# ORGANIZATION OF SARCOMERE

The sarcomere shortens during contraction. The shortening starts from the Z-disc. The I-band becomes shorter after contraction. The H-zone length decreases when contraction occurs. The length of the A-band does not change during contraction.

Propandrol by Balkan Pharmaceuticals is going to offer synthetic testosterone that would enter your system fast, making sure that you would get huge gains in a very short period of time while getting all other benefits such as strength increase, endurance, sex drive increase and many others. PROPANDROL 100 MG. Propandrol 100 mg es Testosterona Propionato de Balkan Pharmaceuticals, uno de los mejores Laboratorios conocido por la calidad empleada desde las sustancias hasta sus presentaciones. Es comparativamente mucho más rápida que otros ésteres de testosterona como el cipionato o la enantato, y requiere que generalmente sea ...
