THE
PROTEIN
SOCIETY

THE PROTEIN SOCIETY
37th Annual Symposium
Boston, Massachusetts
July 13 - 16, 2023
Weston Boston Seaport District

About...

... the Association

The Protein Society is a not-for-profit scholarly society with a mission to advance **state-of-the-art science** through international forums that promote communication, cooperation, and collaboration among scientists involved in the study of proteins. For 36 years, The Protein Society has served as the intellectual home of investigators across **all disciplines**, and from around the world, involved in the study of protein structure, function, and design. The Society provides forums for scientific **collaboration** and **communication** and supports professional growth of young investigators through workshops, networking opportunities, and by encouraging junior researchers to participate fully in the Annual Symposium. As well as the meeting, the Society's prestigious journal, **Protein Science**, edited now by John Kuriyan, (University of California, Berkeley), serves as an ideal platform to further science of proteins in the broadest sense possible.

...the Meeting

The Protein Society's Annual Symposium is an **international** gathering of 800 protein science leaders and community members. Structured with two concurrent sessions, and spanning 3 and a half days, the Annual Symposium features a multitude of opportunities for networking, with plentiful speaking slots for selected early-career-scientists, and unique workshops for students and educators alike.

The 37th Annual Symposium takes place July 13 - 16, 2023 in Boston, Massachusetts at the Westin Boston Seaport.

... the Attendees

The Protein Society's premier event, our 37th Annual Symposium, will host 800 chemists, biologists, physicists, mathematicians, students, and educators who share a unifying interest in understanding the nature of proteins.

Working at universities, foundations, institutes, and corporations in more than 30 countries, this truly international community supports the commitment of The Protein Society to foster development of the **next generation** of protein scientists, provide resources for educators and students, and to create productive international forums for protein science that incorporates diverse research interests and experimental approaches.

Why Exhibit?

Access

Eight-hundred professional and academic biologists, physicists, and mathematicians attend the meeting. The Society gives a complimentary Post-Show Attendee List to all exhibitors.

See and Be Seen

The Annual Symposium delivers cutting-edge research in an **intimate setting where attendees and exhibitors benefit from personalized interaction**. Sponsors and exhibitors will benefit from great foot-traffic and generous signage recognition. The event provides 3 days of exposure, which includes daily mix and mingle evening receptions in the Exhibitor areas. The Society also provides several incentives to attendees to visit exhibitors, including an **exhibitor passport contest and prizes**.

Lead Retrieval

The Protein Society uses iLeads by Bartizan Connects for lead retrieval services. iLeads is a cloud-based, tradeshow- lead-capture app that lets you digitally collect and manage information from all of your exhibit hall sales interactions using your own smartphone or tablet. It lets you instantly distribute leads to your sales team. It's customizable and paper free, works offline, and provides live reporting and digital backup of the list of leads you gather at a show. There is a per-license cost for the Symposium with steep discounts for additional licenses. iLead Data includes scanned attendee info: First Name, Last Name, Email, Complete Mailing Address, Affiliation, Title (not including attendees who opt-out, and/or those as prohibited by regulations and policies).

Education

Exhibitors can be **attendees**, too! Exhibitors receive additional opportunities to interact with conference attendees with access to educational sessions.

Technology & Product Demos

Provide attendees with innovations in their field. Give hands-on demos that allow them to **see how technology can revolutionize their work**.

Awareness

Ensure that attendees remember your company name, product, and/or service by keeping your company at the forefront of the Annual Symposium.

Booth Information

Exhibitors will be in the same space as the main poster presentations. The Protein Society offers three mix and mingle receptions during which exhibit booths will be open. Hors d'oeuvre and drink tickets will be offered by TPS.

Booth = \$2,200

- 8' x 10' booth
- 8' tall back drape, 3' draped side rails
- Listing in app and website
- 1 complimentary full registration
- 2 exhibit hall only registrations
- Post show attendee list - mailing addresses only (not including attendees who opt-out, and/or those as prohibited by regulations and policies).

Exhibitor Workshop
\$2,000

Take advantage of the opportunity to showcase organization. Can be held during breakfast or lunch.
Duration: 20 - 40 min.
The Protein Society will provide room at no cost.
Organizer responsible for AV and F&B (optional) costs.
Three available.

Booth Assignments

The Protein Society bases priority for booth space assignment on the date in which we receive contracts. Tentative reservations may be made via email and will be held for 10 days. Within this time period, the contract and required booth space fees must be forwarded to The Protein Society, or we will release tentative space. No space will be assigned until we receive both a contract and payment.

Exhibitors wishing to avoid assignment of booth space adjacent to that of a particular competitor should indicate on the contract. Careful consideration will be given to each request, but relocation cannot be guaranteed.

In the event of conflicts regarding booth space requests or conditions beyond the control of the exhibit management, The Protein Society reserves the right to revise, relocate, or reassign exhibit booths at any time for the overall benefit of the Symposium. A revised floor plan will be provided upon request.

Westin Boston Seaport District
425 Summer Street, Boston, MA 02210

Sponsorship Levels

- **One 8’x10’ exhibit space.**
 - **Exhibitor Workshop (opportunity to showcase organization).**
 - Two sessions of choice sponsorship recognition.
 - Prominent platinum-level acknowledgement on meeting signage recognizing sponsors, website, & event app.
 - Logo on attendee giveaway.
 - Corporate Logo* and thank you on intersession slide, during the length of the Symposium.
 - Recognition in post-Symposium special edition abstract publication (available/distributed on *Protein Science* website).
 - Logo* in pre-symposium e-blast sent to all registered attendees.
 - Three full conference registrations.
 - One ticket to the President’s Reception.
- Platinum

\$10,000

(limited to 1 sponsor)

- **One 8’x10’ exhibit booth space.**
 - Acknowledgement on meeting signage recognizing sponsors, website & event app.
 - Logo on attendee giveaway.
 - Corporate Logo* and thank you on intersession slide, during the length of the Symposium.
 - Logo* in pre-symposium e-blast sent to all registered attendees.
 - Two full conference registrations.
- Gold

\$5,000

- Acknowledgement on meeting signage recognizing sponsors, website, Program & event app.
 - Logo on attendee giveaway.
 - Logo* in pre-symposium e-blast sent to all registered attendees.
 - One full conference registrations.
- Silver

\$2,500

*All logos should be submitted to The Protein Society in EPS, PDF, and PNG format.

Sponsorship Opportunities

Choose one of the options below. You will receive the benefits of that option, and listed as a sponsor on all materials.

- \$4,000

Attendee Internet access for the duration of the Symposium; Wi-Fi name and password choice of sponsor. Choice of landing page. Includes program and app recognition of company.
- \$2,500

Coffee break & snacks: Offered during scientific program for all attendees; signage and program acknowledgment (3 available, each exclusive to one sponsor).
- \$2,000

Dance/Reception: program and app acknowledgment, as well as event signage and verbal mention of sponsorships. All attendees welcome; 200 expected. Exclusive to one sponsor.
- \$1,500

Networking Luncheon: program / app acknowledgment; verbal mention of sponsorship; cocktail napkins with company logo. Highest rated workshop; 200 attendees. Exclusive to one sponsor.
- \$2,000

Poster Session Sponsor (three sessions available): poster sessions display the research of our scientists and allow for one-on-one interaction. Sponsors receive event signage and app recognition. Sessions will take place on 3 consecutive days. Drinks and appetizers provided. Each session exclusive to one sponsor.
- \$2,500

Conference Lanyards: company logo and/or name on the official conference lanyard worn by attendees. Exclusive to one sponsor.
- \$400
(Domestic)
\$800
(International)

Diversity Student Travel Grant: Verbal and program recognition, and opportunity to meet with student awardees.

Exhibitor

Workshop: \$2,000

Showcase your organization. Can be held during poster sessions. Duration: 20 minutes. The Protein Society will organize. Company responsible for A/V.

E-Blast: \$1,500 (4 Available)

Marketing e-mail distributed to all conference attendees by The Protein Society on behalf of the Sponsor.

(Not including attendees who opt-out, and/or those prohibited by regulations and Policies.)

Exhibitor

Passport Raffle

Cash prizes, to be matched by TPS.
