### DR. JEKYLL AND MR. HYDE with MARTHA MANSFIELD, NITA NALDI, BRANDON HURST

Dr. Jekyll is an idealistic London doctor, with a long list of charity patients. His weakness is a passion for experiments which take him to the boundries of human consciousness and experience. After the cynical Sir George Carew, father of the girl Jekyl loves, accuses him of being afraid of temptation, he finds a drug which allows him to sepearate the evil side of his personality from the good; as Edward Hyde, he embarks upon a career of crime. His evil nature grows upon him until he finds it taking possession of him against his will and without the use of the drug, and after many struggles and adventures, he kills himself.

### THE PHANTOM OF THE OPERA with MARY PHILBIN, NORMAN KERRY

Strange things have been happening at the Paris Opera — you'd almost think the place was haunted, but in this day and age, that's impossible — or is it? For far beneath the reach of daylight lives a misshapened creature whose genius strikes terror in the hearts of all who meet him, including the one he loves.

The original version of *The Phantom of the Opera* has never been equalled in subsequent remakes: all seem to lack the same power and scope brought to the role by Lon Chaney and director Rupert Julian. One of the smash hits of 1925, *The Phantom* continues to generate the same excitement today as it did nearly a half-century ago and remains one of the very classic of the silents.

# Charley Chase Comedies

## CRAZY LIKE A FOX

with MARTHA SLEEPER

The story of two millionaires who want their respective son and daughter who have never met, to marry. The son of one is Charley—the daughter of the other is Martha. They both do everything they can to avoid the situation, only to meet and fall in love without having identified each other. This leads to all sorts of complications—and some good old 1926 comedy laughs! (1926)

810-03-0458, Standard 8mm., 375-feet, 14-ozs. \$12.98

## HASTY MARRIAGE

with JIMMY FINLAYSON and LILLIAN ELLIOT

Here is a Charley Chase comedy of considerably greater appeal today than at the time of its initial release in 1931. Charley has ambitions to become a trolley employee, but in the depression days of 1931, the trolley company will only hire married men. As Gay prefers Charley, so does Jimmy, they set out to have a "hasty marriage" against the competition of Gay's mother. Most of the action takes place around, inside or on top of the trolley car—with Jimmy Finlayson at the controls. (1931)

## MOVIE NIGHT

with EUGENIA GILBERT, SPEC O'DONNELL

"Movie Night" is a funny and accurate reflection of movie-going at the time. It deals with the Chases and their faithful attendance at the Monday night movies, more for the regular prize drawings than for interest in the picture. (1929)

## MIDSUMMER MUSH

with BETTY MACK

In this one Charley is a scoutmaster setting out with his troop of scouts from Broadway and 42nd Street for a period of summer camping. Even if you're a parent, you can't imagine the complications of leaving the city with a group of young scouts, the distraction of traffic, of bicycling, of pitching camp by the side of the lake; the dramatic impact of being propelled in the middle of the night from a hammock into the lake. ## NATURE IN THE WRONG

with MURIEL EVANS

Issued just as the Tarzan craze was sweeping the country in 1933. Charley is in love with Muriel and wants to marry her. Ronnie is also a real contender and has the inside track with Muriel's mother because of his "blue blood". Charley thus sets out to reconstruct his family tree—but Ronnie gets in the act and causes a document to reach Charley that states he is a direct descendant of Tarzan, the Ape Man. Muriel thinks this is great—and Charley sets out to practice up on his inherited powers—dressed in a leopard skin. (1933)

## NEIGHBORHOOD HOUSE

with ROSINA LAWRENCE

It seems that the Chases attend the theatre every week for "Bank Night"—and of course Charley rushes home from the office and the family rushes through dinner so they can be sure to get in without standing in line. The big event is not the film—it's the drawing at the end of the first evening show—and in this one coincidence is strained to the breaking point with the Chase's little girl going on stage to pick the lucky number—then calling out Charley's number! ## THE NICKEL NURSER

with BILLY GILBERT and THELMA TODD

This is one of the funniest of the Charley Chase comedies, with Charley cast as the efficiency expert brought into the home of a wealthy tycoon to attempt to teach his three daughters the value of money and the virtue of economy. (1932)

830-03-0060, Standard 8mm. magnetic sound, 450-feet, 1-lb. \$24.98

## NOW WE'LL TELL ONE

with MURIEL EVANS

Here is one of the very funny Charley Chase comedies of 1933 in which Charley, as the bashful young man, is transformed into an aggressive go-getter because of an electric bell developed by a wacky inventor. Crammed with action and laughs this fast moving two-reeler will have you with it all the way as Charley, acting as the absolutely confident suitor, chases Muriel only to be caught without the magic bell in its climactic moments. ### FARO NELL

with LOUISE FAZENDA and JACK LUDEN  
Here is a quote from a 1929 issue of Photoplay Magazine in which the two reel talking short subject, "Faro Nell", was classed as one of the best pictures of the month—the first time Photoplay had singled out a short comedy for that award:

"It takes something hot in the way of a two-reel talking comedy to break into this fast company of best pictures, and this Louise Fazenda howl is the bright baby. "Faro Nell" is a scream—an airtight, perfectly acted burlesque of the old-time Western thriller. Louise, in long yellow curls, is a panic. This is just what we've long wanted—a two-reel talkie we could bellow at." (1929)

### MONKEY SHINES

with EDDIE BARRY, EARL RODNEY  
and HELEN DARLING

American social history after World War I saw many peculiar fads, but one of the most unbelievable involved the belief that a goat gland, transplanted in the human body, would restore youth and vitality. Such follies and foibles were regarded by silent film makers as fair game for parody and Al Christie's group are past masters of the art.

Made at the height of the craze, Monkey Shines took direct aim at the more gullible members of the audience. Although we may wonder why anyone would embrace the current fads, "Monkey Shines" remains today as visual proof that those generations before us were susceptible to the same failings. (1920)

## The Films of W. C. Fields

### THE DENTIST

Written by Fields, **THE DENTIST** begins with a rather placid breakfast: a run in with the iceman and then on to the golf course where Fields, to the dismay of his companion, makes a hole-in-one on a ball drop over his shoulder. Later at the office, you see him treat several patients in the usual roughshod Fields manner. Part way through with his treatment of a patient, Elise Cavanna, he leaves and goes upstairs to his apartment to punish his daughter. Her temper tantrum cracks the plaster, part of it falling in Elise's mouth, hearing a honking bird flying, Fields orbs his rifle and the film finishes with an explosion of gunpowder and falling plaster. with ALICE DAVENPORT,

GORDON GRIFFITH and EDGAR KENNEDY

The Star Boarder was Chaplin's 9th comedy for Keystone and made while he was being directed by others.

As with all of Chaplin's Keystones, there are individual comic sequences that make it worthwhile.....

In a boardinghouse, Charlie is the favorite of the proprietor's wife. The other male boarders dislike him and decide to frighten him. A frightened Charlie runs to the police—who find a tramp hidden in a cupboard. However it is Charlie who has the last laugh. (1914)

## Essanay Period

Here was the time that Chaplin began to come into his own. With more time devoted to the preparation of his films, his talent became even more in evidence and there was less and less dependence on slapstick. Almost all of his Essanay films were two reels (most of them are or will be available from Blackhawk) and were more painstakingly produced. But, so high had his popularity skyrocketed in 1915 that Mutual was able to sign him away from Essanay in February, 1916, at salary and bonus totaling \$670,000 for a year.

LEO WHITE, CHARLOTTE MINEAU, BEN TURPIN, and GLORIA SWANSON

His New Job was Chaplin's first film for Essanay and the only one made in Chicago. With him in the cast are Leo White and Charlotte Mineau, Ben Turpin and Gloria Swanson. While this picture is long on slapstick, it is elaborately done and gives definite evidence of having started out with a story, which many of the Keystone did not do. There is continuous interplay between the characters, and the film ends with all the characters except Charlie and the nursemaid getting pushed into the park pond...and Charlie's Springtime fancy turning to the pretty nursemaid. ### TRIPLE TROUBLE

with EDNA PURVIANCE, WESLEY RUGGLES and LEO WHITE

During 1915, his year with Essanay, Chaplin completed fourteen subjects. "Triple Trouble" is a fifteenth edited from sequences from two of these productions: "Police" (Prior to the release of that subject) and "Work"—and also from a never-finished feature "Life" in 1918, this assembly was made possible by the shooting of new scenes (in which Chaplin, obviously, did not appear), by using a double to bridge the gaps that otherwise would have been left in the action, some skillful cutting, and subtitles slanted at that wartime year. For such a hodgepodge, "Triple Trouble" came off surprisingly well. (1918)

### Mutual Period

In this period, during 1916-1917, Chaplin produced and directed a dozen two reel comedies for Mutual. As a group, these rank at the very top of any series of short comedy films ever produced. And it is here that Chaplin came into his own. Every film of the twelve is a delight!

### ONE A. M.

You'd never believe what an effort it is for Charlie to "hit the sack" after an evening on the town. Once inside the door, it all should be so simple, but our hero just can't seem to make it.

The Murphy bed alone seems to have it in for Charlie but what he had to go through just to reach the bed is enough to discourage the average drunk. Visual comedy reduced to its fastidious essentials, *One A.M.* is Chaplin's only attempt at solo comedy and stands out as one of his most clever short comedies, proving once more (if it's necessary at this late date) that he was the genius of silent screen comedy. **THE BLACKSMITH**  
with VIRGINIA FOX

Buster Keaton's superb comic talent comes alive again in this burlesque based on the time-honored poem "The Village Blacksmith." Of course, it's a loose base and doesn't work out quite as Longfellow wrote it, but with Buster as the lead, does it really make a difference? (1922)

**COLLEGE**

Honor grad Buster heads for college and an education, but Ann Cornwall soon forgets that she's his girl and begins casting eyes at Harold Goodwin, star athlete and delight of all the coeds.

The only way for Buster to cure her case of "broad shoulder blues" is to make the team, win the big race and save the day, exactly what he does. But the fun is in how he does it and this is where audiences usually come unglued with laughter. (1927)

Come the housewarming on Friday the 13th and the arrival of their guests, and the real fun begins! (1920)

**The General**

starring BUSTER KEATON  
Buster Keaton wrote and directed most of his films himself and his best was "The General." Keaton created this great comedy of the silent era, filmed only two years before the talkie revolution. Screen critics and historians generally rate it as one of the top fifty to seventy-five silent features.

Although "The General" is a comedy, the battle scenes have the scope and realism of Matthew Brady's photographs of the Civil War brought to life. And through all the inferno and chaos, Keaton weaves his nonsense so expertly that the two great armies serve as mere straight men. (1927).

Often imaginative, always fast and furious—Slapstick, more than any other kind of movie, made the most of the possibilities—and the impossibilities, or cinematography. Slapstick in the movies started in the 1890's, before movies even had plots. Then, for about fifteen years, the audience appeal of slapstick went unexploited—and then came Mack Sennett, who was to turn such nonsense into an art.

Our movie, "Slapstick," features bits and pieces from some of Sennett's most typical comedies, and some from choice items done

## Buffalo Bill

### THE LIFE OF BUFFALO BILL

Here is an authentic early film of the West in frontier days filmed by the Buffalo Bill and Pawnee Bill Film Co.—and featuring Col. Wm. F. Cody, himself, in the prologue and epilogue! Produced in 1912, this production is unique, for it represents a very early example of an "independent" production, and one of the first serious American film attempts at a biographical film. And, it is of further importance in that the principal of the biography himself appears in the film.

## Films Of Melies

The primitive works of George Melies of France—the professional magician, theatre proprietor and director—in whose hands the motion picture camera was first used for such unique camera tricks as stop photography, double exposures, super-imposition, fade-ins and fade-outs and dissolves, were without a question the first truly creative films.

### BARON MUNCHAUSEN'S DREAM

(Les Aventures Des Baron Munchausen)

A George Melies Star Film. After a scrumptious feast, the Baron retired to his bed for a nap but a wild stomach and a vivid imagination conjure up a panorama of dreams and nightmares involving the most weird of creatures and beautiful women amidst lavish stage settings. Relief comes when the Baron falls out of bed and through his window to the ground below. (1911)

620-71-0311, 16mm., 400-feet, 2-lbs. \$24.98

### CONQUEST OF THE NORTH POLE

In "Conquest of the North Pole" as in his other films, Melies anticipated many of the supposedly later Hollywood innovations such as trick stages, moving scenery, double exposure, miniatures, stop motion, cross fades and other special effects, both mystical and comic. This sense of ingenuity and trickery pervades all his films. Of this one, it might be said that Melies created a fantasy built around the theme of the conquest of the pole—but far removed from reality. (1912)

## More Vintage & Historical

### THE IMAGINATIVE GEORGE MELIES

Although a magician by profession, George Melies became the first man to harness the camera's potential for telling a story. Filled with imagination and ingenuity, three of those which Melies produced in 1903 make up this Blackhawk offering. They are: "Bob Kick, the Mischievous Kid", "The Oracle of Delphi" and "The Lesson" or "The Living Statue" — all copied by Blackhawk from the 35mm. paper positives in the Library of Congress. (1903)

620-71-0247, 16mm. silent, 250-feet, 2-lbs. \$24.98

### LA COMEDIE ET MAGIQUE DE MELIES

### THE SURREALISM OF MELIES

Remembered best today as the master of unusual and fantastic films, George Melies also anticipated the imagery of surrealism even while his work breathed the unmistakable atmosphere of 19th century Paris. Relying mainly on photographic illusion to tell his story, *The Ballet Master's Dream* (1903) hints at the rich imagery which Melies was capable of suggesting. (1903)

### MELIES TALES OF TERROR

In *THE MELOMANIAC* (1903) a musician takes off his head again and again and throws it up to a set of wires to form the notes of "God Save the King" or "America", which is then played by the band. *THE MONSTER* (1903) has a painted background showing the Sphinx and one of the pyramids. A skeleton is dug up, and the bones become animated. When clothed it dances violently and terrifies the two men present. Finally it becomes a skeleton again. *THE TERRIBLE TURKISH EXECUTIONER* (1904) is seated beside his shop when four condemned persons are brought to him. Their heads are placed in a kind of stock, after which he cuts off all four with a single stroke of his scimitar. He picks up the heads, throws them in a basket and returns to his work, but the heads emerge, rejoin their bodies and the men live again. Finally the executioner is himself cut in two, and though this is not the end of him, he is finally routed by soldiers.

### THE HOLLYWOOD DREAM FACTORY

Hollywood was just another non-existent dot on the map when the early movie makers discovered it in 1907; within a decade it was the dream factory for a world eager to consume the product and this growth is chronicled within this fascinating reel.

### THE LIFE OF AN AMERICAN POLICEMAN

An episodic, semi-documentary film by the director of *The Life of an American Fireman* and *The Great Train Robbery*. It shows New York policemen leaving the station, directing traffic, and being kind to children. Separate and more developed episodes show policemen saving a woman when her horse runs away with her in the park, frightened by an automobile, and trying in vain to revive a woman whom they have fished out of the river. The closing episode "A Joke on the Roundsman," showing how a lazy patrolman fooled an inspector, is the most developed. (1905)

### ON A GOOD OLD FIVE CENT TROLLEY RIDE

An entertaining Edison offering of 1905, this was produced as a comedy for one of the early "split reel" programs for the store shows and has a particular appeal for trolley fans. Coupled with this is a Biograph film of 1905, "A Trip To Salt Lake City", and a comedy of this early period built around the theme of polygamy, with the setting an open section sleeping car of the day.

### NURSERY FAVORITES

An Edison Kinetophone Production

Edison had experimented with talking pictures as early as 1893, connecting a phonograph to a set of ear tubes and using it to accompany the movie provided by his peep-show machine, The Kinetoscope. In 1899, when the peep show was replaced by the store shows, Edison's idea of adding sound to the movies became more practical. A four-inch diameter cylinder was played, crudely in synchronization with the projected image, thus creating some very primitive, but (for those times) very exciting film viewing. *NURSERY FAVORITES* will become one of your truly valued sound films, as it comes as close to the same effect of the Kinetophone as is possible.

### TITANIC

The Titanic was a ship which sank April 15, 1912, on her maiden voyage from Southampton, after striking an iceberg northeast of New York City. 1,517 lost their lives and 706 persons were rescued. Its sinking was the greatest peacetime maritime disaster.

There were no formal newsreel organizations in 1912, but many production companies did offer special events on an individual basis. Whether all scenes of the Titanic in this film are authentic, or are of a sister ship, has not been fully determined.

Griffith's "Brute Force" and Willis O'Brien's "The Lost World." The ruthless business man in Griffith's "A Corner in Wheat." An important Melies' film, "Baron Munchausen's Dream" and the first feature version of Jules Verne's "100,000 Leagues Under the Sea." ### GERTIE THE DINOSAUR

Created by WINSOR MCCAY

McCay's Gertie The Dinosaur, done in 1909, may or may not have been absolutely the first animated cartoon, but it was the first of any consequence. Its animation is what today's artists call "limited", that is, the drawings change the position of the characters only intermittently.

It is said that 10,000 separate drawings were required for Gertie. Cartoons, by the 1920's, set a faster and more expensive standard with many characters on the screen, all moving in practically every frame. (1909)

## D. W. Griffith Features

### AMERICA

featuring NEIL HAMILTON, CAROL DEMPSTER and LIONEL BARRYMORE  
This story of the Revolutionary War was adapted from one written by Robert W. Chambers. It was produced by D. W. Griffith at the Griffith Studio at Mamaroneck, N. Y., with outside sequences filmed on the Shirley and Westover Plantations along the James River in Virginia, and in Williamsburg—a decade before Williamsburg's restoration. It is presented substantially as it was at the time of its initial release. (1924)

### BROKEN BLOSSOMS

with LILLIAN GISH, RICHARD BARTHELMESS and DONALD CRISP

Released in the spring of 1919, "Broken Blossoms", the last of D. W. Griffith's supremely great films, is as tender and sensitive a production as "Intolerance" and "The Birth of a Nation" are spectacular, and Griffith's skill for using the camera to bare the hearts and emotions of his characters is at the best in this story. (1919)

810-50-0378, Standard 8mm., 1325-feet, 3-lbs. \$48.98  
860-50-0456, Super 8, 1450-feet, 4-lbs. \$56.98

### THE FALL OF BABYLON

Griffith, taking the Babylonian story from the context of its mother film INTOLERANCE, shot additional footage and added an independent climax, thus creating a feature entirely apart from INTOLERANCE. THE FALL OF BABYLON was hoped to regain some of the profits lost in filming the earlier Griffith spectacular. Blackhawk's version is an abridgement of this. (1916-1919)

810-50-0804, Standard 8mm., 575-feet, 2-lbs. \$21.98  
860-50-0364, Super 8, 625-feet, 2-lbs. \$24.98

### JUDITH OF BETHULIA

with BLANCHE SWEET, HENRY B. WALTHALL, MAE MARSH

This was Griffith's first feature-length production, it cost about \$36,000. This Biblical spectacle was a forerunner of "Intolerance" which Griffith was to make only three years later. It is being presented by Blackhawk in the original form in which it was placed in distribution on Nov. 24, 1913.

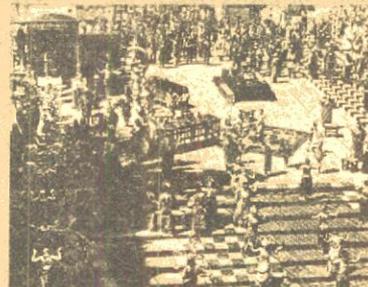

810-50-0579, Standard 8mm., 800-feet, 2-lbs. \$27.98

### HEARTS OF THE WORLD

with LILLIAN and DOROTHY GISH, ROBERT HARRON

In 1917, the British Government asked D. W. Griffith to make a propaganda picture on behalf of the Allied War effort. "Hearts of the World" was the result. Filmed in both France and England, and completed in the United States, it proved to be one of Griffith's most popular films. And it brought to Lillian and Dorothy Gish and to Erich Von Stroheim, added impetus to their careers. (1917)

810-50-0412, Standard 8mm., 1925-feet, 4-lbs. \$69.98

### INTOLERANCE

with LILLIAN GISH, MAE MARSH, ROBERT HARRON, MIRIAM COOPER, CONSTANCE TALMADGE, ERIC VON STROHEIM and BESSIE LOVE

D. W. Griffith in four separate stories, attacked intolerance and bigotry through the ages, bringing the epic to the screen with film techniques far advanced for the times. (1916)

810-50-0353, Standard 8mm., 2400-feet, 5-lbs. \$90.98  
860-50-0017, Super 8, 2650-feet, 6-lbs. \$103.98

### ORPHANS OF THE STORM

starring LILLIAN and DOROTHY GISH

"Orphans of the Storm" was very nearly D. W. Griffith's last great picture although he was to produce and direct ten more silent films before the coming of the talkies. It is a mixture of what was, in 1921, a well known play, "The Two Orphans" and Dickens' story of the French Revolution from "A Tale of Two Cities". (1921)

810-50-0357, Standard 8mm., 2375-feet, 5-lbs. \$83.98  
860-50-0235, Super 8 version, 2600-feet, 5-lbs. \$95.98

### WAY DOWN EAST

with LILLIAN GISH, RICHARD BARTHELMESS, LOWELL SHERMAN

An old stage melodrama, written by Lottie Blair Parker of Osego, New York (first presented on the stage in 1898), and purchased by D. W. Griffith from William A. Brady for \$175,000—a price which in those days made all Hollywood scream—"Way Down East" was undoubtedly one of the most commercially successful of all the Griffith films. The picture, which cost \$1,004,662 to make, opened in New York in August, 1920.

### THE FEMALE OF THE SPECIES

with CLAIRE McDOWELL, DOROTHY BERNARD and CHARLES WEST

Since neither cast nor credits were listed in Biograph films, Mary Pickford in 1912 was known to her movie public only by any of her various nicknames. Billed as a "psychological tragedy", this is a classic tale of infidelity, jealousy and three women alone in the desert. The finding of a lost baby boy brings about peace—illustrates the vagaries of "the female of the species". (1912)

At the same time, her rejected lover loses his sight through over-application to his work. The worthless man the girl has accepted refuses to aid her at a time when money is desperately needed. By chance she and her blind ex-suitor find themselves in the same oculist's office, where the young man without the girl's knowledge, presses the money he has saved for his own operation upon her parents. # The Films of Douglas Fairbanks

## Fairbanks Features

### AMERICAN ARISTOCRACY

JEWEL CARMEN

"American Aristocracy" was Doug's tenth film in the series he made for Triangle in the period from late 1915 to early 1917, and is one that offers considerable to today's viewers from the standpoint of the manners and points-of-view of a half century ago, not to mention the sport roadsters, seaplanes and motor cruisers of the day. (1917)

### THE AMERICANO

with ALMA RUBENS

This film features Douglas Fairbanks at his smiling best. It's the story of a Yankee engineer who goes to a revolt-ridden Caribbean country because of a smile from the President's daughter. The revolt is no match for Doug's wit and vigor and he ends up with the country in the palm of his hand — and the girl. (1917)

810-53-0157, Standard 8mm., 850-feet, 3-lbs. \$29.98

### THE BLACK PIRATE

starring DOUGLAS FAIRBANKS with BILLIE DOVE

It is the time when tall galleons carried wondrous treasure across the sea to Spain, and the time the sea rovers flourished in the Spanish Main. The bloodthirsty pirates have just captured a merchantman aboard which is the Duke of Arnauda and his son (Doug Fairbanks). The old Duke dies, but Doug decides he can best serve the purposes of justice by becoming a member of the pirate band. He challenges the pirate chief to a duel, and comes off the victor. Doug vows he can capture the first ship they sight — single handed. This he does, and aboard is a beautiful princess (Billie Dove). Here Doug is put to a supreme test to rescue the princess (with whom he has fallen in love) and to do away with the band of ruffians. (1926)

### FLIRTING WITH FATE

"Flirting With Fate", Douglas Fairbanks' seventh film, hit the screens of the country's growing number of movie palaces in the summer of 1916. In less than a year, so sensational had been Fairbanks' rise to popularity, he was one of the top stars of the screen. ### HIS PICTURE IN THE PAPERS

This film is typical of Fairbanks in the years before the costume pictures. And, it is rated as being the picture that established Fairbanks in the movies. The film is action almost from the start, and is one we can unconditionally recommend to every collector. (1916)

### THE MATRIMANIAC

with CONSTANCE TALMADGE

This Douglas Fairbanks feature picture of 1916, is one of the last of the long series he made for Triangle after coming to the screen in 1915. It is an excellent farce comedy, at many spots coming very close to slapstick. Triangle released this subject as a five reel feature, although, in footage, it is barely four reels in length. For your convenience, and for economy, we have redivided the subject into four reels—without making any eliminations—and we highly recommend it to you. (1916)

### REGGIE MIXES IN

with BESSIE LOVE and ALMA RUBENS

This was Douglas Fairbanks' sixth film, and cast him as a wealthy young man with few responsibilities. He gets involved with life on the other side of the tracks and falls in love with Bessie Love. The elements of the underworld are out to get Doug but the Fairbank's athletic prowess and never-say-die approach puts Doug on top. (1916)

### THE THIEF OF BAGDAD

with JULIANNE JOHNSTON

There's magic in it, as Doug meets and falls in love with the beautiful princess, and competes with the most wealthy and eligible princess of the Orient for her hand. There's magic, too, in many of the effects that were created for this film, a milestone for its day. (1924)

### THE MARK OF ZORRO

with MARGUERITE DE LA MOTTE

The Mark of Zorro remains one of the best of Douglas Fairbanks' cloak-and-sword adventures as it is a product of the old Doug with the zip and pace of his early films.

As the famous Mexican Robin Hood, Doug masquerades as the poppish Don Diego, with many delightful comedy touches of his own — then springs into action as Zorro, the crusader for the rights of the Mexican people. You will also see a couple of fine duel sequences, and a wonderful chase towards the end, where Doug eludes his pursuers with some fantastic acrobatics. (1926)

This promising amateur becomes Spain's most idolized matador. Returning to his home town, he sees for the first time in two years, his childhood sweetheart, Carmen, played by Lila Lee. It is apparent that there is nothing in the way of an early wedding.

As the months go by, in Madrid's Plaza de Toros, the great Gallardo entertains the presidential party and aristocratic Donna Sol, played by Nita Naldi. Though quite accustomed to the admiration of beautiful women, Gallardo senses a special magnetism in this one and, after the fight, accepts his manager's offer to introduce him. (1922)

This is the story of a Russian Robin Hood, set in the days of Catherine the Great. Valentino is a guardsman in the Imperial Guard. Louise Dresser plays Catherine. ### Lon Chaney Features

#### THE HUNCHBACK OF NOTRE DAME

with PATSY RUTH MILLER

Here is the great Lon Chaney feature of 1923 complete and substantially as it was when it was first released. While Chaney had first attracted more than casual attention in "The Miracle Man" in which he appeared at Paramount in 1919, it was unquestionably his performance in "The Hunchback" and in "The Phantom of the Opera", which followed at Universal in 1925, that laid the groundwork for his highly successful career at M.G.M. (1923).

#### THE PHANTOM OF THE OPERA

with LON CHANEY, MARY PHILBIN, NORMAN KERRY

Strange things have been happening at the Paris Opera — you'd almost think the place was haunted, but in this day and age, that's impossible—or is it? For far beneath the reach of daylight lives a misshapen creature whose genius strikes terror in the hearts of all who meet him, including the one he loves.

The original version of *The Phantom of the Opera* has never been equalled in subsequent remakes; all seem to lack the same power and scope brought to the role by Lon Chaney and director Rupert Julian. One of the smash hits of 1925, *The Phantom* continues to generate the same excitement today as it did nearly a half-century ago and remains one of the very classic of the silents.

with RALPH LEWIS, JEAN ARTHUR  
The story of a railroad engineer nearing retirement, his involvement in a wreck and consignment to a spot of crossing flagman. And of his daughter with whom an ambitious young fireman and a highway engineer are both in love. Of course, for rail buffs the story is only incidental, because of the extensive amount of Santa Fe motive power of trains of the 1920's that are shown. 8mm. version is abridged from the original. **Helen Holmes in  
THE LOST EXPRESS**

The story of *The Lost Express* has the hijacking of the railroad president's private car as its basic theme. The hi-jackers are working on behalf of the president's son-in-law, who is estranged from his wife. The railroad's president is probably the prime-mover in trying to break up the marriage of his daughter. Through this highly complicated process, the son-in-law is trying to hold off the president of the road long enough to bring about a reconciliation with his wife. It's a far-fetched story, but it does serve as a framework onto which some dashing railroad action can be fashioned. (1926)

**Railroad Stories  
Short Subjects**

In the early years of the movies, trains and railroads were a favorite subject for action dramas. Trains were the fastest things on wheels and train robbery and train wrecks were front page news.

Thus it was that pioneer producers, Edison and Biograph, captured for posterity much of the flavor of railroading in the east in the early years of the century, while Kalem, with its "Hazards of Helen" shot against the background of the Salt Lake Line (now Union Pacific) and Santa Fe, has done much the same for the area around Los Angeles.

In the dramatic railroad subjects offered here you'll see much of the action from the golden age of railroading in the years before World War I.

**BETWEEN ORTON JUNCTION  
AND FALLONVILLE**

with EDNA FLUGRATH, BIGELOW COOPER, AUGUSTUS PHILLIPS and BARRY O'MOORE

Between Orton Junction and Fallonville tells the story of a railroad engineer and a telegraph operator competing for the affections of the girl. One day, the telegraph operator sends a message to hold the fast freight at Orton Junction for a meet with No. 51. But the operator there is romantically occupied and lets the fast freight go through. The error discovered, he wires back the report of his failure. Our telegraph operator phones the girl of the impending disaster and asks her to ride (horseback) to Big Ben and flag down the express, on which his rival is the engineer. Our heroine rides for life and reaches Big Bend just as the two trains appear on opposite sides of the curve headed straight for each other. But the trains are stopped and the day is saved! (1913)

THE WATER TOWER**

(One of the famous "Hazards of Helen")

The longest serial film in the era of the silents, produced by Kalem from 1914 to 1917, running a total of 119 almost weekly episodes. While all of those films dealt with railroading, the activities of the "telegraph operator at the station down the line" were often rather superficially set against this background. But this episode is no routine chapter, for it deals almost as much with locomotives and trains as it does with the players. (1915)

THE COWARD  
with FRANK KEENAN  
and CHARLES RAY

From an era when movie-makers are said to have ended every film with a love scene. The Coward doesn't even really have a romance. The Coward is a Civil War production putting the stress on realism in what was very much an age of innocence, during the First World War. This film only serves to amplify the legend of producer Thomas H. Ince. (1915)

### BIOGRAPH BEFORE GRIFFITH COMEDY & MELODRAMA FROM STORE SHOW DRA

The names of Biograph and D.W. Griffith are inevitably linked together but Biograph was producing solid film subjects before the great director arrived and for the most part, they were ahead of their time even then.

The *Suburbanite* is a delightful comedy of 1904 as timely today as it was then and is typical of American screen humor of the era. The other part of this unusual release is a 1905 melodrama called simply enough, *The Fire Bug*. Here's one of the off-beat Western roles that was somehow typical of Bill Hart — the Sky Pilot whose wife is lured away from her rather drab existence by the dashing and debonaire operator of the town's saloon. Subjects dealing with the supernatural were in vogue during the 1919-1921 period and "The Trail of the Octopus" leaned quite heavily in that direction. As the noted criminologist Carter Holmes, Ben Wilson attempted to foil the evil plot of the mysterious "Monsieur X", on Seal Island, which, of course, deeply involved Neva Gerber. Chapters One and Two left the hero and heroine in deadly peril. But we've been able to add on the opening sequences from Chapter Three "Face to Face", to bring this excellent example of the silent "Cliff-Hanger" to its conclusion. (1919)

### CLIFF-HANGING MOMENTS FROM THE SERIALS

with WILLIAM DUNCAN, EDITH JOHNSON, ARLINE PRETTY, HENRY G. SELL, EDDIE POLO

Scenes from "The Steel Trail" (1923), a fifteen chapter serial which had William Duncan cast as a hard-punching construction engineer, are from one of Universal's primitive coming attraction trailers of the period. Edge-of-the-seat suspense is created in the climactic segment from "Burning Strands", chapter nine of "A Woman in Grey" (1919). The excerpt from "Captain Kidd" (1922), in which Eddie Polo played the role of a wealthy man who had been shanghaied aboard the ship, the Albatross, has Eddie and the boat's crew in a desperate battle with the notorious pirate, Captain Kidd, and his band of cutthroats.

with CRANE WILBUR and PAUL PANZER

In the continuing effort to gain the Marvin fortune for himself by disposing of Pauline, Koerner arranged with a band of gypsies to trap her and Harry in an abandoned cellar by the river. All goes according to plan, but Harry and Pauline outwit death by swimming under the water and up into the chimney. Pauline and Harry attempt to escape their clutches by spanning an aerial wire across the river. Cut by the villain as they reach mid-point, the wire drops both into the river, but scrambling out safely, they make their escape in Harry's car and return to the Marvin mansion. (1914)

Koerner, feeling that Pauline's fortune is finally going to escape him, enlists the help of Balthazar. ## Other Pearl White Serials

### THE DEATH RAY (A Chapter from "The Exploits of Elaine")

with CREIGHTON HALE and SHELDON LEWIS

An early example of the science-fiction type of subject. Although pretty elementary science-fiction, this film is a vivid example of the great strides being made in the movie industry at the time—particularly when compared to "The Perils of Pauline" which preceded it. (1915)

### THE HOODED HELPER (A Chapter from "The Iron Claw")

with CREIGHTON HALE  
and SHELDON LEWIS

This unusually good chapter is longer than most and has a story thread that's easier to follow than most. As the story progresses, Pauline is invited aboard the submarine which is then sunk by a bomb to the harbor bottom. (1914)

# Pictorial History of the 20<sup>th</sup> Century

## The Innocent Years

### CHAPTER I AMERICA INDUSTRIALIZES

Here is the first of a four-chapter film picturing America in the early years of the twentieth century — years of great change and dynamic progress — when we were a nation of 67,000,000 people.

You'll see New York City which O. Henry called "Bagdad on the Subway." The aftermath of McKinley's assassination with Theodore Roosevelt assuming the Presidency, the factory towns springing up absorbing the torrent of immigrants, mass production, the automobile. Rare motion pictures of sixty and seventy years ago!

810-76-0845, Standard 8mm., 325-feet, 14-ozs. \$12.98  
860-76-0483, Super 8, 350-feet, 14-ozs. \$14.98

### CHAPTER II—GOOD TIMES AND BIG BUSINESS

It was a time of the industrial czars like John D. Rockefeller of oil, Andrew Carnegie of steel and J. P. Morgan of Wall Street. On Broad Street in New York a "curb exchange" springs up to handle securities the conservative stock exchange declines to list. Teddy Roosevelt is re-elected by a landslide — builds the Panama Canal — battles for conservation of America's natural resources — mediates the Russo-Japanese War for which he wins the Nobel Peace Prize — is the first president to test the Wright Brothers' fantastic invention, the airplane.

There was mixed bathing at ocean beaches — more leisure, more freedom, more fun. More and more people escape by the new trolley car, the new subway, the new automobile.

860-76-0484, Super 8, 375-feet, 14-ozs. \$14.98

### CHAPTER III, SECURITY, SUFFRAGETTES AND SHOW BUSINESS

This chapter gives us William Howard Taft, Teddy Roosevelt's hand-picked successor in the White House. As for fashion, "How charming they all were in their picture hats and organdies!" The suffragettes were dismissed by some as a band of silly, excited, exaggerated women — but look what they brought about in social change. This was the time of Lillian Russell — and from the Palace in New York to the thousands of tank towns from coast to coast, the theatre meant vaudeville — but vaudeville's dancing days were numbered because of something called the moving picture which, overnight, became a new form of mass entertainment.

### CHAPTER IV, THE NATION MATURES

The fourth and final chapter of "The Innocent Years" starts with the aftermath of the San Francisco earthquake and fire of 1906, carries the viewer through the Dayton, Ohio, flood, covers Teddy Roosevelt's triumphant return from 15 months of big game hunting in Africa, Roosevelt's rift with Taft and the campaign of 1912, Woodrow Wilson's election to the presidency, the Mexican border war and Pancho Villa, the first use of the airplane by the United States Army, and the first ripples of the impact of The Great War in Europe on the United States. Americans emerge gradually, reluctantly, from their provincial past as the innocent years fade into history.

### The Jazz Age

#### CHAPTER I—THE SEARCH FOR NORMALCY

Here's another look at the 1920's, this one through the eyes of an NBC television program of the mid-1950's, prepared by Blackhawk through arrangement with McGraw-Hill.

This first chapter opens with scenes at Versailles with President Wilson representing the United States at the peace conference following World War I. It pictures the failure of Wilson, the idealist, pitted against a group of powerful senators, headed by Henry Cabot Lodge of Massachusetts, who wish to avoid all foreign entanglements for this country.

Then came Warren Gamaliel Harding and prohibition. There were strikes and walkouts from Boston to Seattle—strikes against the 12-hour working day and a 100 percent increase in the cost of living. There was the Ku Klux Klan, bigotry in bed sheets.

810-76-0841, Standard 8mm., 350-feet, 14-ozs.

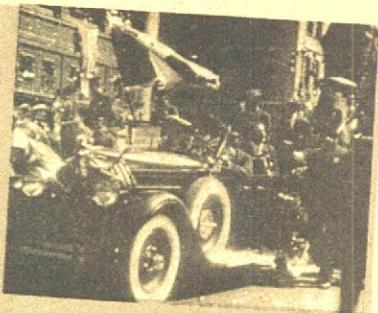

860-76-0479, Super 8, 400-feet, 14-ozs. \$12.98 \$14.98

#### CHAPTER II PROHIBITION AND PROSPERITY

With prohibition enforced, the automobile becomes a portable saloon and a four-wheel sofa for flaming youth. The drink is gin, the music jazz, the dance the Charleston. George Gershwin refines the jungle rhythms of jazz. Paul Whiteman interprets them for those hesitant on going places and do no things. Bootleg hooch becomes the dictator in the revolution of manners and morals. Gun barrels and beer barrels are a highly compatible combination. The gangsters turn against each other and murder become synonymous with Chicgo. Public Enemy No. 1—they don't come any bigger than Alphonse Capone. David, the Prince of Wales, England's most popular export, sweeps America off its feet. Queen Marie of Rumania arrives on the Leviathan for a command performance. Half a million Americans a year head for France and are surprised to find that all the natives are foreigners.

#### CHAPTER III NON-STOP TO PARIS

This chapter of "The Jazz Age" covers that period of the 1920's made especially famous by Lorelei Lee, F. Scott Fitzgerald, and Charles A. Lindbergh. Paris of the period is generously and fascinatingly covered with Josephine Baker, Gertrude Stein, Hemingway and Glenway Westcott. But the real story is the flight of the lone eagle, which this chapter charts from the take off of The Spirit of St. Louis on soggy Roosevelt Field on Long Island to the touch down in Paris, thirty-three and a half hours later. This was a time of heroes, and Lindbergh became the greatest one of the era.

#### CHAPTER IV, BINGE, BONANZE AND BUST

This final chapter in the four making up "The Jazz Age" covers the last two or three years of that decade—the great sports stars, Dempsey and Tunney, Man of War, the Sultan of Swat, the Gallopin Ghost, the Four Horsemen, Gertrude Ederle, Bobby Jones, The Republicans nominate Hoover at Kansas City, the Democrats, Alfred E. Smith at Houston. Times were never better! From Boston to San Francisco the bull market is the national media. Everything is going up! Three hundred million shares are being carried on margin. Everything's "the flea's eyebrows," "the snake's hips," and "I don't mean maybe!" Americans are rolling in money! Valentino is gone, but Vallee is here! The screech of the times comes from a speakasy queen—"Hello, Sucker!" Indian Summer, 1929, and New York swelters in a heat wave. The stock market goes up a little—then it goes down a lot! The bears finally jump the bulls and it's all over here in Wall Street. The jazz age is over—all over!

## Life In The Thirties

#### CHAPTER I—THE COMING OF THE NEW DEAL

The coming of the New Deal covers the 1930's from the beginning of the depression until the reelection of F. D. R. in 1936. There are the bread lines, the new poor, depressed farm prices and discontent on the farms, the bonus march on Washington by 15,000 unemployed veterans, bank failures, the election of Franklin D. Roosevelt, in 1932, the "fireside chat", the "brain trust", the Agricultural Adjustment Act, the Public Works Administration, an avalanche of new offices and agencies, NRA and the Blue Eagle, the ending of prohibition, the Works Progress Administration, the C.C.C., the dust bowl, the "Oakies", "Share-the-Wealth" and Senator Huey Long.

(1945-1950), THE YEARS BETWEEN WORLD WAR II AND KOREA

#### CHAPTER I PEACE! IT'S WONDERFUL!

This four chapter production opens with Task Force 38 launching its second strike of the day over Tokyo. Then the message: "Pirate Leader, Pirate Leader, this is Pirate Base! Cease fire! Cease fire! Return to home plate! The war is over!" August 14, 1945—not so long ago.

You'll see President Truman reporting on Japan's unconditional surrender, V. J. Day, the housewife's hassle with the rationing system which finally ended, price tags—which never were the same again, "Fill'er up!", Kilroys coming home, the war brides, the displaced persons.

#### CHAPTER II THE COMMUNIST THREAT

In this second chapter of "Not So Long Ago", is pictured the time when a number of public figures passed from the scene—Henry Ford, Orville Wright, Babe Ruth, Fiorello LaGuardia. We see the Mayor of New York clowning with Abbott and Costello, chasing fire engines and reading the comics over the radio during a newspaper strike. Then revolution on the sport scene as Branch Rickey brought the first negro player into the major leagues—Jackie Robinson of the Brooklyn Dodgers. At Fulton, Missouri, Winston Churchill warned the world of "The Iron Curtain." And the brand new United Nations was trying to cope with the "Cold War."

#### CHAPTER III THE MARSHALL PLAN AND THE CAMPAIGN OF 1948

Shirley Temple married John Agar; Rita Hayworth married Aly Khan; Ingrid Bergman and Roberto Rossellini were romantically linked; Princess Elizabeth married the Duke of Edinburgh. Starving Europe was threatened by Communist domination and turned to America to stave off collapse. World leadership passed to Washington when the big news broke of a revolutionary plan to rescue Europe with American billions for relief and economic aid. In a war without bullets, an old soldier took over—Secretary of State George Marshall. President by accident, Harry Truman, was out to win the office on his own. The Republicans nominated Governor Thomas E. Dewey of New York. Everybody expected Dewey to win. But the next morning, when California totals came in, it was Harry Truman, winner on his own!

#### CHAPTER IV THE TRUMAN VICTORY AND A LOST PEACE

The final chapter of "Not So Long Ago" opens with the Truman victory of Nov. 2, 1948, an upset if there ever was one. And there were signs and potents in the sky—or were there? People had seen saucers in the sky—with their own eyes! And there was something else in the air besides saucers—television! Then, on a June week-end in 1950, President Truman was called back to Washington from a weekend at independence. It was a major crisis—in a distant place called Korea. Somewhere, far, far away the peace had been lost—and we had to go and bring it back!

## The Great War

(WORLD WAR I)

### CHAPTER I—THE WAR CLOUDS BREAK

The first chapter of "The Great War" is devoted to background personalities and events of the period—the pomp, pageantry and parades that were the order of the day in Europe—the visit of King George and Queen Mary of England to Germany and the king's first cousin, Kaiser Wilhelm II, German Emperor and King of Prussia.

Imperial Germany had become a power at sea—had developed the modern submarine and its gun crews on surface vessels had been precisely trained. All Europe was like dry tinder—ready to explode—and the murder of the Archduke provided the spark. The attack on the west began with Germany's advance through little Belgium and in fourteen days the German armies had swept 250 miles.

810-75-0560, Standard 8mm., 200-feet, 14-ozs. \$6.98

### CHAPTER II—1914-1917. STALEMATE AND U.S. NEUTRALITY

Britain sends her small army to help invade Belgium—six weeks after the collapse of Belgium, the Germans attack on the Marne—to within 18 miles of Paris—the famous taxicabs of Paris rush every available soldier to the defense—refugees with their meager belongings frudge to the rear areas.

In the United States, there is peace and neutrality—Germany declares unrestricted submarine warfare—in the Lusitania disaster, almost 1,200 of the passengers and crew lose their lives—U. S. sentiment begins to swing away from Germany, but there remains strong support for isolation. America declares war—ten million Americans register for draft.

### CHAPTER III—1917: YEAR OF CRISIS

The American Expeditionary Force begins to move "over there." Inadequate weapon stocks at home force drafts to train with wooden cannon. U. S. Admiral Sims develops the convoy system for Atlantic crossings. Disastrous attacks by the Germans in the early spring of 1917 have led to spot mutinies in the French army. In both the French and British armies casualties exceed replacement abilities. In the rainy fall of 1917, the trenches run in an unbroken line from Switzerland to the English Channel. Lenin overthrows Kerensky's provisional government in Russia. A million German troops are released from the eastern front, and the German High Command prepares a western front attack.

### CHAPTER IV—THE YANKS ENTER

In this final chapter of "The Great War", the action begins in late May of 1918, when the French retreat at Chemin des Dames ridge—but the U. S. Marines move forward. U. S. youth and vitality encouraged the French. The airplane was a new weapon of war, and General Billy Mitchell commanded the greatest concentration of air power ever assembled.

The Americans got their first real combat experience at Seicheprey and Cantigny. Losses are heavy—but the Big Parade is under way. Chateau Thierry was the new milestone. Belleau Wood and Vaux were captured. French morale jumps. Pershing was cautious—estimating that the war might end by the fall of 1919 "with eighty U. S. divisions."

## The True Glory

This is Blackhawk's 8mm. production of "The True Glory", edited from the sound film of the same name. An official motion picture production of the governments of Great Britain and the United States, this surveys the entire final World War II campaign on the European Western Front, called "The Crusade in Europe" by General Dwight Eisenhower. The seven chapters of "The True Glory" vividly picture the many land, air and sea battles and emphasize the miracles of comradeship and cooperation which came out of the various campaigns. The full impact of the meaning of the film's title is felt in the final chapter when the familiar prayer of Sir Francis Drake is presented.

### FURY IN THE PACIFIC

Fury in the Pacific is the story of Allied capture of the island, Peleliu, from the Japanese. The capture of its airstrip was essential to the security of our advance to the Philippines. Peleliu was but six miles long and, at its maximum, six miles wide. It seemed that it would be easy to concentrate destruction within that small area. Yet, our conquest of Peleliu took from Sept. 15 to Nov. 26, 1944, when hostilities ceased completely. Adapted from official U. S. Department of Defense materials.

He was elected Vice President in 1900 and became President after the assassination of McKinley in 1901. As Teddy covered the country in 1904 with an exhaustive schedule of speeches he was convinced that the American population would consign him to political oblivion.

### CHAPTER II THE PATRIOT

After being elected by a landslide vote in 1904, Teddy declined to run for a third term as President. In the eyes of the American people he remained a popular hero. Mr. Roosevelt was convinced that Wilson was making a tragic mistake in trying to remain neutral in the First World War. He was proven right. His youngest son was killed in action over France. Theodore Roosevelt died in his sleep on January 6, 1919.

### CHAPTER II TWENTIETH CENTURY CAESAR

By 1934, Italy had become a militarized police state governed by Benito Mussolini's will. Elections were a sham. Early in 1934 Mussolini had his first meeting with Adolph Hitler, the man who ruled Nazi Germany. Less than a month later, Hitler engineered the assassination of Austria's Chancellor Dollfuss and an enraged Mussolini sent four divisions to the Austrian border. He warned Germany "hand off Austria" and was bitterly disappointed that England and France failed to back his lead. This chapter continues through World War I until Mussolini's death.

## Woodrow Wilson

### CHAPTER I THE PROFESSOR PRESIDENT

This first of two chapters of the life of Wilson outlines his youth, the start of his career, his becoming president of Princeton, his election as governor of New Jersey in 1910 and his nomination for President in 1912. Continuing, it shows the state of the nation as he took over as President and the beginning of World War I in Europe. It tells how Wilson kept us out of the war, his reelection in 1916 and then how he was forced to take the U.S. into the war. Chapter I ends with the end of the war.

810-76-0488, Standard 8mm., 350-feet, 1-lb. \$12.98

### CHAPTER II PEACEMAKER, IDEALIST AND MAN OF WISDOM

The second chapter deals with his famous "Fourteen Points" and his program for lasting world peace. It shows him at the European Peace Conference, his problems with Europe's leaders and their demands for the spoils of war. The fight for the League of Nations and finally his traveling the U.S. to gain support, the sniping by Senators Cabot Lodge, Hiram Johnson and William Borah. Finally he suffers a stroke, then the rejection of the peace treaty by the Senate and subsequently the overwhelming defeat in 1920 of the Democratic slate by the Republicans.

## Joseph Stalin

### CHAPTER I—HIS RISE TO POWER

In the days of Czar Nicholas most of the wealth and all of the political power in Russia rested in the hands of the Czar and a small ruling class, and the masses lived primitively, millions of them in degrading poverty. It was from such people that Joseph Stalin came. Our film covers briefly his early years when he studied to become a priest, how he became a revolutionary and a follower of Lenin and his ambition for world domination.

### CHAPTER II—THE ALMOST ABSOLUTE DICTATOR

If there is any lingering question today about the nature of Communism, the brutal career of Joseph Stalin should provide the answer. Stalin's cynical nature allowed him to sign a pact with Hitler, an even more ruthless dictator, in 1939, thereby opening the floodgates to the terrible conflict of World War II.

**NARROW GAUGE TRAIN  
TO SILVERTON**

Here is a comprehensive and beautifully photographed film that tells the whole story of The Silverton, the summer passenger train on the Denver and Rio Grande Western's Durango-Silverton Branch. As the train approaches the 700-ft. high ledge in the cliffs near Rockwood, and snakes around the high curves, we are treated to scenes shot both from the train, and of the train from across the canyon. And there are some very effective scenes made from the head end of the locomotive itself as it creeps along the ledge.

THE BLACK PIRATE (1926)

starring DOUGLAS FAIRBANKS with BILLIE DOVE

It is the time when tall galleons carried wondrous treasures across the sea to Spain, and the time the sea rovers flourished in the Spanish Main. The bloodthirsty pirate have just captured a merchantman aboard which is the Duke of Arnalda and his son (Doug Fair-

banks). The old duke dies, but Doug decides he can best serve the purposes of justice by becoming a member of the pirate band. He challenges the pirate chief to a duel, and comes off victor. Doug vows he can capture the first ship they sight—single handed. This he does, and aboard is a beautiful princess (Billie Dove). But the pirates propose to cast lots for the princess, and here Doug is put to a supreme test to rescue the princess (with whom he has fallen in love) and to do away with the band of ruffians.

THE BLACK PIRATE was the only Fairbanks picture ever to have been filmed in color (the original 2-color Technicolor system)—but it survives only in black and white. The story was by Doug himself under the pseudonym of Elton Thomas.

THE MARK OF ZORRO (1920)

starring Douglas Fairbanks with Marguerite de la Motte

The Mark of Zorro remains one of the best of Douglas Fairbank's cloak-and-sword adventures as it is a product of the old Doug with the zip and pace of his early films.

As the famous Mexican Robin Hood, Doug masquerades as the poppish Don Diego, with many delightful comedy touches of his own. Then springing into action as Zorro, the crusader for the rights of the Mexican people. You will also see a couple of fine duel sequences, and a wonderful chase towards the end, where Doug eludes his pursuers with some fantastic acrobatics.

THE THIEF OF BAGDAD (1924)

with DOUGLAS FAIRBANKS, JULIANNE JOHNSTON, SOJIN, SNITZ EDWARDS

In The Thief of Bagdad, Douglas Fairbanks departed from the swashbuckler roles he had portrayed in The Mark of Zorro, The Three Musketeers and Robin Hood, to play that of a

pure scamp, a purse snatcher and a pick-pocket.

Doug assembled, at the cost of two millions, the biggest cast, the biggest sets and the most elaborate costumes, for this glittering production, this fairy tale of old Bagdad.

There's magic in it, as Doug meets and falls in love with the beautiful princess, and competes with the most wealthy and eligible princes of the Orient for her hand. There's magic, too, in many of the effects that were created for this film, a milestone for its day.

### THE CENTURY OF PROGRESS EXPOSITION, CHICAGO, 1933-1934

For all of the financial difficulties of the time and the high level of unemployment, the 1933 period of The Century of Progress Exposition was so obviously a success that, well before that season was over, it was decided to continue and expand the Fair for another year.

Our film covers a number of the highlights of the Exposition . . . The Avenue of Flags, the Sky-Ride, the House of Tomorrow, the Golden Temple of Jehol, the Italian Pavilion, the Belgian Village, the Maya Temple, the American Indian Village, the Ukrainian Village, the Midway, Admiral Byrd's flagship, the Federal Building, the lagoon, the Streets of Paris, the Hall of Science, the Travel and Transportation Building and Enchanted Island, as well as several of the industrial exhibits.

Viewed from the vantage point of 1971, the Fair looks quite modern compared with either the San Francisco or San Diego Expositions of 1915.

In despair, he sought out the man whose teachings he had heard about, begging him to come to his son. Jesus, seeing the father was sincere, told him to go home, that his son would live. The father, believing, hurried home to find his son was healed at that very hour.

## THE GREAT TRAIN ROBBERY

G. M. ANDERSON, MARIE MURRAY, GEORGE BARNES

Credited as the first film to tell a complete story, *The Great Train Robbery* was an "eastern" western made in New Jersey and employed intercutting to tell the story, captivating the audiences who flocked to see it in 1903.

BEN TURPIN, SIDNEY DREW,

CLARA KIMBALL YOUNG,

MARIE DRESSLER, FATTY ARBUCKLE,

BUSTER KEATON

A brief and rare look at the Golden Age of Comedy and some of its more skillful practitioners, *Cameos of Comedy* spans well over a decade as it traces the growth of the art of comic screen pantomime. (1909-1922)

- 810-01-0598, Standard 8mm., 300-feet, 14-ozs. \$12.98

## INTOLERANCE (1915)

with LILLIAN GISH, MAE MARSH, ROBERT HARRON, MIRIAM COOPER, CONSTANCE TALMADGE, ERIC VON STROHEIM and BESSIE LOVE

INTOLERANCE considered by some a commercial failure, perhaps because it went into release only months before America entered World War I, and the country was preoccupied with the war in Europe. Yet, *Intolerance* was an artistic success and has, perhaps, grown in stature with the years. *Blackhawk's Standard 8mm.* and *Super 8* versions of *Intolerance* are complete and authentic in every way except for the main and credit titles which were removed from the original negative some years ago and were not available. All sub-titles which are part of the original print have excellent quality.

- 860-50-0017, Super 8, 2650-feet, 6-lbs. \$103.98

## THE SAD CLOWNS

CHARLIE CHAPLIN, EDNA PURVIANCE, BUSTER KEATON, HARRY LANGDON

Just getting along in a complicated world is not easy — Harry Langdon, Buster Keaton and Charlie Chaplin each had his own formula for life, as shown in this compilation of the best of silent film comedy.

- 810-01-0802, Standard 8mm., 550-feet, 2-lbs. \$21.98
- 860-01-0430, Super 8, 600-feet, 2-lbs. \$24.98

## TOL'ABLE DAVID

(1921)

with RICHARD BARTHELMESS, GLADYS HULETTE and ERNEST TORRENCE

The story of *Tol'able David* takes place in a small southeasterly village. David Kinnemon passionately longs to be a man and assume a man's responsibilities but others regard him only "tol'able." His particular desire is to drive the mail. Three thugs named Hatburn move themselves in on David's "girl" and her grandfather. One of them kills David's dog, and when David's older brother rebukes him, he hits him in the back with a stone and cripples him for life. David's father only has time to reach for his gun to go out and settle with the Hatburns when he drops dead of heart failure.

This leaves David the "man" of his family, and one day, when no one else is available, he gets a chance to carry the mail. But the mail sack drops out of his wagon, and one of the Hatburns picks it up and carries it away. David invades their hiding place, shoots it out, kills all three, and delivers the mail, himself more dead than alive.

## FEET OF MUD

starring HARRY LANGDON

with FLORENCE D. LEA,

NATALIE KINGSTON, YORKE SHERWOOD

As Harry had "cleaned up" on the football field and won the big game, Natalie's dad figured that he should do the same in the world of work before marrying his daughter. Harry's chance to prove himself comes with an "engineering" job with the city.

But it's sanitary engineering and while our street sweeping hero tries his best, he just can't avoid making enemies. When he stum-

bles into the midst of a lively Chinatown tong war, it's Harry's bravery that saves Natalie and wins the day. How he does it will have you holding your sides with laughter in this best-loved of all Langdon classics. (1924)

## INTOLERANCE

(1915)

with LILLIAN GISH, MAE MARSH, ROBERT HARRON, MIRIAM COOPER, CONSTANCE TALMADGE, ERIC VON STROHEIM and BESSIE LOVE

INTOLERANCE considered by some a commercial failure, perhaps because it went into release only months before America entered World War I, and the country was preoccupied with the war in Europe. Yet, Intolerance was an artistic success and has, perhaps, grown in stature with the years. Certainly when all the films of Griffith are considered Intolerance stands at the top.

D.W. Griffith, in four separate stories, attacked intolerance and bigotry through the ages, bringing the epic to the screen with film techniques far advanced for the times.

Blackhawk's Standard 8mm. and Super 8 versions of Intolerance are complete and authentic in every way except for the main and credit titles which were removed from the original negative some years ago and were not available. All sub-titles which are part of the original print have excellent quality.

860-50-0017, Super 8, 2650-foot, 6-lbs. \$103.98

## THE HOODED HELPER

(A Chapter from  
"The Iron Claw")

with CREIGHTON HALE  
and SHELDON LEWIS

The fourth of the famous Pearl White serials, "The Iron Claw" showed slicker and more elaborate production. This episode, "The Hooded Helper" is filled with sinister characters, Oriental armor, mysterious sliding panels, thrown daggers! But Pauline survives it all! (1916)

810-43-0280, Standard 8mm., 425-foot, 14-ozs. \$12.98

620-43-0092, 16mm. silent, 850-foot, 3-lbs. \$39.98

## RETURNS

Should you for any reason desire to return items to Blackhawk for credit or for any other reason, YOU MUST RETURN ALL PAPERS INCLUDING YOUR ORIGINAL ORDER WITHIN 10 DAYS from the date you receive it. Because of the thousands of orders we handle, we do not keep copies of all orders, nor a list of the items you purchased. Unless you return the papers listed above, we are not in a position to handle your request without undue delay.

## BLACKHAWK'S LAY-AWAY PLAN

Blackhawk's Lay-Away Plan costs you not a penny more than Blackhawk's regular cash price—you pay 10% of the cost of the merchandise with your order, the balance within 90 days at your convenience. As soon as the balance is paid, Blackhawk ships the merchandise! And Lay-Away is an easy way for you to get those limited availability bargains and sale items, for the moment we get your order, it is physically pulled and set aside for you! Remember—no interest or carrying charge on Lay-Away!

## OUT OF STOCK ITEMS

Where items are temporarily out of stock, we will create a back order, retain sufficient funds to cover shipment and send the item as quickly as our new stock is received. If there is a delay beyond two weeks, we will notify you, giving you any information we may have.

When an item is permanently out of stock, we will send you a credit memo as a refund. We follow the practice of issuing credit memos in such instances because most customers prefer to make another selection. If we return a check, this means that the customer who wants to select another item must then either pay for the cashing of our check and for the writing of another personal check, or must pay for a money order. This can be both inconvenient and expensive. To make alternate selections easy, therefore, we use the credit memorandum system.

If you would prefer a cash refund, just tell us on your order and we will send our bank check rather than a credit memorandum.

## HOW TO OPEN A BLACKHAWK CHARGE ACCOUNT

Open account billing is now available to individuals in the United States on the payment of a fee of \$2.00 and the submission of satisfactory credit information. (Payment of the \$2.00 fee is not required when application is accompanied by an order for \$10.00 or more.) On this basis, upon the opening of a Blackhawk

charge account, you will be provided with an account number which should appear on all orders from you. Payment for orders shipped and billed during a month are due in Davenport not later than the 15th of the month following. As an example, orders which are

shipped and billed to you in December must be paid in full not later than January 15, etc., etc. A Blackhawk charge account will be a particular convenience to our regular customers in that it eliminates the pre-figuring of remittance for postage, and the writing of

several checks or the securing of several money orders during a single month.

Fill in completely (type or print) the BLACKHAWK CHARGE ACCOUNT APPLICATION

below, sign and return it to us with the \$2.00 charge account fee or an order of \$10.00 or more. (\$2.00 fee, if sent, will be refunded in the event an account is not opened by us.) We'll immediately confirm receipt and let you know as soon as the account is open—and your account number.

### BUY ANYTHING OFFERED BY BLACKHAWK ON CONVENIENT MONTHLY PAYMENTS!

Customers in the United States may purchase anything from Blackhawk on convenient time payments.

*The following time payment arrangements became effective with the Truth in Lending Act on July 1st, 1969.)*

#### TIME PAYMENT ARRANGEMENTS

##### A. Down Payments

Below are the minimum down payments required based on the total amount of your purchase.

On orders totaling \$25.00 to \$50.00 . . . . \$ 5.00

On orders totaling \$50.01 to \$100.00 . . . . \$ 7.50

On orders totaling \$100.01 to \$125.00 . . . . \$12.50

The amount of your time payment charge and the amount of your monthly payment is determined by the unpaid balance remaining after we have deducted your down payment from the total of your purchase. Thus, the larger you can make your down payment, the lower will be your time payment charges and the smaller will be your monthly payments.

##### B. Time Payment Charges

Time payment charges are based on the unpaid balance remaining after the deduction of your down payment from the total of your purchase. Here they are scheduled:

On unpaid balances totaling \$25.00 to

\$75.00 . . . . . \$ 5.00

On unpaid balances totaling \$75.01 to

\$125.00 . . . . . \$ 7.50

##### C. Monthly Payments

As is explained above, the size of your monthly payment is based upon the unpaid balance (including the time payment charge) remaining after deducting your payment from the total of your purchase. Here is the schedule:

On unpaid balances totaling \$25.00 to

\$50.00 . . . . . \$ 5.00

On unpaid balances totaling \$50.01 to

\$100.00 . . . . . \$10.00

On unpaid balances totaling \$100.01 to

\$125.00 . . . . . \$12.50

##### D. Add-on Orders

New purchases may not be added to existing contracts. A separate contract, requiring a down payment and a time payment charge will be established each time you order. It will be to your advantage, as the time payment charges are fixed figures, to include as many items as possible in each time payment order.

##### E. Our Action

We've provided this information so that you will know exactly the amount you will owe. However, to help you further, we prepare a time payment schedule for you at the time we ship the merchandise. We show you the exact amount due and the dates on which the amount should be received here in Davenport. So don't let the detail bother you. We'll do the figuring.

**PARCEL POST CHARGES**

Shipping weights are given on all mailable merchandise so that you can remit approximate postage charges with your order. Just add up shipping weights on all items to be shipped by Parcel Post and figure total pounds (16 ounces to a pound).

A phone call to your local post office will get you information as to your zone from Davenport, or you can estimate it on the basis of distance as given in the table below. Alaska, Hawaii and territories of the United States are in the 8th zone from Davenport. APO/FPO addresses in San Francisco and Seattle are charged as the 8th zone from Davenport. APO/FPO addresses in New York are charged as the 5th zone from Davenport.

Then, having determined the total shipping weight of your order and the zone in which you are located from Davenport, refer to the table below to determine the amount of postage to include when placing your cash order. (There is no need to figure this in advance on C.O.D. or Time Payment orders as actual postage charges will be billed to you.) We will send a credit voucher for any overpay-

ment of postage which may be applied on your next order.

**READ BEFORE YOU ORDER**

Blackhawk Films' prices do not include postage. Shipping weights are given with each item and you can compute the approximate total weight and postage charges by referring to the postage table given below. While weights of a single shipment to virtually all post offices in continental United States are limited to 40 pounds, shipments to the states of Alaska and Hawaii may run as heavy as 70 pounds. These two states are in the eighth zone, and Blackhawk customers can approximate the correct postage to remit by figuring 18c per pound for each pound above twenty. The same formula applies to all U.S. Territories and Protectorates.

Some larger and heavier items, because of size and weight, are not mailable and will thus be shipped to you by express or freight, you paying the transportation charges on delivery. In general, shipments of size and weight requiring express or freight transportation will not be forwarded on a C.O.D. basis.

**SHIPMENTS OUTSIDE**

**CONTINENTAL UNITED STATES**

Shipments made to Hawaii, Alaska, Puerto Rico, Fleet Post Offices, Army Post Offices and other overseas locations move through the regular United States Postal System. We are glad to handle such shipments on exactly the same basis as shipments made within continental United States with the exception that no C.O.D.'s will be made outside continental United States.

Where shipments are made to countries other than the United States, payment may be made by letter of credit, by international money order or in any negotiable currency. Where, on any type of payment, you wish to know the exact cost of your merchandise we will be glad to send a proforma invoice—and hold-the-wanted items—so that a precise amount may be determined. Where checks, money orders or other remittances are made in currencies other than those of the United States, we will immediately clear these funds through our bank. Your order will be suspended until our bank has notified us of the actual credit resulting from this clearance. This usually takes a matter of a week or ten days.

On shipments to overseas destinations other than those served directly by the United States Postal System, a surcharge of 10% is made to cover postage, and the preparation of necessary customs forms.

Blackhawk cannot guarantee safe delivery on foreign shipments. If you want your shipment insured we can do it for you at an additional charge. Ask for details.

**RIGHTS OF USE**

**on MOTION PICTURES**

Use of new 16mm. and 8mm. motion picture prints sold by Blackhawk is limited to home and non-theatrical showing—theatrical and television rights are specifically reserved. Productions of Hal Roach Studios, Inc., and National Telefilm Associates, Inc., are distributed by Blackhawk on license under copyright for non-theatrical and home use only, and in the limited territories set forth on the pages carrying the major listings of these particular groups of subjects. The copyright status, if any, of other subjects in countries and territories outside of the United States, is unknown and purchasers acquiring and exhibiting such prints do so at their own risk.

No authority or license is granted for the public performance of any copyrighted music which may be included in or as a part of any of the films offered herein unless the person, firm or corporation proposing to reproduce such music as part of the picture is duly authorized where such authorization is needed, by the copyright owner of any such music, to perform the same publicly.

WE WILL SHIP ALL ORDERS VIA PARCEL POST (EXCEPT FOR SUCH ITEMS AS FRAGILE PROJECTION EQUIPMENT) UNLESS OTHERWISE REQUESTED. WE WILL SHIP FRAGILE ITEMS BY UNITED PARCEL OR RAILWAY EXPRESS.

\$100.00 or fraction thereof.

There is a flat 65c charge for each C.O.D. shipment.

The fleet maneuvers the *Potemkin* into a position where she has to sail through the squadron, but when they are not fired upon, the men of the *Potemkin* know they have successfully defied tyranny and asserted the rights of the people.

**COLLEGE**

(1927)

starring **BUSTER KEATON**  
with **Ann Cornwall, Flora Bramley**

Honor grad Buster heads for college and an education, but Ann Cornwall soon forgets that she's his girl and begins casting eyes at Harold Goodwin, star athlete and delight of all the coeds.

The only way for Buster to cure her case of "broad shoulder blues" is to make the team, win the big race and save the day, exactly what he does. But the fun is in **how** he does it and this is where audiences usually come unglued with laughter. It's an unabashed romp from beginning to end and one of Keaton's very best comedies.

**HAUNTED SPOOKS**

(1920)

Harold Lloyd, Mildred Davis

Unlucky Harold—he loses every girl he loves to the other guy. Even suicide fails, but along comes Hillary, who needs a husband to inherit a house and Harold's married before he knows it. The house? It's haunted by the uncle, but not for long!

*Haunted Spooks* marked Lloyd's return to the screen after a bad accident and a long recovery, but reviewers hailed it as his best comedy to that time. The Harold Lloyd comedies were ingeniously simple in conception and filled with cleverly executed gags that still work well today—no one could fail at a suicide attempt as well as Lloyd, nor draw as much sympathy from audiences as did our hero, who soon left the short comedy field for features and even greater fame.
