### DOG HEAVEN

This is the story of Pete the dog and his master Joe. What has happened is that a young vamp, Clarabelle, has come into Joe's life and his attentions are directed away from Pete.

119-05-0012

### RAINY DAYS

Wheezer draws pictures on the walls in the house. The Rascals all help to wash them off before mom comes home but with No Luck. . . When they try to solve the problem by repapering all the walls with paste made from "self-rising" flour. . . the FUN begins.

119-05-0013

### CAT, DOG, AND CO.

Reprimanded for cruelty to animals, the Rascals reform. . . except for Wheezer. Continuing his tormenting ways, Wheezer is finally "tried" by the barnyard inhabitants, frightening him so much that he begins turning loose all animals in town. . . WHAT FUN!

**THE NOON WHISTLE**

**STARRING STAN LAUREL**

(1923)

with Jimmy Finlayson, Katherine Grant

Foreman Fin has his hands full of slackers at the furniture factory, and which one is his greatest problem? Stan, of course . . . he doesn't know what it's all about or even that it's going on!

A masterpiece of comic timing, *The Noon Whistle* is one of Stan's early comedies for Hal Roach and demonstrates his rare ability to extract every possible laugh from a slender story line.

**THE HOOSE-GOW**

(1929)

starring Stan Laurel and Oliver Hardy with Tiny Sanford,  
Jimmy Finlayson

Set in the days of prohibition it shows our boys among the occupants of the paddy-wagon being delivered to the penitentiary because they were "watching a raid!" In the last sequence, Ollie's pick—aimed at Stan—goes through the radiator of the governor's official car—with water spurting out like a fountain. The boys are advised to get some rice from the cook to put in the radiator—but when the car is started the radiator cap blows off, and the radiator spouts a stream of gooey rice that leads to a real rice throwing finale!

**A SANITARIUM SCANDAL**

(1917)

Lallah Hart, Earl Rodney, Paddy McQuire, Fritz Schade, Peggy  
Pearce, Myrtle Lind, Blanche Payson, Baldy Belmont

Need a fast hundred? Can't figure how to get it? Simple—follow Earl's example and turn your aunt's sanitarium into a hotel—but pray that your problems don't multiply as his did in this laugh-a-minute farce.

One of the Triangle-Keystone comedies produced by H.O. Davis after Mack Sennett left Triangle. A Sanitarium Scandal features many popular names from the Keystone days and was directed by William Beaudine, whose long career behind the camera was just beginning.

**WHY BEN BOLTED  
(HE LOOKED CROOKED)**

(1917)

**BEN TURPIN, with Gypsy Abbott,  
Ed Laurie, Arthur Moon**

It's Ben Turpin playing second fiddle to a counterfeiter who passes the bad stuff all around town while the rest of the cast is busy playing April Fool's jokes on each other. But guess who has the last laugh!

When compared to his work with Mack Sennett, Turpin's Vogue Comedies are not especially notable, but never again would Ben play such a bedraggled comic character, and *Why Ben Bolted* is of great interest to all fans of the cross-eyed comic's career. Shortly after this comedy was produced, Turpin joined Sennett and began his spectacular rise to become one of the twenties' most popular comedians.

**HOT SPORTS**

(1929)

**MONTY COLLINS and VERNON DENT**

Enroute to the Plumbers' Ball, Monty and Vernon stop off at a ritzy party for awhile. The two boys are gazsters par excellence and with a couple of window curtains and a jar of glue, they tear up the party properly.

Sight gags abound in this clever Cameo Comedy from the closing days of the silents. With the redoubtable Vernon to spur him on, Monty goes all the way. A stage comic with years of experience as a comedy director, Collins arrived in front of the camera too late in the era to establish himself, but there's laughter galore in store for those who rediscover this talented comedian in one of his best appearances.

**PAGING LOVE**

(1923)

**MONTY BANKS and LOIS BOYD**

Just imagine opening the door to find super-salesman Monty Banks standing there! Of course, you'd buy a book to help him out if you realized the mess he's in—you see, it all started with this girl!

It's two reels of merry madness as Monty takes up door-to-door selling to prove to Lois Boyd's father that he's really worthy of her; when you see Lois, you'll agree. The second comedy Monty made at his Gower Street studio for Harry Grand and Sam Asher in 1923, *Paging Love* was the first release of this new series and appeared on theatre screens just as Banks moved into features at Pathe. Don't miss this delightful debut.

**MARY'S MERRY MIX-UP**

(1917)

**JAY BELASCO and BILLIE RHODES**

Jay and Billie are secretly married, and when Jay spies Billie kissing her brother (whom he's never seen), he thinks the worst. But the fun really begins when he takes a job as butler in her home to keep an eye on her.

The Strand Comedies were Mutual's most popular series during 1917-18, and Jay Belasco and Billie Rhodes made a name for themselves in these delightful one-reelers produced by Al Christie. While Miss Rhodes would soon leave Christie's employ to become the leading lady and wife of "Smiling Bill" Parsons, chief comic and president of the National Film Corporation, she never again achieved the widespread popularity which the Strands had given her.

This slide set pictures the Trolley Division of the Red Arrow Lines as they operate in the Philadelphia area. The lines are partially on private right of way and partially on streets with numerous road crossings. The tracks are broad gauge. The two lines that survive—the Sharon Hill and Media Divisions—are shown in this assortment. Three classes of equipment were in active service with a fourth stored and used in heavy snow. Many different cars are pictured in this assortment.

Philadelphia Suburban Transportation Company, better known as the Red Arrow Lines, operates two divisions that serve areas west of Philadelphia and terminate in the 69th Street Terminal, Upper Darby, where connections can be made to center city Philadelphia via the subway/elevated system.

Aside from common ownership and the sharing of the 69th Street Terminal, these two divisions have little in common. Originally they were separate companies. The interurban division, originally known as the Philadelphia and Western, consists of a high speed line to Norristown, approximately 13-miles from Upper Darby. Service is provided by ten Brill cars built in the 1920's, ten Brill bullet cars built in 1931 and two Liberty Liners which are former Electroliners from the abandoned North Shore Line out of Chicago.

**IN THE PARK (1915)**  
**CHARLIE CHAPLIN,**  
with Lloyd Bacon, Bud Jamison,  
Edna Purviance, Leo White

It's Spring, and you see Charlie at his best in this riotous farce as his thoughts turn to love. He outsmarts a pickpocket, gets a lesson in love from a Frenchman and his sweetheart, steals hot dogs from a hot dog stand, and flirts with a nursemaid. There is continuous interplay between the characters, and the film ends with all the characters except Charlie and the nursemaid getting pushed into the park pond... and Charlie's Springtime fancy turning to the pretty nursemaid.

**ILLINOIS TERMINAL INTERBANS**

Produced by Vitaly V. Uzoff

The scenes in this film were photographed in the winter of 1951-52 on what was known as the "Bloomington Line" of the Illinois Terminal. This segment of the system was abandoned on February 23, 1953, the first major portion of the line to be given up when the inter-urban network began to crumble in the early 1950's.

In this film you'll see near Forsythe when a north-bound car parallels a steam-powered Illinois Central freight, near Maroa, Car 1203 in the Bloomington area and inching through Bloomington's downtown streets. Scenes at Mackinaw and at the Mackinaw River bridge.

**BIOGRAPH BEFORE GRIFFITH — COMEDY & MELODRAMA FROM STORE SHOW DAYS**

(Biograph, 1904-05)

The names of Biograph and D. W. Griffith are inevitably linked together but Biograph was producing solid film subjects before the great director arrived and for the most part, they were ahead of their time even then.

The *Suburbanite* is a delightful comedy of 1904 as timely today as it was then and is typical of American screen humor of the era. The other part of this unusual release is a 1905 melodrama called simply enough, *The Fire Bug*. Both represent the American motion picture as it developed from a simple novelty into the most influential entertainment medium the world has known.

**THE DAREDEVIL**

(1923)  
**BEN TURPIN**  
Complete Version  
with Harry Gribbon, Madeline Hurlock,  
Jack Richardson, Kewpie Morgan

"I didn't get that scene—go back and do it again!" Bronc busting or fire fighting, it's all in a day's work for the poor stunt double, who risks life and limb to bring you the thrills of a lifetime. Yes, it's Ben Turpin as fearless Joe Magee! Ben Turpin?

Sequences from *The Daredevil* have been used for years in compilations of comedy from the silent era, but the entire print has not been available until now. At last, you can find out how Ben originally got into those predicaments and just how he managed to extricate himself from the death-defying stunts dreamed up by Harry Gribbon in this fast-moving parody of movie-making in the twenties, as well as taking a look inside the fabulous Sennet studio.

**A ROMANCE OF THE RAILS**

(1912)  
with Bessie Learn, Harry Eytinge,  
George Lessey, William West

Made by Edison in 1912, this melodramatic railroad film is typical of many produced by that company in that period. It is of particular interest today for what it shows of railroading in the early years of the twentieth century, particularly the lines of central and northern New Jersey where Edison did much of its production.

Barton is a squatter on railroad land. Frank Denning, assistant superintendent, is sent out to inform Barton he must move, thus meeting Alice, the squatter's niece. Three weeks later the railroad legal department goes in to action, but the old man orders Denning away. Denning has an errand further up the road. The old man gets out his gun and makes his way to the right-of-way to await Denning's return. The old man falls on the track and breaks a leg. The Express is due! Denning, returning on his handcar, sees Barton on the track, pulls him aside just as the train comes along. Romance follows!

# USED 8mm. & SUPER 8 FILMS

BLACK & WHITE • COLOR • SILENT • SOUND • COMPLETE AND IN GOOD CONDITION

With this copy of the Flyer, the number of used Standard 8mm. and Super 8 prints on hand is somewhat less than over the past several months. Because of this, if you wish us to ship you the title of your choice, order early. Also, be sure to give us alternative choices whenever possible. We'll always ship your first choice if available. Titles shown

here were on hand when the listing was prepared. But, because hundreds of prints are traded in monthly, we may or may not have your selection on hand when your order is received and processed. For that reason, you may receive an out-of-stock notice on your selection and then see the same title listed in the next issue. This often happens, and

we've found no way to solve the problem because we cannot know ahead of time just which titles our customers will be trading in. Also, from the time the listing is prepared and you receive the Flyer, many titles will be sold which were listed previously but not requested.

Footages shown are approximate. Note, too, all films of major stars have been listed under separate headings.

Shipping Weights: Up to 200-feet, 11-ozs., 201-400 feet, 14-ozs., above 400-foot figure 1-lb. for each 400-feet of length, or fraction thereof.

## RESEARCH

We're flattered that so many of our customer/friends look upon us as the source of all information about a wide variety questions relating to motion pictures. And we're sorry to disillusion you, but we don't have the answers at our finger tips, and on many, many of them, we don't have the answers at all. Frankly, we find it time consuming and often frustrating to research the historical backgrounds for many of the subjects on which we're working for release. So, we urge you not to ask us questions that do not relate to films that are in the areas of our releases. And when you do write, give specific questions with open space following the questions so that we can handle the relaying of this information to you on a straight question and answer basis.

What we'd like to recommend to you is that you avail yourselves of the great amounts of printed material on the history of the movies that you'll find in the reference collections of most moderate and large public library systems. In most states, there will be such a library within fifty miles of where you live, and a few hours there will prove to be a most absorbing time in running down answers to your questions.

Here are some of the publications that you'll find of value:

**THE AMERICAN FILM INSTITUTE CATALOG OF FEATURE FILMS, 1921-1930.** This work has just been published, in two volumes, and gives titles, casts, dates of release, production and distributing companies, production credits, footage and synopses of practically every feature film produced in the United States during this decade.

The second volume is a cross index by player, director, author, etc., listing all of the film titles with which they were involved during the period. This set of volumes will be followed over the next few years with others until the whole history of the American film is in available form on printed page.

**CATALOG OF COPYRIGHT ENTRIES OF MOTION PICTURES, 1894-1912, 1912-1939, 1939-1949, 1949-1959.** A series of volumes published by the Copyright Office, The Library of Congress, giving titles, production companies and some other pertinent data about each motion picture copyrighted in the United States.

**FILMS IN REVIEW.** A periodical issued ten times yearly by the National Board of Review of Motion Pictures giving much historical and statistical data on motion pictures, production companies, players, directors, cameramen, producers, etc.

**THE CLASSIC FILM COLLECTOR.** A quarterly tabloid written by film enthusiasts and published by a film buff. A hefty work done for the joy of doing it and thus not as slickly put together as some other publications—but an absorbing work!

**FILM FAN MONTHLY.** A small publication, very carefully put together by a young film fan, that is somewhat a cross between "Films in Review" and "Classic Film Collector" in what it covers and how it covers it.

**THE FILM DAILY YEAR BOOK,** bound volumes of **THE MOVING PICTURE WORLD** and **MOTION PICTURE NEWS**, or the micro-film edition of **THE MOVING PICTURE WORLD** issued by The Library of Congress. Many libraries offer some of these.

As for books on the silent film, Daniel Blum's **A PICTORIAL HISTORY OF THE SILENT SCREEN** probably offers the most, because it deals primarily with the films themselves, and has literally thousands of illustrations covering the whole span of the silents.

The AFI catalogs are probably too expensive for individual purchase, as are the **CATALOGS OF COPYRIGHT ENTRIES.** The periodicals are something to which you may wish to subscribe, but the back issues, particularly of **FILMS IN REVIEW**, are something your library can probably offer you. The subscription rates, and where to subscribe, are given below for the regular publications:

Subscription Rates: \$5.00 a year

Indiana, Pennsylvania 15701  
Subscription Rates: \$3.00 a year

# PROJECTION LAMP SALE

Until November 12, 1971—Lamps will be shipped at the sale prices shown in our previous Flyer. After November 12, 1971, prices will be as shown.

Blackhawk Films carries the entire Sylvania line of projector lamps. These are indicated by (SYL) after the Blackhawk part number. Blackhawk lamps, designated (BLK), are manufactured for us by one of Japan's top Electrical Companies. Both Sylvania and Blackhawk lamps carry 120 volt rating. Where Sylvania does not make a specified lamp, we carry either Westinghouse (WGH) or General Electric (GE) lamps for your convenience. The average life of projection lamps is from 10 to 25 hours. Lamps with unusually long expected life are designated.

## MUSICAL MOODS FROM THE SILENT FILMS

Selected and played (piano) by Arthur Kleiner, musical director of the Museum of Modern Art Film Library. "Silent films were never shown in silence." To the pianists and organists of the early movie houses, the studio composers provided various handbooks which enabled them, as it were, to compose their own scores for almost any film — themes marked "misterioso", "storm", "passion", "most impassioned ecstasy", "lurking villain", and "flirtatious vamp" did duty for appropriate passages in hundreds of movies.

**THE BELOVED ROGUE**

(1927)

**JOHN BARRYMORE,**  
Marceline Day

Step back into the past with America's foremost actor as he recreates the romantic life of vagabond poet Francois Villon in a superb acting performance that wins the praise of all who watch it. A hint—Slim Summerville and Mack Swain are on hand to lend Barrymore a helping hand—need we say more?

The Beloved Rogue represents the romantic Barrymore at his best and was long

thought to be one of the lost classics of the screen.

**IN THE PARK**

(1915)

**CHARLIE CHAPLIN,**  
with Lloyd Bacon, Bud Jamison,  
Edna Purviance, Leo White

It's Spring, and you see Charlie at his best in this riotous farce as his thoughts turn to love. He outsmarts a pickpocket, gets a lesson in love from a Frenchman and his sweetheart, steals hot dogs from a hot dog stand, and flirts with a nursemaid. There is continuous interplay between the characters, and the film ends with all the characters except Charlie and the nursemaid getting pushed into the park pond . . .

and Charlie's Springtime fancy turning to the pretty nursemaid.

**MAY WE SEND A COPY OF THE CURRENT EDITION OF THE BLACKHAWK BULLETIN TO SOME OF YOUR FRIENDS INTERESTED IN MOVIES AND COLOR SLIDES?**

Every day we get letters and cards from our friends asking us to forward a copy of the Blackhawk Bulletin to certain of their friends—or to put a friend's name on our mailing list. This happens frequently enough that the thought has occurred to us that we ought to make it easier for you to relay this information to us, for it's your enthusiasm for what we have to offer and your loyalty that has made possible the broader range of subjects we're able to bring you.

So . . . here we have space just waiting for the name and addresses of your friends. Fill in one or all and include this portion of the page with your next order. We'll see to it that the current Blackhawk Bulletin gets into the mail to them at once!

**RETURNS**

Should you for any reason desire to return items to Blackhawk for credit or for any other reason, YOU MUST RETURN ALL PAPERS INCLUDING YOUR ORIGINAL ORDER WITHIN 10 DAYS from the date you receive it. Because of the thousands of orders we handle, we do not keep copies of all orders, nor a list of the items you purchased. Unless you return the papers listed above, we are not in a position to handle your request without undue delay.

**OUT OF STOCK ITEMS**

Where items are 'temporarily' out of stock, we will create a back order, retain sufficient funds to cover shipment and send the item as quickly as our new stock is received. If there is a delay beyond two weeks, we will notify you, giving you any information we may have.

When an item is 'permanently' out of stock (as may be the case with used 16mm. and used 8mm. films where we cannot obtain an additional supply), we will send you a credit memo as a refund. We follow the practice of issuing credit memos in such instances because most customers ordering used or discontinued material prefer to make another selection. If we return a check, this means that the customer who wants to select another item must then either pay for the cashing of our check and for the writing of another personal check, or must pay for a money order. This can be both inconvenient and expensive. To make alternate selections easy, therefore, we use the credit memorandum system.

If you would prefer a cash refund (and if you are ordering used items, discontinued items and/or close-out items), just tell us on your order and we will send our bank check rather than a credit memorandum.

**BLACKHAWK'S LAY-AWAY PLAN**

Blackhawk's Lay-Away Plan costs you not a penny more than Blackhawk's regular cash price—you pay 10% of the cost of the merchandise with your order, the balance within 90 days at your convenience. As soon as the balance is paid, Blackhawk ships the merchandise! And, Lay-Away is an easy way for you to get those limited availability bargains and sale items, for the moment we get your order, it is physically pulled and set aside for you! Remember—no interest or carrying charge on Lay-Away!

**HOW TO OPEN A BLACKHAWK CHARGE ACCOUNT**

Open account billing is now available to individuals in the continental United States (Alaska excepted) on the payment of a fee of \$2.00 and the submission of satisfactory credit information. (Payment of the \$2.00 fee is not required when application is accompanied by an order for \$10.00 or more.) On

this basis, upon the opening of a Blackhawk charge account, you will be provided with an account number which should appear on all orders from you. Payment for orders shipped and billed during a month are due in Davenport not later than the 15th of the

month following. As an example, orders which are shipped and billed to you in December must be paid in full not later than January 15, etc., etc. A Blackhawk charge account will be a particular convenience to our regular customers in that it elimi-

nates the pre-figuring of remittance for postage, and the writing of several checks or the securing of several money orders during a single month. Fill in completely (type or print) the BLACKHAWK CHARGE ACCOUNT APPLICATION

below, sign and return it to us with the \$2.00 charge account fee or an order of \$10.00 or more. (\$2.00 fee, if sent, will be refunded in the event an account is not opened by us.) We'll immediately confirm receipt and let you know as soon as the account is open—and your account number.

**BUY ANYTHING OFFERED BY BLACKHAWK ON CONVENIENT MONTHLY PAYMENTS!**

Customers in the United States (excluding Alaska, Hawaii, and other territories) may purchase anything from Blackhawk on convenient time payments. The following time payment arrangements became effective with the Truth in Lending Act on July 1st, 1969.)

**TIME PAYMENT ARRANGEMENTS**

**A. Down Payments**

Below are the minimum down payments required based on the total amount of your purchase.  
On orders totaling \$25.00 to \$50.00 . . . . . \$ 5.00  
On orders totaling \$50.01 to \$100.00 . . . . . \$ 7.50  
On orders totaling \$100.01 to \$125.00 . . . . . \$12.50

The amount of your time payment charge and the amount of your monthly payment is determined by the unpaid balance remaining after we have deducted your down payment from the total of your purchase. Thus, the larger you can make your down payment, the lower will be your time payment charges and the smaller will be your monthly payments.

**B. Time Payment Charges**

Time payment charges are based on the unpaid balance remaining after the deduction of your down payment from the total of your purchase. Here they are scheduled:

On unpaid balances totaling \$25.00 to \$75.00 . . . . . \$ 5.00  
On unpaid balances totaling \$75.01 to \$125.00 . . . . . \$ 7.50

**C. Monthly Payments**

As is explained above, the size of your monthly payment is based upon the unpaid balance (including the time payment charge) remaining after deducting your payment from the total of your purchase. Here is the schedule:

On unpaid balances totaling \$25.00 to \$50.00 . . . . . \$ 5.00  
On unpaid balances totaling \$50.01 to \$100.00 . . . . . \$10.00  
On unpaid balances totaling \$100.01 to \$125.00 . . . . . \$12.50

**D. Add-on Orders**

New purchases will be added to existing contracts. A separate contract, requiring a down payment and a time payment charge will be established each time you order. It will be to your advantage, as the time payment charges are fixed figures, to include as many items as possible in each time payment order.

**E. Our Action**

We've provided this information so that you will know exactly the amount you will owe. However, to help you further, we prepare a time payment schedule for you at the time we ship the merchandise. We show you the exact amount due and the dates on which the amount should be received here in Davenport. So don't let the detail bother you. We'll do the figuring.

## THE WHISTLE

(1921)

**WILLIAM S. HART**  
with Myrtle Stedman and Frank Brownlee

When unsafe mill conditions cause the death of his son, Robert Evans (William S. Hart) seeks vengeance by kidnapping the son of factory owner Henry Chapple (Frank Brownlee). Thinking her son dead, Mrs. Chapple (Myrtle Stedman) endures years of unhappiness and illness. Mother and son are finally reunited, Chapple improves factory safety conditions, and Evans goes on his lonely way. "The Whistle" was one of Hart's occasional non-Western features which displayed his remarkable acting versatility. It was originally distributed by Paramount.

## WATER WAGONS

(1925)

**Madeline Hurlock, Andy Clyde, Sid Smith,  
John J. Richardson**

The big sea race is coming up and Commodore Clyde is determined he'll win, in spite of Sid Smith's help. His specially-designed searocket wreaks havoc with the competition but meets its match in a tin fish. A blow-up comedy of laughs. Sennett's comedy style in the twenties was considerably toned down from the wild slapstick of the early Keystone, but occasionally Del Lord sneaked one past the King of Comedy which left fans roaring in the aisles—*Water Wagons* was one such comedy. A throwback to the past, it made the best use of optical effects of any Sennett comedy of the twenties and still retains the laughs almost a half-century later.

## A MUDDY ROMANCE

(1913)

**Ford Sterling, Mabel Normand**

Mabel and boy friend decided to get married in a rowboat to escape pesty Ford, who has designs on the bride-to-be. It's a fine idea but don't underestimate our hero, who's also pretty sneaky—he drains the lake and it's the Keystone Cops to the rescue! *A Muddy Romance* is one of the Keystone Comedies created around a spontaneous event. Echo Lake was being drained and the Keystone crew used it as the basis for one of their more famous comedies. Shooting the footage at and around the lake, they brought it back to the studio, added sufficient scenes to give the comedy a story line of sorts at a minimum cost for real "special effects" and billed it as a "spectacular".

## A DRUNKARD'S REFORMATION

(1909)

**Linda Arvidson, Arthur Johnson and Adele DeGarde**

After having terrified his wife and child by coming home drunk, a father takes the little girl to the theater to see what is possibly a performance of Charles Reade's *Drink* (Zola's *L'Assommoir*). He is so shocked by seeing the Frenchman in the play drink himself to death that he comes home and swears off the bottle. The last scene shows him and his happy family before their fireplace. At the beginning, Griffith intercuts between the husband in the saloon and the wife and child waiting for him at home, and later, in the theater, between the stage and the audience, especially the drunkard and his child in the front row.

## A CALAMITOUS ELOPEMENT

(1908)

**Linda Arvidson, John Compson, and Tony O'Sullivan**

A young couple elope by means of a rope ladder leading to the garden in such a way as to allow a lurking burglar to capture all the girl's luggage. He gets himself locked into her trunk and carried to their room, which he rifles as soon as they have been called out, and departs in the husband's best clothes, happily puffing a cigar. The Biograph studio is used for the exterior of the police station, and D. W. Griffith himself appears as a policeman. His wife, Linda Arvidson, plays the girl.
