# THE REVELATION OF THE SEVEN VIALS

*Another Sign In Heaven Revealing The Wrath Of God*

TRINIDAD

SUNDAY 23<sup>rd</sup> SEPTEMBER 1984

**BRO. VIN A. DAYAL**

Oh, let everybody sing that now.

[# 478, Songs That Live. -Ed.]

*Let the Church be the Church,*

Let the people rejoice,

*Let the people rejoice,*

*For we've settled the question,*

*We've...*

Oh, we've made our choice this morning; we'll take  
the way with the Lord's despised few.

*Let the anthems ring out,*

Songs of victory swell,

*For the Church triumphant*

*Is alive and well.*

Oh, for the last time now, everyone singing, all in that  
Church, in that Body.

*Let the Church be the Church,*

Let the people rejoice,

For we've settled the question,

If God be God, serve God.

Oh, we've made our choice.

We are on the Lord's side.

*Let the anthems ring out,*

Let it go right up into Heaven.

*Songs of victory swell,*

*For the Church triumphant*

*Is alive...*

Let Satan know it.

Is alive and well.

One more time. Let the devil know the Church is alive; let him know he cannot destroy this Church, he is powerless before this Great Army.

*For we've settled the question,*

We've made a total separation from unbelief. We have chosen the harder way.

*...ring out...*

Oh, songs of victory... Satan's reign is over; the power of sin is broken.

*...triumphant*

*Is alive and well.*

Let's just praise Him this morning, the Mighty Conqueror, unconquered by traditions. Hallelujah! Oh, glory and praise be unto Your Name, Father, to know we have authority. Hallelujah! Oh, You have passed it on to us, Lord; the gates of hell shall never conquer us. Oh, blessed be Your Name.

We give You honor and glory this morning, to know that greater is He in us, than he that is in the world. Blessed be Your Name, Father. We thank You for the power of the Blood, (hallelujah!) that has broken the power of sin and has made us free this morning. Blessed be Your Name. Hallelujah. Hallelujah. Amen. Amen.

How many are glad to be in His House this morning? Amen. We have a dedication. Bring them in from the fields of sin.

[#329, Songs That Live. -Ed.]

*...oh, bring them in,*

*Bring them in from the fields of sin;*

*Bring them in, oh bring them in,*

*Bring the little ones to Jesus.*

*Bring them in, bring them in,*

*Bring them in from the fields of sin;*

*Bring them in, bring them in,*

*Bring the little ones to Jesus.*

Amen. Luke Chapter 18, verses 15 to 17 says,

<sup>15</sup> *And they brought unto him also infants, that he would touch them: but when his disciples saw it, they rebuked them.*

<sup>16</sup> *But Jesus called them unto him, and said, Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God.*

<sup>17</sup> *Verily I say unto you, Whosoever shall not receive the kingdom of God like a little child shall in no way enter into it.*

Amen. We know many people in the religious organizations and religious traditions, they take them, they put them by a little fount of water, they sprinkle them with water, but Jesus never did that. The Bible said they brought them unto Jesus and He laid His hands upon them.

Who will you follow if Jesus was here today? He is the same yesterday, today and forever. [Hebrews 13:8. -Ed.] When Jesus would put His hand upon them and bless them or when the priest would carry them by a fount and put water upon them? I think I would follow Jesus Christ. I don't think that there is any better example to follow than Him, this morning. Amen.

We are so glad that He has put that in this Bible. He has put so many great, deep, mysterious Things... As we have been seeing God revealing unto us this week, all of last week, revealing these Things unto us. But yet also in the Bible He made sure and put that inside also (amen), that we could also know that when our little ones come, we could bring them into His Presence.

Heavenly Father, great All-Sufficient God, how great Thou art this morning, Lord. As we stand in Your Presence, the great, awesome Presence of the Almighty God, we thank You for removing the veil of tradition from upon our hearts and anointing our eyes with eyesalve; and Lord God, we can stand with a Divine consciousness of the true revelation of Your Word as pertaining to the dedication of little children, Lord.

Lord God, as I stand here this morning holding this little girl in my hands and her parents standing before this altar, oh God, and this congregation standing here as witnesses, together with You and the Holy Angels that are present, Father, we thank You for this time when we, oh God, could stand before this world, Lord, as a witness. Lord God, we are believers of this Bible, and of 'let every man's word be a lie but God's Word be the Truth,' that Lord God, even in this twentieth century, in obedience, in sincerity, we could come fulfilling Your Word just as It is written and just as You carried It out when You were here upon the face of the earth.

Lord God, we thank You for our brother and his wife, Father, to see that he is a believer; she is not yet a believer, but Your Word says that the unbelieving wife is sanctified by the believing husband, and the children are made holy.

Almighty God, we stand here, Father, this morning to dedicate this little child into Your service. I pray, dear God, that Your great Holy Spirit, before this service is completed, would make his wife a believer, Father, oh God, that together in their home, the atmosphere created by two believers, Lord God, walking in the Light of Your revealed Word, would be the right environment for the upbringing of a child according to the way of the Lord, that she might be instructed, oh God, that she might grow up in the Presence of Almighty God, Lord, where she is being cared for by parents filled with Your Holy Spirit. Lord, otherwise, it will not be proper, Father.

So I pray dear God, that Your Holy Spirit would move upon them, oh God, and Lord, You will take them under Your Divine control, and Your Spirit would do such a work in their lives that they would leave this service in one heart, in one spirit, in one mind, in one accord, as true, godly Christian parents ought to be, (hallelujah!) Lord, where they can have a true home.

Bless this child now Father, little Lystra; I commit her into Your great, mighty hands, Father, for dedication this morning. May Your blessing be upon the child. May You grant her health and strength. May the Presence of the Almighty God, Who gave her life to come into this earth for a testimony, oh God, may He watch over her and protect her and may she be a blessing in the home that You have placed her, Father.

Bless the parents and grant them the grace and the wisdom, the strength to have patience and all that it would take for them to take care of her until You would come.

Father, we thank You, to know that You promised to be with us, and in us, even until the end of the Age.

We now commit this child into Your hands this morning for dedication, in the Name of Jesus Christ, for Your honor and for Your glory. Amen.

Amen. Let's just read the Scripture. I want to read Romans 1, verses 16 to 18; 2<sup>nd</sup> Thessalonians, Chapter 1 also, and Revelation 15. Oh, blessed be His Holy Name. Romans 1, verse 16, It says:

*<sup>16</sup> For I am not ashamed...*

Is there any that is ashamed this morning? May God strike you with the reality of His Word to remove that shame if the devil wants to put a false pride that you would rather stand up for the devil outside and be ashamed of Jesus Christ. May God give you a bold conviction in your heart this morning and set you free from all the falseness of this world.

*<sup>16</sup> For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek. [That is the Gentiles... heathens.]*

*<sup>17</sup> For in it is the righteousness of God revealed from faith to faith: as it is written, The just shall live by faith.*

*<sup>18</sup> For the wrath of God...*

That is what we are on.

*<sup>18</sup> For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;*

Men who would preach a creed and a tradition and a dogma, than would rather preach the Word of Almighty God.

2<sup>nd</sup> Thessalonians, Chapter 1, verse 5:

*<sup>5</sup> This is a manifest token of the righteous judgment of God, that ye may be counted worthy of the kingdom of God, for which ye also suffer:*

Amen. Isn't that something? Verse 6:

*<sup>6</sup> Seeing it is a righteous thing with God to recompense tribulation to them that trouble you;*

*<sup>7</sup> And to you who are troubled, rest with us,*

...

If the world laughs at you, if the world ridicules you for being a Christian, for walking in righteousness, you rest; their time is coming and now is. God is going to give them over to an insane mind. You watch, demon powers are already feeding upon them.

*...when the Lord Jesus shall be revealed from heaven...*

The wrath of God being revealed from Heaven.

*...when the Lord Jesus shall be revealed from heaven with his mighty angels,*

*<sup>8</sup> In flaming fire taking vengeance [the Day of Vengeance – judgment] on them that know not God, ...*

And knoweth it not – Laodicea: blind, wretched, naked, miserable, and knoweth it not.

*...and that obey not [children of disobedience to the revealed Word] the gospel of our Lord Jesus Christ;*

A Message of Seven Seals delivered by a Prophet.

*<sup>9</sup> Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power;*

*<sup>10</sup> When he shall come [that is His Second Coming] to be glorified in his saints, and to be admired in all them that believe [not that disbelieve or make-believe, but them that believe]*

*...(because our testimony among you was believed) in that day.*

In that Day when He comes to be glorified, that is what the Scripture is really saying, "Because you believe our testimony, He's Coming in that Day, to be glorified." That is this Day here.

*<sup>11</sup> Wherefore, also, we pray always for you, that our God would count you worthy of this calling, and fulfill all the good pleasure of his goodness, and the work of faith with power:*

For all these Seven Church Ages, every Messenger preached with faith, the righteousness of God being revealed from faith unto faith, unto faith, until the Bride is formed in His Own Image (amen), and He is going to fulfill It with power now.

*<sup>12</sup> That the name of our Lord Jesus Christ may be glorified in you, and ye in him, ...*

"In that Day you shall know as I was in the Father, the Father is in Me, so I in you and you in Me." Amen.

*...according to the grace of our God and the Lord Jesus Christ.*

Revelation 15, quickly.

*<sup>1</sup> And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; ...*

A sign in Heaven revealing the wrath of God, when Jesus comes with His mighty Angels with flaming Fire.

*...for in them is filled up the wrath of God.*

*<sup>2</sup> And I saw, as it were, a sea of glass mingled with fire, ...*

The Bride is already taken off of the earth. That is where the laver was when they came to the Tabernacle. That Tabernacle represented what they saw in Heaven.

*<sup>2</sup> ...and them that had gotten the victory over the beast, ...*

Those who wouldn't join up with any denomination, who had a revelation when that Third Angel's Message came to reveal the Beast, the Mystery of the Mark of the Beast and all these Things, they saw It, and they came out. And when the devil tried to bring the Squeeze to pressurize them, they didn't care whether they persecuted them or threw them in jail. Amen. They said, "I have taken the harder way." Amen.

*<sup>2</sup> ...and over his image [the World Council of Churches], and over his mark [what you do about it when it is presented to you], and over the number of his name, ...*

Amen. 666: the number of a man, VICARIUS FILII DEI. Amen. In Roman numerals, it means 666, 'instead of the Son of God,' that's what it says. He is not instead of the Son of God, the Son of God Himself is here with eyes like a flame of fire and feet like brass. Amen.

*...standing on the sea of glass, having the harps of God.*

*<sup>3</sup> And they sing the song of Moses, the servant of God, and the song of the Lamb, saying, Great and marvellous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints.*

*<sup>4</sup> Who shall not fear thee, O Lord, and glorify thy name?*

They have a blasphemous name – Baptist and Methodist and Pentecostal and Catholic and all these things.

*For thou only art holy: for all nations shall come and worship before thee; for thy judgments are made manifest.*

*<sup>5</sup>And after that I looked and, behold, the temple of the tabernacle of the testimony...*

That Tabernacle in the Old Testament was a Tabernacle of testimony (amen) and it represented a Tabernacle of testimony in Heaven. Hallelujah.

*...the temple of the tabernacle of the testimony in heaven was opened.*

*<sup>6</sup>And the seven angels came out of the temple, having the seven plagues, clothed in pure and white linen, ...*

And that is the righteousness of the Saints... the Saints! "I will give you white raiment."

*...and having their breasts girded with golden girdles. [around their paps, their breasts]*

*<sup>7</sup>And one of the four living beasts...*

They pertain to the Seven Church Ages – Lion, Ox, Man and Eagle.

*...gave unto the seven angels...*

They anointed those Seven Messengers in the Seven Ages.

*...seven golden vials full of the wrath of God, who liveth forever and ever.*

*<sup>8</sup>And the temple was filled with smoke from the glory of God, and from his power; and no man was able to enter into the temple till the seven plagues of the seven angels were fulfilled.*

Let's bow our heads and close our eyes.

Heavenly Father, we depend upon You, the Holy Spirit, the Divine Revealer of the Word, the great Leader of Eternal Life, the Dove, that is here to lead the Eagles in the Bloody Footprints that You have left unto us through the revealed Word Message, that You vindicated by a Prophet to show it was You, Father. God, we don't want any other way, for broad is the way that leadeth to the destruction that goeth down to Armageddon, but strait is the gate and narrow is the

Way that leadeth to Life Eternal, the Entrance that leadeth to the Everlasting Kingdom of Almighty God.

Father, lead us in that Way this morning, that we can know and have the assurance that we are traveling on the right Road, for there is one Way to the City of God. And oh God, here the Holy Spirit has come to lead the Bride in that Way. Speak unto us. Let the Word be a Lamp unto our feet and a Light unto our pathway, that we can keep on traveling on, oh God, for we feel like traveling on this morning. Bless us and strengthen us. May Thy Glory fill our hearts. We ask it in the precious Name of Jesus Christ, amen.

You may have your seats. Amen. There is a prayer request here to strengthen and give spiritual life to Bro. Campbell for a true understanding of the Word of God. Receive it in the Name of Jesus Christ. Amen. Praise our mighty God.

How many have been enjoying the services throughout the week? Amen. I believe it is a great and tremendous time for us that we could come and...the songs that went out this morning. Whenever we gather He comes on the scene, proclaiming His Message to His Bride and His Queen. Amen. "To whom much is given, much is required." [Luke 12:48. -Ed.] It is good, it is sweet in the mouth, to sit and rejoice and enjoy the revelations, to have your spiritual life all stimulated with New Wine, to see your Cup run over, to see the great Things that God had sealed up in His Word being revealed unto you, but to walk away and don't do anything about It, it is better you didn't hear It because "to whom much is given, much is required."

We are so happy to have all the visitors and the strangers, and the saints that have been here with us from Oropouche [a town in Trinidad. -Ed.] during the week, Bro. Joe and the saints. It has really been a blessing to have them with us. They even closed down their service this morning to be here. We really appreciate that (amen),

that they could come and fellowship with us around the Word.

I have been trying to bring these Things out and also at the same time to let you know that when these Things are happening, then Something is going on that was promised in the Word. It is not just saying something is going on, and the Hour is late. For years, people went along with that kind of revelation, and they were never lifted any higher than above their shoelaces, their whole life was just earthbound with all the knowledge they had. But the Message was sent that the Church could be lifted in the Power of God, that we could see apostolic times flowing out; we could see a real Bride coming to recognize Her position and come into Perfect Faith, a Rapturing Faith because this is what is actually holding back the Rapture. Amen.

When we see these Things, I want you to realize that it is such a time here that you must have your senses exercised as a believer... have your senses exercised because in this Age you must be seeing. The Word that went out is: "Come and buy eyesalve that you will see" because there is a darkness upon the people that has produced a blindness, (see?) that they don't know what the program of God is. They have a church spirit and they are in church, but they are in church only with a form of godliness denying the Power.

People say, "Well, I don't deny the Power; I just pray for the Power. I just talk about the Power. I believe we are going to have the Power," but the Prophet said in *Perfect Faith* [1963-0825e -Ed.], "The Holy Ghost is here with the Power. All you need is faith to charge It!" The power is in the gunpowder; the gunpowder is the Word and all that power is laying there, all it needs is a spark to strike the gunpowder, and you will see an explosion. The Power is in the Message, and faith leads you to the Power.

The Dove, the Holy Spirit, comes to lead you into a faith you have never known; and that faith brings you

to the Power, to the source of the Power, to the channel where the Power can flow within you, to unite your faith with the Power and then the Power produces the Promise because the Bible is a road map to the Power of Almighty God. It is a revelation to bring you from faith into the Power. Faith is a revelation. Amen.

Then the Holy Spirit begins to lead you, and the righteousness of God brings you from faith unto faith; and Transforming Power is changing you (amen), until you stand there and is filled with all the Power of Almighty God, a living, manifested Epistle upon the face of the earth. See? You have been quickened with Quickening Power and transformed by Transforming Power. Amen.

That Power is laying in a son of God, but it is your faith that gets away from It. But if the Holy Spirit could lead your soul into a place where it could be anchored and tied down and you have an Absolute, though the storms come and shake, and the devil gets in your mind and tries to weary you, and disturb you, and confuse you, yet Christ is in the control tower in your soul controlling you. There is Something in you that is holding the reins. Amen. God – watching through your eyes, speaking through your lips, thinking with your mind, working with your hands, walking in your feet, believing with your heart (amen!) because the old husband is dead and buried, and it is God inside of you.

Why? Because you believe the Word and by your obedience and the expression of your faith showing you really believe the Word, acting upon It, has made a way for God to become incarnate in you; and your disbelief to the Word has made a way for the devil to become incarnate in you. There are two ways: the Tree of Life and the Tree of Knowledge of good and evil, still stand before the people in this generation.

Today, the Tree of Knowledge of good and evil is in the form of a scientific gospel: modern religion. And the

Tree of Life is in the old-time religion. It brings things from under cover, makes you stop your lying and starts the devil flying, (amen, hallelujah!) saves you when you are dying, changes you and makes you a new creature – The Tree of Life, Jesus Christ the same yesterday, today and forever. Thunderbolts and lightning to shake the world off of you, to tame that legion, to bind that mamba and cast it out of your life.

Our nice, educated, modern gospel, they pat you on your back, gives you a little concert for a few minutes to give you a nice, little, religious feeling and sends you back out in the world a hypocrite, thinking you are saved and you are not saved. The Tree of Knowledge of good and evil does that because the Serpent came preaching, “Yea, God hath said!”

What did God say, “When you fall down you are filled with the Holy Ghost?” Shut your mouth; God didn’t say that! You who believe in that, you have a prostitute spirit upon you; you are flirting, you want sensation. Amen. That is crude and rough, but this is the Hour people must recognize they are going down the cataracts. The Door is fixing to be closed. They have come all these years in the Message not believing that knowing it was wrong, and right before they go in the Rapture, they started to go into that.

Satan studied their strategy. They were out of the channel and barren for years. They didn’t know the channel of Eternal Life. So finally, they realized that Something is happening and they want it to happen to them too, but they don’t have the patience to wait. They don’t have the humility to take the correction and get in the right channel, so they started to manufacture something. But this is the Hour the Holy Spirit is putting out the warning to the people, that when they go forth and believe those things they will be willfully disobedient, holding on to some man’s personality who is telling them a lie, after a Prophet came vindicated with a Pillar of Fire and told them the Truth.

The Bible says that men will give heed to seducing spirits because they have a lust for pleasure in their souls. They are not anointed with the sacred trust of a married woman to a gentleman. They are not anointed with the responsibility of a true Christian wife, and the Church is espoused to Jesus Christ, married to Him – the Lamb's Wife, Holy Jerusalem. Hallelujah! Watch it, outside of Her, there are those spirits: whoremongers, fornicators – outside of that City. Hallelujah! They are outside the natural city and they are outside the Spiritual City right now (hallelujah) because that City is the Bride.

You go to New York, brother, nobody will have to tell you that you are in hell; you will be in hell. You will see demon spirits incarnated in people up and down the streets (amen), atomic fodder for this atomic Age, this nuclear war that is coming up. The Bible said that God is going to burn them with fire. You go to Port-of-Spain, it is right here. You go to Caracas, [town in Trinidad. -Ed.] it is right there. You go to Toronto and Montreal, it is right there. Whatever city you go to, they are unholy cities, cities in Satan's Eden.

In God's Eden, there is a Holy City called the New Jerusalem. Hallelujah! The people don't have any worldly fashions; they are clothed with white raiment. They don't have any serpent's twisting walk; they walk with a graceful stride, *Onward Christian Soldier*. They don't dance to any rock 'n' roll inside of there. No, sir! They march to the rhythm of the Word.

Let God anoint your eyes that you will not be deceived by the glamor of this world, which is really God's Eden deformed, perverted. When God made this civilization in the beginning, there was not all this nonsense. Man with their inventions destroyed the earth, (see?) and all that they produced, their inventions in peacetime killed more people than their inventions in wartime; the very thing they made backfired upon them. All of their

millions of dollars are being spent in an arm's race to destroy one another. Don't you see they are crazy?

Yet those same men could produce a Ph.D. and an LLD, all kinds of doctorate and different things. And what are they doing with all their knowledge? They are producing bombs and all kinds of superweapons to destroy the world. Would God give a man knowledge to produce weapons to destroy one another? Where are they getting that knowledge? – Out of the Tree of Knowledge of good and evil.

Here the Holy Spirit in simplicity is giving the knowledge of Jesus Christ, of the Tree of Life, of the Way to come back to God, saying, “Be zealous and repent! Shake yourself; pinch your conscience.” Yet people with all their education, they scorn that when it is the grace of God, the wounded Lamb, bleeding, Who shed His Blood and died for them while they were yet sinners. He came seeking them like a Shepherd looking for a lost sheep, (hallelujah!) caught up in the thorns and in the briars and in the ditches of what Satan calls discos and cinemas and success. Those are the thorns and briars; those are the ditches that God is talking about.

The Great Shepherd condescended on a dark and cloudy Day with His Rod and His Staff, with His five Stones, (hallelujah!) with His Honey (glory to God!); and He is seeking the wandering sheep to find it, bringing them in from the fields of sin. *Hark! tis the Shepherd's voice I hear, Out in the desert dark and drear.* [#329, Songs That Live. –Ed.]

As the song that we used to sing long ago says, “Suppertime...it's suppertime.” Oh, my! Aren't you glad it's Suppertime? The great Evening Time, Communion Time, Fellowship Time, when the sun is setting on Mount Sunset and a Bride is taken up on *That Mountain* (amen), and God Himself... *What Is The Attraction On The Mountain?* [1965-0725e –Ed.] Jehovah has come down. Hallelujah!

It is Christ Himself on the mountain top. He came for fellowship in the Evening Time to meet with overcomers who paid the price to climb up above the things of the world, to get real high up where eagles dare. They get away from the buzzards who are feeding on the filth of what the world calls glamor, who are feeding upon the filth of what the world calls denomination, what the world calls fashion, what the world calls success in life – filth! Buzzards feed upon that.

But the Eagles of God, called out, have been taken up; and they are being anointed with Divine revelation from their God Who wants to talk to them about Heavenly Things because He has a City prepared for them, and He has come to receive them unto His Own Self. Amen.

Could you imagine when Jesus stood up with Peter and they and talked to them that day, He said, “You believe in God, believe also in Me.” He said, “I called you out of the organization, children. I washed the filth away from you because the Word I spoke, you were made clean. I took it hard and faced all the pressures and all the demon powers. I sanctified Myself for your sakes.” See?

“I could be King; I could be Somebody and neglect you all. They didn’t want you all; you all didn’t have anything. It is Me they wanted to make King because of My Power, because of My miracles, because of what I could do. But because I love you all so much, I didn’t go after that because of you.” See? He said, “I would rather lay down My Life. Even though the devil tried to give it to Me, I knew that even though he gave it to Me, he would still have control over you all. He showed me the kingdoms of this world because they belong to him.”

Jesus never told Satan, “New York isn’t yours.” He never told him, “Los Angeles isn’t yours.” He never told him, “Hollywood isn’t yours”, because the devil showed Him all the kingdoms of the earth. Paris – He never told him that wasn’t his own, and Port-of-Spain. Amen! He

said, "It is yours, Satan. I know it is yours. I don't want that. That will fall apart. That came out of your old, sinful, evil heart."

If you were in the Presence of God, you wouldn't have even thought that. You would have had godly eyes and a godly heart to see godly beauty. You would have looked for character. Not all these twisted, naked people in the streets, a bunch of vulgar filth. You wouldn't be looking at that and find it looks nice. You have to have a spirit of lust to find that looks nice.

You would have a hypocritical spirit upon you to see a godly-dressed daughter, a godly-dressed woman, decent, and call it old-fashioned. You would have seen virtue: what you lost in the cradle. Hallelujah! Amen! You would have seen resistance, to resist popularity, to resist fashion, to be easily led into sin by friends who don't even have a revelation of what is going on, a bunch of whoremongers.

He said, "I don't want that, Satan; you could keep that. I know it will be a hard way for Me to get the real thing for My children." But any real, godly parent, if they have to sacrifice, they wouldn't rather go and steal and beg, and borrow; they will sacrifice for their children, so their children can grow up with respect for their parents.

They can see, "Mammy sacrificed for that, Daddy sacrificed for that. They paid the price. I saw those hands. When Mammy held me with those hands, I saw those hands that labored and toiled, hard, calloused hands (amen), that scrubbed the floor and scrubbed our clothes when there weren't any washing machines and these things." Not all these nice, long, sexy hands people want to have today, soft and they cream them up nicely, those hands that quickly strip off their clothes for all kinds of lustful spirits; but hands that would labor and work, (hallelujah!) godly hands.

Like the Prophet told a story one time. [1959-0812, para. 119, 1959-1001, para.99. -Ed.] This woman had a lot of children,

trying to raise them up so faithfully, and she died of hard work. Her husband had died a long time ago and she didn't want to go and live with any other person. She said, "I am going to bring up my children right. We had a good daddy. I am not going to risk my children's security with all kinds of old men who come talking all kinds of nice things in my ears to get me inside their house. No!" Amen. She said, "I will bring up my children."

She tried and she labored and she was bringing them up; she died under the strain and the pressure. What could one old, worn-out mother do? Then finally, what happened? The eldest one of the set had to take over the load. It passed on to her. Amen. Don't fail. As the song said this morning, O Church of Jesus, He passed it on; don't fail. He tells you, 'don't fail.'

We are right *There* and you have had the Message in your hands all these years. "Don't fail; finish the work. Be faithful like the Prophet; look away from the world!" Amen.

Then afterwards, he said that that girl labored and toiled until she got pneumonia and died: scrubbing the floors and washing the clothes, and having to get up early to cook the food to take care of the other little ones. And then some religious... anointed with some religious spirit, some woman came now and wanted to maybe do an extreme unction [a Catholic ritual, the anointing of the sick -Ed.], give her the extreme unction at the end and said, "Little girl, are you sure you are ready to die?" She said, "What about if Jesus asks what church you belong to, what are you going to tell Him? Come on, let me say a last prayer for you or something so you can go right in the Presence of God."

She said, "Well, I don't know about that, but I'll show Him my hands, He'll understand. I'll show Him my hands." Amen.

When He looked at those hands, He wanted to see hands that labored faithfully. He wanted to see hands

that are worn because they labored honestly and righteously to carry this Message, to do something worthwhile for His Name's sake. Amen.

Then notice, He said, "I don't want that, Satan. I am going to sweat and toil for it."

Then when He told them, He said, "Look, I'm going to prepare a Place for you, but I am going to come back and receive you unto Myself, that where I am, there you may be also." I could imagine what that was in their hearts. He was going to be taken away from them, but He was going to prepare a Place, and no doubt, the love and the attachment that came through the revelation, they knowing Who He was and the love that they saw expressed through Him unto them, and the sacrificial life He lived on behalf of them, Peter especially, who made all the mistakes, and the faults and the denial and all these things, (amen) and they saw the consideration He had for them.

They saw many an opportunity, that when the people tried to take Him away, He was thinking about them. When death came to them, He went in the midst of them. When they had a problem—the sleepless nights that He sacrificed to help them and when they knew Who He was and the power that was laying inside of Him, and that He was the One Who created the very Earth itself – they were thinking, and they never lived to see when He would come back to receive them.

Here we are, we are the Ones, because we were in Peter and they when He was telling us, "I go to prepare a Place for you." It was us He was talking to, and now He has come back for us. Amen. He is telling you, "It is you all I have come for now."

Here we are just on the verge of It, and the devil is coming with all his great deception in this evil Age to blind you with glamor, to give you false ambitions, to twist and deform your mind and your thinking by flooding up your subconscious with all kinds of the filth of the world, and all what Satan calls prosperity and

success in life, and make you hunger after that and sacrifice and run after those things, which is only an illusion to deceive you.

You are becoming worse and worse, and worse morally; you are becoming more rotten daily because the music you are listening to is designed to put demons of lust upon you. Amen. The people who you are being influenced by are perverts. The education that you have, that makes you think you are somebody, it comes from the devil. That is what the world is, but the grace of Almighty God...

Why did Jesus have to go and die? Why did He have to suffer and bleed? Why for over two thousand years He has tolerated all this world and what is going on, before He destroys it? Why? Because of a few people outside there that belong to Him, that have to be delivered.

Why did He send prophet after prophet even though they stoned them and killed them? Why did He send all these great vindications in this great scientific Age so His children would not be confused and be uncertain as to whether the Message is of God or not? So He can catch the last ones and twos and bring them to Eternal Life.

That is why we are sitting here this morning in Heavenly Places, in this hot place. That is why, the whole week, you have been coming: since Tuesday, Wednesday, Thursday, Friday, Saturday, even this morning. Amen. When you see a people like that, in my heart, it gives me an assurance, "There is a people; the Word is true."

Someone was telling me that I should have had service this evening, and I said, "My, I didn't think of it. If I had thought about it, I would have done it. It would have given the people more time to rest in between." But then to come here this morning and see the place all filled already, and everybody is already sitting here and

waiting and praying, then it shows you that there are people who mean God; there are lovers of the Word.

It is not people just going around trying to pull this, and trying to pull that and all kinds of foolishness. No. It is people who are in contact with a reality, not all this denominational foolishness in the Message. People who are in contact with a reality and are anointed with a reality and maintains that, that whenever you meet them that atmosphere is still there around them.

There is no confusion and perversion. God Himself has condescended, the Great Shepherd (amen) bringing His people where He could feed them on the mountaintops because they have been starved for years by all kinds of hirelings (amen), having been fed all kinds of locoweeds, that make them wild and fanatical and dotish [stupid. -Ed.], producing spiritual idiots. See?

Now those things are hard; I know it is hard. But what do you want, do you want me to sugarcoat it? Do you want me to pat you on the back and make it sound nice and leave you in deception, or do you want a reality that could break the power of the devil around your life and set you free?

When a child is full of worms, should you give him a nice cup of sugar water, or give him some castor oil or something to worm him out? It will almost make him spit and puke [to vomit. -Ed.] it out. It might be hard, but death is painful. When you have a bad tooth in your mouth that is rotten and it is giving you an abscess, you wish the doctor could do something else rather than to pull it out with a plier, because you don't like pain. You don't want anything that is bad in you... Anything that is bad in you must come out without pain; that is how your flesh likes it. Amen.

Why I am this way, is because of what I see. It is life and death. This is not playing. If you want to play, you are in the wrong vicinity; the savannah [largest open space in Trinidad. -Ed.] is down the road. This is not a playground; this is a battlefield. That is a playground down *there*.

Here is where God is breaking the powers of the devil, exposing it, delivering the souls of people from demonology, and all kinds of falseness that the devil puts upon them and drills into them.

When the devil is putting it in, it goes in so nice and easy people gulp it down because the devil pretties it up nicely, and that is the same thing that takes them to hell because the natural way of the flesh is to lust after shiny things, 'a little monkey' you see that likes little, shiny stuff.

When people are faced with reality, then they get to realize it is either you want to be a genuine Christian or a genuine devil. Don't fool yourself – be genuine God or genuine devil, because there is no in-between. This is the Hour both seeds are coming to fruition. A make-believer is just a genuine devil who thinks that he is a believer because he is deceived, but he is still a genuine devil. Judas was right there – a genuine devil. And as Bro. Branham said, "He was just as big a duck in the puddle like Peter and them." [1961-0217, para. 63. -Ed.] Amen! See?

You see when he was talking about the Seals, that was grace and mercy; that is the Blood of Jesus Christ. But when we are talking about the Vials, that is the wrath of God. This is a different thing altogether. The Vials are not the Seals. The Seals is mercy; it is redemption being revealed. The Vials is judgment for rejecting the mercy.

This whole week, who can stand up and say God has not opened up the Vials after God proved that in the Word, nightly out of the Message with such a clarity that none of us, even me, didn't even know it, each night preaching as the Message is coming just the very day, showing us how far it is. This is not make-belief.

If that is happening and you recognize what that means according to God's program for this Hour, then that should make a person fearful. That should let us know that judgment begins in the House of God. Do you

know how many people in hell are going to be devouring their ministers, because they realize they ended up in hell because they had a false minister who patted them on their backs?

Like one time I remember I went to an Anglican Church... I was an Anglican so I can talk about it. I went to this Anglican funeral and here was this woman living opposite us there, a big, old woman about sixty-something years, in one tight, old, dirty shorts, and she sat down there smoking cigarettes and her fingers were brown and her teeth were brown. And then her very daughters got up and were being vulgar in the gallery, and in the road when people were passing, and laughing like they were carrying on a big stage show or something, like some Broadway dancers. And then afterwards, they would go to church every Sunday morning.

So when she died I went to the funeral and let me tell you, while she was dying, one of the daughters was dreaming; she was dreaming about me. And she heard, "boop" [a sound of something falling. -Ed.], and she was shaken out of the dream. And when they went they saw that their mother had fallen down; she was dead. So we went to the funeral. And here was the priest; he said, "I know Alma is resting in the arms of Jesus, and I know her two daughters, they are serving the Lord," and he was so pious. I said, "Look at that old, dirty hypocrite in that pulpit." He was not even afraid that he could drop down there dead. The woman is in hell. Do you see it?

This is not the Hour to play with people's souls. God doesn't condemn somebody for drinking and smoking and committing adultery. This is the condemnation, the Bible says, "That Light is come." You are a hog because you were born a hog. We were all born hogs, and we wallowed in the mud.

Sometimes we try to put on a new tuxedo suit, a nice long dress, new shoes, paint up ourselves nice, spray up ourselves, smell nice and say that we are a sheep.

And as soon as we see some mud, we run right back in the mud, proving that our nature didn't change at all. Until God doesn't come with Fire and burn that snake out and a Dove comes in there, you can't become a sheep. Amen.

Now watch something. So when you actually watch and see then, if that is so, then God has to really bring us by a Divine experience. Because you watch any birth; when the last girl was born, I was right there. And here it was, every birth is a mess. It is messy, dirty, blood splattering here; you see all kinds of after birth coming out. As some people say, they will vomit if they see that. It is dirty; it is a mess.

Some people want to be born again and they just want a fairy to wave a wand over them, their name must be Cinderella. This is not any Pinocchio business and Cinderella; that is foolishness. This is, 'You must be born again', and you have to die to be born again, you have to rot. God has to give you a Divine experience to tear you away from the world.

A chicken in an egg; the only world the chicken knows is inside the egg. But when the time comes that the chicken has to be born into a new world, God puts a law inside of them to pip and pip and pip and pip until he bursts through that eggshell. And when he bursts through that eggshell, he could never go back and live in the eggshell.

A baby in the mother's womb, it will be pushing and pushing until the pains come on until it comes right out and it could never go back in the womb. And if you are really born of God, you could never go back in the world; you are completely separated from all unbelief. Hallelujah!

Now if God in the natural since six thousand years ago when the first person was born by sex in the Garden of Eden, until this time, people never stopped being born that way except the Lord Jesus Christ Who came to be a Savior, do you think God changed that New

Birth? No. Then why do we have people coming along and backsliding? It is the same Pentecostal spirit that made them feel that they were Spirit-filled all the time, and then the devil came and proved that they weren't Spirit-filled. It was the same Laodicean spirit, 'and knoweth it not'. Then look, it was in the Message all these years. Do you see it? Let us face reality.

Do you know what people in the world want? They have all these perverted spirits today – big rock singers, big leaders outside there, a bunch of homosexuals and lesbians (do you see?) and they stand up outside there and they are the heroes of the world today. Boy George has more people following him than Jesus Christ has following Him on the earth right now. Michael Jackson is more talked about and preached about than Jesus Christ. Well then, why do you want me to hold my mouth? Amen! Amen. If that could be talked about so much, everywhere you go some little young girl will have a Michael ring, some have a—that is a false Michael. Michael has a two-edged Sword in His hand. Hallelujah! Glory to God!

People don't really love the real Michael. Michael the Archangel in the Bible kicked the devil out of Heaven, and the Voice of the Archangel, Michael, is here! But that is just to show you the deception in the world, what people want. People love that.

Even believers, you find you get kind of...they liked it before, because Satan brought up the little nice, nice twelve-year-old boy with a fantastic voice, coming up, and in those days everybody liked it, but look what it matured into. All of that was in that seed right there. And that Michael said he is a Jehovah's Witness. Look the real witness of Jehovah is *here*, not that false cult called Jehovah's Witnesses. Jehovah is a Pillar of Fire, (amen!) and a witness is one who has a testimony, who met that Pillar of Fire. Amen!

So when we see the Hour, when we see the time, demon powers taking over the people until they have

look-alikes. And people are losing their own identity because a demon is coming over them. And then they have it through television, and satellite, and video, and all these different things; it's around the world. So around the world simultaneously, you see millions of pictures of Michael Jackson (around the world simultaneously) because of television. So instead of where one person can't stand up and influence the whole world, his image is being projected all over at the same time to four billion people.

As Bro. Branham in his day, he went quite into the jungles of Africa, and here were the natives down there, blanket natives all kinds of thing, a transistor by their ears [listening to] Elvis Presley. Do you see what is going on? And then people get trouble to listen to a tape which is the Voice of God in the last days—to listen to a message, they fall asleep.

Let me tell you, you believers, you better get anointed with your stuff the way they are anointed with their stuff. Because if you don't get anointed with what God gave you, and they get more anointed with what the devil gave them, then they will overpower you. Then your little atmosphere in the midst of all this perversion will be shaken down.

And that spirit of entertainment is what the world is running after until it anoints people to preach to give them more success. So they preach a little entertainment thing to entertain the spirits of the people that love to be entertained. They don't like thunderbolts and lightning to shake the sin off of them, no way. See? All these nice, laughing kiskadee [small native bird. -Ed.] in the pulpits. See?

It is an Hour of judgment. It is an Hour when the people must be in perfection according to the Scriptures, to meet the challenge of the Hour. It is an Hour when you fooled around long enough, and you played around and you were seduced and anointed by the devil long enough. It is time you wake up and realize

that even within the church the devil wants to anoint the people too.

The devil has no respect whether you walk with a Spoken Word book and say you believe the Prophet and come in the Message, the devil doesn't respect that. The only thing that will shake the devil is that godly, sanctified life, thundering out in sweetness and holiness and in purity— it is the only thing that will shake the devil— lived Voices; not those who talk It, those who live It. Amen. Those are the people who will shake this nation. Amen.

What an Hour, and what a time it is, to see what we are confronted with, to see where we have come down to. And demons, spirits, have come out of the Euphrates River; Mystery Babylon has opened up her gates. Amen. Out of that Euphrates River is Mystery Babylon, spiritual Euphrates River; not a natural Euphrates, spiritual Euphrates; demon powers have come out, taken over the whole world in this Hour, (amen) every kind of spirit of idol worship. This is a form of idol worship in this Age; so it is spirits from Babylon.

That is why some people say, "I can't see this as a Catholic spirit." It is a spirit of idolatry, it is making people idolize people: fan clubs, little pins, all kinds of different things, big posters. Just like how you will take a picture of the Hoffman Head and put it in your room to create a little atmosphere of Jesus Christ, you will take a memorial in this Day when God showed the fulfilling of the Scripture, they have their big things too, to create their atmosphere too.

Just like you have your tape to listen to and keep your spirit anointed, they have their rock music to anoint their spirit too. Just like how it is producing a godliness and temperance and meekness in your life, it is producing adultery, and lust, and fornication, and hate, and things in their heart also. Just like how it is taking you up into Heaven, it is taking them down into

hell. It is only a perversion. It is two spirits, two vines: children of darkness and children of Light.

That is why as a believer in this Hour you better buckle on the armor tight. Take the Sword that He has given you and chop your way through, like a mighty Gentile warrior to bring a clean, fresh drink, not any lukewarm business; clean and fresh, sparkling, clear as crystal, (amen, see?) that your life could be a testimony of Jesus Christ in this Hour.

Not playing and walking around with some church spirit that makes you a bench warmer; you only sit down there in church like a wallflower not knowing what is going on, not that; not spiritual idiots, no. People who are born of His Spirit, washed in His Blood, (amen) formed in His Image, marching in the stride of His Word; real godly people. That is the bunch God is talking about. When He looks He sees Messiahettes; they are just like Jesus.

The Bible said people watched Peter and John; they said they took note that these men had been with Jesus. Peter might not resemble Jesus physically, not in the least bit, but they saw the Life. They saw what the association with that Person produced. They saw when that Life came in another vessel where It could have pre-eminences, (amen) you would see the very same personality and character of Jesus Christ being expressed and made manifest all over again. Amen.

You know they have in the States some of these look-alike contests, Michael Jackson and these people here, Boy George and all these kinds of filth, what is going on right now. Some of these people here they had some so close, that you know what they say he does? It is he who started this look-alike business because the publicity was too much for him. The crowds wanted to throng him and mob him and different things, after a meeting. So a lot of people dress up like him right there. And after a meeting, from the time they walk out, they can't tell which one is the real one.

And if they could look so close like him, won't you be glad when we could look so close like Jesus, that they can't tell the difference between you and Him? That when God looks at you, He sees His own faith; He sees His own virtue. I am not talking about growing long hair and a beard; get your carnal mind away from that. Amen. I am talking about the Life of Christ – faith, virtue, knowledge, temperance, patience, godliness and brotherly kindness, walking there with the Life of Christ flowing out of you, rivers of virtue flowing, (Hallelujah!) they can touch you and be made whole. Amen.

You say, "Brother, those things—that could really happen in this Age?" That is promised to happen in this Age. That must happen now, and it is happening because there are people predestinated, people who have not sympathized with it. Amen! There are people who had the prepared ground that the Message fell into, and holy works and holy faith is going forth showing a Life above the reproach of the world, (amen) that they could say, "Who could condemn me of sin? Satan has no place in me, check out my body, check out my spirit, check out my soul; no place in me." Amen.

I want you to realize those things are not fashion; that is demon powers upon people; that is agents of the devil to deceive. They were designed and put there for the purpose of deception. And if you are a son of God and a daughter of God you look at those things, and you don't see through your natural eye because you look *here*, but you see through your heart.

As David said, "Thy Word, oh Lord, have I hid in my heart that I would not sin against You, because when my eyes watch through my heart, they will be watching through Your Word, and Lord, I see You will burn that thing with Fire, and I don't want any part of it. I know it is the devil behind that trying to deceive me, like the snake with all its beauty and enchantment to attract the dove and hypnotize the dove and then devour it."

But you will not be caught into it because you have wisdom of revelation. Your senses have been exercised through your revelation, filtering your thinking so you could discern good from evil. You know that that was put there for deception and you are not gullible. Too many people are too gullible, swallowing down this too quickly. You have a holy man's taste. Unless you don't come through God's Word, you don't want any part of that. Amen.

Don't you love Him this morning? Praise His wonderful Name.

My little inspiration is, **"ANOTHER SIGN IN HEAVEN REVEALING THE WRATH OF GOD."** ANOTHER SIGN IN HEAVEN REVEALING THE WRATH OF GOD. I just want to lay out some things here. I know I am not going to preach the Message this morning but I am just going to open up the Scripture a little bit for you, because I don't want to break into It yet, right yet.

Because to take that fifteenth chapter alone we have to touch the Sea of Glass, we have to touch the Throne, we have to touch the Tabernacle, we have to touch all these things...golden girdle, we have to run back through the Scripture, clothed with white linen, all these Things, to show you exactly what those things are.

So I just want to stay on the sign, 'A sign in Heaven. The wrath of God being revealed from Heaven.' I want to pause right in there and just shed some Light from what we know according to the revealed Word where it matches those Things, so that your understanding could be enlightened to see the Hour and the time.

Now here as we kind of focus on the Hour a little bit, I want to show you that through the anointed eyes of a Prophet looking through the revealed Scriptures, when he saw the Hour that we were living in because of the Scriptures that were being fulfilled with such rapidity, what he said to the Church, what was his exhortation to the Church, what was his inspiration, what was his

Word of encouragement, what was he trying to bring the Church to the level to see; because that is the line of the Spirit that I am working in. What he was looking to see when he saw those things in the Church, what he was trying to tell the people, I am trying to rehearse those things to you as we see these things being made manifest.

So here he says now, he says, *Spiritual Food In Due Season*. [1965-0718e, para.4-6. -Ed.] pages 1 and 2:

*...I want you to get built up now in the...this holy Oracles of God, in the Faith, the Faith of this hour. The Faith! It's going to take more faith than ever was in any age, for this has to be Rapturing Faith, be taken up. And so we want you to believe tonight in all that you have seen, heard, the Word that you have heard preached, the—the signs and wonders that you have seen done. We want you to accumulate all that together in your heart, and consider it, whether if that be God or not.*

Are you going to do that?

*Is like Elishah of old, said, "If God be God, then serve Him." And if Jesus is the center of all things to the Christian, then I think we ought to let loose of everything else and cleave to Him. Remember, He is the Center, He is the North Star, ...*

He controls your desires. If Christ is in the control tower of your heart, you will desire those things that Christ desires. If Christ is watching through your eyes, when Christ looks at those things through your eyes, if He knows it is the devil behind it, He will stay far from it, amen, whatever it is, if it is Christ in you. If it is not Christ in you, then it is a spirit of the devil upon you making that look pretty in your eyes, making that look nice in your eyes.

And you being deceived by watching the majority of the people in it, you think, "Well, it can't be wrong because God can't send all those people to hell." Go back and read the Bible; don't be too naïve. God destroyed Sodom and Gomorrah and called out four

people, and He told them don't look back, and one looked back and He turned that one into a pillar of salt. And He said, "As it was in that day, so it shall be in this day. And remember that woman," He said. "Because if you put your hand to the plough, don't look back," is that what He said? [Congregation says, "Amen." -Ed.] All right, now watch.

Then also we find in the days of Noah there was a whole generation, and God preached judgment was coming. They didn't like judgment messages. They loved healing revivals, and they loved jubilees. See? They loved 'sing-spirations.' They loved a lot of charismatic business, but they didn't like judgment messages; nobody loves to see themselves cursed. But Noah preached judgment, and they failed to give heed.

Then God said, "All right Noah, move into the ark"; and God shut the door; not Noah, God shut the door and destroyed the rest. Is that the Bible? And did Jesus say, "As it was in the days of Noah, as it was in the days of Sodom, so shall it be in this day"? Is this the day He was talking about? All right. Then don't be naïve; don't kind of get deceived in your mind with some religious spirit and say, "God wouldn't do that." Watch the Bible and let the Mind of Christ, the Word of God, be the Mind that rules in your heart. Amen.

So he says now,

*...He is the Center, He is the North Star, He is the Ultimate, He is the Absolute. And if He is the North Star... There's only one thing that'll point to the north star, that's your compass that you're sailing with.*

We are sailing; we are in the old Ship of Zion this morning, getting ready; Christ, the Captain. Amen. Get on board; make sure you have your Token in your hand. Amen. We are moving out. And here is something, we have the Compass; we are watching the North Star. Amen. The North Star is the Word of God, the Message of the Seven Seals. We have the Compass, the Angel of the Lord that came to vindicate that Message, the Holy

Spirit that will only point to that Message. Amen. And here we are in the Body of Christ, this great Ship, and we are moving on.

The waters are treacherous waters of this world, and the winds, Satan, the prince of the power of the air, with all his demonic powers and influences, trying to drown this Boat. But as long we keep our Compass centered on the North Star, (amen) as long as we have the old Anchor (amen, hallelujah) that will anchor in that Word and hold us there, no matter how the winds blow, no matter how the storms shake, we will stay anchored in the Rock. Amen.

So he says here,

*And we feel like that we're going through a great time of distress and trials, perplexity of the time and distress between the nations, and all kinds of things happening, and sometimes I get engulfed like... Everywhere I look, it's like on a...in a ship out on the sea. And I've been give charge of the Boat. And how we going to make it? And here comes one with a white cap, hundred times bigger than my ship.*

I see it many times. It comes in the Church; a white cap, want to almost drown out the little Boat. And I stand there and I say,

“Oh my, what are we going to do?”

And somebody might say, “Get some buckets; let us bail out some water.”

I say, “No, call Jesus on the scene. He is only resting between revivals. Go wake Jesus.” Hallelujah!

Won't you wake Him up in your life this morning? Oh, my!

You know one time those disciples were in the boat. It was a dark night like it is in this Hour, real dark, and the winds were blowing real contrary, and you could feel the demonic forces in your mind wanting to shake you off course of the Word. You are serving God so long while it was peaceful and nice. All of a sudden the demons are loosed from the Euphrates River and things

begin to shake; oppression here, demons powers. Amen. And then here comes the Man who could tame Legion. He comes walking on the water.

And then they sat there in the darkness and it was just a Figure there because they didn't have a revelation (amen) that it was Him. It wasn't clear to them in their hearts. They were so bound with a spirit of fear. They learnt to fear evil so much, it got them more negative than it had them positive; so they are quicker to think it was the devil than they thought it was God. Anytime Truth comes people think it is the devil, they are always thinking that way because they so live under the negative things.

So first the disciples said, "It is a ghost. It is that. It is that", thinking that it was some contrary spirit. "The Prophet said so. Brother so and so, take care you get deceived if you go to Baratania. Take care Bro. Joe. Take care of this." Shut your mouth! Amen. Hallelujah! Praise God. God knows what He is doing. "See, it is the devil." If it is the devil, step out and walk and see. "It is I, be not afraid." The very thing that was coming to bring deliverance, the first thing they thought it was the devil.

Jesus came walking under the fourth watch when... (hallelujah!) under the fourth watch, when the pale horse rider, demon powers, all these things, are being gathered together on the road to Armageddon. Amen. Hallelujah! Here comes the Word Himself, walking. He will face the challenge of the Hour. He will take them through any storm, the Captain of the Ship of Zion Himself. Amen.

He said,

*And here comes one...*

And many times you are in the church here, and you see this big white cap comes, oh my, and you see saints holding on for dear life. Some are holding on to the mast of the Ship, some are holding on to the side of the Boat, and the Boat is rocking like *this*. Amen. And then some

like they want to get thrown overboard. Amen. And some like they fell in the sea and you have to throw the rope to get them, to pull them back on the Ship quickly, because the storm is raging.

Have you ever seen those kinds of pictures, when storms hit the boat like that? Oh, my; think about it. That is the very Hour that we are in; that is the kind of Hour. That is why people are so quickly washed away in all kinds of foolishness, and they are wishy-washy; they have no standing and they have no anchor. Satan is in the control tower, not God. And God is not going to come in their minds. No. Because He wants the control tower; He shed His Blood for the control tower. He deserves that right to come inside of there. I will tell you something, He will bind that strong man and cast him out, come in there Himself if you only let Him do it this morning. Amen.

*And here comes one with a white cap, hundred times bigger than my ship. But we'll crest them, every one. "We are more than victors through Him." The Captain, the Chief Captain, has got a hold of the string on the end of the ship, He'll pull it through. We'll crest every one of them.*

Amen. Hallelujah. Page 5. I just want to layout the Hour for you so you would understand the Hour that we are living in, and how God through the Prophet was laying out for us what type of Hour it is that we are in, so you as a believer would take every caution; you wouldn't be slack concerning these things. Amen.

Let me tell you something. Recently we have had some funny winds. Is that correct? Tornadoes, all kinds of whirlwinds, moving, tearing up the place almost, all kinds of announcements that storms are coming. And those weather prophets were up there in the tower (is that correct?) studying out the weather. And those weather prophets were warning the people of coming judgment: "Get ready! Get your groceries. Get down in your basement. Funny winds are coming, fifty miles per

Hour. Make sure it doesn't catch you unprepared." That is the Hour that we are in.

Do you know Elijah was a weather prophet? He was prophesying rain. Noah was a weather prophet; he was prophesying rain. The Prophet was a weather prophet; he was prophesying Latter Rain. Do you know the Bride is also prophesying Rain again? It is weather prophets prophesying to the people about oncoming judgment.

He said the rain is going to come and wash the house away that is built on sand. What is your house built upon this morning, sand or on the Rock, the White Rock that Light never shone upon? All hell is against that Truth, you know. Satan is going to bring all kinds of winds to shake you off of that White Rock. But if you are built upon that White Rock, that three-fold Mystery, and recognize your position in the Word, it could never shake you off this morning.

You will be trained to God's Voice, not some church voice, not some pleasure voice, not some political voice, not some worldly voice. "My sheep will hear My Voice." You will be trained to the Voice of Almighty God, calling you down in your heart, in your soul, telling you, "Surrender yourself. Let go and let Me take over." Amen. "The world can't satisfy you. I will satisfy you. Let Me be your portion." Amen.

So hear what he says here, he said, [1965-0822m para. 17-19. -Ed.]

*Knowing that what we say we mustn't say because we're gathered together to just haphazardly speak on anything, but it's something that will help stabilize the people, for we are going to pass through dangerous, treacherous waters. We're already sailing through them.*

What did Paul say in 2<sup>nd</sup> Timothy? He said, "Many have erred concerning the faith" and have what? "Shipwrecked. Shipwrecked." Why? They had the wrong Compass; they couldn't read the Compass right. Some deceiving spirit got in. They didn't know which star was the North Star. They got confused with some other—

followed some other star, and then they lost their way. Amen. Do you see what is happening?

Brother, I tell you, he said,

*We're already sailing through them (treacherous waters). And sometimes I guess it's with you like it is with me, he says, that seems like that, so much of it, it's such a scary.*

So it scared the Prophet. I was reading a quote there for Bro. Joe. We were traveling in the car. *Is Your Life Worthy Of The Gospel*, [1963-0630e para. 86. -Ed.] he said, "My children, I don't know what is going to become of them." 1963. He said, "I don't know what will become of them." He said, "They can't go in on my experience." He said, "They have to meet God themselves." He said, "If the devil gets a hold of them and they go out there in those worldly fashions and some man interferes with them," he said, "I will—can't blame the man, I will have to blame them for presenting themselves that way." Do you see what we are talking about?

And when he saw those demons powers stripping those women, putting them in all kinds of ungodly, worldly fashions, presenting their bodies outside there in a sinful way to make men lust, to commit adultery, because a prostitute spirit came upon them, because they are being influenced by Hollywood fashions and all these sex models and all these sexy people, not knowing it is demons projecting themselves through those people to anoint them. So then they think they look nice when they look in the natural mirror, but when they look in God's Mirror, they see how hideous they are looking, deformed by the power of the devil. Now watch. He said,

*And to see this nervous age...*

*And last week's tapes, I think, will reveal to you, the great hideous things that we're going to speak...of the opening of those last plagues to be poured out upon the earth, those Vials, rather, pouring out of the Vials, and the Seven Thunders, and those hideous sights that's coming upon the earth.*

Now if you are of God and godly, when those Seven Vials and Seven Thunders and these Things, and those plagues to be poured out, are being revealed, they are going to reveal all those hideous things. You will see the treacherous waters we are going through. Then those Things will not be any nice, sweetie, sweetie Messages that will make you laugh and say, "Boy, nice Message." Those things will make you run to the altar and say, "Oh God, save me. The world is upon me; shake this off of me." Man now and people today are in such a neurotic condition – the whole world; the whole world. And he said, page 38, [1965-0822m para. 149. –Ed.]

*But we've got one of the most dreadful times to go through, that ever laid before human beings. And I'm just waiting for the hour, when...everybody can get a chance where you can get off from work and spend a few days, and we can get set up somewhere where I can speak on those Plagues and things that's to fall in the last days; and throw about two or three weeks together, and bring that together, if the Lord let's me live to do it and will inspire me to do so, see how those things will be dropped in, and those Thunders. Then you'll find out what that man and them people has been dreaming about, and all these things there, it'll come to pass; see, you'll notice what them revealed, that great Thunder a coming forth out of the—out of the skies. Now, of course, the whole bunch of you, you know that I know what that—what that means...but let's just wait till the time comes...and it'll be more in season.*

Amen. In this neurotic Age, when those hideous things are coming out, when people are calling themselves The Cats, and The Beatles, and The Monsters, when the new dance is 'the breakdance,' and the devil is inspiring people and giving prizes of money in this hard time of recession, to lure the people's spirits, to pull them into that current so more demons could spread, and it could spread like wildfire through the country and catch the young people.

Let me put in some of these things just to show you (this is not the Message but I am going to throw in some of these things here to show you). Look at the young children, the little babies today, they don't have any toys to play with again like they used to have long ago, little horses and little cows and dogs and these things. They have reptiles, and dinosaurs, and snakes. Why are they doing that? To put those things in the subconscious of little children.

Look at the television pictures that are coming out. Look at through the video, all this pornography that is coming through to loose sex demons on the people, make them like an animal, lovers of pleasure, ungodly, lustful, demonic, and then come out like if everything is so all right and so nice, like if they are so modest. You see, that is this Age.

Look at all these pictures with the occult, to inveigle people, who long ago you had to hide to go and find a witch. Is that correct? Because in the Old Testament, God said, "When you find one, kill them." Look at Saul, he disguised himself and they went somewhere way back and hid to meet the witch of Endor, that nobody would have seen him doing that because he knew the penalty was death.

Look, long ago when people wanted to go and meet an obeah man [sorcerer. -Ed.], they go quite in the back of Moruga somewhere down in the bush, way in the back to meet some obeah man or something, locked up and hiding in the night, by some beach in the night with two fowl cocks and all these different things. Bro. Vine will know about it. See?

Now watch something. And you see all these things. But do you know what they do today? They bring movies of *The Omen*, *The Exorcist*, and they bring it now in the form of entertainment, so people are sitting down there, they're being entertained with witchcraft, seeing how it could be done and injecting those things to the people.

Then they bring all those movies that have nothing behind it, only immorality, and sex, and perversion. Then they bring those movies of the rebellious children, the new generation against the system and these things, who want to burn down universities, who want to bomb up cars, who want to hold people hostage in embassies and they bring all these kinds of movies, make them feel that they are doing it for a cause, a good cause (all right). Bring those movies of revenge and hate, all those movies of those westerns, a man will hunt down another man for years just to kill him, and kill him mercilessly. And people love those things, feeding their spirits on those things to produce a bunch of demons in this generation.

And the world unsuspecting, gullible, takes it in like entertainment and pleasure when it was designed to program them to produce the type of generation that we have now.

Look at all these fictions. Why don't you see anything about the reality of the Bible? When they bring out the Bible now, man is trying to bring it sarcastic. Like some man wrote a book, they made him a hero recently, and he wrote about David and God, and God cursing David and David cursing back God, and they are talking all kinds of funny language and all these different things—that is where they have reached.

When they are not doing that, they are saying that, "This part is not inspired, and that part is not inspired, and you can't take it literally, and you can't take this part like that." And they preach it over the pulpits to water it down, keep them religious but keep them ignorant.

Let me tell you something, don't be fooled out there in the world. The whole thing is of the devil, inspired, and it is his intelligence designed behind it. He has programmed the whole thing to destroy the people. And God in His mercy, God rich in mercy, God rich in love, sent us the best from Heaven above, a Message; the

Light has come to show us where we are going, to pull us out of darkness, to break the power of the enemy, to strip you off of that filthy garment.

Like when God came in the Garden, He said, "Hey Eve." Do you think God said that? "My, that new dress you have is looking really nice. Where did you get those nice fig leaves from, Eve?" When God came, He watched that filth, He said, "You ate of the tree I told you not to eat." He ripped it off of her. Amen. God of the Bible hates sin.

God would stand with a believer any day. God even told the believer, He said, "I will keep you in the Hour of temptation." When those demon powers wanted to come against Abraham, God said, "I am your Wall. I am your Walled City. I am your Shield and your exceedingly great Reward." If you take a stand for Him, you don't have to be fearful of anything.

Let me get a little quote here from *One In A Million* [1965-0424 -Ed.] as we set the Hour. We are into the Age where when you see the Holy Spirit strikes that part of these Vials here, with those hideous things to come and where the people would be seeing locusts with hair, all these things, that is the same supernatural demons that came out of the Euphrates River. They will be coming now to torment them. That bat that came out of Nellie Sanders [1962-0311, para.248-285. -Ed.] — where did that bat go that came out of Nellie Saunders? Did it die? All that big, long hair and these things? That bat is still here, and many more like it, two hundred million bats like that.

Where is that hideous man [1960-0911M, para.5. -Ed.], like the Prophet saw there in the room, when he woke up the morning, he said, "Oh God, my wife!" Is that man dead? He is still here.

She said, "Don't be naïve. You are up against spiritual darkness."

And through the revelation and the power of the Holy Spirit available unto you through your obedience to the

Word, because through confession and faith all the powers in Heaven are subject to you, then you could be an overcomer in this generation. That is the only thing that will stop you from being dragged down into the pit of hell.

Listen quickly. I am going to close now, time has gone. I will close here but I will just set the scene for you. How many enjoyed the service this morning? I think we have climbed into a really nice realm here now. We can feel all the teaching went in during the week and God bolted it down this morning. We are not going to walk out with a lot of nice knowledge and say, "Oh, I know a lot of mysteries now." No. Know that God sent those things to get you ready to get out of here. Amen. *One In A Million*; when I think it is one in a million that is going to make it, brother, it is really scary. Page 2 [1965-0424, para. 10-12. -Ed.] he says,

*And He is supposed to (come), according to the Scriptures, (Jesus Christ) return to us in this last days, in this type of ministry. That will be after the baptism of the Spirit, and speaking in tongues, and Divine healing, and so forth, these things. The capping of the pentecostal message is what we're speaking of today. This ministry of the Christ Himself impersonated among His people, with the very same things that He did when He was here on earth; in His Body, the Bride, which is part of Him, doing the same things, as Husband and Wife, or King and Queen, just before the Marriage ceremony.*

He says,

*The time and the hour that we're living, if a person don't know...*

Get it, get this here. We are capping with this.

*The time and the hour that we're living, if a person don't know which a way to go, what to do or how to turn, you're not walking by faith anymore; ...*

*...person don't know which a way to go, what to do or how to turn, you're not walking by faith anymore; ...*

Now look how different that is to people who think that they are walking by faith, is not know anything, but “I am going by faith.” That is walking blindly; that is to follow the blind and fall in a ditch. But he said, “But the Hour is here”, and he says,

*...you're not walking by faith anymore; you're just guessing, you're presuming. And to 'presume' is to 'advance (venture) without official authority.' So if we haven't got the real official authority to know what God said would take place in this hour, how are we ever going to face this hour?*

If we haven't got the real official authority to know what God said would take place in this Hour, how are we going to face this hour?

Do you see why the Holy Spirit has to come and reveal all those demonic things that is happening in the spiritual realm right now, and why it is being produced in the people, why they are becoming in that hideous form, why the power has deformed—God's power to transform and Satan's power to deform? Why some have the Mind of Christ and they know what He wants done with the Word and some have a deformed mind, perverted mind, ‘and knoweth it not’?

Do you see where that strikes? Those whose minds have been transformed by the renewing of their mind, the Mind of Christ, they know what He wants done with the Word. Those with rotten seeds, ‘and knoweth it not’, but religious, ever learning and never coming to the knowledge of the Truth, reprobates concerning the faith, the revelation of the Seventh Seal that Malachi 4 restored. Oh, it is past playing time.

Don't you feel anchored? I mean to say, look at the Word, It is making the condition real, it is drastic and it is hard. But in the midst of all of that, when you could feel the peace in your heart, doesn't it make you feel good? Don't you see now why it pays to serve Christ, where you are standing, where you have a consolation, where God will keep you, a Wall of Fire round about you

in this Hour of temptation because you chose Him, you are not ashamed of the Gospel, it is the power of God unto your salvation, your deliverance?

You are sheltered in the Arms of Love. *So let the storms rise, and the dark clouds, they don't worry me. Hallelujah! They don't worry me, for I'm sheltered in the Arms of Agape Love. Hallelujah! We are taken up in the Capstone, abiding in the Secret Place under the shadow of the Almighty, sheltered from all the plagues. Read David said that in Psalms 91; no plague will come near thee. An entrance has been ministered unto you.*

While people are building bomb—why do you think they are building bomb shelters? They are expecting nuclear war; they are taking every precaution. But that won't stop them, that won't help them. There is only one Safety Zone (hallelujah!) and It is being revealed unto you this morning. Jesus Christ, the Rock of all Ages. We have got to face these things.

*So if we haven't got the real official authority to know what God said would take place in this hour, how are we ever going to face this hour? And we've got to face it, knowing, by faith in His Word, the things that's supposed to be happening now; and the condition of the nations, the condition of the people, condition of the church, and so forth.*

*We've got to know that, and then how to walk out to face it. If you don't know how to do that, you're just what we used to call, kind of, haphazardly; just jump in, hoping it will be here, hoping this and hoping that, and "will it be?" But God don't want us to do that. He wants us to know what He has said about this day, and then meet it by faith, because He said it would be that way. Then we know you're Truth then, because you haven't got some person's word for it; you got His Word of what we must do. And we're hoping that our Heavenly Father will grant this to us ...*

Amen. Isn't that wonderful? Could we all stand to our feet. Amen. Hallelujah! Praise His Holy Name! Glory,

glory, glory! Hallelujah! Blessed be the Rock of our salvation! Oh, I shall not be moved. Hallelujah! Thou hast set me upon a Rock. Amen. Hallelujah! Thou hast kept me from the plagues. Thou hast kept me from going insane in this neurotic Age. Hallelujah! Thou hast revealed Thy tender mercies and Thy loving kindness unto us. Thou hast thrown out the Lifeline that we can get a hold of It and come to safety. Amen. Blessed be His Holy Name. Glory and praise be unto our God!

Let's bow our heads; let's close our eyes, as we just talk to Him a little bit. Everyone in their hearts, in your own way, whatever He means to you this morning. If you love Him, if you really want to serve Him, you believe His Coming is at hand. We see all the end time signs flashing. The train is in the block. Throw away your bag of peanuts. It is only making a local stop. Get on board quickly, no fooling around; the Hour is here.

His amazing grace has come unto us and let us see how late the Hour is. How we should thank Him for it. We once were lost but now we are found. We once were blind but now we see. Wretched souls, ungodly people like we once were, the amazing grace of Almighty God could come down and bring deliverance, *Take us out of the miry clay and set our feet upon the rock to stay, put a song in our soul today, a song of praise, hallelujah.*

Oh glory, hallelujah! Blessed be Your Name, Father. Hallelujah! Hallelujah, Lord! Oh Jesus, when we think of Your love, what You have done for us, then we cry out, "Oh Rock of Ages, hide Thou me." *We have anchored our souls in the haven of rest, we will sail the wild seas no more. Oh, the tempest may sweep o'er the stormy deep, but in Jesus we are safe forevermore.* Hallelujah! Oh, blessed be His Holy Name. Thank You, Jesus. Hallelujah, Father. Hallelujah!

God when Thou saidst, "Seek ye My Face," my soul said unto Thee, "Thy Face, oh Lord, will I seek." Lead me in a plain path. Hallelujah! Oh God! God is our Refuge and our Strength, a Present Help in the time of

trouble. As the hart panteth after the water brook, so do our souls panteth after Thee, oh God. Hallelujah! Hallelujah! Hallelujah!

Blessed be His Holy Name this morning. Worthy of our praise is He. Our God and our King, our Deliverer, our Captain, our Pilot, our Shepherd, (hallelujah) our Lord, our Bridegroom, our All in All, our Shield and our Buckler, (hallelujah) oh Lamb of God, Lion of Judah. Hallelujah! Thank You, Jesus. Thank You, precious Lord.

It is so good to be in Your Presence this morning, to feel the vibrations of Heaven coming down upon our souls, the Light quickening us, awakening us, stabilizing us, lifting us up in a higher ground. *Our hearts has no desire to stay where doubts arise and fears dismay. Though some may dwell where these abound, Lord plant our feet this morning on higher ground.* Oh, lead us to the Rock that is higher than I.

Hallelujah! Hallelujah! Hallelujah, Lord! Glory and praise be unto Your Name! How great Thou art! How great Thou art! How great Thou art! Hallelujah! Hallelujah, Lord! Worthy, worthy, worthy! Worthy art Thou, Lamb of God! Worthy! All blessing and honor and glory and power and might and dominion be unto Thee, oh Lamb of God, for true and righteous are Thy judgments. Oh, hallelujah! Thou King of saints; Lamb of God, Thou art worthy to be praised. Hallelujah! Hallelujah! Oh, hallelujah! Blessed be the Name of the Lord.

May the great Holy Spirit move upon this congregation, move from chair to chair this morning, move from bench to bench, and move from heart to heart. Oh Spirit of the living God, I pray Father, there will be a shaking, a reviving, a moving in the hearts of Your people today. Oh God, let the tide rise amongst us. Let the Glory and the Power of God fill every heart. Let the Love of God be shed abroad by the Holy Spirit today, Father.

Oh God, as we come with hungry hearts, as we come emptying out before Your Throne, as we come Lord, laying aside the weight and the sin that so easily beset us, as we come separating from all unbelief, looking away from the glamor and the prosperity of this world, and looking oh God, to the Word of the living God, to the Author and the Finisher of our faith, taking the Way with the Lord's despised few this morning, oh God, choosing the harder Way, which is Your Way. Hallelujah!

Father, let great conviction move in the hearts of the people. Let faith flash across that seed, a Divine revelation oh God, that will break the tie, that will cut the umbilical cord of the world and set them free, that the Life of the Holy Spirit, oh God, could move in upon them. Cleanse them with Fire, oh God, this morning.

Father, we look unto You as we make our confessions, oh God, that we with unclean lips, we are an unclean people, oh God. Hallelujah. Father so many times we were wrong, done wrong in Your sight Lord, so many times unconsciously. So many a time, oh God, we know we ought to do better and we failed to do it.

So many times the opportunity was presented, the privilege given over unto us, where we could do something for Your honor and for Your glory, but through slothfulness and neglect, oh God, laziness, many times we don't rise, lack of self-discipline, oh God. Father, but make us a disciplined people, yoke to Your Word, bind us and chain us this morning, to **THUS SAITH THE LORD**.

I pray, Holy Spirit let our affections be set on Things above, oh God. Let there be a real thirst, an inward hunger on the inside this morning. Hallelujah! Blessed be Your Name, Lord. We thank You, Father! We praise You!

Oh God, let the Seraphim now, oh God, You cleansed Your people by Fire. That is the way You cleansed them Lord, not with theology, not with learning, but by Fire.

Let the Coal of Fire, the Holy Ghost, (hallelujah) come into our hearts now, cleanse us with a sharp knife, cut away the flesh, bring a real circumcision oh God. Hallelujah! And Lord Jesus, may the Life of God flow; let that River of Eternal Life flow into our beings. Hallelujah!

Lift us up, Lord. Put us in the rhythm of Your Word. Put us in step. How could we advance without official authority and face this Hour? We cannot do it, Father. When we see the things in this Hour, the hideous sights, the neurotic Age, the insanity of the people, the lukewarm condition, oh God, we see their filth, and what they call glamor and fashion, oh God, flooding the souls of people. When we see the deformity, oh God, Father we cry out, "Restore us to the sane mind of Jesus Christ."

Oh Rock of Ages, hide us, Lord. Let us enter into that Cleft and be shut away into Your Presence Father, where we could feed upon the Hidden Manna, where we could drink from the Water of Life, clear as crystal, proceeding out of the Throne. Oh God, have mercy on us today. Have mercy on us, Lord. Hallelujah! May we find that favor in Your sight.

Strengthen us, Lord, not just to know that we are saved, but Lord to do the will of the Father in this Hour, to finish our course with joy, to fulfill all righteousness that is spoken of us Lord, to have the responsibility, to be under the inspiration of the sacred trust, the sacred charge committed unto us, that we could be about our Father's business in this Hour. Oh Lord Jesus, may You grant it today, Lord. Grant it today, Father. Hallelujah!

Let that conviction be so real in every heart until it becomes an influence Lord, the Mind of Christ coming in Lord, that we could know what You want done with the Word. Hallelujah! That that same harmony between the Father and the Son could now be between the Bride and the Groom. Oh, blessed be Your Name! Blessed be Your Name! Blessed be Your Name! Hallelujah! Amen.

God rich in mercy, God rich in love! This is the condemnation that Light has come and people chose darkness rather than Light, because their deeds are evil. May we walk in the Light as He is in the Light, and may the Blood of Jesus Christ cleanse us from all sin. We were once darkness but now are we Light in the Lord. Then walk in the Light as He is the Light, and let the darkness be passed and let the true Light shine forth into your life. Become a child of Light, (hallelujah) showing forth the manifestation of His revealed Word.

In Him was Life and the Life was the Light of men. That Life was in that Blood. When God gave the best from Heaven above, that Sacrifice, that Life was poured out to come into you to make you the Light of this world. Let it flow into your heart this morning.

Without money, without price, you just say, "Lord, I believe it. I want to be like Jesus Christ. I don't want to be like the fashions of this world. You gave me a real example. You didn't give me some worldly model to be my example. You didn't give me some worldly man, some rock star to be my example. You gave me Jesus Christ. Lord, make me more like Jesus. That is what I want. Let Him be my example. Let Him be my influence. Let Him be Lord of my life."

Let's sing, *God rich in mercy*. God bless you this morning.
