FOREWORD

This is a sermon preached by Bro. Vin A. Dayal and is published through the freewill offerings of the members of the Third Exodus Assembly.

It is intended to edify the reader and make clear the Bride-Promises of God, which were revealed through the ministry of God's Prophet-Messenger, Bro William Marrion Branham, for the Elect in this Day. It is not meant to promote any special doctrine or person, save, the Lord Jesus Christ and His Divine Word.

The original video and audio recording can be accessed through our website www.thirdexodus.org

We pray the blessing of God upon each reader and may illumination by the Spirit of God be each one's special portion.

Excerpt:

God's program cannot be anything but the revelation of the Word for the season because God allots His Word for an Age. He predestinates people to manifest that Word. The Holy Spirit is always on the scene to come to the elected ones and quicken their minds to the revelation of the Word, that they may enter into God's program; that they might leave their own works (amen) and do the will of Him that called them. Hallelujah! That will become their meat [desire -Ed.] then God would be able to reveal Himself unto them. Amen.

We who have been called, we have heard our names. Amen. We were out in the world somewhere, but God had a Divine purpose. He came down and He called us, amen; quickened our minds to something and it changed our lives. Our neighbors didn't understand it, our friends didn't understand it, amen, but we couldn't help being the way we were. It was something that was beyond our control. We might have tried to be ashamed, and blushed for a season, but when it started to pulsate on the inside, It threw off every old thing. Hallelujah. [Page 12-13]

[#468 - Songs That Live -Ed.]

...like this Day I see.

There's never been a Light that shined so bright.

As this Day, this glorious Day.

Let's just sing: Christ is revealing Himself unto me.

Christ is revealing Himself unto me.

He opened mine eyes...

He opened mine eyes and now I can see,

His Word is becoming a reality in this Day,

this glorious Day.

Amen. Is His Word becoming real to you tonight?

Amen. I could almost hear the Trumpet sound, see the dead in Christ rising. We are getting ready to meet Him tonight.

We have a few notes of praise here; we would like to read them. *Sis. Walterine Alert will like to give the Lord praise and thanks for touching her sore throat and clearing it up after prayer was offered for her on Monday night, at McBean. Amen.*

I went across to McBean and the sister somehow had damaged her throat; bounced it. She could hardly speak when we were there, and here she is tonight, she can speak and she is well. Amen?

Also: *Bro. Wilson [Bro. Carl Wilson -Ed.] would like to thank the Lord for granting unto his wife a safe delivery of a baby girl. The baby weighed eight pounds, four ounces.*

Amen. Amen. So we really (amen) appreciate God's grace unto her.

Also: *Thanksgiving and praise. My neighbor Mr. Seales would like to thank the Lord for healing him of his urinary difficulty. He is now passing water more freely than before. Praise God: Bro. Alwyn Allen.*

Amen. You all remember that, on Sunday morning? Amen. His grace is all-sufficient.

Here we have a few that are in need of Him tonight: *Prayer is requested for Mr. Roderick Rodriguez who is suffering from constant fever and asthma: Bro. Allen. This is somebody maybe he knows.*

Sis. Sandra is requesting prayer for her daughter Franka for a swollen forehead.

Also: *Please pray for me, I'm feeling very weak in my body and nervous: Sis. Rita.*

Sis. Farrell is requesting prayer for her neighbor Mr. Henry Best, for a lung ailment. He had an operation to his lung about two years ago, and up to now he is still ailing. His wife is in service tonight.

Amen. How we want God to touch him and let them know that God is here amongst His people. Amen.

Also Bro. Jeffrey Sanchez would like to make an open confession before the church.

Shall we... Okay, we'll leave that for afterwards. Let's just bow our heads and pray the prayer of faith for these. Shall we sing that little song: He's all I need, He's all I need. He's all that we have need of, tonight. Let's sing: You are all I need. Amen.

[#434 - Songs That Live -Ed.]

*You are all I need, You are all I need,
Jesus is all I need.*

Oh, You are all I need, Father.

*You are all I need, You are all I need,
Jesus is all I need.*

Every head bowed, every eye closed.

Our gracious Lord Jesus, in our hearts, we are deeply thankful tonight, for the great faith that we feel among Your people, for the atmosphere of great

expectation that is in the house of God tonight. Lord, knowing the people have come believing tonight, Father. He that comes unto You, must believe that You are, and You are a Rewarder of those who diligently seek You. That is Your Word tonight. And that is how the people have come tonight, Father.

God, we all are looking towards that Supreme Sacrifice, that Atonement in which every redemptive blessing laid. Knowing dear God, the true identification with that Atonement tonight, Lord, brings us in the position to receive whatever we have need of tonight, Father.

God, there are those in the house of God that is in need of You tonight. They know that You are their Healer. They know that You are their Provider. They know You are their Deliverer, You are their Saviour; You are their all in all. You are the great One amongst us tonight. Oh God, we stand here, Father, realizing it was just through Your grace. So Lord, we ask that You'll forgive us of our sins and our shortcomings, our mistakes; our failures. We ask that You will sanctify us in our hearts.

Dear God, as we stand here now, knowing Your Blood is applied to our heart, we know that *that* Blood has made us worthy. For we come, not on our own righteousness, but we come in the righteousness of the faith of the Living God.

Father, as we look to that Supreme Sacrifice in which the price of our healing was paid for, God, we know even now we have access to Your healing virtue, which by faith we apply to little Franka with that swollen forehead; which by faith we apply to Sis. Rita, in a weak and nervous body tonight; Lord, by faith we apply to Mr. Roderick Rodriguez, Lord, a man who Bro. Allen is standing here believing for tonight, who has that constant fever and asthma; Lord God, by faith we apply, Lord God, to Mr. Henry Best whose wife is in the service even now, Father; ailing for two years, but

we know God, You are able to heal him now, for we believe, in the Name of Jesus Christ. Hallelujah!

May every one of them tonight, be completely delivered by the Power of the Blood of Jesus Christ that speaketh better things tonight. Hallelujah! Father, we thank You, for we know the promise is sure to all the Seed.

Dear Lord God, even the Word of Truth for the inner man, that spiritual Meat in due season, we await our portion from You tonight, that You will give It out unto us that It may bring strength on the inside, Father. For we know it becometh us to fulfill all righteousness, and our meat [desire -Ed.] is to do the will of Him that sent us, and to finish His work upon the face of this earth. We know time is running out, Lord; just a few more days. So Lord God, we realize we cannot futurize Your promises anymore. The Hour is here, the time is now. And Lord God, with the faith we feel in our hearts tonight, God, we come to anoint these things unto ourselves. So may You make it plain unto each and every one tonight.

Lord God, those that are needy of You, Lord, they will receive a Divine revelation; Lord, those that are confused in their minds, those that wanted to know Your perfect will; those that are waiting to hear Your Still Small Voice speak to them on the inside. Those waiting for that sure Token, a confirmation to the thing that they're praying and they are seeking You for, Father, concerning Lord God, Your Word in their lives, Lord God, make it plain unto them tonight, we pray, that they might be settled in their hearts to serve You in Spirit and in Truth and no longer be entangled, oh God, in the yoke of bondage, or having the spirit of fear and bondage, but Lord God, may they receive a Spirit of power, and of love, and of a sound mind tonight. Grant it, Father. We ask it in Jesus' precious Name, and we commit all unto You tonight, Lord God,

that they might receive of the Word of God, for Your honor and for Your glory, amen and amen.

You may have your seats tonight, as we just ask our brother quickly, what is upon his heart, to speak here. Bro. Jeffrey Sanchez.

[Bro. Sanchez makes a confession -Ed.]

Chapter 15, 1st Thessalonians 4 and Ephesians 2. I want to read from 1st Thessalonians 4 first. Amen. Does everybody love the Lord tonight? We're under great expectation when we feel His Presence amongst us. When He comes and we know He is here, we know He has come to do something for us tonight. I'm reading from verse 13:

13 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.

14 For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.

15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord

18 Wherefore comfort one another with these words.

Ephesians 2:

1 And you hath he quickened, who were dead in trespasses and sins;

² Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the spirit that now, [now] worketh in the children of disobedience:

³ Among whom also we all had our [manner of life] in times past in the lusts of our flesh, fulfilling the desires of the flesh and of the mind; and were by nature the children of wrath, even as others.

⁴ But God, who is rich in mercy, for his great love [with which] he loved us,

⁵ Even when we were dead...

We were dead at one time, amen?

...in sins, hath quickened us together with Christ, (by grace ye are saved;)

⁶ And hath raised us up...

You were dead and now you're raised up. Well, the only thing to raise you up is the Voice of the Resurrection. Amen.

...raised us up together, and made us sit together in heavenly places in Christ Jesus:

⁷ That in the ages to come he might shew the exceeding riches of his grace in his kindness toward us through Christ Jesus.

⁸ For by grace are ye saved through faith...

You're saved by grace but through faith. You see, faith is a revelation. Grace is what God has done for you, but faith is the revelation of God's grace being revealed to you. Amen.

...and that not of yourselves: it is the gift of God:

The revelation is sovereign. Amen?

⁹ Not of works, lest any man should boast.

¹⁰ For we are his workmanship, created in Christ Jesus unto good works, which

God hath before ordained that we should walk in them.

1st Corinthians 15, reading from verse 51:

⁵¹ Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,

⁵² In a moment, in the twinkling of an eye...

He wanted a word to describe how fast it was going to happen, so the quickest thing he could think of was the twinkle of an eye.

...at the last trump...

That's the time when it will take place – at the Last Trump.

...for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

⁵³ For this corruptible must put on incorruption, and this mortal must put on immortality.

⁵⁴ So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory.

Shall we bow our heads and close our eyes?

Father, we thank You tonight for Your grace and for Your mercy, that we could be here in Your Presence. We thank You for the sincerity of the heart of our little brother, Lord, as he had been led by the Spirit to confess his wrongs, Father. God, may it be blotted out with Your precious Blood even now, and may he be free from all condemnation in his heart. Lord, may You reveal more of Your Word, that he may walk in the Light as You are in the Light, that he could have fellowship with You.

We pray for all these here tonight, that the revelation of Jesus Christ, Lord, will be so quickened

and inspired to their hearts tonight, Lord God, that they could come to that Perfect Faith. For we ask it in Jesus' precious Name, amen.

You may have your seats.

I want to greet everyone in the house of God tonight, that is here, and have come out with great expectation in your heart to hear the Word of God. That is what we feel in the house of God tonight – just the type of atmosphere where we just want to come out of the way and let God do what He has in store for us. Amen. I don't intend to preach too long tonight. I'm just trying to come directly on the Word and just preach what is upon my heart.

I want to continue a little bit from Sunday morning, and for a little thought, we might take, **“WHY THE TRUMPETS WERE PREACHED SUPERNATURALLY”**.

You know Bro. Branham said, “There's a lot of ‘whys’, like ‘why’ it had to be shepherds or ‘why’ little Bethlehem, and ‘why’ it had to be wise men with gifts, and ‘why’ it had to be all these different things.” I always had a little statement, I'd say, “The wise, that is the W-I-S-E, will understand the ‘whys’, that is the W-H-Y-S. Amen. There are a lot of ‘whys’ today. Amen. “Why is God doing it this way?” And, “Why is God doing it that way?” Amen. But the wise will understand.

May God give you the Spirit of wisdom and revelation in the knowledge of Him tonight, that the eyes of your understanding, the Bible said, being enlightened, that you may know what is the Hope of His calling, and what is the riches of the glory of His inheritance in the saints, and what is the exceeding greatness of His power towards us who believe. [Ephesians 1:17-19 –Ed.] So you may know His calling, you may know His inheritance and you may know His power. Amen.

If God would put that in your heart tonight, I believe then, you would not be tossed or driven, you would

not be in doubt, you would not be shaken like a reed in the wind, but you'll have a revelation of what is God's will. And when somebody possesses a revelation of what is God's will, then obstacles no longer become a frustration or a hindrance because they have something to motivate them to press through, in spite of all the obstacles.

We cannot pray for God to move the obstacles, because it's the Divine wisdom of God that put the obstacles here, and you, through a revelation, have chosen this way, which is the harder way. Amen. And when you chose this way, you knew that you chose the harder way, but you are given a consolation that a huge portion of Heaven awaits you. Amen. And this in itself is what will bring to pass that tremendous victory in the Love Divine, amen; what we are looking for; that we could hear Him say, "This is My beloved son, this is My beloved daughter, in whom I am pleased to dwell in."

What a great time it was for us to be standing there on Mount Temptation all these years. It was a great battle, a contest, which is a test of strength (amen) where each and everyone had to prove themselves worthy of the promise. And all that is happening in this Hour, are people who have proven that they are worthy of the promise.

The promise was made, the Bride was called, She had to enter into a time of testing, amen; He had to approve whether She was worthy of the promise of God or not. Then the Hour is here, many have fallen, many have dried up, many have become cold, many have gone back but there are still some standing tonight. Amen. What has happened? The Holy Spirit, through a Divine revelation, has given a call to the Resurrection. He is sifting the Wheat. Amen. He is pulling aside a people to get them ready for the Holy Spirit. The dynamics shall be a refilling of the Holy Ghost. Amen.

This is what many don't understand. They fail to recognize what stage of God's program that we are at, so they just try to jump and do something here, try to jump and do something there, but without inspiration. Then when it is out of God's perfect will, then God cannot bless it. So they find themselves frustrated. They try this, they try that and it's not seeming to work because they don't have a revelation of what God is doing at this present time.

How it is a desire in my heart tonight, that God could put that into each and every heart – a true revelation from His Word of what God is doing now; a true vision that you could behold Jesus Christ. Amen. And the only place you could see Him, is fulfilling His promised Word.

On a message called *Look Away To Jesus* [1963-1229e – Ed.], Bro. Branham saw the Pentecostal people; they couldn't recognize their Message, they couldn't recognize what God was doing, though it was thoroughly being vindicated Supernaturally, it was promised in the Scriptures, it had all the characteristics to identify that this was God fulfilling His Word but when he really summed it up, he found out that their problem why they missed it, they had a wrong conception of what they were looking for. Amen. To make sure we don't get trapped in it, to make sure we don't make the same mistake, he said, "When you're looking for Jesus, look for Him in the fulfillment of His Word." Amen.

So, then the Holy Spirit had to come, take the Word given unto us by Malachi 4, a Prophet, because we have nothing to go and seek God for. Amen. God gave a promise, He gave us the Word; we have the Word. If you go and seek God for something again, it's outside of the Word. Amen. You see? Because He has given us the Word already. What we are looking for, we have found It. It was a Message which is *the Way*, *the Truth*, and *the Life*. All it requires now is obedience to

the Word of God. Full obedience to the Word of God given unto you, entitles you to the Token, the baptism of the Holy Spirit. Amen.

This is where many people get trouble because coming over with their denominational spirit from the Laodicea Age, with a spirit of man's program, man's works, man's ideas, man's achievement, was the spirit of man working in the church. Amen. So many people came over and still try to do their own works, have their own program; do their own business.

Then a Prophet came and revealed to us, it doesn't matter how sincere we are, doesn't matter how many good objectives we had, doesn't matter how good our intentions are, God cannot bless it. It must be according to the will of God. And he showed us when you're doing God a service, you must have five things identified in your service for God to accept your service.

He revealed the real God of the Bible first and showed us that *that* typed that God Who doesn't receive just any kind of worship. He must be worshiped according to the revealed way that He gave in the Bible. Amen. That is what he was doing to us, showing us that God cannot receive their worship because in vain do they worship God. And he revealed to us that the Father was in him seeking the true worshippers, and if we wanted to worship Him, we couldn't stay in Laodicea to worship Him. Amen. Like with Israel He said, "Bring them out of Egypt (amen) and bring them back on My holy mountain." Hallelujah! "Bring them on My holy mountain so that they could worship Me."

Then He called Moses up on the mountain, took him up in the Pillar of Fire, gave him the revelation and Moses came back and set the people in order that they might worship God. Amen. He set them in order. In the Book of Leviticus, everything had to be in order, to worship God. A people who was on the march to the

promised Land, who was being led by the Pillar of Fire, (it was an Exodus,) they were marching unto a promise and they were set in order and the Glory of God was in their camp. Many people were watching the back parts (amen!) but they failed to see the Pillar of Fire, they failed to see the Smitten Rock; they failed to see the Token Lamb. Amen. But God was on the scene bringing to pass His Words of promise that He spoke to Abraham. Amen.

If you recognize these things taking place, history only repeats itself. Amen. How we are thankful tonight that in this blind Age, a Prophet had Eyesalve. We found the man who had the Eyesalve. Amen. Anybody else who rubs something in your eyes, it will surely blind you from what is going on, but he had a revelation to open our eyes; to let us see what God was doing. Amen. And he prayed on a message called *The Contest* [1962-1231 -Ed.], after he saw the vision of the blast and the Seven Angels, he said, "Oh God, open up that Rock beneath the rock that we might see Jesus and His program." Not man's program; God's program. Hallelujah!

God's program cannot be anything but the revelation of the Word for the season because God allots His Word for an Age. He predestinates people to manifest that Word. The Holy Spirit is always on the scene to come to the elected ones and quicken their minds to the revelation of the Word, that they may enter into God's program; that they might leave their own works (amen) and do the will of Him that called them. Hallelujah! That will become their meat [desire - Ed.] then God would be able to reveal Himself unto them. Amen.

We who have been called, we have heard our names. Amen. We were out in the world somewhere, but God had a Divine purpose. He came down and He called us, amen; quickened our minds to something and it changed our lives. Our neighbors didn't understand

it, our friends didn't understand it, amen, but we couldn't help being the way we were. It was something that was beyond our control. We might have tried to be ashamed, and blushed for a season, but when it started to pulsate on the inside, It threw off every old thing. Hallelujah.

We could no longer be like Jairus. Jairus was a secret believer. Oh hallelujah! We don't want any secret believers. Glory to God in the highest! Hallelujah. Amen. Jairus knew that the Pharisees didn't have anything. Jairus knew it was a bunch of man's commandments; a bunch of man's ideas. Amen. Do you know what God did? God afflicted his daughter (amen) because God wanted to force his hand. Bro. Branham, on a message called *Proving His Word*, he said, "God made Jairus face the issue. He brought him out in the open." Hallelujah!

Oh, I feel good tonight. I know the shout of the King is in this camp. Hallelujah! Amen. This is the Hour that God is forcing every secret believer to take their sides with Jesus; to be identified with the old, rugged Cross. Do you want to bear His glory? You have to bear His shame first. Amen. You have to bear His shame before you could bear His glory. You have to carry the Cross before you could get a crown. Hallelujah! This is the Hour (praise God!) that you cannot be ashamed of the Gospel of Jesus Christ; It is the Power of God unto salvation. Hallelujah! Oh brother! Hallelujah! He said it. This isn't me. It's the Voice of the Resurrection. Hallelujah! Amen. Glory to God.

When it happened, Jairus knew right away where the Quickening Power was. Jairus knew the Pharisees were whited sepulchers, full of dead men's bones; had no Quickening Power there. He knew where the Mercy Seat was. He knew what the Veil was. Hallelujah! Amen. Where is the Church of the Living God? Where are the quickened born-again believers? Where are

Heavenly Places? Where is the Hidden Manna? Hallelujah! Where is the Voice calling the names of the elected Seed? It must be somewhere. Praise His holy Name. Amen.

So here was Jairus, my, he was coming. And God brought him to a point, God extended him to the place because God wanted to bring a real death; no half-way business.

When he came, they said, "Jairus, don't bother. Don't bother; the girl is already dead. Everything is finished. It's over."

But here was the Resurrection and the Life. Here was the great Archangel Himself (hallelujah) veiled in flesh. Hallelujah. He stood there, He said, "Jairus, fear not, but only believe. Only believe!" Amen. My!

He had to go and get... All the people were just crying and fussing and stewing and all kinds of different things, and when the Resurrection and the Life came walking in, everybody, you know, they started to laugh because they didn't recognize the fulfillment of the Word for the Hour. It looked ordinary, but that was where God's program was being manifested. Hallelujah. Amen.

God has something for this Hour. If God isn't doing anything, then it's a waste of time, we being here. It's a waste of time that we are going to church. Amen. But if we know God is doing something, amen, brother, I want the front seat. Glory to God! Amen. I don't want a back seat, I don't want to peep through a window, hallelujah; I want to be right up in front. Amen.

Do you see what a tremendous thing it is? This is the Hour, God (amen) is not going to leave one hoof behind. Hallelujah. Amen. And God is going to lead His people in trouble. Amen. It takes trouble to bring out the best out of people. Amen.

Everything might have been going nice and smooth for a season, but from the moment you begin to

identify yourself in the Word. Maybe you might have heard it before, but when you start to do it for yourself, then you believe it is really so, because it is you getting your persecution too. Amen. You just talk about Jesus and see if you don't get persecution.

It's not saying "Jesus," you know, because Jesus is the Word manifested in every Age. I'm not talking about pronouncing 'Jesus', because everybody says "Jesus" but they don't know who Jesus is. But when you start to talk about the Word being manifested for the Hour... See? The Devil can't give you faith. Might give you a boost in your senses; give you a wrong expectation or something, work you up, but faith is a revelation and the revelation is sovereign in God. Because it takes God to get at the Gene.

Only Light could quicken your Seed and bring it to Life. Without Light there cannot be any Life. Amen. So it must have light to strike the seed. Amen. And this is the Hour when the weak sun in March cannot ripen the grain because it's July. Spiritually we're in July. You might say, "No, it's March," amen, but in God time, I am in July. It's Harvest Time, and the Son is in Its full strength and the Grain is ripening with that generation. Amen. You see!

You see, in March, the sun is very weak (amen) because the winter is now going away, and spring is coming in. Amen. The weak sun is just bringing up a little blade out of the ground; a little revelation. Amen. See? It can't ripen you; it's a little revelation. A lot of people have a little revelation but it's green. Amen. But this is the Hour we are talking about a ripened faith.

Bro. Branham said there in 1965, "Your faith is still green because you are hearing the Message intellectually." He said, "But when It tenders up in your heart, bathes down and gets sweet in the Spirit, (amen) then you watch and see something." You will see sincerity coming in. Amen. You will see the

sacredness coming in to know the people are being ripened. You wouldn't come inside and meet them talking in the church; they'll be on their faces before God, praying. Amen.

They will not want any formality. They'll come with expectation to press through until they get the blessing. They'll get ahold of the Angel because they'll have a revelation of Who that is Who came down there. Amen. About the breaking of the Day, when the Son begins to rise, (amen), when that New Day is breaking forth, and they are coming out of the historical part of the Message to see their own name in the Book, to wave at themselves in the Mirror, and see their reflection wave back; when the joy bells start to ring in their heart, amen, where they get a spring in their step, (hallelujah!) when the salt begins to get really salty; when they know something is happening to them. They know they are being quickened. Their affections have changed; it is set on things Above. Amen. People can't understand anymore.

Why? Because something has happened to them on the inside. Amen. When that time comes, amen, they have a revelation of Who It is there. It's the Angel of the Lord. Amen. They're not going to let Him go until they get the blessing. They've caught a revelation, their faith took ahold and they know that the Angel is here. They know He can change them; He can give them Overcoming Power. Amen. They aren't going to let go for anything. They're going to wrestle until God changes their name, amen; until God gives them a New Name; until they...

You can't have a New Name until you get a New Nature, until you see yourself in the Bride's section of the Book; when you see your Word-self; when you get in the channel to be connected to your theophany, amen; when you know that there is a Word-image that is in you in a seed form. Amen. And that Word-image had to be in a Word-body. Amen. Because you

bypassed the Word-image, you couldn't go into the Word-body. So the Word-body had to wait until you get quickened and come to the Word-image. When you come to the Word-image, then you could get ready for your Word-body. Oh my!

When you realize something in you has been quickened and is growing, adding cell upon cell just like a mother who is pregnant – a baby is being formed on the inside, (amen,) adding cell upon cell. See? She has an egg, the father has a sperm, and that sperm finds that fertile egg, crawls into it, (amen) and inside of there is laying everything to produce a body. It's been adding cell upon cell, until the body is formed. So that body that was being formed will have to leave the mother's womb at an appointed time, because the great Designer designed it that way. When it reaches a certain growth, it will burst that water bag, to show that the life on the inside is coming out. Amen.

What is it coming out for? Because there is a spirit, hanging there to enter into it. What was this revival? It was a water bag bursting. Why? There was a Spirit, the Dove, hanging around a people, to enter into them in Its fullness, to cap off the pyramids of their lives. What were all those years of hard trials in the Message? What were all those years of persecution? What were all those years, when you sighed and you cried and when you tried to press through and you fell, and you rose and you fell, and you pressed? Today you are understanding because the Holy Spirit has rode in on the scene. Amen.

They that sowed in tears are reaping in joy. When does it come? In the morning. How will you know? Amen! A revelation will break forth, amen; a New Day. Hallelujah! A New Day has broken forth for many. Many are still asleep, amen, but the Holy Spirit is here to wake them up. Amen. The Seven Thunders will wake up the Bride: "Awake, thou that sleepest."

Amen. Many who are there are wondering what is going on.

Bro. Branham said, "It's like when a man is in a nightmare – neither sleep nor awake." He said, "So it is. It's like a man, here he is, you know, who died outside of Christ; he can't go into the Presence of God because he is not covered by the Blood, and he cannot come back to earth because his time is up. Amen. So he is trapped in the fifth dimension.

This is a horrible time. Amen. And many are like that. You see, they know they came out of the organization, (amen. See?) and they don't intend to go back there. And they know God called them to perfection, and they're not seeming to get there. Amen. They are inside of there, they're trying to serve God, live a moral life, move around with a Bible in their hand, testify about Jesus but they don't know anything real that's going on. Amen. Then when God really wakes them up, (amen,) they begin to walk with steps of assurance; they know where they came from and they know where they are going. They have a Guide guiding them on the road. Amen.

Then the trouble, why the people can't get the faith today, they can't seem to get ahold of the faith, when the Message came to bring the faith. Oh, this is the desire of my heart – to see the faith that will take the Word and challenge the Devil with It; (hallelujah!) to see man who would not be ashamed but to step out and put their lives on the line and see God back up His Word. Amen. God is a Healer, God is a Deliverer, God is a Saviour; God is a worker of miracles. Amen. Hallelujah.

The Seven Thunders turned the hearts back to the original Apostolic Faith. And Apostolic Faith wrote a Book of Acts. When the Church comes to know who She is, there will be a continuation of that Book of Acts. Amen. That is what the Holy Spirit is doing. That's His program. Amen. That is what He has on

His agenda. Amen. When He came into the 'ward', He looked at the patients who were in a coma. He looked at them who were coming back to consciousness. Amen. He looked at them whose amnesia were leaving them. He was checking up on them. He wanted to make sure they know as they were known. Amen. See? Because the Hour is here. Amen. See?

So I want to speak here because on Sunday I was trying to show you that there on that message, *The Eagles' Revelation*. [1982-0321 -Ed.] I was just speaking a memorial there on Sunday on the Fourth Seal because Sunday was the 22nd, I believe it was, when *The Fourth Seal* [1963-0321 -Ed.] was opened, (amen) and then preaching that message showing you the Eagles' revelation. Where the Carcass is, there will the Eagles be gathered. Amen.

The Seven Thunders gathers the Bride, amen, but She has to find where the Seven Thunders were written. God told Her what it is and what it does but He didn't tell us where it was written. He left that as a revelation. He told us there, but that remained—that is the part for us to find. We don't have to go to find out what it is and what it does; we have to find where it's written. Amen. See?

So I hope you got that there on Sunday. Just to show, there is something going on and why many people can't get into the harmony, why many people can't get into the channel of... Because the revelation is really a channel of inspiration opened up to you. That is what the revelation was. It was a key opening a door, and you were supposed to enter into that door where you would be anointed with Something. It would change you, transform you, from an ugly caterpillar into a beautiful butterfly. It's a revelation.

Like how He took the Prophet, a man who couldn't even pray, a man who had a compromising spirit, a man who was 'wishy-washy'... [Weak -Ed.] Yes, the Prophet I'm talking about. Couldn't even face a

woman; couldn't even talk to his mother-in-law. Amen. Can you imagine and you're supposed to be Elijah? He was supposed to condemn all those Jezebels. Amen. He was supposed to hit out against all those Herodiases and he couldn't even talk to a woman who was a Christian with a hard spirit; one of those kinds of legalistic Christians. You see? He couldn't talk to them; mothers or Jezebels. So God said, "I can't send you out like that to My people; I have to fix that first." Amen. See?

He didn't even know how to pray. He said, "I can't pray, but I could write." So he wrote God a letter and he said, "I know God is in nature," and he tacked it up on a tree. He said, "When God passes here, God will read it." Amen.

So some of you aren't so bad after all. I don't know why you keep looking at yourself like you are nothing. Amen. You watch and see. Some of you were never that far back.

He had a temper like a buzzsaw. God said, "Well, I can't get that man in the Third Pull at all yet. Because somebody just gave him a little 'fatigue' [to tease or taunt someone with a joke -Ed.], (see?) made him ashamed in front of a little school girl, he ran home, loaded up the rifle, hid in the bush, and he was waiting to shoot them in cold blood." That was premeditated murder. That is what they call first degree murder. Amen. And he was hiding there to shoot them in cold blood, and when they passed, he jumped out and he said, "Which one of you wants to die first?" See?

When God watched that, God said, "That is really out of shape." How could He put the Third Pull in a man's hand like that? Anybody that stepped on his toe, he might speak them out of existence. He didn't have the Third Pull, he had a gun, so he wanted to shoot them out of the place.

He was going through a little trial, (see) he stood up there and he was getting frustrated; wanted to go and

commit suicide, (amen,) trying to say, “*Our Father which art in heaven, hallowed be Thy Name,*” and pulled the trigger. That doesn’t work. Amen. And when he got discouraged, he wanted to come out of the race. God was seeing, “You are not coming out of any race.” Amen. “I’ll bring you to a place for you to realize, you can’t do anything for yourself. I’ll bring you to a place to know, it’s Me you need.” Amen.

So you fail, and you fail! It looks like you are not going good at all because you’re only failing. But you were ordained to fail for a season continuously; failure after failure after failure. Do you know why? God put a desire for success. And any time you’re failing and you have a desire for success and you’re failing, you get antagonized. You get vex. Amen. Because you are not made up to take defeat. It’s victory you have to get. Hallelujah! Do you think God doesn’t know what He’s doing? God knows what He’s doing with every one of you here tonight. Amen. Oh, thank You Jesus. With every one of you tonight, God knows what He’s doing. Amen.

God said, “Alright.” He had him in the place where He wanted him now. Then God started. See? And the trials, what looked like it was so rugged, look what God turned out in the end – gold tried in the fire, seven times; without any iron pyrite. Gold that was reflecting God, because he was beaten out of the place. He was beaten completely out of the picture. But if you think you are the ‘star boy’ [the lead actor in a movie or play – Ed.], you want to be in the picture? But not in God’s picture. Amen. After God beats him out of the picture, then watch God mold it and shape it into something.

The same man with a temper like a buzzsaw, who was going to shoot six men in cold blood, he watched two boys (amen) who were laughing and ridiculing while he stood up there testifying about the Power of God, (amen) and a mother who was praying, who was

believing for them, those miserable children, who maybe got her on her nerves many a times, (amen) and here a sovereign grace dropped down on the scene, (amen,) He said, "Give her what she wants," (amen) and he was able to give Life. The one who wanted to take life, said, "I give them to you in the Name of Jesus Christ." Amen.

The one who couldn't even pray, stood up and watched a blizzard, and said, "Go back to where you came from," (amen,) and the elements had to obey. The one who was afraid to go up on a little Pentecostal platform, Chicken-Licken, (amen) and was afraid to go up there with all those little gamecocks on that platform, stood up afterwards and indicted this generation for crucifying Jesus Christ. Amen. What was it? It was what God had in His Mind.

So sometimes what looks cruel, when you don't have the revelation, you say, "Oh God, I'm feeling sorry for what they're going through." Look what God had in His Mind! Look what God used those trials to turn out. Look what God brought afterwards that was supposed to be an example for all of us. Regardless of what walk of life we were coming from, it was to be an example for all of us. Amen. And here, by the grace of God, as we recognize that, to realize that you tonight, that what God has in store for you, it's God's program. He was coming to reveal; quickening the people to recognize what is happening. Amen.

So notice, on Sunday, I was trying to show there that those Seven Thunders, what it is. It's the revelations contained in the Seven Seals. That's what the Prophet said. Any other definition is the wrong definition. That is God's definition. Amen. I stay with God's definition that proceedeth out of the mouth of the Prophet.

Then he said what it was for. Amen. He said, "It will literally turn the hearts of the children back." Amen. And then it's here where the Mystery comes

now. He said, "After a while, you will find the revelations contained in the Seven Seals that will turn your hearts back, you will find where those Things are written. That is the part you have to find. I told you what it is, what it does, but you find where it is written." Amen.

So on Sunday I put that there for a purpose, and here tonight, I want to show you why the Trumpets were preached Supernaturally. Because there is something going on in the earth here and what I want you to see, I want you to get a revelation, and I want Jesus Christ to give you the revelation. Amen. Because Jesus is the One Who holds the great Secret of what is going on. No man knows what is going on. Because when that End of Time Seal starts, it is a total Secret. I'll read that for you in a little while. When those Seven Angels appeared and that blast took place, what goes on from there until the Bride leaves the earth is a total Secret.

Many will hear with the sense of hearing in the physical body, but will not understand because they have no Gene. Amen. See? So here he was among the Pentecostals, and he was doing something there and the Pentecostals never recognized what was going on. And he tried to show them, it was God's promise being manifested.

This is what the Holy Spirit is trying to get to many people to show you, what is happening here, it is not just another service. It is not just "Well, here is going nice." Amen. It is God interpreting His Word by bringing It to pass. That's what we're on. What we're on here, is not just preaching a sermon; a message.

That's why when you come, you feel something here even before you reach. You stand to sing and it is something you feel in the building. You know, you feel in the building, there is a Being that is here. Amen. And that One Who is here, He is giving you the revelation; He's whispering something in your ear.

You might sit down there in your seat and hear something in your ear speaking. It is not the person next to you, amen, but it's another Person next to you. Not next to you on the chair right there, but a Person next to you right there, He is whispering something in your ear. Amen. He's revealing to you, that though the Prophet is gone, He is here. Amen

When you get that revelation that Jesus is actually here... I'm not talking about a breeze. The Holy Ghost, as I told you, is not a breeze; not a thing like a breeze. The Holy Spirit is the Angel of the Lord. That is a Being. You say, "Well, how could He be here? If He is here, do you think He could be somewhere else?"

You see, He doesn't have to go to a certain place to do something. He showed us that. The man said, "I'm not worthy for You to come under my roof. Just stay where You are and speak the Word." Amen. And then He could come under your roof like with Jairus too. Amen. So He comes, or He could stay where He is and speak the Word, because He is travelling at the speed of thought. Before you could even think, He has already done what He has to do and came back. Amen. And He keeps all His appointments. Hallelujah!

Do not think that He doesn't love His people. You see, you can't fathom that kind of Love. If you tell somebody tonight, "Look, tonight is Thursday night and there are many places having services tonight; I have an invitation to a wedding and I want you to run to every fellowship and give it to them," (see?) and that person starts to run, from church to church; he has to run all down to Cedros, all up to Toco, (amen,) my, it will be really hard for him. Amen. You say, "Well, I can't imagine that a man can have so much love to obey a hard thing like that; to run all over the place just to give a little invitation. See?

Now if you tried to compare God like that, you'll end up in the wrong thing, because He will do that. He will

stay here and it might have some saints quite in China, and it will only take Him a thought to reach in China and come back. He is moving around the earth fixing things for the Coming of the Lord. He is fixing it Himself. Amen.

So notice, the Bride is being quickened here. And I took the Scripture in a strange way tonight, 1st Thessalonians 4, verses 13 to 18, because that is speaking about the Rapture. It's speaking about where the Rapture is going to come, and then has to be interpreted so the revelation could be made plain to us.

You see, if that just stayed in the Bible there like that, we'll just be mystified: "What is the Shout? What is the Voice? What is the Trump and these things?" But that was written there to be interpreted when the Seventh Angel comes. No man will attempt to interpret that. Any man might believe the Scripture and speak It and say it will happen, but no man dares interpret that, until he gets a direct revelation from God. Until the Lord Himself descends and gives forth that Shout, then we'll know what is really going on. Amen

Then I picked up also, another Scripture here, 1st Corinthians 15, which is speaking about the physical body being changed (amen,) because we know that that is part of the revelation of the Rapture – that your body will be changed. Amen. First the revelation comes forth, and then we'll see what God wants done. We'll see what God's program is and then we could get into the channel where we could look with expectation for the fulfillment of His prophesied promise. Amen. And then when we are looking for His prophesied promise...

That's why he said, "I can almost hear the Trumpet sounding; see the dead in Christ rising." Amen. See? Why? It's just around the corner, up a slight incline. Amen. See? The fullness of His Glory will be revealed.

Amen. I believe we're turning that corner even now tonight. Amen. See, it's just around, up a slight incline. And here we'd see it spark off, strike the octane in the gas and prove it is not water in a gasoline pan. Amen. He said, "Many people are saying it is gas. And if a man says it is gas, it is alright, but it could be water in a gasoline pan too. The only way to know is to take a match and strike it; we'll find out if it's gasoline or water." And this is the Hour. Amen.

Brother, I'm not ashamed of what I preach: "Well, I'll get exposed someday if I'm wrong." It's better that I get exposed now if I'm wrong, so I could get ready for the Resurrection still. Amen. So that is the way my faith is operating. Because I want to strike it and prove it's here. I don't want when the Squeeze comes, I want to find out then: "How do we operate the Spoken Word?" I don't want to say, "Let us have a whole night prayer meeting and ask God." That's not a time to cry. That isn't the time to ask God anything. We have to find out those things here. Amen.

About twenty years already ran out since that blast took place and those Seven Angels appeared, and that total secret, the end of time Seal, is going forth. Many don't know what it is. Let me just read it here, page 33 on *The Seventh Seal*. [1963-0324e - para. 245-262 -Ed.]

He said: *And now, as certain as I stand in the platform tonight...*

He had revealed the first Six Seals, explained it to the people. White horse means this, red horse means that, black horse means that, pale horse means that. He was explaining. He wasn't preaching anything Supernaturally, he was explaining. Amen.

Now there is something about preaching Supernaturally, and there is something about explaining. God told the Prophet, He said, "You preached those Seven Trumpets Supernaturally." Now what is it to preach something Supernaturally? Amen.

If it's preached there then he said something. Amen. But the way he said it I believe, it was kind of said and yet not said.

As I always say, it is like if you went to Port-of-Spain [Capital of Trinidad and Tobago -Ed.] and you tell somebody, "You know, I was walking across Independence Square, and I happened to notice a madman standing up on Cipriani's [Arthur Andrew Cipriani - local labor leader and politician -Ed.] statue (see?) and he was pelting rocks on Salvatori building." Now you didn't say you went to Port-of-Spain, you know, but yet you are saying that you went to Port-of-Spain because only in Port-of-Spain there is Cipriani's statue, Salvatori building and Independence Square. Do you understand what I'm saying? But yet you never said that you went to Port-of-Spain.

So God has a way to say things and yet not say it. Like one place he said, "The Seventh Seal has not been revealed; that it's a total secret." And then he came and he explained the Seventh Trumpet. He said, "Now the Seventh Trumpet to the Jews is the Seventh Seal to the Bride. It is the same thing. And then He said, "The Seventh Seal is not revealed." He said, "Remember, I didn't explain that one." You see? But he explained the Seventh Trumpet. He said, "*That* is the Seventh Seal to the Jews," because the Seventh Trumpet to the Jews is the Seventh Seal to the Bride. He said, "It is the same thing." So all you have to know is what the Seventh Trumpet is and you will see what the Seventh Seal is, but he didn't say what the Seventh Seal was. You see?

We found out that Jesus always spoke that way and it was only those who were interested, used to come and say, "Lord, what were You saying? We heard You talk something about the sower that went forth to sow and 'rocks' and 'thorns', and we don't understand what you were saying; 'tares' and 'wheat' and things."

He said, "Do you know what I was saying?" He said, "The 'rocks' mean this, the 'seed' means that, the Son

of Man is the Sower; the tares are the children of the Devil.”

They said, “They are all of...”

Now He could have come out and easily say, “I, the Son of... [Blank spot on tape -Ed.] ...God. Do you know who sowed those things there? Lucifer, who fell from Heaven.” Now He could have talked that but He didn’t choose to say it that way because that was a revelation He wanted the Elect to get, and yet He didn’t want others to know that, so He spoke in a certain way.

So here was the Prophet speaking the same way. He said, “Now in the church today we have a lot of mechanics trying to get the Church in Rapturing condition.” And he said, “Let me tell you a little story. At one time there was this mechanic who was fixing this car and couldn’t get it started.” And he started to talk like that. He said, “All of a sudden, a man walked in; nice, fine, dressed man and he came to the mechanic and he said, ‘Sir, could I give you some help?’

He said, ‘Sure, I could really do with some advice.’

He said, “Take that and put it here. Take that and put it here. Take that and put it here.” He said, “Because the man had all the coils out, he had this out, he had that out; he wanted to pull down the whole engine and all kinds of different things. It didn’t need all of that.” See? “After he said, ‘Go and turn the key now.’ When he turned the key, the car almost flew out of the garage.” You see?

Then Bro. Branham said, “So it is, the One Who designed the Church and knows what it takes to put the Church in Rapturing condition, that One is here. There is a Man here that can turn on the Light.” Amen.

Now you see, when you don’t read with understanding, you will not know what he was saying. Many times, you read a message, the amount of things like that—and he’s talking about ‘light’ and ‘seed’ and

all kinds of different things he's talking about, but it is something that he was saying right there.

Here are all these people, they are having prayer meetings, they are having fasting and praying, they are having crusades, they are giving out tracts, they are having all kinds of different programs and they only have a bunch of dead people, (you see?) where they are supposed to have a Super Church in the last days. They don't know how to get it to work. They try to send people to Bible school, try to let them take an IQ test; let them try different things.

Here, he was himself, God had come down on the scene. The Angel of the Lord had dropped down from Heaven. He had the open Book. He came with the Mystery of God fully revealed to give to the Church to get it into Rapturing condition. He came with the Seven Thunders, what it takes to give the people faith to be changed. Amen.

The Prophet was there on the scene giving out the revelation but those Pentecostal Ministers wouldn't take any advice. It was that he was talking about. So after he preached, some might say, "I can't understand why he preached about that motorcar part for. Ministers go behind their pulpits and make jokes." You see? They didn't understand what he was saying but he was talking a mystery right there. Because the Secret must be preached but then it must also be in a way that the Devil cannot get it.

I want to show you that we have been given the Message: six parts of it fully explained and one part Supernaturally; preached Supernaturally. And we didn't have to wait for any revelation on that part, which is the first six parts; we didn't have to wait on any revelation because it was explained. After it was explained, you didn't need any revelation again. He said, "But the Bride will be waiting for the revelation of the Rapture." That is the part of the Message that She is waiting for the revelation of. Because He Himself

Who has to take them in the Rapture, will come to give that revelation to the individual. Amen. He Himself is going to come to the individual to give them that revelation of the Rapture.

So if you are in the Message all these years and you're reading and you're reading and you are enjoying the Message, then you are going to eventually read until you come to a place one day where you would see it takes God Himself now to come and give a revelation there, to throw light on those things so that you could begin to enter into a Perfect Faith to see the Word of God promised for this Hour begin to be manifested in your life. You could enter into a channel where your faith could be so inspired where you will know how to operate the Word of God in your own life.

God will bring you to a place where you will be like a super person on the earth. That doesn't mean that you're walking around with a big cape and playing super-duper, you know. Not that. You will be so humble and so normal and so simple. Only whenever inspiration strikes you, and when you speak by a revelation of your faith, Supernatural things will happen. And you will be so trained, you wouldn't be going along with fanaticism; you will be waiting until you get orders to speak because you will be a prisoner to the Word. You wouldn't be able to do anything without Him doing it in you. Amen.

So, after he explained the Six Seals, the Devil sat down there and was waiting for the revelation of the Seventh one. Do you think the Devil could outsmart God? The Devil feels that going to a service, you could hear what God is saying. See? So Satan listened to the first one. When Satan had the Prophet almost going now to say, "The white horse rider" (bam!) the Holy Spirit who was guarding that Prophet's mouth, who sealed up that Prophet's heart, ducked in there and said, "That is not the Holy Ghost; that is the antichrist." My! When he spoke that...

For two thousand years the Devil had people believing: "You see, that is the Holy Ghost." And he happened to infiltrate every little group. Three years after was all he needed to make them into an organization (amen) and ground-off their power. Amen. And here the Message was coming forth now, and he was trying to just misdirect the thing, but God was watching because now, it was the time, God was going to pull the Seal back and expose His evil ways. Now was the time for the unveiling. God was going to show the cunning craftiness with which he worked through those Seven Ages. God was going to expose him.

Why? He was about to bring in the mark of the Beast. He was about to shut off God's children from going in the Rapture. So God knew the only thing (amen) to catch them, is if they could see the revelation of the Word. So God was giving out the revelation there to expose who that was, so that they could escape the mark of the Beast and get ready for the Rapture.

That is the Devil's trap. He was building an ecclesiastic kingdom here all these years, and in this Age, he is getting ready to be enthroned as God, (amen,) where he will sit on the throne and have people bow down and worship him. And that is what he wanted in Heaven. See? But Michael was up There and Michael doesn't allow that kind of business. Michael doesn't stand for foolishness. Amen.

You see, Michael always hated vain worship, you know, and from the time Satan dropped down, when he thought that his plan was going unnoticed, Michael was watching him all the time. See? Michael was on his heels all the time just waiting for the last Age. As he was about to enter in, here God now was going to raise up a little group; a little, humble bunch of people to shake down this place, turn this world upside-down, write another Book of Acts; expose all this folly.

And He was going to start with the Prophet and end up with the Bride. Amen. So it is doomed devils on the run tonight, because the revelation is out. Amen.

So the Devil realized when their plan escaped there, all under those first four Seals, God revealed the mystery of iniquity. All what the Devil had planned was now exposed. He might have tried to make people feel that Bro. Branham is a false prophet and different things to kill the effect and say, "Oh, he's a hillbilly. God can't use that kind of man." You see? "Which school did he go to? Where did he get his certificate from?" You see? He tried to make it sound foolish but God had a people who would believe it. Amen. He said, "Anybody..." Millions say, "We would rather believe that is the Holy Ghost, that is not the Devil." But we said, "That is the Devil," (amen) and we went out of organization; they could no longer hold us. That is why we are here tonight. You see?

So when he came to the Seventh Seal, he said, "Well if He knows my secret, it's best I try to know His Secret." Because His Secret is when He's going to come for His Bride. And when the Seventh Seal was about to be pulled back now, for the Lamb to reveal His Secret... Because He was revealing the Devil's secret all the time. Amen. You see? He didn't just leave us with the Devil's secret revealed because then we will know a lot of things about the Devil but we wouldn't know what the Lamb has in store. So the Lamb's Secret is under the Seventh Seal. Amen. And you see, He showed the whole world the Devil's secret. God stripped the Devil naked before the whole world. Amen! Amen! And you see, the kind of pride the Devil has, it's people who claim that they have revelation, is who he likes to blind.

You see, any man who is a fighter, and he will beat up a set of little people who can't fight, everybody calls him a bully. You see, he can't get a reputation off of that. But when you fight people who could fight and

you beat them, then you could beat your chest. You see, you could walk around with a reputation. You see?

Satan now, after God stripped him naked before the whole world, revealed all those Seals and showed every move he made, then now, he got so vexed, he wanted to know God's Secret. He said, "If He got mine, I will sit down and get His Own," (see?) "when He's going to come." You see, because Jesus said, "No man even knows this on the earth." And that Seventh Seal, we know is the Coming of the Lord. He is going to come like a thief in the night. He said, "Like Romeo, He is going to come to get Juliet; (amen) take her away in the night; nobody would know anything. In the morning when they get up, She will be gone.

So Bro. Branham came here now; here's the mouthpiece what God is—the Lamb was going to give His Secret. That's the Lamb's mouthpiece. And on the Seventh Seal, page 33 he said:

And now, as certain as I stand in the platform tonight, I had the revelation that revealed... It's in a threefold manner.

Oh my. It's coming out now. You see? He was talking it out now and the Devil was crouched up there. Amen. Remember, he was trying to get it here now. You see? He had some big tape recorders taping, so he could go and study it back afterwards too. Hallelujah! Oh!

And the Prophet came and he said: [Now] *I will speak to you by God's help of a fold of it.*

Now remember all of Heaven, not even angels knew this thing, you know. And here God revealed it to one man, one trusted man, to show that that was a son of God in the pulpit, in his rightful place, amen; has more authority with God than all the angels in Heaven. Hallelujah. Glory to God. He stood there.

He said: *...as certain as I stand [here]...*

Everybody was watching him standing there. He said, "Just as how you see me standing here, I'm certain as I know I'm here, as certain, so this revelation is under that Seal. It is revealed and it's in a three-fold manner."

He said: *...I will speak to you by God's help of a fold of it. [And he said:] Let's go over there first. Here's the revelation to begin what... I want to tell you what it is. What happens is that those seven thunders that...*

You see, God gave a lot of labels. He called it Seven Thunders. You see? Seven stars really meant seven men; messengers. See? Seven candlesticks really meant Seven Church Ages. Now God could have said that to begin with but He talked in a funny way. You see? So when He said Seven Thunders, that meant something too – seven Mysteries sealed up under the Seven Seals. You see? Amen. So when God was talking now, God, in the Prophet, was going to come now and tell us what the Seven Thunders are. He said, "Oh, that is what the Seven Thunders are." And then now we will know what unfolded, what held the Mystery of the Coming of the Lord. You see, He was talking to them in a secret. He said, "I'll tell you a fold of it."

He said: *What happens is that those seven thunders that he heard thunder and was forbidden to write, [he said] that's what the mystery is laying behind those seven consecutive thunders rolling out.*

He said: *Now, why? Let us prove it. Why? It is the secret that no one knows about. John was forbidding to write about it, even write a symbol about it. Why? This is why there was ... no activity in heaven; it might give away the secret. [See? He said:] Do you see it now? If it's so great it must be included, because it's got to happen...*

Page 34, he said now: *If Satan should get a hold of it, he might do great damage.*

Amen. He's talking here, you know, giving God... He was speaking all these things and Satan was right there in the service, you know. Because when the news went back to hell, amen, that is what Satan hid from great men like Luther and Wesley and all those men, from even John who saw the very vision and didn't even know what it meant. Amen.

Somebody said, "Satan, the secret is out. Lucifer, we are doomed. What are we going to do now?" Amen. He said, "That man who we tried to blacken, we tried to bribe with money, women, popularity, that man drew that Supernatural pearl handle, silver blade, gold guard Sword which dropped down in his hand." Amen. He said, "That man, we almost had him to the place where he was going to say that that is cupid shooting arrows of love. We almost had him to a place that he was going to say it." He said, "But something happened; the man threw away the notes." Amen.

So when Satan heard that, he said, "Let me come around myself. This is not a job for a novice, this is a job for the expert himself."

So he came around the scene and he sat down there and he was listening to everything. All the great, big demons from hell, he had them all over the service, (amen) and the secret was going out.

The Prophet stood up there inspired. My, he couldn't even think his own thoughts. In one place he said, "I was never so led and directed." Amen. You see? On *Feast Of The Trumpets* [1964-0719m -Ed.] he said, "I was never so led and directed. I was so inspired when I spoke those Seven Seals." He said, "I never worked in the spiritual realms like I did in the opening of those Truths there." Amen. See. Why? It was God Who had taken over completely, his mind, his vocal cords, everything. The Lamb Himself was giving out the Mystery.

When it came to the Seventh Seal and he was going to give out the secret of the Lamb coming now, he said,

“If Satan should get ahold of it, he might do great damage.” Of what? Get ahold of what? The revelation that unfolded to him in a three-fold manner. Amen. Listen carefully.

He said: *There's one thing he don't know.*

He already had the first Six Seals because: “I explained it. I had to explain it.” You see? “But this one I don't have to explain this one.” Amen. “God already gave me a way to say it. He gave me words that the Holy Ghost teacheth, not the word that man's wisdom teacheth; words that the Holy Ghost teacheth.” It will only take the spiritual mind to catch that revelation. It will take the one who has a sixth sense, a crystal for it to strike, to get it. No theologian will be able to work it out. Amen. He said, “Any man who claims that he has those Seven Thunders, will better compare with all the Word.” Oh my.

He said: *There's one thing he don't know.* [That if he gets it he will do great damage.] He said: *Now, he can interpret anything he wants to and impersonate any kind of a gift, (I hope you're learning.), but he can't know this. It's not even written in the Word. It's a total secret. The Angels, everything shut up. If they made one move it might give something away, so they just shut up, quit harping; everything stopped.*

... Jesus never spoke of it. John couldn't write it. Angels know nothing about it. [Jesus never spoke of it. John couldn't write it. Angels know nothing about it.]

What is it? It's the thing that Jesus said even the Angels of heaven didn't know nothing about it. See, see? He didn't know it Himself, said only God would know it, but He told us when we begin to see these signs coming up... He said: (Now, [are we] getting somewhere?

Giving a little parable, you see?

... Notice, we can see these signs coming up. ... If Satan could get a hold of it...

Amen. So he said: ... *Remember, Satan will try to impersonate. He will try to impersonate everything that the Church will do. He's tried to do it. We've noticed it through the antichrist; but this is one thing he cannot impersonate. There'll be no mimics to this (See?), 'cause he don't know it. There's no way for him to know it. It's the third pull. He just knows nothing about it. See? He doesn't understand it.*

But there's a secret lays beneath that. Glory to God in the highest. I can never think the same the rest of my life...

Amen. He said: *Now I don't know what... I know the next step there, but I don't know what, how to interpret that. It won't be long. I've got wrote down here when it happened, if you can see here, "STOP! Go no further...*

God gave him a place: "You talk out so much and when you reach here, you mark down 'stop' on your notes, so while you are preaching there, and when you are finished that now and you come to 'stop', stop right there. I'll give you the rest during 1963 to 1965." Do you understand what I'm saying? "And they are going to read the Seventh Seal over and over and over and they are going to stop right there and get their mind blown out. But when I come and reveal the Quickening Power, when I come and reveal *It Is The Rising Of The Sun* [1965-0418m -Ed.], *The Easter Seal*, when I come and reveal *The Invisible Union Of the Bride* [1965-1125 -Ed.], when I come and reveal *Souls That Are In Prison Now* [1963-1110m -Ed.], when I come and preach these things, amen, I'll be giving out the secret. They wouldn't know what is going on. When I come and preach *There Is A Man Here That Can Turn On The Light* [1963-1229m -Ed.], when I ask them, *Who Do You Say This Is?* [1964-1227 -Ed.], I'll have them all confused but you will know what is going on." Amen. "So stop right there. Tell them if the Devil gets it, he could do great damage."

Now, I want you to notice something there. So he said here on the... That was March the 24th 1963, (amen) and he said that he saw that revelation unfold in a three-fold manner. It was the Coming of the Lord. But Satan was waiting to get it, so he had to shake the Devil off first. He had to carry him for a little run and drop him off. Amen. Then put it out there.

Now watch something here. Then he came on *The Rapture* [1965-1204 - para. 65-66 -Ed.] now, a couple years after, on *The Rapture* page 14, he said:

... to the Church, the Bride, the Rapture is a revelation...

Now on this message, he called it *The Rapture*. He said, "Now, that is a code word again." You see? He said, "It is not written in the Bible. You wouldn't find the word 'Rapture' written in the Bible but it is the word we use for the Coming of Jesus Christ, the catching away of the Church. He said, "It is a word that we all use."

When Bro. Branham preached this message, as I told you the last time, he took Psalms 27 and he said, "Some of you may differ with the avenues I took." You see? How he preached the Word, you know. How are you going to preach the Rapture and you go in Psalm 27? You see? It was the Dove Who was leading the Eagle. He knew what he was doing. Because in Psalm 27 he said, "Hide me in the secret of Thy Tabernacle. Hide me in Your pavilion"; Your tent. Amen. See

So he said: *...to the Church, the Bride, the Rapture is a revelation to Her. It's revealed to Her. That, the revelation, the true Bride of Christ will be waiting for that revelation of the Rapture.*

Now get this, it unfolded in a three-fold revelation, in 1963, but he didn't give it out. He said, "The secret is laying behind those Seven Thunders here." Amen. And then he came now and he's telling us, he said, "Now the Bride will be waiting for that revelation of the Rapture." Amen. "I can't give it to them right now, I

can't explain it but I have to be speaking it, speaking it but you will find where it is written after a while. You will find where these things are written after because it is being done in a way that you will know it and the Devil will know it. The only one who knows it is God and I. Amen. But then when I go, He will still be there. So even though I go with it, the One Who knows it is still here too. The One Who gave it to me in the first place is still here. And fear not little sister. Though it gets dark and gloomy, He will come to you." Amen. "He has an ordained power for the Light to strike you, if you are a Seed. And when He strikes the Life in you, it will quicken your mind to see something." Amen. "You might not be able to explain it because you will be seeing with your heart." Amen. "You will not be seeing with these natural eyes, you will be seeing with your heart. So when man comes with their wisdom and tries to explain to you, you know, something has already taken hold in your heart; they can't stop it. Life is moving all inside of there."

Now, I want you to listen. We are not going to guess on this tonight, you know. We are going to lay this in close and really firmly in the Word so your faith can be where the Prophet said. Amen. What is preaching something Supernaturally, is what I'm talking about; why those Seven Thunders were preached Supernaturally. Why did God explain Six Seals and then couldn't explain the Seventh one? And I will show you, the Seventh Seal was what was preached Supernaturally. See.

Notice: ... to the Church, the Bride, the Rapture is a revelation to Her. It's revealed to her. That, the revelation, the true Bride of Christ will be waiting for that revelation of the Rapture.

He had it but the Bride was waiting for it.

Now, it is a revelation, for the revelation is faith. You cannot have a revelation without it being faith.

So here he came on page 17 on *The Rapture* [1965-1204 - para. 81 -Ed.], he said:

... Now, the Rapture is only... This Rapture that we're talking about, is only for the Bride. Remember, the Bible said, "And the rest of the dead lived not for a thousand years."

He is speaking about 'the dead in Christ shall rise', the Resurrection here, but the rest of the dead lived not for a thousand years.

He said: *This great Rapture! If there's not a Rapture, friends, where are we at? What are we going to do? What age are we living in? What promise do we have? There is going to be a Rapture. The Bible says there will be. And it'll be only for the elected, the Elected Lady, the Bride in this day, that's pulled out, the Church.*

The very word church means "called out of." As Moses called a nation out of a nation, the Holy Spirit is calling a Bride out of church; a Church out of a church; members, from every denomination, making up ... the Bride tree. [Amen. He said:] A Bride coming out, call, and that's the one that the Bride Tree is. The Bride, rather, is the One that's going to be in the Rapture; that, alone, nothing but the Bride, [then he said] the elected ones foreknown by God from the [very] beginning, the Father's spiritual genes.

Now follow the trend with me here and listen closely. Now he had the revelation, as certain as he was standing there. It unfolded in a three-fold manner. He knew the secret that was laying behind were those Seven Thunders. He told us what it was. It was the revelations contained in the Seven Seals. Amen. We know the first Six Seal were explained; the Seventh one was preached Supernaturally.

What is 'preaching it Supernaturally' now? That is what we are trying to bring out here, for you to know that the revelation is there. How are we going to know that the Messiah is on the earth? Amen. Somebody has to find it to show, the Lord descended from

Heaven. Somebody has to show us and when they show it to us, we will see the Messiah. And if we are elected Seed, the Messiah will come to us because we have to go in the Rapture, we who are dead in sins and trespasses. Even though we are dead, He will quicken us and raise us up into Heavenly Places (amen) because the Rapture is for the Bride. Then if you are a son and daughter of God, there is nothing to hold you back from being in the First Resurrection. Amen.

So here he said now, when he came to *The Rapture* now, he said, "The revelation will be for the Bride but the Bride now, is the Father's spiritual Genes." And he started to explain about the Gene. I wouldn't go into reading all of that, about how you are a gene in your father, amen; how you were a seed inside your father before you were manifested, so he said, "If you have Eternal Life, amen, you were in God before there ever was a world" – page 18. You see?

He knew the very Age that you would come in. He predestinated you to that Age (amen) to take that place; no one else can take it. God put you to be here, (amen) to fulfill what the Scripture said, "*We shall not all sleep, but we shall all be changed.*" [1st Corinthians 15:51 – Ed.] God put you here to be in this Age. He didn't put Paul, He didn't put Martin or Columba, He didn't even put the Prophet, He put 'you' shall not sleep. Amen.

And then he came, he said now [para. 89 –Ed.]: *Like my little story about the eagle...finding its mother...*

Amen. Did you hear how he said that?

He said: *...my little story about the eagle...finding its mother...*

Amen. And he started to explain about the eagle in the barnyard. Amen.

Christ Is The Mystery Of God Revealed, [1963-0728 - para. 393-400 –Ed.] page 58, I believe it is. Yeah, page 58. *Christ Is The Mystery Of God Revealed*, Bro. Branham was saying here, he said:

God's great secret has always blinded the wisdom of the world. They can't get it. They just can't understand it. Satan don't understand it.

Now isn't that what we are saying? He said, "Let him impersonate it because he doesn't know it? "I'm going to speak it in such a way, not even the Devil will be able to figure it out; it will only be to the Father's spiritual Genes. It will only be to the ones who already have Eternal Life.

Now we are coming away from... Do you understand why I read Ephesians 2? I read 1st Thessalonians 4. That is the Shout, the Voice, and the Trump; what has to be revealed, to tell us how the Lord is going to come. But Ephesians 2 is: "You hath He quickened, who were dead in sins and trespasses; I'll raise up into Heavenly Places." Now the only ones that could be quickened, are the ones who have something to quicken. The rest who can't be quickened, nothing is going to happen to them. And that is why I put that in there before 1st Corinthians 15 because 1st Corinthians 15 is the change of your body. But "You hath He quickened," that 'quicken' is the Gene. So He quickens your Gene before He changes your body. Amen.

So we've come in a way now, from the Shout, the Voice and the Trump, and we are coming over to the people who are really receiving that revelation, because they have a real experience of being quickened and caught up into the Mystery of the Seventh Seal, and recognize their fold of the Word being interpreted in their lives. Amen?

Now on *Christ Is The Mystery Of God Revealed*, he's telling us here... On *The Seventh Seal*, the 24th March, 1963, he was telling us that is God's great secret. It is a total secret; the Devil would not get It. On *The Rapture* he said, that revelation that revealed in a three-fold manner, will come to the Bride, the Father's spiritual Gene.

Christ The Mystery Of God Revealed, he said: *That great secret... They can't get it. They just don't understand it. Satan don't understand it. None of the rest of them understands it, but just those who are predestinated [the Father's spiritual Genes] ...how God and Christ are one. [He said:] They'll [the theologians] make him three every time. ... They certainly will.*

Amen.

Look! What was once God's great secret, great mysterious secret in His mind, is now put in the hearts of the believer...

What was once God's great secret, He is putting in your heart. He is preaching a revelation into your heart. Even though you can't hold it right there, some of you right now, but believe it; it is going into your heart and laying in there. And as you stay in the atmosphere, as it bathes down and is tilled up in the heart, it is becoming plainer and plainer to you, that when you pick up the very same book and start to read, you'd say, "I read that book before but I never saw it that way."

Look what the Prophet is talking about now. Why? He is focusing your mind to catch what is inside of here now. And then you go and read it to somebody whose mind is out of focus, and show it to them, they will still see something different to what you are showing them. Then you try to show them, and you get into an argument. And God is showing you, "It is not for them; it is for you." Then you see, it's by grace that you got the revelation. Hallelujah!

In your heart, you believe that some of them are better people than you. In your heart, you know that you can't pray like some of them, you know that you are not in the Message as long as some of them, you don't have zeal like them, but yet God gave it to you. Because it is by grace that you are saved through the revelation of the Rapture coming unto you. You are escaping the corruption of this world; you are escaping

all of these things. Why? While people are looking backwards, the Holy Spirit has knocked on your door.

I was thinking tonight, while Bro. Wilson was praying there and talking about the Table that is spread and these things, I was thinking, I said the Supper Table is millions of miles long. Do you know we are sitting down by the Table tonight? And do you know, everywhere the Bride is gathered, they are around this same Table regardless of what part of the world they are, and this Table is all around the world? Amen. And you were there just eating certain things all the time, and there were all these nice things around the Table.

You see, it's like when we went to the States for the first time, and we went there to have lunch one day in one of these restaurants and they had what you call a buffet lunch, three or four things there and you could eat as much as you want. Amen. And they had so many different dishes that when you start to see things like that, if you wanted to take a little bit of everything, your plate wasn't big enough to hold it. Amen.

Then we were seeing strange things we never ate in Trinidad yet, so you want to be careful because you don't want to embarrass yourself; you're trying to leave a lot of nice things alone. You see, because people came from a poor family and we just eat our bellies full; not really real food but just eating to fill the belly. You see? So when we went up there, all these kinds of different dishes; they have all kinds of different things. We didn't know what it was so we had to leave it alone. Amen.

After you get to understand it now, you walk a little more bravely in the line. You say, "Pass some of those Seven Thunders there for me." Amen. "Pass some of that for me." Hallelujah! "Give me a drink of Living Water." Hallelujah. Glory to God. Amen. "Give me some of the Voice of the Archangel. Let me hear

something here about the first-fold of the Seventh Seal. Give me a little more of the Quickening, the Final Quickening. Amen. Give me some of the Second Cycle. Give me some of the Unknown Language. I was leaving all these things alone for all these years and it's on the Table." Hallelujah. My. That is the thing that has the nourishment in it.

You see, many times you are accustomed to eating a lot of things that don't have any real spiritual Vitamins, and then what has the real spiritual Vitamins, you leave it alone. And the Lamb is on the Table walking, wiping the tears from your eyes, because it dropped in your heart and you start to get the taste of it. You start to live overcoming. You realize your attitude towards the Food all these years, the spiritual Food, so you begin to weep and cry. You're sorry you behaved that way, and the Lamb is wiping your tears. He said, "It is alright. It was for a purpose. I did it that way. I had to blind some; reveal it to others. I sent you My Word." He's wiping the tears from your eyes. The Lamb is walking (amen) all around the wall of that Table, millions of miles long. Hallelujah. Amen.

You say, "But I thought that would be in Heaven?" We are in Heavenly Places. We are in Heaven. Amen. What is going on here is only reflecting what is on that side, and we are on our Table here already; the Bride. Amen. Glory to God. Amen.

So he said: *Look! What was once God's great secret, great mysterious secret in His mind, is now put in the hearts of the believer, that is, the Body of Christ.*

He is only putting it in the Body of Christ. Amen. The others can't take It.

What was once God's great secret in His mind, before the foundation of the world, is now made manifest. Think of it.

He said: *I'm sure we don't ... get it. Well, I can't see it the way I ought to, and I'm sure you don't. See?*

He said: *But God's great mystery, what the Eternal God had as a mystery, has now been unfolded in Jesus Christ, then given right down to His Church. What was once in God's mind is now in the Body of Christ. Jesus making love to the Church, His Bride, whispering secrets to Her.*

Now get what I'm saying. This revelation that is unfolding in a three-fold manner, the Devil wants to get it. He put his ear right up to eavesdrop, amen, but that is only to be whispered in the ear of the Bride, not for flirts. "Say it but don't say it. Stop right there." Amen. "I'm going to put that in the Body of My Bride." Amen. "The Father's spiritual Genes are the ones I'm going to come to, to give this revelation that they will know I am in there." But the form He's in, you'll have to get a sense beyond your physical sight, because you can't see Him with the optic nerve; He is in another dimension. You will have to get another sense to contact God. Amen.

So he said: ... *Jesus making love to the Church, His Bride, whispering secrets to Her.*

You know how you tell your wife things, you know, the little girl you're going to marry. You love her so much, you just tell her the secrets, and get her up next to you, and love you and everything. You know how it is.

That's what God, Christ, is doing to the Church. ... He is letting Her know the secrets, just the secrets. [He said:] Not these flirts; I mean His Wife...

The One with the Wedding Band, the One with the Marriage Certificate, the One in the Invisible Union, He is letting Her know the secrets. Amen.

... by having the revelation of His secrets made known to them, by His grace! ... People, I know it... I hope you don't think this sounds personal, to a bunch of people, or this, that; but the secret that God is sharing with the whole Church, if they would just receive it.

See? It doesn't mean just me or just you. It means the Church, that He is trying to get into it.

But they won't receive it. He said: ... *They can't receive it.* [He said: "*And how could they?*" *Because Isaiah said they can't see it.*

Having eyes, they cannot see; having ears, they cannot hear. Amen. So, He's going to come to who? The Father's spiritual Genes. Amen. Page 28, *It Is The Rising Of the Sun*. [1965-0418m -Ed.] Bro. Branham was giving a little illustration here before on page 8. He was talking about, you know, how God in Genesis had the seeds laying beneath the earth before He said, "Let there be light." And the first light was God's spoken Word.

Let me watch my time a little bit here. Amen. We still have a little time. See? He said, "Let there be light." And the first light was God's spoken Word, (amen) and that created the sun. Amen. See? And then the sun, this physical light here that we have, the sun, that sunlight was for a purpose because it needed light to strike the seeds laying beneath the water. God already had the seeds there, but it hadn't the light yet. Amen. When the light came across that water, it was going to strike those seeds. So he was giving a little parable. You see? He was always speaking a little parable.

So he said [1965-0418m - para. 42-46 -Ed.]: *No more could the botany life lived back there at the beginning without the s-u-n to bring it to life; no more than, today, when sons of God is upon the earth, it takes the S-o-n Light to bring them to Eternal Life, His chosen ones that He knew before the foundation of the world. He had chosen them in Himself before the foundation of the world.*

And on Easter morning, then, in this dirt somewhere laid our bodies at that time, for we are the dust of the earth. And in Heaven, there was a Book of memory, and His attributes was in Him...

That Book of Memory is the Lamb's Book of Life.

...knowing that because this Son of God raised, It would also raise to Life every son that was foreordained to this great time. He knew it would be. And what a more glorious sunrise that was than it was at the beginning...

Amen. And he said: *But when we receive the message, that seal is broken, [when we receive the message, that Seal is broken,] because the seal is what's got a message bound on the inside.*

When the Seven Seals opened, there was a message bound on the inside. It was a Message of the Coming of the Lord. It unfolded in a three-fold manner.

He said: *And now, the true Easter Seal, on this sunrise, was broken; and the secret, of Life after death, was revealed.*

Amen. At the Last Trump we shall put on immortality. If we have to put on immortality at the last Trump, then we have to get a revelation of immortality. Isn't that right? How could we put it on? How shall we be changed? It is not just like that we will be changed, like somebody waving a magic wand over us. There would be a revelation that begins to bring that change. There will be people, before the Resurrection takes place, who will know that they are in the Resurrection, because they will have the earnest of the Resurrection in them. They will have the earnest of the change of body in them. They will have (amen) the evidence that they are going into Heaven inside of them.

People say, "You can't know who is going in the Rapture until the Translation." That is not so. The Word doesn't teach that. No! Amen. From the moment, "He that believeth on Me (see?) and he that heareth My Words and believeth on Him that sent Me, has everlasting Life; is passed from death unto Life; will not come into condemnation." Amen. "You who were dead in sins and trespasses hath He quickened, raised up in Heavenly Places, then you will pass from

death unto Life.” That is Eternal Life. You have Eternal Life in your body laying right there. Your physical body is sick, it is corruptible, but there is Eternal... [Blank spot on tape -Ed.] ...showing that you always were. How could you have Eternal Life and ‘begin’? It cannot happen. Amen. See.

So: ...the Seal is what’s got a message bound on the inside.

And now, the true Easter Seal, [when it] was broken; and the secret, of Life after death, was revealed. Before that time, we didn’t know. The world groped in darkness.

Before that Seventh Seal was revealed, we didn’t know anything at all. We groped in darkness coming through those Church Ages. See.

He said: [We] *groped around, man’s suspicion. Theories was among man’s heart, tradition made up. Man worshiped idols. They worshiped the sun. They worshiped all kinds of gods.*

See? All this Trinitarian, Methodist, Baptist; all kinds of different things.

And all kinds of people that made claims, they all went into the grave, and they stayed in the grave.

But the real Seal, [the real One] had been broken, and One Who once lived as we live, died as we will die, was risen from the dead. What a morning! Never one like it, in all the history of the world. The secret was made known that He was both resurrection and the Life.

Amen. What was it here? Listen carefully. The revelation is a Rapture for the Bride. That three-fold Mystery is going to come. It was preached Supernaturally; no man could have read it. Amen. Listen to this. When the Prophet saw on the earth revealing the entire Mystery of God according to Revelation 10:7, Christ was on the earth. Because for him to get that Mystery, Christ had to come down with it from Heaven. The Angel was coming out of Heaven

with the Book, coming down with It, because no man was even worthy to look on the Book. No man knew those things. No angel was worthy. Amen.

The Word was coming to the Prophet. Amen. And he stood there and those were being manifested right there, and it could not be seen by the Pentecostals who were the ones there. Do you know why? Get it plain. The elected Pentecostals had already gone, and what remained there was shuck. So Malachi 4 was really preaching to the shuck. Because the real Bride wasn't quickened yet to the true promise, because Malachi 4 was the first one in the Bride Age. He was the first one to prove, he was a wheat.

So here was the first wheat speaking to the shuck, all those Pentecostal churches, and showing them, "The Son of Man has been revealed. The Lord Himself has descended from Heaven," and they couldn't see it. Amen. Do you know why? They had nothing to quicken.

He said, "*A True Sign Being Overlooked*. [1961-1112 -Ed.] You didn't *Recognize Your Day And Your Message* [1964-0726m -Ed.]; *God Being Misunderstood*." [1961-0723e -Ed.] And he preached all those messages trying to show them, they didn't know what was going on. *Who Do You Say This Is?* They overlooked the thing. They never recognized it.

Why? They had no gene to quicken. They were only anointed in their spirit. They never knew their promise. They never knew the Word. Amen. Some of them grew up in church all their lives and never knew it. And He was preaching something that the people he was preaching to, could not understand it, could not contact it, would never know anything about it, and only he alone knew what he was preaching.

Do you think God doesn't love us? God said "I'll have everything taped and put in book form too, so even after you go, what you said is recorded." Are you getting what I'm saying now? So you are learning that

the books and tapes as a revelation that only he alone knew the secret, because the people he was speaking to had no Gene. They had no bedding ground for the Seed to fall into. But there were elected Seed laying there, but it wasn't time to quicken them yet to that revelation.

So the Prophet alone had the revelation. God said, "Don't be afraid; you speak plainly. Preach and preach hard too, because they can't understand. Their minds are withholden, so the Devil can't get it, no theologian knows it, so say it in the open. Let them tape it, and they still will not know it, because they have no Gene to contact it." Oh my! "Then the people who are going to get it, they themselves, though they have Eternal Life in them, they have not yet received the baptism of the Holy Ghost, and they need the baptism of the Holy Ghost to manifest the Eternal Life that is in them, in a Gene-form to quicken them to see. And when they begin to see now, they'll see that it was already said quite in 1965. Almost twenty years after, the Secret that they read out of the book, twenty years after, it is as plain as daylight in almost every book and tape. What is the difference? The baptism of the Holy Ghost; the Inside Teacher. Amen.

Take this for a quote. On *The Seven Church Ages* [An Exposition Of The Seven Church Ages -Ed.] page 140 or somewhere there, he said, "If they don't have the baptism of the Holy Ghost, the real one with the Gene being quickened, though they hear it every day of their lives, every other day, they will not understand it."

When he understood that there are two types of people on the earth: one has a Gene to be quickened and it brings them in contact with it, and one doesn't have, then he realized—and then he knew the others were to be quickened. You see? But it wasn't time for them to be quickened yet, because they might have been young and green still and they might give it away. Amen. So He said, "Preach It." So he could have

shouted it hard [loudly -Ed.], nobody was around. You say, "What were all those people doing there?" They had nothing to receive it.

Like if the Word says, "Don't wear any red shirts," (you see?) if the secret is to wear a red shirt, and everybody is blind, proven to be blind, all their eyes shut out, a man could come in a red suit and nobody would know; (you see?) in front of all the people because they have no sense to contact that. It can't strike anything and reveal itself as a red shirt to them.

So God could have spoken the thing because it couldn't strike anything. You see? The ones who have the Crystal, their Crystal wasn't working yet. He said, "It will make a cycle and come back around, and during that time, I'll be fixing Crystals." Amen. Hallelujah! "So I'll be striking people, and they will be waking up and catching what is going on."

When that time comes, all those who were never quickened, all who you thought were quickened, you will start to realize the real Truth, because you will know who really have the baptism of the Holy Ghost by the Secret being made known. When you try to tell nice people, nice moral people who you love, and you feel for in your heart, you will realize, flesh and blood can't give anybody any revelation. Not even you can give somebody revelation. Jesus couldn't give anybody revelation. He said, "It's not I; it's the Father in Heaven Who revealed it unto you." The Holy Ghost is the Divine Revealer of the Word.

So do you see where the thing is going on? So do you see where you could work yourself up? Do you see where you could try to do something? But yet except... It is by grace that you are saved. And what is the New Birth? The revelation of Jesus Christ to save you, to change you. To bring you out of darkness into the marvelous light is a revelation that the Inside Teacher must teach you, something to put your soul into a spiritual channel where you can communicate

with God; you can talk to God about something that God awakened your consciousness to.

People talk to people about their children. They say, "I saw your boy did this and that last night; you must talk to that child. When he came to service, I saw this and that happen." You see? Because they saw it. They were there. They got exposed. They witnessed the event.

Then there is something that is going on in the spiritual realm that God is quickening people to witness. They are becoming a witness of it – a witness that Jesus Christ is here; a witness that God has come down. Amen. So you can talk to God about it and say, "Lord, I know that You are here." And when He sees that, the Lord knows it is not a formality that they are saying it; He knows it is a revelation they had, because He knows, "I revealed that to them." Amen.

So notice. Those Pentecostals there, he preached to them and they had nothing to be quickened, so they couldn't recognize when this great Secret was taking place, though it was taking place right there. But it lay in the books and the tapes as a revelation but could not be preached until the Angel of the Lord (amen) came around to the true five-fold ministry to identify and preach these Divine Truths, which is to prepare the Bride for the Resurrection. Amen. It will be He Himself coming now, because the Prophet will not be here to go to different countries.

Man wants man to go to different countries and all kinds of things, and the Holy Ghost is here. The Holy Ghost is here giving out the revelation, and man wants a man, because man is still on man's flesh; because man has no Gene, and is not quickened to recognize the fulfillment of the Prophet's prophecy.

Man tries to fight and disbelieve what is going on inside of here, amen, but God by infallible proofs, has shown Himself alive, that it is the resurrected Presence of the Messiah among the people. Amen. Because

what God is doing is beyond the ability of man. But stubborn hearts (amen) will try to resist the Truth – men of corrupt minds, reprobates concerning the faith, because they can't believe that the 'Move' is on. They don't believe that the Bride is being gathered. Then where is all of this coming from? See? Amen.

There are many with the testimony: "I have heard but now I see." Amen. "Now I understand. It has exploded in my heart." Bro. Branham said, "They should have said that years ago; there are too many witnesses now, who could testify to the Truth. Amen. See.

So notice here, the Bride is being quickened now. You see, I want to get that there. The revelation is out. Do you see how the three-fold Mystery was preached? Did you get it? The secret that the Devil wanted to get ahold of was preached, but there was nobody to catch it because it was a bunch of shuck. The Elected Pentecostals were dead and gone, and the rest who were laying here, were yet to be quickened to the revelation.

So the Prophet could have preached it and God, knowing that he would not be here, so he preached it and God recorded it in the books and tapes. And He remained back though the Prophet went, and He was going to come back around after and show us where to find all these things. And then we are waking up to see what really took place, but then when we try to show others too, it is still the same as when the Prophet preached it there and nobody understood it, because they have nothing to contact it with. It is only the Father's spiritual Genes who are getting the revelation. Alright.

So we see the revelation was preached and it was there. And then I want you to see now, how the Holy Spirit is coming to those individuals and quickening them to that revelation, which was preached and already laying there. See. "That unrecognized

Presence of God,” Bro. Branham said, “it is so mighty, if you don’t have the Token to examine it, it will pass right through you.” He said, “There is something coming forth and it will be so mighty, (you see?) except you have the...” And when he said ‘coming forth’, ‘there is something coming forth’, it sounds like it is future tense, but that is continuous present tense. It is coming forth, coming forth; coming forth.

On the *Feast Of The Trumpets* he said, “*The Token* is the revelation on the true baptism of the Holy Ghost.” When he preached *The Token* he said, “That’s it. That capped off all my messages; it’s on that Token.” He said, “That is the one that was supposed to follow the Seals, because the Life must follow the Blood.” Amen. You had the Title Deed when the Seven Seals opened, but you had to get an abstract to clear that Deed. Amen! So he said, “That Token – the revelation of the true baptism of the Holy Ghost. All those Pentecostals thought they had It, but they are not under the Blood, amen; they have to go through the Tribulation.” See?

So, here he came now, and on *The Token*, he showed us, he said, “Except they have the Token, the true baptism of the Holy Ghost, they will not recognize it; it will pass right through them and they will not see it.” And it did pass right through them and they never saw it. And today when it made a second cycle and came around a second time, it is again passing right through the people and they cannot see it.

For the last seventeen years, only the Elected Seed got the baptism of the Holy Ghost, and have been taught for these past years by the Inside Teacher, amen, that even when outside teachers are disagreeing with it, the Inside Teacher in them is quickening it to them. And then they realize the Influence of the Inside Teacher inside of them, is greater than the outside teacher. Hallelujah! Amen. So the Inside Teacher has been teaching them this great Mystery, whispering in

their hearts and quickening them to recognize these things.

I have to make a chop here and chop this in half somewhere. Amen. See? Okay, let me take *It Is The Rising Of The Sun* and close. We will pick it up on Sunday morning. Amen. Tonight is Thursday night; we'll just throw out a few Seeds here, let it fall in fertile hearts; (amen. Amen. See?) let you look in on this and slip over to the West, (amen) to a quick, short, powerful work to swing back, (amen) and bring the testimony of Jesus Christ to you. Amen. Hallelujah. Amen, Bro. Wilson. 'Shah' [An exclamation in worship meaning, 'sic him, amen' -Ed.] Amen.

So let me close off here with this, amen; put away all these things here. Amen. *It Is The Rising Of The Sun*, I'll pick up that on Sunday morning. I didn't... Sometimes I think I'll preach it in an hour, or an hour and a half, and when I come here, it takes too long.

We see the revelation how it was. We see the Scripture... You see, the revelation was the Scripture being interpreted; the Scripture being made plain. But though the Scripture is made plain, if nobody is quickened, It will always remain there as Truth, but It will not be able to be manifested; It will not be able to be understood. And that is what happened, until God started to quicken individuals now, the Father's spiritual Genes, to recognize what was already laying on the books and the tapes. Amen? Okay.

So then now, we see the next work that had to be done, was to quicken the ones to *that* revelation; quicken their minds to *that* promise. And that is what God has been doing. He has been reaching back here... You see?

On June the 3rd, a mighty explosion took place inside of here, and God began to do all kinds of things. Many tried to follow the Eagles, but they have disintegrated. Amen. After July, you could hardly... You used to see a lot of people running and screaming.

Nine months later and people were still screaming and shouting “Yeah!” Amen. Brother, when you look behind, it’s a lot of smoke, smoking out. Amen. A lot of people ran out of gas. Where has their revival gone? Amen. And all the critics who said, “It will fizzle out and slow down” and “That is not God,” it shows this is the original. The original always goes first. The first one is always the original. After that you might get an impersonation somewhere, but they’ll blow out when the pressure comes. The people will get cold and dry up in their seats. Amen.

See, because we are preaching to the soul, and when you preach to the soul, all the make-belief has to go. God is rubbing the make-belief out, rubbing it out to bring you to a Perfect Faith. We can see apostolic times working out amongst us here. Amen.

After I leave here, Bro. Renson [James -Ed.] will light this place a fire. Amen. Amen. He has the same revelation I have. Brother, when you call him to preach, brother, he is like Stephen; he has a burning testimony. Amen. And he could defend these things that are being preached here. Amen. Sometimes when he gets riled up and he says, “You uncircumcised in hearts, stiff necks, resisting the Holy Ghost,” amen, don’t get vexed. Amen.

I wasn’t there on Tuesday, but I was there joining in the baptism, amen, where everybody was rejoicing and praising God. Amen. How Bro. Willy [Bro. Adonis Williams - Ed.] stood up there... I got a report and I believe the report. Amen. When Bro. Luke [Bro. Clyde Luke - Minister from Mississauga, Ontario -Ed.] and they came back and they testified to me, how he stood there, (amen), baptized the people for the remission of their sins. Amen. He had the key; turned it and it went click. It was an apostolic Key.

Do you know why God is doing that? As I said last night, we are back to the time where He said, “Where two or three are gathered in My Name”; not a big set of

Ministers. People are only looking for a Minister, Minister, Minister. God is doing that to show you, all this set of 'Minister' thing is finished. It is believers time. Do you think it is only the Ministers who have the faith? Others have the faith. Others have been catching that faith. They have the same faith. They believe, therefore, they speak, also using great plainness of speech. Amen.

See, Bro. Johnson, Bro. Sammy, all these brothers, they have a revelation in their hearts; Living Water. Amen. Bro. Wilson – one man caused a religious disturbance in the island. Amen. Do you think it was only Luther who could have caused a religious disturbance? Do you think it is only Wesley? Amen. God has thunderbolts and lightning all over the place; all these brothers here, all these sisters (amen) with Eternal Life inside of them. They are God's Seed. Amen.

That is why they could pray until. They are not 'wishy, washy'. Brother, when you come in, you meet them on their knees and their faces under the chair. They are not studying [thinking about -Ed.] if their hair gets rumpled up, they are not studying if their dress gets soiled; they want the power of the Holy Ghost. Amen. Those mothers with all those babies, amen, in spite of all of that, they are pressing through and grasping the Word of God. Amen. Because God has a people who will press through in spite of everything to get the promise of God. Amen.

Shall we all stand to our feet?

Let me leave *It Is The Rising Of The Sun* for Sunday. Amen. How many feel happy in their hearts tonight? How many love Him tonight? How many feel quickened by His Holy Spirit? Amen. I believe God can do anything tonight? Let's sing that song. Amen. Whatever you have need of, on Jesus you call, not on any man; on the Author and the Finisher of your faith. Amen. Don't leave this place with your head hung

down tonight; leave with a spring in your step, leave looking up and lift up your heads; leave rejoicing because God is among this people. Amen. We don't need a man to come down from the States. The Man came down from Heaven already: "I Jesus, the Bright and Morning Star." Hallelujah. Sing, amen.

...anything for me

[Congregation sing #585 - Songs That Live -Ed.]

Thank You for Your Presence. Thank You for Your Power. Thank You for Your Spirit that is here. Oh, hallelujah. Break every stony heart, tonight. Set every captive free. Heal the sick, dear God. Hallelujah. Open the minds to understand the revelation. Oh God, we praise You. Thank You, Jesus. Hallelujah. Hallelujah. Hallelujah.

[Congregation sing #522 - Songs That Live -Ed.]

Amen. We could have never enjoyed ourselves this way in the world. Amen. God has given us a joy beyond what the world could have given us. Any person who feels that they could have enjoyed themselves in the world more, is a liar tonight. There is no joy like this anywhere on the earth; only among the real saints of God. Hallelujah. Amen. Thank You, Jesus. Oh, hallelujah. His grace is all-sufficient, amen; whatever they have need of. Amen. Hallelujah, hallelujah. Thank You, Jesus. Amen, amen, amen, amen. My!

We are enjoying His Presence tonight; all that He has done for us. Amen. He is strengthening us. Why? There is a time coming, a great persecution, a Squeeze that is going to come upon the Bride, She will be hunted down like dogs, amen; they will close up this place. But before that time comes, the Quickening Power comes to get the elected Seed (amen) to give them a faith that they never had; to give them a Perfect Faith. Amen. When that Hour comes, watch the Faith of God use the power; watch the Faith of God operate the Word. Amen, amen, amen.

Oh, how we thank Him tonight; His great magnificent blessings resting upon our souls, tonight. Hallelujah. Amen. Glory to His precious Name. Amen. [A sister screams repeatedly -Ed.] He's just blessing her tonight. Amen. Hallelujah. By grace are you saved through faith. Amen. Glory to God in the highest. Amen.

The deacons have seen it fit to appoint Bro. Anthony John, Bro. Alvin Joseph, Bro. Jennings, Bro. Winston Douglas to assist them in their duties during the absence of deacons and ushers who will be attending the Tucson meeting.

I'll read it out for you on Sunday again. They have to kind of reinforce, because a few of the deacons are leaving, a few of the ushers are leaving, so they have called upon these able-bodied, responsible brothers here to assist in carrying out the order in the house of God. And I don't even have to tell you, because you, as the laity, you know your position. You know it is to assist you, so you give them your full co-operation. Amen? Amen. When we come back, we want a report from you. Amen.

We have some trustees, I trust that they get some Quickening Power tonight to quicken them, because we are hoping to do a whole revolutionizing with the trustees, because in this revival, we have no room for dead people. Amen.

Bro. Williams [Bro. Adonis Williams -Ed.] is almost knocked out cold, trying to build up this place as a deacon, when it is the trustees' job. Amen. And he's torn to the bone and we are only having prayer requests, night after night almost, for his weak and run-down body. Had it not been for the grace of God to destroy that abscess in his foot, amen, and the other healing already in process, amen, to restore him back whole, amen, then God would have held those trustees for the death of Bro. Williams. Amen. Yes, sir. It is a serious matter in the house of God. Amen.

So, we have to do some quick things, and get some things in order in the house of God here, because there isn't anything that is going to hinder the Holy Spirit. Anything that is not an asset is a liability, and we don't have room for liabilities in here. Amen.

So we have a prayer request here. Bro. Winston Abraham, that is Bro. Vine here, is requesting prayer for the three children of a co-worker of his, and the children are afflicted with gastroenteritis. So, we know God is more than able. He is present amongst us here. He doesn't even have to go across to them. Because He's Omniscience, He knows where they are right now; He knows who they are. Because He's Omnipotent, He can stay here and speak a Word (amen) and destroy that germ in each one of their little bodies, (amen) and completely heal them, if we only ask Him to do it. How many believe that tonight? Let's pray the prayer of faith, tonight. The Bible said, "The prayer of faith shall save the sick."

Lord Jesus, we thank You tonight for Your Presence, for the blessings that we have received; God the encouragement in Your Word, the inspiration, Your Quickening Power that is here tonight, Lord, to see the enthusiasm, the zeal being rekindled in every heart, Lord, the faith being anointed and inspired; the understanding being enlightened. God, only You can do these things for us, and we appreciate it with all our hearts, tonight.

Father, just before we leave, here comes this note; there is someone that is needy, Lord, Bro. Vine's co-worker, these three children are afflicted with gastroenteritis. And Lord, as You just said, You are Omniscient: You know them; You can see that germ in their little bodies right now. Lord God, even as You stand here with that all-seeing eye, Lord, looking right at that germ, and Father, as You see that germ, we are praying the prayer of faith, zeroed in upon that germ in those three little bodies there, Father. God, may

this Word go forth now and destroy it, in those three little children, dear God. May they be completely healed, for the glory of God, as we believe and ask for it to happen in the Name of Jesus Christ, tonight. Grant it, Father.

Lord, as we are about to leave this place and go to our homes, Lord, may You keep us under the Divine inspiration of Your Word, in that channel of communication, Lord, we could pray, Lord and fellowship with You concerning these things that Your Spirit is quickening and teaching us here, Father. Lord God, may it profit those as they mix it with faith, knowing that is the only way it can profit them, Father. As they've heard it and recognized it to be the Truth, may they act upon it, dear God.

Lord God, may You take them safely to their homes. Keep them in Your Presence. Rest them in their bodies. And may You bring them back at the appointed time, should You tarry and allow us life; we will not fail to give You the praise. For we ask it, in Jesus' precious Name, amen.

You may have your seats. *Sithi, amen, amen, amen.* [Meaning: We say, amen, amen, amen. -Ed.] We'll sing that and the ushers will dismiss you from your seat. May God bless you and take you safely home tonight. Come early on Sunday morning. Come prayed up (amen) and come with great expectations as you did tonight; we know we are going to hear from Heaven. Amen?

Sithi, amen...
