ANSWERS

LIST A	xi.	xii.	xiii.	xiv.	xv.
LIST B					

SECTION B

Answer all questions

3. Read the following passage carefully and then answer the question that follows

A good way in which people can participate in decision making is through civil association such a s farmers association and the association of the youths and academic participation in such group is important for a number of reasons the first reason is to protect the group interests and the second is that these associations are educative they make the participant more enlightened. Therefore, participation through such association and group removes

individual isolation and strengthens the people's position in fighting for their own interest and those of the community.

Lack of people's participation in free association has one big danger. The danger is that it is not possible for an individual to pressure the government into meeting people's needs. The failure of individual efforts to the individual's despair and frustration.
