# THE STARS WARS PT. 1

*Mount Zion The Sides Of The North; North Star, The  
Lamb's Wife Pt.2*

WEDNESDAY 13<sup>TH</sup> JANUARY 2010

**BRO. VIN A. DAYAL**

[#467 Songs That Live -Ed.]

*In Goshen that day  
"Slay the lamb, take the blood,  
Strike the post of the door,  
For I'll pass through Egypt this night,  
And smite all the first born."*

*Let the death angel pass,  
God's Bride safe at last,  
[Oh,] in the Token He gave...  
...He gave...  
That we should be saved  
...be saved  
Oh hallelujah, glory to God  
[Oh,] the Blood's been applied  
The Blood's been applied the  
Spirit abides,  
Let the death angel pass.*

*[Oh,] the sweet Holy Spirit  
...Holy Spirit  
Is the Token today  
Is the Token today,  
[Oh,] those who are under It  
...are under It  
...would be saved,  
[Hallelujah.] Outside of that Token  
The lost would be found*

*The lost would be found,*  
[Oh,] if you want your loved ones saved,  
[Oh,] you better get them in now.

Oh, let's lift our hands and sing, amen.

*Let the death angel pass,*

Oh, if you know you've applied that Blood; correctly applied It. The Hour is coming and now is. He must see that Blood on display.

*...be saved.*

Hallelujah! He said, "When I see the Blood..." We must proudly display It on our chest. Amen.

*The Blood's been applied the  
Spirit abides,  
Let the death angel pass.*

Hallelujah! Oh, thank You, Lord. Hallelujah! Oh, it is a time of great warfare!

Pharaoh said, "I will not let them go." He refused to let them go. He refused to recognize that God was speaking through His prophet. He refused to recognize that the Word was being vindicated even though Spoken Word after Spoken Word was bringing plagues upon Egypt, even though Egypt was falling apart, this mighty science civilization like the world is today where God's people have been born and shut up in bondage. But the Hour had come that God sent a Prophet. Amen.

And when God comes for His people, friends, God is going to destroy everything that desires to hold God's people from liberty. Amen. When God began to sound the Trumpet and proclaim liberty for His people, God was ready to tear down that place (hallelujah!), destroy that civilization to set His people free. It was a people

who were sheltered under the blood. If God did that back in that Age, if those vials of the wrath of God were spoken out of the mouth of that prophet and a message of redemption sealed them away under the blood (hallelujah!), how much more if we are under the Blood; not of a natural lamb, not an animal, but the Blood of Jesus Christ. And the Vials of God's wrath had been spoken (amen!): a curse upon this generation.

God said, "Behold, I send you Elijah before the coming of the great and dreadful Day of the Lord, lest I smite the earth with a curse." And when God's Prophet had been refused and rejected, and Jesus Christ was crucified a second time, there is a curse upon this earth, friends. God threw that rock up in the air and said, "Judgment is going to start in the earth!" Amen. It will not come back. Amen. Hallelujah! That Whirlwind of Fire came and made three blasts. Do you think that earthquake there was something in Haiti? God shook that earth (amen!); Alaska...(do you know the size of Alaska? It is the largest state there is in the whole of the United States.)...almost sunk in the sea. God shook the whole planet! Not like Haiti. He shook the whole planet, though He didn't unbalance it, on a Good Friday. He said, "Why? Mercy has been spurned again." Hallelujah!

Oh my! We are living in dangerous times. You see the wrath of God breaking (amen) in the earth, friends. You see tribulations heaping up upon people. Glory! We are living in the time of Great Trouble. Amateur tribulation is now catching up with the Great Tribulation in this Hour. That's why the Bride is being pushed upwards, friends. Hallelujah! The Bride is being pushed upwards. That is why He said, "Look up and lift up your head; your redemption draweth nigh."

Oh my! If you understand the Message, if you recognize your Day and your Message, if you know that a prophet is always a sign of coming judgment, if you know that wrath always follows the prophet... What

followed Noah and Enoch? What followed Abraham? What followed Moses? What followed Jesus and John? What is to follow in these last days? That is the unchanging God of the Bible. The wrath of God always comes behind. A Seal was opened; a Mystery unfolded.

Why do you think you are here? Because a Seal was opened, the Prophet proclaimed a Message. That Message was a sealed up Mystery in the Bible. If it was not so, denominations would have been preaching this, friends. But *this* opened up Serpent's Seed, Marriage and Divorce. Amen. It opened up the Church Ages; it's showing the End-time. It loosed an eagle anointing, that's why we can fly so high above vultures and hawks in this Hour, getting ready, moving into a Rapturing Grace. That's what took place in this Day. Amen. We are not here by accident. That was a Power released in the earth. It is the rising of the Son that began to move away the darkness and quicken a people.

Some of you might have joined, but joining couldn't take me from where I was, friends. I was so far (amen), joining couldn't take me away from there. It had to be Something that changed me and raised me up; changed me until I can't go back in there! And for thirty-six years, all hell is trying to stuff me back in that box (amen), and I can't fit back in that box! You are born from the womb of the Word; you can't go back in! Amen! You're going on to Glory!

Oh, hallelujah! Glory be to God! Amen! Praise His mighty Name! Hallelujah!

You're not fighting up [fussing and fretting -Ed.]; you're fighting and overcoming! You're not fighting up, friends. No, no, no. You're fighting and overcoming! "Doomed devils on the run!" Why? There is a Word quickened inside of you! There is no prevailing power as that revelation of the Word!

Oh, thank You, Lord! Oh, blessed be His mighty Name! Praise waiteth for Thee in Zion, the City of the Great King, where He is greatly praised! Beautiful for

situation, the joy of the whole earth, is Mt. Zion, the City of the Living God! Hallelujah! Glory to God!

Can you fly up there? Can you understand that? Do you know that's this Hour? Oh my! Praise our God. Amen.

God bless you, Osmar. [Bro. Vin acknowledges Bro. Osmar Russell, from St Vincent -Ed.] Amen. Praise Him. More of these eagles are coming in. No wonder the place is getting charged like that (glory); soldiers have come. Amen. Glory, hallelujah!

I'm so glad to be in His house tonight. Amen? We must enter His courts with praise and His gates with thanksgiving. It's not strange when you do that; it is strange when you don't do that! It is strange when you don't do that! It shows amnesia when you don't do that! But when you come in praising and shouting, and you take your position, and you draw your sword, that's not strange; that shows you're quickened, and you're made alive from the dead! Oh, hallelujah! My! Oh my!

This is an Hour for soldiers, friends; armed. Not just soldiers, but armed soldiers, trained soldiers, battle-scarred soldiers (amen!); soldiers who have been tried and tested (glory!); soldiers who know how to use their weapons. Hallelujah! Our weapons are not carnal; "It is mighty," the Bible says, "to the pulling down of strongholds." [2<sup>nd</sup> Corinthians 10:4 -Ed.] Oh my. Our weapon can liberate; it can bind and loose. It can bind that Devil and liberate your brother and sister. Oh, thank You, Lord. That is where you want to know Him in this Hour. That is where we are called to know Him in this Hour.

If we can't walk there, then what is the difference between us and denominations; what is the difference of the Word given to us? When we are given a greater Word, it means to fly higher than them. That's what the Word is. Two wings of the Great Eagle were given to the Woman: wings of faith and power to go up into Heavenly Places. You can't be earthbound under this

Message, friends. No, sir. This is the loosing of the Quickening Power. Hallelujah. Praise His mighty Name. Under this, the sick is healed.

Why do you think Bro. Branham was doing that? Do you say it was a healing revival? What does that mean? How does a man have a healing revival? Do you think it is just like that? No, a man was quickened to know every promise is true; every promise is “yea, and Amen.” A man was quickened to read that not like a theologian; a man was anointed to quicken that Word and bring It to life. That is what produced that. Do you think it was just an Angel doing things, and he was standing there with unbelief? That same Angel is here tonight. If you can move with faith.

The Bride under Her Messenger becomes the Final Voice. Do you know why? She would be reflecting Him the same way the Messenger reflected Him. Hallelujah! Look at what happened when God took the Spirit off of Moses and put it on Joshua and them. Look when God took the Spirit of Elijah and put it on Elisha. Was he earthbound? Was he doing nothing? When God took the Spirit of Jesus and put It on the apostles in the Alpha Bride, were they earthbound? No, no, no.

The ones who didn’t know, and baptized and were saying, “Yea, God sent Elijah, God sent John.”

Paul said, “Have you received the Quickening Power to come up here in Heavenly Places?”

They said, “Heavenly places? I don’t understand your language. John didn’t talk about that; John talked about being baptized in water.”

He said, “We are talking about being baptized with the Spirit.” Hallelujah! We are talking about being baptized in the Spirit.” You don’t fly in water. You go down and get buried in water, but in the Spirit, you’re raised up into the Heavenly Places. Yes, sir! You don’t fly under water baptism. You get buried under water baptism, but the Quickening Power quickens you and moves you upward, upward far above all principalities

and powers! Oh my! No wonder some of you don't fly. You better fly or die. You better get Quickening Power, friends, to fly up there.

How many know you see better on the ground? I knew I would have caught [tricked -Ed.] some of you all. Do you think that you're seeing good on the ground? You get up here a little bit, and you will see what you're seeing? Do you know Who you'll see? You'll see Jesus right here next to you. "All the time, the Lord is at my right hand; in Him, I shall not be moved." [Psalm 16:8 -Ed.] Amen. Glory! My soul followeth hard after Him. Nothing could stand before Him. Amen. If the Head is risen, the Body is risen, also. Oh, thank You, Lord. Glory! My! Yes, sir!

Oh, that is what we need in this place. That is what the Bride around the world needs. And if God could light our fire, that fire could cause others to be ignited too. And if we have the internet, it could ignite people in any end of the earth! Hallelujah! Glory be to God in the Highest! If they see you dead here, nobody could get inspired by that, but if they see you alive (amen), it's going to move somebody into position. Why do you think we could move into position? We saw a living Prophet, quickened, moving in the Word. He wasn't some dead theologian.

When God sees living sons and daughters of God, when God's people see that (amen), something happens. They say, "They aren't on the ground; they are flying. Something is real to them. Let me study that bird." Like the Prophet saw the eagle and started to study him. Amen. When he set those wings and got past those chipmunks, he said, "Oh, praise God!" He started to cry. A lot of people could cry if they study you. Amen. They see what you possess. They see the confidence he has in those wings. He was like that on the branch. Hallelujah! He was like that on the branch.

Oh, thank You, Lord. Do you love Him tonight? It is good to be in His house (amen?); wonderful to be gathered in His Presence.

Let us have a word of prayer. Throughout the region, may God bless you. All our beloved brothers and sisters, we just wish we could all be here where we could touch you and hug your neck. Amen. May we be so unified in this Hour. May we live in the realization that God has awakened us to, refusing to be shaken from our place. May the Fire of God move in every place. May God light up every church. Glory be to God.

Father, we thank You, tonight, to stand in Your house, to stand in Your Presence, to be gathered here in Heavenly Places. What a great joy, what a stimulation of the revelation of Your Word. How we are thankful, Lord, for believers, a church that is being sensitized in this Hour, a church that is being awakened by Seven Thundering Voices out of the sleep, a church, dear God, that is trimming their lamps, knowing, oh God, that Door is fixing to swing shut, and they have already heard that Seventh Angel Messenger announcing the Coming of the Bridegroom because he was the Messenger of the Seventh Seal. Hallelujah! Seven Thunders uttered their Voices through him, unfolding the programme of God; when the Bridegroom was on the scene, the Messiah Himself.

Oh God, may You bless Your people, Father. May as they continue to grow under these showers of the former and latter Rain coming together as You promised It in this Hour, God, knowing that the rain doesn't just fall even though there is a rainy season. The rain hits one place then the clouds move, and it drops in another place; moves again and drops in another place. We see it right here on our island, Father. Sometimes, we leave home in the pouring rain; we drive a couple of miles, and it is as dry as dry can be. God, because You guide these things, and You know where Your seeds are in the earth because this former and latter Rain are for those

elected Ones. It takes two rains to bring a mature grain, dear God, knowing that as they lay in the Presence of the Son and what they have is being baked into reality; it becomes bread upon Your table.

Lord, we are thankful. We remember the early days when we had to root up and plant, break down and build, but how, dear God, You gave the Word season after season that, Lord, the Word could be planted and watered. Dear God, now in this season, Lord, the faith is being perfected. No longer green, but the people are coming to a ripened Faith, a Perfect Faith, Faith for the Rapture, Faith that recognizes their position in the Word! The amnesia is gone; they are knowing as they were known. You have opened up these Things, especially in this last season, walking in the *Things That Are To Be*, in this great Ephesians and, oh God, seeing how we have walked down through this last year and moving into this year, and it is just rising higher.

We thank You, tonight, to come and to feel this refreshing. Speaking there on Sunday *Mt. Zion, The Sides Of The North, The Lamb's Wife*, Lord, these Things that were so hard to conceptualize because it takes a growth to climb up there and to hold it; to hold it and then the language to speak it clearly and show that it is not some fanatical thing, it's not some man's reasoning, but where You can come and tie the Bible together, bring the Word with such clarity, oh God, in a way It can be applied, in a way It identifies us, in a way It motivates and inspires us! Not some dead letter, trying to figure out with the human mind, but this is what You promised, Lord, that this grace would be here. You said to wait until those sons of God, those who sang together with the morning stars way back before the foundation of the world.

Lord, when You asked Job, "Where were you when the morning stars sang together, and the sons of God shouted for joy?" You said through Your Prophet that they saw the Pyramid being capped. They started

rejoicing because they saw the completion of this great Thing; they saw that marriage in that uniting time and sign, when the Head and the Body was going to become one – a Super Sign on the earth!

Oh God, isn't that the Hour we are living in, seeing these things, this great Zerubbabel introducing to us the Headstone, introducing to us the Bridegroom? Lord, we are thankful to see this great revealing of the Son of Man that brings the change of body. We thank You for that, Father.

Take these Things and make it real as it continues to open and inspire us, Lord, that we could see and grasp, and bring back to our remembrance these Things, many of these Things that You've spoken to us many years ago, but they're laid there in the hearts of the people, those who are still present in the journey, and then those who are added, Lord God, and are now growing up here, Lord, that it can be made clear to them also, that we can see and understand, Father, what the Age has become: an extension of hell.

How Your Prophet saw things in hell that he saw right here on the earth, that made him say that hell is being created on the earth right now. Then bringing out those great messages: *The God Of This Evil Age* [1965-0801m – Ed.], and *Satan's Eden* [1965-0829 –Ed.], *And Knoweth It Not* [1965-0815 –Ed.]; the gross darkness, *Shalom*. Lord, we can see and understand, Father, this great darkness, the demon power, the enemy coming like a flood, that has enveloped the world, these that have been loosed, hunting for bodies, and now they are walking in their feet, and speaking through their lips, and seeing through their eyes, even having the preeminence because they have been blotted out, oh God, when they rejected the Message of the Hour. What a pitiful thing, Father.

We are so grateful for this great predestination that You have chosen us in Christ before the foundation of the world and predestinated us even as a part of a Bride

that cannot fall. Then these Seven Thunders awaken us to our origin and our destiny, Lord, is so much to us. May we not just take these things as sayings or little things just to muse about, Father, but may as we meditate and pray over these Things, the Spirit of Truth comes down and write them in our hearts.

Jesus, may You grant us grace to overcome, to be victorious in this Hour, and qualified for the First Resurrection. In the Name of Jesus Christ, we commit this service into Your mighty hands. Bless Your people throughout this region and across the face of the earth. Lead and guide us, direct our paths in the secret passages where only You can lead, Father, where we can receive the Mind of Christ coming in to know what You want done with the Word, and to know it is You in us fulfilling Your own Word for this Hour, and that by and through us linked up with You, You having the preeminences, Lord, You can show forth Your victory and the reason of Your death. Would You do it, Father?

May You grant these things, we pray. We love You; we depend upon You. Lead us, Lord, and we would follow. Order our steps in Your Word, we ask tonight, in the Name of Jesus Christ. Amen.

Glory be to God. Amen. I'll like you to turn in your Bibles, back to Isaiah 14 and Revelation 12. I'll like to call it **"THE STARS' WARS"**, and using my title on Sunday for a subject: **"Mt Zion The Sides Of The North"**. And that's the North Star...the Lamb's Wife. Not to add to the Word, but like the Prophet said, like a little additive where he said, "Many kinds of mansions." You know that he said, "I don't want to add to the Word; the Bible says, 'In My Father's house are many mansions'." He said, "Let me just say it's 'many kinds' of mansions." That is why I said, "The Sides of the North," because he said that everything revolves around Him. He is the North Star, the One that doesn't move, the One Who is in the center of the universe. Glory be the God. Hallelujah.

Maybe I'll just take this like a little Bible school tonight. So we'll just go how the Spirit will lead us and cut it off where we need to cut it off. These next few messages will deal with the angelic wars, and this is where we are talking about THE STARS' WARS.

It's a great thing that men on the earth were catching that. I remember that back in 1980, I was preaching that in Barataria, and I will like to pick that up now in this hour here because it is a long way from what the world used to be back in 1980, in 2010.

The world has changed so much in thirty years, friends. I have become an old man standing in the desk. I am older than when the Prophet was on the face of the earth. Amen. I came into the Message as a young boy, twenty-one years old going onto twenty-two years old. By God's grace, He helped me to still stand. He sent me around the world: I see the Bride; I see what is happening on the earth. And I'm standing here tonight to keep you in remembrance of what was being spoken to us through the mouth of a vindicated Prophet; keep you in step; keep you marching onward Christian soldiers. Amen. I'm not one for too much ritual and these things; I just want to be faithful.

Isaiah 14, verses 12 to 15. Isaiah was speaking to the king of Babylon, in whom he was veiled. How many know Isaiah was prepared and sent? How many know he had a vision that produced confession, cleansing, and commission? How many know he went with a message to fulfill the Word? That's right. That's us. "Who will go for us?" A cleansed man who saw the Lord twenty-seven miles high, thirty miles wide – high and lifted up. And in that Hour, Satan was where? Where? In the king of Babylon. Where was his seat? In Babylon. Where is his seat today? Mystery Babylon. In the Pergamos Age, he was in Pergamos, but how many know he has moved from Pergamos to Rome? And how many know that's where his seat is right now? The Word is always right, friends.

*<sup>12</sup> How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!*

This is a strange conversation because Babylon was getting ready to take over the world. Because in Jeremiah's time, it took Israel. It had already taken the nations under Isaiah, and Isaiah prophesied. Amen. And here, he is not seeing the man in that state; he is talking to the fallen Lucifer who fell from Heaven: "How art thou fallen from Heaven!" But on earth, he was in pomp and glamour, and power and authority, in the seat, in Babylon, drunkening this whole world with his cup. Just read Jeremiah 50 and 51; you will know.

*<sup>13</sup> For thou hast said in thine heart,*

And that is the thing, the prophet always knows the heart. The Word comes to the prophet. The Word is a discernor of the thoughts and the intents of the heart.

*...I will ascend into heaven,*

Isn't that strange? God could show a prophet things way back, hundreds and hundreds, and millions of years. Do you know why? It is on record. It is on record. The same way God used to send it to the Prophet by vision, it was coming to Isaiah by vision, watching the man under vision before him.

*...I will exalt my throne above the stars of God:*

He could tell him what he was thinking because the thoughts speak louder in Heaven than your words on earth. And the thing is, though he was on earth, he didn't lose that desire. His desire, now, is to build up an Eden on earth, and Babylon was going to become the head of gold on the earth.

*...I will ascend into heaven, I will exalt my throne above the stars of God:*

God had stars way back There. Didn't God tell Abraham that too, "So shall thy Seed be?" That's right.

*I will sit also on the mount of the congregation, in the sides of the north:*

Look at him. He is so bold and so brass face, he points directly, positionally, the position he wants. He doesn't just want to be above the congregation; he wants to get in the Sides of the North and be inside of there.

How many know that his desire was to live in man? That is what we are getting into, that thought. That is the thought right there. He couldn't create but desired to live in man. And the only way that he could live in man, he had to have sex with the woman and get in the gates that belonged to the husband. After the Good Sower sowed His seeds, the evil sower came to sow the tares in the field. Cain came forth out of the womb first because he even got to her before Adam could touch her. That is the Bible. Before Jesus could marry the Alpha Bride... Paul said, "I fear as the Serpent beguiled Eve, so these are going to corrupt your minds." [2<sup>nd</sup> Corinthians 11:3 -Ed.] And she fell from her first estate.

God said, "You already eat from the tree of death. Repent and get back to where you fell from." [Revelation 2:5 -Ed.] That is it right there. Was it Lucifer in the Serpent, or do you think it was the animal by himself? Then how did he know to get in there? He had that in his heart. Watch this.

*...I will ascend...I will sit also on the mount of the congregation, in the sides of the north:*

*<sup>14</sup> I will ascend above the heights of the clouds;*

You see, if you are just reading a Scripture here, you wouldn't understand. If you see a prophet, who is an office of God, standing there and accusing the man, in other words, bringing an indictment upon him and telling him, "You had this in your heart." Do you know a man trembles for that?

When Bro. Branham stood up there and told those people, "You better confess before coming up on this

platform because nothing is hidden here.” And when they came there, he said, “You have been living in adultery.” Do you remember with Bro. Wood? “Lyle Wood,” he said, “the man was coming there with the shotgun to shoot you, and you picked up your pants, and you jumped through the window last night.” That converted him. Sure. That is the same thing, the same kind of Prophet. Because once it is not under the Blood, it is not covered, and once it is not covered, it is there as the basis of your condemnation. And the Prophet had access to the files and brought an indictment upon him there.

That is what happens. That was why he went to say, “Thou had said this in thine heart.” In other words, “You’re fooling everybody. You say, ‘Nobody knows what I’m thinking; nobody knows what I have planned.’”

He said, “Nobody knows what you’re planning? Hear what you’re planning. Here’s what you’re planning. Look at it right here.”

Do you remember that they were planning a conspiracy against the Prophet? Didn’t God say, “Come by this window.”? He said, “Look at them planning there.” Do you remember the man wrote on the prayer card, and he came up pious? Do you remember when the FBI men came? God knows what every man is planning. God knows what everybody is planning, friends. That’s it right there.

I say that, and I put those three, four things right there. Do you know why? Because some of you stand up there, kind of, “What is Bro. Vin saying? How could he say that?” Do you see? That is the same Spirit here, friends. This is not jokey [Comical -Ed.] preaching, you know. You know that. You’ve sat in this church long enough to know that. You sit there over the years and know that. That Word gets quick and sharp. That Word never leaves the Message and never leaves the Bible. Do you know why I say that over and over? Because I’m certain of that Spirit inside of here.

*<sup>14</sup> I will ascend above the heights of the clouds; I will be like the most High.*

In other words, “I will have a kingdom. I will be a king, and they will come and worship me. I will be the most worshipped person on the earth. The whole world will worship me.” And he has accomplished that. That is what the Message revealed. He has accomplished that. But watch after the indictment, watch the prophecy of his execution, the sentence, because he wouldn’t be able to stand in that trial. He has no attorney who could help him out of that condition. And Isaiah said:

*<sup>15</sup> Yet thou shall be brought down to hell, to the sides of the pit.*

In other words, you want to go in the Sides of the North, but the only place you are going is in the sides of the pit.

How many know who is the bottomless pit? The Great Whore. Do you know why it is bottomless? It has no foundation. All of her teachings have no foundation in the Bible. She is the mother of all abominations. And who is the Beast that carried that woman? The same Lucifer.

May the Lord bless the reading of the Word. You may have your seats.

Isn’t that something? Now we could sing a song and go home; leave you to meditate on all of that tonight. But we are just going to have a little Bible study, as I said, and move on. I want to read one more quickly, which is in Isaiah...not Isaiah, but Revelation 12 and pick up that.

I’m trying not to read too much of Scripture because when you read too much of Scripture, you know, you get caught there, and you want to explain this, and explain this, and explain this. And I’m trying to connect some dots because I know that later on, in other messages following this, I will pick up the other places. But to keep the focus, because you throw out this, many

of you cannot hold all of that together. It confuses you because you are not built to hold all of that together, in that way. And I'm trying to make it simple for you.

Revelation 12, [verses] 3 and 4. From 1 to 11, there are really two visions in there. One, a wonder in Heaven with a Woman bringing forth a Man-child, and a Dragon pulling down one-third of the stars. So, I'm trying to keep away from the Woman for the time being and focus you on the Scripture that deals with the Dragon because we are dealing with the Dragon over here in Isaiah. See, the Woman is mentioned there as the Sides of the North.

[Revelation] 12:3 and 4.

*<sup>3</sup> And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.*

This is a vision; that is why it is in symbol – Revelation, Book of symbols. And every one of those symbols will tie the Bible together. It is a prophecy, so it is a Mystery. It is a Mystery of prophecy, and it is a sealed Mystery. That is why it is put in symbol form because it is sealed up in the symbol. If God wants to tell you who that is, He could just say plainly: “That is Lucifer that was in Heaven.” Do you understand what I'm saying? But He said, “He is in a great Red Dragon with seven heads and ten horns.” Then in other Scriptures, He will follow that out and see this description moves to unfold him and identify him. Not just what he was doing in Heaven, but what he is doing on earth.

But now, right now, the scene is in Heaven because this Devil that we have to deal with was once in Heaven but is cast out of Heaven. You have him to contend with everyday, I have him to contend with everyday, and we live on the earth. And the people he has enslaved, we see them in the earth. And we are trying to get them

out from under his clutches, and we engage him in warfare many times. Do you understand?

I am trying to bring it realistic. I don't want you to have little fictitious things in your mind. And this Devil here is going to be incarnated in a man one of these days, called the man of sin. And all this Mr. Obama [Barack Obama, 44<sup>th</sup> US President -Ed.], and Mr. Bush [George W. Bush, 41<sup>st</sup> US President -Ed.], who went...and Mr. Blair [Anthony Blair, Former UK Prime Minister -Ed.], and Mr. Brown [Gordon Brown, UK Prime Minister -Ed.], and all of them, right now, all that is going on right now, all of this has to do with bringing that kingdom in. Do you understand these things so far?

Well, you have to understand these things. Otherwise, you've been asleep all these years. Do you see? But you're not asleep. So I say that because I want to know that you are following me in what I am saying. So, if I'm asking for a response, it is like if I don't get that response, I'm going to stand up here and start to explain that, and that could take me half an hour to keep explaining that. But if you say, "Yes," then I know you are right on the same page with me; you are following me. I don't want you to look at me so much; I want you to follow me. Amen? Okay.

*<sup>4</sup> And his tail drew the third part of the stars of heaven,*

Now the Prophet was telling us, or told us, that Satan doesn't have a T-A-I-L; it was the T-A-L-E that he told. Jesus called him 'the father of all lies'. What pulled down Adam and Eve? It was the lie he told. What pulled down the stars of David? It was the lie Absalom told. What pulls down believers and makes them backslide? They start to believe the Devil's lies instead of God's Truth. You can't be believing the Truth, in the Bible sense of believing the Truth, and backslide.

If you believe it mentally, and you're not sure or uncertain, then it is easy to backslide. If you believe it with revelation, and it is revealed to you, then the gates

of Hell can't prevail against you. "Upon this rock, I will build My Church." [Matthew 16:18 -Ed.] Amen? And the One Who is building that Church is the One Who kicked him out of Heaven, and He is building it upon the revelation of Himself, Who Satan can't overcome. Amen. Glory.

*<sup>4</sup> And his tail drew the third part of the stars of heaven,*

Now, didn't we just read about those stars in Isaiah? That's right. And he wanted to sit above them. Well, he got one-third of them There because John now was seeing some of the same visions that Isaiah saw. And if you understand visions—dreams, visions, dimensions, prophecies—a vision has to be transmitted to you from God. Do you remember when Jesus was on the earth? Luke 10:17, what did He tell them? He said, "I saw Satan fall like lightning from Heaven." Was that the Son that came out of Mary's womb, Who was talking? Do you understand? He said, "I saw Satan fall like lightning from Heaven."

*<sup>4</sup> And his tail drew the third part of the stars in heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.*

And on Sunday, I was picking up for you and said, "Why was this Lucifer connected to a Woman in Heaven who is bringing forth a child?" And I told you why the Serpent is connected on earth to the woman bringing forth a Child, and why in the First Age when Jesus told the parable about a sower shall sow, and He said, "I'm the good Sower," and after Him, another sower was going to come to sow. And then Paul said, "As the Serpent beguiled Eve, so he would do unto you the same." And the First Church, which is the second Eve, she got deceived and fell. And where was that sown? In the woman's womb. They couldn't get the Elect, okay?

Remember, when the Bible is speaking like that, It is speaking about the church corporate because all of them called themselves “the Church”. And I’m quoting the Church Age book now for some of you who do not read and want to question things when somebody is quoting, and you do not know that they are quoting the Word. He said, “God calls them the church because they claimed to be the Church.” Do you know why? Because it is two vines, and they grew for some time, and then He separated them. Because no Elect in any Age was ever deceived.

So, if the first Eve...the second Eve was deceived; we don’t mean Paul and Peter and them, we don’t mean that, but weak people who were around them and did not get the Holy Ghost. Like they say, “Third Exodus Assembly deceived.” There might be people inside of this church that might have gotten deceived, but there are some people inside of this church who could never be deceived. So when you look there and say, “I know them. He used to go to the Third Exodus; he backslid. They come from the Third Exodus; they backslid. They all backslid.” (Do you see?) And then they judge the whole church by some of that. But then what God called the real Church here is the Bride in the church. We are trying to be scriptural on this.

*...and the dragon stood before the woman which was ready to be delivered, for to devour her child, as soon as it was born.*

*<sup>7</sup> And there was war in heaven: Michael and his angels fought...*

“And there was war in Heaven.” That was the first war. That is the mother of all wars.

*....there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,*

*<sup>8</sup> And prevailed not; neither was their place found any more in heaven.*

In other words, it was blotted out. All who had temporal life and was in Heaven made an exit. Right now, in Heaven, there isn't anybody with temporal life, in the real sense. Because, remember if they are in the compartment with souls under the Altar and foolish virgins and good works, we're not talking about that kind of thing. Because that is still seed of God, but they do not know what they are going to get as yet. They are going to get in the White Throne Judgment, in the Second Resurrection, some will come in and that is where when the Bride sits to judge with Christ. "Know you not that the Saints shall judge the earth? [1<sup>st</sup> Corinthians 6:2 -Ed.] She is in the Throne with Him.

Like Abraham, who was in the Throne there, when God set up His Throne before judgment was executed upon Sodom and Gomorrah, and Abraham was able to secure and get his kinsmen out. That is the kind of time we are living in. Because, remember, that Judge has appeared. Like it was being said in the church, some brother was saying, "Why is Bro. Vin teaching that there isn't any more mercy?" I have never taught such things in thirty-six years. There is no way you could find that I ever made a statement like that. But it is how people come to church and hear things, and then people meet people outside and politicize them, to pull them away. The same way they pulled away those angels by somebody's tale because that same thing now is in the realms of human beings.

*<sup>7</sup> And there was war in heaven: Michael  
and his angels fought against the dragon;  
and the dragon fought and his angels,*

*<sup>8</sup> And prevailed not;*

You see, that is why you have to listen to me closely? You do not listen to me halfway and then run and say that I say that. The way I teach, anything I say, I go to the Message and the Bible, the Message and the Bible. That is the way I teach. And I am conscious that if I do

not have any Message and Bible, I keep it to myself until I get the Message and Bible.

*...Michael and his angels fought the dragon;  
and the dragon fought and his angels,*

*<sup>8</sup> And prevailed not; neither was their  
place found any more in heaven.*

*<sup>9</sup> And the great dragon was cast out, that  
old serpent, called the Devil, and Satan,*

Isn't the Book so tremendous? Look at how He said that this Dragon is being tied to the Serpent. This is a scene in Heaven, okay? This is a scene in Heaven. When Paul brought that to the Church... Paul brought that to the Church! "As the Serpent beguiled Eve," he said, "so you will be beguiled by these who come preaching another gospel." He brought the Serpent now, coming down after the Woman, Christ's espoused Bride on the earth. Because what was the Serpent trying to do? Get in the Sides of the North. That is what he was trying to do. Without that, he cannot get in the Church. Without that, he could not get into the human race.

What is he doing? He is not Elohim, Who could become Melchisedek, and Who could become Jesus: from Thought to Word to Flesh, from Spirit to Word to Flesh. He wants to en morphe like that, but he is limited. He does not have the power to create. So for him to get into flesh, he had to get in a way by deception. And since that flesh had the potential to reproduce and take on more flesh and replicate itself by seed, then he had to get a hold of the seed and move the seed into the bedding ground. And if he could take the Word, the Message, and pervert It, and get It into people to believe It, he can get into that people because his word is spirit and life [death -Ed.], just like God's Word is Spirit and Life. His word is spirit and death, rather, just like Jesus' Word is Spirit and Life.

And all life begins in seed form! Because the evil sower sowed a seed, and the evil seed brings forth

children of the world: children of the Devil, the Bible called them! And the Good Sower's Seed brings forth children of the Kingdom! That is the Bible! Whoo! Look at how it ties in the Serpent right here, the great Red Dragon. Did you see that? That is his attitude, you know. The Serpent is a slick fellow, the diplomat. The Dragon is a joint chief of staff, the army general. In other words, you use diplomacy, and when that fails, you use weapons. That is the fellow that wants to talk to you and negotiate a deal. And when you say, "No deal," then they say, "Shock and Awe! We will bomb you back to the Stone Age!" But it is the same man.

That is when he came to Abel, and he could not deceive him. And when he saw the Fire on Abel's altar, Abel said, "Your revelation is wrong; God can't receive that. That was your own invention." And what happened? From a white horse, he became a red horse: Satan's attempted destruction of the people after he could not deceive them. That is why the red horse follows the white horse; it comes with violence when it cannot deceive.

First was Nicolaitism. It started off as what? Sayings. Then it became deeds. Then it came from an antichrist spirit, working in Nicolaitanism. It became a false prophet, which was the doctrine of Nicolaitanism. Now you have a false prophet with the doctrine because the deeds became doctrine, and it was in a man preaching a false doctrine. And that was the evil sower with an evil seed.

I hope you are understanding how I'm saying that. I am saying that to show you three ways at one time: one in Heaven, one in Eden, and one in the church. And in the church, it is broken down and called Nicolaitanism, Baalism, and the doctrine of Jezebel. But that was in Heaven, and that was in Eden.

I showed you that because the Serpent came speaking to Eve. He said, "You shall not surely die. What is it you are saying?" It started off as sayings,

seducing spirits, antichrist spirits. Do you see? Then it became deeds. He got her to cross that line from innocence to knowledge, and she started to see the tree was good for food, and a tree desired to make one wise. Read it in the Bible, in Genesis. [Genesis 3: 1-6 -Ed.] At first, she was saying, "We shall surely die," like the first bit of resistance. And then he pulled her over the line very subtly, and she started to see it was good for food and a tree desired. She now was being taught in...the spiritual womb started to open because there was a desire in the heart; she wanted that knowledge.

That is what happens to every young girl. It is the same. That man there, who is not a Christian, you say, "He is right here in the Message." He could be in the Message and not be a Christian. He is trying to get you to do things and come into you before marriage; he is not a Christian. The same Devil that was in Heaven and the Garden is inside of him, and he is in the church. Because just like he was in Heaven with the believers, and in the Garden with the believers, talking to the believers, he is right in the church talking to them the same way, with an eagle belt buckle and a cap marked Malachi 4. Yes, sir!

Get to know the Truth. You better not be some gullible, little fly-by-night [Not reliable or responsible -Ed.] girl who wants attention. You better have something more than that. See?

Then there is Balaamism. Balaamism is a corrupt form of worship. Nicolaitanism is to conquer the minds. So, he could lead a conquered mind to another form of worship. Why? He wants that worship indirectly, even though he can't get it right away. He is leading you to a place to get you to bow down to him. So, after Eve crossed that little line, do you know what happened?

You see, when I am explaining with Eve, you will understand the Sides of the North. But I'll show you what...Eden, which is the physical things that you can see, that was given to you to understand the things you

can't see. Because God made a son like Himself and gave him a kingdom like Himself so the Father and the son could have fellowship. That is why in God's Kingdom, there are Eagle, Lamb, Lion, and Man, in Heaven. And when God made it on the earth, He put an eagle, and all these things: calf, and man, and everything, in there. And the spiritual creation was created first. Because when they went up There, they saw one by the Throne like a calf, one like a man, one like a lion (is that right?); one like an eagle: four Cherubim guarding the Throne. When God wrote It in the Heavens, too, that zodiac is divided by those same four.

Let me tell you, God has one revelation. There aren't three and four revelations. The entire Bible is the expression of one goal, and one purpose that God had in the back part of His Mind, and all the lives and acts of believers are expressing that one revelation. And Christ is the center, the principal theme of that entire Bible! Part of the plan is called Ages; part of the plan is called Seals; part of the plan is called Trumpets; part of the plan is called Vials. And the Thunders is the Voice that opened the Mystery and showed you what the plan is. Amen?

These things are not complicated because now, this is the Hour for the revelation. God can't be giving the revelation... Bro. Branham said, "God can't send the Light when you do not have eyes. God can't be sending the revelation and the people can't receive it. No, no, God does not work against Himself. God works in time and season to bring to pass the thing. See?

Then after Balaamism is the Jezebel doctrine. The same Eve now, she had a husband in the image and likeness of God; she left that image to drop down to the foreman. She left the boss to go with the foreman. And she dropped down now, to this big, huge fellow there who was the servant. You see, that is why man knew that in the very beginning, he had a servant. So when

that servant was removed, and God changed his structure, that man always tried to train a chimpanzee, train a horse, train a dog, something to serve his purpose.

Even in the military, they are training dolphins and all kinds of different things; whales and these things. They are constantly trying to train, and then they want to go and clone and make something to fill that void because that was removed. So when man could find nothing, do you know what he did? He enslaved his own brother. He enslaved his own fellow man, and we have years and years of slavery. Now they take one, and they enslave them, and they make them today, bondservants to serve their purpose. So women become sex slaves; people become slaves in industry. Do you understand?

In every form of man's need, that void is [still there]. That is why he could have spoken to man. That is why God gave him the tongue of man because he was not to communicate so much with the rest of the animals. That tongue was not to have communication with them; that tongue was to communicate with the man and the woman.

Now watch the doctrine of Jezebel. When Eve bowed down to this other image, this other man, she received seed from him. She had this knowledge now that Adam did not have. So what did she went to do? To teach. What is Jezebel doctrine? "Thou has a prophetess who seduces my servants and gives them things to eat that are sacrificed unto idols." What was she going to do now? She was going to teach Adam now how to bring the promise. Do you understand?

I am showing you in Eden: Nicolaitanism, Balaamism, and the doctrine of Jezebel; how the kingdom of man on earth fell; how the church became fallen also. What conquered the second Eve? Nicolaitanism, first. What was the next stage? Balaamism. What was the next stage? The doctrine of

Jezebel. What was that? The depths of Satan. They plunged the whole thing into death. What happened at Nicaea, Rome? They exchanged the Word for creed; it threw the whole thing into death. What did Eve do in Eden? Exchanged the Word for the lie. Do you understand? Then that was what happened in Heaven. I'll prove that during these services. That was what happened in Heaven, and I'll show you in the Kingdom...

What did Jesus come preaching? The Mysteries of the Kingdom, teaching us what went on in Heaven; how that is repeating itself in man. The Prophet came and tied it together to show to us. Why? So we can recognize that Devil, who was there, cast down here, with his plan here, and know how to resist him because we know what he does. We saw what he did in Heaven: he broke the unity between God and His angels. He broke the unity between God and His children, he broke the unity between God and His Church, and he keeps on doing that. How does he do it? Get men to leave their first estate; get men to leave their own habitation.

When you leave your habitation, what happens? You are deformed into another species. What happened to Uzziah when he went to offer? What happened to Jeroboam when he went in to offer? What happened to the Serpent when he crawled out of the animal realm and went with Eve? What happened to Absalom when he left his place and went in unto David's concubines and came in there? He was cast down to the sides of the pit, literally. Read it; that was how he died. They threw him down in a pit—killed him and threw him in a pit—showing the exactness and the continuity of the Bible.

So when you are confronted with him, you must have discernment, you must know the Word. "How can I overcome" is what? Recognizing the Devil. Which Devil? The one that was in Heaven deceiving, the one that deceived in Eden, and the one that deceived the church—recognizing him at every one of his tricks, and

he does not change his tactics. But this Bride in the last days has to be put to the test. She has to face it because He wants to make sure He has no fear of spoil. So what does He do? He's proving His Word. What is that? Proving his Word by believers. There are believers who would stay with His Word, who believe Him and trust in Him!

Satan is no doctor who'll seduce them and make them leave the Word and bow to a man who does not believe in the Bible, hoping he would save them and get them better because God can not do it for them. Christ's Wife has more faith than that. Why? Because that Devil got you to trust in medicine that man manufactured, chemistry in a laboratory, that you prefer that to heal you. And you have more faith in Satan's manufactured things than the Creator Himself, the only One: "I Am the Lord that healeth thee of all thy diseases."

Now, I am not saying that God does not work through them, but they do not heal you. So, that is God's pity on you. Even though you turn your back on Him, and you go there trusting in man, and the thing man is offering you, he did not test it himself; he, himself, is dying, too. When he is finished, he pulls out his pack of cigarettes and takes a smoke. He is killing himself, but he is teaching you about medicine and health. But, you let a preacher do that to you, boy, you get really upset. It shows something is wrong with your faith because you could believe that for that man to save your body. You do not see yourself like that because of the level you are living your life.

And when you live your life down here, you become Satan's toy. He gets you sick just with tension, raises your blood pressure, gets you nervous, robs you of your peace, gets you vexed and angry, and gives you ulcers and tumors. He does not even have to give you poison to drink. He does not have to make you smoke cigarettes to get cancer; he just works you up because

you have not come into real Peace. Because, "Therefore being justified, we have peace." [Romans 5:1 -Ed.]

You see, these are real things! It is not just a little doctrine, or we are talking about the Atonement! No, these are real things! And you are growing up in Christ now, and you are understanding the Word! And you know the Word is a Seed, coming through one that is in the Body! It is a Sperm, to find a bedding ground! [Bro. Vin points to the heart -Ed.] It will bring forth the same Life! Hallelujah! You received the Word and became pregnated with the Word because you know that is not a lie; that is the Bible! That is the Message of the Hour, and every seed will bring forth after its kind!

You know you cannot plant pommecythere and get tamarind. You know that. You know you cannot plant tamarind and get pineapple. You know that! You know if you plant the Truth, you must get faith! [Congregation rejoices -Ed.] You want to know you have the kind of bedding ground for faith when faith finds its bedding ground inside of you. What is faith? The revelation of the Word. The revealed Truth sown in you gives you Resisting Power! Amen. My! Glory!

Let me just follow through a little thought and give you through Nicolaitanism, Balaamism, and the doctrine of Jezebel.

Then when they came in the next Age, God dropped down in the Garden, "Adam, Adam, where art thou?" He was in a fig leaf. Where was his wife? In a fig leaf. Where were they? They were hiding in the Catholic church, from the Jezebel doctrine. That was Luther. [Martin Luther, 5<sup>th</sup> Church Age Messenger -Ed.] Then Wesley, [John Wesley, 6<sup>th</sup> Church Age Messenger -Ed.], God killed the Lamb; that was the Message of the Blood! Is that right? [Congregation answers, "Amen!" -Ed.] Then God put coats of skin on them, a Robe that came through the shed Blood of a slain Lamb, to give them a New Birth. Is that right? Then a man named Abel caught a Mystery of the way back to God. The first revelation given to that fallen

church, to take her all the way back. And after Abel was Enoch – a people who were to be translated without seeing death.

Paul said, “By faith Abel...” [Hebrews 11:4 –Ed.] There was nothing in between. By faith Enoch; by faith Noah. It’s a great thing. And while Abel preached that revelation, Cain, which is denomination, was side by side there; the false prophet with the false revelation. One with the Seal of God, the Fire of God that came down, and one with the mark of the Beast. Was he marked? Was he separated? So do you see what happened in the Garden? Now, that is what happened up in Heaven. That’s what happened in Heaven. Genesis. Sweet Genesis. Sweet Genesis. “The Bible opened with the Seventh Seal, though it took a long time for it to be revealed.” Do you see?

So, their place was no longer found in Heaven because that...

*<sup>9</sup> ...great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.*

Now notice, God did not go after them to bring them back. Do you know why? It’s the same way He did not go after Cain to bring him back. What was Cain? The Serpent’s seed. What happened all the way to the flood? You had the wheat and the tares, and God was separating by the end-time prophet, to take a people above the judgments and bring them back into the new world.

Now watch something. As I said, I want to break this down a little for you. So here we see these stars of God...I am trying to keep it around there tonight, the stars of God. So, Isaiah 14, and Revelation 12 here, brought us to see how this Devil, who was in Heaven, who had the desire in Heaven, and we saw where he went to war. And we saw when the war was fought in

Heaven, there was no place found anymore in Heaven for them; they were cast out of Heaven. And they were cast out where? It said, "Into the earth."

Do you remember how Ezekiel 28 said, when Ezekiel stood there, who ate the Book, and he knew where Satan was, too? In that great commercial city: *Tyre And Her King* [1993-1013 -Ed.] You go in the library and ask them for *Tyre And Her King* if you want to follow that. It's a type of the last days, Revelation 17 and 18. And Ezekiel said, "Thou sealest up the sum, full of wisdom, and perfect in beauty. Thou has been in the Eden, the garden of God." [Ezekiel 28:12-13 -Ed.] Isaiah told him he was in Heaven; Ezekiel told him he was in Eden. Isn't it something? In other words... I wonder if you're understanding?

Look at how out of the mouths of the prophets was tracing him, telling him he was in Heaven and what his thoughts were. Then Ezekiel said, "You were in Eden." Isaiah tied him to the Serpent. Then the Prophet came in this Day and said, "It was Satan in a Beast who had a seed that could mix with the woman's egg, who opened a door for himself into the human race. And Cain was the literal son of Satan." The serpent was the physical characteristics, and the spiritual characteristics was Lucifer.

In Heaven, Lucifer was next to Michael. On earth, the Serpent was next to Adam. In Heaven, Lucifer was perfect in beauty and full of wisdom. On earth, the Serpent was perfect in beauty and full of wisdom – the most subtle beast of all the field. Lucifer, whose lie was just the Truth perverted to break the unity; on earth, the Serpent... Christ, Michael, said, "I saw him fall like lightning." [Luke 10:18 -Ed.] Adam stood in the Garden and saw the highest one in the animal kingdom become the lowest, right before his eyes when He said, "Upon thy belly shalt thou go, and the dust thou shalt eat." [Genesis 3:14 -Ed.] And he slithered out. He changed everything by that Spoken Word judgment. And yet, in his cursed

form, he could give a woman more sensation than a man. The Prophet said, "What about when he was perfect in beauty and upright like a man, walking there?" And science is looking for it—the missing link—and can't find it because God changed his structure.

And Darwin [Charles Darwin -Ed.] knew there was some association between man and animal, but they had no evidence to prove it. Why? It was hidden in the Mysteries of God. It had to wait until the Seventh angel came. He began to open the Bible and bring it out in the End-time for the Bride that has to go in the Rapture. Why? Because it is going to link them back, even to what they were in Heaven. He, on earth, was linked to the Devil that was cast out of Heaven. We, the Bride on earth, are linked to a theophany in Heaven.

I was thinking, you know, that in these last days, God is bringing the Church into such a place where the Seals had to be opened, and when the Seals were opened, the Mysteries were what? *Serpent Seed*, and *Marriage and Divorce*, all the Mysteries tied to those things right there. Because *Serpent Seed* has to do with the fall; *Marriage and Divorce* has to do with the redemption because the woman was deceived in childbearing, and she is going to be saved in childbearing.

Eve brought the wrong child, but Mary brought the right Child. Eve brought the wrong child by disbelieving. The Old Testament opened with the woman being deceived and bringing the wrong child, and the New Testament opened with the woman believing and bringing the right Child; takes us back to the Word we bypassed. Oh my. Wait until we start to get—not tonight—to those angelic wars. And then you will understand why man can catch the Word.

There are men going to seminaries to learn the Word; there are men on earth who catch the Word. To catch the Word, God's Voice, He has to be talking to you. You have an ear to hear what the Spirit is saying and to hear the Word for your Age. The Word for this Age couldn't

be revealed back there. No. Each Age had its own Word. Each Age had its own Elect. Do you understand? That's why Luther had to come with justification; Wesley came with sanctification. Wesley couldn't catch sanctification [Justification -Ed.] The Pentecostals came with the restoration of the gifts; Luther and Wesley didn't catch that. Malachi 4 came with the Seven Seals; Luther, Wesley, and those Pentecostals couldn't catch that. Each Age has its Elect, and they are predestinated to a certain Word.

When you have discernment, and you say, "How does that Word keep coming to him? Where does he get those Things from?" You don't have to be a rocket scientist; God talks to him, and he hears God's Voice. It is as simple as that. In no Age, it has never been so. From the beginning, it has always been so; from Adam hearing It until the Bride at the End-time before the Rapture is hearing It. That's the plan. That's why it is called the Election: a people predestinated to this.

It doesn't make us anything; it is God so rich in mercy. Because we all had a time when we were all dead in sins and trespasses, hearing all the voices of pleasure, the voices of sports, the voices of politics, the voices of entertainment. But one day, the little eagle heard Mama Eagle, who came flying off of that mountain with a purpose to lift her out of there and take her back to her origin! And that is what is happening to believers in this Hour. "Down from His Glory, ever living story; what condescension, bringing us redemption!" That's what it was. Isn't that wonderful? So great, so marvelous.

So Isaiah talked about these stars of God. And now, Lucifer pulled one-third of the stars; not all the stars. There were stars that his tale didn't pull. I want you to keep that thought now. Okay?

Drop with me to—we are just reading, and we are getting ready to close just now—Revelation 9. So we are following him. He was in Heaven then Ezekiel said that

he was in the Eden of God. We heard that he was cast out into the earth. When we saw him in the Eden of God, we saw something that happened in the Eden of God that didn't happen in Heaven. Is that right? We saw the unity broken, and we saw them cast out of Eden. But it's redemption, a promise of redemption. It's a promise of redemption. But the Serpent slithered out. Three walked in, and two walked out; one was on his belly going out. Oh my.

Remember *Things That Are To Be*, Theophanies; *Who Is This Melchizedek*, Theophanies. Don't say, "I read the book already," you know, since you read the book. Don't say that. Keep reading it. Read it over and over and over until it is revealed. Most times, your first reading is to prove that you're literate. When He comes and starts to talk to you while you're reading, and things start to open, then you're not just reading; Somebody comes to you now, and the Teacher starts to teach you, and the Guide starts to guide you. So it is not just about reading.

With me, I stay with something for months: go over It, pray over It every day, go back and read It. I stay with It. And He comes to It because He is the Author of It. I don't want to jump this and jump this, no. Do you know why I'm doing that? Because I believe Him, He wants to give the revelation. I just don't want knowledge here; I want something to move me back There because that's what the Rapture is. I'm not looking for any magic; I'm looking for something that is unlocking that way. And I know it is in the Message of the Hour, which came out of the Bible.

Revelation 9. Here, we come to John now. We had Isaiah; we had Ezekiel; now we have John.

*<sup>1</sup> And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him...*

From the time you see 'him', it is not a physical cosmic star. It's a 'him'; it is not 'it'.

*...and to him was given the key of the  
bottomless pit.*

Who wrote Revelation 12? John was a scribe writing visions that he was seeing. So he saw that vision of Lucifer coming out. Ezekiel saw a vision of him in Heaven, what he was planning, his objective, his purpose, his 'I wills'. Isaiah rather, saw that. [Isaiah 14:12-14 -Ed.] Ezekiel saw him there in the Eden of God, full of wisdom and perfect in beauty, and saw him with all this music and precious stones, and all this glory, and Ezekiel began to describe him. [Ezekiel 28:12-15 -Ed.] And then he went to the most beautiful creature there, who was the wisest.

In other words, when God was making the physical creation, He knew right away who represented him on earth. He said, "How did you get that?" Because back in Heaven... The reason Nimrod and they built Babylon on the river Euphrates, and the reason they have the white horse by Muhammad's grave and these things, Bro. Branham said that Lucifer knew the plan in Heaven. Because on earth, when Jesus was on earth, Michael now on earth, in flesh, and His angels on earth with Him, some of His stars, His Elect in that Age who had representation in Heaven, because It said that it's Peter's angel, in Acts 12. [Acts 12:15 -Ed.] They said, "No, no, it is not Peter's angel that you're seeing. Peter is in prison; that's his theophany that had come to you. So that's Peter's theophany; we know that." Because Paul and they taught that in the First Age.

And Jesus was there with them, and Jesus told them, "You all have angels in Heaven that behold the Father's face." [Matthew 18:10 -Ed.] Didn't Jesus tell them that? Jesus was teaching them what? The Mysteries of the Kingdom. Jesus was opening the Word, and Jesus told them their names are written in Heaven. "Don't rejoice that the devils are subject to you here; rejoice that your names are written." [Luke 10:20 - Ed.] He said, "Because I saw him fall like lightning." [Luke 10:18 -Ed.] And when

Jesus prayed, He said, “Father, these who are with Me, that You gave before the foundation of the world.” [John 17:24 –Ed.]

They couldn’t remember it because they bypassed the Word, but they were back There with Him. They came in the pest house to be tested and tried here. But what did Jesus tell them? “You all will be judging the twelve tribes in the New Jerusalem, in the regeneration, in the New Heaven and New Earth,” [Matthew 19:28 –Ed.] and they hadn’t even gotten the Holy Ghost yet—to show the Election. Because Jesus opened it up, that “you all can’t be lost”; not all of you. He said, “Have I chosen twelve, and one of you is a Devil?” [John 6:70 –Ed.] That’s the one I would lose, but not these. He said, “No man will be able to pluck you out of My hand.” [John 10:28 –Ed.] That was Jesus’ teaching, opening to them that they were back There. Do you know why? They were ministers who had to carry this message and fight that same Dragon in the First Age because the battle had dropped from that Heavenly realm down to this realm, and Michael and Lucifer were going to continue to fight. Is that clear to you? Okay.

So,

*...to him was given the key to the bottomless pit.*

*<sup>2</sup> And he opened the bottomless pit;*

He has a key to open this pit. Watch what was coming out.

*...and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.*

*<sup>3</sup> And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power.*

*<sup>4</sup> And it was commanded them that they should not hurt the grass of the earth,*

*neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads.*

So these are not natural locusts. Natural locusts go after green grass and herbs in the field. That's what they eat. But these now, are commanded to deal with men, but, "You can't touch those who have the Seal of God." Only the Elect, who have theophanies, and who were back There, have the Seal of God. Because the Seal of God is the Name on the Thigh, written in the forehead, and He Himself is the only One Who seals that Name in the forehead by the Birth.

Drop down to verse 11.

*<sup>11</sup> And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek ... hath his name Apollyon.*

*<sup>12</sup> One woe is past; and, behold, there come two woes more hereafter.*

Woe, woe, woe, by reason of the last three Trumpets. So, this was between here now. This was after the first war, and there are two more to come. But now we saw this one coming out from the pit with an army of locusts. He was coming out of the pit where they have no bodies down there. Are you understanding me? They have no bodies. The place where the bodies are, is on earth, the physical bodies. And since they were cast out of Heaven, and their place was not found There, here he is. He is in that dimension, the fifth dimension, where he moves back and forth. The angel of the bottomless pit, this fallen star who has a key that opened a way to bring this army out, of two hundred million It tells you in verse 16—two hundred million supernatural locusts, an army. The king and his army are coming out.

Revelation 1. The fallen star, this fallen star: "How have thou fallen from Heaven, oh Lucifer?" This fallen

star is what we are talking about. I'm going to read it for you just now.

When you find Revelation 1, hold that for me a minute and let me just read here a little bit for you, out of *Feast Of Trumpets*. Bro. Branham was speaking there, talking about Dr. Uriah Smith. He said, "Dr. Smith had that mixed up, and he quoted, 'How art thou fallen from Heaven, oh Lucifer.' That was that fallen star, the 'him' who was given the key to the bottomless pit." And then in here, page 28, *Feast Of Trumpets*, he said:

*Notice, quickly now, these supernatural demons. Then, under the auspices of a United Nation, united groups together, Eastern and Western.*

*Just like the right and left foot of the image that Daniel saw, how they wouldn't agree and mix with one another. And the word Eisenhower, during that time...Eisenhower means "iron." Krushchev means "clay." And he pulled off his shoe and beat it on the desk at the...when the League of Nations...at the [United Nations]. Khrushchev did... Oh, my! The hour that we are living! The church and its condition!*

*But, thank God, the little Bride has made Herself ready. It ain't long. Just hold on. ... I don't know how long, don't know when; nobody knows that. But we know it's close now,*

*... Watch that, natural, what it did to them Jews. That was a people that held to the laws of God. No matter how many churches raise up, what else, they was blinded to Christ, and held to that law. And God gave them robes, every one of them, 'cause they went down in martyrdom. ... They were blinded for our sake.*

*Here now, the Church, that knows nothing but the Bible. Regardless of the ecclesiastical system, denomination, they know nothing about it. It's all foreign to them. They know Him and Him alone.*

Talking about the Bride here. She only knows the Word.

*The hour that we're living, the ecclesiasticals, of spirits uniting together now and bringing them all to this big one slaughter, to blot out. It is already in writing here, in this nation now, that these churches has to be closed unless you're with the organization. It's a union, it's a boycott, just like the mark of the beast.*

*And now you see what the beast is, don't you? It is a power. And a power, ecclesiastical power, Jesus said, "It'd be so close like the real thing, it'd deceive the very Elected if it was possible." But He promised to have something here for us in that day, that we wouldn't be deceived, and that's the Word, and Christ to make It manifest to us. They're supernaturals, devils, unseen to the eye, but you can see what they're doing.*

What was he talking about? This United Nations, under the auspices of a United Nations, these demons had come out. Why? They hunt a body. They had a leader. Zedekiah stood up there prophesying to go on up, the Lord is with you [1<sup>st</sup> Kings 22:11-12 -Ed.], the head of the false prophets. When? In the days after Elijah, when God was bringing Elijah's prophecy to pass, and the kings of the earth, Zedekiah and Jehoshaphat...Jehoshaphat and Ahab rather—Zedekiah, the false prophet and that lying spirit. The bottomless pit was opened, and that lying spirit came up before God like I was explaining to you on Sunday. Why? There was a council.

I was explaining Daniel 10 for you, just like this, and here it was that God had to bring to pass the word of the prophet. Just like in Heaven, there was a council with Gabriel and Michael and them, and the prince of Persia and them withstanding Gabriel, because it was Jeremiah's words that had to come to pass. Jeremiah said seventy years. Cyrus gave the decree, but these spirits began to file an injunction. They blocked up the whole thing, and nothing could happen for a couple of years. And so what happened? Here the case was being argued, and the prince of Persia was giving wisdom to

those men to bring in technicalities, to obstruct the decree, which was the fulfilling of the prophet's prophecy. And Daniel was fighting a spiritual battle on his knees before God. And that prayer was being attended to by angels (hallelujah!), to bring to pass that prophecy in that Hour. Why? Because we are here on earth, but we've had seven angels. We have seven angels in the Sixth Dimension.

We have a bunch of stars there with seven constellations of stars that didn't get deceived in the Seven Church Ages. Was Paul deceived? Was the Elect in Paul's Age deceived? Well, they are in that Sixth Dimension. Was Irenaeus deceived? Martin, and Columba, Luther, and Wesley, were they deceived? Were they messengers? Was Bro. Branham deceived? Where are they? With the overcomers. Are they stars? Was Bro. Branham a star? Was Martin a star? Was Columba a star? And no tale could pull them down (is that right?), but did they have spiritual warfare?

Were there three hundred from Chicago who came to challenge him and his doctrine? Who came to help him? Who came to help him? (Yes!) Who came to help him? God dropped down a vision and exposed the conspiracy! He stood there and said, "Come with your Bible and stand in the Presence of Michael!" The Pillar of Fire was there; who was going to challenge him on the Word? All of them backed off!

When he had the maniac, and they sent that maniac, and Satan behind that maniac saying, "He's in Oregon now, go down there." And that maniac came, and he spat on him in the meeting, and he said, "I'll break every bone in your body." That was a tank that Satan sent in there! A demon wanted to break... He had done it before! He had preachers in the hospital! He had a reputation! And the Prophet stood there by a commission, and Michael stood there because he was Michael's angel, held in the Right Hand. Branham and Orion stood there with **THUS SAITH THE LORD**. And a

demon power in human flesh was coming there, he said, "I'll break every bone in your body, you snake in the grass. You're going out of here in a box." And he spat on him. And Bro. Branham stood there as calm as ever because that Halo, that Halo, Michael, was overshadowing him. His captain, he was under the Headship.

He said, "This is not a flesh and blood affair." All those seminary ministers cleared the platform; the police came with their little batons. He said, "You stand back; you can't deal with this." And he began to speak. He was one... He said, "I was only one standing near." The Intelligence dropped down, and He said, "Satan!" Who was He talking to? He said, "Satan, because you've challenged the servant of God, you will bow at My feet!" Hallelujah! It was a war!

He said, "Many times he went out into these meetings and saw all those people crippled up and sick." Who anointed them with sickness? Demonology in the physical realm. Demonology in the physical realm. And those ministers came in there watching and saying, "That is telepathy." That's demonology in the religious realm, and they created an atmosphere of unbelief.

And that man said, "I will not close my eyes. I don't have to listen to you."

He said, "Father, let not this young boy suffer because of the unbelief of that religious man."

And he cast that devil out of that man, and about thirty people had epilepsy. He said, "Maybe they still have it today." What was it? Casting out devils? That was the man with the badge of authority. That was [like] the police walked in there with a warrant from the highest authority, and they had snipers everywhere. And the Chief walked in with his papers and told the mafia boss and his thugs, "Okay fellas, clear out; clean out! And don't think that you're going back into your limousine. That big, black van there, with the bars on the side, just walk in there and sit down quietly.

(Amen.) You will have to appear before the supreme judge in the court in the morning.” Oh, brother! He said, “You have been running racket [serious crimes –Ed.] in the city all these years, but God sent me in the city to get His sheep. (Hallelujah!) I came here with orders.”

How many know Phillip went down into Samaria by Angelic orders? How many know he was commissioned? How many know demons were screaming and leaving people left and right? How many know that when Paul went in, those demons challenged him?

When the sons of Sceva went in, they said, “We know Jesus, we know Paul, but who are you?” Amen! “Who are you all?” And the demons came upon those fellows. But when Paul preached that Word, fifty thousand pieces of silver in books, and magical arts and these things, and curious things, were burnt right there! Every piece of necromancy and witchcraft, they burned it in the fire! “And the Word of God grew mightily and prevailed,” the Bible says. [Acts 19:20 –Ed.] What was it? Spiritual warfare! And a man was sounding a trumpet, declaring liberty, proclaiming liberty, opening the prison doors, setting the captives free! It was war, angelic war! Because, here was a man on earth; they didn’t know he was in the hand of Orion since back in the eternities! He was one of those great angels! He had caught a Mystery, and he began to blow that Trumpet! If the trumpet shall give an uncertain sound, who shall prepare for the battle? [1st Corinthians 14:8 –Ed.]

That’s what Seven Church Ages was, and that’s what is going to...because it was a mighty marching army, marching onward Christian soldiers, tonight, proudly displaying the Blood on Her chest, and these are the elite troops. These are not seeing death. These are the indestructible ones; not even death can harm them. Satan would be powerless. This is the Super Race. This is the climax. This is the finish, the battle. Amen. This is to bruise him under Her feet. This is Seven Thunders

cleaning out the mind (amen), bringing the Holy Ghost on the inside, linking them up with their theophanies, linking them up with Michael, the great North Star; battle stars for the showdown (hallelujah! Glory!), a great constellation of angels in the End-time.

That's the Message, friends. That's the Message. See? That's where it is not: "I'm in the church." That's where you're quickened and raised up into Heavenly Places. What's that? The believer's position, where all things are put under your feet. That's the Joshua, and that's the circumcised Church. Circumcised, eating the Old Corn after the opening of the Jordan, the Seals. And that's the people in the Ephesians, under the Captain. Hallelujah! And every place that the sole of their feet tread upon, that has God given unto them. That's what that is.

That isn't, "Do you think Bro. Vin is right?" When you come from There, you know, "Thank God for Bro. Vin." Yes, sir! Because Bro. Vin didn't make himself that; that's God. The same God Who made me made you. He made somebody to preach It; he made somebody to believe It. He made them to be in one mind and one accord. And if two shall agree as upon touching anything, it shall be done. What they bind on earth is bound in Heaven, and what they loose on earth is loose in Heaven. That's what that is! The stars' wars! THE STARS' WARS! Stars set in their courses! Stars that were not pulled down by Lucifer's tale! He told a lot of tales in the Message, and every time, the Sword cuts that tale off! Amen! Hallelujah!

I remember the first time, back in 1974, by the corner of Fran Street and Cocoyea Main Road there, two brothers were coming. Amen. One has already gone on to his place, wherever that is, and the other is still a wandering star. Amen. Glory. But the thing was, they came saying, "Jehu is coming to town."

I said to myself, "You see that; lead me away from that." I had seen that Angel. Amen. I'd met Somebody

in Santa Cruz. I came amongst this bunch; I didn't know who they were. And from very early o'clock, they all started to gather against me; tried to stifle me out. But there was Something inside of me that could stand there and refused to be shaken. And whenever Light would come, It wouldn't come to them. Light would come to where God ordained the Light-bearer to carry the Light. Look at where they went and look at where this is. Amen! And hear the Word tonight! I preached these things back in 1980, in Barataria! That's right. We have some who've stood with Branham and Orion.

Oh my. Come, brother. Come, Michael; come, musicians. Amen. Let's have a jubilee here tonight.

There is healing in this place! There is deliverance in this place; (hallelujah!) all throughout this region; all throughout this region, from Guyana all the way up into St. Kitts; all into South America, all into Europe, all into Africa! Amen! All in China and India, wherever you are, stand with Branham and Orion! Stand; refuse to be shaken from your place!

Oh, let the musicians... Amen. Let's praise Him! Let's worship Him! You take your stand tonight! You are one of Them! I'm so glad that I can say, "I'm one of Them." Know tonight that you're one of Them! The war is on! The war is intensifying! The war is escalating, but put on the whole Armor of God! Amen! Fight to the death! Amen! Fight with all your might! Amen!

May God give you Resisting Power. May God teach you how to wield the Sword. May God give you a strong hand of faith to grip It tightly, grip It closely and march forward to the Third Pull, is my prayer! Hallelujah!

Oh, give Him a hand of praise (amen!), this great God! We are hearing from our theophanies! We are hearing from seven generals! We are hearing from seven constellations! Oh my! A son of God must not be trodden down! A son of God must not be trodden down; you can bind that mamba in a knot! You could throw it in the Fire; whatever you want to do! Bind him in a

knot; loose him and bind him again! Recognize what He has given us! Oh, thank You, Lord! Glory! Hallelujah! Hallelujah! Glory! Glory! Glory! Glory! Hallelujah!

Oh, *The Greatest Battle Ever Fought, The Contest!* The contest is on! The Evening Lights are shining! The Rock beneath the Rock is open! Hallelujah! THE STARS' WARS! THE STARS' WARS!

Oh my! Let's worship Him! Let's not just sit in the seats; let's worship Him! This is about us, that we are singing about! This is like when the army was going into battle, and they began to sing, and they began to get anointed, and they understood the objective of the battle, and they stood! As the song said, "Stand up for Jesus, you soldiers of the Cross; lift up the royal banner." Don't let this flag fall! Amen! Stand in rank and file!

[Bro. Michael Peters sings: The Shaking, #1084 - Songs That Live - Ed.]

Oh my! Give Him a hand of praise! Give the Lord a hand of praise! This great Captain of the Lord's host has come down among these stars tonight, this constellation of stars; the great North Star Himself, dropping down among us!

Oh, we thank You, Lord. We thank You for Your visitation tonight. Oh, blessed be the... We saw those feet of brass, eyes like a flame of fire, (amen); we heard the Voice of many waters, and we saw His face shineth like the sun in its full strength! Hallelujah! Oh God, we praise You, Lord! What a mighty God You are! What a mighty God You are! How great is our God and greatly to be praised! Hallelujah!

The Bible said that man of sin would sit in the temple, and they would worship him. [2<sup>nd</sup> Thessalonians 2:3-4 -Ed.] And everyone whose name is not written in the Lamb's Book of Life from the foundation of the world will worship the Beast. [Revelation 13:8 -Ed.] Amen.

He will get his achievements, friends. He will achieve his success, (amen) but not over the Bride. In Heaven, They're worshipping the Lamb. Hallelujah! And the world is worshipping the Beast, but in Heaven, They're worshipping the Lamb. Glory!

This great battle (amen), this great mighty battle of the End-time. Hallelujah! "Supernatural devils," he said, "unseen to the eye." They look like politicians and Presidents, and G8, G20 and all these things, but they're supernatural devils unseen to the eye.

He said: [Continues reading from The Feast of Trumpets -Ed.]

*...while that group is riding, making themselves ready to stump out everything that won't agree with them, there is another group being made ready, after a while, Revelation 19. The next time the Church is heard, She comes, also, not upon exactly horses, but the Bible said, "He was on a white horse, and the host of Heaven was following him upon white horses."*

*While this group down here has got two thousand bound at the river Euphrates, and has been bound for two thousand years [rather], also that church has bound the Holy Ghost for nearly two thousand years, under martyrdom back there, and under the church ages. It's been bound, not at the river of Euphrates, but at the door of creeds and dogmas, that the Holy Spirit can't work in the church because of man-made systems. But She is going to be liberated, She is coming back, that's what the Bible said. And those two meet one another on the battlegrounds, Lucifer and Michael again, like in the beginning.*

But this time, it is in the realm of flesh. Christ, watching through your eyes and speaking through your lips. Christ, in the throne of your heart, controlling you to the Word, ordering your steps in the Word. Why? Because there is an invisible union of the Heavenly Bridegroom and the earthly Bride in this Hour: a Super Sign, a Super Race upon the face of the earth, friends,

this great Thing in the End-time that the world doesn't know about.

And they are getting ready, building up this great thing, deceiving the people as one. All this war on terrorism and these things, getting ready for the king to be enthroned as god. But God dropped down Bro. Branham (amen. Hallelujah!), and Michael came down with the opened Book (amen), ripped the Seals off and uncovered the enemy's scheme. And Seven Thunders uttered their voices to gather—the “cry to arms” was heard afar and near (hallelujah!)—to gather the Bride!

Did you hear how he said it? *The Greatest Battle Ever Fought, Putting On The Whole Armor Of God, Wisdom versus Faith, The Contest*, God versus Satan [1962-0531 The Conflict Between God and Satan -Ed.] Amen! What was he talking about? He was seeing the great End-time battle here in this realm in the last days. He said, “There'll be a Super Race, a Super Church; not even death can harm Her. Satan will be powerless before Her.” Oh my. “She knows it is He in Her fulfilling His own Word that He has left for this Hour.” He said, “You have heard from your theophany, Bride.” Amen. “You've been raised after the order of Melchizedek.” Hallelujah! He said, “That's why He let me go Beyond the Curtain to let me see It and to tell you what is laying There; how you are connected by a New Birth. I saw many of you over There.”

Like I was telling Bro. Paul Moffett, I said, “The millions he was talking about, brother, is not all those Pentecostals there. No, no. Many of the millions who came and put their hands...up There, they didn't come in the Message.” They didn't walk in the Message, friends. The millions he saw were some of those people who were genuinely saved that he caught There, and all who are in the Bride here, he saw There, in white robes. Do you know what the white robes mean? He said, “That is the original color.” Do you know what the white horse is? It shows that no chemistry was put into it to

change the color from red or black or pale. It means that it stayed with the pure unadulterated Word, the original apostolic Doctrine! That's the kind of church we want. That's the kind of church we are sowing for. That's the kind of church we are fighting for in this place.

Sometimes, you say, "Oh, the preaching is hard." It's not that the preaching is hard; all hell is against this Truth. The demon spirits come into people, anoint them, move them away from the Word; put them there, shoot them with poison, and start to go from one to the next. It happened in Heaven, and it happened in Eden. Tell me why it can't happen here. It happened in the Alpha Bride; tell me why wouldn't it happen here? No, friends, that was why it's soldiers proudly displaying the Blood of Jesus Christ. You've been built upon that Rock where the gates of hell shall not prevail against you.

These wars were fought back there. Michael warred with Lucifer and his angels; Abraham warred with those kings; Moses warred with Pharaoh and his army; Joshua warred with the Canaanites; David warred with the Philistines; Elijah warred with Jezebel and her prophets. This is a family who has a long history of wars. This is a family, when it calls for battle, they have soldier genes who guard the Body; keep the Body free in this Age of viruses; keep the Church immune where it has to be immune in this Hour. So the Church's Body doesn't get sick, being invaded and taken over, there is a repellant – white corpuscles. Amen.

Oh, praise His wonderful Name. Aren't you glad He chose you? Outside of Him choosing you, you couldn't be part of This, friends. It's election, God's elective Love. That's what it is, God's elective Love. Outside of that, you couldn't be part of It, but He made you part of It. You are one who stood.

Michael had seven stars back there, seven lamps of fire, seven eyes, seven voices. And to each star, there is a constellation of stars. And here we are, in the last

group here, a little constellation, a little group of the True Seed. But in the Ephesians, they all find their places when they come under the Headship when the Seventh angel is gone, with Michael, Himself, just like Boaz was with Ruth and Isaac was with Rebekah, because She represents all seven – Mount Zion, a Pyramid City built four square, the Lamb's Wife. On earth, that city was the perfection of beauty and joy of the whole earth. It was only a shadow of a shadow of a shadow of the perfection of beauty and the joy of the whole of Heaven – the Sides of the North. She came last. For Seven Ages, in Heaven— seven stages, I should say—God brought them up.

After He had brought up all the temporal life, He had seven stages of Eternal Life. After all the botany life, marine life, bird life, animal life, God had Adam and Eve representing Christ and the Church: the Head and the Body. And the Body is Seven Church Ages, and it represents Eternal Life. They were attributes. The rest was not attributes of Eternal Life, but these were attributes of Eternal Life. That's why it has redemption. That's why they couldn't be deceived. And when those angels fell, all those angels He made, Lucifer had.

And Lucifer, as the Serpent, was at the head of all of them in that spiritual creation; none of them had eternal life. From the Serpent all the way back down to the little hyssop, none of them had eternal life. But then God brought on...Michael stood there with Eternal Life and then God brought seven stages inside of there.

Adam stood there with eternal life, and the Serpent, all the way back did not have eternal life. But then God brought Eve out, a Mystery of the Bride in Seven Church Ages, the Lamb's Book of Life, and she came and joined with him. Then the war started. Then he left his estate. Do you know why? He was the most beautiful in Heaven, and he saw perfection of beauty and the joy of all of Heaven, and he understood what was coming. When he saw that, he started to get

thoughts: "I will sit above them." But he didn't realize that he had to have that kind of Life to sit above them. Because that was the substance; that wasn't the shadow. Adam and Eve was a shadow; Isaac and Rebecca was a shadow; Boaz and Ruth was a shadow. What was in Heaven wasn't a shadow, friends. That was what started to come down in Seven Church Ages: a portion, a portion, a portion. They bypassed that theophany, but on earth, they came into a New Birth that linked them, and then the war started, then the war started. And when the war started...

Israel did not have any real war until they got to Canaan. When they came into the Holy Ghost, then the war started. The believers don't have any real war in the world. You don't have any war, you're not fighting any devil; you're on the Devil's side; you're the Devil's slave. Do you understand that? It is when you get the Holy Ghost, then the war starts.

See? How perfect the Things of God are. I'm going to close here. May God bless your hearts because this is the Hour. To go back, you must know where you're going because we are not going by the grave and hope we make it to Heaven. No. We have a job to finish; we are the ones He left to finish the job. And that's why he said, "When you see this Bride comes to know who She is, the Rapture will take place. By and through the members of the Bride, He will finish the work." That's why a couple of years ago, He said, "Rise up and finish the job. Refuse to be compromised and run, run, run for the prize." Run with everything you have, reaching forth, straining every nerve. And don't fight as one that beat the air. The Hour is here. We are not fresh recruits but trained soldiers. You are one who stood with Branham and Orion. Do you believe that?

As we bow our hearts, I want to call Bro. Mervyn to pray and close the service.

You're one who stood, friends; keep standing. Paul said, "After having done all to stand, stand and be

strong in the Lord and in the power of His might. Put on the whole armor of God.” [Ephesians 6:10-14 -Ed.]

[Bro. Mervyn Weston prays -Ed.]

Oh my. Turn around and greet each other. Tell your brother, and sister: God bless them. Amen. Praise His mighty mighty Name. Amen. As Bro. Ken gets ready to come. Amen. Hallelujah.

I certainly thank the Lord for His great grace and mercy among us. Amen. The fight is on.

The fight is on,  
The Trumpet sound is ringing out  
The cry “To arms” is heard afar and near  
The Lord of host is marching on to victory.  
The triumph of the right will soon appear.

God bless you. As I turn the service to [Songleader, Bro. Ken Flaviney -Ed.]

[Bro. Vin leaves the pulpit -Ed.]
