Excerpt:

Because of the Angel of God, the Prophet couldn't be narrow-minded and have that Angel standing there. He couldn't be fearful and have that Angel standing there. That Angel gave him courage; gave him faith. The Presence of God makes us to yield when we recognize He is on the scene. Amen.

It brings peace when Jehovah-Shalom comes, when Jehovah-Shammah is present, when Jehovah-Rapha is here to heal and deliver, when Jehovah-Nissi is here to fight our battles. We know it is not by our might and our power. Amen. **(Page 4)**

FOREWORD

This is a sermon preached by Pastor Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

THAT WHICH HATH BEEN IS NOW AND THERE IS NOTHING NEW UNDER THE SUN PT.2

BRO. VIN A. DAYAL

Amen. Let's just bow our hearts for prayer.

Oh, thank You, Jesus. Blessed be Your wonderful Name. We are so thankful to be in Your Presence, Lord. [We are] thankful for Your nearness. Thank You for Your Divine promises that You have given unto us; Your unfailing Words of promise; knowing that heaven and earth will pass away but They will never pass away; to know Lord, that It is coming to pass. All the things that we are seeing, all the things that You are doing in our lives, in our midst, even as the Scripture says, "And all these things were done that it might be fulfilled, that which was spoken of the Lord by the prophet."

Lord, as we look at the chain of events, at the unfolding experiences in our very own lives, and the modern events, it's all making clear the vindicated prophecy, that which You spoke in this Day by a vindicated Prophet. Lord, as Your Prophet said about this great drama that is unfolding: when we can get in the Spirit of the Director and the Spirit of the Composer and we can see these things happening, the drama is made real. We know just about here, something is fixing to happen; just about here, the cymbals will crash and the drums will begin to play, and we know it's a junction time in the sheet music.

And so, these great Scriptures are the symphony of God. Lord, it was in Your Mind before the foundation of the world. These Eagle prophets, down through the Ages, soaring up in that spiritual realm, catching the

Thoughts of God, Lord, that were spoken by You, and bringing it down into the Church, oh God, today we can see how it is becoming such a reality, things spoken thousands of years ago, as men of old were moved by the Holy Spirit. You gave them Divine utterance, that Eternal Spirit that was upon them; that prophetic anointing to see down through the Ages of time.

And what a privilege it is for us today, to live in these last days and, Lord, see the Book being made manifest; all Scriptures are coming to pass. What a Day, Father! Oh God, anoint our eyes with eyesalve. Open the Scriptures. Open our understanding, oh God. May the Spirit operate in such a way today, that Lord, God, It could move us into the rhythm of the symphony of Your Word and the Spirit of the Composer could come down upon us, that we could walk and live in this world of perfect faith, where the perfect Word that was spoken by a perfect God is coming to pass in perfection, in our lives; that Lord, God, we can see how we are identified in the Bible and to recognize there is a Mystery behind our lives.

Just like the Chinese man tore that piece of paper in two, Your Prophet taught us, Lord, You designed our lives in such a way: one half is written in the Bible and one half is being lived out by us. And when our lives and the Scripture come together and dovetail together, oh God, we will recognize that we are not just Trinidadians or Chileans or Peruvians, we are not just some physical person on the earth, but we are the Eternal attributes of God, expressed in flesh for this season, to bring to light the things spoken for this Hour. That gives a perfect faith. May it be made real in every heart. Lord, that we might walk in the Spirit; we might live such an overcoming life in this Hour, just like You walked, Lord.

You are the Bridegroom. The Prophet said, "The Bridegroom is the Old Testament and we are the Bride, another part of the Word, the New Testament. And if

the Bridegroom hits sixteen cylinders, the Bride will do the same because She is Life of Your Life, and Spirit of Your Spirit, and Word of Your Word, acts of Your acts. It is You in Her fulfilling Your Word spoken for this Hour.

May as we come into Your House today, may You deal with us in such a personalized way, quickening the faith within us Lord, causing us to recognize the Day and the Message; recognize the time and the season, recognize that the Scripture is being fulfilled. Oh God, have Your blessed way today.

Bless all Your Ministers, Lord, the host Pastor, the local assembly here, all the visitors. Almighty God, what great sacrifice has been made, and how we see the people spending themselves. They're giving their time and their strength, their substance, labouring day and night, Lord, to make us comfortable, contributing to the success of the Meeting; everyone doing their part.

Lord, it inspires us to see the unity of the one God in the one Church. Your Prophet said it would be here and, Lord, we are seeing the moving of Your Spirit; whether it is somebody in the pulpit, somebody working in the kitchen, somebody serving, the men of God sitting and fellowshiping around Your Word, You're strengthening the bonds of fellowship and friendship, uniting Your Body together.

We love this, Father, and we thank You for it, and we pray that You will bless each one. May our cups run over. Oh God, You said ask that our joys may be full, so we are asking, Lord.

Remember the sick, remember the weak, remember they who are struggling, Oh God, may You drop the extra handfuls; just what different ones have need of, that Lord, we all can receive from Your mighty hand.

We take this opportunity, Lord. We embrace this privilege to have You in our presence, to reach out and touch You and to receive what we have need of.

We commit ourselves and this Service into Your hands. Direct us in service today for Your honor and for Your glory and for the benefit of Your Church. In the Name of Jesus Christ we ask it. Amen. Amen. Praise His wonderful Name. Glory.

We are happy to be in His Presence once again. Amen? We so love the brethren. God gave us friendship and fellowship and unity, co-operation, respect. If you have a little group of men like that, God could shake the world; God could fulfil all His promises. Amen. Satan becomes bound. Amen. He is on a rampage in so many places, dividing, breaking down fellowship; disrespect, irreverence, and you see churches struggling. So much could be done if men would catch a vision, have the love of God in their hearts, and not be narrow-minded. Fear makes people narrow-minded and conceited, full of suspicion, and they're always looking at somebody with an ulterior motive.

But where you can find spirits of just men made perfect, the Voice of the Blood will speak better things. An innumerable company of Angels would be around us (amen), God's Church in this Hour.

Because of the Angel of God, the Prophet couldn't be narrow-minded and have that Angel standing there. He couldn't be fearful and have that Angel standing there. That Angel gave him courage; gave him faith. The Presence of God makes us to yield when we recognize He is on the scene. Amen.

It brings peace when Jehovah-Shalom comes, when Jehovah-Shammah is present, when Jehovah-Rapha is here to heal and deliver, when Jehovah-Nissi is here to fight our battles. We know it is not by our might and our power. Amen.

That is why He told Joshua, "The never failing Presence will be with you." Amen. "Don't turn to the right or to the left. Meditate in the Word day and night." He'll give us good success. He will prosper us and no man shall be able to stand before you. Like He told

Gideon, "Have not I sent you? Go in this thy might." Hallelujah. Glory be to God. Like He caused the people to see and confess, "The Spirit of Elijah doth rest on Elisha," when he could wrap that mantle and smite that Jordan and go over, in the days after Elijah.

This is God's Ministers in this Hour. This is the God-called, God-trained men to carry the Message of the Hour; men that see the heavenly vision like Isaiah, in action with reverence and humility. That's right. Daniel said, "My comeliness is turned into corruption." Job said, "I am vile. I am dust and ashes." Isaiah said, "Woe is me!" That's right. When a man sees that heavenly Vision, when he gets in God's Presence, it humbles him. It makes him conscious of his littleness. This is what goes with the Bride in this Hour.

We've seen the Age of ambitious men come and go; men who are fighting and breaking up the church to make themselves leaders, and say they're going to put people in the Rapture. But we see God in this Hour with humble herdsmen, unqualified speakers, hastening with the greatest Message ever, *Why It Had To Be Shepherds* [1964-1221 -Ed.] Men that talk like the sheep and smell like the sheep, because the Mystery of redemption is locked up in shepherd and sheep. Amen. And this is what I love. Amen.

When we get in God's Presence, we become like little children and Jesus becomes big in our midst. This is what we need, brothers. This is the thing that is going to move humble men to walk in great places with God in this Hour. Amen.

We stand in a place that is testimony of this. A few little brothers and sisters labouring in the desert, put up this structure; sacrificed their money. Young men who are now getting a work to buy equipment to put it in the church. Amen. Where did they get this from? They had a Pastor who came out and sold pencils and cakes, obeying a call, waiting on the Ministry, had no people to preach to, but then God was going to send

them. Today, we stand here and this is being transmitted across the globe; (hallelujah!) to see the simplicity of God, what God can do. Amen.

Young sisters, young brothers (that's right), all of this coming out of a Ministry and a humble man in Santiago, standing there. So many churches in this city believe differently to him sometimes, but he has a big heart; drew a big circle and always include everybody when he goes to have a Meeting, (that's right) at his expense. Sometimes, people miss these things. It is all around us, and they are looking for the power of God, and they are looking for the Move in the Bride, and they are stumbling over the simplicity. That's right.

God hides Himself in humility, because we are in a proud Age. We are in Laodicea, the Age of the shiny things; the civilization at its climax: universities everywhere, big libraries, information-based civilization; tree of knowledge of good and evil in the midst of this garden – Satan's Eden.

But in that garden, the Tree of Life came down in this Day like a thief in the night, (hallelujah!) and a little group could take the Book from His hand and eat. The Cherubim could lead them to that Tree in this great science civilization, and they know that that's the Tree of Life, that's He Himself Who has come down. Glory be to God.

We are so thankful when we think of these things. I like to fellowship. I prefer fellowship than preaching. Those who are close to me know that. I guess I have to preach for the sake of everybody here, but it becomes difficult sometimes, because I always feel I could never finish. And I already know I am only going to speak about five percent... Amen. But that's why I take a little bit to express my heart to you, so behind this you see me. You have known me for years. I am just here to serve. I am not a leader among anyone here. I am a servant.

Sometimes I am misunderstood, because it is easier to misunderstand love than knowledge, and people admire knowledge more than love in this kind of Age, because this is an Age of knowledge. Love doesn't bring the battle—the differences; knowledge does, because people know to a sense that knowledge is power, but when you come into power, knowledge is a joke to love. That's right.

You could know all mysteries and have not love, it is nothing. You could have all faith to move mountains and have not love, it's nothing. Amen. Love is God. Amen. God is love. And when you have love, you could use your knowledge the right way. And true faith works by Love. It is Love that performs the paradox. Amen. Praise His wonderful Name.

I would like to invite your attention this morning to the Book of Ezekiel, chapter 27. Just want to continue speaking this morning, again on **“THAT WHICH HATH BEEN IS NOW AND THERE IS NOTHING NEW UNDER THE SUN.”** That which hath been is now.

Ezekiel 27. I'll read a couple of verses and then I'll have you to sit, and then we can just read from there. So we start from verse 1.

¹ The word of the LORD came again unto me, saying,

² Now, thou son of man, take up a lamentation for Tyrus; [Which is Tyre]

³ And say unto Tyrus, O thou that art situate at the entry of the sea, which art a merchant of the people for many isles, Thus saith the Lord GOD; O Tyrus, thou hast said, I am of perfect beauty.

Now as you read this, you have to think. We're reading from Ezekiel. Keep in mind what time Ezekiel lived in. Then you'll understand what Word is coming to him and why that Word is coming to him.

Ezekiel, Daniel, Jeremiah, Zephaniah, they were all contemporary together. They might have been in

different parts of the land, just like we are, but we can see the wars in Syria. We can see the confrontation, what they call a next cold war, between Russia and the United States, whether you're in Latin America and you're getting the news in Spanish, we're getting news of the same event in English; somebody is getting the news in French. We are in different parts of the world, but we look and we see the things that are predominant in the earth.

And Ezekiel was the man who saw the vision of the Lord descending with an open Book in His hand, and the Voice told Ezekiel, *"Take the Book and eat it."*

So you have to have this in your mind, otherwise this reading wouldn't make much sense. They were seeing the king of Babylon fighting wars in the earth, conquering the nations, and he was coming straight now, to their nation. And their prophet, Jeremiah, said, "The lion has left the thicket; he is coming here." [*"The lion is come up from his thicket, and the destroyer of the Gentiles is on his way;" Jeremiah 4:7*—Ed.]

And that was language describing the real predator, Nebuchadnezzar and his military power. They were coming to take that nation and devour it. And when they did that, Babylon became the head of gold. They controlled all religion, all politics, all economics, and they set up the Image and forced a worship. That is promised to repeat and is repeating, and will come to its fullness in what we call the Squeeze. That's right. It's been prophesied to us by our Jeremiah who saw these things. Amen?

So read with this. You see, Jesus took the Book, and He could have read from anywhere, but He searched until He found a place because He wanted the people to understand something about a part of the Word that was happening, so He could say, "This day this Scripture is being fulfilled." To do that, Jesus had to be aware of the time and the season and the prophecies,

and to know the importance of emphasizing prophecy at a certain time. Amen.

May the Lord bless the reading of His Word. You may have your seats. Just keep the Book open.

So these are very tremendous times that we are living in, because I am attempting to speak on something here and that's why, yesterday, I laid a little background to show you a principle – there is nothing new under the sun. This helps us to understand from Scripture, what is happening.

Faith has only one resting place; that's upon the Word of God. Paul said, "Prove all things and hold fast to that which is good. Try every spirit because there are many different kinds of spirits out there in the world." What is the measuring rod? What is the standard of measurement for spirits and to prove all things?

'Things' are Mysteries, in one context, because the Spirit of God searcheth the deep *things* of God. Elijah will come and restore all *things*. When the Holy Spirit comes, He will bring back *things* to your remembrance; show you *things* to come. He will teach you all *things*. 1 John 2:20 and verse 27 also, "We have received an unction from the Holy One that teacheth us all *things*." 'Things' in the Bible are Mystery Truths.

So what is the standard of measurement and judgment? In the olden times, a man had a Urim and Thummim. A man said, "I got a dream from God, and I always dream straight," and he tells the dream. He has to come and speak that before a priest with the Urim and Thummim, and if that light doesn't flash, the dream didn't come from God. That's right.

If there was a prophet like Joseph in the land, like Daniel, like Bro. Branham, and the king tells his dream, he can look over the dream in a vision. The same source the dream comes from, he is in contact with that same Source (the prophet), and he could receive a transmission of the same dream with the understanding.

It was so great that Nebuchadnezzar dreamt and he couldn't remember the dream, and he was going to kill everybody if they couldn't tell him the dream. They said, "This is too radical. Why would you kill all of us? Tell us the dream that we can interpret it."

But, there was another man in the kingdom. Hallelujah! He was not in the realm of human knowledge. He was in contact with the All-omniscient God, and he asked God for a rerun of the same program.

It is like what you have on television today. They broadcast a program and the man is watching the program. He set up his recording system to record the program. "I want to study this." But when he pulls his DVD out, it is blank. He says, "Oh, my God! Now I can't study the thing!" Well, that is what happened with Nebuchadnezzar, the record button wasn't on, so when he got up in the morning, it was a blank tape.

But Daniel knew that was transmitted from a station, so he called up the Director of Transmissions. Hallelujah! He said, "On such and such a day, You transmitted something to the king; I would like a rerun of that program." Hallelujah!

When it came—when Nebuchadnezzar saw it in the dream, it was scrambled, it was encrypted. But when Daniel saw it, he got the encryption key to decrypt it, (hallelujah!) and not only could he tell him the dream, he could tell him the interpretation of the dream. So they realized that this man was in contact with a Supernatural Source – Extra-terrestrial Intelligence from an Extra-terrestrial Civilization.

It's a great thing to walk in this world and be linked to the Supernatural (amen), this mighty One Who descended in Revelation 10, this One Who is the Author of the Book, this One Who is the principal Theme of the Book.

That Book had sealed up the Mystery of the One Who was holding the Book. Amen. From Genesis 1 to Revelation 22, It speaks of Christ. That's right. He is

the principal Theme of the Book. He said, “Search the Scriptures, in them you think you have Eternal Life; they testify of Me.” He took the Law, and the Psalms, and the Prophets, and all things and proved It spoke of Him. Hallelujah!

So this is a great thing, when we can see how God can transmit things and reveal things, and we are in an Age like this. It’s promised in the last days.

In the Book of Joel, when He poured out that Former Rain and Latter Rain, “I will restore, saith the Lord,” and that Prophet-Messenger came with the Former Rain. He was sent to teach the people, and then he had the Latter Rain to manifest the teaching (hallelujah!) and prove that all these things spoken in the Bible were coming to pass, and that’s why he could say, “This Day is this Scripture fulfilled. Christ, the Mystery of God is revealed.” That’s right. “Christ is revealed in His own Word.”

It was Christ coming down with His own Word. It was Christ, the Mystery of Himself: Who He is, what He is; how He was Elohim. How He became Melchizedek, came from Spirit to Word; how He became Jesus, the Word was made flesh to die, to reveal redemption. Hallelujah! He was coming down in this Day. The Mighty God unveiled before us. Hallelujah! If [only] we could conceptualize what we have beheld in this Day.

We see the picture of the Prophet many times. We see the Pillar of Fire hanging there, and we look at It and we say, “Oh, that’s Bro. Branham – January 24th, 1950, Houston, Texas; Doctor Best, the critic.” But we fail to see that one is the messenger and the other One is the Message Himself. He is the true Messenger and He is the Message. Hallelujah! And it was Him doing the healing. It was Him discerning the hearts. It was Him doing the creating. Hallelujah! And we recognize the earthly angel and we fail to realize the Jehovah Angel. Hallelujah! Glory be to God. He is the One.

And when He took the earthly angel off the scene December 24th, 1965, people are crying. People are waiting for him to come back. People have been wanting, probably to put up a tent, and they don't understand [that] Eliezer introduced the Bride, Rebekah, to Isaac, and Isaac took Her in the tent.

But she journeyed so long with Eliezer [that] she is in the bed with Isaac, and says, "Isaac, honey, I miss Eliezer." She said, "I have his picture right here. Oh, I just wish he was here." And she is in the bed with Isaac. Could you imagine this?

Isaac had to say, "Honey, he was sent to get you. He was My servant. The camels he brought were my camels. The power that transported you is my power. The raiment that clothed you is Me. I am the appointed Heir of all things. He has done his work, honey." Hallelujah!

This is the mental struggle with many people in the Message. This is the corner they have to turn. But you see, everything about Eliezer was visible and physical, but everything about Isaac here, now is invisible, because it takes faith to please Him.

They go to the meeting and they see the Prophet standing up there, "Lady, you are getting younger before me." He said, "I see you in a crash and something happened to your throat since that time." He said, "Are those things true?"

She said, "Yes! Yes!"

And the people were saying, "Oh my, that Prophet is great!"

And he started to tell them, "I couldn't do that if He didn't give me the vision. I am only a mouth declaring Him. It was He in the meeting. It's not me. I don't know the people." And they couldn't conceive this.

So, when He took His Prophet, He wanted to change mask. It's one Actor playing many parts, so He had to change His mask for another act. He came from Prophet form to Bride form. Hallelujah! He came from

a one man to a many-membered Body. Hallelujah! But they're struggling in their minds and they don't realize there is more here, (amen) because He is not subtracting; He is adding; He is increasing. Glory! When we can see it and recognize that same One...

Sometimes the Prophet didn't even see Him. He was in the woods and he was thinking about the Scripture, and he felt His Presence. He said, "He is here somewhere."

A little Voice inside was saying, "That Scripture is true like all Scriptures."

He said, "Lord, is it You talking to me, here?" He took the hat off. He said, "Lord, You are in this woods somewhere here." He sees Him. This is what we have to get sensitive to. And the same way God trained him, God is training us. Because the things that it took for him to come into that condition...

If you make the first sheet of paper with the king's image stamped on it; you make one page... But this whole operation is not to make a page. We have thousands of pages to print here. He is not going to go and take sand afterwards. He is not going to change the process; everybody is coming through justification, sanctification, the New Birth; grows up in Christ; comes to maturity. Every corn of wheat, every grain, needs the water; needs the sunlight.

So if some of those rags... It goes into this boiling water, goes through the different acids, goes through the process, and when it comes out here, it's a nice, white paper with the king's image stamped on it. The same way he had to overcome his trials, he had to overcome his temper, he had to overcome his fear, he had to overcome his insecurities, and the great Master Sculptor, Who brought him through this is bringing all of us through, the same. Amen?

So, it is great when you think of this. Let's study a little bit, here. Verse 3... I will read again, verse 2:

² Now, thou son of man, take up a lamentation for Tyrus;

³ And say unto Tyrus, O thou that art situate at the entry of the sea, which art a merchant of the people for many isles, Thus saith the Lord GOD; O Tyrus, thou hast said, I am of perfect beauty.

⁴ Thy borders are in the midst of the seas, thy builders have perfected thy beauty.

God was telling Ezekiel—God was teaching Ezekiel here, geopolitics and geo-economics. He said, “When you go to this nation, say unto Tyrus, ‘O thou that art situate at the entry of the sea.’” Tell them where they are situated. God was speaking to Tyrus and showing her where she is located in the earth and because she is located there, at the entry of the sea, she became a merchant of many peoples for many isles. She increased in wealth.

He said,

*Thy borders are in the midst of the seas,
[and] thy builders have perfected thy
beauty.*

Because this city became so wealthy and she was taken up with all her possessions. She had all the different nations coming to buy from her, that she was of strategic importance to all of them.

And so, when you see a country, if it is a land-locked country... In this continent, South America, you have land-locked countries. They don't have direct access to the sea and that is a disadvantage to them, unlike the other countries that have access to the sea. Because when you have access to the sea, you can trade, ships from afar can come to you. When they come to your country, they come to your port, to your harbor, because you are on the coast. And when you control the coast, the sea of itself is an abundance of wealth—in the sea—and anybody who wants to get to the sea may have to come through your borders; and you can

determine who come through your borders and who don't. You can tax them and make them pay a toll to come through.

So God told Ezekiel, "Tell Tyrus that thou art situate at the entry of the sea." You see, they had an economic advantage because of their geographic location, (that's right) and they had many different harbors. It was different to a city built on a river, where you only have one port of entry.

But where Tyrus was situated, you could access their harbors from different places; they had more than one harbor. And when you have more than one harbor and people travel and trade by the sea, and all the trade and commerce from different nations are passing through the sea, your country is easily accessible to them. And so they come and they offload all their goods from afar off; all the merchant ships come in and so you have a thriving economy, because you have goods from Africa, goods from Spain; you have goods from Asia, because of the geographic location.

So all the islands around you (because those ships cannot access them), they come to buy from you because of all these great ships that come laden with goods to your ports. And so they thrive in wealth because of all this trade and commerce, all this business and entrepreneurs and conglomerates. And now they are establishing businesses in other islands and they are forming a monopoly.

And now, when they get wealthy, (catch this) because of the strategic location for business, now they could influence the politics of the region. Now they could have mercenaries and get the best weapons and the best armies that they want, to protect them.

Watch today, whether it is legitimate business or illegitimate business, you start to make wealth, you start to control territory and money, you'll need defense because everybody knows that if they could rob you,

they would be getting a lot of wealth and you now, become a target because of your resources.

Why do you think Iraq and they went through that kind of bombardment? No country in human history has ever been bombed as that country. That's right! And the President of the United States said, "We will bomb them back to the Stone Age!" And they so lusted after the wealth—they coveted the wealth, because the big countries, the industrialized nations, are predators.

In the Book of Daniel, Babylon was the lion. Medes and Persia was the bear. Greece was the leopard; not a rabbit, not a deer. Rome was the monster. There was nothing in nature like what she was. And so, the predators, they look out in the environment and when they get hungry, they decide in their minds what they want to eat: "Maybe I am going to eat wildebeest today. Maybe I am going to eat impala. Maybe I am going to eat a zebra. I wonder what a zebra tastes like."

Now remember, 'beast' represents power. Daniel and Revelation are Books of symbols and are prophecies for the End-time sealed in symbol form. It is not just historical; it is also prophetic. You know, the theologians divided Daniel: the first six chapters – historical; the last six chapters – prophetic.

Well it's not historical that the king of Babylon conquered the world and set up an image to bring a false worship, because Revelation 13 tells you that is coming. *Handwriting On The Wall* [1958-0903 -Ed.], we had an End-time Daniel, one that Gabriel came to at the time of the Evening sacrifice, at the end of the Seventh decade (that's right), in the Hour of restoration.

And at the end of the Seventh Church Age, at the end of the Gentile dispensation, in the time of restoration, God speaks to Mystery Babylon, "Come out of her My people," (that's right) and God called a people out. And Jerusalem is rising again, a Heavenly Jerusalem, City of the Living God – the Lamb's Wife.

So that which is in chapter 3 and chapter 5 of Daniel that they say is historical, what I am showing you – that which was, shall be.

Today, Medes and Persians is not the bear. Persia is Iran. The bear is Russia, today. Babylon was a lion back there. Iraq is not any power in the earth today. That's right.

We, in our Age saw the leader of Iraq, Saddam Hussein, who was rebuilding the glory of Babylon, because he was going to bring Nebuchadnezzar back to life through himself. When they found him, he was hiding in a hole. They hunted him down like a prey running for his life – a man who walked where Abraham walked, where Nebuchadnezzar had his kingdom; a man who had all the artifacts and the evidences of the glory of ancient Babylon – and we see how he was destroyed.

Greece, the leopard, in the time of Alexander the Great; we see Greece bankrupt and reduced to poverty, and they have no force in the earth. It's like a beggar looking for a handout.

So where are these beasts? Where are these powers? Where are these predators? We see the nations today that are denominating the world, nations with nuclear power, nations that colonized other nations around the world. They're speaking French in Haiti. They're speaking French in Guadeloupe and Martinique. They're speaking French in the Ivory Coast, in Benin. They're speaking French in the Congo, because this colonial power moved in the earth; conquered all these territories under themselves.

Britain: at one time they said that the sun doesn't set in the Commonwealth. Look at the size of Britain. They colonized big nations like Africa and China and all of them; little islands like Trinidad and Grenada and those in the Caribbean, and in big, huge continents, they established their influence, and it is so small. That's right.

So when we look in the earth today, things are so difficult without revelation. We know the Books of Revelation and Daniel are being manifested in the earth but it's hard to read. But the Book is open and it's put there in the Book, so when these things are manifested in the earth, we can know positionally where we are. We can know why God brought an eagle anointing in the last Age and when all prophecies are being fulfilled before this civilization passes away.

Do you think God would write the Book of Revelation two thousand years ago and then nobody can read it today? Because Israel surely cannot read it and from the Catholic to the Pentecostals cannot read it, because the key to all End-time prophecies is to see Malachi 4:5. When you miss Malachi 4:5, you don't know exactly where you are.

Now many people could look at national prophecies: Israel is in the homeland; the church is in Laodicea; the world is in Sodom; we are in the End-time. Oh yes, we are in the End-time, but when you miss the messenger, you miss the Message that has Rapturing Faith. You miss the revelation where you come to know your position, your identity, your role, your ministry and your anointing in this Hour. Because out of all the ministers, thousands and thousands of ministers, one man in this generation could have opened the Bible and step into the pages. Hallelujah!

He said, "It must have been about midday and I can see old Elijah coming. He's coming down to Samaria." Oh my! And as he was talking, he was not talking about the story. He was talking about the modern day Samaria, the Book of Amos, and the Lion is about to roar. And you hear him praying, "Oh Lion of Judah, roar!"

Because Amos says, "Can the lion roar?" Amen.

And here he was coming, because when the Lion roars, the King is speaking. Revelation 10, he said, "Watch. He cried with a loud Voice as when a lion

roareth, and Seven Thunders uttered their Voices.” He said, “When Omnipotent speaks, the miraculous takes place.” And here was King Theophany Jesus veiled in a Prophet, and the roar of Divine authority, and a man said, “I take every spirit here under my control for the glory of God,” and the Word began to come forth.

And people never conceptualized: “What are we looking at?” Their minds were so conformed to institutionalism and religion, they couldn’t discern that this was a Prophet like Elijah. Look at the man, he’s a woodsman. They were saying, “No, you should have taken a Bible course, Bro. Branham. You get in the pulpit and nobody understands your English. You’re talking Kentucky. You have people from around the world sitting here, listening to you.” He started to get a complex.

One time in a meeting, he said, “Lee,” (Lee Vayle) he said, “you speak to them; they wouldn’t understand me.” What they saw as a deficiency was an identification of a Ministry.

So then the Prophet said, “What kind of man was John, the forerunner of the first Coming?” He said, “He was a woodsman. He didn’t preach in theological terms. He preached in terms of nature. ‘The axe is laid at the root. God is able to raise up stones to be Abraham’s seed. You generation of vipers.’” He said, “Hear the man’s preaching.”

And so this modern generation in this Age of education, they couldn’t discern this. This wasn’t deficiency; this was designed (hallelujah!) to match the Bible, because the wisdom of God—Look at Jesus’ preaching. The common people heard Him gladly: “A sower went forth to sow. The Kingdom of Heaven is like a man threw his net in the sea. A shepherd had a hundred sheep and one was lost.” Mysteries of the Kingdom.

And then all the theologians said, “He is the Messiah? The man didn’t preach anything in the Bible. He is talking agriculture and farming.”

So when they left, the disciples said, “Lord, You spoke a little strange today. We didn’t get what it is.”

He said, “Unto them it’s parables but to you, it’s given to know the Mystery,” and He began to open the Mystery. Hallelujah!

By the way He was speaking, He was sealing it up to some, and by the way He was speaking, He was opening it up to others. Hallelujah! He could seal up the Mystery and He could open the Mystery. He could bind and loose. Hallelujah! It was a realm beyond organization. It’s a prophetic Age. It’s the way eagles fly. Hallelujah! Oh my!

So these Books in the Bible are written a certain way and fifty years after, we can’t seem to decrypt and decode the way the Prophet spoke. He was a hunter. He said, “I preach like I shoot.” Do you know the story, when he was trying to get the rifle sighted well? And he was shooting and he said, “It needs a little tightening; it’s still not exact.” He couldn’t hit the squirrel in the eye. Finally, he became frustrated and started to cry.

A big man with wife, family and church, travelling around the world, Scriptural Prophet was crying over a rifle. It seemed juvenile. He said, “Lord, look at my brothers and them. They hit the squirrel in the foot, they hit it in the tail; they’re happy they get the squirrel. I want to hit it in the eye.” He said, “What’s the matter with me?” He said, “And as audible as you hear my voice, the Spirit spoke and said, ‘I made you that way for a purpose.’”

He said, “When I am hunting, there are plenty hunters in the bush, so if I’m passing here with my buddies whom I’m hunting with, I may break a branch or I’ll take a piece of paper and put it here, so they’ll know I just passed here. They could follow my trail, so

I don't get shot by mistake." Well this was his ways. Why does he have to put that in a Message?

God said, "My people know My works. They see My works but they don't know My ways." He said, "Israel sees My works, but they don't know My ways." Bro. Branham took that and preached, *God Being Misunderstood* [1961-0723E -Ed.] teaching us, if God does something—And we say, "God did that; God did this." And we don't think, "Why did He do that now? Why did He do that there? What was necessary for this?" Because everything God does, He has a reason and purpose for doing it. Some people just do something because they see somebody else doing it but not God. He has nobody to watch. What He does has a reason and purpose. He said, "When we miss that, then we miss the boat all together."

So, look here how God is speaking. He said, "Son of man..." This is the man who ate the Book. When you go to the Book of Revelation, you find eating the Book in Revelation 10. Revelation 10 is the Seventh Seal. And you find that this in Revelation 10, eating the Book, is a Mystery between the Gentile Prophet, Revelation 10:7, and Revelation 11:3, the two Jewish prophets.

So then you see, you only find those two places in the Bible – Revelation 10, God coming down with the open Book and John was told, "Go and take the Book and eat it." Ezekiel 2 and 3, you find God coming down from His Throne with the cherubims, and the Book is in His hand. And you know when you turn that picture to the right, the picture of the Cloud, you can see the four cherubims in that picture – the Lion, the Ox, the Man and the Eagle. That's right.

Because in this day, it's the same God. In this day, the king of Babylon is prophesied to rule the world. It is given unto them. Power is given to the Beast to make war with the saints and overcome. Power is given unto them to take peace from the earth. Power is given to them to kill one fourth part of the earth with the sword,

with famine, with pestilence and with the beast of the earth. That's prophecy in the Bible, in your fourth Seal and your fourth Seal is this Age. Hallelujah! And Revelation 10:8 to 11 is this Age, in the days after the Gentile Prophet.

And so when you look to Ezekiel, we know that which was is coming to pass. Are you catching me? It's coming to pass.

Now, when we look in the Bible and we are speaking about the Exodus, Israel is our type. Israel types the church: Israel in Egypt, Israel at the Red Sea, Israel in the wilderness, Israel at Kadesh Barnea, Israel at the Jordan, Israel in the land. Israel types the Church but that is not the only type of the Church.

When we look at Ruth, she is a type of the Church: Gentile, coming in at harvest time, coming to the field of Boaz. Harvest time is at the end of the Age when Naomi is going back in the land.

The Jews only came back after World War II. World War II, a great part of the Jewish population was destroyed. After Naomi lost three quarters of her family, she came back in the homeland. At that time, there was a man called the chief reaper in Boaz's field, who was set over all the reapers, (hallelujah!) and from the time this woman comes in, until the end of harvest, she will come through—come into marriage and go to her future home, while Naomi comes in and receives redemption, also.

So these things are fixed in the Book; not just showing us our type but showing us the season when this will be happening: when Israel is in the homeland; when the Gentile Prophet is in the land; when Boaz is going to come to him, the lord of the harvest; because chapter 2 in the Book of Ruth, we see Boaz.

To begin with, why wasn't the Book named Boaz? There was no redemption without him. He had to help both of them; both of them were in poverty. He owned everything. He was born in Bethlehem. He was the

mighty man of wealth. He was the lord of the harvest. He was Elimelech's kinsman. He was going to stoop down and come down to a Moabite, a woman born from an incestuous lineage, and by marriage, he was going to magnify her and raise her up. And though all those beautiful women were in Bethlehem and in Palestine, his eyes fell on a Gentile woman, after the sixth Trumpet. That's fixed in the Bible.

Only one set of people in the entire course of human history could meet all these details. Hallelujah! That gives us identification in our time, in our season, watching the End-time sign: when the fig tree puts forth its buds, when the Jews come back to their homeland.

When Christ, Boaz, when He came, He came straight to the chief reaper. Oral Roberts was in the land. Billy Graham was in the land. All these reapers were in the field; A. A. Allen. But when Boaz came, the mighty Man from Judah, the One born in Bethlehem, the near Kinsman, Harvest time, the end of the Age, after the Pentecostal Age, the shuck Age, in the Age of the grain, the Coming of Boaz, He's coming to the chief reaper. Hallelujah!

We don't see Him coming — When it was happening, He didn't go to Oral Roberts that way. There was 'one' set — *And God hath set in the church*. How the Angel came and commissioned me. Hallelujah! One who went out. And Ruth hearing the life story, and she is listening to the chief reaper: "I was born in a log cabin." [Bro. Vin laughs —Ed.] "I was standing that day by the river, baptizing the seventeenth person." And tears are coming down from Ruth's eyes. "How the Angel came and commissioned me." Oh my! And he is telling Ruth, "Don't go in any other field, my sister. Stay in this field." Hallelujah! "To begin with, you're a Moabite; they will ill-treat you, humiliate you, but my Master, I know when He sees you, He will see what I see, because I see through His eyes."

The Bible tells you, from the time Boaz came to the chief reaper: Revelation 10:1 coming to Revelation 10:7, between the sixth Trumpet, World War II, and the Seventh Trumpet, when Israel got their redemption – He came straight to the one man, Revelation 10:7, the chief reaper. And He looked at Ruth, Revelation 10:8 to 11, He said, “Who is this, here?” Hallelujah! Oh my! A Mystery at Harvest Time.

It’s in that time we find John eating the Book. It’s at that time we look there and see Ezekiel eating the Book and Ezekiel was prophesying and Ezekiel was given wisdom and understanding. He was a priest; he had access to God. He was a watchman. Bro. Branham said the watchmen in every city had to be the best sighted men.

Let me say this, you see ministers in the Message, they are the best sighted men in the land, because God made those ministers to watch over His people. And every church is like a little city. And he said, “Watchman, what of the night?” Amen! And the watchman has a certain sound; he can keep the people abreast, posted with what is happening. He said, “There are wars and rumors of wars out there. There are famine and pestilence.” Oh my! “There is the oncoming storm of judgment.” Hallelujah! The watchman is watching everything. And the people in that city, they know: we have a watchman that is posting us.

What a great thing it is when believers in this Hour can sit in an assembly and have God-called ministers standing there, watching over their souls, watching out there in the horizon, watching the enemy trying to get into the city, watching the watchman alerting the citizens of that city.

They used to be on the wall. The wall was the defence system, the fortification. And on top of the wall had a tower, and the watchman would climb up in that tower, and he is way up there above the congregation, and with that eagle vision, he is looking way out there and he is

seeing, there is a whirlwind, a tornado or something, coming through here. Oh my! And that church, before the trouble and the things could come to disturb them, they are getting a Word that puts them under quick preparation. So though things shake up a little bit, they don't put them in disarray because they are getting the Word in season. Hallelujah!

This is the Church. This is the Ministry. This is what is happening. And he's looking there. He said, "I see the Pope, the king of Babylon, he went into New York, went to the United Nations, went into Washington and spoke to the US congress, first ever. He went to Ground Zero, where the twin towers came down and he had a rabbi and a Muslim with him, and they had their special prayers. What is happening here?"

And the watchman is reporting, because the people know the Seals. They see the white horse rider moving. They know in this man's mouth is lying spirits. It's a spirit that can bring everybody in his kingdom subject because he is the chief false anointed one. Like Zedekiah with his four hundred prophets, Revelation 16:13, chief false prophet; (that's right) Matthew 24:24, false prophets and false Christs. The anointing from that head comes on these. That's right. Out of his mouth, it's blinding the world.

We had a Prophet too, a chief Prophet, major Prophet to the Age. Glory! Out of his mouth didn't come three lying spirits. Seven Thunders came out of his mouth, opened up the Bible, uncovered the scheme of the enemy, revealed the Secrets in the back part of God's Mind, put it in the heart of the Bride to bring discernment into the Church that we can identify those spirits in the realm of religion, in the realm of politics, (hallelujah) in the realm of economics. We can see how Lucifer is building his kingdom. It's happening in the earth.

God, that same Anointing from the Head, our Head, has come down on Ephesians 4: apostles, prophets,

pastors, teachers, evangelists, a five-fold ministry, true anointed ones, gifts in the Body. The other one is gifts outside the Body: worldly wisdom, denominational wisdom over there; Bible school wisdom. But here, faith, Divine revelation: by faith Abel, by faith Enoch, by faith Noah, by faith Abraham, by faith Isaac; faith children under the Supernatural, moving in the earth, catching the Word.

Angel of God (amen) came to Abraham, Angel of God with Isaac, Angel of God with Jacob. Each one of them was getting their new name. Each one of them was in covenant with God. Angel of God with Joseph, Angel of God with Moses, Angel of God with Joshua, Angel of God with David, Angel of God with Solomon. Hallelujah!

And you look and you see, in God's economy... When God's ministers today can look and see and begin to operate in what has come down, what has been passed on to us by a vindicated Prophet, like Elijah went, but he left that Spirit and that Robe, because the works were to continue on. Jesus, the physical man went but the Spirit came back. The revelation came back – *The works I do shall you do*. Hallelujah!

So when we look and we see what was there, is now, is now. I'm bringing this out to show you, not just the Bride and Christ have their types, because in the Book of Daniel and the Book of Revelation, there are specific nations and systems that have roles to play in the End-time, and they are in the Bible. That's right. That's why when we could find the setting in the Scripture, we know what we are looking for, every move of deception in the Bible, whether it's in the realm of religion, whether it's deceiving the nations. That's right.

Zedekiah stood up there with a lying spirit in his mouth. He was deceiving Israel and Judah, because Ahab, the king of Israel was there and Jehoshaphat, the king of Judah was there; the two heads. And they were going to war to possess territory for economic purposes based on the prophecy of this man. All the realms were

there: religion – Zedekiah and his four hundred prophets; politics – the kings of the earth: Ahab, Jehoshaphat; the armies were there, the military power. They are going into war for economics, your third Seal. And they were united by demon power. That’s right. United by demon power because that lying spirit came up, and that was in the days after Elijah’s prophecy.

Now, when you look in the Bible and we see those things that were taken out by Elijah who came to open the Word, who came to restore all things, who brought the Evening Light, so while all the land was in darkness, like it was in Egypt, the children of Israel had light in their dwellings.

And the Bride has Light while the Jews are blinded and the Gentiles are blinded. The whole world is blinded but the Bride has Light. She has the Book opened. She sees the Program of God. She knows what God has promised to do. And those shadows and types are pointed out that when we see the negative, when we see the shadow, we know how the substance will be; we know what the reality will look like.

Let’s read a little more, here.

So Tyre was located at the East end of the Mediterranean. The situation, the location was very convenient for trade by land, and then all the lands bordering on the Mediterranean Sea, they could have influence, because Tyre was situated between Greece and Asia. It became the principal center for trade. The stock market was set up there because they were controlling trade and commerce.

In Ezekiel’s time, when Jeremiah spoke, when Ezekiel ate the Book, God was telling Ezekiel, “Take a lamentation.” A lamentation, that is like a funeral song, a very mournful song; when you’re mourning somebody. And so, when he went forth with this funeral song, it was to prophesy their judgment. You know like we have the Book of Lamentations, mourning for the destruction of Jerusalem.

Now watch how God was dealing with His prophet. He was a type of the Bride just like John who ate the Book; that's why it had to be put in the New Testament. So, when we see it in the New Testament—you see, Ezekiel was put between Jeremiah and Daniel just like the Bride is put between the Gentile Prophet and the Jewish prophets. It places us positionally so we can understand, when those prophecies are coming to pass among the nations there, there is a Bride who ate the Book here, still in the earth as the final Voice to the final Age, under Her messenger.

Verse 5. Now the lamentation, it goes into a description here. Watch how God was speaking this in a picture like what you will call a metaphor or an allegory, like a parable.

He said,

⁵ They have made all thy ship boards of fir trees of Senir:

This is the people that they were trading with. He was calling the products and the place where they came from. It's a lamentation for Tyre. Tyre was a merchant city. It flourished in trade and commerce. It was a type of Mystery Babylon. We're going to see that just now. And the final Voice was putting judgment on this city. He's actually singing the funeral song, his lamentation, and he was describing them; this nation that traded with everything.

They have made all thy ship boards of fir trees of Senir: they have taken cedars from Lebanon to make masts for thee.

⁶ Of the oaks of Bashan have they made thine oars;

Are you catching this? He was talking about fir trees from Senir. That was where those trees grew. Cedars grew in Lebanon. Oaks were from Bashan. He said, "Some, make your ship boards. The cedars make your masts. The oaks from Bashan, make your oars." He was describing this nation in the form of a ship, a

merchant ship, a symbol of trade and commerce, her prosperity that they brought her and how she became so powerful and has influence over kings and armies and politicians. But the Hour of her judgment was coming.

...the company of the Ashurites have they made thy benches of ivory, brought out of the isles of Chittim.

So he was describing how the ship was being built, how the masts and the oars, the benches, where they sat and rowed.

⁷ Fine linen with broidered work from Egypt was that which thou spreadest forth to be thy sail;

All those nations that she traded with, contributed to her wealth, to her power, and he was speaking this in a prophetic language, describing her. In other words, God said, “I’ve been watching you. I knew when you were nothing but you began to understand your geographic location, your strategic position in the earth and you utilize your resources to control all trade and commerce. And you came to a place where every nation, when they wanted goods, would come to you because you had this vision. You had these pilots and navigators. You had these ship builders.”

This is the Vatican we’re talking about, here. This is people. They have their own bankers, they have their own politicians, they have the Jesuits, they have the Knights of Columbus, they have the Knights of Malta; it’s a great organization. These are the people that make her the richest nation in the world that come up with the plan: how to capture wealth, how to get and influence politics through your trade and your commerce, your masterminds, your diplomats and your ambassadors.

This little Vatican is a nation in a nation; so small, but she controls the world. That’s right! I’m kind of projecting my thoughts, where I’m going, because you

ate the Book. You are the Ezekiels and the Johns of today. You know Babylon in the time of Nimrod; Babylon, in the time of Nebuchadnezzar. Nimrod had a world vision: how to conquer the whole world by religion, by war, by economics, and unite them [under] one language, one speech in the whole world and then started to build a tower to go into Heaven.

The king of Babylon, Nebuchadnezzar, had a world vision. He knew which nations to fight – control this trade route, control that trade route. If I control these two places, I control politics, I control trade. They're choosing the places.

Why did America make ally with Saudi Arabia, using them right now to lower the price of oil; put sanctions on Russia to break their economy. Then Russia went into Syria and told the US, "Remember, we are still a nuclear power. You're singing a song: you alone are the superpower. Remember, we have nuclear power."

Mr. Putin—they started to fight psychological warfare: you see Putin bare-back; you see Putin throwing big, big men, judo; you see Putin riding a big bear. Before, they had Yeltsin and these kinds of fat fellows always drunk, as leaders; too much vodka. You see Putin with a crossbow hunting. You see Putin in the cold, icy river. You see Putin on a horse. He is not like Obama and them – media-made men, old cocaine addicts and such; not that. When he meets them in a meeting and he holds their hand like this and looks them in the eye, they feel the strength; they feel the power. [Bro. Vin demonstrates -Ed.]. It's like a diplomatic message saying, "Don't mess with me; I'm not Yeltsin. I'm not like all those fellows, those old, fat Soviet Union. This is a new day. I'm reading your play, all that you all are doing. I know your propaganda; I know your schemes. I know why you went into Iraq and Libya. Remember, you're fooling the world but you're not fooling me. I have evidence on all of you; I know when to bring it out." Yes! Of course! This is the day!

And here was Ezekiel with the Book inside of him. This is the Secret – the Word is in the Bride – the Mystery, the opened Book; eyes in front, eyes behind, and eyes within – A Bride, the fourth living creature, the Eagle Age, God’s eagles. Where the carcass is, there will the eagles be gathered together. Hallelujah!

The Book of Revelation was written for the Bride! Hallelujah! That’s Her Book. That makes Her a superpower in the earth, because while they’re trying to blind the people with the fourth dimension — They’ve drunken the masses: movies, twenty-four hours; pornography, sports, entertainment, fashion, and they’re controlling the minds.

The Bride is anointed; She knows what they’re doing behind the scene. She knows the scheme of the enemy. Why? Because the Spirit of Elijah has come on the Bride. Hallelujah! She is the final Voice and the Church will hear directly from God, as it was at Pentecost.

The Word—Paul had the Word, Peter had the Word, and Phillip had the Word. The Angel was directing them in service. Hallelujah! If you believe in the restoration of the Bride Tree, that was what was on the Bride Tree in the Alpha; that is what Elijah came to restore; that is how Elijah operated. Hallelujah! Oh, thank You, Lord!

So as we read this, learn how geostrategic location empowers your geo-economics. The world is divided into trade zones. You are part of NAFTA [The North American Free Trade Agreement –Ed.], from Tierra del Fuego, [Argentina –Ed.] all the way to Anchorage, Alaska. One straight highway connects the Americas (that’s right) because the Americas is the new world.

Daniel’s map didn’t have it. The map in John’s time didn’t have it but John, under vision, knew in an Age, a Beast was going to rise. It will start off like a meek lamb. It doesn’t get old like the other nations. It doesn’t get old like them. The Seventh Vision will ensure it doesn’t get old like them. And Elijah’s coming and the greatest Light that ever shone in the earth was in that nation,

but that nation chose to give their support to Jezebel and brought Jezebel in the White House. *Jezebel Religion* [1961-0319 -Ed.], you know that. *Why I'm Against Organized Religion* [1962-1111E -Ed.], Hybrid Religion [Condemnation By Representation, 1960-1113 -Ed.], *Christianity Versus Idolatry* [1961-1217 -Ed.], Tower of Babel [The Oneness Of Unity, 1958-0128 -Ed.]. Watch the Prophet! *The Invasion of the USA* [The Invasion of the United States, 1954-0509 -Ed.] and the overthrow of the Government. Watch the Prophet!

Elijah directed his message to Ahab and Jezebel. The Beast from Europe came out of the sea, crossed the Atlantic, and came into the White House. Look when he went recently here, again, speaking to the US congress, first time ever, Republicans and Democrats.

America, like Israel, has two kingdoms. Israel and Judah, two kingdoms – the US, like Israel: Democrats and Republicans. The same Jezebel who was in the Democrats in Israel, she got her daughter, Athaliah, to marry into Judah, so she had control of Judah and Israel, just like Rome has control over Republicans and Democrats, the whole nation, because America is a type of Israel. We were talking about it last night. It's all explained in *Jezebel Religion* and on your *Fourth Seal* [1963-0321 -Ed.], because the Catholic Church is typing this woman. She is typed in natural Babylon. I'm going to show you she is typed in Tyre. I wouldn't even have time to get Ezekiel 28, but if I don't get to it, let me tell you now.

Ezekiel started to speak to the king of Tyre, broke into vision and started to talk to Satan veiled inside of him, on this great commercial city controlling the economics and politics and religion in the world. He said, "Thou was in the Eden of God." He said, "In the day that thou was created..." the same way Isaiah spoke to Satan in the king of Babylon, "*How art thou fallen from heaven, O Lucifer, son of the morning!*" See?

That is why today, like Isaiah, who saw the heavenly Vision and cried out, “*Woe is me!*” Confession, cleansing, and commission –

“Who will go for us?”

“Here am I, Lord, send me.”

Two wings over his face, two wings over his feet. They had discernment of Lucifer working in the earth, in the kings. That’s right. Ezekiel who ate the Book; that’s the ministry of the Bride.

Isaiah went forth with the fullness of the Word – sixty-six chapters; a miniature Bible from Eternity – how art thou fallen from Heaven, all the way into a New Heaven and New Earth; bringing John, bringing Mary, bringing Jesus, bringing the Prophet here in the last days, the rising of the Son from the West: “Arise and shine; thy Light is come. Shalom, the dawning of a new day.” That’s right! It’s all there. Isaiah 53, the smitten Masterpiece – Jesus on Calvary; the Voice of the Archangel, in Isaiah. “With stammering lips and other tongues, will I give rest to the weary.” Isaiah 28 – Pentecost.

That’s the Bride in this Hour with the fullness of the Word, prophesying; She ate the Book. “*Who hath believed our report, and to whom is the arm of the Lord revealed?*” Oh, thank You, Jesus! I believe the true Report. Hallelujah to the Lamb. We have crossed the riven veil where the glories never fail! I’m living in the Presence of King Theophany Jesus Who dwells in Light and immortality. Hallelujah! Glory! What a thing!

So look at the description. As I finish this Scripture, we are finished. Just to read it. Now he goes to verse 8. He showed how the ship was built, the system for trade and commerce. He showed the nations and the alliances that he had to have trade and commerce with these nations, to bring a monopoly on the world’s trade to empower himself.

So after we see the ship, now we are going to see the crew and the pilots and the traders, the mariners and

the guards, the people now, who operate the system to keep it an economic superpower in the earth.

⁸ the inhabitants of Zidon and Arvad were thy mariners: thy wise men, O Tyrus, that were in thee, were thy pilots.

She got brains from—She sourced brains from other places like Nebuchadnezzar. Didn't Nebuchadnezzar say, "Find out all who know science and mathematics"? Took Daniel and Shadrach and Meshach and Abednego. Put them in the best schools, used their intelligence to teach others. That's what the predator does. He eats the best parts of the animal that strengthens him, that nourishes him, that builds him up, so he could make stronger cubs and the lion pride will keep getting stronger and stronger, because they must stay at the top of the food chain and stay as king of all the other beasts, all the other powers. Do you understand? You have to think in revelation.

⁹ The ancients of Gebal and the wise men thereof were in thee thy calkers:

Do you know who are the calkers? That is if the ship has any leaks and such, these men seal the ship, keep the vessel sea worthy, with no leaks coming in – maintenance. Keep this machine oiled and greased and get an increase in performance.

...and all the ships of the sea with their mariners were in thee to occupy [which means to exchange] thy merchandise.

All those ships with their mariners. Shell, Bank of JP Morgan, all those... In other words, all those different big companies, she trades with them; she is giving them business. They give her business, because she knows the value and importance of strong alliances for continuity; to maintain control and establish greater control. That's right.

Connections are important in the business world. When you're making investments, you want to know that your investments are secured; banks with

reputation. That's right. People who recognize you're giving them so much business, they have to show gratitude and return favours, because one hand doesn't clap. That's right. This is the world of business, trusted alliances. It's a game of monopoly. It's a game of chess. It's for control in the earth. Do you understand? This is what he's showing us. He's opening something here.

*¹⁰ They of Persia and of Lud and of Phut
were in thy army, thy men of war:*

This great business city sought out some of the best warriors and made them her army. Her money could buy what kind of military she wants. When you're shopping, "We want this ex-Air Force general; he knows all the—he flew in all the zones. He was the most valuable man in the Gulf War. We need this naval commander; he's retired. We're going to bring him on our payroll. We're not going to let him go into retirement with all this wisdom. The navy was on top." This is the world.

Watch it in sport. "We're paying eighty million for this striker. We're paying ninety million for this mid-fielder. They have vision of the game. They're going to motivate others. They're good team builders. They're going to strengthen us. We will win the Cup for the next three years." Investment, scouts, they study men. They have their résumé. They watch their statistics. That's right.

"Come and play for us; we will treat you good." Shrewd in business; astute. That is why Jesus said, "The children of darkness are wiser than the children of light." He said, be wise as those serpents, but stay harmless as doves. [Bro. Vin laughs -Ed.] Oh, thank You, Lord!

That's investments. Bro. Branham preached *Investments*. You make investment for dividends. When you're going to put your life savings, you want something sound, time tested, proven. So watch how she brings these men into her army.

...they hanged the shields and helmets in thee:

You know shield and helmet are symbolic. Helmet deals with the head, the intelligence; shield deals with the heart. That's right. The shield of faith, the helmet of salvation, for us as Christians. In the world, they're looking for defenses in areas where they might be vulnerable, to be more fortified. That's right. Watch the wisdom...

What is being unfolded here is the wisdom of the Vatican. Ezekiel, in the lamentation, is a mourning sound because God was pronouncing judgment, but before He pronounced judgment, He was showing how she became great, the kind of intelligence she operated with. She was able to establish control in the earth.

Now watch this. We're closing up. I'm going to read this and show you Revelation 18 is this Scripture. First, we see she's trading in different things, products and different things, wise men, services to run the operation. Now, we see she's involved in the military. She gets the mighty men, the armies. She has her mercenaries. They hung their shield and their helmet in her city to become part of it. You don't take off your helmet and your shield so, you know. They brought their defense and they gave it to her. What do you think America and France and England with their armies are to Rome?

The hunter breeds dogs for the hunt. "This dog knows how to corner a deer. I use this dog for small game. This one is a pit bull; he will strike terror and when he gets a hold of the prey, those jaws break those bones." He will corner them until the hunter gets there. He has different kinds of dogs to hunt different kinds of prey. Think!

Nimrod was a hunter and he applied the principles into war, and Babylon ruled the world. Think with a prophetic mind. Watch and see how the world operates. Who is speaking this? The man who ate the Book,

Ezekiel, showing the Bride who ate the Book is seeing the nations clearly; they can't hide. She knows their every move, not by human knowledge; by the Holy Ghost. God told Ezekiel, "I will give you a forehead harder than diamond," because your forehead is your revelation. Amen!

So watch. So he's seeing this. He is the final Voice. That's the Bride in this Hour. That is you.

11 The men of Arvad with thine army were upon thy walls round about, and the Gammadims were in thy towers:

He goes into another octave. He is not talking now about the wood that makes the side of the ship and the ivory that makes the bench and the linen that makes the masts. He's not talking about that now. No, she has the armies, she has the military power with her.

When she wants oil from Iraq, she looses that USA Dog. When she wants diamonds in the Congo, she looses that Dog, that French Dog in Africa. When she wants that oil in Libya, she looses that other Dog; she gets NATO. That's right! When you're getting the resources today to trade, when they want to establish control, how do they do it? By war, by conquest.

How did Babylon become a world power? By war! How did the Medes and Persians become a world power? By war! How did Greece become a world power? By war! How did Rome become a world power? By war! What does It say? "She is devouring the whole earth, breaking it up in pieces, destroying wonderfully"; sometimes by peace - speaking diplomacy, speaking ecumenism; conquering and then by loosing those Dogs of war.

How is Christ going to come into His Kingdom? Revelation 19, He comes to judge and make war in righteousness. That's right! And the battle that started in Heaven will end up on the earth in the form of Armageddon to bring in the Millennium. The Kingdom of the Lion of Judah with the Son of David

sitting there, and the kings of the earth coming to bring the glory into the city by war – woe, woe, woe – Trumpets, political disturbance in the earth.

Watch the Seals, watch the Trumpets; they go together because the war is for the economics – the Third Seal. They went to Iraq with war but they went for oil; control the resource. Now they're using oil as a weapon. That's right. They're weakening nations. They're destroying wonderfully.

Oh, may God give us eyesalve to anoint our spiritual eyes to see, and the modern events become clear by the vindicated prophecy. Watch a different kind of merchandise now.

Verse 13:

¹³ Javan, Tubal, and Meshech, they were thy merchants: they traded [in] the persons of men...

What is his commodity? Not trees, not ivory, not gold; people, human trafficking. The pedophiles want them from ages eight to ten. The football clubs buy and sell people. They call it sport, but it's a slave market and they have owners who purchase them as a possession, but it's glorified in a way that you don't see the evil of the slavery.

It started in Genesis; it ends in Revelation. Joseph was sold in chains and taken into Egypt by the Ishmaelites; put on the block and Potiphar came and watched him, opened the mouth, see if the teeth were good, see what kind of person he was, put him in the field; young fellow. But after a couple weeks, they realized this fellow is not for labor, he is for administration. That's right.

Jacob had put him over his brothers; his big, big brothers, and that is why they didn't like him. Potiphar put him over his house. They put him in the prison; the warden realized, something about this fellow. He brought order to a prison: political prisoner over here, other kinds of prisoners over here. The

warden was just relaxing all day because this fellow could take chaos and bring order and make it prosper.

He had such humility, when he interpreted Pharaoh's dream... Watch him: over the father's house, over Potiphar's house, a little bigger house; over the prison house, a larger house; then he came over all Egypt; then, only in the throne was Pharaoh higher than him. He stood there. He went from glory, to glory, to glory.

And in the time of the global economic recession, which the world is in since 2008, when God sent me to Peru and I preached those messages in the stadium. And look at the wars that took place in the earth; look at the structure. And look what I'm speaking this morning. I tried to shy away but I'm trusting God for grace so He could make it simple to show the Age.

But keep your eye on Ezekiel because that is you; you eat the Book. You are the Mystery between the Gentile Prophet and the Jewish Prophets. You must see what's happening around you. The watchman is in the tower so his little city could be positioned. They will not be in the darkness. They're in the Evening Light (that's right) that God can begin to operate freely through us.

They're trading in the persons of men. This part of this city, this is the dark parts of the city. They're controlling the brothels. She is the mother of all abominations. That's right. In the last five or seven years, she spent hundreds of millions in hush-up money for pedophilias, while they walk around and bless the people. Let something happen to a little minister or a little church, they drag them, they put them in the papers and they publicize them.

She is going along with this one as long as she was in existence. Her sins have come up to Heaven. Strong is the Lord that judgeth her.

This Angel Who says, "Come out of her My people"; this Angel Who says, "I will show you the judgment of the great whore"; this Angel is the One Who opened this

Mystery, is the One Whom he took that Book from. That Angel was in him speaking the things. Then we take that Book and we eat that Book, and then the Bride says now, what the Messenger said, what the Messenger opened. He said, “Seal not up these Things.” They were sealed for years in Daniel, sealed for years in Revelation, but the Seals have been opened. Satan’s scheme has been uncovered, how he built his Eden and he is about to be enthroned as God; the god of this evil Age in Satan’s Eden. And the subjects of this world, *And knoweth It Not* [1965-0815 -Ed.] – blind, wretched, naked. But arise and shine, thy Light has come and the glory of the Lord is risen upon thee! It shall be seen upon thee! Come out of her! And She is taken up in the Mystery.

And it’s a very prophetic Hour. That is the world we don’t see. CNN and BBC and FOX News will not show us that, but Ezekiel is uncovering that. She deals in human trafficking. She deals with gold and pearls and silver. That means control of the mines.

When Pizarro and Cortes came, they enslaved the Incas and them. They started to work in their mines. They were shipping the gold back. They found they were dying out. They went to Africa and they brought the African slaves who were more accustomed to hard toiling labor and they put them there. Why? Because Rome will have her gold. Her ship will leave the Americas and carry it to the Catholic country up there. That’s right. They came with their false religion – the white horse. They came and kill out the people – the red horse. They took their gold and their resources – the black horse. That’s right! I’m preaching the same thing here out of Ezekiel. And watch how by that it empowered her. She was taking from all those countries and she has the armies.

My! I’m sorry to do this. Let me make a jump, verse 26, maybe verse 22:

22 The merchants of Sheba and Raamah, they were thy merchants: they occupied in thy fairs with chief of all spices, and with all precious stones, and gold.

Do me a favor. Spend a little time when you're home, sometime and read the whole chapter. You will see all what she trades in.

Precious stones and gold, you'll have to have control of the mines. And even though the diamond mines and the gold mines are in Africa and these places, you know how to get in those countries, how to influence the politics. You could go and build a few hospitals and schools and become a trusted friend and then you get the contracts for the mines. It's all business. It's all politics. And you send peace keeping forces to keep things calm. And if you get any rebellious president who wants to nationalize things, you will lose the IMF and the World Bank on them or you use biological warfare – Ebola, and you say they get it from the monkey because there are plenty monkeys around them, because they don't know you weaponize diseases.

The Fourth Seal says, "They are given power to kill with hunger." They could keep the goods, hoard it and say, "It has a shortage! Things are scarce!" The price goes up. They have it. They do that to cause inflation and create recession. They falsify the balances. That's right. They make a commodity go up and they invest everything (that's right) and then they get control. Read Amos, you will see how they make the ephah small and the shekel great – falsify the balances. The dollar is getting weak. They control the financial system.

Verse 26:

26 Thy rowers have brought thee into great waters: the east wind hath broken thee in the midst of the seas.

After he talked about how smart she was, her geopolitics, where she was situated; her geoeconomics, how she became wealthy; her investment in armies, how she trades in the souls of people, Ezekiel now, is bringing down the judgment. He said, “Thy rowers,” the people who work for you, they give their strength and power to you to make you a great power in the sea. He said, “But they bring you into great waters and there is an east wind rising.” It’s called the kings of the East; an east wind. You’ve gone interfering. You went too far.

*the east wind hath broken thee in the midst
of the seas.*

Those winds were held for a season but then the winds were loosed again. Like in Revelation 7: “Hold the winds! Loose the winds.” But this is an east wind that is going to bring the destruction of this great merchant city.

Verse 29—or verse 27, sorry.

*27 Thy riches, and thy fairs, thy
merchandise, thy mariners, and thy pilots,
thy calkers, and the occupiers of thy
merchandise, and all thy men of war, that
are in thee, and in all thy company which is
in the midst of thee, shall fall into the midst
of the seas in the day of thy ruin.*

*28 The suburbs shall shake at the sound
of the cry of thy pilots.*

*29 And all that handle the oar, the
mariners, and all the pilots of the sea, shall
come down from their ships, they shall
stand upon the land.*

And verse 32:

*32 And in their wailing they shall take up
a lamentation for thee, and lament over
thee, saying, What city is like Tyrus, like the
destroyed in the midst of the sea?*

33 When thy wares went forth out of the seas, thou filledst many people; thou didst enrich the kings of the earth with the multitude of thy riches and of thy merchandise.

34 In the time when thou shalt be broken by the seas in the depths of the waters thy merchandise and all thy company in the midst of thee shall fall.

That which hath been, is now. It had a Jeremiah who saw the Babylonian power rising, going to take the Jews captive and control the wealth of the world (that's right), bring a one world government, one world religion, one world politics. In that Hour while all these things were being done, there was the Bride eating the Book to prophesy. And they saw that great city in this Hour that controls trade and commerce in the earth, controls the armies in the earth, controls the politicians in the earth, the kings of the earth. In the Day of her ruin, that Word is coming out of the mouth of the Bride, the Lamb's Wife. Heavenly Jerusalem is coming against that false bride and saying, "You shall come down. You shall be destroyed. You sit as a queen and say, 'I am no widow,' but your plagues will come in one day." Hallelujah! "You killed so many that they can't buy or sell except they take the mark of the beast, but your ruin shall come in one day."

Watch Revelation 18. You just follow. I will read in English; you follow in your Book. I will call the verse so you could read in Spanish, because it's just to show you everything in Ezekiel 27 is Revelation 18.

Revelation 17:1 was the ministry of the Prophet, showing us the judgment of the great whore. Revelation 18:1 is the Mighty Angel coming down from Heaven, same as Revelation 10:1; His glory lightened the earth. Revelation 18:4, that's the earthly messenger under the Influence of the Angel, calling the Bride out of Babylon: "Come out of her My people." Revelation 18:5, her sins

have reached up into Heaven. God remembered her iniquities.

[Bro. Vin talks to interpreter: "You don't bother to read. I'll call the verse. You just follow. It will save time."]

Revelation 18:8:

⁸ Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.

⁹ And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning.

In Ezekiel, Ezekiel said, "A fire will come out of the midst of her." [Ezekiel 28:18 -Ed.] The same ones who give their strength and power to her will burn her and eat her flesh.

Look at verse 9:

⁹ And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see smoke of her burning.

We just read the kings of the earth, she made them rich, she committed fornication with them. They lived deliciously with her. They will see her destruction.

¹⁰ Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.

¹¹ And the merchants of the earth shall sweep and mourn over her; for no man buyeth their merchandise any more:

And from verse 12, watch the products, watch the commodities, watch the things she trades in.

¹² The merchandise of gold, and silver, and precious stones, and of pearls,

That is the mines.

...and fine linen, and purple, and silk, and scarlet,

That is all the garment industries.

...and all thyine wood, and manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble,

She builds all her great cities with all these minerals from the earth.

¹³ And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and [the] souls of men.

Watch the commodities. Horses and chariots, transportation systems; slaves, she has a market for souls. She trades in the souls of people, human trafficking. This system that we have been called out of, this mother of all abominations, this is a picture of her in trade and commerce. What's that? Your third Seal, capturing the wealth of the world. So when she sets down the mark, no man could buy or sell except they get the mark from her, because she is controlling all trade, all commerce, all finance. She will destroy the present day money system. It's all in the making. All this is being done but while we are here and we are seeing how far advanced it is, look up and lift up your heads, your redemption draweth nigh. When you see these things are coming to pass, it is even at the doors.

These are the seals in the world: religion, politics, the military, the economics, information, unite the world. What is it bringing in? A system where Lucifer is God incarnate; from the anti-Christ to the false prophet to the beast, ruling over the earth, Satan's Eden; World Council of Churches, Satan's Eve; the false prophet, Satan's Adam. He is trying to impersonate what God is doing.

Christ is God's Adam, the Bride is the Second Eve and the Millennium is the Eden. God's Secret is in process. Satan own is in process. God own is coming to its climax. Satan own is coming to its climax. Hell is opened and all those demon powers come out to come into flesh. Heaven is opened and all those theophanies coming down to pick up the bodies. And we who're alive and remain, we shall not sleep; we shall all be changed – Full redemption under the Seventh Seal.

While Satan's Eden, he is bringing his kingdom into flesh, and God is bringing His Kingdom into glorified flesh, glorified bodies, a Bride who could create. We don't have to take any mark of the Beast. We don't need his transportation. We could be translated like Phillip, like Enoch, like Jesus. Hallelujah! We don't need any telephone. We don't have to get any top-up. We have a channel of communication: prayer, vision, (hallelujah!) dream, revelation. Glory be to God! Everything they have in a scientific form, we have it in a Supernatural form. Glory be to God! Oh my! It's coming in this Hour.

Verse 15:

15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and walling.

Same thing we saw. All those merchants, weeping and walling.

16 And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

17 For in one hour so great riches is come to nought. And every shipmasters, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,

18 And cried when they saw the smoke of her burning, saying, What city is like unto this great city!

19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

Who was the king of that city? Ezekiel 28. I can't get to it this time but with that there, you can see it was Lucifer who sat down there, who was in the Eden of God, (that's right) sat down there. But Ezekiel, because of Jeremiah's message, he knew the king of this commercial city. He knew how they captured the wealth of the world. He knew how they united the world in globalization, because a key was given to him, a key of science to open the fourth dimension, and then the fifth dimension began to flow out. And the Prophet said, "Watch radio, television, magazines – fourth dimension – is producing these things, seducing the Age; the lust of the eyes, the lust of the flesh, rejecting the Message, opening themselves to demon powers. But the Evening Message loosed the Holy Ghost and Christ does all three things.

First fold, He came in a Prophet, and Seven Seals, the Lion roared, took the Prophet off the scene, changed His mask; comes into the Bride. "In that Day you shall know I in you and you in Me, and greater is He that is in you. You shall see face-to-face." Hallelujah! Invisible Union, [The Invisible Union Of The Bride Of Christ, 1965-1125 – Ed.], he said, "We are seeing nations uniting, churches uniting, businesses uniting, armies uniting, but that's in the natural realm; all man can see that with the eye." He said, "But I want to point you to another uniting, invisible union, Christ coming down, that Head, twenty-seven miles high, coming to take the Headship over a Body on the earth in this Hour, to make Her the final

Voice. “Greater is He in you than he that is in the world.” Hallelujah! Glory be to God! Oh my!

That which was, is now. And when those nations, Babylon, Mystery Babylon, her type... She has a type in Jezebel. She has a type in Babel. She has a type in Babylon, in the time of Nebuchadnezzar. She has a type in Babel, in the time of Nimrod. She has a type in Jezebel. That’s right. Her daughters have a type in Athaliah.

Watch the systems, the whore and her daughter churches. But every time they had them there, you had a Shem, you had an Eber who stayed with the original language. You had an Abraham, who came out of Babylon, came through like Luther: “The just shall live by faith.” He went out by faith not knowing where he was going – Genesis 12.

Genesis 15, (that’s right) God confirmed the Covenant by blood: three-year-old heifer, three-year-old ram, two turtle doves, the blood, sanctification. Genesis 17, God gave a new name; circumcision on the eighth day: “I am El Shaddai, the Breasted One (to the baby, the Pentecostal baby). Nurse from Me.” Genesis 18, at the end of Genesis 17: the coming of the Angels, the revealing of the Son of Man, the Supreme Judge, the Judge of all the earth in a Day like Sodom.

Watch the Church comes out of Babylon. We see it here, and Revelation 19, the Bride hath made Herself ready. That’s right. Two suppers there: “Blessed are they who are called to the Marriage Supper of the Lamb,” and then, those who reject the invitation will be fed to the fowls of the air and the beasts of the field – “Come to the supper of the great God.”

An angel in the sun, *Blasphemous Names* [1962-1104M -Ed.], he said, “I was preaching in the sun and my message had two climaxes.” Revelation 18. He said, “I wanted to show you all these things are in the Bible, because I’m commissioned only to preach the Word.” Oh my!

So when we look and see, friends.... Thank you for your patience. Thank you that you bore with me to read. But I wanted to read because all the wealth in the Americas, now belongs to them. Because North America, which was Protestant in the time of Elijah, that Jezebel came to the throne and she had control of that nation. And Canada was always Catholic, under the French first. That's right. So she controls from Canada all the way to Chile and all the resources in there are hers. She has control.

But that Angel has descended and opened these things to give us consolation. Her day is... her sins have come up to Heaven and strong is the Lord that judgeth her. All her plagues will come in one day. Bro. Branham said, "One hour? That has to be atomic fire to burn that city in an hour." Elijah, in the Bible, put judgment on Ahab and put judgment on Jezebel when they had the conspiracy to steal Naboth's vineyard; when they used the elders and the nobles; when they controlled the judiciary and the army.

Rome is in every nation and her dealings are with kings and princes and merchants. He said, "And though she sits there, invisible to the world..." But that's why God put her mystery in the Book, and that's why He called us out of the system, because when He is judging her, none of His Elect must be in there.

Just like Jesus, He warned them [that] destruction was coming for Jerusalem. He said, "The armies are going to come. Let not your flight be in winter neither on the Sabbath day," because Jesus knew they rejected His Message and He knew that there was so much mercy, but when the last one is called, the winds, Titus, was going to be let loose and the armies were going to come. He said, "And not one stone will remain standing in this temple." And during that time, the Sealing Angel was moving.

Ezekiel, who ate the Book, didn't just see the destruction of Tyre and the king, he saw before the slaughtering angels came, the Sealing Angel was to go through and seal up the Elect. Bro. Branham said, "Going through the churches, going through the churches and sealing up the Elect so they will not be caught there. Take them out from the systems; bring them into Christ – God's only provided place of worship." That which was, is now. I trust you see that.

Just like we have many types: Sarah, in a day like Sodom in the second ride, "I will return according to the time of life," she received strength to conceive seed. That's right. Rahab, at the end of the Exodus, when they came into Canaan, she had the token and her family was in, and when judgment was going forth, the iniquity of the Amorites was full, she had safety for her home. Ruth, when Israel was going back — Every time we see a type of the Bride, it opens some Mystery about us. Every time we see a type of Christ, He's Eagle, Lamb and Lion; Prophet, Priest and King; Son of Man, Son of God, Son of David. He is Joseph. He is Moses. He is Abraham. He is Boaz, the Kinsman. Every time we see a type of Him, we see part of His Mystery unfold.

Every time we see Rome, every time we see Satan... He was there in Cain, the first false prophet, with the first false altar, the first one into apostasy. Then we see him in Lamech, bringing the violence through the sword, going into the science. We see him in Nimrod. We see him in Nebuchadnezzar, king of Babylon, conquered the whole earth; brought them to a false worship. We see these things. We see him in Korah, breaking the unity between Moses and his people. We see him like Absalom, breaking the unity because he wants to steal the Kingdom. Absalom – perfect in beauty, full of wisdom. Ezekiel told the king of Tyre, speaking to Satan inside of him, "Thou was perfect in beauty and full of wisdom in the day you were created

until iniquity was found in you.” This is the Hour that we have come to.

Let us stand to our feet. That was just some mysteries under the third Seal: Economics, trade, commerce; a city in the earth, how an east wind will destroy her; fire will come out of her own midst. That’s right. The people who support her, many will forsake her. The kings who gave their strength and their power, God said, “I will put in their minds to eat the flesh of the harlot and burn her with fire.” That’s right.

We are at the end. If these things are moving with such rapidity and the Seventh Seal [is] in the Bride, the Third Pull, the opening of the Word, the Mysteries revealed, the Spirit and the Bride is saying the same thing the Spirit said through the Prophet. And what the Spirit said through the Prophet was already in the Word, keeping us in remembrance, keeping us under the prophetic utterance as the modern events are being made clear.

May God make us real watchmen. When God gives us such precious saints sitting there, trusting in what we preach, looking for us to have Divine Leadership, believing that Christ is our Head. Christ is the Head of the man, [the] man is the head of the woman. Pastor and congregation, like husband and wife. What God joins together, let not man put asunder. God put them under the ministry. God gave them a spirit of submission to stay with their pastor who is ordained of God to lead them through.

These are the things when we can see it and we can stay aligned with God, it’s unlimited what God will do. God will not fail any true minister standing at his post. All that God said through the Prophet, all that God promised in the Word, are already here in the Bride. We just have to recognize it. Bro. Branham said, “Lord, confirm to me this Third Pull; confirm it to me.”

God said, “What are you waiting on Me for? I’ve already confirmed it. You have to step out.”

He said, “Well all I know, I’m going to step out from this moment.”

Sometimes, we’re waiting, “Oh God, Lord.”

And God is saying, “Move. Have I not sent thee? Go in this thy might. I will be with thee. Nothing shall stand before you. I give the promises to you. I give this inheritance to you.”

Joshua was so much in the Spirit, he didn’t want the power to be in him alone. He had captains. He had rulers there, over a hundred; over two hundred. He called them. He said, “Come! Put your foot on the neck of these kings.” That is the kind of churches that God has raised up. And the Holy Spirit, showing us yesterday and today, that which was, is now, is happening.

If Ezekiel could have seen it live, happening and seeing things in symbol form, what about us, live, when the real substance, the real drama is happening? What John saw in symbol form; he saw the visions but [had] no understanding; it was prophecy for this Hour. But we are the John today; the Eagle who ate the Book, prophesying, keeping the words of the Prophet alive.

May we be faithful to This. May you rally around your gift and watch God bring those churches into a golden Age. Watch the Spirit manifest and the glory of God. If we can believe God’s Word, not any crazy business; God’s gifts find their places – noble men, gallant men that could come together, no politics; friendship, fellowship, unity, in support of each other, in one mind to see the Bride being made ready. May God help us all, as we bow our hearts.

Lord Jesus, it has been a little long, Father, but we trust that the words that has been spoken are already breaking upon the souls and hearts and minds, becoming, Lord, clear and bringing a great awareness, an enlightened understanding that this is the End Time; the end of all things is at hand. And, just like Ezekiel saw mercy seat was fixing to become judgment seat and

the Sealing Angel was moving through the churches and the prophecy was going forth, and the four severe judgments were in the land: famine, sword, pestilence, the beast of the earth, just like it's prophesied in Revelation 6:8.

And Lord God, we are thankful that we can see that You have raised up men. Your Prophet did prophesy this; God-called, God-trained men that will take this Message and keep it alive, and there will be a revival among the people, and the Holy Spirit, Lord, moving in and out amongst them, and they worshiping the Living Christ, because the Mighty God has been unveiled to them. They know Who You are. They know what You are doing in their midst. And when we can come together in a meeting like this, uniting together, Lord: *If two shall agree as upon touching anything, it shall be done. What we bind on earth is bound in Heaven, what we loose on earth is loosed in Heaven.* May we recognize that all these promises are "yea and amen".

You showed us how You keep Your promise. Like You told Your Prophet, "I see you remember your promise; I remember mine." Oh God, help us to remember our promises to You. Help us to keep our promises to You. Bring a deeper sincerity in our hearts, Lord. As You told the Prophet, "You have to be sincere to bind that mamba in a knot and if you be more sincere, you will see greater things."

Help us in our "unsincerity", Lord. Oh God, we want to walk closer, Jesus. We want to be more yielded, more surrendered, more loyal, more faithful, more truthful from the inward parts. We want to love each other and support each other. May You grant it, oh God.

May You help us all, Your ministering servants. What a responsibility on our shoulders. All we know to do, Lord is like what we saw Your Prophet did. We surrender our lives to You. We give ourselves unreservedly to You, holding back nothing. As the song says, "I'll pay the price. I will count the cost. I will pay

the price, oh God, to see Your Word live and made manifest.” Let Your glory Lord, rest upon Your people. You said, “The glory is risen upon you. It shall be seen on you.” Oh God, we know that not one jot or tittle shall fail. You keep all Your Word.

Bless Bro. Patricio. You put it in his heart, Lord. We spoke about a little fellowship, but his heart is so large, he wanted to make it nice for the ministers and the people that would come with them. He went beyond his means, sacrificed, the people rallied with him, and how we have been enjoying ourselves, Your Presence and the unity amongst us. Bless him, Father. Give back to him sevenfold, oh God, all that he has need of, Lord, the investment he made, putting it into Your hands.

Bless his people, and bless all these who have come with their pastors, these men of God. Bless them, dear God. Bless them in every way, Father. Some of us are growing little older, weary and tired down through the years, but when we come together like this, Lord, we feel blessed to see each other still standing; the love fresh in each heart. It encourages us, it motivates us and inspires us to continue to strive on.

We thank You, Lord. Have Your blessed way. Take full and complete control. We commit everything into Your mighty hands, in the Name of Jesus Christ. Amen and amen.

Amen. Praise His wonderful Name. Amen. Glory.
