As I continue to grow and evolve, it felt only right to reintroduce myself, and to let you know that this space will be changing. I 💎ve grown tired of feeling trapped within the small box I unknowingly created for myself. My heart and soul have been yearning for more depth, vulnerability and connection within this space but I 💎ve been too fearful to give in, until now. The more time I spend getting to know my true self, the more deeply in love with life I fall, and I know it will just keep getting better. [more tips here](#)
