So I decided to subscribe back to passmed. Although I'm attending a dozen different CPD training courses and have the full support of supervisor both in my permanent job and my locum position. I still feel like there is a lot to learn. GP is truly diverse and can be challenging.. with the multiple issues out there.. doing passmed actually helps. I've revised conditions that I havent seen yet but could possibly come up. I've gone over management of various conditions. But mainly it's just a simple and fun way of learning. Medicine is a never ending career. Your forever learning and that's okay! No one is an expert but there is always room for improvement!!
