# DE LUXE PACKAGES of USED 100' 16mm. R-I SOUND MUSICAL FILM

These films were originally produced by some of the leading 16mm production companies in the country for projection in coin-operated Panoram machines. When projected on ordinary 16mm projectors, the image is reversed on the screen. Usually, the only place you will notice any difference is in the titles—the lettering will appear backwards on your screen. For many uses, the titles may be removed.

Blackhawk offers you a saving in these packages of related films of 40% to 50% from the price you pay when buying them individually.

There may be, without notice, occasional substitutions of one or more titles in any package because we are temporarily out of stock on a particular film. However, we assure you that any substitutions will be of similar type and of the same or greater value.

In these DeLuxe Packages, you may replace not more units in one package with units of your selection, if it consists of twelve or thirteen units. In packages of 10 units, one unit may be replaced. The charge for each rep is \$1.00. For example, you may substitute two units in a package and your total cost will be \$15.95, or one unit in a package to make your total cost \$10.95. In this way, you have the advantage of the special package prices without duplicating what you already own. Replacements must be made at the place your original order.

We offer these packages at special bargain prices and can, of course, give pro rata credit for the return of part of a package.

These films may be used for any theatrical, non-theatrical commercial purpose, except that they may not be televised.

## ZOWIE! WHAT A BUY IN PROJECTION LAMP

There's never been a projection lamp bargain like this one: 750 watt, T-12, medium pefocus projection lamps at a saving of 1/3 from the price you usually pay. These lamps are manufactured in occupied Japan and an American testing laboratory in Japan reports their performance compares altogether favorably with standard brands made in this country — not the cheap, inferior merchandise that was turned out before the War.

We hope to be able to offer these lamps on a regular basis. However, our immediate stock is limited and we may periodically run out. Therefore, to get a bargain for yourself, get in your initial order now.

## HOPE, CROSBY, and JOLSON in COLLECTOR'S ITEMS

Here's a new department for Blackhawk shoppers to watch each month.

We hope to be able to bring you re-releases of films that have become real collector's items because of the stars of the entertainment world (of today and yesterday) who appear in them. Now, these films will not be new productions - in fact, they were made when the stars were getting their start up the ladder of success. But, they will be of interest to you for that very reason. All the prints

### HI HO BROADWAY

Al Jolson plays the part of a lovable bum, "Mayor of Central Park" and of the tramps who live there. He sings a couple of songs in his own unchanging style.

### SING, CLOWN, SING

Continuing the adventures of the tramp character he created in HI HO BROADWAY, Al finds a \$1000 bill and has some trouble trying to convince his friends he should return it to its owner.

### BRING ON BING

Bing as a college boy in the days of "flaming youth" is something to see. Remember when Bing was a tenor?

will be brand new, but naturally they won't compare with present day production standards. The movie industry has learned a lot since these films were made. We think you'll enjoy these old films, though, and get a kick out of seeing famous people of the entertainment world "as they were".

This month we are able to bring you five of these films - one with BOB HOPE, two with AL JOLSON, two with BING CROSBY.

### CROONER'S HOLIDAY

Even as a plumber Bing is so romantic his girl, who has become a movie star, can't forget him. Bing gets into blackface disguise, breaks up a movie set, is chased by a lion, but finally gets the girl. Bing, even then, had the voice and the easy-going style that have made him famous.

### BOB'S BUSY DAY

When Bob Hope becomes involved in a fiesta in Argentina, and his fiancée becomes involved with a South American cattle king, you can expect laughs. Here's Bob twenty pounds lighter and several years younger, but his way will be a gait hasn't changed.

These brand new, 16mm. sound, one reel films, each . . . . . \$12.95
