

THE PROTEIN SOCIETY'S 32nd Annual Symposium CALL For Poster Abstracts

PRELIMINARY PROGRAM AND SPEAKERS

| Session | Speakers | Affiliations |
|---|--|---|
| Phase Transitions & Mesoscale Structure | Mike Rosen Amy Gladfelter Emmanuel Levy | UT Southwestern Medical Center U. of North Carolina Weizmann Institute of Science |
| Multiplexed Protein Science: Deep Mutational Scanning & Applications | Deborah Marks Christian Cunningham Doug Fowler | Harvard U. Genentech U. of Washington |
| Creativity in Drug Discovery | Nathanael Gray Nir London Celia Schiffer | Harvard U. Weizmann Institute of Science U. of Massachusetts Med. School |
| Beyond 20 Amino Acids: Unnatural Mutagenesis | Mike Jewett Hiroaki Suga Farren Isaacs | Northwestern U. U. of Tokyo and Peptidream Yale U. |
| Functional Protein Dynamics & Allostery | Martin Weik Paul Robustelli Lila Gierasch | IBS, France D.E. Shaw Research U. Mass Amherst |
| Protein Engineering for Genome Engineering | Keith Joung Yanli Wang Blake Wiendeheft | Massachusetts General Hospital Chinese Academy of Sciences Montana State U. |
| Proteins in Control of Membranes | Phyllis Hanson Fred Hughson Oliver Daumke | Washington U. Princeton U. Max Delbruck Ctr. for Molecular Med. |
| Propagating Aggregated Conformational States | Roland Riek Margaret Sunde Daniel Jarosz | ETH The U. of Sydney Stanford U. School of Medicine |
| Proteins in the Microbiome & Immune System | Blanton Tolbert Seemay Chou Alejandro Vila | Case Western Reserve U. U. of California, San Francisco IBR |
| Proteins See the Light! Triggered Conformational & Functional Changes | Carrie Partch Eriko Nango Mike Rust | U. of California, Santa Cruz Spring-8/SACLA/Kyoto U. of Chicago |
| Proteostasis: From Midlife Crisis to the Death of Proteins | Andreas Martin Andreas Matouschek Christine Vogel | U. of California, Berkeley U. of Texas, Austin New York U. |
| Repetitive, Non-Globular Proteins: Nature to Nanotechnology | Aitziber Cortajarena Tijana Grove Jennifer Potts James Murray | BioGune Virginia Tech U. of York Imperial College |

SUBMISSION Deadline:
March 31, 2018
www.proteinsociety.org

TRAVEL AWARDS

Hans Neurath Outstanding Promise Travel Awards
(sponsored by the Hans Neurath Foundation)
Include reimbursed travel expenses up to **\$1,500** plus 1-year TPS membership, cash prize of **\$500**.

Protein Science Young Investigator (sponsored by Wiley) & Finn Wold Travel Awards
U.S.-based winners receive up to **\$400**, and international-based winners receive up to **\$800** in travel reimbursements.

Travel Award Winners must attend and present their poster at the 2018 Symposium.

REGISTRATION RATES

| | | Before May 15 | After May 15 |
|------------------|-----------------------|---------------|--------------|
| | Member Rates | | |
| Member Rates | Full | \$350 | \$400 |
| | Emeritus | \$100 | \$150 |
| | Lab Staff | \$100 | \$150 |
| | Graduate Student | \$95 | \$125 |
| | Undergraduate Student | FREE | FREE |
| | Early Career | \$175 | \$225 |
| | Reception | \$25 | \$35 |
| | 1-Day Registration | \$100 | \$150 |
| Non-Member Rates | Standard | \$600 | \$750 |
| | Corporate | \$750 | \$900 |
| | Early Career | \$275 | \$325 |
| | Lab Staff/Emeritus | \$200 | \$275 |
| | Graduate Student | \$125 | \$160 |
| | Undergraduate Student | FREE | FREE |
| | Reception Guest | \$75 | \$100 |
| | Exhibition Hall Only | \$300 | \$400 |
| | 1-Day Registration | \$200 | \$275 |

2018 PROGRAM PLANNING COMMITTEE

Susan Marqusee, M.D., Ph.D, Co-Chair
University of California - Berkeley

James Fraser, Ph.D., Co-Chair
University of California - San Francisco

Allan Drummond, Ph.D.
University of Chicago

Deborah Fass, Ph.D.
Weizmann Institute of Science

Jeanne Hardy, Ph.D.
University of Massachusetts, Amherst

Kresten Lindorff-Larsen, Ph.D.
University of Copenhagen
