation. That is what it had in the beginning of the Gentile dispensation with Nebuchadnezzar. That is what it had with Nimrod in the beginning of the Bible. Nimrod was what? False prophet. Ham came out of the ark and changed the Word. Noah and his three sons came out believing in one God – the Creator. Then Ham went off and Ham begat Cush and Cush begat Nimrod,” and they began to divide the speech of men, and they began to inject new things into the Word.

From the antichrist spirit deceiving them, then came Nimrod... The Second Seal was what? He was the first one that took war among the neighbors. Third Seal – he began to build cities and establish strongholds; (is that right?) control economics of the world because the war was for the resources. Fourth Seal was what? And Nimrod united the whole world and made them pay homage to Babylon. And he set up his one language and one speech at Babel: “And behold the people were one and had one language.” Is that right?

Now, that's Genesis. Babylon in the beginning of the Bible, Babylon in the middle of the Bible, and Babylon at the end of the Bible – a mystery Nimrod in the last days; a mighty hunter taking the whole world. When we come to Revelation, aren't those four horse riders the

same four horse riders Nimrod went in to build that kingdom and make it one language and one speech?

Do you know how late the Hour is? When you see these deep, complicated things that people wrestled with and couldn't understand for years, are sounding like ABCs now, so clear through the Bible, showing you your Seals, your Trumpet, your Vials, so clear through the Bible when the whole Book is opened wide before our wondering eyes. To do what? Edify us and purify us and make us ready for His Appearing. Amen? Let's stand to our feet.

THE CONSPIRACY GROWS STRONGER. The conspirators are tightening their control over the nations. It was exhibited to us. It happened; it's happening. We see the prince of the power of the air, we see what he is doing to the minds of the people. Look at the mystery of iniquity how it unfolded down through the Bible. Lucifer's sin – he desired to be like God. He broke the unity between Michael and his angels. Look at the Serpent's sin – he went after Adam's wife; he was cursed. Perfect in beauty, full of wisdom, till iniquity was found in him. The Bride brought out iniquity in him.

Look at Ham's sin – he went after his father's wife in his father's tent; he was cursed. Ham was the Serpent in the new world after the flood. Because Ham begat Cush, the false prophet, and Cush brought forth Nimrod who became the Beast. Antichrist, false prophet, Beast, to set up the kingdom.

Look at Korah's sin – he was discontented with his place. He tried to exalt himself. He said, "I will be like Moses." Moses was Christ, the God-prophet who was made God to the people. "I will be like Aaron!" Aaron was Christ, the High Priest. He was cast down into the lake of fire, alive. God opened up the earth and swallowed him. He stole the hearts of two hundred and fifty princes. He pulled down one-third of the stars with

his tale. Through the, what? Gainsayings. Korah had a mouth. He led them into rebellion against Moses.

Look at Balaam: the way of Balaam, the error of Balaam, and the doctrine of Balaam. What was Balaam's sin? He lusted after prestige and power. He desired the permissive will more than the perfect will. He taught the children of Israel to commit fornication and to eat things sacrificed unto idols with the tale he told – his false doctrine.

Look at Jeroboam, the man who made Israel to sin; who destroyed the Word of God to set up a different program contrary to the original program that was revealed among the people of God. Look at Absalom, how he stole the hearts of the people. Look at Adonijah who tried to steal the throne from Solomon, the rightful heir to it, the true son of David.

Look at the Nicolaitans, how they beguiled the second bride, same as the Serpent did the first one; same as Lucifer did in Heaven – the mystery of iniquity. And in these last days, what was in infancy in the first Age... He said, "And if they couldn't stand against it in infancy, think about it two thousand years after.

My brother, my sister, but though it looked so dark, though it looked so dark, the Prophet said on the message, *There Is A Man Here That Can Turn On The Light* [1963-1229M -Ed.], I want to read it. There are two but I'll only read one.

He said: *A fellow was saying here about a couple years ago; he was down in New Mexico. I held a meeting there close to Carlsbad Caverns. You've heard of them down there... And they took a man, and his wife, and a bunch of children, went on this elevator and went all the way down to the very bottom of the pit.*

Way deep down in the earth; a cavern.

*And when they got down there, they turned all the lights off. And when they turned all the lights off, it was midnight dark. (I had them to do that over here in these gardens here ... and at one time at the--over in Colorado*

*there, wife and I, back there, was in there. And they turned them lights on--my, you put your hand like this, you couldn't see nothing.)*

When they turned it off.

*And there was a little girl standing there, and she begin screaming, "Oh..." screaming. She was scared to death it was so dark. The poor little thing was grabbing everywhere and trying to scream and holler for her papa, mama everywhere. She just couldn't stand it; it was so dark. She never seen such darkness.*

*And that's about the way it is now.*

He preached this just before he preached *Shalom*. He preached *Shalom* which was the next message after this. The one before this was—was after this, rather, in the evening, he told of the five manifestations of the Third Pull, when you see the Squeeze comes. And then the first message in 1964 was *Shalom*: the Light coming in the darkness, in the blackout Hour.

That's the time we are in, friends, when the whole world, everyone whose names were not in the Lamb's Book of Life, will worship the Beast. The whole world wondered after the Beast. They don't know it. The only way to know it, you have to see the End Time Prophet. He told John, "You don't wonder. Let the world wonder; not you. I will show you the mystery."

I'm just reiterating his words this morning, as the conspiracy grows stronger, to keep you remembrance to what he said.

He said: *And that's about the way it is now. That's right. It's so dark you don't know where to go. You go to the Methodist, go to the Baptist, go to the Presbyterian, it's all the same thing. See? Eating that old dead, rotten manna, with wiggletails in it ... same thing, some creed, "Come in and join this, and [join] that." Old creed and everything, you don't see Christ in it. See? Oh, you see self-righteous people and things. Many are fine people in there now, in them denominations. I'm saying the system, not the people in there [the system]. But you see,*

*that's what they're eating on. Tell them about it. Here's fresh Food.*

*And this little girl standing there, she's screaming [at] the top of her voice, about to go into hysterics, about like the little Bride is. But you know what, her little brother cried out, [he] said, "Little sister, [fear not]..."*

Did you hear what her brother said? God opened the Book of Ruth to you and said, "Fear not! Come closer. Take your veil off; let me pour some Things in it for you." Hear what Naomi said: "You rest, girl. This man will finish the thing this day." He is determined to get you out before He burns all those tares.

And this little girl, her little brother said: *"There's a man here who can turn on the lights." Don't fear, little Sister, there's a Man here Who can turn on the Light. He can make this Word live.*

How does He turn on a light? Make His Word known; open the Word. What is a light for? To show you where you are going, to show you the Hour; to show you the way out, to show you the thing that is coming against the church; to show you how late it is.

*... I don't know nothing about that, but He's here.*

*... [I] don't know how He's coming ... [or] when He's coming ... but He's here. And He can turn on the Lights. How [are] we going to get out of it? I don't know, but He's here, and He's the One that can turn on the Lights. Yes, sir. He is the One; He is the Light. He just makes [Himself] known; that's how He turns on the Light. Exactly right.*

What is Light? Revealed Truth. The Word is a Lamp to your feet and a Light onto your pathway. The Lord is my Light and my salvation of whom shall I be afraid. The Lord is the strength of my life. When the enemy, as a host, came against me to eat up my flesh, they stumbled and fell. He will hide me in the secret of his Pavilion. He will set me upon a Rock; I shall not be moved.

*Exactly right. It takes Christ to flash away on His Lights, and then all the darkness scatters. He separates; He's pulling His little Bride out: "I'll take a people out of the Gentiles for My Name's sake that'll have My Name." What is His Name? All right. Not Methodist, Baptist, Presbyterian, Lutheran--Jesus Christ. That's right.*

*He is the Light, the Truth, the Light. And there's no darkness in Him. And He scatters the darkness when He comes in, because He is the Word. The Word is the Light.*

*The Word is Truth, friends.*

*... Because, He spoke and said, "Let there be light," that was the Word that become light. When He speaks this, it's the Light of that age each time. ... not in a glare, but (People are living in [a] glare.), but He is the a-vindicated Word. He is absolutely the--the Light in the time of darkness. ... All these false glares and things will fade away. ... Don't fear. Turn on the Lights, His promised Word, It lives. ... "He that believeth in Me, the works that I do... he do also." Then it is the Word. "As the Father [had] sent Me, so send I you." The Father that sent Him, come in Him. The Jesus that sends you, comes in you. And the works that He did then, He does the same thing, because why? The Word is made flesh in human flesh, manifesting Itself as a Light of the day. There we are. There it is. ... showing the way to Life and the Light. [... showing the way to Life and the Light.]*

*On The Fourth Seal [1963-0321 -Ed.], he said: Notice. What is this all coming to?*

*All this Hell following Death, this gathering; this uniting time.*

*... Look what this is all coming to. What is it? It's going right back the way it did. It started in heaven; it's coming to the end time battle.*

*The first thing in heaven was a battle. Lucifer was kicked out and come to the earth; then he polluted Eden. Then he's been polluting ever since.*

*And now, from the battle in heaven, it's coming to the battle on earth, and it is to be finished at--on earth at the end time in a battle called Armageddon.*

Do you understand that? The first thing, the first part of the war was, he began to pull them down with his tale. And when he's pulling them down with his tale, it was the time the Woman was travailing in birth and pained to be delivered; She was great with Child. And She brought forth a Man-child. Ruth will bring forth a Man-child and will give it to Naomi. What a time! What a time, friends.

The first part, they went with Absalom, but we are being found gathered unto Christ. Unto Him shall our gathering be. While they are uniting together, we are uniting together. All the world could see that union but there is an invisible Union. Right now, they are being gathered for that battle, and right now we are being gathered and we will come back with Christ in that battle. And right now, while that group is riding, there is another group riding.

It is a time of great deception. This is the time of the falling away. This is the time when the whole world is being deceived, when the nations are being deceived. This is the time when those lying spirits have covered the earth, and where the Seven Voices of the Blood are speaking better things for the Bride.

*Signs of the time are everywhere; there is a brand new feeling in the air.* After we saw the flashing red light of the sign of His Coming, after we saw the uniting time and sign, after we saw the scriptural sign of the time, the last sign before the change; after we began to discern the signs, after we saw the moon blacked-out in the Seventh Age, after we saw Hell being created on the earth, that sign; after we saw the sign of the priest handing him the Book, that sign, the Day of Vengeance; after we saw the sign of the Cloud being turned, the Supreme Judge, that sign – End Time signs to prove that we are in the End Time, then get under the Token,

the only Place of safety. All Israel had to move under the Token.

That's where we are trying to see every brother and sister, every little one amongst us, everyone who has not yet had the Blood applied, because this is a time to be in the Place of safety. David fled to safety. He fled. This is the time to flee, friends. Flee to the Rock, this morning. Flee into Christ. Flee into Christ. The righteous run into It and will be safe – the Name of the House; coming and has that Name; coming by a New Birth and has that Name sealed in your forehead, that you will not be caught when the slaughtering angels are let loose. Right now, the Sealing Angel is moving through the churches to put the Bride in safety. Ruth entered into rest and came into union that Boaz could take her to his house before he burned those tares.

See the time, friends. It is a dangerous time but God, rich in mercy, is showing us His Love; how He is working, so interested to get us, that Naomi could say, "He will not rest this Day until He finishes that thing." But then, those feet will turn into brass, those eyes will be like a flame of fire when He begins to tramp the vintage, when He begins to destroy the wicked; when He begins to deal with Absalom and his host. But He is going to get the Wheat into the Garner first. He is going to get His Bride out of the way first.

He said, "We live in crucial times. It is Harvest Time, a time of judgment." He is binding them to be burnt with fire unquenchable under the Sixth Seal, but the Bride, He took up into the Mystery of the Seventh Seal between the Trumpets, the time of the Woes on the earth; a time of great trouble. Michael has come down to deliver the names found written in the Book. The Sealing Angel is sealing them in their foreheads. What a time!

Get under the Token. Ask God! Cry out for It. He wants to give It to you but you have to ask for It. Blessed are they that hunger and thirst after righteousness, they shall be filled. Ruth came thirsting. She came

expecting, she came asking, she came seeking rest, and she found that He gave it to her, full, pressed down, and running over.

Let Him take you up in this brand new feeling. Let Him change the atmosphere around you. Let Holy Fire come down and begin to burn, burn, Holy Spirit; burn every contrary thing and loose you from the grips of Satan and bring a total annihilation of sin, that you can be loosed to walk in the liberty, to walk in union, to walk in fellowship; to walk in communion with Him in this Hour.

Discern the signs of the time. Discern what the Spirit is saying to the Church. Discern the gifts in the Body. Discern the members of the Body. Don't be sick and weak and asleep; have discernment. It's a discerning time. It is a dark time, but He is turning on the Light among us. There is a Man here that has turned on the Light and is still turning on more Light. And everywhere we need Light, He is turning on the Light. That's His faithfulness towards us.

Get your loved ones close to you; get them under the Blood. God has made provisions; you can believe for them. Let God take away every contrary thing from us. Let Him break up every stony heart and give you a new heart; give you a new spirit. Let Him pour His Spirit into your spirit. That's how Ruth had to come to go to Boaz's house – she had to make a clean-cut decision; come through justification, sanctification and the baptism of the Holy Spirit, and into marriage. Those are the steps. That's the provided way.

They are everywhere and there's a brand new feeling in the air. And keep your eyes fixed, friends. What we are seeing happening, what we are hearing in the news, what we are seeing taking place among the nations, let us be sensitive. Let us be alert, watchful, vigilant, because the Devil is a roaring lion trying to devour whom he may. The watchman in the tower is saying, (as

the people cry, "Watchman, what of the night?") "The morning cometh and also the night."

In a time of great darkness, the Light is shining. Amen. God is separating Light from darkness in this Hour. Make sure you are with the Light. Make sure you are with the Wheat being gathered together, my brother, my sister. Make sure you are not among the tares because they shall be burnt under the atomic bomb. But the Bride, who has the Holy Ghost and Fire burning in Her soul, is changing Her, that this mortal will put on immortality.

Oh, believe it! Believe me as His servant. Even though you don't fully understand all these things, believe me as His servant. I speak His Word, in the Name of the Lord to you. Amen. I'm saying what Elijah already has said.

[#429 - Songs That Live -Ed.]

*... are everywhere*

Oh, and there's a brand new feeling...

*There's a brand new feeling in the air,*

*Keep your eyes...*

This is your Convention right here, already beginning, friends. You can receive Him today. You can receive deliverance this morning. While the Holy Ghost is here, while He is close, while He is present, while He is calling upon you, while He is drawing you, amen, you draw near unto Him.

*Redemption draweth nigh.*

Oh, sing the chorus again: Signs of the times... We see all the End Time signs. The last one was the Dove coming down to lead the Eagles. Hallelujah! You don't want any leaven in your life. Purge out that leaven today. Let Him break every fetter, every chain around your life. Let the Holy Ghost loose you. Amen. Let the Holy Ghost give you that extra measure that you have need of, to rise up into an overcoming life, where you are no longer just wondering what is going on; you can see what is going on.

*Keep your eyes upon...*

You will see those angels coming again. You'll be caught up in that Cloud. Hallelujah!

*... your head,*

*Your Redemption draweth nigh.*

Forty years after!

*Years of time have come and gone.*

Since I first heard it told,

*Since I first heard it told,*

*How my Jesus...*

Oh my! It is the story of the Bible!

*... would come to earth again.*

Ruth saw Him coming in the field.

If back then it seemed so real,

*... so real,*

*Oh, then I just can't help but feel*

*How much closer...*

Can you break through all the negative, all the darkness, all the demon power and sense how close the Coming is, friends? Do you see life signs in the Body? Abraham could recognize it; he knew he was in the cycle. Hallelujah!

*Signs of the time, oh, are everywhere,*

Now, don't wait for me to call an altar call. If you need to be at the altar, you come to the altar. Amen. Hallelujah! Get right with God. This is the Hour, get your lamp trimmed and filled with Oil. The ones who have the Oil are the ones going in with Him, friends. The Door will shut one of these days. We don't know when but we know it surely will. But while today we hear His Voice, harden not your heart. Recognize His Voice; understand the call. Feel the Spirit drawing you, Ruth.

*... skies,*

Look at that Cloud hanging there.

*Lift up your head.*

Is that what it means? Was that those Thunders? Was that those Angels coming? Is that the end of time Seal? Do you hear the Trumpets sounding in the land?

*Wars and strife on every hand,*

That's the Trumpets, the Woes: World War I, World War II – birth pains upon an earth that is dead and dying. To do what? Give birth to a new world. Give birth to a new Age, a Millennium Age; a redeemed inheritance where Boaz and Ruth and Naomi can go back into.

*... doubt*

That He would come again,

*... again,*

Abraham saw the Coming. Ruth saw the Coming.

*But the Word of God is true.*

To them that look for His Appearing, He'll appear another time, friends.

*He redeemed you chosen few,*

What a place we are in this morning, to hear what we are hearing.

*Don't lose hope,*

Don't lose hope; that is the expectation.

*Soon Christ Jesus will descend.*

*Signs of the times...*

Earthquakes in diverse places; men's hearts failing for fear. Two years ago the tsunami shook the planet, forty years after the Alaskan earthquake. All nature is groaning and travailing. And look at 2005 and 2006, what the Holy Spirit revealed in this church. Hallelujah! Do you have discernment? Do you understand?

*... the air,*

For seven months He held you in the Book of Ruth.

*... upon the Eastern skies,*

Consoling you, drawing you close to Him; letting you know it is a time of threshing. Yield, let Him thresh you. Let Him thresh you. Let Him bring the separation in your life. It is a sign that you are Bride. It is a sign He is getting you ready to go in.

Your Redemption draweth nigh. Your Redemption draweth nigh. What are the Seven Seals? His Redemption; the Kinsman Redeemer coming with the

Book of Redemption to reveal the hidden secrets of Redemption; to gather the Redeemed in the Day of Redemption between Intercession and Judgment, hallelujah; when the Sealing Angel will go forth to seal after the Message Angel's Message; before the slaughtering angels come that will clean off the earth.

Are we in that time? Do you see the world drunk? Do you see the world in darkness? Do you see the world deceived? Do you see nations are being lied to day and night? Who is the source? The 'kosmos', the course of this world; the arrangement; the order. He calls it, 'a kingdom Lucifer has built; an Eden'. It's an order; it's an arrangement. The world is by design. It is to bring a world leader over the kingdoms of the earth.

It's happening under your Fourth Seal. It is taking place between the Sixth and Seventh Trumpets, between the Second Woe and the Third Woe – a time of great trouble when the earth is in birth pains, when war is predominant on the earth; when the world is again falling apart. The Presence of God is unrecognized. But the Thief: "Behold I come as a thief," in-between there the Thief comes. In-between there the Thief comes! Romeo gets Juliet. *The* one shall be taken; the other shall remain. Recognize, friends, you recognize, in this Hour.

I came to church on Friday night, after looking at what happened the two days before, and when I came, two-thirds of the church wasn't in the church. I just kept quiet. I had preached the little message, *Getting Ready For The Rapture* [2006-0811 - Making Ready For The Rapture – Ed.], had prayer and went home, because I didn't want to get on the wrong side of the people. But right there I saw the ignorance of the people, because if they had seen that, five o'clock or six o'clock, they would have been here, the place already filled. You would have wanted to hear what the Spirit was saying; what is happening. If they had understood *The Ending Of The Harvest* [2006-0709 -Ed.] ...

You see, a lot of people misunderstand the Book of Ruth. You can't fully understand the Book of Ruth without the Book of Joel. Do you know what you see in the Book of Ruth? Nice, sunny days, nice field, reapers in the field, Boaz; Ruth leaning on His bosom. You are not seeing the Beast, you are not seeing the kings of the earth, you are not seeing the other things in the same Harvest, so in your mind, you are in a little, fluffy world.

But Boaz appeared between the Sixth and Seventh Trumpets. Boaz appeared between the Second Woe and the Third Woe. Boaz appeared when the Thunders were being revealed between the Trumpets and the Vials. Boaz appeared... After He was rejected when the seed—the shuck pulled back to reveal the seed, Boaz appeared in a time when it was judgment. That was what Ruth saw, friends. Threshing is judgment. The Church is going through their purgatory here. God is purging you so you don't go through Tribulation. When He is burning under the Sixth Seal, you will already be in the Garner, but you are going through yours here. Understand the Word right.

Brother, sister, because on that Day, it will be too late for many of you who are walking around trying to bluff yourself. Don't play an Absalom. The spirit of Absalom is a bluffing spirit; it's a pretending spirit. This is the Hour to be sincere, brothers and sisters. This is the Hour to know, "Lord, am I ready? Lord, am I going? Lord, what have I done with Your Word? Lord, do I understand what the Spirit is saying? Lord, how can I claim to be Spirit-filled and can't understand what the Spirit is saying to the Church? Lord, is the Spirit the Inside Teacher? Is the Spirit to lead me and guide me into all Truth?"

When you have the Spirit and you hear these things, friends, you get strong, you get focused; you get about the Father's business. You can't sit down; you get desperate when you have the Spirit. Because it takes the Spirit to reveal, to set us in order. We know it is late

but how late? When the Word opens, we see how late. We know the Coming is close but how close? When the Word opens, we see how close because the modern events start to get clear; start to get clear.

And then that proves we are coming into union. Because look what is happening on the outside. Look, Hell is following Death. Look, Ruth was following Life. Heaven, Ruth, was following Boaz. Her soul followeth hard after Him. She thirsteth for the Living Boaz, as the hart panteth after the water brook. She went to the threshing-floor. She had made a clean-cut separation. She knew the Moabite life was a hybrid, perverted life; she separated totally from it. A lot of you who are claiming to have the Holy Ghost, you are hanging around the Moabite life still. You have Moab's fashion; you have Moab's hairstyle. You are hybrid; perverted.

Ruth made a clean-cut separation. She didn't follow Naomi, you know, she wanted the God of Naomi. Naomi was the link to that God. She said, "Your God shall be my God." Orpah followed Naomi but then when the next step came to follow the God of Naomi, Orpah went back to her god, but Ruth went on to Naomi's God and found Redemption. Boaz said, "Under the God of Israel, Whose wings you've come to trust." He told her where she was trusting – not in Naomi; "Under the wings of the God of Israel." Trust under His wings today, my brother, my sister. We have come to the end.

We don't know... Last year, we put on a Convention and a storm blew it away on the last day. We don't know what is going to happen. He might start on the first day and just blow it away, we don't know.

The people who have to travel, they are going to come, they will be searched thoroughly there, they will be searched here, and while they are waiting to go on the flight after they go through security, they are going to be searched again. So, what they are coming for is not a nice thing. Last year they packed differently to come; they have to pack differently this time. God gave an

Eagle here a little vision. He came long before. He came before the storm could rise, our Bro. Sutherland, here; flew out of the nest quickly.

This is a strong wind blowing through here this morning. You need these kinds of winds when you are threshing. You need a threshing instrument when you are threshing. You don't thresh with rubber gloves; it's sharp things that you thresh with, where you have to separate Wheat from chaff.

You have to be able to identify the fleshly things in your life. You have to be able to identify the things in your life that are keeping you back. You have to be able to identify the things in your life that you are putting too much emphasis on. You have to be able to identify the things in your life that are getting you into temptation and sin. You have to be able to identify these things, friends. May we be ready.

Let's bow our hearts. *Come Holy Spirit I need thee. Come sweet Spirit I pray. Come in Thy strength and Thy power. Come in Thine Own gentle way.*

This great One that we sing to, Boaz, this lovely One Who can just come and soothe you. Let His Love break up your hearts. Let His Love make you let go of the world. You don't want to cheat on Him. You don't want to play [pretend -Ed.] that you love Him: "Oh, I love Boaz," and you still love a little, few things that Lucifer has to offer. No, no, no. You want to give Him your heart, and your soul, and your all, then you are going to find this victory we are talking about. The tremendous victory is in the Love Divine, not phileo love; in the Love Divine; in the Holy Ghost. That's the Holy Ghost.

Come Holy Spirit, let's just sing it softly as we go to pray; prayerfully all around the building, all in the rooms. Don't be walking around now; just join with us here. Let's be in one mind and one accord here, knowing that the angels of God are among us. The Presence of the Holy Spirit is here. I'm not just saying that. That is

nothing but the truth, because He opened that Word like that and made It so clear to us.

[#217 - Songs That Live -Ed.]

*Come Holy Spirit, I need You,*

Friends, if I need the Holy Spirit so much, and can still preach the Word like this, don't you think that you really need it? Do you think I'm talking like one who doesn't need it? I need more of Him in my life. That's why I know people are missing it because I don't know if I can preach the Word like that; I still need It so much.

*... Power, O Lord,*

*Come in Thine Own gentle way.*

Can you make it a little more personal than that? Sing to the Holy Spirit as though you are just talking to Him; the One that you love; the One that you are surrendering your heart to right now. If you draw nigh unto Him, He will draw nigh unto you. You are His children. The only reason He has opened His Word to you is because you are His children. If we were not meant to be Bride, He wouldn't show us these secret things. But Bride has chaff that they have to separate from. The Bride is promised the fullness of the Holy Spirit. The Bride has to be the overcomers of this evil Age: the lust of the flesh, the lust of the eyes and the pride of life. To him that overcometh, will inherit all things.

*Come in Thine Own gentle way.*

One more time, every hand raised around the building: Come Holy Spirit. And you are not asking Him to come in the service; you are asking Him to come into your hearts. That is what we are singing. He is already in the service; He is close. You ask Him to move into your hearts and give you overcoming grace, open your vision and make it clear; break the shackles around your life. Just ask with faith. Just confess what He says. Just be in dead earnest. You don't have to get emotional about it, you have to get sincere about it. He hears a

sincere prayer. He sees the truthfulness from the inward parts.

... *O Lord,*

*Come in Thine Own gentle way.*

As the musicians continue to play softly, now all of you who are here at the altar, I want you in your heart as a believer, because I see mostly believers here... If there is a stranger and you feel that you can't get through to God, we can pray with you. But as believers, you need to recognize something in your life that's missing, something you want more. You have, but you don't have all that you can have. If you have areas in your life that you want God to touch you in certain places, to do things for you right now, then you can have that. With thy faith and the power of thy true confession, you try Him and see.

Sometimes you think that He wants to give it to you through me or through some Minister, but He wants to give it to you through you. He wants a personal relationship and contact with you yourself, with nobody in-between, because every son and daughter has access to the Throne. We are not under the Aaronic priesthood; some man has to go in for you. The Man, Christ Jesus, already did that. But you have access to come with boldness before the Throne of grace. And God sees your confession.

To you who are standing there in your seats that are in need also, you too do the same. God will respect you when you respect Him. God is not about trying to keep it away from you; it is about trying to give it to you. He desires your corporation. He wants you to meet Him in His Word. He wants you to line up in obedience and submit to what He says. He wants you to let go of your will and surrender your will to His will.

And if you can conceptualize that, if you can catch that this morning, then it will be very easy to pray and believe that you have received. And the Angel of God, whether in the service or will pass through your

neighborhood, He will do it for you, friends. Because that prayer goes up to God through the Blood. God has respect to it. That's what we are taught. That's what we know to be the truth. That's for believers.

And Eagle to Eagle, just lay your hand on the person next to you, as a believer, and let's have faith in God, and let's know that this God we serve is God, the one true and Living God, the Lord Jesus Christ. There is a Man here, the Chief Engineer, the One Who designed the Church, and knows what it takes to put it into Rapturing condition. That's the One that's here. That's the One Who can turn the Lights on to get the Church in a Rapturing condition. Not me; Him. I'm pointing you to Him, as the Prophet pointed you to Him because He is present. King Theophany, Jesus, He is here amongst us now.

We have Ministers here; I want them to join with me in faith. We have deacons and trustees and workers and helpers; I want them to join with us in one mind and one accord. And all through this Assembly, we have men and women that God has given a measure of faith because we are a Church, a church-family here. We are a people that God has dealt with in such a unique way, that we can come together and believe like Rahab for her household. And in this household of faith, we can see deliverance be wrought in lives here because this is a Branch from the very Root of that original apostolic Church coming out in the last days. We can ask; we have that privilege.

Our gracious Father, how great Thou art. How excellent is Thy Name in all the earth! How we thank You today that we don't have to walk in some imagination, we don't have to be stirred by some emotion without understanding, but You have come down and You have opened the Scriptures, You have shown us the time and the seasons, You have shown us the modern events, and You have made it clear that we could see it through the eyes of the vindicated prophecy

of a Prophet, the Seventh Angel, that You sent to us, that opened the Seven Seals, and pointed out, to us, the things, oh God, that is to deceive the world in the last days, and to make a way of escape for the Elect.

And dear God, we have seen these things as it continues to unfold. Here at this very moment, it is growing stronger in the earth. Like David, he told his little group, "Let us flee." Where could we go but to our Lord. Like that man, when the pressure was coming down, and the avenger was coming to take his life, there was a provision of grace, a city of refuge that the righteous can run into and be safe. We have a High Priest, Who by the power of an endless Life, ever-liveth to make intercession, that we can remain there all the days of our lives because we have a High Priest that will never die.

Oh God, as we recognize this in this weary land, (a Rock in a weary land, a Shelter in the time of storm,) we see the oncoming storms of judgment, but Your grace to us today has been outpoured in such abundance. It is just because of the time, that we are unable to continue on, and the heat and the wear and tear upon the fleshly bodies that we are in, but God, we can see, through the inspiration, what the Spirit is saying so expressly unto us, then we realize this is a time when the Holy Spirit is being poured out.

You said that You will baptize with the Holy Ghost and Fire. Your fan is in Your hand in that very Hour, and You are purging Your threshing-floor, then You will gather Your Wheat in the Garner. We know this is the season for the baptism of the Holy Ghost. We know this is the season for the Token to be applied and have to be on display.

And oh God, as we see these things, Lord, we ask, Father, for more of You. We ask, oh God, Lord, that Your Light will shine in our lives, in places where we can empty out completely, oh God. We are coming without reservation, laying down our heads, laying down our fat;

laying down our inwards. Wash it with water, oh God. Wash our feet; we want our walk to be right. We want our desires to be right. We want to love You with all our heart, all our mind, all our soul; all our strength, oh God. We want to walk before You and be perfect, oh God. We want the Mind of Christ to be within us.

Oh God, may You, Lord, breathe upon us. Breathe upon us, oh God. Oh breath of the Living God, like Ezekiel's vision of dry bones, Lord, we prophesy unto the wind. Let the breath come into the Body, oh God. Let there come such a surge of the Holy Spirit into the hearts of the hungry that You will fill them, oh God, and raise them up to live and walk in victory in the power of the Spirit. Pour out those six measures in the scarf, as it were. Lord God, there is no more fear, and no doubt; they can rest knowing that You will finish the thing this day. May You grant it, oh God.

You see everyone, Father. You know the places in every life. You know, oh God, how You have dealt with each one. You know what You had to be said and how You had it to be said, oh God, that it might affect different lives in different ways, that we will be sensitive, You are speaking to us. You are calling us to come up higher. You are calling Your Church to rise on higher ground.

God, You know our circumstances, You see the problems some of us are faced with, but we stand flat-footed in the midst of our circumstances, and we confess that You are more than able, and we pray for Your leadership, we pray for Your power and Your wisdom, that You will guide us, how to deal with it, oh God, that Your Word can be acting out through us, and Your Word can be mighty to the pulling down of strongholds that we can see a great, mighty work wrought, dear God, that the things concerning us, oh God, all can come into order and into the place where it ought to be in this Hour. Make us co-workers with You that You might finish this plan of Redemption. Bring

this realization so clearly that we will know it is You in us fulfilling Your Own Word that You left for this time.

And Lord, I pray, where there are lives gripped, minds trapped in darkness, souls under condemnation, people chained and shut up, I say, in the Name of Jesus Christ, house of Hell, give way to the Name of Jesus Christ. We are chosen vessels bearing that Name. Almighty God, break every fetter and every chain, and turn loose Your children, oh God. We condemn the work of every evil spirit that tries to deceive and lead them astray, and tries to blind them; hold them in darkness. Your Light has exposed these things today.

Oh God, let the church be the Church. Let the Church rise in power, Father. And oh God, as the rest of the members of the Body are coming over for this uniting time, oh God, Father, we pray that, Lord, even as it is already ascending in a higher order, service after service, all the way through until we leave here, oh God, we will see it rising higher and higher as the Headstone comes down into the Church and You cap off the pyramids of our lives, and a great surge of the Holy Spirit raises the Church up, oh God, Lord, to walk in such power and grace, and You can fulfill all that You promised, Father.

The strangers and visitors in our gates, be gracious and merciful to them. They don't hear these things in denominations. In their minds, it might be hard for them to grasp some of it, but You have ways: You work in mysterious ways; Your wonders to perform. You will not bring somebody here to leave them blind. Your Presence is here. Lord God, let them not leave the service the same way that they came in. May You add to the Church such as should be saved.

I commit this church into Your gracious, Your mighty, Your all-powerful hands. Let them abide under the shadow of the Almighty. Hide them in Your Pavilion in this time of trouble, in the Secret Place, beholding Your beauty. Like You took Ruth into a secret place and

You hid her in Your Presence and, oh God, she could behold Your beauty, Father. Oh God, so let it be, Father.

In times of trouble and inward struggle, and when it seems it comes to the end of the way, oh God, taking Your direction; we are longing for perfection. Let us rise up, oh God, and be healed today. Let us rise up and be delivered today. Let us rise up and walk in victory today. Let us rise up, laying every weight and every sin aside, and going forth without unbelief today. Let us rise up and be filled with the Spirit of God and become a witness of You today, dear God.

We lift our hands in Your Presence. We lift our voices and we say, "Thank You, Jesus." Glory be to God in the highest. We worship You Lamb of God. Thou art worthy to be praised; worthy to receive glory and honor. Thou art almighty. Thou art from everlasting to everlasting. Oh, what have we to dread, what have we to fear, leaning on the everlasting arms. We have blessed peace with our Lord so near. Thank You, Jesus. We praise Your Name, oh God. Oh, glory be to Jesus. Thank You, Lord. Thank You, Lord. Thank You, Lord. Thank You, Lord. Hallelujah.

Let's sing that song: In times of trouble... God bless you. Go back to your seats. Go rejoicing; go praising Him. Amen. Believe Him, friends. Let the Angel of God have His way in your life. Obey His Voice. Amen. Do not provoke Him to anger. Amen. God's Name is in Him. He has come to bring you into the place He has prepared for you. Hallelujah! 363!

[#363 - Songs That Live -Ed.]

... *and inward struggle*

*When it seems the end of the way,*

Take His direction this morning, you who are longing for perfection. Let us go on to perfection.

... *to feel...*

He said, "I have got the hand of the chief engineer in my hand, sister. Don't you fear. He is near."

... *I'm in Your Pavilion.*

I will hide you in My Pavilion under that Seventh Seal,  
in the secret of My tabernacle. I will set you upon a  
Rock.

*... carry on,*

Oh, in the Secret of His Presence, His Parousia.

*... beholding...*

*Oh, in God's Word I'm reading...*

In the Book of Ruth, in the Book of Joel, we see it.

*... how my life is leading,*

Onward, *onward to that beautiful shore.*

Oh, we feel them all around us today.

*I'll greet the saints...*

Oh, with a Love that is bathing down from that  
dimension – the Holy Ghost; Perfect Love.

*... is waiting there for me.*

*But until then, I'll stay in Your Pavilion*

*There I'll find the strength*

*I need to carry on;*

Oh, God bless you, God fill you; God's Presence  
overflow in your life; never leave you nor forsake you.
