DEPOPULATION BY THE WEAPONIZING OF DISEASE

MBUJI-MAYI, CONGO
TUESDAY 21ST FEBRUARY 2006

BRO. VIN A. DAYAL

If you have a special request upon your heart this evening, as we look to our beloved Lord Jesus, let us remember that the Bible says, "Where two or three are gathered together in His Name, there He is in the midst. And if two shall agree as upon touching anything, it shall be done." Let us believe Him now with all our hearts. We also have some prayer cloths here to be prayed over. Let us believe even for these who are sick and afflicted, that these cloths will be laid upon. God has invested His great power and authority in His Church.

Our gracious Lord Jesus, we thank You for Your great victory which You wrought on Calvary for us, that when we would stand in an evil, dark Day like today in which we live, and all kinds of demon powers are on the rampage, all forms of pestilences moving in the earth, we can remember as believers You have given unto us Your great authority over sickness, and You said through confession and faith we are subject to all the powers of God that are in Heaven.

So as the Church of the Living God, we stand united in Your Presence this evening, confessing our sins and shortcomings, all our mistakes and failures, Lord. May Your precious Blood remove everything that is not of You away from us, dear God. And, Father, as we stand here in Your Presence, Lord, we take authority over all sickness that might be in our midst this evening. In the Name of Jesus Christ, we rebuke it from amongst

us and we pray that the great Holy Spirit will release such Quickening Power among the people that their faith would be so inspired to rise up from every condition, Lord, and walk in the victory which You have achieved for us.

Lord, even these prayer cloths that represent the sick and needy ones, we pray, dear God, that Your Holy Spirit would impart such an anointing upon it, Lord, that Lord, when it is to be laid upon the sick, every hold and grip of the enemy around the lives of those whom these will be laid upon, would receive the great deliverance which You promised. You are the same God that was in the Alpha with the apostle Paul and the apostle Peter. We know that that same faith is restored to Your Church in these last days; that's why You sent Your Prophet, Lord. And we act upon the Word this evening, pronouncing this blessing upon these prayer cloths in the Name of Jesus Christ for Your honor and for Your glory.

Now Lord, bring our hearts and minds into the channel where You can speak to us. May Your Word be made clear and may it inspire us this evening. Let Your Divine Presence refresh Your people that might be tired from work today. May You be mindful of each and every one. We look to You, Lord, and we ask these mercies in Jesus' wonderful and precious Name this evening, amen.

God richly bless you. I trust that you are feeling fine this evening. I read where February is supposed to be your hottest month of the year. I don't think it's really hot. We have the same climate home. We live very close to the equator; it could get very humid sometimes. But I know you've been coming to service after service, and I've been depending upon your prayers and your faith. And I know in the daytime you've been working, so it encourages me when you tell me, "Brother, we are fresh. We are ready to go." Amen. So, may God bless you.

I trust you've been enjoying the services. [Congregation rejoices. -Ed.] I trust the Holy Spirit has been, you know, taking the Word and just making it clear, and bringing understanding.

I felt I kind of held you a little long last night, but it was difficult to kind of stop in the middle of the message. Maybe it was the pull on radio land and TV land, I don't know. Because I felt a little directed to preach that evangelistic kind of message, knowing so many people are out there listening. So I hope it didn't make it too difficult for you having to, maybe, leave a little later than you normally do. Because I want to be sensitive to your circumstance also. Many of you have to walk great distances, get up early in the morning; and so I am mindful of this.

I just want to, somehow while I am here, be a blessing to you. Because I love your pastor so much, and some of the kind brothers who have been taking such good care of us. You cherish that kind of friendship.

Sometimes, you know, we have service and you expect me to preach, and sometimes I feel I miss having the opportunity to fellowship with you. You meet people, you love their attitude, you love their spirit, you want to fellowship with them. You don't just want to come in the pulpit and preach and go. You want to know that the people are being blessed, they are being fed, they are being encouraged in some way, that they are being strengthened. But I know if time doesn't permit us on this side, when we cross over on the other side, I am sure when we gather, we will say, "Brother, you had come and preached to us." We would sit, we would talk, we would laugh, we would have a great time. I would really like that. Amen.

So, let's turn to the Word. I would like to read in Exodus Chapter 1. We will read from verse 6.

6 And Joseph died, and all his brethren, and all that generation.

7 And the children of Israel were fruitful, and increased abundantly, and multiplied, and waxed exceeding mighty; and the land was filled with them.

You remember when Joseph sent for his father and his brothers, it was just seventy of them that came down into Egypt. But when Moses was taking them out, it was two and a half million people.

8 Now there arose up a new king over Egypt, which knew not Joseph.

9 And he said unto his people, Behold, the people of the children of Israel are more and mightier than we:

10 Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falleth out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.

Do you understand what is happening here? The new government is seeing them as a threat to national security. They said, "In case war takes place, they will go and join up with the enemy, and create great disturbance in the land. They will disrupt the society, then they will go out free. So the plan is, let us deal wisely with them. They wouldn't even suspect what we are doing. We will introduce new policies."

11 Therefore they did set over them taskmasters to afflict them with their burdens. And they built for Pharaoh treasure cities, Pithom and Raamses.

In other words, they were introducing new economic and industrial policies through the Ministry of Labor; policies designed to afflict them, to wear them down, to frustrate them; work longer hours, less pay, no privileges. You have to produce more.

12 But the more they afflicted them, the more they multiplied and grew. And they

were grieved because of the children of Israel.

It didn't achieve the goals that it was designed to achieve. Because they were concerned about them multiplying too much. So all the policies through the Ministry of Labor didn't achieve the goals.

¹³ And the Egyptians made the children of Israel to serve with rigour:

Bring on more taxes, take away privilege, work under severe conditions; no real safety and security in the workplace; having to work under hard conditions.

¹⁴ And they made their lives bitter with hard bondage, in mortar, and in brick, and in all manner of service in the field: all their service, wherein they made them serve, was with rigour.

Egypt was a rich, industrialized nation. Egypt was a super power. But look how this rich, industrialized nation, designed a policy to break the spirit of a poorer and dependent nation that they were using for a labor force.

¹⁵ And the king of Egypt spake to the Hebrew midwives, of which the name of the one was Shiphrah, and the name of the other Puah:

¹⁶ And he said, When ye do the office of a midwife to the Hebrew women, and see them upon the stools; if it be a son, then ye shall kill him: but if it be a daughter, then she shall live.

Now this is a targeted race. They are keeping them on a low, poverty level. And their industrial and economic policy is to strangle them and make their lives bitter with bondage. When they find that they are not accomplishing their goals fast enough through the Ministry of Labor, then they begin to bring in a new policy from the Ministry of Health.

So through the Ministry of Health now, unsuspecting to the people, they plan to increase the death rate. So they are using the Ministry of Health to thin down the population. Now this is Pharaoh and his cabinet saying, "Let us deal wisely with them"; this big rich super power.

Remember when the children of Israel went down in Egypt, they went down as shepherds, but they ended up as laborers in a construction program. Remember, because of Joseph, they were in Goshen. They had the richest part of the land. But a new policy relocated them, and the status that they formerly had was changed under the policy of the new government.

The first Exodus is a type of the second Exodus, and the first and the second Exodus is a type of the third Exodus. Do you understand what is happening? Are you catching the picture? Remember the Book was sealed with Seven Seals. All Scriptures are given by inspiration. If you read the Message, *The Third Exodus* [[1963-0630M -Ed.](#)], you will understand what I am saying.

When Jezebel went to the White House, when John Kennedy was elected president [The 35th President of the United States of America -Ed.], Bro. Branham preached *The Third Exodus*. He said, "Another king is raised up that doesn't know Joseph."

I've been telling you that the same power that was in the White House that he was preaching about, is the same power that is over your country for the last five hundred years. The Hour is here where you must know these things by revelation.

On *Feast Of The Trumpets* [[1964-0719M -Ed.](#)], he said, "Supernatural devils under the auspices of the United Nations." You see these white vans marked 'UN' [United Nations -Ed.] driving all over the country. That is a presence identified here. That is policy for this country and region. The Seven Thunders were to wake up the Bride, to discern these spirits; to see the schemes of the enemy.

I am just trying to open a little place. The ministers will take this and make more sense out of it. Because you live here and you face it every day.

Remember I told you, the biggest Catholic population in all Africa is in this country. And that's not 'control' yesterday, that's 'control' since the first European came in and met the kingdom of the Congo. Whether it was Portuguese, Belgian, whoever—French, they are all predominantly Roman Catholic.

The same way that Roman spirit was let loose by the dictators that killed six million Jews, it's the same way it was let loose by Stanley, by Leopold, and all these people, and killed millions too. Jezebel always works from behind the scenes.

And verse 22:

22 And Pharaoh charged all his people, saying, Every son that is born ye shall cast into the river, and every daughter ye shall save alive.

May the Lord bless the reading of His Word. You may have your seats.

Let me read a couple more Scriptures. Amos Chapter 1 verse 13.

13 Thus saith the LORD; For three transgressions of the children of Ammon, and for four, I will not turn away the punishment thereof; because they have ripped up the women with child of Gilead, that they might enlarge their border:

Notice why God is bringing judgment upon the children of Ammon. It shows the methods executed by the military in their predatory wars. Those wars were for population control. What did He say that they did? They ripped up women with children. What was the purpose for it? To enlarge their borders. In other words, the policy was 'extermination for expansion'. These were the expansionist policies of the colonists.

When you are a big industrialized nation, and the resources you need to power your economy is not in your country, but the resources are in someone else's country, you have to leave your country and expand to go to the other people's country, take them under control so you could get their resources from there to empower your country. "... that they might enlarge their borders."

Revelation Chapter 6 verses 7 and 8. This is our Age now. The Fourth Seal.

7 And when he had opened the fourth seal, I heard the voice of the fourth [living creature] say, Come and see.

You know who was the fourth living creature, right? It was the Eagle. First one was the Lion, second one was the Ox, third one was the Man, fourth was the Eagle.

Who was saying, "Come and see?" The Eagle. What does the Eagle want John, the Bride, to see? These things are going to be uncovered when that Eagle begins to sound. Because it is being done in such a disguised and clever manner, it will take prophetic revelation to uncover it. That's why God could not send another reformer. Because this is the Hour they are going to unite the world and let the man of sin (Satan incarnate) come on the throne. So God had to send a Prophet to reveal this, to expose it, to cause the Bride to recognize it and escape it. Because like a snare, it will come upon the whole world. Amen.

8 And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him.

This was the same rider who rode the white horse in the beginning. When Stanley came up the Congo river, he came with Catholic priests. Before him, the Portuguese had come with Catholic priests also. Soldiers are coming with weapons to subdue the people and get their resources, and the priest is

coming to get the souls of the people and bring them into their religion.

What follows the white horse? The red horse. It always follows the white horse. When the religion gets in like the Serpent, speaking flatteries, takes the kingdom, then he uses the sword to subdue them. What follows the white horse and the red horse? The black horse. When you subdue the people and you begin to take the wealth out of the country, what is going to happen? Economic depression. And then when the white, red, and black are controlling the souls of the people, the politics of the nation and the economy of the nation, what do you expect? Then they have full, total control over the land and its people.

Now I'm trying not to be generalized with this. I hope you notice that. I'm showing you all these same powers are in the country; all these Scriptures are being manifested. The same way this is on a national level, it is also on a global level. Because they are not just taking the Congo, they are taking the whole world, that Satan will sit in the throne as God and be worshiped as God. That's the Message.

The god of this evil Age, how was he successful? He had blinded the minds of the people. How could he blind six million people on the planet? He is the prince of the power of the air. What does that mean? He controls the Global Communication Networks; he controls information; he could suppress the information; he could bring misinformation and disinformation and manipulate the information.

The Bible says, "He is the father of lies." What is the lie? The Truth perverted. He distorted the history. He wrote it in a way to glorify himself. They presented it like, "We are trying to help the people in Central Africa. Because of the poor, unsanitary conditions, disease is rampant and is killing many. So the World Health Organization is doing all they can to reduce the level of widespread disease in Africa."

They are taking billions every year. It is not publicized. Then they have two vans pulling up with little containers with sweet biscuits and sweeties. They go into a village, bring some celebrities, bring the media and say, "We are caring for the poor in Africa," and make it a big media presentation on CNN and BBC.

When I see these things, I say, "Thank God for the opening of the Seven Seals." God had the history and what they were doing written as prophecy sealed up in the Bible long before they even did it. The Holy Spirit foretold what they were going to do. So when they think they are doing something undercover, classified, top secret, the Prophet comes with the Thunders, opens the Bible and begins to expose those demons. That's right.

And for you out in radio land and TV land, that is why you are blinded out there believing in a denomination and cannot see these things. That's why you need to know what a Prophet has said in this Hour.

The expansionists and their policies; methods being employed by the superpowers. A people who have designs to control population growth, human resources and eventually enslave them and make them cheap labor.

Pharaoh saw Israel as a valuable human resource. He was going to reduce them to cheap labor and use them to expand his kingdom. And the new economic and industrial policies being implemented upon that nation, qualified them only for certain jobs. They reduced their social status.

He said, "All these jobs are for nationals."

And they began to restructure the society. But the whole plan was to keep them suppressed because they viewed them as a threat.

This is the part I want to get to now, the last part of verse 8. The Eagle is showing this to John. In other words, “John, come and see.”

⁸ ... power was given unto them [Hell and Death] over the fourth part of the earth, to kill with sword, and with hunger, ... and with the beasts of the earth.

Now today, over 1.2 billion people, according to the statistics, are undernourished and starving.

When the population explosion exploded, Bro. Branham on the Message *The Flashing Red Light Of The Sign Of His Coming* [[1963-0623E -Ed.](#)] began to show us on *Flashing Red Light*—I’ll read a little bit for you. He went to Genesis 6. Now catch the message.

On *Sirs, Is This The Time*, when he saw the Seven Angels come in the form of the Pyramid—which he went out to Arizona and he met them on February 28th. On March 17th to 24th 1963, the Seven Seals were opened. He had preached *Sirs, Is This The Sign Of The End?* [[1962-1230E Is This The Sign Of The End, Sir? -Ed.](#)] Is this the Coming of the Lord? He said, “You know the Seventh Seal holds the Mystery of His Coming.”

1st Thessalonians 4, Revelation 10, the Lord had descended from Heaven with a Shout. When the Seals were opened, the Prophet on June 23rd, three months after the Seals were opened, he came to preach *The Flashing Red Light Of The Sign Of His Coming*. He is coming to nail down to us End Time signs to prove to us that we are in that Hour, The Lord has descended, Seven Seals are opened, and here are the End Time signs in the world.

Remember in Matthew 24, Jesus, sitting on the Mount of Olives with His disciples, they asked Him three questions and He answered three questions. The first one: when will there not be a stone remaining on this temple? What will be the sign of Your Coming and the end of the world? And in answering these three questions, He revealed the Seals.

Because he said, “Here is the Lord on the mountain and He is revealing the Seals in Word form, the same Seals that were in symbol form in Revelation 6.” And he said, “Jesus said, ‘As it was in the days of Noah so it shall be in the days of the coming of the Son of Man.’”

Just turn to that quickly, Genesis 6. It might be good to catch that right here. You are getting it. That is great. Genesis 6, verse 1.

Now I am speaking about **“DEPOPULATION BY THE WEAPONIZING OF DISEASE”**. Depopulation is increasing the death rate.

Power is given unto them to kill with the sword, with famine, with pestilence and with the beasts of the earth. So sometimes you are seeing the sword, which is war. And like since 2000 to this time, 2006, 3.3 million people have died in political disturbance, in war in this country. This is not those who died by motor car accidents or by famine or by sickness; this is just by the sword. When you see a war taking place, that is only the sword going forth. When Hitler was killing six million, nobody saw the Roman spirit. Said, “The Germans had problems with the Jews.”

In 1st Kings 21, when Ahab and Jezebel had a plan to kill Naboth, and take his possession, what did they do? They made it look like religion. She got the nobles and the elders and all the great people. She got false witnesses to accuse Naboth and his children. She got them to set up a tribunal and try him.

You are not seeing Ahab and Jezebel in the picture. Naboth was killed, his possessions were confiscated. Most people in the land thought, well, it was some religious dispute that caused that.

How much more powerful it is today when you control the media. And it's not a little piece of land with a vineyard, but a place with uranium, and diamond, and gold and coltan and everything else. The Bible is showing you the methods which Jezebel

employs, how she works her scheme to steal and kill and take somebody's possessions. He is teaching us her ways, because Jezebel in the Old Testament is a type of the Roman Catholic system. And that was when Elijah went down and put judgment on Ahab and judgment on Jezebel for what they did. They thought they could have hid it from the nation and the rest of the surrounding nations, but God had a prophet in the land, and God revealed it to the prophet. And when the prophet came, Ahab had come down in the vineyard. Oh, he is happy, he is smiling, it is his own now. They fooled the people with the propaganda in the media, put a big smoke screen to blind the people, thinking it was some religious dispute, but they got the possession that they wanted.

Who did that? Jezebel and Ahab when Elijah was in the land. The history of Kings is being repeated in these last days – The Vatican-Washington Alliance. Who are the powers that control this nation? Vatican-Washington Alliance. You say Belgium and France; that is Catholic. Oh my. Hallelujah! Elijah saw the bomb hitting Ahab and Revelation 18 shows you the bomb hitting the Vatican; Jezebel. What did Ahab and Jezebel get judged for? They stole and killed and took that possession so they could enlarge their borders.

I had an article I wanted to read something from for you. I'll get it after a while. But it's showing why the US for over 30—from 1965 when the Prophet died, how they backed General Mobutu [President of the Democratic Republic of the Congo from 1965 to 1971, and later Zaire from 1971 to 1997 – Ed.], joint Chief of Staff coup when he took control of the country in 1965, and from 1965 to 1997 they backed that power because they wanted to be strategically placed in the region.

One motive was to check the soviet communist power that was coming into Africa. I'm reading from an article here that says, [US policy towards Mobutu was rationalized on the grounds of fighting communism and](#)

[Soviet influence in Africa.](#) It says, *But the US was clearly more concerned with securing its own interest in the region than helping to bring peace and stability to the people of Central Africa. Because of where this country is placed in the heart of Africa, it could provide the United States with access to important resources, transportation routes and political favors... but the real policy continued to focus on promoting narrowly defined US economic and strategic interests.*

They knew how much minerals were in the country, so to give backing to the present government that would allow them to come in and strategically place themselves so they could influence the region. What are they doing? Enlarging their borders. Why here? The wealth. Who are the two beasts that will control the world? What does the Book of Revelation say, in Revelations 13; where nobody can buy or sell, that will control all trade and commerce?

First beast came out of the sea. Which beast was that? Rome. Second beast came out of the earth. Which beast was that? United States. Do you understand how they are fulfilling prophecy? Whenever you hear Rome and the US, think Ahab and Jezebel. Then you will understand who you are. You are identified with Elijah. When Ahab and Jezebel were killing and taking possession, Elijah's message had come to turn the hearts of seven thousand back to the faith of their fathers. So you can understand your position and your setting in prophecy in this Hour.

So, let's read Genesis 6. Bro. Branham went here for *The Flashing Red Light*.

¹ And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,

² That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

First thing was the population explosion, just like down in Egypt. Second thing here was an increase in women being born. Then we see the immorality, the marriage and divorce.

³ And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.

⁴ There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

And the Prophet said 'scientists'. Because of the industrial revolution, apart from all the domestic products and transportation systems that they produced, they also produced chemical, biological and nuclear weapons; weapons of mass destruction.

⁵ And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

Then verses 6 and 7 tell us how the Lord was so grieved and He said that He was going to destroy man.

¹¹ The earth also was corrupt before God, and the earth was filled with violence.

After that Industrial Age came with all its weapons, then you began to get organized violence, which was wars. You have to catch the thoughts here. It was a time of great scientists. Cain had changed the world from Agriculture to Industry. They were coming into Information. They were getting ripe for judgment, because that's why God sent a prophet, Noah.

When did the Prophet come? He came in the Atomic Age. World War I, chemical weapons. World War II, atomic weapons. They used the atomic bomb on Japan, and after Hitler killed six million people in

World War II, rushing the Jews back to their homeland, that's when God sent the Prophet out; after World War II, when this Industrial Age is at a great height.

So when did Noah go? When the earth was filled with violence; when there were great scientists in the earth; when they were destroying the earth and God was going to destroy man. Because as it was in the days of Noah, so it is going to be in this Day.

Noah came before the great and dreadful day of the Lord, before the Science Civilization had passed away. When did God send Elijah? Before the great and dreadful day of the Lord, before the Science Civilization passed away, the great Industrial Age where they destroyed the environment, polluted the atmosphere, polluted the sea, polluted the rivers to build this great, scientific Eden for Satan.

What did Noah do? He came with a Revelation, a threefold Secret. Noah lived in two worlds: he lived in the science civilization and he lived in the new world. First, he built the ark, then he had a revelation of the rain that was to come, and then he had the Dove that took him into the new world.

Since Adam, no one has ever come out of the old world and came back into the new world. Enoch as a type was raptured, but he didn't carry anyone out. Noah took a people out, took them above the judgment and brought them back into a new civilization to populate the world. On *The Future Home*, [[1964-0802 The Future Home Of The Heavenly Bridegroom And The Earthly Bride -Ed.](#)], Bro. Branham said, "Who was saved in that day? Those who went in with the prophet." He said, "They came back and lived in the new world after the science civilization was destroyed."

Then from verses 11-13, he spoke about the earth being filled with violence and the end of all flesh that was going to come on the earth. This race of Cain's

children destroyed the earth. Every imagination of the thoughts of their heart was only evil continually.

Overpopulation; the population explosion was one of the flashing red lights of the sign of His Coming. Then the next thing was famine and pestilence and war. Because when they asked Jesus the question, He said, “Many shall be deceived and there will be wars and rumors of wars and there will be famines and pestilences.”

Isn't that what we are seeing under the Fourth Seal? Sword; that speaks of wars. That was the Second Seal. Then with hunger – that's famine; and death – that's pestilence. They say, “Let us deal wisely or subtly with them.” They were manipulating a society. The thoughts of the hearts of the people were evil continually.

In the Book of James, he said, “From where comest war?” Because of lust in man's heart. What is lust? Covetousness. ‘Covetousness’ means, *‘you are desiring something that is not yours; something that doesn't belong to you’*. The resources in this country do not belong to them. In the Americas, over ninety million people were destroyed when the colonists powers went forth to colonize America. They carried diseases, and those diseases, the people had no immunity to it.

Now, I want you to notice something, I want to read something for you Bro. Branham says. Maybe you are familiar with it already, but it is a Message called *God's Provided Way Of Healing* [[1954-0719A-Ed.](#)].

He says: ... *did you know the Bible predicts that in the last days, that they'll be a germ warfare?*

Do you know that? What am I trying to preach to you? I'm trying to show you places in the Bible and causes, how these things take place; how Ahab and Jezebel wanted Naboth's possession; how all the violence, the organized wars took place in the days of Noah when it had the population explosion; when the children of Israel began to multiply in Egypt, in a

population explosion, how Pharaoh brought in subtle policies to control the population; in the Book of Amos how they ripped up the women with children so they could enlarge their borders, so they could control the resources of another nation.

And hear the Prophet, "There'll be a germ warfare in the last days." ... *diseases will break out upon the people, and [it] will fall on everyone without the baptism of the Holy Spirit?* He said: *But with the Angel or who had charge over these plagues was given orders to touch no one on whom the mark was.* The Prophet said: *Why, how much, kind of teachers have we got to be, brethren, to get the church in order to be in that condition?*

They said, *Ethnic rivalry has plagued Congolese society since independence in 1960. This severe problem is compounded by political instability, poverty, a high crime rate, inadequate healthcare.* It says, *Less than one percent of the budget goes towards health.*

They talk about a high incidence of tropical diseases and AIDS.

Less than one percent of the national budget is allocated to health. Western missionaries are a major source of healthcare, education and welfare. AIDS, malaria and sleeping sickness are major health problems.

Malaria and these things today in this scientific Age, are bred in laboratories. AIDS, bred in laboratories. Sleeping sickness; they say out of eleven provinces, in nine, the sleeping sickness is so predominant. Disease being spread by the beast of the field. Revelation 6:8 tells you; how are they killing? By famine. Famine doesn't just come because you are not getting rainfall. Sanctions upon nations that they don't allow them certain goods and services can create famine. Biological agents are bred today in laboratories to wage economic warfare on nations, destroying their crops. Then when they have no revenue because their crops

are destroyed, you need credit, so you go to the World Bank or the IMF. [International Monetary Fund –Ed.] So, they are going to lend you something, but they know you can't pay back that debt. They are going to make sure you can't pay that debt. So then they are going to start to restructure your economy. Then the borrower will become slave to the lender. Then they take control of your resources as payment. They make you sign over certain things.

Remember in the Book of Kings? 2nd Kings Chapter 4. In the days after Elijah the Prophet had come and repaired the altar at the evening sacrifice, after he had turned the hearts of the children back to the faith of the fathers, this widow, her children were going into captivity because she couldn't pay the debt. The creditor caught her in the debt trap so he took the children as payment. They were going to become slave labor to the creditor. She remembered that though the prophet went, the Spirit was still in the land and the robe was still in the land. She went and she cried out, and he asked her, "What do you have in your house?"

She said, "Nothing."

He said, "Are you certain? Think carefully."

She thought, she thought, she thought.

"I have a little pot with some oil; that's it."
Frustrated.

The prophet shouted, "Praise God!"

She said, "What a little pot with oil could do?"

She had something, but she had no teaching. Oil is the Holy Spirit. It was in the house. But she didn't know how to work with it. He didn't... All he gave her was teaching, Supernatural instructions.

He said, "Get empty vessels. No matter what they are filled up with, empty it out. Whether it's fashion, sports, politics, religion, empty it out. Get as many empty vessels as you can."

That was the focus of the Hour. What was that going to do? Make a way to loose those who were under the

grip of the creditor to be loosed from the creditor. He was teaching her how to come up into a faith economy and how to work with the Holy Spirit. She was underestimating the value of what she possessed. He caused her, under true teaching, to realize the potential of her resources. She had enough to pay off her debt and live on the rest. Hallelujah!

And that's us in this Hour, in the days after Elijah, when Jezebel and the house of Ahab are strangling the landing, bringing people into bondage. But the Anointing, the Robe, and the Seven Seals are here amongst us, (hallelujah!) that no matter what the conditions are, they cannot break our spirit because we are being raised up in a faith economy in this Hour. We have received a Kingdom that cannot be removed. Hallelujah! These Seven Thunders are to show us how to prepare for great Translation Faith. These Divinely Revealed Mystery Truths will literally turn our heart back to the faith of the fathers, where we can live and walk in a world of perfect faith.

At first, she was terrified because of the condition. But he calmed her fears. He began to show her the value of what she possessed. He began to give her teaching of how to work with what she had. And when she began to catch the revelation, all fear and panic went. She was now working with the Spirit that could bring emancipation, that brought deliverance to her children. The Church has children born from the womb of the Bride. If we know how to work with the Oil in the house, we could take them back from the creditor. We could make Satan give them up. She never ran out of oil. She ran out of empty vessels. Hallelujah! Glory! My! Yes! Hallelujah!

You know they say, it is only in France that they make this antidote for the sleeping sickness. I think the king is dealing subtly. I think somebody is behind spreading pestilence. I believe there are political machineries manipulating wars. I think there are

certain motives designed to keep people at a certain economic state.

Listen to this other quote. A Message on Attitude and *Who is God?* [[1950-0815 -Ed.](#)] Bro. Branham said: *For we believe, and feel pressed in the Spirit, that great judgments are upon these lands in the last days. Hear him: Plagues, disease germs already bred up to be scattered throughout the nations.*

Where do Ebola, Lyme disease and AIDS and Typhus—where do they come from? What germs are the Prophet talking about, already bred up? Who fabricates those? Who has the science and the laboratories to do such experiments? Who has the kind of delivery systems and the access into certain countries to get in and scatter these things?

I read to you that the Eagle told John that they will kill with pestilence. Now I am reading the Eagle himself, saying the pestilence is already bred and to be scattered. Which nations do they need to scatter these on? Which nations are these things going to be scattered on? The third world: Africa, India, Asia and Latin America; nations that were devastated by the colonial powers.

He said: *No doctor know even how to take a hold of it.*

And he cried out in his prayer... It's strange. I've been reading Bro. Branham prayers all through the meetings.

He said: *O God, we'll have to believe in Divine healing then. When nations are breeding germs together, to burst them in bombs, and millions die in hours over it. He said: But oh, we're so thankful that when the destroying Angel went forth, You said, "Touch not none that has the Seal of the Father upon their forehead. They are Mine."*

That's that Seventh Seal, the baptism of the Holy Spirit. That's the Great Seal, the Capstone. Because only seed can be reborn. He had a Name on His thigh

that no man knew. Amen. But that Name that was on His thigh, He put it on our foreheads. And there was a Name written on the thigh; thigh is a euphemism, a soft word, for loins.

Every man's children are in his loins. And every man's children are born into his family and those who are born into his family have his own DNA. There is a connection between the loins and the forehead. The loins speak of your birth. The forehead speaks of your revelation; you know Who your Father is, you know which loins you came from. And then there is a Name written in the Book.

Name on the thigh, Name on the forehead and Name in the Book. This is the Family Album. Hallelujah! That's why you see your Name in the Book. You know you are His Genes. You came from His loins. You have relationship. You have fellowship. The plagues couldn't come near them. Hallelujah!

Oh my, let's stand to our feet.

Hallelujah! My, my, my, my. Thank You, Lord! Glory! Hallelujah! Oh, thank You, Lord. We are going to finish up tomorrow with this. But let's stop and praise God a little bit tonight. We ought to be a joyful people in this Hour. His great mighty grace has come down among us. He is letting you know that you are His own. That because you have kept the word of His patience, He will keep you in this Hour. Like He told Abraham, "I am your shield and your exceeding great reward."

He is our shield. They have to come through Him to get to us. As the mountains are around Jerusalem, so He is around His people.

Aren't you grateful for that tonight? Let's praise Him.

Father, we thank You. We give You honor and glory for Your great blessing and Your Revelation. Make it real in every heart. Write it in the souls of Your children. May You grant it, Lord. We thank You for It, in the Name of Jesus Christ, amen.
