## HAL ROACH'S FAMOUS KIDS

in a series of twelve 16mm. sound  
**TWO REEL COMEDIES**

These Famous Kids Comedies are the 2-reelers which were so well-known as "Our Gang" Comedies when originally released to the theatres by M-G-M. All of the famous "Our Gang" characters of the period in which this group of subjects was produced appear in these 2-reelers — Spanky McFarland, Farina, Jean Darling, Alfalfa, Stymie are all there. These 2-reelers are not only collector's items today — they're just as satisfactory entertainment as ever!

And, typical of Blackhawk's ability to bring you **BIG** bargains, is our acquisition of some hundreds of prints of these twelve titles. These sell regularly at \$42.50. Blackhawk's selling price is not only a bargain — it is far below regular wholesale. Of course, prints are brand new and first quality in every way.

**SPRUCIN' UP** — What a pretty young girl can do to the kids! She can make them go so far as to shine their shoes . . . comb their hair . . . or even wash their ears. But even such self-sacrifice cannot always win a new neighbor's affections.

**WASHEE IRONEE** — Spanky stops traffic in an "ambulance" as he races for his Chinese friend to help wash little Fountleroy's outfit, ruined in football scrimmage. But everybody gets into the act, including a pet monkey.

**BEAR SHOOTERS** — The kids go hunting, but aren't quite equal to the game they meet. Only these kids could rig up a hunting "safari" such as this one.

**WHEN THE WIND BLOWS** — Howling winds, spooks, haunted houses, comical policeman, and the kids all in one side-splitting film.

**MOANS AND GROANS** — The kids are trapped in a haunted house and confronted by it's occupant, and have to solve this problem in their own unique way.

**CHOO CHOO** — Pity the poor man who has to escort Spanky and his pals on a long train trip! It's a never to be forgotten event for anyone.

**FLY MY KITE** — Grandma does anything the kids can do, from boxing to flying a kite. When a heartless nephew forecloses a mortgage on grandma's home, you can bet the gang starts acting.

**HONKEY DONKEY** — Spanky and the kids have trouble with an obstreperous donkey, who really packs a kick.

**TEACHER'S PET** — Why didn't we have teachers like this? The kids are afraid to respect the worse when their teacher comes in, but they're in for another of their hilarious surprises.

**FREE BATS** — Mr. Gruber adds to the fun of this story. He has picked the kids have on a million bats' estate.

**FISH HOOKY** — Going fishing is a much better way to spend a day than going to school — except when the Truant Officer becomes wise. The kids use every trick they know to get away from the old kill-joy.

**THE POOCH** — Pety, the famous bulls-eye dog, adds to Spanky's troubles as he has a run-in with the dog catcher. It takes all the kids' ingenuity to save the pooch.

## THE GREAT MIKE WINS

with **Stuart Erwin, Carl "Alfalfa" Switzer and Robert Henry**

Here's a heart-warming yarn concerning an unbeatable trio — a boy, a dog and a horse. The boy is Jimmy Dolan, a typical twelve-year-old who has a paper route in Santa Anita, Calif. He also has a mongrel dog, Corky, and an interest in Mike, a delivery horse which looks like a thoroughbred and undoubtedly has a great future in racing — in Jimmy's opinion.

This opinion seems to be shared by Spencer, trainer for the famous Whitley stables. He and Jimmy train Mike and enter him in a big race. Members of a gambling ring bribe a stable hand to dope Mike, but Corky sacrifices his life to upset the plot. Mike, grieving over his canine pal, refuses to eat or exercise. Something drastic has to be done. Jimmy knows what to do — and Mike responds like the thoroughbred he really is.

# USED 16mm. SOUND FEATURES!

We usually have only a few used prints of a title - sometimes only one. This means that within two or three weeks after the mailing of this catalog, more and more of these used titles will be sold out. Keep this in mind when you order. Order early, and, in justice to yourself, give us an alternate list of titles. We'll never send an alternate unless your top choices are already out of stock. But remember - we can't sell what we don't have - and the used prints we offer are in great demand.

All but the last page of this section printed on yellow paper is devoted to used prints. This section was the last part of the catalog to be printed. If you call the press only 1 or 2 days before the general mailing of the catalog was made. At the time it went to press, used prints of all the subjects listed were in stock ready for shipment. Normally, within two or three weeks after mailing, 50% or more of the titles will be gone.

As to the length of these films - cartoons average about 250 feet to a reel; other one-reelers run 300 to 350 feet. Two-reelers usually contain about 650 feet and longer subjects normally average not less than 300 feet to a reel. All films of one reel length and over are supplied on reels.

# WEEKLY SPORTS HEADLINES

Don't look at that low, low price on these long one-reelers. We have a few prints left on each of the titles in this series and want to clear them out, so you get the advantage of quite a cut in price. At this price, these nearly new prints won't last long — they are all in excellent condition, for few have been projected more than eight times, and some are brand new.

These films feature the top events of the week each covers, and were prepared for the television program TOP VIEWS IN SPORTS seen regularly over many of the country's TV stations.

Made to provide a quarter-hour show, the films are very full 1-reel subjects. In actual footage, they are almost 50% longer than the average one-reeler.

We've shown the date of release of these subjects after each title (for example, Vol. 2, No. 59 was released August 25, 1950) so you can more fully identify each of the top sporting events pictured.

Get out your order blank and list the titles in this group that you want, because you probably won't find them in the catalog again next month.

## Crazy

### ABOUT IRON HORSES?

Maybe you are a little — and maybe you are a lot! But in either event, here is a group of three 16mm. sound films in FULL COLOR KODACHROME of which you'll want at least one in your collection.

All of the prints of these three subjects are used, but complete in every way, and in excellent general condition.

## MAINLINE U. S. A.

Here is a 2-reel Kodachrome film in 16mm. sound that traces the impact of railroad construction over the last century as the prime means of the general development of our country — how the railroads today have a very direct effect on all our lives. Shown are a great many spectacular shots of streamliners and freights at speed, across prairies, over bridges, against backgrounds of snow-capped peaks. Railroad fans can easily identify the trains of their favorite railroad. And those of you who aren't particularly fans will find this an informative, absorbing, entertaining and very beautiful film to have in your collection. (Prints of this new are valued at \$150.00.) While our stock of fine used prints remains available, our price is only.....

**\$24.95**

## BIG TRAINS ROLLING

Another tremendously absorbing film about trains — this one 3-reels, in Kodachrome and 16mm. sound. While pictorially overlapping very slightly with MAINLINE U.S.A. (described above), BIG TRAINS ROLLING tells more the operational story of today's railroads, particularly an overnight train trip of some 1000 miles taken by two youngsters — brother and sister. It tells about the various types of cars that make up a passenger train — it shows the workings of a railroad post office car — how a dining car operates — the many types of accommodations available for overnight travel on a modern streamlined train. It also shows how a turntable operates, tells something about freight trains, shows how refrigerator cars are packed, and many, many other things of interest in connection with railroading. Even more shots of today's top trains are in evidence — all magnificently photographed in full color. (Prints of BIG TRAIN ROLLING are valued new at \$225.00.) While our stock of fine used prints remains available, our price is only.....

**\$34.95**

## LIFE LINE OF THE NATION

A 2-reel 16mm. sound film in full color Kodachrome showing the magnificent performance of our railroads during World War II. The emphasis in this film is more on the movement of freight than of passenger travel. As a result the film is somewhat in contrast to either MAINLINE U.S.A. or BIG TRAINS ROLLING. The viewer will note another difference — the emphasis of the majestic steam locomotive which was still in use during the war — the number one source of motive power for freight as well as passenger transportation. There is a marked contrast with today when diesel power is close to taking over most principal runs. So, for those of you who have a particularly soft spot in your hearts for the steam locomotive, here's your chance to see some of the big boys of the Santa Fe, Union Pacific, Norfolk and Western, Rio Grande, Southern Pacific and Pennsylvania in action. You'll see lots of others, too. (Prints of these films are valued at \$225.00 new.) While our stock lasts, you may buy a good used print for only.....

# TO R-1 SOUND MUSICAL FILM

These films, identified as 100' R-1 Sound Musical Films, are used prints of productions made originally by recognized producers of 16mm. films, for projection in Panoram coin-operated machines. The pictorial image is reversed on the screen when compared to normal 16mm. prints. However, with most of these subjects the material where this is noticeable is in the main title which, when projected at a normal 16mm. print, appears reversed on the screen. These 100' 16mm. R-1 Sound Musical Films are not supplied on reels, but in individual

cases. These films are listed here by individual title, so you may order any titles you want. For special savings, see our De Luxe Packages of R-1 Sound Musical Films elsewhere in this catalog. If you order from the lists which follow, though, you can save money by ordering intelligently. If you buy twelve or more at one time, deduct 10% from the listed prices. In buying twenty-five or more at one time, deduct 15% fifty or more, 20% and one hundred or more, 25%. So, go over the list carefully and order all you want at the same time to get the best deal. These musical films may be used for general theatrical, non-theatrical, or commercial purpose, except that they may not be televised.

# DE LUXE PACKAGES of USED 100' 16mm. R-I SOUND MUSICAL FILM

These films were originally produced by some of the leading 16mm production companies in the country for projection in coin-operated Panoram machines. When projected on ordinary 16mm projectors, the image is reversed on the screen. Usually, the only place you will notice any difference is in the titles—the lettering will appear backwards on your screen. For many uses, the titles may be removed.

Blackhawk offers you a saving in these packages of related films of 40% to 50% from the price you pay when buying them individually.

There may be, without notice, occasional substitutions of one or more titles in any package because we are temporarily out of stock on a particular film. However, we assure you that any substitutions will be of similar type and of the same or greater value.

In these DeLuxe Packages, you may replace not more than units in one package with units of your selection, if the package consists of twelve or thirteen units. In packages of three units, one unit may be replaced. The charge for each replacement is \$1.00. For example, you may substitute two units in a package and your total cost will be \$15.95; or one unit in a package to make your total cost \$10.95. In this way, you can advantage of the special package prices without duplicating you already own. Replacements must be made at the time you place your original order.

We offer these packages at special bargain prices and cannot, of course, give pro rata credit for the return of part of a package.

These films may be used for any theatrical, non-theatrical, or commercial purpose, except that they may not be viewed.

Blackhawk can continually offer you these exceptional buys only by eliminating all credit losses, and by operating our organization at the utmost efficiency. Therefore, irrespective of your credit rating, our terms are CASH WITH ORDER, or (inside continental United States) C.O.D. However, even inside continental United States, a 10% deposit must accompany all C.O.D. orders of \$50.00 or more. Outside continental United States—and this includes Alaska, Canada, Hawaii, Mexico, Porto Rico and the Panama Canal Zone—we can handle orders only when remittances in full are included. In all cases, we urge you to remit by postal or express money orders, or by bank drafts. Foreign orders must be in U. S. funds. Do not send currency or coins—even by registered mail—for you do so at your own risk.

We have found that we cannot economically handle orders totaling less than \$2.50 (or \$10.00 from outside the Continental United States), so henceforth we cannot accept any order that does not total at least these minimums. You will see footnotes reminding you of this throughout the catalog. Just remember, if you live in the United States, your order must be for a minimum of \$2.50. If you live outside the Continental United States, your order must be for a minimum of \$10.00 and must be paid in U. S. funds. (This includes orders from Canada and Mexico.)
