TRINIDAD
WEDNESDAY 19TH MAY 2004

BRO. VIN A. DAYAL

Let us bow our heads. Hallelujah.

We are thankful, Father. How great and precious it is, when we can look and see the value of Your Blood, knowing that the Tree was shut up one time from us. Cherubims guarded that way and a flaming sword, turning every way that no man dared to approach that Tree [He said] lest he put forth his hand and take and eat and live forever.

The Fall had put us in such a terrible condition, Lord, that You sealed up Yourself from man, but You loved him and strengthened him. You devised a way to unfold a plan that You would be able, Lord, to take a sinful man and cleanse him and bring him back again. Here we are standing tonight, that we can sing: *We stand in awe of You*, knowing that we have the privilege to stand in Your Presence because we can come now, by a new and living way because, dear God, the Seals have been broken and now we can stretch forth our hands and take and eat from the Tree of Life; eat and live forever because You were determined, dear God, that You will bring us back, no matter what it was going to cost You. And truly, we see what it has cost You.

Lord, no wonder the songwriter said, "I will cling to the old rugged Cross." He was willing to bear suffering and shame. That's how we all feel, Father. He truly expressed... You used Him to express what every believer will feel who will come to see that Cross, who

will come to see You became a curse for us, hanging on that tree.

Tonight, we stand, Lord, with gratitude. Tonight, Lord, we stand wishing we had a million lives. We would give them all to You, but the one that we have, truly, oh God, we come offering it tonight, as a living sacrifice, holy and acceptable unto You, knowing that this is a reasonable service. Take us, Lord, as members that make up a Body here, pour out Your Spirit, fill every heart. Every life that would be on that Altar, may the Holy Fire of God come down to consume it, as it would come up before You as a sweet-smelling savor.

Lead and direct us tonight, as we have come, Lord, with the purpose in our hearts, Lord, to better understand Your will, to see more clearly the time that we are living in, to see this Word, Lord, become so real in our bosoms. Lord, God, everything else in this life will fade away. The things of this world will grow strangely dim in the Light of Your glory and grace.

We turn our eyes upon You tonight, Jesus. We look full in Your wonderful face. May Your Holy Spirit speak expressly? We thank You, Lord, for how You spoke to us last Friday and Saturday, and Sunday. Even coming back tonight, saying, "Speak, Lord, thy servants hear It," one more time. Get honor and glory in our midst.

Remember the sick and the afflicted. Remember the poor and needy. Remember, oh God, those who are hurting; those who are weary and tired, Lord God, their feet may be turning out of the path; feeble hands want to hang down. Drop the extra handful tonight; the handful that Boaz' reapers could not drop in that harvest time. But in this Harvest Time, a greater Harvest Time, when there's a greater than Boaz; when there is a greater portion to drop, Lord, oh God, we are gathered here, a greater than Ruth, Lord. Give us That, which will give us sustenance, nourishment, dear God. Pour it out full, abundantly that each one might be

satisfied; every need will be met, Father. May You grant it, we ask.

We look to You now, Lord, remembering all our loved ones out in the region. Lord, even them who You begin to stir, begin to move in our direction, let Your Holy Spirit, Lord, just continue to deal with each, and everyone: them that You are drawing, them that You have drawn, them that You are establishing in the present Truth; them dear God, that You are causing to walk close to You; them that You are sanctifying and cleansing; them that You are pouring out Your Spirit and filling dear God. Truly You said, "Michael, the great Prince shall stand and will deliver all the names that are found written in the Book."

Let everyone come into that total deliverance. Let everyone, dear God, receive Father, the great measure that it will take to quicken them and raise them up to recognize their Day, to recognize their Message, to recognize their visitation. May You grant it, Father. Have Your blessed way now as we wait upon You, knowing oh God, that You are faithful and true. We ask all these mercies in the precious, wonderful Name of Jesus Christ. Amen.

Praise His wonderful Name. We greet you tonight in the precious, lovely Name of the Lord Jesus Christ, and we are certainly happy to be gathered in His Divine Presence. I would like to invite your attention over to the Book of Daniel again, where I was reading on Sunday, Daniel 12. I will just take a little portion from there. I trust that your hearts and minds are in remembrance of the things that we were endeavoring to bring to you.

I was speaking for a title, "**SEVEN THUNDERS, THE END OF TIME VISION**". I took a few parts of the End-of-Time Message, and End-of-Time Seals, *The Secret Beneath The Silence*, preaching all around this Seventh Seal and trying to show you when time runs out. I just want to continue along those lines so we could discern

the signs of the time; we could understand and know the seasons.

Help me here, by the grace of God tonight so, you know, it wouldn't be too difficult for me (the brothers on the acoustics). Amen.

I have a little portion in Daniel 8. We read from there the last time, so I will just read that little portion and also read in Daniel 12. I will read in Daniel 8 first, so you can understand a little bit, and to help crystallize some of the things here. I just love the Book of Daniel. It is the Book of Revelation. I believe if you are a believer in the End Time, you would read those Books. It is very difficult for me to think that a people can be in the Bride and don't read those Books, or not be acquainted with Them, or not seek God because these Books could not be opened, could not be revealed until this time.

The Mystery has been opened and now we can look on the earth because the nations, and the events that God could not even speak to Daniel about though he showed it to him in symbol form, it is happening. Things that John saw in symbol form and could not fully understand, it is happening. It is happening all around us, so that's why when we can see these things, you know that we are in the Time of the End. Amen.

Daniel 8, verse 23:

²³ And in the latter time of their kingdom, when the transgressors are come to the full, a king of fierce countenance, and understanding dark sentences, shall stand up [in the latter time of their kingdom].

Chapter 8 dealt with two beasts; a ram and a he-goat, and how the ram was in the East, the he-goat was in the West. The he-goat came and killed the ram. Then out of there, after, the he-goat died and four horns came up and divided the kingdom and so on. And he was showing you how it was going to come down from the thighs of brass to the legs of iron, down into the toes of iron and clay. And right here this prophecy comes in;

something for the latter time when the transgressions have come to the full; when the cup of iniquity is full; when the iniquity of the Gentiles is full because Daniel is revealing the times of the Gentiles. The four beasts that he saw were Gentile kingdoms that had dominion over Israel. Babylon, Medes of the Persians, Greece, and Rome, Gentile nations; the times of the Gentiles. These nations are on the earth today; what remains of the broken ones, and the ones that were to endure unto the end.

And here is a prophecy of the man of sin, the little horn that is to come in the last days, the Antichrist.

24 And his power shall be mighty, but not by his own power: and he shall destroy wonderfully, and shall prosper, and practise, and shall destroy the mighty and the holy people.

25 And through his policy also he shall cause craft to prosper in his hand;

You know we went through those things so many times over and over.

...and he shall magnify himself in his heart, and by peace he shall destroy many...

All these Scriptures are already being fulfilled, and a great part is being fulfilled. He already destroyed the mighty, he has them gripped in his hands. He is wooing and is also going to trap the holy people because Rome is going to make a covenant with the Jews (you know that) for the money.

25 And through his policy also he shall cause craft to prosper in his hand:
[manufacturing, businesses]

And that is in the last days. The western world that is how they were able to break the eastern world. You know that. Because through capitalism and all these things, the west had prosperity. And the east, where they tried armament and all these things, you know how they sacrificed the economy for the military, and all

those things started to take place. And then they were broken, the Soviet Union had to be dismantled, all these things.

So all of this here are these prophecies because remember, from World War II up till that time, the world was divided into east and west: five eastern nations and five western nations. And the Cold War, there was a whole set of nations aligned with Russia and a whole set of nations aligned with America. Now, they speak of one superpower in the world, the United States of America. So, you see how these things fluctuate back and forth.

Here it is in the prophecy so long before, speaking of how that fourth power, that Roman power came from pagan Rome to papal Rome. And from papal Rome, she drunks the kings and the nations and that is why she was able to control kings, control merchants because she controls politics, she controls businesses; she controls these things. This is the prophecy here just like that over in Revelation 13, Revelation 17, and 18, same thing.

...he shall also stand up against the Prince of princes; [that's Christ] but he shall be broken without hand.

That is the prophecy of Revelation 19.

²⁶ And the vision of the evening and the morning which was told is true: wherefore shut thou up the vision; for it shall be for many days.

Just like we had on Sunday in Chapter 12: shut up the vision, close up the words, and seal It.

...shut thou up the vision; for it shall be for many days.

Because this had to do with, way to the Second Coming; Jesus was going to come. The Messiah that was promised in the Garden of Eden, He was going to die; the Jews were going to get their temple burnt again, scattered again because remember, when Daniel was seeing this they had no temple. Jerusalem was in ruins.

Then they went back and they rebuilt it, then when Messiah came, they had a temple and a city. Then Titus came and burned the temple and burned the city again, and scattered them again. So it was for many days...many days.

²⁷ And I Daniel fainted, and was sick certain days;

Sometimes the very power of the vision, the flesh can't take it. That's why he said in one place; he said, "My head troubled me for twenty-one days."

A man said, "Bro. Branham, how is it that you are always getting so weak that they have to carry you off the platform?"

He said, "Didn't the prophet, Daniel see one vision and his head troubled him for twenty-one days?" Do you see?

...and I was astonished at the vision, but none understood it.

Then Daniel 12; the vision starts from Daniel 10 but this is the end of the vision here. This is the last vision of the Book of Daniel.

¹ And at that time shall Michael stand up, the great prince which standeth for the children of thy people:

At that same time when that king of fierce countenance was on the earth. Because remember, Moses was going to take them out of the Egyptians' hands; Elijah took them out of Jezebel's hands. That is a type of when Moses and Elijah come. The Jews will be in Roman hands and they will be taking them out of Roman hands. That's when Michael comes; when that Mighty Angel comes to the two prophets (you know that) just like the Mighty Angel came to the Gentile Prophet, the same thing, Seven Trumpets, Seven Seals.

¹ And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a

*time of trouble, such as never was since
there was a nation even to that same time...*

And for the last fifty-eight years, Israel has been having trouble. Did you know that? That's right. Children are going to school with gas masks in their bags. Every home has a place to run into in fear of nuclear war and all these different things – gas and chemical weapons and these things. And every day you are reading about suicide bombers and these things; they grew up during that time. And so, it is even going to become greater and greater than that.

*...and there shall be a time of trouble, such
as never was since there was a nation even
to that same time and at that time thy people
shall be delivered...*

Daniel's people, the Jews; "Thy people shall be delivered."

*...every one that shall be found written in
the book.*

Revelation 7 tells you, "And 144,000 were sealed." There is a Calling and a Sealing. We are having that here now but look how it is looking. Look how it is looking, and all hell is against this Truth, and gross darkness is on the earth and upon the people, but when you look with natural eyes, you don't see anything. You are coming from work, you are going to school, you are feeling tired, you do not have time to pray, you do not have time to read. Why? Because your battle is a spiritual battle. Day and night, you are being bombarded, but put on the whole armor of God that you might be able to stand against the wiles of the Devil in this evil day, and pray with all perseverance and pray that you have the boldness to proclaim the Mystery. Is that right? Spiritual warfare now: for you wrestle not against flesh and blood, but against principalities and powers, spiritual wickedness in high places. [Ephesians 6:12 -Ed.]

So you see if you are not conscious under your Seal, you're going forth – sometimes the Word is going forth and you say, "How the minister preached this, I don't understand that," because you are a civilian. But in the time of war when the Trumpet is blasting on the earth— if the Trumpet gives an uncertain sound, who shall prepare for battle? Scriptural War because all kinds of voices on the earth are trying to do what? Deaden the Spiritual Voice of the Bride under Her Messenger. And so, the people are wondering if these little nobodies are right because nobodies are hastening with the greatest Message of the Hour – unqualified speakers.

And you kind of say, "Well, my minister never went to Bible School. Look T. L. Osborn says this, and look Benny Hinn says this, and Morris Cerullo says this, and look how twenty thousand/thirty thousand people are following them. And look at T.D, Jakes, hundreds and thousands are following these people. [Teleevangelists -Ed.] I wonder if we are really right." Do you get what I'm saying? Revelation – That's the deceived church. That is the false anointed ones. They are gathering the tares. They are gathering the deceived people to take them back to Babylon. Their daughters are going back. That's what that is, but the Elect that is called out by a Prophet (amen!) where the carcass is, there will the eagles be gathered together. [Matthew 24:28 -Ed.]

They don't preach about seeing your names in the Book. They don't preach about operating the Word between the Gentile Prophet and the Jewish prophets. They don't even know if there was a Gentile Prophet; all of them call themselves prophets. They do not even know what time it is. They don't even believe Seven Seals are opened. They don't even know what the Thunders are, with all their degrees. So you have to have discernment; you have to have an experience.

² And many of them that sleep in the dust of the earth shall awake, some to everlasting life [before the Millennium], and

some to shame and everlasting contempt [after the Millennium].

³ And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

⁴ But thou, O Daniel, shut up the words, and seal the book, even to the time of the end:

The latter time of the kingdom when the transgressions are full; the latter time of the fourth kingdom. What is the beginning time of the fourth kingdom? Did the fourth kingdom kill Jesus? Who killed Jesus, the Romans? That was pagan Rome but in the latter times is papal Rome, the same Roman power. The same power that in this Day, under this Message, Elijah prophesied that the fowls of the air and the beast of the earth will eat Ahab and Jezebel. Is that right? The latter time of the kingdom, they are to die under judgment because the Word came out of the Prophet's mouth in this generation. This Elijah, in the spirit form, prophesied the same thing as Elijah did back there. And they died at the going down of the sun; the supper of the great God. Is that right?

So, we are in the latter time of the kingdom. We are in the Time of the End. Eisenhower and Khrushchev already went since 1959; the toes of iron and clay. We are in the year 2004, forty-five years after. Is that right? Not one part of the vision has failed from 538 BC until the year 2004, not one part of this vision failed. Is that right? But Daniel and they could not understand because it was for this time. Most of the prophecy was for this time. Is that right? The kingdom that bothered him was the fourth kingdom. He knew the first three, but he did not know the fourth one. He was not told who the fourth one was. God kept it a Mystery.

⁵ Many shall run to and fro, and knowledge shall be increased. Then I Daniel looked, and, behold, there stood other two,

And I showed you Sunday how that was Moses and Elijah. He saw the Mighty Angel come down and stood by the river and raised his hands to swear, but there were two men on earth when that Angel descended. And I showed you how in Revelation 10 when that Mighty Angel descended, there was one man on earth. The Seventh Angel of Revelation 10:7 will be on the earth at the time of this Coming; Revelation 10:1-6. Is that right? And Revelation 11:3 to 7 will be on earth, those two witnesses will be on earth at the time of that Seventh Trumpet when the revelation is coming to them for them to go and preach for the last three and a half years. That's right. Three prophets between the Sixth and Seventh Trumpets: one to the Gentiles before the Rapture; two to the Jews after the Rapture. Look how exact the Word is.

... there stood other two, the one on this side of the bank of the river, and the other on that side of the bank of the river.

⁶ And one said to the man clothed in linen, which was upon the waters of the river, How long shall it be to the end of these wonders?

⁷ And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swear by him that liveth for ever that it shall be for a time, times, and an half;

And that's three and a half years. That's forty-two months. That's one thousand, two hundred, and threescore days. It is all in the Book of Revelation: Revelation 13, Revelation 12, it is over there, Revelation 11. In those three places, it is written right there.

...and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.

⁸ And I heard, but I understood not:

You hear, but can you understand? Because this is the time. Daniel heard but he couldn't understand; you could understand. Daniel was not even told that that was Moses and Elijah, but I am telling you, that is Moses and Elijah. Daniel did not know God was going to show John the same vision and then you see John seeing back the same vision. Daniel did not know Malachi 4 was going to see the same vision, and then he was going to go to Arizona to meet the Angels and come back and say, "It is fulfilled," and explain these Things. Is that right? And then in the year 2004, here the Spirit and the Bride are bringing It back to your remembrance as you have need of It also. And Daniel still did not know It.

You underestimate what has been happening around us. That is when you don't know the Bible, and you don't know God. You would have been one of the happiest people on the earth to see the magnitude of His grace; to open the Bible and see Things that Daniel did not even know, and it worried him, and he prayed.

He said. "Forget it. Go, fall in thy lot. It is not for you," and God is telling you. And I guarantee you, This is not known in any organization on earth. And It is barely understood in the Message by the few that have the Anointing to go into the Word and find it. That's right.

⁶ And one said to the man clothed in linen,...

And then look again:

⁷ ...for a time, times, and an half; and when he shall have accomplished to scatter the power of the holy people, ...

Verse 8:

⁸ And I heard, but I understood not: then said I, O my Lord, what shall be the end of these things?

⁹ And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.

How was It closed up and sealed? Symbol form. It was not given to him. It was given in a symbol like Revelation, Book of Symbols. Why did He give It like that? It was not for everybody. "Lord, why are You talking in parables?"

"It's not for them, but It is for you."

That is why He explained the parable for them. Do you get what I am saying? That's why He said, when He started to reveal the symbols and what they meant, He said, "I call you, Bride." Because it was symbols until the blast and Seven Angels. He said, "Notice when the Seven Seals opened in Revelation 6, it was opening with thunder." When the Lamb left the Throne, it thundered: one blast of thunder, Seven Seals opened. He said, "How about when it is opened in reality form?" One blast of Thunder, Seven Angels revealing Seven Seals, 1963, by a vision: What Time Is It, Sirs? Is that right? My.

¹⁰ Many shall be purified, and made white, and tried; but the wicked shall do wickedly:

Look at Trinidad right here, while they are doing wickedly, there is a people being made white. There is a people being tried and made white (is that right?); good washing out, wringing out, drying out, ironing out, coming through the Bleach of the Blood of Jesus Christ, breaking up every molecule of sin. Is that right?

...but the wise shall understand.

...and none of the wicked shall understand;...

None shall understand, why? The revelation is sovereign. He will reveal It to who He will. But the wise shall understand...but the wise shall understand.

May the Lord bless the reading of His Word. You may have your seats.

Let us continue with Part 2, **“SEVEN THUNDERS, END OF TIME VISION”**. I just want to hold those Things before you, there, that you can see how this Age... and I was trying to show you on Sunday, something; that the Book was sealed up. In Daniel, part of his message was sealed up; part of the Book of Daniel was unrevealed.

God explained to him the interpretation of Nebuchadnezzar’s dream. Is that right? He said, “The head of gold is you, and the chest of silver is another nation that is going to come.” And he didn’t know who it was at that time; he just knew it was another kingdom. And then when the kingdom was revealed to him, the kingdom that succeeded Babylon—because remember, it was in Daniel’s time. He interpreted the writing on the wall, he said, “You are weighed in the balance and found wanting.” And that same night, the Medes and Persians took the city because it came down from the head of gold, one head to two arms, a dual kingdom; chest of silver, then it went down to the thighs of brass. And so, he knew, the kingdom was Medes and Persians that was the next kingdom to follow.

Then later on God revealed to him that the third kingdom was going to be Greece when He said, “That he-goat that is going to kill this ram, is the prince of Greece who is going to come.” And so, Daniel knew because the same way... Do you know that Putin [Vladimir Putin, Russian President -Ed.] is in Russia tonight? Do you know that he is the head of the – commander of the Russian forces? How many know that President Bush [George Bush -Ed.] is the commander of all the American forces?

How many know that Mr. Blair [Tony Blair -Ed.] is the Prime Minister in Britain, there? He is the Prime Minister of the British nation. How many know that Mr. Blair and Mr. Bush went to war in Iraq – deceived the people and went to war? They used the CIA [Central

Intelligence Agency –Ed.] and MI6 [Military Intelligence, Section 6 –Ed.] and all this... with all their schemes and they went and overthrew the man and took the oil? You know that. Do you realize how far that is from you where you live? But how do you know that? There is news. You read the papers, you hear it on the radio, you see it on the television; you see it in the newspaper. Is that right?

Well, the same way in Daniel's time, they knew Greece was a nation because some of the greatest thinkers on the earth were Socrates, and Plato, and Aristotle and they. And these men's knowledge of science, and learning, and these things were known in the earth.

How many ever heard about Einstein? [Albert Einstein: physicist –Ed.] Have you ever seen him? How many saw a picture of him that if you see the picture, you would know that it is Einstein's picture even though you do not see the name on the picture? Is that right? Because some of you read, you see things, and you know he was one of the great thinkers of this time. How many of you know Sigmund Freud was one of the great thinkers of the last few generations, dealing with the subconscious and the mind and all these kinds of different things? That's right.

Well, the same way, you go to school and you learn some of these things. How many know about Columbus? All right. You see you learn things. You see, I am saying that, I am not saying this for a joke. I am saying this to show you when you are reading this Bible, how is it that Daniel in Babylon is into a man (quite) in Greece, way in the west because Babylon is in the east? And they knew this military power was going to rise up, and he was telling them, "That power will break this nation one day."

And they said, "Ah, get away; how can you say that?" Because the politics didn't even... that kingdom didn't have any interest in that kingdom at the time. And that kingdom knew that they could not go to war against that

kingdom at the time. But the winds of politics changed; economies changed. There were disasters in different parts of the world; diseases hit different nations. Certain things happened that weakened certain nations and when they got weakened, they were vulnerable.

How many know that September 11th [2001 -Ed.] weakened the Americans, and they were very vulnerable there for a season? Now, why am I telling you this? I'm telling you this to try to help awaken you to show you, it is not a guess in this Hour with the Book opened. It's not a guess. The Bible tells you who the players are in the last days. The Bible tells you the nations.

That is why when men were saying, "Fear communism; fear communism." The Prophet said, "I am so sick and tired of hearing, fear communism." He said, "You do not have to fear communism; fear Romanism. That is what the Bible says." Why? He saw who is going to conquer the world, not communism, Romanism. He said, "If they only knew that was a tool, communism was only a tool that God raised up to chastise them like He raised up Nebuchadnezzar." See?

Now, here was a spiritual man watching the God of the Bible, and even though the Roman church looked like they are so interested in helping the poor, helping the unwed mothers, doing all these things, building schools, having businesses, providing services for people, blessing the nations, helping to keep the world stable in fragile times with the pope speaking to Catholics around the world (they have so many Catholics in every nation), yet the Prophet was looking at that and calling it 'the enemy' because he was watching the Bible. And yet that wasn't looking like a threat to take over America.

A man said, "How could the pope take control of America?" But they had that plan since the time the first boat, the Mayflower, left Europe to sail to the New World... [Bro. Vin greets someone -Ed.]; sailing them to the New

World (see?) for freedom of religion. They said those Jesuits walked off that boat.

Then in 1960 – from 1776 to 1960, here was a Prophet now, he said. “Look how she wormed her way into the Cabinet. Look how she got into the Senate and the treasury. Look how she got there, she is making the laws; she is controlling the money. She’s into the schools to control the minds of the children. Because why? He had a vision saying that that woman was going to rise up in America, and he knew those visions never failed. And he knew according to the Bible, the image spoke with the voice of the dragon. And he knew that image (Revelation 13:11–18) was the United States of America; the beast coming out of the earth. Do you get what I am saying? This nation is controlled by that nation. And the leaders of this nation and the economy of this nation are dependent on that nation. And the reason we have a little wealth is that our resources are bought by that nation.

Ninety percent of the people who travel and who are glad to travel, go to that nation. And all who are leaving their country and running, and want to get money, and everything is pulling them; it is that nation. And when they feel they went somewhere and when they feel that they are really on top of things, it’s when they have the money from that nation in their pockets. And then they measure every other nation by that nation. Do you get what I am saying now?

Not me, you know. That revelation forbids me from doing that. That is why even the American brothers in the Message think I am kind of anti-American from the first time I went to the States. They said, “What is wrong with you? Who do you think you are? You come here, and you want to talk about America?”

I did not know. Today, now, I know. Today I know when your life is born for certain things, Something holds you and keeps you and there is Something in your life that controls you, and you do not know why That

has you like that. Look at me, all of my preaching is outside of America. I do not go to America to preach. I stepped into America way back in the early 80s.

Now watch. We look here and we see prophecy; the Word coming to pass. Do you believe that these Things are going to be fulfilled exactly how It is written in the Bible? Now, when you know the Bible, there are Things pertaining to salvation. Did It come to pass? Was the Lamb slain in April? Did He die in Jerusalem? Did He rise on Easter Sunday? Was He the Feast of the Firstfruits? Was He the Unleavened Bread? Did the Holy Ghost come fifty days after? All the things that pertain to God's plan of salvation happened precisely, exactly.

Then if He Who is Saviour is also Judge, would the Things that relate to His judgment happen the same way? Are the Vials just as inspired as the Seals or are the Seals more inspired than the Vials; when God spoke the Vials He was not too inspired, when He spoke the Seals He was inspired? No, no. The whole Word from Genesis 1 to Revelations 22 is inspired; one God, one mouth, one mind, one thought. The entire Bible is the expression of one goal and one purpose God had in the back part of His mind. Is that right?

So then now, all these Things in Daniel and Revelation are Mysteries that were sealed up. In here and in Revelation, major parts of the Book are dealing with the nations, and the church, and the economy, and the military, and these things in the world. When He said, "I give them power to kill" – military. How does killing take place on a mass scale in the world? Military. When they make all these guns, who do they make them for? Military. It comes down on a consumer level, everything the military has: walkie-talkie, cell phone. They had this long before they started to make it on a consumer level. After they got more sophisticated things then they could put that to the public and sell them out. Do you get what I'm saying?

So, we are living in a world and I am continually trying to preach these Things because Something in me can't stay out of This. Today, I think I was catching something. I was understanding something a little bit. You see the world went through changes since 1965, with the going away of the Prophet until this time. When the Prophet was here, there was no big commotion in the world over, 'the earth is a dying planet'. Do you get what I am saying? That thing came in the 80s.

When he preached *The Uniting Time And Sign* [1963-0818 -Ed.] and he was talking about armies uniting, the world uniting, and so-and-so uniting, it didn't have any real manifestation of uniting. But he was a Prophet and he was seeing, afar off. He was seeing the cup filling before it was filled because he was watching the Bible. The Spirit on him was the Spirit that wrote the Bible. He was the Jeremiah again to say, "Babylon is coming and this whole thing is going to go to a lukewarm church world." He was the Son of Man saying, "When you see this, America here will get a bomb, and the Russians are going to come," and what they're going to do in this country and these things. That's right. He said, "If God chastised this already, He has to do the same."

And he was speaking about these Things because all these Things in the Bible were going to be manifested again in this Hour. Well, apart from those Things, did you notice how it started off with the kings in the kingdoms in Daniel 2, all these great kings and kingdoms, and the wars that were going to be fought in the earth, and that bear devouring the other beast and had three ribs in his mouth, and this he-goat coming to kill this ram, and this lion with eagle's wings going forth quickly in his conquest and so on? And it seems like the Book is just taken up with kings and kingdoms, kings and kingdoms, kings and kingdoms but when the Book is ending – and some shall rise up, and some shall be made white, and some shall understand, and some will

do great exploits; (do you get what I am saying?) the Elect, those names that are in the Book.

And he was speaking and showing (not giving too much emphasis and not spending too much time, but yet not leaving it out) that in the midst of all these kings and kingdoms, and all that Rome is trying to do, and what America is going to do and different things, there is a people preparing for the Rapture; there is a people getting ready for the Resurrection. It's there in the Book. There is a people being made white. There is a people with a quick short Message. Is that right? Did Ezekiel and Jeremiah and Daniel and they have it at the beginning of the Gentile dispensation? Did Shadrach and Meshach and Abednego have faith for the Supernatural? Did Daniel have faith to shut the mouths of the lions? Did they have faith to quench the violence of fire? Did Daniel have the wisdom to interpret dreams and unknown language? Is that right?

It was God talking to them, in the midst of all this Babylon becoming the superpower in the world and enslaving people, and building up an image and bringing people into a false worship. Was there a supernatural church in the minority (that's right) with the gifts of the Spirit, with faith, with conviction to stand for the Word? Not like the Pentecostals who cannot stand for the Word but they want to operate gifts. It showed them standing for the Word first; it showed them separate from the unclean thing on the king's table, first! It showed men in prayer. It showed men reading about the faith of the fathers and understanding the mystery of the temple and the worship and these things. It showed men who will stand with conviction in the face of opposition, who refused to be intimidated before they walked into the fiery furnace; before they walked into the lion's den. So it wasn't a super-duper thing. It was men that grew up in the Word.

Then isn't it again, in the midst of all this superpower, intercontinental ballistic missiles, MOAB (mother of all bombs) shock and awe bombings, in the midst of spy satellites, in the midst of all kinds of high electronic listening devices, monitoring email, monitoring telephone calls, monitoring everything, "Big brother is watching you," in the midst of all that, in the midst of Star Wars and special shield to protect the nation (Homeland Security) and terrorist bombers and everything else, there is a people walking with the Mystery, flying across the world, speaking the Mystery: how Noah took a people out, raised them above the judgment? Amen.

While all that is happening there with the natural scientists, there are spiritual Scientists, breaking into the spiritual Realms and coming out with Mysteries that were sealed up in the Bible, interpreting things; hard sentences. If the man of sin with the Devil's anointing could interpret hard sentences, how much more when those Eagles in the last days, sons of God, begin to catch those Mysteries, never understood, but now being revealed and made plain among the people?

If scientists are going out and they are lifting the people's communication, and giving them faith to operate with greater capability, with gifts that they're pouring out—because these men had access to the Tree of knowledge, and they used that access to their full advantage to benefit the people that they wanted to empower.

You see a man, brother, he is losing business; he is losing money because he can't communicate fast enough. If he has a phone in the car, he will not have to wait until he goes home; he gets caught in a traffic jam; blows a tire, hits a person, ends up there, and loses a whole billion-dollar contract. Business collapses that that man built up for all those years because of one flat tire.

Hostile takeovers – is that right? But those scientists see the needs of the people in the kingdom. Amen. They see enemies coming into a nation, brother. Stealth [an aircraft designed to avoid detection –Ed.] operating, breaking the power in that nation. They said, “No, no, no. We have to have surveillance.” Amen. They started to develop things to empower the nation, so the nation will be protected. They studied the weapons of their enemy and they said, “We can go a rung higher.” And they went into their laboratory and they came out with more sophisticated and greater weapons with greater capabilities. They came up with planes that could fly under the enemy’s radar. They came up with equipment that could jam the enemy’s communication to give them advantage. Why? In battle, in business, in their social life, a man doesn’t have to sit down there and get influenced by one person’s ideology.

They gave them five hundred channels. Amen! Glory be to God! Think of it. And these people, from the time their scientists come out and say, “Something new has broken,” they say, “from next week, you will have a Palmtop [hand held computer –Ed.] in your hand. Your watch, you could download all your emails on your watch.” Brother, you don’t have to wait until they get you, and you can’t talk in the office, and so on. They can send it right to you. They know you are busy, they know you are in a meeting, they know you need certain things right away; they have it there for you.

And these people, when it comes out, they watch that price and they know, “I will have to pay a price to get that; otherwise, I will live in this realm with the old thing, but I have to be loosed. I have to move into a greater capability. I have to operate in a greater sphere with greater power. I need to use it but I cannot find it, but I have a scientist who could find it for me. Hallelujah! He was born to be a scientist and I am born to be a businessman. And my scientist could find it and open up a new way for me, so that I do not have to be,

you know, just frustrated that these people have moved up on the internet. They have a global market; I am here in a corner, nothing is coming my way. They're even building a... They made the street one-way, so people cannot even find... they find it's a problem to come down in my lane now to buy something from me. All my goods are on my shelf. I am only seeing FedEx vans, all kinds of things coming to other places. They are in touch with all around the world. What is going on here?"

And heads of companies just like heads of churches, they start to realize, "No, no, no, I am going to empower my company. I am going to give the people (the members of my company's body) I am going to give them sophisticated tools to operate in that they... I will teach them how to operate, how to use the gifts that the scientist had access to and opened up to them."

Oh my! Wasn't the Prophet trying to teach them how to use the gifts? He said, "Bro. Neville, don't you do that, you are going to get yourself into it. Do not let people force you to prophesy."

A girl came with a dream, "Oh, Bro. Branham tell me my dream?"

"Honey, I don't know it." She was disappointed. He said, "Come here, honey. You want a super-duper." He said, "Bro. Branham is not a super-duper. If God doesn't reveal it to me, I can't tell you anything, but I am going to wait. I am going to pray and ask Him because I don't want to say something that is not right and then, you can't have confidence in me when I have the right thing." He was teaching them how to use their gifts. Is that right? Glory be to God. He said, "Go in the room and sit there and wait, if God has something..." He told them they had to die out to themselves. Not in-between the service, as they feel a little anointing in the flesh, they jump up, "Ashalabama, ashala...!" [Bro. Vin imitates speaking in tongues -Ed.] No, no, no.

He said, "Go in the room and wait. If God has something to say to the Church, He would say it. Then

get two people to judge it too.” Is that right? Oh my! Why? Because they were still babies, they were still Pentecostal babies. They were coming around the tabernacle, but did not know what kind of man was standing in that pulpit. They were coming with their little chicken anointing. They were coming with their little chicken spirit, but they realized that there was a different kind of anointing there. Amen. Glory.

He was seeing a church in the last days is going to come, and She will be a Super Race as She nears the Headstone, and he was kind of sowing seeds for that. He said, “Look at Oral Roberts and Billy Graham.” He was not interested in the crowds, and how many people they were getting, and how much money they were making. He was not interested in that. He was working in a line of the Spirit. He said, “They are planting for the World Council of Churches, but I am sowing seed for the Bride. I am looking for a Super Church. I am watching Paul. I don’t care if I go to their country and don’t get five hundred. I will go in there and get one, like Paul.” He said, “And with that one, next time I come back, I’ll have thirty. And next time I come back, I’ll have forty and fifty.” Yes, sir!

He said, “Billy Graham was shouting about his thirty thousand, but when he went back, he couldn’t find thirty.” He said, “I do not want that. They are not taking them anywhere. He makes them put up their hands and say that they are saved. I want to bring them through the Word. I want to let them lay down and die, they have to rot. I want to take the knife and circumcise and cut away the excess flesh; bring them to know submission as in the Bible.” Yes, sir! Can you believe your Scientist?

If natural scientists have changed the world, if natural scientists have access to the Tree of knowledge, you tell me what Tree bears that Fruit? The Baptist tree? The Methodist tree? The Jehovah Witnesses tree? If you eat of all those trees you will surely die, but there is a Tree that dropped down in the Garden. Hallelujah!

He dropped down in Satan's Eden. As Satan was in God's Eden, this one dropped down in Satan's Eden and the tree is in the branch... the Fruit is in the branch and it is bearing Fruit.

He said, "I can't bring a Methodist message. If this Tree here bears a Jehovah's Witnesses message, you have bad problems. If this Tree bears Methodist message, you have bad problems." He said, "But this Tree is bearing Seven Thunders. Amen. If you eat This you will be changed, you will put on Immortality; you are going back to a Faith Civilization. If you want to go to a Faith Civilization come to this Tree. You want to live in this world, go to one of those trees there." Amen! My!

It was happening, it was happening; it's happening! A man sees that cell phone, he says, "I don't understand that: one minute I am trying to make a call, it is playing a game; you mean to say it has a phone book inside there? You mean to say it has games inside there? You mean it has about fifty chimes inside there that I can use for a ringtone?" He said, "You mean to say, brother, I can get emails inside here?" He said "No, I don't believe that. You tell me I can take a picture with this too, it has a built-in camera here?"

He said, "What do you think; they stayed where Alexander Graham Bell was?"

The Spirit taught them further on the Truth. Look how much the spirit taught them further when Alexander Graham Bell brought out that. Have you ever seen what the first phone looked like and the first camera? Try to put the first camera on the first phone. Could you do that? You see, this is the thing. This is the thing. You are watching the children of darkness in a kingdom of darkness, with evil scientists bringing out things for them, giving them things, and brother, they are advertising the things. Have you ever noticed how they are always walking and talking?

They stick it here. [Bro. Vin points to his belt on his waist -Ed.] Even the Christians too, they stick it here, and they want to

display that when they walk in here. They want people to see that thing there. And sometimes they have nothing to talk about; they open it here. [Bro. Vin imitates someone taking on the phone -Ed.] They sit there, (tick, tick, tick, tick) texting. And sometimes there is no picture worth taking, but they want to show that there is a camera inside of it. They pull it out (*pax!*) and they take something. Do you get what I am saying?

They love the thing. They like the thing. They are proud of the thing. Their scientists gave them that. A man spends his life in a laboratory trying to empower them and when he brings his thing out, brother, they have to have it. From the time they start to understand what that was designed and given for, they say, "Wait..." And let me tell you, children in Junior Secondary and even children in Kindergarten have it. "Mommy, you know there is a bomb scare in school, come and get me, school is over."

"Coming, honey, coming, coming."

She has on pampers, you know. She could barely talk, "Mommy, there's a bomb scare."

Cell phone, one touch, and it dials straight home. They programmed it for that. And then the big executive; brother, he is overseas and he is roaming. He has 'roaming' [mobile network that gives you access when out of the range of your internet provider -Ed.]. He gives orders and instructions in the office on what to do.

I sat down here and saw, at the beginning of this year, when the Holy Spirit went under the Easter Seal and began to pull out some of those Mysteries of how you are going to be changed. He began to show the time and the season, how the cycle came back around. And then in that same season, I saw all those little toddlers come down here and they stood up [Bro. Vin demonstrates -Ed.], but do you know what came out of their mouths? *We Too Have A Theophany*. [Bro. Vin sings #823 Songs That Live -Ed.] They are singing the same thing; they sing the same thing. They sing the same thing. So, don't we have eyes to see

anything? We have no eyes to see. We are watching. We can't see anything. You kind of figure, "No, in the Sunday school, they teach that there."

Then you turn around and watch, like, a big man or a big woman, and you're there, and you're vexed. Your wife was supposed to meet you in a certain place and she did not come to meet you or something was supposed to happen, and you did not get the communication, and you are trying to ring home and you cannot get through. You are in a zone where you cannot communicate and it says, "Your call party does not answer." You know that. And you are flusterated; you are flusterated. Sometimes you almost curse TSTT, "You are strangling us, one Telephone Company, we can't move. You can't serve everybody and you have us suffering here, and you're charging – your rate is so high. You shut out all the other competitors from coming in." You see?

Then spiritually, spirituality you want to be in a place, brother, where you could say, "Father, would You give my wife a nudge; put it in her heart to call me at this time, Lord? You could talk to her, I can't." How many know that Angel beat the telegram by twenty-four hours with Doctor Bosworth? How many know that Elijah knew what was going on in the king's bedroom? How many know that was accessible to believers under the blood of bulls and goats? How many know the real fellowship with God is through the Blood of Jesus Christ? Communion, communion; close, intimate communion.

That is why I am saying, "Pray for revelation. When your eyes open, you understand God is trying to say, "Watch where the natural people in the world are. How did they get there?" You know, people are saying, "I am not using any computer, I can't understand it. I'm afraid that might blow up. I heard the Beast will control me with that?" Church, that's where we learn. They have to get re-educated, but they don't want to die out to the

old concept and get the mind adaptable and filtered to a new realm of thinking.

When they come out of the Baptist, and come out of the Methodist, and come out of the Jehovah's Witnesses and they come into the Message, "I am only blessed when I hear Jesus died for my sins and He forgave me and all my sins are gone. And I especially like to hear it when I'm down. Tell me I am justified. Please somebody come and preach on it. Tell me that God doesn't look at my sin, please."

And then the church would have the biggest revival when somebody comes and says, "God forgives you. There is no condemnation. Your name cannot be blotted out." They just don't want to know how they will be judged so, "Say something nice that could kind of help me know that I am not going to hell." No, no, being in the church has nothing to do with this.

When you see how they have faith in their thing, when you see how they are willing to change and cast down their own ideas, and tear them up to come into something greater than what they had, when you see how they have faith in what their scientist says, "Take that and use that, you need that, that is going to help you," and they cannot even see and understand that.

Then somebody has to come and teach them, and they have to take a course to learn even how to use the gift. They give them a camera, they give them a cell phone, they give them a laptop; they give them a Palm Reader. All of those are gifts, you know. Those are gifts that empower them and raise them on another level; give them a greater capability. And those gifts come by scientists breaking into a realm, into a new Age, and bringing on a new Age.

Alexander Graham Bell had no phone in his pocket. Do you get what I am saying? Benjamin Franklin saw some lightning and got it in a bottle, but Thomas Edison broke beyond that. Because God was not saying, "Nobody will be as great as Alexander Graham Bell." No,

no, no. Alexander Graham Bell was saying, “I did not live long enough,” he said, “but men will rise up and make more sense to what I am saying here and one day, you will know what is going on because the Spirit will teach you further on these Truths.” Do you get what I am saying? And when the Holy Ghost comes into the Church and begins to teach further on the same Truths, people are not shaken up and don’t know what to do, and they’re getting fearful and bent out of shape, when God is trying to take them further because they have no concept of reality, just institutionalized.

God is looking for a Church that is flexible, not those old, dry parched trees, no leaves, and the wind is blowing through them and they are going, (*wooah, wooah*). [Bro. Vin makes an eerie sound –Ed.]. As the Prophet said, sounding like some graveyard. But brother, where the tree was soft and green, and it had leaves, and the breeze started to blow, and the mighty rushing winds began to be still, it had some reviving. Amen! Glory be to God in the Highest! Now, I get stimulation with revelation. That’s right.

So while all of that is happening in that realm, and men are coming out with those things, and brother, they go out there and they set up their satellite, and they set up their computers, and they create a theater, and they’re guiding their bombs, and their plane is operating under the radar, and men are going up there and jamming their communication, and they’re taking... they’re conquering the enemy, they are doing it in the natural realm, fighting natural war for natural achievement. But with spiritual battles, with spiritual Scientists, men who have access to the Tree of Life, moving the Church up – Luther moved the Church up where it could fight Catholicism, and Wesley moved the Church up, brother, where it could deal with Anglicanism (yes!), and the Pentecostals, they raised up to deal with that old Methodist starchy thing.

And then a Prophet came and moved the Church up to get them past, beyond all denominations, all organizations, giving them faith for Rapturing Grace, bringing it back to an Apostolic Church, a sin-free Church. And God still has the same objective tonight to keep moving the Church forward, keep moving the Church up; moving it up. The people's eyes have to open. Some of the people's minds have to expand, and their faith has to start to get operative.

I wonder if you were a Catholic and you walked in there, in one of Luther's services and you heard him one day, two days, three days, four days, five days – after going to church by Luther for six months and you can't come up and say, "God is revealing to this man, justification." Do you get what I am saying?

If you go to the tabernacle for six months and you say, "Wait, Bro. Branham is a different preacher from them in the denomination, you know. God is revealing Things by him; this is an Angel in the Pentecostal Age. That man is finding those Scriptures in the Bible. Hey, that man is freeing the people from organizations. He put them in a New Age," you tell me, you are coming along in this church and you don't understand what is going on all these years? Do you get what I'm saying, now?

These kinds of messages you don't want to blow through quickly. This is to sit down. You say, "My goodness, is that what that man is saying? My! That's what is supposed to come between the Gentile Prophet and the Jewish prophets? But ... if I'm Elect, this is for me. God has made this available but I don't use this. I have to learn to operate This because This is sent to empower me."

How do you relate to It, "Service was nice, boy"?

"What did he preach?"

"He was talking, something about scientists last night. I can't remember it too clearly. He was kind of typing "Tree of Life and Tree of knowledge; ..."

“Where the Carcase is, where the Carcase is, there, will the Eagles be gathered together.” An eagle wants to fly, an eagle has amnesia, an eagle thinks he is a funny chicken but under that screech, he is going to discover he has a law. He is going to understand sovereignty, foreknowledge, election, predestination. He is going to understand he would be able to rely upon what God made him. He will begin to recognize his position in the chain of birds; the chain of birdlife. Do you get what I am saying? He is going to wake up and know he was never a chicken.

He is going to start to understand his misunderstanding. And the same way ignorance had him earthbound, knowledge now is going to make him airborne. Did you get that? Ignorance had him earthbound with a law to fly. Ignorance had him earthbound with the best eyesight. Ignorance had him earthbound, listening to a hen when he is an eagle. He is at the top of the chain. Do you know what is the difference? He heard a Voice. He saw one who was not on the ground, hopping around, and trying to play chicken. He saw one who was flying, making cartwheels, back-flying, all kinds of things, diving, just gliding, then changing speed and he said, “Wait, wait, wait, birds do all of that?” Yes, sir!

You know I’m happy, right? You can tell when I get happy. I’m happy, I can’t help it. Do you see what gets me happy? Revelation, stimulation, it gets my faith charged. My!

That’s one little thought there. And I was saying that just to help some, so I don’t carry the message too much into the kings and kingdoms with the Beast, and all the politics of the nation and interpret that for you. I said it in-between there: and many shall be made white and be purified and the wise shall understand, and they will rise up and come to the resurrection because they have to go, and their names are in a Book. And when that Angel comes and that Angel stands on the earth and

Seven Thunders utter their voices and reveal time is running out, they are going to receive deliverance because that Angel is coming to deliver.

That Angel (and Michael shall deliver) He is coming with the Book. That's the Redeemer coming with the Book of Redemption, in the Day of Redemption, to gather the Redeemed whose names were put in the Lamb's Book of Life before the foundation of the world. Why? They have to go into the Millennium. When He comes on this side, Revelation 10, that's the Redeemer coming with the Book of Redemption to gather the Redeemed, who will sit with Him on His Throne because they have to go into the Millennium.

This world is falling apart, the Millennium is being ushered in, and He is saying now, "Shalom, the breaking of the New Day." He is going back to the Kingdom.

That is, "Lord, when will Thou restore the Kingdom?"

He said, "Remember you all always wanted to know that; you all see Gentiles ruling you all these years?"

Brother, when He drops down, the Lion roars, they know, Kingdom time. He is bringing them from Mount Sinai to Mount Zion. He is putting the Father's Name in their foreheads. The Name that was written in the Thigh, He is putting it there. He is taking them back all the way to Jacob, and showing them their place in their inheritance. He is taking them back to Deuteronomy 23 and showing them, Moses and Jacob blessed them. He is taking them up into the zodiac, and showing them that they are up there like with Joseph. He is bringing all of them through the Bible, in Daniel, in Genesis. He will take them all through and loose them completely as He did for us.

The same way He found us, from Eve all the way to the last Bride type; drops down in the Old Testament with Esther, the last one; drops over to the New Testament and starts with Mary, all the way to the Bride in the Bride Age, the same way He will drop down for

them and pick them up down through the Bible again, under their Seventh Trumpet.

I think I might leave that for Sunday, my notes. I don't underestimate Him. In five minutes, He could make me say It all. Let me just kind of stop here. I have a few comments left.

This Book of Daniel and Revelation, as I said, "Read It." Even though you don't understand It because It says, "Blessed is everyone that reads It." The Prophet said you are blessed just to read It. He puts it in there. Do you know why? That is the last revelation of Himself. That's the last will and testimony of Jesus. Here He is, the final revelation of Himself: Eagle, Lamb, and Lion; Prophet, Priest, and King; Son Of Man, Son Of God, and Son of David; the Lord Who is, was, and is to come, revealing the Sevenfold Mystery of Himself in each Age: He, Who walks in the midst of the candlesticks, He Who was dead but is alive, He had the Morning Star. He, Who has the sharp Sword out of His mouth; He gives the revelation all through the Ages. He gives the complete Mystery of Himself.

That has come through the Ministry of the Seventh Angel. The Seventh Angel's Message was to reveal the Book of Revelation, starting with the Church Ages; went to Daniel's seventy weeks, went to the Seals, and could not go further, so he leaves the rest sealed up in the Message. Trumpets, Vials, Thunders, all sealed up in the Message. He said, "I want to come back with the Seven last Thunders, Seven last Trumpets, Seven last Vials to tie It together to follow the Church Ages and the Seals, to make the whole Book open."

Then he slips inside of there, three prophetic dreams: "I will ride this trail once more" inside there, August 1965, when he went out to meet that Seventh Dove and then went Home into Glory. Any man that has those Thunders must reveal all the Word. He must open those Trumpets, those Thunders, those Vials to follow the Age with the Seals to show what Daniel is, and what

Revelation is. It is impossible to find It and preach It anywhere outside of Daniel and Revelation.

Now check this because Daniel and Revelation are the two Books that hold the Mystery. I am just making some comments, and close. I am closed, but I'm just making some comments to stop, to bring you down a little slow. You know when you are up thirty-seven thousand feet, that plane has to come down, and it comes down slow, slow, slow and then they bring you back down to earth. If that plane falls out of the sky, I tell you, it's trouble but a good pilot brings it down slowly. Amen.

So watch. Daniel's vision is revealing Nebuchadnezzar's dream. The Book opens there, but the Book ends with Seven Thunders. Check this. It opens with what? A Mystery of kings and kingdoms that is going to take place until the Faith Civilization comes back; until the Millennium is set up and lion and lamb lay down again, and man doesn't need these kinds of clothes and these things; man doesn't need this kind of food we eat, man doesn't need this kind of house anymore when that Kingdom, the Stone cut out without hands that is going to smite the image, in the days of the ten toes of iron and clay. Head of gold fulfilled, chest of silver fulfilled, thighs of brass fulfilled, legs of iron fulfilled; toes of iron and clay fulfilled, and is still being fulfilled. But now, the kingdom is weak because, iron and clay, part is soil, it cannot mix. And the world is again falling apart, a fragile world, but a strong Kingdom is coming in. A strong Kingdom is coming in. Do you get that?

He said, "Pray, Thy Kingdom come. Pray, Thy will be done on earth as it is in Heaven." And to the last Age, the promise is: "You will sit with Me on My Throne." That's us. And He calls Himself what? The Amen: it is finished, so be it. The God of Finality (the last Age, the last revelation, the last Messenger), He is finishing it up. He is revealing Himself as the Amen, in the last Age. The

God of the unfailing promise, He will bring It to pass again. The Age of the quick, short work; all the Ages were long Ages but this one will be quick and short. Why? Because when this Messenger appeared, Israel was in the homeland, the Church is in Laodicea, and the world is in Sodom; the ecumenical move is going on on the earth, it is uniting time and sign. Rome has, about, captured the wealth of the world. Israel's history in the days of Elijah is repeating itself; a scientific Age as it was in the days of Noah, an immoral Age as it was in the days of Sodom (perversion). That's our time that we're living in. But inside of there, God came to Abraham, Abraham knew what the Coming of the Angels meant.

Angels came to Elijah and Elijah knew what the Coming of the Angels meant. Angels came to Jesus and He knew what the Coming of the Angels meant. How many know that Cloud received them in the sky? How many know it was not a water vapor cloud? Is that right? How many know all the Old Testament saints went up in that Cloud? And when Malachi 4 saw the Angels, he knew what the Coming of the Angels was for. Is that right?

That's the Thunders, friends. That is we're running out of time. That's bringing it down to the end: "The one shall be taken and the other shall remain."

"Where Lord?"

"Where the Carcase is, there will the Eagles, be gathered together."

Why are Eagles gathering? They are getting ready for a flight. When they begin to swarm together, they're getting ready for a flight.

Watch. So, Daniel starts with the kings and kingdoms. Now, we know after that first vision, that was a Mystery, it was in symbols. Then, later on, he saw four beasts coming out of the sea, same kingdoms; nations again. God was showing this man what is happening in the earth because, what God is doing... the reason the

Bride has to get faith to go out, do you know why? The nations are bringing it to a place to enslave the whole world. The nations are working to bring it to enthrone Satan as God.

The princes of the nations are Satan's angels, who he deceived in Heaven, that they have come down when he said, "I will be like God." And he has worked for six thousand years to build his eden. They are his architects and engineers and everything else. He said, "Those spirits are in those men, and look how Lucifer is building a kingdom trying to outshine Michael." Is that right?

So the reason that we have to go out, is that the nations are realizing and saying, "It's the Age of terrorism. We don't want people who are looking suspicious. We don't want anyone operating outside of our laws. We consider church is church, and we don't consider it a church without laws. And there is no negotiation, there is no compromise, who doesn't bow will break." That is the nations. Except you take the mark, you can't buy or sell. It comes down to that place. What is it? Enforcing their will upon the nations; it's changing the world, changing the world.

So if that is happening in that time, while all that uniting is taking place, God is saying, "I better unite. I better start to unite My people," and, "I better unite with My people." Martha heard and she went and got Mary. Martha united with Jesus. Is that right? Then Martha went and united with Mary, and then Martha and Mary united with Jesus. And then Jesus and Martha and Mary went down to unite with Lazarus. Is that right?

He said, "While churches are uniting, businesses are uniting, armies are uniting, nations are uniting," he said, "all the world could see that, but there is another uniting taking place; an invisible union (is that right?) the Bride and the Word uniting to bring back the oneness, that the Head is coming to the Body in the last days." Men and women will walk with the Intelligence.

Why? Because the great threefold secret in the back part of God's mind is open, and the purpose of the Messenger was to take It and put It now into the heart of the Bride for this is the Secret: the Word is in the Bride as Christ was in Mary. And in that Day, you will know I in you, and you in Me. That is God's plan to do that. That's God's plan to do that!

That's why you don't sit there and try to call yourself Elect, and you don't sit there and be satisfied with just coming to church. You say, "Oh God, reveal It to me." Because "Upon this Rock, I will build My Church and the gates of hell shall not prevail against it." [Matthew 16:13 -Ed.] Because these Divinely revealed 'Mystery-Truths' will literally turn the hearts back to the faith of the fathers. This is where the power is. The power is locked up in the revelation because there is no prevailing power as the revelation of His Word.

May He give us life-giving, continuous; continuous and prevailing revelation, by which we become the Living Word made manifest and do the greater works. Think about it. But first, how can we get that? We must have a passion to know the Word; must have a cry to reach out in the Spirit, and a fervent desire to please God. It is not going to come any other way.

Look at Daniel and them. Daniel had a passion to know the Word, "Lord, when is the time?" He had a fervent desire to please God. "I will not defile myself with the king's meat," and he could reach out in the Spirit and say, "Come on, let's go and pray. We are not going to die because of some foolish magician who can't interpret anything. They don't have the real God. We have the real God, and we have access to our God through sacrifice." (Look at Job and all of them back there, "Come on, brothers, let's have a prayer meeting tonight." Amen!) And Daniel came back out with not only the revelation but also the interpretation. Is that right? It is time for those Daniels to rise. It is time for those Daniels to rise in the last days.

Then God gave further vision with two other powers. Do you know what God was doing? God was tracking the move, of how the politics among the nations was going to... how Satan was working through it, to enthrone himself until it came to the little horn; until it came to the little horn. God was tracking how the politics in the world was working because it was Satan in his own kingdom. It was Gentile nations. It was kingdoms of the world, but it ended up with a man who was going to be the Devil incarnate. Just like in the Old Testament, it worked through the Church and it ended up with a Man Who had the fullness of the Godhead bodily; God, dwelling in a man.

Did God come down through David, come down through Joseph, come down through Moses, through Abraham, through Isaac, come down through Job, come down through different ones until He ended up in Jesus? That's right. That's right. That's right, friends. So when you watch the nations – because we are part of the nations. We live on the earth and the nations are on the earth and it's Gentile nations. And a Gentile Prophet came and prophesied. The Gentiles never had a Prophet before and when this Gentile Prophet comes, the whole Gentile world is to be burnt. And this Gentile Prophet is going to finish the Mystery of God, and has! How could I know these Things if he hadn't? You see?

He said, "I will give you sermons that you can dovetail all Scriptures. I don't have time to dovetail all Scriptures, but you will dovetail all Scriptures. I'll give you sermons. The way I speak, I'll speak It a certain way, and the same Spirit of Truth will come back around and show you what I'm doing here. It was that that I was doing. It's that, I was saying. I wasn't preaching a sermon. I was not giving you a title just 'for so' [to give it –Ed.]. I was posting, I was marking, I was giving junctions. And when I came back sometimes and I explained my ministry," he said, "I was showing you at what stage (present stage of the ministry) because my

Ministry was Jesus Christ's Ministry and it is going to end up in Resurrection."

Under your Seventh Trumpet, what do we have? Resurrection. Under your Seventh Seal over here, what do we have? Resurrection. 1st Thessalonians 4, Revelation 10 is the same thing; there is Resurrection there; Easter Seal, Resurrection, Open Book. Is that right?

These things are plain. And then while all of this revelation to the Church is coming out, Jeremiah and they said, "The lion has left the thicket. He is going up there. He is laying the siege to break Jerusalem. He is seeking this nation. When he takes this nation, he will conquer all trade routes. When he captures this wealth, he'll hold the wealth of the world to become the head of gold." But Jeremiah also said, "But you all are going out at a certain time too," it was in his message, laying there for a time and season for them to find it. And the Holy Spirit led Daniel right back into It, in the hour when they needed to see It to know the time, and to know how to behave and prepare to go out.

It amazes me how night after night, after night, for years God does this. I can hardly ever think of one time that God did not do this. God was showing Daniel the future, even before it came to pass. I was telling some of the brothers, I said, "Do you know such a strange thing that happened; people were coming and telling me—or awakened, they said, 'Hear this. When you were preaching these messages on *Predator And Their Preys* and *Planned Genocide* and these things, it's like you were not preaching from hindsight, you were preaching from foresight. And as a matter of fact, you were going dangerously into places to say things on what they were doing, even before they did it. And then look – after the Woe when we looked and we saw what had happened, we realized that you can't take Scripture after Scripture guessing.'"

You don't guess with Scripture. Scripture has to be inspired to come together. You could guess if you are not using Scripture, but if you go to the Bible, you can't guess. And then if... Wait until I have a little message I want to preach on. I was sharing a little insight with one or two of the brothers in the background when I came from New Zealand. One day He just came over me and said – He spoke about three/four words to me. I said, "That's in the Bible." I said, "That's in the Bible." I said, "That is 1st Kings." How many know the Bible You go in the message, I have the message set for this week because I was still watching and following all these things that were happening on the earth.

Sometimes it bothers me. Do you know why it bothers me? I am saying, "I am not living out there. Nobody is doing me anything, and I'm not living in America. Why is this thing bothering me?" Do you know why it is bothering me like that? It must have a Voice. God could not let the Babylonian army come in, and Ezekiel and Jeremiah stand up and watch them. God could not let Titus come in, and Peter and Paul and they, seeing what was happening know Jesus said, "And Jerusalem shall become compassed with armies," and, "let not your flight be in winter and neither on the Sabbath day," and these things, "and they shall dig a hedge around you," and so on.

Jesus gave them national signs. Jesus gave them signs of national disturbance. Jesus pointed out the power. Which power? He did not talk about the Greeks and the Egyptians. All those powers were on the earth, but they knew the power, according to the Book of Daniel that Jesus opened to them. Do you get what I'm saying? They knew which power was suppressing them and watched the power in the earth. And then Paul and they who taught It, said, "Remember when I was with you, I told you these Things, how the man of sin will rise in the temple and so on?" [2nd Thessalonians 2:3-5 -Ed.] Those things were taught in the early Church, friends.

He was in Thessalonians for three months and he had already preached the Seventh Trumpets in Thessalonians. In Thessalonians he preached, Threefold Mystery, when Jesus came with His mighty Angels in a flaming Fire. In Thessalonians, he preached Glorification. He preached, Shout, Voice, and Trump. How do you read your Bible? Is It open? It is open.

In the days of Noah, people did not know it. They knew it not. In the days of Sodom, they knew it not. In the days of Jesus; the Jews knew it not. If only they had known the day of their visitation. In the last days, they know it not – *And Knoweth It Not* [1965-0815 –Ed.] – but you know, but you know, but you know. Seven Thunders is to wake you up, not just to feel the pull of the Hour, but to wake you up and say, “Watch his move; watch his scheme. Watch his disguise. Watch how he is hiding, Watch the inroads, he is coming in. Watch how he is breaking the Caribbean nations. Look how he is changing the world. Look how he is bringing on a New Age.”

People don’t even realize the world has changed around them. I have been preaching that over and over and over, trying to say, “Watch the Information Age; the Age of Globalization.” You see the Prophet never called it Globalization because they did not have that terminology as yet. The Prophet never used the word ‘internet’ because he did not have the word yet. So when they come with these words now, people are lost. They can’t find that in *Uniting Time And Sign* [1963-0818 –Ed.] – intellectual minds. And when you look and you see, the world changes around people.

Every nation is being broken. How could Elijah and they watch Ahab and say, “Look at this man ruling this nation, this whimpering man who can’t even make a decision, doesn’t have a little backbone, wishy-washy.” Brother, when you watch Caribbean leaders (think about what I am saying) brother, you find from Jamaica all the way down to Trinidad; see if you find a man in

the Caribbean, in some country who has a global vision, making a stand, having conviction or something.

“I am expecting you all to stop your nonsense and recognize the interim government in Haiti. It is not your business to meddle whether we move him out, kidnap him, or anything. We control the world. Behave yourself. If we say we are not buying one drop of oil from you all, we have reserved and we will go and take another nation. You’ll sit down here and you’ll see you slump, and you’ll see what will go on in the streets, in a few days. You’ll see how many stores will close down in a few days. If you misbehave, we will bottle-up Chavez [Hugo Chavez: President of Venezuela –Ed.] and we’ll send him and tell him, ‘Take Trinidad. They lived on your overflow for all these years.’” Do you read the Bible?

It’s the same way that people cannot envision the Roman Catholic church taking the whole world. He said they can’t envision it. Though at the opportune time, they’ll do that and they’ll see how strong that control is. You have to know it by the Word. The only way to know it is by the Word, and that’s why this Message wasn’t just a justification and a sanctification and an operate-one-or-two-little-gifts-Message. This Message is the Opening of the Thunders to reveal the End-time prophecies that Daniel and they saw afar off, but the history, they weren’t going to live long enough, and the history was not going to be made while they were alive.

Now the history is being made. It didn’t have a nation named America in Daniel’s time. It didn’t have one named America in Jesus’ time. It didn’t have one named America in Paul’s time. It didn’t have one named America in Luther’s time. Do you understand what I am saying?

In the United States of America, 1776, the beast rose up from the earth: Revelation 13, thirteen stars, thirteen colonies, thirteen stripes (Revelation 13). So Daniel was looking and seeing. It didn’t even have the Seventh Angel as yet because the boat hadn’t come here

yet. He would either have to be—Geronimo was his father or something. But his father was an Irishman. It was not until the immigrants came, and the child was born, 1909, 5 o'clock, in the morning, April 6th that it was then, there was one to rise up and catch the mystery and open Daniel, open Revelation, and reveal the Thunders.

When he comes on earth, all the Scriptures in the Bible for the End Time are already coming to pass because he was coming to reveal. God gave him visions of four beasts, just like He gave Daniel four beasts. Did you hear what I said? Italy – Fascism; Germany – Nazism; Russia – Communism; America – Capitalism and behind them, the Roman power. God showed him four angels in the river Euphrates: Hitler, Mussolini, Stalin, Roosevelt. He showed him. God showed him the fourth Beast of Daniel as a woman; the same dreadful thing was that beautiful woman, rising in that land, the Roman power.

I'm saying that too fast for you today. God showed him. He talked about the Siegfried Line that the Germans built. He talked about the beating the Americans took when the allied nations were trying to deliver the people from the Nazi Genocide. [1964-0726E Broken Cisterns para.52 -Ed.] Because those four angels were loosed to do what? Slay one-third part of the men; God, showing him these things.

You don't relate to the vision that way because he didn't talk about it like that. He called them 'isms'. In other words, he gave the same Beast names, in a way that the people in this Day could watch the nations. And God was showing how those nations were going to rise up. But out of America, this nation, will come the voice of Jezebel. She will speak with the voice of the dragon, that image. And when Elijah was here, he said, "There she is in the White House." He said, "And watch Elijah is coming down." He said, "And don't bother with them, there is no gold in Fort Knox, it is stored up in the

Catholic church. This nation is bankrupt forty years now." And he said, "Roosevelt is the rascal of them all, he is a dictator."

Think. What was he saying? He said, "I see five of them come to pass." but even though some were in symbol, it was not symbolized like Daniel's own, but they were the visions to open the Book. And he said, "Five have come to pass. The sixth one is coming to pass right now before me." He said, "And the seventh one [he said], they must take place before Jesus comes." *Feast Of The Trumpets* [1964-0719M -Ed.] He said God says they will come to pass before Jesus comes.

Let the musicians come for me.

We have come into a time and a season here, pray with all your heart that God writes It in your heart first, and you believe It until It starts to change your life. And that is why I was trying to show you on Sunday, these Things were supposed to come back around and be made plain to the Church because Seven Thunders will show Her how to prepare to go out. Because the same Seven Thunders will show you, "You better get ready now." It is the same Word that is showing you, look, between the gathering of the tares and the revealing of the antichrist, the Rapture must take place and does take place. The ecumenical move is gathering the tares to be burnt and the Wheat must be gathered in the garner. What time are we in? Between the gathering of the tares and the revelation of the antichrist. After Eisenhower and Khrushchev, when that Age came and was identified, you see that little horn rise up.

Yesterday the pope had his eighty-fourth birthday. This month, a few days ago before that, Israel had their birthday. I had my birthday. The 'Move' had its birthday. Think. Think, friends.

You say, "Bro. Vin, you are something else."

How could I talk all this Word and yet it has no significance? Do you hear that when you turn on the radio during the day? Get cable, search; surf the

channel just for one day. Don't be a TV watcher, just watch to see. In other words, see if it is on the air. No, friends. God's grace; His little flock was getting ready while shepherds were watching their flocks. In this part of the world, I want to be a shepherd found with Sheep's Food, feeding the sheep and feeding the lambs, holding them together.

I believe I am preaching clear. I believe, maybe, sometimes I throw in too much and sometimes it's more than your mind could take, but the thing is, it is not without definition. It is now about identification; it is not a loose Word that is saying nothing or not bringing it down to a conclusion. It is bringing it down to a conclusion. It is defining the Hour that has arrived.

Abraham at the tent door, he sees the Coming of the Angels; he sees the Gentile world. He sees all that homosexual thing on the increase, rapidly. Look, right now, in these last couple of days, those UFOs, while all the homosexual things are going on, the UFOs are appearing too – photographed. They said eleven of them. Last night I looked at it on the internet there, on CNN.

They had a 'thing' and I copied off the article and I was drawing it to the attention of Bro. Junior and them. I said, "Look, one man's name is Magdaleno, the other one's name is Mario." I said, "Magdaleno and Mario; that is male for Mary and Mary Magdalene. Another one was Jaime and that is James." I said, "Look, you see these here, these people saw the Lord. Paul said He was seen of Cephas, and of James, and five hundred. And Mary Magdalene saw Him, and the other Mary went and they saw Him." I said, "It's strange that all these people, and one who was a general and one who was – because they were all flying in the air-force."

Then they put it up on their website and everything else, and they showed it on national television all through Mexico, two days because it's like they had this thing photographed. And they said, "Sure, other people had come up saying that they had seen UFOs and so

on,” they said, “but when the military comes and shows this thing like this,” they said, “they don’t deal with fake [fraud –Ed.]” He said he was chasing the thing and, “It’s like there was an intelligence there. It knew what we were doing and then it stopped. When we stopped then it disappeared from us.” But they had it recorded because they were on surveillance for the drugs on their borders and so on. They were patrolling. Eleven of them they saw. He said they saw eleven lights. That is the last hour of the day, friends.

I didn’t put that there. I was preaching when the year started about change, and describing the time by sign, and telling you about the valentine and the increased homosexuality. The thing just got rampant and loose, all in Canada and the United States and different places. And now in Boston, Massachusetts, they have hundreds and hundreds waiting to go and get married in the next couple of days. And while all of that is going on, Angels in the sky are being photographed: UFOs. Investigation Judgment (told by a Prophet since back in 1965) hovering around us; moving. Sirs, what time is it? What do these things mean? What do you think?

Ponder these Things. And It says, “And Mary pondered those Things in her heart.” Go home tonight. While driving your car, ponder; talk about It as you travel, talk about It.

Oh my, the Hour is late. Soon we’ll leave this world. The Message is opened up to us in a new realm. God is moving our faith up a notch higher. We were walking away from the vision, the Holy Spirit had to come and put His hand and say, “Get back here Wednesday and Friday, don’t lose your focus! Stay in line!” He is moving and as we come, the Things He is speaking to us.

Nations are breaking, [let us sing] Israel’s awaking; the signs that the prophets foretold; The Gentile days numbered, with horrors encumbered; Eternity will soon unfold.

Let's stand to our feet. *The day of Redemption is near.*
Men's hearts are failing with fear. Be filled with the
Spirit, your lamps trimmed and clear. Look up! Your
Redemption is near.

[# 667 Songs That Live -Ed.]

[Oh] ...with horrors ...

Eternity...

Do you believe, sing it with all your heart.

The Day of Redemption is near...

People will wake up one day in the tribulation and say, "Wasn't there supposed to be a Rapture?" It will be so simple, those people will be gone and the world wouldn't even know it. It will be like in the time of John, "Elias must first come," they didn't even know he had already come. But you watch the time-clock, my brother, my sister; it is striking the Hour.

CHORUS

...be filled with the Spirit, your lamps
trimmed and clear,

That's what he said: when he saw that Cloud coming.

Look up, lift up your heads.

Look up! your redemption is near.

The fig tree is growing;

...is growing;

Jerusalem's restoring...

Her national life, long dethroned;

...life, long dethroned;

[Oh my!] Today she is calling,

her latter rain's falling

A national latter rain; what about the Spiritual Latter Rain for the Bride, gathering the Bride together. As He called them out of all nations back to the Promised Land, He is calling you tonight back to the Promised Word. He rushed them out, what for? To bring them in and seal them. Why has He called you in this Message? To seal you my brother, my sister because the

slaughtering angels are fixing to destroy this world very soon. Before they used that atomic power in the days of Noah, Noah got a group out.

CHORUS

*... with the Spirit, your lamps
trimmed and clear,*

Oh, look up, my brother, and look away to Jesus.

Look up! your redemption ...

How do I know? The Redeemer is here with the Book of Redemption in His hand. Job said, "I know my Redeemer liveth."

Heaven's powers are shaking,

...are shaking...

And many are mistaking...

Look how many fallen stars. They can't keep their first estate; shaking them away from that place, but you refuse to be shaken tonight. You hold your place tonight as a believer.

God's Church is the power that's
shaking this hour;

The day of redemption is nigh.

...day of redemption is nigh.

CHORUS

[Oh] The day of redemption is near,

Sing. Sing with the understanding, tonight. Trim those lamps tonight, clean up those lampshades. Behold, the Bridegroom cometh.

Men's hearts are failing for fear;

[Oh] Be filled with the Spirit...

Fear had gripped the land: murders, kidnappings, everything.

...your lamps trimmed and clear,

Oh, one window, friends, one window at the top.

Look up! The only place Noah could look.

...your redemption is nigh.

False prophets are lying...

On the radio, on the TV, throughout the land,
everywhere, false voices, intellectual voices trying to
deaden the true Voice.

That Jesus the Christ is our God;
Denying He has appeared; denying He sent a Prophet in
these last days.

Though this generation spurns

God's revelation,

...spurns God's revelation,

[Oh, believe with all your heart.]

We will walk where the apostles have trod.

Alpha has become Omega. Hallelujah! I believe with all
my heart.

CHORUS

[Oh my!] The day of redemption is near,

An apostolic church, apostolic faith, apostolic doctrine;
apostolic anointing in the last days.

Men's hearts ...

...are failing for fear;

Oh my God! God wants to pour out the Holy Spirit in
this Hour, a Calling and a Sealing. Be filled, be filled
with the Spirit, my brother, my sister. Empty out, so
God could fill you.

[Oh] Look up!

Look up! your redemption ...

Oh, let's try this verse once more: Heaven's powers
are shaking...

Everything that could be shaken will be shaken off,
the Bible says, only those things which cannot be
shaken may remain. It is a shaking time, my brother,
my sister.

...mistaking

God's meaning...

... to be of the sky;

[A Bride in Heavenly Places]
God's church is the power that's
shaking this hour;
The day of redemption...

Oh, release that great faith that God has given you
and sing it.

CHORUS

The day of redemption is near,

Let your vision be so anointed tonight, to know we are
in the End Time, friends. It is later than we think; nearer
than when we first believed.

Men's hearts are failing for fear;
[Oh, and] Be filled with the Spirit,
Be filled with the Spirit, your lamps
trimmed and clear,
Look up! [Look away to Jesus Christ.]

[#188 Songs That Live -Ed.]

CHORUS

[So] *Turn your eyes upon Jesus,*
[And] Look full...
Look full in His wonderful face;
And the things of earth will grow
strangely dim,
In the light of His glory and grace.

O soul, are you weary and troubled?

O soul...

Sing to your soul tonight. In this dark hour when the
fourth Beast is devouring the whole earth, the Light of
His glory and grace is shining upon His Church.

... in the darkness you see?

Oh, but there is a man here that can turn on the
Light; a Light to look at the Saviour. Have you seen Him
unveiled in all His glory?

...Saviour,
And life ...

Think of it. Life, more abundant and free than we ever had. Oh, lift your hands and sing it to Him, tonight. Sing to Jesus.

CHORUS

Turn your eyes ...

Turn...

You see the need to walk closer. You see the need for more intimate fellowship. You see the need to lay aside every weight and every sin. You see the darkness that is upon the face and the earth. You see the great deception taking place among the nations. You see the violence that has filled the earth. You see the immorality that the world is dead and rotting, ready for the atomic bomb, ripe for judgment. But the glorious Light of the Gospel is shining among the believers, so they could trim their lamps to get ready to go; the Saviour coming among them, walking close with them like with the men on the road to Emmaus, opening their understanding, opening the Scriptures, breathing upon them. Have you made that decision?

Through death into life everlasting

Through death into life everlasting

[Oh] He passed...

But how many of us have followed Him there. Elisha followed Elijah through the Jordan, friends. Follow Him, tonight. Cross the Jordan if you want to get that mantle and that double portion of the Spirit.

Over us sin no more hath dominion,

....sin no more hath dominion,

Is that your confession tonight? Sin's power has broken from among your life.

For more than conquerors we are!

... more than conquerors we are.

CHORUS

Oh, turn those eyes upon Jesus, tonight. Just look full in His wonderful face, you will see face to face; you will know as you were known. Ask Him to come into your heart. Lay aside everything tonight for Him, and you will find that His power is real to change. In that Day shall Michael, the great Prince stand and deliver the names that are found written in the Book. He is here to deliver tonight.

*And the things of this earth will grow
strangely dim...*

You know, you are a little cold, you are a little lukewarm tonight, you know where you ought to be, but He has spoken to you, don't stand up there (in your seat). Have you heard, the great Prince is here to deliver?

His Word shall not fail you,
He promised;

If you abide in Me and My Word abide in you, you shall ask what you will. This is the time for deliverance, friends. Don't wait for special meetings. This is the time. When He speaks to your heart, you move. Don't wait for Sunday service. That's why I say, "Come Wednesday and come Friday. Let's have real Holy Ghost service here. If the Word is true, if God has spoken, God wants to fill. God wants to deliver. You believe It; you act upon It.

You hear His Word, you recognize It to be the Truth, you want a touch, sin doesn't have to be in your life for you to come. You want a touch, you want to revive what you had, bring It back fresh in your life, bring back the effects of the vision like Isaiah in the temple, bring you to a place where, "Woe is me, I am undone," that you can rise up, cleansed by the seraphim. Do you believe the seraphim are here tonight; the burners?

There is Living Fire on the Altar tonight, Living Fire on the Altar to cleanse a worshipper. Amen. Just turn your eyes upon Him. Don't look to man, tonight. Look

to Jesus, friends. Just your stepping forward means you're making a confession here. Maybe nobody might pray with you even, but it's you doing it in your heart to God, looking to Him tonight. Hallelujah!

Find the backsliders for me, find the weak ones, and pray with them. The rest, as believers, you step in, and you confess your sins before God and you ask God, "Lord..." and you renew your covenant with God tonight. And if you have done any sin and done wrong, make restitution and ask God for forgiveness tonight. His Blood is still fresh. Amen, hallelujah! Find some of the weak ones, who you know can't stand by themselves and pray with them, and the rest, let them breakthrough and press in right here. Amen. God is here among us. Hallelujah!

Oh, one more time: Through death into life everlasting.

This is a time of self-crucifixion tonight, to reckon yourself dead, to take up your Cross and follow Him; to be crucified to the world and the world crucified to you. Nevertheless, not I live but Christ lives in me, Paul says.

...and we followed him there.

Follow Him tonight, all the way to Calvary, to Golgotha; come through Gethsemane with Him in prayer. Pray in agony, tonight. Follow Him there, "Father, not My will but Thy will be done." Amen. Let there be some passion in your heart, tonight (amen) to do the Father's will, no matter what it will cost you.

For more than conquerors...

You who want sin's power to be broken; you want a release from that guilt and condemnation; you want to see Death's reign cease in your life; you want Quickening Power, and Life, and Resurrection to raise you up (amen, hallelujah); the dawning of a New Day for you, an Easter time for you, Springtime for you (amen. Glory be to God in the Highest!), God is here to enforce a rightful condition of restoration. You have been

hearing the Word saying that through His servants. Amen. Hallelujah.

... in His wonderful face;

Oh, my God, my God, hear the cries of Your children tonight, Father. See their hearts in penitence, broken, with sorrow, dear God, pouring their souls out in confession, looking deep into the inward parts of their lives, knowing Lord God, that You will hear a sincere prayer; like Samson, in dead earnest, willing to pay the price no matter what it is going to cost them tonight. Samson knew what it was going to cost him, he said, "Lord, let me die."

Oh God, Father, in the Name of Jesus Christ here tonight; Lord God, in this late Hour, when it is almost past feeling time, Lord Jesus, when we know we have come to the end of the Road. We see the Church Ages run out. Lord God, we see time running out. We see, Lord, we've come to the end of struggling nature. It's fixing to take a tumble; the earth will go into convulsions to receive a baptism of Fire, an earnest, oh God, to turn it heavenly for the Millennium.

Oh God, we see two prophets fixing to rise, waiting for the cue because the Gentile Bride must be dismissed to the Palace first, so Joseph – our Joseph can make Himself known to His brothers, oh God. And Lord God, we feel, Lord, like the Spirit could dismiss us, oh God, away from this world, away from this corrupt world that we live in, Lord, so filled with violence. Oh God, but an Ark is being prepared, Lord God, to take these out of the world and put them in the Ark. Then You are going to send down Your Heavenly Power, Lord, Former and Latter Rain, to raise them up, and the Ministry of the Dove, oh God, to minister the evidence of the New World to take them in, dear God, into an Inheritance, Lord Jesus, where there could be a Burnt Offering, (hallelujah!) where You could display Your Token in the New World and give them dominion.

Father, I pray tonight, in the Name of Jesus Christ, Lord God, after this shaking message, Lord, SEVEN THUNDERS, THE END OF TIME VISION, after the Thunders uttered their voices saying, "Time shall be no more; time, times, and half a time to the end of these wonders," oh God and here, Father, we are on the Gentile's side, seeing how these Things were so hard and so difficult to grasp and understand, but the Spirit of God making It plain, making It clear, making It simple, oh God, making It real that we can see, Lord, the Hour that we are living in and how You are dealing with Your Church, Father.

Even as we look at the natural things in the natural world, the subjects of this worldly kingdom, and see how they have been empowered by the scientists, so dear God, Your Church has been empowered by spiritual Scientists, working by spiritual laws to achieve spiritual Things, to raise the Church up in the power of God that Lord God, we might see a Church coming into a Rapturing condition.

We pray in the Name of Jesus Christ, tonight, Lord, that Your Holy Spirit, Lord God, will hear prayer; will answer prayer at this Altar, tonight. You will break the powers of darkness around the lives of Your children, Father. In the Name of Jesus Christ, we, Your servants unite our faith. We agree upon, Lord God, Your finished work. We know there is Power, wonder-working Power, loosing Power, in the Blood of Jesus Christ and You have given us authority over every devil.

You said, "In My Name, you shall cast out devils," and I cast away every evil spirit, Lord that has strangled and held in captivity and has hindered Your children down through these years, but tonight, as they have heard the Word like Legion, coming forth into Your Presence with confession, coming at Your feet, oh God, to receive deliverance, may they receive tonight. May the Angel of Lord that encamped round about the Elect, oh God, that is here tonight, Lord God, may You set them free. You

said that the great Prince, Michael shall stand for these whose names are found written in the Book and they shall be delivered, and they shall rise and shine as stars (oh, may You grant it tonight), and You will give them wisdom, and the wise shall understand, and they that know their God, as You unveiled Yourself under these Thunders, they shall do great exploits. Grant it tonight, Father.

Fill by Your Holy Spirit, we pray. Give faith and tie their soul to Your infallible Truth, like Jacob wrestling with the Angel, knowing that You can change him, he said, "Bless me. Bless me!" May You bless tonight with the baptism of the Holy Spirit that will bring a new name, a new nature, a new walk, dear God; they'll cross back into the land of the fathers, live in the power of the Spirit in the Ephesians, eat the old corn of the land, know their place and position. Grant it, oh God, in the Name of Jesus Christ.

He touched me; oh, He touched me, and oh, what joy that fills my soul! [#156 Songs That Live -Ed.]

CHORUS

*...touched me, [yes] He touched me
And oh,...*

Have faith in God, tonight. Receive, receive, tonight. Receive, tonight. Don't just agree, receive It. Receive from God. Open your heart. Tell Him to fill up. Reach out. Touch with faith. Draw from the Inexhaustible Fountain. Let that virtue and power flow into your heart.

One more time: He touched me.

Purpose in your heart, "I will live uprightly. I will separate from sin. I will dedicate my life to God. I will consecrate myself to His service. I will make myself available to Him." Pray tonight, "Lord, bind me with the chains of Your Word, the shackles of Your Truth. Make me Your love-slave, Jesus. Make me Your prisoner, tonight. Let me have no will of my own. Let my meat be to do Your will. My heart is open. I believe in You. I am

confessing, Lord, that this is Your promise. And I know that You are here, Father, in speaking distance, in hearing distance and there is ever-present Water to nourish me, to sustain me.”

Shackled by a heavy burden

Shackled by a heavy burden

[Oh] ‘Neath a load ...

... a load of guilt and shame

... the hand of Jesus touched me,

Sitting there in my seat in the service, tonight, the Hand of a Lord was upon me. His revelation was filling my heart. My eyes were being illuminated. You’ve given me strength to rise up from my condition. I feel like the leper that was cleansed; one touch from Him made him clean. One touch from Him made him clean! “Will thou be clean?” Will thou be clean, tonight? Will thou be clean, tonight? Hallelujah!

CHORUS

And oh, the joy that floods my soul!

Oh, in such simplicity on a Wednesday night service, something happened; speaking about Him and He came on the scene.

He touched me ...

His grace and mercy came to me.

[Oh] Since I met this blessed Saviour,

Since He cleansed and made me whole,

I shall never - I shall never cease to praise Him,
I’ll praise Him in the morning. I’ll praise Him in the noontime. I’ll praise Him when the sun goes down. His praise shall continually be in my mouth. I will bless the Lord at all times.

I’ll shout it while Eternity rolls.

CHORUS

He touched me, He touched me

He touched me...

[Oh yes] He touched me
And oh, the joy [hallelujah]
...that floods my soul! [Hallelujah]
Something happened...

Faith – something happened; faith broke through the hindrances. You broke through your hindrances.

He touched me...

Oh, praise His mighty Name. Praise His mighty Name. Hallelujah, hallelujah, hallelujah; hallelujah, Jesus. We thank You, Lord. We thank You, Lord. We thank You. We thank You. We thank You. Be thankful, tonight. Give Him thanks. Give Him praise. Don't be unthankful. Be full of thanksgiving. In everything, give thanks. Hallelujah.

Express your gratitude to Him for answered prayer. Express your gratitude. That leper came back to say thanks.

Thank You, Lord. Thank You. I just want to thank You. I just want to thank You, Lord.

[#418 Songs That Live -Ed.]

Thank You, Lord, [hallelujah]

Thank You, Lord,

...You, Lord.

Believe that you have received what you asked for and you shall have it. Without faith, it is impossible to please God. He that cometh unto God must first believe that He is. He is a Rewarder of them that diligently seek Him.

Bless these, my sisters, Father. Let Your great Divine Presence with the Anointing of Your Holy Spirit in this late Hour move into their hearts. May they be so filled with Your Presence, oh God, that You would energize them and raise them up in this Hour. Break every fetter. Break every chain. God, remove every hindrance, I pray. Loose them, Lord, from every condition, oh God that the enemy might have held them in, oh God, trying to put a chain upon them, but may they be loosed, loosed completely for the glory of God.

May You give revelation. May the Holy Spirit, Lord, take the Word of God and reveal It; make It plain in their hearts. And like Mary and Hannah, oh God; oh God, may You give a confirmation that the thing is settled, that the thing is answered. May the Holy Ghost overshadow them in the Name of Jesus Christ. May they walk away from this place today with that deep, satisfied feeling that You are a God Who hears and answers. And as their prayers have come up to You from a sincere heart, from the Altar of Incense in their hearts through the Blood of Jesus Christ, God, Your Holy Spirit comes back answering, "It is done. The thing is finished," in the Name and Jesus Christ.

Thank You, Lord,

...You Lord, [hallelujah. Hallelujah.]

Thank You, Lord,

Thank You, Lord [hallelujah]

Thank You, Lord,

I just want to thank You, Lord. My heart is full of thanks. I just want to thank You. I just want to say, thank You, Jesus. Hear my voice coming to Your ear tonight.

I just want to thank You.

Thank You, Lord.

Oh, is He wonderful, tonight? He is so lovely, tonight. Amen. We are so thankful to have a blessed Saviour like we have; One Who is the Author and Finisher of our faith. One Who said, "I will never leave You nor forsake You. Lo, I am with You always even till the end." This is the confidence that God Who began the good work in you will perform it, even until that Day of Jesus Christ. You are His workmanship, my friend, created unto good works in Christ Jesus. He never abandons His works. He is able, more than able to finish it. That's why He is the Author and the Finisher. That's why He is the God of the Amen. He is faithful, Who promised. Thank You, Lord. Thank You, Lord. Amen. Hallelujah.

Let's just bow our hearts. We ask Bro. Stewart to come and pray the dismissing prayer tonight. All around the building, just bow your hearts in His Presence.

[Bro. Ronald Stewart prays -Ed.]

Thank You, Lord. Hallelujah. Thank You, Lord. Amen. You may have your seat.

I just wanted to read a little letter here, I received today from our precious sister. She didn't ask me to read it but I just felt like reading it to you. You may not be seeing her in service; you may want to know what is happening. Some of you may know that she is out of the country, our Sis. Rosemary Benjamin.

God bless you, Bro. Vin. This is Sis. Rosemary here. Thank you so much for the two message CDs. They arrived safely. I can get a Sony MP3 portable player for about sixty dollars and I intend to buy one. Rachel was given a laptop computer by the Dream Fund people and I think I can play them on that too.

You know our Sis. Rosemary Benjamin; that is Sis. Esther Brown's sister, who is here with us. Her daughter was diagnosed with cancer in her feet and had to go overseas for treatment and she had to go with her. And so,

She has had her surgery on Friday 7th May. Thank God it went very well. The doctor said he could not save all the nerves as some of them were cancerous, but with physical therapy, she should regain most of the movement in the leg. They removed about five inches of the small bones in her left leg where it was located and she now has a seven and a half-inch scar. Praise God, way better than losing her entire leg. She also still has chemo until November.

And she said: *Americans that I have met at the hospital simply sympathize with our plight. From family, I never asked for one cent. I am so thankful to God for His goodness and mercy and for being so mindful that He has won me with his love. Right now, she is on the*

hospital's charity list and is getting quite excellent care. Medic Aide is supposed to kick in in July, so right now we have no source of aid or income but God is keeping all of His promises. We are keeping in the Spirit, our best we can. I am using this quiet time to regain my spiritual strength. Please continue to pray for us.

Sincerely, Sis. Rosemary Benjamin.

So I would like in my heart to – Friday night if we could pick up a little offering and have the trustees send it for her that it can help her out there, with her little daughter. They have no way... She went to work for a little time and the girl got more sick because there was no one to take care of the girl while she was at work and so, she doesn't want to risk that. And she is just barely getting by, and one or two people were a little charitable to her.

So she... not to say these things. She even sent a little offering, her tithing out of it. So, you know, it just makes you want to send... I thought that it would be nice to pick up a little offering on behalf of the church, to send it to her to help her until the time runs out, and they can get back, that she can know that here, we are in support of them and care for them. I'm trusting that all goes well until they come back.

So Friday night, the Lord's willing; keep that in your heart. If you have it tonight just put it to: Sis. Rosemary Benjamin. Give it to the trustees; it would go straight to her. We would take the rest on Friday and we would get it changed, and send maybe a bank draft or something for her by the grace of God, so that she can know they are not alone out there; we are in support of them by God's grace. Amen.

And, another wonderful thing happened, you know on Sunday while we were here in service, a gentleman, a pastor from St. Lucia rang the church here because some books got in his hands, the little tracts – booklets with *The Keystone Of The Bible; That Woman Jezebel*. He had left the organization. He just finished building a

little church and they were going to have services in it. And so, he wanted to talk to someone because the books really had helped him. I called him last night and we spoke there and in talking with him, he was kind of pretty much excited. He said, "Could you all come over and have a week's crusade here in the new church."

I said, "Wait, wait, brother, [I said] we don't do things so fast." I said, "Before you make any commitment and get under obligation, and then when we really go down the road, we are not really in agreement." I said, "Not so fast. Two can't walk together except they agree." I said, "You know what we believe first and know what we stand for, and know something about us, so when we come we can talk."

So we sent out a couple of videos and some more books for him, and hopefully, a couple of us would be going over in a few days to sit and talk with him. And apparently, (to the brothers who went) Bro. Moffat, who we were there with, knows this gentleman. He was speaking with him and testified to him about us when we came to the island there: it's some genuine brothers and so on. And so, that is what really influenced him to call up after he read the books, even through Bro. Moffat's testimony.

This Bro. Moffat is one of the brothers we met and prayed with over there, and he was very, very much affected. And so, we had not gone back; we had kind of mentioned to the brothers, "Just leave it be. We planted a few seeds, let's see what the Lord is going to do." And it just seemed that God moved so sovereignly that the books fell into this man's hand. And right there is the very place, in Vieux Fort, down there. Because when we went, right there that first night, Something just moved there in the airport and I said, "Let us not stay around the city. Let's go out in the country." And then we went out there where we stayed, and went down to Vieux Fort, and to see we talked with people, prayed with people, distributed literature and so on.

And so, we don't know what is going to come out of it, but I tell you, so you could pray. And that the Lord's will, if this is a time here that this man is to be a part of God's plan, I don't know, but he called up; he showed interest and the willingness. He even got excited, he wanted to start a week's crusade. He has a little group of people there and he is doing some work down in the slum areas around the place too. So, just talking to him over the phone, I don't even know what he looks like or what he really believes.

You know how sometimes, today, people in the religious realm, everybody gets excited in the religious realm. When you begin to speak the Word and you have decisions to make and you have to change things, then man would be put to the test. So we are around the Gospel too long to get excited with somebody's excitement.

We want to see that when the Word is being spoken now—because as I said, the book doesn't ask you certain questions. You get a book in your hand, you read it and it is okay. But then that book may not touch certain things in your life because the book can't really see you, in that sense. I just trust that he will be one because it is this late and we know God had us to go there and Barbados, throw a few Seeds, then we are just watching to see what God would do by God's grace.

So a couple of the brothers, Bro. Melville [Bro. Anthony Melville (minister) -Ed.] and Bro. Junior [Bro. Junior Noel -Ed.] are going to go out Friday to St. Kitts, and we have a little sort of... I would not say a problem, but I was talking to Bro. Alford there and he was making some things known to me. So I guess when the brothers go, they would look more closely.

I just want to pray for the work there, too because we are trying to make a real thrust to strengthen the Body of believers. There were some very good positive things coming out of it, too. The saints who have received the Word are really interested in moving on, so we just want

to pray by God's grace, that God would give us victory. Amen.

So let's just have a word of prayer for our brothers who would be going out by God's grace. I wonder if they would come forward and some of the ministers come forward, as we pray with them. Because you know, it is a little difficult situation and I think that they will really need the help of the Holy Spirit while being there, and that God would give them clear discernment with the Word. You know, you can go to a place and preach, and you can go and look and talk with people, but to see what is happening, it takes the Holy Spirit being present to reveal to you and to really move in a way that things can take place. So by God's grace, we are trusting tonight. Just lay your hands on the brothers. Amen.

Gracious Father, we bow our hearts in Your Presence tonight, knowing, dear God, that we are faced with circumstances and we see the enemy rising up to try to hinder the work. You did show, Lord, that this is not going to be easy and Lord, we are expecting opposition if we have the Truth. And we know, dear God, that's why Paul said, "Put on the whole armor of God," and that the Word of God is mighty to the pulling down of strongholds.

As our brothers get ready to make this trip at this time, we pray that the Word of God would be not bound, but that It would be loose. It would be quick, and sharp, and powerful, and Your Holy Spirit would take that Word and operate It through the instrumentality of human flesh, and that Lord, Your Presence would be so present in the meetings, dear God, and they would be so much under the guiding influence, dear God, as they go in the midst of Your people, that truly the help that the people have need of would be able to flow through the ministry, and Lord, the people would be able to benefit.

You said, "Out of your faith, give virtue and strengthen others," Lord, and so I pray that the

revelation would be quickened, and anointed, and be inspired in the hearts of the brothers, oh God. And dear God, as they would speak the Word, You would honor It, and You would not let It fall to the ground. And Father, You would give them grace that every power of darkness around the lives of the people and every hindering power, every opposing force that rises up against the Word, Father, would be brought subject to the Word, and Its power and Its influence broken and cast away from around Your children, and that You would cause Your doctrine to fall like rain. And Lord God, the Seed would be planted and the Rain would cause It to grow, and Father, the people, Lord, would come forth as trees of righteousness, bearing their Fruit in due season. May You grant it, Father.

May You watch over them. We send them with Your richest blessings. May the Angel of the Covenant go with them and direct them, Father, and dear God, may You bring them back to us safely, Lord, being victorious and being able to achieve, Lord, by Your Holy Spirit, Lord, Your will and purpose among Your children. In the Name of Jesus Christ, we commit them into Your mighty hands. Amen and amen. Amen.

I love You, I love You, I love You, Lord, today; because You cared for me. [#430 Songs That Live -Ed.] And let's come out for a real time of prayer. It's one thing to preach the Word, one thing to sing and worship, but then a lot of battles are won in prayer, and that's where we want to come. And not just like trying to come to prayer meetings, struggling; come to wage war when we get in prayer, knowing that when the saints of God bend their knees, and when two shall agree as upon touching anything, it shall be done: what they bind on earth is bound in Heaven, what they loose on earth is loosed in Heaven.

And as a praying Church like Elijah was; like Moses was in that time of Jehovah-Nissi when they lifted up those hands, and Joshua (the Holy Spirit) took the

Sword (the Word) and they fought, and God gave them victory. They were able to overcome their enemy. And the water from the rock was flowing, and they were being nourished, and refreshed, and sustained, going forth to the promise by God's grace.

So, come out by God's grace, and let us truly live and walk in the awareness, with the understanding of what God is doing, sensitive, and then working with the Anointing, the flow of the Spirit, capitalizing on the moment, capitalizing upon the opportunities. And may God bless you; bless you all is my prayer.

I trust tonight your hearts feel encouraged, you feel refreshed, you feel blessed. How many could say, "I was glad when they said unto me, let us go in the house of the Lord. It was good to be here tonight"? Amen. Amen.

As Bro. Bishop comes. God bless you.

I love You, I love You,

I love You, Lord, today.
