### THE GREAT MIKE WINS

with Stuart Erwin, Carl "Alfalfa" Switzer

Here's a heart-warming yarn concerning an unbeatable trio -- a boy, a dog and a horse. The boy is Jimmy Dolan, a typical twelve-year-old who has a paper route in Santa Anita, Calif. He also has a mongrel dog, Corky, and an interest in Mike, a delivery horse which looks like a thoroughbred and undoubtedly has a great future in racing -- in Jimmy's opinion.

This opinion seems to be shared by Spencer, trainer for the famous Whitley stables. He and Jimmy train Mike and enter him in a big race. Members of a gambling ring bribe a stable hand to dope Mike, but Corky sacrifices his life to upset the plot. Mike, grieving over his canine pal, refuses to eat or exercise. Something drastic has to be done. Jimmy knows what to do -- and Mike responds like the thoroughbred he really is.

Here's a whiz of a featurette -- three reels in length -- running just under 30-minutes. Prints regularly sell at \$62.50. Yet, here at Blackhawk you can obtain a brand new, first quality print at **LESS THAN WHOLESALE. Only \$29.95**

### WESTERN SONGS

Length, 1-reel, 16mm. sound

Three top Western tunes sung by two top singers, and played by a top Western orchestra. Jerry Cooper does WHERE THE MOUNTAINS MEET THE SKY -- Spade Cooley and his Orchestra come through with the very catchy, MY CHICKASHAY GIRL -- and Red River Dave from down San Antonio way sings all about THE DUDE COWBOY. You'll sing about this Blackhawk bargain -- another one AT LESS THAN WHOLESALE. New prints regularly sell for \$19.95. At Blackhawk, while our bargain stock holds out, they're only **\$9.95**

### TIN-TYPE TUNES

Length, 1-reel, 16mm. sound

One of the absolute best of the Gay Nineties musicals available in 16mm. You'll see and hear The Four Lady Killers BY THE BEAUTIFUL SEA (in the Gay Nineties Swimming Suits) -- the Guardsmen Quartette doing AFTER THE BALL (in their too, too typical Gay Nineties style) and Tubby Garron on the nickelodeon stage singing JUST A GIRL THAT MEN FORGET, to the accompaniment of the piano and song slides. The regular price is \$19.75. While Blackhawk's bargain stock lasts, brand new, perfect prints cost you **LESS THAN WHOLESALE. \$9.95** only

### CHARLIE CHASE

in

### THE WRONG MISS WRIGHT

Length, 2-reels, 16mm. sound

Here's Charlie Chase at his dypical best. Aboard an ocean liner returning home from abroad, he falls in love with the girl he is supposed to marry -- only he thinks it is someone else. It is jam-packed with laughs. And a real Blackhawk bargain, too. Selling regularly at \$29.95, brand new, first quality prints of this Blackhawk bargain AT LESS THAN WHOLESALE -- while Blackhawk's bargain stock is on hand, only **\$19.95**

# THE CHALLENGER

with Buster Crabbe, Arline Judge

A favorite with both sports enthusiasts and movie fans, Buster Crabbe takes the leading role in this story of the prize ring.

Gary Farrell, a 345-lb. truck driver, wants his motherless son, Mickey, to have every possible advantage. When the boy lungs for military school, Gary sends him despite the fact that the tuition is far beyond a truck driver's means. However, a fortunate circumstance presents itself. There is to be a boxing competition carrying a \$500.00 prize to the winner. A retired light champion returns to the ring to manage Gary — and intensive training follows, along with two women, one a sports writer, and the other a gold-digger.

In the final competition Gary wins the money, which insures his son's education, and discovers which girl will make a happy home for the motherless Mickey.

Here's a punch-packed featurette — three reels in length — running just under 30 minutes. Prints regularly sell at \$62.50. But, like everything else you buy at Blackhawk, you really save money. Brand new, first quality prints will cost you **\$29.95** LESS THAN WHOLESALE. Only

These films were produced at the time the stars featured in them were just beginning their climb to fame. We are offering them for their interest value as what they are — early efforts of well-known personalities. You'll find the contrast between these and present-day films absorbing and laughable.

Lobster

These Famous Kids Comedies are the 2-reelers which were so well-known as "Our Gang" Comedies when originally released to the theatres by M-G-M. All of the famous "Our Gang" characters of the period in which this group of subjects was produced appear in these 2-reelers — Spunky McFarland, Farina, Jean Darling, Alfalfa, Stymie are all there. These 2-reelers are not only collector's items today — they're just as satisfactory entertainment as ever!

And, typical of Blackhawk's ability to bring you BIG bargains, is our acquisition of some hundreds of prints of these twelve titles. These sell regularly at \$42.50. Blackhawk's selling price is not only a bargain — it is far below regular wholesale. Of course, prints are brand new and first quality in every way.

**SPRUCIN' UP** — What a pretty young girl can do to the kids! She can make them go so far as to shine their shoes . . . comb their hair . . . or even wash their ears. But even such self-sacrifice cannot always win a new neighbor's affections.

**WASHEE IRONHEE** — Spunky stops traffic in an "ambulance" as he races for his Chinese friend to help wash little Funtleson's outfit, ruined in football scrimmage. But everybody gets into the act, including a pet monkey.

**BEAR SHOOTERS** — The kids go hunting, but aren't quite equal to the game they meet. Only these kids could rig up a hunting "safari" such as this one.

**WHEN THE WIND BLOWS** — Howling winds, spoons, haunted houses, carnival policemen, and the kids all in one side-splitting film.

**MOANS AND GROANS** — The kids are trapped in a haunted house and confronted by it's occupant, and have to solve this problem in their own unique way.

**CHOO CHOO** — Pity the poor man who has to escort Spunky and his pals on a long train trip! It's a never to be forgotten event for everyone.

**FLY MY KITE** — Grandma does anything the kids can do, from boxing to flying a kite. When a heartless nephew forecloses a mortgage on grandma's home, you can bet the gang starts acting.

**HONKEY DONKEY** — Spunky and the kids have trouble with an obstreperous donkey, who really packs a kick.

**TEACHER'S PET** — Why didn't we have teachers like this? The kids as usual expect the worse when their new teacher comes in, but they're in for another of their hilarious surprises.

**FREE EATS** — Billy Gilbert adds to the fun in this story of a big picnic the kids have on a millionaire's estate.

**FISH HOOKY** — Going fishing is a much better way to spend a day than going to school — except when the Truant Officer becomes wise. The kids use every trick they know to get away from the old kill-joy.

**THE POOCH** — Peety, the famous bully-eye dog, adds to Spunky's troubles as he has a run-in with the dog catcher. It takes all the kids' ingenuity to save the pooch.

# RAILROADING FILMS

All of the prints of these three subjects are used, but complete in every way, and in excellent general condition.

in full color  
**Kodachrome**

## MAINLINE U. S. A.

Here is a 2-reel Kodachrome film in 16mm. sound that traces the impact of railroad action over the last century as the prime means of the general development of our country. The railroads today have a very direct effect on all our lives. Shown are a great spectacular shots of streamliners and freights at speed, across prairies, over bridges, backgrounds of snow-capped peaks. Railroad fans can easily identify the trains of their railroad. And those of you who aren't particularly fans will find this an informative, absorbing, and very beautiful film to have in your collection. (Prints of this new are at \$150.00.) While our stock of fine used prints remains available, our price is only

**\$24**

## BIG TRAINS ROLLING

Another tremendously absorbing film about trains — this one 3-reels, in Kodachrome 16mm. sound. While pictorially overlapping very slightly with MAINLINE U.S.A. (de above), BIG TRAINS ROLLING tells more the operational story of today's railroads, especially an overnight train trip of some 1000 miles taken by two youngsters — brother and sister. It tells about the various types of cars that make up a passenger train — it shows the operation of a railroad post office car — how a dining car operates — the many types of accommodations available for overnight travel on a modern streamlined train. It also shows how a tug operates, tells something about freight trains, shows how refrigerator cars are packed, many, many other things of interest in connection with railroading. Even more shots of top trains are in evidence — all magnificently photographed in full color. (Prints of TRAIN ROLLING are valued new at \$225.00.) While our stock of fine used prints remains available, our price is only

**\$34**

## LIFE LINE OF THE NATION

A 2-reel 16mm. sound film in full color, Kodachrome. Shows the magnificent performance of our railroads during World War II. The emphasis in this film is more on the movement of freight than of passenger travel. As a result the film is somewhat in contrast to either MAINLINE U.S.A. or BIG TRAINS ROLLING. The viewer, too, will note another big difference — the emphasis of the majestic steam locomotive which was still — during the war — the number one source of motive power for freight as well as passenger transportation. A marked contrast with today when diesel power is close to taking over most principal. So, for those of you who have a particularly soft spot in your hearts for the steam locomotive here's your chance to see some of the big boys of the Santa Fe, Union Pacific, Norfolk Western, Rio Grande, Southern Railway and Chesapeake and Ohio. You'll see lots of action. (Prints of these films are valued at \$225.00 new.) While our stock lasts, you may buy a good used print for only

## BLACKHAWK'S VICE-PRESIDENT

*Martin D. Phelan*

## SOUNDS OFF ABOUT BLACKHAWK'S SERVICE . . . OR THE LACK OF IT!

December 7, 1951

"What happened to you? I sent you a money order two weeks ago and I don't have my shipment yet?"

"This is the lousiest service you've ever given me! Where's my order?"  
"I thought Blackhawk service was getting better — but it's been terrible in the last three weeks. I've sent you three orders — and none of them have come."

What happened to Blackhawk? I think everyone who sent us an order during November is entitled to an explanation. Our service during this month was inexcusable. Were I one of Blackhawk's customers, I would certainly have raised all kinds of "cairn".

The source of the trouble is quickly explained. Kent Eastin (our president) came charging into my office one day with the look of an eager merchant in his eye.

"We've got a lot of odds and ends in the RI line", he said. "Let's do something about them."

After a few minutes discussion, we decided that we would offer them to all of you on a new basis. We'd send out a special postcard to everyone on the Blackhawk list telling them of the thirty-nine cent bargains they could buy in RI musical prints.

We hoped that you all would like the offer. We had no idea that you would like it as well as you did!

We sold Soundies by the hundreds and hundreds and thousands and thousands! We ran out of every item that we'd expected to use for the sale — and then we substituted. Then, we ran out of the substitutes!

Our people worked Saturdays, Sundays, nights and every other possible minute. We borrowed typists and other trained people from Eastin Pictures Company. In spite of our best efforts, our service went from "shipment on the second day after receipt" to "shipment on the second week after receipt — if you're lucky!"

Of course, the flurry finally died down—and we're back in operating condition again. We've learned, though, that a real bargain of this type must be backed up with the ability to serve. Blackhawk is having its growing pains (were these times as large as we were this time last year) and I hope we'll learn as we go.

I can promise that we'll do our best not to repeat that mistake!

# USED 16mm. SOUND SUBJECTS

All prints listed on pages 10 through 16 are good used 16mm. sound prints except for any group specifically identified as used 16mm. or 8mm. silent subjects.

We usually have only a few used prints of a title - sometimes only one. This means that within two or three weeks after the mailing of this catalog, more and more of these used titles will be sold out. Keep this in mind when you order. Order early, and, in justice to yourself, give us an alternate list of titles. We'll never send an alternate unless your top choice is completely out of stock. But remember - we can't sell what we don't have - and the used prints we offer are in great demand.

This section, printed on green paper, was the last part of the catalog to be printed. It was off the press only one or two days before the general mailing of the catalog was made. At the time it went to press, prints of all the subjects listed were in stock ready for shipment. Normally, within two or three weeks after mailing, 50% or more of the titles will have been sold.

As to the length of 16mm. films - cartoons average about 250 feet to a reel, other one-reelers run 300 to 350 feet. Two-reelers usually contain about 650 feet and longer subjects normally average not less than 800 feet to a reel. All films of one reel length and over are supplied on reels. 8mm. films measure just one-half the length of 16mm. subjects.

# DE LUXE PACKAGES of USED 100' 16mm. R-I SOUND MUSICAL FILMS

These films were originally produced by some of the leading 16mm production companies in the country for projection in coin-operated Panoram machines. When projected on ordinary 16mm projectors, the image is reversed on the screen. Usually, the only place you will notice any difference is in the titles—the lettering will appear backwards on your screen. For many uses, the titles may be removed.

Blackhawk offers you a saving in these packages of related films of 40% to 50% from the price you pay when buying them individually.

There may be, without notice, occasional substitutions of one or more titles in any package because we are temporarily out of stock on a particular film. However, we assure you that any substitutions will be of similar type and of the same or greater value.

In these DeLuxe Packages, you may replace not more than two units in one package with units of your selection, if the package consists of twelve or thirteen units. In packages of three or six units, one unit may be replaced. The charge for each replaced unit is \$1.00. For example, you may substitute two units in a \$13.95 package and your total cost will be \$15.95; or one unit in a \$9.95 package to make your total cost \$10.95. In this way, you can take advantage of the special package prices without duplicating films you already own. Replacements must be made at the time you place your original order.

We offer these packages at special bargain prices and cannot, therefore, give pro rata credit for the return of part of a package.

These films may be used for any theatrical, non-theatrical, or commercial purpose, except that they may not be televised.

This guarantee provides that if for any reason you do not wish to retain any films or merchandise you order from Blackhawk, you may ship them back to us, transportation paid, within five days after you receive them, together with a copy of your invoice, and we'll give you full credit. Of course, returned merchandise must be in substantially the same condition when returned as when you received it. ## Read This Before You Order!

Blackhawk can continually offer you these exceptional buys only by eliminating all possibility of credit losses, and by operating our organization at the utmost efficiency. Therefore, irrespective of your credit rating, our terms are CASH WITH ORDER, or (inside continental United States) C.O.D. However, even inside continental United States, a 10% deposit must accompany all C.O.D. orders of \$30.00 or more. Outside continental United States and this includes Alaska, Canada, Hawaii, Mexico, Porto Rico and the Panama Canal Zone—we can handle orders only when remittances in full are included. In all cases, we urge you to remit by postal or express money orders, or by bank drafts. Foreign orders must be in U. S. funds. Do not send currency or coins—even by registered mail—for you do so at your own risk.

We have found that we cannot economically handle orders totaling less than \$2.50 (or less than \$10.00 from outside the Continental United States), so henceforth we cannot accept any order that does not total at least these minimums. You will see footnotes reminding you of this throughout the catalog. Just remember, if you live in the United States, your order must be for a minimum of \$2.50. If you live outside the Continental United States, your order must be for a minimum of \$10.00 and must be paid in U. S. funds. (This includes orders from Canada and Mexico.)

Purchasers in Iowa must pay the 2% Iowa State Retail Sales Tax except in the case of retailers who are purchasing materials for resale, in which case this fact must be clearly stated on the order.

Blackhawk prices do not include postage and insurance except in the few instances where items are shown as "postpaid" at the prices listed. On C.O.D. shipments, postage will be collected along with the cost of the film. However, if you wish to remit in full with your order, you may include the appropriate amount to cover packing, postage and insurance, based on your address, as covered by the following three territorial groupings:

Three 100' prints count as one 400' reel in figuring postage and insurance. Each feature picture counts as eight 400' reels in figuring postage and insurance. For empty reels, cans, cases, etc., allow 20% of purchase price for postage and insurance.

On many classes of films listed here, additional savings can be made by ordering six, twelve or more prints at a time. These discounts, however, apply only to quantities purchased within that class, and not to assortments of several classes of films. Discounts do not apply to any new or used film unless specifically offered in the listing.

There are no dealer discounts of any kind offered by Blackhawk — the prices quoted in this Bulletin, and the quantity amounts available on certain types of films, apply to all classes of purchasers.

## How Long Will You Get Blackhawk's Bargain Bulletin?

It's all so simple! This convenient annual Bulletin mailed to all groups who had the interest in the line of 10mm. But we have a catch. If you order a film which becomes available will continue to receive the Bulletin monthly until approximately six months after the date of that last order. Thus, an order as infrequently as once in each six month's period will assure your continuing to get the Bulletin regularly. Except dealers, inquirers who do not become customers within the first three months will be dropped from its mailing list at approximately the end of that three month's period.

Those persons interested in 8mm. films — of which the selection is far more limited — will receive a copy of the current Bulletin at the time their inquiry reaches us. Thereafter, they will receive additional copies only as new blocks of 8mm. films become available.

The Bulletin is not available on a subscription basis — the only way to get it regularly is to become a customer, and to continue to make at least one purchase regularly in each six-month's period.
