

### ONE GOOD TURN (1931) starring STAN LAUREL and OLIVER HARDY

Seeing America! Mr. Laurel and Mr. Hardy have cast off all financial worries! Total assets—one Ford, Model 1911—one tent, Model 1861—one Union suit, two shirts and three socks. Alas! At one camping spot along the way, while Ollie is doing the laundry, Stan trips over a tent rope and the tent falls into the fire. Alas again! As a last resort to extinguish the blaze, their kettle of soup is used. No shelter—no food. So they humiliate themselves and beg for food, at the home of a kindly old lady who fixes a meal for them.

While they are eating, they overhear an excited conversation between their benefactor and James Finlayson. It seems that Mary Carr cannot pay what is currently due on the mortgage—and Jimmy plans to throw her out. The \$100.00 she had saved for the payment has been stolen! What the boys don't know is that this dialogue is all part of a play to be presented by the Community Players, and Mary and Jimmy are in the cast.

Rising to the occasion, they rush out and drive their Model T into

the business district where they attempt to auction it off. But failure tops off what was almost a success because of Stan trying to inform a deaf old man of the time—and Ollie takes it to be the high bid. And in the process, a wallet—belonging to Billy Gilbert—turns up in Stan's coat pocket—and Ollie accuses him of stealing it from Mary Carr. Stan denies this, but Ollie drags him back to the house and reports to Mary of his erstwhile friend's dishonesty—only to be told that what the boys had overheard was nothing but a play rehearsal, and that nothing had been stolen. At this point, Stan goes on the offensive and after Ollie. A very good Laurel & Hardy Comedy. A Blackhawk Films/Hal Roach Release.

### IT HAPPENED ONE DAY (1934) starring CHARLEY CHASE with BETTY MACK

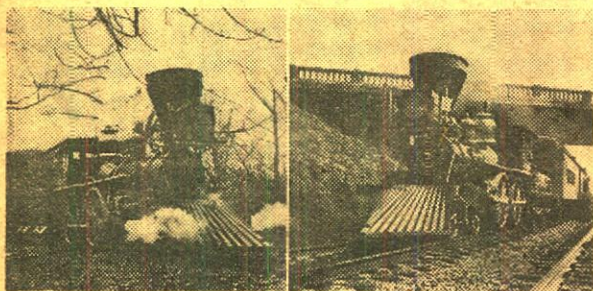

Here is an outstandingly good Charley Chase comedy made the same year as Frank Capra's great feature film, *It Happened One Night*, with the consequent play on the title. Through a most unlikely chain of circumstances, Charley, on the way to report to a new job, keeps tripping up the man (Oscar Apfel) who is president of the company that is to be his new employer. Neither of them know it.

Charley reports in, meets all the boys in the office, and gives them a typical Chase speech on success. By the time everything he has said has filtered through the grapevine, the boys have him about to be married to the boss' daughter. Then, when Apfel hears this report and sees just who the new man is, he's eager to get him out of town—and Charley is sent, post haste, to head up the Long Beach office.

Until then, he'd never met the boss' daughter (Betty Mack), but it just happens that Betty has been in Long Beach and is on the way to the

station as Charley gets off the train. They meet. Charley has a problem with a mail box, accidentally sets off the fire alarm, but finally escapes—just in time to read a telegram before the Los Angeles train leaves. He's been ordered back to L. A. He catches the train. Betty invites him to sit with her, Charlie borrows a dry suit from a bridegroom—which turns out to be completely formal including a top hat—they're then thought to be newlyweds—and by the time Betty's father meets her at the train, he's sure he has a new son-in-law. At the office, Charley is so introduced—and the boys all think Charley has accomplished all of this during one business day at the new job—including being made a member of the firm and being recipient of a \$5,000.00 check as a wedding present! A Blackhawk Films/Hal Roach Release.

### RETURN of the GENERAL

In 1962, commemorating the centennial of the famous Andrews' Raid of the Civil War, the Louisville & Nashville Railroad refurbished the famous little locomotive, The General, and reenacted the legendary event, The Great Locomotive Chase. Following this, The General was sent on a barnstorming tour through L. & N. territory, and into other parts of the country as well.

Our film, completely filmed in both black and white and color versions, pictures the highlights of this reenactment, and of the barnstorming trip through a number of eastern and midwestern states.

Details of the rebuilding of the locomotive—many of its operating features of 100 years ago that were retained—new features that were added to make its present-day operation practical and safe—are all effectively shown. There are many shots of the locomotive in action—close-ups of the drivers and other exterior details. Here's a film of special appeal to both rail and history fans, and one Blackhawk is proud to offer.

825-37, 8mm, color version, about 200-feet, 11-ozs. **\$19.98**

### THE TRAGIC PLUNGE starring PEARL WHITE ONE OF THE ORIGINAL "PERILS OF PAULINE" (1914)

It has been several years since Blackhawk has released a chapter from the original "Perils of Pauline", and we have been receiving more frequent requests for more of them.

This chapter is an unusually good one from this very early serial, longer than most and a story thread that is easier to follow, and with some rather unusual props for the day.

Made before World War I, it has to do with the fascinating woman spy, Miss de Yagow, who is out to capture inside information about U. S. submarines. Pauline's guardian, Koerner, sees in Miss de Yagow a valuable ally. Thinking that both of them can benefit—Miss de Yagow by sending the sub to the bottom—Koerner by Pauline's demise aboard the submarine.

The submarine commander, Lieutenant Summers, invites Pauline to come aboard for an escorted tour. But Miss de Yagow's henchman has also found a way to get aboard and a bomb is set off sending the craft to the harbor bottom. Things look hopeless when a way is found to escape through the torpedo tube—and Pauline is first to go, getting safely to the surface, and alerting the navy.

A diver is sent down with an air line which, somehow permits the sub to surface, the spies are caught and everyone else happily reunited!

### ADOLPH HITLER CHAPTER FOUR—THE FALL OF THE THIRD REICH

The final chapter in the series of four making up the biography of Adolph Hitler opens with the showing of his problems on two fronts—the Soviet Union and North Africa. Rommel was in trouble and Hitler refused to send reinforcements. Next came the German disaster at Stalingrad.

The following June 6—1944—was D-Day and the Allies invaded Normandy. The same month, American troops liberated Rome. There was a plot by high German officers against Hitler's life—but things did not go off as planned. Mussolini and Hitler met for the last time, and Mussolini told Hitler, "What has happened today gives me new courage." But in less than a year Mussolini's corpse will hang by its heels in the street of Milan.

The trial of the conspirators against Hitler's life is shown—the concentration camps—the celebration of Hitler's fifty-fifth birthday. But Allied Armies were closing in on the Third Reich—the British and Americans from the West and the Russians from the East. Hitler was trapped.

In the winter of 1944, the Germans counterattacked. This "Battle of the Bulge" was Hitler's last gamble—and the gamble failed. Allied Armies pushed across the Rhine and into Germany. The Red Army penetrated the outskirts of Berlin. Eva Braun took poison—Hitler put a gun to his mouth and pulled the trigger. In the end, Adolph Hitler destroyed his nation and himself.

810-454, 8mm, silent version, about 350-feet on 2 reels, **\$11.98**

### ADOLPH HITLER CHAPTER III—THE TIDE BEGINS TO TURN

The German Blitzkrieg smashed through Poland, Hitler then commanded German armies to march across Europe—France and England would be conquered. But Denmark, Norway and Holland must be conquered first, and Hitler unleashed mechanized warfare upon them. Then the Nazi Panzer Divisions pushed into Belgium, where they were challenged for the first time by French and British troops. The war was now engulfing all of Europe.

Allied Armies withered under German attack—300,000 French and British troops were trapped at Dunkirk. Hermann Goering wanted the glory of annihilating the surrounded troops—and Hitler gave permission. The Luftwaffe failed in the job—and the British and French escaped by sea. France surrendered. Hitler again turned to his Luftwaffe and ordered his air force to bring Great Britain to her knees. For long months the tiny island reeled under the Nazi blast. Then, the R. A. F. saved Britain.

Hitler was stunned by the reversal. He decided that the conquest of Britain could wait. Instead he turned toward the East, invading Russia. His German armies slashed through the Soviet Union deep toward Moscow and Leningrad. At Berchtesgaden, Hitler escaped the savagery of war with Eva Braun. But the battles on the Russian front permitted the Führer little time for romantic pleasures. Japan then attacked the United States. This news staggered Hitler, for he had hoped to keep America out of the war for another year. Adolph Hitler now began to understand that he was fighting for his life.

810-453, 8mm, version, about 275-feet, 14-ozs. **\$11.98**

### ADOLPH HITLER CHAPTER II—WAR COMES TO EUROPE

Millions of Germans hailed Hitler as the man who could lead them to greatness. The others were either afraid to oppose him, or they just did not care enough. Germany was under his heel, but Hitler's lust was not yet satisfied.

Hitler was dictator of Germany, Hermann Goering, a former drug addict, became economic dictator and head of the Air Force, the Luftwaffe. Joseph Goebbels, professional anti-semitic, attached himself to Hitler's coat tails as propaganda minister. Books were burned—the Jews, a helpless minority, were persecuted—the trade unions were smashed—Germany enjoyed good times. In 1936, a small Nazi force marched into the industrialized Rhineland . . . and met no resistance although the French and British were then strong enough to crush the Germans. Hitler met Italy's dictator, Mussolini, and together they decided to embark upon daring military adventures—and share the spoils of war.

In 1938, Hitler's armies swept through Austria. Munich—and Hitler was given almost a fourth of Czechoslovakia. Hitler entered into a non-aggression pact with Russia. Then he unleashed his blitzkrieg against Poland. Adolph Hitler was now committed to a desperate course. Either he must conquer all of Europe, or he and his Third Reich would be destroyed.

810-452, 8mm, version, about 350-feet, 14-ozs. **\$11.98**

### ADOLPH HITLER CHAPTER I - HIS RISE TO POWER

In 1938, on the eve of the Second World War, Adolph Hitler holds the power of life or death in the city of Vienna. Years before, he had shuffled through these same streets, a penniless and embittered vagrant.

Our film, the first chapter in a series of four, traces Adolph Hitler's early years from Braunau-Am-Inn, Austria, where he was born in 1889, as a choir boy in a Benedictine Monastery, troubles with his father, his desire to become an artist, problems with his teachers, his quitting school at age 16 to become a loafer, a flophouse bum. Then came World War I which brought Hitler an escape from years of frustration. He revealed in carnage—was awarded the Iron Cross for bravery.

Hitler returned to a post-war Germany that was seething with violence. Hitler was a paid informer—he found excitement in revolutionary scheming—was a ruthless street corner agitator. He soon took over the party. Its name was changed to the National Socialists Party, or the Nazi Party, and its program was designed to lure the disgruntled lower class.

He trained a gang of street brawlers to be his own private army and vowed that he would take over the government. His Munich "putsch" was a failure and he was sentenced to five years in prison, but served only eight months. There he wrote "Mein Kampf".

He rebuilt the Nazi Party, challenged Hindenburg and boasted, "Now I have them in my pocket." He campaigned against Hindenburg and, in a free election, lost. Hitler then resorted to violence and Hindenburg capitulated, making Hitler chancellor.

The Reichstag building went up in flames. Hitler found a logical scapegoat—the Communists! Hitler demanded dictatorial powers and got them legally. A nation's freedom was surrendered to a tyrant. Said one historian, "The gutter has come to power."

## THE DAREDEVIL (1923)

starring **BEN TURPIN**  
with **MADELINE HURLOCK**

In this Mack Sennett comedy of 1923, an abridgement of the original two-reeler, Ben is the hero, Madeline the vamp and Harry Gribbon the director. The whole story line deals with a movie studio devoted to the production of comedies and Ben goes from a William Tell sort of role where his coonskin cap is furrowed, into a huge studio water tank where he is anchored, with the water rising. At this point, sounds of an authentic fire alarm reach the company, and director, cameraman, crew and cast chase the horse-drawn fire equipment—leaving Ben to his fate. Naturally, Ben escapes, and arrives at the scene of the real fire in time to stage a spectacular and heroic finish!

## MIDNIGHT PATROL (1933)

starring **STAN LAUREL and OLIVER HARDY**

In this one, Stan and Ollie—for a change—are on the side of the law! They're policemen on night squad car duty. Now from that point on, almost anything you might imagine about their duties as patrolmen wouldn't be too far afield. One of the first episodes finds Stan as the unwitting accomplice of a burglar. Before the boys realize that he's more foe than friend, he's almost made off with the squad car. Another episode finds them called to investigate an attempted breaking and entering at one of the imposing homes

in the nicer section of the city. As policemen, our boys can wreck a place just as easily as they can in civilian clothes, and *Midnight Patrol* carries forward to a highly satisfactory slapstick climax. A Blackhawk Films/Hal Roach Release.

640-68, 16mm. optical sound version, about 750-feet, 3-lbs. **\$39.98**

## HEDDA HOPPER'S HOLLYWOOD No. 1 (1941)

A particularly timely release following the recent passing of the colorful Hedda Hopper—one of a series of films made in the early 1940's dealing with personalities and events on the Hollywood scene.

This first issue, shows a colorful Palm Springs parade in which appear a number of Hollywood names. This is followed by a sequence showing a visit by Hedda Hopper to William S. Hart on his southern California ranch, his gun collection and many other mementoes.

The final sequence pictures Hedda on the stage for a rehearsal for the famous Kay Kyser's College of Musical Knowledge which was a top-popularity program on the air at that time. Ginny Simms sings, and all of the other members of the Kyser gang are on hand. A Blackhawk Films/NTA Release.

630-140, 16mm. optical sound version, about 350-feet, 2-lbs. **\$22.98**

830-113, 8mm. magnetic sound version, about 175-feet, 11-ozs. **\$12.98**

## LOST IN THE NIGHT (1913)

starring **PEARL WHITE** with **CHESTER BARNETT**

Pearl White is remembered today almost completely because of the many serials in which she starred beginning, in 1914, with *The Perils of Pauline* and ending, in 1923, with *Plunder*. But from 1910 to 1912 she was seen in many one-reel films made by Powers, Lubin and Pathe.

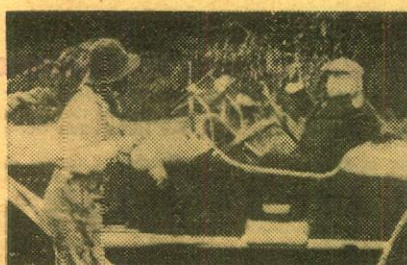

Late in 1912, the Crystal Film Company announced that she would henceforth appear exclusively in their productions—quite an accomplishment for Pearl in a period when few players were even known to the public by name. During the next year, this series of Crystal one-reelers provided a new subject for the nickelodeons almost every week. And if *Lost in the Night* is a fair example, this group must have been unusually satisfactory productions.

In pace and suspense this film struck us as being unusual for its time. It deals with a jewel necklace in the custody of a guest at their home turning up missing from the wall

safe. (Pearl, addicted to walking in her sleep, has removed it from the safe and dropped it into a spot in a hollow tree on their property.) Pearl's husband, Chester, assumes responsibility, mortgages the home to repay their friend for the loss, and a year later, when the mortgage becomes due, finds himself unable to make the payment. However, the tension of this situation apparently has its effect on Pearl, for that night she retraces the path of a year before, and is discovered by her husband with the jewels in her hands—yet almost in a trance. Naturally, everything ends happily for everyone concerned.

## THE FOUR GUN BANDIT (1919)

starring **PETE MORRISON** with **MAGDA LANE**

In keeping with our policy of heeding requests from our friends and customers for bringing out examples of the work of the Western and comedy stars who achieved popularity somewhat less than a Hart or Mix, or a Chaplin or Lloyd, we're happy to offer *The Four Gun Bandit*.

Pete Morrison came to the movies in 1908. About the time of World War I, he began being featured and starring in a long line of two-reel Westerns, serials and features at Universal—and for other companies. *The Four Gun Bandit* is an altogether enjoyable example of a two-reel

Western of this post-World War I period. Aimed at the remaining nickelodeons and for the Western houses, it has all the entertainment elements then considered necessary for that type of theatre. It is presented by Blackhawk just as it appeared in the theatres upon its release July 5, 1919.

810-431, 8mm. silent version, about 350-feet on 2 reels, 14-ozs. **\$11.98**

620-168, 16mm. silent version, about 700-feet on 2 reels, 3-lbs. **\$34.98**

## LOCAL COLOR (1916)

starring **TOM MIX**  
with **VICTORIA FORDE**

Here is a one reel Tom Mix film from the Selig era that is a Western that is long on comedy. The word at the ranch is that a young woman writer is coming out from the east to get some "local color" for a new book. The boys decide that they should cooperate, so they organize all sorts of activity that would seem typical of a lawless West to make sure their visitor gets plenty of what she's looking for.

They even trick her into a fake wedding with Tom—but Tom and his cowboy friends have really been taken on that for the fake minister turns out to be a real one! Complete and of generally good quality.

810-462, 8mm. silent version, about 200-feet, 11-ozs. **\$6.98**

620-170, 16mm. silent version, about 400-feet, 2-lbs. **\$24.98**

## WILD GOOSE CHASE

Our jumping-off spot is Moosonee, end of the line and about 800-miles north of the U. S.-Canadian border in northern Ontario. Nearby, a few houses make up Moose Factory, the trading post of prospector, Indian and sportsman where the Hudson Bay Company has been established since 1670.

Off to hunt wild geese, our party takes to the air for a fast hop to the vast feeding grounds on the James Bay marshland. Early the next morning the chill air brings out heavy parkas. To reach the goose feeding grounds, the hunters must travel six miles in large Hudson Bay canoes. What a sight! There are blue geese, snows and Canadas by the tens of thousands. The Cree Indian guides are great hunters and excel in the art of decoy, snare and trap making. The weather is just right—squally, nippy, overcast—and the birds are on the move! The law permits the white man five geese per day, and the season runs six weeks. There's no wasteful slaughter, and for each one killed, thousands get away! A Blackhawk Films/NTA Release.

810-469, 8mm. silent version, about 175-feet, 11-ozs. **\$5.98**

630-141, 16mm. optical sound version, about 350-feet, 2-lbs. **\$22.98**

## MAKERS of MELODY (1929)

starring **RICHARD RODGERS**  
and **LORENZ HART**

The famous song-writing team of Rodgers and Hart are shown back stage during the production of one of their musicals of the late 1920's. The show's press agent brings in a young woman writer who wants a story about their song-writing experiences for one of the big newspaper syndicates. Hart tells her they can give her the story if she has the time, but that it might take two or three days. The girl says, "Fine!"—if they'll tell their story to music—which they set out to do in their numbers, "Manhattan" featuring Ruth Tester and Allan Gould, "The Girl Friend" with Inez Courtney and Allan Gould, and "Blue Room" with Kathryn Reece and Robert Cloy.

This is an extremely interesting musical sketch because of Rodgers and Hart, but also in the manner of the presentation of the numbers from the 1920's. A Blackhawk Films/NTA Release.

640-108, 16mm. optical sound version, about 600-feet, 3-lbs. **\$34.98**

830-111, 8mm. magnetic sound version, about 300-feet, 1-lb. **\$24.98**

## EAST IS EAST (1916)

starring **FLORENCE TURNER**  
with **EDITH EVANS**

Florence Turner first appeared in the movies for Vitagraph in 1906. She became such a prominent member of the Vitagraph stock company that she was known as "The Vitagraph Girl". When Mutual Film Corporation was founded in 1912, Miss Turner left Vitagraph to appear in Mutual movies. With the coming of the feature length film in the years just before World War I, her career reached its zenith in the series in which she starred.

*East Is East* was a most unusual film for its time, a production filmed by an American company in England—and during World War I, at that. Its theme is the usual rags to riches, climb to success formula so very popular during the early years of the century.

The production is complete in its original form with original titles intact, and it is presented just as it appeared at the time of its initial release by Mutual on November 9, 1916.

810-445, 8mm. silent version, about 1000-feet on 5 reels, 2-lbs. **\$29.98**

620-98, 16mm. silent version, about 2000-feet on 5 reels, 6-lbs. **\$99.98**

## EARLY DRAMATIC and WESTERN SHORTS

(1909-1915)

with some of the greatest  
stars of the Silents!

### AN ARIZONA WOOLING (1915)

with Tom Mix

A one reel western produced by Selig. "An Arizona Wooling" went into release through General Film Company in May, 1915. It is presented by Exclusive Features in the early 1920's. Mix plays the role of a cowboy unpopular with local ranchers because he is raising sheep on a cattle ranch, and is equally disliked by "Mexican Joe" who is vying with him for the love of a girl.  
810-370, 8mm. version, 200-feet, 12-ozs. \$6.98  
620-158, 16mm. silent version, 400-feet, 2-lbs. \$24.98

### THE BATTLE (1911)

with Blanche Sweet and Charles West

Here is one of the significant early Griffith films, and a very definite forerunner of "The Birth of a Nation". Filmed in 1911, a cast of tremendous size provides the pageantry and the battle scenes, many of which would not have appeared out of place in that masterpiece which came along four years later.

810-349, 8mm. version, 200-feet, 11-ozs. \$5.98  
620-150, 16mm. silent version, 400-feet, 2-lbs. \$24.98

D. W. GRIFFITH'S

### THE BATTLE AT ELDERBUSH GULCH (1913)

with LILLIAN GISH, MAE MARSH, LIONEL  
BARRYMORE and ROBERT HARRON

"The Battle at Elderbush Gulch" was the "master's" try at a Western, and in its two reels he came out with a build-up of suspense and tension perhaps not rivaled in a film of this type until John Ford's "Stagecoach" some twenty-six years later.

810-328, 8mm. version, about 400-feet on 2 reels, 14-ozs. \$11.98  
620-130, 16mm. silent version, about 800-feet, 3-lbs. \$34.98  
640-31, 16mm. sound version with organ accompaniment, about 800-feet, 3-lbs. \$39.98

D. W. GRIFFITH'S

### THE FEMALE OF THE SPECIES (1912)

with MARY PICKFORD, CLAIRE McDOWELL,  
DOROTHY BERNARD and CHARLES WEST

Since neither cast nor credits were listed in Biograph films, Mary Pickford in 1912 was known to her movie public only by any of her various nicknames. Billed as a "psychological tragedy", this is a classic tale of infidelity, jealousy and three women alone in the desert. The finding of a lost baby boy brings about peace—illustrates the vagaries of "the female of the species".

810-330, 8mm. version, about 225-feet on 1 reel, 11-ozs. \$6.98  
620-132, 16mm. silent version, about 450-feet on 1 reel, 2-lbs. \$22.98

### HIS WIFE'S SECRET (1915)

with G. M. ANDERSON, MARGUERITE  
CLAYTON and LEE WILLARD

"Broncho Billy" Anderson in a non-"Broncho Billy" film... in the role of a burglar who steals into the apartment of a wealthy couple and becomes involved in a domestic fracas. An effective and mature presentation for its time, this is one of the outstanding Essanay subjects of the period.

810-318, 8mm. version, about 175-feet, 11-ozs. \$5.98

### KNIGHT OF THE TRAIL (1915)

starring WILLIAM S. HART

This is one of Bill Hart's action-packed two reels—with Bill cast as Jim Treen, supposedly Canyon City's most eligible bachelor, but in reality the local stage bandit. When fiancée Molly discovers Jim's "altair ego" she breaks the engagement and promises to marry Carey, the mining promoter. But Carey proves to be the cad, and Hart the hero.

810-277, 8mm. version, about 350-feet on 2 reels, 14-ozs. \$11.98  
620-89, 16mm. silent version, about 700-feet on 2 reels, 3-lbs. \$34.98

D. W. GRIFFITH'S

### THE LONEDALE OPERATOR (1911)

with BLANCHE SWEET

One of the earliest productions that Biograph made on the West Coast. It offers many innovations, for its time, in production techniques. For rail fans, it has some excellent shots of Santa Fe American-type locomotive No. 9, a unit built in the 1870's and which was scrapped by the Santa Fe in Topeka in 1914. And it has quite a bit of the flavor of railroad of the day.

810-167, 8mm. version, about 200-feet, 11-ozs. \$5.98  
620-25, 16mm. silent version, about 400-feet, 2-lbs. \$22.98

D. W. GRIFFITH'S

### THE RENUNCIATION, or DIVIDED LOVE (1909)

with MARY PICKFORD, JAMES KIRKWOOD,  
HARRY SALTER and BILLY QUIRK

One of the early Griffith films for Biograph—and one of Mary Pickford's early appearances, too! This is the story of the rivalry of two chums (a term of the period) for the affections of Mary, a new arrival at the mining camp. But how, when this rivalry almost breaks up their friendship, they find that Mary's heart belongs to a city dude and they aren't even in the running. A close-up of Biograph's trade paper announcement of the original release of "The Renunciation" is included in the opening introduction.

810-354, 8mm. version, about 200-feet, 11-ozs. \$6.98  
620-147, 16mm. silent version, about 400-feet, 2-lbs. \$24.98

### THE RUSE (1915)

with WILLIAM S. HART

In this Thomas H. Ince-produced two reeler, Hart is a prospector who has just struck it rich, and goes to the big town to make a deal. He gets involved with a crooked promoter, and with the promoter's secretary—but nobody puts anything over on Bill—not on your tinfoil! He's a tough customer—in the big town and in the wide open spaces!

810-226, 8mm. version, about 300-feet on 2 reels, 14-ozs. \$9.98  
620-43, 16mm. silent version, about 600-feet on 2 reels, 3-lbs. \$34.98

### UNDER ROYAL PATRONAGE (1914)

with FRANCIS X. BUSHMAN  
and BEVERLY BAYNE

This famous romantic duo met at Essanay Studios and became a real life team in 1912. In 1915, they left Essanay for Metro where they starred together in many films until the time of World War I, when divorce shattered their marriage and their careers. This one, made by Essanay, is a Graustark-like mythical kingdom romance.

810-274, 8mm. version, about 400-feet on 2 reels, 14-ozs. \$11.98  
620-86, 16mm. silent version, about 800-feet on 2 reels, 3-lbs. \$34.98

D. W. GRIFFITH'S

### THE UNWELCOME GUEST (1913)

with MARY PICKFORD

Mary is cast as an orphan girl placed with a family whose members have hearts of stone. Only poor Grandpa, who is the "unwelcome guest", shares Mary's beggarly treatment at the hands of the family, but Grandpa and Mary find happiness after all when Grandpa finds a lot of money that had been hidden away by his late wife.

### AT THE MERCY OF THE FLAMES

(A Chapter from "The Woman in Grey", 1919)  
starring ARLINE PRETTY and HENRY G. SELL

The seventh installment of this production, this chapter is presented in its entirety, and has some thrilling action in a mansion fitted with secret doors—automobile chases—the mad pursuit of an open trolley car—and the capture and binding of a beautiful blonde heroine in a building deliberately set on fire. A typical and exciting "cliff-hanger".

810-336, 8mm. version, about 400-feet on 2 reels, 14-ozs. \$11.98  
620-138, 16mm. silent version, about 800-feet on 2 reels, 3-lbs. \$39.98

### CLIFF-HANGING MOMENTS FROM THE SERIALS

with WILLIAM DUNCAN, EDITH JOHNSON,  
ARLINE PRETTY, HENRY G. SELL  
and EDDIE POLO

Scenes from "The Steel Trail" (1923), a fifteen chapter serial which had William Duncan cast as a hard-punching construction engineer, are from one of Universal's primitive coming attraction trailers of the period. Edge-of-the-seat suspense is created in the climactic segment from "Burning Strands", chapter nine of "A Woman in Grey" (1919). The excerpt from "Captain Kidd" (1922), in which Eddie Polo played the role of a wealthy man who had been shanghaied aboard the ship, the Albatross, has Eddie and the boat's crew in a desperate battle with the notorious pirate, Captain Kidd, and his band of cutthroats.

810-428, 8mm. version, about 200-feet, 11-ozs. \$6.98  
620-106, 16mm. silent version, about 400-feet, 2-lbs. \$24.98

### THE DEATH RAY

(A Chapter from "The Exploits of Elaine", 1915)  
starring PEARL WHITE with CREIGHTON  
HALE and SHELDON LEWIS

An early example of the science-fiction type of subject. Although pretty elementary science-fiction, this film is a vivid example of the great strides being made in the movie industry at the time—particularly when compared to "The Perils of Pauline" which preceded it.

810-207, 8mm. version, about 400-feet on 2 reels, 14-ozs. \$11.98

### EXCERPTS FROM "THE LURE OF THE CIRCUS" (1919)

with EDDIE POLO, MOLLY MALONE, EILEEN  
SEDGWICK and CHARLES HILL MAILES

With a circus background as well as the atmosphere of a booming oil field, the highlights revolve around Eddie Polo as "Eddie Somers", the hero, part owner of the Great Western Circus and a trapeze artist of some repute, who finds himself the middle-man in one near disastrous situation after another as he fights, not only for his share of the circus against almost insurmountable odds, but takes on enemies of his father who seek to ruin the elder man's good luck in an oil field venture.

In the production of "The Lure of the Circus", the Sells-Floto facilities were used as the circus background in the opening chapters, while Barnum & Bailey provided settings for the closing episodes. In our introduction of the characters, and in explanatory titles bridging the gaps between the sequences, we have filled in the story thread to a degree that the over-all plot is quite evident and each sequence is thus meaningful.

810-361, 8mm. version, about 825-feet on 4 reels, 2-lbs. \$24.98  
620-159, 16mm. silent version, about 1650-feet on 4 reels, 5-lbs. \$99.98

PANZER and CRANE WILBUR

Pauline goes to a watery grave in this one—almost! Taking boy friend Harry's boat for a short spin, engine trouble develops and the boat stalls in the U. S. Navy's target range. Boat full of holes and sinking fast—Pauline ties a note to her dog's neck and sends him ashore to safety. Pauline does survive, and after this narrow escape decides to dispense with adventure and marry Harry!

810-311, 8mm. version, about 300-feet on 2 reels, 14-ozs. \$9.98  
620-117, 16mm. silent version, about 600-feet on 2 reels, 3-lbs. \$34.98

### GODDESS OF THE FAR WEST

(A Chapter from "The Perils of Pauline", 1914)  
starring PEARL WHITE with CRANE  
WILBUR and PAUL PANZER

In this wild adventure tale, Pauline arrives in Montana to visit a friend—and to recuperate from her harrowing experiences in her first "Peril". But she hardly leaves the railroad station when she is snatched by some villains and carried off to a new adventure with the Indians!

810-229, 8mm. version, about 475-feet on 3-reels, 2-lbs. \$13.98  
620-45, 16mm. silent version, about 950-feet on 3-reels, 4-lbs. \$44.98

### THE HOODED HELPER

(A Chapter from "The Iron Claw", 1916)  
starring PEARL WHITE with CREIGHTON  
HALE and SHELDON LEWIS

The fourth of the famous Pearl White serials, "The Iron Claw" showed slicker and more elaborate production. This episode, "The Hooded Helper", is filled with sinister characters, Oriental armor, mysterious sliding panels, thrown daggers! But Pauline survives it all!

810-280, 8mm. version, about 400-feet on 2 reels, 14-ozs. \$11.98  
620-92, 16mm. silent version, about 800-feet on 2 reels, 3-lbs. \$34.98

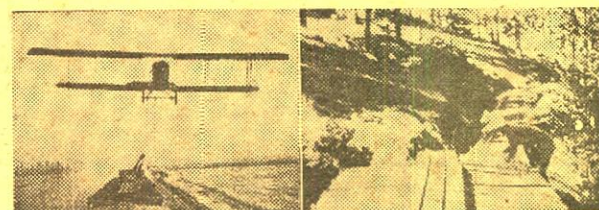

### THE LIFE CURRENT

(A Chapter from "The Exploits of Elaine", 1915)

HALE and SHELDON LEWIS

The hero gets framed by the villainous "Clutching Hand". Thinking he is plotting against her, Elaine rejects the hero, and goes on an errand to an abandoned house. The hero follows her on a dangerous trail that eventually leads to an abandoned sewer and rescues her just in time by administering the "life current".

810-150, 8mm. version, about 250-feet on 2 reels, 14-ozs. \$8.98

Douglas Fairbanks at his smiling best! It's the story of a Yankee engineer who goes to a revolt-ridden Caribbean country because of a smile from the President's daughter. The revolt is no match for Doug's wit and vigor and he ends up with the country in the palm of his hand—and the girl as well.

## D. W. GRIFFITH'S AMERICA (1924)

**featuring NEIL HAMILTON, CAROL DEMPSTER and LIONEL BARRYMORE**

This story of the Revolutionary War was adopted from one written by Robert W. Chambers. It was produced by D. W. Griffith at the Griffith Studio at Mamaroneck, N. Y., with outside sequences filmed on the Shirley and Westover plantations along the James River in Virginia, and in Williamsburg—a decade before Williamsburg's restoration. It is presented in 8mm. form substantially as it was at the time of its initial release.

## AMERICAN ARISTOCRACY (1917)

**starring DOUGLAS FAIRBANKS with JEWEL CARMEN**

"American Aristocracy" was Doug's tenth film in the series he made for Triangle in the period from late 1915 to early 1917, and is one that offers considerable to today's viewers from the standpoint of the manners and points-of-view of a half-century ago, not to mention the sport roadsters, seaplanes and motor cruisers of the day.

Down the years, pirated prints of "The Birth of a Nation" have been struck from old 35mm. release positives, and 16mm. circulation prints have been duped. This is the first time, however, that the complete version has been available for purchase with license under copyright and all pre-print material taken directly from the original 35mm. negative. Top quality 8mm. prints are thus to be had!

## D. W. GRIFFITH'S BROKEN BLOSSOMS (1919)

**with LILLIAN GISH, RICHARD BARTHELMESS, and DONALD CRISP**

Released in the spring of 1919, Broken Blossoms, the last of D. W. Griffith's supremely great films, is as tender and sensitive a production as "Intolerance" and "The Birth of a Nation" are spectacular, and Griffith's skill for using the camera to bare the hearts and emotions of his characters is at the best in this story.

## THE BLACK PIRATE (1924)

**starring DOUGLAS FAIRBANKS**

Douglas Fairbanks became one of the most popular stars of the screen in action-filled light comedies in the early years of the feature picture, but it is his series of historical adventure films of the 1920's for which he is best remembered today.

## THE BLOCK SIGNAL (1926)

**with RALPH LEWIS, JEAN ARTHUR and HUGH ALLEN**

The story of a railroad engineer nearing retirement, his involvement in a wreck and consignment to a spot of crossing flagman. And of his daughter with whom an ambitious young fireman and a highway engineer are both in love. Of course, for rail buffs the story is only incidental, because of the extensive amount of Santa Fe motive power of trains of the 1920's that are shown.

## BURN 'EM UP BARNES (1921)

**starring JOHNNY HINES with J. BARNEY SHERRY, EDMUND BREEZE, GEORGE FAWCETT, JULIA SWAYNE GORDON, RICHARD THORPE, HARRY FRAZER, MATTHEW BETZ**

"Burn 'Em Up Barnes" is a fast-moving and down-to-earth comedy of the type for which Hines became famous and, of course, the climax is an auto race with Johnny the winner. It's a film that is an excellent example of its period, and one we can highly recommend.

## THE BUSER (1919)

**with CHARLES RAY, COLLEEN MOORE, and JOHN GILBERT**

Made by Thomas H. Ince in 1919 for release by Paramount in the second year of his contract with that organization, this short feature presents Charles Ray at the peak of his career, and Colleen Moore and John Gilbert near the beginning of their respective climbs to the pinnacles of motion picture fame and popularity.

## THE DISCIPLE (1915)

**with WILLIAM S. HART, DOROTHY DALTON and ROBERT McKIM**

Here's one of the off-beat Western roles that was somehow typical of Bill Hart—the Sky Pilot whose wife is lured away from her rather drab existence by the dashing and debonaire operator of the town's saloon. However, there's nothing tame about the way Hart handles it. "The Disciple" was the first William S. Hart production made by Thomas H. Ince to be released as a Triangle Play in November, 1915.

## D. W. GRIFFITH'S HEARTS OF THE WORLD (1917)

**with LILLIAN and DOROTHY GISH, ROBERT HARRON, KATE BRUCE, GEORGE SEIGMANN, ERICH VON STROHEIM, NOEL COWARD and BEN ALEXANDER**

In 1917, the British Government asked D. W. Griffith to make a propaganda picture on behalf of the Allied War effort. "Hearts of the World" was the result. Filmed in both France and England, and completed in the United States, it proved to be one of Griffith's most popular films. And it brought to Lillian and Dorothy Gish, and to Erich Von Stroheim, added impetus to their careers.

## FLIRTING WITH FATE (1916)

**with DOUGLAS FAIRBANKS**

"Flirting With Fate", Douglas Fairbank's seventh film, hit the screens of the country's growing number of movie palaces in the summer of 1916. In less than a year, so sensational had been Fairbank's rise to popularity, he was one of the top stars of the screen. (The original 35mm. negative was available for the preparation of our pre-print material. Prints are excellent.)

## HIS PICTURE IN THE PAPERS

**(1916) with DOUGLAS FAIRBANKS**

This film is typical of Fairbanks in the years before the costume pictures. And, it is rated as being the picture that established Fairbanks in the movies. The film is action almost from the start, and is one we can unconditionally recommend to every collector.

810-275, 8mm. version, 800-feet on 5 reels, 3-lbs. .... **\$24.98**

620-87, 16mm. version, 1600-feet on 5 reels, 6-lbs. .... **\$99.98**

## THE HUNCHBACK OF NOTRE DAME

**with PATSY RUTH MILLER, NORMAN KERRY, ERNEST TORRANCE, TULLY MARSHALL, RAYMOND HATTON, KATE LESTER, BRANDON HURST, NIGEL DE BRULIER, WINIFRED BRYSON and GLADYS BROCKWELL**

Here is the great Lon Chaney feature of 1923 complete and substantially as it was when it was first released. While Chaney had first attracted more than casual attention in "The Miracle Man" in which he appeared at Paramount in 1919, it was unquestionably his performance in "The Hunchback" and in "The Phantom of the Opera", which followed at Universal in 1925, that laid the groundwork for his highly successful career at M-G-M for the remainder of the silent era.

## D. W. GRIFFITH'S INTOLERANCE (1916)

**with a cast of thousands including LILLIAN GISH, MAE MARSH, ROBERT HARRON, MIRIAM COOPER, CONSTANCE TALMADGE, ERICH VON STROHEIM and BESSIE LOVE**

In this mighty film, considered by many film historians to be one of the greatest pictures of all times, D. W. Griffith, in four separate stories, attacked intolerance and bigotry through the ages, bringing the epic to the screen with film techniques far advanced for the times, and with some of the most expert direction in motion picture history.

## THE MATRIMANIAC (1916)

**starring DOUGLAS FAIRBANKS with CONSTANCE TALMADGE**

This Douglas Fairbanks feature picture of 1916 is one of the last of the long series he made for Triangle after coming to the screen in 1915. It is an excellent farce comedy, at many spots coming very close to slapstick. Triangle released this subject as a five reel feature, although, in footage, it is barely four reels in length. For your convenience, and for economy, we have redivided this subject onto four reels—without making any eliminations—and we highly recommend it to you. Prints are of excellent quality.

620-163, 16mm. silent version, 1300-feet, 4-lbs. .... **\$79.98**

## ON THE NIGHT STAGE (1915)

**with WILLIAM S. HART**

Bill Hart's first feature picture, produced by Thomas H. Ince in the winter of 1914-15 and released to the nickelodeons in the spring of 1915. "On the Night Stage" is presented in its original five reel form, with original main and text titles intact. Your print will look just as the film did when it flashed onto theatre screens across the country in the spring of 1915 as a "Mutual Master Picture".

## D. W. GRIFFITH'S ORPHANS OF THE STORM (1921)

**starring LILLIAN and DOROTHY GISH**

"Orphans of the Storm" was very nearly D. W. Griffith's last great picture although he was to produce and direct ten more silent films before the coming of the talkies. It is a mixture of what was, in 1921, a well known play, "The Two Orphans", and Dickens' story of the French Revolution from "A Tale of Two Cities".

810-357, 8mm. version, 2400-feet on 12 reels, 5-lbs. .... **\$69.98**

## THE PEARL OF PARADISE (1915)

**starring MARGARITA FISCHER with HARRY POLLARD**

In the several years just before World War I, Margarita Fischer was one of the screen's most popular stars. Between 1915 and 1918, she appeared in a great number of feature pictures which were produced and directed by her husband, Harry Pollard, of which "The Pearl of Paradise" was one.

810-296, 8mm. version, 1000-feet on 5 reels, 2-lbs. .... **\$24.98**

## THE PERFECT CLOWN (1925)

**starring LARRY SEMON with DOROTHY DWAN, OLIVER HARDY, KATE PRICE and OTIS HARLAN**

"The Perfect Clown" was directed by Fred Newmeyer, one of the top comedy directors of the period, who was responsible for most of the Harold Lloyd features of the 1920's. It went into distribution late in the fall of 1925. This feature is substantially complete, and representative of many comedy features of the mid-twenties and of Semon's work at that particular time. It will be a welcome addition to your collection.

810-355, 8mm. version, 950-feet on 5 reels, 2-lbs. .... **\$24.98**

620-149, 16mm. silent version, 1900-feet on 5 reels, 6-lbs. **\$99.98**

## THE PRIMITIVE LOVER (1922)

**starring CONSTANCE TALMADGE with HARRISON FORD and KENNETH HARLAN**

"The Primitive Lover" is the title of a novel written by Kenneth Harlan, one of Connie's suitors. Another suitor is Harrison Ford. As a publicity stunt, Harlan stages a disappearance in the African jungles and the newspapers report his death. Harrison is in on this secret, but the newspaper reports are so convincing that he believes Harlan is lost and talks Connie into marrying him. But marriage to Harrison doesn't have all of the romance of Harlan's books, and Connie becomes the frustrated wife.

"The Primitive Lover" is a film of considerable appeal today—an excellent period piece of the early 1920's—and a very good example of the slicker type of production that was beginning to show up in the movies at this time. We recommend it!

810-416, 8mm. version, about 1200-feet on 6-reels, 3-lbs. .... **\$34.98**

## THE RETURN OF DRAW EGAN

(1916) with WILLIAM S. HART

One of the Thomas H. Ince productions of 1916 that was released by Triangle. Bill, an outlaw, takes a job as a town marshal because of a girl. Of course, his past catches up with him—and his struggle between the forces of good and of evil—and his love for the girl—make for a bang-up Western of the type that brought him fame.

## THE SAGA OF WILLIAM S. HART

(1914-1924)

Here's a unique film that virtually spans Hart's motion picture career which ran from 1914 to 1925. It contains sequences from ten of his motion picture successes from 1914 to 1924, and vividly traces not only Hart's development as the great Western star in the history of the screen, but the maturing of the motion picture during the years immediately before and after World War I.

## THE SOCIAL SECRETARY (1916)

starring NORMA TALMADGE with GLADDEN JAMES and ERICH VON STROHEIM

"The Social Secretary" is one of the several feature pictures made by Norma Talmadge for Triangle in 1915 and 1916 after her departure from Vitagraph, where she had been one of the lesser stars for that pioneer company. We feel that it is a choice example of a feature picture from that early period and, frankly, there are a few things about it that even surprised us.

#10-273, 8mm. version, 800-feet on five reels, 2-lbs. .... \$24.98

#20-85, 16mm. silent version, 1600-feet on 5 reels, 6-lbs. .... \$99.98

## STRONGHEART (1914)

featuring HENRY B. WALTHALL, LIONEL BARRY-MORE, BLANCHE SWEET, ANTONIO MORENO and ALAN HALE

In 1913, the imposing theatrical organization of Klaw and Erlanger had the idea of filming five reel productions of a number of their greatest stage successes. "Strongheart" was one of these productions and while its heritage from the stage is very apparent, it presents much reflecting the manners, customs and dress of the time. It has as its background college life at Columbia in New York. Released by Klaw and Erlanger in 1914 as a five reel feature, it was re-edited by Biograph in 1916 and reissued. It is offered here in that form.

## A SUBMARINE PIRATE (1915)

with SYD CHAPLIN

"A Submarine Pirate" was the first feature comedy produced by Mack Sennett for Triangle after formation—in 1915—of that spectacular but short-lived company. Originally released on Dec. 26, 1915, in four reels, this film was shortened to three for reissue shortly after World War I. It is in the latter form that it is offered by Blackhawk.

## WAY DOWN EAST (1920)

with LILLIAN GISH, RICHARD BARTHELMESS, LOWELL SHERMAN, BURR MCINTOSH

An old stage melodrama, written by Lottie Blair Parker of Otsego, New York (first presented on the stage in 1898), and purchased by D. W. Griffith from William A. Brady for \$175,000—a price which in those days made all Hollywood scream—"Way Down East" was undoubtedly one of the most commercially successful of all the Griffith films. The picture, which cost \$1,004,662 to make, opened in New York in August, 1920.

## SCREEN SOUVENIRS

available in 16mm. and 8mm. sound, and 8mm. silent!

The "Screen Souvenirs" series of one reel films was distributed to the theatres in the early 1930's. These were edited from short news clips of famous personalities from the early years of the century, informal scenes of early film stars, factual coverage of early automobiles, airplanes and new inventions, an abridged version of a Biograph or Edison early one reeler from the 1907 to 1913 era, principally. Occasionally, highlight scenes from one of the great silent features were included.

M. Anderson's one reeler of 1915, "His Wife's Secret".

### FASHIONS IN LOVE

A glimpse of John Rice and May Irwin in a scene once considered the last word in movie love making opens the film. There are shots of Mary Pickford, the first great romantic star and most enduring queen of the movies, in a tender scene with Owen Moore and James Kirkwood; the beloved heroine of the silents, Lillian Fish with Bobby Harron, and Sidney Drew and Jane Gorman (Mrs. Sidney Drew) who appeared together in a popular series of domestic comedies. The one and only Wm. S. Hart demonstrates the western hero's romantic technique in a scene with Bessie Love, and Wallace Reid and Bebe Daniels are seen in a clip from "The Dancing Fool".

Excerpts from other great Paramount pictures from the silent era include the fiery Pola Negri and Charles DeRoche in "Shadows of Paris"; Rudolph Valentino, idol of millions, with Doris Kenyon in an episode from "Monsieur Beaucaire"; Clara Bow and Antonio Moreno in a scene from "It", and from the early days of the talkies, Mae West and Cary Grant in a bit from "She Done Him Wrong".

### HOLLYWOOD EXTRA GIRL

with CECIL B. DEMILLE, ANN SHERIDAN, CLARA KIMBALL YOUNG

Of considerable interest to film historians and collectors, this film is a study of Cecil B. DeMille made during the production of his famous 1935 production, "The Crusaders". It pictures the cast of this spectacular production and DeMille in the process of directing one major scene. But the slim thread that carries the story up to a focus on DeMille is the struggle for success in the movies in the days of their greatness. Recommended!

We are escorted inside Paramount Studios by Lynn Overman to see a preliminary screen test being given to a potential starlet, and one given to Metropolitan Opera Star, Gladys Swarthout, for her role in "Rose of the Rancho". #### AT SHERMAN HILL ON THE UNION PACIFIC

This film showing Union Pacific steam power battling the Hill is a motion picture record difficult to duplicate for it was shot before completion of the new westbound track—with easier grades—that makes railroading a lot easier right west of Cheyenne. Pictures a number of the celebrated 4-6-4 Challenger's working, 4-8-4s, 2-10-2s and other classes as they drag tonnage over the Hill.

P.; and the 4-8-8-4s, the "Big Boys".

### LAST STEAM OUT OF LEADVILLE

One of the memorable "last days" of steam on the Colorado & Southern begins with No. 641, 2-8-0, taking on coal at Leadville, Colorado, engine house, backing down to the old depot to pick up caboose, dropping the caboose, picking up cars in the Leadville yard, and heading out of Leadville for Climax on the highest standard gauge route in the United States. The train passes through some picturesque countryside with the Rocky Mountains as backdrop and stops to take water about half way up. Arriving at Climax, many switching moves are made at the "mine on top of the world" and the train, its day's work done, heads back down the mountain to Leadville. Included are scenes taken from aboard the locomotive.

But here's our first film to concentrate on the standard gauge aspects of that line, including two scenes of D. & S. L. ten-wheelers at the Moffat Tunnel before that line was merged into the Rio Grande. You'll see such Rio Grande steam power as 2-8-8-2's, 4-8-4s and 4-8-2s—plus a 2-8-2—at such spectacular spots as the Royal Gorge and Tennessee Pass.

Across the Golden Gate from San Francisco in California's Marin County, there once echoed the chugs and puffs of what was known as "The Crookedest Railroad in the World"—the scenic line up Mt. Tamalpais. Here is a film edited from Library of Congress paper prints that have been re-photographed and that bring to life moments from the late 1890s and early 1900s. You'll see the line's first Shea (geared) locomotive and the geared Heister-type that at the turn of the century turned over in what was the line's only fatal accident. The climax of the film is a ride down Mt. Tamalpais behind one of the trains of the day.

Photographed about twenty years ago at and in the vicinity of Tennessee Pass on the Rio Grande's Royal Gorge Route through the Rockies, this film pictures the smoke and steam and effort required to hoist tonnage over the Pass in the days of steam. You'll see a number of great shots of the Rio Grande's 2-8-8-2's, one on the head end, one cut into the middle and a third one right ahead of the caboose, as they labor to slowly move their long strings of cars over this 10,240-ft. high pass. Several 4-8-2's and 4-8-4's are also in evidence along the Rio Grande's once crack passenger train, The Royal Gorge, now vanished from the timetables.

## MEXICO

### NARROW GAUGE IN MEXICO

Fanning out east and south of Mexico City are narrow gauge lines that in motive power and rolling stock appear to be right out of Currier and Ives—as colorful and unique and inveterate as the provincial countryside and villages through which they run.

Our trip begins at San Lazaro Station in the east end of Mexico City where we board the early morning train for Puebla, a circuitous 193-mile route east. We travel through Los Reyes, Amecameca, Ozumba, Napatlan, and on to Cuautla. We highball through the high country, cross the classic masonry bridge at Dzumbá, travel in the shadow of Mount Ixtacihuatl, around long series of S curves and into the station at Cuautla that has been remodeled from a 400-year-old convent.

Our return follows a diminutive narrow gauge freight. At Amecameca we spot an 1899 Baldwin-built narrow gauge 4-6-0 owned by the San Rafael Paper Co., and this old timer is badly leaking steam. Back in Mexico City our arrival coincides with that of our narrow gauge freight.

## RAILROAD STORIES

### THE BLOCK SIGNAL with Ralph Lewis, Jean Arthur, Hugh Allen

A railroad thriller from the silent days of 1926 that will have more of a bang for a railroad fan today than when it was first released. It is the story of a railroad engineer nearing retirement, his involvement in a wreck and assignment to the spot of crossing flagman. And of his daughter with whom an ambitious young fireman and a highway engineer are both in love. But, the story is incidental for rail buffs because of the extensive amount of Santa Fe motive power and trains of the 1926 period that are shown.

### THE GHOST OF THE CANYON with Helen Gibson

Filed on the San Pedro branch of the old Los Angeles and Salt Lake—"The Salt Lake Route"—at or near the stations of Bell and Vernon in then suburban Los Angeles, this film tells the story of bitter rivalry between two railroads for important fast freight contracts, and how the rivalry was carried to the extreme of fabricating the illusion of "The Ghost of the Canyon".

A number of excellent action shots of locomotives, freight trains and automobiles are included—together with good freight yard shots showing rolling stock of the day.

A slightly abridged version of one of D. W. Griffith's most famous Biograph productions—and one of the earliest this pioneer company made on the West Coast. It offers many innovations (for its time) in production techniques, and is a special collectors' item for that reason. For rail fans, it has some excellent shots of Santa Fe American-type locomotive No. 9, a unit built in the 1870s and which was scrapped by the Santa Fe in Topeka in 1914. There's a wild chase in an Atlantic-type locomotive, and plenty of action in touring cars of the 1914 era in Los Angeles' Griffith Park. For railroad fans, old auto enthusiasts and film collectors generally, this Kalem production of 1914 should be a welcome addition to your library.

## NARROW GAUGE TRAIN TO SILVERTON

Here is a comprehensive and beautifully photographed film that tells the whole story of The Silverton, the summer passenger train on the Denver and Rio Grande Western's Durango-Silverton Branch that last summer carried more than 38,000 tourists and rail fans. As the train approaches the 700-ft. high ledge in the cliffs near Rockwood, and snakes around the high curves, we are treated to scenes shot both from the train, and of the train from across the canyon. And there are some very effective scenes made from the head end of the locomotive itself as it creeps along the ledge.

Our film shows the train as it passes "Ah Wilderness" Ranch—as it takes on water—as it winds through the canyon of the Animas River—and as it pulls into Silverton. Then, after two hours for lunch and souvenir buying on the part of the passengers, the departure on the return trip is pictured.

#### THE LIFE OF BUFFALO BILL with Wm. F. Cody

Here is an authentic early film of the West in frontier days filmed by the Buffalo Bill and Pawnee Bill Film Co.—and featuring Col. Wm. F. Cody, himself, in the prologue and epilogue! Produced in 1912, this production is unique, for it represents a very early example of an "independent" production, and one of the first serious American film attempts at a biographical film. And, it is of further importance in that the principal of the biography himself appears in the film.

## ESPECIALLY FOR OLD FILM FANS!

### SILENT MOVIE STUDIO

The studio that forms the background for this film is Carl Laemmle's Universal—not the biggest, not the richest and not the most star-studded, but with a roster of players who appeared in wholesome, unsophisticated and action-filled pictures with particular appeal to—and a great following among—the audiences of the thousands of Main Streets across the country.

### MELIES

The primitive works of George Melies of France—the professional magician, theatre proprietor and director—in whose hands the motion picture camera was first used for such unique camera tricks as stop photography, double exposures, super-imposition, fade-ins and fade-outs and dissolves, were without a question the first truly creative films.

#### LA FANTAISIE DE MELIES

Representative of this early Melies grouping are "Extraordinary Illusions", "The Enchanted Well", and "The Apparition"—all produced in 1903.

### VINTAGE FIGHT FILMS

#### TOMMY BURNS VS. BILL SQUIRES

Here's a sports collector's item if there ever was one—the world's championship heavyweight fight of July 4, 1907, held at Colma, California. Interesting also because of the setting, the crowds, the cameramen and the many famous personalities in the sports world who are also pictured.

### COLLECTOR'S ITEMS

#### BATHING GIRLS, THEN AND NOW

A fascinating subject showing the evolution of today's swim suit from the bathing costume of the 1890's. You'll get more than one chuckle out of the old-timers, and, as for the new ones—well, as one man put it, "A man can never compete with bathing girls for attention on the beaches."

#### CHARLES EVANS HUGHES AND THE CAMPAIGN OF 1916

Adapted from a Republican campaign film of 1916 called "A Reunited Party", this subject is of considerable historical interest because it is the first known use of the medium of the motion picture in an American political campaign. The basic appeal of the film today is not partisan—it would have been equally as interesting if it had been a Democratic campaign production. Rather, its appeal is its primitive try at using the motion picture to influence public opinion, and the famous political figures such as Teddy Roosevelt and William Howard Taft, whom it pictures.

#### AN EDISON ALBUM

An outstanding film for collectors containing the following prize examples of Edison's early production activity: "The Kiss" (1896) with May Irwin, Frank Rice; "The Old Maid in the Drawing Room" (1900) with Gilbert Sarony; "Street Car Chivalry" (1901), one of the first examples of screen narrative; "Romance of the Rails" (1902), Edwin S. Porter's film made for the Delaware, Lackawanna and Western Railroad—the first advertising motion picture; "Rescued From An Eagle's Nest" (excerpts, 1907), featuring D. W. Griffith in what was not only his first screen appearance, but his first contact with the exploding movie industry.

#### FOLLIES, FOIBLES AND FASHIONS, 1903-1905

This group was copied from 35mm. paper positives in the Library of Congress and presents very representative examples of a subject area in which Biograph excelled at the particular time. Extremely daring in their day, these units, produced primarily for viewing on the coin-operated Matoscopes in the Main Street arcades across the country, are amusing and entertaining examples of the "Follies, Foibles and Fashions" of a long-ago era.

#### ON A GOOD OLD FIVE CENT TROLLEY RIDE

An entertaining Edison offering of 1905, this was produced as a comedy for one of the early "split reel" programs for the store shows and has a particular appeal for trolley fans. Coupled with this is a Biograph film of 1905, "A Trip To Salt Lake City", and a comedy of this early period built around the theme of polygamy, with the setting an open section sleeping car of the day.

#### THE RUINS OF SAN FRANCISCO, 1906

#### THE SPANISH-AMERICAN WAR

Here, copied from the 35mm. paper positives in The Library of Congress, is a compilation of authentic motion picture sequences that made up the primitive coverage of the Spanish-American War by the pioneer Edison and Biograph Companies. We feel that this film on "The Spanish-American War" has meaning for what it is historically, and value for today as well.

#### TITANIC!

The Titanic was a ship which sank April 15, 1912, on her maiden voyage from Southampton, after striking an iceberg northeast of New York City. 1,517 lost their lives and 706 persons were rescued. Its sinking was the greatest peacetime maritime disaster.

There were no formal newsreel organizations in 1912, but many production companies did offer special events on an individual basis. Whether all scenes of the Titanic in this film are authentic, or are of a sister ship, has not been fully determined. The sinking was at night and there are not, so far as we know, any photographs or movies of the disaster. Our film contains some scenes of survivors being brought to port.

This production is substantially as it was when shown in the theatres of the world immediately after the disaster, the result of some pioneer producer taking advantage of the situation to cash in on the tremendous public interest in the Titanic tragedy.

#### FOX TROT FINESSE (1915)

starring MR. AND MRS. SIDNEY DREW

The husband and wife team of Mr. and Mrs. Sidney Drew was years ahead of its time in presenting sophisticated domestic comedy on the screen. Their first appearances together were at Vitagraph in 1915, and "Fox Trot Finesse" is one of their comedies made toward the end of their year together at Vitagraph before moving along to greater opportunity (and probably more money) at Metro in 1916.

"Fox Trot Finesse" was made at the height of popularity for the then new fox trot—and just everybody was doing it. Sidney's wife was fox trotting to and from the breakfast table, and she'd accept for them to go out to fox trot at any hour of the evening. All of this physical activity was wearing down Sidney—and fast.

One morning at the office, Sidney reads in the paper where a famous dancer will be off the stage for months because of some injury to a foot. He decides right then that what he needs is an injured foot, and he gets all the props.

Now another thing Sidney has been having to face at home was a prolonged visit from his mother-in-law, a hatchet-faced individual who obviously looks upon him as something lower than a worm. She finally leaves. But when Sidney's wife gets wise to his little anti-fox trot act, she pens a note to her mother, recounting Sidney's condition, and asking her to return to help take care of him. Before mailing the note, she lets him read it—and it's amazing how rapidly he recovers and takes to fox trotting with enthusiasm.

#### IT'S A GIFT (1923)

with Snub Pollard

Snub Pollard first gained the spotlight in the movies as a featured player in the early Hal Roach Comedies which starred Harold Lloyd. When, in the early 1920's, Lloyd switched to feature productions, Roach inaugurated a series of one-reelers starring Snub. Pollard's comedies were long on gadgetry, and "It's a Gift" is certainly typical of them.

810-410, 8mm. silent version, about 175-feet, 11-ozs. ....\$5.98

#### JERRY AND THE OUTLAWS (1917)

starring GEORGE OVEY

George Ovey was one of the many comedians who came to the movies from the stage, musical comedy and vaudeville in the years before World War I.

In this story, our film has Jerry serenading his lady-love from the tree top opposite her bedroom. Her father is irritated by the performance, and calls the police. The only policeman to get near Jerry, is kayaked by Jerry falling out of the tree. Jerry then appropriates the policeman's uniform, and invites his sweetheart to go for a ride in a little wagon he's hitched to his motor scooter.

Out in Hollywood's Griffith Park, outlaws take them both into a cabin in the mountains and set about playing poker to determine "who gets the girl". Jerry is locked up in the loft. He breaks out—right through the roof—quietly makes his way into the cabin, stealthily removes their firearms while they're absorbed in their game of cards, and pulls the guns on them just as the police patrol and the father arrive on the scene.

Of course, Jerry is the hero—and he and the girl set off for civilization in the rented car that had brought her father to the scene—while papa returns in the patrol wagon!

#### 'Twas HENRY'S FAULT (1919)

with Elinor Field and Harry Depp

The present generation may never have heard of the "flivver" and "tin lizzie" jokes of the years starting just before World War I and extending well into the 1920's—jokes aimed at Henry Ford's ubiquitous Model T. But the Henry in "'Twas Henry's Fault" refers to none other than Mr. Ford—and this little comedy somehow reflects both the ridicule and respect that were heaped on his famous product in the early days of mass production when the Model T seemed to be just everywhere.

A combination of pathos and comedy makes an entertaining story centered about the trials and tribulations of three small children whose mother has "gone to heaven". One of the last silent "Our Gang" subjects, this has Wheeler and Bezer being cared for by their sister—a "little mother" who cooks, mends and washes necks for the whole family, with amusing sequences arising from the boys' consumption of dried apples washed down with water—a dose of baking soda accidentally mixed with soap powder as a cure for their resulting swollen tummies—their misadventures when they go in search of their "mama" and the ultimate rewarding of their unquestioning faith that she would come back to them. A sandwich man dressed as the devil tires of his tramp along the sidewalks and stretches out on the other side of the big tree, only to hear members of the gang discuss the possibility of the "Old Devil Man" getting them if they do not do their assigned work. So our costumed devil decides to do his "good turn" for the day, drops a smoke bomb in front of the gang and hops out to warn them that if they do not do their assigned tasks, he'll be after them. No time is lost by the gang, and their energy devoted to their Saturday chores is so intense, that one by one their mothers are concerned. Joe ends up in bed with castor oil and the doctor called—but his mother can't keep him there. Finally, the reason is revealed to the mothers, with the gang resuming their jobs having had their "Saturday's Lesson". Recommended.

## MUSICAL MOODS FROM THE SILENT FILMS

12-INCH  
LP RECORD!

### MUSICAL MOODS FROM THE SILENT FILMS

"Silent films were never shown in silence." To the pianists and organists of the early movie houses, the studio composers provided various handbooks which enabled them, as it were, to compose their own scores for almost any film—themes marked "misterioso", "storm", "passion", "most impassioned ecstasy", "lurking villain", and "flirtatious vamp" did duty for appropriate passages in hundreds of movies. In this twelve-inch long-playing record, you will find such motifs as "The Covered Wagon", threatening; "A Fool There Was", Theda Bara theme; "Underworld", fright; "Liebe der Jeanne Ney", sentimental theme; "The Navigator", comedy; "Russian Revolution", conflict; "The Kid", comedy chase; "The Mark of Zorro", adventure theme; "Enrapture", modern theme; "L'Assassinat du duc de Guise", pomp, circumstance, and intrigue; "Little Lord Fauntleroy", anger motif; and excitement from "The Birth of a Nation". These are the characteristic melodies which accompanied Fairbanks' acrobatics, Pickford's sweetness, and Light Theda Bara's heavy vamping, and Emil Jannings' pathos. A thrilling collection in itself and a special enjoyment when accompanying the now "collector" films!

#### THE HAGENBECK-WALLACE CIRCUS—1930-1935

From out of the past rolls the colorful, loaded train of the Hagenbeck-Wallace Circus, bringing memories for oldsters who have seen the greatest show on earth, have thrilled as gaudy circus posters went up in their towns and who waited on the lots for the heaped up, sprawling circus to come to life . . . and a bit of Americana for youngsters who may never thrill to the blare of the bands, the breath-taking performances under the canvas, the smell of the sawdust, or succumb to the lure of the circus.

Down the years, very little authentic motion picture footage of circuses was photographed professionally, and there is a dearth of written circus history. Blackhawk Films was fortunate in having had available this sufficiently good amateur footage covering Hagenbeck-Wallace activities during 1930-1935—perhaps among the few motion picture records of the great era.

#### THE MILWAUKEE CIRCUS PARADE, 1964

All the color and flavor of the old-time circus parade bearing the "the greatest show on earth"—one of America's oldest entertainment spectacles fast fading from the scene, is caught in this color film shot during the gigantic 1964 Fourth of July Parade in Milwaukee, Wisconsin. Pictures twenty-four of the historic circus wagons, almost all from the Circus World Museum of the State Historical Society of Wisconsin at Baraboo—fully restored and repainted in all their original splendor, and many of them pulled by beautifully matched teams of purebred Percherons, Belgians and Clydesdales and other horses assembled from all over the country for the gala affair. Opening the film is a kaleidoscopic close-up of details of some of the resplendent bandwagons—the heavy wood carvings, massive bas-relief figures and beautiful paintings and fantastic wheel designs typical of the elaborate old wagons.

### THE RISE AND FALL OF NAZI GERMANY

Adapted from the March of Time Production, © MCMXLVII by Time, Inc., through arrangement with McGraw-Hill

In 1935, Hitler announced that his new Germany had violated its post-war treaties and had secretly rearmed. While he assured France and England that his armies were only for defense, Germany marched into the demilitarized Rhineland. His neighbor, Austria, became alarmed. He promised to respect her independence forever, but, early in 1938, the Nazi army rolled into Vienna. In Czechoslovakia's Sudetenland, the German minority first demanded self-government; then outright annexation to the Nazi Reich. Within six months, Hitler's war machines swept into Prague.

With Poland, Hitler made solemn treaties of friendship—but Poland was invaded and Germany's Polish spoils shared with Soviet Russia. He reassured Europe's frightened neutrals—but within weeks they were invaded. In the summer of 1941, in his most spectacular betrayal, Hitler struck with full force against his recent partner, Joseph Stalin. So great had been his victories that he was now confident that no earthly power could prevail against him.

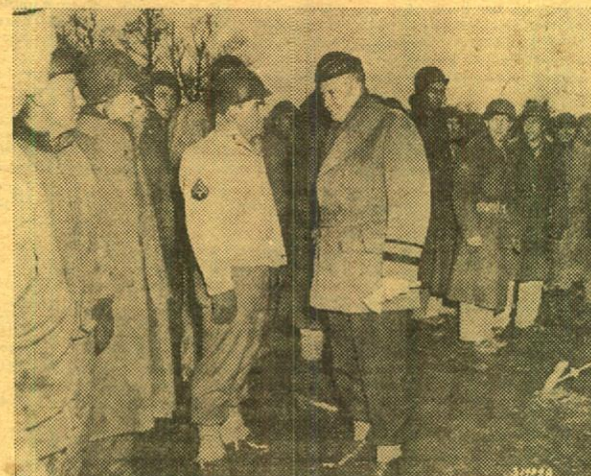

But within a year, the Russians had turned the tide at Stalingrad. In North Africa, the Allied Forces launched a victorious campaign. Then came D-Day, with the United States and Britain concentrating on Germany's continental fortress. And in May of 1945, the Nazi Reich, which was to have lasted a thousand years, vanished from living history.

### THE TRUE GLORY

This is Blackhawk's 8mm. production of "The True Glory", edited from the sound film of the same name. An official motion picture production of the governments of Great Britain and the United States, this surveys the entire final World War II campaign on the European Western Front, called "The Crusade in Europe" by General Dwight Eisenhower. The seven chapters of "The True Glory" vividly picture the many land, air and sea battles and emphasize the miracles of comradeship and cooperation which came out of the various campaigns. The full impact of the meaning of the film's title is felt in the final chapter when the familiar prayer of Sir Francis Drake is presented.

All of the sequences were selected from millions and millions of feet of film photographed by combat cameramen of the United States, Canada, France, Poland, Belgium, the Netherlands, Czechoslovakia, Norway and Great Britain. The subject, which runs a total of fourteen 200-foot reels, is divided into the seven chapters of two reels (300-feet) each.

## BIOGRAPHY OF JOSEPH STALIN

### JOSEPH STALIN

#### CHAPTER ONE—HIS RISE TO POWER

In the days of Czar Nicholas most of the wealth and all of the political power in Russia rested in the hands of the Czar and a small ruling class, and the masses lived primitively, millions of them in degrading poverty. It was from such people that Joseph Stalin came. Our film covers briefly his early years when he studied to become a priest, how he became a revolutionary and a follower of Lenin and his ambition for world domination.

#### CHAPTER TWO—THE ALMOST ABSOLUTE DICTATOR

If there is any lingering question today about the nature of Communism, the brutal career of Joseph Stalin should provide the answer. Stalin's cynical nature allowed him to sign a pact with Hitler, an even more ruthless dictator, in 1939, thereby opening the floodgates to the terrible conflict of World War II. This action and others just as vile, will be unfolded to you in this new Blackhawk release.

### BELOW ZERO (1930)

starring STAN LAUREL and OLIVER HARDY

A rather unusual, and quite good, Laurel & Hardy comedy from the early days of the talkies. The boys are musicians with Stan playing a portable organ and Ollie a big bass viol—and passing a hat to get what meager income that comes their way. This particular cold and snowy day, traffic isn't too good, but the pickings are even worse—until they find they're spotted immediately next to the entrance of an institution for the deaf. They move—with "better" results. A woman on a second floor above them calls out the window to ask how much they usually get per street. They tell her, and she tosses them twice that amount—asking them to move along two streets. Things get violent when their rendition of "In the Good Old Summer Time" irri-

tates Charley Hall, who is shoveling snow across the street. This ends up with the organ being crushed by a passing truck and the bass viol ending up with Ollie's head through it. But things do have a "silver lining"—for when they look blackest, they find a well-loaded billfold, and invite the cop on the beat to join them—only to discover, at the crucial moment, that the billfold is the cop's! The climax is the wildest slapstick! A Blackhawk Films/Hal Roach Release.

## THE LAUREL-HARDY MURDER CASE (1930)

starring STAN LAUREL and OLIVER HARDY

Here's a creepy "old house" thriller, typical of the atmosphere of *The Bat*, *The Cat and the Canary* and many of the other mysteries of the 1920's. Stan and Ollie are in the midst of everything—and just about everything happens to them that could happen in a mystery-comedy of this type. Not only are all of the stereotypes of typical thrillers in evidence, but the Hollywood players who had, during the final years of the silents, traditionally been cast in such parts are here. The series of S. S. Van Dine mysteries written around the

character, Philo Vance, which M-G-M was filming as features in these early years of the talkies were doubtless both an inspiration for the subject, and its title as well. A Hal Roach/Blackhawk Release.

## TRIPLE TROUBLE (1918, Essanay)

(Edna Purviance, Wesley Ruggles and Leo White are also in the cast.)

During 1915, his year with Essanay, Chaplin completed fourteen subjects. "Triple Trouble" is a fifteenth, edited from sequences from two of these productions: "Police" (prior to the release of that subject) and "Work"—and also from a never-finished feature, "Life". In 1918, this assembly was made possible by the shooting of new scenes (in which Chaplin, obviously, did not appear), by using double to bridge the gaps that otherwise would have been left in the action, some skillful cutting, and subtitles slanted at that wartime year. For such a hodgepodge, "Triple Trouble" came off surprisingly well.

## THE FEATHERED NEST (1916)

with Louise Fazenda and Charley Murray

In addition to being the village dandy, Charley is also the telegraph operator, so when a telegram comes indicating that Louise is to inherit the vast wealth of an uncle, he starts in pursuit, too. An elopement almost takes place, headed off by her father and the hired man.

The next sequence is headed: "Newman Hays in Clover"—and Louise and her father are seen in their new mansion, paid for by her inherited funds. The two boys are still chasing, and the final sequence is a whirlwind finish at the beach, with the dramatic rescue of Louise's young ward (whom she got along with the dough) and Charley ignominiously tossed to the waves. Fast action throughout!

## BRING 'EM BACK SOBER (1932)

with JACKIE THE LION, MARJORIE BEEBE, ARTHUR STONE, MELVIN KOONTZ and MATT McHUGH

Jackie is a movie lion, starring with his trainer, Melvin Koontz, in one of the Hollywood African safari films of the early 1930's. After the day's work, Melvin and Jackie stop at a bar on the way home, where they meet Arthur, an old friend of circus days, and a former suitor of Melvin's wife, Marjorie. Arthur is invited home, and the next days, with Jackie not being needed at the studio, Melvin sets out on his own, leaving Arthur, Marjorie and Jackie at home. Arthur makes a play for Marjorie, Jackie senses what is going on and heads out to get Melvin, and when they return Jackie more or less shreds Arthur. This is great film production stuff—less comedy—but an extremely interesting Sennett comedy of its day.

## DADDY KNOWS BEST (1933)

with WALTER CATLETT, JOYCE COMPTON, BEN ALEXANDER, ARTHUR HOUSEMAN, DOROTHY GRANGER and RICHARD CRAMER

Here's a wild comedy from the days of prohibition! Joyce is Walter's daughter, Ben is Joyce's boy friend. Walter complains because Joyce is out on a date after ten and forbids her to date Ben. But Joyce and Ben don't give up—and father relents. But Walter has a good bootlegger, and a perpetually inebriated friend, Arthur. When Arthur hears where the young people have headed—to the Venus Arms—he tells Walter of its bad reputation, and Walter heads to the rescue. On the street he is clipped by a car driven by Dorothy Granger and lands in a mortar mixing box full of water. Dorothy takes him to her apartment to clean him up and dry him off, and we next see Walter in Dorothy's lounging pajamas. It then turns out that Dorothy is engaged to gangster Rycharde Cramer. A knock on the door and who enters but old flame Arthur. Walter is behind the screen. Another knock and it's Rycharde. Arthur jumps through the window—Walter flees from room to room and ends up at the party with Joyce and Ben—trying to keep out of sight in his pajama ensemble. Things continue at a fast pace until Walter makes it home—and gets changed—just before Joyce and Ben return! One of the best of the Sennett Comedies of its period!

## EASY ON THE EYES (1933)

with EDDIE NUGENT, NORA LANE, FRANKLYN PANGBORN and DOROTHY GRANGER

Here's a Sennett comedy of the early era of the talkies that is a bit of a throw-back to the days of the Sennett bathing beauties. Nora plays the daughter of a wealthy family—Franklyn Pangborn is cast as a wealthy "sissy" who hopes to marry Nora (who can't stand him) and who also likes to give the impression of being a virile and athletic specimen—even to the extent of hiring an ex-boxer as his trainer and paying him to let him win. Eddie is an aviator who spots the swimming pool—well equipped with bathing beauties—particularly Nora—one day when flying over. So he parachutes down, and the pursuit begins which goes from sun deck to bedroom to the "kissing concession" at a charity bazaar and finally for a win over Franklyn in the ring—and winning the girl as well!

640-36, 16mm. sound version, about 750-feet, 3-lbs. **\$34.98**

## FALSE IMPRESSIONS (1932)

with LLOYD HAMILTON, MARJORIE BEEBE, EDMUND BURNS and DOROTHY GRANGER

One of the best of the Mack Sennett comedies of the period. Marjorie is cast as the vocalist—Dorothy as the pianist—in the sheet music department of the department store where Lloyd is manager of the toy department. Lloyd is in love with Marjorie and spends more time pursuing her than in managing "toys". But a young dart throwing customer in the toy department connects with Marjorie and Marge ends up in alterations to have the damage repaired. This takes her through the fur department where a saleslady friend suggests she try on one of the new sables. Here she bumps into "Windy Windermere"—socialite and man-about-town who introduces himself and invites her out to lunch—and to a party at his estate that evening. Marge and Dorothy show up at the party but Lloyd has connected up with the caterer to protect the girls. This is quite an affair, with many members of the Sennett stock company of the 1920's being in evidence, but at midnight a phone call changes things for the real Windermere have just returned from Europe. The impostor turns out to be the butler and the other participants members of the household staff. Things end with a slapstick climax such as you'd expect from Sennett!

640-33, 16mm. optical sound version, about 800-feet, 3-lbs. **\$34.98**

830-52, 8mm. magnetic sound version, about 400-feet, 14-ozs. **\$24.98**

## HAWKINS & WATKINS, INC. (1932)

with DAPHNE POLLARD, FORRESTER HARVEY, MATT McHUGH, WALTER LONG and SIR CHARLES, THE GORILLA

Daphne as Beatrice DeVere is the new owner of the famous Tope Diamond and a lover of spirits, both of the liquid and seance type. Forrester and Matt operate a detective agency employed to do a little protective work. Walter Long is Daphne's new butler who also doubles as a medium. Then we have Sir Charles, the Gorilla, just what we need to give added atmosphere to mysterious goings-on. This one is not only mystery filled—it's action filled—with Sir Charles hi-jacking the plane in which most of the other principals are traveling, and delivering some real flying thrills as the climax!

640-90, 16mm. optical sound version, about 600-feet, 3-lbs. **\$34.98**

830-61, 8mm. magnetic sound version, about 300-feet, 1-lb. **\$24.98**

## HUSBAND'S REUNION (1933)

with WALTER CATLETT, NORA LANE and GRADY SUTTON

One of the funniest Mack Sennett comedies from the days of sound. Our presentation opens in the courtroom where Walter is suing Grady for having shot him in the—er—having shot him, and Grady is justifying his action. In flashback we see that Grady and Nora are newlyweds. The doorbell rings and Grady's younger sister enters with the young fellow she hopes to marry—and his uncle. Grady's sister feels she must have his permission to marry—her fiancé's uncle feels he must see what the family looks like. Everybody is happy and the young lovers set off to get the license while Grady sets about getting drinks. Just then Grady's new wife enters the living room where Walter is waiting and they rush into each other arms—for Walter was Nora's first husband. From this point on, this production becomes very much of a bedroom farce, with Walter staying around for a few days and behaving very much as though he had never been divorced from Nora. Nora's Great Dane, Fifi, is also very much in the act and might be called boisterous in the bedroom. All of this ends when Grady goes hunting with Nora and Walter tagging along. And when a squirrel starts to crawl up a leg of Nora's slacks, and Walter starts to the rescue, it looks to Grady as though things have gone too far and Grady takes aim and fires. At this point, action returns to the courtroom. Is Walter guilty? or innocent? A Blackhawk Films/NTA Release.

## JIMMY'S NEW YACHT (1932)

with LUCIEN LITTLEFIELD, "BABE" KANE, FRANKLYN PANGBORN and RAY COOKE

A Mack Sennett comedy in the tradition of his silent comedies of the 1920's. Jimmy (Ray Cooke) is a bright lad who works for a living—Franklyn has plenty of dough. They're both pursuing "Babe" and Babe's parents would rather settle for money than for love. Jimmy finally gets through to "Babe" with an invitation to go with him for a ride in his new boat—but telephone monitoring by "Babe's" parents and listeners-in on the party line soon blow it up to a yacht and include the parents, the neighbors and Franklyn. The group descends on the yacht club where Jimmy finds his membership has not been accepted because he failed to include a check to cover the fee. Papa, Franklyn and Jimmy head out to find the Shamrock XXX which turns out to be a rowboat with an outboard—only it doesn't start. The motor is then taken apart and hours later, with guests still ashore, Jimmy hops a ride to the dock on a handsome yacht, which the guests take to be Jimmy's. They descend on this ship and the party begins—only to have the rightful owners show up and toss them off. In the meantime, our trio is still working on the outboard and things end up with Jimmy and "Babe" having a wild ride around the harbor—in the best slapstick tradition!

## KNOCKOUT KISSES (1933)

with MARJORIE BEEBE, JOYCE COMPTON, CHARLES DELANEY, RICHARD HEMINGWAY and MATT McHUGH

Joyce is Dick's manager . . . Marjorie is a "Broadway" star who's trailing Dick . . . and Matt McHugh is Dick's trainer. Joyce is obviously jealous of Marge . . . says she's through with Dick . . . and when Marge appears at the fight an official match takes second place to the contest waged between the two girls.

Joyce decides that she'll have to do something to beat Dick down to win him back, so she makes a deal with Chuck to fight Dick—only Chuck is twins. They have it figured out that the twins can switch between rounds and really win over Dick. But Dick says he's going to desert the ring for the stage—so Joyce, Matt and the two Chucks are on hand in a box opening night to heckle—and the play turns into a riot.

When the match does come off, Dick turns out to be more than a match for two opponents, and the two Chucks end up with both being virtually K. O.'d. This leaves Joyce with the problem of winning Dick back—which she does as Knockout Kisses comes to an end. A Blackhawk Films/NTA Release.

## MEET THE SENATOR (1932)

with HEINE CONKLIN, BLANCHE PAYSON, NATALIE KINGSTON, WADE BOTELER and HARRY MYERS

One of the better Mack Sennett comedies of the period—both in comedy content and in the players it features—several of them prominent in the Sennett stock company of a decade earlier. Blanche Payson is the mother—Natalie Kingston the daughter—Heine Conklin a prominent local bootlegger whom Natalie's husband has brought home and introduced as Senator Ox—just because Senator Ox was unavailable. There are some low comedy shenanigans in the receiving line which lead to a typical slapstick sequence. The husband, meanwhile, has been helping a new neighbor with her apartment door and in the process answers the phone. The husband, the police chief, is calling. He wonders what is going on, rushes home, and by that time things have evolved into an automobile chase in traditional Sennett style with a typical Sennett climax!

## SEE YOU TONIGHT (1933)

with TOM MOORE, NORA LANE, EDDIE NUGENT, MARJORIE BEEBE and GRADY SUTTON

Nora is a much-engaged playgirl making a play for Eddie at the beach. Not having much luck, she pretends to be drowning near the pier where Eddie is fishing. Eddie throws her a line and reels in her swimming suit—tossing her a barrel for cover. Nora then pursues Eddie to the resort hotel where he is staying—at which point this comedy shifts from the "bathing beauty" type to a bedroom farce. Tom Moore is Eddie's butler, and Eddie has him switch places in order to mislead Nora. This leads into all kinds of complications—bedroom to bedroom—and the over-all effect of this Mack Sennett release of 1933 probably was a factor in the more stringent self-censorship of the movie industry which began the following year.

## THE 13th ALARM

with CHESTER CONKLIN and VERNON DENT

In this 1931 comedy, Chester Conklin is cast as a member of the fire department who has his position as a result of a brother-in-law being on the city council. However, Chester is not a particularly sharp fireman, and even starts a fire in his own apartment because of sloppy handling of his pipe (the ashes fall into a waste basket during one of Chester's frequent naps). As the aftermath of extinguishing the fire, a door-to-door salesman has gotten into the apartment and sells glibly Chester a garden spray tank as a new miracle fire extinguisher—along with all "patents". Chester lines up a demonstration before the fire department and the city officials, but Vernon has doublecrossed him in filling the tank with tear gas and the demonstration turns into a near disaster. Just about this time, the alarm sounds—a Chinese laundry is on fire—and the company, complete with Chester, sets out through busy city streets crowded with Model A Fords and with the Pacific Electric's famous "big red cars" showing up every once in a while. The climax comes as the company fights the laundry fire, although with Chester on the job it's obvious that it's almost an impossibility. Lots of action, and a comedy of more than average entertainment value from one of the early years of the talkies.

### MOVIE NIGHT (1929)

with CHARLEY CHASE, EUGENIA GILBERT,  
SPEC O'DONNELL and EDITH FELLOWS

"Movie Night" is a funny and accurate reflection of movie-going at the time. The story unfolds with a series of side-splitting happenings leading up to the climax when the family throws the entire theatre into bedlam. Hal Roach/Blackhawk Films Release.

### MIDSUMMER MUSH (1933)

starring CHARLEY CHASE  
with BETTY MACK

This is one of the funniest comedies we've ever come across, and one of the top subjects ever made by Charley Chase! In this one Charley is a scoutmaster setting out with his troop of scouts from Broadway and 42nd Street for a period of summer camping.

Even if you're a parent, you can't imagine the complications of leaving the city with a group of young scouts, the distraction of traffic, of bicycling, of pitching camp by the side of the lake; the dramatic impact of being propelled in the middle of the night from a hammock into the lake. And Betty Mack and a group of her girl friends are camping nearby. Recommended without reservation! A Hal Roach/Blackhawk Films Release.

### THE NICKEL NURSER (1932)

starring CHARLEY CHASE with BILLY GILBERT  
and THELMA TODD

This is one of the funniest of the Charley Chase comedies, with Charley cast as the efficiency expert brought into the home of a wealthy tycoon to attempt to teach his three daughters the value of money and the virtue of economy. One of the daughters is Thelma Todd, but by a combination of circumstances, she appears on the scene as Greta, the maid, while the real Greta, a sexy-acting blonde with a Garbo-like voice, who is actually the wife of Billy Gilbert, the butler, doubles as the third sister.

Much of the action takes place on the second floor of the Todd mansion, with Charley modeling "Greta's" negligee, being locked out of his room in his nightshirt and being taken after by Billy Gilbert and his shotgun.

### NOW WE'LL TELL ONE (1933)

starring CHARLEY CHASE with MURIEL EVANS

Here is one of the very funny Charley Chase comedies of 1933 in which Charley, as the bashful young man, is transformed into an aggressive go-getter because of an electric belt developed by a wacky inventor. Crammed with action and laughs, this fast moving two-reeler will have you with it all the way as Charley, acting as the absolutely confident suitor, chases Muriel only to be caught without the magic belt in its climactic moments. Guaranteed to please! A Blackhawk Films/Hal Roach Release.

### DANGEROUS FEMALES

with MARIE DRESSLER and POLLY MORAN

The only production in which Marie Dressler and Polly Moran ever appeared as a team other than for the many films in which they starred for MGM. This two reel comedy, produced by Al Christie in 1929 and originally distributed theatrically by Paramount, is absolutely typical of Dressler and Moran—broad and Funny. For what it was and what it is, we highly recommend it.

#### LET'S DANCE (1933)

with GEORGE BURNS and GRACIE ALLEN

Here is one of the George Burns and Gracie Allen comedies of the early 1930's which we feel to be very nearly the top of the group. George is a glib on shore leave, Gracie is a taxi dancer at the ballroom. Barton MacLane, in one of his early movie appearances, plays a member of the shore patrol.

George Burns did the script on this one, and the dialogue is some of the best of the period—particularly that for Gracie. Music and action, too! A Blackhawk Films/NTA Release.

Bob explains that he'd be no tongue-tied, colorless witness if he ever had to testify, and our film dissolves into Bob's dream of glory in the courtroom. A knock on the door brings him back to reality. The visitor is a fast-talking poll-taker—Bob is a Casper Milquetoast, meekly answering all of his impertinent questions. When the poll-taker leaves, Bob's wife asks: "What were you saying about how you'd reply to a lawyer's questioning?" A Blackhawk Films/NTA Release.

### FARO NELL

with LOUISE FAZENDA and JACK LUDEN

Here is a quote from a 1929 issue of Photoplay Magazine in which the two-reel talking short subject, "Faro Nell", was classed as one of the best pictures of the month—the first time Photoplay had singled out a short comedy for that award:

"It takes something hot in the way of a two-reel talking comedy to break into this fast company of best pictures, and this Louise Fazenda howl is the bright baby. 'Faro Nell' is a scream—an airtight, perfectly acted burlesque of the old-time Western thriller. Louise, in long yellow curls, is a panic. This is just what we've long wanted—a two-reel talkie we could bellow at." "Faro Nell", in its complete original form is now available from Blackhawk in both 16mm. optical sound and 8mm. magnetic sound editions—and still one of the funniest talking comedies!

### NEIGHBORHOOD HOUSE (1936) starring CHARLEY CHASE with ROSINA LAWRENCE, DARLA HOOD, RALPH MEEKER

This unusually entertaining Charley Chase comedy has some similarity to "Movie Night", filmed seven years earlier as a silent, but the situations are of a more violent nature.

It seems that the Chases attend the theatre every week for "Bank Night"—and of course Charley rushes home from the office and the family rushes through dinner so they can be sure to get in without standing in line. The big event is not the film—it's the drawing at the end of the first evening show—and in this one coincidence is

strained to the breaking point with the Chase's little girl going on stage to pick the lucky number—then calling out Charley's number. Before it's all over, the audience is almost ready to riot, and numbers have been called for Mrs. Chase, the Chase's little girl and Charley's boss at the office! # AN EXTENSIVE LIST OF USED 8mm. PRINTS AVAILABLE BY TITLE

Shipping weights: 1 reel, 11-ozs., 2 reels, 1-lb.,  
each additional reel, one-half pound

Blackhawk's volume of trade-in used 8mm. prints has now reached the point where we wish to experiment with the sale of this class of material on a title basis (just as we do used 16mm. prints) for all lengths of standard complete subjects. Thus, instead of selling this material in "Grab Bags" or "Packages" in a general subject area, without any selection of title, we're now making these films available on a title basis covering all subjects of a complete reel (100' to 200') and up.

Keep in mind, however, that while this gives you the advantage of selection, it also holds some greater possibility of disappointment, for Blackhawk has no control over when, or in what quantity, used prints of individual titles will be traded-in against other subjects, either used or new (see trade-in information at bottom of page). So, while at press time we have from one to eight good used prints of every title listed here, some of these will be sold out before some orders reach us. Thus, we recommend that, whenever you can, you give us alternate titles from this list for shipment in case your first choices have already been sold. But, so long as your first choices are on hand, we'll never ship you alternate selections.

## The PATENT LEATHER KID

starring  
**RICHARD BARTHELMLESS**  
and **MOLLY O'DAY**

One of the most popular Barthelmess films of the late 1920's based on the Rupert Hughes story. The story concerns an unpopular East Side boxer who seeks the love of a pretty cabaret dancer. When war is declared, she goes to France as a nurse, and he is drafted. Awakened to his duty by the death of a buddy, Barthelmess fights like a demon, and is paralyzed by a wound. Through faith and love of the girl, he finally regains his health and happiness.

826-2, 8mm. silent version, about 2400-feet on 12 reels, 4-lbs. ....\$75.00

## LILAC TIME

starring  
**COLLEEN MOORE**  
and  
**GARY COOPER**

Lilac Time, of all of the films in the World War I cycle of aviation pictures, is the greatest romance and selections from its musical score were hit numbers of the day with one, Jeannine, I Dream of Lilac Time, having become a modern classic.

Lilac Time is being released complete in its original eleven reel form—and its release should be welcomed by all serious collectors.

826-1, 8mm. silent version, about 2000-feet on 11-reels, 4-lbs. ....\$75.00

## FIRST FILMS IN SUPER 8

from Castle and Columbia

LENGTH EACH: ABOUT 165-FEET  
Shipping weight: 11-ozs. per subject

SUPER 8 is the new 8mm. format introduced this past year by Eastman Kodak on which most camera and projector manufacturers now have equipment on the market. It is not compatible with traditional 8mm. and cannot be projected on a traditional 8mm. projector, the perforations being of a different size and shape, and in a different position on the film. This new format, in addition to footage of about 11%, makes possible a film frame having almost 50% more area than traditional 8mm., thus making possible a sharper and brighter picture—everything else being equal.

**USED 16mm. MUSICAL FILMS**

This group of musicals was made for television in the early 1950's. It is, on average, ten years newer than the "Soundies" musicals which were produced during World War II. These musicals are all in length between 100 and 125-feet, 16mm. sound. All are on 200-ft. capacity (5-inch) reels. These musicals are all in normal position for normal 16mm. projection and feature a number of present day headliners who have come into prominence in the years since the war. Prints are sold for nontheatrical and home use only, and television and theatrical rights are reserved.

# MUSICAL FILMS

Used 16mm. Sound

Individually priced at \$1.98 and \$2.49 per subject. Now, any three, purchased together at one time, only. . . . . \$4.99

This group was made for television in the early 1950's. It is, on average, ten years newer than the "Soundies" musicals which were produced during World War II. These subjects range in length between 100 and 125-feet, with individual selections frequently running to 150-feet and some to almost 200-feet. And, we must admit, there are a very few subjects that run a bit less than 100-feet. All are on 200-ft. capacity (5-inch) reels. These musicals, unlike the "Soundies" that preceded them, are all in normal position for normal 16mm. projection. Too, they feature a number of present day headliners who have come into prominence in the years since the war. Prints are sold for nontheatrical and home use only, and television and theatrical rights are reserved.

Average lengths: 100 to 125-feet

Shipping weight: 1 subject, 11-ozs.; 2 subjects, 1-lb.; each additional two subjects, 1-lb.

## WHAT BLACKHAWK'S CUSTOMERS SAY . . .

I recently sent a used film for trade-in, and I must say I was most pleased with the way you handled the entire matter. First I received a card from you informing me that my shipment had arrived safely. I then received a letter thanking me for my order and advising me that it was on the way. The film I received from you can only be described as top quality throughout. Also your careful packing, prompt and efficient service, reasonable prices and refund on postage that I calculated incorrectly was much appreciated.

It is this meticulous attention to detail that is wonderful at a time when most firms could not care less about a customer. In my opinion your catalog contains the finest selection of quality merchandise in the home movie field today, and it is always a pleasure to do business with a firm as reputable as you are.

### GENERAL INFORMATION ABOUT USED 16mm. SOUND PROJECTORS

All used 16mm. sound projectors listed here are delivered with 750-watt lamps unless specifically listed with lamps of other wattage. Many projectors equipped with 750-watt lamps may also be used with 1000-watt. Power cords and speaker cables are also included. However, if empty take-up reels are needed, these must be ordered separately as they are not included with the used projectors.

Projector prices are exclusive of transportation. Because of weight, projectors are not mailable. REA Express is usually the most satisfactory method of shipment, but we'll be glad to ship by freight—either rail or truck—if you request. A \$25.00 deposit is required on C.O.D. shipments of projectors to guarantee transportation charges.

## TWO WELCOME NEW BOOKS!

### The BIRTH OF A NATION Story

by ROY E. AITKEN  
as told to AL P. NELSON

In "The Birth of a Nation Story", Roy E. Aitken and Al P. Nelson describe in detail the production, promotion and distribution of the film that changed the motion picture from a cheap amusement to a respected art form and proved the potential of the feature length film. Told is the story of the naive, groping motion picture industry—then in its technical swaddling clothes—portraying a segment of Americana that has previously been slighted.

Contains 96 8½x11 pages, over 100 illustrations. Cloth bound.

## WORLD OF LAUGHTER

by KALTON C. LAHUE

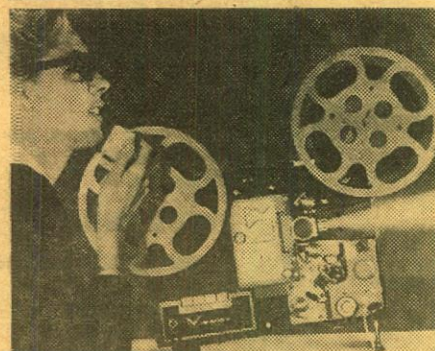

What was the world's zaniest police force—the one you wouldn't dare call if you were in trouble? The Keystone Cops of course—the brain children of Mack Sennett. Not many years ago, at practically any movie theatre in the United States, you could have seen Sennett's special brand of comedy.

But there were many others. The era of the silent motion picture comedy, beginning in 1910 and ending in 1929, was made memorable by such names as Charlie Chaplin, Buster Keaton, Harold Lloyd, Ben Turpin, Mack Swain, Roscoe Arbuckle, Chester Conklin, Larry Semon, Harry Langdon and Stan Laurel and Oliver Hardy.

This is a history of the major producers of comedy films, their productions, actors and directors. There is an appendix which lists all of the silent films made by Billy Bevan, Chaplin, Keaton, Langdon, Stan Laurel, Laurel & Hardy, Harold Lloyd, "Our Gang", Snub Pollard, Semon and Turpin.

## NEW 16mm., 8mm., SLIDE AND FILM STRIP PROJECTORS and MOVIE LIGHTS

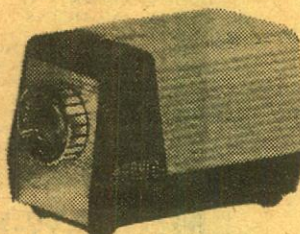

### VIEWLEX OPTICAL/MAGNETIC 8mm. SOUND PROJECTOR

An 8mm. Optical/Magnetic sound projector, the first of its kind, is now available to you through Blackhawk! This revolutionary new projector will not only operate with optical sound and magnetic sound, but also your standard silent 8mm. film may be used. The major breakthrough in the new Viewlex projector has been the placement of a full size optical sound track on the film, while simultaneously increasing the picture area. To transfer this projector from optical sound to magnetic sound or to standard silent 8mm. film usage, takes only the "flick of a switch". In addition, it operates at both forward and reverse and is equipped with power rewind. It has a single case design with an automatic control keyboard switch, and for viewing convenience, it has a built-in P. A. system with flick switch microphone to override the sound. This projector has a 600-foot reel capacity, with a 6-watt output and a 5x7 speaker. The most striking feature is that the new Viewlex Projector costs less than half its equivalent in 16mm. Shipping weight, about 80-lbs.

### ACCURA 35mm. 2"x2" SLIDE PROJECTOR

Self contained in an attractive all-cast metal housing, the Accura "Pocket" Projector, which measures only 6x3½x3", features a unique "in line" optical system, consisting of triple condensers and an ultrasharp 3" f:2.5 coated projection lens. The Accura "Pocket" Projector accommodates all 2x2 mounted slides to its two-way carrier and can be conveniently operated from both desk and tabletop. The unit is also equipped with a tripod socket for easy mounting on any tripod.

The relatively short focal length projection lens which projects a full 37x50" image at only 12 feet is also well suited for the projection of sub-miniature and singleframe (half size) 35mm. transparencies—even at short distances. Utilizing a standard 100-watt projection lamp which provides adequate illumination for daylight projection at moderate distances, the quality and performance of the unit make the Accura projector a perfect device for every 35mm. fan. The Accura "Pocket" projector is especially useful as a sales aid as well as for the slide enthusiast who likes to take his slides visiting.

**HPI CARITEL**

**A Rear Projection Cabinet  
with 14-inch Square Screen for  
Slides, Filmstrips and Movies that  
folds 1-inch flat in seconds**

The HPI CARITEL converts your existing projector into a desktop, daylight viewer for individual and small group use. All projector features are retained including automatic operation, remote control, sound synchronization, stop frame, zoom focus, etc. For maximum portability and minimum storage problems, the HPI CARITEL folds to 1" thickness in 15 seconds.

When set up, the CARITEL becomes a rigid rear projection cabinet with a large 14" x 14" screen that will accept existing slide, filmstrip and movie projectors without modification, and with their standard lenses (Carousell, Viewlex, Technicolor, Bell and Howell, Graflex, etc.). The projector sits below and in front of the screen providing immediate and direct access to all controls while viewing.

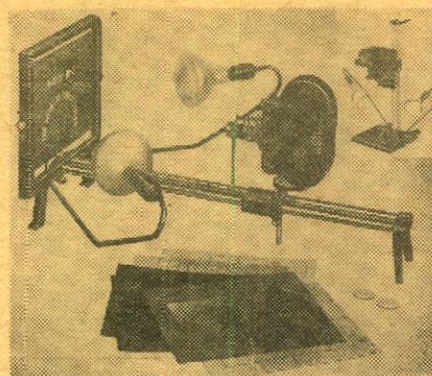

Bright, full color pictures up to 14" wide can be seen by audiences of 1 to 25 in normal room light, when seated or standing and from a wide side angle. The screen is a new HPI "Daylight Blue" plastic that is break resistant and washable. The blue tinted screen corrects the yellowing effect of projection lamps. Images are extremely lifelike with no exaggeration of reds or yellows, similar to professional area projection pictures. An anti-reflection surface minimizes reflections from room lights.

The square screen size accommodates all still and motion picture films including vertical and horizontal slides without cutting off tops, bottoms or corners.

The CARITEL assembles in two easy motions... swing the hinged mirror panel into position until it locks... and snap the screen into place... set up and ready to operate in 15 seconds. While the mirror is glass, it is shock mounted and always protected, inside the CARITEL, against breakage. It cleans easily with a soft cloth. An accessory plastic portfolio case is available for convenient carrying and storing.

The HPI CARITEL needs less than a square foot of desk space. Despite its light weight, it is extremely stable and will not collapse or topple when set up. Except for the mirror, all materials in the CARITEL are the latest break resistant plastics, contour molded to give constant service without attention. All surfaces wipe clean with a damp cloth. Dimensions: In use—23x27x14-inches. Folded for travel—23x22x1-inches.

## FILMAGIC SILICONE CLOTH

USE IT TO CLEAN, POLISH AND PROTECT YOUR FILMS

This Filmagic Silicone Cloth is treated with silicone to apply an invisible but highly lubricated surfacing to your 16mm. and 8mm. films. This makes them more resistant to scratches and blemishes. New prints so treated will run through the projector much more steadily than a "green" untreated print. Polishing both sides of the film channel at the film gate of your projector with this Filmagic Cloth will also give further protection to your films and make for steadier projection of new prints.

22-03, 4-ozs. ....\$1.89

## FILMAGIC SURFASET

for the conditioning and protection of your movie film and color slides!

Filmagic SURFASET is a perfect conditioner when used on newly-processed film. The treatment removes all traces of "greenness" and permits immediate use of film in still projectors, motion-picture projectors, continuous or repetitive equipment. The conditioners in SURFASET will make older film flexible, removing "set" and allowing steady projection under most adverse conditions. Filmagic SURFASET gives perfect results when used on magnetic sound tracks (8mm., 16mm. or 35mm.).

## HOW TO OPEN A BLACKHAWK CHARGE ACCOUNT

Open account billing is now available to individuals in the United States (Alaska and Hawaii, for the time being, are excepted) on the payment of an annual fee of \$2.00 and the submission of satisfactory credit information. On this basis, upon the opening of a Blackhawk charge account, you will be provided with an account number which should appear on all orders from you. Payment for orders shipped and billed during a month are due in Davenport not later than the 15th of the month following. As an example, orders which are shipped and billed to you in December must be paid in full not later than January 15, etc., etc. A Blackhawk charge account

will be a particular convenience to our regular customers in that it eliminates the pre-figuring of remittance for postage, and the writing of several checks or the securing of several money orders during a single month.

Fill in completely (type or print) the BLACKHAWK CHARGE ACCOUNT APPLICATION below, sign and return to us with the \$2.00 annual charge account fee (refunded in the event an account is not opened by us). We'll immediately confirm receipt and let you know as soon as the account is open—and your account number.

### Read Before You Order! POSTAGE CHARGES

Blackhawk Films' prices do not include postage. Shipping weights are now given with each item and you can compute the approximate total weight and postage charges by referring to the postage table given below. While weights of a single shipment to virtually all post offices in continental United States are limited to 20 pounds, shipments to the states of Alaska and Hawaii may run as heavy as 70 pounds. These two states are in the eighth zone, and Blackhawk customers can approximate the correct postage to remit by figuring 18c per pound for each pound above twenty. The same formula applies to all U. S. Territories and Protectorates.

Some larger and heavier items, because of size and weight, are not mailable and will thus be shipped to you by express or freight, you paying the transportation charges on delivery. In general, shipments of size and weight requiring express or freight transportation will not be forwarded on a C.O.D. basis.

### SALES TAX ON IOWA SHIPMENTS

Customers ordering films for shipment to points in Iowa must also add 2% for the State Sales Tax.

### C. O. D. SHIPMENTS

Except where noted, Blackhawk will gladly make shipments of merchandise on a C.O.D. basis to any point in the United States. However, on C.O.D. shipments, the purchaser pays all transportation charges, insurance and C.O.D. fees, and money order fees, in addition to the cost of the merchandise. Because of the weight involved, we will not forward projectors on a C.O.D. basis unless a deposit of \$25.00 is enclosed to guarantee transportation charges.

### RIGHTS OF USE ON MOTION PICTURES

Use of new 16mm. and 8mm. motion picture prints sold by Blackhawk is limited to home and non-theatrical showing—theatrical and television rights are specifically reserved. Productions of Hal Roach Studios, Inc., and National Telefilm Associates, Inc., are distributed by Blackhawk on license under copyright for nontheatrical and home use only, and in the limited territories set forth on the pages carrying the major listings of these particular groups of subjects. The copyright status, if any, of other subjects in countries and territories outside of the United States, is unknown and purchasers acquiring and exhibiting such prints do so at their own risk.

No specific license for use, either express or implied, is made for any used 16mm. or 8mm. prints offered herein, except in the case of used copies of subjects on which new prints are also offered by Blackhawk, in which case the same right of use, and the same limitations of use, apply to the used prints as to new prints of the same subject.

No authority or license is granted for the public performance of any copyrighted music which may be included in or as a part of any of the films offered herein unless the person, firm or corporation proposing to reproduce such music as part of the picture is duly authorized where such authorization is needed, by the copyright owner of any such music, to perform the same publicly.

### SHIPMENTS OUTSIDE CONTINENTAL UNITED STATES

Shipments made to Hawaii, Alaska, Puerto Rico, Fleet Post Offices, Army Post Offices and other overseas locations move through the regular United States Postal System. We are glad to handle such shipments on exactly the same basis as shipments made within continental United States with the exception that no C.O.D.'s will be made outside continental United States.

Where shipments are made to countries other than the United States, payment may be made by letter of credit, by international money order or in any negotiable currency.

Where, on any type of payment, you wish to know the exact cost of your merchandise we will be glad to send a proforma invoice—and hold the wanted items—so that a precise amount may be determined. Where checks, money orders or other remittances are made in currencies other than those of the United States, we will immediately clear these funds through our bank. Your order will be suspended until our bank has notified us of the actual credit resulting from this clearance. This usually takes a matter of a week or ten days.

On shipments to overseas destinations other than those served directly by the United States Postal System, a surcharge of 10% is made to cover postage, insurance, and the preparation of necessary customs forms.

### Buy Anything Offered By Blackhawk On Convenient Monthly Payments!

Customers in the United States (excluding Alaska, Hawaii and other territories) may now purchase anything listed by Blackhawk on convenient time payments. Furthermore, our convenient add-on payment service is available to those of you already having satisfactory time payment accounts in operation. (See "D" below.)

### TIME PAYMENT ARRANGEMENTS

#### A. Down Payments.

Below are the minimum down payments required based on the total amount of your purchase.

|   |          |
|---|----------|
| On orders totaling \$ 25.00 to \$ 50.00   | \$ 5.00  |
| On orders totaling \$ 50.01 to \$ 100.00  | \$ 10.00 |
| On orders totaling \$ 100.01 to \$ 150.00 | \$ 15.00 |
| On orders totaling \$ 150.01 to \$ 200.00 | \$ 20.00 |
| On orders totaling \$ 200.01 to \$ 250.00 | \$ 25.00 |
| On orders totaling \$ 250.01 to \$ 300.00 | \$ 30.00 |
| On orders totaling \$ 300.01 to \$ 350.00 | \$ 35.00 |

The amount of your time payment charge and the amount of your monthly payment is determined by the unpaid balance remaining after we have deducted your down payment from the total of your purchase. Thus, the larger you can make your down payment, the lower will be your time payment charges and the smaller will be your monthly payments.

#### B. Time Payment Charges.

Time payment charges are based on the unpaid balance remaining after the deduction of your down payment from the total of your purchase. Here they are scheduled:

|  |          |
|--|----------|
| On unpaid balances totaling \$ 25.00 to \$ 50.00   | \$ 5.00  |
| On unpaid balances totaling \$ 50.01 to \$ 100.00  | \$ 10.00 |
| On unpaid balances totaling \$ 100.01 to \$ 150.00 | \$ 15.00 |
| On unpaid balances totaling \$ 150.01 to \$ 200.00 | \$ 20.00 |
| On unpaid balances totaling \$ 200.01 to \$ 250.00 | \$ 25.00 |
| On unpaid balances totaling \$ 250.01 to \$ 300.00 | \$ 30.00 |
| On unpaid balances totaling \$ 300.01 to \$ 350.00 | \$ 35.00 |

#### C. Monthly Payments.

As is explained above, the size of your monthly payment is based upon the unpaid balance (including the time payment charge) remaining after deducting your payment from the total of your purchase. Here is the schedule:

|  |          |
|--|----------|
| On unpaid balances totaling \$ 25.00 to \$ 50.00   | \$ 5.00  |
| On unpaid balances totaling \$ 50.01 to \$ 100.00  | \$ 10.00 |
| On unpaid balances totaling \$ 100.01 to \$ 150.00 | \$ 15.00 |
| On unpaid balances totaling \$ 150.01 to \$ 200.00 | \$ 20.00 |
| On unpaid balances totaling \$ 200.01 to \$ 250.00 | \$ 25.00 |
| On unpaid balances totaling \$ 250.01 to \$ 300.00 | \$ 30.00 |
| On unpaid balances totaling \$ 300.01 to \$ 350.00 | \$ 35.00 |

#### D. Add-On Orders.

We're always glad to add additional purchases to time payment accounts already outstanding. The additional time payment charge will be based on the amount added to the time payment contract. The charge itself will be determined from schedule B up above.

The amount payable monthly, when an add-on is made, will be based on the total amount still due including the unpaid balance on the add-on. When these two are combined, the total will fall into one of the brackets indicated in C.

#### E. Our Action.

We've provided this information so that you will know exactly the amount you will owe. However, to help you further, we prepare a time payment schedule for you at the time we ship the merchandise. We show you the exact amount due and the dates on which the amount should be received here in Davenport. So don't let the details bother you. We'll do the figuring.

If you would prefer a cash refund (and if you are ordering used items, discontinued items and/or close-out items), just tell us on your order and we will send our bank check rather than a credit memorandum.

### GREAT SMOKY MOUNTAINS NATIONAL PARK

Photographed by D. G. MacLean

Located half in North Carolina and half in Tennessee, the lofty Great Smoky Mountains National Park is the most popular of all of the national parks in the east. The moist, warm climate has made this rich wilderness a beautiful region of coves (meadows surrounded by peaks), covered with a succession of flowers unmatched for colorful variety anywhere in the United States. Virgin spruce, yellow birch, white ash, Fraser fur, tulip poplar, red maples and mountain magnolias tower above the 1300 species of flowering plants. Cades Cove, the various pioneer homesteads, barns and mill, which have been preserved as tourist attractions, are all on view. There are breath-taking shots of Newfound Gap, Charlie's Bunion, Clingman's Dome, the Chimney Tops, Alum Cave Bluffs, and the Fontana Lake Dam.

### BRYCE CANYON NATIONAL PARK

Photographed by Emil Muench

Bryce Canyon is one of Mother Nature's most glorious "spectaculars" and is given such dimension in these slides done by Emil Muench that one feels he is actually viewing it from the rim of the canyon wall. The dazzling color of Bryce, the bizarre spires and pinnacles, burst upon one like a fairy tale. The domes and temples carved in the rocks of Bryce are colossal, and yet there is a gentleness in them. Muench has captured all of the delicate beauty and melting color of this vast "rock fairy land". Red Canyon, The Amphitheater, Silent City, Fairy Land Canyon, Natural Bridge, all of the unique and stupendous rock formations including, The Pope, Queen Victoria, Santa Claus, The Alligator and many more beautiful and unusual sights are depicted in the set of thirty color slides.

Located a few miles south of Miami, Florida, is one of the most unique railroad operations in the entire country—the Gold Coast Railroad, a standard gauge train drawn by steam locomotive over three-and-one-half miles of track. As our slide set shows, there's an old-fashioned station complete with potbellied stove, telegraph instruments and other typical items; and the train itself features the famed Presidential Car, "Ferdinand Magellan"; the armored private car used by Presidents Roosevelt, Truman and Eisenhower. Also includes views of the Gold Coast emblem, details of the engine and coaches, and the train steaming through the woods.
