Incomplete 100' 16mm. Sound Lengths of Features, Serials, Shorts

These incomplete 100' 16mm. sound lengths from feature pictures, Westerns, serials, comedies, and other types of subjects, have long been an extremely popular item with Blackhawk customers.

These lengths, while incomplete and start anywhere and end anywhere, are complete in themselves — are not made up of short scenes spliced together. They are not identified individually as to the type of subject, so there is no way we can fill an order for so many rolls of "Westerns," "comedies," or any other specific type of content. All footage is regular issue material (no B-roll or outtakes are included). And all footage is in good usable condition.

DE LUXE PACKAGES of USED 100' 16mm. R-I SOUND MUSICAL FILMS

These films were originally produced by some of the leading 16mm production companies in the country for projection in coin-operated Panoram machines. When projected on ordinary 16mm projectors, the image is reversed on the screen. Usually, the only place you will notice any difference is in the titles—the lettering will appear backwards on your screen. For many uses, the films may be removed.

Blackhawk offers you a saving in these packages of related films of 40% to 50% from the price you pay when buying them individually.

There may be, without notice, occasional substitutions of one or more titles in any package because we are temporarily out of stock on a particular film. However, we assure you that any substitutions will be of similar type and of the same or greater value.

In these DeLuxe Packages, you may replace not more than two units in one package with units of your selection, if the package consists of twelve or thirteen units. In packages of three or six units, one unit may be replaced. The charge for each replaced unit is \$1.00. For example, you may substitute two units in a \$13.95 package and your total cost will be \$15.95; or one unit in a \$9.95 package to make your total cost \$10.95. In this way, you can take advantage of the special package prices without duplicating films you already own. Replacements must be made at the time you place your original order.

We offer these packages at special bargain prices and cannot, therefore, give pro rata credits for the return of part of a package.

These films may be used for any theatrical, non-theatrical, or commercial purpose, except that they may not be televised.

If you have films that have outlived their usefulness to

USC School of Cinematic Arts

you may keep them for your own use and we'll gladly either send you a check or we'll be glad to trade you can use in buying other films from us. HOPE, CROSBY, and JOLSON in COLLECTOR'S ITEMS

Here's a new department for Blackhawk shoppers to watch each month.

We hope to be able to bring you re-releases of films that have become real collector's items because of the stars of the entertainment world (of today and yesterday) who appear in them. Now, these films will not be new productions — in fact, they were made when the stars were getting their start up the ladder of success. But, they will be of interest to you for that very reason. All the prints

HI HO BROADWAY

Al Jolson plays the part of a lovable bum, "Mayor of Central Park" and of the tramps who live there. He sings a couple of songs in his own unchanging style.

SING, CLOWN, SING

Continuing the adventures of the tramp character he created in HI HO BROADWAY, Al finds a \$1000 bill and has some trouble trying to convince his friends he should return it to its owner.

BRING ON BING

Bing as a college boy in the days of "flaming youth" is something to see. Remember when Bing was a tenor?

These brand new, 16mm. sound, one reel films, each \$12.

will be brand new, but naturally they won't compare with present day production standards. The movie industry has learned a lot since these films were made. We think you'll enjoy these old films, though, and kick out of seeing famous people of the entertainment world "as they were".

This month we are able to bring you five of these films with **BOB HOPE**, two with **AL JOLSON**, two with **CROSBY**.

CROONER'S HOLIDAY

Even as a plumber Bing is so romantic his girl, who becomes a movie star, can't forget him. Bing goes in blackface disguise, breaks up a movie set, is chased by a lion, but finally gets the girl. Bing, even then, has his voice and the easy-going style that have made him famous.

BOB'S BUSY DAY

When Bob Hope becomes involved in a fiesta with a girl, and his fiancée becomes involved with an American cattle king, you can expect laughs. Here, twenty pounds lighter and several years younger, he wins his way with a gag hasn't changed.

More Mickeys!

Our stocks on many of these Mickey Mouse — Silly Symphony — Donald Duck cartoons are getting rather low. Naturally, they're very popular, as everyone enjoys a Walt Disney cartoon.

We have these brand new 16mm. sound films, still in their original cartons, in both 100' and 200' versions. Note, though, that we do not have both versions in all titles. Be sure to specify which length you want when you order.

Walt Disney has withdrawn release rights on the negatives for these films, so no more prints will be made. When this batch is sold, we doubt if we will be able to get more. If you want to be sure of getting some of these, order now while we still have them. Don't wait for our next catalog — they may not be listed again!

The prices (with the exception of DONALD DUCK THE MECHANIC):

100' 16mm. sound version	\$3.95
200' 16mm. sound version	\$5.95
DONALD DUCK THE MECHANIC:	
100' 16mm. sound version	\$4.95

- ALL AMERICAN MICKEY — 200' only
- CHRISTMAS IN TOYLAND — both versions
- DONALD DUCK THE MECHANIC — 100' only
- GOLD RUSH MICKEY — 200' only
- MICKEY AND THE GIANT — 200' only
- MICKEY GIVES A PARTY — 200' only
- MICKEY PLAYS SANTA CLAUS — 200' only
- MICKEY SAVES THE AIR MAIL — 200' only
- MICKEY'S EXCITING PICNIC — 200' only
- ROBINSON CRUSOE MICKEY — both versions

COLOR FILMS

As usual, our color prints are sold almost as quickly as we make them. However, we have a fairly constant supply of new titles each month — and here they are. All these films are 16mm. silent, full color, 1 reel long, and run about 10 minutes.

This group of travel films deals with the states named — their history, scenic spots, and major industries and agricultural products — beautifully photographed and were originally priced at \$26.00 each. Our price, each

CONNECTICUT CALIFORNIA

This month we have a few titles in silent color films. The following lists are 16mm. silent, full color, 1 reel long, and run about 10 minutes. Our price for these fine films

CALIFORNIA (silent) ARIZONA (silent)

This group of Howley-Lord films is really top-notch in every way. Sports subjects were produced in collaboration with the editors of Field and Stream magazine. The travel films by qualified producers. Originally priced at \$75.00 each, our price is

- LEARNING TO SKI — Basic facts in the handling of small boats.
- SKI NOVICE — Learning to ski from a book is not so easy.
- LONG OF SIAM — The influence of modern civilization on a Siamese village.

- ALICE IN WONDERLAND (6) When compared to Disney's new version of "Alice" to be released this fall, this earlier production may seem lacking in music when it comes to songs, all the wonderful characters of Lewis Carroll's charming story are there as Alice wanders through the strange Wonderland - the merry Duchess, Cheshire Cat, King and Queen of Hearts, the White Rabbit, the Mad Hatter, and all the others. It's a real treat for an exhibitor playing a school circuit.
