THE INSANITY OF THIS MIND AGE

17th December, 1985

MUTARE, ZIMBABWE

Excerpt:

Now a Prophet came and showed us that here is a prophecy – Revelation 6 verse 8, a prophecy that hell will be created on the Earth in the last days. Revelation chapter 3 verse 15-17, a prophecy that this world will go insane because they were blind, wretched, naked, miserable and knoweth it not. How can a man be naked and don't know it? It is a mental condition. Amen. So here is a prophecy of insanity of the world. Here's a prophecy, Revelation 6, of hell being created on the Earth. **(Page 21)**

Where do you stand? A revelation, the Seals opened up and put that revelation in your heart to bring you into the mind Age, in the Age of the mind and gave you the Mind of the Age. The Mind of Christ, the Intelligence is here. An invisible union, the Head and the Body are being united together. But the world goes into insanity. **(Page 36)**

FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THE INSANITY OF THIS MIND AGE

BRO. VIN A. DAYAL

[Song #537 - Songs That Live -Ed.]

Come with power this very Hour,

Holy Ghost we welcome Thee.

Let's lift our hands and sing it one more time.

Welcome, welcome, welcome,

Holy Ghost we welcome Thee;

Come with Power this very Hour,

Holy Ghost we welcome Thee.

Let's bow our heads and close our eyes for a word of prayer.

Our heavenly Father, Lord, how thankful we are tonight to be gathered in Your Presence. And Lord, as we stand here with bowed hearts before You, we think of that time in the Bible when those two men on the road to Emmaus, Father, they had walked that day but it had become evening time and Lord You were walking with them, speaking to them the Scriptures, and then Lord, the Bible said, It looked like You would have gone on but they constrained You to come in and abide with them for it was towards evening, Father. And Lord You accepted their invitation, and You went and You sat around the table with them. And Father, the Bible said, When You took the Word, the Bread that was laid before You and You broke It, and You blessed It, and You gave thanks, Lord their eyes became opened, for Lord You were made known in the breaking of the Bread.

And Father, we pray it will happen again this evening. Lord, we welcome You in our midst. Oh, Holy Ghost You are our invited guest this evening, Father, and we are so happy to know that You are here with us. And it

is evening time again, Lord, and Lord we have walked with You, Lord, but now we ask that You would take the Bread and You would break It and You would bless It, Lord, and Lord You will give thanks, Lord, and You would make Yourself known in the breaking of the Bread that Lord, God we would come to a Divine realization; our eyes could become opened to Your will and purpose for our lives in this Hour, and what the program of God is, and how we should behave and act and move that Lord we might be able to line up with Your Word that Your Word could have pre-eminence in our lives to the praise and the glory of Your grace.

Bless this congregation tonight, Father. Bless Your servants here, Lord. And Lord, God, may the Holy Spirit Lord, God just manifest the Word tonight. Heal the sick. Bind up the broken hearted. Deliver the captive tonight. Fill with the Holy Ghost, Lord. Come and get honor and glory. Father, we give You thanks as we commit this service and ourselves into Your hands, for we pray and believe and ask these things in the precious Name of Jesus Christ, amen.

Let's turn in our Bibles, Revelation chapter 6, also Revelation 16 and Revelation 19. We want to read out of the Book of Revelation because it's the Bride's Book. Only the Bride could understand this Book. It was sealed with Seven Seals. It held the Mystery of Jesus Christ and It has been opened in this Day and the Bride could fellowship with the Bridegroom. Revelation 6 verses 7 and 8:

⁷ And when he had opened the fourth seal, I heard the voice of the fourth [living creature] say, Come and see.

⁸ And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him. And power was given unto them over the fourth part of the earth, to kill with sword, and with hunger,

and with death, and with the beasts of the earth.

Amen. Revelation 16 verses 13-16. I would like you to notice in your Bible that Revelation 16:12 is the Sixth Vial. And Revelation 16 verses 17-21 is the Seventh Vial. And this is a mystery between the Sixth and Seventh Vials that we want to read tonight. It was injected there for a purpose. We know in the Book of Revelation between the Sixth and Seventh Church Ages there was a mystery – the open door. And between the Sixth and Seventh Seals there was another mystery – the calling and sealing of 144,000. Because Revelation 7 is placed mathematically between the Sixth and Seventh Seals. And between the Sixth and Seventh Trumpets there is Revelation 10, a mighty Angel coming down from Heaven and an earthly Angel on the Earth, and a Super Church, and two prophets to the Jews. It's all between the Sixth and Seventh Trumpets. And between the Sixth and Seventh Vials is what we want to look at tonight. And it begins reading like this:

¹³ And I saw three unclean spirits like frogs come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet.

It was coming out of a mouth because between the Sixth and Seventh Trumpets Seven Thunders came out of the mouth of Christ. It came out of the mouth of the True Prophet. And between the Sixth and Seventh Vials three unclean spirits came out of the mouth of the false prophet. Where did the Third Pull come from? Out of a mouth, the Spoken Word. And let's look at this carefully. This is an Hour when the world is being deceived. How are they being deceived? By false teaching. Where is that false teaching coming from? The mouth of the false prophets. And the hearts of the children are being turned back to the faith of the fathers. How is it being turned back? By the Word that comes out of the mouth of the true Ministers.

14 For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world, to gather them [together] to the battle of that great day of God Almighty.

Now notice this. Revelation chapter 6 verses 7 and 8 was a pale horse. And we know that pale horse were these three horses – the white, the red, and the black mixed together, which is religion, politics and demon power. And Revelation 16, what we are reading here now, the false prophet is religious power. Out of the mouth was coming unclean spirits which are the spirits of devils, which is demon power. And they are gathering the kings of the Earth together which is political power. So religion, politics and demon power are uniting together. It's a great uniting time. The Prophet preached a message called *The Uniting Time And Sign* [1963-0818 -Ed.] And while that is happening, right there in verse 15 the Lord said:

15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

So notice that right there. His First Coming was not like a thief. He said, "Behold I come as a thief." His First Coming was not like a thief. His Third Coming is not like a thief. It is the Second Coming that is like a thief. Now why did the Lord say, "Behold I come like a thief?" Because He wants us to understand what will happen when He comes!

In St. John chapter 10 verse 10, He said, "The thief cometh but to steal, and to kill, and to destroy. But I come that I may give Life and Life more abundantly." Now when He came the first time, He came to give Life and Life more abundantly. He didn't come like a thief. And when He comes the second time He'll come like a thief. And the Thief comes to steal. What is He going to steal? He will steal His Bride like Romeo stole Juliet. Who is He going to kill? The Bible says, He said, "I will

kill Jezebel's children with death." Amen. And who will He destroy? Revelation 11 verse 18 He said, "I will destroy them who destroy the Earth." So in His Second Coming, He comes like a thief to steal, and to kill, and to destroy.

And when He preached those Seven Seals in St. Matthew 24—You know He preached the Seals in St. Matthew 24! The Prophet said that – that Jesus preached those Seals in St. Matthew 24. And when He came to the Seventh one He began to speak parables because the Seventh Seal is His Coming. It's a secret. The Rapture is a revelation only for the Bride. So He tells a parable in St. Matthew 24. He said, "If the goodman had known what hour the thief would come, his house would not be broken into." Amen. So He's going to come like a thief so you will have to have revelation of the time that the thief is coming. Amen.

And the Prophet said when he saw that vision and he went to Revelation 10 he said, *Sirs, Is This The Time?* What time is it? Seriously think, because those Seven Thunders hold the secret why Heaven was silent. It was the Coming of the Lord. It was the Coming of the Thief. In that great uniting time when religion, politics, and demon powers are united together, the Thief is going to come to unite with the Bride. It's another uniting – the Head and the Body being united together; an invisible union (hallelujah!) of the Bridegroom and the Bride taking place.

So then you have to have a revelation He is here. He slips the Wedding Band on your finger. He gives you the Marriage Certificate. What is the Wedding Band? Predestinated grace to know He chose you. You have not chosen Me, but I have chosen you. The Husband chooses His Wife. What is the Marriage Certificate? To see your name written in the Lamb's Book of Life; to see the mystery that you are going to live out in this Age – a mystery between the Gentile Prophet and the Jewish prophets. And the Gentile Prophet was Revelation 10:7.

And the Jewish prophets are Revelation 11:3. Amen. And between Revelation 10:7, the Gentile Prophet, and Revelation 11 verse 3, the Jewish prophets, is a Bride – Revelation 10:8-11. That is your Marriage Certificate and His Name. If you're married to Him, you must have His Name, you must have His Life (hallelujah,) to show you are part of the mystery. Then you know you are going to the Wedding Supper. The marriage takes place here and we go to the Wedding Supper afterwards.

And verse 16 he said:

¹⁶ And he gathered them together into a place called in the Hebrew tongue Armageddon.

Revelation 19 verse 11:

¹¹ And I saw heaven opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

¹² His eyes were as a flame of fire, and on his head were many crowns; and he had a name written, that no man knew, but he himself.

¹³ And he was clothed with a vesture dipped in blood: and his name is called The Word of God.

¹⁴ And the armies which were in heaven followed him...

Now if they followed Him He was their Leader. Now notice in Revelation chapter 6, verses 7 and 8 – hell followed death. Revelation 19 verse 14 – Heaven is following Life. Two armies are riding. They are on a pale horse – mixed creed and dogma. But here is the Bride on a pure unadulterated Word not mixed with anything; original apostolic Doctrine riding in this Hour. Amen.

¹⁴ And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean.

15 And out of his mouth goeth a sharp sword...

Not unclean spirits like frogs. Out of this mouth was coming a sharp two-edged Sword

...that with it he should smite the nations...

Out of other mouth was coming forth unclean spirits gathering the nations. Out of His mouth was coming a sharp two-edged Sword to smite the nations that were gathered by the unclean spirits that came out of the false prophet's mouth. It's one battle. It started in Heaven and it is going to end up on the Earth. Whose side are you on? "Michael, I'm on Your side. You have come on the Earth to fight for Your Bride." Hallelujah.

...and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God.

16 And he hath on his vesture and on his thigh a name written, KING OF KINGS, AND LORD OF LORDS.

17 And I saw an angel standing in the sun...

Now John was the Bride and he was getting revelations in symbol form, but those symbol forms had to become reality form. And the people that John typed who would be on the Earth would be seeing those things in reality form. So you have to be seeing those things. You have to be seeing the nations being gathered. You have to be seeing that false teaching deceiving the peoples. You have to be seeing that Great One, Who is called the Word of God, descend from Heaven. You're supposed to be seeing it because you can't follow Him if you don't see Him. You have to see Him before you could follow Him. So you better see that Angel Who is standing in the Sun.

...and he cried with a loud voice, saying to all the fowls that fly in the midst of heaven...

You know Satan is the prince of the power of the air in all those fallen angels, those demon spirits that fly in the midst of heaven.

*...Come and gather yourselves together
unto the supper of the great God;*

Now it's going to happen literally too. Don't mistake that. But last night we proved from the Word it's demon spirits; and supper time is evening time.

*¹⁸ That ye may eat the flesh of kings, and
the flesh of captains, and the flesh of mighty
men, and the flesh of horses, and of them
that sit on them, and the flesh of all men,
both free and bond, both small and great.*

*¹⁹ And I saw the beast, and the kings of
the earth, and their armies, gathered
together...*

The Beast is religious power, the kings of the Earth are political power, and their armies gathered together are devils incarnate in flesh. So notice the continuity of the Scripture. Revelation 6:7 and 8 the pale horse: religion, politics, and demon power. That is the Fourth Seal. The mystery between the Sixth and Seventh Vials is the false prophet with unclean spirits gathering the kings of the Earth – religion, politics and demon power. To do what? Take them to the battle of Armageddon. And here we're in the battle now, Revelation 19. This is when the battle is taking place. This is where they are going to be destroyed.

So look how they come down, right down to their destruction. Can we see them being gathered together now? Could we see the United Nations? Could we see the World Council of Churches being gathered? Could we see them reject Elijah's Message? Could we see them with the nuclear weapons? Could we see them heading up to stars' wars? What is stars' wars? Michael and Lucifer! Lucifer is the fallen star, and he pulled one-third of the stars. And Michael is the Bright and Morning Star, and He had Seven Stars. And there was

war in Heaven, and the great red dragon, that fallen star, and one-third part of the stars fell.

And what has happened now? God's army is in flesh, and Satan's army is in flesh. And right now the two superpowers—You could see it in the natural realm also. America and Russia, the two superpowers are coming together for a showdown. And what is happening in the natural realm is also happening in the spiritual realm. Michael and Lucifer, two superpowers. Amen. Stars that didn't fall and stars that fell coming to a great battle, Armageddon – World War III. So they were gathered together.

...to make war against him that sat on the horse, and against his army.

²⁰ And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image.

How did they get the mark of the Beast? They didn't go out in the jubilee when the Trumpet sounded. They didn't come out of the walled city so they were bored in their ears; they were marked. Like Cain when he wouldn't do like what Abel was doing. He kept his fundamental religion. But Abel worshipped the Lamb and God vindicated it. And when Cain killed Abel, he was cast out of the Presence of God and he was marked (amen,) for rejecting the Message of the Hour that was being vindicated. And the image of the Beast is the World Council of Churches. So these were the people who were being destroyed, and this is the Message that reveals the mark of the Beast; that calls out the Bride of denominational systems to seal Her with the Holy Ghost.

So we realize it is people who are rejecting this Message that this judgment is going to come upon, because there are no more messages after this Message. This is the last Message. The people who are going to

go through the Tribulation are on the Earth now. The people who will be destroyed in the battle of Armageddon are on the Earth now. The people who are going to go to the Marriage Supper are on the Earth now. The people who will be in the Millennium are on the Earth now. There is no more generation after this generation. This is the last generation. It's either you're going up or you're going through.

And the last Message, which is a threefold mystery: a Shout, a Voice, and a Trump; and the Shout is already gone. That was the opening of the Seven Seals. And the Voice is the Voice of the resurrection and that is being revealed now in the Bride. And the Spirit and the Bride are saying, "Come." And there is one more fold and at the last Trumpet time shall be no more. The dead in Christ shall be raised incorruptible and we shall go to the Wedding Supper.

So then realize then that Israel who is gathered in their homeland, six Trumpets were blown to rush Israel from all nations back into Palestine. And they waited there for one generation. 1946 and forty years is 1986. So it will be a generation that they will be waiting in their homeland for the Messiah. But Joseph's wife had to be taken out of the way before Joseph could make himself known to his brothers.

And after World War II when Israel went back in their homeland, a Prophet went out with two signs to attract the people's attention to get them ready for a Message. And the Message was Seven Thunders, the opening of the Seven Seals in reality form to rush the Bride from all organizations back to the promised Word, the only provided place of worship where She's entering into a Rapturing faith. And here we are in this Hour the generation is about finished and it's time for the Bride to be taken off the Earth because we are gathered for the sounding of the last Trumpet when time shall be no more; when the doors will close.

That is why the world is in the condition that it's in, because they've had forty years to receive a Prophet's Message and they didn't receive it; they rejected it. But that Message has called you. Now he that is filthy will be filthy still. He that is holy will be holy still. He that is righteous will be righteous still. Because when that door swung shut in the ark, nobody could come in or go out. And we have come down to that very Hour. Any day now it could happen. There must be a Bride with expectation, with faith, knowing Her position, prepared; Her lamps trimmed and filled with Oil. She has white raiment, eyesalve, and gold tried in the Fire. She is looking up. She has lifted up her head because redemption is being revealed. She sees the Supreme Judge in the sky. She knows judgment is fixing to strike.

It is a fearful time, but it is also a glorious time. It's judgment and restoration; those who have been restored and those who are ready to be judged; those who have been transformed and those who have been deformed; souls that are in prison now and souls that are in Heaven now. The fifth dimension has emptied itself and blended with these three dimensions and the Bride has entered into a place of perfect love, the Capstone brooding over Her to bring Her in the same place where those saints in the sixth dimension are; because we have to become perfect to bring them back.

So verse 21:

21 And the remnant were slain with the sword of him that sat upon the horse, which sword proceeded out of his mouth: and all the fowls were filled with their flesh.

May the Lord add His blessing to the reading of His Word! You may have your seat. We are very happy to be in the house of God again tonight and we really appreciated the way the Lord worked things out that we can be here. When we landed Thursday morning in Harare coming from London, we saw Bro. Joseph in the

airport. We had no plans to come here. But before we left to go to the hotel, he asked me that if I would come here. So I told him I had no plans and it seemed like things just couldn't work out.

But it was something about the way he said it, I just couldn't go and leave him. So I told him, I said, "Give me your phone number." And he gave me his phone number and when we went down to Bulawayo. Then he called us and he got things arranged, that if we would be able to come here for Monday and Tuesday. It was going to be very hard, but the way he was speaking it was just like something in the voice like you were hearing the Lord speaking. So knowing that we were going to be very tired and it was going to be very difficult to come and preach and then only have one day to spare, which would be Wednesday, and that would be to travel back to Harare, then to go and preach five services again. And when I considered it in my human self, I know it was going to be difficult. But like the Lord just had it to be.

And we were very happy to come and to get to know him better and we were truly blessed staying at his home and being entertained by his family. It's truly a wonderful blessing to us. We believe that he is a real servant of the Lord Jesus Christ. I trust that you would stand with him, support him with your prayers and like Aaron and Hur held up the hand of Moses, you'll hold up his hands, because this is the most difficult Age for Ministers to preach in. There has never been an Age like this Age. This is the cesspool of the Ages. For six thousand years all the sin have heaped up in this Age. Hell is opened up and emptied out on the Earth.

Many times people don't realize what we are up against. That is why I am trying to preach these messages and pouring a lot into it that it might help you to see from the Scriptures the Hour that we are living in. And may God grant you eyesalve to break into the realm of the Supernatural for we don't walk by sight

alone. We walk by faith and faith is revelation, and the church that is built upon revelation, the gates of hell, two hundred million supernatural devils that are pressing against it, will not prevail. That is why as a people, this is the Hour to stand united, every person knowing his place and giving one another respects. And God will bless you and do all that He promised. If we keep our part of the Word, God is going to keep His part. He will not fail.

I really appreciate meeting the other brothers – all that we were able to meet and shake their hands and fellowship with them; and they opening up their homes. Even our Bro. Patrick here keeping two of the brothers. We really appreciate these things very much. We understand the Pastor here would be making a trip soon. We've been trying to persuade him. You know the Bible said, "Cast your bread on the waters it shall return unto you sevenfold." So he persuaded me to come to Harare, to Mutare rather, and I am trying to persuade him now to come to Trinidad so he could enjoy a time with us also, because truly we would like to have him there, and all of you if you could make it. Don't be concerned about places to stay. We're going to take care of it. And if you think it may cost a lot, if you all could have faith like Philip, you may not need Zimbabwe Airways. Because before the plane was invented, Elijah and Philip and many of them travelled by a different kind of transportation, Holy Ghost Airways. It is still in operation today. All it takes is faith. He is Jehovah-Jireh.

One time in the Bible Jesus and they had taxes to pay and you know Jesus told Peter (knowing he was a good fisherman,) he says, go and take your hook; not a net, a hook. A hook could only catch one fish at a time. He said, "Go and take your hook and throw it into the sea and the first fish that you pull up, open the mouth, you'll find a coin. Come and pay the tax." Now that was

showing it was going to come by Supernatural means. It was showing it would take God to provide it. Amen.

Just recently I had some taxes to pay and when I went to the tax officer and we were talking about the tax I asked him to be kind of reasonable if he could have given me a tax exit, a certificate to travel, and I'll pay the remaining portion of the tax another time. So he was kind of a difficult person to get along with.

He said, "You better pay up all of it."

I said, "Don't be afraid. The Lord will take care of it."

He said, "What is the matter? Do you think now is like the time of Jesus when they could throw a hook and pull in a fish and get the money?"

I said, "If you believe your Bible, He is the same yesterday, today and forever." I said, "It may not be the same kind of fish, it may not be the same kind of water, but there will be a fish there with the money that when the time comes God is going to provide it."

So you may not have to go to the natural sea, but God could send the right 'fish' along. Amen. It might be somebody who could pay it for you. Amen. So under the direction of the Word, (because He was the Word,) then obedience to the Word, having faith in what He said, though it might seem out of the ordinary, but recognizing the One Who was speaking, you could go forth with expectation.

This is an Hour we have to recognize we're not dealing with one another as Zimbabweans or Trinidadians. But it is God being revealed in His Bride and we must have that revelation, because if God is not here and God is not being revealed, then it's just an intellectual gathering. But if we have a revelation that it's God amongst us, God in your Minister, God in the deacons, God in the officers; God in the brothers and sisters in the church who have been born again and living a life worthy of the Gospel, and we don't know them after the flesh but we know them by revelation. Because that is what Paul said. He said, "Henceforth know we no man

after the flesh, but let's know one another by revelation." Because this is an Hour when Christ is formed in the Bride – and He is formed in His Ministers; He is formed in His Elect. That is why we can expect the Supernatural, because it's God in the pulpit preaching to God in the pew, and God in the pew could believe God in the pulpit.

You see, in the natural world if you want your motorcar fixed, you don't go to a shoemaker; you go to a mechanic. If you want your shoe fixed, you don't go to a dentist; you go to a shoemaker because you're trained to recognize channels. And when you have a spiritual matter to handle, you go to one with spiritual authority, where somebody is trained and ordained by God; one that is equipped to handle these things. And you may look at the person and be stumbled by the flesh.

I remember in the Bible one time Jesus had walked up to Peter. He had fished all night. Now Peter was a fisherman. He was born in a family that used to fish. The village he lived in was a fishing village. Their occupation was fishing. Jesus was a carpenter. He grew up in a home where His stepfather was a carpenter. He learnt the trade of a carpenter. But the hour came where He was called to go into service and when He went into His ministry He met Peter the fisherman. He had fished all night.

Now to be a fisherman you have to be able to tell the tide. You had to be able to know the Moon, how it controls the tide. You have to be able to know the fish in the water and the season for the different types of fishes. You had to be able to know the fishes that you could catch with bait and what kind of bait to use. It's a very technical thing to fish. It's an art. It takes a lot of skill. And Peter was an experienced fisherman. He fished all night. He knew that water very well. He spent hours there. But he caught nothing.

So as he brought his boat to the land, the Lord told him, "Go back out and cast your net on the right side."

Now here was a carpenter instructing a fisherman in fishing.

And Peter said, "Lord, I fished all night. I didn't catch anything. There is nothing there. When I, an experienced fisherman who grew up on that water tell you there is no fish there, you better believe me that there is no fish. But nevertheless at Thy Word!"

He could look beyond a carpenter and recognize God in an office, recognize inspiration and not be blinded by the human part of the person, but to recognize that is God put in an office there that He ordained to work through and lead you. That is why we must not know one another after the flesh. And this is the Hour where we may be called to do things; you may have to go against your own experience and just believe in Divine authority. Peter didn't say, "It doesn't make any sense. I'm not going back out. I know there is no fish there." He didn't argue with Jesus. He didn't say, "Well if You think there is fish there, go out Yourself." See? No. He could recognize God in an office.

Many times we are hindered because we cannot discern the Body of the Lord and the Body of the Lord is His Bride. Does 1st Corinthians 11 say that – for this cause many are sick? Many times a person may say, "Well I got sick. You know, I find I am not going well these days. I want to take a week off and do some fasting. Now the reason they may not be going well, the reason they will be sick is because their attitude was wrong towards the Body of the Lord. Amen.

He says, "For this cause many are weak." For years many might be in the congregation and can't seem to catch a revelation, can't seem to have the victory, can't seem to be overcoming, can't seem to rise up to the place where they could just stand and not be shaken or get lukewarm or be up and down. They're weak. They may not realize that they are coming in the house of God

night after night, but they are not really believing. They are not really giving respects. They are not really recognizing that is the Body of the Lord. They may be speaking about Bro. So and maybe speaking about a sister and thinking that is just Zimbabweans, not knowing that is the purchased of His Blood. That's the living tabernacle of the Living God. And because of that they can't have the victory. They're weak.

"And for this cause," He says, "some are asleep." And he says, "That asleep is spiritual death." They are just with an outward form. They don't have the joy of the Lord so they are fighting up to live a Christian life. As long as there are people around them, who could watch them and see them, they create an impression trying to project an image. But as long as there is nobody around them they live anyhow. See what is happening. That is not it.

This is a Hour we must live with the consciousness of a Divine revelation of what these Seven Seals had opened up to us, because the Seals were opened to uncover to us the mystery of God and to expose the working of the enemy so the Church could overcome in this Hour and be prepared, entering into a Rapturing faith, where that Church could stand and even deliver their loved ones from the influence of the enemy that when the power of this church rise it will pull its brethren like a big magnet.

If you take a big magnet that has a range, (maybe there is about twenty miles,) everything that is magnetized within that twenty miles, whether it is covered down, whether it is in some old bush, whether it is tangled up, you will see something start to happen because it is magnetized. You'll see it coming all through the bushes. It may come inside the church with a lot of vines and old bushes tied up around it. Don't look at them funny. Somebody may come in the church with all kinds of old worldliness, but it is the magnet pulling them. When they come here, they will

be loosed. They will be cleansed. Amen. But let the power rise. And the loved ones you have home: you may have a drunken husband, you may have a wayward wife, you may have children out in the world, in sin, on drugs, but when the power rises in this church and this church goes to praying...

Look in the Bible, Peter was a soul in prison, not like the eternal lost in prison. They had him in prison. They had him in chains. He was bound. He couldn't fulfill his purpose that he was raised up to fulfill. He was locked away and the enemy had him under tight security determined that nobody was going to get him out. And the church went to praying. And while the church was gathered together, they were not praying amiss. They were in one mind. They had one objective. They had one request. All their prayers were concentrated in one channel. It was zeroed in like a guiding missile. And Peter was behind walls. He was locked away and they were praying and praying and praying and they pulled the Pillar of Fire down from Heaven, and the Pillar of Fire went into the prison, bypassed the prison doors, bypassed the guards, and went right into the cell. The chains fall off. The prison doors opened and they brought Peter out and he was brought right exactly to where they were praying for him. Their prayer was so powerful, they pulled him right to the very place they were praying. Amen.

And the devil may have some of your children, some of your family in prison, but if you go to praying, you could pull that same Pillar of Fire, because this is a continuation of the Alpha Bride. This Bride has been restored to the first bride. The Prophet preached what Paul preached. There is to be another Book of Acts. Hallelujah! And you must have that faith in this Hour to step out and believe God. Don't look at conditions. Don't look at circumstances. Look at His unfailing Word of promise. This is the Hour for it to happen.

Remember in the Bible when Joshua and they were fighting the battle, the Sun was going down. He had the enemy on the run. But he needed light. Oh my! He knew that if he had more light he would be able to finish the battle. If he couldn't finish it there and then, the enemy would get a chance to escape and regroup themselves and come back against him. So recognizing he was under commission in the line of duty, the Power of God was upon him, and it was the will of God, he commanded the Sun to stand still.

And sometimes in the local assembly as we are coming along striving for the promise, we hit a season where the Holy Spirit is pouring out His Word and that is the time we have to grasp the initiative. We have to capitalize. And the people in the congregation, the army that is here, the soldiers (you are those soldiers with the whole armor of God on,) fighting this battle, a spiritual battle to possess your promise. When you recognize that God is on the scene, that is the time you have to put everything into it. That is the time you have to capitalize. So when you see the Holy Spirit moving in there don't let It bypass.

Like in the Bible the Angel used to come down and trouble the water. It didn't make any sense to run into the water when it was not troubled. But it didn't make any sense either to sit down when the water was troubled. You have to recognize the season and move with God in season! And the preaching of the Word is opening to you a revelation to let you see the season, to let you understand the Hour that we are in, to let you recognize from the Scriptures what is happening so you will know how to pray, how to act; what to do. It will be under inspiration of the Bible.

And that is why we must recognize these things. We must strive to stay in the rhythm of the Word otherwise we will just be having a formal experience. So press with all that is inside of you, brothers. Press with all that inside of you. The Hour is here the things that are

being uncovered now out of the Message are showing us it's about finished. We have heard by the hearing of our ear, but now in our eye we see. Amen. And those Seven Seals being opened uncovered the plan of the enemy.

And last night we were dealing with the subject of demon spirits that invaded and devoured the people who have rejected the Blood of Jesus Christ, the revealed Word Message of the Hour. They who have rejected the Blood, Hebrews 10, It says, "He that sinneth willfully; he that disbelieveth willfully. Disbelieve what? The Message of the Hour! Amen. You don't believe with your body. You don't believe with your spirit. You believe with your soul. And the soul that sinneth or disbelieveth the revealed Word shall surely die.

Because if the Word says pray and you don't believe in praying; if the Word says be baptized in the Name of the Lord Jesus Christ and then you disbelieve that, then your soul is disbelieving part of the Word that your soul is claiming to be. And how could your soul disbelieve the Word that it is supposed to be part of. The soul that sinneth will die. You will be alive in your body, but dead in your soul. And demon powers take over that person because they are no longer protected by the Blood of Jesus Christ. They cannot be saved. They are doomed – eternally separated from the Presence of God.

Bro. Branham said Oral Roberts brought a message to this generation of signs, little sensations; Billy Graham brought a message of repentance, but this Message is the Presence of Jesus Christ, and death is eternal separation from the Presence of God. And we find out in Revelation chapter 6, hell was following death showing that hell was being veiled on the Earth. That cherub, that living creature spoke to John and said, "Come and see," because the Lamb was pulling back the Seal and there was a mystery under that Seal, and John had to see that mystery. It was necessary that he should know it so the cherub, the living

creature, the fourth beast called him. He said, "Come here!"

And we find out that fourth beast was an Eagle, and that Eagle was this Age. So there was a mystery to be unfolded in this Age and when it is happening in reality form the Bride will have to recognize it. It is necessary that She sees it. When John came, He saw hell personified. He saw death personified. Religion, politics and demon powers were now being identified. Amen. His name was called Death. The other beast had never given his name. But the fourth beast gave his name. His name was Death and he was taking them down to be destroyed in the lake of fire. He was taking them down for their bodies to be destroyed in Armageddon and their souls to be destroyed in the lake of fire. And they were following him.

Now a Prophet came and showed us that here is a prophecy – Revelation 6 verse 8, a prophecy that hell will be created on the Earth in the last days. Revelation chapter 3 verse 15-17, a prophecy that this world will go insane because they were blind, wretched, naked, miserable and knoweth it not. How can a man be naked and don't know it? It is a mental condition. Amen. So here is a prophecy of insanity of the world. Here's a prophecy, Revelation 6, of hell being created on the Earth.

Then what was it that those prophets in the Old Testament saw when they said, "Gross darkness shall come upon the people," when God showed it in a type back in Egypt before the children of Israel went out in the Exodus? What brought the darkness in Egypt? It was locusts! Locusts covered the Sun, covered the Earth, and the whole Earth was dark. Then the people, darkness came upon them too. Over in the Book of Revelation two hundred million locusts, supernatural devils came out of the bottomless pit and darkens the Sun, blocks out the Light of the Message of the Hour revealing the Son of Man and throws the Earth in

darkness. Then darkness on the people, demon powers take them over.

And after darkness what was the next plague? Death. But the children of Israel, they had light when the world was in darkness. They had light in their dwelling. Then from the light, what was the next thing? They had the life of the lamb on display. So what did the Light come to you for? To produce the Life of the Lamb, that you could have the Life of the Lamb on display while death, spiritual death is striking the world; being eternally separated from the Presence of God and devils becoming incarnate in the people – souls that are in prison now. They would imagine that they are seeing ants like mountains. They would imagine all kinds of hideous things: a locust with teeth like lions, hair like women, hair like scorpions coming to torment the people.

But it could only happen to them when they reject the Message of the Hour, the Blood of Jesus Christ. And that Message came by a Prophet and the generation rejected It and he said, “I indict them for crucifying Jesus.” And since they crucified that Message, the Life left them. Christ was on the outside of the church and devils took over the people. Demon powers that were on Hitler, Eichmann, and Stalin are now upon these church people that they are going to come to bring a persecution against the real Bride not many days from now. Amen.

So here we see in the Bible how they gathered the nations, unclean spirits coming out of the mouth of these false prophets deceiving the kings, deceiving the people. And what is going to happen? They will take them to Armageddon. We read that in the Bible in Revelation 16. And just at the time when that trinity doctrine is coming forth, (because all denominations united,) they will take the mark of the Beast, because they already reject the jubilee Message that says, “Come out of her My people.” And because they reject that

Message they are being sealed out. But a people are being sealed in. And that is why you in this Hour have to recognize if you are being sealed in.

Notice something: the fowls of the air are commanded. And we found in the Bible last night, many different places we took, who were in the house that is called by His Name when they brought the people back into bondage, Nicolaitanism, conquering the laity. Demon powers took them over. You see Ministers backsliding, getting trapped by money, women and popularity. What is it? Demon powers! Churches are going off into funny [strange -Ed.] revelations. What has happened? Spiritual blackout. They are preaching all kinds of funny things and they don't understand. They are going around in circles until they drop off and die; no revival; no expectation. They don't understand the time they're living in. They don't know their promise. They don't know positionally what they are. What is happening? Demon powers.

Delilah has shaved off their prayer life. They are not praying. If you look back in the Bible when Elohim came to Abraham, he began to pray, pray for his family that was in Sodom. He was praying for them. If you look in the Bible, Isaiah, before he got his commission, when he saw Uzziah, the Pentecostals smitten with leprosy, he began to pray and he saw a heavenly vision and he was cleansed by fire after he made his confession. And he got a commission to go forth in that hour.

Look at Samson after the eyes were gone and the eyes were the Prophet. He got a revelation that the power was going to come back and he began to pray. But today you don't see people praying. Because it shows they don't know where they are at. Because before Samson got the power to do the greater works, he was praying; he was confessing. Before Abraham saw Lot delivered, his family who was in Sodom, when He got a revelation that Elohim had come and discerned Sarah's

heart, opened the mysteries and showed him that judgment was coming, Abraham began to pray.

Those are our types. So we must look in the Bible and see if we recognize Elohim, if we see the sign of discernment, if we see the Sodomites, then how is it we are not praying? If we see the eyes have gone, which is the Prophet, and we know the greater works are fixing to take place, and we see a possibility of the power coming back, how is it we are not praying? Amen. So when we look in the Bible we watch the types, we see what is going to happen. Before Ruth could be fully redeemed, she had to go and mark the spot where Boaz lay and laid down there. You had to have a real vision of Calvary, and die out to yourself completely before you can get those six measures and then full redemption. Amen. So it is there in the Bible.

As we look at the shadows, look at Esther. Before she got the authority, the scepter, she consecrated herself. She was anointed. She was dressed right. And she fasted, and she prayed and then she went in the presence of the king before Haman built the gallows, the Squeeze to kill Esther's people. Before the Squeeze came, she went into the presence of the king and she got the scepter, the authority from the king. Then that is our type.

We have to see these things and see if our lives are being anointed by the Scriptures for the Hour. If it is not anointed by the Scriptures for this Hour, we will be trying to use human ability, and after a while you will get tired and fall off. But when you are anointed by the Scriptures you will take a hold of that promise and you will never let it go until it comes to pass in your life! "If I perish, I perish, but I am going into the Presence of the King." Amen.

So we see the same way the beasts of the field and the fowls of the air fed upon Ahab and Jezebel who the natural Elijah came to. The natural Elijah came to natural Ahab, came to natural Jezebel and natural dogs

and natural fowls fed upon them in the natural battle. But here we have had a spiritual Elijah in a spiritual Evening Time when there is a spiritual Jezebel, when there is a spiritual Ahab and the spiritual fowls, demon spirits feeding upon the people. That is how hell is being created. Hell was being emptied out. Let me read that for you.

Souls That Are In Prison Now [1963-1110m, para. 32-54 – Ed.], Bro. Branham was speaking about a woman who liveth in pleasure while she liveth is dead. On page 32 he said: *And if she rejects mercy, she can cross the separating line where there's no place for her no more. ...she's across the line with no way to come back, and there's got to be a ministry preached to her. But remember, at that time, it's all over. It's done--just a haunting...*

There'll be a ministry that'll show great wonders (Joel said so), but there'll be no time for redemption. ...The Lamb's done took His Book, and redeemed is over. As Jesus first preached and was rejected and then went and haunted those that were in there, preached to them that were in prison and could not repent, no time for salvation.

Didn't the Bible say that – Esau came seeking a place of repentance, but he didn't find one? Many are going to come in that Hour when they see that power begins to manifest in the Bride they are going to run and then want to make their wrongs right; they are going to want to get forgiveness. But when Esau came his tears were no good. He was looking for repentance, but there was no place to repent. Where is the mercy seat? In the Bride. And many are going to come seeking repentance and the feet, that were beautiful feet, that came preaching the Gospel of peace, will turn to brass in that Hour. She will not be preaching mercy. She'll be preaching judgment like Jesus did, like Peter did to Ananias and Sapphira in the house of God. Didn't the Prophet say that Day will come back; the Holy Ghost

will call out every sin? The same ministry will have to repeat again. Amen.

Page 37, he was speaking about St. John chapter 6 verse 49, how Jesus were telling those Jews, "Your fathers did eat manna in the wilderness and they were everyone dead. It means eternal separation. They were gone eternally.

And Bro. Branham says: *Hebrews the 6th chapter: Ones that was once made known the truth and refused to walk in it, there's no more repentance... Amen. [But] When the truth is presented to a person for the last time and they refuse to receive it (according to the Book of Hebrews. ... there's not even nothing in the world that can ever save them.* Page 38, he said: *They're finished. No repentance, no redemption, there's nothing left for them. They're eternally separated. The Bible said so.*

He saw it! He saw those people in Hell walking on the Earth – devils incarnate in the people. And their life on the Earth, the fashions, the dressing, the language that come out of their mouth, the craving of their heart is all demonic and sensual, because when those devils possess them, the nature of those devils are reflected through their lives.

He said: *Remember the angels which kept not their first estate, but left there in that prison house [2nd Peter chapter 2] in darkness where the world is walking today in that same prison, there's no repentance.*

What was the Prophet saying? Was he serious? Did he really mean that? Was he using that lightly? Or these mysteries that were under the Seals that were revealed in this Day to understand why God could judge the earth, why the righteous could walk out on the ashes of the wicked, why Elijah comes before the great and dreadful Day of the Lord, before God burns the earth with fire. Why? Because they become total lost – thorns and thistles which are unto rejection and it will be burnt. The tares that the heavenly Father never sowed, that the heavenly Father never planted, are

being gathered together – uniting time. How were they being united? Unclean spirits out of the false prophet's mouth are gathering them together. How is the Bride being gathered together? Seven Thunders out of the mouth of the true Prophet gathering the Bride together.

On the message *The Anointed Ones At The End Time* [1965-0725m -Ed.] it will be their teaching. You have to watch the teaching. Where does the teaching come from? A mouth. That is why if you get under the wrong influence, you pick up evil spirits quickly. If you listen to the wrong kind of music that comes out of a mouth; listen to the wrong kind of preaching that comes out of a mouth; political voices, religious voices, voices of pleasure, that is to confuse the people. But there is to be a Voice of the Archangel. There's a Voice of God in the last days. Amen. Do you realize now?

So here is the Prophet bringing a revelation to us how hell was prophesied to be on the Earth. The lid was supposed to be opened up. Like when Joshua had all those kings locked up in a cave and they rolled a stone towards the mouth of the cave and they could not come out, so God had all those devils in a dimension, the bottomless pit, the Euphrates River, Papal Rome. But then they had to be loosed. And they weren't loosed in Luther's Age. They weren't loosed in Wesley's Age. It was during the time of the Feast of the Trumpets they were loosed upon Hitler and Eichmann and them and they slaughtered millions of Jews.

And we see that happening because now they are loosed in the ecclesiastical realm. And many are being slaughtered spiritually. How many have died through false teaching? How many have been separated from the Presence of God by some political spirit, by some religious spirit, by some worldly spirit? Religion, politics and demon powers mixed together, separate people from the Presence of God. They might be in a religion. They might be in denomination.

But on the message *The God Of This Evil Age* [1965-0801m -Ed.] and *Satan's Eden* [1965-0829 -Ed.] what did the Prophet say? Satan is the most worshipped person today by many people who call themselves Christians, because God is the Word and if they don't worship the Word, if they worship a creed or any other knowledge that exalts itself above the Word of God, (their education or some other thing that they used to reason against the Word of God,) they are worshipping the devil. They are exalting a knowledge that comes by Satan above the Word that was vindicated in a Prophet in this generation.

So he says: *Remember the angels which kept not their first estate, but left there in that prison house in darkness where the world is walking today in that same prison...*

Where the angels were cast down! They believed Lucifer's lie. He pulled a third part with his tale. Now Lucifer in the false prophet, false prophet – singular, and then St. Matthew 24:24, you have false prophets – plural. And these false prophets – plural, the head is the Pope because the World Council of Churches is going to give their support to the Catholic and the Pope will be the head over everything. Amen.

So we see that through false anointed ones today Lucifer is deceiving many with his false interpretation. With his tale he is pulling many down from their estate and they are becoming fallen stars; a falling away from *the* faith, the position where we are restored to in this Hour. So you see brothers and sisters the Hour that we are living in there is a falling away. Don't think you are going to walk around easily like that. It's demon powers coming to pull you down from that heavenly place where the Message of the Hour has come to place us. And the world today is walking in that place the Prophet says where there is no repentance. Amen.

Page 53, he says: *Could that [be the] vision... Is it the hour? Is this the time? ...hell being created right here on earth.*

Page 54, he said: *...I plead with all my heart, as we see, not only somebody talking, but the Scripture Itself, bringing us to this hour.*

That vision when I was a little boy, seeing those people in that condition, and now I think that hell itself ... is here.

When you think it's a new dance come out, that is a demon. When you think is a new fashion come out, that is a demon. When you think it's some new song come out, some new popular tune on the radio, it's a demonic influence. But many times we don't look at it that way. But that is exactly what is happening, because if hell is being created on the Earth, it's in people, because God is being formed again also until they were one in this generation. In 1963 when the Prophet was in the store and he was seated there, he had already had the manifestation of the Spoken Word. He was formed back in the Word image. He had seen the King's Sword. His hand fit it exactly. He was an amateur God on the Earth. And a few steps below in the escalator there were some people who he saw in hell. Here is one restored in the image of the Word a few feet looking at some who were in hell! So you see one was in hell, one was back in the image of the Word, one was an amateur God where Adam was and one was in hell right there! One had a revelation of redemption. They were going back where they came from and one was ready for judgment.

That was twenty-two years ago. We are living twenty-two years after. I wonder if there are things happening that we are walking about not aware of. Well we think, "Oh it's nice to be in the Message," and we laugh at the denominations a little bit. But are we recognizing whether you are being transformed back into the image of the Word that you could say I and my Father are one? When you see the Bride, you see the Groom. Amen. We have to come there. That is the promise. That is our goal. That is what we striving for.

Because these things what we are reading, is what He revealed; not just out of the Bible but he saw it on the Earth too. It was in the Book of Revelation but denominations don't know about it. That is why he said come and get eye-salve, because he was to reveal the mysteries, and he showed us how Satan built his Eden on the Earth for six thousand years. When Lucifer was up in heaven and he had that plan in his heart and Isaiah the prophet by a vision God revealed to him and he spoke it, "How art thou fallen, O Lucifer, son of the morning!" And he was brought down to the Earth. He said, "Because you said in your heart, 'I will ascend on my throne. I will be like God. I'll be worshiped as God.'" Five things he had. Five 'I wills'. Then eight hundred years after when Paul came on the scene after Isaiah, Paul says, "I see the man of sin sitting in the temple as though he is God being worshiped as God." And John coming after, he says, "All those whose names are not written in the Lamb's Book of Life will worship the Beast."

So look what happened. Isaiah saw him thinking about it. Paul saw him when he comes to it. And John saw him being worshiped. And the Prophet in this Age identified the people. He showed us what the Beast was, what the image of the Beast was, how the Elect will know that their names are in the Lamb's Book of Life and they will worship the Lamb. They will come in the only provide place of worship. They will have Oil and Wine. They will not follow Death. They will follow Life! He saw it.

And he preached those things making it plain to us that it was demon power. People thought it was the Holy Ghost, but it was devils impersonating Christianity. He said, "Millions who think they are Christians, who think they are spirit-filled, will be counted fodder for the atomic Age." See?

Satan's Eden—he preached three messages: *The God Of This Evil Age* showing us that Lucifer is the god, how

he had the plan to become God, and here he is god today. The world is worshipping him and they don't even realize it, because he had blinded their minds.

Then he preached *Satan's Eden*, the Eden of that god. He is not talking so much about the god, but he is talking about the Eden of the god – how he built it through education, civilization, science; and here he built up this great Age and glorified himself. But his inventions of peace have killed more than his inventions of war. The motorcar kills hundreds every day. Amen. The televisions bring the people into an insane condition. All their inventions make man soft and hybrid, where in this Age, a spirit of free love and sex begins to move on the earth and the population explosion started.

They realized that the earth was becoming populated too quickly and that nature wasn't growing the food fast enough to feed the people who was multiplying too quickly, so in order to cut down the population, they use birth control. And birth control made it worst; that even the teenagers, young school girls, school boys went into a spirit of free love; all kinds of pornography.

Then when they realize that, that couldn't cut down the population explosion then they bring hybridization to speed up the process of nature to grow the food quickly enough to feed the people so they wouldn't get famine. And hybridization backfired on the people and made them a weaker race of people because the chicken that will take six months to grow will grow in three months; and the corn, they are growing in three weeks. They speed up the process of nature.

And hybrid foods, when they begin to rearrange the molecules, it deformed the people. Women began to get narrow in their hips and broad in their shoulders, and men began to get narrow in their shoulders and broad in their hips. And it began to rot their body until their brain cells began to rot and we got a neurotic Age. Because in seventy-five years they came from the horse

and buggy to the astronaut Age. The change was so fast it made the people a bunch of neurotics because they always had to be changing to bring hell on the earth, Satan's Eden that they built up.

They pulled up all the iron ore out of the Earth, all the minerals to build their skyscrapers, build their concrete jungles, build their big airplanes, build a lot of arms for war, and they weakened the Earth that when an earthquake comes, a whole city would fall in. They destroyed the Earth the Bible says and God is going to destroy them. So when we look and see what is happening, how he built his Eden.

Then the next message the Prophet preached, *Souls That Are In Prison Now*. So you put the three together: *The God Of This Evil Age* – Lucifer; *Satan's Eden* – his kingdom, and *Souls That Are In Prison Now* – his subjects. It's hell on the earth. See?

And a Prophet was catching a revelation out of the Scriptures and proving what Satan was doing, that what he had in his mind up in Heaven how he worked until this very hour, and he has achieved it. And it was the opening of the Seven Seals that came to reveal to us that all those people in denomination was worshiping the devil that we could be called out otherwise we all would have been lost out there. We all would have been in darkness. But the Message came and opened the Seven Seals to show us those horse riders was Lucifer, (amen,) how he worked in the realm of the church, how he worked in the realm of politics, and how he is uniting everything today, and the world thinks it's a great thing.

He said: *...I think that hell itself ... is here. Mercy has been blotted from the earth, and now hell itself is here. And the people, Lord, are in this hideous condition.*

We just came through London. There were people there with green hair, shaven at the side, and stand up straight like a porcupine and some funny marks and paints on their face. There were a bunch of witches in the street with long witch's hat; and one head was

shaven and the whole head painted silver. The brother took a picture of them. He wanted to take it and show the church home that twenty-two years ago the Prophet saw a few people with a little paint around their eyes. Look what it has matured into.

And here we, the believers, are looking around when we will be anointing the promise, when we ought to be pressing in, when we ought to be in love with one another. We can hardly wait for the doors to open, when we are praying and emptying out, knowing that there is a promise of the dynamics, a refilling of the Holy Ghost! There's a ministry of the Bride that is to preach to the lost! How we ought to be getting ready!

Look at Samson. When he saw God was going to judge those Philistines, he went to praying. He was willing to pay the price. He knew he had to die to himself, but he was desperate. He had a thirst to see the Living God. He wasn't satisfied just going along with a past history that he was a great man; that God used him years ago. He wanted to see the Living God. So here it was hell was being created on the Earth. How? Demon powers were falling upon the people where the world is walking in that same prison today.

On *Christ The Mystery Of God Revealed* [1963-0728, para. 78-79 -Ed.] page 79 he said; now listen close: *The Bible said it was fallen angels who listened to Lucifer instead of Christ...*

Who are you listening to today? Christ is the anointed Word for the Hour. It was He Who spoke those Seven Thunders through that Prophet and we have to be listening to it. It was to turn our hearts back to the faith of the fathers. So if you tonight, your heart is not being turned back, then you should question yourself and ask yourself the question, "Am I really listening? Am I really mixing the Word with faith? Am I really concerned about whether the Word is having an effect in my life or am I just contented to be in church to say I believe the Message? But am I more concerned to see

the Word become manifested in my life until I see God, who was in the Prophet, inside of me?"

He said: *Now, listen close. Fallen angels, what kind of angels? Luther, Wesley, Catholic, Pentecostal who kept not their first estate like the angels did and has fell into organizations like Lucifer's main hold at Nicaea...*

So what is he talking about? He's showing us right here on the earth they are becoming fallen angels. It's happening in the spiritual form now. All these things are happening in the spiritual form. How we need revelation to understand what is happening.

Perfect Strength By Perfect Weakness [1961-1119, para. 347-350 -Ed.] page 51 he said: *...brother, the lid's come off of hell (That's right.) and streams of demon power is pouring from everywhere. It's conquered the nations. It's conquered politics till it's rotten to the core. It's conquered the churches until they know nothing but denomination.*

What was that? Demon power. The lid was opened. The bottomless pit was opened.

He said: *Oh, my, talk about the lid off of the kettle: demons going around, powers of the devil under the name of Christianity, teaching for doctrine the commandments of men, theological seminary doctrines, leaving the Bible alone.*

What it was? Devils from the bottomless pit had power to work miracles to deceive the kings of the Earth. And Bro. Branham is speaking on *Souls That Are In Prison Now* [para. 40 -Ed.] as we close, he says: *Isn't it awful? As a great American one time, when the enemy was about to take this country, there's a man in the midnight hour jumped up on a horse and rode down the road, screaming, "The enemy's coming."* ["The enemy's coming."] *It was Paul Revere. I'm an American too, [he says] and I'm riding this midnight hour, not saying, "The enemy's coming!" but, "He's here." He ain't coming; he's already here; he's done conquered. I'm afraid it's over...*

He was warning them. He said when the enemy was coming in the natural to take over the natural country

Paul Revere rode out, rang the liberty bell, and warned his people that the enemy was coming. He said, "But I'm riding not saying the enemy is coming. I'm saying he's here already. He already conquered. It's blackout." The darkest time was just before dawn. Gross darkness, demon powers. The Laodicea Age in the sky God blacked it out to show the Prophet it's gone into apostasy. Hell was on the Earth!

And Bro. Branham, the last message he preached, was *Communion*. [1965-1212 -Ed.] He gave us a promise, "I will not drink the fruit of the vine with you anymore until I drink it in My Father's Kingdom. And here we see before he had preached that message, he preached one call *Leadership* [1965-1207, para. 329-339 -Ed.] and his subject was *Follow Me*. And the leadership of God is to follow the vindicated Word for the Hour. And when he was praying as he ended up the message, on page 48 he said: *Get us to a place, Lord, that we'll get away from ... the emotional part, to the real solid part ... the heartfelt part, the deepness of the Spirit, the riches of God, the Kingdom of the Spirit in our hearts. Grant it, O great Leader, great Holy Spirit, before You take Your flight into the skies with Your church.*

And a Prophet with a revelation of what was in those Seven Vials where he saw hell was going to be veiled on the Earth; in the Seven Thunders he saw God veiled on the Earth. In the Seven Trumpets he saw the bottomless pit being opened and demon powers coming out. In the Seals he saw redemption – what was lost in Eden coming back. Adam, Eve and Eden under the Seals, that is what was lost. Christ, His Bride and the Millennium restored in the Shout, in the Voice and in the Trump. And then also under the Vials he saw Lucifer – the god of this evil Age, Satan's Eden – his kingdom, and souls that are in prison – his servants. It's exactly, the impersonation of Adam, Eve and Eden. And God has to destroy it.

And when he saw these things, he said: *O God, let me go, Lord. Don't leave me behind, Jesus. Let me go with You, Father. I don't want to stay here on this earth to watch these tribulations coming on. I don't want to stay here in this insanity.*

That was my message tonight, **“THE INSANITY OF THIS MIND AGE.”** When we are in the Age of the mind, hell is here. They are blind, wretched, naked, miserable and don't know it – the mental condition of the people. But the Bride has the threefold Secret that was in the back-part of God's Mind put into Her heart. She has the Mind of Christ and She knows what He wants done with the Word. She has a thinking man's filter. Her thinking is filtered. She has a holy man's taste to see the Word for the Age confirmed. She knows Satan Eden. This world is falling apart. She sees Jehovah-Shalom, the Millennium coming in, another Kingdom. The kingdom of this world is going to become the Kingdom of our Lord and His Christ. That is why we cannot be conformed to this world that is falling apart; but we are transformed by the renewing of our minds.

Where do you stand? A revelation, the Seals opened up and put that revelation in your heart to bring you into the mind Age, in the Age of the mind and gave you the Mind of the Age. The Mind of Christ, the Intelligence is here. An invisible union, the Head and the Body are being united together. But the world goes into insanity.

He said: *I don't want to stay here in this insanity. I don't want to stand here when hideous sights, the people losing their mind. We look at men trying to act like beasts...*

I saw it with my own eyes in London. I see it every day in the streets too.

...and look like beasts; and the women trying to look like animals, with the paints on their face. Knowing that these things are predicted to happen, that the thing will... go so insane till locusts will rise up with hair like women to haunt the women; and teeth like lions, and things that

You've said; [he said,] the mental condition of the people will be completely gone. We see it in the making right now, Lord. Help us! Restore us to the sane mind of Christ Jesus our Lord.

He said: We love You. And we want our dispositions--our change to come into us, that we can be Your children, feel of Your Spirit moving in our hearts, Lord, tendering us and bringing us to the realization of this insane age that we're living in.

The Prophet was praying that the Holy Ghost would bring us to the realization of the insane Age that we are living in; hell being created here! That is why I've been preaching these last two nights to try to help and bring you to the realization from the Scriptures that we are living in an insane Age when it's total lost, atomic fodder on the outside being influenced by those who are influenced by God, (hallelujah!) because the world is under the influence of demon power.

But Christ is here! The Lord has descended brooding upon us, saying, "Come up hither! Come up hither!" Lift us up; spiritual astronauts; Eagles! That Eagle released an Eagle anointing on John to see the mystery of hell following death, of them being gathered together! And all nations are going to gather against Israel to destroy Israel, but Christ is going to come down and fight for them. And today in the spiritual form of Armageddon all *denomi*-nations are gathering against the Bride to bring a Squeeze. But Revelation 10, Christ has come down to fight for us. Hallelujah! And in the battle of Armageddon the fowls of the air will eat them when they come against natural Israel. And when they come against spiritual Israel here demon powers will overtake them and destroy the church; because to reject this Word is death. Amen.

He said: O God, take us back to Eden again, Lord, where there's no death, where there's no sorrow. Grant it, Lord. We stand humbly, waiting for the Second Adam

to come for His Bride. Make us part of Him, Father. We pray in Jesus' Name.

And then he asks: *Do you realize what I am trying to tell you? He said: Can you see the insanity of this age? Look how it's gone.*

As we were saying to the brothers today you watch the little children. Long ago a little girl had a little dollie. It's her nature to be a mother so she likes a little doll. A little boy would have a little dog or a little horse for a toy. Today they replace those things. They have some dinosaur. They have some lizard or some snake for a little toy. Amen. Then they will bring all kinds of prehistoric things to program the children's minds (see?) and bring them into a mental condition.

The very rock music they play notes that you don't even hear with your natural ears; produce rebellion and hate in the people. Make them commit all kinds of crimes, go into drugs. You see? Things they said on the records, when they play it backwards you hear they are saying we love drugs. We love—all kinds of filthy words. They don't hear it with their ears, but they pick it up in their subconscious mind.

Bro. Branham said: *It's gone.*

These hideous sights that's coming upon the earth. You can see how the people's moving right into it. It's an insanity. But when that thing strikes, the church will be gone.

So brothers and sisters this is the Hour we must know where we are standing. I may not see you again, but when the Trumpet sounds, if you are true to every word the Prophet spoke, we'll meet you in the Morning. And just as we stand to our feet the Prophet was saying here talking about this message being the marriage ceremony of the King and the Queen.

He said: *...the time and the hour that we're living, if a person don't know which a-way to go...*

This is *One In A Million* [1965-0424, para. 11-12 -Ed.]

...what to do or how to turn... you're not walking by faith anymore...

Did you hear that? He said: *The time and the hour that we're living, if a person don't know which a-way to go, what to do or how to turn... you're not walking by faith anymore; you're just guessing; you're presuming. And "presume" is to [venture] without official authority.* So if we haven't got the real official authority to know what God said would take place in this hour, how are we ever going to face this hour? And we've got to face it, [and hell is being created on the earth] *knowing by faith in His Word, the things that's supposed to be happening now.*

And the condition of the nations the condition of the people, condition of the church, and so forth, we've got to know that, and then how to walk out to face it. If you don't know how to do that, you're ... just what we used to call, kinda haphazardly; just jumping, hoping it'll be here, hoping this and hoping that, and will it be? But God don't want us to do that. He wants us to know what He has said about this day, and then meet it by faith, because He said it would be that way. Then ... we know you're Truth then, because you haven't got some person's word for it; you got His Word of what we must do. And we're hoping that our heavenly Father ... will grant this to us...

So here we stand tonight! He said coming to the realization of the insane Age that we are living in, when hell itself is here; when the tribulations are coming on. But before that thing really strikes we have to get Rapturing faith to leave here. May we recognize! May we with all sincerity tonight as we see the Scriptures showing that those people who were blind and wretched and miserable and naked and poor they didn't know it, (an unconscious state of mind, a spirit of blindness, spiritual amnesia) and because of that they were lukewarm and formal and powerless.

But this is the Hour he says, you will know as I was in the Father and the Father in Me so I in you and you in Me. When that which is perfect is come, you will know as you were known. You will see face-to-face. You wouldn't see through a glass darkly. You will look into the Mirror and behold the glory of the Lord as in a mirror, and you will be changed into the same image. You will see in your own life you are actually becoming the Word. You will be transformed in the image of God to come back to amateur Gods like the Prophet was. And when he looked down a few steps of the escalator, he saw people in hell. If God is transforming the Bride, then there is people outside there that hell is veiled.

May we be influenced tonight with the same Influence that influenced the Prophet! May we be a prisoner to that Word because this is the Hour if you don't have the Holy Ghost, then you have nothing to stay the wrath of God. He is not looking to see whether you were circumcised, whether you had some little manifestation of the Holy Ghost in your life. He is looking for His literal Life. And it had to be in a place where it could be seen, where it could be displayed. He didn't say put it under the step or put it on the wall in the living room. He said, "Put it on the lintel by the door that all those who pass..." When He sees the Life of the Lamb, He will pass over you. Let's bow our heads and close our eyes.

Heavenly Father... [Blank spot on tape -Ed.] ...when he saw how horrible and hideous the people were becoming, when he saw how rapid demon powers was taking over everything, when he saw how that enemy, Lord, was riding in the midnight conquering everything, Lord, Father He was crying out in a message trying to warn us, trying to wake us up. The Seven Thunders were to wake up the Bride; oh God, to bring us to the realization of the insane Age that we are living in, Lord; to show us how to enter into rupturing grace that we could escape, Father, oh God, the judgments that are about to be poured out on the Earth.

Almighty God, I pray tonight, Father, Lord, for myself and for this congregation. Oh God, Jesus, don't leave us behind; Lord, but may Your Holy Spirit tonight pour out Lord in this place, Father; pour out into the hearts of Your people, Lord, baptism after baptism of Divine revelation that their soul could be flooded, that their eyes could be illuminated. They could see and understand the Hour and the time that we are living in, Lord; what is happening.

Almighty God, as Your servant I stand here tonight Father, Lord God, claiming these that belong to You; these that are crying and sighing for the abominations in the city; these oh God, that know Your promise is true. Behold I will come as a thief. Hallelujah! Oh God, steal us away, Lord, like Romeo stole Juliet. I pray tonight, Father, may by Your Quickening Power You quicken these Seeds to Your promise; You quicken their lives to the Age. Oh God, Lord, may Your revelation be revealed from faith to faith. Lord, may You change them from glory to glory. May we see, oh God, the people rising coming to a higher height as we hear the voice of the Holy Ghost saying, "Come up hither! Come up hither, tonight." Oh God, send down the Holy Ghost, Lord. Father, bear witness of Your Word tonight in the hearts of the people.

Oh God, heal the sick. Oh God, deliver the captives. Lord, give revelation. Let there be a Spirit of wisdom and revelation in the knowledge of Jesus Christ be poured out in this place tonight, Father. Oh God, Father we call upon You. We come tonight confessing, emptying out, Lord; laying aside every weight, looking unto You, the Author and the Finisher of our faith. Oh God, may You grant it tonight, Father. Help us to live a life worthy of the Gospel of Jesus Christ in this Hour.

Oh Spirit of the Living God fall fresh on me, Lord. Lord, I rededicate my life to You, Father. Even to the meetings coming up, Lord, give me strength, Lord. Help me in this hour that I may stand. Touch me with Your

Supernatural hand, with Your nail-scarred hand. Pour out Your healing virtue, Lord! Oh God, Lord strengthen us, Lord. Hallelujah. Hallelujah! Hallelujah! Hallelujah!

Oh God, Father I pray may You grant the Holy Ghost, the Seal of God to these Lord that are hungering and thirsting after righteousness, Lord. Oh God save us from this Hour, Lord. Save us from ourselves, from our sins, from all habits, from all these guiles, everything contrary to Your Word. Oh God, I pray in the Name of Jesus Christ tonight, Father, may Your Transforming Power change us, Lord; change us into a place until, oh God, all we see is Christ. Help us to lose our lives and to find it, Lord, in You, oh God that we could be shut away behind the veil in the Presence of the King. Oh God, grant it, Father.

Reveal the rest of it, Lord. Reveal the rest of it, Lord. Open it, Lord, for Your children, Father. Let them see it. Let them understand it, oh God, I pray in the Name of Jesus Christ by Your Quickening Power, Lord. Oh hallelujah. Hallelujah, Lord. Thank You, Jesus. [Blank spot on tape -Ed.]

Heavenly Father, Lord, we stand here in Your Presence knowing that You are here in our midst, and Lord You've spoken to the hearts of Your children. Lord, You have given them the opportunity, Lord, to receive their deliverance tonight. And Father, dear God, they have shown by the lifting of their hands, Lord, God they want a total deliverance. Father, in the Name of Jesus Christ we command Satan to turn them loose. His work is exposed. We claim everyone for the glory of God in the Name of Jesus Christ. May every demon power be broken: all lusts, all pride, all self; oh God, all money devils; whatever it might be Father, Lord, God in the Name of Jesus Christ we cast it down, in the Name of Jesus Christ for the glory of God.

Father, may You pour out revelation, the Oil and the Wine, down into the souls, dear God. May it bring

Divine healing, the real Divine healing of the soul that they might be built up into the stature of Jesus Christ, that they might walk in the Spirit; they might live in the Spirit, oh God, Lord, that You might make them written epistles read of all men. May You grant it tonight, Father! We thank You. You say if two shall agree as on touching anything it shall be done, for what we bind on Earth is bound in Heaven; what we loose on Earth is loosed in Heaven. Now Father, by revelation in the Name of Jesus Christ, may these who accept it be loosed for the glory of God in the Name of Jesus Christ, amen.

Thank You, Lord Jesus.
