I remember it was around this time last year when I was wishing I was applying to med school instead of studying for the MCAT. I remember telling my boyfriend over and over again that I wish it was already my turn. In a blink of the eye, we have circled back to May and it is already my turn. Now, I'm seeing all these wonderful incoming med students commit to enroll to their dream school, and I can only close my eyes to imagine what this time next year will look like for me.
