[#869 - Songs That Live -Ed.]

*...You're my comfort
Strengthen me, hold my hand up high
As I stand upon Your truth
Singing glory unto You
And let the peace of God, let it reign*

*Oh, Lord I hunger
O, Lord I hunger for more of You
Rise up within me
Let me know Your truth
O, Holy Spirit saturate my soul
And let the Life of God fill me now
Let Your healing power revive and make me whole
And let the peace of God, let it reign*

Oh, let us try that verse again: Oh, Holy Spirit You are my comfort.

*O, Holy Spirit You're my comfort
Oh, strengthen me today, Lord.
Strengthen me, hold my hand up high
As I stand upon Your truth
Singing glory unto You
And let the peace of God, let it reign*

Oh, let us all sing it now: Oh, Lord I hunger.
*...Lord I hunger for more of You
Rise up within me
Let me know Your truth*

*O, Holy Spirit saturate my soul
And let the Life of God fill me now
Let Your healing power revive and make me whole
And let the peace of God, let it reign*

Hallelujah! Hallelujah! How many have come for another surge of the Holy Spirit? That is what God promised, friend: shower, after shower, after shower, until we are raised up so high, into such a Rapturing Faith; a Rapturing Grace.

Let us bow our hearts in His presence this morning, as we commit the rest of the service into His great, mighty hands.

Beloved Lord, Jesus, we come and assemble ourselves today in Your Divine Presence, coming with the understanding that we come by a Divine appointment; that You appointed the time, and Lord, even with the exhortation that we should not forsake the assembling of ourselves, much more as we see the Day approaching. And, dear God, how You have made clear to us that we are living in that Day – in the Day when the Son of Man is revealed. And here we are at the end of this great revealing of the Son of Man, Father, and we know that they always end with a resurrection. And, dear God, here we are in this Hour, seeing the great Holy Spirit that moved in the First Pull of the Son of Man's ministry, with healing contacting the body, with discernments contacting the spirit, and then, dear God, contacting the soul in that Third Pull.

Father, today, how we come in anticipation, that through this great opening of the Word, these Divinely revealed Mystery Truths, Lord, that is designed to literally turn the hearts of the children back to the faith of the fathers to show us how to prepare for great translation faith, will be so revealed and inspired to our hearts, that Lord, You can open up a way to bring our souls into a deeper fellowship with You, to walk closer to You, Father; to live under this Divine atmosphere of

the Holy Spirit, where the Mind of Christ is being revealed in every son and daughter of God that is in holy union with You, living under Your Headship, knowing the Capstone has come to cap off the pyramids of our lives.

Heavenly Father, we thank You that You have done this great thing in these last days, Father. You have descended from Heaven with a Shout, You have opened the Seven Seals, You have called us out of dark denominationalism, You have brought us into the only provided place of worship, and, dear God, we stand here with Oil and Wine, worshiping You in a new song; singing, oh God, because we see our names revealed under those Seals, Father – a holy worship coming up unto You Father, oh God, that You can inhabit our praises. And Lord, how we look forward that your great Holy Spirit that has started this great thing, knowing that You do all three things... You come in a Shout, you come in the Voice, and Lord, at the last Trump, Lord God, we know this mortal shall put on immortality, when the dead in Christ is raised incorruptible.

We pray today, Father, that the Holy Spirit will speak expressly to us Lord, that Lord God, you will reveal Yourself in such a way to challenge our hearts, dear God, to lay aside every weight and every sin, and to make ourselves completely available unto You, seeing what You have in store for us, dear God; seeing these great incentives that You have put before Your church in this Hour that we might know You didn't just call us to come out of denomination and gather around, Lord, with some little religious feeling or something Lord, but You brought us into a place where we can walk with you Father, we can live in Your Presence; You can prove Your Word by believers (hallelujah) and vindicate the promise of God for this Hour.

May you grant it, dear God. You did say that by and through the members of the Bride all that is promised to be fulfilled will be fulfilled in this Hour. So Lord, we

come with this understanding, bowing our hearts in Your Presence; saying, “Father blot out our transgressions, blot out everything, oh God, that is not of You, Lord.” Lord God, because we sense the nearness of your Holy Spirit and we desire to receive today, from Your mighty Hand, that Lord God, when we leave this place we can leave triumphant, we can leave with a greater faith, dear God; more enlightened Lord, better understanding of what is happening in this Hour, that we can walk in the rhythm of the gospel, proudly displaying the Blood of Jesus Christ, the Message of the Hour, on our chests.

Bless all that are gathered in Your Presence. What a beautiful time it is, oh God, that all the saints Lord, can be gathered in like this, Father – from Tobago, and Grenada, and St. Vincent, oh God, from Guyana, from St. Kitts Lord, from Brazil Father, oh God; from here in Trinidad, Lord. We thank You Father, that Lord God, You have appointed a time like this. And we pray that Your great Holy Spirit Lord, unto Who we have gathered this morning, Lord Jesus, will take each and every one into consideration, and Lord You will minister to our needs, dear God. We believe You will supply our needs according to your riches in Glory, because You did promise to do that.

And Lord Jesus, all the saints that are gathered out in the islands and in the region, we pray that the great Holy Spirit, oh God, will visit them; Lord, everyone will be so in that Divine channel of communication where the inspiration of the Lord can drop, oh God, and faith, Lord God, can move in every heart, oh God, to give us victory Lord, to overcome this world. You did say that this conquering faith, the just shall live by this faith, and this faith is the victory that overcomes the lust of the flesh, the lust of the eyes, and the pride of life, oh God, so we can enter into the rewards that are promised to the overcomers. May you grant it, Lord. Take full charge in the service. Lead and direct us in all that is to

be said and done, for we believe, praying as we ask these mercies in Jesus precious Name. And, can we all say, “Amen”?

Amen. Praise His wonderful Name. I trust you are not too disappointed that you have to put up with me this morning. Amen. Our precious brother, I think the load was—he did not expect to be preaching ten services and, you know, he just felt that he wanted to sit and be part of the service here, today, to see how things operate here, in the local church. He doesn’t just want to come and preach and then don’t see how things happen here. And what he has seen so far, with the people and these things, and... And as a matter of fact, they are on the hill there, but they are interpreting the service and transmitting it over into Brazil. And they have one, two, maybe about seven or eight churches that are hearing the service this morning, from right here, in different parts of Brazil through the internet. Amen. Praise His mighty Name.

So we are thankful for, you know, what God can do in this Age. And these things which we are talking about, is what I want to preach on this morning, right here; continuing my little inspiration I started at the beginning of this year on *Dreams and Visions and Dimensions*, but I want to stick in *Prophecy* inside of there. I will like to invite your attention to the Book of Joel Chapter 2 – where we are going to take this from, this morning. Amen.

May the Lord just bless each and everyone, and give you the desire of your hearts. You better have your thinking caps on, and fasten your seat belts this morning, because we are going for an eagle strike; an eagle flight this morning, by the grace of God. Amen.

Joel, Chapter 2 – a great promise of the restoration of the Church in the last Day, how it is going to come about; how this great thing is going to happen. That is what God promised. Amen? But there is to be a former and a latter Rain – a planting of the Word, and the

outpouring of the Spirit to make the Word live – the mechanics and the dynamics.

Joel, Chapter 2, verse 23,

23 Be glad then, [you] children of Zion, and rejoice...

Notice that, “Be glad you children of Zion”... How many know Zion travaileth and have brought forth her children? How many know Zion is the Lamb’s Wife – Heavenly Jerusalem; Mt Zion, the city of the living God? “You children of Zion.” How many know the bond woman has children? But how many know, the free woman has children, too? The Elect Lady and her Children. He said, “You children,” not of Babylon; “you children of Zion. You, be glad and you rejoice.”

...in the LORD your God: for he hath given you the former rain moderately,

That is the planting of the Word – the teaching Rain. If you have discernment and you see the Holy Spirit bringing the teaching Rain, put the Seed in; open the Mysteries... The written Mysteries, He planted it. He said, “The written Mysteries are finished. We are waiting now, for the Headstone to come.” Amen. “We are waiting for the Latter Rain to come, (glory,) and She will be a Super Race then.” My!

We were glad when we saw water baptism in the Name of the Lord Jesus Christ, and we were glad when we saw there is no eternal Hell, and we were glad when we saw the promise of Malachi 4:5 and Revelation 10:7, and we were glad when we knew the Holy Ghost is to come back to the church in the last days. All these things were planted in the Former Rain. Amen. Glory.

...and he will cause to come down for you [he will cause to come down for you] the rain, the former rain, and the latter rain in the first month.

Both rains were coming together in the same season. How many know April is the first month? How many know that is Easter time? That is right. Under that great

Seventh Seal, that Easter Seal there was a Cloud that appeared – Rain coming in the last days. Former Rain – a teaching Rain, not denominational teaching; teaching the Bride her position, showing her what God has made her in Christ, showing her that under no circumstances her name could be blotted out of the Book, amen; showing her who she is and what she is raised up for. Oh, my! God caused her to come down at Easter time under the Seventh Seal.

A Shout – what was that? A message – Seven Thunders uttered their Voices (amen) to sow the Seed of the entire Bible. Former Rain and Latter Rain; that is to make the Word live in the people. He will prove His Word by believers. By and through the members of the Bride, He will continue the work; He will finish it. She has been given the revealed Mysteries – the undenominational Bride. To do what? Finish up the commission; to write another Book of Acts. Is that right?

I have to remember they are interpreting. Amen.

*24 And the floors shall be full of wheat,
and the fats [or the vats] shall overflow with
wine and oil.*

You are going to have Wheat; that is the Word – the Seed. You are going to have Wine; that is the revelation. You are going to have Oil; that is the anointing of the Holy Spirit. Amen. This is what is coming down. The Rain brings this.

25 And I will restore to you...

Restoration – the Hour of restoration; the time of the restitution of all things. Restoration time. Elijah will come and restore. “How will I restore? I will send Elijah. I will send Elijah; he will bring back what the Baptist worm ate off, he will bring back what the Catholic worm ate off, he will bring back what the Methodist worm ate off, he will bring back what the Pentecostal worm ate off. He will bring back one Lord, one Faith; one Baptism.” Glory! My!

25 *...I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you.*

26 *And [you] shall eat in plenty, and be satisfied, and praise the name of the LORD your God,*

That means, when you come into the house of God, you better come with an appetite, because you shall eat in plenty. It will have famine for the hearing of the true Word in the world, but among you, your vats will overflow; your floor will be full. And then, “Blessed is the faithful and wise servant who when the Master comes is giving out the Meat in due season.” Glory! That is the promise of the Bible. My!

...and [you shall] be satisfied,

When you see your name in the Book, you are satisfied. When you see the identification of the Word in you, you get satisfied. Hallelujah!

...and praise the name of the Lord your God, that hath dealt wondrously with you:

Who is that? The children of Zion. The children of Zion. Zion travail and bring forth Her children – the Lamb’s Wife; the Elect Lady, and her children. She brought them forth. Glory! “And praise the Name of the Lord your God,” because it is revealed to you in the Thunders. When that Rain came, the Name was revealed again. You know it wasn’t titles then. Hallelujah! You know what the Name is. Glory. My!

*...that hath dealt wondrously with you:
and my people shall never be ashamed.*

“My people who I called out of Babylon. ‘Come out of her, My people’ shall never be ashamed; never be embarrassed. I will reveal it to them and they can speak it in the revelation of their faith, and watch Me bring it to pass. They will know I will keep My Word.”

On the message *Ashamed* [1965-0711 -Ed.] he said, “I was not embarrassed to say Seven Angels are coming.”

Because he knew he was a channel of communication, he knew he was the Elijah, he knew he sowed the Word, he knew he revealed the written Mysteries; he saw he had the identification. He knew it was not Billy Graham and Oral Roberts; he knew it was him. Hallelujah! Glory! On *Sirs This Is The Time* [1962-1230E - Is This The Sign Of The End, Sir? -Ed.] he identified that that Angel of Revelation 3:14 and Revelation 10:7 is the same Angel, and he will have the spirit of Elijah. Is that right? And the Angel said, “Your message will forerun the coming.” Amen? And also, the Children will not be ashamed because part of the Mystery is left for the Children; they will speak it in the revelation of their own faith, too. Hallelujah!

27 And you shall know that I am in the midst of Israel, and that I am the LORD your God,

“You will know this because I will make it known to you. I will unveil Myself by the Word” – Christ is revealed in His own Word, Christ is the Mystery of God revealed; the mighty God unveiled before us. You will know. You will not miss the Presence; It will not be unrecognized. The identified Christ of all Ages will be identified in your midst.

Did He identify Himself, and proved that It was the same yesterday today and forever? Then, these things have come to pass, friends. Those things have come to pass. That is not something to come down the road; it is happening. It has happened and is happening.

..and my people...

...and that I am the LORD your God, and none else: and my people shall never be ashamed.

Zion’s children will never be ashamed.

28 And it shall come to pass afterward,

“When I pour out this Rain; when Elijah comes and Former and the Latter Rain comes down in the same season.”

*And it shall come to pass..., that I will
pour out my spirit upon all flesh;*

The just and the unjust – all flesh is the just and the unjust. All flesh is Wheat and Tares. Amen.

*...I will pour out my spirit [on] all flesh;
and your sons...*

First He goes to all flesh, but then He comes to your sons. Hallelujah!

*...and your sons and your daughters
[Zion's children, here] shall prophesy, [shall
prophesy,] your old men shall dream
dreams, your young men shall see visions:*

He said it shall happen. It is up to you to say He doesn't bring to pass His word; I say, once He said it, it has to happen. And I say, sons and daughters, and the old men and the young men will have these experiences. And what is prophecy, and what is a dream?

Now catch this, now. The Holy Spirit is being poured out. First teaching rain - rain to make it happen. Then, how are we seeing the manifestation of it? He specified three main things. Sure, it has healing, sure it has discernment, sure it has wisdom, sure it has speaking in tongues, but *here*, he specified three things: prophecy, dreams and visions. Hallelujah! Prophecy, dreams and visions. That is information. A dream reveals something: image and voice. A vision reveals something: image and voice. Is that right? Prophecy reveals voice; it is communication, it is saying something. It is Him communicating with His Body.

*29 And also upon the servants and upon
the handmaids in those days will I pour out
my spirit.*

May the Lord bless the reading of His Word. You may have your seats.

I want to speak on **DREAMS, VISIONS, PROPHECIES AND DIMENSIONS**. Why? Because that kind of information comes through a dimension. Do you get that? For you to hear a voice today, on the radio and

on the television, that is coming through a dimension. Right now, it is passing through this room. Is that right? And as long as you have the set that can pick up those voices... You put a radio here, you will pick up every voice that that radio is designed to pick up. You will pick it up right here. It is in a frequency beyond the pitch of your hearing; that is why you can't hear it. And what you couldn't hear, and the images you couldn't see, to you it had none, because what you don't see and what you don't hear, you don't know. Do you get that?

How many remember Gehazi at Dothan? Angels were there but he wasn't seeing any, and to him it had none. To him they had no protection, but then Elisha said, "Lord, open the boy's eyes," and he saw there was no need to worry. Is that right? There was something in him that could have been turned on that wasn't turned on until the prophet asked God to turn it on. Do you get that? Wouldn't it be great if God can turn on in you, something to pick up the Supernatural that is not turned on?

You know, when you think of, maybe, somebody that is born deaf, and then one day God turns on their hearing and they start to hear, wouldn't that be great? Or somebody that is born blind, and one day God opens their eyes and they get back sight. And then, they begin to realize how beautiful things are when they look at the sunset and the sunrise, and the morning-star, and a beautiful rose or something, that maybe, they could've just smelt but couldn't see what is giving forth such a nice fragrance, and then to see it is a beautiful handy work of God that is doing that, when the eyes are turned on. They will appreciate it more than just smelling it. Is that right? Because smelling it could only bring them to a partial realization of what it was, but when they begin to see it, then they can appreciate it in a greater way, by having their sight turned on that could not previously contact it, because their sense of sight was not functioning.

That is what God has done for the Elect, and is doing for the Elect. You see, people, you know, we read in the Bible about Elect, and we read in the Bible where God said, "I will pour out My Spirit and you will have dreams, visions; prophecy," and he specify those three things that will be there in the time of restoration, after the outpouring of the Former and Latter Rain. These are some of the results that will be evident in the Church. Amen? It is just to help sensitize you a little bit. That is why, when the Seventh Seal was breaking and the Latter Rain was coming...

What started the Seventh Seal? Six dreams and a vision – a prophecy that went forth to Arizona. And then, three years after that, prophecy became history: *This Day This Scripture Is Fulfilled*. But that was the first fold of the Seventh Seal, and when it came to the second fold, there were three dreams again: "I will ride this trail once more." Is that right? That was between the Sixth and Seventh Trumpet, that was connected to the Thunders and the Vials. He said, "I will show you what those men were dreaming." They were dreaming a promise in the Bible. They were dreaming something to be interpreted; in symbol form it came. God, through a Divine channel of communication, God was communicating Word from the Bible to follow the first fold of the Seventh Seal; Word from the Bible to move the Bride into position, that by and through Her, God was going to finish the work.

Then, how close are we to that, this morning? Last year we came through, *On The Wing Of A Snow White Dove*; printed the booklet, *I'll Ride This Trail Once More*. "Me, an old man, God healed me; I've got to bring a message. Father, there is a message coming forth." Next message: *Dove Leading Eagle*. He never went beyond the seventh verse. We studied those things.

We found out that in the Days after the chief reaper went off the scene in the Book of Ruth, Boaz and Ruth, she was getting personal ministering, he took the

headship over her, and he was whispering the secrets in her ears when she came under the cover. Is that right? And he told her, "I will finish the thing. I am going up in the gate in the morning." And she knew what he was doing in that Hour. Naomi opened up things to her and she went to meet him, but when she went there she started to know more than what Naomi knew. Do you get that? She came back to tell Naomi what he said he was going to do. Glory! And then, Naomi said, "Rest. If he said that it is finished, you can relax, girl. Tie your soul to it; it is impossible for him to lie." Because blessed be the Lord who hath remembered the dead and the living.

A kinsman who relates to the dead and the living. Mahlon and Chilion and Elimelech had died, and they were in poverty, and the inheritance was lost, but then Boaz came to take the living ones out of destitution and restore the inheritance that was forfeited. Amen. And then, through there, they brought the heir, Obed, (glory,) so that Naomi could have an heir. Is that right? And when we found those things we were finding out how God will work; must work, in continuity to the going away of the Chief Reaper at Harvest Time, between the reaping and the garnering, in the time of threshing. When the Bride is going through that, the Chief Reaper is not on the scene. Is that right?

We find those things in the Bible, and that is where our faith is anchored. Why? Because, when he opens the rock beneath the rock, what happens? You see Jesus and His program. In other words, you see Boaz and what he is going to do. You see Jesus and His program. Do you understand? So then, there is no more guessing; then you know right and wrong. Once that is revealed, you know right and wrong, because now the Mind of the Spirit is revealed to you. So somebody says, "The Spirit did this, and the Spirit did this, and the Spirit is doing this," you don't have to listen to that; you know what the Spirit is doing, because it shows in the

Word. He can never leave the Word. He reveals the Word so you can meet Him in the Word to receive what He plans to do in that Hour.

That is why Naomi had to reveal to Ruth where to find him, what time it was, what he was doing; how to approach him to receive what she had needed of him, to do for her. Is that right? Oh, my! It is too much already, but I'm saying those things to anchor your faith, to let you see what it is you are looking at; what it is you are under expectation for. When you know what time it is and what is promised, you know what to be under expectation for, you know what requirement it takes to meet that, and then, you know how to pray, and what attitude you should be in, and what you should guard against. But when you don't know what time it is and you don't know what is promised, and you are not under expectation because you don't know your season, then you are going to church and trying to live a good life. But that is for the people who are going through the tribulation period. The Bride is to fulfill certain promises. She is being led by the Spirit to operate a certain part of the Bible that is laying there as prophecy and must become history in order to bring the resurrection. Do you understand that?

Malachi 4, when he was here, looked in the Bible and saw Seven Seals had to be opened. But nobody was looking for Seven Seals to be opened; everybody was trying to hold on to the healing revival and keep it. And when they found that that was going away, they started to bring gimmicks and psychology to keep controlling people, when that was only to attract their attention; to get them ready for the Voice. But he knew there was a Voice to speak, because the Bible says, "The Lord himself shall descend from heaven with a shout." He knew the mighty Angel descended and cried with a loud Voice, and Seven Thunders uttered their Voices, and the Book that was previously sealed was opened in the hand of the Angel – a little Book opened. And so, he was

looking for that promise. And then, what are you going to do when you look around and see that all Christianity is not looking for something that is promised, and that God is not influenced by what all Christianity is doing, and that God is telling you, that is your promise and you have to step forth? What are you going to do? Will you call up Jeffersonville? Will you monitor conventions going on around the world? No, no, no.

We have not been so taught. We saw what a Prophet did: he preached it out of the Bible, jumped in his car and drove two thousand miles, and started to wait for it to happen. Did he come back with those Seven Seals? Did the angels come? Was the vision fulfilled? Exactly right. What a place to walk, friends.

But you see, when we say, "You are the Word Bride," it is that what we are talking about. Not, 'I am in the Message.' Not that; the Message in you. The Message in you.

So look at Joel, giving this prophecy of God... Why would God give a man a dream? When God gave six dreams, what did God show? God showed Scriptures that were fixing to come to pass. Did you catch that?

When God showed Nebuchadnezzar a dream, what did God show? Scripture that was coming to pass. When God showed Pharaoh a dream, what did God show? His Word and Will that were coming to pass. When God gave Joseph dreams, what was it? His Word and Will, coming to pass. Do you understand? And God said, "That is one of your channels."

Now, not all people dream. How many know that? That is right. So, if some people don't dream then He has to give them prophecy or revelation. He has many ways which He can reveal it but in doing it, dreams will be part of what He is doing, because He specifies that. In other words, dream, vision and prophecy are the subject of the inspired Word in the time and season of the Former and Latter Rain.

Now, how many know the Former and Latter Rain didn't come down through the dark denominational Reformer Age? How many know the Pentecostals thought that they were the restoration when they started to speak in tongues, and that is why they call themselves Pentecostals? But how many know it could not be that because the Prophet Messenger had not yet come to plant the Word? Is that right? Yet, God has dealt with man in dreams from the very beginning. How many know it is God who makes up a man to dream? How many know it is God that has to make up a man to see a vision? How many know, to get inspired prophecy the spirit of prophecy has to come in a man and give him the testimony of Jesus? How many know that the testimony of Jesus is the spirit of prophecy?

How many know God keeps His Word? Will God keep that promise in Joel? Then, when does that promise come to pass, and who does it come to pass to? Children of Zion. Children of Zion. Who is Zion? The Baptist, the Methodist, the Jehovah Witness, the Seventh Day Adventist? The Lamb's Wife. Then it has to come sometime after Eliezer gets that wife. It has to come sometime after Eliezer gets that wife.

How many know, former rain and latter rain, that latter rain is harvest time? How many know it takes two rains to make a mature grain. You put your seed in the field, and your first rain starts your growth. It brings up the life in your seed. Is that right? And then, there is a long period where the farmer waiteth for the latter rain, because when they are about to mature now, that rain comes to mature it. Is that right? God sends showers in due season. There shall be showers of blessing.

How many know a rainy season has many showers? How many know the rain doesn't just fall 'boom, boom' in one day, and the season finishes. It is showers... And some showers are greater than some. Some showers even bring floods. Is that right? And how many know, when you get those kinds of heavy showers you get

thunder, and lightning, and strong winds? And how many know before you can get rain, you have to see clouds? Hallelujah! And how many know in Revelation 10, there is a mighty Angel clothed with a Cloud and a Rainbow, and when He spoke, it was thunder? And the coming of the Son of Man would be like the lightning coming from the east to the west. Then there were clouds, there was lightning, there were thunders, and there was rain.

Hosea 6 says, “And He shall come unto us as the rain.” He himself is the Rain. The Rain is the Holy Spirit, and the Holy Spirit is He Himself, and He is the Spirit of truth that teaches the Word, and He is the very dynamics that energizes the Word and quickens it and makes it manifest. Hallelujah! When you get your latter rain it is harvest time – the latter rain or the harvest rain. And the Harvest Rain is the rapturing faith. I’m quoting, *Seven Church Ages* [Chapter 10 - A Resume Of The Ages – Ed.] pages 377 and 378. I’m quoting. And what is that Rain going to do? Restore. The restoration of the Bride Tree – the same bark, same life, same fruit; same leaves, (amen,) planted by the rivers of water, where the House of God lives again, and the Tree of Life blooms again, and the Pyramid stands again.

Little children, if you understand what I’m saying, if we are at Harvest Time, then there is a promise of the outpouring of the Holy Spirit, and that is what this Message is. That is why Revelation 10, the coming of the Lord, He is coming as the rain. That is why this Message has teaching. That is why it takes you away from denominational seeds about Santa Claus, and ‘Eve ate an apple’, and ‘join the church’. But it comes here and says, “Look, your name is in the Book, and you are ordained to receive the Holy Spirit, elected to be Born Again, and quickened to recognize what part of the Word you are.” What denomination couldn’t teach under a teaching Rain the Holy Spirit brought those

Seeds up. Hallelujah. Because Paul said, “I have planted and Apollos watered”.

Jesus said, “And the sower went forth to sow.”

And they said, “My, where did He get this doctrine from. That is different to the Sadducees and the Pharisees.” But he was getting it in the Bible. Is that right?

When the Son of Man came at the end of the New Testament, as He came under the Old Testament, did He find the Church with the theologians in the same condition? They did not know what the New Birth was. Did Jesus find Nicodemus preaching the New Birth? He didn't even know what it was. Did He find the Sadducees having angelic visitation? They didn't believe in it; neither in the resurrection. When He came at Evening Time was it the same? When the Son of Man came back to seed, is that Harvest Time? Through the Church Age He was Son of God, but when Son of Man came back we are in the Grain Age again – the Wheat Age. That is the time the teaching comes, that is the time the dynamics comes; that is the time when we see the Bible live again.

The same Son of Man in the morning time – Light in the morning time... “It shall be Light at Evening Time.” Is that right? Is it Evening Time, now? Did the same Son come back?

After Jesus poured the teaching Rain was there a Rain that made the Word live in the apostles? “You shall receive Power from on high. Go and get the Holy Ghost. The works I do shall you do also.” Did they do it? Did Jesus plant for that? Did He talk about how His planting will bring forth a hundred fold in some lives? And they will bring forth fruit unto perfection? Did He say that in His teaching? Did He show there are four categories of soil? Some people are like the wayside where the devil steals it away. But what were these singing, this morning? “Don't let the devil steal it away. Hide it in your heart, because if we were meant to be

Bride, He gives us secret things and we hide it in our hearts, and the devil can't steal it away." [#969 & #952 - Songs That Live -Ed.] Do you understand?

Those children understand. Did you hear what they were singing? They are glad and they are rejoicing. They sound like Zion's children. Oh, my!

Dreams – God is going to give dreams. God gave Junior Jackson a dream, and the Prophet was interpreting a mysterious writing (is that right?) on a rock. And then, he opened a part that light never shone on. And the man actually dreamt the ministry of the Seventh Angel, finishing the written Mysteries, and then, the unwritten, when the church world didn't know of a Seventh Angel. And though he dreamt it he didn't know what he dreamt. But as he told the dream, the Seer said, "I sat there, I listened, and I watched." Hallelujah! Do you understand?

Let me pause here and put this in for you. Do you know why I'm preaching this? And do you know why I start with this, this year? Because what is in the mouth of the Dove is taking them to the unseen World – the New World. And from *Is This The Sign Of The End, Sir?* [1962-1230E -Ed.] following *On the wings of a Snow-White Dove*, [1965-1128E -Ed.] bringing the Headstone down, which is your former and your latter Rain, and then, God hidden communication... Because the devil wanted to get a hold of the secret, so God has channels and means of communication to transmit the revelation on a secure channel that Satan can't intercept. Do you understand? Because to get in there he has to be justified, sanctified and get the Holy Ghost. That was why he said, "Don't try to interpret anything; it will come to you. Anything you need to know," he said, "like something striking the crystal, from a sending station there is a receiving set." Well I'm trying to show you, in the last days, this is a reason for that kind of communication. Understand me clear, clear, clear here.

We know this Scripture one way, but the Holy Spirit is now, opening this Scripture far beyond what you ever imagined the Scripture is. You say, "You are saying a whole lot." No, I'm not saying a whole lot. I'm speaking the truth. When I speak these things, you tell me if you heard these things before. Nothing special for me, but we are in the Age where the Holy Spirit, when He opened the Book, had to give the revelation. That is why He opened the Book. Because without the revelation you have no prevailing power, without the revelation you do not know what you are looking for; without the revelation you are waiting for something to happen and you don't realize you have to make it happen.

He can't sit down in Jeffersonville and say, "Well, if this is of God, He will bring it to pass anyhow". No, his revelation made him step out and go to make it happen, because he understood the channel God used, to come to him. He said, "When it comes through there, I know what it is." And he said, "But, This [the Word -Ed.] is even higher than the vision, because anything revealed must come back to This. This is the highest form, because you try every spirit by This."

Because remember, Satan gives dreams, remember Satan gives visions, and remember, Satan gives prophecy. Did Hananiah prophecy? But it was a false prophecy, right? Remember He poured out His Spirit upon all flesh. False anointed ones in the End-time will do the same things, but there will be a Bride who will have the true Word.

When God reveals something, faith is connected to it. You know, a lot of people say, "But God showed me this." Sometimes when people hear messages like these, whoo, they get enthused. Boy, they start to search every closet, every drawer, and pull out all the things that they used to have.

Then you say, "Well, if you believe it, then step out in it. Go ahead." They like to talk it, but they cannot step out in it, so it shows they don't believe it really, because

when it is really revealed it brings faith. Faith is a revelation; something made known by God. And when it is made known, it is in the Bible, so you know, heaven and earth will pass away; it must come to pass. But yet, God said, when He pours out that Spirit, in the outpouring of the Spirit, there are things that will be revealed through visions, things that will be revealed through dreams; things that will be revealed through prophecy.

Now, let us take a Bible principle as we approach this, because this must be the Scripture. This can't just be, me being enthused. If this is a revelation it must be in the Bible. Dreams and visions and prophecy, as I showed you, was in the first fold of the Seventh Seal and the second fold of the Seventh Seal. Now, why did God do that? Do you know why God did that? That is in the promise, when the former and the latter rain came in Joel. Was the opening of the Seals the Latter Rain? That is what it was. That is why the Cloud came. That is why it had a Rainbow. That was the Thunders. He came as the Rain. That is why angels came.

The Evening Message is to do what? Loose the Holy Spirit. While the Headstone is coming down, the Bride is working the dynamics in a measure – while the Headstone is coming down. And as she nears the Headstone, she is coming in His own Image in order to be united with Him.

Now, these are the quotes we know. But then, do you know when the quotes get alive? When you start to see that your experience is what the quote is. Then you realize that the quote was the spirit-quickened Word of God, and now that Word is coming to pass, and you recognize that that is happening to you. Because when it comes the Spirit quickens you back to where He said it. He quickens you back to where He said it.

Now, in the last days at Harvest Time, when this Rain is coming for restoration, in the Hour of restoration, “In those days will I pour out My spirit,” He said. “And in

those days...” Because remember, the Holy Spirit has to follow the ministry of the Son of Man. Did the Holy Spirit follow the ministry of Jesus? Is the Son of Man revealed in the last Day, again? Then it has to follow again. Did it come from a one man Scripture to a many membered Body, in the first Coming? Then it has to come back the same way. I’m giving you the Bible pattern here, so you will know it is not like an interpretation.

The same Rain here, which is a teaching Rain, is putting a seed in right now, by the Holy Spirit teaching it to you and showing to you that that is the promise. Though it said He would pour out His Spirit, it doesn’t mean, like, the Spirit was in a jug and He poured it out, you know. No, no. Kenos – He enmorphed. He is changing form. The same God changing His form. From a one man Scripture to a many membered Body – He is changing His form. It is one actor; different masks. One actor. He does all three things. It is Him. That is why it is by and through the members of his Body, because when that Head comes, it comes for union.

Eliezer, when he brought Rebecca, did Isaac come and take the headship? After Mordecai raised up Esther, did Ahasuerus come and take the headship? After the chief reaper presented Ruth, did Boaz come and take the headship at harvest-time – at Evening Time; between the Sixth and Seventh Trumpet – between Nehemiah and Job? Are we living in that time? Did we see the Chief Reaper? Was he Eliezer? Was he Mordecai? Do you see the perfection of the Bible?

What a great thing it is, to see what is happening. What a great thing it is to wake up and see what is happening friends, when you are not living in yourself, but when you are walking in the light of God – the bright, shining light of the Bible being made manifest. It is so Scripturally, that is why you have perfect faith, because for that to fail the Word has to fail. And He said, “You do err, not knowing the Scriptures; the Scriptures cannot be broken. Heaven and earth will pass away, but

the Word will never pass away.” That is where He builds the Church in the last days. That is what the teaching Rain, out of the mouth of the Evening Messenger, did for the Bride. When the seed of promise finds a place to grow, when faith finds its bedding ground, no circumstances are considered, because Holy faith and Holy works are in a Holy union, and works begin to express that faith has taken a hold. Did you hear that? Faith has taken a hold in your heart.

Malachi 4, when he came he knew he was one man, but he knew there was a Harvest. He knew there was to raise up a super Church, and he found the revelation in the Bible, and he began to plant for it. Because you can't have it until you put the seed for it. Because, it is not Sylvia and Newton's son bringing that forth; it has to be God's own Word being reproduced through human beings. You are just good ground; you are just prepared ground for the Seed to fall into, but it takes a Sower to sow the Seed in the good ground. Amen?

Dreams are a revelation of the Bible. Visions are a revelation of the Bible. Dispensations is a revelation of the Bible. Ministry of angels is a revelation of the Bible. God enmorphie is a revelation of the Bible. All these are subjects of the Bible. Governments is a revelation of the Bible. The Feasts is a revelation of the Bible. Anything that God started in Genesis goes through Revelation, because Genesis is the Book of beginnings – the seed.

Let us turn to the first recorded dream in the Bible. It didn't get there by chance. God Who designed His Word put the first dream in the Bible. Now, watch when these dreams are coming. That is why I nailed it down for you. It is coming when? At harvest time. It is coming when? In the time of restoration. Restoration could only come at Harvest Time, when Elijah comes at the end of the Age. Harvest Time is the end of the world. Elijah came before He burns the chaff with fire. Elijah came with his message to gather the Wheat in the garner.

Genesis Chapter 20 – this is your first recorded dream in the entire Bible. See this; it is beautiful. This is happening when? In the last days, in type. It is in the last days when the Former and the Latter Rain comes in the same season. Joel's prophecy is for the End-Time. Restoration comes when? Not in the reformation Age. That was not restoration; that was reformation. Stalk, tassel and shuck are reformation; those are stages of restoration. But the restoration comes when the seed comes back. And when all the life gathers in the seed, that is what? Harvest time. And that is what? Garnering time. You reap the grain, thresh it and garner it.

Genesis 20,

¹ And Abraham journeyed from thence toward the south country, and dwelled between Kadesh and Shur, and sojourned in Gerar.

² And Abraham said of Sarah his wife, She is my sister: and Abimelech king of Gerar sent, and took Sarah.

³ But God came to Abimelech in a dream by night,

This is the first time we are reading the word dream, and it is the first dream that was being recorded, and it is a dream... And we find out God comes in dreams. In the Book of Genesis, God came in a dream. Can you dream God? Can you dream the Word? You better believe the Bible.

...and said to him, Behold, thou art but a dead man, for the woman which thou hast taken; for she is a man's wife.

Something was revealed to him in the dream of things that he did that he was unconscious of, when he was doing it. God had communicated knowledge of His will to the man in the form of a dream, because the man had put himself in danger of judgment by the action of taking another man's wife. And though he did it ignorantly, being influenced by Abraham saying, it was

his sister without fully explaining it at that time, he explained it afterwards, the man did that and God didn't want to kill him, right away.

How many know God can't judge except He reveals Light? So, God now, brought the Light to the man in the form of a dream. So, a dream is not just you laying down and you seeing things. The Sender of this transmission, the Sender of this transmission... He had a receiving set. The dream didn't drop in somebody else, you know. The dream came straight to the man.

How many know, it is in your subconscious you see a dream in? Not with this eye, and you are not hearing that Voice with this ear. That is in the subconscious, because he was sleeping. This first conscience was inactive, and God came in the subconscious. How many know the subconscious is your soul? How many know your soul is you and your body is your earthly tabernacle? Now, we are getting somewhere. Now, we are getting somewhere.

The soul that sin shall do what? [Congregation says, "surely die" -Ed.] Sin is what? [Congregation says, "unbelief" -Ed.] Unbelief – to disbelieve God's Word. But the entrance of His Word giveth Light. His Word is a lamp to your feet and a light to your pathway.

God now, was making known His will to the man, and said, "Right now, what you are thinking you are going to do and enjoy is really adultery you are going into, and the penalty for that is death." In other words, this is the communication. The man is getting this dream. Watch.

...and said to him, Behold, thou art but a dead man, for the woman which thou hast taken; for she is a man's wife.

⁴ But Abimelech had not come near her: and he said, Lord, [will] thou slay also a righteous nation?

Because he understood when God says, you are dead, it is you and your whole nation that are gone, you know.

This woman is Mt. Zion. How many know that in Galatians 4, Hagar represents Mt. Sinai? The bond woman in bondage with her children. How many know that Sarah is the free woman – Mt. Zion, the Lamb's Wife; the married Wife who brings forth the heir of the promise? How many know that Genesis 20 is between Genesis 18, the Shout – the Lord Himself descending in the investigation judgment; the Supreme Judge coming? How many know that Genesis 21 is the promise Son coming on the scene – the last Trump? And how many know that between the Shout and the Trump is the Voice? And how many know that this here, is in the days after Elohim came in human flesh, when he said, "I will return according to the time of life"? How many know we are living in that Hour, right now? How many know this is the end of the world; this is Harvest Time? How many know when the angels came that was, 'shall I hide these things from Abraham' and 'Sodom is about to be burnt'; that was the Rain coming to bring the change?

I'm going to get it for you just now, but watch the dream. God put the first dream of the Bible between the Shout and the Trump – between the coming of the Son of Man to be revealed and before the change of the body to bring the promised son on the scene. God put it in that time. The promised son had not yet come; in Genesis 21, the promised son is on the scene. Is that right? But she was changing all that time. How many know that? How many know the Bride's life is changing from glory unto glory, to bring the promised Son on the scene. Watch this here.

⁵Said he not unto me, She is my sister?

The man was pleading his case before the throne of God there.

...and she, even she herself said, He is my brother: in the integrity of my heart and innocency of my hands have I done this.

He said, “Oh God, don’t kill me and my whole nation. Please have mercy; I didn’t do this for spite.”

This is what happened here, in the dream – in the dream.

⁶ And God said unto him in a dream, Yea, I know that thou didst this in the integrity of thy heart; for I also withheld thee from sinning against me: therefore suffered I thee not to touch her.

⁷ Now therefore...

What? [Congregation says, “restore” -Ed.] That is restoring the Bride. That is restoring Mt. Zion. That is restoring the married wife. That is restoring the one who is to bring forth the promise. That is the one He told Abraham, “I will come back to her at the time of life and she will bring forth the son. I’ll give her dunamis, because she judged Me faithful.” Is that this Hour? Is that the last days? And, did He promise in the last days, in the time of restoration, with the outpouring of the Rain, He will come in dreams? And it has to do with the restoration of the Bride? And to further endorse this, just go and read *The Restoration Of The Bride Tree* [1962-0422 -Ed.], and tell me if he didn’t take Joel 2, and if he didn’t take Genesis 20 and preached that.

If you are a Message believer, you know these are Scriptures he used in preaching that message.

Now therefore restore the man his wife; for he is a prophet, and he shall pray for thee, and thou shalt live: and if thou restore her not, know thou that thou shalt surely die, thou, and all that are thine.

In other words, “I will give you light, because I cannot condemn you until I give you light.” This is the condemnation Light is come. But you better don’t choose darkness. You better walk in this Light so the Blood can cleanse you from all sin; you can be released from this guilt and condemnation, and stand justified.

Now, watch. Watch here. What role was God in, there? The Enforcer. God was in the role of the Enforcer, enforcing a rightful condition of restoration of the married wife. Why? Because the Son had come back. The Son of Man was being revealed. How many know when the Son of Man is being revealed in the last days, when the Spring Sun comes back, God comes in the role of the Enforcer, to enforce the rightful condition of restoration for the Bride? And under the latter Rain showers; under the opening of the Seals, when He came as Supreme Judge in the investigation judgment, here God, who gave the promise in the last Days, when the same thing is going to happen in the last Days, 'He will visit them in dreams', here we see God in a dream revealing He is in the role of the Enforcer. The dream also revealed that. The dream isn't just to reveal Abimelech took the woman, you know; the dream revealed God coming there to enforce the rightful condition of restoration for the bride, between the coming of the Son of Man and the promise son coming on the scene.

When Joel said, "And in those Days I will pour out My spirit, and in the time of the former and latter Rain," was that consistent or had to be consistent with the rest of the Scriptures in the Bible, or could he just bring a wild prophecy? Or is it one Spirit that moved upon the face of the earth that spoke all the way down until Revelation 22? And when God was promising dreams in the last days, did God know what He put in Genesis first? And did He put it in the time of the last days? And did He put it in the time of the restoration of the Bride, and the Bride coming to be changed to put on immortality and bring the promised Son on the scene? And are these things to follow the Ministry of the Son of Man?

When Peter picked up Joel's prophecy, a part of it in the first Coming of the Son of Man, was it after the Holy Spirit was poured out after the Ministry of the Son of

Man? Then, when the Son of Man was revealed in the last days, is it supposed to come back when the Holy Spirit is poured out, after the Ministry of the Son of Man in the last days? Are you seeing the perfection of the Bible? Can you conceive it?

My! What a dream. In the dream God revealed that He was ready to bring judgment upon the kingdoms of this world – anything that doesn't line up with His Word. God is showing He was enforcing a rightful condition of restoration for the married wife who was to bring forth the promise in that Hour. Is Sarah a type of the Bride that is going to be changed after the Son of Man is revealed – the last sign before the change? Are we in that time? Did she receive dunamis? Was dunamis poured out? Was even Abimelech getting dreams, too? Alright. My, my, my! Glory!

So watch. So, right here we see how... Now, you read the rest; I want to save some time. From about verses 8-18 you will find down in there how God shut up all the wombs in that house, because God was not just thinking of restoring the bride alone to bring forth the promised son, but God was guarding that womb so that it don't get any seed that was not supposed to come in that womb. Are you seeing all of that in there?

Is the appearing of the Lord in Genesis 18, to the promise son coming in Genesis 21, is that the three-fold Mystery of the Seventh Seal, when He came as Supreme Judge, when He turned his back and discerned the heart, when He opened up the secrets; when the promised son came on the scene? And between that time, it was the Voice, where they were changed and came back young. Is that the Bible? And if there was a Shout, Voice and Trump in Genesis, is there a Shout, Voice and Trump in Revelation?

Revelation 10, when the Son of Man is coming to be revealed in a son of man, Revelation 10:1 coming in Revelation 10:7, did He come in a Bow? [Rainbow -Ed.] Did He come with a Cloud? Did He come with Rain? Was

that the teaching and the dynamics? Remember, Revelation 10:1-7 is Genesis 18 you know, because Genesis 18 was God, Revelation 10:1, in human flesh, Revelation 10:7, and he spoke Revelation 10:3 and 4 – the Thunders. My!

Let me drop over in the New Testament before my time runs out on me. We read from the first Book in the Old Testament; let us go to the first Book of the New Testament. And I'm making some big, big jumps here to get to nailing down something here, and then we can elaborate a little more. Because I'm showing you what He promised in the last days. And that is a type here in the Bible of the last days. And here also, you are seeing a type of when the Word is to be Born Again into manifestation, when the mighty Angel is to descend to a virgin.

Matthew 1, verse 18,

¹⁸ Now the birth of Jesus Christ was on this wise:

When as his mother Mary was espoused to Joseph, before they came together, [sexually, that is] she was found with [a] child of the Holy Ghost.

Is Mary a type of the Bride? As the Word was in Mary so Christ will be in the Bride. This is the secret. The Angel came to Mary and the Angel's message was, God was to be made manifest in the virgin. That is right.

¹⁹ Then Joseph her husband, being a just man, and not willing to make her a public example, was minded...

It was in his thoughts – minded.

... to put her away privily.

²⁰ But while he thought on these things,

Now this is something so deep, here. Because, you see, dreams reflect your meditation many times. Nebuchadnezzar said, "While I was thinking on my bed, the dream came." While Joseph was thinking on these things, the dream came. See. Watch.

*But while he thought on these things,
behold, the angel of the Lord appeared unto
him in a dream,*

So we had God coming in a dream in the Old Testament, the first dream, and now, in the first dream in the New Testament we have God coming in a dream again. So, this is Old Testament and New Testament. This is God's way of dealing with man. Do you understand?

*...saying, Joseph, thou son of David, fear
not to take unto thee Mary thy wife: for that
which is conceived in her is of the Holy
Ghost.*

Now he was going to put her away privately, because he didn't believe that she really had the Child of the Holy Ghost, because he was espoused to her and he didn't know her. And the Bible tells us he was espoused to her, but he didn't know her yet, and then she ended up pregnant. Now, he didn't know she was fulfilling the Bible, and he didn't know that was the prophesied Word in the process of fulfillment in another Elect. This was one Elect getting trouble with another Elect. This was one Elect doubting that another Elect was producing the promised Word.

This was a girl with a testimony that the mighty Angel descended from Heaven, appeared to her, and that Isaiah 7 was inspired to her, and that Word was coming to pass and being reproduced through her life. And when she gave him the testimony, like Thomas, it was hard to believe, so he was thinking about putting her away, but he was thinking of doing that privately. He was still saying, "Well, I am not going to make any scene, but I'm definitely a man of integrity, and I am not going along with any woman that is unfaithful to me. As much as I love her, I can't go through with this. But I don't want to make any embarrassment, because when I think of the times we had, it is fond memories, so I will just do it privately and go about my business." But this

was the Word coming to pass. This was the Word coming to pass. Was Sarah going through a process of the Word coming to pass, too? Was Mary going through a process of the Word coming to pass? Is Mary a type of the Bride, as Sarah was?

How did Sarah get her child? Did that same mighty Angel come? That is right, friends. How is the Bride going to bring forth this promise? That mighty Angel in Revelation 10 had to come down, too? Are these things happening in this Hour?

*But while he thought on these things,
behold, the angel of the Lord appeared to
him in a dream,*

So, you mean to say that when these Mysteries are happening in the last days, dreams will unfold some of these Mysteries? In other words, that is a format – graphics, image and voice. God can bring it just by voice. He can bring it by image and voice while you are asleep; He can bring it by image and voice while you are awake. It is information. In other words, they call it information; we call it revelation. But God is making something known. He is transmitting something, and He has many ways to transmit it. One time He said, “Pick up your pen and write”, and he started to write. He was writing Scripture; he was writing the thoughts of God. The next time, he saw it in vision, the next time, he laid down and dreamt it in a dream; the next time, a prophecy came. He prophesied, “Oh, Los Angeles, Los Angeles”. He said, “What did I say? There is something about that in the Bible.” Oh Capernaum, Capernaum. He said, “Playback the tape; let me hear it.” He didn’t know what he was saying. Is that right? Are you understanding?

I’m showing you the way God is fulfilling Joel in the last days to Zion’s children, in the Hour of restoration. Because he said specifically, “I will do it through these channels,” and I told you, that is information being communicated through a dimension. I’m preaching

about “DREAMS, VISIONS, PROPHECY AND DIMENSIONS.”

A dimension is the channel through which this is being transmitted. And I want to show you, from the beginning God designed man to see visions; God designed man to dream dreams. Because God’s plan is to visit man in their subconscious while they are asleep, and to visit them while they are awake. And the same One Who designed the man, designed the world. He made man for two worlds. And God designed a fourth dimension where all information, the information superhighway, things will be transmitted.

You say, “Well, what is all of this?” The Rapture is changing dimensions. The angels that are going to pick you up are not earthly angels; they are Supernatural beings from another World. The One that opened the Seven Seals was a being from another World. And God’s method of dealing with the people under the Latter Rain showers is to bring them into this change of body so they can change dimensions.

The first thing He changes is your soul, your nature, because only those who are changed in their soul can be changed in their body. And when you go in the Rapture you are not flying off into Heaven; you are changing into another dimension right here – a parallel universe. Tell me where your church clothes are going? Tell me where your church service and your ‘religiousness’ in the message are going? Tell me where, ‘you believe Bro. Branham and you have his picture by your bed’, tell me where that is going? But, tell me a Prophet came and opened up the unseen World to bring a people into the unseen World.

I will show you, when Jesus came He taught about dimensions, He taught about theophanies, He taught about ministry of angels, He taught about demonology, He taught about gifts in the Body and gifts out of the Body, He taught about prayer, He taught about fasting, He taught about you working God’s gifts and God

working His own gift, He taught about visions; He taught them about their names written in Heaven. And when He was finished, a church was trained to operate in the same World.

Is Elijah a type of Christ? Then Elijah was talking to angels in another World, then Elijah was seeing visions; then Elijah was transported. And Elisha, who was trained under him, started to live in the same realm. Is that right? He was in association with angels. He knew what was going on in the king's bed-chamber. Did Joshua meet angels following Moses? Did God take the spirit off of Moses and put it on Joshua? Did He take the spirit of Elijah and put it on Elisha? Did He take the Spirit off of Jesus and put it on the apostles? Did He take the spirit of the Prophet and put it on the Bride?

Do you see where, if you just come as far as this building and come as far as sitting down on that bench, and read a few books, and think you are going somewhere, do you realize that is a delusion? It is where, as you walk and as He unfolds Himself, you are being raised up into heavenly places, and you start to understand how Quickening Power quickened you and raised you up to see the believer's position, to understand what eternal life is, to understand the receiving set, that you were designed before the foundation of the world, in this Age, with the ability to hear when the Spirit starts to speak; to receive when the Spirit starts to transmit. That is what makes you an Elect. And because God will have that kind of Church, and not an intellectual church, He promised that He will be revealing things to people through these channels of communication.

Prophecy is a communication, dream is a communication; vision is a communication. It is things that God has in His mind that He wants to say and He wants to do. But He has people wired, he has people designed and made up. And a Prophet started to come and taught us about make-up. The stones are cut out

different, natured different, because everyone is for a certain part of the Body, under a Headship. And you are born in the world to be a singer, and you are born in the world to be a preacher, and you are born in the world for a certain position – elected, called, anointed and placed. You are Chosen and predestinated unto your placing, the adoption, because the stones in Solomon’s temple were cut out by a pattern and brought into a certain place, so the glory could fill it. Is that right?

Do you see what the church is? Do you see why He couldn’t leave us in denomination, to take us in the Rapture? Because that is man communicating things to man from man’s seminary, but God’s church, He is the Head; He has to communicate to the receiving set on the inside that He designed you with. And the way He taught the gospel, He taught the Bible to lead them to discover their hidden potential, their untapped resources, and how to operate in the law that they were built to possess.

Is that what the mama eagle taught Junior? “Junior, you are not a chicken, you were never a chicken. You were an eagle from the egg; you have a law to fly. Watch your talons and watch theirs. Watch your beak and watch theirs. I know you used to get a fight, and think you are strange, and that you are the odd chicken, and that you are funny, and you are of the devil, and all of them are of God, but now you find out that you are of God and they are of the devil.” Amen. Hallelujah! “And then, you realize, I made you what you are. You are what you are by the grace of God. I made you an eagle. They live on cockroaches, but you are made to hunt your food. I made them earthbound, and I made you to fly.” Oh, my! Do you understand? What a place, friends.

Verse 20,

*²⁰ But while he thought on these things,
behold, the angel of the Lord appeared unto
him in a dream,*

Let me ask that. How does the Angel of the Lord appear in a dream? Let me hear what you have in your mind? Was it a big, bright, shining something with wings flying over his bed? When the Angel of the Lord appeared to Abraham in Mamre, how did He come? When He appeared to Gideon, how did He come? When He appeared to Manoah's wife, how did He come? A Man with dust on his clothes. You are dreaming a Man talking to you, but you are discerning that voice; it is a Divine authority. Yes, sir! Because you can't say, "It is an Angel of the Lord because He is tall, or He is short, or, I find He looks fat so that can't be Him." Angel means messenger. Angel doesn't mean tall, short or fat. Angel means messenger. It has fat postmen, it has short postmen, it has tall postmen; it has thin postmen. Is that right? But when they bring the letter, and they deliver the message, it comes to the right address. Hallelujah! Glory!

Paul was a hooked-nosed Jew; a thin fella, who was moody with a pot-belly and a bald head and a squeaky voice. Is that right? Sure. God has them in all colours, in all forms; in all shapes. He is a Potter with many different vessels, but everyone is prepared for the Masters use, fit for God's purpose, that when they deliver, they deliver the counsel of God. Hallelujah!

The Angel of the Lord appeared unto him in a dream; he was dreaming of a Man talking. Because, you can't know Him by form; He changes His form. You have to know Him by nature. You have to know Him, that whenever He speaks it is the Bible. That is how you know him. Because He can come in a whirlwind, He can come in a man, He can come in a dove, He can come in a fire, He can come in a cloud, he said, "But, whenever He speaks, that is the same voice, and whenever He speaks it is always the Bible."

You have to be trained to the Word. I'm teaching you Bible principles. I am filtering your thinking of little childish concepts. I am trying to raise you up in an

elevated understanding of who God is. We know these Scriptures; we read them. It is the story of Jesus' birth, but it is the Mystery of how God Who promised in the last days to work through dreams. I'm showing you in the Bible how He worked in dreams to restore the bride, to preserve the Word that the bride was carrying, and to give the understanding of that Mystery to another Elect. Do you hear what I'm saying?

A dream of God in the role of the Enforcer, a dream of the bride being restored to her right place; a dream about the Mystery she was carrying. It was not adultery and fornication; it was Messiah, it was the prophecy of Isaiah coming to pass, it was prophecy, becoming history – that kind of dream. Isn't all of that going on in the Bride, right now? Is She travailing in birth and pain to be delivered? What did I preach back there on Christmas Eve? *Being Great With Child* [2006-12-24 -Ed.] until Christ be formed in you. The Third Pull – Christ being reproduced in you. Is that the second climax? Is that the Third Pull? It is to come with Latter Rain and Former Rain.

You have no Rapture without Latter Rain. You have no Rapturing Faith without Latter Rain. You have no evidence that you are restored without Latter Rain. Your Former Rain plants the seed; your harvest Rain makes it manifest to give you the testimony of what you claim is revealed to you. Did Mary get a Shower there? Did Gabriel go back in the Bible, in Isaiah, picked up Isaiah 7:14; spoke it into her womb? Was she the Word predestinated to the Word written for the Hour?

Now, you can read it like the denominations, but this is a Mystery of how Christ came the first time – the promise that was since in the garden of Eden; how it came at the end of the Old Testament. Eve fell, but Mary brought forth the promise. What happened in the New Testament? The Ephesian Age fell and the last Day Bride is to bring forth the promise. It is the same thing. And when it happened there at the end, when that

mighty Angel descended, did He reveal to her who she was in the Bible? When she was bringing forth that, did she have any doubt that that was some funny thing? Or did she have an understanding of, “That is supposed to happen now, that is promised in the Bible, and I am chosen to bring forth that”? And did that put her in a realm beyond those people who just knew the Bible? Everybody could say, “A virgin shall conceive,” and, “the prophet say, the prophet say; Isaiah say,” but she could tell from the conception to the birth. And Joseph, a just man, couldn’t understand that that was happening to her, but God was giving him witness because he was part of the mystery. Do you get that? God don’t let Elects remain confused about an Elect.

God told Hattie Wright and they, “That is Bro. Bill you know, but that is Elijah too.”

“And when he says, ‘Ask what you will,’” she said, “you better ask, because when he says that under that anointing, anything could happen.”

He said, “Hattie Wright, with her heart off of the things of the world, had faith in the commission, that she believed she had the Joshua commission and she came and got her inheritance like Caleb.” Go back in *As I Was With Moses* [As I was With Moses, So I Will Be With Thee - 1960-09-11M -Ed.]; see if he didn’t say that. That is what he said. She understood. She was by the river as a little girl. A young girl by the river in 1933 when the Angel came and blasted forth, and went westward. Then, thirty years afterwards he took, *Is This the Sign of the End, Sirs?* and he started to recount it. He said, “How many were there at that river that day?” And Hattie was still there. Do you understand?

This church came off of that church. This revelation came off of that revelation. That is why it could give back the sense to what he said. I hope this isn’t a little too deep for you. This will help you categorize your dreams, ‘when you dream pumpkin and they tell you that means this, and you dream this and that means that’. This is

showing you in the Bible. Are you getting what I'm saying? Oh, my!

I want to go down in here a little more. Please, bear with me. And the Angel is speaking to Joseph in the dream, now.

21 And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins.

Catch this! Scriptural prophecy is being revealed in dreams. Now, people are accustomed to a minister taking the Bible and revealing scriptural prophecy to them. But he was sleeping and getting more understanding from the Holy Spirit about the prophecy and it coming to pass by dreaming it; not in the synagogue from the rabbi. Now, catch this!

22 Now all this was done, that it might be fulfilled which was spoken of the Lord by the prophet, saying,

23 Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us.

That is Isaiah 7:14. So, when the Angel appeared to him the Angel started to reveal to him how Isaiah 7:14 was coming to pass in his espoused wife. That was where he was getting it from.

24 Then Joseph being raised from sleep did as the angel of the Lord had bidden him,

He got out the dream and all doubts dissolved, all arguments were put to rest; there was no more reasoning. He went to sleep and came back out inspired, and 'did' – and started to act, now. He did not consult anybody, and didn't go and check any dream book, because God transmitted to him in his subconscious. He rose from his sleep. A dream is when you are asleep; visions you see awake. We will get in that. We have to get in that. Listen.

Then Joseph being raised from sleep...

Now remember, he was thinking on these things, right? Then he fell asleep. When he fell asleep now, the angels had to reveal what he was thinking about from the Bible. “A virgin shall conceive and bring forth a child. That is what was happening. It is not adultery; the Bible promised that.” He was getting that and he could act upon it. He didn’t have to wait until he got it three times you know, because it came direct – straight.

25 And knew her not till she had brought forth her firstborn son: and he called his name JESUS.

So what happened there? God was giving Supernatural communication and revelation of scriptural prophecy to an elected son. Did you get that? How many know Joseph was already married? Before his wife had died he had sons, Jesus had foster brothers, and then he married a young girl who was a virgin. Do you know that? And look at the old man here, dreaming dreams in the first Coming. Do you get that?

His questions were answered, his doubts were dissolved and God gave witness and confirmation to the testimony of another Elect in whose life His prophesied promise for that Hour was being interpreted.

Many times you sit down here and God gives you dreams, and you like to come and say, “You know, I dreamt you were preaching, so and so and so. I saw you there...” It is not for me; it is for you. But you are not going back in the Bible and see He is showing you that to have faith in the ministry and believe God, but you want to tell me like if I need that consolation. I don’t need that consolation; I know I’m saying the Word. It is 34 years now, I’m walking in it. He proved it, beyond; He raised the dead there. Think.

So, watch. All of this is happening... Information was being transmitted to the Elect in a certain format through the fourth dimension; through a secure channel. Satan couldn’t drop in that dream and divert something. ‘And, he got up kind of confused; he got a

double thing.’ No, no, no! That transmission is in a secure channel; it can’t be intercepted by any other spirit – a private line. I’m going to get to that just now. That is why he said, “You judge prophecy in the church. You don’t judge Isaiah and Jeremiah; they come with the Word to judge people.” Do you understand? Because when that vision comes—he said, “Every time that vision comes I could invite the whole world and say that is going to happen,” Because that is a secure line; he was born on the earth for that, and Satan couldn’t get in there at all, because he was wired so.

You see, when you don’t know things about God and God’s people and God’s Elect, and when you start to understand invisible union and uniting time and the mystical Body fearfully and wonderfully made; how messages comes from the brain to the thumb, to the little toe, to the different parts of the body; runs down through the nervous system, (do you understand?) which is a shadow of the Head and the Body, Christ and the Church, because ‘God hath set in the Church’. God designed that part before the foundation of the world, that is why death doesn't take it away from them. Moses came back; he was still a prophet. Samuel was still a prophet. Why? Death can’t even take that. Oh, brother!

You see, unbelievers and make-believers get frightened for believers you know, and say, “Boy, you have to be careful, you know. You have to be careful.” Oh, my. With that life he couldn’t drink. He tried to drink, he tried to smoke; he tried to blow his brains out. What was that to show you? Your free will is not stronger than God’s eternal purpose. That is showing you that. If you are like Saul and you want to fall on your sword, it is up to you, but you see, David was a different person to Saul; he was wired differently. Do you get what I’m saying? That is the great thing in knowing who you are, you know. That is what this revelation does. Not knowing about Him; knowing Him in you.

Sometimes people, kind of, get scared and they say, you know, “Be careful. Be careful with this,” and they can’t tell that is the Word saying that, because it is coming through the Bible, showing you the Bible way. If it is coming through somebody claiming it in zeal with no Scripture, that is flesh. But what that is showing you is, there is a way you will have perfect faith, because there is a way you will rely on what He made you, and He will reveal what He made you out of the Word, and He will carry you through the Bible and show what He made you, and confirm it in your life.

That is why, when he tried to doubt Mary, and Mary was saying, “I’m not lying’, he didn’t have enough revelation to see that. So God now, had to come and give a supernatural thing. He said, “Listen to what she is saying; she is talking the truth.” He needed help from God, like Gideon. He needed help to build the faith. My! I tell you, when you start to get into faith, what faith is, you start to realize... Nobody has to tell you, you are a sinner you know, because this makes moral men, who never drink or smoke, realize that has no qualifications before God. It shows you now, whether you are walking in that Word; where you are standing in that Word.

I want to take one more. Quickly – Judges 7. I want to take that and close. Now, catch this while you are turning to that. God designed man to live in three realms. We never knew these things. Man is designed to live in three realms. Man is designed for two worlds. He said that there are three realms we live in: humanistic, revelation and vision. When you are born, you drop into the humanistic realm; your first birth brings you into the humanistic realm. But as you begin to walk in this world, you get intercepted by the Holy Spirit and He starts to reveal Himself to you, and you become just and you start to live by faith, and faith starts to look to the unseen, you come up in the realm of revelation, and that is where He builds the Church: where the gates of

Hell can't prevail – upon this Rock. Do you understand that?

Abraham was coming to a place, but then God confirmed to him by circumcision, "I accept your faith. You are My seed; you will not die childless." God does that for a believer. Jacob was coming along, trying to take things into his own hands, but then God came along and confirmed that Abrahamic covenant that He made with Abraham and Isaac with him, and changed him to Israel, and let him know that, "You are changed. All those things here, you don't have to live in fear and condemnation anymore; I am with you." That is a great thing.

Now I'm breaking right into Judges 7. You know Judges 6. This church lived for months and months in Judges 6 and **7**, but I'm going right into the dream here. Now, do you remember when the Angel came to Gideon what he was doing? How many remember what he was doing when the Angel came to him? What was he doing? Threshing. He wasn't reaping wheat, he wasn't garnering wheat; he was threshing wheat. Threshing time is when? Between reaping and garnering. We are in the Threshing Time. Do you know that? It was in the days after the prophet had gone off the scene, it was at harvest-time, and it was when the Angel of the Lord Who sent the prophet, was following the prophet's message for deliverance. Is that right? Is Harvest Time the end of the Age? Are we in the Hour when the Angel of the Lord is following the Prophet's message for deliverance? The Spirit and the Bride say come.

Three powers in the land were united together to bring an economic depression, like locusts. Is that right? They were swarming the whole land. And in that Hour God was getting ready to meet the challenge with the Sword of the Lord and of Gideon. Is that right? What a time. You know the story. When God told him about the ministry, he said, "I'm the least of my father's

children; least in Manasseh,” and he started to make excuses.

He said, “Have not I sent thee? Go in this thy might; the Lord will be with you, thou mighty man of valor.” And he had to see himself the way the Angel was seeing him; not the way he was seeing himself. And God changed his concept. Is that right? And then God gave him two signs: the fleece became wet and the ground was dry, then the ground became wet and the fleece was dry. And it still, with these experiences, didn’t perfect the faith to step out. And here we are, at this scene now.

[Judges 7:9 -Ed.]

⁹ And it came to pass the same night, that the LORD said unto him, Arise, get thee down into the hosts; for I have delivered it into thine hand.

¹⁰ But if thou fear to go down, go thou with Phurah thy servant down to the host:

¹¹ And thou shalt hear what they say; and afterward shall thine hands be strengthened to go down unto the hosts. Then went he down with Phurah his servant unto the outside of the armed men that were in the host.

¹² And the Midianites and the Amalekites and all the children of the east lay along in the valley like grasshoppers [like locusts] for multitude; and their camels were without number, as the sand by the sea side for multitude.

¹³ And when Gideon was come,

They were like locusts without number, such great hosts, but he was coming down, as I mentioned to you the other day. But he was being directed to the man with the dream – one man in a host that couldn’t be numbered. He was leaving where his home was and he was going down to the camp; for example, he was going by the Oval [a stadium -Ed.], and thirty thousand people

were in the Oval to see the World Cup, and a man was in a certain stand was sitting down there with thousands of people in that one stand and over thirty thousand in the Oval, and you walked in right there and went to sit down next to that man, who was going to tell you that dream. Do you understand what I'm saying? I got a little picture to show you what is happening here.

This is God, now. This is at harvest-time. This is between reaping and garnering. This is in the time of threshing. This is in the days when the Angel of the Lord is following the prophet's message for deliverance, just like in the time of restoration, enforcing a rightful condition of restoration for the Bride; just like when the virgin was getting ready to be great with Child to bring forth the Messiah, and God revealing the Mystery through a dream.

Watch the dreams; I showed you them in the beginning of the Old Testament and in the beginning of the New Testament. And I'm picking this one here for you because I want to show that harvest-time is what? Latter Rain – harvest Rain. When you have your corn... He was threshing the corn. Do you get that? Watch the dream in that time.

You see, I'm trying to show you the Spirit that spoke through Joel is the Spirit that put the dreams in the Bible. The Book of Genesis tells you about Abimelech's dream, then it tells you about Jacob's dreams, then it tells you about Laban's dream, then it tells you about Joseph's dreams, then it tells you about the butler and the baker's dreams; then it tells you about Pharaoh's dreams. Then when you go in Matthew now, it tells you about the wise men's dream, it tells you about Joseph's dream; it tells you about Pilate's wife's dream. Then, we haven't gone to Daniel yet, where it tells you about Nebuchadnezzar's dream. Do you understand what I'm saying?

Now it is not just dream... Dreams became part of the Word; that is why dreams became part of the Message,

because it is a way God communicates His Word. Prophecy became part of the Message, teaching became part of the Message; songs became part of the Message. It is all the inspired Word. And all Scripture is given by inspiration. So, watch him here. Verse 13,

And when Gideon was come, behold, there was a man that told a dream unto his fellow, and said, Behold, I dreamed a dream,

He came right where the man was telling the dream, because God told him, “You, go down there.” If God told you to go down there, God could guide you to the man. God could even scare you and make somebody come in there, and say, “Let us take for cover. Take cover.” Because you are going in the wrong direction, God diverts you, but it is God guiding your footsteps, bringing you to the place to hear what He sends you there to hear. You end up in places sometimes, you don’t expect to be there, but you end up there and hear things that are to help you. Do you understand? All of that is the Bible. The man said,

...Behold, I dreamed a dream, and, lo, a cake of barley bread tumbled into the host of Midian,

How many know the Passover loaf was made with barley? How many know that that represents Christ? How many know that Christ is the Barley Loaf? Because at Pentecost it was made with wheat and leaven, but in the Passover, it was made with barley and without leaven.

...a cake of barley bread tumbled into the host of Midian, and came unto a tent, and smote it that it fell, and overturned it, that the tent lay along.

¹⁴*And his fellow answered and said, This is nothing else save the sword of Gideon the son of Joash, a man of Israel:*

The man who told the dream, he knew a man who had the gift of interpretation. So, when he went to this man now, and said, "Hear this, I understand you interpret dreams; hear this dream I had." And while he started to tell the dream about this cake of barley... It is sounding strange, isn't it – how a cake of barley became a sword. Do you understand? And though they didn't see any man, he identified the man and they got scared. And the man, who is the man himself, God was trying to give this man faith that he was the man, but he couldn't accept that he was the man. And after Supernatural acts of power made all of the ground wet and left the fleece dry, and made the fleece wet and all of the ground dry, when he saw the hand and power of God move, it didn't give him the faith he was supposed to have; in the dream he got the faith. Hearing the dream, he got the faith.

You can't get faith if God doesn't quicken something to you. It is strange, the things that God can use to reveal to you His will. God showed me a chinee [centipede - Ed.] and a maribone [wasp -Ed.] on a leaf about my life. For years I never understood, but I knew that was God, because I knew the effect it had on me, and I knew what was being revealed in my mind. And then, one day, when I read the Book of Jonah, how God took a worm and a leaf and showed him his own condition, I said, "Oh my goodness, I never knew that is in the Bible."

God can show you Himself in so many ways friends – so many ways. That is what makes Him great. And the thing is, though He is showing you that in a worm and a leaf in a bamboo patch, you know something, that is the Word too, because it is written in the Bible. And the One Who gave it to me, led me in the Bible to find it, and when I saw it and I read it, He brought that back from the past and connected the two. Because when He was showing me that, at that time I wasn't thinking about that experience, but then He connected the two, I said, "Oh my goodness, look at that." You talk about

God. What channel did that communicate through? What private line that came through? Do you understand what I'm saying?

Didn't the Prophet stand up and watched that eagle fly? And when he started to see the eagle fly, he said, "Lord, I understand why he has no fear. I understand now, why he is ruffling his feathers. I understand why he is a courageous bird. I understand why he could fly so fast. I understand he tried out those wings before." And just by watching an eagle, God was teaching him all kinds of things about the Word and his own life and his own ministry. Is that right? Sure. You see, this is where we talk training. How many know that David was watching sheep and he started to sing, "The Lord is my shepherd, I shall not want." And it had many, many shepherds all over Bethlehem with flocks and nobody was getting that, except for him. Everybody was saying, "Boy, these sheep and them. I will hit that sheep one lash, you know."

He was catching mysteries of God, because your eyes see through your heart. Do you know why? He was wired to pick up that transmission, but they had no wiring to pick up that. Do you get what I'm saying? Remember, the Third Pull cannot be impersonated, but yet, all the Elect will come into that Third Pull. All Elect are part of the Third Pull, because that Third Pull is to even bring your change and start the Rapturing faith. Is that right? Oh, brother! Is this making sense to you? Is this helping you in any way? Oh, this is life to me.

I'm still on dreams. I haven't gotten to prophecy yet. I haven't gotten to visions yet; how he said, "I'm going forty years back in another world. I'm in a hospital somewhere, and yet I'm on the platform here." He said, "And when I come back, you know, sometimes it leaves me." And he started to explain now, what a dream and what a vision is, and how he could go back in the past in somebody's life. And he was watching them there,

and he was seeing this and talking from that world, and he was on the platform right there.

Then he went into the future, into the person's life. And he was standing right there, and that person's life was already made and put on film, when he broke into the realm of the eternal. Think, friends. And not only that alone; he said, "But, I saw some of you on the other side. You were there." But they were there in the church, but he saw a 'them' over there. And everything he was seeing was in dual, like a mirror – a next world with a next you. Oh, my!

You see, I always say, it has things in the Word to bring you into healing; it has things in the Word to bring you into salvation. If you want to see people get saved, go in the Bible, get the Scriptures for salvation, preach it, create the anointing for salvation; people will walk into salvation. Go in and get the Scripture that relates to healing, preach it, create the atmosphere for healing; people will walk into healing.

Well, I'm trying to deal with Rapturing Faith here, I'm trying to deal with changing dimensions, and time and eternity, and leaving this world to go to the next world, so I'm trying to work there. And with these Scriptures, I'm trying to go to show the communication under the Seventh Seal. It is a private secure channel, because Satan wanted to get a hold of the secret. He couldn't speak it out, but God, knowing He made the people and designed them a certain way, He knows how He will communicate with them. And I'm showing you in the Bible here, when He promised when the Spirit is poured out in the last days, there will be dreams, visions and prophecies – three things, specified. And that is information coming through a channel.

I want to show you how the Gentile Age opened with Peter and them in vision, and how the Gentile Age closes in Revelation 10:8-11, and how it opened in Acts 10 and 11. That is where it opened, that is where the vision came to Peter; that is when he went to Cornelius house.

But it closed in Revelation 10:8-11, because after that is the Jews. Revelation 11 is the Jews.

This final ride is between the Son of Man coming in human flesh and the promise Son coming, between the Prophet going and the Ministry of the Sword of the Lord and of Gideon; between the Angel coming to Mary and her giving birth to Messiah. Between those times, look where the thing is happening in the last days. And all, I'm showing you is tied to the Seventh Seal. Genesis 18; Judges 6 and 7 is the Seventh Seal. When the three powers come, watch the Third Pull then. The Sword of the Lord will flash like lightning.

But dreams were part of the communication at harvest-time, in the harvest rain between reaping and threshing, to move them into that ministry. He moved into that ministry by dream and visitation. The ministry of Angels? Is that right? The same Angel, coming back around a second time, was revealing to him, changing his seeing, showing him the mystery of the three powers coming like locusts, and what they were coming to eat up in the land; showing him the Ministry of the Sword of the Lord, and how they were getting ready to come into it – offering the burnt sacrifice; what was it, to bring the Spirit upon him. The Angel came to Mary. The Angel came back around: “I will return” – the same Angel came back around for Sarah. Oh, my!

Friends, this blessed Bible that we love so much, this Message that we love so much, this great thing...

¹⁵ ...[and] when Gideon heard the telling of the dream, and the interpretation thereof, that he worshipped,

He worshipped. When he heard the telling of the dream and the interpretation, he worshipped. A lot of people sit down like this, [arms folded -Ed.] “Dream. They are talking about dreams.” Uh huh! He worshipped, between reaping and threshing in the days after the prophet, when the Angel of the Lord returned; before the Ministry of the Sword of the Lord. Because it was

revealing, “You are going to that ministry; the three powers are coming.”

This year, all of your food has gone up. This year, all of your plane fares have gone up. Who brought in that depression? You better be having visitation, because if you are missing your type—What are you using to say you are Bride, if you are missing your type? This is for identification. When you match that, you know it is you he is talking about. This is an encrypted Mystery. When this communication is being decrypted to you, you are looking and seeing you, like He looked at Jonah and Moses and David and saw Himself. You are looking at this and seeing you, and you wave in the mirror and it waves back. And you say, “My goodness, that is me! That is me there!”

Is there an economic depression? Are there three powers being united: religion, politics and demon powers? Is there a promise of the Ministry of the Sword of the Lord? May I hold that King’s Sword tightly, grip it closely; march forth to the Third Pull – that is my prayer. Wait until those Seven Thunders utter their Voices to that little group who could take the Word and hand it there. It will slice and cut. The Spoken Word will be the thing to start the Rapturing faith. When the squeeze comes, watch the Third Pull then. Oh, my!

Just let me make a few statements here with this. I need a few more minutes, you know. You see, I want to show you God’s science. I want to show you God’s science. Remember, when I started this message, I was telling you, I was dreaming that I was preaching in places. This is where I get this inspiration from, you know. All this Scripture and all these things opened from a dream of when I was in places preaching, and I couldn’t understand that. And God started to give me these Scriptures in my mind. If you haven’t heard the first two parts of this message already... See? This one I added prophecy in to make Joel complete there. Because you see, I am looking for certain things to open,

because you can't have any access if nothing isn't open. It takes a key to open the Word. The Third Pull is the opening of the Word, and it passed in an unknown language because Part of the message was sealed up, because Satan wanted to get a hold of it, but the Holy Spirit was to come in season. He knew where Gideon was; He dropped down there. He knew where Abraham and Sarah were, so He passed back a second time. He knew where Mary was; the Angel dropped down there. Understand these things, what we are talking about.

This is not about coming to church now, and 'Bro. Vin and them'; this is about, if you are a believer, and you are called in this Hour, and you are expecting to be part of the Rapture, and you have to see certain things in your life that are teaching you about a next World. Because Elijah was getting transmission when the Hour came, about where to go, (is that right?) – where the angels were going to pick him up. And that didn't happen on that day. All before that time, he was in communication and getting revelation, and God was using him, and he was having visions, and he could tell Ahab things, and different things like that, before he was taken out. Enoch was walking with God before he was taken out. He had a testimony that he pleased God.

If we understand the Message and don't come into the unseen world—because the Holy Ghost makes you a candidate for the Supernatural and an association with the unseen world. That is what the Holy Ghost is given for, because the Holy Ghost takes you out of the humanistic realm and brings you into faith, and faith looks to the unseen. The things that are seen are temporal but the things that are not seen are eternal. You walk by sight looking at the temporal things, but you walk by faith looking to the eternal things. My! Oh, my! So, listen quickly.

Now God makes us up to live in three realms, and that is why he tells us here, he says, "You live in three realms." And, a Message, *The Ark*, [1955-0522 -Ed.]

Now there's three elements that people live in. First, is the humanistic. Second, is Divine revelation. And, third, is vision.

Now this, like in prayer, when you pray for anyone, in humanistic, we say, "Well, I hope you'll get well. I'm hoping, see. I'm believing with you, trying to use all the faith I can." That's human. [That is man walking by sight.]

Second is Divine revelation, when something is revealed...

"Whom do men say I, the Son of Man am?" A man said, "That is Jeremiah, you know; He cries plenty." A man said, "That is John the Baptist, boy. He came back from the dead, because that man blasts and calls them snakes in the grass, just like John." A next man said, "No, He is looking like Moses you know, because I understand when He was born, it had a persecution. And He is always talking about, 'Moses said, but I say.' and you know, He is typing Himself with Moses." Then, while all of them were guessing in the humanistic, trying to figure it out in their human minds, Peter said, "Thou art the Christ."

He said now, "Flesh and blood did not reveal that; My Father revealed that, and upon this rock..." In other words, "This came by a Supernatural transmission, and when you spoke that, you weren't speaking with your human mind there; you spoke it, being given utterance from another Intelligence." Do you get what I'm saying?

He said, "Now, that is how I build My church, because in every Age I reveal My Word like that." Because it came by revelation to Peter; it came by revelation to Paul. Paul said, "Not by the will of man, not by the will of flesh, but by the revelation of the Holy Spirit." Then John said, "When I saw the Dove come down, the Dove had to reveal Who He was; then I said, 'Behold, the Lamb of God.'"

"If the Lord had to reveal it to John, the Lord had to reveal it to Peter; the Lord had to reveal it to Paul," he

said, “the same Thing has to reveal it to you.” And the revelation of Jesus Christ is the New Birth. Until that happens, you are in the humanistic, and the minute something comes and a next thing pushes you so, pushes you that way, or somebody drops some monkey wrench in your mind, then you don’t know what you believe again – you were saved and you got back lost. Do you understand what I’m saying? But when it is revealed... Reveal means, “Thou art no more Simon; I call you Peter. Cephas – little stone upon this rock. I’ll give you a revelation to know Who I am, and upon this revelation of Who I am, I’m going to build My Church.” See?

When the Son of Man came back in this Day, did it reveal to you Who He was? Did it reveal to you He came? Did it reveal to you that His Ministry is still going on? Do you understand? It is still going on. It always ends with resurrection. That is a great thing. Now, watch.

Now from Genesis, God made man for two worlds. And from Genesis, I took some dreams here. I left out Daniel; it will take too much time to go into it, because I want to say some of these things first. We will take it up a next time. But I want you to see, God designed man to live in these three realms. He said the third one is vision, because that is ‘Thus Said The Lord’; that is perfect and positive. We will see the sleeping saints when they rise, and the world won’t see them. And, you won’t be seeing any ghosts you know; you will be talking with people – your brothers and sisters. So, that is a great thing.

So you see where He is trying to raise the church up. And He has to give us something to raise us up there, because if you sit down here, and you don’t have light on the Word, you have imagination in your mind, and when you have imagination in your mind, you can’t act on your imagination; you are afraid because you still have fear. Imagination doesn’t take out fear, but faith makes you fearless. Faith makes you fearless! Why?

Because it is revealed from the Word, and you are tied to the Absolute that can't fail. That is why, when people have imagination about their healing, they have a feeling, they get emotionally worked up about their healing, and as they get a little more sick, "Oh, God," they get frantic. But Jairus' daughter died, and he said, "Don't trouble Him no more."

He looked him in the eye and said, "Fear not, only believe." In other words, if it gets worse, it doesn't make a difference; He is with you. Do you understand?

When you are hearing the Word like this, do you know what you have to do? In your heart, don't get frightened and all terrified; say, "Jesus, that is the faith I want. Oh, God, write it in my heart. I want to live there, Lord. Lord, God, I see it clear in Your Word, this morning. Lift my soul up in those places." That is where you want to walk, because you have to have a Rapturing faith, that can change this body in a twinkling of an eye. And that is promised to be here. And this same Holy Spirit that justifies you, drawing you, bringing you to sanctification, this same Holy Spirit, will finish the work. And now, in this Hour, He is making you take another step. One step up the ladder; another step up the ladder that we might see Jesus and His program, where it has the Hidden Manna. Is that right? Because the light is shining on the rock beneath the rock.

Now, watch. Down through the Ages, God designed us for two worlds – man in every Age. In every Age God had men who lived in two worlds – every Age. Elijah and Elisha lived in two worlds. Abraham lived in two worlds. Moses and Joshua and they lived in two worlds. Jesus and the Apostles lived in two worlds. Bro. Branham and the Bride live in two worlds.

If you have the New Birth, the New Birth doesn't birth you back into the same old world; the New Birth births you out of the old world, so you could see the kingdom of God, and you could enter the kingdom of God, and you could live in the kingdom of God. And the kingdom

of God is the Word made Spirit in you. The Scripture comes alive – energizes; quickenes. Your thinking is quickened; your faith is quickened. Amen.

I will take this Scripture and close. Let the musicians come for me. Matthew 2. Quickly. I want to save some time and just pick the little part I want, so I can say this and close.

This Invisible Union we talk about, this Intelligence, the Mind of Christ being revealed in the Body, it is a science, a higher science; a Divine science far more sophisticated. Now, how many know we are in an information Age? In this Age, it becomes very easy to understand the unseen world. The unseen world could now be grasped and understood in ways that it could have only been imagined. But science and technology have taken man into the unseen world.

With the microscope, they could see things that they never knew existed – things more deadly than the atomic bomb. When they used poisoned gas and all these things in World War 1, and it killed about fifteen million people, Spanish flu killed twenty million after the war – a virus. Today, there are biological weapons. Over ninety million people were devastated. Amerindian tribes – when Columbus and they came they bought blankets, brought small-pox and these things that the people had no immunity to, and more were killed than were killed with the sword and famine and hard labour, because they had no immunity to the diseases. And all those diseases are being produced in laboratories today.

Under your Fourth Seal it tells you, they will kill off one fourth part of the world, and pestilence is one of the things they use. And right now, they are testing it around the world. And every time you are reading in the newspapers, this flu breaks out here, and bird flu breaks out here. Go back to your Fourth Seal and start to understand depopulation, and understand the realm that war is being fought, an extermination for expansion, and how evil men have become. Scientists

with their test tubes were mixing that, while that horse was riding that trail a second time. That biological weapons experiment was going on when they were riding, and he said, "I will ride this trail once more." Go in the message *And Knoweth It Not*; [1965-0815 -Ed.] I'm quoting.

Because the Prophet went in the Bible and started to bring out what men had dreamt. Junior Jackson was dreaming the first fold of the Seventh Seal; men were dreaming the second fold of the Seventh Seal. And when the vision came, the Prophet went in the Bible, to Revelation 10 and showed what Junior Jackson was dreaming, was being interpreted there – the Seventh Angel's ministry. Then, when he came back, "I will ride this trail once more," – *Of Whom Speaketh The Prophet This?* And see if in the Bible Revelation 10:8-11 is not after Revelation 10:1-7 – "Thou must prophesy again." See if after Revelation 22:16, "I, Jesus have sent my angel to testify these things in the churches," is Revelation 22:17 – "And the Spirit and the Bride say come." It always follows. See if after Jesus, the Alpha Bride didn't follow. See if after the Son of Man in the last days a Body ministry is not to follow. See if by and through the members of the Bride, He is going to finish the work. It is to follow. Do you see the perfection of these things?

It is not make-up friends; it is placing it in the Message, placing it in the Bible, placing it in the season; placing it with the modern events to prove to you that God's grace is amongst us. We are not walking blind, we are not walking looking through a glass darkly; we are starting to see face to face, because this is what the prophet said, "You shall know as you were known." That was the work of the Holy Spirit. You don't know what happens in me if you try to take that away from me. If you try to take that away from me, you are opening a cage and you are letting a lion out, because that is the thing that drives me. I'm looking for the promise. I'm

believing... I'm making ready for the promise. I'm testifying of the promise. I'm pressing into the promise, because I believe it; because I see it in the Bible. It is inspired to me.

Let us take from verse 12. You know the story. Matthew 2: 1-11, the wise men came looking for him saying, "We have seen His star in the East. Where is He, born King of the Jews." And when Herod realized that there was a King born, and the Scriptures said, "Out of Bethlehem, Judah, was going to come forth the Governor," do you know what happened? I tell you, Herod had a scheme. The red dragon wanted to devour the man Child. And verse 12 says,

12 And being warned of God in a dream...

These are the wise men here. Herod had told them, "Go and find Him; bring back news, because I want to worship Him too."

12 And being warned of God in a dream that they should not return to Herod, they departed into their own country another way.

The Prophet said, "Think of it. The preservation of the man Child is coming through the form of a dream." Through the form of a dream. Do you know why? There was no prophet in the land, but God could still communicate to the elect through a secure channel.

And they were warned of God in a dream that they should not return to Herod, they departed into their own country another way.

13 And when they were departed, behold, the angel of the Lord appeareth to Joseph in a dream,

From the wise men, He jumped over to Joseph now, in a dream saying,

...Arise, and take the young child and his mother, and flee into Egypt, and be thou

there until I bring thee word: for Herod will seek the young child to destroy him.

Look at Herod. When the wise men did not come back, Herod realized that he was deceived by the wise men. According to the prophecy in Jeremiah, Rachel weeping for her children, that devil came upon Herod in wrath, and Herod said, "Surround the whole of Bethlehem. I want them in the north, in the south, in the east and in the west. Lock down the whole city, and go from house to house. Take enough troops, divide up the men, and go from quarter to quarter of that city, and every male child under two years, slaughter." And brother, from Jerusalem, those men mount their horses, those men armed themselves with their weapons, and those men started to position and lock down that whole city, so there was no escape out of that city, east, west, north or south. And they were moving in to slaughter every male child under two years old. And while they were about to carry out that campaign and slaughter everything, and those men were riding with their horses, and Herod realized he got deceived, he said, "Move quickly, so this Child doesn't escape." He said, "Move quickly". And those men, as fast as they could come on their horses, they were riding with speed.

God, I want you to see, He dropped over in a dream, and God beat those soldiers, that by the time they arrived... They were being dispatched by Herod, a political power, armed soldiers, to bring a destruction upon that city. And these men carried this out expeditiously, quickly; God found a quicker way. God found a quicker way than the military of the Day, with their assassins and their armed troops and their military power, sweeping down in that city. He woke up with information on where to go. Not to run helter-skelter, you know; where to go, what to do when you get there, and with the assurance, "I will be contacting you further to keep you updated on the development that is taking place." All of that in a dream.

God promised in the last days, “I will transmit it the same way, because I designed you to receive these kinds of transmissions. I will bring visions to you. I will bring revelations to you. I will bring prophecy to you. You will be able to have discernment of spirit to know that is the Spirit at work, working according to a Divine promise in the Word.”

Notice something, all the examples I am showing you are examples tied to this Day, when the promise is to be manifested. Notice this. This is the second time the Angel of the Lord was appearing to Joseph in a dream. These are two dreams Joseph had gotten was in the Same channel, same Transmitter, concerning the same Child. And that was the fulfilling of prophecy to manifest the promise Word for the Hour, because they were the Elect through whom this Word was coming to pass.

¹⁴ When he arose, he took the young child and his mother by night, and departed into Egypt:

¹⁵ And was there until the death of Herod: that it might be fulfilled which was spoken of the Lord by the prophet, saying, Out of Egypt have I called my son.

More prophecies were being fulfilled. A dream interpreted is a vision, and then this vision being made manifest is a prophecy in the Bible. Do you understand? Oh, Jesus!

¹⁶ Then Herod, when he saw he was mocked of the wise men, was exceedingly wroth, and sent forth, and slew all the children that were in Bethlehem, and in all the coasts thereof, from two years old and under, according to the time which he had diligently enquired of the wise men.

¹⁷ Then was fulfilled that which was spoken by Jeremy the prophet, saying,

18 In Rama was there a voice heard, lamentation, and weeping, and great mourning, Rachel weeping for her children, and would not be comforted, because they are not.

Just like: “And, they will hunt you down like dogs, but this persecuted and hunted group will go to be with Jesus in the Marriage Supper.” All these prophecies will come to pass. “And when you see the squeeze comes, watch the Third Pull then.” All of these will happen also, the same way.

19 But when Herod was dead, behold, an angel of the Lord appeareth in a dream...

Notice, in verse 13 it says, “The Angel of the Lord appeared to Joseph in a dream”; in verse 19, “behold an angel of the Lord appeared in a dream saying...” This is continuity, you know. When this one came it was speaking the continuation of, “I will talk to you later on, and keep you updated.” So when he came he gave him the update, so even though it was a different angel, let us say it was a different angel, a different image, he knew it was the same because it was the continuation of the first revelation. Do you get what I am saying? I hope you catch what I am saying. I love the Word.

20 Saying, Arise, and take the young child and his mother, and go into the land of Israel: for they are dead which sought the young child's life.

21 And he arose, and took the young child and his mother, and came into the land of Israel.

22 But when he heard that Archelaus did reign in Judea in the room of his father Herod, he was afraid to go thither: notwithstanding, being warned of God in the dream,

The third dream again. A next dream again. Dream, dream, dream – three times. Also, the first one was

when she was carrying the Child, three after when she was carrying the Child, and then one to the wise men – five dreams right in that time. In Matthew 1 and 2 are five dreams. Isn't it strange how God put the Word there? God put five dreams in two Chapters right there, with the birth of the Word and the preservation of the Word. First, the Elect was understanding that the Word was being fulfilled in her and got that revelation. Then secondly, a Word was being revealed to save them from destruction, flee, and reveal the place of refuge. And then coming back now, and picking up where the first dream left off in the second dream. In the second dream He picked up where He left the first dream. In the first dream He said, "I will come to you later on." Then when He came back now, He said, "Depart now; he who sought the Child's life is dead." Direct continuation of what came the first time.

Have you ever gotten one revelation in one season and then in a next season God came back and picked up the same revelation from there and continued it on? If you sit down in this church, you have seen that over and over. He picks up those same messages and continues it on further when He stops it at a certain place. That is the God of the Bible. Sometimes you look at that now, in discernment; you say, "Oh my goodness." It is being revealed to us what time we are living in, friends – what time we are living in; what Day we are living in.

23 And he came and dwelt in a city called Nazareth: that it might be fulfilled which was spoken by the prophets, He shall be called a Nazarene.

Prophecy; dreams – it is happening to them in their normal everyday lives. No crowd, and nobody was getting goosebumps [a state of the skin caused by cold, fear, or excitement –Ed.] and saying, "Oh gosh, look the Supernatural is happening among them." No, no, no. They were living and walked in the fulfilling of the Word; instructed from

the inside – were led by the Spirit. All these things are so wonderful; so marvelous.

After 1st Thessalonians 4 is 1st Thessalonians 5. He said, “Despise not prophesying; quench not the Spirit.” Paul said, “I will rather you prophesy than you speak with tongues. When you speak with tongues you edify yourself, but when you prophesy you edify the church.” You see, prophecy is speaking by inspiration; telling forth things in the Word, even things about people in many forms.

Prophecy is not just ‘Yay Saith The Lord; don’t do so and so’. No, no, no. Under the inspiration of prophesying is God giving comfort, God is given encouragement, God is edifying the Body; God begins to foretell things, placing the Word in its season, in its time. That is right. When Gabriel came to Daniel and began to tell him about those seventy weeks and all these things laying there; just like he spoke through the Prophet. And then, many of these things have been fulfilled and many remain unfulfilled. And then, when the Spirit came back around and started to show light on the things that He promised, “Don’t interpret this; it will come to you. And when it starts to come to you, you know, look, this is where He promised it; now you can preach it from Genesis 1 to Revelation 22.” Why? Because a Prophet had said, prophesying, “Don’t try to interpret it; it will come to you.” Because He came back to them after the mighty Angel descended. He opened the Scriptures to them. He breathed on them. He opened their understanding to understand what was in the Word. He was setting them in order for His promise.

Bro. Branham told the story about Bro. Bosworth... This is the thing I wanted to get to. All of this I preached was to get this. He said that one day he was driving with his wife in Jeffersonville – driving in New Albany. She was so flusterated; so many were people in the house, the children didn’t eat for the day. She was nervous; she was just falling apart. And he said, “Honey, quickly, let

me help you clean up the dishes; I want to take you for a little drive,” and he was carrying her around those big bluffs [cliff -Ed.] around the mountains. He said that while he was driving around the mountains for about a mile... Think of it. He said, for about ten minutes he was driving. The whole windshield became foggy and white, and the Angel was driving the car; he was in the vision. He said, “I saw Bro. Bosworth coming off a train in Durban, South Africa, then I saw the people coming with a stretcher from an ambulance and they picked him up. Then I saw him in the hospital.” And, he was seeing all of this. In New Albany he was looking into South Africa in Durban.

CNN [an American news-based television channel -Ed.] makes you see that today. You could be in Trinidad and see somewhere else, because they found the way to show you that. But he was sitting down there, without CNN and BBC [British Broadcasting Corporation - A British public services broadcaster -Ed.], and he was seeing that going on by a Divine science, because God designed him to receive transmission to communicate this. And his wife realized like he was in a daze, and she said, “Bill, Bill, Bill.”

When he came out of the vision she said, “You mean to say that you were in one of those things.” And she looked down there, way up around those cliffs; she said, “For the last ten minutes, I’m in this car and this is what was happening?” He said that he was unconscious of what was going on around him for ten minutes while that car was going round; he had driven about a mile. Now, when you are going around those cliffs you are not driving sixty miles an hour, right? And he drove a mile. So, if you are driving sixty miles an hour, that is what a mile a minute? He said, he was about ten minutes in that vision.

He came out and said, “Honey, I have to pray for Bro Bosworth now, now.” He said that he pulled aside by some woods, ran out in the woods, knelt down in the woods and started to pray – and started to pray for Bro.

Bosworth. He came back out, went home, called his wife, Bro. Bosworth's wife; she hadn't heard anything yet.

Later the next day, the telegram came. A telephone call came, he said it was western union; they said, "We have a telegram for Mr. Branham; could he come to the phone?" He went to the phone; they said, "We have a telegram for you sir, and it has come. Reverend Bosworth requests for you to pray for him immediately; he is dying." Bro. Bosworth realized he was dying and he knew the Prophet had access to God. He sent the communication the fastest way he could send it – by telegram. When the Prophet saw the telegram came... At that time, that was science's fastest way of transmitting information – news calling for help.

He said, he called back the people; he said, "Tell me lady, when did they send that telegram?" She gave him the time. He said, "Through flying I have one of these charts that gives you world time. I looked on my Pan-American chart and there on that chart I realized the telegram was sent twenty-four hours ago; it had now arrived." Bro. Bosworth was already healed and out of the hospital. He said, "The Angel of the Lord beat the telegram by twenty-four hours."

Now think of what we are talking about now. Back in this Day, in the time of the restoration when Elijah has come, when the Latter Rain is to be poured out, and God started back these transmissions, for all these Ages they had men who were not living in two worlds, and all of a sudden when the Rapture Age came, God put a Messenger now – a man living in two worlds from birth. Hallelujah! The first thing he could remember was a vision at eighteen months old – man from birth. The Angel was visiting him from birth. And such a man was sent with a message to open the Bible to a people who God is going to take out of this world into another world. And God had the man to go there and see these things.

And God had the man, while in the operation of this ministry...

He said, "You see me standing here." Like we saw in the film *Deep Calling Unto Deep* [The Deep Calleth To The Deep - 1954-0624 -Ed.]; the woman was getting younger and younger. He said, "I see you are getting younger before me." All of us were watching the film; we saw him talking to the woman and didn't see any woman getting younger, but we heard him saying that while watching the woman. And then, he said, "Twenty-five years ago, there was a car"

"Yes"

"And I see the crash and you fell out and..."

"Yes"

"...It is your neck."

"Yes"

He was talking about that from the vision. He said, "Some people ask me, 'Bro. Branham, do you feel impressed and you say these things because it comes into your mind?'" He said, "No, no, no. You don't understand. I see these things." He said, "Recently, medical science came, and they saw the visions in the meetings; they saw that Word of knowledge in operation,"

They said, "We will like to examine you. It will help medical science if we could find out how you are made up; how you are seeing these things."

He said, "They gave me a wave test and they put me on a machine."

When they put him on the machine, the man said, "Wait a minute. Wait a minute. We have examined thousands of people; we have never found a man like you. You are made up different." He said, "According to this machine here, you can see a dream wide awake. Because in this your two consciences are like this. [Bro. Vin puts his two hands together -Ed.] We have never seen that before."

He said, “Doctor, have you ever heard about the Old Testament prophets? Have you ever heard about visions.” A world that the church has forgotten about? This is a world when the church becomes scientific; a world when the church only knows to pick up offering, and ordain women preachers.”

God had a man to go back in the Bible and show us where the first man was made to live; where the real New Birth comes to put man back, where God promised in the last days... Though God did deal with Abimelech, Jacob, Joseph, Laban, Pharaoh, Gideon in the Book of Judges with that man with the dream, Daniel, Nebuchadnezzar, all of them in dreams, yet He promised that when the Latter Rain is poured out, there will be a definite dealing of dreams, there will be a definite dealing of visions; there will be a definite dealing of prophecy. In other words, that is coming through the fourth dimension, that is opening up another world to you. Well, science already did that. And when science opened it up to us, now we are understanding that there is another world here; that the angels are here. The people who died and went on are right here, that is why in this Hour we have all these clairvoyance.

Like I said the other Sunday, with that woman Yesenia Adams, or Gonzalez, or whatever the woman's name, when they enlist this psychic woman to go to help locate the woman. See? First, they had the ecumenical prayer, then they had all the business communities, they got the police, then they got the soldiers. So you have the armed forces, you have the politicians, you have the business community, you have the religion, and then you had the psychic, and then, you even have the ‘message-people’. It was in the *Guardian* [Trinidad local newspaper -Ed.] – the Message-minister, who got the people in Zimbabwe to pray and all these different things, was trying to locate this lady.

I told the brothers right there, the night after I preached the first part of this, the Friday, I sat down

there and I said, "You know what will happen. Watch, next thing, they are going to get..." and I called the woman's name. I said, "They will get this Yesenia Gonzalez and try to get her to locate this woman." The next day it was in the newspapers. Bro. Steve, he sent me an e-mail; I had seen it long before, because when I opened the newspaper in the morning, I said, "My goodness! I called this woman's name last night and I told the people this." I said, "Do you know what happened there? The Angel beat the guardian."
...[inaudible -Ed.]

Look at how much realms of humanity are in the society. Look at the realms: the religion, the politics, and the demon powers. You see, you see things in front of you but it is where you are walking, it is what discernment you have, it is where you are living, it is what you are looking for; it is what you believe about the Word. And that is why friends, as the brother preached, *God In Simplicity*, look at how simple the things are. Look at what was happening to Mary and Joseph. Look at what was happening right there to Abraham and Sarah. They were walking in line with the promise, and then something happened to throw them out of the channel. And Sarah was in danger, and the promise was about to be fulfilled. And watch God guarding that Word after the Son of Man was revealed. Did you get that?

You don't panic. You don't go in panic mode; you get quiet before God, and you start to talk to the Father when you know your place in the Bible.

I kept you too long; I can't keep you any longer. But it was good. This is a good Word. This, sort of, raises you out of the humanistic realm; brings you up in the realm of revelation and visions. Because dreams and visions are the same realm, it is just the difference in the closeness of the sub-conscience. Because the dream interpreted is the vision; because they are both being transmitted from the same source using different

means. And when it is coming to pass it is really a prophecy being fulfilled.

God is bringing His Word to pass, and the people miss it by a million miles because they don't know what to look for. But that is why you have to go in the Word and get your thinking filtered, and see when God gave a dream in the Bible... The first dream, look where it came – between the Shout and the Trump. Look at where the second dream came – between the Shout and the Trump. Look at where it came on the other side – between the Angel descending and her giving birth to the Word. Do you understand? And, you are watching and seeing where it comes. And then he prophesied that it is coming back at Harvest Time, at the end of the Age – three definite things.

God made you up to receive transmissions. The Bride is made up to receive instructions – Supernatural instructions. She is made up to hear from another world. You can't be going to another World and you are not hearing from that World. You can't be living, looking to that World if you don't even know that World exists. It is the influence from that World that keeps you looking to that world. Did he tell us you heard from your Theophany? Did he say, "Do you feel that travail? It is a perfection calling you; that is why you are going through this."? Did he say, "That husband better find those cantaloupes and those watermelons, otherwise that baby is going to be born perverted and deformed"? He better find those things in the Word to grow that child into the Image, to bring a church into speaking conditions, to live in close association with the unseen World, and to walk in the Supernatural.

If we don't know these things are promised here, and when it is happening, we wouldn't even know a Scripture is being fulfilled, and when it comes in simplicity, you wouldn't give it the emphasis and pay attention to it as you ought to. But when you know what it is, it would give you faith like Gideon to say, "Come

on. It is time to go. I heard the man tell the dream and the interpretation. I knew it was time for this.”

Let us stand to our feet. I want to sing: *Arise thou mighty men of valour and brave the fight. Victory is in thy favour.* Do you have enough left in you to sing that song? It is going to take something out of you to sing that you know, because we just can't sing those words now. *SHOUT* the Sword of the Lord and of Gideon. It is sounding good. [referring to the music -Ed.]

[#603 - Songs That Live -Ed.]

*Arise thou mighty man of valour and brave the fight,
Oh, victory!
...is in thy favour go in this thy might,
The Midianites are running,
It's spiritual...
Oh, shout, "The Sword..."
Yes, the spirit of Gideon is on me,
Oh yes, the Spirit of the Lord is anointing me*

*Oh, dig deeper in those mysteries,
Let your seven locks grow long;
Oh, anointing of Samson,
Let faith muscles...
Lord, lead me...
Let me cast those devils down,
Oh, let me hear those Seven Thunders sound;
...spirit of Samson is on me,
Oh, yes, the Spirit of the Lord is anointing me.*

*Oh, "Speak now my fair lady,
...the scepter in my hand;
Make known your desires
It's my pleasure to command."
...They must have their liberty;
Oh, let me go...
Oh, for the spirit of Esther is on me;
...is anointing me.*

Oh, "You have followed me this far,
What can I do for you?"
"...rest upon me too."
"You ask a hard thing but if you see me go,
The power of the Lord you shall know"
Oh, for the spirit of Elisha
...Elisha is on me,
Oh, my!
...Spirit of the Lord is anointing me

Oh, arise, you moping eagles,
Cease hopping on the ground,
Oh, can't you hear your brother screaming?
There is virtue in that sound.
Arise and eat...
For this journey you must be strong,
You were born...
...eyes on the Sun.
Oh, for the spirit of the Eagle
...Eagle is on me,
Oh, my!
Yes, the Spirit of the Lord is anointing me.

Oh, arise, thou mighty men
"Arise, thou mighty men of valour and brave the fight,
Oh, victory!
...is in thy favour go in this thy might;"
Oh, for the spirit

[The song leader takes over whilst Bro. Vin prays for saints at the altar; while the congregation continues singing -Ed.]

Oh, shout, "The Sword of the Lord..."
Oh, shout, "The Sword..."
Oh, let us all shout, "The Sword..." That is the
promise.
Shout, "The Sword..."

Oh, one more time. Shout, “The Sword...”
...and of Gideon.

Hallelujah! Let us give the Lord a great round of applause, amen – this great, mighty God. Hallelujah! “Have not I sent thee? Go in this thy might. Thou shalt smite the Midianites as one man,” He said. Oh my, Gideon blew that trumpet, and Eliezer was gathered after him. Glory be to God in the highest. And after the burnt sacrifice, the glory of God came down. Hallelujah! Oh, thank you Jesus. Glory. Glory. Glory. Glory. Glory. Glory. Glory. Lord. Hallelujah!

In 1986, the Holy Spirit thundered out in Baratara with that message, oh God. The burnt offering at the harvest time – *God Requires A Burnt Sacrifice At Harvest Time*. [God Required A Burnt Offering In The Harvest Time - 1986-05-25 -Ed.] And under the power of that message in Judges 6 and 7, the Holy Spirit came behind and wrote this song. Amen. On that message, God was anointing him to die, Samson, (amen,) and Samson called unto the Lord; the spirit of Samson came down. And under that message on Esther, the spirit of Esther dropped down.

Oh, my! What a great thing it is friends, to be in a church that is walking in the promises of God for this Hour.

Let us sing, *Speak and Don't Doubt*. Speak and don't doubt, as you worship Him in this song. Let your faith rise, this afternoon. Let your faith rise in places. Not because I am saying it now, but because you see the promised Word. Amen? You see what God promised to do; He is proving to you by the Bible, this morning. And under those Latter Rain showers... He said, “Abraham and Sarah came to their last shower, and they were changed.” Amen. They had come from shower to shower, then the angels of the Lord appeared, and finally, God said, “I will return according to the time of life.”

He said, "They had come to their last shower." Oh, my! And under that shower God was enforcing a rightful condition of restoration; God was revealing by a dream that He is the Enforcer. He was guarding that bride; she would come to that promise. Oh, my! What a great thing.

Speak and Don't doubt. [#605 - Songs That Live -Ed.]

*Speak and don't doubt,
Just believe in your heart,*

And whatever you have need of right now, believe him as you sing it.

*Speak and don't doubt,
Till His Word comes to pass,*

Let him fill you, my friend. "I will pour out my Spirit," he said.

*Whatever thing you desire in your soul,
You just believe...*

He is faithful.

...that my Lord, He will perform

There shall be a performance of these things told you from the Lord.

Joshua spake to the sun

That the ministry of the Sword of the Lord, friends.

And he said, "Sun, stand still."

Wait until the Thunders uttered their Voices to that group, friends.

It's all because he knew who he was,

Oh, Bride from Tobago, St. Vincent, Grenada, wherever you are from; from Trinidad,

Having known who we are;

Revelation 10:8-11: that's who we are.

If you believe, sing it

We have arrived...

Can you tell? 2007.

...at that junction in His Word,

Oh, *we have arrived...*

Is this the sign of the end, sirs?

...where something must give way;

God opened up the unseen world to us. The faith of God – a super sense that looks to the unseen.

...that is locked up in our hearts,

We'll speak this very Word;

We'll see His Glory pass.

How many believe our Prophet spoke?

Our Prophet spoke and he believed the Word.

Our Prophet spoke

Our Prophet spoke...

and squirrels did appear

...squirrels did appear;

God's redeemed Church has reached up to that sphere,

Realm of revelation vision, friends.

Inside that little room where the power cannot fail

Enter in there...

Let us enter in by a new and living in this Hour

...where the Light went in that room,

Enter in there where the Angel said, "I will meet you;"

You'll come out whole,

Believe with all your heart, today

...with your crutches in your hand,

Leaping and praising God for there's power in that room.

With one heart and one mind

Joshua spake to the sun,

He had faith in the commission, friends. The captain had come down and taken headship over the body.

It's all because he knew who he was.

He doesn't call you church; He calls you Bride.

Bride, let us speak His Word

Having known who we are

Oh, *Revelation 10:8-11: that's who we are.*

Every head bowed; every eye closed all around the building, and all in the rooms, the side rooms, and on the outside. I want to call Bro. Rojas to pray; close this part of the service.

While you stand there, in your heart—so much has been said today, but to crystalise to you, this is the Hour for the promise, this is the Hour the Holy Spirit is tearing away the veils from around our minds, to let the light shine in and eluminate our minds, so that we could have real Spiritual perception to see this God, this invisible God become visible leading us in the secret passages of His Word; giving us a clear channel of communication to know He made us special. As an Elect, he has put a deposit in you for the unseen World. And in this Hour of the Rapture, you are heading towards that World. And the Holy Spirit is shining light in the Bible so that we can move into these places, friends.

Healing and these things will be ordinary then, because divine healing is only an earnest of the change of your body. And you should have faith for divine healing before you could have Rapturing Faith. So, look where we are. Have faith and believe Him. All of you that need a tough from Him, it might be oppression, it might be sickness in your body, it might be that you see the need for more revelation, and you might just be lukewarm and becoming docile, and the Spirit has sensitized you today, stirred you to rise up and shake yourself; in whatever way He might have dealt with you, the Bible said, “Mary pondered these things in her heart”; ponder on these things. Move up into His Presence now. As prayer is being offered, have faith. Let us just be so linked up here in one mind and in one accord; there is no telling what God can do for each one here.

[Bro: Rojas prays -Ed.]
